DCI invested in Equity share capital `3000 lakh (previous year `3000 lakh). The dredging work at Palk Strait was suspended from 16-07-2009. The Management does not consider any diminution in the value of the investment and the same has been carried at cost.</p> <p><b><u>Management response to the qualification by auditor as given in the Director's Report is as under (Page no. 8 of the Annual Report for 2012-13) :-</u></b></p> <p>The Management is of the view that the qualification of the Auditors is unwarranted as Sethusamudram Corpoation Limited (SCL) is a Special Purpose Vehicle floated solely for the purpose of the Sethusamudram Ship Channel Project (SSCP) with Central Government as majority shareholder holding 66% of the Rs.745 Cr. paid up share capital along with Ports, SCL and DCI. The holding of DCI is Rs.30Cr which is only about 4% of the paidup share capital of SCL. There is no private investment. It is incorrect to assume that there is any decline in investment value unless any diminution is recognized as such by the Central Government - the major shareholder. SCL is a continuing entity though the dredging work has been stopped/frozen pending final verdict of the Apex Court. Principles of valuation of Trade investment are not relevant to this investment. Moreover, there has been no decline in the investee's assets and results as SCL's Balance Sheet as on 31/03/2012 showed a positive network of Rs.798.97 Cr. Further SCL has declared a pre-operative surplus of Rs.1.91 Cr. for FY 2011-12 in their Annual Report. It is a strategic investment by DCI to grow its business over a long term. Long term investment is to be carried at cost. Unless there are published documents/ financial reports evidencing a decline in the carrying cost, Statutory Auditor's</p> |

| 6. | Additional Comments from the board/audit committee chair  | <p>Sethusamudram Corporation Limited (SCL) is a SPV floated solely for the purpose of the Sethusamudram Ship Channel Project (SSCP) with Central Government as major shareholder along with Ports, SCI and DCI and the Company is a continuing entity. The dredging work has been discontinued pending judgment by the Hon'ble Supreme Court on various cases/ writ petitions against the implementation of SSCP.</p> <p>As per the latest Audited Financial Statements of SCL, the networth as at 31/3/13 has increased to Rs.801.02 Cr (PY Rs.798.97 Cr.). There is no diminution in the value of investment in SCL by the Company.</p> |
