8. An Explanatory Statement pursuant to Section 102(1) of the Companies Act, 2013 in respect of Special Businesses as set out above to be transacted at 71st AGM is annexed hereto and forms part of this Notice.
9. The relevant details, pursuant to Regulations 26(4) and 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, in respect of Director/KMP seeking re-appointment at this AGM is annexed hereto and forms part of this Notice.
10. The Register of Members and Share Transfer Books of the Company shall remain close during the Book Closure period i.e. from Tuesday, 22nd September, 2020 to Monday, 28th September, 2020 (both days inclusive). The Company has fixed Monday, 21st September, 2020 as the 'Record Date' for determining entitlement of members to final dividend for the financial year ended March 31, 2020, if approved at the AGM.
11. If the final dividend, as recommended by the Board of Directors, if approved at the AGM, payment of such dividend subject to deduction of tax at source will be made as under:
  - i. to all Beneficial Owners in respect of shares held in dematerialized form as per the data as may be made available by the National Securities Depository Limited ("NSDL") and the Central Depository Services (India) Limited ("CDSL"), collectively "Depositories", as of the close of business hours on Monday, 21st September, 2020.
  - ii. to all Members in respect of shares held in physical form after giving effect to valid transfer, transmission or transposition requests lodged with the Company as of the close of business hours on Monday, 21st September, 2020.
12. Pursuant to Finance Act 2020, dividend income will be taxable in the hands of shareholders w.e.f. April 1, 2020 and the Company is required to deduct tax at source from dividend paid to shareholders at the prescribed rates. For the prescribed rates for various categories, the shareholders are requested to refer to the Finance Act, 2020 and amendments thereof. The shareholders are requested to update their PAN with the Company/RTA (in case of shares held in physical mode) and depositories (in case of shares held in demat mode).

A Resident individual shareholder with PAN and who is not liable to pay income tax can submit a yearly declaration in Form No. 15G/15H, to avail the benefit of non-deduction of tax at source by email to [info@masserv.com](mailto:info@masserv.com) till 05:00 PM (IST) on Monday, 21st September, 2020. Shareholders are requested to note that in case their PAN is not registered, the tax will be deducted at a higher rate of 20%.
13. In case of joint holders attending the Meeting, only first shareholder will be entitled to vote at AGM. Individual shareholders holding shares in the Company, singly or jointly, may nominate an individual to whom all the rights in the shares in the Company shall vest after his/her or their death.
14. Members desiring any information as regards to the financial statements / accounts are requested to write to the Company at [info@jmaindia.com](mailto:info@jmaindia.com) at an early date so as to enable the management to keep the information ready at the AGM.
15. Members holding shares in dematerialized form are requested to intimate all changes pertaining to their bank details, National Electronic Clearing Service (NECS), nominations, power of attorney, change of address, change of name and e-mail address, etc., to their respective Depository Participant only. Members holding shares in physical form are requested to intimate such changes to the Company/MAS Services Limited i.e. Registrar and Transfer Agent.
16. SEBI has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their demat account. Members holding shares in physical form can submit their PAN to the Company/Registrar and Transfer Agent.

17. The Members holding shares in the same name or same order of names under different folios are requested to send the share certificates for consolidation of such shares to the Company or MAS Services Limited i.e. Registrar and Transfer Agent.

18. Pursuant to the provisions of Section 124 and 125 of the Companies Act, 2013 read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("IEPF Rules") as amended from time to time, unclaimed dividend for the Financial Year ended 31st March, 2013 had been transferred into the Investor Education and Protection Fund established by the Central Government ("IEPF").

The members / claimants whose shares and / or unclaimed dividend(s) amount had been transferred to IEPF may claim the shares or apply for refund by making an application to IEPF Authority in Form IEPF-5 (available on [www.iepf.gov.in](http://www.iepf.gov.in)) along with requisite fee as decided by it from time to time. The member / claimant can file only one consolidated claim in a Financial Year as per IEPF Rules.

Members should write to the Company if their dividend warrants for the Financial Year ended on 31st March, 2014, or any subsequent financial year(s), have not been en-cashed /claimed.

19. Pursuant to Section 101 and Section 136 of the Companies Act, 2013 read with respective rules made thereunder, the companies can serve annual reports and other communications through electronic mode to those members who have registered their e-mail addresses either with the Company or with the Depository. Members who have not registered their e-mail addresses so far are requested to register their e-mail address for receiving all communication including annual report, notices, circulars, etc. from the Company electronically.

20. Members may also note that the Notice of AGM and the Annual Report for the Financial Year 2019-20 are also available on the Company's website i.e. [www.jmaindia.com](http://www.jmaindia.com). All documents referred to in the notice can be obtained for inspection through secured mode by writing to the Company at its email ID [info@jmaindia.com](mailto:info@jmaindia.com) till the date of the meeting.

21. Pursuant to Section 108 of the Companies Act, 2013 (hereinafter referred to as "the Act"), read with the relevant Rules of the Act, the Company is pleased to provide the facility to Members to exercise their right to vote by electronic means. The Members, whose names appear in the Register of Members / list of Beneficial Owners as on Monday, 21st September, 2020, i.e. the date prior to the commencement of book closure date are entitled to vote on the resolutions set forth in this Notice. Members who have acquired shares after mailing of the Annual Report and/ or Notice of AGM and before the book closure may approach the Company for issuance of the User ID and Password for exercising their right to vote by electronic means. The e-voting period will commence at 9.00 a.m. on Friday, 25th September, 2020 and will end at 5.00 p.m. on Sunday, 27th September, 2020. The Company has appointed M/s Vijay K. **Annexure to Notice of Seventy First (71st) Annual General Meeting**

**EXPLANATORY STATEMENT REQUIRED UNDER SECTION 102 (1) OF THE COMPANIES ACT, 2013**

**Item no. 5**

The provisions of Section 203 and 188(1) of the Companies Act, 2013 that govern the appointment of Chief Executive Officer and Key Managerial Personnel of the Company and Related Party Transactions require a Company to obtain prior approval of the Board of Directors and in certain cases approval of the shareholders is also required.

Shri Varoon Malik is MBA from Asian Institute of Management, Manila Philippines, Bachelor of Economics (Honors) from St. Stephens College, University of Delhi and has done a short term course from ISB, Hyderabad, India. He was also exchange student of Stockholm School of Economics, Stockholm, Sweden. Shri Malik had been working with Bennett, Coleman and Co. Ltd, for over 10 years and was designated as Deputy General Manager - Brand Capital at the time of resignation.

Section 188(1) (f) of the Companies Act, 2013 provides for the related party's appointment to any office or place of profit. The Board of Directors of the Company on the recommendation of the Nomination and Remuneration Committee and Audit Committee, at their respective meetings held on 21st May, 2020 and 25th May, 2020, respectively, had approved the appointment of Shri Varoon Malik (who was appointed as COO in shareholders meeting held on 20th December, 2018) as Chief Executive Officer ("CEO") and Key Managerial Personnel ("KMP") of the Company in terms of Section 203 of the Companies Act, 2013, subject to approval of the Shareholders by way of an Ordinary Resolution.

The details of the remuneration payable to Shri Varoon Malik, are given in the resolution no. 05, which is the same as approved by the shareholders in their meeting held on 20th December, 2018 except that the sub-limit of INR 2,50,000/- for perquisites has been deleted so as to have the overall limit of INR 90,00,000/- specified in the aforesaid resolution.

Shri Deepak Arora, and Smt Shuchi Arora, Non-Executive Directors, being relatives are deemed to be interested or concerned in the aforesaid resolution.

The Board of Directors recommend the resolution at Item No. 5 for approval of the members by way of **Ordinary Resolution**.

**Item no. 6**

As per Regulation 17(1A) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, with effect from 1st April, 2019, no listed company shall appoint or continue the directorship of a Non-Executive Director who has attained the age of 75 years, unless a special resolution is passed to that effect and justification thereof is indicated in the explanatory statement annexed to the Notice for such appointment.

Shri Virat Sondhi, was last appointed as Managing Director of the Company, for a period of five years w.e.f. 01st April, 2015 to 31st March, 2020, in accordance with the provisions of Sections 196, 197, 198 and 203 read with Schedule V and other applicable provisions, if any, of the Companies Act, 2013 ("the Act") and rules made thereunder. The term of Shri Virat Sondhi, as Managing Director ("MD") expired on 31st March, 2020, whereafter he continues to be on the Board in the capacity of Non-Executive Director, subject to retirement by rotation under the applicable provisions of the Act. Shri Virat Sondhi is more than 75 years of age and accordingly his continuation as Non-Executive Director with effect from 1st April, 2020 requires approval of shareholders by way of special resolution. Brief profile of Shri Virat Sondhi, is given in Note 24 in the notice of AGM.

Shri Virat Sondhi has overall experience of more than 55 years in automobile industry. During these years, he has served the Company in various capacities. He joined as an Executive Director on the Board of the Company in the year 1979 and served as Managing Director for over three decades and Chairman of the Company. On account of his rich experience and expertise in the automobile sector, during his long association with, and under his leadership, the Company has benefitted, transformed considerably and also achieved many milestones. Also, Shri Sondhi has been associated with several Trade and Industry Associations. Considering his extensive knowledge, skills and experience, the Board of Directors is of the opinion that his continuation as Non-Executive Director will be beneficial and in the best interests of the Company.

Shri Virat Sondhi fulfils all conditions specified by applicable laws for the position of a Non-Executive Director of the Company and is not disqualified from being appointed as Director under Section 164 of the Companies Act, 2013. As per provisions of the Companies Act, 2013, Shri Virat Sondhi retires at the ensuing Annual General Meeting and being eligible, offers himself for re-appointment, which is being separately considered by the shareholders as a part of ordinary business in this Annual General Meeting.

Except Shri Virat Sondhi, being the appointee and relatives, being Shri Deepak Arora and Smt. Shuchi Arora, Non-Executive Directors, Shri Varoon Malik, Chief Executive Officer, Smt. Aditi Arora Malik, President and Ms Aashna Arora,

Vice President – A& F, none of the other Directors and Key Managerial Personnel of the Company or their relatives are concerned or interested financially or otherwise, in the resolution set out at Item No. 6.

The Board of Directors recommends the resolution at Item No. 6 for approval of the members by way of **Special Resolution**.

**Item no. 7**

Shri Virat Sondhi is a Promoter and Non-executive Director (Ex-MD) of the Company. Shri Virat Sondhi is having over more than 5 (Five) decades of industry experience in the field of distribution of auto spare parts and automobiles industry.

Under the dynamic leadership, stewardship and vision of Shri Virat Sondhi in past more than five decades the Company has achieved the distinction of becoming one of the leading distribution houses of spare parts in automobile industry in the Country.

The board of directors, at its meeting held on 25th May, 2020 placed on record their appreciation for the immense contribution made by Shri Virat Sondhi to the progress of the Company and its group companies. Further, the Nomination and Remuneration Committee (NRC), recognizing his contribution towards development of the Company and its group companies and his vast expertise, experience and knowledge with regard to the business of distributionship of the automobile parts, and also his cordial relations with the suppliers / manufacturers, recommended to the board that it would be in the long term interest of the Company, if, Shri Virat Sondhi continues to remain closely associated with and continue to share his rich experience and expertise and to guide the Company; and in recognition of his services also bestowed him with the title of Chairman - Emeritus.

Taking into consideration the request of NRC/ the board, Shri Virat Sondhi consented to, provide his guidance and mentorship to the executive management, advisory support in initiatives of strategic importance and liaising with Principals for Group's future growth plans, also involving new business areas.

Based on the recommendations of the Nomination and Remuneration Committee and approval by the Audit Committee in their meeting held on 13th July, 2020, the board considered and unanimously approved the payment of honorarium and certain perquisites to Shri Virat Sondhi, Chairman Emeritus, Non-Executive Director as mentioned in Item No. 7 of Notice of this AGM, which requires approval of shareholders of the Company. The above alongwith terms & conditions enumerated in resolution may be treated as a written memorandum setting out the terms of payment of honorarium to Shri Virat Sondhi under the Companies Act, 2013 and rules made thereunder.

Pursuant to Regulation 17 (6) (ca) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, from time to time, the payment of aforesaid honorarium to Shri Virat Sondhi, a single non-executive director which exceeds 50% of the total annual remuneration payable to all Non-executive directors, requires approval of shareholders by way of passing of special resolution in ensuing 71st Annual General Meeting of the Company. Such payment of honorarium to Shri Virat Sondhi involves the holding of an 'office or place of profit' under Section 188 of the Companies Act, 2013 and rules made thereunder.

Except Shri Virat Sondhi, being the appointee and relatives, being Shri Deepak Arora and Smt. Shuchi Arora, Non-Executive Directors, Shri Varoon Malik, Chief Executive Officer, Smt. Aditi Arora Malik, President and Ms Aashna Arora, Vice President – A& F, none of the other Directors and Key Managerial Personnel of the Company or their relatives are concerned or interested financially or otherwise, in the resolution set out at Item No. 7 of the Notice, to the extent of directorship and / or their respective shareholding, as the case may be, in the Company. As required under the SEBI (LODR) Regulations, 2015, said persons shall abstain from voting on the resolution.

The Board of Directors recommend the resolution as set out at Item No. 07 for the approval of the members as **Special Resolution**.

**2. Details of material changes from the end of the financial year till the date of this report**

Material changes affecting the financial position of the Company between the end of the financial year and date of this report are given below:

**GLOBAL PANDEMIC – COVID-19**

The outbreak of Coronavirus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. In many countries, businesses are being forced to cease or limit their operations for long or indefinite periods of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing and closures of non-essential services have triggered significant disruptions to businesses worldwide, resulting in an economic slowdown.

COVID-19 is significantly impacting business operation of the companies, by way of interruption in production, supply chain disruption, unavailability of personnel, closure / lockdown of production facilities etc.

On March 24, 2020, the Government of India imposed a nationwide lockdown / curfew which were extended from time to time to prevent community spread of COVID-19. This has adversely affected the businesses in India with the consequences of significant reduction in economic activities. The Company is keeping a close watch over its activities and operations to ensure that it can meet the challenges to the best extent possible; and has considered the external and internal information while assessing the recoverability of Company's assets such as investments, trade receivables etc.

**2.1** There was no change in the nature of the business of the Company, which is engaged in the business of distribution of auto spare parts across India.

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2020

*[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]*

To,  
The Members  
Jullundur Motor Agency (Delhi) Limited  
458-1/16, Sohna Road, Opposite New Court,  
Gurugram - 122 001, Haryana

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Jullundur Motor Agency (Delhi) Limited** (hereinafter called "**the Company**"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company, the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, the explanations and clarifications given to us and the representations made by the Management, we hereby report that in our opinion, the Company has, during the audit period covering the Financial Year ended on March 31, 2020 hereinafter called ("audit period") generally complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records made available to us and maintained by the Company for the Financial Year ended on March 31, 2020 according to the applicable provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
  - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
  - (c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993;

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standard on Meetings of the Board of Directors (SS-1) and Secretarial Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India.
- (ii) The Listing Agreement entered into by the Company with National Stock Exchange of India Limited read with the Securities and Exchange Board of India (Listing Obligations and Disclosures Requirements) Regulations, 2015.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards etc. mentioned above. The Company has spent an amount of ₹ 39.35 Lakh against the amount of ₹ 39.31 to be spent during the year towards Corporate Social Responsibility.

**We further report that, there were no actions / events in pursuance of:**

- (a) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder;
- (b) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
- (c) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
- (d) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- (e) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
- (f) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;

Not requiring any compliance thereof by the Company during the financial year under review.

**We further report that:**

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act read with Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Adequate advance notice were given to all the directors to schedule the Board Meetings, agenda and detailed notes thereof were sent at least seven days in advance from the date of meetings other than those held at shorter notice, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes of the meetings duly recorded and signed by the Chairman, the decisions of the Board were passed by majority and dissenting views have been incorporated in the minute book.

There are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines etc.

During the audit period, there were no specific events / actions in pursuance of the above referred laws, rules, regulations, guidelines etc. which had a bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards etc.

- i. This Report is to be read with our letter of even date which is annexed as Annexure A and forms an integral part of this report;
- ii. The Registered Office of the Company and also, the Secretarial Auditors, both, are situated / based at DELHI NCR, one of most affected area due to CoVID-19 pandemic. Hence, Audit has been done with limited access of records and resources available with both the Company and Secretarial Auditors. Still Secretarial Audit has been done with due care and vigilance to the extent possible;
- iii. Term of both, Shri Virat Sondhi and Shri Deepak Arora, ex-Managing Director and ex-Joint Managing Director respectively, expired at March 31, 2020. Moreover, the Board of Directors of the Company in their meeting held on May 20, 2020, deliberated on the matter of re-appointment of Shri Virat Sondhi and Shri Deepak Arora as Managing Director and Joint Managing Director respectively and had unanimously decided not to re-appoint both of them for further period as such. It is imperative to point out that during the audit, it has also been noticed that there were few disagreements between the Company and Shri Deepak Arora, and consequently, matter was referred to Hon'ble High Court of Delhi which is presently sub-judice. This particular point has already been reported to National Stock Exchange of India by the Company vide letter dated 04th May, 2020. This statement shall however not be treated as qualification as such from our side.

## **MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

### **MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

The statements contained in this section describing the Company's objectives, projections, estimates, expectations may be considered to be 'forward looking statements' which the management believes are true to the best of its knowledge at the time of preparation within the meaning of applicable laws, rules and regulations. Actual results may differ materially from those expressed or implied. The Company assumes no responsibility to amend, modify or revise any forward looking statements on the basis of any subsequent development, information or events.

#### **OVERVIEW**

The Company is engaged in the business of distribution of auto spares parts across India through network of branches since 1927. The Company deals in products such as brakes, bearings, clutches, cooling system, engine components, suspension, power steering, oil & lubricants, filters etc. Most of Company's suppliers are original equipment manufacturers ("OEM's) to vehicle manufacturers.

The Company is predominately in a single reportable segment viz., distribution of auto parts.

#### **INDUSTRIAL STRUCTURE AND DEVELOPMENT OVERVIEW**

In the Financial Budget for the current Financial Year, the management has noticed decent allocation of funds in infrastructure. With this investment in infrastructure; there might be some revival in the reeling commercial vehicle segment. Other than that, the prospects of an early turnaround in commercial vehicles sales seem dim and will depend heavily on a sustained revival in economic activity and improvement in the movement of goods and passengers.

Sentiments in the market for automobiles sector is negative at present. The demand in all vehicle segment including commercial vehicles, cars, bi-wheelers and tractors, was negligible in the first quarter of the financial year. The farm tractor segment is continuing to do well on account of normal monsoon this year. After lockdown, the traffic condition in the last two months is still significantly lower than the normal situation. Lesser mileage being covered would mean lesser spare parts requirement during this period.

Most of automobile vehicle and spare parts are attracting highest rates of Goods and Services Tax i.e. 28%. Transport has become integral part of our daily activities. We are hopeful that GST council may take steps earlier to bring down the GST rates from 28% to 12% / 18% to give much needed relief to automobile industry.

#### **FINANCIAL REVIEW**

The Company registered a turnover of ₹ 30,415.55 lakhs. The profit before tax was ₹ 1,715.40 lakhs as compared to ₹ 2,053.19 lakhs in last financial year. The Company is a debt free company. A chart containing the details of financial performance in past 5 years is appended with this Annual Report.

#### **FUTURE PLANS & OUTLOOK**

The Company is in the process of adding more products / lines in product mix and focusing to open of new outlets/ sales units in potential tier-ii & tier-iii cities / towns across the country so as to cater to the areas which have remained uncovered so far. Drop in Vehicle sales in primary market and increased interest in the personal private mobility (due to social distancing issues), we see an opportunity in increase in consumption of spare parts for old vehicle which may lead to higher sales / volume of parts in which your Company deals.

Also, the agriculture sector is showing positive signs given the normal monsoons we can expect some recovery in the commercial vehicle movement. Farm tractor segment is showing strong performance in the first quarter of the year.

#### **OPPORTUNITIES**

The management of the Company expects that there would be an increase in demand in the last quarter of the year on account of normalcy in the market. It is also expected that there will be increase in requirement of auto parts both on Commercial vehicles and passenger vehicles.

#### **THREATS AND RISKS**

After market, demand of spare parts / auto components in secondary market is going down due to aggressive posture shown by OEM's in recent past. Given the pandemic, working capital has also become extremely tight for our customers and thereby affected cash flows in the market.

There is continued uncertainty with respect to local lockdowns which force branches to shut down on regular basis for short periods of time. The lockdowns are also affecting the suppliers both from a workforce perspective and from a logistics perspective; due to which there is irregularity in terms of supplies. The supplies are expected to become normal only towards end of 3<sup>rd</sup> quarter of the financial year.

The current mileage is still significantly lower than normal situation that would mean requirement of spare parts would be lesser at this point in time. Wider acceptance of working from home could mean reduced mileage on a long-term basis as well.

**SUBSIDIARY AND ITS PERFORMANCE**

During the year under review, the sales turnover of the subsidiary Company was INR 5,164.01 Lakhs and it managed to earn Net Profits (after tax) of INR 181.73 Lakhs.

**RETURN ON NET WORTH**

There is reduction in Return on Net Worth from 9.26% to 8.08% as compared to last fiscal year.

**INTERNAL CONTROL SYSTEMS**

The Company has an adequate and effective control system to commensurate with its size and complexity. The internal control system is supplemented through an extensive internal audit program and periodic review by management and audit committee.

**DISCLOSURE OF ACCOUNTING TREATMENT**

In the preparation of the financial statements, the Company has followed the Indian Accounting Standard (IND AS). The significant accounting policies which are consistently applied are set out in the Notes to the Accounts.

**RISK MANAGEMENT**

The Company monitors and reviews the risk management activities on regular basis. There is sub-committee formed by the Board of Directors of the Company to look into risks associated in operations, their impact and best possible solution to mitigate the risk. Risk management committee reports to management of the Company from time to time.

**CORPORATE SOCIAL RESPONSIBILITY**

The Company is committed to make contribution to the society as part of our social initiatives. Special focus made on the education to overcome from literacy in small cities and villages. The Company is contributing to an NGO who are progressively working on education programs in small cities / villages of Rajasthan and contributing towards welfare abandoned senior citizens and disabled people. During the year, the Company has also contributed into The Prime Minister's Citizen Assistance and Relief in Emergency Situations Fund (PM CARES Fund) set up by the Government of India for combating, and containment and relief efforts against the coronavirus outbreak and similar pandemic like situations in the future.

**HUMAN RESOURCE DEVELOPMENT AND INDUSTRIAL RELATIONS**

The company had extensively focused on leadership development and employee engagement initiatives. During the period of lock-down, multi-product and sales training program were conducted across the Company. Employees are encouraged to be safe and are continuously requested to follow the safety protocol across all branches. Total Employees on Payroll of the Company are 508.

## REPORT ON CORPORATE GOVERNANCE

### COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

Transparency and accountability are the two basic tenets of the Corporate Governance. The founding fathers of the Company were great visionaries and both these tenets were imbibed and made integral part of the business policies of the Company. The Company believes in highest standards of Corporate Behavior towards its stakeholders be it the suppliers, the customers, the employees as well as society as a whole. The Company's moto is to achieve sustainable growth so as to create long term value for shareholders. During last 93 years of the Company's existence, the above principles have been the guiding force for the Company. The Board plays a critical role in the overseeing how the management serves the short and long term interest of shareholders and other stakeholders. This belief is reflected in Company governance practices, under which the Company strives to maintain an active, informed and independent Board. The Company's governance practices are under continuous review and it tries to benchmark itself to the best governed companies across the country.

A report on compliance with the principles of Corporate Governance as prescribed by SEBI in Listing Regulations is given below:

#### 1. BOARD OF DIRECTORS

The Board of Directors ('the Board') is entrusted with the ultimate responsibility of the management, general affairs, direction and performance of the Company and has been vested with the requisite powers, authorities and duties.

##### 1.1 Composition of the Board

Board of Directors ("Board") of the Company has an optimum combination of Independent, Executive and Non-executive directors including two Woman directors. Board consists of 11 Directors comprising 2 Executive Directors (upto 31st March, 2020), 5 Non-Executive Non-Independent Directors and 4 Independent Directors. CA Subhash Chander Vasudeva is Chairman of the Board, who is an Independent Director.

All Independent Directors ("IDs") have confirmed in accordance with Regulation 25(8) of the SEBI Listing Regulations that they meet the independence criteria as mentioned under Regulation 16(1)(b) of the SEBI Listing Regulations and Section 149 of the Companies Act, 2013 ("the Act") and the rules framed thereunder. The IDs have further stated that they are not aware of any circumstance or situation, which exist or may be reasonably anticipated, that could impair or impact their ability to discharge their duties with an objective, independent, judgment and without any external influence. The Company has received confirmation from all the existing IDs of their registration on the Independent Directors Database maintained by the Institute of Corporate Affairs pursuant to Rule 6 of the Companies (Appointment and Qualification of Directors) Rules, 2014. Based on the disclosures received from all the IDs and as determined at the meeting held on 20th May, 2020, the Board is of the opinion that the IDs fulfill the conditions of Independence as specified in the Act and SEBI Listing Regulations and are independent of the Management.

**INDEPENDENT AUDITOR'S REPORT**

To the Members of

**Jullundur Motor Agency (Delhi) Limited**

**Report on the Audit of the Standalone Financial Statements**

**Opinion**

We have audited the standalone financial statements of Jullundur Motor Agency (Delhi) Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2020, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Statement of Cash Flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2020, the profit and total comprehensive income, its changes in equity and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1	<p><b>Revenue recognition – Accruals for turnover discounts</b></p> <p>Generally in the markets, products are often sold with sales related turnover discounts. Sales are recorded based on the price specified in the sales contract/arrangement with the customers net of discounts, returns and taxes. However simultaneously estimated amount of turnover discounts would need to be incurred are also estimated and netted off from sales. Judgment is required to be exercised in determining the level of provisions that would need to be accrued. (Refer Note No. 2(G) for the accounting policies on Revenue Recognition)</p>	<p>We have performed the test controls as per the following procedures to the accuracy of revenue recognized and accrual for turnover discounts to the customers:</p> <ul style="list-style-type: none"> <li>(a) Obtaining an understanding of the Management processes and control with regard to contractual arrangements for turnover discount to the customers.</li> <li>(b) Obtained an understanding of key contractual arrangements with customer and Management's process for collecting the relevant information to be able to reasonably estimate the Company's obligation in this regard.</li> <li>(c) Conducted review of contracts/arrangement, where such turnover discount existed and tested Management's basis for estimating the invoices to which such turnover discount will apply.</li> <li>(d) Tested the application of the appropriate rates of</li> </ul>

		<p>discount and re-performed the test of arithmetic accuracy of the spreadsheet/ credit notes issued.</p> <p>(e) Performed insight analysis over changes to prior period turnover discount &amp; assessing the estimates considering the evidence in this regard.</p>
<p>2</p>	<p><b>Net Realizable Value of Finished Goods</b></p> <p>Finished goods inventory are valued at lower of cost and estimated net realizable value (estimated selling price less estimated cost necessary to make the sale). Considering that there is always a volatility in the selling price of the finished goods inventory i.e. automobile parts &amp; accessories, specially slow moving, damaged, unsalable inventories items, which is dependent upon various market conditions/ demand of the such items, determination of the net realizable value for these items involves significant management judgement and therefore has been considered as a key audit matter.</p> <p>(Refer Note No. 2(F) for the accounting policies on Inventories)</p>	<p>We have performed the following procedure on test check basis to verify the accuracy of the inventory held and valuation of stock- in-trade including slow moving , damaged, unsalable or obsolete inventory:</p> <p>(a) Obtaining an understanding of the Management processes and control with regard to inventory held at close of the year and valuation of stock- in -trade including slow moving, damaged, unsalable or obsolete inventory.</p> <p>(b) Obtained an understanding of the determination of the cost or net realizable values of the stock-in- trade items i.e. automobile parts &amp; accessories including slow moving, damaged, unsalable or obsolete items assessed and tested the reasonableness of the significant judgements applied by the management.</p> <p>(c) Evaluated the design of internal controls relating to the stock- in-trade held and valuation of inventories including slow moving, damaged, unsalable or obsolete items and also tested the operating effectiveness of the aforesaid controls.</p> <p>(d) Compared the cost of the stock-in-trade items with the estimated net realisable value and checked if such items were recorded at net realisable value where the cost was higher than the net realisable value.</p> <p>(e) Assessed the appropriateness of the disclosure in the financial statements in accordance with the applicable financial reporting framework.</p>
<p>3</p>	<p><b>Modified Audit Procedures carried out in light of COVID-19 outbreak:</b></p> <p>Due to the outbreak of COVID-19 pandemic that caused nationwide lockdown and other travel restrictions imposed by the Central and State Governments / local administration during the period of our audit, we could not travel to the branches/offices of the company to carry out the audit processes physically at the respective branches/offices.</p> <p>As we could not gather audit evidence in person/ physically/ through discussions and personal interactions with the officials at the respective branches/offices, therefore we have identified such modified audit procedures as a Key Audit Matter.</p>	<p>Our ability to perform regular audit procedures has been impacted due to travel restrictions on account of nationwide lockdown, which has required us in certain cases to perform alternative audit procedures as under:</p> <p>Wherever physical access was not possible, necessary records/ reports/ documents were made available to us by the management through digital medium, emails and remote access to ERP. To this extent, the audit process was carried out on the basis of such documents, reports and records made available to us, which were relied upon as audit evidence for conducting the audit and reporting for the current period, further making enquiries and gathering necessary audit evidence through discussions over phone calls, emails etc. with the concerned official of the company.</p>

**Emphasis of Matter**

We draw attention to Note 39 to the standalone financial statements regarding the uncertainties arising out of the outbreak of COVID-19 pandemic and management’s evaluation of the impact on the standalone financial statement of

the company as at the balance sheet date. As mentioned therein, the assessment of the Company does not indicate any material effect on the carrying value of its assets and liabilities of the Company as on the reporting date. The Company will continue to closely monitor any material changes to future economic conditions.

Our opinion is not modified in respect of this matter.

#### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon. The Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information are expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

#### **Responsibilities of Management for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, based on our audit we report that :
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

**Annexure 'B' to the Independent Auditor's Report**

**(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Jullundur Motor Agency (Delhi) Limited of even date)**

**Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Jullundur Motor Agency (Delhi) Limited ("the Company") as of March 31, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI").

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## Significant accounting policies and notes on accounts

### 1 General Information

Jullundur Motor Agency (Delhi) Limited is a public limited company incorporated and domiciled in India, listed on the the National Stock Exchange (NSE). The address of its registered office is 458-1/16, Sohna Road, Opposite New Court, Gurugram (Gurgaon) -122001. The Company is engaged predominantly in trading and distribution of automobile parts, accessories and petroleum products primarily in India.

### 2 Significant accounting policies

#### A Basis of Preparation of financial statements

The financial statements have been prepared to comply in all material respects with the notified accounting standard under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. The financial statements have been prepared in accordance with Indian Accounting Standards (referred to as "Ind AS") under the historical cost convention on an accrual basis except for certain financial instruments which are measured at fair values at the end of each reporting year as explained in the accounting policies below.

The accounting policies have been consistently applied by the Company except where a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

#### B Use of Estimates:

The preparation of financial statements in conformity with Ind AS requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting year end. Difference between the actual results and estimates are recognised in the year in which the results materialise.

#### C Property Plant and Equipment (PPE):

##### (i) Tangible Assets

Property plant and Equipment (PPE) are stated at cost less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Borrowing costs relating to acquisition of PPE which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the year till such assets are ready to be put to use. Improvement to PPE which has the effect of increasing the future benefits from the existing assets beyond their previously assessed standard of performance is included in the gross block.

Tangible assets not ready for the intended use on the date of the Balance Sheet are disclosed as "capital work in progress".

##### Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all its property, plant and equipment recognised as at 1 April, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

##### (ii) Intangible assets

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of the assets can be measured reliably.

Intangible assets are stated at original cost less accumulated amortization and impairment losses, if any

#### D Depreciation and amortization

Depreciation on PPE except buildings and plant and equipments is provided on the written down value basis at the rates derived, based on the useful life of the assets as specified in Schedule II to the Companies Act, 2013.

Depreciation on buildings and plant and equipment is provided on straight line basis at the rates as derived, based the useful life of the assets as specified in Schedule II to the Companies Act, 2013.

Intangible assets being software licenses are amortized on straight line method over their estimated useful life.

#### E Financial Instruments

##### (i) Initial recognition

Financial assets and financial liabilities are recognised in the Company's statement of financial position when the Company becomes a party to the contractual provisions of the instrument. The Company

determines the classification of its financial assets and liabilities at initial recognition. All financial assets and liabilities are initially recognised at fair value plus directly attributable transaction costs in case of financial assets and liabilities not at fair value through profit or loss. Financial assets and liabilities carried at fair value through profit or loss are initially recognised at fair value, and transaction costs are expensed in the income statement.

(ii) **Subsequent Measurement**

**a) Financial assets carried at amortized cost**

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows, and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**b) Financial assets carried at fair value through other comprehensive income**

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding. Further, in cases where the company has made an irrevocable "election based, on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognised in other comprehensive income.

**c) Financial assets carried at fair value through profit or loss**

A financial asset which is not classified in any of the above categories is subsequently fair valued through profit or loss.

**d) Financial liabilities**

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance sheet date, the carrying amount approximates fair value due to the short maturity of these instruments.

**e) Equity Instruments**

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognized at the proceeds received, net of direct issue costs.

**f) Investment in subsidiaries**

Investment in subsidiaries is carried at cost in the financial statements.

(iii) **Derecognition of financial instruments**

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

(iv) **Fair value of financial instruments**

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The method used to determine fair value include available quoted market prices and discounted cash flow analysis. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized.

For financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amounts approximates fair value due to the short maturity of these instruments.

**F Inventories**

Finished goods and Goods in transit are valued at cost or estimated realizable value whichever is lower. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Net realisable value is the estimated selling price in the ordinary course of business less estimated costs necessary to make the sale.

Slow moving, damaged, unsalable or obsolete inventories are identified at the each reporting date on the basis of technical evaluation and valued at estimated realizable value.

**G Revenue from contract with customer**

**(i) Sale of products**

Revenue from contract with customers is recognised when the Company satisfies performance obligation by transferring promised goods and services to the customer. Performance obligations are satisfied at a point of time. Performance obligations are said to be satisfied at a point of time when the customer obtains controls of the goods.

Revenues is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, sales incentives, returns and taxes. Transaction price is recognised based on the price specified in the contract, net of the estimated sales incentives/ discounts. Accumulated experience is used to estimate and provide for the discounts/ right of return, using the expected value method.

**(ii) Other operating revenue**

Other operational revenue represents income earned from activities incidental to the business and is recognised when right to receive the income is established.

**(iii) Other Income**

Interest income from a financial asset is recognized using the effective interest rate.

Dividend income is recognised in the year in which the right to receive the same is established.

**H Purchases**

Purchases are net of incentive and commission received from suppliers and adjusted for claims rejected and goods short received. Incentive and commission from suppliers are recognised when no significant uncertainty exists regarding their collectability.

**I Trade and other payables**

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid in accordance with the terms with the vendors. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting year. They are recognised initially at their fair value and subsequently measured at amortized cost using the effective interest method.

**J Foreign Exchange Transactions**

**Functional currency**

The functional currency of the Company is the Indian Rupee. These financial statements are presented in Indian rupees (rounded off to rupee) which is the company's functional and presentation currency.

**K Employee benefits**

**(i) Short term employee benefits :**

All employee benefits due wholly within twelve months of rendering of services are classified as short term employee benefits. Benefits like salaries, wages, leave salary, contribution to Provident Fund/ Employee State Insurance contributions etc. paid or payable during the reporting year and the expected bonus expense are recognised as an expense on an undiscounted basis in the year in which the employee renders the related service.

**(ii) Post -employment benefits**

**a) Defined Contribution Plan**

The State governed Provident Fund Scheme, Employees' State Insurance Scheme and Employees Pension Scheme are defined contribution plans. The Company has no obligation, other than the contribution payable to the Provident Fund Scheme, Employees' State Insurance Scheme and Employees Pension Scheme. The contribution paid /payable under the schemes is recognised during the year in which employee renders the related service.

**b) Defined Benefit Plan**

The liability is provided based on actuarial valuation certified by consulting actuary. The Company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Remeasurements comprising of actuarial gains and losses, the effect of the asset ceiling (excluding amounts included in net interest on the net defined benefit liability) and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability) relating to retirement

benefit plans are recognised in Other Comprehensive Income which are not reclassified to profit or loss in subsequent years.

The Company's Gratuity is Defined Benefit Retirement Plan. The Company 's liability towards Gratuity is determined using the Projected Unit Credit Method which recognises each year of service as giving rise to additional unit of employee benefit entitlement.

In respect of Directors, the liability for gratuity is unfunded and in respect of other eligible employees, the Gratuity scheme is operated through Group Gratuity Scheme of Life Insurance Corporation of India.

## **L Income taxes**

The accounting treatment followed for taxes on income is to provide for Current Income Tax and Deferred Income Tax. Income tax expense is recognized in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income. Current income tax for current and prior year is the aggregate amount of income tax determined as payable in respect of taxable income for the year, using the tax rates and tax laws that have been enacted or substantially enacted by the Balance Sheet date. Deferred Income Tax asset and liability are recognized for all temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the financial statements except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction. Deferred Income tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. A deferred tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. Deferred tax is not provided on the undistributed earnings of subsidiaries where it is expected that the earnings of the subsidiary will not be distributed in the foreseeable future. The company offsets current tax asset and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

## **M Provision and Contingencies**

- i) Provision is recognised (for liabilities that can be measured by using a substantial degree of estimation) when:
  - a) the company has a present obligation as a result of a past events.
  - b) a probable outflow of resources embodying economic benefits is expected to settle the obligation ; and
  - c) the amount of the obligation can be reliably estimated.
- ii) Contingent liability is disclosed in case there is ;
  - a) possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company : or
  - b) a present obligation arising from past events but is not recognised because :
    - (i) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation : or
    - (ii) a reliable estimate of the amount of the obligation cannot be made.

## **N Impairment**

### **(i) Financial assets**

The company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing components is measured at an amount equal to lifetime ECL. For all other financial assets, ECLs are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of ECL (or reversal) that is required to adjust loss allowance at the reporting date to the amount that is required to be recognized, is recognized as an impairment gain or loss in statement of profit or loss.

(ii) **Non-financial assets**

**Intangible assets and property, plant and equipment**

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

**O Earning per share (EPS)**

Basic EPS are computed by dividing the net profit or loss for the year attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted earning per equity share are computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the year, unless issued at a later date. Dilutive potential equity shares are determined independently for each year presented. Items of "Other Comprehensive Income" are not considered for calculation of EPS (Basic or Diluted).

**P Dividends**

The final dividend on shares is recorded as a liability on the date of approval by the shareholders, and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

**Q Leases**

The Company has adopted Ind AS 116-Leases effective 1st April, 2019, using the modified retrospective method. The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. The Company uses significant judgment in assessing the lease, lease term and the applicable discount rate. The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease. For short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the lease term.

**R Cash and cash equivalents**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

\* Note : Fair value is same as current value since interest upto close of financial year has already been considered.

The following table provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Level 1 to Level 3, as described below.

Prices in an active market (Level 1): This level of hierarchy includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities. This category consists of quoted equity shares, quoted corporate debt instruments and mutual fund investments.

Valuation techniques with observable inputs (Level 2): This level of hierarchy includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e.; as prices) or indirectly (i.e.; derived from prices). This level of hierarchy include Company's over-the counter (OTC) derivative contracts.

Valuation techniques with significant unobservable inputs (Level 3): This level of hierarchy includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

There has been no transfers between level 1, level 2 and level 3 for the years ended March 31, 2020 and 2019

The short-term financial assets and liabilities are stated at amortized cost which is approximately equal to their fair value. Management uses its best judgment in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of all the amounts that the Company could have realized or paid in sale transactions as of respective dates. As such, the fair value of the financial instruments subsequent to the respective reporting dates may be different from the amounts reported at each year end.

**b) Financial risk management**

In the course of its business, the Company is exposed primarily to fluctuations equity prices, liquidity and credit risk, which may adversely impact the fair value of its financial instruments.

The Company has a risk management policy which covers the risks associated with the financial assets and liabilities such as credit risks. The risk management policy is approved by the board of directors.

**i) Market risk**

**Equity Price risk**

Equity Price Risk is related to the change in market reference price of the investments in equity securities.

The fair value of some of the Company's investments measured at fair value through other comprehensive income exposes the Company to equity price risks. These investments are subject to changes in the market price of securities.

The fair value of Company's investment in quoted equity securities as at March 31, 2020 and March 31,2019 was Rs.78.84 lakhs and Rs.147.89 lakhs respectively. A 10% change in equity price as at March 31, 2020 and March 31, 2019 would result in an impact of Rs.7.88 lakhs and Rs.14.79 lakhs respectively.

The fair value of some of the Company's investments measured at fair value through profit or loss exposes the Company to equity price risks. These investments are subject to changes in the market price of securities. The fair value of Company's investment in quoted mutual funds as at March 31, 2020 and March 31, 2019 was Nil and Rs.559.67 lakhs respectively. A 10% change in equity price as at March 31, 2020 and March 31,2019 would result in an impact of Nil and Rs.55.97 lakhs respectively.

(Note: The impact is indicated on equity before consequential tax impact, if any).

**ii) Credit risk**

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses both the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks.

Financial instruments that are subject to concentrations of credit risk, principally consist of investments classified as fair value through profit or loss, trade receivables, loans and advances . None of the financial instruments of the Company result in material concentrations of exposure to credit risks.

Exposure to credit risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk was Rs.13,245.44 lakhs as at March 31, 2020 and Rs.13,571.81 lakhs as at March 31, 2019, being the total of the carrying amount of balances with banks, short term deposits with banks, trade receivables, finance receivables, margin money and other financial assets excluding equity investments.

None of the Company's cash equivalents, including time deposits with banks, are past due or impaired. Regarding trade receivables and other receivables, and other loans or receivables that are neither impaired nor past due, there were no indications as at March 31, 2020, that defaults in payment obligations will occur.

**iii) Liquidity risk**

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company invests its surplus funds in bank fixed deposit, bonds and liquid and liquid plus schemes of mutual funds, which carry no/low mark to market risks.

	<b>154.30</b>	<b>141.27</b>

**Defined Benefit Plan and other long term benefits**

**Gratuity funds**

The Employees gratuity fund scheme is managed by Life Insurance Corporation of India. The present value of obligation is determined based on Actuarial valuation by certified actuary. The valuation has been carried out using the Project Unit Credit Method as per Ind AS 19.

Valuations are performed on certain basic set of pre-determined assumptions and other regulatory framework which may vary overtime. Thus, the Company is exposed to various risks which are as follows:

**Interest Rate risk:**

The plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the benefit and will thus result in an increase in the value of the liability.

**Liquidity risk:**

This is the risk that the Company is not able to meet the short-term payouts. This may arise due to non availability of enough cash / cash equivalent to meet the liabilities or holding of illiquid assets not being sold in time.

**Salary Escalation risk:**

The present value of defined benefit plan liability is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

**Demographic risk:**

The present value of defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

**Regulatory risk:**

Gratuity benefit is paid in accordance with the requirements of the Payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulations requiring higher gratuity payouts (e.g. Increase in the maximum limit on gratuity of Rs.20,00,000).

**INDEPENDENT AUDITOR'S REPORT**

**TO THE MEMBERS OF**

**JULLUNDUR MOTOR AGENCY (DELHI) LIMITED**

**Report on the Audit of the Consolidated Financial Statements**

**Opinion**

We have audited the accompanying consolidated financial statements of Jullundur Motor Agency (Delhi) Limited (hereinafter referred to as "the Parent Company") along with its subsidiaries i.e. (i) JMA Marketing Limited (Formerly known as JMA Rane Marketing Ltd.), (ii) ACL Components Limited and (iii) Jullundur Auto Sales Corporation Limited (the Parent Company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2020, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date, and notes to the Consolidated financial Statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on separate financial statements of such subsidiaries as were audited by the other auditors, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies ( Indian Accounting Standards) Rules, 2015, as amended ('Ind As') and other accounting principles generally accepted in India, of the state of affairs of the Group as at March 31<sup>st</sup>, 2020 and Consolidated statement of Profit and loss, Consolidated Statement of change in equity and its consolidated cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained and the audit evidence obtained by other auditors in terms of their reports referred to in the Other Matters section below is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1	<p><b>Revenue recognition – Accruals for turnover discounts</b></p> <p>Generally in the markets, products are often sold with sales related turnover discounts etc. Sales are recorded based on the price specified in the sales contract/arrangement with the customers net of discounts, returns and GST. However simultaneously estimated amount of turnover discounts would need to be incurred are also estimated and netted off from sales. Judgment is required to be exercised in determining the level of provisions that would need to be accrued</p>	<p>We have performed the test controls as per the following procedures to the accuracy of revenue recognized and accrual for turnover discounts to the customers:</p> <p>(a) Obtaining an understanding of the Management processes and control with regard to contractual arrangements for turnover discount to the customers.</p> <p>(b) Obtained an understanding of key contractual arrangements with customer and Management's process for collecting the relevant information to be able to reasonably estimate the Company's obligation in this regard.</p>

		<p>(c) Conducted review of contracts/arrangement, where such turnover discount existed and tested Management's basis for estimating the invoices to which such turnover discount will apply.</p> <p>(d) Tested the application of the appropriate rates of discount and re-performed the test of arithmetic accuracy of the spreadsheet &amp; credit notes issued.</p> <p>(e) Performed insight analysis over changes to prior period turnover discount &amp; assessing the estimates considering the evidence in this regards.</p>
2	<p><b>Net Realizable Value of Finished Goods</b></p> <p>Finished goods inventory are valued at lower of cost and estimated net realizable value (estimated selling price less estimated cost necessary to make the sale). Considering that there is always a volatility in the selling price of the Finished goods inventory i.e. automobile parts &amp; accessories, specially slow moving, damaged, unsalable inventories items, which is dependent upon various market conditions/ demand of the such items, determination of the net realizable value for these items involves significant management judgment and therefore has been considered as a key audit matter.</p>	<p>We have performed the following procedure on test check basis to verify the accuracy of the inventory held and valuation of stock- in-trade involving slow moving , damaged ,unsalable or obsolete inventory:</p> <p>(a) Obtaining an understanding of the Management processes and control with regard to inventory held at close of the year and valuation of stock- in -trade including slow moving, damaged, unsalable or obsolete inventory.</p> <p>(b) Obtained an understanding of the determination of the cost or net realizable values of the stock-in- trade items i.e. automobile parts &amp; accessories including slow moving, damaged, unsalable or obsolete items assessed and tested the reasonableness of the significant judgments applied by the management.</p> <p>(c) Evaluated the design of internal controls relating to the stock- in-trade held and valuation of inventories including slow moving, damaged, unsalable or obsolete items and also tested the operating effectiveness of the aforesaid controls.</p> <p>(d) Compared the cost of the stock-in-trade items with the estimated net realisable value and checked if such items were recorded at net realisable value where the cost was higher than the net realisable value.</p> <p>(e) Assessed the appropriateness of the disclosure in the financial statements in accordance with the applicable financial reporting framework.</p>
3	<p><b>Statutory Liability</b></p> <p>Compliance of various laws applicable to the company</p>	<p>The other Auditor has reported that they have performed the following procedures:</p> <p>Obtained understanding &amp; assurance from the management with regard to compliance of all applicable laws. We have reviewed &amp; test checked the same.</p>
4	<p><b>Modified Audit Procedures carried out in light of COVID-19 outbreak:</b></p> <p>Due to the outbreak of COVID-19 pandemic that caused nationwide lockdown and other travel restrictions imposed by the Central and State Governments / local administration during the period of our audit, we and other auditors could not travel to the branches/offices of the respective</p>	<p>Our ability to perform regular audit procedures has been impacted due to travel restrictions on account of nationwide lockdown which has required us in certain cases to perform alternative audit procedures as under:</p> <p>Wherever physical access was not possible, necessary records/ reports/ documents were made available to us by</p>

<p>companies to carry out the audit processes physically at the respective branches/offices.</p> <p>As we and other auditors could not gather audit evidence in person/ physically/ through discussions and personal interactions with the officials at the respective branches/offices, therefore we have identified such modified audit procedures as a Key Audit Matter.</p>	<p>the management through digital medium, emails and remote access to ERP. To this extent, the audit process was carried out on the basis of such documents, reports and records made available to the auditors, which were relied upon as audit evidence for conducting the audit and reporting for the current period, further making enquiries and gathering necessary audit evidence through discussions over phone calls, emails etc. with the concerned officials of the company.</p>

**Emphasis of Matter**

We draw attention to Note 41 to the consolidated financial statements regarding the uncertainties arising out of the outbreak of COVID-19 pandemic and management’s evaluation of the impact on the consolidated financial statements of the Group as at the balance sheet date. As mentioned therein, the assessment of the Group Companies does not indicate any material effect on the carrying value of its assets and liabilities of the Group as on the reporting date. The Group will continue to closely monitor any material changes to future economic conditions.

Our opinion is not modified in respect of this matter.

**Information Other than the Consolidated Financial Statements and Auditor’s Report Thereon**

The Parent Company’s board of directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexure to Board’s Report, Corporate Governance and Shareholder’s Information, but does not include the consolidated financial statements and our auditor’s report thereon. The Management Discussion and Analysis, Board’s Report including Annexures to Board’s Report, Corporate Governance and Shareholder’s Information is expected to be made available to us after the date of this auditor’s report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work done/ audit report of the other auditors, we conclude that there is a material misstatement of this other information, the other auditors are required to report that fact. They have nothing to report in this regard.

**Management’s Responsibility for the Consolidated Financial Statements**

The Parent Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013, with respect to preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India . The respective Board of Directors of the companies included in the Group are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group is responsible for overseeing the financial reporting process of the each company.

**Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are

free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiary companies, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements. For the business activities included in the consolidated financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in titled 'Other Matters' in this audit report.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Other Matters**

We did not audit the financial statements of the three subsidiaries whose financial statements reflect total assets (before consolidation adjustments) of Rs. 3,705.45 Lakhs as at March 31, 2020, total revenue (before consolidation adjustments)

of Rs. 5,777.32 Lakhs and total net profit after tax (before consolidation adjustments) of Rs. 219.96 Lakhs and net cash inflows of Rs 239.94 Lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial statements, is so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-section (3) of section 143 of the Act, in so far as it relates to the aforesaid subsidiaries is based solely on the reports of the other auditors.

Our opinion above on the consolidated Ind As financial statements and our report on Other Legal and Regulatory Requirements below are not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditors.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditors on the financial statements of the subsidiaries referred to in the Other Matters section above, we report, to the extent applicable that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
  - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
  - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
  - d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with Companies (India Accounting Standards) Rules, 2015, as amended;
  - e) On the basis of the written representations received from the directors of the Parent Company as on March 31, 2020 taken on record by the Board of Directors of the Parent Company and the reports of the statutory auditors of its subsidiary companies, none of the directors of the Group companies is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
  - f) With respect to the adequacy of the operating effectiveness of the internal financial controls over financial reporting of the Parent Company and its subsidiary companies, refer to our separate Report in "Annexure A" to this report.
  - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Companies Act, 2013:  
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Parent Company and its subsidiary companies, wherever applicable, is in accordance with the provisions of section 197 of the Act.
  - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
    - i. The consolidated financial statements disclose impact of pending litigations on the consolidated financial position of the Group (Refer Note 25 to the consolidated Ind As financial statements);
    - ii. Provision has been made in the consolidated financial statements, as required under the applicable law or Ind AS, for material foreseeable losses;
    - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the parent company and its subsidiary companies during the year ended 31<sup>st</sup> March, 2020.

**ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT**

(Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Jullundur Motor Agency (Delhi) Limited of even date)

**Report on the Internal Financial Controls Over Financial Report under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2020, we have audited the internal financial controls over financial reporting of Jullundur Motor Agency (Delhi) Limited (hereinafter referred to as “The Parent Company”) with its subsidiary companies as of that date.

**Management’s Responsibility for Internal Financial Controls**

The Board of Directors of the Parent Company and its subsidiary companies are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“ the ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor’s Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Parent Company and its subsidiary companies, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on auditing, both issued by the ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system with reference to consolidated financial statements.

**Meaning of Internal Financial Controls over Financial Reporting**

A company’s internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the Parent Company along with its subsidiary companies, have in all material respects, an adequate internal financial controls over financial reporting with reference to these consolidated financial statements and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by such companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Other Matters**

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting with reference to these consolidated financial statements of the Parent Company, in so far as it relates to these three subsidiary companies, is based on the corresponding reports of the auditors of such subsidiary companies.

## Significant accounting policies and notes on accounts

### 1 General Information

The consolidated financial statements comprise financial statements of “Jullundur Motor Agency (Delhi) Limited” (“parent company”) and its subsidiaries ( collectively referred to as the Group) for the year ended 31st March 2020

The principal activities of the Group is predominantly in trading and distribution of automobile parts, accessories and petroleum products primarily in India.

### 2 Significant accounting policies

#### A Basis of Preparation of financial statements

The consolidated financial statements have been prepared to comply in all material respects with the notified accounting standard under Section 133 of the Companies Act, 2013 (‘the Act’) read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. The consolidated financial statements have been prepared in accordance with Indian Accounting Standards (referred to as “Ind AS”) under the historical cost convention on an accrual basis except for certain financial instruments which are measured at fair values at the end of each reporting year as explained in the accounting policies below.

The accounting policies have been consistently applied by the group except where a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

#### B Basis of consolidation

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries as at 31 March 2020. Control is achieved when the Group has power over the investee, it is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee.

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e., year ended on 31 March 20

Consolidation procedure:

- a) Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries.
- b) Offset (eliminate) the carrying amount of the parent’s investment in each subsidiary and the parent’s portion of equity of each subsidiary. Business combinations policy explains how to account for any related goodwill.
- c) Inter-company transactions and balances including unrealized profits are eliminated in full on consolidation.

Non-controlling interests in the net assets (excluding goodwill) of consolidated subsidiaries are identified separately from the Company’s equity. The interest of non-controlling shareholders may be initially measured either at fair value or at the non-controlling interests’ proportionate share of the fair value of the acquiree’s identifiable net assets. The choice of measurement basis is made on an acquisition-by-acquisition basis. Subsequent to acquisition, the carrying amount of non-controlling interests is the amount of those interests at initial recognition plus the non-controlling interests’ share of subsequent changes in equity. Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance.

Changes in the Company’s interests in subsidiaries that do not result in a loss of control are accounted for as equity transactions. The carrying amount of the Company’s interests and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognized directly in equity and attributed to owners of the Company.

When the parent Company loses control of a subsidiary, the profit or loss on disposal is calculated as the difference between (i) the aggregate of the fair value of consideration received and the fair value of any retained interest and (ii) the previous carrying amount of the assets (including goodwill), and liabilities of the subsidiary and any non-controlling interests. Amounts previously recognized in other comprehensive income in relation to the subsidiary are accounted for (i.e., reclassified to profit or loss) in the same manner as would be required if the relevant assets or liabilities were disposed off. The fair value of any investment retained in the former subsidiary at the date when control is lost is regarded as the fair value on initial recognition for subsequent accounting under Ind AS 109 Financial Instruments: Recognition and Measurement or, when applicable, the cost on initial recognition of an investment in an associate or jointly controlled entity.

Following subsidiaries have been considered in the preparation of these consolidated financial statements:

Companies	Equity shares held		% of voting power held	
	As at	As at	As at	As at
	31 March 2020	31 March 2019	31st March 2020	31st March 2019
<b>Subsidiaries</b>				
Jullundur Auto Sales Corporation Limited	204762	204762	49.72%	49.72%
ACL Components Limited	46810	46810	46.55%	46.55%
JMA Marketing Limited formally known as JMA Rane Marketing Limited	720006	720006	97.94%	97.94%

#### **Investment in joint ventures**

A joint venture is a type of joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint venture. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The Group's investments in its joint venture are accounted for using the equity method. Under the equity method, the investment in a joint venture is initially recognized at cost. The carrying amount of the investment is adjusted to recognize changes in the Group's share of net assets of the joint venture since the acquisition date. Goodwill relating to the joint venture is included in the carrying amount of the investment and is not tested for impairment individually.

The statement of profit and loss reflects the Group's share of the results of operations of the joint venture. Any change in OCI of those investees is presented as part of the Group's OCI. In addition, when there has been a change recognized directly in the equity of the joint venture, the Group recognizes its share of any changes, when applicable, in the statement of changes in equity. Unrealized gains and losses resulting from transactions between the Group and the joint venture are eliminated to the extent of the interest in the joint venture.

#### **C Business Combinations and goodwill**

Acquisitions of subsidiaries and businesses are accounted for using the acquisition method. Acquisition related costs are recognized in profit or loss as incurred. The acquiree's identifiable assets, liabilities and contingent liabilities that meet the conditions for recognition are recognized at their fair value at the acquisition date, except certain assets and liabilities required to be measured as per the applicable standard.

Purchase consideration in excess of the Company's interest in the acquiree's net fair value of identifiable assets, liabilities and contingent liabilities is recognized as goodwill. Excess of the Company's interest in the net fair value of the acquiree's identifiable assets, liabilities and contingent liabilities over the purchase consideration is recognized, after reassessment of fair value of net assets acquired, in the Capital Reserve. After initial recognition, goodwill is measured at cost less any accumulated impairment losses.

If the business combination is achieved in stages, any previously held equity interest is re-measured at its acquisition date fair value and any resulting gain or loss is recognized in profit or loss or OCI, as appropriate.

#### **D Use of Estimates:**

The preparation of financial statements in conformity with Ind AS requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting year end. Difference between the actual results and estimates are recognized in the year in which the results materialize.

#### **E Property Plant and Equipment (PPE):**

(i) **Tangible Assets**

Property plant and Equipment (PPE) are stated at cost less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Borrowing costs relating to acquisition of PPE which takes substantial year of time to get ready for its intended use are also included to the extent they relate to the year till such assets are ready to be put to use. Improvement to PPE which has the effect of increasing the future benefits from the existing assets beyond their previously assessed standard of performance is included in the gross block.

Tangible assets not ready for the intended use on the date of the Balance Sheet are disclosed as “ capital work in progress”.

**Transition to Ind AS**

On transition to Ind AS, the group has elected to continue with the carrying value of all its property, plant and equipment recognized as at 1 April, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

(ii) **Investment property**

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

Though the group measures investment property using cost based measurement, the fair value of investment property is disclosed in the notes. Fair values are determined based on an annual evaluation performed by an accredited external independent valuer applying a valuation model recommended by the International Valuation Standards Committee.

(iii) **Intangible assets**

Intangible assets are recognized when it is probable that the future economic benefits that are attributable to the assets will flow to the group and the cost of the assets can be measured reliably.

Intangible assets are stated at original cost less accumulated amortization and impairment losses, if any

**F Depreciation and amortization**

Depreciation on PPE except buildings and plant and equipment is provided on the written down value basis at the rates as derived, based on the useful life of the assets as specified in Schedule II to the Companies Act, 2013.

Depreciation on buildings and plant and equipment is provided on straight line basis at the rates as derived, based the useful life of the assets as specified in Schedule II to the Companies Act, 2013.

Goodwill is amortized on straight line method over a period of five years.

Intangible assets being software licenses are amortized on straight line method over their estimated useful life.

**G Financial Instruments**

(i) **Initial recognition**

Financial assets and financial liabilities are recognized in the company's statement of financial position when the company becomes a party to the contractual provisions of the instrument. The group determines the classification of its financial assets and liabilities at initial recognition. All financial assets and liabilities are initially recognized at fair value plus directly attributable transaction costs in case of financial assets and liabilities not at fair value through profit or loss. Financial assets and liabilities carried at fair value through profit or loss are initially recognized at fair value, and transaction costs are expensed in the income statement.

(ii) **Subsequent Measurement**

**a) Financial assets carried at amortized cost**

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows, and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**b) Financial assets carried at fair value through other comprehensive income**

A financial asset is subsequently measured at fair value through other comprehensive income if it is

held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding. Further, in cases where the group has made an irrevocable "election based, on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

**c) Financial assets carried at fair value through profit or loss**

A financial asset which is not classified in any of the above categories is subsequently fair valued through profit or loss.

**d) Financial liabilities**

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance sheet date, the carrying amount approximate fair value due to the short maturity of these instruments.

**e) Equity Instruments**

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the group are recognized at the proceeds received, net of direct issue costs.

**(iii) Derecognition of financial instruments**

The group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of financial liability) is derecognized from the group's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

**(iv) Fair value of financial instruments**

In determining the fair value of its financial instruments, the group uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The method used to determine fair value include available quoted market prices and discounted cash flow analysis. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized.

For financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amounts approximates fair value due to the short maturity of these instruments.

**H Inventories**

Finished goods and Goods in transit are valued at cost or estimated realizable value whichever is lower. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Slow moving, damaged, unsalable or obsolete inventories are identified at the each reporting date on the basis of technical evaluation and valued at estimated realizable value.

**I Revenue Recognition**

**(i) Revenue from contract with customers**

Revenue from contract with customers is recognized when the Company satisfies performance obligation by transferring promised goods and services to the customer. Performance obligation is satisfied at a point of time. Performance obligations are said to be satisfied at of point of time when the customer obtains controls of interest.

Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, returns and taxes. Transaction price is recognized based on the price specified in the contract, net of estimated sales incentives/discounts/ right to return, using the expected value method.

**(ii) Other operating revenue**

Other operational revenue represents income earned from activities incidental to the business and is recognized when right to receive the income is established.

(iii) **Other Income**

Interest income from a financial asset is recognized using the effective interest rate.

Dividend income is recognized in the year in which the right to receive the same is established.

**J Purchases**

Purchases are net of incentive and commission received from suppliers and adjusted for claims rejected and goods short received. Incentive and commission from suppliers are recognized when no significant uncertainty exists regarding their collectability.

**K Trade and other payables**

These amounts represent liabilities for goods and services provided to the group prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid in accordance with the terms with the vendors. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting year. They are recognized initially at their fair value and subsequently measured at amortized cost using the effective interest method.

**L Foreign Exchange Transactions**

**Functional currency**

The functional currency of the group is the Indian Rupee. These financial statements are presented in Indian rupees (rounded off to rupee) which is the group's functional and presentation currency.

**M Employee benefits**

(i) **Short term employee benefits :**

All employee benefits due wholly within twelve months of rendering of services are classified as short term employee benefits. Benefits like salaries, wages, leave salary, contribution to Provident Fund/ Employee State Insurance contributions etc. paid or payable during the reporting year and the expected bonus expense are recognized as an expense on an undiscounted basis in the year in which the employee renders the related service.

(ii) **Post -employment benefits**

a) **Defined Contribution Plan**

The State governed Provident Fund Scheme, Employees' State Insurance Scheme and Employees Pension Scheme are defined contribution plans. The group has no obligation, other than the contribution payable to the Provident Fund Scheme, Employees' State Insurance Scheme and Employees Pension Scheme. The contribution paid /payable under the schemes is recognized during the year in which employee renders the related service.

b) **Defined Benefit Plan**

The liability is provided based on actuarial valuation certified by consulting actuary. The group recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Remeasurements comprising of actuarial gains and losses, the effect of the asset ceiling (excluding amounts included in net interest on the net defined benefit liability) and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability) relating to retirement benefit plans are recognized in Other Comprehensive Income which are not reclassified to profit or loss in subsequent years.

The group's Gratuity is Defined Benefit Retirement Plan. The group 's liability towards Gratuity is determined using the Projected Unit Credit Method which recognizes each year of service as giving rise to additional unit of employee benefit entitlement.

In respect of Directors, the liability for gratuity is unfunded and in respect of other eligible employees, the Gratuity scheme is operated through Group Gratuity Scheme of Life Insurance Corporation of India.

**N Income taxes**

The accounting treatment followed for taxes on income is to provide for Current Income Tax and Deferred Income Tax. Income tax expense is recognized in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income. Current income tax for current and prior year is the aggregate amount of income tax determined as payable in respect of taxable income for the year, using the tax rates and tax laws that have been enacted or substantially

enacted by the Balance Sheet date. Deferred Income Tax asset and liability are recognized for all temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the financial statements except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction. Deferred Income tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. A deferred tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. Deferred tax is not provided on the undistributed earnings of subsidiaries where it is expected that the earnings of the subsidiary will not be distributed in the foreseeable future. The group offsets current tax asset and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

#### **O Provision and Contingencies**

- i) Provision is recognized (for liabilities that can be measured by using a substantial degree of estimation) when:
  - a) the group has a present obligation as a result of a past events.
  - b) a probable outflow of resources embodying economic benefits is expected to settle the obligation ; and
  - c) the amount of the obligation can be reliably estimated.
- ii) Contingent liability is disclosed in case there is ;
  - a) possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the group : or
  - b) a present obligation arising from past events but is not recognized because :
    - (i) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation : or
    - (ii) a reliable estimate of the amount of the obligation cannot be made.

#### **P Impairment**

##### **(i) Financial assets**

The group recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing components is measured at an amount equal to lifetime ECL. For all other financial assets, ECLs are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of ECL (or reversal) that is required to adjust loss allowance at the reporting date to the amount that is required to be recognized, is recognized as an impairment gain or loss in profit or loss.

##### **(ii) Non-financial assets**

###### **Intangible assets and property, plant and equipment**

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the

carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

**Q Earning per share (EPS)**

Basic EPS are computed by dividing the net profit or loss for the year attributable to equity shareholders of the parent company by the weighted average number of equity shares outstanding the during the year. Diluted earning per equity share are computed by dividing the net profit attributable to the equity holders of the parent company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the year, unless issued at a later date. Dilutive potential equity shares are determined independently for each year presented. Items of "Other Comprehensive Income" are not considered for calculation of EPS (Basic or Diluted).

**R Dividends**

The final dividend on shares is recorded as a liability on the date of approval by the shareholders, and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

**S Leases**

The Group has adopted Ind AS 116-Leases effective 1st April, 2019, using the modified retrospective method. The Group evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. The Group uses significant judgment in assessing the lease, lease term and the applicable discount rate. The Group assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether: (i) the contract involves the use of an identified asset (ii) the group has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Group has the right to direct the use of the asset. The Group determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Group is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Group is reasonably certain not to exercise that option. In assessing whether the Group is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Group to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Group revises the lease term if there is a change in the non-cancellable period of a lease. For short-term and low value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the lease term.

**T Cash and cash equivalents**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to know amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

\*Note : Fair value is same as carrying value since interest upto close of the financial year has already been considered.

The following table provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Level 1 to Level 3, as described below.

Prices in an active market (Level 1): This level of hierarchy includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities. This category consists of quoted equity shares, quoted corporate debt instruments and mutual fund investments.

Valuation techniques with observable inputs (Level 2): This level of hierarchy includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e.; as prices) or indirectly (i.e.; derived from prices). This level of hierarchy include Company's over-the counter (OTC) derivative contracts.

Valuation techniques with significant unobservable inputs (Level 3): This level of hierarchy includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

There has been no transfers between level 1, level 2 and level 3 for the years ended 31st March, 2020 and 2019.

(Amount in Lakhs)

The short-term financial assets and liabilities are stated at amortized cost which is approximately equal to their fair value. Management uses its best judgment in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of all the amounts that the Company could have realized or paid in sale transactions as of respective dates. As such, the fair value of the financial instruments subsequent to the respective reporting dates may be different from the amounts reported at each year end.

**b) Financial risk management**

In the course of its business, the Company is exposed primarily to fluctuations equity prices, liquidity and credit risk, which may adversely impact the fair value of its financial instruments.

The Company has a risk management policy which covers the risks associated with the financial assets and liabilities such as credit risks. The risk management policy is approved by the board of directors.

**i) Market risk**

**Equity Price risk**

Equity Price Risk is related to the change in market reference price of the investments in equity securities.

The fair value of some of the Company's investments measured at fair value through other comprehensive income expenses the Company to equity price risks. These investments are subject to changes in the market price of securities. The fair value of Company's investment in quoted equity securities as at March 31 and 2020 and 2019 was Rs.82.55 lakhs and Rs. 152.77 lakhs respectively. A 10% change in equity price as at March 31, 2020, and 31st March 2019 would result in an impact of Rs.8.26 lakhs and Rs. 15.28 lakhs respectively.

(Note: The impact is indicated on equity before consequential tax impact, if any).

**ii) Credit risk**

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses both the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks.

Financial instruments that are subject to concentrations of credit risk, principally consist of investments classified as fair value through profit or loss, trade receivables, loans and advances and derivative financial instruments. None of the financial instruments of the Company result in material concentrations of exposure to credit risks.

**Exposure to credit risk**

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk was Rs.15,787.24lakhs as at 31st March,2020 and Rs.16,121.23 lakhs as at 31st March, 2019, being the total of the carrying amount of balances with banks, short term deposits with banks, trade receivables, finance receivables, margin money and other financial assets excluding equity investments.

None of the Company's cash equivalents, including time deposits with banks, are past due or impaired. Regarding trade receivables and other receivables, and other loans or receivables that are neither impaired nor past due, there were no indications as at 31st March , 2020, that defaults in payment obligations will occur.

**iii) Liquidity risk**

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company invests its surplus funds in bank fixed deposit and liquid and liquid plus schemes of mutual funds, which carry no/low mark to market risks.

- 33** In accordance with Ind AS 36 ' Impairment of Assets' , the group has assessed as on the Balance Sheet date, whether there are any indications with respect to impairment of any of the assets. Based on such assessment it has been ascertained that no potential loss is present and therefore, formal estimate of the recoverable amount has not been made. Accordingly no impairment loss has been provided in the books of accounts.

**34 Employee Benefits**

**Defined Contribution Plan**

During the year the group has recognized the following amounts in the statement of profit and loss:

Plans	2019-2020 Year	2018-2019 Year
Employer's Contribution to Provident Fund	141.76	104.05
Employer's Contribution to Employees State Insurance	30.08	34.26
Employer's Contribution to Linked Insurance fund	15.17	15.63
	<b>187.01</b>	<b>153.94</b>

**Defined Benefit Plan and other long term benefits**

**Gratuity funds**

The Employees gratuity fund scheme is managed by Life Insurance Corporation of India. The present value of obligation is determined based on Actuarial valuation by certified actuary. The Valuation has been carried out using the Project Unit Credit Method.as per Ind AS 19.

Valuations are performed on certain basic set of pre-determined assumptions and other regulatory framework which may vary overtime. Thus, the Company is exposed to various risks which are as follows:

**Interest Rate risk:**

The plan exposes the group to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the benefit and will thus result in an increase in the value of the liability.

(Amounts in Lakhs)

**Liquidity risk:**

This is the risk that the group is not able to meet the short-term payouts. This may arise due to non availability of enough cash / cash equivalent to meet the liabilities or holding of illiquid assets not being sold in time.

**Salary Escalation risk:**

The present value of defined benefit plan liability is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

**Demographic risk:**

The present value of defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

**Regulatory risk:**

Gratuity benefit is paid in accordance with the requirements of the Payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulations requiring higher gratuity payouts (e.g. Increase in the maximum limit on gratuity of Rs.20,00,000).
