CHAIRMAN'S STATEMENT

Dear Shareholders,

It gives me immense pleasure to interact with you once again through the foreword to the 18th Annual Report for the year ended 31st March, 2013.

During the year under review broadcasting, content and broadcast delivery platforms have witnessed a sea shift in market dynamics largely arising out of the impact created by the onset of digitalisation in India. Television is the most preferred form of entertainment in India. It has the highest impact of advertising on the audience. India has the third largest TV households globally, after China and the US.

Telecom Regulatory Authority of India (TRAI) along with Indian Broadcasting Foundation (IBF), the representative body for the broadcasters have been making giant strides in altering the anomalies of the market and bringing in better addressable systems leading to better governance. While at one level it seeks to reduce the cost of deliveries for the broadcaster, it is also seeking to provide better viewing to the last mile by reducing the number of advertisement and setting a standard precedent for the broadcasters to follow. The Government's push towards digitalization and addressability for cable television by 2014 is welcomed by all stakeholders of our industry. The move is expected to provide an impetus to DTH and digital cable growth and a positive growth to content distribution in India. It will also cater to the unique and diverse needs of the viewer when it comes to entertainment. To achieve better quality viewing and transparency in revenue earning and sharing, digitalization is the inevitable path forward. Digitalisation will provide superlative experience with digital content, played on digital platform, viewed on a digital screen.

With digitisation there is an increase in localisation of content as well as an increase in the offering of channels in the niche genre. Regional channels are attractive for advertisers due to lower cost of connect with the right audience. The attraction to broadcasters is due to lower cost of content and distribution costs coupled with increasing advertiser's interest. Regionalization has caught the eyes of most established broadcasters, catering to specific interests of the viewers.

Your Company has been closely monitoring the developments and are taking strategic steps to respond positively to the changing environment.

Our channel '**MASTIII**' continues to maintain leadership position in the year under review as well. Our Regional Channels '**DABANGG**' and '**DHAMAAL**' catering to the Hindi speaking belt have been doing extremely well. '**DABANGG**' is also a leader in this Genre in the targeted regions by a huge margin. Most of the National Brands have evinced interest to promote their products on '**DABANGG**'.

The group is also bringing in a vibrant Marathi music cum humour channel '**MAIBOLI**' to add to the existing bouquet of channels.

Digitalisation has opened up exciting new avenues of revenue generation from already expensed out content. Our digital division have launched our channels on digital platforms like Ditto TV and Avani TV. We are also in the process of creating a network of channels on YouTube. Apart from showcasing the rich content base, our digital division shall also produce original content targeted at the new age viewers with a view to understand the patterns and create a robust business model out of it.

Your Company, as mentioned above, will continue to capitalize on the opportunities being presented. We are to bring a host of new ideas, programmes and may be more channels in the near future. We shall continue to produce quality entertainment that would cater to all segments of the society. As it is our philosophy to entertain our viewers with humour, good content and pleasing visuals and exceed their expectations.

I would like to convey my appreciation for the support and the patience you, as shareholders, have extended to the Company over the years. I also would like to acknowledge the contribution of the advertisers, producers, artistes, bankers, employees and all other stakeholders – without your support and trust, this Company would not have been able to deliver the quality entertainment it has always produced.

With warm regards,

Gautam Adhikari

Chairman & Wholetime Director
