INDEPENDENT AUDITORS' REPORT

To The Members of
NIRAJ ISPAT INDUSTRIES LIMITED

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of Niraj Ispat Industries Limited ("the Company"), which comprises the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Cash Flow and the Statement of Changes in Equity for the year then ended and Notes to the Financial Statements including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, its profit including other comprehensive income, its cash flows and changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements for the financial year ended March 31, 2020. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

NIRAJ ISPAT INDUSTRIES LIMITED

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Ind AS financial statements.

1. Property, Plant & Equipment and Capital Work in progress

Valuation and existence of property, plant and equipment including assessment of useful lives and residual value. Property, plant and equipment represents a significant proportion of the Company's asset base. The estimates and assumptions made to determine the carrying amounts, including whether and when to capitalize or expense certain costs, and the determination of depreciation charges are material to the Company's financial position and performance. The charges in respect of periodic depreciation are derived after estimating an asset's expected useful life and the expected residual value. Changes to asset's carrying amounts, expected useful lives or residual value could result in a material impact on the financial statements and hence considered as key audit matter.

How our audit addressed the Key Audit Matter

Our audit procedures included the following:

Our audit approach consisted evaluation of design and implementation of controls, and testing the operating effectiveness of the internal controls over valuation of property, plant and equipment and review of useful lives; Periodic physical verification of property, plant and equipment for adequacy and appropriateness of the accounting and disclosure by the Management:

- We obtained an understanding of the Company's capitalization policy and assessed for compliance with the relevant accounting standards;
- We carried out substantive tests on random sampling for all the major additions, deletions to the assets by applying all the characteristics of capital expenditure, proper classification of the same, with reference to the company's policy and accounting standards;
- We obtained an understanding on management assessment relating to progress of projects and their intention to bring the asset to its intended use.
- We obtained certificates relating to useful lives of assets where, required.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the Ind AS financial statements and our auditor's report thereon.

NIRAJ ISPAT INDUSTRIES LIMITED

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Those Charged with Governance for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive Income, cash flows and changes in the equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities For The Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

NIRAJ ISPAT INDUSTRIES LIMITED

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements for the financial year ended March 31, 2020 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

NIRAJ ISPAT INDUSTRIES LIMITED

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, and on the basis of such checks of the books and record of the Company as we considered appropriate and according to the information and explanations given to us, we give in 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - a. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

ANNEXURE 'B' TO THE INDEPENDENT AUDITORS' REPORT

(Referred to paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Control Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of Niraj Ispat Industries Limited ("the Company") as on March 31, 2020 in conjunction with our audit of the Ind AS financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the company considering essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its asset, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of the reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

NIRAJ ISPAT INDUSTRIES LIMITED

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting with reference to these financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting with reference to these financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

ANNEXURE 'A' TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Requirement' section of our report of even date)

Report on Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Companies Act, 2013 ('the Act') of Niraj Ispat Industries Limited ("the Company"):

1. In respect of Property, Plant & Equipment of the Company:
 - a. The company has maintained proper records showing full particulars, including quantitative details and situation of property, plant & equipment.
 - b. The Company has a regular programme for physical verification in phased periodic manner, which, in our opinion is reasonable having regard to the size of the company and the nature of its assets. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - c. According to the information and explanations given to us and the records examined by us, we report that the company is not having freehold properties. In respect of immovable properties, taken on lease and disclosed as fixed assets in the financial statements, the lease agreements are in the name of the company.
2. As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals and no material discrepancies were noticed on such verification.
3. According to the information and explanations given to us, the company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under section 189 of the Act.
4. In our opinion and according to the information and explanations given to us, the company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
5. The company has not accepted any deposits within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3 (v) of the order are not applicable to the Company.

NIRAJ ISPAT INDUSTRIES LIMITED

6. Reporting under clause 3(vi) of the Order is not applicable as the Company's business activities are not covered by the Companies (Cost Records and Audit) Rules, 2014.
7. According to the information and explanations given to us, in respect of statutory dues:
 - a. The Company has generally been regular in depositing undisputed statutory dues including provident fund, employees' state insurance, Income tax, sales tax, goods and service tax, service tax, value added tax, duty of customs, duty of excise, cess and any other material statutory dues applicable to it with appropriate authorities.
 - b. There were no undisputed amounts payable in respect of provident fund, employees' state insurance, Income tax, sales tax, goods and service tax, service tax, value added tax, duty of customs, duty of excise, cess and any other material statutory dues in arrears as at 31st March, 2020 for a period of more than six months from the date they became payable.
8. In our opinion and according to the information and explanations given to us, the company has not defaulted in repayment of loans or borrowings to the banks. The Company does not have any outstanding dues in respect of financial institutions and debenture holders during the year.
9. Based on the information and explanations given to us by the management, term loan was applied for the purpose the loan was raised. The Company has not raised any money by way of initial public offer or further public offer (including debt instrument).
10. According to the information and explanations given to us, no material fraud by the company or on the company by its officers or employees has been noticed or reported during the course of our audit.
11. According to the information and explanations given to us, the management has paid managerial remuneration in accordance with the provisions of section 197 read with Schedule V to the Companies Act, 2013.
12. In our opinion, the Company is not a nidhi company. Therefore, the provisions of clause 3(xii) of the order are not applicable.
13. According to the information and explanations given to us, the transactions with the related parties are in compliance with Section 177 and 188 of the Companies Act 2013 where applicable and details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards.

NIRAJ ISPAT INDUSTRIES LIMITED

14. During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures hence reporting under clause 3(xiv) of the order is not applicable to the Company.
15. According to the information and explanations given to us, the company has not entered in to any non-cash transaction with the director or persons connected with him as referred to in section 192 of the Companies Act, 2013.
16. According to the information and explanations given to us, the provisions of section 45-IA of the Reserve Bank of India Act, 1934 are not applicable to the Company.

Before accepting any new customer, the Company uses an external credit scoring system to assess the potential customer's credit quality and defines credit limits by customer. Limits and scoring attributed to customers are reviewed once a year.

The Company does not hold any collateral or other credit enhancements over these balances nor does it have a legal right of offset against any amounts owed by the Company to the counterparty.

In determining the recoverability of a trade receivable, the Company considers any change in the credit quality of the trade receivable from the date credit was initially granted up to the end of the reporting period. The concentration of credit risk is limited due to the fact that the customer base is large and unrelated.

(i) General reserve

Under the erstwhile Indian Companies Act 1956, a general reserve was created through an annual transfer of net income at a specified percentage in accordance with applicable regulations. The purpose of these transfers was to ensure that if a dividend distribution in a given year is more than 10% of the paid-up capital of the Company for that year, then the total dividend distribution is less than the total distributable results for that year.

Consequent to introduction of Companies Act 2013, the requirement of mandatory transfer of a specified percentage of the net profit to general reserve has been withdrawn and the Company can optionally transfer any amount from the surplus of profit or loss account to the General reserves.

(ii) Retained Earnings

Retained earnings are the profits that the company has earned till date less any transfer to general reserve, dividends or other distribution paid to shareholders.

23. TAX EXPENSES

Income of companies are subject to Indian income tax on a standalone basis. Each entity is assessed to tax on taxable profits determined for each fiscal year beginning on April 1 and ending on March 31. For each fiscal year, the respective entities' profit or loss is subject to the higher of the regular income tax payable or the minimum alternative tax ("MAT").

Statutory income taxes are assessed based on book profits prepared under generally accepted accounting principles in India adjusted in accordance with the provisions of the (Indian) Income tax Act, 1961. Such adjustments generally relate to depreciation of fixed assets, disallowances of certain provisions and accruals, deduction for tax holidays, the set-off of tax losses and depreciation carried on book profits adjusted for certain items as compared to the adjustments followed for assessing regular income tax under normal provisions.

FINANCIAL INSTRUMENTS

25.1 Capital Risk Management

The Company being in a capital intensive industry, its objective is to maintain a strong credit rating, healthy capital ratios and establish a capital structure that would maximise the return to stakeholders through optimum mix of debt and equity.

The Company's capital requirement is mainly to fund its capacity expansion, repayment of principal and interest on its borrowings. The principal source of funding of the Company has been, and is expected to continue to be, cash generated from its operations supplemented by funding from bank borrowings and the capital markets.

The Company regularly considers other financing and refinancing opportunities to diversify its debt profile, reduce interest cost and elongate the maturity of its debt portfolio, and closely monitors its judicious allocation amongst competing capital expansion projects to capture market opportunities at minimum risk.

The Company monitors its capital using gearing ratio, which is net debt divided to total equity. Net debt includes interest bearing loans and borrowings less cash and cash equivalents, Bank balances other than cash and cash equivalents.

26. Financial risk management

The Company has a Risk Management Committee established by its Board of Directors for overseeing the Risk Management Framework and developing and monitoring the Company's risk management policies. The risk management policies are established to ensure timely identification and evaluation of risks, setting acceptable risk thresholds, identifying and mapping controls against these risks, monitor the risks and their limits, improve risk awareness and transparency. Risk management policies and systems are reviewed regularly to reflect changes in the market conditions and the Company's activities to provide reliable information to the Management and the Board to evaluate the adequacy of the risk management framework in relation to the risk faced by the Company.

The risk management policies aims to mitigate the following risks arising from the financial instruments:

- Market risk
- Credit risk and
- Liquidity risk

26.1 Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in the market prices. The Company is exposed in the ordinary course of its business to risks related to changes in foreign currency exchange rates, commodity prices and interest rates.

The Company seeks to minimize the effects of these risks by using derivative financial instruments to hedge risk exposures. The use of financial derivatives is governed by the Company's policies approved by the Board of Directors, which provide written principles on foreign exchange risk, interest rate risk, credit risk, the use of financial derivatives and non-derivative financial instruments, and the investment of excess liquidity. Compliance with policies and exposure limits is reviewed by the Management and the internal auditors on a continuous basis. The Company does not enter into or trade financial instruments, including derivatives for speculative purposes.

26.1.1 Commodity price risk

The Company's revenue is exposed to the market risk of price fluctuations related to the sale of its products (Buttons). Market forces generally determine prices for the buttons sold by the Company. These prices may be influenced by factors such as demand and supply, production costs (including the costs of raw material inputs) and global and regional economic conditions and growth. Adverse changes in any of these factors may reduce the revenue that the Company earns from the sale of its products.

The Company primarily procured its raw materials i. e. Resin, Styrene, Pigment & Chemicals etc. in the open market from third parties during the financial year ended 31.03.2020 and is therefore subject to fluctuations in prices.

The Company aims to sell the products at prevailing market prices. Similarly the Company procures key raw materials like Resin, Styrene, Pigment etc. based on prevailing market rates as the selling prices of buttons and the prices of input raw materials move in the same direction.

The Company as a matter of policy has not hedged the commodity risk.

The following table details the Company's sensitivity to a 5% movement in the input price of Resin, Styrene, Pigments etc. The sensitivity analysis includes only 5% change in commodity prices for quantity sold or consumed during the year, with all other variables held constant. A positive number below indicates an increase in profit where the commodity prices increase by 5%. For a 5% reduction in commodity prices, there would be a comparable impact on profit, and the balances below would be negative.

NOTES ON FINANCIAL STATEMENT FOR THE YEAR ENDED 31st MARCH 2020

DESCRIPTION	Increase/(Decrease)	
	31-Mar-20	31-Mar-19
Resin, Styrene, Pigment etc.	1,379,780 (1,379,780)	1,569,032 (1,569,032)

26.1.2 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk because funds are borrowed at both fixed and floating interest rates. Interest rate risk is measured by using the cash flow sensitivity for changes in variable interest rate. The borrowings of the Company are principally denominated in rupees with a mix of fixed and floating rates of interest. The Company has exposure to interest rate risk, arising principally on changes in MCLR rate and LIBOR rates. The risk is managed by the Company by maintaining an appropriate mix between fixed and floating rate borrowings.

If interest rates had been 100 basis points higher / lower and all other variables were held constant, the Company's profit for the year ended 31 March 2020 would decrease / increase by Rs.13,085/- (for the year ended 31 March 2019: decrease / increase by Rs. 24,574/-). This is mainly attributable to the Company's exposure to interest rates on its variable rate borrowings.

26.2 Credit risk Management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks. The Company has adopted a policy of only dealing with creditworthy counterparties.

Customer credit risk is managed centrally by the Company and subject to established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits defined in accordance with the assessment.

Credit risk on receivables is also mitigated by securing the same against letters of credit and guarantees of reputed nationalised and private sector banks. Trade receivables consist of a large number of customers spread across diverse industries and geographical areas with no significant concentration of credit risk. No single customer accounted for 10% or more of revenue in any of the years indicated. The outstanding trade receivables are regularly monitored and appropriate action is taken for collection of overdue receivables.

26.3 Liquidity risk management

Liquidity risk refers to the risk of financial distress or extraordinary high financing costs arising due to shortage of liquid funds in a situation where business conditions unexpectedly deteriorate and requiring financing. The Company requires funds both for short term operational needs as well as for long term capital expenditure growth projects. The Company generates sufficient cash flow for operations, which together with the available cash and cash equivalents provide liquidity in the short-term and long-term. The management of the Company has established an appropriate liquidity risk management framework for Company's short, medium and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods and its non-derivative financial assets. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

Financial Statements have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) prescribed under the section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Accounting Standards) Amendment Rules, 2016. The aforesaid financial statements have been approved by the Board of Directors in the meeting held on 22nd July 2020.

32.2 Basis of Preparation of Financial Statements

These financial statements have been prepared in accordance with the accounting policies, set out below and were consistently applied to all periods presented unless otherwise stated.

The financial statements have been prepared on a going concern basis using historical cost convention and on an accrual method of accounting.

Company's financial statements are presented in Indian Rupees (₹), which is also its functional currency.

32.3 Property, Plant & Equipment

Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

NOTES ON FINANCIAL STATEMENT FOR THE YEAR ENDED 31st MARCH 2020

32.9 Financial Instruments

32.9.1 Financial Assets

32.9.1.1 Initial recognition and measurement

All financial assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition of financial assets, which are not at fair value are adjusted through profit or loss on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

32.9.1.2 Subsequent measurement

32.9.1.2.i Financial assets carried at amortised cost

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

32.9.1.2.ii Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

32.9.1.2.iii Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

32.9.1.3 Impairment of Financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

32.9.2 Financial Liabilities

32.9.2.1 Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

32.9.2.2 Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

32.9.3 Derecognition of Financial Instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

33. CRITICAL ESTIMATION AND JUDGEMENTS

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgements are:

- Estimation of useful lives of property, plant and equipment – Note 1

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technical or commercial obsolescence arising from changes or improvements in production or from a change in market demand of the product or service output of the asset.

- Estimation of Provisions – Note 14

- Estimation of current tax expense and payable – Note 23

The Company's tax jurisdiction is India. Significant judgements are involved in determining the provision for income taxes, if any, including amount expected to be paid/recovered for uncertain tax positions. Further, significant judgement is exercised to ascertain amount of deferred tax asset (DTA) that could be recognised based on the probability that future taxable profits will be available against which DTA can be utilized and amount of temporary difference in which DTA can not be recognised on want of probable taxable profits

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the company and that are believed to be reasonable under the circumstances.
