INSTRUCTIONS FOR REMOTE E-VOTING:

The instructions for members for voting electronically are as under:

- (i) The Remote E-voting period begins on 28th August, 2021 (Saturday) at 9.00 a.m. (IST) and ends on 30th August, 2021 (Monday) at 5.00 p.m. (IST). During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of 24th August, 2021 may cast their vote electronically. The remote e-voting module shall be disabled by CDSL for voting after 5.00 p.m. (IST) on 30th August, 2021.

- (ii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iii) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

MANAGEMENT DISCUSSION AND ANALYSIS

This section contains certain forward-looking statements which are based on certain assumptions and expectations of certain future events.

Overall Review

The Company is engaged mainly in production of Cuprous Chloride, Cupric Chloride and Copper Sulphate at its factory situated at 1133, Near GIDC Phase-4 Chhatral, Ta. Kalol, Gandhinagar (Gujarat) with the optimum total producing capacity. In addition, our Company has also undertaken production of various other chemical products.

The Company installed manufacturing capacity of following three major products viz. Cuprous Chloride, Copper Sulphate and Cupric Chloride as 60,00,000 Kgs/p.a., 54,00,000 Kgs. /p.a. and 3,50,000 Kgs. /p.a. respectively. These products are widely used in dyes and pigment industries, paint industries, pharmaceuticals industries, electroplating industries, metal extraction industries and ink, Carbon paper, PVC pipe coating industries etc.

The Company is currently located and supplying the products in India including supply to Merchant Exporter. However, since last year the Company on low key basis started exports products.

Industry Structure and developments

Chemical industry is one of the oldest industries in India. It not only plays a crucial role in meeting the daily needs of the commonman, but which are required in almost all walks of life. Over the last decade, the Indian Chemical industry has evolved from being a basic chemical producer to becoming an innovative industry. With investments in R&D, the industry is registering significant growth in the knowledge sector comprising of specialty chemicals, fine chemicals and pharmaceuticals. With Asia's growing contribution to the global chemical industry, India emerges as one of the focus destinations for chemical Companies worldwide. With the current size of approximately \$108 billion, the Indian chemical industry accounts for 3% of the global chemical industry. Two distinct scenarios for the future emerge, based on how effectively the industry leverages its strengths and manages challenges. Specialty chemical segment in India is poised for substantial growth and offers immense potential for investment as well as employment generation.

There has been significant reduction in the profitability of the Company during the financial year 2020-21 due to adverse effect of COVID-19 which has resulted into significant reduction in EBITDA, PBT, PAT and Interest coverage ratio. The Company has been little successful in achieving operational efficiency in working capital, utilization of fixed assets, debtors turnover and has also reduced the overall debt level of the Company.

Internal Control Systems and their adequacy

The Company practices an internal control system which ensures proper handling and management of its assets. The internal control system of the Company is geared towards achieving efficiency in operations, effective monitoring and compliances with all applicable laws and regulations. The Company regularly conducts internal audit programs. The internal control department of the Company functions under the guidelines of the Audit Committee of the Company.

The Company regularly reviews the adequacy and effectiveness of the internal control system and suggests improvement for strengthening them.

Opportunities and threats

While the domestic and International economic conditions continue to remain challenging and are expected to remain for some more time, we expect that with wide range of products, quality standards and team efforts, your Company will be in a position to wither this situation. Your Company has continued to be the preferred supplier of many leading Companies and has been successful in expanding its approval base, adding leading players from the industry. Therefore, we expect that Your Company will continue to be in a position to gradually expand its market reach and market share as per opportunities.

The Company regularly insures all its assets to enable itself in case of any mis-happening. The Company has framed a risk management team which constantly monitors the Indian and international markets and guides the management of any sort of prevailing risk to the company. The commodities prices being internationally traded are affected by the global market demand and supply forces and the dollar rate. The risk management team plays a major role here. Moreover, the industry is labour oriented and business operations of the Company may be materially affected by strikes, lock outs or work stoppage.

Material Developments in Human Resources and Industrial Relations Front:

As the Company continues to grow, the focus has been on enhancing morale and capabilities of employees. The staff and workers are provided orientation and training for the development of soft and hard skills on a regular basis. Human Resource is a precious asset of your Company. Efforts are made to improve the performance, providing work satisfaction and performance based increments, safety and social status. The Industrial relations remained cordial at all organizational levels and work places. The Company makes regular efforts to maintain relation with Stakeholders by transparency, good governance, regular communication and effective transactions.

Outlook and Opportunities

Indian chemical industry is expected to register a growth of 8-9% in the next decade and is expected to double its share in global chemical industry to 5-6% by 2021. Indian Chemical industry has the potential to grow significantly provided some of the key growth imperatives are taken care of. Securing Feedstock, Right Product Mix, M&A opportunities are currently the key imperatives for chemical industry in India. Few investment opportunities can be highlighted as:

- Chemical companies in India can either explore alternate feedstock or invest in setting up plants in resource rich nations to secure feedstock.
- Companies need to invest in exploring the right product mix to be competitive and profitable using the available feedstock in India i.e. Naphtha and its derivatives.
- Indian companies can explore possible Merger, JV opportunities for technology, capital or access to international market by taking advantage of increasing expansion of western companies in India.
- Chemical companies can invest in exploring strategic energy management and strategic water management to cut down their energy costs and contain water availability concerns.
- Companies can invest in upcoming PCPIRs in India and overcome challenges related to infrastructure, power and water availability.
- There are good opportunities in segments such as Specialty Chemicals, Specialty Polymers, for catering to huge emerging domestic demand as also as a manufacturing hub.

Risks and Concerns

The Company regularly insures all its assets to enable itself in case of any mishap. The Company has framed a risk management division which constantly monitors the Indian and international markets and guides the management of any sort of prevailing risk to the Company.

Environment and Safety

The Company is committed to comply with the statutory requirements related to environment, health, safety and to prevent pollution through continuous improvement in processes, practices and EHS awareness. Your Company not only cares for compliances in this aspect but also contributes towards society health, safety and green environment.

Material Developments in Human Resources and Industrial Relations Front, including number of people employed

The Company has continued to give special attention to Human Resources/Industrial Relations development. Industrial relations remained cordial throughout the year and there was no incidence of strike, lock out etc.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
Sanginita Chemicals Ltd.

Report on the audit of the Standalone Ind AS financial statements**Opinion**

We have audited the accompanying Standalone Ind AS financial statements of Sanginita Chemicals Ltd. ("the Company"), which comprise the Balance Sheet as at March 31, 2021, and the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the (Standalone Ind AS Financial Statements)).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the standalone Ind AS Financial Statements in accordance with the standards on auditing (SAs) as specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the Standalone Ind AS financial statements section of our report. We are independent of the Company in accordance with the 'code of ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on standalone Ind AS Financial Statements.

Emphasis of Matter

We draw your attention to Note 42 to the Standalone Financial Statements which explains The Company has considered the possible effects that may result from the pandemic relating to COVID-19 in the preparation of these standalone financial statements including the recoverability of carrying amount of financial and non financial assets. In developing the assumption relating to the possible future uncertainties in the global economic condition because of this pandemic, the company has, at the date of approval of these financial statements, used internal and external sources of information and economic forecast and expect that the carrying amount of these assets will be recovered. The impact of COVID-19 on the company's financial statements may differ from that estimate as at the date of approval of these standalone financial statements. Our opinion is not modified in respect of this matter.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matters	Principal Audit Procedures/ Auditor's Response
1	Appropriateness of Current / Non-current classification	For the purpose of current/non-current classification of assets and liabilities, the Company has ascertained its normal operating cycle as twelve months. This is based on the nature of services and the time between the acquisition of assets or inventories for processing and their realization in cash and cash equivalents. The classification of assets and liabilities has been done on the basis of documentary evidences. Where conclusive evidences are not available, the classification has been done on the basis of management's best estimate of the period in which the assets would be realized or the liabilities would be settled. We have evaluated the reasonability of the management's estimates.

Information other than the standalone Ind AS financial statements and auditors' report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the Standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone Ind AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management Responsibilities for Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the company in accordance with the accounting principles generally accepted in India, including the Indian accounting standards (Ind AS) specified under section 133 of the Act read with the companies (Indian Accounting standards Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements:

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone Ind AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of **Sanginita Chemicals Limited** of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Sanginita Chemicals Ltd.** (“the Company”) as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the period ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the guidance note on audit of internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation, and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence of the company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and timely preparation of reliable financial information, as required under the companies act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these Standalone Ind AS Financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial control system over financial reporting with reference to these Standalone Ind AS Financial statements.

Meaning of Internal Financial Controls over Financial Reporting with reference to these Standalone Ind AS Financial Statements.

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of internal financial controls over financial reporting with reference to these Standalone Ind AS Financial Statements.

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting

were operating effectively as at March, 31 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

“ANNEXURE B” TO INDEPENDENT AUDITORS’ REPORT

This is an annexure on the accounts of **Sanginita Chemicals Ltd.** as referred above in paragraph 2 under the heading ‘Report on other Legal & Regulatory Requirement’ of our report of even date to the standalone Ind AS financial statement for the year ended **31st March, 2021**:

1. In respect of Fixed Assets :

- (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) As explained to us, the company has a regular program of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of three years. In accordance with this program certain fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, the frequency of verification is reasonable having regard to the size of the Company and the nature of its assets.
- (c) On the basis of information and explanation given to us, the Title Deeds of Immovable Properties are held in name of company.

2. In respect of Inventories :

- (a) The management has conducted physical verification of inventory at reasonable intervals. In our opinion, the procedure followed by the management for such physical verification is reasonable and adequate in relation to the size of the Company and nature of his business.
 - (b) In our opinion the Company is maintaining proper records of inventory. No material discrepancy on verification between physical inventories and the book records were noticed.
3. The Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability partnerships or other parties covered in the Register maintained under section 189 of the Act. Accordingly, paragraph 3 (iii) (a) to (c) of the Order are not applicable to the Company.
 4. In our opinion and according to the information and explanations given to us, the Company has not advanced loans, given guarantees and provided securities to its directors and/or persons or firm or companies in which directors are interested. Accordingly, the provisions of clause 4 of the Order are not applicable to the Company.
 5. In our opinion and according to the information and explanations given to us, the company has not accepted any deposits and accordingly paragraph 3 (v) of the order is not applicable.
 6. We have broadly reviewed the books of accounts relating to materials, labour and other items of cost maintained by the company pursuant to the rules made by the Central Government for the maintenance of cost records u/s. 148 (1) of the Companies Act. We are of the opinion that prima facie the prescribed accounts and records have been made and maintained.
 7. According to information and explanations given to us and on the basis of our examination of the books of account, and records, the Company is generally regular in depositing undisputed statutory dues including Provident Fund, Employees State Insurance, Income-Tax, Duty of Customs, Cess, Goods & Service Tax and any other statutory dues with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2021 for a period of more than six months from the date on when they become payable.

8. In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowing to financial institutions or banks or Governments or due to debenture holders.
9. Based upon the audit procedures performed and the information and explanations given by the management, the company has not raised moneys by way of initial public offer or further public offer including debt instruments during the period concerned.
10. Based upon the audit procedures performed and the information and explanations given by the management, we report that no fraud by the Company or on the company by its officers or employees has been noticed or reported during the period.
11. Based upon the audit procedures performed and the information and explanations given by the management, the managerial remuneration has been paid or provided in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act;
12. In our opinion and according to the information and explanations given to us the Company is not a Nidhi Company. Therefore, the clause 4 (xii) of the Order is not applicable.
13. In our opinion, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in notes to Standalone Ind AS Financial Statements as required by the applicable accounting standards.
14. According to the information and explanations given to us and based on our examination of the records of the company, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the period under review. Accordingly, paragraph 3(xiv) of the order is not applicable.
15. According to the information and explanations given to us and based on our examination of the records of the company, the company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the order is not applicable.
16. The company is not required to be registered under section 45-IA of the Reserve Bank Of India Act, 1934.

Difference between actual results and estimates are recognized in the period in which the results are known / materialized.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

Estimation of uncertainties relating to the global health pandemic from COVID-19 (COVID-19):

The Company has considered the possible effects that may result from the pandemic relating to COVID-19 in the preparation of these standalone financial statements including the recoverability of carrying amount of financial and non financial assets. In developing the assumption relating to the possible future uncertainties in the global economic condition because of this pandemic, the company has, at the date of approval of these financial statement, used internal and external sources of information and economic forecast and expect that the carrying amount of these assets will be recovered. The impact of COVID-19 on the company's financial statements may differ from that estimate as at the date of approval of these standalone financial statements.

2.7. Foreign Currencies :

The Company's financial statements are presented in INR, which is also the Company's functional currency.

Transactions and balances

Transactions in foreign currencies are initially recorded in the company's functional currency at the exchange rates prevailing on the date of the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are restated in the functional currency at the exchange rates prevailing on the reporting date of financial statements. Exchange differences arising on settlement of such transactions and on translation of monetary items are recognized in the Statement of Profit and Loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates on the dates of the initial transactions.

2.8. Impairment of assets

Consideration is given at each Balance Sheet date to determine whether there is any indication of impairment of the carrying amounts of the Company's assets. If any indication exists, an asset's recoverable amount is estimated. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount.

2.9. Property, Plant And Equipment (PPE):

PPE are stated at cost, net of GST and depreciation. No specific borrowing is incurred to increase the fixed assets so no interest on borrowing is capitalized in fixed assets during the current financial year. Building includes road, staff quarters, security room, gate, compound wall etc.

Company maintains a separate and special in-house research laboratory for the development, expansion and invention of new and innovative techniques for easy and speedy process of output, for maintenance of quality of products and also to search out new products for the betterment and expansion of business.

De-recognition

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognized.

Depreciation:

- Depreciation, on fixed assets, has been provided in the accounts as per schedule II of the Companies Act, 2013.
- Depreciation on fixed assets is provided on Written Down Value method.
- Depreciation has been charged pro-rata from the date of additions on Written down Value Method as per Schedule II of the Companies Act, 2013.
- One of the directors of the company himself handles the technical, manufacturing department and as per the written representation received from the director, useful life of laboratory equipment is taken as 20 years.
- Residual value of all the assets is taken at 4%.
- As per schedule II the life of the office equipments is 5 years however there are some equipments which are already used for more than 5 years and so the life is taken more than 5 years as the amount involved is very low.
- Additions made in the plant and machinery during the year are grouped on monthly basis for computation of prorata depreciation.

2.10. Investment Property

Property which is held for long-term rental yields or for capital appreciation or both, is classified as Investment Property. Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

The Company depreciates investment properties over their estimated useful lives, as specified in Schedule II to the Companies Act, 2013.

Investment properties are derecognized either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in Statement of Profit and Loss in the period in which the property is derecognized.

2.11. Intangible Assets:

Intangible assets are measured on initial recognition at cost and are subsequently carried at cost less any accumulated amortization and accumulated impairment losses, if any. Internally generated intangibles are not capitalized.

The intangible assets of the Company are assessed to be of finite lives and are amortized over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The Company reviews amortization period on an annual basis.

Intangible assets are amortized on straight line basis over their estimated useful lives as follows:

Intangible Assets	Estimated useful life (Years)
Share issue expense	5 Years

During the year company has amortized share issue expense of Rs. 5.25 Lakhs (Previous Year- Rs. 5.25 Lakhs)

2.12. Financial assets

Initial recognition and measurement:

All regular way purchases or sales of financial assets are recognized and derecognized on a trade date basis.

Subsequent measurement:

All recognized financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

Classification of financial assets:

Financial assets that meet the following conditions are subsequently measured at amortized cost (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- The asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- The contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest.

All other financial asset is subsequently measured at fair value.

Financial assets at cost:

Investments in subsidiaries, associates and joint ventures are accounted for at cost.

De recognition of financial assets:

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On de recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received / receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in profit or loss if such gain or loss would have otherwise been recognized in profit or loss on disposal of that financial asset.

2.13. Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognized at the proceeds received, net of direct issue costs.

Trade and other payables

Trade and other payables are recognized at the transaction cost, which is its fair value, and subsequently measured at amortized cost.

De recognition of financial liabilities

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability is accounted for as an extinguishment of the original

financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in profit or loss.

2.14. Leases:

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The company has not entered into any such transaction.

2.15. Inventories:

Inventories are valued at the lower of cost or net realizable value after providing for obsolescence and other losses, wherever considered necessary.

Cost comprises of Following:

- 1) Raw Material cost includes Cost of Purchase;
- 2) Finished Goods cost is raw material and cost of conversion;
- 3) Stores & Spares cost is includes Cost of Purchase

Cost is determined on First-in-First-out (FIFO) basis or specific identification basis as applicable.

2.16. Cash And Cash Equivalent

Cash and cash equivalent in the balance sheet comprise cash on hand.

2.17. Provisions And Contingent Liabilities

Provisions are recognized in the accounts in respect of present probable obligations, the amount of which can be reliably estimated.

There is no contingent liability in the balance sheet of the company.

2.18. Revenue Recognition

Revenue from operations is recognized when control of the goods are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

- a) Sales are shown at net of sales returns, GST but discount and incentives are separately booked as expenditure.
- b) Export Sales are booked at the rate on the date of transaction and the resultant gain or loss on realization on transaction is accounted as Exchange rate difference and is dealt with Statement of Profit and Loss.

Export Incentive

Export incentives under various schemes notified by government are accounted for in the year of exports based on eligibility and when there is no uncertainty in receiving the same.

2.19. Borrowing Cost:

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

No borrowings are created for acquiring Property, Plant & Equipment during the year.

2.20. Employee Benefits:

- Short-term employee benefits are recognized as expenses at the undiscounted amount in the profit and loss account for the year in which the related service is rendered.
- Post employment and other long term employee benefits are recognized as an expense in the profit and loss account for the year in which the employee has rendered services.
- As explained by the management that there is no employee in the company who is entitle for gratuity benefit so no provision of gratuity is made.

2.21. Taxes:

Tax expense comprises of current income tax and deferred tax.

Current income tax:

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred Tax:

Deferred tax is recognized, subject to the consideration of prudence in respect of deferred tax liability/assets, on timing difference, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

2.22. Earnings Per Share:

Basic earnings per share are calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares, if any.

2.23. Preliminary Expense or Expense to be written off

During the current year, the company has written off share issue expense of Rs. 5.25 Lakhs (Previous year- Rs. 5.25 Lakhs)

3. Significant accounting judgments, estimates and assumptions

The application of the Company's accounting policies as described in Note 2, in the preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. The estimates and assumptions are based on historical experience and other factors that are considered to be relevant. The estimates and underlying assumptions are reviewed on an ongoing basis and any revisions thereto are recognized in the period in which they are revised or in the period of revision and future periods if the revision affects both the current and future periods. Actual results may differ from these estimates which could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Key Sources of estimation uncertainty:

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year. Existing circumstances and assumptions about future developments may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

3.1. Useful lives of property, plant and equipment

Useful lives of property, Plant & Equipments are taken as per useful lives given in Part-C of Schedule II to the Companies Act, 2013.

3.2. Investments

In case of investments, the Management assesses whether there is any indication of impairment in the value of investments. However, there is no investment as on 31/03/2021.

4. Regrouped, Recast, Reclassified

Figures of the earlier year have been regrouped or reclassified to conform to Ind AS presentation requirements.
