From Chairman's Desk

Dear Fellow Shareholders,

It has been extremely exciting and an eventful year for your company. We have witnessed a successful year with growth in the revenue as well as a positive turnaround in the profitability of the company.

Recovering from pandemic-induced contraction, Russian-Ukraine conflict and inflation, the Indian economy is staging a broad-based recovery across sectors, positioning to ascend to the pre-pandemic growth path in F.Y. 2023. We are proud to have emerge out of the global crisis with the sustainable growth model and would like to applaud and appreciate the efforts of everyone in this growth journey.

I take this opportunity to thank everyone for the confidence placed in the company and its brands by the partners, students, parents, employees and stake holders. This faith in us is instrumental and provides great motivation to drive the growth strategy forward and create long term value for all our stake holders.

About Indian Economy and Education Segment; As you are aware, Indian economy underwent many structural changes and governance reforms that has strengthened the fundamentals of our economy and thereby enhancing its overall efficiency.

The country is also an attracting venue for many global players who is seeking strategic investments owing to the presence of a vast range of industries and investment avenues. India's huge population, mostly comprising the youth, is a strong driver for demand and an ample source of manpower is further driving the global players to come to India.

Today, India is well placed to grow faster in the coming decade and education shall play a significant role in the development of the nation with the creation and development of talented resources for the industries.

As we know, India has the largest population in the world in the age bracket of 5-24 years with 580 million people, presenting a huge opportunity in the education sector. India has over 250 million school going students, more than any other country. Large English- speaking population allows easy delivery of educational services. With almost 27% of India's population in the age group of 0-14 years, India's education sector provides numerous opportunities for growth.

Government Initiatives: Governments are expected to develop and implement strategies that promote education and enrolment of students in higher education. High-enrolment in higher education can translate into more skilled manpower and greater number of job opportunities.

The Government has already taken initiatives such as the National Accreditation Regulatory Authority Bill for Higher Education, schemes of Revitalising Infrastructure and System in Education (RISE) are helping the government tackle

the prominent challenges faced by the education sector. We believe that the National Education Policy (NEP) will be fully implemented over the course of this decade and shall have a strong focus on high-quality vocational education.

Undeniably, education plays a crucial role in reducing poverty and inequality and laying a foundation for sustained economic growth and your company would like to contribute significantly and be part of this growth story.

Further, as you are aware, G-TEC Computer Education Pvt. Ltd. and I have acquired a stake in your company. It is our passion for education and training which has led to join hands with Sudhakar Sonawane who is equally passionate. It is our collective desire to create a leading entity in Education and Training.

I would like to thank Sudhakar Sonawane for his invaluable contribution to the company and look forward to his continuous contribution as JMD of your company. I also take this opportunity to wish Mehroof Manalody the very best in his recent assignment as MD of your company.

We together seek your continuous support to work on this huge opportunity in Skilling and Training and transform your company into a leading education and skilling provider. On behalf of the Board of Directors, I would like to thank you for your continued support, trust and confidence.

Best regards,
Dr. Chenraj Roychand
Chairman

From Managing Director's desk

Dear Stakeholders,

I am glad to share the performance of your company as we step into the 24 years of ceaseless contribution to the society by providing quality education and training. It is an honour to be addressing you for the first time and extend my gratitude to each one of you for your continued support.

During the year under review, the consolidated total revenue was Rs. 855.63 Lakhs as against Rs. 491.62 Lakhs for the corresponding previous year registering a strong growth of 74%. Further, the total comprehensive consolidated income for the period was Rs. 130.29 Lakhs /- as against the loss of Rs. 412.34 Lakhs in the corresponding previous year.

As you go through the report, let me share inputs on IT Industry which has been the major foundation of our products and services.

The Information Technology Industry continuous to be one of the leading sectors in India and one of the reasons for its growth has been the strong education system along with the language skills and early adoption of latest technology. The IT & BPM sector has become one of the most significant growth catalysts for the Indian economy, contributing significantly to the country's GDP and public welfare. Indian software product industry is expected to reach US\$ 100 billion by 2025 and Indian companies are focusing on investing internationally to expand their global footprint and enhance their global delivery centres as per the industry reports published in www.ibef.org

India is now prepared for the next phase of growth in its IT revolution as having one of the largest Internet user bases and the cheapest Internet rates, with more than 50% of the population having access to the internet. This is further strengthening our opportunities to offer skilled manpower across the Industry.

As the world goes through various transitions across the industry, technological changes in IT shall remain the significant investment for any industry. Investment in digital technological shall always gain prominence and which is why Education & Training shall play a major role to support these transitions across industry. It will be imperative to equip professionals with latest technical skills and this will be a huge growth opportunity.

As India is the favoured destination for IT companies across the globe for its capabilities to deliver potential services to the clients and the growth can provide significant employment opportunities.

Further, India has the advantage of having a strong education system which has led to a large pool of highly skilled and educated professionals and this is one of the reasons for IT Industry to be successful. This is where we wish to emerge as a successful education and training company.

During the last year, your company has exhibited remarkable resilience and with our ability to adapt to the challenges has allowed your company to emerge much more stronger than ever. Main backstay of your company's revenue has

always been IT education programs but our efforts have begun to contribute to technical and non-technical programs.

OUR WAY FORWARD:

Today, as this new era of digital transformation brings in plethora of opportunities for growth. Needless to mention the digital transformation in education segment is for here to stay. In the coming financial year, as technology and digital transformation continue to expand its horizons, there shall be continuous demand for skilled manpower across the industries and various sectors.

With the boost in the economic activity, your company shall continue to look for newer ways to sustainable and profitable growth in technical and non-technical space of education and training. Your company intends to add new verticals and programs based on the current technology and innovation.

While looking ahead, we are optimistic of the opportunities coming our way and look forward to share a year with new milestones.

Before concluding, on behalf of my board of directors, management team, I wish to thank you and look forward to be part of the continued success of the company.

With the note that Nothing is Impossible, I wish you and your families safety as well as good health.

With warm regards,
Mehroof Manalody
Managing Director

Management Discussion and Analysis Report

We are a global technology services firm and Companies are transforming their technology stack, to operate with agility and flexibility. We are trusted to our existing students, partners, employees and franchisees in their transformation journey and enable them to be leaders in their respective fields or industries. We are seeing that traditional technology services are rapidly evolving and “shift to the new” is becoming more pronounced. Growth in the technology services sector will be led by next generation technologies and services, such as digital, cloud, data, engineering and cybersecurity.

Companies are actively exploring opportunities for digitization, leading to increased demand for consulting services. Digital technologies and next-generation technologies such as 5G, AI/ Intelligent Enterprise, robotics and blockchain, are anticipated to grow exponentially in the near future. We assist our students to create new possibilities at the intersection of design, domain, consulting and next-generation technologies.

Our IT Services segment provides a various courses to age wise group of peoples, mostly students and give them path to achieve their goals. We have our separate placement department for our existing students who completed the courses from our institute and they got the opportunity to clear the interview and get the job as per their respective profile. We are dealing in IT and IT-enabled services which include digital strategy advisory, customer-centric design, technology Companies globally embarking on programs of transformation that would improve operational efficiency and embracing agility at scale. Today, the pandemic has served to accelerate this need to transform. Customers have accelerated their adoption of technology.

Hence, there is a growing demand for IT professionals and also significant skill gap for critical IT skills. As it may be an appropriate time for upskilling and reskilling of existing staff, however, there is an immense opportunity for the students who aspire to be fetched in the IT Industry.

Business Overview:

Today, as this new era of digital transformation brings in plethora of opportunities for growth. Needless to mention the digital transformation in education segment is for here to stay. In the coming financial year, as technology and digital transformation continue to expand its horizons, there shall be continuous demand for skilled manpower across the industries and various sectors.

With the boost in the economic activity, your company shall continue to look for newer ways to sustainable and profitable growth in technical and non-technical space of education and training. Your company intends to add new verticals and programs based on the current technology and innovation.

While looking ahead, we are optimistic of the opportunities coming our way and look forward to share a year with new milestones.

Our Business Strategy:

Our Company is strategically preparing itself for the next phase of growth through value-added capabilities, new capacities, continuous perseverance, and inventiveness. It is taking on new opportunities which are bottom line accretive and margin accretive. The expansion strategies have been devised keeping in mind its risk-mitigating approach towards incurring capex and making continuous investments into the productive assets to become “future ready” and deliver on our promises. The Company’s agile business model and portfolio ensured conversion of opportunities, maximally optimizing the country’s conducive and relatively stable environment in an otherwise volatile global weather, leading to a quantum leap in performance, back to pre-pandemic and pre-portfolio realignment levels. Cost efficiency programs together with strategic investments for new facilities, product launches, and launch of online business models supported this journey of profitable growth.

Our vision is to:

1) Accelerate growth – focus and scale Our first priority is growth through focus on identified markets and sectors within markets, bringing the best of courses to our clients.

2. Strengthen clients and partnerships Our second strategic priority is to strengthen clients and partnerships through four levers:

→ Global account executive model: We have global account executives, senior leaders representing Wipro for our key clients, who are enabled by a team of industry and technology specialists and delivery leaders and with strong decision-making capabilities including committing on investments, to grow these client accounts.

→ Large deals expertise: The second lever where we are significantly boosting our capabilities is in large deal origination and signing. We have invested in a large deal expertise team consisting of deal principals, financial and commercial modelers, experienced consultants and program directors, to bring expertise in large deal creation, solutioning, structuring and supporting our SMUs in signing large deals.

→ Strategic partnerships: We are committed to scale partnerships with our key alliances such as Amazon Web Services, Microsoft, Google Cloud Platform, Service Now, Sales force, SAP and IBM. We have intensified our efforts to build dedicated ‘Cloud Studios’ and ‘Centers of Excellence’, talent, and our capability to take joint business solutions to our clients.

The Company has implemented a comprehensive ‘Enterprise Risk Management’ framework in order to understand the risks they are exposed to, put controls in place to counter threats, and effectively pursue their objectives and further to anticipate, identify, measure, mitigate, monitor and report the risks, details of which are given in the Risk Management section under ‘Management Discussion and Analysis Report’ which forms part of this Annual Report. The team presents their key audit findings of every quarter to the Audit Committee. The management updates the members about the remedial actions taken or proposed for the same. The suggestions and comments from the Committee members are vigilantly incorporated and executed by the Company.

VI. Independent Directors

The Independent Directors of the Company have the option and freedom to meet and interact with the Company’s Management as and when they deem it necessary. They are provided with necessary resources and support to enable them to analyze the information/data provided by the Management and help them to perform their role effectively.

VII. Compliance with mandatory / discretionary requirements under Regulation 27 read with Schedule II Part E of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015:

The Company has complied with all mandatory requirements under Regulation 27 and Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The status of compliance with non-mandatory recommendations under Regulation 27 and Part E of Schedule II of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is provided below:

- **The Board:** -As per Para A of Part E of Schedule II of the Listing Regulations, a non-executive Chairman of the Board may be entitled to maintain a Chairman’s Office at the company’s expense and also allowed reimbursement of expenses incurred in performance of his duties. The Chairman of the Company is an Executive Director and hence this provision is not applicable to us.
- **Shareholders rights:** -Considering the dynamic shareholder demography and trading on the stock exchanges, as a prudent measure, we display our quarterly and half yearly results on our website www.keerti.org and also publish our results in widely circulated newspapers. We have communicated the payment of dividend by e-mail to shareholders in addition to dispatch of letters to all shareholders. We publish the voting results of shareholder meetings and make it available on our website www.keerti.org, and report the same to Stock Exchanges in terms of Regulation 44 of the Listing Regulations.

- **Modified opinion(s) in audit report:** - The Auditors have issued an unmodified opinion on the financial statements of the Company.
- **Reporting of Internal Auditor:** - Reporting of Head of Internal Audit is to the Chairman of the Audit, Risk and Compliance Committee and administratively to the Chief Financial Officer. Head of Internal Audit has regular and exclusive meetings with the Audit Committee.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBER OF KEERTI KNOWLEDGE AND SKILLS LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Keerti Knowledge and Skills Limited (the "Company"), which comprise the balance sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the statement of changes in equity and the statement of cash flows ended on that date, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") And other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the Profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SA's") specified under section 143(10) of the Act. Our responsibility under those standards are further described in the Auditor's Responsibility for the Audit of Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Other Information

The Company's Board of directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, managements is responsible for assessing the Company's ability to continue as a going concern, disclosing , as a applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected on influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in Internal control that we identify during our audit.

We also provide those charges with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulations precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonable be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1) As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraph 3 and 4 of the order.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred in paragraph 2 (f) under ‘Report on Other Legal and Regulatory Requirements section of our report to the Members of **Keerti Knowledge and Skills Limited** of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of subsection 3 of Section 143 of the Companies Act, 2013(“the Act”)

We have audited the internal financial controls over financial reporting of Keerti Knowledge and Skills Limited (the “Company”) as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the standards on auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting with reference to these Standalone Financial Statements.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements .

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal financial control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial controls Over Financial Reporting issued by the ICAI.

NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31,2023

1. GENERAL INFORMATION

Keerti Knowledge And Skills Limited (“the company”) is a public limited company, incorporated in India having its registered office at Unit No 12/A, Ninth Floor, A-Wing, Pinnacle Corporate Park, Bandra Kurla Complex, Bandra East, Mumbai 400 051. The equity shares of the Company are listed on NSE Limited. The company is engaged in the field of Information Technology related computer services.

2. BASIS OF PREPARATION:

A. Statement of compliance

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under section 133 of the Companies Act, 2013 (“the Act”) and other relevant provisions of the Act.

These standalone or separate financial statements were approved by the Company’s Board of Directors and authorised for issue on 25th April 2023.

B. Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is the Company’s functional currency.

C. Basis of measurement

The financial statements have been prepared under the historical cost convention on accrual basis. The following items are measured on each reporting date as under:

- Defined Benefit plans- plan assets at fair value

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. For financial reporting purposes, fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in the active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

D. Use of estimates and judgments

In preparing these financial statements, management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Actual result may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively.

Judgments:

Information about judgments made in applying accounting policies that have the most significant effects on the amounts recognized in the financial statements have been given below:

- Classification of leases into finance or operating lease
- Whether an arrangement contains a lease.
- Classification of financial assets: assessment of business model within which the assets are held and assessment of whether the contractual terms of the financial asset are solely payments of principal and interest on the principal amount outstanding.

Assumptions and estimation uncertainties:

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the subsequent period financial statements is included below:

- Estimation of current and deferred tax expense and asset/ liability.
- Estimated useful life of property, plant and equipment.
- Estimation of defined benefit obligation.
- Measurement and likelihood of occurrence of provisions and contingencies.
- Impairment of trade receivables.

E. Critical accounting estimates and judgments

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimated and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

1. Useful lives of property, plant and equipment and Intangible Assets

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of the periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life.

The useful lives and residual values of Company's assets are determined by management at the time the asset is acquired. The lives are based on historical experience with similar as well as anticipation of future events, which may impact their life, such as changes in technology.

2. Employee benefits

Defined benefit plans and other long-term benefits are evaluated with reference to uncertain events and based upon actuarial assumptions including among others discount rates, expected rates of return on plan assets, expected rates of salary increases, estimated retirement dates, mortality rates.

3. Revenue Recognition

The Company assesses the services promised in a contract and identifies distinct performance obligations in the contract. Judgement is also required to determine the transaction price for the contract. The Company allocates the elements of variable considerations to all the performance obligations of the contract unless there is observable evidence that they pertain to one or more distinct performance obligations. The Company exercises judgement in determining whether the performance obligation is satisfied at a point in time or over a period of time. Provisions for estimated losses, if any, on uncompleted contracts are recorded in the period in which such losses become probable based on the estimated efforts or costs to complete the contract.

4. Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgment in assessing the lease term (including anticipated renewals) and the applicable discount rate. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

5. Loss allowance for receivables

The Company determines the allowance for credit losses based on historical loss experience adjusted to reflect current and estimated future economic conditions. The Company considered current and anticipated future economic conditions relating to industries the company deals with and the countries where it operates. In calculating expected credit loss, the company has also considered credit reports and other related credit information for its customers to estimate the probability of default in future and has taken into account estimates of possible effect from the pandemic relating to COVID -19.

6. Taxes

Deferred tax assets are recognized for unused tax credits to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgment is required to determine the amount of deferred tax asset that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

7. Contingencies

On an ongoing basis, Company reviews pending cases, claims by third parties and other contingencies and obligations. Obligations relating to project executions is largely depended upon performance of services by respective contractors for contingent losses that are considered Probable, an estimated loss is recorded as an accrual in financial statements. Loss contingencies that are considered possible are not provided for but disclosed as Contingent liabilities in the financial statements. Contingencies the likelihood of which is remote are not disclosed in the financial statements. Gain contingencies are not recognised until the contingency has been resolved and amounts are received or receivable.

3. SIGNIFICANT ACCOUNTING POLICIES

A. Current and non-current classification

All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

Assets: An asset is classified as current when it satisfies any of the following criteria:

a) It is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;

- b) It is held primarily for the purpose of being traded;
- c) It is expected to be realized within twelve months after the reporting date; or
- d) It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

Liabilities: A liability is classified as current when it satisfies any of the following criteria:

- a) It is expected to be settled in the Company's normal operating cycle;
- b) It is held primarily for the purpose of being traded;
- c) It is due to be settled within twelve months after the reporting date; or
- d) The Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other assets/ liabilities are classified as noncurrent. Based on the nature of products and the time between the acquisition of assets for processing and their realization in Cash or cash equivalents, the Company has ascertained its normal operating cycle as 12 months for the purpose of Current / Noncurrent classification of assets and liabilities.

B. Property, plant and equipment (PPE)

PPE is recognized when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. PPE is stated at original cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment, if any. Property, plant and equipment acquired on hire purchase basis are recognized at their cash values. For qualifying assets, borrowing costs are capitalized in accordance with the Company's accounting policy.

For transition to Ind AS, the Company has elected to adopt as deemed cost, the carrying value of PPE measured as per I-GAAP less accumulated depreciation and cumulative impairment on the transition date of 1st April, 2019.

PPE not ready for the Ended use on the Balance Sheet date is disclosed as "capital work in-progress.

Depreciation is recognized using straight line method so as to write off the cost of the assets (other than freehold land and properties under construction) less their residual values over their useful lives specified in Schedule II to the Companies Act, 2013, or in the case of assets where the useful life was determined by technical evaluation, over the useful life so determined.

Depreciation method is reviewed at each financial year end to reflect the expected pattern of consumption of the future economic benefits embodied in the asset. The estimated useful life and residual values are also reviewed at each financial year end and the effect of any change in the estimates of useful life/ residual value is accounted on prospective basis.

Depreciation on additions to / deductions from, owned assets is calculated pro rata to the period of use.

An item of Property, plant and equipment is derecognized when it is estimated that Company will not receive future economic benefits from its use or upon its disposal. Any gains and losses on disposal of such item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized in the statement of profit and loss.

C. Depreciation and amortization

Depreciation method, estimated useful lives and residual values are determined based on technical parameters / assessment, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.

The estimated useful life of Property, Plant & Equipment is aligned to the useful life specified under Schedule II to the Companies Act, 2013 except useful life for computing depreciation in the following case:

Assets	Useful Life (Years)
Buildings	30 - 60
Plant and Machinery	8 - 20
Office Equipment	5
Furniture & Fixtures	10
Vehicles	8 - 10
Computers	3
Energy Saving Equipment	15
Pollution Control Equipment	15
Electric Installations	10

The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the Property, Plant and Equipment are likely to be used.

Depreciation on additions to property, plant and equipment is provided on a pro-rata basis from the date of acquisition or installation, and in the case of a new project, from the date of commencement of commercial production.

Depreciation on an item of property, plant and equipment sold, discarded, demolished or scrapped, is provided up to the date on which such item of property, plant and equipment is sold, discarded, demolished or scrapped.

The Company reviews the residual value, useful lives and depreciation method annually and, if expectations differ from previous estimates, the change is accounted for as a change in accounting estimate on a prospective basis.

D. Impairment of assets

As at the end of each accounting year, the Company reviews the carrying amounts of its PPE, investment property, intangible assets and investments in subsidiary company to determine whether there is any indication that those assets have suffered an impairment loss. If such indication exists, the said assets are tested for impairment so as to determine the impairment loss, if any. The intangible assets with indefinite life are tested for impairment each year.

Impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount. Recoverable amount is determined:

- a) in the case of an individual asset, at the higher of the net selling price and the value in use; and
- b) in the case of a cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of the cash generating unit's net selling price and the value in use.

The amount of value in use is determined as the present value of estimated future cash flows from the continuing use of an asset and from its disposal at the end of its useful life. For this purpose, the discount rate (pre-tax) is determined based on the weighted average cost of capital of the Company suitably adjusted for risks specified to the estimated cash flows of the asset

For this purpose, a cash generating unit is ascertained as the smallest identifiable group of assets that generates cash inflows that are largely independent of the cash inflows from other assets or groups of assets.

If recoverable amount of an asset (or cash generating unit) is estimated to be less than its carrying amount, such deficit is recognized immediately in the Statement of Profit and Loss as impairment loss and the carrying amount of the asset (or cash generating unit) is reduced to its recoverable amount.

When an impairment loss subsequently reverses, the carrying amount of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss is recognized for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognized immediately in the Statement of Profit and Loss.

E. Financial Instruments

1) Financial assets

Financial assets are recognized when the Company becomes a party to the contractual provisions of the instrument.

All financial assets are recognized at fair value on initial recognition. Financial assets are subsequently classified as measured at

- amortized cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVTOCI)

Financial assets are not reclassified subsequent to their recognition, except if and in the period the Company changes its business model for managing financial assets.

Derecognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

Impairment of financial assets

The Company recognizes loss allowances for expected credit losses on:

- Financial assets measured at amortized cost;

At each reporting date, the Company assesses whether financial assets carried at amortized cost has impaired and provisions are made for impairment accordingly. A financial asset is 'credit impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward looking information.

Measurement of expected credit losses

Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive).

Presentation of allowance for expected credit losses in the balance sheet

Loss allowances for financial assets measured at amortized cost are deducted from the gross carrying amount of the assets.

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off.

ii) Financial liabilities

Financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortized cost unless at initial recognition, they are classified as fair value through profit and loss.

Financial liabilities are subsequently measured at amortized cost using the effective interest rate (EIR) method. Financial liabilities carried at fair value through profit or loss is measured at fair value with all changes in fair value recognized in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

iii) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or

realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

F. Borrowing costs

Borrowing costs attributable to the acquisition or construction of fixed assets are capitalised as part of cost of the assets, up to the date the asset is put to use. Other Borrowing cost is charged to Statement of Profit & loss in the year in which they are incurred.

G. Income tax

Income tax comprises current and deferred tax. It is recognized in statement of profit or loss except to the extent that it relates to an item recognized directly in equity or in other comprehensive income.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date. Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognized amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred tax

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognized in respect of carried forward tax losses and tax credits.

Deferred tax assets are recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses the Company recognizes a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realized. Deferred tax assets- unrecognized or recognized, are reviewed at each reporting date and are recognized /reduced to the extent that it is probable/no longer probable respectively that the related tax benefit will be realized.

Minimum Alternate Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each balance sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

H. Inventories

Inventories are valued at the lower of cost and net realizable value after providing for obsolesces and damages as under:

(i) Raw and packing materials, stores and spares including fuel: At Cost on FIFO basis

(ii) Stock in trade and Finished Goods: At Cost plus appropriate overheads

Cost includes cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on first in first out (FIFO) basis.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

I. Cash and cash equivalents

Cash and bank balances also include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation. Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

J. Provision and contingent liabilities

The Company sets up a provision when there is a present legal or constructive obligation as a result of a past event and it will probably require an outflow of resources to settle the obligation and a reliable estimate can be made. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation.

A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or where reliable estimate of the obligation cannot be made. Contingent liabilities are disclosed on the basis of judgment of the management/ independent experts. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

K. Revenue recognition

A. Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration that the Company expects to receive in exchange for those products or services.

B. Revenues from Products are recognized at a point in time when control of the goods passes to the customer, usually upon delivery of the goods.

C. The Company Presents revenues net of indirect taxes in its statement of profit and loss.

D. Revenues in excess of invoicing are classified as contract assets (which may also refer as unbilled revenues) while invoicing in excess of revenues are classified as contract liabilities (which may also refer to as unearned revenues).

E. Government Subsidy

Subsidy has been recognized by the company on the basis of the notification received from the ministry of chemicals and fertilizers from time to time.

F. other Revenue:

Interest income :

Interest income is recognized as interest accrues using the effective interest method ("EIR" that is the rate that exactly discounts estimated future receipts through the expected life of the financial instrument to the net carrying amount of the financial assets.

Rental income

Rental income arising from operating leases or on properties is accounted for on a straight-line basis over the lease terms and is included in other non-operating income in the statement of profit and loss.

Insurance claims

Insurance claims are accounted for as when admitted by the concerned authority.

L. Earnings per share

Basic earnings per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the company by the weighted average number of equity shares outstanding during the financial year.

Diluted earnings per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the company by the weighted average number of equity shares considered for deriving basic earning per equity share and also the weighted average number of equity share that could have been issued upon conversion of all dilutive potential equity shares.

4. Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Company's standalone financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the related disclosures.

Significant management judgements

a) Recognition of deferred tax assets - The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized.

b) Evaluation of indicators for impairment of assets - The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

c) Contingent liabilities- At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.

d) Provisions - At each balance sheet date basis the management judgment, changes in facts and legal aspects, the company assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.

Significant estimates

a) Impairment of financial assets - At each balance sheet date, based on historical default rates observed over expected life, existing market conditions as well as forward looking estimates, the management assesses the expected credit losses on outstanding receivables and advances. Further, management also considers the factors that may influence the credit risk of its customer base, including the default risk associated with industry and country in which the customer operates.

b) Useful lives of depreciable/amortisable assets - Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utilisation of assets.

II. Financial Risk Management

The company has exposure to the following risk arising from financial instruments:

- Credit Risk
- Liquidity Risk; and
- Market Risk

i. Risk management framework

The company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors has established the processes to ensure that executive management controls risks through the mechanism of properly defined framework.

The Company's risk management policies are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed by the board annually to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Company's Audit Committee oversees compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The Audit Committee is assisted in its oversight role by Internal Audit. Internal Audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to its Audit Committee.

ii. Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from the Company's receivables from customers and loans given.

The carrying amount of following financial assets represents the maximum credit exposure.

Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry and country in which customers operate.

The Company Management has established a credit policy under which each new customer is analyzed individually for creditworthiness before the company's standard payment and delivery terms and conditions are offered.

iii. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial assets. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the cash flows generated from operations to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, the Company's treasury maintains flexibility in funding by maintaining availability under committed credit lines.

Management monitors rolling forecasts of the Company's liquidity position comprising the undrawn borrowing facilities and cash and cash equivalent on the basis of expected cash flows. This is generally carried out in accordance with practice and limits set by the company. In addition, the Company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

a) Maturities of financial liabilities

The following are the remaining contractual maturities of financial liabilities at the reporting date.

Particulars	As at 31st March, 2023			As at 31st March, 2022

Total Financial Liabilities	38.87	38.87	38.87	25.01	25.01	25.01

iv. Market Risk

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates and commodity prices which will affect the Company's income or the value of its holding of financial instruments. The objective of market risk management is to manage and control market exposures within acceptable parameters, while optimising the return.

Currency risk : As company does not deals in foreign currencies, therefore this risk mitigates for the company.

Commodity risk: As company deals in services sector , therefore this risk mitigates for the company.

Interest Risk: As the Company does not have any borrowings from outsider, therefore this risk mitigates for the company.

Note 33 : CAPITAL MANAGEMENT

The Company manages its capital to ensure that it will be able to continue as going concern while maximising the return to stakeholders through the optimisation of the debt and equity balance. The capital structure of the Company consists of Zero debt and having only equity and internal accruals.

We have audited the accompanying Consolidated financial statements of Keerti Knowledge and Skills Limited (hereinafter referred to as the “the Holding Company”) and its subsidiaries (the Holding Company and its subsidiaries together referred to as “the Group”), which comprise the balance sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the statement of changes in equity and the statement of cash flows ended on that date, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the “Consolidated financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 (the “Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) And other accounting principles generally accepted in India, of the state of affairs of the Group as at March 31, 2023, the consolidated profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the Consolidated financial statements in accordance with the Standards on Auditing (“SA”s) specified under section 143(10) of the Act. Our responsibility under those standards are further described in the Auditor’s Responsibility for the Audit of Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of ethics issued by the Institute of Chartered Accountants of India (“ICAI”) together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated financial statements of the current period. These matters were addressed in the context of our audit of the Consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Other Information

The Holding Company's Management and Board of directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated financial statements and our auditor's report thereon.

Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and free from material misstatement, whether due to fraud or error.

In preparing the Consolidated financial statements, managements is responsible for assessing the Group's ability to continue as a going concern, disclosing , as a applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected on influence the economic decisions of users taken on the basis of these Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in Internal control that we identify during our audit.

We also provide those charges with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulations precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonable be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1) As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Group so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account.

- d) In our opinion, the aforesaid Consolidated financial statements comply with the Ind AS specified under section 133 of the Act.
- e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in “Annexure A”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Group’s internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with the Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Group does not have any pending litigations which would impact its financial position as on 31st March 2023.
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Group.
 - iv. The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ‘Intermediaries’, with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ‘Ultimate Beneficiaries’ or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - v. The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ‘Funding Parties’, with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ‘Ultimate Beneficiaries’ or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - vi. Based on our audit procedures, nothing has come to our notice that has caused us to believe that the representations under sub-clause (iv) and (v) contain any material mis-statements
 - vii. The Company has not declared any dividend during the year.

Annexure A to the Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Act.

1. In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2023, we have audited the internal financial controls over financial reporting of **KEERTI KNOWLEDGE AND SKILLS LIMITED** (hereinafter referred to as "the Holding Company") in conjunction with our audit of the consolidated financial statement of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Respective Board of Directors of the Holding Company and its subsidiary companies, which are incorporated in India, to the extent applicable, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our Responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the standards on Auditing deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our Audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained, during the audit of Holding Company, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting; for providing an opinion on the internal financial controls system of the Subsidiary

Companies which are not incorporated in India (Foreign Subsidiaries) we have relied upon the audit opinion given by their respective auditors in reference to the same.

Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transaction and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of the Management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Holding Company and its subsidiary companies, which are companies Incorporated in India, to the extent applicable, have in all material respects, adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31,2023

1. GENERAL INFORMATION

Keerti Knowledge And Skills Limited (“the Holding”) and its subsidiaries (the Holding Company and its subsidiaries together referred to as “the Group”) is a Public Limited Company, incorporated in India having its registered office at Unit No 12/A, Ninth Floor, A-Wing, Pinnacle Corporate Park, Bandra Kurla Complex, Bandra East, Mumbai 400 051. The equity shares of the Group are listed on NSE Limited.

2. BASIS OF PREPARATION:

A. Statement of compliance

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under section 133 of the Companies Act, 2013 (“the Act”) and other relevant provisions of the Act.

These consolidated financial statements were approved by the Company’s Board of Directors and authorised for issue on 25th April, 2023.

B. Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is the Group’s functional currency.

C. Basis of measurement

The financial statements have been prepared under the historical cost convention on accrual basis. The following items are measured on each reporting date as under:

- Defined Benefit plans- plan assets at fair value

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. For financial reporting purposes, fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in the active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

D. Use of estimates and judgments

In preparing these financial statements, management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Actual result may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively.

Judgments:

Information about judgments made in applying accounting policies that have the most significant effects on the amounts recognized in the financial statements have been given below:

- Classification of leases into finance or operating lease
- Whether an arrangement contains a lease.
- Classification of financial assets: assessment of business model within which the assets are held and assessment of whether the contractual terms of the financial asset are solely payments of principal and interest on the principal amount outstanding.

Assumptions and estimation uncertainties:

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the subsequent period financial statements is included below:

- Estimation of current and deferred tax expense and asset/ liability.
- Estimated useful life of property, plant and equipment.
- Estimation of defined benefit obligation.
- Measurement and likelihood of occurrence of provisions and contingencies.
- Impairment of trade receivables.

E. Critical accounting estimates and judgments

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimated and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

1. Useful lives of property, plant and equipment and Intangible Assets

Property, plant and equipment represent a significant proportion of the asset base of the Group. The charge in respect of the periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life.

The useful lives and residual values of Group's assets are determined by management at the time the asset is acquired. The lives are based on historical experience with similar as well as anticipation of future events, which may impact their life, such as changes in technology.

2. Employee benefits

Defined benefit plans and other long-term benefits are evaluated with reference to uncertain events and based upon actuarial assumptions including among others discount rates, expected rates of return on plan assets, expected rates of salary increases, estimated retirement dates, mortality rates. The significant assumptions used to account for employees benefits are described in Note no K.

3. Revenue Recognition

The Group assesses the services promised in a contract and identifies distinct performance obligations in the contract. Judgement is also required to determine the transaction price for the contract. The Group allocates the elements of variable considerations to all the performance obligations of the contract unless there is observable evidence that they pertain to one or more distinct performance obligations. The Group exercises judgement in determining whether the performance obligation is satisfied at a point in time or over a period of time. Provisions for estimated losses, if any, on uncompleted contracts are recorded in the period in which such losses become probable based on the estimated efforts or costs to complete the contract.

4. Leases

The Group evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Group uses significant judgment in assessing the lease term (including anticipated renewals) and the applicable discount rate. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

5. Loss allowance for receivables

The Group determines the allowance for credit losses based on historical loss experience adjusted to reflect current and estimated future economic conditions. The Group considered current and anticipated future economic conditions relating to industries the Group deals with and the countries where it operates. In calculating expected credit loss, the Group has also considered credit reports and other related credit information for its customers to estimate the probability of default in future and has taken into account estimates of possible effect from the pandemic relating to COVID -19.

6. Taxes

Deferred tax assets are recognized for unused tax credits to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgment is required to determine the amount of deferred tax asset that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

7. Contingencies

On an ongoing basis, Group reviews pending cases, claims by third parties and other contingencies and obligations. Obligations relating to project executions is largely depended upon performance of services by respective contractors for contingent losses that are considered Probable, an estimated loss is recorded as an accrual in financial statements. Loss contingencies that are considered possible are not provided for but disclosed as Contingent liabilities in the financial statements. Contingencies the likelihood of which is remote are not disclosed in the financial statements. Gain contingencies are not recognised until the contingency has been resolved and amounts are received or receivable.

3. SIGNIFICANT ACCOUNTING POLICIES

A. Current and non-current classification

All the assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

Assets: An asset is classified as current when it satisfies any of the following criteria:

- a) It is expected to be realized in, or is intended for sale or consumption in, the Group's normal operating cycle;
- b) It is held primarily for the purpose of being traded;

- c) It is expected to be realized within twelve months after the reporting date; or
- d) It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

Liabilities: A liability is classified as current when it satisfies any of the following criteria:

- a) It is expected to be settled in the Group's normal operating cycle;
- b) It is held primarily for the purpose of being traded;
- c) It is due to be settled within twelve months after the reporting date; or
- d) The Group does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other assets/ liabilities are classified as noncurrent. Based on the nature of products and the time between the acquisition of assets for processing and their realization in Cash or cash equivalents, the Group has ascertained its normal operating cycle as 12 months for the purpose of Current / Noncurrent classification of assets and liabilities.

B. Property, plant and equipment (PPE)

PPE is recognized when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. PPE is stated at original cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment, if any. Property, plant and equipment acquired on hire purchase basis are recognized at their cash values. For qualifying assets, borrowing costs are capitalized in accordance with the Group's accounting policy.

For transition to Ind AS, the Group has elected to adopt as deemed cost, the carrying value of PPE measured as per I-GAAP less accumulated depreciation and cumulative impairment on the transition date of 1st April, 2019.

PPE not ready for the Ended use on the Balance Sheet date is disclosed as "capital work in-progress.

Depreciation is recognized using straight line method so as to write off the cost of the assets (other than freehold land and properties under construction) less their residual values over their useful lives specified in Schedule II to the Companies Act, 2013, or in the case of assets where the useful life was determined by technical evaluation, over the useful life so determined.

Depreciation method is reviewed at each financial year end to reflect the expected pattern of consumption of the future economic benefits embodied in the asset. The estimated useful life and residual values are also reviewed at each financial year end and the effect of any change in the estimates of useful life/ residual value is accounted on prospective basis.

Depreciation on additions to / deductions from, owned assets is calculated pro rata to the period of use.

An item of Property, plant and equipment is derecognized when it is estimated that Group will not receive future economic benefits from its use or upon its disposal. Any gains and losses on disposal of such item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized in the statement of profit and loss.

C. Depreciation and amortization

Depreciation method, estimated useful lives and residual values are determined based on technical parameters / assessment, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.

The estimated useful life of Property, Plant & Equipment is aligned to the useful life specified under Schedule II to the Companies Act, 2013 except useful life for computing depreciation in the following case:

Assets	Useful Life (Years)
Buildings	30 - 60
Plant and Machinery	8 - 20
Office Equipment	5
Furniture & Fixtures	10
Vehicles	8 - 10
Computers	3
Energy Saving Equipment	15
Pollution Control Equipment	15
Electric Installations	10

The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the Property, Plant and Equipment are likely to be used.

Depreciation on additions to property, plant and equipment is provided on a pro-rata basis from the date of acquisition or installation, and in the case of a new project, from the date of commencement of commercial production.

Depreciation on an item of property, plant and equipment sold, discarded, demolished or scrapped, is provided up to the date on which such item of property, plant and equipment is sold, discarded, demolished or scrapped.

The Group reviews the residual value, useful lives and depreciation method annually and, if expectations differ from previous estimates, the change is accounted for as a change in accounting estimate on a prospective basis.

D. Impairment of assets

As at the end of each accounting year, the Group reviews the carrying amounts of its PPE, investment property, intangible assets and investments in subsidiary Group to determine whether there is any indication that those assets have suffered an impairment loss. If such indication exists, the said assets are tested for impairment so as to determine the impairment loss, if any. The intangible assets with indefinite life are tested for impairment each year.

Impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount. Recoverable amount is determined:

- a) in the case of an individual asset, at the higher of the net selling price and the value in use; and
- b) in the case of a cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of the cash generating unit's net selling price and the value in use.

The amount of value in use is determined as the present value of estimated future cash flows from the continuing use of an asset and from its disposal at the end of its useful life. For this purpose, the discount rate (pre-tax) is determined based on the weighted average cost of capital of the Group suitably adjusted for risks specified to the estimated cash flows of the asset

For this purpose, a cash generating unit is ascertained as the smallest identifiable group of assets that generates cash inflows that are largely independent of the cash inflows from other assets or groups of assets.

If recoverable amount of an asset (or cash generating unit) is estimated to be less than its carrying amount, such deficit is recognized immediately in the Statement of Profit and Loss as impairment loss and the carrying amount of the asset (or cash generating unit) is reduced to its recoverable amount.

When an impairment loss subsequently reverses, the carrying amount of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss is recognized for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognized immediately in the Statement of Profit and Loss.

E. Financial Instruments

1) Financial assets

Financial assets are recognized when the Group becomes a party to the contractual provisions of the instrument.

All financial assets are recognized at fair value on initial recognition. Financial assets are subsequently classified as measured at

- amortized cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVTOCI)

Financial assets are not reclassified subsequent to their recognition, except if and in the period the Group changes its business model for managing financial assets.

Derecognition

The Group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

Impairment of financial assets

The Group recognizes loss allowances for expected credit losses on:

- Financial assets measured at amortized cost;

At each reporting date, the Group assesses whether financial assets carried at amortized cost has impaired and provisions are made for impairment accordingly. A financial asset is 'credit impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Group considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Group's historical experience and informed credit assessment and including forward looking information.

Measurement of expected credit losses

Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Group in accordance with the contract and the cash flows that the Group expects to receive).

Presentation of allowance for expected credit losses in the balance sheet

Loss allowances for financial assets measured at amortized cost are deducted from the gross carrying amount of the assets.

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Group determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off.

ii) Financial liabilities

Financial liabilities are recognized when the Group becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortized cost unless at initial recognition, they are classified as fair value through profit and loss.

Financial liabilities are subsequently measured at amortized cost using the effective interest rate (EIR) method. Financial liabilities carried at fair value through profit or loss is measured at fair value with all changes in fair value recognized in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

iii) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on

future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Group or the counterparty.

F. Borrowing costs

Borrowing costs attributable to the acquisition or construction of fixed assets are capitalised as part of cost of the assets, up to the date the asset is put to use. Other Borrowing cost is charged to Statement of Profit & loss in the year in which they are incurred.

G. Income tax

Income tax comprises current and deferred tax. It is recognized in statement of profit or loss except to the extent that it relates to an item recognized directly in equity or in other comprehensive income.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date. Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognized amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred tax

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognized in respect of carried forward tax losses and tax credits.

Deferred tax assets are recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses the Group recognizes a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realized. Deferred tax assets- unrecognized or recognized, are reviewed at each reporting date and are recognized /reduced to the extent that it is probable/no longer probable respectively that the related tax benefit will be realized.

Minimum Alternate Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Group will pay normal income tax during the specified period. Such asset is reviewed at each balance sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Group will pay normal income tax during the specified period.

H. Inventories

Inventories are valued at the lower of cost and net realizable value after providing for obsolesces and damages as under:

(i) Raw and packing materials, stores and spares including fuel: At Cost on FIFO basis

(ii) Stock in trade and Finished Goods: At Cost plus appropriate overheads

Cost includes cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on first in first out (FIFO) basis.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

I. Cash and cash equivalents

Cash and bank balances also include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation. Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

J. Provision and contingent liabilities

The Group sets up a provision when there is a present legal or constructive obligation as a result of a past event and it will probably require an outflow of resources to settle the obligation and a reliable estimate can be made. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation.

A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or where reliable estimate of the obligation cannot be made. Contingent liabilities are disclosed on the basis of judgment of the management/ independent experts. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

K. Revenue recognition

A. Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration that the Group expects to receive in exchange for those products or services.

B. Revenues from Products are recognized at a point in time when control of the goods passes to the customer, usually upon delivery of the goods.

C. The Group Presents revenues net of indirect taxes in its statement of profit and loss.

D. Revenues in excess of invoicing are classified as contract assets (which may also refer as unbilled revenues) while invoicing in excess of revenues are classified as contract liabilities (which may also refer to as unearned revenues).

E. Government Subsidy

Subsidy has been recognized by the Group on the basis of the notification received from the ministry of chemicals and fertilizers from time to time.

F. other Revenue:

Interest income :

Interest income is recognized as interest accrues using the effective interest method ("EIR" that is the rate that exactly discounts estimated future receipts through the expected life of the financial instrument to the net carrying amount of the financial assets.

Rental income

Rental income arising from operating leases or on properties is accounted for on a straight-line basis over the lease terms and is included in other non-operating income in the statement of profit and loss.

Insurance claims

Insurance claims are accounted for as when admitted by the concerned authority.

L. Earnings per share

Basic earnings per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the Group by the weighted average number of equity shares outstanding during the financial year.

Diluted earnings per equity share is computed by dividing the net profit or loss attributable to equity shareholders of the Group by the weighted average number of equity shares considered for deriving basic earning per earning per equity share and also the weighted average number of equity share that could have been issued upon conversion of all dilutive potential equity shares.

4. Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Group's standalone financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the related disclosures.

Significant management judgements

a) Recognition of deferred tax assets - The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Group's future taxable income against which the deferred tax assets can be utilized.

b) Evaluation of indicators for impairment of assets - The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

c) Contingent liabilities- At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Group assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.

d) Provisions - At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Group assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.

Significant estimates

a) Impairment of financial assets - At each balance sheet date, based on historical default rates observed over expected life, existing market conditions as well as forward looking estimates, the management assesses the expected credit losses on outstanding receivables and advances. Further, management also considers the factors

that may influence the credit risk of its customer base, including the default risk associated with industry and country in which the customer operates.

b) Useful lives of depreciable/amortisable assets - Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utilisation of assets.

II. Financial Risk Management

The Group has exposure to the following risk arising from financial instruments:

- Credit Risk
- Liquidity Risk; and
- Market Risk

i. Risk management framework

The Group company's board of directors has overall responsibility for the establishment and oversight of the Group company's risk management framework. The board of directors has established the processes to ensure that executive management controls risks through the mechanism of property defined framework.

The Group company's risk management policies are established to identify and analyze the risks faced by the Group, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed by the board annually to reflect changes in market conditions and the Group company's activities. The Group, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Group company's Audit Committee oversees compliance with the Group company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The Audit Committee is assisted in its oversight role by Internal Audit. Internal Audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to its Audit Committee.

ii. Credit Risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from the Group's receivables from customers and loan given.

The carrying amount of following financial assets represents the maximum credit exposure.

Trade and other receivables

The Group's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry and country in which customers operate.

The Group Company Management has established a credit policy under which each new customer is analyzed individually for creditworthiness before the company's standard payment and delivery terms and conditions are offered.

iii. Liquidity risk

Liquidity risk is the risk that the Group company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial assets. The group's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the group's reputation.

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the cash flows generated from operations to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, the Group's treasury maintains flexibility in funding by maintaining availability under committed credit lines.

Management monitors rolling forecasts of the group liquidity position comprising the undrawn borrowing facilities and cash and cash equivalent on the basis of expected cash flows. This is generally carried out in accordance with practice and limits set by the company. In addition, the Group Company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

a) Maturities of financial liabilities

The following are the remaining contractual maturities of financial liabilities at the reporting date.

(Rs in Lakhs)
