RBI thereafter filed a Petition for winding up of the Company before the Hon'ble High Court of Delhi at New Delhi. Both the Petitions filed by RBI are pending adjudication and have been clubbed with the Scheme.

4. *Depletion in the value of Assets charged to Banks/Institution and Debentures in Para V and covered under notes 4.1.d, 4.2.b & 4.3.1 relates to ascertainment of Security against Debentures and Bank Loan, which could not be ascertained since the Company is in litigation with various Lease and Hire Purchase customers and the matters are sub-judice, hence confirmations and acknowledgements are not feasible.*

aggregates to Rs. 1556.79 lacs. This is to give a more realistic picture of the receivable of the Company and will also put more stress on recovery. Accordingly it is deemed expedient that the provision for non-performing assets may be made at a realistic level. The Director's view is that assessment of 'recovery matters, financial position of the defaulting customers and payment by the Customer in the subsequent years and the present negotiations/commitment with/by the custom

9. **Going Concern Basis –Para x and note 28:** In accordance with section 217 (2AA) of the Companies Act, 1956, the financial statements are required to be made on going concern basis. In light of the fresh scheme of restructuring pending before the Hon'ble Delhi High Court, the Company has plans for future business and income generation. Accordingly it is not only prudent but also imperative to draw the financial statement based on such Going Concern basis. The Scheme seeks to restructure relying on debt equity swaps and profits earned by engaging in service oriented, fee based business leading to progressive reduction in the debt of the Company. The Scheme of Arrangement would not only enable the Company to wipe out its debts but will also enable it to reduce carry forward losses to be a profitable entity. MANAGEMENT DISCUSSION AND ANALYSIS

The Management of the Company is pleased to present its Report on Industry scenario including Company's performance during the year 2012-13

1 Industry Structure and Development

Non-Banking Finance Companies (NBFC) sector in India is represented by a mix of a few large companies with nationwide presence and a few small and medium sized companies with regional focus, primarily engaged in hire purchase finance investments, corporate loans, IPO funding, venture capital and other non-fund based activities etc. The Reserve Bank India regulates and supervises these NBFCs.

2 Opportunities and Threats

The NBFCs are facing stiff competition from banks and financial institutions, due to the ability of Banks & FI's to raise k cost funds which enables them to provide funds at much cheaper rate. More stringent capital adequacy norms have been stipulated by RBI for NBFCs which is making difficult for them to give cheaper finance.

Due to factors beyond the control of the Company, the earlier Scheme under section 391 to 394 of the Companies Act, 1956, has not been sanctioned by the Hon'ble Delhi High Court; this has adversely affected the plans of the Company including its venturing into new business avenues and opportunities. The Company has filed a fresh Scheme before the Hon'ble Delhi High Court under section 391 to 394 of the Companies Act, 1956, and on approval of the Scheme, not only the Company would become debt free but it will also enable it to commence new business activities, which the Company has been attempting to start since quite some time. The Company is planning to make a niche in the new areas of operation upon sanction of the Company's Scheme of Restructuring. Delay in the sanction of the Scheme is increasing the volume, efforts and cost associated with the litigation process. As already mentioned, that post approval of the Scheme, the Company shall also explore possibilities in field of non-fund based business and other activities.

3 Segment-wise or Product-wise Performance

The Company is primarily engaged in the business of hire purchase, leasing and bill discounting and non-fund bas activities. Since the risk and returns in these businesses are similar, therefore, these are grouped as a single segment. This in accordance with the guiding principle enunciated in the Accounting Standard on Segment Reporting (AS-17) issued The Institute of Chartered Accountants of India.

4 Financials performance with respect to operational performance

The efforts are towards recovery of dues from past and present creditors. There was no income from leasing and hire purchase due to lapse of tenure. The sustained efforts for aggressive recoveries during the current financial year has supported the bottom line of your Company which has posted a profit of Rs 303.08 lacs which includes Prior Period adjustments amounting to Rs. 6.00 lacs after providing for depreciation of Rs. 36.10 lacs.

5 Material developments in Human Resources / Industrial Relations Front, including number of people employed

The relations with the employees remained cordial during the year.

The total number of employees in the Company was 9 as on March 31, 2013.

6 Cautionary Note

The statements in the Directors' and Management Discussion and Analysis Report describing the Company's projections, estimates, expectations or predictions may be forward looking statements within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied since the Company's operations are influenced by many external and internal factors beyond the control of the Company.

INDEPENDENT AUDITOR'S REPORT

TO MEMBERS OF DCM FINANCIAL SERVICES LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of DCM Financial Services Limited ("**the Company**"), which comprise the Balance Sheet as at March 31, 2013, and the Statement of Profit and Loss and Cash Flow Statement for the year ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("**the Act**"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Qualified Opinion

- (i) Recognition of rental income of Rs 91.02 lacs during the financial year ended 31st March, 2013 in view of uncertainty in realization of such income & non provision of doubtful debts against rental receivable of Rs 510.82 lacs pertaining to previous years which have not yet been realized. The net profit for the year & current assets are overstated and cumulative net loss is understated to that extent.
- (ii) No provision has been made of Rs 826.38 lacs payable for Interest on debentures, term loans and banks, fixed deposits, and inter corporate deposits. Net profit for the year & current assets are overstated and cumulative net loss is understated to that extent. This is in contravention of the Accounting Standard 1 on Disclosure of Accounting Policies issued by Ministry of Corporate Affairs, Government of India. This has been explained in Note 4.1.f, Note 4.1.g.(i), Note 4.2.c & 4.2.d, Note 4.3.2, Note 4.3.3, Note 4.4(f) and Note 4.6.
- (iii) For redemption of debentures of Rs 2,546.66 Lacs, debenture redemption reserve is required to be created. Debenture redemption reserve of Rs 2,546.66 lacs has not been created due to insufficient profits. This has been explained in Note 2.2.
- (iv) The financials have been drawn based on the application for acceptance of a fresh scheme of arrangement. The said application is pending before the Hon'ble Delhi High Court for approval & acceptance. This has been explained in Note 24.
- (v) The value of assets charged as security in favour of banks, debenture-holders & financial institutions have been depleted over a period of time. The depletion has not yet been ascertained. To the extent of shortfall, if any, the liability is unsecured, whereas the same has

been shown as secured. This has been explained in Note 4.1.d and Note 4.2.b & 4.3.1.

- (vi) There is a default in repayment of outstanding deposits with interest vide order dated 17.07.98 as the Company Law Board had ordered payment of interest at contracted rates up to the date of maturity and at 10% thereafter. Due to liquidity problems, the company has not fully followed the schedule of repayment ordered by the Company Law Board. However, a fresh Restructuring Scheme of arrangement for re-organization of the share capital of the company and for compromise with its creditors including fixed depositors has been made in which interest dues will be waived. Assuming that the scheme will be approved by the Hon'ble High Court of Delhi, provision of interest payable amounting to Rs. 827.06 lacs has been written back in earlier years. This has been explained in Note 4.4.(b).
- (vii) Fixed Deposits and Bills Payable as per records maintained by the Company are Rs. 5645.45 lacs and as per financials books amounting to Rs. 5634.75 lacs. Their is a difference of Rs. 10.69 lacs which is un-reconciled in the Fixed Deposit Register. The reason is either lack of identification of depositors or no claim or confirmation having been received by the company. The provision of such differential amount has not been made. This has been explained in Note 4.4.(d) & Note 4.4.(e).
- (viii) Due to liquidity crisis in the past, minimum liquid assets @ 15% of Fixed Deposits as per RBI directives has not been maintained by the company. The company has applied to RBI and Company Law Board for exemption from maintaining minimum liquid assets and payment of penal interest but the disposal of the application is still pending. This has been explained in Note 4.4.(g).
- (ix) There is non-provision of NPA's of Rs 274.56 Lacs & Rs 631.43 Lacs respectively towards inter corporate deposits, bills receivable, employee advances and long-term trade receivables as required by Non-Banking Financial Companies Prudential Norms (Reserve Bank). The net profit for the year & current assets are overstated and cumulative net loss is understated to the extent of Rs 905.99 lacs This has been explained in Note 11.2 & Note 12.1.
- (x) The accounts of the company have been prepared on a going concern as on an assumption made by the management that (a) The fresh scheme would be approved by the Hon'ble Delhi High Court, (b) The promoters of the company have provided letter of support, (c) adequate finances and opportunities would be available in the foreseeable future to enable the company to start operating on a profitable basis and (d) injection of Rs. 19.50 crores as promoters quota. This has been explained in Note 28.
- (xi) Balance confirmation of 18 Banks which are restricted and cannot be operated without getting prior approval of the Hon'ble Delhi High Court, Bills Receivable and Payable, advances recoverable relating to lease and hire purchase are not available. The financial impact of this is not ascertainable. This has been explained in Note 14.2, 14.3 & 29 (a).

(xii) Contingent liabilities and Other Commitments

- (a) Punjab & Sind bank has filed a recovery suit before the Debt Recovery Tribunal (DRT) for recovery of Rs. 1217.52 lacs against which the amount payable to them, as per books is Rs. 803.40 lacs. The company contends that the dues of the Bank will be settled as per the fresh restructuring scheme and consequently no provision for the difference of Rs. 414.12 lacs has been made. Since the Company has not made payment of interest & principal in accordance with the Fresh Restructuring Scheme filed with the Hon'ble High Court, Rs 1217.52 became payable to PSB. No provision for the difference of Rs. 414.12 lacs has been made by the Company.
- (b) IndusInd Bank has filed a recovery suit before the Debt Recovery Tribunal (DRT), of Rs. 1042.42 lacs against which the amount payable to them as per books is Rs. 577.00 lacs. The company contends that the dues of the Bank are to be anticipated to be settled as per the fresh restructuring scheme and consequently no provision for the difference of Rs. 465.42 lacs has been made.
- (c) During the year ended 30th June, 2009, the Company had received Rs. 100.00 lacs from one of the Debtors and the balance recoverable from the debtors account was reduced by this amount. Subsequently the Hon'ble Punjab and Haryana Court deemed that payment to be an out of turn payment and asked the company to deposit the amount. The Company

had filed a SLP with the Hon'ble Supreme Court of India which has been dismissed by them. The Company is liable to deposit the amount mentioned above which has yet to be deposited.

- (d) There is an award passed by the arbitrator against the company in the matter of MS Shoes East Limited on May 28, 2012 for Rs. 51.28 lacs i.e. claim amount along with interest of Rs. 307 lacs for an underwriting given by the company in the year 1995 for the public issue of M/s MS Shoes East Ltd. The same has been contested by Company before Hon'ble Delhi High Court.

All assets and liabilities have been classified as current or non-current as per the company's normal operating cycle and other criteria set out in the revised Schedule VI to the Companies Act, 1956. 24 RESTRUCTURING SCHEME

The management for a structured debt repayment had prepared two schemes of arrangement for reorganization of share capital of the company and for compromise with its secured and unsecured creditors. Both the schemes of arrangement envisage a viable, just & equitable settlement with its secured and unsecured creditors while simultaneously increasing the risk and stake of the promoters and their shareholding through fresh infusion of funds by the promoter company.

The company has also moved an application before the Hon'ble Company Law Board, New Delhi on 22nd July 2004 under Regulation 44 of the Company Law Regulations 1991 proposing a fresh repayment schedule to fixed depositors of the Company. The same repayment schedule has been included in the fresh restructuring scheme filed before the Hon'ble High Court of Delhi at New Delhi on 24th September 2004.

The implementation of the schemes is subject to the fulfillment of all the conditions of section 391 to section 394 of the Companies Act and approval/orders of the Hon'ble Delhi High Court. The Hon'ble Delhi High Court did not approve the company's first scheme filed in May 2000, though approved by the secured and unsecured creditors in their respective meetings convened pursuant to the orders of the Hon'ble Court, yet the Hon'ble Court did not accord sanction to the scheme on technical grounds. An application for review had been filed before the Hon'ble Delhi High Court on 30th May 2003, which is yet to be listed for hearing and which is hereinafter, wherever applicable, referred to as the "old scheme under review". The company intends not to pursue the review application filed for the old scheme under review before the Hon'ble Delhi High Court and it is proposed to be withdrawn at an appropriate stage of the proceedings for the sanction of "the fresh scheme".

The company has filed a fresh Scheme of Arrangement for the reorganization of the share capital of the company and for compromise with the secured and unsecured creditors of the company, hereinafter referred to as the "fresh scheme" before the Hon'ble Delhi High Court at New Delhi on 24th September 2004.

Pursuant to the orders of the Hon'ble Delhi High Court, the unsecured creditors and debenture holders in their meeting convened under the Chairpersonship of court appointed chairpersons (retired Judges of Hon'ble Delhi High Court) on 1st April 2005 and 2nd April, 2005 have approved the scheme without any modifications with the requisite majority. The meeting of the other secured creditors (banks/institutions) was held on 17th September 2005 and has also approved the scheme by the requisite majority after considering some modifications proposed by the Punjab & Sind Bank.

The promoter company has undertaken, subject to sanction of the scheme by the Hon'ble Delhi High Court, to contribute to Rs. 19.50 crores of which Rs. 15.60 crores were deposited with the Registrar of the Hon'ble Delhi High Court Registrar, as per court order by the promoter group, and the balance amount of Rs 3.90 crores has been deposited on 27th April, 2012.

The fresh scheme is conditional upon the following approvals and shall be deemed to be effective on obtaining the last of the approvals and the occurrence of the last of the following events:-

- i. Sanction of the scheme by the Hon'ble High Court of Delhi under Sections 391 and 394 of the Act and other applicable provisions of the Act, Rules and Regulations, as the case may be;
- ii. Filing of certified copies of the order of the Hon'ble High Court of Delhi with the Registrar of Companies (Delhi and Haryana).

The restructured debts of the company for each category of debt is on the basis of outstandings as envisaged in the fresh scheme filed in the year 2004 excluding interest not provided for and all liquidated damages/penal charges and interest on unpaid interest. The "Fresh Scheme of Arrangement" is drawn on the basis of acceptance of waiver of payment of past and future interest, penal charges, liquidated damages, and any other charges, costs and claims etc. except as provided and for values contained therein which is subject to the approval of the Hon'ble Delhi High Court.

The accounts of the company have been drawn on the assumption that the "fresh scheme" will be accepted and implemented. If it is not accepted and cannot be implemented for any reason the total liability before the proposed restructuring scheme including those for which no provision has been made and has been quantified under appropriate heads, shall become payable.

The fresh scheme is pending before the Hon'ble Delhi High Court as at 31st March, 2013 & there is no change in the status at the time of adoption of the financials for the period ended 31st March, 2013 by the Board of Directors.

25. Deposit of Rs 19.50 Crore by DCM Services Limited

DCM Services Ltd as a promoter has committed to bring in Rs 19.50 Cr as a promoter contribution upon sanction of their restructuring scheme u/s 391 of the Indian Companies Act, which is presently pending for sanction before the Hon'able Delhi High Court.

The Court vide order dated 06.05.2008 has asked DCM Services Limited to deposit Rs. 19.50 crores with the Court and pursuant to the court order, They have deposited (Rs 5.00 crores on 16.07.2010, Rs 6.70 crores on 18.11.2010, Rs. 3.90 crores on 21.04.2011 & Rs. 3.90 on 27.04.2012 aggregating to Rs. 19.50 crores on behalf of the promoters with the Registrar, Hon'ble Delhi High Court. After considering the above mentioned facts and in view of absence of virtual certainty of sufficient taxable income in future no provision for deferred tax has been made.

Note 14: SIGNIFICANT ACCOUNTING POLICIES:**a) Accounting Convention:-**

The Financial statements have been prepared in accordance with Indian generally Accepted Principles ("GAAP") under the historical cost convention on accrual basis and are in accordance with the Companies Act, 1956 and the applicable accounting standards issued by the Institute of Chartered Accountants of India (ICAI) & prescribed in the Companies (Accounting Standards) Rules, 2006. These Accounting policies have been consistently applied, except where a newly issued accounting standard is initially adopted by the company. Management evaluates the effect of accounting standards issued on a going basis and ensures that they are adopted as mandated by the ICAI.

As required & mandated by relevant guidelines prescribed under the Companies Act, 1956, the company has prepared its financials as per the revised Schedule VI. All assets and liabilities have been classified as current or non-current as per the company's normal operating cycle and other criteria set out in the revised Schedule VI to the Companies Act, 1956. Based on the nature of products/services and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the company has considered a period of twelve months for the purposes of classification of assets and liabilities as current and non-current.

b) Use of Estimates:-

The preparation of the financial statements in conformity with GAAP requires the management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent assets and liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Examples of such estimates include provisions for doubtful debts, future obligations under employee retirement benefit plans, income taxes and the useful lives of fixed assets and intangible assets. Actual results could differ from those estimate. Any revision to accounting estimate is recognized prospectively in the current and future periods.

c) Investments:-

Long term investments are valued at cost, after providing for any diminution in value, if such diminution is of permanent nature. Shares, debentures, units and securities which the management intends to hold on a long term basis are classified as 'Long Term Investment.' A provision for decline in value of Investments is made only when the extent of loss is determinable and diminution in value, in the opinion of the Directors, is permanent.

Current investments are carried at lower of cost or market value. The determination of carrying amount of such investments is done on the basis of specific identification.

d) Revenue recognition:-

- Dividend income is recognized if the right to receive the payment is established by the Balance Sheet date.
- Interest income has been recognized on accrual basis and proportionate.
- Revenue is being recognized in accordance with the Accounting Standard – 9
- Revenue Recognition on accrual basis issued by the Institute of Chartered Accountants of India

e) Fixed assets:-

- i. Fixed assets are stated at cost of acquisition inclusive of inward freight, duties and taxes (excluding of recoverable tax and duties) and other incidental expenses related to their acquisition.
- ii. The company's own assets and the assets given out on lease are valued at cost. In respect of vehicles on lease, cost excludes insurance and road tax, which is recovered from the customer.

f) Depreciation:-

- i. Depreciation has been provided on the straight line method at the rates and in the manner prescribed in schedule XIV to the Companies Act, 1956.
- ii. On assets purchased for less than Rs. 5000 the company charges @ 100% depreciation on a pro-rata basis.

g) Employees Benefits:-**i. Short Term Employee Benefits**

All employee benefits falling due within twelve months of rendering service are classified as short term employee benefits. The benefits like salaries, wages, short term compensated absences etc. and the expected cost of bonus, ex-gratia are recognized in the period in which the employee renders the related service.

ii. Post-Employment Benefits

1. Defined Contribution Plans: The State governed provident fund scheme and employee state insurance scheme are defined contribution plans. The contribution paid/payable under the schemes is recognized during the period in which the employee renders the related service.

2. Defined Benefit Plans: Gratuity liability is covered under the defined benefit plan. The present value of the obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

Actuarial gains and losses are recognized immediately in the profit & loss account.

iii. Long Term Employee Benefits

The obligation for long term employee benefits such as long term compensated leave or encashment of leave accrued up to the specified period are recognized in the manner similar to the case of Gratuity.

h) Taxation:-

The current charge for Income Tax is ascertained on the basis of assessable profits computed in accordance with the provisions of the Income Tax act, 1961. Minimum Alternative Tax ("MAT") paid in accordance with the tax laws, which gives rise to future economic benefits in the form of adjustment of future income tax liability, is considered as an Asset if there is virtual certainty that company will pay normal tax. MAT Credit entitlement can be carried forward and utilized for a period of 10 years or as amended from time to time, from the year in which the same is availed. Accordingly, it is recognized as an asset in the balance sheet when it is probable that the future economic benefit associated with it will flow to the company and the asset can be measured reliably.

Deferred tax is recognized subject to the consideration of prudence, on timing differences, being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to timing differences that result between taxable profits and accounting profits. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. The effect on

deferred tax assets and liabilities of a change in tax rates is recognized in the period that includes the enactment date. Deferred tax Assets on timing difference are recognized only if there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. However, deferred tax assets on the timing differences when unabsorbed depreciation and losses carried forward exist, are recognized only to the extent that there is virtual certainty that sufficient future taxable income will be available against which such deferred tax can be realized. Deferred tax assets are reassessed for the appropriateness of their respective carrying values at each balance sheet date.

i) Provisions and Contingencies:-

Provisions are recognized when the Company has a present obligation as a result of past events, for which it is probable that an outflow of resources embodying economic benefits will be required to settle are reviewed regularly and are adjusted where necessary to reflect the current best estimates of the obligation. Where the Company expects a provision to be reimbursed, the reimbursement is recognized as a separate Asset, only when such reimbursement is virtually certain. Contingent Liabilities are disclosed after an evaluation of the facts and legal aspects of the matters involved. Contingent Assets are neither recognized, nor disclosed. Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet.

j) Earning Per Share:-

The basic and diluted earnings per share (EPS) are computed by dividing the net profit after tax for the year by the weighted average number of equity shares outstanding during the year.

15. In the opinion of the management, Loans and Advances have a value on realization in the ordinary course of business, at least equal to the amount at which they are stated in the Balance sheet.
16. The company had no outstanding dues to suppliers under The Micro, Small and Medium Enterprises Development Act, 2006, (MSMED Act) as at March 31, 2013.
17. There are no employees in the company in the year ending 31st March, 2013. No Employee Benefits Schemes such as Gratuity, Provident Fund & other staff welfare schemes are applicable on the Company during the reporting period. Accordingly no provision has been made during the reporting period as mandated by "Accounting Standard-15 on Employees Benefits", issued by Institute of Chartered Accountants of India.
18. In accordance with the Accounting Standards 22 issued by Institute of Chartered Accountants of India, Deferred tax assets on accumulated depreciation and losses has not been accounted for since it is uncertain whether there will be sufficient future taxable income against which such deferred tax assets can be realized.

INDEPENDENT CONSOLIDATED AUDITOR'S REPORT

TO MEMBERS OF DCM FINANCIAL SERVICES LIMITED

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of DCM Financial Services Limited ("**the Company**"), which comprise the consolidated Balance Sheet as at March 31, 2013, and the consolidated Statement of Profit and Loss and consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("**the Act**"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Qualified Opinion

- (i) Recognition of rental income of Rs 91.02 lacs during the financial year ended 31st March, 2013 in view of uncertainty in realization of such income & non provision of doubtful debts against rental receivable of Rs 510.82 lacs pertaining to previous years which have not yet been realized. The net profit for the year & current assets are overstated and cumulative net loss is understated to that extent.
- (ii) No provision has been made of Rs 826.38 lacs payable for Interest on debentures, term loans and banks, fixed deposits, and inter corporate deposits. Net profit for the year & current assets are overstated and cumulative net loss is understated to that extent. This is in contravention of the Accounting Standard 1 on Disclosure of Accounting Policies issued by Ministry of Corporate Affairs, Government of India. This has been explained in Note 4.1.f, Note 4.1.g.(i), Note 4.2.c & 4.2.d, Note 4.3.2, Note 4.3.3, Note 4.4(f) and Note 4.6.
- (iii) For redemption of debentures of Rs 2,546.66 Lacs, debenture redemption reserve is required to be created. Debenture redemption reserve of Rs 2,546.66 lacs has not been created due to insufficient profits. This has been explained in Note 2.2.
- (iv) The financials have been drawn based on the application for acceptance of a fresh scheme of arrangement. The said application is pending before the Hon'ble Delhi High Court for approval & acceptance. This has been explained in Note 24.
- (v) The value of assets charged as security in favour of banks, debenture-holders & financial institutions have been depleted over a period of time. The depletion has not yet been ascertained. To the extent of shortfall, if any, the liability is unsecured, whereas the same has been shown as secured. This has been explained in Note 4.1.d and Note 4.2.b & 4.3.1.
- (vi) There is a default in repayment of outstanding deposits with interest vide order dated 17.07.98 as the Company Law Board had ordered payment of interest at contracted rates up to the date of maturity and at 10% thereafter. Due to liquidity problems, the company has not fully followed the schedule of repayment ordered by the Company Law Board. However, a fresh Restructuring Scheme of arrangement for re-organization of the share capital of the company and for

compromise with its creditors including fixed depositors has been made in which interest dues will be waived. Assuming that the scheme will be approved by the Hon'ble High Court of Delhi, provision of interest payable amounting to Rs. 827.06 lacs has been written back in earlier years. This has been explained in Note 4.4.(b).

- (vii) Fixed Deposits and Bills Payable as per records maintained by the Company are Rs. 5645.45 lacs and as per financials books amounting to Rs. 5634.75 lacs. Their is a difference of Rs. 10.69 lacs which is un-reconciled in the Fixed Deposit Register. The reason is either lack of identification of depositors or no claim or confirmation having been received by the company. The provision of such differential amount has not been made. This has been explained in Note 4.4.(d) & Note 4.4.(e).
- (viii) Due to liquidity crisis in the past, minimum liquid assets @ 15% of Fixed Deposits as per RBI directives has not been maintained by the company. The company has applied to RBI and Company Law Board for exemption from maintaining minimum liquid assets and payment of penal interest but the disposal of the application is still pending. This has been explained in Note 4.4.(g).
- (ix) There is non-provision of NPA's of Rs 274.56 Lacs & Rs 631.43 Lacs respectively towards inter corporate deposits, bills receivable, employee advances and long-term trade receivables as required by Non-Banking Financial Companies Prudential Norms (Reserve Bank). The net profit for the year & current assets are overstated and cumulative net loss is understated to the extent of Rs 905.99 lacs This has been explained in Note 11.2 & Note 12.1.
- (x) The accounts of the company have been prepared on a going concern as on an assumption made by the management that (a) The fresh scheme would be approved by the Hon'ble Delhi High Court, (b) The promoters of the company have provided letter of support, (c) adequate finances and opportunities would be available in the foreseeable future to enable the company to start operating on a profitable basis and (d) injection of Rs. 19.50 crores as promoters quota. This has been explained in Note 28.
- (xi) Balance confirmation of 18 Banks which are restricted and cannot be operated without getting prior approval of the Hon'ble Delhi High Court , Bills Receivable and Payable, advances recoverable relating to lease and hire purchase are not available. The financial impact of this is not ascertainable. This has been explained in Note 14.2, 14.3 & 29 (a).

(xii) Contingent liabilities and Other Commitments

- (a) Punjab & Sind bank has filed a recovery suit before the Debt Recovery Tribunal (DRT) for recovery of Rs. 1217.52 lacs against which the amount payable to them, as per books is Rs. 803.40 lacs. The company contends that the dues of the Bank will be settled as per the fresh restructuring scheme and consequently no provision for the difference of Rs. 414.12 lacs has been made. Since the Company has not made payment of interest & principal in accordance with the Fresh Restructuring Scheme filed with the Hon'ble High Court, Rs 1217.52 became payable to PSB. No provision for the difference of Rs. 414.12 lacs has been made by the Company.
- (b) IndusInd Bank has filed a recovery suit before the Debt Recovery Tribunal (DRT), of Rs. 1042.42 lacs against which the amount payable to them as per books is Rs. 577.00 lacs. The company contends that the dues of the Bank are to be anticipated to be settled as per the fresh restructuring scheme and consequently no provision for the difference of Rs. 465.42 lacs has been made.
- (c) During the year ended 30th June, 2009, the Company had received Rs. 100.00 lacs from one of the Debtors and the balance recoverable from the debtors account was reduced by this amount. Subsequently the Hon'ble Punjab and Haryana Court deemed that payment to be an out of turn payment and asked the company to deposit the amount. The Company had filed a SLP with the Hon'ble Supreme Court of India which has been dismissed by them. The Company is liable to deposit the amount mentioned above which has yet to be deposited.
- (d) There is an award passed by the arbitrator against the company in the matter of MS Shoes East Limited on May 28, 2012 for Rs. 51.28 lacs i.e. claim amount along with interest of Rs. 307 lacs for an underwriting given by the company in the year 1995 for the public issue of M/s MS Shoes East Ltd. The same has been contested by Company before Hon'ble Delhi High Court.

The company contends that the dues of the Bank will be settled as per the fresh restructuring scheme and consequently no provision for the difference of Rs. 414.12 lacs has been made. Since the company has not made payment of interest & principal in accordance with the Fresh Restructuring Scheme filed with the Hon'ble High Court, Rs 1217.52 lacs became payable to PSB. RESTRUCTURING SCHEME

The management for a structured debt repayment had prepared two schemes of arrangement for reorganization of share capital of the company and for compromise with its secured and unsecured creditors. Both the schemes of arrangement envisage a viable, just & equitable settlement with its secured and unsecured creditors while simultaneously increasing the risk and stake of the promoters and their shareholding through fresh infusion of funds by the promoter company.

The company has also moved an application before the Hon'ble Company Law Board, New Delhi on 22nd July 2004 under Regulation 44 of the Company Law Regulations 1991 proposing a fresh repayment schedule to fixed depositors of the Company. The same repayment schedule has been included in the fresh restructuring scheme filed before the Hon'ble High Court of Delhi at New Delhi on 24th September 2004.

The implementation of the schemes is subject to the fulfillment of all the conditions of section 391 to section 394 of the Companies Act and approval/orders of the Hon'ble Delhi High Court. The Hon'ble Delhi High Court did not approve the company's first scheme filed in May 2000, though approved by the secured and unsecured creditors in their respective meetings convened pursuant to the orders of the Hon'ble Court, yet the Hon'ble Court did not accord sanction to the scheme on technical grounds. An application for review had been filed before the Hon'ble Delhi High Court on 30th May 2003, which is yet to be listed for hearing and which is hereinafter, wherever applicable, referred to as the "old scheme under review". The company intends not to pursue the review application filed for the old scheme under review before the Hon'ble Delhi High Court and it is proposed to be withdrawn at an appropriate stage of the proceedings for the sanction of "the fresh scheme".

The company has filed a fresh Scheme of Arrangement for the reorganization of the share capital of the company and for compromise with the secured and unsecured creditors of the company, hereinafter referred to as the "fresh scheme" before the Hon'ble Delhi High Court at New Delhi on 24th September 2004.

Pursuant to the orders of the Hon'ble Delhi High Court, the unsecured creditors and debenture holders in their meeting convened under the Chairpersonship of court appointed chairpersons (retired Judges of Hon'ble Delhi High Court) on 1st April 2005 and 2nd April, 2005 have approved the scheme without any modifications with the requisite majority. The meeting of the other secured creditors (banks/ institutions) was held on 17th September 2005 and has also approved the scheme by the requisite majority after considering some modifications proposed by the Punjab & Sind Bank.

The promoter company has undertaken, subject to sanction of the scheme by the Hon'ble Delhi High Court, to contribute to Rs. 19.50 crores of which Rs. 15.60 crores were deposited with the Registrar of the Hon'ble Delhi High Court Registrar, as per court order by the promoter group, and the balance amount of Rs 3.90 crores has been deposited on 27th April, 2012.

The fresh scheme is conditional upon the following approvals and shall be deemed to be effective on obtaining the last of the approvals and the occurrence of the last of the following events: -

- i. Sanction of the scheme by the Hon'ble High Court of Delhi under Sections 391 and 394 of the Act and other applicable provisions of the Act, Rules and Regulations, as the case may be;
- ii. Filing of certified copies of the order of the Hon'ble High Court of Delhi with the Registrar of Companies (Delhi and Haryana).

The restructured debts of the company for each category of debt is on the basis of outstandings as envisaged in the fresh scheme filed in the year 2004 excluding interest not provided for and all liquidated damages/penal charges and interest on unpaid interest. The "Fresh Scheme of Arrangement" is drawn on the basis of acceptance of waiver of payment of past and future interest, penal charges, liquidated damages, and any other charges, costs and claims etc. except as provided and for values contained therein which is subject to the approval of the Hon'ble Delhi High Court.

The accounts of the company have been drawn on the assumption that the "fresh scheme" will be accepted and implemented. If it is not accepted and cannot be implemented for any reason the total liability before the proposed restructuring scheme including those for which no provision has been made and has been quantified under appropriate heads, shall become payable.

The fresh scheme is pending before the Hon'ble Delhi High Court as at 31st March, 2013 & there is no change in the status at the time of adoption of the financials for the period ended 31st March, 2013 by the Board of Directors.

25. Deposit of Rs 19.50 Crore by DCM Services Limited

DCM Services Ltd as a promoter has committed to bring in Rs 19.50 Cr as a promoter contribution upon sanction of their restructuring scheme u/s 391 of the Indian Companies Act, which is presently pending for sanction before the Hon'able Delhi High Court.

The Court vide order dated 06.05.2008 has asked DCM Services Limited to deposit Rs. 19.50 crores with the Court and pursuant to the court order, They have deposited (Rs 5.00 crores on 16.07.2010, Rs 6.70 crores on 18.11.2010, Rs. 3.90 crores on 21.04.2011 & Rs. 3.90 on 27.04.2012) aggregating to Rs. 19.50 crores on behalf of the promoters with the Registrar, Hon'ble Delhi High Court. No financial impact of this has been recorded in the financials of the company for the period ended 31st March, 2013.

26. INCOME TAX

(a) Deferred Tax Assets

Currently the main source of income of the company constitutes only interest on fixed deposits and rental income. However, against rental income auditors have qualified our independent auditor's report on the basis of non-provisioning of doubtful debts of rent receivable. Moreover income tax demand for previous years was raised by

income tax department against disallowance of brought forward losses and the same is still under dispute. After considering the above mentioned facts and in view of absence of virtual certainty of sufficient taxable income in future no provision for deferred tax has been made.

(b) Tax Provision

The company has not made/retained any provision for income tax during the year since the company has substantial accumulated/ brought forward losses from earlier years.
