NOTES:**1. General Instructions for Accessing And Participating In The AGM through Vc/Oavm Facility And Voting Through Electronic Means Including Remote E-Voting..**

a. In the Ministry of Corporate Affairs (“MCA”) has vide its General Circulars dated 8th April 2020, 13th April 2020, 5th May 2020, 28th September 2020, 31st December 2020, 13th January 2021, 05th May 2022 and 28th December 2022 issued by the Ministry of Corporate Affairs (“MCA”) in relation to “Clarification on holding of annual general meeting (AGM) through video conferencing (VC) or other audio visual means (OAVM)”, (collectively referred to as “MCA Circulars”) permitted the holding of the Annual General Meeting (“AGM”) through VC/OAVM, without the physical presence of the Members at a common venue. In compliance with the MCA Circulars, the AGM of the Company is being held through VC/OAVM. The registered office of the Company shall be deemed to be the venue for the AGM.

b. Pursuant to the Circular No. 14/2020 dated April 08, 2020, issued by the Ministry of Corporate Affairs, the facility to appoint proxy to attend and cast vote for the members is not available for this EGM/AGM. However, the Body Corporates are entitled to appoint authorized representatives to attend the EGM/AGM through VC/OAVM and participate there at and cast their votes through e-voting.

c. Since the AGM will be held through VC/OAVM Facility, the Route Map is not annexed in this Notice.

d. The Members can join the EGM/AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the EGM/AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the EGM/AGM without restriction on account of first come first served basis.

e. The attendance of the Members attending the EGM/AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.

f. Since the physical attendance of Members has been dispensed with in terms of Applicable Circulars, there is no requirement of appointment of proxies. Accordingly, the facility of appointment of proxies by the Members under Section 105 of the Act is not available for this 24th AGM and hence the Proxy Form and Attendance Slip are not annexed hereto. Since the AGM will be held through VC/OAVM, the route map of the venue of the Meeting is not annexed hereto.

g. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the EGM/AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as venue voting on the date of the EGM/AGM will be provided by NSDL. The facility of casting votes by a member using remote e-voting system as well as venue voting on the date of the AGM will be provided by NSDL.

h. Non-Resident Indian members are requested to inform RTA immediately about:

- 1. the change in the residential status on return to India for permanent settlement; and**
- 2. the particulars of the bank account(s) maintained in India with complete name, branch, and account type, account number and address of the bank, if not furnished earlier.**

i. Members are requested to

- 1. Quote their Identification number/ folio number in all correspondence with the Company/ Registrar & Share Transfer Agent (RTA).**
- 2. Notify immediately and change in their address and their mandate, at the Registered Office of the Company / Registrar & Share Transfer Agent (RTA).**

j. The Register of Members and Share Transfer Books of the Company will remain closed from Tuesday, 19th September, 2023 to Monday, 25th September, 2023 (both days inclusive) for the purpose of AGM.

k. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the EGM/AGM has been uploaded on the website of the Company at www.nitiraj.net. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively and the EGM/AGM Notice is also available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. www.evoting.nsdl.com.

In line with the Ministry of corporate Affairs (MCA) Circular No.10/2022 dated December 28,2022

l. EGM/AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 08, 2020 and MCA Circular No. 17/2020 dated April 13, 2020, MCA Circular No. 20/2020 dated May 05, 2020 and MCA Circular No. 2/2021 dated January 13, 2021.

m. Information as required under Regulation 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') and the Secretarial Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI), in respect of the Directors seeking appointment / re-appointment at the AGM is provided under a separate heading, which forms part of this Notice.

2. The company has set Friday, 1st September, 2023 as the Cutoff date for taking record of the shareholders of the company who will be eligible for casting their vote on the resolution to be passed in the ensuring AGM for both E-Voting and Physical mode through Polling Paper

3. The remote e-voting period will commence on Friday, 22nd September, 2023 at 9:00 A.M. and ends on Sunday, 24th September, 2023 at 5:00 P.M.

During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. Monday, 18th September, 2023, may cast their vote electronically. The e-voting module shall be disabled by NSDL for voting thereafter. Once the vote on a resolution is cast by the shareholder, the shareholder shall not be allowed to change it subsequently.

4.The voting rights of shareholders shall be in proportion to their shares of the paid-up equity share capital of the Company as on the cut-off date i.e. Monday, 18th September, 2023.

5.A member may participate in the meeting even after exercising his right to vote through remote e-voting but shall not be allowed to vote again at the meeting.

6.A person, whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on cut-off date only shall be entitled to avail the facility of remote evoting.

7.The Board of Directors has appointed CA Piyush Agrawal, Chartered Accountants (Membership No. 135041) as scrutinizer to scrutinize the voting at the meeting and remote e-voting process in a fair transparent manner.

8.The Scrutinizer shall, immediately after the conclusion of e-voting at Annual General Meeting, download the votes cast at the AGM and thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company. Scrutinizer shall within two working days of conclusion of the meeting submit a consolidated scrutinizer report of the total votes cast in favor or against, if any, to the Chairman or a person authorized by him in writing.

9.The results along with the Scrutinizers Report shall be placed on the website of the Company and on the website of NSDL and also be immediately forwarded to NSE, Mumbai.

10.All the Statutory Registers and Relevant documents referred to in the accompanying Notice and the Statement is open for inspection by the members at the Regd. office of the Company on all working days, during business hours up to the date of the Meeting.

11. Members desiring any information relating to the Accounts are requested to write to the Company well in advance so as to enable management to keep the information ready.

12. The Ministry of Corporate Affairs (MCA), Government of India has introduced 'Green Initiative in Corporate Governance' by allowing paperless compliance by the Companies for service of documents to their Members through electronic mode, which will be in compliance with Section 20 of the Companies Act, 2013 and Rules framed there under.

13. The transfer of Unclaimed Dividend to Investor Education & Protection Fund of the Central Government as required in terms of Section 124 of the Companies Act, 2013, during the current Financial Year is not applicable.

14. SEBI & the Ministry of Corporate Affairs encourage paperless communication as a Contribution to greener environment. Members holding shares in physical mode are requested to register their e-mail ID's with the Bigshare Services Pvt. Ltd., the Registrars & Share Transfer Agents of the Company and Members holding shares in de-mat mode are requested to register their e-mail ID's with their respective Depository Participants (DPs) in case the same is still not registered.

If there is any change in the e-mail ID already registered with the Company, members are requested to immediately notify such change to the Registrars & Share Transfer Agents of the Company in respect of shares held in physical form and to DPs in respect of shares held in electronic form.

15. The Securities and Exchange Board of India has mandated submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in demat form are, therefore, requested to submit PAN details to the Depository Participants with whom they have de-mat accounts.

16. Members are requested to bring their copy of Annual report of the meeting as the same shall not be circulated thereat.

17. Members are requested to intimate their email id at investor@nitiraj.netin order to meet the requirement of green initiatives.

18. Electronic copy of Notice of the AGM along with Annual Report 2022-23 including remote E Voting Instruction, is being sent by electronic mode to those members who is registered as a member as on 1st September, 2023 on their registered E mail ID. For those shareholders whose name stands registered in the register of member as on Friday 1st September, 2023 and who want a physical copy of the same kindly request to the company on investor@nitiraj.net.

19. Shareholders are also informed that voting shall be by E-voting.

THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING AND JOINING GENERAL MEETING ARE AS UNDER:-

The remote e-voting period begins on Friday 22nd September, 2023 at 9:00 A.M. and ends on Sunday 24th September, 2023 at 5:00 P.M. The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e.

18th September, 2023 may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being 18th September, 2023.

How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of “Two Steps” which are mentioned below:

Step 1: Access to NSDL e-Voting system

A) Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode

In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. NSDL and CDSL.

Login type	Helpdesk details
<p>Individual Shareholders holding securities in demat mode with NSDL</p>	<p>Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at toll free no.: 1800 1020 990 and 1800 22 44 30</p>

Individual Shareholders holding securities in demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at 022- 23058738 or 022-23058542-43
--	---

B) Login Method for e-Voting and joining virtual meeting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

How to Log-in to NSDL e-Voting website?

1.Visit the e-Voting website of NSDL. Open web browser by typing the following URL:

<https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.

2.Once the home page of e-Voting system is launched, click on the icon “Login” which is available under ‘Shareholder/Member’ section.

3.A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4.Your User ID details are given below :

Manner of holding shares i.e.Demat (NSDL or CDSL) or Physical	Your User ID is :
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.

b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

5. Password details for shareholders other than Individual shareholders are given below:

a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.

b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the ‘initial password’ which was communicated to you. Once you retrieve your ‘initial password’, you need to enter the ‘initial password’ and the system will force you to change your password.

c) How to retrieve your ‘initial password’?

i) If your email ID is registered in your demat account or with the company, your ‘initial password’ is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your ‘User ID’ and your ‘initial password’.

ii) If your email ID is not registered, please follow steps mentioned below in process for those shareholders whose email ids are not registered.

6. If you are unable to retrieve or have not received the “ Initial password” or have forgotten your password:

a) Click on “Forgot User Details/Password?”(If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.

b) **Physical User Reset Password?"** (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.

c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address etc.

d) **Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.**

7. **After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.**

8. **Now, you will have to click on "Login" button.**

9. **After you click on the "Login" button, Home page of e-Voting will open.**

Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system

How to cast your vote electronically and join General Meeting on NSDL e-Voting system?

1. **After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle and General Meeting is in active status.**

2. **Select "EVEN" of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on "VC/OAVM" link placed under "Join General Meeting".**

3. **Now you are ready for e-Voting as the Voting page opens.**

4. **Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.**

5. **Upon confirmation, the message "Vote cast successfully" will be displayed.**

6. **You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.**

7. **Once you confirm your vote on the resolution, you will not be allowed to modify your vote.**

General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to piyushragrawal@gmail.com with a copy marked to evoting@nsdl.co.in.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the “Forgot User Details/Password?” or “Physical User Reset Password?” option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on toll free no.: 1800 1020 990 and 1800 22 44 30 or send a request to Veena Suvarna at evoting@nsdl.co.in

Process for those shareholders whose email ids are not registered with the depositories for procuring user id and password and registration of e mail ids for e-voting for the resolutions set out in this notice:

1. In case shares are held in physical mode please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) by email to investor@nitiraj.net.
2. Chairman's Letter

Dear Esteemed Shareholders,

I am truly honored to have this opportunity of having gathered together to reflect on our company's progress, discuss our achievements, and outline our future direction. Your presence here is a testament to your support and belief in our vision, and I want to express my sincere gratitude for your continued trust.

Over the past year, we have faced both challenges and triumphs, navigating an ever-evolving business landscape with resilience and determination. Our team has worked tirelessly to not only adapt but also innovate, ensuring that we remain at the forefront of our industry.

I am delighted to present the annual review of Nitiraj Engineers Ltd. for the fiscal year 2022-23. Our total revenue from operations for the financial year ended March 31, 2023, amounted to Rs.46.08 crore, a significant increase from Rs. 39.63 crore in the corresponding period last year, reflecting a commendable growth of 16.28%. This growth trajectory can be attributed to consistent new orders from governmental bodies and a surge in sales across our branch operations and dealership network. This concerted effort culminated in a robust sales recovery.

The EBIDTA (earnings before interest, depreciation, and tax, excluding other income) for the fiscal year ending March 31, 2023, achieved a noteworthy Rs. 3.54 crore, surpassing the Rs. 1.79 crore recorded in the corresponding prior period. This remarkable growth of 98.19% can be largely attributed to the substantial increase in sales volume. The resulting economies of scale played a pivotal role in this substantial increase in EBIDTA. Importantly, our EBITDA margins for FY23 stood at 7.68%.

Aligned with our strategic focus, we remain dedicated to Research and Development (R&D) and continuous innovation. Our robust R&D facility empowers us to pioneer new products based on market feedback and demand. We also enhance product designs that contribute to advanced features. With our current production capacity of more than one lakh scales per year and a customer base exceeding 10 lakhs, we are resolute in promoting our brand "Phoenix" through our extensive sales network, serving customers across India and international markets.

The versatility of our products, catering to diverse sectors such as Jewelers, Banks, NBFCs, Kirana Stores, Homes, Healthcare Centers, Hospitals, Governments, and Transportation, positions us advantageously to mitigate risks stemming from reduced demand in any single sector.

Our distribution network comprises of newly inaugurated branch offices which makes the sum to 20 branches now; and over 400 dealers. Over the past year, we have ventured into the online space to tap into a wider market and cater to online customers. Our digital marketing endeavors have yielded positive outcomes, reflected in an encouraging upswing in online sales. We have also taken efforts to expand our reach to international markets and global expansion.

In FY23, we received orders for

- 1) 10,343 mother and child weighing scales from ICDS Chhattisgarh
- 2) 45,139 Nos. Infant Weighing Scale (Hanging Type) Chhattisgarh from CGMSCL Raipur.
- 3) 2,478 Nos. Infantometer to Z.P Aurangabad
- 4) 7000 Nos. Electronic Weighing Scale to Telangana
- 5) 65,377 Nos. (Infantometer 13751, Stadiometer 19251 Infant Weighing Scale Spring Type 12579 & Mother and Child Weighing Scale 19796) to Madhya Pradesh

I would also like to share that our new unit at Dadra and Nagar Haveli, is now functional. It covers an industrial unit area of approximately 5,000 square feet and complements our existing plant in Dhule, Maharashtra. With market dynamics opening up and demand gaining momentum, Nitiraj Engineers Ltd. is strategically poised to harness fresh opportunities and augment its market footprint.

I want to assure you that every decision we make is rooted in our commitment to delivering long-term value to our shareholders. We are keenly aware of the responsibility we have to you, and we will remain transparent and accountable in our actions. Before I conclude, I would like to extend heartfelt gratitude to every member of the Nitiraj family for their unwavering dedication towards the company. I also extend appreciation to our valued stakeholders whose support remains instrumental in propelling our company's growth and prosperity. As we move forward together, I eagerly anticipate the achievements that we will celebrate together in the coming years.

With warm regards,

Yours sincerely,

Sd/-

During the Financial Year 2022-23, there were four shareholder meeting conducted.

12. Board Evaluation

Pursuant to the provision of the companies Act, 2013, Listing regulation along with other rules and regulation applicable, if any, the company has carried out the annual performance evaluation of its own performance, the director individually as well as the evaluation of the working of its committees, A structured questionnaire was prepared after taking into consideration inputs received from the Directors, covering various aspect of the board functioning such as adequacy of the composition of the board and its committees, board culture, execution and performance of

specific duties, obligation and governance.

A separate exercise was carried out to evaluate the performance of the individual director including the Chairman of the Board, who were evaluated on parameter such as level of engagement and contribution, independence of judgment, Safeguarding interest of the company and its minority shareholders, etc. The performance evolution of Independent Director was carried out by entire board. The performance evolution of the chairman and non-Independent Director was carried out by the Independent Director who also reviewed the performance of the secretarial Department. The Director expresses their satisfaction with the evaluation process.

13. Company Policy On Director's Appointment and Remuneration

The policy of the company on Director's appointment and remuneration including criteria for determining qualification, positive attributes, independence of Director and other matters provided under Sub – section (3) 178, is explained in the corporate governance report.

14. Details Of Remuneration to Directors: -

The remuneration paid to the Directors is in accordance with the recommendations of Nomination and Remuneration Committee formulated in accordance with Section 178 of the Companies Act, 2013 and any other re-enactment(s) for the time being in force. The information relating to remuneration of Directors and details of the ratio of the remuneration of each Director to the median employee's remuneration and other details as required pursuant to section 197(12) of the Act read along with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 is given in **Annexure**.

15. Declaration By Independent Directors: -

All the Independent Directors have given their declaration of Independence stating that they meet the criteria of independence as prescribed under section 149(6) of the Companies Act 2013. Further that the Board is of the opinion that all the independent directors fulfill the criteria as laid down

under the Companies Act 2013 and the SEBI (LODR) Regulations 2015 during the year 2022-23, same is enclosed herewith as Annexure.

16. Separate meeting of independent directors:

As stipulated by the Code of Independent Directors under the Companies Act 2013 a separate meeting of the Independent Directors of the Company was held on Thursday, 24th November, 2022 to review the performance of Non-Independent Directors (including the Chairman) and the entire Board. The Independent Directors also reviewed the quality content and timeliness of the flow of information between the Management and the Board and its Committees which is necessary to effectively and reasonably perform and discharge their duties.

17. Board Independence

Our definition of 'Independence' of Directors is derived from Regulation 16 of SEBI (LODR) Regulations 2015 and Section 149(6) of the Companies Act 2013. The Company is having following independent directors:

Mr. Rajesh Raghunath Bhatwal(ED)	Member
Mrs. Shakuntala Rajesh Bhatwal(ED)	Member

The company has always believed in providing a safe and harassment free workplace for every individual working in premises and always endeavors to create and provide an environment that is free from discrimination and harassment including sexual harassment.

During the year ended 31st March, 2023, the company has not received any complaint pertaining to sexual harassment.

In order to prevent Sexual Harassment of Women at Workplace a new act “The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013” has been notified on 9th December, 2013. Under the said Act every Company is required to set up an Internal Complaints Committee to look into complaints relating to sexual harassment at work place of any women employee.

The Company has adopted “Anti-Sexual Harassment Policy” constituted “Redressed Committee” as required under section 4 (1) of Sexual harassment of women at work place (prevention, prohibition and redressal) Act, 2013. During the year under review, no complaint of harassment at the workplace was received by the Committee.

19. Vigil Mechanism For Directors And Employees :

Your Company is committed to highest standards of ethical, moral and legal business conduct. Accordingly, the Board of Directors has formulated a Whistle Blower Policy which is in compliance with the provisions of Section 177 (9) & (10) of the Companies Act, 2013 read with Rule 7 of Companies (Meetings of Board and its Powers) Rules, 2014 and SEBI (LODR) Regulations, 2015 Employees can raise concerns regarding any discrimination, harassment, victimization, any other unfair practice being adopted against them or any instances of fraud by or against your Company. Any incidents that are reported are investigated and suitable action taken in line with the Whistle Blower Policy.

20. Risk Management Policy

The Company has formulated a Risk Management Policy for dealing with different kinds of risks which it faces in day to day operations of the Company. Risk Management Policy of the Company outlines different kinds of risks and risk mitigating measures to be adopted by the Board. The Company has adequate internal control systems and procedures to combat the risk. The Risk management procedure will be reviewed by the Audit Committee and Board of Directors on time to time basis.

21. Policy On Preservation Of The Documents

The Company has formulated a Policy pursuant to Regulation 9 of the Securities Exchange Board of India (Listing obligations and Disclosure Requirements) Regulations, 2015 (“Regulations”) on Preservation of the Documents to ensure safekeeping of the records and safeguard the Documents from getting manhandled, while at the same time avoiding superfluous inventory of Documents.

22. Policy On Criteria For Determining Materiality Of Events

The Policy is framed in accordance with the requirements of the Regulation 30 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Regulations).

<https://investor.nitiraj.net/wp-content/uploads/sites/319/2022/09/Policy-on-determination-of-Materiality-of-Events.pdf>

The objective of the Policy is to determine materiality of events or information of the Company and to ensure that such information is adequately disseminated in pursuance with the Regulations and to provide an overall governance framework for such determination of materiality.

23. Auditors :

a. Statutory Auditors:-

The Board of Director of the Company had appointed **M/s. SHARP AARTH & CO, LLP** Chartered Accountants, Jalgaon (FRN: 132748W), Statutory Auditors through Postal ballot dated on 16th August 2022.

In this regard, the Company has received certificate from the Auditors to the effect that, if they are appointed, it would be in accordance with the provisions of section 141 of the Companies Act, 2013.

Accordingly, proposal for their re-appointment as Statutory Auditors is being placed before the shareholders for approval at the 24th Annual General Meeting to hold office from Financial Year 2023-24 to 2026-27.

b. Secretarial Auditors:

The Board of Directors, on the recommendation of Audit Committee of the company has appointed **M/s. D. Sagar & Associates**, Aurangabad, Peer Reviewed Firm of Practicing Company Secretaries, having Membership No. F9518 and Certificate Practice No. 11547 as Secretarial Auditors of the Company as per provisions of Section 204 of the Companies Act, 2013 and Rules made there under for the Financial Year 2022-23.

The Secretarial Audit Report in form No MR-3 for the Financial Year 2022-23 form part of the Annual Report, as Annexure to the Board Report.

c. Cost Auditor:

As per the requirement of the Central Government and pursuant to section 148 of the Companies Act, 2013 read with Companies (Cost Records and Audit) Rules 2014 as amended from time to time, the Central Government has not prescribed the maintenance of Cost records under section 148(1) of the Companies Act, 2013, for any of the services rendered by the Company.

d. Internal Auditor

Pursuant to Section 138 of the Companies Act 2013 read with the Companies (Accounts) Rules 2014 (as amended) the Board of Directors on the recommendations of the Audit Committee of the Company has appointed **M/s Agrawal Kucheriya & Company**, Chartered Accountants, as an internal Auditor of the company for FY 2022-23.

The Internal Audit Finding/s and Report/s submitted by the said Internal Auditors during the financial year to the Audit Committee and Board of Directors of the Company do not contain any adverse remarks and qualifications hence do not call for any further explanation/s by the Company.

24. Auditors' Report

Statutory Audit Report:-

M/s. SHARP AARTH & CO, LLP Chartered Accountants, Jalgaon (FRN: 132748W), have issued their Report for the Financial Year ended 31st March 2023. Statutory Auditors not mentioned any Qualification, reservation, adverse remark or disclaimer in their report.

Reply to Adverse Remark Made by Statutory Auditor:

There are no adverse remarks made by the auditor of the company.

25. Related Party Transactions:

All transactions entered into with the related parties, as defined under the Companies Act, 2013, during the financial year, were in the ordinary course of business and on arm's length pricing basis, as per the management representation certificate provided to auditor of the company and do not attract the provisions of Section 188 of the Companies Act, 2013. There are no materially significant transactions with the related parties during the financial year which were in conflict with the interest of the Company and hence, enclosing of form AOC- 2 is required, Suitable disclosure as required by the Accounting Standards (AS 18) has been made in the notes to the Financial Statements.

A policy on the related party transactions was framed & approved by the Board and posted on the Company's website at below link: <https://investor.nitiraj.net/wp-content/uploads/sites/319/2022/09/Related-Party-Transactions-Policy.pdf>

However you may refer to Related Party Transactions as per the Accounting Standards in the Notes forming part of financial statements.

26. Prevention of Insider Trading :

In view of the SEBI (Prohibition of Insider Trading) Regulation 2015 the Company has adopted a Code of Conduct for Prevention of Insider Trading with a view to regulate trading in securities by the Directors and designated employees of the Company. The details of the Insider Trading Policy have posted on the website of the Company.

<https://investor.nitiraj.net/wp-content/uploads/sites/319/2022/09/Policy-of-prevention-of-Insider-Trading.pdf>

The objective of this Code is to protect the interest of shareholders at large, to prevent misuse of

any price sensitive information and to prevent any insider trading activity by dealing in shares of the Company by its Directors, designated employees and other employees. The Company also adopts the concept of Trading Window Closure, to prevent its Directors, Officers, designated employees and other employees from trading in the securities of Nitiraj Engineers Limited at the time when there is unpublished price sensitive information.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

MANAGEMENT DISCUSSION ANALYSIS

Forward looking statement -

The Management Discussion and Analysis of Financial Condition and Results of Operations of the Company may contain statements that are forward-looking within the scope of applicable securities laws and regulations. These forward-looking statements are based on certain assumptions and expectations regarding future events.

The Company cannot guarantee the accuracy or realization of these assumptions and expectations. The Company assumes no obligation to publicly amend, modify, or revise these forward-looking statements based on subsequent developments, information, or events. Actual results may materially differ from the expressed statements. Key factors that could influence the Company's operations encompass changes in government regulations, alterations in tax laws, domestic economic developments, and global considerations.

Financial Statement Preparation and Accounting Standards

The financial statements are prepared under the historical cost convention, utilizing the accrual basis of accounting, and adhere to the provisions of the Companies Act, 2013 (the Act), while complying with the IND-AS Accounting Standards. The management of Nitiraj Engineers Limited has exercised prudent judgment and utilized reasonable estimates while preparing the financial statements. This approach ensures that the financial statements truly and fairly represent the Company's financial condition and profit for the year.

This discussion concerning our financial condition and operational results should be considered in conjunction with our audited consolidated financial statements and the accompanying notes provided in the annual report. Unless context dictates otherwise, all references herein to "we," "us," "our," "the Company," and "Nitiraj" pertain to Nitiraj Engineers Ltd.

ECONOMIC OVERVIEW

Global Industry

The total size of the electronic weighing scale industry can vary depending on the geographic region and market conditions. It encompasses a wide range of manufacturers, suppliers, distributors, and service providers involved in the production and distribution of electronic weighing scales for

industrial applications.

The global market for electronic weighing scales has been experiencing steady growth over the years due to factors such as increasing industrialization, automation in various sectors, and the need for accurate and efficient weighing solutions. The market size is influenced by factors such as demand from industries like manufacturing, logistics, healthcare, and retail, as well as technological advancements and regulatory requirements.

A report by Market Research Future published in 2021 estimated the global electronic weighing scale market to reach a value of approximately USD 4.9 billion by 2027, growing at a compound annual growth rate (CAGR) of around 4.8% during the forecast period from 2021 to 2027.

Market Outlook for Electronic Weighing Scales

The valuation of the electronic weighing scale market share is projected to grow from USD 3.35 Billion in 2017 to USD 4.57 Billion by 2023, with a compounded annual growth rate of 5.54% over the assessment period. This growth is driven by the performance of various segments within the electronic weighing scale market. Notably, the tabletop scales segment is expected to be the fastest-growing, contributing significantly to the overall market expansion. This segment's growth is attributed to its lightweight nature, cost-effectiveness, and user-friendly operation.

Electronic Weighing Scales: Definition and Applications

An electronic weighing scale is a device utilized to measure the weight of diverse objects, spanning from delicate feathers to substantial loaded trucks. The device measures weight and subsequently presents it in electronic format. These measurements are then displayed on an LCD screen after undergoing proper processing. The applications of electronic weighing machines extend across various sectors, encompassing retail, jewelry, laboratory, healthcare, and diverse industrial domains.

The advantages associated with electronic weighing scales include their compactness, ability to measure multiple loads, precision, and real-time processing and delivery of data. These weighing scales offer notable benefits compared to traditional iron weights or spring balances, providing enhanced convenience and accuracy in measurement.

In the context of our annual report, it's essential to acknowledge the dynamic nature of the market in which the Company operates. The projected growth and evolving preferences within the electronic weighing scale market underscore the need for us to stay adaptable and innovative in order to capitalize on emerging opportunities. Our strategic positioning and commitment to quality and innovation uniquely position us to benefit from the growth trends in this market.

Top of Form

Electronic Weighing Scale Market Dynamics

Drivers:

The growth of the electronic weighing scale market is driven by several key factors. Firstly, the escalating trend towards industrial automation serves as a significant catalyst for market expansion. Secondly, the expanding utilization of electronic weighing scales in retail and jewelry establishments contributes to market growth. Additionally, the increasing economic activities and the critical need for precise weighing processes further boost the demand for electronic weighing scales. The market benefits from attributes like precision, reliability, portability, and durability, all of which enhance sales and subsequently fuel industry growth. Technological advancements in the sector empower consumers to make informed purchasing decisions based on feature and price comparisons, further driving the expansion of the electronic weighing scale market.

Restraints:

While electronic weighing machines offer numerous advantages over traditional alternatives such as TOLAS or spring balances, their higher cost presents a notable restraint to market growth. Moreover, these machines require a constant power source for operation and lack backup power options like batteries or cells. This operational dependency on power availability could limit market growth. Maintenance and servicing of electronic weighing scales at regular intervals incur high costs, acting as another deterrent to the growth of the market.

Technology Analysis:

The sector is witnessing a surge in innovation. Leading market players are introducing machines that enable users to get weighing data seamlessly over WiFi or by other means, so that it can be processed further. Manufacturers are also striving to develop machines with built-in batteries, similar to mobile phones, allowing industrial weighing scales to function properly during office hours without continuous electricity supply. Advancements are being made to create lighter and more portable versions of larger weight scales.

Regional Market Movement:

The electronic weighing scale industry is prominently active across six major global regions: North America, South America, Asia Pacific, Europe, and the Middle East & Africa. Among these, North America is poised to dominate the market due to increasing demand for automated electronic measuring devices across industries and the presence of skilled technical experts. Europe is also set to experience substantial growth, given the concentration of major market players within the region. The Asia Pacific region is expected to witness significant expansion, buoyed by cost-effective raw material availability, especially in countries like India, China, and Japan.

In the context of our annual report, these market dynamics underscore the exciting opportunities

and challenges within the electronic weighing scale industry. Our strategic positioning and adaptability remain crucial as we navigate these evolving trends to further enhance our company's performance and growth.

Global Electronic Weighing Scale Industry Overview:

The electronic weighing scale industry has been witnessing steady growth globally due to the increasing demand for accurate and efficient measurement solutions across various sectors. The industry caters to diverse applications, including retail, industrial, healthcare, logistics, and more. With technological advancements and the push for automation, electronic weighing scales have become indispensable tools for ensuring precision in weight measurement.

Key Factors Driving the Global Market:

Industrial Automation: The trend towards automation in industries has propelled the demand for electronic weighing scales, especially in manufacturing, logistics, and transportation, where accurate weight measurements are crucial for efficiency and compliance.

Retail and Commercial Sectors: In the retail and commercial sectors, electronic weighing scales play a pivotal role in ensuring accurate pricing and weight measurement of products, contributing to customer satisfaction and regulatory compliance.

Healthcare and Laboratory Applications: Electronic weighing scales are extensively used in healthcare settings for patient monitoring, medication dosing, and laboratory measurements due to their accuracy and ease of use.

Advancements in Technology: Technological innovations have led to the development of sophisticated electronic weighing scales with features like connectivity, data recording, and integration with other systems, enhancing their utility across various industries.

Indian Electronic Weighing Scale Industry Overview:

In India, the electronic weighing scale industry has shown substantial growth driven by economic development, urbanization, and increasing consumer awareness about accurate measurements. The industry is characterized by a mix of local manufacturers and global players offering a range of products to meet diverse market needs.

Key Factors Impacting the Indian Market:

Retail Expansion: India's burgeoning retail sector, coupled with the implementation of Goods and Services Tax (GST), has boosted the demand for electronic weighing scales to ensure proper billing and compliance with regulations.

Manufacturing and Logistics: With the 'Make in India' initiative and a focus on enhancing manufacturing capabilities, electronic weighing scales are crucial for quality control, inventory management, and logistics.

Healthcare and Agriculture: In India, electronic weighing scales find applications in healthcare facilities, agriculture markets, and food production to ensure accurate measurements and fair trade practices.

Government Regulations: Government regulations related to measurement standards and consumer protection drive the adoption of certified electronic weighing scales in various sectors.

In both the global and Indian contexts, the electronic weighing scale industry is poised for continued growth due to technological advancements, industrialization, and the need for accuracy in measurements across diverse applications. The industry's future will likely see further integration with digital systems, connectivity, and data analytics to enhance its utility and value proposition.

Indian Manufacturing Sector

The manufacturing sector has emerged as a high-growth area in India, propelled by initiatives such as the 'Make in India' program led by Prime Minister Shri. Narendra Modi. This initiative seeks to establish India as a global manufacturing hub, creating worldwide recognition for the Indian economy.

India possesses the potential to become a significant contributor to the global economy, potentially adding over US\$ 500 billion annually by the year 2030.

Child Development Initiatives

Addressing pediatric malnutrition has been a persistent national concern. The Government of India (GOI) has launched various vertical health programs over the years, but they have not consistently reached the intended beneficiaries. In 1974, India formulated a comprehensive national policy for children. This policy led to the establishment of the Integrated Child Development Services (ICDS) scheme – a prestigious national human resource development program.

Launched on October 2, 1975, in 33 blocks (4 rural, 18 urban, 11 tribal), the ICDS scheme has progressively expanded over 25 years. Currently, it encompasses 5614 projects (5103 central, 511 state) covering more than 5300 community development blocks and 300 urban slums. The program benefits over 60 million children under 6 years old, more than 10 million women aged 16 to 44, and 2 million lactating mothers. ICDS coverage includes approximately 70 million individuals, around 7% of India's total population. The scheme's primary focus remains rural areas, encompassing over 75% of the nation's population, while also prioritizing urban slums.

About Nitiraj Engineers Ltd

Established in 1989, Nitiraj Engineers Ltd. stands as a prominent manufacturer within the electronic weighing scale industry. The company's diverse product portfolio encompasses Electronic Weighing Scales and Systems, Currency Counting Machines, Security & Automation Products, and Electronic Fare Meters. These offerings cater to both industrial and domestic sectors and are thoughtfully categorized based on their applications and utilities, spanning Industrial, Commercial, Jewellery, Healthcare, Household, and Automobile segments.

Specializations and Initiatives:

Nitiraj Engineers Ltd. supplies its machines to various state governments as part of the Child Growth Monitoring Systems (CGMS) program. These advanced machines incorporate cutting-edge technology support, facilitating data collection, plotting, management information systems (MIS), and information dissemination.

State-of-the-Art Manufacturing Facility:

The company's new manufacturing facility, located in Dhule, Maharashtra, is a sophisticated and state-of-the-art establishment. This facility is dedicated to continuous research, stringent quality control, and consistent production. It boasts the capacity to manufacture around six lakh scales annually.

Distribution and Brand Identity:

Under the brand name 'PHOENIX,' Nitiraj Engineers Ltd. distributes its products through a well-connected network of 20 branches spanning the states of Chhattisgarh, Maharashtra, Odisha, Gujarat and Telangana. Additionally, the company collaborates with approximately 400 dealers across India and abroad. This widespread reach ensures effective accessibility and service to customers.

Quality and Certifications:

The company places a strong emphasis on quality, holding an ISO 9001:2015 certification. With over one million customers, Nitiraj Engineers Ltd. consistently caters to the evolving needs of its clientele. The company's adept team of qualified and experienced engineers, equipped with modern facilities, is dedicated to designing and developing cutting-edge electronic hardware and software.

Research and Development:

Nitiraj Engineers Ltd. boasts a well-equipped Research & Development Department, situated at its corporate office in Dhule, Maharashtra. This department plays a pivotal role in driving innovation, enabling the company to stay at the forefront of technological advancements and industry trends.

Incorporating these key facets, Nitiraj Engineers Ltd. maintains its commitment to excellence and innovation within the electronic weighing scale industry, aligning with its mission to provide high-quality solutions to its diverse customer base.

FINANCIAL OVERVIEW –

The Company's consolidated performance for the financial year ended March 31st, 2023, is outlined below:

Total Revenue and Sales:

Total revenue from operations amounted to Rs. 46.08 crore for the year ending March 31, 2023, compared to Rs. 39.63 crore for the corresponding previous period, signifying an increase of 16.28%. This growth can be attributed to a consistent influx of new orders from the Government, as well as an upsurge in sales from both branch operations and dealerships. These factors collectively contributed to the recovery in sales.

EBIDTA and Profitability:

The EBIDTA (earnings before interest, depreciation, and tax, excluding other income) reached Rs. 3.54 crore for the fiscal year ending March 31, 2023, in contrast to Rs. 1.79 crore in the corresponding previous period. This represents an impressive growth of 98.19%. The significant boost in sales volume played a pivotal role in achieving economies of scale, leading to this remarkable increase in EBIDTA. Notably, the EBITDA margins for FY23 stood at 7.68%.

Net Profit and Margin:

The Net Profit for the year FY23 was negative Rs. 0.12 crore, compared to the negative Rs. 3.59 crore in FY22, indicating a year-on-year decrease in losses by a substantial 96.68%. It's worth mentioning that the exceptional loss incurred during FY22, stemming from the complete shutdown of the Parwanoo unit, had a significant impact on the profitability. Consequently, the Net Profit margin for FY23 was negative 0.8%.

Earnings Per Share (EPS):

The Earnings Per Share (EPS) for the period stood at negative Rs. 0.36.

These financial results collectively underscore the Company's steadfast commitment to growth and resilience, even in the face of challenging circumstances. The strategic influx of orders, enhanced sales channels, and improved economies of scale have all contributed to a notable improvement in key financial metrics. The Company remains dedicated to optimizing its operations and enhancing its financial health in the coming years.

RESOURCES AND LIQUIDITY

As of March 31, 2023, the consolidated net worth of the Company stood at Rs. 67.58 crore. Furthermore, the cash and cash equivalents at the close of March 31, 2023, amounted to Rs. 0.29 crore.

Segment-wise Business Performance

The Company operates across five expansive segments, namely:

- ✓ Electronic Weighing Scales and Systems
- ✓ Electronic Currency Counting Machines and
- ✓ Digital Fare Meters
- ✓ Home & Hotel Automation
- ✓ Mechanical Scales

This diversified product portfolio is tailored to serve an array of sectors, encompassing:

- ✓ Industrial Range
- ✓ Commercial Range
- ✓ Jewellery Range
- ✓ Healthcare Range
- ✓ Household Range
- ✓ Automobile Range
- ✓ Home and Hotel

Through this strategic segmentation, the Company effectively addresses the distinct needs of each sector, demonstrating its adaptability and commitment to providing comprehensive solutions across multiple domains.

As on March 31, 2023, the consolidated net worth stood at Rs. 67.58 crore

The cash and cash equivalents at the end of March 31, 2023 were Rs. 0.29 crore

Revenue share of five broad segments are stated below:

Name and Description of main products / services	Proportion of the Company
Electronic Weighing Scales & Systems	84.89 %
Electronic Currency Counting Machines	3.63 %
Home & Hotel Automation	0.21 %
Mechanical Scales	10.51 %
EMFR Balances	0.76 %

RISKS AND CONCERNS

Just like any business venture, the Company encounters both internal and external risks in its day-to-day operations and its pursuit of long-term objectives. The Company has developed a comprehensive policy and conducts dedicated risk workshops for each business vertical and key support functions. These workshops facilitate the identification, assessment, analysis, and appropriate mitigation of risks to a level acceptable within the organization's risk appetite. Regular reviews of the risk registers are also conducted.

The Company is confronted by the following Risks and Concerns:

Credit Risk

To effectively manage credit exposure, Nitiraj has formulated a credit policy complete with credit limit request and approval procedures. The Company conducts thorough research on the financial health and potential of clients prior to engaging in project bids. A meticulous and timely approach is maintained to ensure payments are collected in accordance with schedules. The Company has streamlined its processes to establish a focused and assertive receivables management system, ensuring prompt collections.

Interest Rate Risk

The Company has prudently managed its debt-equity ratio by employing a combination of loans and internal cash accruals. Skillful management of working capital has also been employed to minimize overall interest costs.

Competition Risk

Inherent in various industries, this risk arises due to increased market players vying for a share. While competition is a norm, Nitiraj has effectively differentiated itself through exceptional project execution, superior quality, and on-time delivery. Technological investments and continuous workforce development keep the Company ahead of the curve. The presence of a strong, steadfast client base consisting of both large and mid-sized corporations further enhances the Company's resilience to this risk. The Company counteracts this challenge through superior infrastructure,

customer-centricity, customized solutions, competitive pricing, rigorous project execution, prudent resource management, and stringent cost controls. As a result, substantial impact from this risk is not anticipated.

Input Cost Risk

Fluctuations in raw material prices, power availability, and other input costs could potentially impact our profitability and cost efficiency. Risks of significant nature, such as raw material price volatility and power supply reliability, demand meticulous monitoring.

Liability Risk

This pertains to potential liabilities stemming from equipment damage, harm to life, and third-party concerns that could adversely affect the Company's operations. The Company addresses this risk by means of contractual obligations and comprehensive insurance coverage.

OPPORTUNITIES

Considerable potential lies in marketing specialized weighing scales for Infant and Childcare programs managed by Aanganwadis and other Government institutions.

The burgeoning retail and logistics sectors present heightened demand for weighing scale systems. Increasing automation preferences within the financial sector offer growth prospects for currency counting and detection machines.

THREATS

Competition from both local and multinational players.

Risk related to successful project execution.

Evolving regulatory landscape.

Fluctuations in input costs.

Challenges in attracting and retaining skilled human capital.

Rapid technological advancements.

The Company remains committed to proactively managing these risks and capitalizing on opportunities to ensure sustainable growth and value creation.

INTERNAL CONTROL SYSTEMS AND ADEQUACY

The Company has meticulously established and implemented comprehensive internal control systems to ensure the safeguarding of assets against unauthorized use or disposition. These systems also ensure the proper authorization, recording, and accurate reporting of all transactions. The Company has further introduced effective mechanisms to achieve the highest level of operational

efficiency, thereby optimizing resource utilization. This encompasses diligent monitoring and compliance with all legal provisions, including the Companies Act, 2013, Listing Agreement, directives from the Securities and Exchange Board of India, labor laws, tax laws, and more. These systems also strive for enhanced financial management and improved investment policies. A crucial outcome of these efforts is the promotion of appropriate information flow to facilitate effective monitoring. The internal audit system, complemented by a competent and independent Audit Committee of the Board of Directors, ensures the formulation and implementation of corporate policies across financial reporting, accounting, information security, project appraisal, and corporate governance. This collective approach underscores the commitment to achieving superior overall performance and operational excellence.

HUMAN RESOURCES

The Company's HR philosophy is rooted in the establishment of a high-performing organization, wherein every individual is driven to reach their maximum potential. This drive is geared towards both individual excellence and the attainment of departmental objectives, all while consistently enhancing performance to fully harness the potential of our personnel. As of March 31, 2023, the Company provides direct employment to 259 dedicated employees, in addition to 128 contractual employees. The Company maintains a harmonious and satisfactory industrial relations environment, ensuring positive interactions and collaborations between stakeholders.

OUTLOOK

The electronic weighing scale industry is currently experiencing robust growth, primarily driven by the pervasive automation trend across various sectors. As companies increasingly adopt automation practices, electronic weighing scales have gained preference due to their accuracy and efficiency in measurement processes.

We are delighted to highlight that the Company has been the recipient of several government subsidies. These subsidies are poised to contribute significantly to our profitability, fortifying our financial position. Additionally, a noteworthy achievement this year has been the establishment of a new manufacturing unit at Dadra and Nagar Haveli. This unit, spanning approximately 5,000 square feet, marks a positive stride forward in our operational capabilities.

Our strategic focus remains keenly directed towards our new analytical weighing balances. We are committed to enhancing awareness and driving sales through our expansive dealer and branch network. This concerted effort aligns with our objectives and positions us to attain our predetermined targets.

In conclusion, we look forward to leveraging the momentum gained from industry growth, government support, enhanced manufacturing capabilities, and strategic product focus to further elevate our Company's performance. We are confident in our ability to navigate challenges and seize opportunities, thereby contributing to our continued success and growth in the upcoming periods.

FORM NO. MR-3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED MARCH 31st, 2023

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

TO,
THE MEMBERS,
NITIRAJ ENGINEERS LIMITED
306 A BABHA BLDGN M MARG
NEAR POLICE STATION MUMBAI
MH 400011 IN

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **NITIRAJ ENGINEERS LIMITED (CIN: L31909MH1999PLC119231)** (hereinafter called "**The Company**"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of Company's books, papers, registers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on March 31st, 2023 complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31st, 2023 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made thereunder;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- iii. The Depositories Act, 1996 and the Regulations and Bye-law framed there under;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment and Overseas Direct Investment; (No specific transactions was found during the reporting period, to which the above guideline shall be applicable.)

- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
- The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; *(No specific transactions were found during the reporting period, to which the above guideline shall applicable.)*
 - The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015; *(No specific transactions were found during the reporting period, to which the above guideline shall applicable.)*
 - The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; *(No specific transactions were found during the reporting period, to which the above guideline shall applicable.)*
 - The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; *(No specific transactions were found during the reporting period, to which the above guideline shall applicable.)*
 - The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; *(No specific transactions were found during the reporting period, to which the above guideline shall applicable.)*
 - The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client. *(Specific compliances with respect to the regulations were adhered to by the company during the reporting period.)*
 - The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; *(No specific transactions were found during the reporting period, to which the above guideline shall applicable.)*
 - The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998. *(No specific transactions were found during the reporting period, to which the above guideline shall applicable.)*
 - Other laws applicable to the Company as per the representations made by the Management.
- The Secretarial Standards issued by the Institute of Company Secretaries of India.
 - Listing agreement as entered into by the company with the National stock exchange to the extent of the listing of the equity securities of the company.

During the period under review the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above except to the extent as mentioned below:

1. The company during the reporting period has filed a few e-forms including Form MGT-14, Form AOC-4(XBRL), Form AOC-5, Form ADT-1 and Form MGT-7 with additional fees. Therefore, it has to be treated as compliance after the due date along with payment of additional fees.
2. The company is not able to identify the MSME vendors and outstanding dues of MSME vendors are for more than 45 days. Accordingly, Company has not filed Form MSME-1 in regarding outstanding payments to MSME vendors. The information has been given in respect of such vendors to the extent they could be identified as "Micro and Small" enterprises on the basis of information available with the Group.
3. As per Regulation 36(5) of SEBI (Listing obligations and Disclosure Requirement) Regulations, 2015 which mandates the disclosures about remuneration to auditor and basis of recommendation in the case of appointment/ re-appointment of statutory auditor in the notice of Annual General meeting. It has been observed that company had not disclosed same information in Notice. Up to that extent there is Non-compliance of regulation 36(5) of SEBI (Listing obligations and Disclosure Requirement) Regulations, 2015.
4. We also adhere the "*remarks or observations*" as pointed out by the statutory Auditor in his report and the company in financial statements as on date 31.03.2023.

I further report that

- a) The Board of Directors of the Company is duly constituted with proper balance of Executive Directors and Non-Executive Directors. There are no changes in the composition of the Board of Directors that took place during the period under review.
- b) Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance or shorter notice with the consent of all the director or members as the case may be and a system exists for seeking and obtaining further information and clarification on the agenda items before the meeting and for meaningful participation at the meeting.
- c) Majority decision is carried through while the dissenting members' views are not captured and recorded as part of the minutes.
- d) I further report that there is scope to improve the systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period there were no specific events / actions having a major bearing on the company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. referred to above.

Independent Auditor's Report

To
The Members,
Nitiraj Engineers Limited,
Mumbai

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone financial statements of **Nitiraj Engineers Limited** ("*the Company*") which comprises the standalone Balance Sheet as at March 31, 2023, the Standalone Statement of Profit and Loss (including other comprehensive income), Standalone statement of changes in equity and Standalone statement of cash flows for the year then ended, and notes to the Standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and Profit & Loss, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period.

These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon.

1) Testing, measurement & derecognition of investment in associate:

Key audit matter	How the matter was addressed in our audit
As disclosed in notes to the standalone financial statements, The audit of the testing and impairment of the investment in the associate, which includes the stake sold and the fair valuation of the remaining balance holding through Other Comprehensive Income (OCI), was identified as a key audit matter due to the complexity of judgment involved in impairment testing and the substantial carrying value of the investment.	<ul style="list-style-type: none"> • Impairment Assessment: Reviewing the company's impairment testing process, evaluating criteria used, and assessing management's judgments. • Sale Transaction Review: Examining terms of the sold stake to ensure proper recognition and derecognition in line with accounting standards. • Fair Valuation through OCI: Scrutinizing fair valuation methodologies used for the remaining balance holding accounted through Other Comprehensive Income. • Disclosure Validation: Verifying accuracy and transparency of financial statement disclosures on impairment, sale, and valuation.

2) Recognition and measurement of Deferred tax assets

Key audit matter	How the matter was addressed in our audit
As disclosed in notes to the standalone financial statements, the company has recognised deferred tax asset during the year. Recognition and measurement of such deferred tax assets has been identified as a key audit matter because the assessment process involves significant judgement regarding the forecasts of future income tax. The assessment process is based on assumptions affected by expected future market or economic conditions.	<p>In respect of deferred tax assets, we assessed recognition and measurement by performing the following procedures:</p> <ul style="list-style-type: none"> • Evaluating the design, implementation and operating effectiveness of the relevant internal controls over recognition and measurement of deferred tax assets and underlying data; • Obtaining the approved business plans, projected profitability statements; • Challenging the assumptions used regarding future business plans and taxable profit in light of fiscal developments, current economic environment and prior performance in determining the recoverability of business losses recognized within the period available under applicable Income tax laws; • Performing sensitivity analysis • Testing the computation of amounts recognized as deferred tax assets on business losses; • Focusing on the disclosures on deferred tax asset and assumptions used.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Board's Report including Annexures to the Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information. We are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted

in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has an adequate internal financial controls system with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1) As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give (in the Annexure A) a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2) As required by Section 143(3) of the Act, based on our Audit we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

(c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss including other comprehensive income, Standalone statement of changes in Equity and the Standalone Cash Flow Statement dealt with by this Report are in agreement with the books of account.

(d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.

(e) On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors are disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

(g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 read with schedule v of the Act.

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. As explained to us, company does not have any pending litigations which would impact its financial position;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.;
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company
- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

Annexure A to the Independent Auditors Report

The Annexure referred to in our Independent Auditors' Report to the members of Nitiraj Engineers Limited on the standalone financial statements for the year ended 31st March, 2023, we report that:

- (i) (a) (A) In our opinion the Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right to-us- assets.
- (B) The Company has maintained proper records showing full particulars of Intangible assets.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a program of physical verification of Property, Plant and Equipment and right-of-use assets so to cover all the assets once every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us the title deeds of the Immovable properties are held in the name of the company.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company. The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) As explained to us the inventory has been physically verified by the management during the year at reasonable intervals. In our opinion the frequency of such verification is reasonable. No material discrepancies noticed on physical verification of inventories as compared to the book record that were more than 10% in the aggregate of each class of inventory.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the Company after reconciliation with such banks are in agreement with the books of account of the Company.
- (iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not provided any security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnership or any other parties during the year. The Company has made investments in, granted unsecured loan other parties in

respect of which the requisite information is provided in clause (a) to (f) as below to the extent applicable.

- (a) Based on the audit procedures carried on by us and as per the information and explanations given to us, the Company has granted unsecured loan as below:

Particulars	Amount (in Rs. lacs)
Aggregate amount during the year	
- Loans to Employees	49.12
Balance outstanding as at balance sheet date	
- Loans to Employees	27.01

- (b) According to the information and explanations given to us and based on the audit procedures conducted by us, in our opinion the investments made, the terms and conditions of the grant of loans and guarantees provided during the year are, prima facie, not prejudicial to the interest of the Company.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in the case of loans given, in our opinion the repayment of principal and payment of interest has been stipulated and the repayments or receipts have been regular. Further, the Company has not given any advance in the nature of loan to any party during the year.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no overdue amount for more than ninety days in respect of loans given. Further, the Company has not given any advances in the nature of loans to any party during the year.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no loan or advance in the nature of loan granted falling due during the year, which has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to same parties.
- (f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment.
- (iv) In our opinion and according to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not granted loans, as specified under Section 185 of the Act during the year. The Company has complied with the provisions of Section 186 of the Act, in respect of loans granted to the parties covered under Section 186 of the Act. The Company has not provided any guarantees or security to the parties covered under Section 186 of the Act.
- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable to the Company.
- (vi) The maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause (vi) of the

Order is not applicable to the Company.

- (vii) (a) According to the information and explanations given to us, the Company is generally regular in depositing with appropriate authorities undisputed statutory dues including Provident fund, Income-tax, Goods and Services tax, Duty of Custom, Duty of Excise, and Other Statutory Dues applicable to it. And no undisputed amounts payable in respect of Provident fund, Income-tax, Goods and Service tax, Duty of custom, Duty of excise, Cess and Other Statutory Dues were outstanding, at the year end, for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no dues of GST, Provident fund, Income-tax, Duty of Customs, Cess or other statutory dues which have not been deposited by the Company on account of disputes.
- (viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income-tax Act, 1961 as income during the year.
- (ix)(a) According to the information and explanations given to us, the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us, the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) According to the information and explanations given to us by the management, the Company has not obtained any term loans during the year. Accordingly, clause 3(ix)(c) of the Order is not applicable.
- (d) According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(e) of the Order is not applicable.
- (g) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(f) of the Order is not applicable
- (x) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.

- (xi) (a) Based on examination of the books and records of the Company and according to the information and explanations given to us, considering the principles of materiality outlined in Standards on Auditing, we report that no fraud by the Company or on the Company has been noticed or reported during the course of the audit.
- (b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Companies Act, 2013 has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the management, there are no whistle blower complaints received by the company during the year.
- (xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Sections 177 and 188 of the Companies Act, 2013, where applicable, and the details of the related party transactions have been disclosed in the standalone financial statements as required by the applicable Indian Accounting Standards.
- (xiv)(a) Based on information and explanations provided to us, in our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- (xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) In our opinion and according to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable.
- (b) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(b) of the Order is not applicable.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.
- (d) According to the information and explanations provided to us during the course of audit, the Group does not have any CIC. Accordingly, the requirements of clause 3(xvi)(d) are not applicable
- (xvii) The Company has not incurred cash losses in the current and in the immediately preceding financial year.
- (xviii) There has been resignation of the statutory auditors during the year and we have

taken into consideration the issues, objections or concerns raised by the outgoing auditors.

- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) In our opinion and according to the information and explanations given to us, Section 135 of the Act is not applicable. Accordingly, clause 3(xx) of the Order is not applicable.

Annexure “B” to the Independent Auditors Report

Report on the Internal Financial Controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of section 143 of the Companies Act, 2013 (“the Act”)

Opinion

We have audited the internal financial controls over financial reporting of Nitiraj Engineers Limited as of 31st March, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting with reference to these Standalone Financial Statements and such internal financial controls over financial reporting with reference to these Standalone Financial Statements were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”).

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls with reference to standalone financial statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting with reference to standalone financial statements included obtaining an understanding of internal financial controls over

financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to standalone financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control with reference to standalone financial statements over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over with reference to standalone financial statements financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to standalone financial statements over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to standalone financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedure may deteriorate.

NITIRAJ ENGINEERS LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH

1 Corporate Information

The financial statements comprise financial statements of Nitiraj Engineers Limited for the year ended March 31, 2023. The company is a public company domiciled in India and is incorporated on April 1, 1999 under the provisions of the Companies Act applicable in India. Its shares are listed on NSE in India. The registered office of the company is located at 306 A Babha Building, M Marg, near police station, Mumbai 400011.

The company is engaged in manufacturing and selling of a variety of Electronic Weighing Scales, Currency Counting Machines, Taxi Fare Meters etc.

The company launched its Initial Public Offer of equity shares during the FY 2016-17 and got listed on the NSE Emerge [SME] Exchange. Company migrated from SME Platform (EMERGE) and admitted to dealings on the National Stock Exchange (Capital Market Segment - Main Board) with effect from April 22, 2021.

The financial statements were authorised for issue in accordance with a resolution of the directors on May 30, 2023.

2 Significant Accounting Policies

2.1 Basis of preparation

The financial statements of the company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015(as amended).

The financial statements have been prepared on a historical cost basis, except for the certain financial assets, investments etc which have been measured at fair value.

The Balance Sheet, Statement of Profit and Loss, Statement of Changes in equity and Cash Flow Statement are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Company's presentation and functional currency is Indian Rupees (INR) and all values are rounded off to the nearest lakhs (INR 00,000), except when otherwise indicated.

2.2 Summary of significant accounting policies

(a) Foreign currency translation

(i) Functional and presentation currency

Items included in the financial statements of the entity are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is entity's functional and presentation currency.

NITIRAJ ENGINEERS LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in profit or loss.

(b) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade allowances, rebates, value added taxes and amounts collected on behalf of third parties. The company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the company's activities as described below. The company bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

Recognising revenue from major business activities

(i) Revenue from contracts with customers:

Revenue from contract with customers is recognized upon transfer of control of promised goods or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those goods or services. Performance obligations are satisfied at the point of time when the customer obtains the controls of the goods. Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, returns and value added tax. Transaction price is recognized based on the price specified in the contract. Revenue excludes taxes collected from customers.

(ii) Sale of services

Revenue from sale of services is in nature of job work on customer product which normally takes 1–10 days for completion and accordingly revenue is recognised when products are sent to customer on which job work is completed.

(iii) Dividend income

Revenue is recognised when the company's right to receive the payment is established, which is generally when shareholders approve the dividend.

(iv) Interest income

For all debt instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses. Interest income is included in other income in the statement of profit and loss.

NITIRAJ ENGINEERS LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH

(c) Government Grants

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the company will comply with all attached conditions. Government grants relating to income are deferred and recognised in the profit or loss over the period necessary to match them with the costs that they are intended to compensate and presented within other income.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to profit or loss on a straight-line basis over the expected lives of the related assets and presented within other income.

(d) Taxes

(i) Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the company operates and generates taxable income.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

(ii) Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss
- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except:

NITIRAJ ENGINEERS LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH

- When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss

- In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

(e) Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

(i) As a lessee

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term. Right-of-use assets are tested for impairment whenever there is an indication that their carrying value may not be recoverable. Impairment loss, if any is recognized in the statement of profit and loss.

NITIRAJ ENGINEERS LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH

The lease liability is measured at amortized cost, at the present value of the future lease payments. The lease payments are discounted using the Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less. The Company recognises the lease payments associated with these leases as an expense over the lease term.

(ii) As a lessor

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

Lease income from operating leases where the company is a lessor is recognised in income on a straight-line basis over the lease term. The respective leased assets are included in the balance sheet based on their nature.

(f) Impairment of non financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

NITIRAJ ENGINEERS LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH

The Company bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Company's CGUs to which the individual assets are allocated. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year. To estimate cash flow projections beyond periods covered by the most recent budgets/forecasts, the Company extrapolates cash flow projections in the budget using a steady or declining growth rate for subsequent years, unless an increasing rate can be justified. In any case, this growth rate does not exceed the long-term average growth rate for the products, industries, or country or countries in which the entity operates, or for the market in which the asset is used.

Impairment losses including impairment on inventories, are recognised in the statement of profit and loss, except for properties previously revalued with the revaluation surplus taken to OCI. For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation surplus.

Impairment is determined for goodwill by assessing the recoverable amount of each CGU (or group of CGUs) to which the goodwill relates. When the recoverable amount of the CGU is less than its carrying amount, an impairment loss is recognised. Impairment losses relating to goodwill cannot be reversed in future periods.

(g) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

(h) Inventories

Inventories are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

Raw materials: Raw materials and components, stores and spares and loose tools are valued at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Costs are determined on weighted average basis.

Work in progress and Finished goods: Work-in-progress and finished goods are valued at lower of cost and net realisable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity. Cost of work-in-progress and finished goods are determined on a weighted average basis.

NITIRAJ ENGINEERS LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

(i) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income (FVTOCI)

(1) Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables.

(2) Debt instrument at FVTOCI

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- (a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- (b) The asset's contractual cash flows represent SPPI.

NITIRAJ ENGINEERS LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the group recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the P&L. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to P&L. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

(3) Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The company has not designated any debt instrument as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

(4) Equity investments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL. For all other equity instruments, the company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The company makes such election on an instrument by- instrument basis. The classification is made on initial recognition and is irrevocable.

If the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

Interest in associate is carried at cost.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

NITIRAJ ENGINEERS LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH

- The rights to receive cash flows from the asset have expired, or
- The company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the company has transferred substantially all the risks and rewards of the asset, or (b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the company could be required to repay.

Impairment of financial assets

The company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 38 details how the company determines whether there has been a significant increase in credit risk.

For trade receivables only, the company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

(ii) Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

(1) Financial liabilities at fair value through profit or loss

NITIRAJ ENGINEERS LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to P&L. However, the company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss. The company has not designated any financial liability as at fair value through profit and loss.

(2) Loans and borrowings

This is the category most relevant to the company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

(iii) Reclassification of financial assets

The company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The company's senior management determines change in the business model as a result of external or internal changes which are significant to the company's operations. Such changes are evident to external parties. A change in the business model occurs when the company either begins or ceases to perform an activity that is significant to its operations. If the company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

NITIRAJ ENGINEERS LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH

(iv) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

(j) Property, plant and equipment

Property, plant and equipment are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss (if any). Internally manufactured property, plant and equipment are capitalised at cost, including GST for which credit is not available, wherever applicable. All significant costs relating to the acquisition and installation of property, plant and equipment are capitalised. Such cost includes the cost of replacing part of the property, plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Transition to Ind AS

On transition to Ind AS, the company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at April 1, 2020 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the written down value method to allocate their cost, net of their residual values, over their estimated useful lives or, in the case of certain leased furniture, fittings and equipment, the shorter lease term as follows:

Freehold buildings	25-40 years
Machinery	10-15 years
Furniture, fittings and equipment	03-08 years

The property, plant and equipment acquired under finance leases is depreciated over the asset's useful life or over the shorter of the asset's useful life and the lease term if there is no reasonable certainty that the company will obtain ownership at the end of the lease term.

NITIRAJ ENGINEERS LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH

The useful lives have been determined based on technical evaluation done by the management's expert which are higher than those specified by Schedule II to the Companies Act; 2013, in order to reflect the actual usage of the assets. The residual values are not more than 5% of the original cost of the asset.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).

(k) Investment properties

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognised.

Investment properties are depreciated using the straight-line method over their estimated useful lives. Investment properties generally have a useful life of 25-40 years. The useful life has been determined based on technical evaluation performed by the management's expert.

(l) Intangible assets

Computer software

Costs associated with maintaining software programmes are recognised as an expense as incurred. Development costs that are directly attributable to the design and testing of identifiable and unique software products controlled by the company are recognised as intangible assets when the following criteria are met:

- it is technically feasible to complete the software so that it will be available for use
- management intends to complete the software and use or sell it
- there is an ability to use or sell the software
- it can be demonstrated how the software will generate probable future economic benefits
- adequate technical, financial and other resources to complete the development and to use or sell the software are available, and
- the expenditure attributable to the software during its development can be reliably measured.

Directly attributable costs that are capitalised as part of the software include employee costs and an appropriate portion of relevant overheads.

Capitalised development costs are recorded as intangible assets and amortised from the point at which the asset is available for use.

NITIRAJ ENGINEERS LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH

Research and development

Research costs are expensed as incurred. Development expenditures on an individual project are recognized

as an intangible asset when the Company can demonstrate:

- The technical feasibility of completing the intangible asset so that the asset will be available for use or sale
- Its intention to complete and its ability and intention to use or sell the asset
- How the asset will generate future economic benefits
- The availability of resources to complete the asset
- The ability to measure reliably the expenditure during development

Following initial recognition of the development expenditure as an asset, the asset is carried at cost less

any accumulated amortisation and accumulated impairment losses. Amortisation of the asset begins when

development is complete and the asset is available for use. It is amortised over the period of expected future benefit. Amortisation expense is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset. During the period of development, the asset is tested for impairment annually.

Revenue expenditure is charged to the Statement of Profit and Loss and Capital Expenditure is added to the cost of Property, Plant and Equipment in the year in which it is incurred. The company is pursuing development of new technologies and has capitalised the expenditure incurred on the Research and Development. Research expenditure and development expenditure that do not meet the criteria specified above are recognised as an expense as incurred. Development costs previously recognised as an expense are not recognised as an asset in a subsequent period.

Amortisation methods and periods

The Company amortises intangible assets with a finite useful life using the written down value method over the following periods:

Computer software	10 years
Capitalised development expenditure	30 years

Transition to Ind AS

On transition to Ind AS, the company has elected to continue with the carrying value of all of intangible assets recognised as at April 1, 2020 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

(m) Trade and other payables

These amounts represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 45 - 60 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

NITIRAJ ENGINEERS LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH

(n) Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Other borrowing costs are expensed in the period in which they are incurred.

(o) Provisions

General

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

(p) Employee benefits

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(ii) Other long-term employee benefit obligations

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

NITIRAJ ENGINEERS LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH

(iii) Post-employment obligations

The company operates the following post-employment schemes:

- (a) defined benefit plans such as gratuity, pension, post-employment medical plans; and
- (b) defined contribution plans such as provident fund.

Gratuity obligations

The liability or asset recognised in the balance sheet in respect of defined benefit pension and gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The benefits which are denominated in currency other than INR, the cash flows are discounted using market yields determined by reference to high-quality corporate bonds that are denominated in the currency in which the benefits will be paid, and that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Post-employment medical obligations

Company provide post-retirement healthcare benefits to their retirees. The entitlement to these benefits is usually conditional on the employee remaining in service up to retirement age and the completion of a minimum service period. The expected costs of these benefits are accrued over the period of employment using the same accounting methodology as used for defined benefit plans. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited in other comprehensive income in the period in which they arise.

Defined contribution plans

The company pays provident fund contributions to publicly administered provident funds as per local regulations. The company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

NITIRAJ ENGINEERS LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH

(vi) Termination benefits

Termination benefits are payable when employment is terminated by the company before the normal retirement date, or when an employee accepts voluntary redundancy in exchange for these benefits. The company recognises termination benefits at the earlier of the following dates: (a) when the company can no longer withdraw the offer of those benefits; and (b) when the entity recognises costs for a restructuring that is within the scope of Ind AS 37 and involves the payment of terminations benefits. In the case of an offer made to encourage voluntary redundancy, the termination benefits are measured based on the number of employees expected to accept the offer. Benefits falling due more than 12 months after the end of the reporting period are discounted to present value.

(q) Dividends

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

(r) Earnings per share

Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares

Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

(s) Current/non current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

NITIRAJ ENGINEERS LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH

The company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The company has identified twelve months as its operating cycle.

(t) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The board of directors of Nitiraj Engineers Limited has appointed a strategic steering committee which assesses the financial performance and position of the company, and makes strategic decisions. The steering committee, which has been identified as being the chief operating decision maker, consists of the chief executive officer, the chief financial officer and the manager for corporate planning.

(u) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakh as per the requirement of Schedule III, unless otherwise stated.

3 Significant accounting judgements, estimates and assumptions

In the application of the Company's accounting policies, which are described in Note 2, the management of the Company are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Critical judgements in applying accounting policies

The following are the critical judgements, apart from those involving estimations, that the directors have made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in the financial statements.

(i) Useful lives of property, plant and equipment

Management reviews the useful lives of property, plant and equipment at least once a year. Such lives are dependent upon an assessment of both the technical lives of the assets and also their likely economic lives based on various internal and external factors including relative efficiency and operating costs. Accordingly, depreciable lives are reviewed annually using the best information available to the Management.

NITIRAJ ENGINEERS LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH

(ii) Impairment of non financial assets

Determining whether the asset is impaired requires an estimation of the value in use of the cash-generating units to which asset/goodwill has been allocated. The value in use calculation requires the Company to estimate the future cash flows expected to arise from the cash-generating unit and a suitable discount rate in order to calculate present value. Where the actual future cash flows are less than expected, a material impairment loss may arise.

(iii) Valuation of deferred tax assets

The Company reviews the carrying amount of deferred tax assets at the end of each reporting period.

(iv) Provisions and Contingent liabilities

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each Balance sheet date and adjusted to reflect the current best estimates.

Reconciliation of Fair Value:

Particulars	(Amount in INR Lakhs)
Opening Balance as at April 1, 2021	291.08
Fair Value Difference	1.93
Purchases	-
Balance as at March 31, 2022	293.00
Fair Value Difference	-
Purchases	-
Closing balance as at March 31, 2023	293.00

The Company has not obtained independent valuations for its investment properties during the year. The best evidence of fair value is current prices in an active market for similar properties.

The main inputs used are the rental growth rates, expected vacancy rates, terminal yields and discount rates based on comparable transactions and industry data.

Generally, a change in the assumption made for the estimated rental value is accompanied by:

- A directionally similar change in the rent growth per annum and discount rate (and exit yield)
- An opposite change in the long term vacancy rate

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

33. EMPLOYEE BENEFIT OBLIGATIONS

(Amount in INR Lakhs)

	March 31, 2023			March 31, 2022		
	Current	Non Current	Total	Current	Non Current	Total
Leave obligations	0.37	5.09	5.46	0.79	5.35	6.14
Gratuity	33.19	68.19	101.39	31.44	57.11	88.55
Total Employee Benefit Obligation	33.57	73.28	106.85	32.23	62.46	94.69

(i) Leave Obligations

The leave obligations cover the company's liability for sick and earned leave.

The amount of the provision of INR 0.37 Lakhs (March 31, 2022: 0.79 lakhs) is presented as current, since the company does not have an unconditional right to defer settlement for any of these obligations.

(ii) Post Employment obligations

a) Gratuity

The company provides for gratuity for employees in india as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of five years are eligible for gratuity. The amount of gratuity payable on retirement/ termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied by number of years of service.

The gratuity plan is an unfunded plan and the company makes contributions to recognised funds in India. The company does not fully fund the liability and maintains a target level of funding to be maintained over a period of time based on estimations of expected gratuity payments.

The significant actuarial assumptions were as follows:

	March 31, 2023	March 31, 2022
Discount rate	7.25%	7.25%
Expected return on plan assets	-	-
Salary growth rate	5.00%	5.00%
Normal retirement age	58 Years	58 Years

A quantitative sensitivity analysis for significant assumption is shown below:

Assumptions	Discount rate		Withdrawal rate		Salary growth rate	
	1% increase	1% decrease	1% increase	1% decrease	1% increase	1% decrease
March 31, 2023						
Impact on defined benefit obligation	5.30	6.09	0.78	0.90	6.16	5.45
% Impact	5%	6%	1%	1%	6%	5%
March 31, 2022						
Impact on defined benefit obligation	5.56	6.85	6.29	5.97	6.86	5.54
% Impact	10%	11%	2%	3%	12%	10%

The sensitivity analysis above have been determined based on a method that extrapolates the impact on defined beenfit obligation as a result of reasonable changes in key assumptions occurring at the end of the reporting period.

NITIRAJ ENGINEERS LIMITED**NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023**

The following payments are expected contributions to the defined benefit plan in future years:

(Amount in INR Lakhs)

	March 31, 2023	March 31, 2022
Within the next 12 months	33.19	31.44
Between 2 and 5 years	23.51	15.56
Beyond 5 years	44.69	41.55
Total expected payments	101.39	88.55

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

(Amount in INR Lakhs)

36. SEGMENT REPORTING

An operating segment is one whose operating results are regularly reviewed by the entity's chief operating decision maker to make decisions about resources to be allocated to the segment and assess its performance. The Company is engaged in manufacturing and selling of electronic equipments which constitute a single reportable segment in the context of Ind AS 108 on "Segment reporting".

A. Information about geographical areas

Revenue from external customers

The company is domiciled in India. The amount of its revenue from external customers broken down by location of the customers is shown in the table below:

	March 31, 2023	March 31, 2022
India	4,588.36	3,928.32
Outside India	19.59	34.31
Total	4,607.95	3,962.63

For F.Y. 2021-22, Revenue from Director Social Welfare Jharkhand amounted to INR 468.71 which exceeded 10% of total revenue for F.Y. 2021-22.

37. FAIR VALUE MEASUREMENTS
i. Financial Instruments by Category
(Amount in INR Lakhs)

Particulars	Carrying Amount		Fair Value	
	March 31, 2023	March 31, 2022	March 31, 2023	March 31, 2022
FINANCIAL ASSETS				
Amortised cost				
Trade Receivables	652.06	824.75	652.06	824.75
Loans	27.01	98.91	27.01	98.91
Cash and Cash Equivalents	28.98	27.02	28.98	27.02
Other Bank Balances	56.50	54.20	56.50	54.20
Other Financial Assets	78.44	124.94	78.44	124.94
Investment in Government Securities	1.04	1.04	1.04	1.04

Investment in Equity Instruments	0.07	0.07	0.07	0.07
Investment in Gold	51.73	44.74	51.73	44.74
FVTOCI				
Investment in Equity Instruments	95.68	-	95.68	-
Total	991.51	1,175.67	991.51	1,175.67

FINANCIAL LIABILITIES				
Amortised cost				
Borrowings	298.54	371.47	298.54	371.47
Lease liabilities	20.57	26.37	20.57	26.37
Trade Payables	259.61	98.97	259.61	98.97
Other financial liabilities	80.84	169.65	80.84	169.65
Total	659.56	666.46	659.56	666.46

The management assessed that the fair value of cash and cash equivalent, trade receivables, trade payables, security deposit and other current financial assets and liabilities approximate their carrying amounts largely due to the short term maturities of these instruments.

The fair values of non current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

ii. Fair Value Hierarchy
Assets and liabilities measured at fair value

Assets and liabilities measured at fair value								
Particulars	March 31, 2023			Total	March 31, 2022			Total
	Fair value measurement using				Fair value measurement using			
	Quoted prices in active markets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)		Quoted prices in active markets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	
Financial Assets								
Financial Investments at FVTPL								
Quoted equity shares	0.07	-	-	0.07	0.07	-	-	0.07
Gold	51.73	-	-	51.73	44.74	-	-	44.74
Financial Investments at FVTOCI								
Unquoted equity shares	-	-	95.68	95.68	-	-	-	-
Total Financial Assets	51.80	-	95.68	147.48	44.81	-	-	44.81

There have been no transfers among Level 1, Level 2 and Level 3 during the period

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes mutual funds that have quoted price. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the counter derivatives) is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities included in level 3.

iii. Valuation technique used to determine fair value

Specific Valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis

NITIRAJ ENGINEERS LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

38. FINANCIAL RISK MANAGEMENT

The Company has a well-defined risk management framework. The Board of Directors of the Company has adopted a Risk Management Policy. The Company has exposure to the following risks arising from financial instruments:

- Credit risk ;
- Liquidity risk ; and
- Market risk

(i) Credit risk

Credit risk is the risk that a customer or counterparty to a financial instrument will fail to perform or fail to pay amounts due causing financial loss to the company. The potential activities where credit risks may arise include from cash and cash equivalents, derivative financial instruments and security deposits or other deposits and principally from credit exposures to customers relating to outstanding receivables. The maximum credit exposure associated with financial assets is equal to the carrying amount. Details of the credit risk specific to the company along with relevant mitigation procedures adopted have been enumerated below:

Trade and other receivables

The Company's exposure to credit Risk is the exposure that Company has on account of services rendered to a contractual counterparty or counterparties, whether with collateral or otherwise for which the contracted consideration is yet to be received. The Company's customer base are Industrial and Commercial.

Services are generally subject to security deposit and/or bank guarantee clauses to ensure that in the event of non-payment the company's receivables are not affected. The Company provides for allowance for impairment that represents its estimate of expected losses in respect of trade and other receivables.

The Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix.

Refer note 9 for ageing of trade receivables.

The above receivables which are past due but not impaired are assessed on case-to-case basis. The instances pertain to third party customers which have a proven creditworthiness record. Management is of the view that these financial assets are not impaired as there has not been any adverse change in credit quality and are envisaged as recoverable based on the historical payment behavior and extensive analysis of customer credit risk, including underlying customers' credit ratings, if they are available. Consequently, no additional provision has been created on account of expected credit loss on the receivables. There are no other classes of financial assets that are past due but not impaired. The provision for impairment of trade receivables, movement of which has been provided below, is not significant / material. The concentration of credit risk is limited due to fact that the customer base is large and unrelated.

NITIRAJ ENGINEERS LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

Movements in Provision for Doubtful Allowance:

(Amount in INR Lakhs)

Particulars	As at 31-Mar-23	As at 31-Mar-22
Balance at the beginning of the year	17.31	19.35
Movements in allowance:		
Additional provision	(5.05)	(2.04)
Closing balance	12.25	17.31

Other financial assets

Other financial assets includes loan to employees, security deposits, investments, cash and cash equivalents, other bank balance, derivative asset, advances to employees etc.

- Cash and cash equivalents and Bank deposits are placed with banks having good reputation and past track record with adequate credit rating.
- Investments are made in credit worthy companies.
- Company has given security deposit to various purposes and management believes that the Company does not have exposure to any credit risk.
- Loan and advances to employees are majorly secured against the salary and hence the Company does not have exposure to any credit risk.

(iii) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are proposed to be settled by delivering cash or other financial asset. The Company's financial planning has ensured, as far as possible, that there is sufficient liquidity to meet the liabilities whenever due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. The Company has practiced financial diligence and syndicated adequate liquidity in all business scenarios.

Further, the Company has also tied-up additional sources of liquidity to meet the liabilities during the respective annual years which has ensured that the Company has a clean track record with no adverse events pertaining to liquidity risk.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

(Amount in INR Lakhs)

March 31, 2023	Carrying	Contractual maturities		
		Total	Less than 12 months	More than 12 months

Trade payables	98.97	98.97	98.97	-
Total	666.46	668.73	657.27	11.46

(iv) Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments.

Currency risk

The functional currency of the Company is Indian Rupees. The Company do not have derivative financial instruments. The Company is not exposed to foreign currency risk.

Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates. The company is not materially exposed to interest rate risk.

NITIRAJ ENGINEERS LIMITED**NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023****39. CAPITAL MANAGEMENT**

The Company defines capital as total equity including issued equity capital, share premium and all other equity reserves attributable to equity holders of the Company (which is the Company's net asset value). The primary objective of the Company's financial framework is to support the pursuit of value growth for shareholders, while ensuring a secure financial base.

The Company monitors capital using a ratio of 'adjusted net debt' to 'adjusted equity'. For this purpose, adjusted net debt is defined as total interest-bearing loans and borrowings less cash and bank balances. Total equity comprises all components of equity.

	(Amount in INR Lakhs)	
	March 31, 2023	March 31, 2022
Borrowings	298.54	371.47
Less: cash and cash equivalents	(28.98)	(27.02)
Less: Other bank balance	(56.50)	(54.20)

NITIRAJ ENGINEERS LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

47. RECENT ACCOUNTING PRONOUNCEMENT

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Rules, 2015 by issuing the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from April 1, 2023, as below:

Ind AS 1 – Presentation of Financial Statements

The amendments require companies to disclose their material accounting policies rather than their significant accounting policies. Accounting policy information, together with other information, is material when it can reasonably be expected to influence decisions of primary users of general purpose financial statements. The Company does not expect this amendment to have any significant impact in its financial statements.

Ind AS 12 – Income Taxes

The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences. The Company is evaluating the impact, if any, in its financial statements.

Ind AS 8 – Accounting Policies, Changes in Accounting

Estimates and Errors The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are "monetary amounts in financial statements that are subject to measurement uncertainty". Entities develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty. The Company does not expect this amendment to have any significant impact in its financial statements

48. Previous year figures have been regrouped/ rearranged, wherever considered necessary to confirm to current year's

Independent Auditor's Report

To
The Members,
Nitiraj Engineers Limited,
Mumbai

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Nitiraj Engineers Limited** (hereinafter referred to as the 'Holding Company') and its Associate **Hyper Drive Information Technologies Private Limited** (Holding Company and its Associate together referred to as "the Group"), which comprise the consolidated Balance Sheet as at March 31, 2023, and the consolidated statement of Profit and Loss (including other comprehensive income), consolidated statement of changes in equity and the consolidated cash flows statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their consolidated state of affairs of the Group as at March 31, 2023, of consolidated loss and other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the Code of Ethics issued by ICAI, and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Companies Act, 2013. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon,

1) Testing, measurement & derecognition of investment in associate:

Key audit matter	How the matter was addressed in our audit
As disclosed in notes to the consolidated financial statements, The audit of the testing and impairment of the investment in the associate, which includes the stake sold and the fair valuation of the remaining balance holding through Other Comprehensive Income (OCI), was identified as a key audit matter due to the complexity of judgment involved in impairment testing and the substantial carrying value of the investment.	<ul style="list-style-type: none"> • Impairment Assessment: Reviewing the company's impairment testing process, evaluating criteria used, and assessing management's judgments. • Sale Transaction Review: Examining terms of the sold stake to ensure proper recognition and derecognition in line with accounting standards. • Fair Valuation through OCI: Scrutinizing fair valuation methodologies used for the remaining balance holding accounted through Other Comprehensive Income. • Disclosure Validation: Verifying accuracy and transparency of financial statement disclosures on impairment, sale, and valuation.

2) Recognition and measurement of Deferred tax assets

Key audit matter	How the matter was addressed in our audit
<p>As disclosed in notes to the consolidated financial statements. The company has recognised deferred tax asset during the year.</p> <p>Recognition and measurement of such deferred tax assets has been identified as a key audit matter because the assessment process involves significant judgement regarding the forecasts of future income tax. The assessment process is based on assumptions affected by expected future market or economic conditions.</p>	<p>In respect of deferred tax assets, we assessed recognition and measurement by performing the following procedures:</p> <ul style="list-style-type: none"> • Evaluating the design, implementation and operating effectiveness of the relevant internal controls over recognition and measurement of deferred tax assets and underlying data; • Obtaining the approved business plans, projected profitability statements; • Challenging the assumptions used regarding future business plans and taxable profit in light of fiscal developments, current economic environment and prior performance in determining the recoverability of business losses recognized within the period available under applicable Income tax laws; • Performing sensitivity analysis • Testing the computation of amounts recognized as deferred tax assets on business losses; • Focusing on the disclosures on deferred tax asset and assumptions used.

Information Other than the Financial Statements and Auditor's Report thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements, our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated state of affairs, consolidated profit & other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of each company.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its Associate companies which are companies incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial statements of such entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in the section titled "Other Matters" in this audit report

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The consolidated financial statements include the unaudited financial statements of the following Associate company whose financial statements / financial information have not been audited by us. This financial statements / financial information is unaudited and have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of the associates, is based solely on such unaudited financial statements / financial information.

(Amount in lacs)

Sr. No.	Name of the Associate	Period ended up to 24 th February 2023 (Before consolidation) (also Refer SAP 2.2. c)		
		Total Revenue	Profit after Tax	Net Assets
1	Hyper Drive Information Technologies Private Limited	424.17	(18.81)	550.79
	Total	424.17	(18.81)	550.79

Our opinion on the consolidated financial statements is not modified in respect of the above matters with respect to our reliance on the financial statements / financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

- 1) As required by paragraph 3(xxi) of the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act in respect of Holding company whose accounts are audited by us, the Company did not include any unfavourable answers or qualifications or adverse remarks. In respect of the associate company "Hyper Drive Information Technologies Private Limited" the CARO report relating to it has not been received by us for the cut off period 24th February 2023.
- 2) (A) As required by Section 143(3) of the Act, based on our Audit, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), and the consolidated statement of changes in equity, the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2023 taken on record by the Board of Directors of the Holding Company and the reports of Associate companies incorporated in India, none of the directors of Group company incorporated in India are disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.

(f) With respect to the adequacy of internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure A".

(B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. There were no pending litigations which would impact the consolidated financial position of the Group.
- ii. The Group, did not have any material foreseeable losses on long-term contracts including derivative contracts.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company, and its Associate companies incorporated in India.

a. The management has represented that, to the best of its knowledge and belief, as disclosed in notes to the consolidated financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company incorporated in India to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:

- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Holding Company incorporated in India or
- provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

b. The management has represented, that, to the best of its knowledge and belief, as disclosed in notes to the consolidated financial statements, no funds have been received by the Holding Company incorporated in India from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company incorporated in India shall:

- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Parties or
- provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries.

(C) With respect to the matter to be included in the Auditors' report under Section 197(16) of the Act:

In our opinion and according to the information and explanation given to us, the remuneration paid during the current year by the Holding Company and its Associate which are incorporated in India to its directors is in accordance with the provisions of

Section 197 of the Act read with schedule V. The remuneration paid to any director by the Holding Company and its Associate which are incorporated in India, is not in excess of the limit laid down under Section 197 of the Act read with schedule V. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

Annexure "A" to the Independent Auditors Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2023, we have audited the internal financial controls with reference to consolidated financial statements of Nitiraj Engineers Limited (hereinafter referred to as the "Holding Company") being the only company in the group to which requirement of the Companies Act, 2013 ("the Act") are applicable.

In our opinion, the Holding Company has in all material respects, an adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at 31st March, 2023, based on the internal financial controls with reference to consolidated financial statements criteria established by the Company considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. (the "Guidance Note")

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its Associate, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Holding Company and its Associate, which are companies incorporated in India, internal financial controls over financial reporting with reference to these Consolidated Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, both, issued by Institute of Chartered Accountants of India, and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these Consolidated Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether

due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting with reference to these Consolidated Financial Statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting with reference to these Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the consolidated preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisation of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Consolidated financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting with reference to these Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these Consolidated Financial Statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

1 Corporate Information

The financial statements comprise consolidated financial statements of Nitiraj Engineers Limited (Parent) and its associate ('Group') for the year ended March 31, 2023. The parent company is a public company domiciled in India and is incorporated on April 1, 1999 under the provisions of the Companies Act applicable in India. Its shares are listed on NSE. The registered office of the company is located at 306 A Babha Building, M Marg, near police station, Mumbai 400011.

The Parent company is engaged in manufacturing and selling of a variety of Electronic Weighing Scales, Currency Counting Machines, Taxi Fare Meters etc.

The associate entity is engaged into software development, software solutions, IT consulting services and IT enabled services etc.

The parent company launched its Initial Public Offer of equity shares during the FY 2016-17 and got listed on the NSE Emerge [SME] Exchange. Company migrated from SME Platform (EMERGE) and admitted to dealings on the National Stock Exchange (Capital Market Segment - Main Board) with effect from April 22, 2021.

The financial statements were authorised for issue in accordance with a resolution of the directors on May 30, 2023.

2 Significant Accounting Policies

2.1 Basis of preparation

The consolidated financial statements of the group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015(as amended).

The financial statements have been prepared on a historical cost basis, except for the certain financial assets, investments etc which have been measured at fair value.

The Consolidated Balance Sheet, Consolidated Statement of Profit and Loss, Consolidated Statement of Changes in equity and Consolidated Cash Flow Statement are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The disclosure requirements with respect to items in the Consolidated Balance Sheet and Consolidated Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Group's presentation and functional currency is Indian Rupees (INR) and all values are rounded off to the nearest lakhs (INR 00,000), except when otherwise indicated.

NITIRAJ ENGINEERS LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

2.2 Principles of consolidation and equity accounting

The Group does not have a subsidiary

a) Associates

Associates are all entities over which the group has significant influence but not control or joint control. This is generally the case where the group holds between 20% and 50% of the voting rights. Investments in associates are accounted for using the equity method of accounting (see below), after initially being recognised at cost.

b) Equity method

Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the group's share of the post-acquisition profits or losses of the investee in profit and loss, and the group's share of other comprehensive income of the investee in other comprehensive income. Dividends received or receivable from associates and joint ventures are recognised as a reduction in the carrying amount of the investment.

Where the group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealised gains on transactions between the group and its associates and joint ventures are eliminated to the extent of the group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the group.

The carrying amount of equity accounted investments are tested for impairment in accordance with the policy described below.

c) Sale of Associate Stake:

When the holding company sells its stake in an associate, and as of the sale date, the associate ceases to be an associate, and any significant influence is lost. The investment in the associate is derecognized from the consolidated financial statements. Any gain or loss arising from the sale is recognized in the consolidated income statement.

On February 24, 2023, the parent company divested a portion of its ownership stake in "Hyper Drive Information Technologies Private Limited" (HDITPL), resulting in HDITPL no longer being considered an associate of the company.

d) Calculation of Profit Share:

The profit share from the associate is calculated up to the date of the sale of the stake. The investor's share of the associate's profit or loss up to the date of sale is recognized in the consolidated income statement. This calculation is based on the equity method principles.

e) Presentation in Consolidated Income Statement:

In the consolidated income statement, the profit or loss from the associate is presented separately as a line item to reflect the investor's share of the associate's financial performance up to the date of sale.

f) Presentation in Consolidated Balance Sheet:

As of the date of sale of the associate stake, the carrying value of the investment in the associate is removed from the consolidated balance sheet. Any related accumulated equity adjustments are also removed. The resulting gain or loss from the sale is reported in the consolidated income statement.

NITIRAJ ENGINEERS LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

2.3 Summary of significant accounting policies

(a) Foreign currency translation

(i) Functional and presentation currency

Items included in the financial statements of the entity are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is entity's functional and presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in profit or loss.

(b) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade allowances, rebates, value added taxes and amounts collected on behalf of third parties. The Group recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the Group's activities as described below. The Group bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

Recognising revenue from major business activities

(i) Revenue from contracts with customers:

Revenue from contract with customers is recognized upon transfer of control of promised goods or services to customers in an amount that reflects the consideration which the Group expects to receive in exchange for those goods or services. Performance obligations are satisfied at the point of time when the customer obtains the controls of the goods. Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, returns and value added tax. Transaction price is recognized based on the price specified in the contract. Revenue excludes taxes collected from customers.

(ii) Sale of services

Revenue from sale of services is in nature of job work on customer product which normally takes 1–10 days for completion and accordingly revenue is recognised when products are sent to customer on which job work is completed.

NITIRAJ ENGINEERS LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

(iii) Dividend income

Revenue is recognised when the Group's right to receive the payment is established, which is generally when shareholders approve the dividend.

(iv) Interest income

For all debt instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses. Interest income is included in other income in the statement of profit and loss.

(c) Government Grants

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Group will comply with all attached conditions. Government grants relating to income are deferred and recognised in the profit or loss over the period necessary to match them with the costs that they are intended to compensate and presented within other income.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to profit or loss on a straight-line basis over the expected lives of the related assets and presented within other income.

(d) Taxes

(i) Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Group operates and generates taxable income.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

(ii) Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

NITIRAJ ENGINEERS LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss
- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except:

- When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss
- In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

(e) Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

NITIRAJ ENGINEERS LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

(i) As a lessee

The Group recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term. Right-of-use assets are tested for impairment whenever there is an indication that their carrying value may not be recoverable. Impairment loss, if any is recognized in the statement of profit and loss.

The lease liability is measured at amortized cost, at the present value of the future lease payments. The lease payments are discounted using the Group's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Group's estimate of the amount expected to be payable under a residual value guarantee, or if the Group changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Group has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less. The Group recognises the lease payments associated with these leases as an expense over the lease term.

(ii) As a lessor

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Group to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Group's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

Lease income from operating leases where the Group is a lessor is recognised in income on a straight-line basis over the lease term. The respective leased assets are included in the balance sheet based on their nature.

(f) Impairment of non financial assets

The Group assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

NITIRAJ ENGINEERS LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

The Group bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Group's CGUs to which the individual assets are allocated. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year. To estimate cash flow projections beyond periods covered by the most recent budgets/forecasts, the Group extrapolates cash flow projections in the budget using a steady or declining growth rate for subsequent years, unless an increasing rate can be justified. In any case, this growth rate does not exceed the long-term average growth rate for the products, industries, or country or countries in which the entity operates, or for the market in which the asset is used.

Impairment losses including impairment on inventories, are recognised in the statement of profit and loss, except for properties previously revalued with the revaluation surplus taken to OCI. For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation surplus.

Impairment is determined for goodwill by assessing the recoverable amount of each CGU (or group of CGUs) to which the goodwill relates. When the recoverable amount of the CGU is less than its carrying amount, an impairment loss is recognised. Impairment losses relating to goodwill cannot be reversed in future periods.

(g) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Group's cash management.

(h) Inventories

Inventories are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

Raw materials: Raw materials and components, stores and spares and loose tools are valued at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Costs are determined on weighted average basis.

Work in progress and Finished goods: Work-in-progress and finished goods are valued at lower of cost and net realisable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity. Cost of work-in-progress and finished goods are determined on a weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

(i) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

NITIRAJ ENGINEERS LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

(i) Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Group commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income (FVTOCI)

(1) Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Group. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables.

(2) Debt instrument at FVTOCI

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- (a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- (b) The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the group recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the P&L. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to P&L. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

(3) Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the Group may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The Group has not designated any debt instrument as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

NITIRAJ ENGINEERS LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

(4) Equity investments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL. For all other equity instruments, the Group may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Group makes such election on an instrument by- instrument basis. The classification is made on initial recognition and is irrevocable.

If the Group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Group may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

Interest in associate is carried at cost.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Group's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Group has transferred substantially all the risks and rewards of the asset, or (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Group continues to recognise the transferred asset to the extent of the Group's continuing involvement. In that case, the Group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Group could be required to repay.

Impairment of financial assets

The Group assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 38 details how the Group determines whether there has been a significant increase in credit risk.

For trade receivables only, the Group applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

(ii) Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Group's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

NITIRAJ ENGINEERS LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

(1) Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to P&L. However, the Group may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss. The Group has not designated any financial liability as at fair value through profit and loss.

(2) Loans and borrowings

This is the category most relevant to the Group. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

(iii) Reclassification of financial assets

The Group determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Group's senior management determines change in the business model as a result of external or internal changes which are significant to the Group's operations. Such changes are evident to external parties. A change in the business model occurs when the Group either begins or ceases to perform an activity that is significant to its operations. If the Group reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Group does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

(iv) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

NITIRAJ ENGINEERS LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

(j) Property, plant and equipment

Property, plant and equipment are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss (if any). Internally manufactured property, plant and equipment are capitalised at cost, including GST for which credit is not available, wherever applicable. All significant costs relating to the acquisition and installation of property, plant and equipment are capitalised. Such cost includes the cost of replacing part of the property, plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Group depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Transition to Ind AS

On transition to Ind AS, the Group has elected to continue with the carrying value of all of its property, plant and equipment recognised as at April 1, 2020 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the written down value method to allocate their cost, net of their residual values, over their estimated useful lives or, in the case of certain leased furniture, fittings and equipment, the shorter lease term as follows:

Freehold buildings	25-40 years
Machinery	10-15 years
Furniture, fittings and equipment	03-08 years

The property, plant and equipment acquired under finance leases is depreciated over the asset's useful life or over the shorter of the asset's useful life and the lease term if there is no reasonable certainty that the Group will obtain ownership at the end of the lease term.

The useful lives have been determined based on technical evaluation done by the management's expert which are higher than those specified by Schedule II to the Companies Act; 2013, in order to reflect the actual usage of the assets. The residual values are not more than 5% of the original cost of the asset.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).

NITIRAJ ENGINEERS LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

(k) Investment properties

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Group, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Group and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognised.

Investment properties are depreciated using the straight-line method over their estimated useful lives. Investment properties generally have a useful life of 25-40 years. The useful life has been determined based on technical evaluation performed by the management's expert.

(l) Intangible assets

Computer software

Costs associated with maintaining software programmes are recognised as an expense as incurred. Development costs that are directly attributable to the design and testing of identifiable and unique software products controlled by the Group are recognised as intangible assets when the following criteria are met:

- it is technically feasible to complete the software so that it will be available for use
 - management intends to complete the software and use or sell it
 - there is an ability to use or sell the software
 - it can be demonstrated how the software will generate probable future economic benefits
 - adequate technical, financial and other resources to complete the development and to use or sell the software are available, and
- the expenditure attributable to the software during its development can be reliably measured.

Directly attributable costs that are capitalised as part of the software include employee costs and an appropriate portion of relevant overheads.

Capitalised development costs are recorded as intangible assets and amortised from the point at which the asset is available for use.

NITIRAJ ENGINEERS LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

Research and development

Research costs are expensed as incurred. Development expenditures on an individual project are recognized

as an intangible asset when the Group can demonstrate:

- The technical feasibility of completing the intangible asset so that the asset will be available for use or sale
- Its intention to complete and its ability and intention to use or sell the asset
- How the asset will generate future economic benefits
- The availability of resources to complete the asset
- The ability to measure reliably the expenditure during development

Following initial recognition of the development expenditure as an asset, the asset is carried at cost less any accumulated amortisation and accumulated impairment losses. Amortisation of the asset begins when

development is complete and the asset is available for use. It is amortised over the period of expected future benefit. Amortisation expense is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset. During the period of development, the asset is tested for impairment annually.

Revenue expenditure is charged to the Statement of Profit and Loss and Capital Expenditure is added to the cost of Property, Plant and Equipment in the year in which it is incurred. The Group is pursuing development of new technologies and has capitalised the expenditure incurred on the Research and Development. Research expenditure and development expenditure that do not meet the criteria specified above are recognised as an expense as incurred. Development costs previously recognised as an expense are not recognised as an asset in a subsequent period.

Amortisation methods and periods

The Group amortises intangible assets with a finite useful life using the written down value method over the following periods:

Computer software	10 years
Research & Development Expenses for EMFR	30 years

Transition to Ind AS

On transition to Ind AS, the Group has elected to continue with the carrying value of all of intangible assets recognised as at April 1, 2020 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

(m) Trade and other payables

These amounts represent liabilities for goods and services provided to the Group prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 45 - 60 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

NITIRAJ ENGINEERS LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

(n) Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Other borrowing costs are expensed in the period in which they are incurred.

(o) Provisions

General

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Group expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

(p) Employee benefits

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(ii) Other long-term employee benefit obligations

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

NITIRAJ ENGINEERS LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

(iii) Post-employment obligations

The Group operates the following post-employment schemes:

- (a) defined benefit plans such as gratuity, pension, post-employment medical plans; and
- (b) defined contribution plans such as provident fund.

Gratuity obligations

The liability or asset recognised in the balance sheet in respect of defined benefit pension and gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The benefits which are denominated in currency other than INR, the cash flows are discounted using market yields determined by reference to high-quality corporate bonds that are denominated in the currency in which the benefits will be paid, and that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Post-employment medical obligations

Group provide post-retirement healthcare benefits to their retirees. The entitlement to these benefits is usually conditional on the employee remaining in service up to retirement age and the completion of a minimum service period. The expected costs of these benefits are accrued over the period of employment using the same accounting methodology as used for defined benefit plans. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited in other comprehensive income in the period in which they arise.

Defined contribution plans

The Group pays provident fund contributions to publicly administered provident funds as per local regulations. The Group has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

NITIRAJ ENGINEERS LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

(vi) Termination benefits

Termination benefits are payable when employment is terminated by the Group before the normal retirement date, or when an employee accepts voluntary redundancy in exchange for these benefits. The Group recognises termination benefits at the earlier of the following dates: (a) when the Group can no longer withdraw the offer of those benefits; and (b) when the entity recognises costs for a restructuring that is within the scope of Ind AS 37 and involves the payment of terminations benefits. In the case of an offer made to encourage voluntary redundancy, the termination benefits are measured based on the number of employees expected to accept the offer. Benefits falling due more than 12 months after the end of the reporting period are discounted to present value.

(q) Dividends

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

(r) Earnings per share

Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Group
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares

Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

(s) Current/non current classification

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Group has identified twelve months as its operating cycle.

NITIRAJ ENGINEERS LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

(t) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The board of directors of Nitiraj Engineers Limited has appointed a strategic steering committee which assesses the financial performance and position of the Group, and makes strategic decisions. The steering committee, which has been identified as being the chief operating decision maker, consists of the chief executive officer, the chief financial officer and the manager for corporate planning.

(u) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakh as per the requirement of Schedule III, unless otherwise stated.

3 Significant accounting judgements, estimates and assumptions

In the application of the Group's accounting policies, which are described in Note 2, the management of the Group are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Critical judgements in applying accounting policies

The following are the critical judgements, apart from those involving estimations, that the directors have made in the process of applying the Group's accounting policies and that have the most significant effect on the amounts recognised in the financial statements.

(i) Useful lives of property, plant and equipment

Management reviews the useful lives of property, plant and equipment at least once a year. Such lives are dependent upon an assessment of both the technical lives of the assets and also their likely economic lives based on various internal and external factors including relative efficiency and operating costs. Accordingly, depreciable lives are reviewed annually using the best information available to the Management.

(ii) Impairment of non financial assets

Determining whether the asset is impaired requires an estimation of the value in use of the cash-generating units to which asset/goodwill has been allocated. The value in use calculation requires the Group to estimate the future cash flows expected to arise from the cash-generating unit and a suitable discount rate in order to calculate present value. Where the actual future cash flows are less than expected, a material impairment loss may arise.

(iii) Valuation of deferred tax assets

The Group reviews the carrying amount of deferred tax assets at the end of each reporting period.

(iv) Provisions and Contingent liabilities

A provision is recognised when the Group has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each Balance sheet date and adjusted to reflect the current best estimates.

iii. Fair Value

Reconciliation of Fair Value:

Particulars	(Amount in INR Lakhs)
Opening Balance as at April 1, 2021	291.08
Fair Value Difference	1.93
Purchases	-
Balance as at March 31, 2022	293.00
Fair Value Difference	-
Purchases	-
Closing balance as at March 31, 2023	293.00

The Group has not obtained independent valuations for its investment properties during the year. The best evidence of fair value is current prices in an active market for similar properties.

The main inputs used are the rental growth rates, expected vacancy rates, terminal yields and discount rates based on comparable transactions and industry data.

Generally, a change in the assumption made for the estimated rental value is accompanied by:

- A directionally similar change in the rent growth per annum and discount rate (and exit yield)
- An opposite change in the long term vacancy rate

33. EMPLOYEE BENEFIT OBLIGATIONS

(Amount in INR Lakhs)

	March 31, 2023			March 31, 2022		
	Current	Non Current	Total	Current	Non Current	Total
Leave obligations	0.37	5.09	5.46	0.79	5.35	6.14
Gratuity	33.19	68.19	101.39	31.44	57.11	88.55
Total Employee Benefit Obligation	33.57	73.28	106.85	32.23	62.46	94.69

(i) Leave Obligations

The leave obligations cover the groups's liability for sick and earned leave.

The amount of the provision of INR 0.37 Lakhs (March 31, 2022: 0.79 lakhs) is presented as current, since the group does not have an unconditional right to defer settlement for any of these obligations.

(ii) Post Employment obligations

a) Gratuity

The group provides for gratuity for employees in india as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of five years are eligible for gratuity. The amount of gratuity payable on retirement/ termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied by number of years of service.

The gratuity plan is an **unfunded plan** and the group makes contributions to recognised funds in India. The group does not fully fund the liability and maintains a target level of funding to be maintained over a period of time based on estimations of expected gratuity payments.

The significant actuarial assumptions were as follows:

	March 31, 2023	March 31, 2022
Discount rate	7.25%	7.25%
Expected return on plan assets	-	-
Salary growth rate	5.00%	5.00%
Normal retirement age	58 Years	58 Years

A quantitative sensitivity analysis for significant assumption is shown below:

Assumptions	Discount rate		Withdrawal rate		Salary growth rate	
Sensitivity Level	1% increase	1% decrease	1% increase	1% decrease	1% increase	1% decrease
March 31, 2023						
Impact on defined benefit obligation	5.30	6.09	0.78	0.90	6.16	5.45
% Impact	5%	6%	1%	1%	6%	5%
March 31, 2022						
Impact on defined benefit obligation	5.56	6.85	6.29	5.97	6.86	5.54
% Impact	10%	11%	2%	3%	12%	10%

The sensitivity analysis above have been determined based on a method that extrapolates the impact on defined beenfit obligation as a result of reasonable changes in key assumptions occurring at the end of the reporting period.

NITIRAJ ENGINEERS LIMITED**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023**

	March 31, 2023	March 31, 2022
Post-employment benefits	1.84	3.51
	1.84	3.51

(iv) Terms and conditions of transactions with related parties

The transactions with related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at the year end are unsecured and interest free and settlement occurs in cash. There have been no guarantees provided or received for any related party receivables and payables. For the year ended March 21, 2023, the group has not recorded any impairment of receivables relating to amount owed by related parties. This assessment is undertaken each financial year through examining the financial position of the related party and market in which the related party operates.

NITIRAJ ENGINEERS LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

(Amount in INR Lakhs)

36. SEGMENT REPORTING

An operating segment is one whose operating results are regularly reviewed by the entity's chief operating decision maker to make decisions about resources to be allocated to the segment and assess its performance. The group is engaged in manufacturing and selling of electronic equipments which constitute a single reportable segment in the context of Ind AS 108 on "Segment reporting".

C. Information about geographical areas

Revenue from external customers

The group is domiciled in India. The amount of its revenue from external customers broken down by location of the customers is shown in the table below:

	(Amount in INR Lakhs)	
	March 31, 2023	March 31, 2022
India	4,588.36	3,928.32
Outside India	19.59	34.31
	4,607.95	3,962.63

For F.Y. 2021-22, Revenue from Director Social Welfare Jharkhand amounted to INR 468.71 which exceeded 10% of total revenue for F.Y. 2021-22.

37. FAIR VALUE MEASUREMENTS
i. Financial Instruments by Category

(Amount in INR Lakhs)

Particulars	Carrying Amount		Fair Value	
	March 31, 2023	March 31, 2022	March 31, 2023	March 31, 2022
FINANCIAL ASSETS				
Amortised cost				
Trade Receivables	652.06	824.75	652.06	824.75
Loans	27.01	98.91	27.01	98.91
Cash and Cash Equivalents	28.98	27.02	28.98	27.02
Other Bank Balances	56.50	54.20	56.50	54.20
Other Financial Assets	78.44	124.94	78.44	124.94
Investment in Government Securities	1.04	1.04	1.04	1.04

	991.51	1,175.67	991.51	1,175.67

FINANCIAL LIABILITIES
Amortised cost

Borrowings	298.54	371.47	298.54	371.47
Lease liabilities	20.57	26.37	20.57	26.37
Trade Payables	259.61	98.97	259.61	98.97
Other financial liabilities	80.84	169.65	80.84	169.65
	659.56	666.46	659.56	666.46

The management assessed that the fair value of cash and cash equivalent, trade receivables, trade payables, security deposit and other current financial assets and liabilities approximate their carrying amounts largely due to the short term maturities of these instruments.

The fair values of non current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

ii. Fair Value Hierarchy
Assets and liabilities measured at fair value

Assets and liabilities measured at fair value		March 31, 2023			Total	March 31, 2022			Total
		Fair value measurement using				Fair value measurement using			
		Quoted prices in active markets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)		Quoted prices in active markets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	
Particulars									
Financial Assets									
Financial Investments at FVTPL									
Quoted equity shares	0.07	-	-	0.07	0.07	-	-	0.07	
Gold	51.73	-	-	51.73	44.74	-	-	44.74	
Financial Investments at FVTOCI									
Unquoted equity shares	-	-	95.68	95.68	-	-	-	-	
Total Financial Assets	51.80	-	95.68	147.48	44.81	-	-	44.81	

There have been no transfers among Level 1, Level 2 and Level 3 during the period

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes mutual funds that have quoted price. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the counter derivatives) is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities included in level 3.

iii. Valuation technique used to determine fair value

Specific Valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis

38. FINANCIAL RISK MANAGEMENT

The group has a well-defined risk management framework. The Board of Directors of the group has adopted a Risk Management Policy. The group has exposure to the following risks arising from financial instruments:

- Credit risk ;
- Liquidity risk ; and
- Market risk

(i) Credit risk

Credit risk is the risk that a customer or counterparty to a financial instrument will fail to perform or fail to pay amounts due causing financial loss to the group. The potential activities where credit risks may arise include from cash and cash equivalents, derivative financial instruments and security deposits or other deposits and principally from credit exposures to customers relating to outstanding receivables. The maximum credit exposure associated with financial assets is equal to the carrying amount. Details of the credit risk specific to the group along with relevant mitigation procedures adopted have been enumerated below:

Trade and other receivables

The group's exposure to credit Risk is the exposure that group has on account of services rendered to a contractual counterparty or counterparties, whether with collateral or otherwise for which the contracted consideration is yet to be received. The group's customer base are Industrial and Commercial.

Services are generally subject to security deposit and/or bank guarantee clauses to ensure that in the event of non-payment the group's receivables are not affected. The group provides for allowance for impairment that represents its estimate of expected losses in respect of trade and other receivables.

The group has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix.

Refer note 9 for ageing of trade receivables.

The above receivables which are past due but not impaired are assessed on case-to-case basis. The instances pertain to third party customers which have a proven creditworthiness record. Management is of the view that these financial assets are not impaired as there has not been any adverse change in credit quality and are envisaged as recoverable based on the historical payment behavior and extensive analysis of customer credit risk, including underlying customers' credit ratings, if they are available. Consequently, no additional provision has been created on account of expected credit loss on the receivables. There are no other classes of financial assets that are past due but not impaired. The provision for impairment of trade receivables, movement of which has been provided below, is not significant / material. The concentration of credit risk is limited due to fact that the customer base is large and unrelated.

NITIRAJ ENGINEERS LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

Movements in Provision for Doubtful Allowance:

(Amount in INR Lakhs)

Particulars	As at	As at
	31-Mar-23	31-Mar-22
Balance at the beginning of the year	17.31	19.35
Movements in allowance:		
Additional provision	(5.05)	(2.04)
Closing balance	12.25	17.31

Other financial assets

Other financial assets includes loan to employees, security deposits, investments, cash and cash equivalents, other bank balance, derivative asset, advances to employees etc.

- Cash and cash equivalents and Bank deposits are placed with banks having good reputation and past track record with adequate credit rating.
- Investments are made in credit worthy companies.
- group has given security deposit to various purposes and management believes that the group does not have exposure to any credit risk.
- Loan and advances to employees are majorly secured against the salary and hence the group does not have exposure to any credit risk.

(iii) Liquidity risk

Liquidity risk is the risk that the group will encounter difficulty in meeting the obligations associated with its financial liabilities that are proposed to be settled by delivering cash or other financial asset. The group's financial planning has ensured, as far as possible, that there is sufficient liquidity to meet the liabilities whenever due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the group's reputation. The group has practiced financial diligence and syndicated adequate liquidity in all business scenarios.

Further, the group has also tied-up additional sources of liquidity to meet the liabilities during the respective annual years which has ensured that the group has a clean track record with no adverse events pertaining to liquidity risk.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

(Amount in INR Lakhs)

March 31, 2023	Carrying	Contractual maturities

Trade payables	98.97	98.97	98.97	-
Total	666.46	668.73	657.27	11.46

(iv) Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the group's income or the value of its holdings of financial instruments.

Currency risk

The functional currency of the group is Indian Rupees. The group do not have derivative financial instruments. The group is not exposed to foreign currency risk.

Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates. The group is not materially exposed to interest rate risk.

NITIRAJ ENGINEERS LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

39. CAPITAL MANAGEMENT

The group defines capital as total equity including issued equity capital, share premium and all other equity reserves attributable to equity holders of the group (which is the group's net asset value). The primary objective of the group's financial framework is to support the pursuit of value growth for shareholders, while ensuring a secure financial base.

The group monitors capital using a ratio of 'adjusted net debt' to 'adjusted equity'. For this purpose, adjusted net debt is defined as total interest-bearing loans and borrowings less cash and bank balances. Total equity comprises all components of equity.

(Amount in INR Lakhs)		
	March 31, 2023	March 31, 2022

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

47. RECENT ACCOUNTING PRONOUNCEMENT

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Rules, 2015 by issuing the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from April 1, 2023, as below:

Ind AS 1 – Presentation of Financial Statements

The amendments require companies to disclose their material accounting policies rather than their significant accounting policies. Accounting policy information, together with other information, is material when it can reasonably be expected to influence decisions of primary users of general purpose financial statements. The group does not expect this amendment to have any significant impact in its financial statements.

Ind AS 12 – Income Taxes

The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences. The group is evaluating the impact, if any, in its financial statements.

Ind AS 8 – Accounting Policies, Changes in Accounting

Estimates and Errors The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are "monetary amounts in financial statements that are subject to measurement uncertainty". Entities develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty. The group does not expect this amendment to have any significant impact in its financial statements

48. Previous year figures have been regrouped/ rearranged, wherever considered necessary to confirm to current year's
