THE CHAIRMAN'S MESSAGE

"Yet another year of Company's creditable performance. During the year FY 2022-23, your company reported revenues of Rs. 376.20 crores and a profit after tax of Rs. 16.91 crores on a consolidated basis and revenues of Rs. 268.43 crores and a profit after tax of Rs. 11.92 crores on a standalone basis."

Dear Shareholders of Apollo Sindoori Family,

I am delighted to address you today as the Chairman of our esteemed organization. It is with great pleasure that I reflect upon the remarkable accomplishments we have achieved over the past year.

First and foremost, I want to express my heartfelt appreciation to our shareholders, stakeholders, board members, employees, and partners. Your unwavering commitment, dedication, and hard work have been pivotal in driving our organization forward. Together, we have navigated challenges, harnessed opportunities, and achieved remarkable milestones.

The past year has been a time of significant growth and transformation for our organization. In the face of a rapidly changing business landscape, we have adapted and thrived. We have not only met our goals but surpassed them, breaking barriers and redefining what is possible. Our financial results, which I will delve into shortly, reflect the incredible efforts of our entire team.

In terms of our financial performance, I am pleased to announce that we have experienced yet another year of exceptional growth. Despite the volatility and uncertainty in the global markets, we have achieved record revenues, bolstered our profitability, and strengthened our financial position. These accomplishments are a testament to our strategic vision, operational excellence, and the trust that our customers and partners have placed in us.

I am proud to report to our shareholders the Company's creditable performance in the FY 2022-23. During the year under review, your company reported revenues of Rs. 376.20 crores and a profit after tax of Rs. 16.91 crores on a consolidated basis and revenues of Rs. 268.43 crores and a profit after tax of Rs. 11.92 crores on a standalone basis.

At the core of our success lies a steadfast commitment to quality, safety, and sustainability. We understand that consumers today not only seek delicious and nutritious food but also demand transparency and responsibility from the companies they support. Therefore, we have embraced sustainable practices throughout our supply chain, prioritizing environmentally friendly sourcing, reducing food waste, and supporting local communities. By aligning our values with those of our consumers, we have forged deep connections and fostered loyalty.

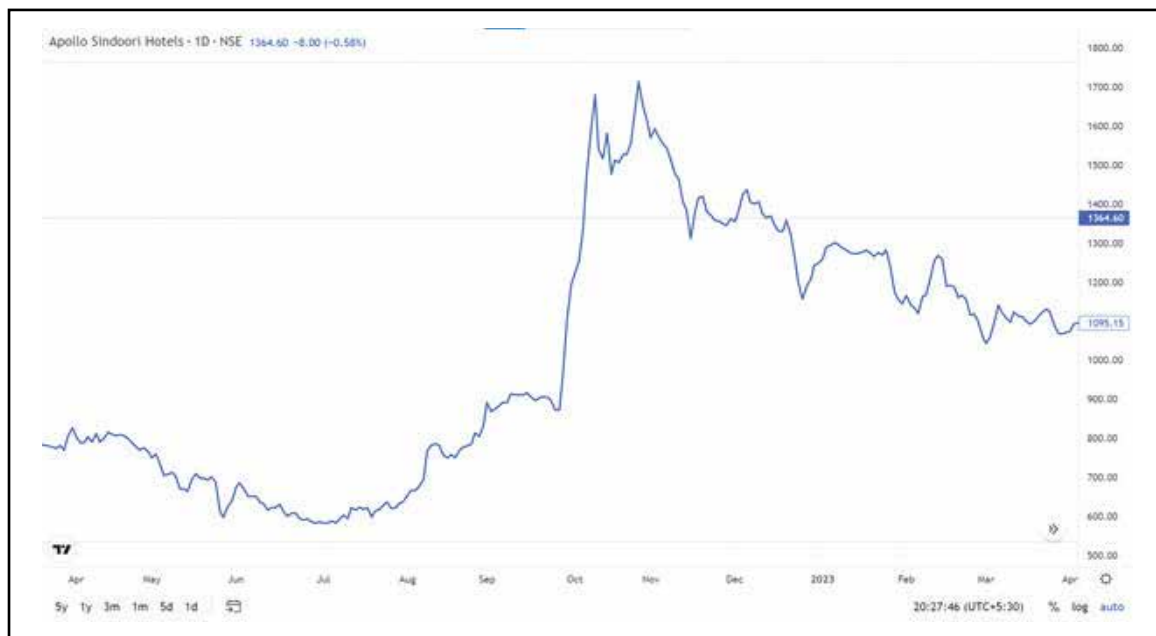

We have remained at the forefront of our industry by nurturing a culture of creativity, and seizing disruptive opportunities which has allowed us to provide unparalleled value to our customers and driving sustainable growth.

However, success is not measured solely by financial indicators. It is also about the positive impact we have on the world around us. As a socially responsible organization, we have endeavored to make a difference in our communities and contribute to a better future. Through our corporate social responsibility initiatives, we have supported education, promotion of healthcare, and various philanthropic endeavors. I am incredibly proud of the positive change that we have brought about and the lives we have touched.

Looking ahead, we understand that the food industry will continue to evolve rapidly, presenting both challenges and opportunities. However, we are confident in our ability to adapt, innovate, and thrive in this dynamic environment. We will continue to prioritize consumer satisfaction, investing in research, and development to bring forward products that excite and nourish. We will foster a culture of collaboration, attracting and retaining top talent to drive our organization's growth. And, above all, we will remain committed to our core values of integrity, quality, and sustainability.

In conclusion, I want to extend my deepest gratitude to each and every one of you for your unwavering support. It is your dedication and trust that have propelled us forward and enabled us to achieve remarkable success. Your trust in our organization has been the bedrock of our success, and we pledge to continue earning that trust every single day. Together, we will build an even brighter future, filled with growth, prosperity, and shared achievements.

Apollo Sindoori Share price performance during FY 2022-23

"I am delighted to inform that Apollo Sindoori Hotels Limited continued to pursue our focused strategy which delivered a sustainable growth and returns for shareholders. We remained committed to our vision to be the most successful organization in the Clinical Nutrition Industry and shall continuously strive to achieve greater heights in the years ahead."

THE INSTRUCTIONS FOR SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- (i) The voting period begins on Tuesday 26th September 2023 at 9.00 A.M. and ends on Thursday, 28th September 2023 at 5.00 P.M. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date Friday, 22nd September 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Pursuant to Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode with CDSL/NSDL** is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in Demat mode with CDSL Depository	<ol style="list-style-type: none"> 1) Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. Dr. C. Natarajan has rich and varied experience in the industry and has been involved in the operations of the Company and has also served for more than four years as WTD and CEO. It would be in the interest of the Company to avail his considerable expertise. Accordingly, approval of the members is sought for passing a Special Resolution for re-appointment of Dr. C. Natarajan as a Whole-time Director and Chief Executive Officer.

None of the Directors / Key Managerial Personnel of the Company / their relatives other than Dr. C. Natarajan are, in any way, concerned or interested, financially or otherwise, in the aforementioned resolution.

The Board recommends the Special Resolution set out at Item No. 5 of the Notice for approval by the members.

Item No. 6

The provisions of Section 188(1) of the Companies Act, 2013 requires approval of the Board of Directors and Audit Committee and prior approval of the shareholders, if the transactions entered with related parties in the ordinary course of business are not at arm's length price.

Regulation 23(4) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, amended effective 01st April, 2022 requires that all material related party transaction (RPT) shall require prior approval of the shareholders through resolution and no related party shall vote to approve such resolutions whether the entity is a related party to the particular transaction or not.

A transaction with a related party shall be considered material if the transactions(s) to be entered into individually or taken together with previous transactions during a financial year, exceeds rupees one thousand crore or 10% of the annual consolidated turnover of the Company as per last audited financial statements, whichever is lower.

The transactions with related parties -Apollo Hospital Enterprises Limited (AHEL) are in ordinary course of business and at arm's length price and hence don't fall within the provisions of the Companies Act, 2013 and does not require approval of shareholders.

However, the value of proposed aggregate transactions with related parties -Apollo Hospital Enterprises Limited (AHEL) is likely to exceed the above threshold limits and will amount to material related party transactions. Hence, approval of the shareholders is being sought for the said material Related Party Transaction(s) proposed to be entered into by your Company.

Further, all related party transactions are undertaken after obtaining prior approval of the Audit Committee. The Audit Committee of the Company currently comprises only independent directors. All related party transactions have been unanimously approved by the Audit Committee after satisfying itself that the related party transactions are at arm's length and in the ordinary course of business. The Audit Committee of the Company reviews on a quarterly basis, the details of all related party transactions entered into by the Company during the previous quarter, pursuant to its approvals.

The Company had already sought approval from the members in the AGM held on 28th September, 2021 for material related party transactions till FY 2023-24. However, as per the SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2022/47 dated April 8, 2022, it has been mentioned that, the shareholders approval for omnibus RPT approved in an AGM shall be valid upto the date of next AGM for a period not exceeding fifteen months. Therefore, the omnibus approval for material related party transactions is being sought by members in this AGM which shall be valid till the date of next AGM.

The Audit Committee and Board of Directors in their meeting held on 14th August, 2023 had already considered and approved the material related party transactions and advised to seek approval of members in the ensuing AGM. As per the recommendations of the Audit Committee, the transactions with Apollo Hospitals Enterprise Limited is in ordinary course of business and at arm's length price and beneficial to the Company. The revenue of the Company is majorly dependent on this due to its contribution in overall revenue and profit. Hence, these transactions are in the best interest of the Company and its shareholders.

The details as required under Regulation 23(4) of the Listing Regulations read with SEBI Circular bearing reference no. SEBI/HO/CFD/CMD1/CIR/P/2021/662 dated November 22, 2021 ("SEBI Circular") are set forth below:

MANAGEMENT DISCUSSION & ANALYSIS REPORT

CAUTIONARY STATEMENT

The statements in the “Management Discussion and Analysis Report” describe the Company’s objectives, projections, expectations, estimates or forecasts which may be “forward-looking statements” within the meaning of the applicable laws and regulations. Actual results may differ substantially or materially from those expressed or implied therein due to risks and uncertainties.

Important factors that could influence the Company’s operations, inter alia, include global and domestic demand and supply conditions affecting selling prices of finished goods, input availability and prices, changes in government regulations, tax laws, economic, political developments within the country and other factors such as litigations and industrial relations.

OPERATING ENVIRONMENT

Growth

India’s economy showcased significant growth in the January-March quarter of 2022-23, with a Gross Domestic Product (GDP) growth rate of 6.1%, reflecting a steady expansion from the previous quarters. The growth rates for October-December 2022 and July-September 2022 stood at 4.5% and 6.2%, respectively. This surge, primarily driven by improved performance in agriculture, manufacturing, mining, and construction sectors, contributed to an annual growth rate of 7.2%. The robust growth propelled the Indian economy to reach \$3.3 trillion and sets the stage for achieving the ambitious \$5 trillion target in the coming years.

The economy grew by 7.2% in 2022-23, taking into account the cumulative growth throughout the fiscal year. This was slightly lower than the previous fiscal year’s growth rate of 9.1% in 2021-22. Various segments within the services sector contributed to the overall economic growth. The trade, hotel, transport, communication, and services related to broadcasting segment registered a growth rate of 9.1% in Q4 2022-23, compared to 5% growth in the same period last year. Financial, real estate, and professional services witnessed a growth rate of 7.1% during the quarter, up from 5.7% in the previous year.

Prime Minister Narendra Modi said that the 2022-23 GDP growth figures underscored the resilience of the Indian economy amidst global challenges. “This robust performance along with overall optimism and compelling macro-economic indicators, exemplify the promising trajectory of our economy and the tenacity of our people,” he said in a tweet.

Exports of goods and services accounted for 23.5% of GDP, the highest since 2014-15, while private consumption hit the highest level since 2006-07 at 58.5% and gross fixed capital formation, reflecting a sustained increase, is at the highest point since 2013-14 at 34% of GDP,” the Chief Economic Advisor said.

Gross Value Added (GVA) from the employment-intensive construction sector grew 10% in 2022-23, from 14.8% in 2021-22. Mining and quarrying GVA growth slowed to 4.6% from 7.1%. Electricity, gas, water supply and other utility services’ GVA rose 9%, only slightly slower than 9.9% in 2021-22. Public administration, defence and other services’ GVA grew 7.2% in 2022-23, compared to 9.7% in the previous year.

Economic scenario

In FY 2022-23, India’s real GDP expanded at an estimated 6.9 percent. Growth was underpinned by robust domestic demand, strong investment activity bolstered by the government’s push for investment in infrastructure, and buoyant private consumption, particularly among higher income earners. The composition of domestic demand also changed, with government consumption being lower due to fiscal consolidation.

- Recovering from pandemic-induced contraction, Russian-Ukraine conflict and inflation, Indian economy is staging a broad based recovery across sectors, positioning to ascend to the pre-pandemic growth path in FY 2023
- India’s GDP growth is expected to remain robust in FY 2024. GDP forecast for FY 2024 to be in the range of 6-6.8%
- Private consumption in H1 is highest since FY 2015 and this has led to a boost to production activity resulting in enhanced capacity utilisation across sectors
- The credit growth to the MSME sector was over 30.6 per cent on average during Jan-Nov 2022
- Retail inflation is back within RBI’s target range in November 2022

- Indian Rupee performed well compared to other Emerging Market Economies in Apr-Dec 2022
- Direct Tax collections for the period April-November 2022 remain buoyant
- Economic growth to be boosted from the expansion of public digital platforms and measures to boost manufacturing output

Market size

- India's gross domestic product (GDP) has touched the \$3.75 trillion-mark in 2023, up from around \$2 trillion in 2014
- The Finance Ministry further stated that India is the fifth largest economy in the world. India's GDP stood at \$3,737 billion in current price terms, lower than the USA (\$26,854), China (\$19,374 billion), and Germany (\$4,309 billion).

Inflation

In financial year 2023, the annual change in food inflation was 7.7 percent in India. In India, the most important category in the consumer price index is Food and beverages (45.86 percent of total weight), of which Cereals and products (9.67 percent), Milk and products (6.61 percent), Vegetables (6.04 percent), Prepared meals, snacks, sweets, etc. (5.55 percent), Meat and fish (3.61 percent), and Oils and fats (3.56 percent).

The annual inflation rate in India fell to 4.25% in May of 2023 from 4.7% in the previous month, the lowest since April 2021 and firmly below market forecasts of 4.42% amid a fresh slowdown in inflation for food. The result drove inflation closer to the RBI's target of 4% and extended the decline past the central bank's upper limit of 6%, paring concerns of an eventual resumption of its tightening cycle. Consumer food inflation fell to 2.91% from 3.84% in the previous month, amid significant deflation for oils and fats (-16.01% vs -12.33% in April), vegetables (-8.18% vs -6.5%), and meat and fish (-1.29% vs -1.23%).

Interest rates

The Reserve Bank of India raised its key repo rate by the expected 25 bps to 6.5% during its February 2023 meeting, the sixth rate hike in a row, amid easing inflation prompted by moderation in food prices. The annual inflation rate slowed to a 1-year low of 5.72% in December 2022 and stayed below the Reserve Bank of India target of 2-6% for the second straight month. The decision followed a 35 bps hike in December last year. The central bank has lifted rates by an aggregate of 250bps starting from May 2022, bringing the rate to a level of January 2019. The board lowered its inflation forecast for FY 2023 to 6.5% from 6.7% and revised India's GDP growth to 7% from 6.8%

Financial markets

Reserve Bank of India (RBI) has said that in 2022-23 the domestic financial market movements remained orderly, notwithstanding persisting impact of global spillovers during the year. It further said that the Indian equity market exhibited signs of decoupling on sustained support from domestic institutional investors, adding that the rupee exhibited orderly adjustment with lower volatility relative to many other EMEs.

"The money market trends moved in alignment with the tightening of policy rate cumulatively by 250 bps and the change in policy stance towards withdrawal of accommodation," it said. Going forward, financial markets will be conditioned by domestic macroeconomic outlook as also the future path of US monetary policy and the strength of the US dollar, the RBI concluded.

Industry structure and development

Food is one of the most important needs of human evolution. Access to quality food and water is a basic human right. The F&B industry is growing and providing a variety of foods and beverages for their customers through quality and innovation. The hospitality sector has an enormous influence on the Indian economy. According to a report by the Federation of Hotel and Restaurant Association of India, (Hotels, Restaurants and Catering) industry contributes approximately USD 78 billion annually to the Indian economy, which contributes to more than 7 percent of India's GDP.

India's food processing sector has been one of the key sectors, which is growing due to its response to the changing demographics and lifestyle, affordable workforce availability, free availability of raw materials, and is boosted by growth in export opportunities and government advocacy to develop food manufacturing. The growth in these sectors are also propelled by the pandemic, hike in expendable income leading to increasing appetites for discretionary spends on branded items including processed food-items, a rejuvenated retail sector and state sponsorship and for the food processing industry, this is just the beginning of a golden period.

The core business of your company is the catering, management service, hospitality and restaurants. As set out in Regulation 34 read with Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015, Company provides the following details relating to Management Discussion and Analysis:

1. Segment-wise or product-wise performance

We not only showed improvement in the financial frontier but also on company's share performance in the market.

2. Discussion on financial performance with respect to operational performance

The segment and product wise performance is as below:

S. No.	Particulars	As at 31 st March, 2023	As at 31 st March, 2022
	Catering & Management Services		
1.	Sale of Food & beverages	19029.97	13386.14

3.	Room Revenue	141.70	124.92
Total		25849.08	19939.19

Your directors feel that the financial performance of the Company has improved in the FY 2022-23 compared to last FY 2021-22

3. Business development

The major developments during the year was as under:-

Market Research: To conduct thorough market research to understand the specific needs and preferences of patients in different healthcare settings. To invest in research and development to continually improve the product offerings. To identify the target audience, their dietary requirements, cultural considerations, and any restrictions or guidelines that need to be followed. To stay updated on the latest nutritional guidelines, food trends, and advancements in patient care to develop innovative meal options that meet evolving patient needs

Identify Opportunities: To look for gaps or unmet needs of the patients. This could include specific dietary requirements, innovative menu options, improved delivery systems, or specialized services for different healthcare facilities or patient groups. To consider partnerships with home healthcare agencies, assisted living facilities, or senior living communities to reach a wider customer base.

Quality Control and Compliance: To ensure strict quality control measures are in place to meet regulatory requirements and maintain the highest standards of food safety. To establish internal processes for regular inspections, certifications, and compliance with health and safety guidelines. To implement a robust feedback loop to gather insights from patients, healthcare professionals, and facility administrators.

Customer Relationships: To build long-term relationships with healthcare facilities and other businesses. To provide excellent customer service, ensure reliable and timely deliveries, and address any concerns or issues promptly. To maintain open lines of communication to understand evolving needs and adapt to offerings accordingly.

Monitor Competition: To keep a close eye on the competitors, including their product offerings, pricing strategies, and marketing initiatives. To identify opportunities to differentiate the food business by offering unique value propositions or niche services.

4. Opportunities

- **Growing Healthcare Industry:** The expanding healthcare industry and increasing patient volumes present opportunities for the company to expand its customer base and revenue streams.
- **Online Presence and Delivery:** Developing a strong online presence, including online ordering, menu browsing, and delivery options, can cater to the convenience-driven demands of customers.
- **Corporate Events and Functions:** Expanding catering services to corporate events, conferences, and business functions can tap into a growing market segment and provide recurring revenue opportunities.
- **Specialty and Niche Offerings:** Catering companies can develop niche specialties (e.g., vegan, gluten-free, ethnic cuisine) to cater to specific dietary preferences and capitalize on emerging trends.
- **Partnership with Healthtech Companies:** Collaborating with healthtech companies or startups focused on nutrition and patient care can unlock synergies and drive innovation within the patient food service sector.

- **Expansion into Other Healthcare Facilities:** The company can explore expanding its services beyond hospitals to other healthcare facilities such as long-term care centers, rehabilitation centres or outpatient clinics

Threats

- **Rising Input Costs:** Fluctuating prices of food ingredients, labor, and other inputs can affect profit margins and operational efficiency within the industry.
- **Competitive Landscape:** The clinical nutritional service industry faces competition from both external vendors and in-house hospital food service departments, potentially leading to price pressures and reduced market share.
- **Changing Dietary Trends:** Shifts in dietary preferences and trends, such as the rise of specialized diets or food delivery services, may impact the demand for traditional patient food services.
- **Regulatory Compliance:** Adhering to regulatory requirements, including food safety standards and nutritional guidelines, is crucial to maintain compliance and avoid penalties or reputational damage.
- **Food Safety and Quality Concerns:** Any incidents related to food safety, contamination, or quality issues can harm the company's reputation and result in legal liabilities
- **Patient Satisfaction and Experience:** Ensuring high patient satisfaction levels is essential as dissatisfied patients may provide negative feedback, affecting the company's reputation and future contracts with healthcare facilities

5. Risks and concern

- **Dietary Restrictions and Allergies:** Patients often have specific dietary requirements, allergies, or restrictions due to medical conditions. Ensuring accurate and safe meal preparations that adhere to individual dietary needs is crucial. Mistakes or oversights in managing dietary restrictions can have severe consequences for patient health.
- **Food Safety and Hygiene:** Maintaining high standards of food safety and hygiene is essential to prevent foodborne illnesses and infections among vulnerable patients. Proper storage, handling, and preparation of food, as well as regular sanitation and cleanliness practices, are critical to mitigate these risks.
- **Menu Variety and Nutritional Balance:** Providing diverse and nutritionally balanced meals that meet patients' dietary needs can be challenging. Ensuring that the menu offers a range of options while meeting nutritional requirements requires careful planning and consideration.
- **Cost Control and Budget Constraints:** Balancing cost control measures while maintaining food quality and patient satisfaction is a constant concern.
- **Customer satisfaction and feedback:** Customer satisfaction is a key concern. Unhappy patients/customers can provide negative feedback, impacting the reputation of the provider and potentially affecting future contracts with healthcare facilities. Regularly gathering patient/customer feedback and making improvements based on their suggestions is essential.
- **Supply Chain Management:** The Company relies on a complex supply chain to ensure the availability of fresh ingredients and food products. Managing inventory, minimizing waste, and addressing potential disruptions in the supply chain are important for maintaining consistent service quality.
- **Regulatory Compliance:** Compliance with food safety regulations, health codes, and dietary guidelines is essential for food service providers. Meeting regulatory requirements, obtaining necessary certifications, and maintaining food safety records are critical to ensure legal compliance and avoid penalties.
- **Competition and Pricing Pressure:** The food service industry is highly competitive, with numerous local and national players. Intense competition can lead to pricing pressure and margin erosion, affecting profitability and market share.

It is crucial for food service industry to address these risks and concerns through proactive risk management strategies, food safety protocols, staff training programs, quality control measures, and strong customer service practices. Collaborating closely with healthcare facilities, nutritionists, and dietitians can also help address individual patient needs effectively. Adapting to changing customer preferences, staying updated with industry trends, and maintaining strong relationships with clients and suppliers can also help mitigate risks and ensure long-term success.

6. Outlook

Focus on Patient-Centered Care: The healthcare industry is increasingly prioritizing patient-centered care, which includes providing nutritious and satisfying meals to patients. There is a growing recognition of the important role that food plays in the healing and recovery process. As a result, patient food services are being seen as an integral part of overall patient care and experience.

Embracing Health and Wellness Trends: Consumers are increasingly conscious of their health and wellness. Catering companies are incorporating healthier ingredients, organic and locally sourced produce, and offering customizable options that allow individuals to make healthier choices. This aligns with the growing focus on wellness and nutrition in the overall food industry.

Collaboration with Local and Niche Food Providers: Catering companies are partnering with local and niche food providers, such as specialty bakeries, gourmet food suppliers, and ethnic cuisine experts. Collaborations can enhance menu variety, offer unique culinary experiences, and tap into specialized customer segments.

Regulatory Considerations: Patient food companies need to be aware of and comply with relevant health and safety regulations. Understanding and adhering to dietary guidelines, food labeling requirements, and quality control measures are crucial for maintaining trust and credibility.

Independent Auditor's Report for the year ended March 31, 2023
TO THE MEMBERS OF APOLLO SINDOORI HOTELS LIMITED

Report on the audit of the standalone financial statements

Opinion

We have audited the accompanying standalone IND AS financial statements of Apollo Sindoori Hotels Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2023 and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and Notes to the Standalone Financial Statements, including a summary of the Significant Accounting Policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the Profit (including Other Comprehensive Income), the cash flows and the changes in Equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics, as amended, issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions

of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics, as amended. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

S. No	Key Audit Matter	Response to Key Audit Matter
1.	<p><u>Investment in Faber Sindoori Management Services Private Limited:</u></p> <p>During the year, the company acquired remaining 51% of equity shares in Faber Sindoori Management Services Private Limited, previously held by joint venture partner. We consider this as key audit matter owing to the significant quantum of additional investment.</p>	<p><u>Our audit procedures included-</u></p> <ol style="list-style-type: none"> 1. Test of details to obtain audit evidence regarding the transfer of equity shares. 2. Test of details to verify compliance with the provisions of the Companies Act, 2023 and Indian Accounting Standards to the extent applicable. 3. Test of details to evaluate the presentation and carrying amount of the investment in the financial statements.
2.	<p><u>Revenue recognition:</u></p> <p>Considering the nature of business of the company, distributed operating locations and quantum of revenue reported, we considered revenue recognition to be a key audit matter</p>	<p><u>Our audit procedures included-</u></p> <ol style="list-style-type: none"> 1. Test of controls to evaluate the design and operating effectiveness of internal financial controls governing revenue recognition which included assessment of the billing-software and cashiering process. 2. Test of details to examine the accuracy and completeness of the revenue recognized.

Information other than the Standalone Financial Statements and Auditor's report thereon

- The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Company's annual report, but does not include the Standalone Financial Statements and our auditor's report thereon. The Company's annual report is expected to be made available to us after the date of this auditor's report.
- Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information, and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

Management's responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements, in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.

- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, based on our audit we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the Standalone Financial Statements.
- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c. The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account.
- d. In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e. On the basis of the written representations received from the Directors as on March 31, 2023 taken on record by the Board of Directors, none of the Directors is disqualified as on March 31, 2023 from being appointed as a Director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure-B. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its Directors during the year is in accordance with the provisions of Section 197 of the Act.

- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements in Note 38 – Contingent Liability.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. a) The Management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b) The Management has represented, that, to the best of its knowledge and belief, as disclosed in the notes to accounts, no funds (which are material either individually or in the aggregate) have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement
 - v. The dividend declared by the Company during the year is in compliance with the provisions of Companies Act, 2013 to the extent applicable.
 - vi. As proviso to rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable for the Company only with effect from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is not applicable.

Annexure-B to Independent Auditors' Report

(Referred to in paragraph 2 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Apollo Sindoori Hotels Limited of even date)

Report on the Internal Financial Controls with reference to financial statements under Section 143(3)(i) of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Apollo Sindoori Hotels Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were in place and if such controls were operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial controls with reference to financial statements are designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to the standalone financial statements and such internal financial controls were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 1: CORPORATE INFORMATION AND SIGNIFICANT ACCOUNTING POLICIES

1. Corporate Information

Apollo Sindoori Hotels Limited ("the Company"), is a company incorporated under the Companies Act with its Registered Office at 43/5, Hussain Mansion, Ground Floor, Greams Road, Thousand Lights, Chennai. The Company is in the business of managing food outlets at hospitals and reputed organisations. The Company also undertakes Outdoor Catering Services, skilled manpower to hospitals etc. The company's shares are listed in NSE Ltd. The Company is classified under "Medium" category since 8th Oct, 2020 vide MSME UDYAM RegistrationNo.UDYAM-TN-02-0014743

1.1 General Information and statement of compliance with IND AS

Effective April 1, 2017, the Company has adopted all the applicable Ind AS Standards and the adoption was carried out in accordance with Ind AS 101, First Time Adoption of Indian Accounting Standards, with April 1, 2016, as the transition date. The transition was carried out from Indian Accounting Principles Generally Accepted in India (IGAAP), as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP.

1.2 Application of new and revised Indian Accounting Standards (Ind AS)

All the Ind AS issued and notified by the Ministry of Corporate Affairs under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) till the standalone financial statements are authorized have been considered in preparing these standalone financial statements.

1.3 Ministry of Corporate Affairs "MCA" has notified the following new amendments to INDAS which the Company has not applied as they are effective for annual periods beginning on or after April 1, 2023

Amendment to IND AS 1 "Presentation of Financial Statement"

The amendments require companies to disclose their material accounting policies rather than their significant accounting policies. Accounting policy information is material if, together with other information can reasonably be expected to influence decisions of primary users of general purpose financial statements. The Company does not expect this amendment to have any significant impact in its financial statements.

Amendment to Ind AS 12 "Income Taxes"

The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences. The Company does not expect this amendment to have any significant impact in its financial statements.

Amendment to Ind AS 8 "Accounting Policies, Changes in Accounting Estimates and Errors"

The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are "monetary amounts in financial statements that are subject to measurement uncertainty". Entities use measurement techniques and inputs to develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty. The Company does not expect this amendment to have any significant impact in its financial statements.

2. Significant Accounting Policies and Key Accounting Estimates and Judgements

Use of estimates:

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. The management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in the current and future period.

This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in the relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas where significant estimates were made by the management are:

- i) Defined employee benefit obligations- Refer Note No 2.15
- ii) Estimation of useful life of Property, Plant and Equipment Refer Note No 2.6
- iii) Estimation and evaluation of provisions and contingencies relating to tax litigations Refer Note No 2.17
- iv) Recoverability/Recognition of Deferred Tax Assets Refer Note No 2.13 b

2.1 Statement of Compliance

The standalone financial statements of the company have been prepared in accordance with the Indian Accounting Standards (IND AS) notified under section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015 and relevant provisions of the act.

The standalone financial statements for the year ended 31st March 2023 were authorized and approved for issue by the Board of Directors on 19th May 2023 and is subject to adoption by shareholders in the ensuing Annual General Meeting

2.2 Overall Consideration

The Standalone financial statements of the Company have been prepared using the significant accounting policies and measurement bases summarised below. These were used throughout all periods presented in the financial statements in accordance with Indian Accounting Standards ("Ind AS") specified under Section 133 of the Companies Act, 2013 ("the Act"), read with Companies (Indian Accounting Standards) Rules, 2015, (as amended from time to time).

2.3 Basis of preparation and presentation

The standalone financial statements have been prepared on historical cost basis, except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below:

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 116, and measurements that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

2.4 Current / Non-Current Classification

An asset or liability is classified as current if it satisfies any of the following conditions

- (i) the asset / liability is expected to be realized / settled in the Company's normal operating cycle;
- (ii) the asset is intended for sale or consumption;
- (iii) the asset / liability is held primarily for the purpose of trading;
- (iv) the asset / liability is expected to be realized / settled within twelve months after the reporting period;
- (v) the asset is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period;

- (vi) in the case of a liability, the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

All other assets and liabilities are classified as non-current

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

2.5 Property Plant and equipment

a. The cost of an item of Property, Plant and equipment (PPE) is recognized as assets if, and only if:

- It is probable that future economic benefits associated with the item will flow to the entity.
- The cost of the item can be reliably measured.
- The cost of property, plant and equipment at stated at cost, less accumulated depreciation, amortization and cumulative impairment.
- The cost of the Property, plant and equipment comprises of purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates and also includes any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation/ Amortization

- Cost of property, plant and equipment is depreciated on a straight line basis over the useful lives of the assets prescribed in Schedule II of the Companies Act, 2013.
- Residual value is generally considered between 0-5 percent of cost of assets.

b. Intangible assets

Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses. Amortization is recognized on a straight-line basis over their estimated useful lives. The estimated useful life is reviewed annually with the effect of any changes in estimate being accounted for on a prospective basis.

Useful lives of intangible assets

Intangible assets are amortized equally over the estimated useful life not exceeding five years.

Estimated useful life of Computer Software is five years.

De-recognition of tangible and intangible assets

An item of tangible and intangible asset is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of tangible and intangible assets is determined as the difference between the sales proceeds if any and the carrying amount of the asset is recognized in the statement of profit or loss.

Impairment of tangible and intangible assets

The Company annually reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash- generating unit) is estimated to be less than its carrying amount, the

carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in Statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash generating unit) is increased to the revised estimate of its recoverable amount, so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in Statement of Profit and Loss.

2.6 Revenue Recognition

Ind AS 115 “Revenue Recognition” deals with recognition of revenue and established principles for reporting useful information to users of financial statements about the nature, amount of timing and uncertainty of revenue and cash flows arising from an entity’s contracts with customers. Revenue is recognised when a customer obtains control of a promised goods or services and thus has the ability to direct the use and obtain the benefits therein and reflects the consideration to which the entity expects to be entitled in exchange for those goods and services.

As per Ind AS 115 following is the process to be applied before revenue can be recognised:

- Identification of contracts with customers;
- Identification of the separate performance obligation;
- Determination of the transaction price of the contract;
- Allocation of the transaction price of the separate performance obligations; and
- Recognition of revenue as each performance obligation is satisfied.

a. i. Revenue from sale of traded goods recognised as follows:

Revenue is recognised when the control of the same is transferred to the customer and it is probable that the Company will collect the consideration to which it is entitled for the exchanged goods.

ii. Revenue from services is recognized as follows:

1. Cost plus contracts: Revenue from cost plus contracts is recognised over time and is determined with reference to the extent performance obligations have been satisfied. The amount of transaction price allocated to the performance obligations satisfied represents the recoverable costs incurred during the period plus the margin as agreed with the customer.
2. Fixed Price Contracts: Revenue from rendering of services is recognised over time as the customer receives the benefit of the Company’s performance and the Company has an enforceable right to payment for services transferred.

b. Interest Income:

Interest income from debt instruments is recognized using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying value of a financial asset. While calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options), but does not consider the expected credit losses.

c. Dividend Income:

Dividends are recognized in profit or loss only when the right to receive payment is established and the amount dividend can be reliably measured.

d. Rental Income:

Rental Income from operating leases is recognized on a straight-line basis over the lease term.

2.7 Inventories

Inventories are stated at the lower of cost and net realisable value. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale. Stock of provisions, stores and other consumables are valued at cost (average price) on FIFO basis.

2.8 Leases

The Company assesses at contract inception whether a contract is, or contains a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

a. Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

b. Right to use assets

The company recognises right of use assets as at the commencement date of lease (i.e., the date the underlying assets is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment of losses, and adjusted for any remeasurement of lease liabilities. The cost of right of use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

If ownership of the leased asset transfers to the company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the assets. The right-of-use assets are also subject to impairment.

c. Lease Liabilities

At the commencement date of the lease, the Company recognises the lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivables, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate.

After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments or a change in the assessment of an option to purchase the underlying asset. The company's lease liabilities are included in interest bearing loans and borrowings.

d. Short-term leases and leases of low-value assets.

The company applies the short-term lease recognition for leases that have a lease term 12 months or less from the commencement date and do not contain a purchase option.

2.9 Financial instruments Financial Assets

a. Initial recognition and measurement

All financial assets are recognized initially at fair value, in case financial assets are not recognized at fair value through profit and loss are recorded at transaction cost that is incurred for acquisition of a financial assets.

b. Subsequent measurement

For the purpose of subsequent measurement financial assets are categorized under three categories:-

- Financial assets amortized at cost.
- Financial assets at fair value through profit and loss (FVTPL).
- Financial assets at fair value through other comprehensive income (FVTOCI).

c. Financial assets amortized at cost

Financial assets are amortized at cost if both the following conditions are met:

- The assets are held in the business model whose objective is to hold assets for collecting contractual cash flows.
- Contractual terms of the assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- Amortized cost are amounts at which the financial assets are measured using initial recognition minus the repayment plus the interest using effective interest rate method, the EIR recognized in the financial income under profit and loss statements. The losses arising out of impairment are recognized in Statement of Profit and loss.

d. Debt instrument at FVTOCI

A debt instrument is measured at FVTOCI if both of the following conditions are met:

- The objective of the business model is achieved by collecting contractual cash flows and selling the financial assets, and the contractual cash flows represent slowly payment of principal and interest.
- Debt instrument included at FVTOCI category are initially as well as each reporting date at fair value. Fair value movements are recognized under other comprehensive income.

However, the Company recognizes interest income, impairment losses and reversals and foreign exchange gain and losses under profit and loss accounts. On de-recognition of the assets, cumulative gain and loss previously recognized in the OCI shall be reclassified to the Statement of Profit and Loss.

e. Equity instruments.

Investments in equity instruments of Joint venture associates and subsidiary are accounted at cost in the separate financial statement as per IND AS 27 investment in other equity instruments are carried at fair value.

f. Debt Instruments and derivatives at FVTPL.

FVTPL is a residual category for debt instruments. Any instrument fails to be categorized under FVTOCI are categorized under FVTPL.

Debt instruments included under the FVTPL category are measured at fair value with all the changes recognized under profit and loss statements, interest element under such instruments are presented under interest income.

g. De-recognition of financial assets

A financial instrument (where a part of financial assets or part of group of similar assets) is primarily derecognized when

- The right to receive cash flows are expired, or
- The company transferred the right to receive cash flows without delay, or the company has completely transferred the risk and reward of the assets.

h. Impairment of financial assets

- The Company has applied expected credit loss (ECL) for the measurement and recognition of the impairment loss of the following financial assets and credit exposure. The Company measures expected credit losses on a case to case basis.
- Financial assets are trade receivable, debt instruments, loans and cash deposits are measured at amortized cost.

i. Financial Liabilities

All Financial liabilities are accounted at Fair value upon initial recognition. The Company's financial liabilities include trade payable, other liabilities and borrowings.

j. Subsequent measurement

The measurement of financial liabilities depends upon their classification:

1. Financial liabilities at fair value through profit or loss

Financial liabilities are recognized at fair value through profit and loss includes financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit and loss.

2. Financial liabilities at amortized cost

Financial liabilities that are not held for trading or designated at initial recognition at fair value through profit and loss are measured at amortized cost at the end of the subsequent accounting period. The carrying amount of financial liabilities that are designated at amortized cost are determined based on effective interest rate method (EIR). Gain and losses are recognized in profit and loss when the liabilities are derecognized and through the EIR amortization process. Amortization cost is calculated by taking into account any discount or premium on acquisition fees and cost that are integral part of EIR. The EIR amortization is included as finance cost in statement of profit and loss.

3. De-recognition of financial liabilities

A financial liability is derecognized when the financial obligation is discharged or cancelled or expires, when the financial liability is replaced by the same lender on subsequently in different terms and the terms of the subsequent liabilities are modified, such an exchange or modification is treated as the original liability and recognition of the new liability. The difference in the respective carrying amount is recognized in statement of profit and loss statements.

k. Impairment of non-financial assets

At each reporting date the Company makes an assessment, whether there is an indication of impairment either internal or external exist, by which the actual carrying amount of the assets is higher than the recoverable amount of an assets or cash generating units. Recoverable amount is determined for individual assets, unless the assets don't generate cash flow that is largely independent of those from other assets or group of assets.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflect current market assessment of the time value money and the risk specific to the assets

2.10 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization. All other borrowing costs are recognized in the Statement of Profit and Loss in the period in which they are incurred.

2.11 Foreign Currency Transactions

The Company's financial statements are presented in Indian rupee (Functional Currency)

Transactions in foreign currencies are recorded at the exchange rates prevailing on the date of the transaction.

Monetary assets and liabilities denominated in foreign currency are translated at rates of exchange on the balance sheet date.

Non- Monetary items denominated in foreign currencies (such as investments, fixed assets) are valued at the exchange rate on the date of acquisition of the assets or incurrence of the liabilities.

Exchange differences arising on foreign currency transactions are recognised in the profit and loss account.

2.12 Taxes on income

a. Current Income Tax

Provision under current tax is made as per the provisions of the Income Tax Act, 1961.

Current income tax assets or liabilities are measured at the amount expected to be recovered or paid to the taxation authorities. The tax rate and tax laws used to compute the amount are those that are enacted or subsequently enacted at future date.

b. Deferred Tax

Deferred tax is recognized under balance sheet method for all taxable temporary differences between the tax bases of assets and liabilities and carrying amounts.

Deferred tax asset is recognized for all taxable temporary differences like Provision for employee benefits, unused tax losses and any unused tax credits.

The tax rate and tax laws used to compute the amount are those that are enacted or subsequently enacted at future date.

2.13 Earnings Per Share

Basic earnings per share amounts are computed by dividing net profit or loss for the year before comprehensive income attributable to equity shareholders by the weighted average number of shares outstanding during the year. Diluted earnings per share are computed and disclosed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the year.

2.14 Employee Benefits

a. Short-term Employee Benefits

Short-term Employee Benefits for Services rendered by employees are recognized as expenses during the period when the services are rendered.

b. Post -Employment Benefits

Defined Contribution Plan

d. Re-measurement of post-employment defined benefit plans

Re-measurement comprises of actuarial gain and losses, the effect of changes in assets ceiling (excluding amount included in the net interest on net defined benefit liability) and the return on plan assets (excluding amounts included in net interest in net defined liability), are recognized immediately in the balance sheet with a corresponding debit or credit to the Other Comprehensive Income (OCI) in the period in which they occur, re measurement are not reclassified to profit and loss accounts subsequently.

2.15 Fair value measurement

The company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that the market participants act in their economic best interest.

2.16 Provisions, Contingent Liabilities and Contingent Assets

Provisions

A provision is recorded when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognized as interest expenses.

Contingent Liabilities

Wherever there is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognized because:

it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or

the amount of the obligation cannot be measured with sufficient reliability.

Contingent assets are neither recognized nor disclosed.

2.17 Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

Cash and Cash Equivalents

Cash and Cash equivalents comprise cash in hand, demand deposits with banks or corporations and short term highly liquid investments (original maturity less than 3 months) that are readily convertible into known amounts of cash and are subject to an insignificant risk of change in value.

2.18 Events after reporting period

Where events occurring after the Balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size of nature are only disclosed.

2.19 Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

INDEPENDENT AUDITOR'S REPORT FOR THE YEAR ENDED 31ST MARCH 2023

TO THE MEMBERS OF APOLLO SINDOORI HOTELS LIMITED

Report on the audit of the consolidated financial statements

Opinion

We have audited the consolidated financial statements of Apollo Sindoori Hotels Limited ("the Parent Company") and its subsidiaries (the Parent Company and its subsidiaries together referred to as the "Group"), which comprise the Consolidated Balance Sheet as at 31st March 2023, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and Notes to the Consolidated Financial Statements, including a summary of the Significant Accounting Policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March 2023, the consolidated profit, the consolidated total comprehensive income, the consolidated changes in Equity, and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements" section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Consolidated Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

S. No	Key Audit Matter	Response to Key Audit Matter
1.	Acquisition of control over joint venture entity: During the year the group acquired control over its joint venture entity by buying the equity shares held by its joint partner. We consider this to be a key audit matter considering the amount of investment made.	Our principal audit procedures included: Verification of the accounting treatment followed for acquisition of control to evaluate whether the requirements of IndAS 110 - Consolidated Financial Statement and IndAS 103 - Business Combinations
2.	<u>Revenue recognition:</u> Considering the nature of businesses of the Group, distributed operating locations and quantum of revenue reported, we considered revenue recognition to be a key audit matter	Our audit procedures included 1. Test of controls to evaluate the design and operating effectiveness of internal financial controls governing revenue recognition which included assessment of the billing-software and cashiering process. 2. Test of details to examine the accuracy and completeness of the revenue recognized.

Information other than the Consolidated Financial Statements and Auditor's report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the annual report but does not include the Consolidated Financial Statements and our auditor's report thereon. The Company's annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information, and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

Management's responsibility for the Consolidated Financial Statements

The Parent Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group, in accordance with the accounting principles generally accepted in India, including the accounting standards specified under Section 133 of the Act.

The respective Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group, and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Parent Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Boards of Directors of the Companies included in the Group, are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless respective board of directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group is also responsible for overseeing the financial reporting process of each company.

Auditor's responsibilities for the audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements, in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, whose financial statements have been audited by other auditors, such auditor remains responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The financial results of two wholly owned subsidiaries included in the consolidated financial statements reflected total income of Rs. 23,190.08 lakhs, total net profit after tax of Rs. 606 lakhs and total comprehensive income of Rs. 654 lakhs for the year ended March 31, 2023 before consolidation adjustments respectively. The independent auditor's report on the financial statements of these subsidiaries have been furnished to us and our opinion on the consolidated financial statements, in so far it relates to the amounts and disclosures included, is based solely on the report of such auditors and the procedures performed by us as stated in the paragraph above.

Our opinion on the Consolidated Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done by and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditors on the separate financial statements of the subsidiaries incorporated in India referred to in the Other Matters section above we report, to the extent applicable that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the Consolidated Financial Statements
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.

- (d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the Directors of the Parent Company as on 31st March 2023, taken on record by the Board of Directors of the Parent Company and the report of the statutory auditors of the subsidiaries incorporated in India, none of the Directors of the Group, is disqualified as on 31st March 2023 from being appointed as a Director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" which is based on the auditors' reports of the Parent and subsidiary companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls over financial reporting of those companies.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Parent Company to its Directors during the year is in accordance with the provisions of Section 197 of the Act.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Consolidated Financial Statements disclose the impact of pending litigations on the financial position of the Group. Refer note 38 to the consolidated financial statements.
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Parent Company and its subsidiaries incorporated in India.
- (i) i. The management of the Parent Company represented that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Parent Company or any of its subsidiary companies incorporated in India to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Parent Company or any of its subsidiary companies incorporated in India ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- ii. The management of the Parent Company represented that, to the best of their knowledge and belief, no funds have been received by the Parent Company or any of its subsidiary companies incorporated in India from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or any of its subsidiary companies incorporated in India shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- iii. Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.
- (j) The dividend declared by the Parent Company and subsidiaries during the year is in compliance with the provisions of Companies Act, 2013 to the extent applicable.
- (k) As proviso to rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable for the Parent Company or any of its subsidiary companies incorporated in India only with effect from 1 April 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is not applicable.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

(Referred to in paragraph 1 (f) under "Report on Other Legal and Regulatory Requirements"
section of our report to the Members of Apollo Sindoori Hotels Limited of even date)

Report on the Internal Financial Controls with reference to financial statements under Section 143(3)(i) of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Ind AS Consolidated Financial Statements of the Company as of and for the year ended 31st March 2023, we have audited the internal financial controls with reference to financial statements of Apollo Sindoori Hotels Limited ("the Company") and relied on the reports of the independent auditors of its subsidiary entities.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Company and its subsidiaries, which are companies incorporated in India, is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls with reference to financial statements, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were in place and if such controls were operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and that obtained by other auditors in terms of their report referred to in the "Other Matters" paragraph in our Independent Auditor's Report, is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial controls with reference to financial statements are designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that

- a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- c) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Parent Company and its subsidiaries have, in all material respects, adequate internal financial controls with reference to the financial statements and such internal financial controls were operating effectively as at 31st March 2023, based on the internal control with reference to financial statements criteria established by the Company and its subsidiaries, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to 2 subsidiary companies, which are companies incorporated in India, is based solely on the corresponding reports of the auditors of such companies incorporated in India. Our opinion is not modified in respect of the above matter.

Note 1: CORPORATE INFORMATION AND SIGNIFICANT ACCOUNTING POLICIES

1 Background

Apollo Sindoori Hotels Limited ("the Company") and its subsidiaries (collectively known as the 'Group') headquartered in Chennai is engaged in the business of managing food outlets at institutions especially hospitals, clinical nutrition, facilities management and outsourcing services.

2 Basis of preparation and presentation

Statement of Compliance

The Consolidated financial statements of the company have been prepared in accordance with the Indian Accounting Standards (IND AS) notified under section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015 and relevant provisions of the act.

The Consolidated financial statements for the year ended 31st March 2023 were authorized and approved for issue by the Board of Directors on 19th May 2023 and is subject to adoption by shareholders in the ensuing Annual General Meeting

Application of new and revised Indian Accounting Standards (Ind AS)

All the Ind AS issued and notified by the Ministry of Corporate Affairs under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) till the standalone financial statements are authorized have been considered in preparing these standalone financial statements.

Ministry of Corporate Affairs "MCA" has notified the following new amendments to INDAS which the Company has not applied as they are effective for annual periods beginning on or after April 1, 2023

Amendment to IND AS 1 "Presentation of Financial Statement"

The amendments require companies to disclose their material accounting policies rather than their significant accounting policies. Accounting policy information is material if, together with other information can reasonably be expected to influence decisions of primary users of general purpose financial statements. The Company does not expect this amendment to have any significant impact in its financial statements.

Amendment to Ind AS 12 "Income Taxes"

The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences. The Company does not expect this amendment to have any significant impact in its financial statements.

Amendment to Ind AS 8 "Accounting Policies, Changes in Accounting Estimates and Errors"

The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are "monetary amounts in financial statements that are subject to measurement uncertainty". Entities use measurement techniques and inputs to develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty. The Company does not expect this amendment to have any significant impact in its financial statements.

The Consolidated financial statements have been prepared on historical cost basis, except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take

those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 116, and measurements that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

Use of estimates:

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. The management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in the current and future period.

This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in the relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas where significant estimates were made by the management are:

- i) Defined employee benefit obligations- Refer Note No 12
- ii) Estimation of useful life of Property, Plant and Equipment Refer Note No 3.1
- iii) Estimation and evaluation of provisions and contingencies relating to tax litigations Refer Note No 9
- iv) Recoverability/Recognition of Deferred Tax Assets Refer Note No 9.2

3 Significant Accounting Policies

3.1 Property Plant and equipment

The cost of an item of Property, Plant and equipment (PPE) is recognized as assets if, and only if:

- i) It is probable that future economic benefits associated with the item will flow to the entity.
- ii) The cost of the item can be reliably measured.

3.1.1 The cost of property, plant and equipment at stated at cost, less accumulated depreciation, amortization and cumulative impairment.

3.1.2 The cost of the Property, plant and equipment comprises of purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates and also includes any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

3.2 Intangible assets

3.2.1 Purchased Intangible assets:

Intangible assets are recognized as an asset if they meet the criteria for recognition under IndAS-38. Intangible assets are recorded at cost less amortization and accumulated impairment, if any. Amortization is provided on a straight-line basis over estimated useful lives of the intangible assets not exceeding 3 years.

- 3.2.2** The amortization period for intangible assets with finite useful lives is reviewed at least at each year-end. Changes in expected useful lives are treated as changes in accounting estimates.

3.3 Depreciation/ Amortization

Cost of property, plant and equipment is depreciated on a straight line basis over the useful lives of the assets prescribed in Schedule II of the Companies Act, 2013.

Residual value is generally considered between 0-5 percent of cost of assets.

Gain or losses arising from de-recognition of property, plant, equipment are measured as the difference between the net disposal proceeds and the carrying amount of the assets and are recognized in the statements of profits or loss when the assets are derecognized.

Intangible assets are amortized equally over the estimated useful life not exceeding three years.

4 Inventories

Inventories are stated at the lower of cost and net realisable value. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale. Stock of provisions, stores and other consumables are valued at cost on FIFO basis.

5 Leases

The Company assesses at contract inception whether a contract is, or contains a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right to use assets

The company recognises right of use assets as at the commencement date of lease (i.e. the date the underlying assets is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment of losses, and adjusted for any remeasurement of lease liabilities. The cost of right of use assets includes the amount of lease liabilities recognised, initial direct costs incurred and lease payments made at or before the commencement date less any lease incentives received. Right-of-use are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

If ownership of the leased asset transfers to the company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the assets. The right-of-use assets are also subject to impairment.

Lease Liabilities

At the commencement date of the lease, the Company recognises the lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivables, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by

the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate.

After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments or a change in the assessment of an option to purchase the underlying asset. The company's lease liabilities are included in interest bearing loans and borrowings.

Short-term leases and leases of low-value assets.

The company applies the short-term lease recognition for leases that have a lease term 12 months or less from the commencement date and do not contain a purchase option.

6 Impairment of non-financial assets

At each reporting date the Company makes an assessment, whether there is an indication of impairment either internal or external exist, by which the actual carrying amount of the assets is higher than the recoverable amount of an assets or cash generating units. Recoverable amount is determined for individual assets, unless the assets don't generate cash flow that is largely independent of those from other assets or group of assets.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflect current market assessment of the time value money and the risk specific to the assets.

7 Foreign exchange transactions

- 7.1 The Company's financial statements are presented in Indian rupee (Functional Currency)
- 7.2 Transactions in foreign currencies are recorded at the exchange rates prevailing on the date of the transaction.
- 7.3 Monetary assets and liabilities denominated in foreign currency are translated at rates of exchange on the balance sheet date.
- 7.4 Non- Monetary items denominated in foreign currencies (such as investments, fixed assets) are valued at the exchange rate on the date of acquisition of the assets or incurrence of the liabilities.
- 7.5 Exchange differences arising on foreign currency transactions are recognised in the profit and loss account.

8 Revenue Recognition

Ind AS 115 "Revenue Recognition" deals with recognition of revenue and established principles for reporting useful information to users of financial statements about the nature, amount of timing and uncertainty of revenue and cash flows arising from an entity's contracts with customers. Revenue is recognised when a customer obtains control of a promised goods or services and thus has the ability to direct the use and obtain the benefits therein and reflects the consideration to which the entity expects to be entitled in exchange for those goods and services.

As per Ind AS 115 following is the process to be applied before revenue can be recognised:

- Identification of contracts with customers;
- Identification of the separate performance obligation;
- Determination of the transaction price of the contract;
- Allocation of the transaction price of the separate performance obligations; and
- Recognition of revenue as each performance obligation is satisfied.

Revenue from sale of traded goods recognised as follows:

Revenue is recognised when the control of the same is transferred to the customer and it is probable that the Company will collect the consideration to which it is entitled for the exchanged goods.

Revenue from services is recognized as follows:

1. **Cost plus contracts:** Revenue from cost plus contracts is recognised over time and is determined with reference to the extent performance obligations have been satisfied. The amount of transaction price allocated to the performance obligations satisfied represents the recoverable costs incurred during the period plus the margin as agreed with the customer.
2. **Fixed Price Contracts:** Revenue from rendering of services is recognised over time as the customer receives the benefit of the Company's performance and the Company has an enforceable right to payment for services transferred.

Interest Income:

Interest income from debt instruments is recognized using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying value of a financial asset. While calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options), but does not consider the expected credit losses.

Dividend Income:

Dividends are recognized in profit or loss only when the right to receive payment is established and the amount of dividend can be reliably measured.

Rental Income:

Rental Income from operating leases is recognized on a straight-line basis over the lease term.

9 Taxes on income

9.1 Current Income Tax

Provision under current tax is made as per the provisions of the Income Tax Act, 1961.
