LETTER TO SHAREHOLDERS

Dear Shareholders,

On behalf of the board of director of our company, it is great pleasure for me to extend a very warm welcome to each one of you at the 19th Annual General Meeting of our company.

We take immense pleasure by sharing with you about the performance of our company and present the Annual Report for the financial year 2023-2024.

We would like to state that this year due to recession in textile industry hampers the profitability of the company upto the mark even though we have achieved the financials as compare to the last year.

Our Company engaged in the manufacturing of cotton yarn, cotton bales, oil cake and oil seeds. Over the years we believe that we have established a strong customer base and good marketing setup. Further, our group has sufficient marketing expertise and wide marketing network, which is and would be channelled for our business and future expansion, if any. We have dedicated divisions for marketing different types of products and for different geographical locations. The sales division and export division are responsible for marketing of our products. All the divisions have well trained and adequate teams to handle daily activities and are supervised regularly.

We would like to assure that we will continuously seek opportunities and make our best efforts to contribute towards the growth and success of the organization.

We are planning to diversify our business to healthcare sector also, so we are going to start the production setup for manufacturing of surgical cotton.

I thank all valued shareholders of the Company for their confidence and trust and we assure that all efforts shall be put forth for achieving greater heights in future and shareholders can look forward for robust growth of our Company in the years to come.

I would like to thank our employees for their persistent efforts, Board for their guidance and support and all our stakeholders for their consistent support and encouragement in all our endeavours. We continue to look forward to your guidance and support, motivating us to reach newer heights.

**With warm regards
Yours Sincerely**

Management Discussion Analysis:

1. Overall Review / Industry Structure and development

Company engaged in the business of cotton yarn manufacturing; our production facilities located in cotton growing areas of Marathwada region at Samangaon which is situated in the Jalna district of State of Maharashtra. We are manufacturer of yarn and we have an existing Ring spinning & open-end unit to cater to the yarn markets in Maharashtra and Gujarat. Our business is spread among home textiles, weaving sector, Denim Manufactures and hosiery manufacturers through open end yarn and ring spun yarn. we are manufacturing premium quality 100% cotton combed and carded hosiery/ warp conventional, organic and BCI yarn in count range of 10s Ne to 40s Ne for the purpose of exporting to Asian and European countries.

Company was established in year 2008 with a capacity of 13200 spindles. Over the years we have expanded upto 16800 spindels with compact, lycra and slub attachment. Addition to this we have set up open end unit with 1824 Rotors. We believe that we have established a strong customer base and good marketing setup.

Our plant is equipped with state-of-art latest machineries of international repute. The plant is equipped with fully automatic, dust and pollution, modern colour contamination removal and yarn conditioning systems. Our technical team in spinning is well equipped with modern spinning technology and processing techniques by virtue of which we are able to ensure quality yarn. Operators are committed and they are trained in European training methods for efficient and quality work.

Company's operations are supported by modern testing instruments installed in its quality assurance laboratory, includes UT- 5 (Uster Switzerland), HVI, Single Yarn Tester, Aqura Process Control Management (Premium India). Beside of these basic instruments from Statex, Online Contamination Removal System SIRO facility at Autowinder maintains the contamination free world class premium quality cotton, yarns and garments.

We enjoy accreditations, such as the ISO 9001: 2008 certification for Quality Management System from Moody International, Certificate of Global Organic Textile Standards (GOTS) issued by Control Union Certification (Netherlands). Ginning & Spinning unit is certified by Control Union, for organic processing and Trading. Ginning & Pressing unit, 4 Star rating which is certified by Textiles Committee, BCI (Better Cotton Initiative) certified, by Better Cotton Initiative, Switzerland & star export house status. In this year we also got OEKO-TEX certificate to cater European customers.

OPPORTUNITIES AND THREATS

There is good scope for growth for the textile industry as India's share in the global trade textiles is weak compared to other countries. The free trade environment is a great opportunity for the Indian textile industry to increase its share in the global market. Chinese exports are slowing down on account of various factors inclusive of increase in domestic demand and rising costs. This is a good opportunity of which our textile industry should make use but smaller countries like Bangladesh, and Vietnam etc. are becoming formidable challengers.

I. Market access through bilateral negotiation

The trade is growing between regional trade blocs due to bilateral agreements between Participating countries.

II. Integration of Information technology

'Supply Chain Management' and 'Information Technology' has a crucial role in textile Manufacturing. Availability of EDI (Electronic Data Interchange), makes communication fast, easy, transparent and reduces duplication.

III. Opportunity in High Value Items

India has the opportunity to increase its UVR's (Unit Value Realization) through moving up the value chain by producing value added products and by producing more and more technologically superior products.

THREATS

Competition among spinners as the expansion is going on throughout industry, International trade war, etc However, we are making all out efforts to cope with all these challenges by continuous efforts at cost reduction, process improvements, diversification of products and improving productivity by improving efficiencies, and searching PAN India customers and also export market for selling of yarn.

2. SEGMENT REVIEW AND ANALYSIS

The entire operations of the Company relate to viz Textiles includes cotton lint, cotton yarn, therefore, segment/product-wise details are not applicable.

3. RISK AND CONCERNS

Although cotton textile is one of the most important industries of India, it suffers from many problems. The fluctuation in the currency especially against the dollar is becoming problematic for long term booking of orders. Cotton prices are too much volatile etc.

4. STRENGTH AND WEAKNESS

1. STRENGTH

I. Established marketing set-up

We are engaged in the processing of textiles since incorporation. Over the years we believe that we have established a strong customer base and good marketing setup. Further, our group has sufficient marketing expertise and wide marketing network, which is and would be channelled for our business and future expansion, if any. We have dedicated divisions for marketing different types of products and for different geographical locations. The sales division and export division are responsible for marketing of our products and fabrics. All the divisions have well trained and adequate teams to handle daily activities and are supervised regularly.

II. Locational advantage of our manufacturing unit

Our factory is located in the middle of cotton growing areas of Marathwada and Vidarbha region at Samangaon, 12 km away from Jalna. About seventy-five (75%) of the State of Maharashtra's raw cotton production i.e., 50 lakh bales area production is in this zone out of which Jalna district accounts to approx. 5-6 lakh bales. Thus, procurement of these raw materials is less time consuming and comparatively cheaper due to savings on freight. Jalna is connected to various railway station and roads throughout India. Also, ICD Maliwada, Aurangabad is the nearest depot through which export containers are loaded and is directly linked to JNPT and Navasheva ports at Mumbai, which are only 400 km from Jalna. The Central government has recently approved the dry port for handling the export containers located near Jalna, this will reduce the cost of logistics for exporting the yarn.

III. Scalable business model

Our business model is order driven, and comprises of optimum utilization of our resources processing facilities, maximum capacity utilization, developing linkages with quality raw material suppliers and achieving consequent economies of scale. We believe that this business model has proved successful and scalable for us in the last few financial years. We have been successful in scaling up our business mainly due to the development of new markets, by adopting aggressive marketing of the product, innovation in the product range and by maintaining consistent quality of our products.

IV. Management expertise

Our management has adequate and rich experience in the textile business for more than a decade. Our Company is managed by a team of experienced personnel. The team comprises of personnel having operational and business development experience. We believe that our management team's experience and their understanding of the textile industry will enable us to continue to take advantage of both current and future market opportunities. Our Management's experience and knowledge enables us in addressing and mitigating various risks inherent in our business, including competition, reliance on independent contractors, the global economic crisis related effects and fluctuations in the prices.

WEAKNESS:

- I) **Fluctuation in prices of cotton.**
- II) **Volatility in the currency**

INDEPENDENT AUDITOR'S REPORT

To the Members of
LAXMI COTSPIN LIMITED.

Report on the Audit of the Standalone Financial Statements**Opinion**

We have audited the standalone financial statements of **LAXMI COTSPIN LIMITED** ("the Company"), which comprise the Standalone Balance Sheet as at March 31, 2024, the Standalone Statement of Profit and Loss (including other comprehensive income), Standalone statement of changes in equity and Standalone statement of cash flows for the year ended and a summary of material accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024 and loss and total comprehensive income (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be key audit matters to be communicated in our report.

Sr No	Key Audit Matter	Auditor's Response
1	<p>Valuation accuracy completeness and disclosures pertaining to inventories with reference to IND AS 2.</p> <p>Inventories constitute material components of the Standalone Financial Statement. Correctness, completeness, and valuation are critical for reflecting true and fair financial results of operations.</p>	<p>Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows:</p> <ul style="list-style-type: none"> • We assessed the company's process regarding maintenance of records, valuation and accounting of transactions relating to inventory as per Ind AS 2. • We have evaluated the design of internal controls relating to recording and valuation of inventory. • We have carried out substantive audit procedures at financial and assertion level to verify the allocation of overheads to inventory.
2	<p>Recognition of government grant received as per Ind AS 20.</p> <p>The company has been granted a capital subsidy of Rs. 5.94 crores.</p> <p>The company has booked an income of Rs. 4.26 crores in the year under consideration and a deferred government grant has been booked for the remaining portion of such grant.</p> <p>Recognition and measurement of the grant relating has been done as per the accounting treatment mentioned in the Indian Accounting Standard 20.</p> <p>We have identified recognition of grant as a key audit matter in view of the materiality of the amount involved.</p>	<p>Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows:</p> <ul style="list-style-type: none"> • Review the terms & conditions outlined in the grant agreement to ensure compliance and to verify if the eligibility criteria is met. • Understood the process of recognition of such grant in the books of accounts. • Tested the computation of recognition of grant and it's treatment in the books of accounts.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for other information. The other information comprises the information included in the management Discussion and Analysis, Board's Report Including Annexures to Board's Report, Business Responsibility Report, Corporate Governance

Report, and Shareholder Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the standalone financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Managements' Responsibilities for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risk of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or

the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether adequate internal financial controls systems in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatement in the standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in, (i) Planning the scope of our audit work and in evaluating the results of our work; and (ii) To evaluate the effect of any identified misstatement in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we may have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure 'A'** statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Company has no branches hence, the provisions of section 143(3)(c) is not applicable.
 - d) The standalone Balance Sheet, the standalone Statement of Profit and Loss including other

comprehensive income, standalone Statement of changes in equity and the standalone statement of Cash Flows dealt with by this Report are in agreement with the books of accounts.

- e) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- f) On the basis of the written representations received from the directors as on 31st March 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **"Annexure B"**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the company's internal financial controls over financial reporting.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- i) There is not any qualification, reservation or adverse remark relating to maintenance of accounts and other matters connected therewith.
- j) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations in Note no 2.2 on its financial position in its standalone financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring the amounts required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv.
 - a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Holding Company or its subsidiary companies and joint venture company incorporated in India or
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
 - b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in

writing or otherwise, that the Company shall:

- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Funding Parties or
 - provide any guarantee, security, or the like from or on behalf of the Ultimate Beneficiaries.
- c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of rule 11(e) as provided under clause (a) and (b) contain any material misstatement.
- v. No dividend has been declared or paid during the year by the company.
- vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account for the financial year ended March 31, 2024, which has a feature of recording audit trail (edit log) facility and the same has been operative from 31st July 2023 for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023 reporting under Rule 11(g) of the companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

Annexure “B” to the Independent Auditor’s Report

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the members of Laxmi Cotspin Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”).

We have audited the internal financial controls over financial reporting of **LAXMI COTSPIN LIMITED** (the “Company”) as of March 31, 2024, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting with reference to financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of the management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Laxmi Cotspin Limited

Notes to the Standalone financial statement as at and for the year ended 31st March, 2024

1) Overview:

i) Laxmi Cotspin Limited (hereinafter referred as an "LCL") was originally incorporated under the Companies Act, 1956, as private limited company. In the year 2010, the management decided to go for expansion and the company was converted into a public Limited company and consequently the name of the company was changed to Laxmi Cotspin Limited pursuant to fresh certificate of incorporation issued by Registrar of Companies Mumbai, Maharashtra. LCL has spinning unit of 16,800 spindles and 48 DR Ginning & Pressing unit at Samangaon, Dist. Jalna (Maharashtra).

2) Basis for Preparation:

a) Statement of Compliance:

The financial statements comply in all material aspects with Indian Accounting Standards notified under Section 133 of the Companies Act 2013 (the Act), read with Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other accounting principles generally accepted in India (referred "Ind AS").

b) Functional and presentation currency:

These standalone financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency.

c) Historical cost convention

These financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities that are measured at fair value.

d) Current and Non-Current Classification:

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is current when it is:

- Expected to be realised or intended to be sold or consumed in the normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalents unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current assets.

A liability is current when:

- It is expected to be settled in the normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are non-current liabilities.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The Ind AS are prescribed under section 133 of the act read with rule 3 of companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The operating cycle of an entity is the time between the acquisition of assets for processing and their realization in the form of cash or cash equivalents. The Company has determined that its operating cycle is 12 months.

e) Foreign currency translation

Functional and presentation currency

'The items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the company operates (that is, 'functional currency'). The financial statements are presented in INR which is the Company's functional and presentation currency.

Transactions and balances

'Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. f) Use of Estimates:

The preparation of financial statements in conformity with Indian Accounting Standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent liabilities and commitments at the end of the reporting period and results of operations during the reporting period. Although these estimates are based upon the management's best knowledge of current events and actions, actual results could differ from these estimates. Difference between the actual result and estimates are recognized in the period in which the results are known/ materialized.

g) Useful lives of Property , Plant and Equipment:

The Company estimates the useful lives of property, plant and equipment based on the period over which the assets are expected to be available for use. The estimation of the useful lives of property, plant and equipment is based on collective assessment of industry practice, internal technical evaluation and on the historical experience with similar assets. It is possible, however, that future results from operations could be materially affected by changes in estimates brought about by changes in factors mentioned above. The amounts and timing of recorded expenses for any period would be affected by changes in these factors and circumstances. The estimated useful lives are reviewed periodically and are updated if expectations differ from previous estimates due to physical wear and tear, technical obsolescence and legal or other limits on the use of the assets.

h) Provisions, contingent liabilities and Contingent Assets

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognised in the standalone financial statements. Contingent assets are neither recognised nor disclosed in the standalone financial statements

Total	5384.44	4776.24

The management assessed that the fair value of cash and cash equivalent, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short term maturities of these instruments.

The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair values since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

Level 1 - Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2 - The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3 - If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3.

iii. Valuation technique used to determine fair value

Specific Valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of interest rate swaps is calculated as the present value of the estimated future cash flows based on observable yield curves
- the fair value of forward foreign exchange contracts and principal swap is determined using forward exchange rates at the balance sheet date
- the fair value of foreign currency option contracts is determined using discounted cash flow analysis

- the fair value of the remaining financial instruments is determined using discounted cash flow analysis

iv. Valuation processes

The accounts and finance department of the company includes a team that performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. This team reports directly to the chief financial officer (CFO) and the audit committee. Discussions of valuation processes and results are held between the CFO, AC and the valuation team regularly in line with the company's reporting requirements.

xi) Risk Management Framework

1. Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including loans and borrowings, foreign currency receivables and payables.

The Company manages market risk through treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommends risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures and borrowing strategies."

2. Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is not exposed to significant interest rate risk as at the respective reporting dates.

3. Foreign Currency Risk

The Company's exposure to exchange fluctuation risk is very limited for its purchase from overseas suppliers in various foreign currencies. Foreign Currency Risk is risk that fair value or future cash flows of an exposure will fluctuate due to changes in foreign exchanges rates. The Company entered into forward exchanges contract average maturity of 90-180 days to hedge against its foreign currency exposures relating to underlying liabilities firm commitments. The Company has not entered into any Derivatives instruments for trading and speculative purposes.

4. Credit Risk

Credit risk refers to the risk of default on its obligation by the counter party resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to Rs. 383.47 lakhs and Rs. 623.68 lakhs as of March 31, 2024 and March 31, 2023 respectively. Trade receivables are typically unsecured and are derived from revenue earned from customers. Credit risk has always been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business. On account of adoption of Ind AS 109, the Company uses expected credit loss model to assess the impairment loss or gain. The Company uses a provision matrix to compute the expected credit loss allowance for trade receivables. The provision matrix takes into account available external and internal credit risk factors and the Company's historical experience for customers.

5. Liquidity Risk

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Company believes that the working capital is sufficient to meet its current requirements. Accordingly, no liquidity risk is perceived.

As of 31st March 2024, The Company had a working capital of Rs. 2843.44 Lakhs including cash and cash equivalent of Rs. 84.04 Lakhs.

As of 31st March 2023, The Company had a working capital of Rs. 2751.82 Lakhs including cash and cash equivalent of Rs. 16.70 Lakhs."

7. Capital Management

The Company manages its capital to ensure that Company will be able to continue as going concern while maximizing the return to shareholders by striking a balance between debt and equity. The capital structure of the Company consists of net debts (offset by cash and bank balances) and equity of the Company (Comprising issued capital, reserves, retained earnings). The Company is not subject to any externally imposed capital requirements except financial covenants agreed with lenders.

In order to optimize capital allocation, the review of capital employed is done considering the amount of capital required to fund capacity expansion, increased working capital commensurate with increase in size of business and also fund investments in new ventures which will drive future growth. The Chief Financial Officer ("CFO") reviews the capital structure of the Company on a regular basis. As part of this review, the CFO considers the cost of capital and the risks associated with each class of capital."

INDEPENDENT AUDITOR'S REPORT

To the Members of
LAXMI COTSPIN LIMITED.

Report on the Audit of the Consolidated Ind AS Financial Statements**Opinion**

We have audited the Consolidated Ind AS Financial Statements of Laxmi Cotspin Limited ("the Holding Company") and its subsidiary (the Holding Company & its subsidiaries), which comprise of the Consolidated Balance Sheet as at March 31, 2024, the Consolidated Statement of Profit and Loss (including other comprehensive income), consolidated statement of changes in equity and consolidated statement of cash flows for the year ended and a summary of material accounting policies and other explanatory information (hereinafter referred to as the "consolidated Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Companies Act, 2013("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and loss and total comprehensive income (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for other information. The other information comprises the information included in the management Discussion and Analysis, Board's Report Including Annexures to Board's Report, Business Responsibility Report, Corporate Governance Report, and Shareholder Information, but does not include the consolidated Ind AS financial statements and our auditor's report thereon.

Our opinion on the Consolidated Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated Ind AS financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially

inconsistent with the Consolidated Ind AS Financial Statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Managements and Board of Director's Responsibilities for the Consolidated Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risk of material misstatement of the Consolidated Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design

audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether adequate internal financial controls systems in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Ind AS Financial Statements, including the disclosures, and whether the Consolidated Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatement in the Consolidated Ind AS Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in, (i) Planning the scope of our audit work and in evaluating the results of our work; and (ii) To evaluate the effect of any identified misstatement in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we may have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

1. The Consolidated Financial Statements include the financial statements / financial information of 2 subsidiaries, whose audited standalone / consolidated financial statements / financial information reflect total assets of Rs. 17.62 lakhs as at 31st March, 2024. subsidiaries is based solely on the reports of the other auditors.

Our opinion on the Consolidated Financial Statements above and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure 'A'** statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Ind AS Financial statements.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including other comprehensive income, Consolidated Statement of changes in equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the books of accounts.
 - d) In our opinion, the aforesaid Consolidated Ind AS Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on 31st March 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended,

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There has been no delay in transferring the amounts required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. The dividend has not been declared or paid during the year by the Holding Company and hence are in compliance with Section 123 of the Act. The subsidiary company incorporated in India have neither declared nor paid any dividend during the year.
- v. Based on our examination, which included test checks and that performed by the respective auditors of the subsidiary which are companies incorporated in India whose financial statements have been audited under the Act, the Holding Company and its subsidiaries incorporated in India have used accounting software for maintaining books of account which have a feature of recording audit trail (edit log) facility and that have operated from July 31st, 2023 in Holding Company, and not maintained in subsidiary throughout the year.

Annexure “B” to the Independent Auditor’s Report

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the members of Laxmi Cotspin Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”).

We have audited the internal financial controls over financial reporting of LAXMI COTSPIN LIMITED (the “Holding Company”) as of March 31, 2024, in conjunction with our audit of the Consolidated Ind AS Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The respective Company’s Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the respective company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting with reference to financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting

principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of the management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1) Overview:

i) Laxmi Cotspin Limited (hereinafter referred as an "LCL") was originally incorporated under the Companies Act, 1956, as private limited company. In the year 2010, the management decided to go for expansion and the company was converted into a public Limited company and consequently the name of the company was changed to Laxmi Cotspin Limited pursuant to fresh certificate of incorporation issued by Registrar of Companies Mumbai, Maharashtra. LCL has spinning unit of 16,800 spindles and 48 DR Ginning & Pressing unit at Samangaon, Dist. Jalna (Maharashtra).

2) Basis for Preparation:

a) Statement of Compliance:

The financial statements comply in all material aspects with Indian Accounting Standards notified under Section 133 of the Companies Act 2013 (the Act), read with Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other accounting principles generally accepted in India (referred "Ind AS").

b) Functional and presentation currency:

These Consolidated financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency.

c) Historical cost convention

These financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities that are measured at fair value.

d) Current and Non-Current Classification:

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is current when it is:

- Expected to be realised or intended to be sold or consumed in the normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalents unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current assets.

A liability is current when:

- It is expected to be settled in the normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are non-current liabilities.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The Ind AS are prescribed under section 133 of the act read with rule 3 of companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The operating cycle of an entity is the time between the acquisition of assets for processing and their realization in the form of cash or cash equivalents. The Company has determined that its operating cycle is 12 months.

e) **Foreign currency translation**

Functional and presentation currency

'The items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the company operates (that is, 'functional currency'). The financial statements are presented in INR which is the Company's functional and presentation currency.

Transactions and balances

'Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in profit or loss.

f) **Use of Estimates:**

The preparation of financial statements in conformity with Indian Accounting Standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent liabilities and commitments at the end of the reporting period and results of operations during the reporting period. Although these estimates are based upon the management's best knowledge of current events and actions, actual results could differ from these estimates. Difference between the actual result and estimates are recognized in the period in which the results are known/ materialized.

g) **Useful lives of Property , Plant and Equipment:**

The Company estimates the useful lives of property, plant and equipment based on the period over which the assets are expected to be available for use. The estimation of the useful lives of property, plant and equipment is based on collective assessment of industry practice, internal technical evaluation and on the historical experience with similar assets. It is possible, however, that future results from operations could be materially affected by changes in estimates brought about by changes in factors mentioned above. The amounts and timing of recorded expenses for any period would be affected by changes in these factors and circumstances. The estimated useful lives are reviewed periodically and are updated if expectations

differ from previous estimates due to physical wear and tear, technical or commercial obsolescence and legal or other limits on the use of the assets.

h) Provisions, contingent liabilities and Contingent Assets:

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognised in the Consolidated financial statements. Contingent assets are neither recognised nor disclosed in the Consolidated financial statements

Total	5384.44	4767.39

The management assessed that the fair value of cash and cash equivalent, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short term maturities of these instruments.

The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair values since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

Level 1 - Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2 - The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3 - If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3.

iii. Valuation technique used to determine fair value

Specific Valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of interest rate swaps is calculated as the present value of the estimated future cash flows based on observable yield curves
- the fair value of forward foreign exchange contracts and principal swap is determined using forward exchange rates at the balance sheet date

- the fair value of foreign currency option contracts is determined using discounted cash flow analysis
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis

iv. Valuation processes

The accounts and finance department of the company includes a team that performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. This team reports directly to the chief financial officer (CFO) and the audit committee. Discussions of valuation processes and results are held between the CFO, AC and the valuation team regularly in line with the company's reporting requirements.

xi) Risk Management Framework

1. Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including loans and borrowings, foreign currency receivables and payables.

The Company manages market risk through treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommends risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures and borrowing strategies."

2. Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is not exposed to significant interest rate risk as at the respective reporting dates.

3. Foreign Currency Risk

The Company's exposure to exchange fluctuation risk is very limited for its purchase from overseas suppliers in various foreign currencies. Foreign Currency Risk is risk that fair value or future cash flows of an exposure will fluctuate due to changes in foreign exchanges rates. The Company entered into forward exchanges contract average maturity of 90-180 days to hedge against its foreign currency exposures relating to underlying liabilities firm commitments. The Company has not entered into any Derivatives instruments for trading and speculative purposes.

4. Credit Risk

Credit risk refers to the risk of default on its obligation by the counter party resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to Rs. 383.47 lakhs and Rs. 614.83 lakhs as of March 31, 2024 and March 31, 2023 respectively. Trade receivables are typically unsecured and are derived from revenue earned from customers. Credit risk has always been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business. On account of adoption of Ind AS 109, the Company uses expected credit loss model to assess the impairment loss or gain. The Company uses a provision matrix to compute the expected credit loss allowance for trade receivables. The provision matrix takes into account available external and internal credit risk factors and the Company's historical experience for customers.

5. Liquidity Risk

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Company believes that the working capital is sufficient to meet its current requirements. Accordingly, no liquidity risk is perceived.

As of 31st March 2024, The Company had a working capital of Rs. 2843.44 Lakhs including cash and cash equivalent of Rs. 100.20 Lakhs.

As of 31st March 2023, The Company had a working capital of Rs. 2751.82 Lakhs including cash and cash equivalent of Rs. 35.20 Lakhs."

7. Capital Management

The Company manages its capital to ensure that Company will be able to continue as going concern while maximizing the return to shareholders by striking a balance between debt and equity. The capital structure of the Company consists of net debts (offset by cash and bank balances) and equity of the Company (Comprising issued capital, reserves, retained earnings). The Company is not subject to any externally imposed capital requirements except financial covenants agreed with lenders.

In order to optimize capital allocation, the review of capital employed is done considering the amount of capital required to fund capacity expansion, increased working capital commensurate with increase in size of business and also fund investments in new ventures which will drive future growth. The Chief Financial Officer ("CFO") reviews the capital structure of the Company on a regular basis. As part of this review, the CFO considers the cost of capital and the risks associated with each class of capital."

p. Critical estimates and judgements:

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Company's accounting policies. The areas involving critical estimates or judgements are:

The loss allowances for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history and existing market conditions as well as forward-looking estimates at the end of each reporting period. Details of the key assumptions and inputs used are disclosed in note 29.
