Pioneering Progress, Delivering Success

Annual Report
2023-24

Our mission is to be your digital partner

Managing electrical distribution efficiently, reliably and safely is primary requirement of all business establishment, be it any Industry, Data Center or Commercial Building.

At Marine Electricals, we help our customers in different segments, across the world to manage complex power distribution and automation systems. Established in 1978, we have been associated with projects of varied criticality and complexity in all the major segments like Shipping, Oil & Gas, Chemicals, Pharmaceuticals, Automobile, Data Centers and Buildings. With time, we have extended our services in manufacturing and supplying electrical vehicle charging solutions. Also, we have started undertaking electrical packages for Naval and Commercial Ships.

We have vast pool of experts and experienced engineers in multi-disciplinary fields to develop new solutions and manage operations. Our manufacturing facilities, certified as per ISO9001, ISO14001 and ISO 45001, has latest state-of-the-art machinery, including CNC turrets & bending machines, automated powder coating plant and a huge assembly area to meet challenging project schedules.

Message from Chairman's Desk

“We are more relevant now, than at any point in the past, to our customers, our people and our shareholders across the world.”

Mr. Vinay Uchil

Chairman and Executive Director
Marine Electricals (India) Limited

Dear Shareholders,

I am privileged to address you today as we reflect on our remarkable journey throughout the fiscal year 2024. Despite the challenges posed by dynamic and volatile global market conditions, our Group's geographical and business diversity, agile business model, and exceptional talent and hard work of our teams have enabled us to deliver outstanding performance. I am pleased to share with you on behalf of our Board of Directors an update on your Company's performance for FY 2023-24. Our current order book position standing at Rs. 6010 million approximately at end of FY 2023-2024 as compared to Rs. 4863 million in the FY 2022-2023, with the increase in portfolio of products to our customers we anticipate a further increase and robust order booking for FY 2024-25 as well. The Company's revenue for the year stood at Rs. 5337.27 million as against Rs. 3912.71 million in the previous financial year. The net profit for the year increased by 45.35% to Rs. 283.52 million as against Rs. 195.06 million in the previous financial year. Our continued focus on R&D on new product developments & indigenisation and innovative and creative adaptation to emerging situation and adaptive fiscal discipline to sustain, deliver, survive and grow should help us in maintaining our sales revenue and order book position growth.

The core business of Marine Electricals is directly or indirectly impacted by the demands & opportunities, developments & investments, government policies & Initiatives and visibility in the foreseeable future. As evident from the current GDP growth and 'Advantage India Factors' we have reasons to look forward to a positive business growth impact in the coming financial year as well. The Government of India has identified the power sector as a key sector of focus to promote sustained industrial growth. Electrification in the country is increasing with support from many Government schemes. In the current decade (2020-2029), the Indian electricity sector is likely to witness a major transformation with respect to demand growth, energy mix and market operations. India wants to ensure that everyone has reliable access to sufficient electricity at all times, while also accelerating the clean energy transition by lowering its reliance on dirty fossil fuels and moving toward more environmentally friendly, renewable sources of energy. Future investments will benefit from strong demand fundamentals, policy support and increasing government focus on infrastructure.

The Indian Navy is one of our premier clients for both defence and marine businesses. The "Make In India" movement of the Government has also catalyzed the shipyards and DPSUs to enhance the degree of indigenization in shipbuilding. More and more equipment are being brought into the indigenization umbrella. Enhanced percentage of indigenous content is also being encouraged. The vision of a 200 strong combat fleet by 2027 is also a catalyzer. In wake of the naval vision, warship construction has witnessed an unprecedented growth. This has been one of the significant growth impetus for Marine Electricals as well.

Marine Electricals' flagship equipment such as Integrated Bridge System, NAVCOM systems including navigation radars, Main Switchboard, assorted control panels, integrated monitoring and control systems and a host of data aggregation control systems for fire, flood and auxiliary machinery control systems are needed by all above ships. This forms a significant established business segment for the naval division of Marine Electricals. Our portfolio of Integrated Platform Management System (IPMS) and associated subsystems is also expected to expand.

Message from Chairman's Desk

With data consumption on the rise, cloud adoption accelerating, and technology demand soaring higher than ever before – Indian corporations are investing in massive leaps forward to meet an estimated 6 million square feet of required data center services development over the next three years. The government is ramping up its digital activities to improve the environment for data center services. An important goal of data localization is to keep 75% of data inside the nation. The Ministry of Electronics and Information Technology (MEITY) saw potential in the industry. So it developed a strategy for data centers in 2020, elevating them to a higher “infrastructure status” as roadways, rails, and electricity. This policy aims to streamline the approval procedure for data center services. Your company has been providing critical power solutions to major players in the industry and is a preferred partner with many prominent data center operators in the country.

The rising fuel costs and growing climate change awareness is pushing individuals to go for greener mobility options provided by electric vehicles (EVs). The Government has also been actively promoting EV adoption through subsidies. As a result, EV sales are increasing at a high pace breakneck speed in India. With growing EV adoption, the Company is pioneering through its next-generation EV charging solutions which plans to cover segment of home, workplace, fleet, and captive charging (including e-Bus charging) through different model and approaches. It is also actively evaluating opportunities in the electric 3-wheeler and 2-wheeler charging market. During the year, the Company undertook several initiatives to promote EV charging solutions through its subsidiary Evigo Charge Private Ltd. The Company has entered into new collaborations with several Government and private bodies for EV charging solutions.

Maritime and Port Safety, Security; and also their logistics efficiency have become subjects of paramount importance. Marine Electricals therefore have rightly invested in the development of Maritime domain awareness solutions that include an array of products and services from port management solutions to vessel monitoring services and ensure maritime safety using advanced vessel traffic systems to monitor activities at sea. We expect this business segment to grow well.

People continue to be the fulcrum of your Company's operations. We have continued to drive organisational transformation and strengthening, in terms of talent at all levels, systems and processes and workplace culture. As part of our commitment to better corporate governance as well as professionalising the management,

Further, as a responsible organisation, we continue to work towards empowering communities near our operations by creating livelihoods, promoting health, wellness and education and social inclusion. We ensured sustained engagement with all stakeholders including employees, value chain partners and communities.

I thank all our stakeholders for their continued support. I am confident that we will achieve remarkable success in our future endeavours and I am certain that we will maintain our longstanding track record of superior performance, ultimately creating value for all our stakeholders

Best Regards,

Mr. Vinay Uchil
Chairman & Executive Director

Notice

NOTE:

1. Ministry of Corporate Affairs ("MCA") has vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020, Circular No. 20/2020 dated May 5, 2020, Circular No. 02/2021 dated January 13, 2021 and General Circular 2/2022 dated May 5, 2022 followed by Circular No. 10/2022 and 11/2022 dated December 28, 2022 (collectively referred to as "MCA Circulars") and Securities and Exchange Board of India ("SEBI") vide its Circular SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May 13, 2022 followed by Circular No. SEBI/HO/CFD/PoD- 2/P/CIR/2023/4 dated January 5, 2023 SEBI/HO/CFD/PoD2/CIR/P/2023/120 dated 11th July 2023 and Circular No. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2023/167 dated 7th October 2023 (collectively referred to as "SEBI Circulars") companies are allowed to hold AGM through video conference or other audio visual means ("VC/OAVM") upto 30th September 2024,. Hence, in compliance with the Circulars, the AGM of the Company is being held through VC/ OAVM without the physical presence of the Members. The proceedings of the AGM will be deemed to be conducted at the Registered Office of the Company which shall be the deemed venue of the AGM.
2. The relative Explanatory Statements, pursuant to Section 102 of the Act, in respect of the Special Business set out under Items No. 4 to 8 of the accompanying Notice are annexed hereto.
3. In terms of Section 152 of the Act, Mr. Shailendra Shukla (DIN: 08049885), Executive Director, shall retire by rotation at the ensuing AGM. Mr. Shailendra Shukla (DIN: 08049885) being eligible, offers himself for re-appointment.

The Board of Directors of the Company recommends re-appointment of Mr. Shailendra Shukla (DIN: 08049885).

4. In pursuance of Regulation 36 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard on General Meetings, details in respect of the Director seeking appointment/re-appointment forms part of this Notice in Annexure 1.
5. In compliance with the aforesaid MCA Circulars and SEBI Circulars, the Notice calling the AGM and Annual Report 2023-24 has been uploaded on the website of the Company at <https://www.marineelectricals.com/annual-report/> The Notice can also be accessed from the website of National Stock Exchange of India Limited (NSE) at www.nseindia.com and the AGM Notice is also available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. www.evoting.nsdl.com.
6. Pursuant to the provisions of the Companies Act, 2013 ("Act") a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his / her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars and SEBI Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form, Attendance Slip and route map of the AGM are not annexed to this Notice. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC/OAVM and participate thereat and cast their votes through e-voting.

Corporate Members are required to send, (before e-voting/ attending AGM) a duly certified copy of the Board Resolution authorizing their representative to attend and vote at the AGM, pursuant to section 113 of the Act on the e-mail id cs@marineelectricals.com not later than Thursday, 26th September, 2024.

7. In case of joint holders attending the AGM, only such joint holder who is higher in the order of names will be entitled to vote.
8. The voting rights of Members shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date of **Friday, 20th September, 2024**.
9. Members who would like to express their views or ask questions during the AGM may register themselves as a speaker by sending their request from their registered email address mentioning their name, DP ID and

Notice

Client ID/folio number, PAN, mobile number at cs@marineelectricals.com from Friday, 20th September, 2024 (9:00 a.m. IST) to Tuesday, 24th September, 2024 (5:00 p.m. IST). Those Members who have registered themselves as a speaker will only be allowed to express their views/ask questions during the AGM. The Company reserves the right to restrict the number of speakers depending on the availability of time for the AGM.

10. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the above mentioned Circulars issued by the MCA the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-voting system as well as e-voting on the day of the AGM will be provided by NSDL.
11. The Register of Beneficial Owners, Register of Members and Share Transfer Books of the Company will remain closed from Saturday, 21st September, 2024 to Friday, 27th September, 2024 (both days inclusive) for the purpose of Annual General Meeting (AGM).
12. As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from 1st April, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Bigshare Services Private Limited, Company's Registrar and Share for assistance in this regard.
13. The Securities and Exchange Board of India (SEBI) has mandated furnishing of PAN, KYC details (i.e., Postal Address with Pin Code, email address, mobile number, bank account details) and nomination details by holders of securities. Effective from January 01, 2022, any service requests or complaints received from the member, will not be processed by RTA till the aforesaid details/ documents are provided to RTA. On or after April 01, 2023, in case any of the above cited documents/ details are not available in the Folio(s), RTA shall be constrained to freeze such Folio(s). Relevant details and forms prescribed by SEBI in this regard are available on the website of the Company at <https://www.marineelectricals.com/images/report/Furnishing-of-PAN-KYC-details-and-Nomination-by-holders-of-physical-securities.pdf>
14. Members holding shares in dematerialized form are requested to notify any change in their addresses, bank details or e-mail address with their respective DP and those holding shares in physical form are requested to notify the RTA at the following address:

Bigshare Services Pvt. Ltd.

Office No. S6-2, 6th Floor, Pinnacle Business Park, Next to Ahura Centre, Mahakali Caves Road, Andheri (East) Mumbai - 400093

Tel No: 022-62638200/022-62638295

Email id: investor@bigshareonline.com
15. Members holding shares in physical form are advised to avail the Nomination facility in respect of their shares by filling the prescribed form. Members holding shares in electronic form may contact their DP for recording their Nomination.
16. Pursuant to the applicable provisions of the Companies Act, 2013, read with the IEPF Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("the Rules") as amended from time to time, all unpaid or unclaimed

Notice

dividends are required to be transferred by the Company to the IEPF established by the Government of India, after the completion of seven years. Further, according to the Rules, the shares on which dividend has not been paid or claimed by the shareholders for seven consecutive years or more shall also be transferred to the demat account of IEPF Authority. The details of dividend paid by the Company and the corresponding due dates for transfer of uncashed dividend to IEPF are furnished hereunder:

Year ended	Interim / Final Dividend	Date of Declaration	Tentative Date for transfer to IEPF
31.03.2021	Final Dividend	28.09.2021	03.11.2028

Members who have not encashed the dividend so far in respect of the above financial year, are therefore, requested to make their claims to the Registrar & Transfer Agent of the Company or the Company at its Registered Office, with full details.

17. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
18. Members seeking any information with regard to the Accounts or any matter to be placed at the AGM, Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act, Register of Contracts or Arrangements in which Directors are interested under Section 189 of the Act and relevant documents referred to in the accompanying Notice and in the Explanatory Statement are requested to write to the Company on or before 22nd September, 2024 through e-mail on cs@marineelectricals.com. The same will be replied by the Company suitably.
19. Members seeking any information with regard to any matters to be placed at the AGM, are requested to write well in advance to the Company on the same will be replied by the Company suitably.
20. Voting through electronic means:
 - a. The remote e-voting period begins on Monday, 23rd September, 2024 at 9.00 a.m. and ends on Thursday, 26th September, 2024 at 5.00 pm the remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e. Friday, 20th September, 2024 may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being Friday, 20th September, 2024.
 - b. Members joining the meeting through VC, who have not already cast their votes by means of remote e-voting, shall be able to exercise their right to vote through e-voting at the AGM. The Members who have cast their vote by remote e-voting prior to the AGM may also join the AGM through VC but shall not be entitled to cast their vote again.
 - c. The voting rights of the Members shall be in proportion to their shares in the paid-up share capital of the Company as on the cut-off date, being Friday, 20th September, 2024.
 - d. Any person holding shares in physical form and non-individual shareholders, who acquires shares of the Company and becomes member of the Company after the notice is sent through e-mail and holding shares as of the cut-off date i.e. Friday, 20th September, 2024 may obtain the login ID and password by sending a request at evoting@nsdl.com or Issuer/RTA. However, if you are already registered with NSDL for remote e-voting, then you can use your existing user ID and password for casting your vote. If you forgot your password, you can reset your password by using "Forgot User Details/Password" or "Physical User Reset Password" option available on www.evoting.nsdl.com or call at: (022) 4886 7000. In case of Individual Shareholders holding securities in demat mode who acquires shares of the Company and becomes a Member of the Company after sending of the Notice and holding shares as of the cut-off date i.e. Friday, 20th September, 2024 may follow steps mentioned in the Notice of the AGM under "Access to NSDL e-Voting system".

Notice

- e. The Company has appointed Mr. Jigarkumar Gandhi, Proprietor of JNG & Co, Practicing Company Secretary (Membership No. 7569, COP: 8108) as the Scrutinizer to scrutinize the voting and remote e-Voting process in a fair and transparent manner.
- f. The Scrutinizer shall, immediately after the conclusion of the AGM, count the votes cast at the AGM and thereafter, unblock the votes cast through remote e-voting in the presence of at least two witnesses not in employment of the Company. The Scrutinizer shall submit a consolidated Scrutinizer's Report of the total votes cast in favour of or against, if any, not later than two working days of the conclusion of the AGM to the Chairman or a person authorised by him. The Chairman or any other person authorised by the Chairman, shall declare the result of the voting forthwith
- g. The resolution will be deemed to be passed on the AGM date subject to receipt of the requisite number of votes in favour of the resolutions. The results declared along with the scrutinizers report shall be placed on the Company's website www.marineelectricals.com and on the website of NSDL www.evoting.nsdl.com immediately after the result is declared by the Chairman.

THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING AND JOINING GENERAL MEETING ARE AS UNDER:-

How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of "Two Steps" which are mentioned below:

B) Login Method for e-Voting and joining virtual meeting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

How to Log-in to NSDL e-Voting website?

- Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.

Notice

2. Once the home page of e-Voting system is launched, click on the icon “Login” which is available under ‘Shareholder/Member’ section.
3. A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

5. Password details for shareholders other than Individual shareholders are given below:
 - a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
 - b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the ‘initial password’ which was communicated to you. Once you retrieve your ‘initial password’, you need to enter the ‘initial password’ and the system will force you to change your password.
 - c) How to retrieve your ‘initial password’?
 - (i) If your email ID is registered in your demat account or with the company, your ‘initial password’ is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your ‘User ID’ and your ‘initial password’.
 - (ii) If your email ID is not registered, please follow steps mentioned below in process for those shareholders whose email ids are not registered.
6. If you are unable to retrieve or have not received the “Initial password” or have forgotten your password:
 - a) Click on “[Forgot User Details/Password?](#)”(If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com

Notice

- b) [Physical User Reset Password?](#) (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.com mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
 - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
7. After entering your password, tick on Agree to “Terms and Conditions” by selecting on the check box.
 8. Now, you will have to click on “Login” button.
 9. After you click on the “Login” button, Home page of e-Voting will open.

Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system.

How to cast your vote electronically and join General Meeting on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see all the companies “EVEN” in which you are holding shares and whose voting cycle and General Meeting is in active status.
2. Select “EVEN” of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on “VC/OAVM” link placed under “Join Meeting”.
3. Now you are ready for e-Voting as the Voting page opens.
4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on “Submit” and also “Confirm” when prompted.
5. Upon confirmation, the message “Vote cast successfully” will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to jigar.gandhi@jngandco.in with a copy marked to evoting@nsdl.com. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) can also upload their Board Resolution / Power of Attorney / Authority Letter etc. by clicking on "Upload Board Resolution / Authority Letter" displayed under "e-Voting" tab in their login.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the “[Forgot User Details/Password?](#)” or “[Physical User Reset Password?](#)” option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on : 022 – 4886 7000 or send a request to Ms. Pallavi Mhatre, Manager at evoting@nsdl.com

Notice

Process for those shareholders whose email ids are not registered with the depositories for procuring user id and password and registration of e mail ids for e-voting for the resolutions set out in this notice:

The Board has received the declaration from all the Independent Directors as per the Section 149(7) of the Companies Act, 2013 and the Board is satisfied that all the Independent Directors meet the criteria of independence as mentioned in Section 149(6) of the Companies Act, 2013, read with the Schedules and Rules issued there under, as well as SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015.

22. POLICY ON DIRECTORS' APPOINTMENT AND REMUNERATION

Pursuant to the provisions of Section 178 of the Act, and in terms of Regulation 19 read with Part D of Schedule-II of the SEBI Listing Regulations, the Company has a Nomination and Remuneration Policy for its Directors, Key Managerial Personnel and Senior Management which also provides for the diversity of the Board and provides the mechanism for performance evaluation of the Directors and the said Policy was amended from time to time and may be accessed on the Company's website at the following link at

<https://www.marineelectricals.com/images/policies/Nomination-n-Remuneration.pdf>

23. ANNUAL EVALUATION AND PERFORMANCE OF THE BOARD:

The annual evaluation process of the Board of Directors, individual Directors and Committees was conducted in accordance with the provisions of the Act and the SEBI Listing Regulations. The Board evaluated its performance after seeking inputs from all the Directors on the basis of criteria such as the Board composition and structure, effectiveness of Board processes, information and functioning, etc. The performance of the Committees was evaluated by the Board after seeking inputs from the committee members on the basis of criteria such as the composition of committees, effectiveness of committee meetings, etc. The above criteria are broadly based on the Guidance Note on Board Evaluation issued by the Securities and Exchange Board of India.

The Board and the NRC reviewed the performance of individual Directors on the basis of criteria such as the contribution of the individual Director to the Board and committee meetings like preparedness on the issues to be discussed, meaningful and constructive contribution and inputs in meetings, etc.

In a separate meeting of independent directors held on 28th March, 2024 the performance of Non-Independent Directors and the Board as a whole was evaluated. Additionally, they also evaluated the Chairman of the Board, taking into account the views of Executive and Non-executive Directors in the aforesaid meeting. The Board also assessed the quality, quantity and timeliness of flow of information between the Company management and the Board that is necessary for the Board to effectively and reasonably perform their duties. The above evaluations were then discussed in the Board meeting and performance evaluation of Independent directors was done by the entire Board, excluding the Independent Director being evaluated.

24. DIRECTORS RESPONSIBILITY STATEMENT:

Pursuant to sub-section 5 of Section 134 of the Companies Act, 2013, the Directors confirm that:

- a) in the preparation of the annual accounts for the Financial Year ended 31st March, 2024 the applicable accounting standards had been followed along with proper explanation relating to material departures;
- b) the directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company as on 31st March, 2024 and of the profit of the company for that period;
- c) the directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- d) the directors had prepared the annual accounts for Financial Year ended 31st March, 2024 on a going concern basis; and

Director's Report

- e) the directors, had laid down internal financial controls to be followed by the company and that such internal financial controls are adequate and were operating effectively, the details in respect of adequacy of internal financial controls with reference to the Financial Statements, have been mentioned subsequently in this report.
- f) the directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

25. CERTIFICATE OF NON-DISQUALIFICATION OF DIRECTORS :

In accordance with the Listing Regulations, a certificate has been received from JNG & Co, Practicing Company Secretaries, that none of the Directors on the Board of the Company has been disqualified to act as Director. The same is annexed herewith as **Annexure C**.

26. RELATED PARTY TRANSACTIONS :

The related party transactions that were entered into by the Company during the financial year 2023-24, were on arm's length basis. Further, no material related party transactions were entered into by the Company during the financial year 2023-24. The disclosure under Section 134(3)(h) read with Section 188 (2) of the Act in form AOC-2 is given in **Annexure D** forming part of this Report.

There have been no materially significant related party transactions entered into by the Company which may conflict with the interests of the Company at large.

The details of the transaction with related parties during FY 2023-24 are provided in the accompanying financial statements.

The Policy on materiality of related party transactions and on dealing with related party transactions as approved by the Board in terms of Regulation 23 of the SEBI Listing Regulations is posted on the website of the Company and can be accessed through the following link: <https://www.marineelectricals.com/images/policies/Policy-on-Materiality-of-Related-Party-Transaction-and-Dealing-with-Related-Parties.pdf>.

27. RISK MANAGEMENT :

The Company has formed Risk Management Committee and also laid down the procedures to inform the Board about the risk assessment and minimization procedures and the Board has formulated Risk Management Policy to ensure that the Board, its Audit Committee and its management should collectively identify the risks impacting the Company's business and document their process of risk identification, risk minimization, risk optimization as a part of a risk management policy strategy. At present there is no identifiable risk which, in the opinion of the Board may threaten the existence of the Company. The details of composition and terms of reference and meetings of the Risk Management Committee are provided in Corporate Governance Report forming part of this Annual Report

Policy relating to Risk Management can be accessed on company's website viz:

<https://www.marineelectricals.com/images/policies/Risk-Management-Policy-under-New-Companies-Act-GIL.pdf>

28. VIGIL MECHANISM :

- Vigil Mechanism (Whistle Blower Policy) and Code of Conduct

Creating a fraud and corruption free culture has always been the core factor of your Company. In view of the potential risk of fraud, corruption and unethical behavior that could adversely impact the Company's business operations, performance and reputation, Marine Electricals (India) Limited has emphasized even more on addressing these risks. To meet this objective, a comprehensive vigil mechanism named Whistle Blower Policy, in compliance with the provisions of Section 177(10) of the Act and Listing Regulations, is in place. The details of the Whistle Blower Policy is explained in the Corporate Governance Report and posted on the website of the Company at <https://www.marineelectricals.com/images/policies/Vigil-Mechanism-Policy.pdf>

During the year, no personnel of the Company was denied access to the Audit Committee and no complaints were received.

Director's Report

- Code of Conduct to Regulate, Monitor and report trading by Insiders

In terms of SEBI (Prohibitions of Insider Trading) Regulations, 2015, as amended from time to time, the Company has adopted a Revised Code of Conduct for Prevention of Insider Trading (Insider Code) as approved by the Company's Board. Any Insiders (as defined in Insider Code) including designated employees & persons and their relatives are, inter-alia, prohibited from trading in the shares and securities of the Company or counsel any person during any period when the "unpublished price sensitive information" are available with them.

The Insider Code also requires pre-clearance for dealing in the Company's shares and prohibits dealing in Company's shares by the Directors and the designated employees while in possession of unpublished price sensitive information in relation to the Company and during the period when the Trading Window is closed. The policy on Code of Conduct for Prevention of Insider Trading Regulations, 2015 is available on the website of the Company at:

<https://www.marineelectricals.com/images/policies/Policy-on-Code-of-Conduct-for-Prevention-of-Insider-Trading.pdf>

29 INTERNAL CONTROL WITH REFERENCE TO FINANCIAL STATEMENTS :

The Company has in place adequate internal financial control with reference to financial statements.

The Company has adopted accounting policies which are in line with Section 133 and other applicable provisions, if any, of the Act read together with the Companies (Indian Accounting Standards) Rules, 2015.

The Company in preparing its financial statements makes judgments and estimates based on sound policies and uses external agencies to verify/ validate them as and when appropriate. The basis of such judgments and estimates are also approved by the Statutory Auditors and Audit Committee.

The Internal Auditor evaluates the efficacy and adequacy of internal control system, accounting procedures and policies adopted by the Company for efficient conduct of its business, adherence to Company's policies, safeguarding of Company's assets, prevention and detection of frauds and errors and timely preparation of reliable financial information etc. Based on the report of internal audit function, process owners undertake corrective action in their respective areas and thereby strengthen the controls. Significant audit observations and corrective actions thereon are presented to the Audit Committee of the Board.

Internal Financial Control

As per Section 134(5)(e) of the Companies Act, 2013, Internal Financial Control means the policies and procedures adopted by the Company for ensuring:

- accuracy and completeness of the accounting records
- safeguarding of its assets, prevention and detection of fraud and error
- orderly and efficient conduct of business operations including adherence to the company's policies
- timely preparation of reliable financial information

Based on the framework of internal financial controls and compliance systems established and maintained by the Company, work performed by the Internal, Statutory and Secretarial Auditors, including audit of internal financial controls over financial reporting, and the reviews performed by management and the Audit Committee, the Board is of the opinion that the Company's internal financial controls was adequate and operating effectively as on March 31, 2024. During the year under review, no material or serious observation has been observed for inefficiency or inadequacy of such controls.

33. AUDITORS AND REPORTS :

A. Statutory Auditors

The statutory auditor Saini Pati Shah & Co LLP (Formerly known as SGJ & Co), Chartered Accountants registered with the Institute of Chartered Accountants of India vide registration number 137904W / W100622 were reappointed as Statutory Auditors for a period of 5 years in the AGM held on 26th September 2023.

There are no qualifications, reservations or adverse remarks or disclaimers made by Statutory Auditor of the Company, in audit report for the financial year ended 31st March, 2024.

B. Internal Auditor

The Board of Directors at its meeting held on 29th May, 2023 had appointed IRA & Associates (Formerly known as SMSD & Co), Chartered Accountants as Internal Auditor for Financial Year 2023-24. The audit observations placed in the Internal Audit Report by the Internal Auditors were duly noted by the management and corrective actions thereon are periodically presented to the Audit Committee and Board of Directors of the Company. The Board of Directors in its Board Meeting held on 29th May, 2024 based on the recommendation of the Audit Committee re-appointed IRA & Associates, Chartered Accountants (formerly known as M/s. SMSD & Co, Chartered Accountants) to carry out the Internal Audit of the Company for the Financial Year 2024-25.

C. Secretarial Auditor

Section 204 of the Act, inter-alia requires every listed company to undertake Secretarial Audit and annex with its Board's Report a Secretarial Audit Report given by a Company Secretary in practice in the prescribed form. In line with the requirement of Section 204 of the Act and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 read with Regulation 24A of the Listing Regulations and other applicable provisions, if any, the Board of Directors of the Company had appointed M/s. R. Bhandari & Co., Practicing Company Secretaries in Whole-time Practice, to carry out Secretarial Audit for the financial year 2023-24. The Board of Directors in its Board Meeting held on 29th May, 2024 on the recommendation of the Audit Committee re-appointed M/s. R. Bhandari & Co., Practicing Company Secretaries to carry out the Secretarial Audit of the Company for the Financial Year 2024-25.

The Secretarial Audit Report for the financial year ended 31st March, 2024 are annexed as **Annexure F** to this Report. As per the report, Company has complied with all the provisions of the Act, Rules, Regulations, Guidelines, Standards during the financial year 2023-24 and the Secretarial Audit Report does not contain any qualifications, reservations, adverse remarks and disclaimer.

D. Cost Auditor

Maintenance of cost records as specified by the Central Government under Section 148 of the Companies Act 2013 is not applicable to the Company.

Director's Report

34. DETAILS OF SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS OR TRIBUNALS IMPACTING THE GOING CONCERN STATUS AND COMPANY'S OPERATIONS IN FUTURE:

No significant and material orders have been passed by any regulator or courts or tribunals which shall impact the going concern status and operations of your Company in future.

35. CORPORATE SOCIAL RESPONSIBILITY :

The brief outline of the Corporate Social Responsibility (CSR) policy of the Company and the initiatives undertaken by the Company on CSR activities during the year under review are set out in **Annexure G** of this report in the format prescribed in the Companies (Corporate Social Responsibility Policy) Rules, 2014. The CSR policy is available on company's website viz:

<https://www.marineelectricals.com/images/policies/Corporate-Social-Responsibility-Policy-CSR.pdf>

Further, the Chief Financial Officer has certified that the funds disbursed have been utilised for the purpose and in the manner approved by the Board for FY 2024.

36. REPORTING OF FRAUDS:

There are no instance of fraud during the year under review, which required the Statutory Auditors to report to the Audit Committee and / or Board under Section 143(12) of Act and Rules framed thereunder.

37. DETAILS RELATING TO DEPOSITS, COVERED UNDER CHAPTER V OF THE ACT :

The Company has not accepted any deposits from public during the year under review, and as such, no amount of principal or interest on deposits from public was outstanding as on the date of the balance sheet.

38. HUMAN RESOURCES :

The industrial relations at the manufacturing facilities of your Company have been cordial during the year. Employees are considered to be team members being one of the most critical resources in the business which maximize the effectiveness of the organization. Human resources build the enterprise and the sense of belonging would inculcate the spirit of dedication and loyalty amongst them towards strengthening the Company's Policies and Systems. The Company maintains healthy, cordial and harmonious relations with all personnel and thereby enhancing the contributory value of the Human Resources.

39. EMPLOYEES STOCK OPTION SCHEME :

Your company has not granted any Employee Stock Options during the year under review.

40. DISCLOSURE UNDER THE SEXUAL HARASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION AND REDRESSAL) ACT, 2013.

ANNEXURE F

FORM NO. MR-3 SECRETARIAL AUDIT REPORT

For the Financial Year ended 31st March, 2024

[Pursuant to section 204 (1) of the Companies Act, 2013 and rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To
The Members,
MARINE ELECTRICALS (INDIA) LIMITED
B/1, UdyogSadan No.3,
MIDC, Andheri (E),
Mumbai - 400093.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **MARINE ELECTRICALS (INDIA) LIMITED** (hereinafter called the “**Company**”). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2024 ('Audit Period') complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2024 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investments and Overseas Direct Investments;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; (not applicable to the company during the review period)
 - e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (**Not Applicable during the audit period**)
 - f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

Director's Report

- g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; **(Not Applicable during the audit period)**
 - h) The Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018; **(Not Applicable during the audit period)**
 - l) Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021 **(not applicable to the company during the review period);**
 - j) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015; (SEBI LODR) and
 - k) The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018;
- (vi) I have relied on the representations made by the Company and its officers for systems and mechanism formed by the Company for compliances under other applicable Acts, Laws and Regulations to the Company. The list of major heads/groups of Acts, laws and Regulations as applicable to the Company are listed below :
- a. The Factories Act, 1948;
 - b. The Employees Provident Funds Act, 1952;
 - c. The Employees State Insurance Act, 1948 (ESIC Act);
 - d. The Payment of Bonus Act, 1965 & Rules;
 - e. The Maternity Benefit Act, 1961;
 - f. The Minimum Wages Act, 1948;
 - g. The Payment of Gratuity Act, 1972;
 - h. The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013;
 - i. The Equal Remuneration Act, 1976;
 - j. Bombay IR Act, 1946;
 - k. The Industrial Dispute Act, 1947;
 - l. The Weekly Holiday Act, 1942;
 - m. The Maharashtra Labour Welfare Fund Act, 1953 & The Maharashtra Labour Welfare Fund Rules, 1953;
 - n. The Employees State Insurance Act, 1948 (ESIC Act);
 - o. The Contract Labour (Regulation and Abolition) Act, 1970 & The Maharashtra Contract Labour (Regulation and Abolition) Rules, 1971;
 - p. The Maharashtra Workmen's Minimum House-Rent Allowance Act, 1983 & The Maharashtra Workmen's Minimum House-Rent Allowance Rules, 1990;
 - q. The Industrial Employment (Standing Order) Act, 1946;
 - r. The Employment Exchange (Compulsory Notification of Vacancies) Act, 1959;
 - s. The Electricity Act, 2003;
 - t. Air (Prevention and Control of Pollution) Act, 1981;
 - u. Water (Prevention and Control of Pollution) Act, 1974;
 - v. Environment (Protection) Act, 1986;
 - w. Hazardous and Other Wastes (Management & Trans boundary Movement) Rules, 2016;
 - x. The Water (Prevention and Control of Pollution) Cess Act, 1977 (Water Cess Act) And Water (Prevention and Control of Pollution) Cess Rules, 1978 (Water Cess Rules);
 - y. Other applicable laws.

Director's Report

I have also examined compliance with the applicable clauses of the following:

- a) Secretarial Standards with regards to Meeting of Board of Directors (SS-1) and General Meetings (SS-2) issued by The Institute of Company Secretaries of India.
- b) The Listing Agreements entered into by the Company with stock exchanges;

To the best of our knowledge and belief, during the Audit period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. as mentioned above.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors and Women Directors in terms of Companies Act, 2013 and Regulation 17 of SEBI (LODR), 2015. There were no changes in the composition of the Board of Directors during the period under Audit.

Adequate notice is given to all directors to schedule the Board Meetings (including meetings of the committees), agenda and detailed notes on agenda were sent in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings are carried out either unanimously or majority as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

I further report that,

There are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

The members may note that during the audit period under review:

1. The Members at the 16th Annual General Meeting held on 26th September, 2023 through video conferencing passed following Resolutions and the company has complied with the provisions of the Act and regulations prescribed under SEBI Act in respect of the following:
 - a) To receive, consider and adopt the Audited Financial Statement of the Company (Standalone and Consolidated Financial Statement) for the financial year ended 31st March, 2023 together with the reports of the Board of Directors and the Auditors thereon.
 - b) Re-appointment of Mrs. Tanuja Pudhierkar (DIN: 08190742) who retires by rotation and being eligible offers herself for re-appointment.
 - c) Re-Appointment of Statutory Auditors of the Company for a consecutive term of five years.
 - d) To Consider Re-appointment of Ms. Archana Venkata Rajagopalan as an Independent Director for a second and final term of 5 years effective from 23rd February, 2024 till 22nd February, 2029.
 - e) To approve revision in Remuneration of Mr. Vinay Uchil, Chairman & Executive Director of the Company.
 - f) To approve revision in Remuneration of Mr. Venkatesh Uchil, Managing Director of the Company.
 - g) Approve Material Related Party Transactions
 - h) To consider and approve revised limits for transactions under section 185 of Companies Act, 2013.
2. During the audit period under review, Ms. Mitali Ambre resigned as Company Secretary and Compliance Officer of the Company w.e.f 13th December, 2023 and Mr. Deep Shah was appointed as Company Secretary and Compliance Officer of the company w.e.f 14th February, 2024.

I further report that during the audit period, the following specific events / actions having major bearing on the Company's affairs had taken place:

Director's Report

1. Management Discussion and Analysis

A. Overview of the Company's Business:

Marine Electricals has achieved significant YOY growth in the last fiscal. This is more due to the thriving business environment and our intense focus on the existing panel business, creating niche positioning in sub-segments and harnessing specializations within the sector. Additional business segments in related sectors are also being nurtured. Marine Electricals' business sustenance and growth prospects are closely linked to the overall economic growth of the Nation and the growth of Electrical, Navigation & Communication, and Automation solution needs of India and the neighboring countries where MEIL has a strong footprint. Infrastructure growth fuels the demand for our proprietary Energy Management System (EMS), Building Management Solutions (BMS), Block-set and Bus-duct solutions; Switchboards, and Power Distribution Boards. Our industry products are known for their Real-time thermal safety monitoring, iPMC (intelligent Power and Motor Control), Ergonomic design, and IoT-ready wireless connectivity (ME Connect).

Further, the growth of Marine / Shipping industry also brings significant opportunities and value propositions to our services business concentrated in India and the Middle East. Strong electrical, electronics and NAVCOM backbone clubbed with the growing services portfolio helps to leverage MEIL as a turn-key package solution provider to the shipyards as a credible integrator. This also enables us to attempt larger repair and service contracts.

The Management Discussion and Analysis of MEIL, therefore focuses on the eco-system and the trends of business opportunities emerging from these sectors and analyses our competitive positioning in these businesses. Our company has taken timely steps for horizontal and vertical expansions into related business and technology segments with measured low-risk manageable steps.

Our agility and performance during the COVID-19 Pandemic has given us confidence that we can adapt to worse situations very quickly and align to the new unknown challenges relatively well. We have come out of the COVID crisis more successfully than our competitors in the eco-system.

B. Performance of the Company:

The Key Financials Parameters as on 31st March, 2024 on Standalone and Consolidated Basis are as follows:

Standalone:

Particular	As on 31 st March 2024	As on 31 st March 2023
Debt/Equity Ratio	0.34	0.30
Debt Service Ratio	4.02	3.14
Interest Coverage Ratio	7.85	7.72
Current Ratio	1.46	1.60
Net Profit Ratio	5.32%	5.00%
Operating Profit Ratio:	8.85%	8.94%

Consolidated:

Particular	As on 31 st March 2024	As on 31 st March 2023
Debt/Equity Ratio	0.38	0.30
Debt Service Ratio	3.44	2.68
Interest Coverage Ratio	6.76	6.17
Current Ratio	1.48	1.60
Net Profit Ratio	4.14%	3.79%
Operating Profit Ratio:	8.32%	8.71%

Revenue from operations:

Standalone: 53,372.69 Lakhs

Consolidated: 62,212.07 Lakhs.

Performance of each Segments

Our Company is mainly dealing into two segments viz Marine & Industry. The Company has been receiving orders

Management Discussion and Analysis

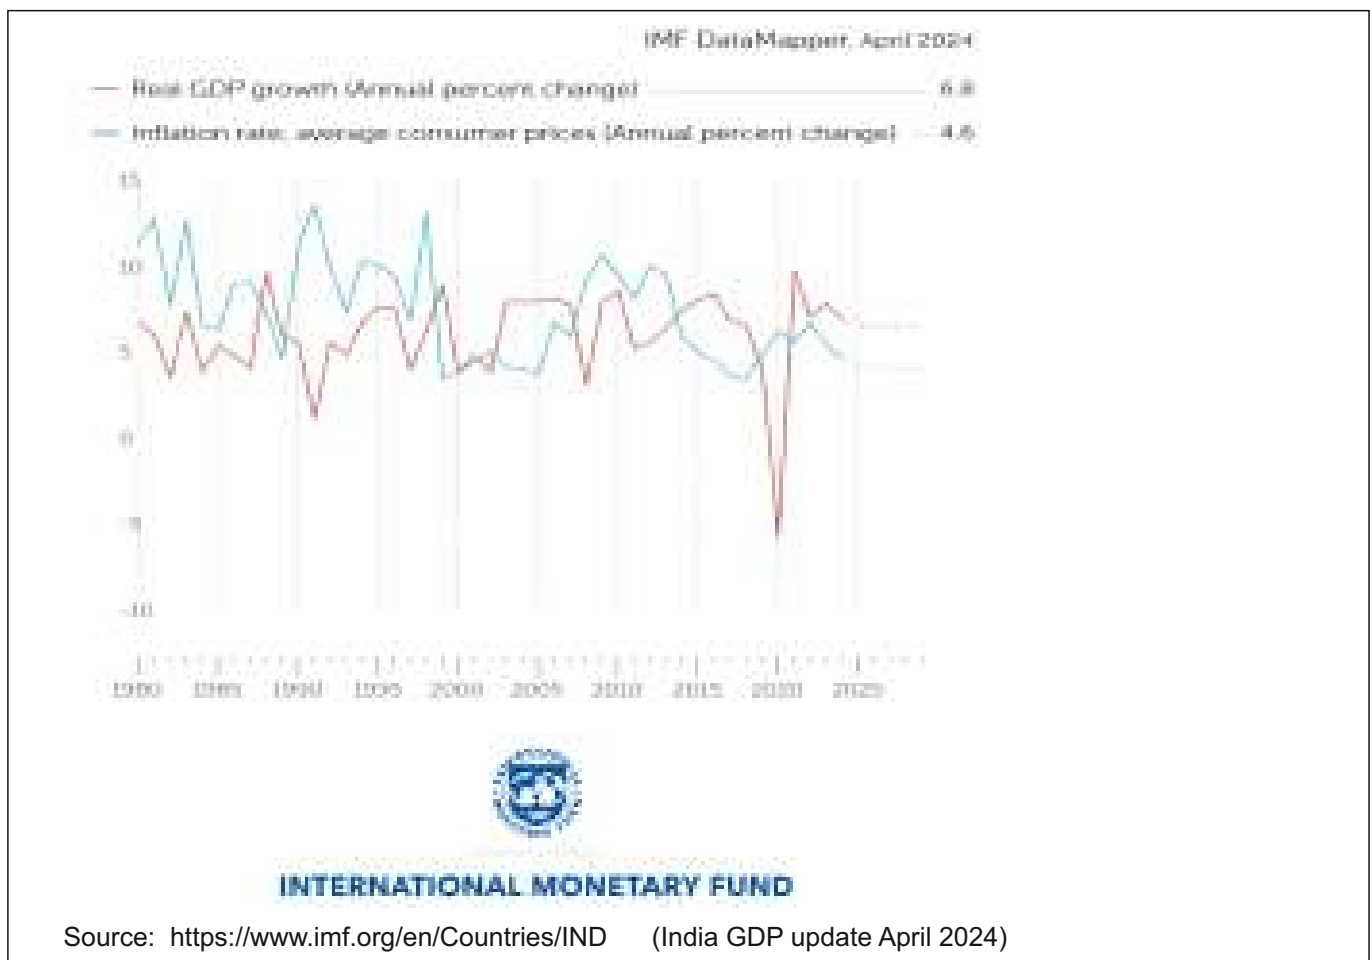

from Marine & Industry segment on regular basis. The Company achieved revenues of Rs. 26,579.20 for Marine Segment and 26,793.49 for Industry Segment during FY 2023-24 as against Rs. 19,807.75 Lakhs for Marine segment and Rs. 19,319.38 Lakhs for Industry segment during FY 2022-23. The Company achieved PBIT of Rs. 2,611.25 for Marine segment and 1,495.22 for Industry segment during FY 2023-24 as against Rs. 1,719.53 Lakhs for Marine Segment and Rs. 1,205.75 Lakhs for Industry segment during FY 2022-23.

Previously, the Company was disclosing two business segments i.e. Electricals & Electronics and Solar. In the board meeting dated 29 May 2023, board approved change in operating segment reporting between two business segments i.e. Marine and Industry, as segments based on how CODM make decision internally for performance assessment and resource allocation.

Pursuant to approval by Board, the Company has identified its reportable segment as Marine and Industry during the quarter 30 June 2023 and accordingly previous period / year figures have been regrouped / rearranged among those segments.

Economic Environment: A robust GDP growth indicator

Indian Economy Speaks: (Source: <https://www.ibef.org>)

[India to become third largest economy in 2 years, says Vice President of India and Chairman of Rajya Sabha Mr. Jagdeep Dhankhar](#)

Vice President of India and Chairman of Rajya Sabha Mr. Jagdeep Dhankhar asserted India's unstoppable rise, predicting it will become the third-largest economy in 2 years

[India plans to produce 500 GW power from non-fossil sources by 2030](#)

Union Minister of Consumer Affairs, Food and Public Distribution & New and Renewable Energy Mr. Pralhad Joshi announced in the Lok Sabha that India is generating 200 GW of renewable energy, with a pipeline of 430 GW, targeting 500 GW by 2030.

Management Discussion and Analysis

Growth in Energy Infrastructure

Source: [Business Insider India \(ANI\)](#)

Growing industrialization, urbanization, and rising incomes have led to India's energy consumption rising rapidly. According to a recent report by the India Energy and Climate Centre (IECC), India's energy consumption is expected to increase three to four-fold in the coming decade.

The report adds that India is projected to be the largest contributor to additional global energy demand between 2020-2040. In comparison to other industrialized economies, India lags by \$1-2 trillion in its energy infrastructure investment, which is likely to take place in the next 2-3 decades.

Per capita electricity consumption in India is low, but total electricity demand is growing at 8-9% per year, and is projected to double by 2030, compared to 2020. Because of global warming and increased pay-out capacity, electricity demand for cooling appliances is projected to increase six-fold by 2040.

Electrical Power Generation and Distribution Sector

The core business of Marine Electricals is directly or indirectly impacted by the demands & opportunities, developments & investments, Govt policies & Initiatives and visibility in the foreseeable future in the electrical power generation and distribution sector. As evident from the above GDP growth and 'Advantage India Factors' and also from the detailed analysis summary in the trail; we have reasons to believe that all these in our favour and therefore we should look forward to a positive business growth impact.

Electrical Power Sector: Advantage India

Source: <https://www.ibef.org/industry/power-sector-india> (Update July 2024)

Power is among the most critical components of infrastructure, crucial for the economic growth and welfare of nations. The existence and development of adequate power infrastructure is essential for sustained growth of the Indian economy. The fundamental principle of India's power industry has been to provide universal access to affordable power in a sustainable way. The Ministry of Power has made significant efforts over the past few years to turn the country from 'one with a power shortage' to 'one with a surplus' by establishing a single national grid, fortifying the distribution network, and achieving universal household electrification.

Electricity demand in the country has increased rapidly and is expected to rise further in the years to come. In order to meet the increasing demand for electricity in the country, massive addition to the installed generating capacity and electrical power distribution infrastructure is required, where Marine Electricals has a key positioning.

Management Discussion and Analysis

[Electrical Energy Market Size and Demand](#)

(Source <https://www.ibef.org/industry/power-sector-india>)

India is the third-largest producer and consumer of electricity worldwide, with an installed power capacity of 429.96 GW as of January 31, 2024.

Total Power Generation in India (Billion Units)

Source : <https://powermin.gov.in/en/content/power-sector-glance-all-india>
https://powermin.gov.in/sites/default/files/uploads/power_sector_at_glance_June_2024.pdf

As of January 31, 2024, India's installed renewable energy capacity (including hydro) stood at 182.05 GW, representing 42.3% of the overall installed power capacity. As of April 30, 2024, Solar energy contributed 82.63 GW, followed by 46.16 GW from wind power, 10.35 GW from biomass, 5.00 GW from small hydropower, 0.59 from waste to energy, and 46.93 GW from hydropower.

India's power generation witnessed its highest growth rate in over 30 years in FY23. Power generation in India increased by 6.80% to 1,452.43 billion kilowatt-hours (kWh) as of January 2024. The peak power demand in the country stood at 243.27 GW in January 2024.

Thermal power plant load is estimated to improve by 63% in FY24, fuelled by strong demand growth along with subdued capacity addition in the sector.

Growth in Total Power Generation in India (%)

Management Discussion and Analysis

Business Prospects / Investments (Industry)

Sources: CEA Reports, PIB releases and Union Budget; <https://powermin.gov.in/>

Total FDI inflows in the power sector reached US\$ 18.28 billion between April 2000 to March 2024, accounting for 2.69% of the total FDI inflow in India.

Some major investments and developments in the Indian power sector, which has direct or, indirect impact on our business prospects are as follows:

- Cumulative FDI inflow in the power sector has risen to US\$ 18.28 billion between April 2000-March 2024.
- India's electricity generation from renewable and non-renewable sources for FY21, FY22, and FY23 was 1,373.08 BU, 1,484.36 BU, and 1,617.72 BU, respectively; which is growing progressively and consistently.
- The power generation industry in India will require a total investment of Rs. 33 lakh crore (US\$ 400 billion) and 3.78 million power professionals by 2032 to meet the rising energy demands, as per the National Electricity Plan 2022-32.
- By 2031, the current installed nuclear power capacity is expected to rise from 7,480 MW to 22,480 MW because of the progressive completion of projects under construction and accorded sanction.
- As informed in August 2023, towards achieving carbon neutral Ladakh, NTPC is setting up a hydrogen fueling station, and solar plant and providing five fuel cell buses for operation on intracity routes of Leh.
- In August 2023, North Eastern Electric Power Corporation Limited (NEEPCO), a 100% subsidiary of NTPC, took a significant step towards sustainable energy development by signing a Memorandum of Agreement (MoA) with the Government of Arunachal Pradesh.
- In August 2023, Tata Power EV Charging Solutions Limited (TPEVCSL), a Tata Power group Company and Zoomcar, a leading marketplace for car sharing, entered into a Memorandum of Understanding (MoU) to promote widespread electric vehicle adoption and deliver a seamless, user-friendly charging experience to EV users nationwide.
- In June 2023, Tata Power, one of the leading players in the electric vehicle (EV) charging infrastructure space, collaborated with the Ayodhya Development Authority to set up EV charging points in public parking locations across the city.
- In June 2023, a Memorandum of Understanding (MoU) was signed between NHPC Limited and the Government of Odisha through GRIDCO Limited for "Development of Pumped Storage Projects (PSPs) and Renewable Energy in the State of Odisha".
- In May 2023, NTPC commenced its venture into hydrogen and energy storage solutions with the establishment of a hydrogen hub in Andhra Pradesh.
- In May 2023, TP Saurya Tata Power Trading Company Ltd. signed a power purchase agreement to set up a 200 MW solar project at Bikaner, Rajasthan.
- Adani Group is exploring a US\$ 3 billion investment in Vietnam's seaport ecosystem and wind and solar energy projects.
- In January 2023, the Union Cabinet (CCEA) approved investment of Rs. 2,614 crores (US\$ 315 million) for SJVN's 382 MW Sunni Dam Hydro Project.
- In January 2023, President of India laid foundation stone of SJVN's 1000 MW Bikaner Solar Power Project in Rajasthan.
- In January 2023, the President of India dedicated transmission system built by PowerGrid for 8.9 GW of solar power in Rajasthan.

Management Discussion and Analysis

- Mumbai headquartered Essar Group has formed the Essar Energy Transition (EET) with the objective to invest a total of US\$ 3.6 billion in developing a range of low carbon energy transition projects over the next five years.
- In November 2022, the Maharashtra State Electricity Distribution Corporation Limited (MSEDCL) granted the "Letter of Award" (LoA) to Tata Power Renewable Energy Limited (TPREL), a Tata Power subsidiary, to build a 150 MW solar project in Solapur, Maharashtra.
- In October 2022, SJVN started commissioning its 75 MW Solar Power Project in Parasan Solar Park which is located at Tehsil Kalpi, District Jalaun near Kanpur, Uttar Pradesh.
- In August 2022, NHPC Limited and the Government of Himachal Pradesh inked an implementation agreement for the 500 MW Dugar Hydroelectric Project in the Chamba District of Himachal Pradesh.
- In August 2022, Norfund, who manage the Norwegian Climate Investment Fund, and KLP, Norway's biggest pension company, signed an agreement to buy a 49% share of a 420 MW solar power plant in Rajasthan for Rs. 2.8 billion (US\$ 35.05 million).
- In August 2022, Tata Power Green Energy Limited (TPGEL), a wholly owned subsidiary of Tata Power, commissioned a 225MW hybrid power project in Rajasthan.
- In August 2022, NHPC signed a MoU with the Investment Board Nepal (IBN) to develop 750 MW West Seti and 450 MW SR-6 Hydroelectric Projects in Nepal.
- In July 2022, NTPC signed a MoU with MASEN (Moroccan Agency for Sustainable Energy) for cooperation in the renewable energy sector.
- In June 2022, SJVN announced a collaboration with the Assam government for the development of hydro and renewable energy projects in the state.
- In June 2022, SJVN signed investment agreements worth Rs. 80,000 crore (US\$ 10.24 billion) with the Uttar Pradesh government for implementing three solar power projects in the state.
- In May 2022, SJVN signed a pact with Tata Power Solar Systems to build a 1,000 MW solar project worth Rs. 5,500 crore (US\$ 704.38 million) in Bikaner, Rajasthan.
- In June 2022, NHPC signed an engineering, procurement, and construction (EPC) contract with Adani Infra Limited to develop a 600 MW solar project under the Central Public Sector Undertaking program (Phase-II).
- Investment in India's renewable energy sector grew more than 125% YoY to touch a record US\$ 14.5 billion in FY22.
- In March 2022, NTPC announced that it was ready to start partial power generation of 10 GW from a 92 MW floating solar energy plant being set up at NTPC's unit at Kayamkulam in Kerala.
- In March 2022, NTPC announced that it will start commercial operations of 74.88 MW capacity of its 296 MW Fatehgarh solar project in Rajasthan.
- In March 2022, Adani Solar, and Smart Power India (SPI), a subsidiary of Rockefeller Foundation, signed a non-financial and non-commercial MoU promote the usage of solar rooftop panels in rural India.
- In February 2022, Kolkata-based Eminent Electricity Distribution Ltd., a subsidiary of CESC Limited, bid Rs. 871 crore (US\$ 113.24 million) to take over Chandigarh's power supply department, which was approved, and the transition will happen by the end of March.
- SJVN Limited is looking to develop 10,000 MW solar power projects inviting investment of Rs. 50,000 crore (US\$ 6.56 billion) in the next five years in Rajasthan.

Management Discussion and Analysis

- In November 2021, NTPC announced that its 80 MW solar power-generation capacity in Jetsar (Rajasthan) has started commercial operations from October 22, 2021. The total capacity of the project is 160 MW.
- In November 2021, SJVN began the second unit work of the 1,320 MW Buxar thermal power plant in Bihar.

Way Forward:

In the current decade (2020-29), the Indian electricity sector is likely to witness a major transformation with respect to demand growth, energy mix and market operations. India wants to ensure that everyone has reliable access to sufficient electricity at all times, while also accelerating the clean energy transition by lowering its reliance on dirty fossil fuels and moving toward more environmentally friendly, renewable sources of energy. Future investments will benefit from strong demand fundamentals, policy support and increasing government focus on infrastructure.

The Government of India is preparing a 'rent a roof' policy for supporting its target of generating 40 GW of power through solar rooftop projects by 2022. It also plans to set up 21 new nuclear power reactors with a total installed capacity of 15,700 MW by 2031.

The Central Electricity Authority (CEA) estimates India's power requirement to grow to reach 817 GW by 2030. Also, by 2029-30, CEA estimates that the share of renewable energy generation would increase from 18% to 44%, while that of thermal energy is expected to reduce from 78% to 52%.

The government plans to establish renewable energy capacity of 500 GW by 2030.

Naval Shipbuilding

- 1 The Indian Navy is one of our premier clients for both defence and marine businesses. The Make In India movement of the Government has also catalyzed the shipyards and DPSUs to enhance the degree of indigenization in shipbuilding. [The strong order book and production performance of PSU ship building yards such as MDL, CSL, and GRSE have resulted in their share prices zooming in the recent times. These are the symptoms of healthy business flows from the top progressively to the systems integrators, vendors and OEMs. Marine Electricals is a reputed and well established total solution provider or, systems integrator; in addition to being OEM for over 25 major product categories. Further, more and more equipment are being brought into the indigenization umbrella. Enhanced percentage of indigenous content is also being encouraged. The vision of a 200 strong combat fleet by 2027 is also a catalyzer. In wake of the naval vision, warship construction has witnessed an unprecedented growth. This has been one of the significant growth impetus for Marine Electricals as well.](#)
 - I. The various projects of Indian Navy, at different stages of execution in shipyards are tabulated below (excluding smaller ships/ crafts). This is the current business concentration of the Naval division of our Company:

Sr.No.	Project	Type	No of Ships	Shipyard	Notes
(a)	P17A	Frigates	07	Mazagon Dock Shipbuilders Ltd. & Garden Reach Shipbuilders Ltd.	Deliveries nearing completion. I&C services commenced
(b)	P15B	Destroyers	04	Mazagon Shipbuilders Ltd.	IBS Retrofit
(c)	Follow on 1135.6	Frigates Trikanth Class	02	Goa Shipyard Ltd.	Deliveries in full swing
(d)	Survey Vessel (L)	Survey Vessel	04	Garden Reach Shipbuilders Ltd.	Deliveries in full swing
(e)	Anti-Submarine Warfare Shallow Water Craft	Warship ASW SWC	16	Cochin Shipyard Ltd. Garden Reach Shipbuilders Ltd.	Deliveries in full swing
(f)	DSV	Diving Support Vessel	02	Hindustan Shipyard Ltd.	Deliveries nearing completion. I&C services commenced

Management Discussion and Analysis

Ser	Project	Type	No of Ships	Shipyard	Notes
(g)	FSS	Fleet Support Ship (Tanker)	05	Hindustan Shipyard Ltd.	Under Construction
(h)	NG OPV	Next Gen Offshore Patrol Vessels	11	Goa Shipyard Limited (07), Garden Reach Shipbuilders & Engineers (04)	Orders in hand to execute
(i)	NG MV	Next Gen Missile Vessels	06	Cochin Shipyard Ltd.	Under Construction
(j)	MPVs	Multi-Purpose Vessels	02	L&T Shipbuilding	Under Construction
(k)	CTS	Cadet Training Ships	03	L&T Shipbuilding	Under Construction
(l)	P75 (1)	AIP Submarines	06	Strategic Partnership Model	Indigenization drive for Equipment is in progress
(m)	SSP/FDN - 3	Floating Dock (Navy)-3	01	Hindustan Shipyard Ltd.	Tendering Stage
(n)	DSC	Diving Support Craft	05	Titagarh Wagons	Under Construction
(o)	Arihant class	Ballistic missile submarine (SSBN)	03	Advanced Technology Vessel (ATV) program	Under Construction
(p)	Midget Submarine	For Special Forces	01	Mazagon Dock and Shipbuilders Ltd	Under Construction
	Total		78		

II. Shipbuilding Projects of the Indian Navy on the Anvil / Planning Phase. This forms longer term business target for Marine Electricals spanning over next few years:

Ser	Project	No. of Ships
(a)	ASV-MCM, Autonomous Surface Vessels for Mine Counter Measure Operations	10
(b)	Survey Training Vessel	01
(c)	NGC, Next generation Corvettes	07
(d)	NGF, Next Generation Frigates	07
(e)	NGD, Next Generation Destroyers	08
(f)	IAC 2, Indian Aircraft Carrier - 2	01
(g)	Fast Interceptor Craft	20
(h)	Fast Interceptor Craft	20
(i)	FDN - MDL	01
(j)	National Hospital Ship	01
(k)	Midget Submarine (HSL)	02
(l)	Landing Crafts	06
(m)	Next Generation Fast Attack Crafts (NG FACs)	07
(n)	LPD, Landing Platform Dock	04
(o)	P-76 class attack submarine	06
	Total	115

III. In addition to the Indian Navy, the Indian Coast Guard is also engaged in a massive expansion plan and is in the process of acquiring various craft to strengthen the maritime boundaries of the country.

Management Discussion and Analysis

IV. However, the performance of private shipbuilding industry has been much better in terms of project completion mainly attributable to less complex weapons and sensors, leading to timely completion of the project. The various shipbuilding projects of Indian Coast Guard in progress / planning phase are as below.

Sr. No.	Project	Quantity	Shipyard
(a)	Fast Patrol Vessel	08	Goa Shipyard Ltd (Awarded in Mar 22)
(b)	Training Ship	01	RDEL NCLT, Retender in progress
(c)	Interceptor Boats	15	BDIL
(d)	FSB	05	BDIL
(e)	Pollution Control Vessel	02	Goa Shipyard Limited
	Total	28	

V. Shipbuilding Projects of Coast Guard in Planning Phase: Which would add to the business target over coming decade:

Sr. No.	Project	No. of Ships
(a)	New Generation Fast Patrol Vessels (RFI 08 Jun 21)	18
(b)	OPVs (RFI 28 Feb 2022)	06
(c)	Air Cushion Vessel	06
	Total	30

Marine Electricals' flagship equipment namely, Integrated Bridge System, NAVCOM systems including navigation radars, Navigation light control panel, Main Switchboard, assorted control panels for pumps, motors, HVAC etc, alarm monitoring systems and a host of data aggregation control systems for fire, flood and auxiliary machinery control systems are needed by all above ships. This forms a significant established business segment for the naval division of Marine Electricals. We have reached maturity of series production for some equipment like ruggedized UPS and solid-state Auto Transfer Switch. Our portfolio of Integrated Platform Management System (IPMS) is also expected to grow.

2. **Inland Water Transport (IWT):** Our Commercial Marine division has a great opportunity unfolding in IWT in the foreseeable future. Commencing from power & NAVCOM package to equipment supplies, and supply of complete small electrical propulsion boats; we can look forward to a big business landscape. The summary of IWT business panorama is depicted below:

To create a country wide waterways network and to promote inland water transport in the country as an economical, environment friendly supplementary mode of transport to rail and road, 111 inland waterways have been planned and many are under execution stage. The Inland Water Transport (IWT) mode is widely recognized as a fuel efficient, environment friendly and cost effective mode, especially for bulk goods, over dimensional cargo

Management Discussion and Analysis

and hazardous goods. The primary requirement of making this mode commercially viable is development of IWT infrastructure (fairway, terminals and NAV COM) and at the same time creating and enabling environment for augmentation of IWT fleet, primarily by the private sector. Keeping in view that India has a coastline of 7,500km, and In Land Waterways (ILW) potential of over 20,000 kms; ship building and ship repair have been recognised as key sectors under Make In India (MII) initiative. We have started receiving orders from the projects under IWT.

3. Repair and Maintenance Services

With the growing ship repair and technical services sector, our services business of marine and defence sector also continues to be healthy and expected to grow along with the buoyant business scenario. Our navigation and Communication services business also grows in sync with the growth of ship repair and technical services opportunity.

We have over 30 types of electrical / electronic equipment approved by Govt of India (DGQA) and is growing further. We offer Annual Maintenance Contracts (AMC) and Rate Repair Contracts (RRC) for all our equipment. MEIL has branch offices in 12 locations, mostly around the coast, for providing water front support to our customers. These AMC/RRC provide a parallel sustained derivative business stream for us.

4. New Business Endeavours:

(a) Marine Domain Awareness Solutions:

Maritime domain awareness solutions include an array of products and services from port management solutions, to vessel monitoring services etc. and ensure maritime safety using advanced vessel traffic systems to monitor activities at sea.

A Typical Vessel Tracking System

A Vessel Traffic System (VTS) is a service recommended by the IMO and IALA, which is implemented by a competent authority and designed to improve the safety and efficiency of vessel traffic and protect the environment. The service shall have the capability to interact with the traffic and respond to traffic situations developing in the vessel traffic service area. An advanced Vessel Traffic System incorporates various means of monitoring and surveillance sensors, such as, Radar, AIS, Camera, Radio communication, Meteorological

Management Discussion and Analysis

instrument etc. to provide a real-time situational awareness to the VTS Operator to enable safe and efficient traffic management within its area of responsibility. A Vessel Traffic Service is usually implemented by Competent Authorities to monitor the Ports. Harbours. Rivers. Busy Waterways, Coastal Areas, Oil and Gas Production Areas.

Marine Electricals offers two such systems to enable smooth transit into the seas namely:-

- a) TITAN SENTINEL - AVTS for Solving Complex Issues of Large and Medium-Sized Ports
- b) TITANAVIPS - AVTS Designed for Small Ports

Marine solutions software is acquired from Xanatos, Canada with complete Transfer of Technology (ToT) and know-how. We have built further on this technology to offer customized solutions.

Since VTS is mandated by regulations for all ports and channels, a progressive upgrade of all harbor facilities in India is anticipated and therefore, this business segment is expected to grow faster.

Evigo, e-Mobility Solution

- c) E-Mobility solutions under brand 'Bijlify':

We are passionate about renewable energy and electric vehicle technologies. We drive sustainable mobility by providing smart, robust and durable charging infrastructure and charging management software to electric vehicles under the umbrella of our subsidiary Company, Evigo Charge Pvt. Ltd.

Our Chargers provide full control over user's energy usage by providing real time data on the EV Charging module. Our Charging solutions are compatible with every future electric vehicle. Having started our initiatives in 2018, we have the first mover advantages. Today, our products and software have stabilized and matured. We are fully geared with a competitive edge to take a lead in the e-Vehicle charging market.

5. Business Domain Expansion: Marine Electricals has taken timely steps for horizontal and vertical expansions into related fields for better benefits at lower risk such as:

- Broadened Industrial Customer Base: Datacenters, Steel, Cement, Chemical, Pharma and Automobile industries, High rise buildings using own patented solutions for LV (MEcubE3), MV (MEpowerR3), Busduct solution etc.
- Geographical Expansion in Industrials
- Expanding in South India with an R&D center in Bangalore.

Management Discussion and Analysis

- Exploring acquisition opportunities to enter North & Eastern India
- Metro Rails: Electrical Products and Sensors
- Indian Railways: Electrical Equipment and Lights
- Ports: Vehicle traffic management system, Port management systems for port operations
- Electric Vehicles: Charging Stations for Fast Charging
- Expanding Solution Offerings in Marine
- Exploring new businesses such as Small autonomous vessels and E-Ferries
- Providing IPMS for commercial ships, working on expanding it to Naval Ships
- Focusing on complete installation package for Naval Ships
- Targeting to receive Service Contract for Degaussing System and Weapon Systems

6. **Achieved Business Parameters:** The Y-o-Y growth parameters of MEIL are outlined as below. As can be observed the growth trends of MEIL are following/ exceeding the growth trends of the sector.

Year	Order Book*	Revenue/ Sales*	PBIT*
2023-24	60,100.00	53,372.69	3,780.96
2022-23	48,630.00	39,127.13	2,636.54
2021-22	35,620.00	32,288.56	1,763.71
2020-21	44,100.00	19,987.37	1,085.82
2019-20	40,170.19	20,771.13	1,572.78
2018-19	18,786.00	32,323.03	1,728.33
2017-18	16,087.40	28,766.39	2,266.86
2016-17	4,361.24	20,944.17	1,875.94
2015-16	3,262.97	19,344.95	1,53051

7. **Competitive Scenario :** MEIL has the first mover's advantage. It has been able to resist and sustain the aggressive moves and postures of the new incomers in this business domain. The International players do pose a challenge but, MEIL product quality and market reputation are also at par with International brands. We make all endeavors to maintain and sustain international quality and maturity in our products, processes and product life cycle support.

8. Overall Business and Growth Strategy

Marine Electrical intends to be one of the top ten players in the global marine market. We will realise this by becoming a true life cycle management partner, combining two key roles as system integration partner and maintenance partner to all our customers and constantly focus on exceeding their expectations. And last but not least, we are dedicated to create smart and green solutions at a competitive cost of ownership.

Marine Electricals will provide high quality Industrial solutions for LV, MV & Automation addressing requirements of diverse customers thru superior technology & manufacturing standards. We aspire to take leadership position in Western region of India.

A focus on power plants, the automotive industry, pharmaceuticals, chemicals and petrochemicals, the energy and environment market, pharmaceuticals, machine building, oil & gas, and the aircraft industry.

9. Safety and Environment Clearances Outlook

We continuously seek to improve safety and reliability at all our production facilities. Our production facilities have been awarded the ISO Certification for maintaining quality and environment management standards.

Management Discussion and Analysis

10 Statutory Compliance

The Company Secretary Cum Compliance Officer ensures compliance with SEBI Regulations and Listing Agreement, Guidelines of Insider Trading and Companies Act 2013.

11 Internal Control Systems

The company's internal audit system has been continuously monitored and updated to ensure that assets are safeguarded, established regulations are complied with and pending issues are addressed promptly. The audit committee reviews reports presented by the internal auditors. The committee makes note of the audit observations and takes corrective actions, if necessary. It maintains constant dialogue with statutory and internal auditors to ensure that internal control systems are operating effectively.

12 Return on Networth (Consolidated)

The return on networth for the financial year 2023-24 is 10.08% as compared to 7.82% for the financial year 2022-23.

13 Cautionary Statement

The management discussion and analysis report containing your company's objectives, projections, estimates and expectation may constitute certain statements, which are forward looking within the meaning of applicable laws and regulations. The statements in this management discussion and analysis report could differ materially from those expressed or implied. Important factors that could make a difference to the company's operation include raw material availability and prices, cyclical demand and pricing in the company's principal markets, changes in the governmental regulations, tax regimes, forex markets, economic developments within India and the countries with which the company conducts business and other incidental factors.

Corporate Governance Report

I. Philosophy on Code of Governance

Your Company believes that sound ethical practices, transparency in operations and timely disclosures go a long way in enhancing long-term shareholders value while safeguarding the interest of all the stakeholders. It is this conviction that has led the Company to make strong corporate governance values intrinsic in all operations. The Company is led by a distinguished Board. The Board provides a strong oversight and strategic counsel. The Company has established systems and procedures to ensure that the Board of the Company is well-informed and well-equipped to fulfill its oversight responsibilities and to provide management the strategic direction it needs to create long-term shareholders value.

The Company has adopted a Code of Conduct for its Board of Directors and Senior Management Personnel and its employees. The Company also laid down under Insider Trading Regulations, Insider Trading Code and Code on fair disclosure of unpublished price sensitive information to safe guard interest of the shareholders.

The Company is in compliance with the requirements stipulated under Regulation 17 to 27 read with Schedule V and clauses (b) to (i) of sub-regulation (2) of Regulation 46 of SEBI Listing Regulations (LODR) as applicable, with regard to corporate governance.

II. Board of Directors -

Board diversity

Company recognizes the benefits of a Board that possesses a balance of skills, experience, expertise and diversity for effective decision making. Diversity at the Board level is an important element in strong corporate governance. The Board diversity enhances decision-making capability and a diverse Board is more effective in dealing with organizational changes and less likely to suffer from group thinking. The Board diversity policy adopted by the Board is available on the website of the Company at

<https://www.marineelectricals.com/images/policies/Board-Diversity-Policy.pdf>

a) Composition:

Regulation 17 of the SEBI Listing Regulations (LODR) has mandated that where the listed entity does not have a regular non-executive chairperson, at least half of the board of directors shall comprise of independent directors. Further SEBI Listing Regulations (LODR) (Amendments) 2018 has mandate the Board of top 1000 listed companies to have at least one Independent Woman Director on the Board. The Board of the Company is having appropriate mix of Executive, Non-Executive and Independent Directors.

As on March 31, 2024, the Board comprises of total One Chairman and Executive Director, One Managing Director, One Executive Director, One Non-executive Non-Independent Director and five Non- Executive Independent Director (including 1 Woman Non- Executive Independent Director). Hence, the composition of the Board is in conformity with SEBI Listing Regulations (LODR) and amendments thereof.

The details of Board members along with their tenure during the Financial year 2023-24 are as follows:

Name of Director	Designation	Date of Appointment	Date of Re-appointment	Date of Cessation
Mr. Vinay K Uchil	Chairman & Executive Director	04-12-2007	01-08-2021	-
Mr. Venkatesh K Uchil	Managing Director	04-12-2007	01-08-2021	-
Mr. Mohan Rao	Non-Executive Independent Director	30-05-2020	30-05-2023	-
Mr. Nikunj Mishra	Non-Executive Independent Director	11-07-2018	11-07-2023	-
Mr. Vikas Jaywant	Non-Executive Independent Director	24-02-2020	-	-
Mr. Madan Pendse	Non-Executive Independent Director	11-07-2018	11-07-2023	-
Mr. Shailendra Shukla	Executive Director	07-12-2018	-	-
Dr. Tanuja Pudhierkar	Non-Executive Non Independent Director	01-08-2018	-	-
Ms. Archana Venkata Rajagopalan	Non-Executive Independent Director	23-02-2021	23-02-2024	-

Corporate Governance Report

b) Details of the Directorships and Committee Chairmanship/membership held by the Directors in other public companies as on 31st March, 2024 are as under:

Name of Director	Number of Equity Shares held	No. of Directorships in other Public Limited Companies	No. of Board Committees of other companies in which Member/Chairperson		No. of Board Committees of the Company (MEIL) in which Member/Chairperson (3)		Name of the other Listed Entity(ies) in which the Director hold Directorship
			1&2		Member	Chairperson	
Mr. Vinay K Uchil	10,81,300	2	0	0	3	2	0
Mr. Venkatesh K Uchil	2,77,73,475	2	0	0	1	0	0
Dr. Tanuja Pudhierkar	1000	0	0	0	1	0	0
Mr. Nikunj Mishra	-	0	0	0	2	1	0
Mr. Shailendra Shukla	-	0	0	0	1	0	0
Mr. Madan Pendse	-	5	0	0	2	2	0
Mr. Vikas Jaywant	-	0	0	0	2	0	0
Mr. Mohan Rao	-	0	0	0	2	0	0
Ms. Archana Venkata Rajagopalan	-	0	0	0	1	0	0

Notes:

- Directorship(s) and membership(s)/ Chairmanship(s) in the Committees of the Board of Directors exclude Marine Electricals (India) Limited, foreign Companies, Companies formed under Section 25 of the Companies Act, 1956 and Section 8 of the Companies Act, 2013.
- Chairmanship/ Membership of Committee includes the Audit Committee /Nomination & Remuneration Committee/Corporate Social Responsibility (CSR) Committee/Stakeholders' Relationship Committee in other Indian Public Companies (Listed and Unlisted & excludes Marine Electricals (India) Limited).
- Chairmanship/ Membership of Committee include the Audit Committee /Nomination & Remuneration Committee/Corporate Social Responsibility (CSR) Committee/Stakeholders' Relationship Committee in Marine Electricals (India) Limited.
- None of the Directors hold Directorship in more the Seven (7) Listed Entities as per Regulation 17A of the Listing Regulations.
- No Director holds membership(s) of more than Ten (10) Committees of any Board, nor, is a Chairperson of more than Five (5) Committees of any Board across all listed companies with which he/ she is associated as a Director.
- The particulars of Director seeking re-appointment at the forthcoming AGM are provided in the Notice to the Annual General meeting. The brief profile of the Directors is also placed on the website of the Company.
- The tenure of the Independent Directors is in compliance with the Companies Act, 2013. All the Independent Directors have confirmed that they meet the criteria of independence as mentioned under SEBI Listing Regulations (LODR) and Section 149 of the Companies Act, 2013. In the opinion of the board, the independent directors fulfill the conditions specified in SEBI Listing Regulations and Independent Directors are independent of the management.
- None of the Directors have any inter-se relation among themselves except Mr. Vinay Uchil, Mr. Venkatesh Uchil and Dr. Tanuja Pudhierkar. Mr. Vinay Uchil is the brother of Mr. Venkatesh Uchil and Dr. Tanuja Pudhierkar. Mr. Venkatesh Uchil is the brother of Mr. Vinay Uchil and Dr. Tanuja Pudhierkar. Dr. Tanuja Pudhierkar is the sister of Mr. Vinay Uchil and Mr. Venkatesh Uchil.

Corporate Governance Report

c) Board Meetings

The Board met Six (5) times during the financial year 2023-24 viz. 29th May, 2023; 11th August, 2023, 16th October, 2023; 9th November, 2023; 14th February, 2024, and the particulars of attendance of the Directors are as under:

Name of Director	Attendance at AGM held on 26/09/2023	No. of Board meeting held during tenure	No. of meeting attended
Mr. Vinay K Uchil	Yes	5	5
Mr. Venkatesh K Uchil	Yes	5	5
Dr. Tanuja Pudhierkar	Yes	5	5
Mr. Shailendra Shukla	Yes	5	5
Mr. Madan Pendse	Yes	5	5
Mr. Nikunj Mishra	Yes	5	5
Mr. Vikas Jaywant	Yes	5	5
Mr. Mohan Rao	Yes	5	5
Ms. Archana Venkata Rajagopalan	Yes	5	4

d) Independent Directors:

The appointment of Independent Directors is carried out in a structured manner in accordance with the provisions of the Act and the SEBI Listing Regulations. The Nomination & Remuneration Committee of the Board identifies candidates based on certain laid down criteria and takes into consideration the need for diversity of the Board and accordingly makes its recommendations to the Board. Independent Directors play a significant role in the governance processes of the Board. By virtue of their varied experience & expertise, they enrich the Board's decision-making and prevent possible conflicts of interest that may emerge in such decision-making.

e) Meeting of Independent Directors:

Schedule IV of the Companies Act, 2013 and the Rules thereunder mandate that the Independent Directors of the Company shall hold at least one meeting in a year, without the attendance of Non-Independent Directors and members of the Management. During the year under review, separate meeting of the Independent Directors was held on 28th March, 2024 to review the performance of Non-Independent Directors, Chairman and the Board as whole. The Independent Directors also reviewed the quality, quantity and timeliness of the flow of information between the Management and the Board and its Committees which is necessary to effectively and reasonably perform and discharge their duties.

The terms and conditions of appointment of Independent Directors are disclosed on the website of the Company at: <https://www.marineelectricals.com/images/policies/Terms-and-Conditions-of-Appointment-of-Directors.pdf>

f) Details of the Familiarization Programme for Independent Directors:

The Independent Directors are provided with necessary documents/brochures, reports and internal policies to enable them to familiarize with the Company's procedures and practices. The details of the Familiarization Programme undertaken by the Company during the FY 2023-24 is mentioned in the Corporate Governance Report which is part of this Annual Report and is also available on the website of the Company at :

<https://www.marineelectricals.com/images/policies/Familiarization-Programme.pdf>

g) Board Skill/ Expertise/ Competence

Corporate Governance Report

g) Board Skill/ Expertise/ Competence

The Board skills matrix provides a guide as to the skills, knowledge, experience, personal attributes and other criteria appropriate for the Board of the Company. The template is designed to capture the skills of the current Board, assist in the recruitment of future directors if necessary and provide guidance for the Board in its succession planning.

The Board is a skill - based Board comprising directors who collectively have the skills, knowledge and experience to effectively govern and direct the Company. The Board has identified the skills and attributes required by Company directors which can be broadly categorized as follows:

Skill area	Description	Importance of Skill (essential, desirable, able to rely on external advice)
Knowledge of the Company's business and the Industry in which the Company operates	Ability to identify key issues and opportunities for the Company within the Electrical & Electronic , Marine industry and develop appropriate policies to define the parameters within which the organisation should operate.	Essential
Strategy	Ability to identify key issues and opportunities for the Company within the Electrical & Electronic , Marine industry and develop appropriate policies to define the parameters within which the organisation should operate.	Essential
Financial Skills	Qualifications and experience in accounting or finance and the ability to: -analyse key financial statements; -critically assess financial viability and performance; - contribute to strategic financial planning; -oversee budgets and the efficient use of resources; and - oversee funding arrangements and accountability.	Desirable
Board Service and Governance	Service on other public company boards, to develop insights about maintaining board and management accountability, protecting shareholder interests, and observing appropriate governance practices.	Desirable
Leadership & Management Skills	Extended entrepreneurial / leadership experience for a significant enterprise, resulting in a practical understanding of organizations, processes, strategic planning, and risk management. Demonstrated strengths in developing talent, planning succession, and driving change and long-term growth.	Essential

The following is a list of core skills/expertise/competencies mapped with every Director of the Company identified by the Board of Directors of the Company as required in the context of the Company's business(es) and sector(s) for the Company to function effectively and those available with the Board :

Corporate Governance Report

- Changes, if any, in accounting policies and practices and reasons for the same;
- Major accounting entries involving estimates based on the exercise of judgment by management;
- Significant adjustments made in the financial statements arising out of audit findings;
- Compliance with listing and other legal requirements relating to financial statements;
- Disclosure of any related party transactions;
- Modified opinion(s) in the draft Audit report;
- Reviewing, with the management, the quarterly Financial Statements before submission to the Board for approval;
- Reviewing, with the management, the statement of uses / application of funds raised through an issue (public issue, rights issue, preferential issue, etc.), the statement of funds utilized for purposes other than those stated in the offer document / prospectus / notice and the report submitted by the monitoring agency monitoring the utilisation of proceeds of a public or rights issue, and making appropriate recommendations to the Board to take up steps in this matter;
- Reviewing and monitoring the auditor's independence and performance, and effectiveness of audit process;
- Approval or any subsequent modification of transactions of the Company with related parties;
- Scrutiny of inter-corporate loans and investments;
- Valuation of undertakings or assets of the Company, wherever it is necessary;
- Evaluation of Internal Financial Controls and Risk Management Systems;
- Reviewing, with the management, performance of Statutory and Internal Auditors, adequacy of the Internal Control Systems;
- Reviewing the adequacy of internal audit function, if any, including the structure of the internal audit department, staffing and seniority of the official heading the department, reporting structure coverage and frequency of internal audit;
- Discussion with Internal Auditors of any significant findings and follow up there on;
- Reviewing the findings of any internal investigations by the Internal Auditors into matters where there is suspected fraud or irregularity or a failure of Internal Control Systems of a material nature and reporting the matter to the Board;

Corporate Governance Report

- Discussion with Statutory Auditors before the audit commences, about the nature and scope of audit as well as post-audit discussion to ascertain any area of concern;
- To look into the reasons for substantial defaults in the payment to the depositors, debenture holders, shareholders (in case of non-payment of declared dividends) and creditors;
- To review the functioning of the Whistle Blower mechanism;
- Approval of appointment of CFO (i.e., the Whole-Time Finance Director or any other person heading the finance function or discharging that function) after assessing the qualifications, experience and background, etc. of the candidate;
- Carrying out any other function as is mentioned in the terms of reference of the Audit Committee.
- Reviewing the utilization of loans and/ or advances from/investment by the holding company in the subsidiary exceeding rupees 100 crores or 10% of the asset size of the subsidiary, whichever is lower including existing loans/ advances/investments.
- Reviewing compliance with the provisions of the SEBI (Prohibition of Insider Trading) Regulations, 2015 Verifying that the internal control system to prevent insider trading is adequate and working effectively
- Reviewing various risks identified as part of the risk register of the Company, which are within the scope of the Committee
- Review and comment on rationale, cost-benefits and impact of schemes involving merger, demerger, amalgamation etc., on the listed entity and its shareholders.
- Carrying out any other role or function as mentioned as prescribed under the Companies Act, 2013, the SEBI (Listing Obligation and Disclosure Requirements).

Review of Information by Audit Committee:

- Management Discussion and Analysis of financial condition and results of operations;
- Statement of significant related party transactions (as defined by the Audit Committee), submitted by management;
- Management letters/letters of internal control weaknesses issued by the Statutory Auditors;
- Internal audit reports relating to internal control weaknesses; and
- The appointment, removal and terms of remuneration of the Chief Internal Auditor shall be subject to review by the Audit Committee.
- Review the statement of deviations:
 - quarterly statement of deviation(s) including report of monitoring agency, if applicable, submitted to stock exchange(s) in terms of Regulation 32(1) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
 - annual statement of funds utilized for purposes other than those stated in the offer document/prospectus/notice in terms of Regulation 32(7) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

ii. Nomination & Remuneration Committee

The Nomination and Remuneration Committee of the Company is constituted under Section 178 of the Companies Act, 2013 and pursuant to the provisions of Regulation 19 of SEBI Listing Regulations (LODR). The Committee has formulated the policy setting out the criteria for determining qualifications, positive attributes, independence of a Director and policy relating to remuneration for Directors, Key Managerial Personnel and other employees. The Committee has developed the criteria for appointment of Independent Directors, Non-Executive Directors and Executive Directors in compliance with the Companies Act, 2013 and SEBI (LODR) Regulations, 2015 read with Part D of Schedule II and amendments thereto.

Corporate Governance Report

- To deal with the matters relating to the remuneration payable to Whole Time Directors, Key Managerial Personnel and Senior Management Executives and commission, if any, to be paid to Non-Executive Directors, apart from sitting fees.

Corporate Governance Report

Nomination & Remuneration Policy:

The Company recognizes the competitive nature of the current labour market conditions and this requires the Company to provide competitive remuneration offering to Directors and employees to ensure that a high caliber of staff is attracted to the Company and retained once they have gained experience. The Company further acknowledges that it can only excel in service delivery through the exceptional performance of its people and that the remuneration offering to the Directors and employees plays a substantial motivational role when exceptional performance is compensated with exceptional rewards.

The Remuneration of Directors, Key Managerial Personnel and Senior Executives and Employees of the Company are decided based on predetermined criteria and as per the recommendation of the Committee. The Company will pay remuneration to Directors, Key Managerial Personnel and Senior Executives and Employees by way of fixed component i.e. salary, retirement benefits perquisites, allowances and by way of the Committee and approval of the Board of Directors and shareholders, if applicable and shall be governed by the provisions of the Companies Act, 2013, rules framed thereunder and the notifications issued by the Ministry of Corporate Affairs from time to time.

The Nomination and Remuneration policy is also available on the web site of the Company at: <https://www.marineelectricals.com/images/policies/Nomination-n-Remuneration.pdf>

Criteria for appointment and performance evaluation - related remuneration for Directors/Key Managerial Personnel and Senior Executives of the Company.

- At the time of selection of a Director the Company must examine the integrity of the person and possession of relevant expertise, qualifications and experience.
- In case of appointment of Independent Director, the Company must observe the pecuniary relationship with the promoters and group companies.
- The level and composition of remuneration should be reasonable and sufficient to attract, retain and motivate Directors/executives to run the Company successfully.
- Relationship of remuneration to performance is clear and meets appropriate performance benchmarks.
- Financial and operating performance vis-à-vis the Annual and Operating Budget of the Company.
- Remuneration of Directors, Key Managerial Personnel and Senior Management involves a balance between fixed and incentive pay reflecting short and long term performance objectives appropriate to the working of the Company and its goals.
- External Competitiveness: The quantum and nature of the total offering to Directors and employees determines how competitive the Company is in recruiting and retaining them. The appropriate mix of guaranteed benefits and incentives further enhances the Company's ability to motivate them in a manner that will improve the Company's competitiveness.
- The size and complexity of a position is determined through a valid job evaluation system and individual performance is measured through the established and approved Performance Management System.
- Remuneration recognizes and rewards both high levels of competence and superior performance through the use of incentive bonuses linked to performance.
- The Nomination and Remuneration Committee shall consider whether the Directors are eligible for annual bonuses. If so, performance conditions should be relevant, stretching and designed to promote the long term success of the Company. Upper limits should be set and disclosed.
- The said Committee shall consider whether the Directors are eligible for benefits under long-term incentive schemes. Any new long-term incentive schemes which are proposed should be approved by shareholders.

Corporate Governance Report

- Remuneration incentives should be compatible with risk policies and systems, if any.
- The above committee shall consider the consequences and associates costs to the Company if basic salary increases and any other changes, whenever required.

Performance Evaluation Criteria for Independent Directors: The performance evaluation criteria for Independent Directors are determined by the Nomination and Remuneration Committee. The Committee has formulated criteria and questionnaires to evaluate the performance of Board, its Committees and Individual Directors including the Independent Directors. The performance evaluation criteria are determined by the Committee taking into consideration the composition of the Board, role of the Directors and Committees etc. An indicative list of factors that may be evaluated include level of engagement and contribution by a director, independence of judgment, commitment, effective deployment of knowledge and expertise, effective management of relationship with stakeholders, integrity and maintenance of confidentiality.

Based on the feedback received on the questionnaires, the performance of every Director was evaluated. Independent Directors at their separate meeting carried out evaluation on the performance of Non Independent Directors and Board as a whole. Chairman's evaluation was carried out by entire Board of Directors including the Independent Directors.

Remuneration to Directors

Details of Remuneration, Sitting fees, Commission and professional fee paid to Directors during the financial year 2023-24 are given below:

Sr. No.	Name of Director	Sitting Fees (Rs. in Lakhs)	Annual Remuneration/ Commission* (Rs. in Lakhs)	Professional fees (Rs. in Lakhs)	Employee Stock Option Scheme (ESOP)
	Executive Director

6	Mr. Mohan Rao	1.05	-	-	-
7	Ms. Archana Venkata Rajagopalan	0.90	-	-	-

Notes:

Pecuniary relationship or transactions with Non-Executive Directors:

Dr. Tanuja Pudhierkar, Non Executive Non Independent Director of the Company is related to Mr, Vinay Uchil and Mr. Venkatesh Uchil. However, there were no pecuniary relationship or transaction with Non Executive Director during FY 2023-24.

Guaranteed Portion of Remuneration:

Executive Directors and employees are receiving guaranteed portion of their total package on a monthly basis. The total package includes in it guaranteed benefits such as employer's contribution to retirement funds i.e. provident fund and/or pension & gratuity and/or medical aid funds and/or group life insurance fund contribution etc. as applicable.

Corporate Governance Report

- **Variable Portion of Remuneration:**

Incentive bonus to reward employees for exceptional performance above the accepted standard and is variable. These rewards are based on individual, departmental or Company' performance relative to predefined targets. Performance is measured over a 12 months period. Vehicle allowance and telephone expenses are flexible remuneration options available to the employees.

Remuneration of Executive Directors:

For deciding remuneration of the Executive Directors, the Committee considers the performance of the Company, the current trends in the industry, their experience, past performance and other relevant factors. The Committee regularly keep track of the market funds in terms of compensation levels and practices in relevant industries.

The Company may pay remuneration by way of salary, remuneration and/or commission (variable components) to its Executive Directors. Annual increments may be decided by the Committee within salary scale approved by the members.

Remuneration of Non-Executive Directors:

The Non-Executive Directors are paid remuneration by way of sitting fees. The Company pays a sitting fee per meeting of the Board and the Committee (as may be decided from time to time) to the Non-Executive Directors for attending the meetings within the limit prescribed under the Act.

An Independent Director may receive remuneration by way fees provided under sub-section (5) of Section 197 of the Act, reimbursement of expenses for participation in the Board and other meetings and profit related commission as may be approved by the members of the Company. The terms & conditions of appointment of Independent Directors are also available on the website of the Company at:

<https://www.marinelectricals.com/images/policies/Criteria-for-making-payment-to-Non-Executive-Directors.pdf>

iii) **Stakeholders' Relationship Committee**

Corporate Governance Report

COMPLIANCE CERTIFICATE ON CORPORATE GOVERNANCE

[Pursuant to Regulation 34(3) and Schedule V Para E of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015]

To,
The Members of
Marine Electricals (India) Limited

I have examined the compliance of conditions of corporate governance by Marine Electricals (India) Limited (“**the Company**”), for the purpose of certifying compliance of the conditions of the Corporate Governance under the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for the financial year ended March 31, 2024. I have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of certification.

The compliance of conditions of corporate governance is the responsibility of the Management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company

This Certificate is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

In our opinion, and to the best of our information and according to the explanations and information furnished to us, we certify that the Company has complied with all the mandatory requirements of Corporate Governance as stipulated in Schedule II of the said Regulations. As regards Discretionary Requirements specified in Part E of Schedule II of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company has complied with items C and E.

This certificate is issued solely for the purposes of complying with the aforesaid Regulations and may not be suitable for any other purpose.

Corporate Governance Report

Corporate social responsibility

Contributing to societal progress

The basic concept of a company's Corporate Social Responsibility ('CSR') is to serve the interests of society in a just and equitable manner while also taking responsibility for the impact of business activities on various stakeholders in all aspects of the company's operations. The Company has always taken up social and community development initiatives and has been contributing in the areas of education and healthcare. Our corporate social responsibility (CSR) initiatives aim to touch and uplift lives.

Project ABHILASHA through Amrita Trust

The Company has been making contributions to Amrita Trust since years. Amrita Trust continued to provide medical assistance to the economically disadvantaged section of the society and manage running Abhilasha (a pre-vocational center for People with Developmental Disabilities) in the Financial Year 2023-24, in keeping with the objectives of the Trust. While routine activities such as making festive and seasonal products like Diyas (lamps), Rakhis, Christmas Cards, Table Mats, Gift Tags, Gift Envelopes, etc. continued, demand for newspaper bags increased considerably. This helped to engage the students in a productive manner. In addition to Yoga, dance and music, movement therapy was introduced this year. The academic year ended with a program showcasing the students talent through dance & music. Medical and educational Assistance to the economical disadvantaged of nearly Rs. 4.40 Lakhs was provided.

Independent Auditors' Report

To the Members of
Marine Electricals (India) Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Marine Electricals (India) Limited ("the Company"), which comprise the standalone balance sheet as at 31 March 2024, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity and the standalone cash flow statement for the year then ended, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the standalone state of affairs of the Company as at 31 March 2024, its standalone profit (including other comprehensive income), standalone changes in equity and its standalone cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditors' Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Emphasis of Matter

Without qualifying our opinion on account of this matter, we draw attention to following matters included in Note to the standalone financial statements:

Note 67 included in notes to the standalone financial statements regarding the fact that the Company had paid an advance of USD 8,00,000 to a supplier in China during the financial year 2017-18 for procurement of solar PV modules carried at Rs 584.48 lakhs as at 31 March 2023. Due to non-receipt of the material from the supplier and since the supplier has filed for insolvency during the year, the Company has determined that the said advance is no longer recoverable and the entire amount of Rs 584.48 lakhs have been charged to standalone statement of profit and loss in the current financial year ended 31 March 2024.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Independent Auditors' Report

Sr. No.	Key Audit Matters	Auditor's response
1	<p>Revenue recognition accuracy, measurement, presentation and disclosure</p> <p>Revenue is measured based on transaction price, which is the consideration. As disclosed in Note 3.7 to the standalone financial statements, revenue from contract with customers is recognized when the Company satisfies the performance obligation by transfer of control of promised product or service to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services. Control is defined as the ability to direct the use of and obtain substantially all of the economic benefits from an asset.</p> <p>At the inception of the contract, the Company identifies the goods or services promised in the contract and assess which of the promised goods or services shall be identified as separate performance obligations. Promised goods or services give rise to separate performance obligations if they are capable of being distinct.</p>	<p>Our audit procedures included following:</p> <ul style="list-style-type: none"> • Considering the appropriateness of the management's accounting policies regarding revenue recognition; • Obtained an understanding of management's process over revenue recognition and evaluated design of internal controls around revenue recognition; • Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing;

Information other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

The Annual Report is not made available to us at the date of this auditor's report. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The accompanying standalone financial statements have been approved by the Board of Directors of the Company. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act, with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error

Independent Auditors' Report

In preparing the standalone financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs specified under section 143(10) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Independent Auditors' Report

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ('the Order'), issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "Annexure A", a statement on the matters specified in the paragraphs 3 and 4 of the Order, to the extent applicable.
2. Further to our comments in Annexure A, as required by Section 143(3) of the Act based on our audit, we report to the extent applicable, that:
 - (a) we have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit of the accompanying standalone financial statements;
 - (b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) the standalone financial statements dealt with by this report are in agreement with the books of account;
 - (d) in our opinion, the aforesaid standalone financial statements comply with the Ind AS prescribed under Section 133 of the Act;
 - (e) on the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2024 from being appointed as a director in terms of Section 164(2) of the Act;
 - (f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;
 - (g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. the standalone financial statements disclose the impact of pending litigations on the standalone financial position of the Company as at 31 March 2024 – Refer Note 53 to the standalone financial statements;
 - ii. the Company did not have any long-term contracts, including derivative contracts, for which there were any material foreseeable losses as at 31 March 2024;
 - iii. there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2024;
 - iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any person(s) or entity(ies), including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;

Independent Auditors' Report

- (b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (c) Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year ended 31 March 2024.
 - vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software, except that the audit log is not maintained in case of modification by certain users with specific access and for direct data changes at the database level.
3. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

Independent Auditors' Report

Annexure A to the Independent Auditors' Report - 31 March 2024

With reference to the Annexure A referred to in the Independent Auditors' Report to the members of the Company on the standalone financial statements for the year ended 31 March 2024, we report the following:

- (I) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) The Company has a regular programme of physical verification of its property, plant and equipment by which property, plant and equipment are verified by the management according to a phased programme designed to cover all the items over a period of three years. In accordance with this programme, certain property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of all the immovable properties (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the standalone financial statements, are held in the name of the Company.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its property, plant and equipment (including right of use assets) or intangible assets or both during the year.
- (e) No proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder. Accordingly, reporting under clause 3(i)(e) of the Order is not applicable to the Company.
- (ii) (a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable. We are informed that no discrepancies of 10% or more in the aggregate for each class of inventory were noticed on verification between the physical stocks and the book records.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. The quarterly returns or statements filed by the Company with such banks or financial institutions are in agreement with the books of accounts of the Company.
- (iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not provided any security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnership or any other parties during the year. The Company during the year has made investments in companies, provided guarantees to companies & firms and granted interest bearing unsecured loans to companies and interest free unsecured loans to other parties (employees) in respect of which the requisite information is as below:
- (a) Based on the audit procedures carried on by us and as per the information and explanations given to us, the Company during the year has provided guarantees to companies & firms and interest bearing unsecured loans to companies and interest free unsecured loans to other parties (employees) as below:

(Rs. in lakhs)

Particulars	Guarantees	Loans
Aggregate amount during the year ended		
- Subsidiaries	4,170.72	169.55
- Others (employees)	-	16.40
Balance outstanding as at balance sheet date in respect of above cases		
- Subsidiaries	1,670.72	164.95
- Others (employees)	-	11.91

Independent Auditors' Report

- (b) According to the information and explanations given to us and based on the audit procedures conducted by us, in our opinion the investments made, guarantees provided and the terms and conditions of the loans granted during the year are, prima facie, not prejudicial to the interest of the Company.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in respect of interest free unsecured loans given to other parties (employees), in our opinion the repayment of principal has been stipulated and the repayments or receipts have been regular. In respect of interest bearing unsecured loans granted to companies, the schedule of repayment of principal and payment of interest has not been stipulated:

(Rs. in lakhs)

Name of Entity	Nature	Amount outstanding	Remarks
Evigo Charge Private Limited	Loan	52.50	Repayment of principal and interest is not stipulated
Xanatech Synergies Private Limited	Loan	112.45	Repayment of principal and interest is not stipulated

Hence, we are unable to make a specific comment on the regularity of repayment of principal and payment of interest in respect of such loan.

- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no overdue amount for more than ninety days in respect of loans granted during the year.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no loan granted falling due during the year, which has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to same parties.
- (f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has granted unsecured loans during the year which are either repayable on demand or without specifying any terms or period of repayment to companies. Of these following are the details of the aggregate amount of loans granted to promoters or related parties as defined in Clause (76) of Section 2 of the Companies Act 2013 ("the Act").

(Rs. in lakhs)

Particulars	Related parties	Promoters
Aggregate amount of loans outstanding:		
- Repayable on demand	164.95	-
Percentage of loans to the total loans	42.57%	-

- (iv) In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of sections 185 and 186 of the Act in respect of loans and investments made, and guarantees and security provided by it, as applicable.
- (v) In our opinion, and according to the information and explanations given to us, the Company has not accepted any deposits or there is no amount which has been considered as deemed deposit within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.
- (vi) The Central Government has not specified the maintenance of cost records under sub-section (1) of section 148 of the Act, in respect of Company's products/business activity. Accordingly, reporting under clause 3(vi) of the Order is not applicable to the Company.
- (vii) (a) The Company does not have liability in respect of Service tax, Duty of excise, Sales tax and Value added tax during the year since effective 1 July 2017, these statutory dues have been subsumed into Goods and Services Tax.

According to the information and explanations given to us and on the basis of our examination of the records

Independent Auditors' Report

of the Company, amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Goods and Services Tax, Provident Fund, Employees' State Insurance, Income-Tax, Duty of Customs, Cess and other material statutory dues, as applicable, have been regularly deposited by the Company with the appropriate authorities though there has been delays in certain instances. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us, there are no statutory dues referred to in subclause (a) above that have not been deposited with the appropriate authorities on account of any dispute except as stated below:

(Rs in lakhs)

Nature of the statute	Nature of the dues	Forum where dispute is pending	Period to which the amount relates	Amount demanded	Amount paid under protest
The Income tax Act 1961	Income tax and interest	Assessing Officer	A.Y. 2013-14 to A.Y. 2015-16	4.74	-
The Income tax Act 1961	Income tax and interest	Assessing Officer	A.Y. 2016-17	6.08	-
The Income tax Act 1961	Income tax, penalty and interest	Commissioner of Income tax	A.Y. 2017-18	6.87	-
The Income tax Act 1961	Income tax and interest	Commissioner (Appeals)	A.Y. 2018-19	8.08	1.08
The Income tax Act 1961	Income tax and interest	Commissioner (Appeals)	A.Y. 2019-20	15.83	1.98
The Income tax Act 1961	Income tax and interest	Commissioner (Appeals)	A.Y. 2021-22	30.31	-
Sales Tax Act and VAT laws	Sales tax and interest	Assistant commercial tax Officer	F.Y. 2009-10	43.46	-
Sales Tax Act and VAT laws	Sales tax and interest	Assistant commercial tax Officer	F.Y. 2016-17	27.66	-
Maharashtra Goods and Services Tax Act, 2017	Tax, interest and penalty	Deputy Commissioner of State Tax	F.Y. 2018-19	94.16	-
Goa Goods and Services Tax Act, 2017	Tax, interest and penalty	Commercial Tax officer	F.Y. 2018-19	6.33	-
The Custom Act, 1962	Custom duty and penalty	Custom, Excise and Service Tax Appellate Tribunal	13.08.2014 to 30.10.2018	132.62	65.00

- (viii) According to the information and explanations given to us, no transactions were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) which have not been recorded in the books of accounts.

- (ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in the repayment of loans and borrowings or in the payment of interest thereon to any lender.

Independent Auditors' Report

- (b) According to the information and explanations given to us and representation received from the management of the Company, and on the basis of our audit procedures, the Company has not been declared a willful defaulter by any bank or financial institutions or government or government authority. Accordingly, reporting under clause 3(ix)(b) of the Order is not applicable to the Company.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the terms loans have been applied, on an overall basis, for the purposes for which they were obtained.
- (d) According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that no funds raised on short term basis have been used for long-term purposes by the Company.
- (e) According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, we report that the Company has not taken any funds from any entity or persons on account of or to meet the obligations of its subsidiaries or associate (as defined under the act). The Company does not hold any investment in any joint venture (as defined under the Act) during the year ended 31 March 2024. Accordingly, reporting under clause 3(ix)(e) of the Order is not applicable to the Company.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries or associate (as defined under the act). The Company does not hold any investment in any joint venture (as defined under the act) during the year ended 31 March 2024. Accordingly, reporting under clause 3(ix)(f) of the Order is not applicable to the Company.
- (x) (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments), during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) The Company has made a preferential allotment of equity shares (on conversion of convertible warrants) during the year, in compliance with the requirements of Section 42 of the Act. The amounts raised have been used for the purpose for which funds were raised as set out below:

(Rs in lakhs)

Nature of securities	Purpose for which funds raised	Total amount raised	Amount utilized for other purposes	Unutilized balance as at balance sheet date
Equity shares and convertible warrants	Funding long-term working capital requirements, investment in subsidiaries and general corporate purposes	1,393.03	-	-

- (xi) (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the period covered by our audit.
- (b) No report under section 143(12) of the Act has been filed with the Central Government for the period covered by our audit.
- (c) According to the information and explanations given to us including the representation made to us by the management of the Company, there are no whistle-blower complaints received by the Company during the year.
- (xii) The Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, reporting under clause 3(xii) of the Order is not applicable to the Company.

Independent Auditors' Report

- (xiii) In our opinion and according to the information and explanations given to us, the transactions with the related parties are in compliance with section 177 and section 188 of the Act, where applicable, and the details of the related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- (xiv) (a) In our opinion and according to the information and explanations given to us, the Company has an internal audit system as required under section 138 of the Act which is commensurate with the size and nature of its business.
- (b) We have considered the reports issued by the Internal Auditors of the Company till date for the period under audit.
- (xv) According to the information and explanation given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with them and accordingly, provisions of section 192 of the Act are not applicable to the Company.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, reporting under clause 3(xvi) of the Order is not applicable to the Company.
- (xvii) The Company has not incurred any cash loss in the current as well as the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable to the Company.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the plans of the Board of Directors and management and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) (a) In respect of other than ongoing projects, there are no unspent amounts that are required to be transferred to a fund specified in Schedule VII of the Act, in compliance with second proviso to sub-section (5) of Section 135 of the Act.
- (b) In our opinion and according to the information and explanations given to us, the Company does not have any unspent amount under sub-section (5) of Section 135 of the Act in respect of ongoing projects. Accordingly, reporting under clause 3(xx)(b) of the Order is not applicable to the Company.
- (xxi) The reporting under clause 3(xxi) is not applicable in respect of audit of standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

Independent Auditors' Report

Annexure B to the Independent Auditors' Report – 31 March 2024

Report on the Internal Financial Controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

(Referred to in paragraph (2)(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Opinion

We have audited the internal financial controls with reference to standalone financial statements of Marine Electricals (India) Limited (“the Company”) as of 31 March 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls were operating effectively as at 31 March 2024, based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“the Guidance Note”).

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with respect to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with respect to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with respect to standalone financial statements included obtaining an understanding of internal financial controls with respect to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to standalone financial statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls

Independent Auditors' Report

with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to standalone financial statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Notes to the Standalone Financial Statements

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

1. Corporate Information

The Company was incorporated as a private limited company with the name "Marine Electricals (India) Private Limited" on 4 December 2007 under the Companies Act, 1956 by converting a partnership firm with the name "Marine Electricals". On 1 August 2018, the Company was converted into a public limited company and the name got changed to "Marine Electricals (India) Limited". The Company got listed on Small and Medium Enterprises ("SME") platform named EMERGE of National Stock Exchange of India ("NSE") on 11 October 2018 and got migrated to NSE main board with effect from 02 December 2020.

The Company is engaged in manufacturing and sale of all types of marine and industrial electrical & electronic components like switch-gears, control-gears etc. and is also engaged in renewable energy sector specifically solar. It also provides services like designing, fabricating etc. for all types of electrical & electronic installations in India and abroad and undertake annual maintenance contracts.

2. Statement of compliance and basis of preparation and presentation

2.1 Statement of compliance

These standalone financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") as per the Companies (Indian Accounting Standards) Rules as amended from time to time and notified under section 133 of the Companies Act, 2013 ("the Act") and in conformity with the accounting principles generally accepted in India and other relevant provisions of the Act.

These standalone financial statements for the year ended 31 March 2024 were authorised and approved for issue by the Company's Board of Directors at its meeting held on 29 May 2024.

2.2 Basis of preparation and measurement

These standalone financial statements have been prepared on an accrual basis and under the historical cost convention except for certain financial instruments that are measured at fair values at the end of each reporting period (refer accounting policy regarding financial instruments).

Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the standalone financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1- Quoted (Unadjusted) marked prices in the active markets for identical assets or liabilities.

Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Notes to the Standalone Financial Statements

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

2.3 Functional and presentation currency

These standalone financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts have been rounded-off to the nearest lakhs, unless otherwise indicated.

2.4 Current Versus non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets and liabilities.

2.5 Critical accounting judgements and use of estimates

The preparation of standalone financial statements requires the management to make estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. The actual results could differ from those estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision or future periods if the revision affects both current and future periods.

Accounting estimates and judgements are used in various line items in the standalone financial statements for e.g.:

Property, plant and equipment

The management engages internal technical team to assess the remaining useful lives and residual value of property, plant and equipment annually in order to determine the amount of depreciation to be recorded during any reporting period. The management believes that the assigned useful lives and residual value are reasonable.

Income taxes

The management judgement is required for the calculation of provision for income taxes and deferred tax assets and liabilities. The Company reviews at each balance sheet date the carrying amount of deferred tax assets / liabilities. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the standalone financial statements.

Contingencies

The management's judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

Expected credit losses on financial assets:

The impairment provisions of financial assets and contract assets are based on assumptions about risk of default and expected timing of collection. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history of collections, customer's creditworthiness, existing market conditions as well as forward looking estimates at the end of each reporting period.

Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit ("CGU") exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a discounted cash flow ("DCF") model. The cash flows are

Notes to the Standalone Financial Statements

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

derived from the budget for future years and do not include restructuring activities that the Company is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes.

Effective Interest Rate (EIR) Method:

The Company recognizes interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected life of the loans given / taken. This estimation, by nature, requires an element of judgement regarding the expected behaviour and life-cycle of the instruments, as well as expected changes to other income/expense that are integral parts of the instrument.

Fair value measurements and valuation processes:

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be derived from active markets, they are determined using a variety of valuation technique that include the use of valuation models. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

2.6 New and amended standards

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. As on 31 March 2024, no new standards or amendments are issued or notified.

3. Summary of Material Accounting Policies

3.1 Property, plant and equipment

All items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. The gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss on the date of disposal or retirement.

Subsequent costs are capitalised on the carrying amount or recognised as a separate asset, as appropriate, only when future economic benefits associated with the item are probable to flow to the Company and cost of the item can be measured reliably. All other repair and maintenance are charged to the statement of profit and loss during the reporting period in which they are incurred.

Depreciation on property, plant and equipment is provided on written down value method over the useful lives of assets as prescribed under Schedule II to the Companies Act, 2013. Based on past experience and internal technical evaluation, the management believes that these useful lives represent the appropriate period of usage and therefore, considered to be appropriate for charging depreciation.

Depreciation on addition (disposal) is provided on a pro-rata basis i.e. from (upto) the date on which assets is ready for use (disposed of).

The estimated useful lives of the property, plant and equipment considered by the Company are as follows:

Tangible Assets	Estimated uestful life (in Years)
Buildings	30
Plant and machinery	15
Plant and machinery – Drilling Rig	30
Computers	3
Furniture and fixtures	10
Vehicles	8
Office equipment	3-5

Notes to the Standalone Financial Statements

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

Leasehold improvements are amortised over the lower of estimated useful life as per Schedule II or intended lease period.

Assets residual values, depreciation method and useful lives are reviewed at the end of financial year considering the physical condition of the assets or whenever there are indicators for review and adjusts residual life prospectively.

Derecognition

An item of property, plant and equipment and any significant component initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset / significant component (calculated as the difference between the net disposal proceeds and the carrying amount of the asset / significant component) is recognised in statement of profit and loss, when the asset is derecognised.

3.2 Investment Property

Investment property is property held either to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business, use in the production or supply of goods or services or for administrative purposes. Upon initial recognition, an investment property is measured at cost. Subsequent to initial recognition, investment property is measured at cost less accumulated depreciation and accumulated impairment losses, if any.

Subsequent costs are capitalised on the carrying amount or recognised as a separate asset, as appropriate, only when future economic benefits associated with the item are probable to flow to the Company and cost of the item can be measured reliably. All other repair and maintenance are charged to the statement of profit and loss during the reporting period in which they are incurred.

Depreciation on investment property is provided on the written down value method over their estimated useful lives. However, where the management's estimate of the remaining useful life of the assets on a review subsequent to the time of acquisition is different, then depreciation is provided over the remaining useful life based on the revised useful life.

3.3 Intangible assets

Identifiable intangible assets are recognised when the Company controls the asset, it is probable that future economic benefits attributed to the asset will flow to the Company and the cost of the asset can be reliably measured.

At initial recognition, the separately acquired intangible assets are recognised at cost. Following initial recognition, the intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

Intangible assets, other than license and customer acquisition, are amortised on a written down value method in accordance with the useful life prescribed in Schedule II to the Act.

The estimated useful lives of the intangible assets considered by the Company are as follows:

Intangible Assets	Estimated useful life (in Years)
Software	3

License and customer acquisition are amortised on a straight-line basis over a period of five years.

The amortisation period and the amortisation method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortisation period is changed accordingly. Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the statement of profit and loss.

Notes to the Standalone Financial Statements

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

3.4 Research and development cost

Research costs are expensed as incurred. Development expenditures on an individual project are recognised as an intangible asset when the Company can demonstrate:

1. The technical feasibility of completing the intangible asset so that the asset will be available for use or sale,
2. Its intention to complete and its ability and intention to use or sell the asset,
3. How the asset will generate future economic benefits,
4. The availability of resources to complete the asset
5. The ability to measure reliably the expenditure during development.

Development expenditure till date of capitalization are disclosed under Intangible Assets under development. Following initial recognition of the development expenditure as an asset, the asset is carried at cost less any accumulated amortisation and accumulated impairment losses. Amortisation of the asset begins when development is complete and the asset is available for use.

3.5 Foreign currency translation

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

Exchange differences

Exchange differences arising on the settlement of monetary items or on reporting monetary items of Company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise except those arising from investments in non-integral operations.

3.6 Taxes

Tax expense comprises of current and deferred tax.

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Notes to the Standalone Financial Statements

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the statement of profit and loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity respectively.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

3.7 Inventories

Inventories are valued at the lower of cost and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods, including freight, octroi and other levies.

Cost is determined under the weighted average cost method and includes all costs incurred in bringing the inventories to their present location and condition.

Cost of finished goods and work in progress further includes direct labour and an appropriate share of production overheads as applicable.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated cost of completion and the estimated costs necessary to make the sale.

Due allowances are made for defective, obsolete and slow-moving inventory, wherever necessary, based on management estimates and past experiences of the Company.

3.8 Revenue recognition

Revenue from contract with customers is recognized when the Company satisfies the performance obligation by transfer of control of promised product or service to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services. Control is defined as the ability to direct the use of and obtain substantially all of the economic benefits from an asset. Revenue excludes taxes collected from customers.

Revenue is measured based on the transaction price, which is the expected consideration to be received, to the extent that it is highly probable that there will not be a significant reversal of revenue in future periods. If the consideration in a contract includes a variable amount, at the inception of the contract, the Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods or services to the customer.

At the inception of the contract, the Company identifies the goods or services promised in the contract and assess which of the promised goods or services shall be identified as separate performance obligations. Promised goods or services give rise to separate performance obligations if they are capable of being distinct.

Revenue from the delivery of products is recognised at the point in time when control over the products is passed to the customers, which is determined based on the individual terms agreed in the customer contract. Revenue from support services is recognized on rendering of services in accordance with the contractual agreement with the customers.

Contract balances:

The Company classifies the right to consideration in exchange for deliverables as either a receivable or as unbilled revenue. A receivable is a right to consideration that is unconditional upon passage of time. Contract

Notes to the Standalone Financial Statements

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

asset, which is presented as unbilled revenue, is classified as non-financial asset as the contractual right to consideration is dependent on completion of contractual milestones.

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract. Contract liabilities include, and are presented as 'Revenue received in advance' and 'Advances from customers'.

3.9 Other income

Interest income

Interest income is recognized as it accrues in the statement of profit and loss using effective interest rate method.

Rental income

Rental income from property leased under operating lease is recognised in the income statement on a straight-line basis over the term of the lease unless increase in rentals are in line with expected general inflation. Contingent rents are recognised as revenue in the period in which they are earned.

Duty drawback

Duty drawback is recognized basis entitlement upon exports made. Export incentive under duty drawback are accrued when no significant uncertainties as to the amount of consideration that would be derived and as to its ultimate collection exist.

Net gain loss on fair value change

The Company recognises gains on fair value change of financial assets measured at FVTPL and realised gains on derecognition of financial asset measured at FVTPL on net basis. However, net gain / loss on derecognition of financial instruments classified as amortised cost is presented separately under the respective head in the statement of profit and loss.

3.10 Financial instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

I. Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit and loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified as:

- Debt instruments assets at amortised cost
- Equity instrument measured at fair value through profit or loss (FVTPL)

When assets are measured at fair value, gains and losses are either recognised entirely in the statement of profit and loss (i.e. fair value through profit and loss), or recognised in other comprehensive income (i.e. fair value through other comprehensive income).

Debt instruments at amortised cost

A debt instrument is measured at amortised cost (net of any write down for impairment) if both the following conditions are met:

Notes to the Standalone Financial Statements

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

- the asset is held to collect the contractual cash flows (rather than to sell the instrument prior to its contractual maturity to realise its fair value changes), and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest ("SPPI") on the principal amount outstanding.

Such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit and loss. The losses arising from impairment are recognised statement of profit and loss. This category generally applies to trade and other receivables

Financial assets at fair value through OCI (FVTOCI)

A financial asset that meets the following two conditions is measured at fair value through OCI unless the asset is designated at fair value through profit and loss under fair value option.

- The financial asset is held both to collect contractual cash flows and to sell.
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in OCI. However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Financial assets at fair value through profit and loss (FVTPL)

FVTPL is a residual category for company's investment instruments. Any instruments which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

All investments included within the FVTPL category are measured at fair value with all changes recognized in the Profit and Loss

In addition, the company may elect to designate an instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Equity investments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company has not made any such election. This classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment, However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

Equity investment in subsidiary are measured at cost.

Derecognition

When the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; it evaluates if and to what extent it has retained the risks and rewards of ownership.

Notes to the Standalone Financial Statements

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised when:

- The rights to receive cash flows from the asset have expired, or
- Based on above evaluation, either
 - (a) the Company has transferred substantially all the risks and rewards of the asset, or
 - (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a bases that reflect the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of financial assets

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 ('Financial instruments') requires expected credit losses to be measured through a loss allowance. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

ii. Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit and loss or at amortised cost, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings, net of directly attributable transaction costs.

The Company's financial liabilities include trade payables and other payables.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at amortised cost

After initial recognition, interest-bearing loans and borrowings and other payables are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit and loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Notes to the Standalone Financial Statements

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

iii. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

iv. Reclassification of financial assets

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

3.11 Provisions, contingent liabilities and contingent assets

Provision

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as finance cost.

Contingent liabilities and contingent assets

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the standalone Financial Statements

Contingent assets are not recognized in the standalone financial statements. However, it is disclosed only when an inflow of economic benefits is probable.

3.12 Borrowing costs

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds.

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred.

Notes to the Standalone Financial Statements

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

3.13 Employee benefits

Short-term employee benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. These benefits include salary, wages, short-term compensated absences, performance incentives, etc. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognized during the period of rendering of service by the employee.

Long-term employee benefits:

(i) Defined contribution plans:

The Company's contribution to provident fund, superannuation fund, employee state insurance scheme and labour welfare fund are considered as defined contribution plans. The Company's contribution paid / payable under the plans are recognised as an expense in the standalone statement of profit and loss during the period in which the employee renders the related service.

(ii) Defined benefits plan:

Post-employment benefit:

The Company's gratuity scheme is a defined benefit plan. The Company's net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. The present value of the obligation under such defined benefit plan is determined based on independent actuarial valuation at the balance sheet date using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan are based on the market yields on Government securities as at the balance sheet date. Actuarial gains and losses are recognized immediately in the standalone statement of profit and loss.

Other long-term employment benefit:

The employees can carry-forward a portion of the unutilised accrued compensated absences and utilise it in future service periods or receive encashment on termination of employment. Since the compensated absences do not fall due wholly within twelve months after the end of the period in which the employees render the related service and are also not expected to be utilized wholly within twelve months after the end of such period, the benefit is classified as a long-term employee benefit. The Company records an obligation for such compensated absences in the period in which the employee renders the services that increase this entitlement. The obligation is measured on the basis of independent actuarial valuation using the projected unit credit method.

3.14 Leases

At inception of contract, the Company assesses whether the Contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. At inception or on reassessment of a contract that contains a lease component, the Company allocates consideration in the contract to each lease component on the basis of their relative standalone price.

As a lessee:

Leases are recognised as a Right-of-Use (ROU) asset at cost with a corresponding lease liability, except for leases with term of less than twelve months (short term) and low-value assets in accordance with Ind AS 116 'Leases'.

Notes to the Standalone Financial Statements

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

The cost of the right-of-use assets comprises the amount of the initial measurement of the lease liability, any lease payments made at or before the inception date of the lease plus any initial direct costs etc.

Subsequently, the right-of-use asset is measured at cost less any accumulated depreciation and accumulated impairment losses, if any. The right-of-use asset is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use assets.

For lease liabilities at the commencement date, the Company measures the lease liability at the present value of the lease payments that are not paid at that date. The lease payments are discounted using the interest rate implicit in the lease, if that rate is readily determined, if that rate is not readily determined, the lease payments are discounted using the incremental borrowing rate.

For short-term and low value leases, the Company recognizes the lease payments as an operating expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

As a lessor:

Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income on such operating leases are recognised in the statement of profit and loss on an accrual basis in accordance with the lease agreement. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

3.15 Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the statement of profit and loss over the period of the borrowings using the effective interest method.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in the statement of profit and loss as other gains/(losses).

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

3.16 Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

3.17 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker ("CODM") of the Company.

Notes to the Standalone Financial Statements

Notes

- (i) Investment property comprise of a commercial building that is leased to third party. Subsequent renewal of license agreement are negotiated with the tenant and average renewal period ranges between three and five years.
- (ii) Refer note 24 and 29 for information on investment property pledged as security by the Company.
- (iii) (a) As at 31 March 2024, the fair value of the property has been updated to Rs. 2,327.60 lakhs. This represents a revision from the previous year's fair value of Rs. 2,917.04 lakhs.
 - (b) For the year ended 31 March 2024, the fair value of the Company's investment property has been determined using the ready reckoner rate published by local municipal authorities, rather than an independent valuation report. The ready reckoner rate provides a standardized valuation for properties similar in type and location for tax and regulatory purposes.

For the year ended 31 March 2023, the fair value of the Company's investment property was based on valuation performed by an accredited independent valuer in the financial year ended 31 March 2022. The management believed that there was no significant fluctuation in the fair value of the property during the year ended 31 March 2023. The fair value of the Company's investment property was arrived at using Composite rate method. Under Composite rate method, rate is arrived using comparable sales instance for similar property with same specification in the adjoining locality and further adjusted for depreciation on building component. The main inputs used are age of the building, life of the building, salvage value and composite rate.
 - (c) The management believes that the ready reckoner rate is a reliable estimate of the property's fair value, considering the relative stability in property values and minimal market fluctuations during the year.
 - (d) Details of the Company's investment property and information about the fair value hierarchy is as follows:

* Consequent to the approval by the Board of Directors in its meeting dated 22 August 2022 and subsequent approval by the Shareholders by Special Resolution in the Annual General Meeting dated 19 September 2022, the Board, on 30 September 2022 has allotted 1,00,00,000 Convertible Warrants carrying an entitlement to subscribe to an equivalent number of equity shares of face value of Rs 2 each at price of Rs 29.25 per warrant (including premium of Rs 27.25 per warrant), being price not lower than the minimum price calculated in accordance with the Regulations for Preferential Issue in Chapter V of SEBI (ICDR) Regulations, 2018 to the Promoters and Non-Promoters allottees. Each warrant is convertible into one equity share within a period of 18 months from the date of allotment at the option of warrant holder. As per the terms of allotment, the Company has received subscription money equivalent to 25% of the issue price and the balance 75% shall be paid by the warrant holder at the time of allotment of equity shares pursuant to exercise of option.

During the year, 63,50,000 (31 March 2023: 36,50,000) Convertible Warrants have been converted into equivalent number of equity shares by the Promoters/Non-Promoters. As per the terms of allotment, the balance 75% subscription money payable by the warrant holder at the time of allotment of equity shares pursuant to exercise of option have been received by the Company. 15,00,000 (31 March 2023: 36,50,000) equity shares issued on conversion of warrants are reflected in Benpos report of the Company subsequent to year end.

b) Rights, preference and restrictions attached to the equity shares:

The Company has single class of equity shares having a par value of Rs. 2 each. Each holder of equity shares is entitled to one vote per share.

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive any of the remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

Notes to the Standalone Financial Statements

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

c) List of shareholders holding more than 5% shares of a class of equity shares :

Notes to the Standalone Financial Statements

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

Reflected in the balance sheet as follows

Particulars	As at 31 March 2024	As at 31 March 2023
Deferred tax liabilities	(77.34)	(87.47)
Deferred tax assets	197.56	129.01
Deferred tax assets / (liabilities), net	120.22	41.54

Reconciliation of deferred tax (liabilities) / assets, net

Particulars	As at 31 March 2024	As at 31 March 2023
Opening balance as on April 1	41.54	99.25
Tax (income) / expense during the year recognised in statement of profit and loss	(78.62)	53.16
Tax (income) / expense during the year recognised in other comprehensive income	(0.06)	4.56
Closing balance	120.22	41.54

The Company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

44 Earnings per share

The following table set forth the computation of basic and dilutive earnings per share:

Particulars	For the year ended 31 March 2024	For the year ended 31 March 2023
Net profit for the year attributable to equity shareholders	2,835.22	1,950.62
Weighted average number of equity shares outstanding during the year	12,84,03,501	12,29,85,524
Weighted average number of equity shares (including dilutive shares) outstanding during the year	12,84,03,501	12,52,98,180
Basic Earnings per equity share [Face value of Rs. 2 each] (Rupees)	2.21	1.59
Diluted earnings per equity share [Face value of Rs. 2 each] (Rupees)	2.21	1.56

Reconciliation of shares used in computing earnings per share

Particulars	For the year ended 31 March 2024	For the year ended 31 March 2023
No. of equity shares at the beginning of the year	12,63,15,250	12,26,65,250
Add: Equity shares issued during the year on conversion of share warrants *	63,50,000	36,50,000
No. of equity shares at the end of the year	13,26,65,250	12,63,15,250
Weighted average number of equity shares outstanding during the year	12,84,03,501	12,29,85,524
Add: Weighted average number of potential equity shares on account of convertible share warrants *	-	23,12,656
Weighted average number of equity shares (including dilutive shares) outstanding during the year	12,84,03,501	12,52,98,180

* During the previous year, the Company has allotted 1,00,00,000 Convertible Warrants carrying an entitlement to subscribe to an equivalent number of equity shares of face value of Rs 2 each at price of Rs 29.25 per warrant (including premium of Rs 27.25 per warrant). As per the terms of allotment, the Company has received subscription money equivalent to 25% of the issue price and the balance 75% shall be paid by the warrant holder at the time of allotment of equity shares pursuant to exercise of option. Of the above, 63,50,000 (31 March 2023: 36,50,000) Convertible Warrants have been converted into equivalent number of equity shares during the year and the balance 75% subscription money payable by the warrant holder at the time of allotment of equity shares pursuant to exercise of option have been received by the Company.

Notes to the Standalone Financial Statements

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

45. Dues to micro and small enterprises

The information regarding micro and small enterprises has been determined to the extent such parties have been identified on the basis of information available with the Company. This has been relied upon by the auditors.

Particulars	As at 31 March 2024	As at 31 March 2023
(i) Principal amount due to suppliers registered under the MSMED Act and remaining unpaid as at period end	104.65	95.19
(ii) Interest due to suppliers registered under the MSMED Act and remaining unpaid as at year end*	2.50	-
(iii) Principal amount paid to supplier registered under the MSMED Act, beyond the appointed day during the year.	220.65	191.91
(iv) Interest paid, other than under Section 16 of MSMED Act, to suppliers registered under the MSMED Act, beyond the appointed day during the period	-	-
(v) Interest paid, under Section 16 of MSMED Act, to suppliers registered under the MSMED Act, beyond the appointed day during the period	-	-
(vi) Interest due and payable towards suppliers registered under MSMED Act, for payments already made	-	-
(vii) Further interest remaining due and payable for earlier years	-	-

*Amount is included in other payables under Other financial liabilities in Note 31

46 Employee benefits

(i) Defined contribution plans:

The Company makes contributions, determined as a specified percentage of employees salaries, in respect of qualifying employees towards provident fund, employees state insurance scheme and labour welfare scheme, which are defined contribution plans. The obligation of the Company is limited to the amount contributed and it has no further contractual nor any constructive obligation. The contributions are charged to the statement of profit and loss as they accrue. The amount recognized as an expense towards contribution to provident and other funds for the year aggregated to Rs. 171.24 lakhs (31 March 2023: Rs 117.16 lakhs).

(ii) Defined benefit plans:

The Company operates an unfunded post-employment defined benefit plan that provides for gratuity benefit. The gratuity plan entitles an employee, who has rendered at least five years of continuous service, to receive gratuity at 15 days salary (salary last drawn) for each completed years of service at the time of retirement / exit.

The Company determines the gratuity liability based on the actuarial valuation using Projected Unit Credit Method by an Independent firm of Actuaries that is registered with The Institute of Actuaries of India.

The following table summarizes the position of obligation relating to gratuity plan:

Reconciliation of Defined Benefit Obligation ("DBO")

Particulars	For the year ended 31 March 2024	For the year ended 31 March 2023
Present value of DBO at start of the year	273.99	247.73
Current service cost	57.09	43.70
Interest cost	19.73	17.84
Benefits paid	(21.29)	(17.14)
<i>Re-measurements</i>		
- Actuarial loss / (gain) from changes in demographic assumptions	(30.81)	-
- Actuarial loss / (gain) from changes in financial assumptions	18.57	-
- Actuarial loss / (gain) from experience over the past year	12.48	(18.14)
Present value of DBO at end of the year	329.76	273.99

Notes to the Standalone Financial Statements

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

Present value of DBO	329.76	273.99
Fair value of plan assets	-	-
Liability / (Asset) recognised in the Balance Sheet	329.76	273.99

Expense recognised in the statement of profit and loss		
Particulars	For the year ended 31 March 2024	For the year ended 31 March 2023
Current service cost	57.09	43.70
Net interest on net defined benefit liability / (asset)	19.73	17.84
Total	76.82	61.54

Income / (Loss) recognised in other comprehensive income		
Particulars	For the year ended 31 March 2024	For the year ended 31 March 2023
Actuarial (loss) / gain from changes in demographic assumptions	(30.81)	-
Actuarial (loss) / gain from changes in financial assumptions	18.57	-
Actuarial (loss) / gain from experience over the past year	12.48	(18.14)
Total loss / (income)	0.24	(18.14)

Actuarial assumptions		
Particulars	For the year ended 31 March 2024	For the year ended 31 March 2023
Salary growth rate	9% p.a.	8% p.a.
Discount rate	7.0% p.a.	7.2% p.a.
Interest rate on Net DBO	7.2% p.a.	7.2% p.a.
Withdrawal rate	15% p.a.	2% p.a.
Mortality rates	IALM 2012-14 (Ult.)	IALM 2012-14 (Ult.)
Weighted average duration of the obligation	4 years	11 years

Experience adjustments		
Particulars	For the year ended 31 March 2024	For the year ended 31 March 2023
Defined benefit obligation	329.76	273.99
Funded Status [Surplus/ (Deficit)]	(329.76)	(273.99)
Exp. Adj. on plan liabilities: (gain) / loss	12.48	(18.14)
Exp. Adj. on plan assets: gain / (loss)	NA	NA

Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amount shown below:

Notes to the Standalone Financial Statements

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

Particulars	For the year ended 31 March 2024	
	Increases 1%	Decreases 1%
Salary growth rate	DBO increases by Rs 15.72 lakhs	DBO decreases by Rs. 15.50 lakhs
Discount rate	DBO decreases by Rs 15.64 lakhs	DBO increases by Rs16.18 lakhs
Withdrawal rate	DBO decreases by Rs 2.40 lakhs	DBO increases by Rs 2.57 lakhs
Mortality (increase in expected lifetime by 1 year)	DBO increases by Rs 0.03 lakhs	NA
Mortality (increase in expected lifetime by 3 years)	DBO increases by Rs 0.08 lakhs	NA

Particulars	For the year ended 31 March 2023	
	Increases 1%	Decreases 1%
Salary growth rate	DBO increases by Rs 30.77 lakhs	DBO decreases by Rs. 26.87 lakhs
Discount rate	DBO decreases by Rs 26.83 lakhs	DBO increases by Rs 31.31 lakhs
Withdrawal rate	DBO decreases by Rs 2.76 lakhs	DBO increases by Rs 3.04 lakhs
Mortality (increase in expected lifetime by 1 year)	DBO increases by Rs 0.03 lakhs	NA
Mortality (increase in expected lifetime by 3 years)	DBO increases by Rs 0.10 lakhs	NA

The sensitivity is performed on the DBO at the respective valuation date by modifying one parameter whilst retaining other parameters constant. The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

Risk exposures:

Through its defined benefit plans, the Company is exposed to a number of risks, the most significant of which are detailed below:

(A) Salary Increases: Actual salary increases will increase the plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.

(B) Discount Rate: Reduction in discount rate in subsequent valuations can increase the plan's liability.

(C) Withdrawals: Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact plan's liability.

(D) Mortality & disability: Actual deaths and disability cases proving lower or higher than assumed in the valuation can impact the liabilities.

(iii) Other long-term employee benefits:

Compensated absences

The compensated absences cover the company's liability for earned leave.

The Company has recognised an amount of Rs. 59.70 lakhs (31 March 2023: Rs. 46.56 lakhs) as an expense towards compensated absences and included in "Employee benefits expense" in the Statement of Profit and Loss. The Company has determined the liability for compensated absences based on the actuarial valuation using Projected Unit Credit Method.

49. Segment information

The Company is primarily engaged into the business of providing integrated electrical and automation solution. The main segments of the Company are:

- Marine: Providing products and services of navigational equipment's etc in new ship building.
- Industry: Providing products and services of power distribution and solutions for industries like data centre, industrial and large buildings.

As per Ind AS 108 - "Operating Segments", operating segments are those components of the business whose operating results are reviewed by the Chief Operating Decision Maker ("CODM") to make decisions for performance assessment and resource allocation. Previously, the Company was disclosing two business segments i.e. Electricals & Electronics and Solar. In the board meeting dated 29 May 2023, board approved change in operating segment reporting between two business segments i.e. Marine and Industry, as segments based on how CODM make decision internally for performance assessment and resource allocation.

Pursuant to approval by Board, the Company has identified its reportable segment as Marine and Industry during the year and accordingly previous period / year figures have been regrouped / rearranged among those segments.

Particulars	For the year ended 31 March 2024	For the year ended 31 March 2023
A. Segment revenue		
(a) Marine	26,579.20	19,807.75
(b) Industry	26,793.49	19,319.38
Revenue from operations	53,372.69	39,127.13
B. Segment results		
(a) Marine	2,611.25	1,719.53
(b) Industry	1,495.22	1,205.75
Total	4,106.47	2,925.28
Less: Finance costs	(1,040.05)	(862.15)
Add: Other unallocable income net of unallocable expenses	714.54	573.41
Profit before tax	3,780.96	2,636.54

Notes to the Standalone Financial Statements

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

The CODM does not review assets and liabilities for each operating segment separately, hence segment disclosure relating to assets and liabilities have not been furnished.

Information about major customers

There is 1 (31 March 2023: 2) customers contributing in excess of 10% of the total revenue of the Company amounting to Rs 7,728.44 lakhs for the year ended 31 March 2024 (31 March 2023: Rs 10,089.88 lakhs).

50 Financial instruments

The classification of each category of financial instruments and their carrying amounts are as below:

Particulars	As at 31 March 2024	As at 31 March 2023
Financial assets measured at amortized cost:		
Trade receivables ^	26,241.85	17,438.04
Cash and cash equivalents ^	133.30	11.81
Bank balances other than cash and cash equivalents ^	1,611.12	1,601.60
Loans ^	497.30	393.18
Other financial assets ^	3,161.98	2,671.11
Total financial assets	31,645.55	22,115.74
Financial liabilities measured at amortized cost:		
Borrowings ^	7,477.94	5,397.95
Lease liabilities ^	156.15	58.15
Trade payables ^	17,912.07	10,542.41
Other financial liabilities ^	555.64	419.53
Total financial liabilities	26,101.80	16,418.04

There are no financial instruments that have been classified as Fair Value through Profit and Loss (FVTPL) and Fair Value through Other Comprehensive Income (FVTOCI).

^ Fair values for these financial instruments have not been disclosed because their carrying amount are a reasonable approximation of their fair values.

Fair value hierarchy

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

Financial instruments - risk management

The Company has exposure to the following risks arising from financial instruments: credit risk (refer note (b) below); liquidity risk (refer note (c) below) and market risk (refer note (d) below):

(a) Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

Notes to the Standalone Financial Statements

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

The Company's board oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

(b) Credit risk

Credit risk is the risk that a counter party fails to discharge its obligation to the Company. The maximum credit risk comprises the carrying amounts of the financial assets. The Company's exposure to credit risk arises mainly from cash and cash equivalents, other bank balances, trade receivables, loans and other financial assets. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls.

(i) Credit risk management

Credit risk rating

The Company assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

A: Low credit risk

B: Moderate credit risk

C: High credit risk

Credit rating	Particulars	As at 31 March 2024	As at 31 March 2023
Low credit risk	Cash and cash equivalents, other bank balances, trade receivables, loans and other financial assets.	31,645.55	22,115.74

(ii) Credit risk exposure

Cash and cash equivalents and other bank balances

Credit risk related to cash and cash equivalents and other bank balances is managed by accepting highly rated banks and diversifying bank deposits and accounts in different banks. Management does not expect any losses from non-performance by these counterparties.

Loans and other financial assets measured at amortized cost

Loans and other financial assets measured at amortized cost includes deposits, staff advances, interest accrued on loans/deposits, unbilled revenue, loans and other receivables. Credit risk related to these is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensures that amounts are within defined limits. The expected credit loss on these financial instruments is expected to be insignificant.

Trade receivables

Credit risk arise from possibility that customer may default on its obligation to make timely payments, resulting into financial loss. The maximum exposure to the credit risk is primarily from trade receivables. The expected credit loss allowance is based on the ageing of the days for which the receivables are due and the expected loss rates.

Reconciliation of allowance for expected credit loss of trade receivables, loans and other financial assets

Particulars	As at 31 March 2024	As at 31 March 2023
Opening balance	102.28	126.97
Change in allowance for expected credit loss:		
Allowance for expected credit loss provied/written back (net)	58.15	(24.69)
	58.15	(24.69)
Closing balance	160.43	102.28

Notes to the Standalone Financial Statements

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

(c) Liquidity risk

Liquidity risk is the risk that the Company will not be able to settle or meet its obligations on time. The Company's primary sources of liquidity are cash generated from operations. The cash flows from operating activities are driven primarily by operating results and changes in the working capital requirements.

The Company believe that its liquidity position is adequate to fund the operating and investing needs and to provide with flexibility to respond to further changes in the business environment.

Maturities of financial liabilities

Particulars	Carrying amount	Total	On demand	0–12 months	1–5 years	> 5 years
As at 31 March 2024						
Borrowings	7,477.94	7,563.46	4,872.56	339.54	1,175.23	1,176.13
Lease liabilities	156.15	213.24	-	53.47	92.63	67.14

Total	16,418.04	16,568.80	2,988.67	11,469.51	1,107.85	1,002.77

(d) Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates and interest rates, which will affect the Company's income. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

i) Foreign currency risk

The transactions of the Company are denominated in both Indian rupees and foreign currencies and accordingly, the Company is exposed to foreign exchange risk in relation to operating activities (when revenue or expense is denominated in a foreign currency) arising from foreign currency transactions.

Foreign currency risk exposure

Particulars of unhedged foreign currency exposure :

Particulars	As at 31 March 2024		As at 31 March 2023		
	Amount in Foreign Currency	Amount equivalent in INR Lakhs	Amount in Foreign Currency	Amount equivalent in INR Lakhs	
Foreign currency receivables					
- representing trade receivables	USD	11,49,175	939.79	10,72,365	872.58

* The Company does not expect any change in the exchange rate of AED / GBP and INR, resulting into any significant impact to the financial numbers.

Notes to the Standalone Financial Statements

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

Sensitivity to risk

Particulars	Impact on profit - Increase / (decrease)	
	As at 31 March 2024	As at 31 March 2023
USD Sensitivity		
INR/USD - Increase by 5% (31 March 2023-5%)	23.04	30.40
INR/USD - Decrease by 5% (31 March 2023 - 5%)	(23.04)	(30.40)
Euro Sensitivity		
INR/EURO - Increase by 5% (31 March 2023 - 5%)	(118.67)	(57.27)
INR/EURO - Decrease by 5% (31 March 2023 - 5%)	118.67	57.27

ii) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to market risk for changes in interest rates primarily relates to borrowings.

Particulars	As at 31 March 2024	As at 31 March 2023
Variable rate borrowings	7,348.18	5,268.62
Fixed rate borrowings	129.76	129.33
Total borrowings	7,477.94	5,397.95

Cash flow sensitivity analysis for variable-rate instruments

A reasonably possible change of 100 basis points in interest rates at the reporting date would have increased / decreased profit or loss by the amounts shown below. This analysis assumes that all other variables remain constant. This calculation also assumes that the change occurs at the balance sheet date and has been calculated based on risk exposures outstanding as at that date. The year end balances are not necessarily representative of the average debt outstanding during the year.

Particulars	Impact on profit - Increase / (decrease)	
	100 bp increase	100 bp decrease
Variable rate instrument as at 31 March 2024	(73.48)	73.48
Variable rate instrument as at 31 March 2023	(52.69)	52.69

51 Capital management

The funding requirements of the Company are met through a mixture of equity shares and borrowings. The Company's policy is to use current and non-current borrowings to meet anticipated funding requirements.

The Company manages its capital to ensure that the Company will be able to continue as a going concern while maximizing the return to stakeholders through optimisation of debt and equity balance.

The Adjusted net debt to total equity ratio at the end of the reporting period was as follows:

Particulars	As at 31 March 2024	As at 31 March 2023
Total borrowings	7,477.94	5,397.95
Lease liabilities	156.15	58.15
Less: Cash and cash equivalent and other bank balances	(1,744.42)	(1,613.41)
Adjusted net debt	5,889.67	3,842.69
Total equity	22,275.12	18,007.82
Adjusted net debt to total equity ratio	0.26	0.21

Notes to the Standalone Financial Statements

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

52 Corporate social responsibility ("CSR")

The Company is covered by the provisions of section 135 of the Act. The details of gross amount required to be spent and amount actually spent by the Company is as follows:

Particulars	For the year ended 31 March 2024	For the year ended 31 March 2023
i) Gross amount required to be spent by the Company during the year	34.85	21.92
ii) Amount spent on:		
a) Construction / acquisition of assets	-	-
b) On purpose other than (a) above	36.86 [^]	20.33 [*]
iii) Shortfall / (Excess) at the end of the year	(2.01)	1.59 [#]
iv) Nature of CSR activities	Eradicating hunger, poverty and malnutrition, promoting education, creating health infrastructure, skill development and conservation of nature & sustainable future.	
v) Details of related party transactions in relation to CSR expenditure as per relevant Accounting Standard	NA	NA
vi) Where a provision is made with respect to a liability incurred by entering into a contractual obligation, the movements in the provision	NA	NA

* Inclusive of amount of Rs 5.13 lakhs excess amount spent carried forward from previous years.

As per second proviso to section 135(5), the amount has been deposited in a fund specified in Schedule VII of The Companies Act, 2013 on 25 May 2023.

[^] net of amount of Rs 5.00 lakhs spend in respect of previous years.

53 Contingent liabilities

Particulars	As at 31 March 2024	As at 31 March 2023
a. Bank guarantees towards advances, liquidated damages and other contractual / legal obligations reduced by an amount of Rs 138.63 lakhs (31 March 2023: Rs 270.10 lakhs) towards the counter bank guarantee received from sub-contractors	10,371.98	9,301.96
b. Corporate and bank guarantees given on behalf of subsidiaries	2,177.25	1,516.82
c. Letter of credit opened in favour of suppliers	707.59	1,252.12
d. Disputed tax liabilities [net of amount deposited under protest Rs 3.06 lakhs (31 March 2023: Rs 1.90 lakhs)] {refer note (i)}	240.46	144.33
e. Custom duty [net of amount deposited under protest Rs 65.00 lakhs (31 March 2023: Rs 65.00 lakhs)] {Refer note (ii)}	67.62	67.62

Notes to the Standalone Financial Statements

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

Notes :

(i) The various disputed tax litigations are as under :

Particulars	Period to which it relates	As at 31 March 2024	As at 31 March 2023
a. Income Tax			
Disallowances / additions / demand raised by the income tax department pending before various authorities / appellate authorities [net of amount deposited under protest Rs 3.06 lakhs (31 March 2023: Rs 1.08 lakhs)]	AY 13-14 to AY 19-20 and AY 21-22 (31 March 2023: AY 13-14 to AY 19-20 and AY 21-22)	68.85	67.26
b. Sales Tax / VAT			
Demands raised by Sales tax / VAT department pending before various authorities / appellate authorities [net of amount deposited under protest Rs Nil (31 March 2023: Rs 0.82 lakhs)]	FY 09-10 and FY 16-17 (31 March 2023: FY 09-10 and FY 16-17)	71.12	77.07
c. Goods and Services Tax			
Demands raised by GST department pending before various authorities / appellate authorities	FY 18-19 (31 March 2023: NA)	100.49	-
		240.46	144.33

The Company is contesting the demands and the management, including its tax advisors, believe that its position will likely be upheld in the appellate process. No tax expense has been accrued in the standalone financial statements for the tax demand raised. The management believes that the ultimate outcome of this proceedings will not have a material adverse effect on the Company's financial position and results of operations.

(ii) The Company has received a demand order dated 31.08.2020 from the office of The Commissioner of Customs raising a demand of Rs 120.62 lakhs on the Company u/s 28(8) of the Customs Act, 1962 read with section 5(1) of IGST Act, 2017 with regards to classification under incorrect CTH of copper busbar imported by the Company during the period from 13.08.2014 to 30.10.2018. The order also imposes a penalty of Rs 12 lakhs on the Company and interest u/s 28AA of the Customs Act, 1962. The amount disclosed above is exclusive of interest as the same is not currently quantifiable. The Company has filed an appeal against the said order on 23.10.2020. Based on the legal opinion obtained by the Company from an independent firm of advocates, the management believes that the ultimate outcome of the proceedings will not have an adverse effect on the Company's financial position.

(iii) The Company in the year 2017 was awarded a contract for setting up a 50 MW capacity solar power project (the "Project") in Tamilnadu. The Company subcontracted the EPC portion to a sub-contractor. The obligations of the sub-contractor for the project were not completely fulfilled by the sub-contractor leading to dispute and arbitration between the Company and the sub-contractor. Both the parties have filed Statement of Defence and Counterclaim against each other. The matter is currently in the final argument stage before the arbitrator. Pending arbitration, the impact of the outcome of the proceedings on these financial statements of the Company is currently not ascertainable.

(iv) During the F.Y.2021-22, pursuant to inspection by GST Department, the Company paid Rs. 120.14 lakhs towards GST on bank guarantee invocation. The Company during F.Y. 2022-23 filed application for refund of the said amount which was rejected by the Department vide its order dated 27 January 2023. The Company has filed an appeal against the rejection order with the appellate authorities on 06 March 2023. Pending final outcome, the Company continues to carry the amount paid as balance with government authorities. The management believes that the ultimate outcome of the proceedings will not have an adverse effect on the Company's financial position.

(v) The Supreme court of India had passed a judgement in the month of February 2019 relating to definition of wages under the Employees' Provident Funds and Miscellaneous Provisions Act, 1952. The Management is of the view that there are interpretative challenges on the application of the judgement. However, the Company is in the process of determining the possible impact and update its provision, if required. The Management does not expect any material impact of the same for financial year 2023-24 based on the present salary structure followed by the Company for its class of employees.

The Company does not have any such transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961).

64 In the opinion of the board of directors, assets, loans and advances have a value on realization in the ordinary course of the business at least equal to the amounts at which they are stated and provision for all known liabilities have been made.

65 The Company did not have any long-term contracts including derivative contracts for which there were any foreseeable losses as at 31 March 2024.

Notes to the Standalone Financial Statements

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

- 66** The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the Company towards Provident Fund and Gratuity. The Ministry of Labour and Employment has released draft rules for the Code on Social Security, 2020 on 13 November 2020, and has invited suggestions from stakeholders which are under active consideration by the Ministry. The Company will assess the impact and its evaluation once the subject rules are notified and will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.
- 67** The Company had paid an advance of USD 800,000 to a supplier in China during the financial year 2017-18 for procurement of solar PV modules. This advance was carried at Rs 584.48 lakhs as at 31 March 2023. Due to non-receipt of the material from the supplier and since the supplier has filed for insolvency during the year, the Company has determined that the said advance is no longer recoverable and the entire amount of Rs 584.48 lakhs have been charged to standalone statement of profit and loss in the current financial year ended 31 March 2024.
- 68** During the previous year, the Company became successful bidder in the e-auction dated 08 April 2022 conducted by a liquidator of the sole liquidation estate / premise of a corporate debtor under section 61 of the Insolvency and Bankruptcy Code, 2016. The Company purchased the said liquidation estate / premise vide sale certificate dated 11 May 2022. The consideration paid by the Company amounted to Rs 1,160.00 lakhs and also incurred other expenditures amounting to Rs 177.80 lakhs as on 31 March 2024. The process of e-auction was challenged by another unsuccessful bidder in National Company Law Tribunal (NCLT). The entire e-auction process was set aside by NCLT vide its order dated 02 March 2023 as not in compliance with law. The Company had filed an appeal against the order of NCLT in National Company Law Appellate Tribunal (NCLAT) on 28 March 2023. During the year, the decision of NCLT was upheld by NCLAT and Supreme Court. On 21 November 2023, the Company filed a reply in response to the liquidator's request to vacate the premises, seeking refund of the entire consideration paid and expenditure incurred if the premise is to be vacated, while the Company still aims to retain the ownership. Pending the final resolution and the refund of the payment, the Company continues to carry the total payments made towards the purchase of the liquidation estate/premise as a capital advance in its financial statements.
- 69** The Company has entered into Memorandum Of Understanding ("MOU") dated 07 May 2021 with an individual and his HUF to purchase their entire shareholding held in Marks Marine Radio Private Limited ("MMRPL") engaged in marine electronic products. As per the terms of MOU, the Company subject to valuation of shares had lend Rs 100.00 lakhs as advance. During previous year, pending final due diligence and share valuation, the Company has recognised an interest income of Rs 12.07 lakhs on the said advance for the year ended 31 March 2023. During current year, the Board of Directors of the Company at its meeting held on 16 October 2023 accorded its consent to acquire 49.20% of issued and paid-up equity share capital of MMRPL by way of acquiring of 2460 equity shares from its shareholders for total consideration amounting to Rs 235.18 lakhs. The transfer of shares related to the acquisition were approved by the Board of MMRPL at its meeting held on 25 October 2023. Post completion of acquisition, MMRPL has become associate of the Company w.e.f. 25 October 2023.
- 70** There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2024.

71 Previous year's figures

Previous year's figures have also been regrouped / recasted, wherever necessary, to conform to the current year's presentation.

Independent Auditors' Report

To the Members of

Marine Electricals (India) Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Marine Electricals (India) Limited ("the Company" or "the Holding Company") and its subsidiaries (the Company and its subsidiaries together referred to as "the Group") as listed in Annexure A, which comprise the consolidated balance sheet as at 31 March 2024, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated cash flow statement for the year then ended, and notes to the consolidated financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on separate financial statements of such subsidiaries as were audited by the other auditors, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2024, its consolidated profit (including other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditors' Responsibility for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained and evidence obtained by the other auditors in terms of their reports referred to in the 'Other Matters' paragraph below, is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Emphasis of Matter

Without qualifying our opinion on account of this matter, we draw attention to following matters included in Notes to the consolidated financial statements:

1. Note 77 included in notes to the consolidated financial statements regarding the fact that the Company had paid an advance of USD 8,00,000 to a supplier in China during the financial year 2017-18 for procurement of solar PV modules carried at Rs 584.48 lakhs as at 31 March 2023. Due to non-receipt of the material from the supplier and since the supplier has filed for insolvency during the year, the Company has determined that the said advance is no longer recoverable and the entire amount of Rs 584.48 lakhs have been charged to consolidated statement of profit and loss in the current financial year ended 31 March 2024.
2. Note 78 of the consolidated financial statements regarding the fact that a subsidiary company, Eltech Engineers Madras Private Limited ("Eltech") had accumulated losses of Rs 260.65 lakhs as at 31 March 2024, the current liabilities were Rs 119.09 lakhs and current assets were Rs 4.11 lakhs. Further, it's net worth as at 31 March 2024 was negative Rs 110.65 lakhs. These conditions indicate the existence of material uncertainty about Eltech's ability to continue as a going concern. However, the financial statements of Eltech have been prepared on a going concern basis as the Company has committed to provide all financial and other support to enable Eltech to operate as a going concern.

Independent Auditors' Report

2. Note 79 of the consolidated financial statements regarding the fact that in case of certain subsidiaries, accounting policy with regards to depreciation on property, plant and equipment and amortisation of intangible assets is different as compared to policy adopted by the Group. The consequential financial impact of adjustments on account of depreciation / amortisation that would be required to be made in the consolidated financial statements to ensure conformity with the Group's accounting policy for depreciation / amortisation is currently not ascertainable.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matters	Auditor's response
1	<p>Revenue recognition accuracy, measurement, presentation and disclosure</p> <p>Revenue is measured based on transaction price, which is the consideration. As disclosed in Note 3.9 to the consolidated financial statements, revenue from contract with customers is recognized when the Group satisfies the performance obligation by transfer of control of promised product or service to customers in an amount that reflects the consideration which the Group expects to receive in exchange for those products or services. Control is defined as the ability to direct the use of and obtain substantially all of the economic benefits from an asset.</p> <p>At the inception of the contract, the Group identifies the goods or services promised in the contract and assess which of the promised goods or services shall be identified as separate performance obligations. Promised goods or services give rise to separate performance obligations if they are capable of being distinct.</p>	<p>Our audit procedures included following:</p> <ul style="list-style-type: none"> • Considering the appropriateness of the management's accounting policies regarding revenue recognition; • Obtained an understanding of management's process over revenue recognition and evaluated design of internal controls around revenue recognition; • Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing;

Information other than the Consolidated Financial Statements and Auditor's Report thereon

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements and our auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

The Annual Report is not made available to us at the date of this auditor's report. We have nothing to report in this regard.

Independent Auditors' Report

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The accompanying consolidated financial statements have been approved by the Board of Directors of the Holding Company. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act, with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Group, in accordance with Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors / Management of the entities included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors / Management of the entities included in the Group are responsible for overseeing the financial reporting process of each entity.

Auditors' Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs specified under section 143(10) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions

Independent Auditors' Report

are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements, of which we are the independent auditors. We are responsible for direction, supervision and performance of the audit of the financial information of such entities.

For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in the section titled 'Other Matters' in this audit report.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- a. The consolidated financial statements include the audited financial statements of 4 subsidiaries whose financial statements reflect total assets of Rs. 6,998.83 lakhs as at 31 March 2024, total income of Rs. 4,673.13 lakhs and total net loss after tax of Rs. 27.96 lakhs, before giving effect to the consolidated adjustments, and net cash inflows of Rs. 294.67 lakhs for the year ended on that date, as considered in the consolidated financial statements, which have been audited by their respective independent auditors. The consolidated financial statements also include the Group's share of total net profit after tax of Rs 14.15 lakhs for the period ended 31 March 2024, as considered in the consolidated financial statements, in respect of an associate, which have been audited by its independent auditor. The independent auditors' reports on financial statements of these entities have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these entities, is based solely on the report of such auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, are not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Independent Auditors' Report

- b. The consolidated financial statements include the unaudited financial statements of 2 subsidiaries whose financial statements reflect total assets of Rs. 6,250.31 lakhs as at 31 March 2024, total income of Rs. 4,504.34 lakhs and total net loss after tax of Rs. 124.12 lakhs, before giving effect to the consolidated adjustments, and net cash inflows of Rs. 77.49 lakhs for the year ended on that date, as considered in the consolidated financial statements. This unaudited financial statement has been furnished to us by the Management and Board of Directors and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the Management and Board of Directors, this financial statement is not material to the Group.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, are not modified in respect of the above matters with respect to our reliance on the financial statements certified by the Management and Board of Directors.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ('the Order'), issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "Annexure B", a statement on the matters specified in the paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, based on our audit and on the consideration of reports of other auditors on separate financial statements and other financial information of such subsidiaries included in the Group, as noted in the 'Other Matters' paragraph, we report, to the extent applicable, that:
 - (a) we have sought and obtained all the information and explanations, which to the best of our knowledge and belief, were necessary for the purposes of our audit of the accompanying consolidated financial statements;
 - (b) in our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;
 - (c) the consolidated financial statements dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
 - (d) in our opinion, the aforesaid consolidated financial statements comply with the Ind AS prescribed under Section 133 of the Act;
 - (e) on the basis of the written representations received from the directors of the Company as on 31 March 2024 taken on record by the Board of Directors of the Company and the report of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group is disqualified as on 31 March 2024 from being appointed as a director in terms of Section 164(2) of the Act;
 - (f) with respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to the financial statements of the Company and its subsidiary companies incorporated in India and the operating effectiveness of such controls, refer to our separate Report in "Annexure C". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;
 - (g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements and also the other financial information of the subsidiaries included in the Group, as noted in the 'Other Matters' paragraph:
 - i the consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group as at 31 March 2024 – Refer Note 52 to the consolidated financial statements;

Independent Auditors' Report

- ii the Group did not have any long-term contracts, including derivative contracts, for which there were any material foreseeable losses as at 31 March 2024;
 - iii there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company and its subsidiaries incorporated in India during the year ended 31 March 2024.
 - iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company or its subsidiaries incorporated in India to or in any person(s) or entity(ies), including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or its subsidiaries incorporated in India ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;
 - (b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company or its subsidiaries incorporated in India from any person(s) or entity(ies), including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company or its subsidiaries incorporated in India shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (c) Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.
 - v. The Company has not declared or paid any dividend during the year ended 31 March 2024.
 - vi. Based on our examination, which included test checks and that performed by the respective auditors of the subsidiaries and associate, which are companies incorporated in India whose financial statements have been audited under the Act, except for the instances mentioned below, the Group have used accounting software for maintaining books of account which have a feature of recording audit trail (edit log) facility and that has operated throughout the year for all relevant transactions recorded in the software. During the course of performing our procedures and that performed by the respective auditors of the subsidiaries and associate, except for the below mentioned instances where our commenting on whether the audit trail feature was tempered with does not arise, we did not notice any instance of the audit trail feature being tempered with:
 - (a) In respect of the Holding Company, the audit log is not maintained in case of modification by certain users with specific access and for direct data changes at the database level;
 - (b) In respect of 2 subsidiaries (Eltech Engineers Madras Private Limited and Evigo Charge Private Limited), the companies has used a new accounting software starting from 01 April 2023, for maintaining its books of account which has a feature of recording audit trail (edit log) facility, however, the same was not operated throughout the year for all relevant transactions recorded in the software;
 - (c) In respect of an associate (Marks Marine Radio Private Limited), it has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility. However, during the course of audit, some rectification entries and missed out entries were passed.
- 3 With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us and based on the reports of the statutory auditors of such subsidiary companies incorporated in India, the remuneration paid during the

Independent Auditors' Report

current year by the Company and its subsidiary company incorporated in India, where applicable, to its directors is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director by the Company and its subsidiary company incorporated in India is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

Independent Auditors' Report

Annexure C to the Independent Auditors' Report – 31 March 2024

Report on the Internal Financial Controls with reference to the aforesaid consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

(Referred to in paragraph (2)(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Opinion

In conjunction with our audit of the consolidated financial statements of Marine Electricals (India) Limited (“the Company”) as of and for the year ended 31 March 2024, we have audited the internal financial controls with reference to consolidated financial statements of the Company and its subsidiary companies incorporated in India (the Company and its subsidiary companies incorporated in India together referred to as the “Group”), as of that date.

In our opinion, the Company and such subsidiary company incorporated in India, have, in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at 31 March 2024, based on the internal financial controls with reference to consolidated financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“the Guidance Note”).

Management’s Responsibility for Internal Financial Controls

The respective company’s management and the Board of Directors are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the criteria established by the respective company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of the internal controls based on the assessed risk. The procedures selected depend on the auditors’ judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the auditors of the relevant subsidiary companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system with reference to consolidated financial statements.

Independent Auditors' Report

Meaning of Internal Financial Controls with reference to consolidated financial statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to consolidated financial statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters

Our aforesaid report under clause (i) of sub-section 3 of Section 143 of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements insofar as it relates to subsidiary companies incorporated in India, is based solely on the report of the auditors of the subsidiary companies incorporated in India. Our opinion is not modified in respect of this matter.

Notes to the Consolidated Financial Statement

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

1. Group overview

Marine Electricals (India) Limited ("the Company" or "the Holding Company") was incorporated as a private limited company with the name "Marine Electricals (India) Private Limited" on 4 December 2007 under the Companies Act, 1956 by converting a partnership firm with the name "Marine Electricals". On 1 August 2018, the Company was converted into a public limited company and the name got changed to "Marine Electricals (India) Limited". The Company got listed on Small and Medium Enterprises ("SME") platform named EMERGE of National Stock Exchange of India ("NSE") on 11th October 2018 and got migrated to NSE main board with effect from 02 December 2020. The Holding Company along with its subsidiaries collectively referred to as "the Group" in following notes.

The Group is engaged in manufacturing and sale of all types of marine and industrial electrical & electronic components like switch-gears, control-gears etc. and is also engaged in renewable energy sector specifically solar. It also provides services like designing, fabricating etc. for all types of electrical & electronic installations in India and abroad and undertake annual maintenance contracts.

Following are the details of the entities consolidated in these financial statements:

Name of the entities	Country of incorporation	% equity interest	
		31 March 2024	31 March 2023
Subsidiaries / step down subsidiary			
Eltech Engineers Madras Private Limited	India	94.00%	70.00%
Narhari Engineering Works (partnership firm)	India	99.00%	99.00%
Evigo Charge Private Limited (formerly Evigo Charging Consultants Private Limited)	India	99.44%	98.88%
MEL Power Systems FZC	United Arab Emirates	93.71%	90.00%
STI SRL (subsidiary of MEL Power Systems FZC)	Italy	70.28%	67.50%
Xanatos Marine Ltd	Canada	75.00%	75.00%
Xanatech Synergies Private Limited	India	93.50%	-
Associates:			
Marks Marine Radio Private Limited	India	49.20%	-

2. Statement of compliance and basis of preparation and presentation

2.1 Statement of compliance

These consolidated financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") as per the Companies (Indian Accounting Standards) Rules as amended from time to time and notified under section 133 of the Companies Act, 2013 ("the Act") and in conformity with the accounting principles generally accepted in India and other relevant provisions of the Act.

These consolidated financial statements for the year ended 31 March 2024 were authorised and approved for issue by the Company's Board of Directors at its meeting held on 29 May 2024.

2.2 Basis of preparation and measurement

These financial statements have been prepared on an accrual basis and under the historical cost convention except for certain financial instruments that are measured at fair values at the end of each reporting period (refer accounting policy regarding financial instruments).

Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a

Notes to the Consolidated Financial Statement

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1- Quoted (Unadjusted) marked prices in the active markets for identical assets or liabilities.

Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

2.3 Basis of consolidation

Subsidiaries are all entities (including structured entities) over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. The Group can have power over the investee even if it owns less than majority voting rights i.e. rights arising from other contractual arrangements. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases. Statement of profit and loss (including other comprehensive income ('OCI')) of subsidiaries acquired or disposed of during the period are recognized from the effective date of acquisition, or up to the effective date of disposal, as applicable.

The Group combines the financial statements of the Holding Company and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Group.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it:

- Derecognises the assets (including goodwill) and liabilities of the subsidiary at their carrying amounts at the date when control is lost.
- Derecognises the cumulative translation differences recorded in equity.
- Recognises the fair value of the consideration received.
- Recognises the fair value of any investment retained.
- Recognises any surplus or deficit in profit or loss.
- Recognise that distribution of shares of subsidiary to Group in Group's capacity as owners.
- Reclassifies the parent's share of components previously recognised in OCI to profit or loss or transferred directly to retained earnings, if required by other Ind ASs as would be required if the Group had directly disposed of the related assets or liabilities.

Notes to the Consolidated Financial Statement

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

2.4 Functional and Presentation Currency

These consolidated financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts have been rounded-off to the nearest lakhs, unless otherwise indicated.

2.5 Current & non-current classification

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Group has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets and liabilities.

2.6 Critical accounting judgements and use of estimates

The preparation of financial statements requires the management to make estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. The actual results could differ from those estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision or future periods if the revision affects both current and future periods.

Accounting estimates and judgements are used in various line items in the financial statements for e.g.:

Property, plant and equipment

The management engages internal technical team to assess the remaining useful lives and residual value of property, plant and equipment annually in order to determine the amount of depreciation to be recorded during any reporting period. The management believes that the assigned useful lives and residual value are reasonable.

Income taxes

The management judgement is required for the calculation of provision for income taxes and deferred tax assets and liabilities. The Group reviews at each balance sheet date the carrying amount of deferred tax assets / liabilities. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the financial statements.

Contingencies

The management's judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the Group as it is not possible to predict the outcome of pending matters with accuracy.

Expected credit losses on financial assets:

The impairment provisions of financial assets and contract assets are based on assumptions about risk of default and expected timing of collection. The Group uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on the Group's past history of collections, customer's creditworthiness, existing market conditions as well as forward looking estimates at the end of each reporting period.

Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit ("CGU") exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a discounted cash flow ("DCF") model. The cash flows are

Notes to the Consolidated Financial Statement

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

derived from the budget for future years and do not include restructuring activities that the Group is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes.

Effective Interest Rate (EIR) Method:

The Group recognizes interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected life of the loans given / taken. This estimation, by nature, requires an element of judgement regarding the expected behaviour and life-cycle of the instruments, as well as expected changes to other income/expense that are integral parts of the instrument.

Fair value measurements and valuation processes:

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be derived from active markets, they are determined using a variety of valuation technique that include the use of valuation models. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

Business combination

In accounting for business combinations, judgment is required in identifying the acquirer and acquiree for the purpose of business combination and whether an identifiable intangible asset is to be recorded separately from goodwill. Additionally, estimating the acquisition date fair value of the identifiable assets (including useful life estimates) and liability acquired, and contingent consideration assumed involves management judgment. These measurements are based on information available at the acquisition date and are based on expectations and assumptions that have been deemed reasonable by management. Changes in these judgments, estimates, and assumptions can materially affect the results of operations.

2.7 Recent pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. As on 31 March 2024, no new standards or amendments are issued or notified.

3. Summary of Material Accounting Policies

3.1 Property, plant and equipment

All items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. The gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss on the date of disposal or retirement.

Subsequent costs are capitalised on the carrying amount or recognised as a separate asset, as appropriate, only when future economic benefits associated with the item are probable to flow to the Group and cost of the item can be measured reliably. All other repair and maintenance are charged to the statement of profit and loss during the reporting period in which they are incurred.

Except for subsidiaries incorporated outside India i.e. STI SRL and Narhari Engineering Works, India, a partnership firm (subsidiary), depreciation on property, plant and equipment is provided on written down value method over the useful lives of assets as prescribed under Schedule II to the Companies Act, 2013. Based on past experience and internal technical evaluation, the management believes that these useful lives represent the appropriate period of usage and therefore, considered to be appropriate for charging depreciation. In case of Narhari Engineering Works, depreciation on property, plant and

Notes to the Consolidated Financial Statement

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

equipment is provided as per written down value method as per the rates prescribed under Income-tax Act, 1961. In case of STI SRL, depreciation on property, plant and equipment is provided on a straight-line basis over the expected useful life and in case of STI S.R.L. for the first year of entry into operations of the assets, they are reduced by 50% as representative of the effective participation in the production process which can be considered as average at half year.

Depreciation on addition (disposal) is provided on a pro-rata basis i.e. from (upto) the date on which assets is ready for use (disposed of).

The estimated useful lives of the property, plant and equipment considered by the Company are as follows:

Tangible Assets	Estimated uestful life (in Years)
Buildings	30
Plant and machinery	15
Plant and machinery – Drilling Rig	30
Computers	3
Furniture and fixtures	10
Vehicles	8
Office equipment	3-5

Leasehold improvements are amortised over the lower of estimated useful life as per Schedule II or intended lease period.

Assets residual values, depreciation method and useful lives are reviewed at the end of financial year considering the physical condition of the assets or whenever there are indicators for review and adjusts residual life prospectively.

Derecognition

An item of property, plant and equipment and any significant component initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset / significant component (calculated as the difference between the net disposal proceeds and the carrying amount of the asset / significant component) is recognised in statement of profit and loss, when the asset is derecognised.

3.2 Investment Property

Investment property is property held either to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business, use in the production or supply of goods or services or for administrative purposes. Upon initial recognition, an investment property is measured at cost. Subsequent to initial recognition, investment property is measured at cost less accumulated depreciation and accumulated impairment losses, if any.

Subsequent costs are capitalised on the carrying amount or recognised as a separate asset, as appropriate, only when future economic benefits associated with the item are probable to flow to the Group and cost of the item can be measured reliably. All other repair and maintenance are charged to the statement of profit and loss during the reporting period in which they are incurred.

Depreciation on investment property is provided on the written down value method over their estimated useful lives. However, where the management's estimate of the remaining useful life of the assets on a review subsequent to the time of acquisition is different, then depreciation is provided over the remaining useful life based on the revised useful life.

3.3 Intangible assets

Identifiable intangible assets are recognised when the Group controls the asset, it is probable that future economic benefits attributed to the asset will flow to the Group and the cost of the asset can be reliably measured.

Notes to the Consolidated Financial Statement

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

At initial recognition, the separately acquired intangible assets are recognised at cost. Following initial recognition, the intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

Except for subsidiaries incorporated outside India i.e. STI SRL and Narhari Engineering Works, India, a partnership firm (subsidiary), intangible assets, other than License, Intellectual Property Rights, Customer Acquisition, Mobile Application, Non-Compete and Technical Know-how, are amortised on a written down value method in accordance with the useful life prescribed in Schedule II to the Act. In case of Narhari Engineering Works, amortisation on intangible assets is provided as per written down value method as per the rates prescribed under Income-tax Act, 1961. In case of STI SRL, intangible assets are amortised on a straight-line basis over their estimated useful life.

The estimated useful lives of the intangible assets considered by the Group are as follows:

Intangible Assets	Estimated useful life (in Years)
Software	3

License, Intellectual Property Rights, Customer Acquisition, Mobile Application and Technical Know-how are amortised on a straight-line basis over a period of five years. Non-Compete is amortised on a straight-line basis over a period of ten years.

The amortisation period and the amortisation method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortisation period is changed accordingly. Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the statement of profit and loss.

3.4 Research and development cost

Research costs are expensed as incurred. Development expenditures on an individual project are recognised as an intangible asset when the Company can demonstrate:

1. The technical feasibility of completing the intangible asset so that the asset will be available for use or sale,
2. Its intention to complete and its ability and intention to use or sell the asset,
3. How the asset will generate future economic benefits,
4. The availability of resources to complete the asset
5. The ability to measure reliably the expenditure during development.

Development expenditure till date of capitalization are disclosed under Intangible Assets under development. Following initial recognition of the development expenditure as an asset, the asset is carried at cost less any accumulated amortisation and accumulated impairment losses. Amortisation of the asset begins when development is complete and the asset is available for use.

3.5 Foreign currency translation

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date

Notes to the Consolidated Financial Statement

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

Exchange differences

Exchange differences arising on the settlement of monetary items or on reporting monetary items of Group at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise except those arising from investments in non-integral operations

3.6 Taxes

Tax expense comprises of current and deferred tax.

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the statement of profit and loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity respectively.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Minimum alternate tax (MAT) paid in a year is charged to the Statement of profit and loss as current tax. Minimum Alternative Tax ("MAT") credit is recognised as deferred tax asset based on evidence that the Group will pay normal income tax during the specified period. Significant judgments are involved in determining the future taxable income and future book profits, including amount of MAT credit available for set-off.

3.7 Inventories

Inventories are valued at the lower of cost and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods, including freight, octroi and other levies.

Cost is determined under the weighted average cost method and includes all costs incurred in bringing the inventories to their present location and condition.

Notes to the Consolidated Financial Statement

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

Cost of finished goods and work in progress further includes direct labour and an appropriate share of production overheads as applicable.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated cost of completion and the estimated costs necessary to make the sale.

Due allowances are made for defective, obsolete and slow-moving inventory, wherever necessary, based on management estimates and past experiences of the Group.

3.8 Revenue recognition

Revenue from contract with customers is recognized when the Group satisfies the performance obligation by transfer of control of promised product or service to customers in an amount that reflects the consideration which the Group expects to receive in exchange for those products or services. Control is defined as the ability to direct the use of and obtain substantially all of the economic benefits from an asset. Revenue excludes taxes collected from customers.

Revenue is measured based on the transaction price, which is the expected consideration to be received, to the extent that it is highly probable that there will not be a significant reversal of revenue in future periods. If the consideration in a contract includes a variable amount, at the inception of the contract, the Group estimates the amount of consideration to which it will be entitled in exchange for transferring the goods or services to the customer.

At the inception of the contract, the Group identifies the goods or services promised in the contract and assess which of the promised goods or services shall be identified as separate performance obligations. Promised goods or services give rise to separate performance obligations if they are capable of being distinct.

Revenue from the delivery of products is recognised at the point in time when control over the products is passed to the customers, which is determined based on the individual terms agreed in the customer contract. Revenue from support services is recognized on rendering of services in accordance with the contractual agreement with the customers.

Contract balances:

The Group classifies the right to consideration in exchange for deliverables as either a receivable or as unbilled revenue. A receivable is a right to consideration that is unconditional upon passage of time. Contract asset, which is presented as unbilled revenue, is classified as non-financial asset as the contractual right to consideration is dependent on completion of contractual milestones.

A contract liability is the obligation to transfer goods or services to a customer for which the Group has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Group transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Group performs under the contract. Contract liabilities include, and are presented as 'Revenue received in advance' and 'Advances from customers'.

3.9 Other income

Interest income

Interest income is recognized as it accrues in the statement of profit and loss using effective interest rate method.

Rental Income

Rental Income from property leased under operating lease is recognized in the income statement on a straight line basis over the term of the lease unless increase in rentals are in line with expected general inflation. Contingent rents are recognized as revenue in the period in which they are earned.

Duty drawback

Duty drawback is recognized basis entitlement upon exports made. Provision is made for duty drawback entitlement pending to be received towards end of the year on exports made during the year

Notes to the Consolidated Financial Statement

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

Net gain loss on fair value change

The Group recognises gains on fair value change of financial assets measured at FVTPL and realised gains on derecognition of financial asset measured at FVTPL on net basis. However, net gain / loss on derecognition of financial instruments classified as amortised cost is presented separately under the respective head in the statement of profit and loss.

3.10 Financial instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

I. Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit and loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified as:

- Debt instruments assets at amortised cost
- Equity instrument measured at fair value through profit or loss (FVTPL)

When assets are measured at fair value, gains and losses are either recognised entirely in the statement of profit and loss (i.e. fair value through profit and loss), or recognised in other comprehensive income (i.e. fair value through other comprehensive income).

Debt instruments at amortised cost

A debt instrument is measured at amortised cost (net of any write down for impairment) if both the following conditions are met:

- the asset is held to collect the contractual cash flows (rather than to sell the instrument prior to its contractual maturity to realise its fair value changes), and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest ("SPPI") on the principal amount outstanding.

Such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit and loss. The losses arising from impairment are recognised statement of profit and loss. This category generally applies to trade and other receivables

Financial assets at fair value through OCI (FVTOCI)

A financial asset that meets the following two conditions is measured at fair value through OCI unless the asset is designated at fair value through profit and loss under fair value option.

- The financial asset is held both to collect contractual cash flows and to sell.
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in OCI. However, the Group recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Notes to the Consolidated Financial Statement

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

Financial assets at fair value through profit and loss (FVTPL)

FVTPL is a residual category for Group's investment instruments. Any instruments which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

All investments included within the FVTPL category are measured at fair value with all changes recognized in the Profit and Loss.

In addition, the Group may elect to designate an instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Equity investments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Group may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Group has not made any such election. This classification is made on initial recognition and is irrevocable.

If the Group decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment, However, the Group may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

Equity investment in subsidiary are measured at cost.

Derecognition

When the Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; it evaluates if and to what extent it has retained the risks and rewards of ownership.

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised when:

- he rights to receive cash flows from the asset have expired, or
- Based on above evaluation, either
 - (a) the Group has transferred substantially all the risks and rewards of the asset, or
 - (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Group continues to recognise the transferred asset to the extent of the Group's continuing involvement. In that case, the Group also recognises an associated liability. The transferred asset and the associated liability are measured on a bases that reflect the rights and obligations that the Group has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Group could be required to repay.

Impairment of financial assets

The Group assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 ('Financial instruments') requires expected credit losses to be measured through a loss allowance. The Group recognizes lifetime expected losses for all contract assets and / or

Notes to the Consolidated Financial Statement

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

ii. Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit and loss or at amortised cost, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings, net of directly attributable transaction costs.

The Group's financial liabilities include trade payables and other payables.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at amortised cost

After initial recognition, interest-bearing loans and borrowings and other payables are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit and loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

iii. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

iv. Reclassification of financial assets

The Group determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Group's senior management determines change in the business model as a result of external or internal changes which are significant to the Group's operations. Such changes are evident to external parties. A change in the business model occurs when the Group either begins or ceases to perform an activity that is significant to its operations. If the Group reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Group does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

3.11 Provisions, contingent liabilities and contingent assets

Provision

Provisions are recognised when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can

Notes to the Consolidated Financial Statement

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

be reliably estimated. Provisions are not recognised for future operating losses. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as finance cost.

Contingent liabilities and contingent assets

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements.

Contingent assets are not recognized in the financial statements. However, it is disclosed only when an inflow of economic benefits is probable.

3.12 Borrowing costs

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds.

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred.

3.13 Employee benefits

Short-term employee benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. These benefits include salary, wages, short-term compensated absences, performance incentives, etc. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognized during the period of rendering of service by the employee.

Long-term employee benefits:

(i) Defined contribution plans:

The Group's contribution to provident fund, superannuation fund, employee state insurance scheme and labour welfare fund are considered as defined contribution plans. The Group's contribution paid / payable under the plans are recognised as an expense in the consolidated statement of profit and loss during the period in which the employee renders the related service.

(ii) Defined benefits plan:

Post-employment benefit:

The Company's gratuity scheme is a defined benefit plan. The Company's net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. The present value of the obligation under such defined benefit plan is determined

Notes to the Consolidated Financial Statement

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

based on independent actuarial valuation at the balance sheet date using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan are based on the market yields on Government securities as at the balance sheet date. Actuarial gains and losses are recognized immediately in the consolidated statement of profit and loss.

Other long-term employment benefit:

The employees can carry-forward a portion of the unutilised accrued compensated absences and utilise it in future service periods or receive encashment on termination of employment. Since the compensated absences do not fall due wholly within twelve months after the end of the period in which the employees render the related service and are also not expected to be utilized wholly within twelve months after the end of such period, the benefit is classified as a long-term employee benefit. The Group records an obligation for such compensated absences in the period in which the employee renders the services that increase this entitlement. The obligation is measured on the basis of independent actuarial valuation using the projected unit credit method.

3.14 Leases

At inception of contract, the Group assesses whether the Contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. At inception or on reassessment of a contract that contains a lease component, the Group allocates consideration in the contract to each lease component on the basis of their relative consolidated price.

As a lessee:

Leases are recognised as a Right-of-Use (RoU) asset at cost with a corresponding lease liability, except for leases with term of less than twelve months (short term) and low-value assets in accordance with Ind AS 116 'Leases'.

The cost of the right-of-use assets comprises the amount of the initial measurement of the lease liability, any lease payments made at or before the inception date of the lease plus any initial direct costs etc.

Subsequently, the right-of-use asset is measured at cost less any accumulated depreciation and accumulated impairment losses, if any. The right-of-use asset is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use assets.

For lease liabilities at the commencement date, the Group measures the lease liability at the present value of the lease payments that are not paid at that date. The lease payments are discounted using the interest rate implicit in the lease, if that rate is readily determined, if that rate is not readily determined, the lease payments are discounted using the incremental borrowing rate.

For short-term and low value leases, the Group recognizes the lease payments as an operating expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

As a lessor:

Leases in which the Group does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income on such operating leases are recognised in the statement of profit and loss on an accrual basis in accordance with the lease agreement. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

3.15 Business combinations/Goodwill on consolidation

The Group accounts for business combinations under acquisition method of accounting. Acquisition-related costs are recognised in the Statement of Profit and Loss as incurred. The acquiree's identifiable assets, liabilities and contingent liabilities that meet the condition for recognition are recognised at their fair values at the acquisition date.

Notes to the Consolidated Financial Statement

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

Goodwill arising on consolidation of acquisitions represents the excess of (a) consideration paid for acquiring control and (b) acquisition date fair value of previously held ownership interest, if any, in a subsidiary over the Group's share in the fair value of the net assets (including identifiable intangibles) of the subsidiary as on the date of acquisition of control. Where the fair value of the identifiable assets and liabilities exceed the cost of acquisition, the excess is recognised as Capital Reserve.

Goodwill on consolidation is allocated to cash generating units or group of cash generating units that are expected to benefit from the acquisition.

Goodwill arising on consolidation is tested for impairment annually and not amortised. In the event of cessation of operations of a subsidiary, the unimpaired goodwill is written off fully.

Business combinations arising from transfers of interests in entities that are under common control are accounted using pooling of interest method. The difference between consideration given and the aggregate historical carrying amounts of assets and liabilities of the acquired entity are recorded in shareholders' equity.

3.16 Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the statement of profit and loss over the period of the borrowings using the effective interest method.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in the statement of profit and loss as other gains/(losses).

Borrowings are classified as current liabilities unless the Group has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

3.17 Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

3.18 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker ("CODM") of the Group.

Notes:

- (i) Investment property comprise of a commercial building that is leased to third party. Subsequent renewal of license agreement are negotiated with the tenant and average renewal period ranges between three and five years.
- (ii) Refer note 25 and 30 for information on investment property pledged as security by the Group.
- (iii)(a) As at 31 March 2024, the fair value of the property has been updated to Rs. 2,327.60 lakhs. This represents a revision from the previous year's fair value of Rs. 2,917.04 lakhs.
- (b) For the year ended 31 March 2024, the fair value of the Group's investment property has been determined using the ready reckoner rate published by local municipal authorities, rather than an independent valuation report. The ready reckoner rate provides a standardized valuation for properties similar in type and location for tax and regulatory purposes.
- For the year ended 31 March 2023, the fair value of the Group's investment property was based on valuation performed by an accredited independent valuer in the financial year ended 31 March 2022. The management believed that there was no significant fluctuation in the fair value of the property during the year ended 31 March 2023. The fair value of the Group's investment property was arrived at using Composite rate method. Under Composite rate method, rate is arrived using comparable sales instance for similar property with same specification in the adjoining locality and further adjusted for depreciation on building component. The main inputs used are age of the building, life of the building, salvage value and composite rate.
- (c) The management believes that the ready reckoner rate is a reliable estimate of the property's fair value, considering the relative stability in property values and minimal market fluctuations during the year.
- (d) Details of the Group's investment property and information about the fair value hierarchy is as follows:

Particulars	Year ended 31 March 2024	Year ended 31 March 2023
Rental income from investment property	120.60	60.03
Direct operating expenses arising from investment property that generated rental income during the year	5.43	5.43

8 Goodwill

Particulars	As at 31 March 2024	As at 31 March 2023
Opening Balance	782.36	-
Business Combination (Refer note 67)	-	782.36
Closing Balance	782.36	782.36

Note:

Impairment recognised in the Statement of Profit and Loss during the year is Rs Nil (31 March 2023: Rs Nil)

The goodwill impairment testing is performed at the level of the cash generating unit which represents the smallest identifiable group of assets that generates independent cash flows. The impairment testing is performed annually or whenever there is an indication that the cash generating unit to which the goodwill has been allocated may be impaired.

In determining the value-in-use, cash flow projections approved by appropriate level of management are considered. Key assumptions on which management has based its determination of value-in-use includes estimated growth rates (including terminal growth rates) and discount rates. In circumstances where a reliable value-in-use estimate is difficult to make and market value of the asset or the cash generating unit is readily available, the latter is used for the determination of recoverable amount with appropriate adjustments, as applicable. Cash flow projections are usually considered for next five years. Cash flows projections beyond the five year period are extrapolated using terminal growth rates.

24 Other equity

Particulars	As at	
	31 March 2024	31 March 2023
Securities premium	6,708.55	4,978.17
General reserve	708.10	708.10
Retained earnings	13,742.39	11,035.89
Other comprehensive income	848.05	755.05
Other component of equity	331.67	292.46
Capital reserve	76.88	76.88
Money received against share warrants	-	464.34
	22,415.62	18,310.89

Nature and purpose of reserves:

Securities premium: Securities premium is used to record the premium on issue of shares. The reserve is utilized in accordance with the provision of the Companies Act, 2013.

General reserve: General reserve is created from time to time by way of transfer of profits from retained earnings for appropriation purposes. General reserve is created by a transfer of one component of equity to another.

Retained earnings: Retained earnings represents surplus / accumulated earnings of the Group and are available for distribution to shareholders. Further, it also includes the impact of remeasurements of the defined benefit obligations, net of tax.

Other comprehensive income: Exchange differences arising on translation of the foreign operations are recognised in other comprehensive income and accumulated in a separate reserve within equity. The cumulative amount is reclassified to profit or loss when the net investment is disposed-off.

Other component of equity: Other component of equity represents fair value of financial guarantee.

Capital reserve: Capital reserve is created for bargain purchase at the time of acquisitions.

Money received against share warrants : Represents subscription money received by the Group as per the terms of allotment equivalent to 25% of the issue price of share warrants.

45 Earnings per share

The following table set forth the computation of basic and dilutive earnings per share:

Particulars	For the year ended 31 March 2024	For the year ended 31 March 2023
Net profit for the year attributable to equity shareholders	2,589.94	1,699.54
Weighted average number of equity shares outstanding during the year	12,84,03,501	12,29,85,524
Weighted average number of equity shares (including dilutive shares) outstanding during the year	12,84,03,501	12,52,98,180
Basic earnings per equity share [Face value of Rs. 2 each] (Rupees)	2.02	1.38
Diluted earnings per equity share [Face value of Rs. 2 each] (Rupees)	2.02	1.36

Reconciliation of shares used in computing earnings per share

Particulars	For the year ended 31 March 2024	For the year ended 31 March 2023
No. of equity shares at the beginning of the year	12,63,15,250	12,26,65,250
Add: Equity shares issued during the year on conversion of share warrants *	63,50,000	36,50,000
No. of equity shares at the end of the year	13,26,65,250	12,63,15,250
Weighted average number of equity shares outstanding during the year	12,84,03,501	12,29,85,524
Add: Weighted average number of potential equity shares on account of convertible share warrants *	-	23,12,656
Weighted average number of equity shares (including dilutive shares) outstanding during the year	12,84,03,501	12,52,98,180

Notes to the Consolidated Financial Statement

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

* During the previous year, the Company has allotted 1,00,00,000 Convertible Warrants carrying an entitlement to subscribe to an equivalent number of equity shares of face value of Rs 2 each at price of Rs 29.25 per warrant (including premium of Rs 27.25 per warrant). As per the terms of allotment, the Company has received subscription money equivalent to 25% of the issue price and the balance 75% shall be paid by the warrant holder at the time of allotment of equity shares pursuant to exercise of option. Of the above, 63,50,000 (31 March 2023: 36,50,000) Convertible Warrants have been converted into equivalent number of equity shares during the year and the balance 75% subscription money payable by the warrant holder at the time of allotment of equity shares pursuant to exercise of option have been received by the Company.

46 Employee benefits

(i) Defined contribution plans:

The Group makes contributions, determined as a specified percentage of employees salaries, in respect of qualifying employees towards provident fund, employees state insurance scheme and labour welfare scheme, which are defined contribution plans. The obligation of the Group is limited to the amount contributed and it has no further contractual nor any constructive obligation. The contributions are charged to the statement of profit and loss as they accrue. The amount recognized as an expense towards contribution to provident and other funds for the year aggregated to Rs. 186.43 lakhs (31 March 2023: Rs 128.31 lakhs).

(ii) Defined benefit plans:

The Company operates an unfunded post-employment defined benefit plan that provides for gratuity benefit. The gratuity plan entitles an employee, who has rendered at least five years of continuous service, to receive gratuity at 15 days salary (salary last drawn) for each completed years of service at the time of retirement / exit.

The Company determines the gratuity liability based on the actuarial valuation using Projected Unit Credit Method by an Independent firm of Actuaries that is registered with The Institute of Actuaries of India.

The following table summarizes the position of obligation relating to gratuity plan:

Reconciliation of Defined Benefit Obligation ("DBO")

Particulars	For the year ended 31 March 2024	For the year ended 31 March 2023
Present value of DBO at start of the year	273.99	247.73
Current service cost	57.09	43.70
Interest cost	19.73	17.84
Benefits paid	(21.29)	(17.14)

Notes to the Consolidated Financial Statement

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

The sensitivity is performed on the DBO at the respective valuation date by modifying one parameter whilst retaining other parameters constant. The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

Risk exposures:

Through its defined benefit plans, the Company is exposed to a number of risks, the most significant of which are detailed below:

- (A) Salary Increases:** Actual salary increases will increase the plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.
- (B) Discount Rate:** Reduction in discount rate in subsequent valuations can increase the plan's liability.
- (C) Withdrawals:** Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact plan's liability.
- (D) Mortality & disability:** Actual deaths and disability cases proving lower or higher than assumed in the valuation can impact the liabilities.

The expense recognised in the statement of profit and loss towards gratuity includes gratuity expense of Rs 2.76 lakhs for the year ended 31 March 2024 (31 March 2023: Rs 0.45 lakhs) and provision for gratuity liability includes gratuity liability of Rs 0.45 lakhs as at 31 March 2024 (31 March 2023: Rs 0.45 lakhs) of a subsidiary, Narhari Engineering Works, a partnership firm, where the liability is recognised based on management estimates.

(iii) Other long-term employee benefits:

Compensated absences

The compensated absences cover the Group's liability for earned leave.

The Group has recognised an amount of Rs. 65.32 lakhs (31 March 2023: Rs. 51.01 lakhs) as an expense towards compensated absences and included in "Employee benefits expense" in the Statement of Profit and Loss. The Company has determined the liability for compensated absences based on the actuarial valuation using Projected Unit Credit Method.

The maturity analysis of lease liabilities is disclosed in Note 50.

49 Segment information

The Group is primarily engaged into the business of providing integrated electrical and automation solution. The main segments of the Group are:

- Marine: Providing products and services of navigational equipment's etc in new ship building.
- Industry: Providing products and services of power distribution and solutions for industries like data centre, industrial and large buildings.

As per Ind AS 108 - "Operating Segments", operating segments are those components of the business whose operating results are reviewed by the Chief Operating Decision Maker ("CODM") to make decisions for performance assessment and resource allocation. Previously, the Group was disclosing two business segments i.e. Electricals & Electronics and Solar. In the board meeting dated 29 May 2023, board approved change in operating segment reporting between two business segments i.e. Marine and Industry, as segments based on how CODM make decision internally for performance assessment and resource allocation.

Pursuant to approval by Board, the Group has identified its reportable segment as Marine and Industry during the year and accordingly previous period / year figures have been regrouped / rearranged among those segments.

Particulars	For the year ended 31 March 2024	For the year ended 31 March 2023
A. Segment revenue		
(a) Marine	35,418.58	24,966.06
(b) Industry	26,793.49	19,319.38
Revenue from operations	62,212.07	44,285.44
B. Segment results		
(a) Marine	2,698.26	1,878.51
(b) Industry	1,495.22	1,205.75
Total	4,193.48	3,084.26
Less: Finance costs	(1,237.92)	(994.13)
Add: Other unallocable income net of unallocable expenses	676.45	417.16
Profit before tax	3,632.01	2,507.29

Notes to the Consolidated Financial Statement

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

The CODM does not review assets and liabilities for each operating segment separately, hence segment disclosure relating to assets and liabilities have not been furnished.

Information about major customers

There is 1 (31 March 2023: 2) customers contributing in excess of 10% of the total revenue of the Group amounting to Rs 7,761.46 lakhs for the year ended 31 March 2024 (31 March 2023: Rs. 10,533.72 lakhs).

50. Financial instruments

The classification of each category of financial instruments and their carrying amounts are as below:

Particulars	As at 31 March 2024	As at 31 March 2023
Financial assets measured at amortized cost:		
Trade receivables ^	31,702.65	22,609.27
Cash and cash equivalents ^	653.18	291.71
Bank balances other than cash and cash equivalents above ^	1,665.92	1,643.74
Loans ^	437.27	852.75
Other financial assets ^	3,384.76	2,742.67
Financial assets measured at fair value through profit or loss / accounted for using equity method:		
Investments^	598.73	345.78
Total financial assets	38,442.51	28,485.92
Financial liabilities measured at amortized cost:		
Borrowings ^	9,547.51	6,511.36
Lease liabilities ^	156.15	58.15
Trade payables ^	21,462.98	14,547.69
Other financial liabilities ^	582.83	479.27
Total financial liabilities	31,749.47	21,596.47

There are no financial instruments that have been classified as Fair Value through Other Comprehensive Income (FVTOCI).

^ Fair values for these financial instruments have not been disclosed because their carrying amount are a reasonable approximation of their fair values.

Fair value hierarchy

Financial assets and liabilities measured at fair value

Particulars	Level 1	Level 2	Level 3	Total
As at 31 March 2024				
Financial assets:				
Non current investments:				
Investment in other companies	-	-	598.73	598.73
As at 31 March 2023				
Financial assets:				
Non current investments:				
Investment in other companies	-	-	345.78	345.78

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

Notes to the Consolidated Financial Statement

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

Financial instruments - risk management

The Group has exposure to the following risks arising from financial instruments: credit risk (refer note (b) below); liquidity risk (refer note (c) below) and market risk (refer note (d) below):

(a) Risk management framework

The board of directors has overall responsibility for the establishment and oversight of the Group's risk management framework. The Group's risk management policies are established to identify and analyse the risks faced by the Group, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities.

The board oversees how management monitors compliance with the Group's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Group. The Group, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

(b) Credit risk

Credit risk is the risk that a counter party fails to discharge its obligation to the Group. The maximum credit risk comprises the carrying amounts of the financial assets. The Group's exposure to credit risk arises mainly from cash and cash equivalents, other bank balances, trade receivables, loans and other financial assets. The Group continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls.

(i) Credit risk management

Credit risk rating

The Group assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

A: Low credit risk

B: Moderate credit risk

C: High credit risk

Credit rating	Particulars	As at 31 March 2024	As at 31 March 2023
Low credit risk	Cash and cash equivalents, other bank balances, trade receivables, loans and other financial assets.	37,843.78	28,140.14

(ii) Credit risk exposure

Cash and cash equivalents and other bank balances

Credit risk related to cash and cash equivalents and other bank balances is managed by accepting highly rated banks and diversifying bank deposits and accounts in different banks. Management does not expect any losses from non-performance by these counterparties.

Loans and other financial assets measured at amortized cost

Loans and other financial assets measured at amortized cost includes deposits, staff advances, interest accrued on loans/deposits, unbilled revenue, loans and other receivables. Credit risk related to these is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensures that amounts are within defined limits. The expected credit loss on these financial instruments is expected to be insignificant.

Notes to the Consolidated Financial Statement

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

Trade receivables

Credit risk arise from possibility that customer may default on its obligation to make timely payments, resulting into financial loss. The maximum exposure to the credit risk is primarily from trade receivables. The expected credit loss allowance is based on the ageing of the days for which the receivables are due and the expected loss rates.

Reconciliation of allowance for expected credit loss of trade receivables, loans and other financial assets

Particulars	As at 31 March 2024	As at 31 March 2023
Opening balance	111.32	134.67
Change in allowance for expected credit loss:		
Allowance for expected credit loss provided/written back (net)	55.61	(23.35)
	55.61	(23.35)
Closing balance	166.93	111.32

(c) Liquidity risk

Liquidity risk is the risk that the Group will not be able to settle or meet its obligations on time. The Group's primary sources of liquidity are cash generated from operations. The cash flows from operating activities are driven primarily by operating results and changes in the working capital requirements.

The Group believe that its liquidity position is adequate to fund the operating and investing needs and to provide with flexibility to respond to further changes in the business environment.

Maturities of financial liabilities

Particulars	Carrying amount	Total	On demand	0–12 months	1–5 years	> 5 years
As at 31 March 2024						
Borrowings	9,547.51	9,633.03	6,531.74	361.83	1,563.33	1,176.13

Other financial liabilities	582.83	582.83	3.37	579.46	-	-
Total	31,749.47	31,892.08	6,535.11	22,457.74	1,655.96	1,243.27

Particulars	Carrying amount	Total	On demand	0–12 months	1–5 years	> 5 years
As at 31 March 2023						
Borrowings	6,511.36	6,606.93	3,659.98	629.43	1,498.10	819.41
Lease liabilities	58.15	113.35	-	7.05	30.94	75.36
Trade payables	14,547.69	14,547.69	-	14,547.69	-	-
Other financial liabilities	479.27	479.27	20.91	350.36	-	108.00
Total	21,596.47	21,747.24	3,680.89	15,534.53	1,529.04	1,002.77

(d) Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates and interest rates, which will affect the Group's income. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

i) Foreign currency risk

The transactions of the Group are denominated in both Indian rupees and foreign currencies and accordingly, the Group is exposed to foreign exchange risk in relation to operating activities (when revenue or expense is denominated in a foreign currency) arising from foreign currency transactions.

Notes to the Consolidated Financial Statement

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

Foreign currency risk exposure

Particulars of unhedged foreign currency exposure :

Particulars	As at 31 March 2024		As at 31 March 2023		
	Amount in Foreign Currency	Amount equivalent in INR Lakhs	Amount in Foreign Currency	Amount equivalent in INR Lakhs	
Foreign currency receivables					
- representing trade receivables	USD	11,43,126	934.74	10,03,998	816.95

* The Group does not expect any change in the exchange rate of AED / GBP and INR, resulting into any significant impact to the financial numbers.

Sensitivity to risk

Particulars	Impact of profit - Increase / (decrease)	
	As at 31 March 2024	As at 31 March 2023
USD Sensitivity		
INR/USD - Increase by 5% (31 March 2023-5%)	31.57	28.94
INR/USD - Decrease by 5% (31 March 2023 - 5%)	(31.57)	(28.94)
Euro Sensitivity		
INR/EURO - Increase by 5% (31 March 2023 - 5%)	(113.90)	(52.92)
INR/EURO - Decrease by 5% (31 March 2023 - 5%)	113.90	52.92

ii) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to market risk for changes in interest rates primarily relates to borrowings.

Particulars	As at 31 March 2024	As at 31 March 2023
Variable rate borrowings	9,278.48	6,345.67
Fixed rate borrowings	269.03	165.69
Total borrowings	9,547.51	6,511.36

Cash flow sensitivity analysis for variable-rate instruments

A reasonably possible change of 100 basis points in interest rates at the reporting date would have increased / decreased profit or loss by the amounts shown below. This analysis assumes that all other variables remain constant. This calculation also assumes that the change occurs at the balance sheet date and has been calculated based on risk exposures outstanding as at that date. The year end balances are not necessarily representative of the average debt outstanding during the year.

Notes to the Consolidated Financial Statement

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

Particulars	Impact on profit -Increase / (decrease)	
	100 bp increase	100 bp decrease
Variable rate instrument as at 31 March 2024	(92.78)	92.78
Variable rate instrument as at 31 March 2023	(63.46)	63.46

51 Capital management

The funding requirements of the Group are met through a mixture of equity shares and borrowings. The Group's policy is to use current and non-current borrowings to meet anticipated funding requirements.

The Group manages its capital to ensure that the Group will be able to continue as a going concern while maximizing the return to stakeholders through optimisation of debt and equity balance.

The Adjusted net debt to total equity ratio at the end of the reporting period was as follows:

Particulars	As at 31 March 2024	As at 31 March 2023
Total borrowings	9,547.51	6,511.36
Lease liabilities	156.15	58.15
Less: Cash and cash equivalent and other bank balances	(2,319.10)	(1,935.45)
Adjusted net debt	7,384.56	4,634.06
Total equity	25,550.20	21,479.75
Adjusted net debt to total equity ratio	0.29	0.22

52 Contingent liabilities

Particulars	As at 31 March 2024	As at 31 March 2023
a. Bank guarantees towards advances, liquidated damages and other contractual/legal obligations reduced by an amount of Rs 138.63 lakhs (31 March 2023: Rs 270.10 lakhs) towards the counter bank guarantee received from sub-contractors	10,773.92	9,325.10
b. Letter of credit opened in favour of suppliers	707.59	1,252.12

Demands raised by GST department pending before various authorities / appellate authorities	FY 18-19 (31 March 2023: NA)	100.49	-
		260.86	164.73

The Group is contesting the demands and the management, including its tax advisors, believe that its position will likely be upheld in the appellate process. No tax expense has been accrued in the consolidated financial statements for the tax demand raised. The management believes that the ultimate outcome of this proceedings will not have a material adverse effect on the Group's financial position and results of operations.

- (ii) The company has received a demand order dated 31.08.2020 from the office of The Commissioner of Customs raising a demand of Rs 120.62 lakhs on the Group u/s 28(8) of the Customs Act, 1962 read with section 5(1) of IGST Act, 2017 with regards to classification under incorrect CTH of copper busbar imported by the Group during the period from 13.08.2014 to 30.10.2018. The order also imposes a penalty of Rs 12 lakhs on the Group and interest u/s 28AA of the Customs Act, 1962. The amount disclosed above is exclusive of interest as the same is not currently quantifiable. The Group has filed an appeal against the said order on 23.10.2020. Based on the legal opinion obtained by the Group from an independent firm of advocates, the management believes that the ultimate outcome of the proceedings will not have an adverse effect on the Group's financial position.
- (iii) The Company in the year 2017 was awarded a contract for setting up a 50 MW capacity solar power project (the "Project") in Tamilnadu. The Company subcontracted the EPC portion to a sub-contractor. The obligations of the sub-contractor for the project were not completely fulfilled by the sub-contractor leading to dispute and arbitration between the Company and the sub-contractor. Both the parties have filed Statement of Defence and Counterclaim against each other. The matter is currently in the final argument stage before the arbitrator. Pending arbitration, the impact of the outcome of the proceedings on these financial statements of the Company is currently not ascertainable.
- (iv) During the F.Y.2021-22, pursuant to inspection by GST Department, the company paid Rs.120.14 lakhs towards GST on bank guarantee invocation. The Company during F.Y.2022-23 filed application for refund of the said amount which was rejected by the Department vide its order dated 27 January 2023. The Company has filed an appeal against the rejection order with the appellate authorities on 06 March 2023. Pending final outcome, the Company continues to carry the amount paid as balance with government authorities. The management believes that the ultimate outcome of the proceedings will not have an adverse effect on the Company's financial position.
- (v) The Supreme court of India had passed a judgement in the month of February 2019 relating to definition of wages under the Employees' Provident Funds and Miscellaneous Provisions Act, 1952. The Management is of the view that there are interpretative challenges on the application of the judgement. However, the Group is in the process of determining the possible impact and update its provision, if required. The Management does not expect any material impact of the same for financial year 2023-24 based on the present salary structure followed by the Group for its class of employees.

53 Capital and other commitments:

60 Subsequent events

There are no significant reportable subsequent events that have occurred after the reporting period till the date of this financial statements.

61 Additional regulatory information required by Schedule III

i) Details of benami property held:

The Group does not have any Benami property, where any proceeding has been initiated or pending against the Group for holding any Benami property.

ii) Wilful defaulter:

The Group is not declared wilful defaulter by any bank or financial institution or other lender during the year.

iii) Relationship with struck off companies:

The Group does not have any transactions with companies struck off.

iv) Registration of charges or satisfaction with Registrar of Companies (ROC):

The Group does not have any charges or satisfaction which is yet to be registered with ROC beyond the statutory period, except for the below mentioned instance based on the procedures performed by the respective auditor of a subsidiary:

In case of Eltech Engineers Madras Private Limited ('Eltech'), a subsidiary company, charge of Rs. 50 Lakhs was created by Eltech on 26 September 2013. The loan is closed already, however the form for satisfaction of charges could not be filed. Eltech is in the process to file the necessary form to close the charges.

v) Utilisation of borrowed funds and share premium:

A. The Company or its subsidiaries incorporated in India has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or its subsidiaries incorporated in India (Ultimate Beneficiaries) or
- provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

B. The Company or its subsidiaries incorporated in India has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company or its subsidiaries incorporated in India shall:

- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or
- provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

vi) Compliance with number of layers of companies:

The Group has complied with the requirements of the number of layers prescribed under clause (87) of section 2 of the Companies Act, 2013 read with Companies (Restriction on number of Layers) Rules, 2017.

Notes to the Consolidated Financial Statement

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

vii) Valuation of Property, Plant and Equipment (including Right-of-use assets) and Intangible assets:

The Group has not revalued its property, plant and equipment (including Right-of-use assets) or intangible assets or both during the current or previous year.

viii) Compliance with approved Scheme of Arrangement:

The Group has not entered into any scheme of arrangement which has an accounting impact on current or previous financial year.

62 Details of crypto currency or virtual currency:

The Group has not traded or invested in Crypto currency or Virtual currency during the financial year.

63 Undisclosed income:

The Group does not have any such transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961).

64 In the opinion of the board of directors, assets, loans and advances have a value on realization in the ordinary course of the business at least equal to the amounts at which they are stated and provision for all known liabilities have been made.

65 The Group did not have any long-term contracts including derivative contracts for which there were any foreseeable losses as at 31 March 2024.

66 The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the Group towards Provident Fund and Gratuity. The Ministry of Labour and Employment has released draft rules for the Code on Social Security, 2020 on 13 November 2020, and has invited suggestions from stakeholders which are under active consideration by the Ministry. The Group will assess the impact and its evaluation once the subject rules are notified and will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.

67 Disclosures pursuant to Ind AS 103 "Business Combinations"

Acquisition of Xanatos Marine Ltd ("Xanatos")

(All amounts are in INR Lakhs, unless otherwise stated)

(iii) Calculation of Goodwill

Particulars	INR in lakhs
Cash consideration paid	1,216.86
Less: Net identifiable assets acquired	(235.36)
Less: Intangible assets recognised on acquisition	669.85
Goodwill	782.36

(iv) Goodwill is attributable to future growth of business out of synergies from this acquisition. The goodwill is not deductible for income tax purposes.

(v) Xanatos had reported revenue of Rs Nil and loss after tax of Rs 35.16 lakhs from the date of acquisition till 31 March 2023. Had the entity been acquired from 1 April 2022, they would have reported revenue of Rs 26.18 lakhs and loss after tax of Rs 108.01 lakhs during F.Y. 2022-23.

68 During the previous year, on 07 December 2022, Board of Directors of a subsidiary company, Evigo Charge Private Limited (formerly known as Evigo Charging Consultants Private Limited) ("Evigo"), had considered and approved allotment of 10,00,000 Equity Shares of face value of Rs 10 each upon conversion of 10,000 0.001% Compulsorily Convertible Preference Shares (CCPS) of Rs 1,000 each held by the Company in Evigo. Post the allotment of shares pursuant to conversion of CCPS, the shareholding of the Company in Evigo had increased from 71.04% to 98.88%.

69 During the previous year, consequent to the approval by the Audit Committee by Circular Resolution and by the General Purpose Committee (GPC) of the Board of Directors in their respective meetings held on 23 September 2022, the Company had increased its % holding in one of its Subsidiary, Narhari Engineering Works, a partnership firm, by way of further acquisition of 19% holding from the existing partners for a consideration of Rs 197.93 lakhs based on the valuation report by a registered valuer, resulting in total holding of 99% post acquisition. The reconstituted partnership deed was entered between the parties w.e.f. 30 September 2022.

70 During the year, the Company has made further investment in 12,00,000 equity shares of one of its subsidiary, Eltech Engineers Madras Private Limited ("Eltech"), at face value of Rs 10 each on 01 June 2023. The said investment was approved by the Board of Directors in their meeting held on 13 February 2023. Post this investment, the shareholding of the Company in Eltech has increased from 70.00% to 94.00%.

71 On 17 November 2023, Board of Directors of a subsidiary company, Evigo Charge Private Limited ("Evigo"), has considered and approved allotment of 10,27,777 equity shares of face value of Rs 10 each on right issue basis by conversion of loan (including interest) amounting to Rs. 102.78 lakhs given by the Company to Evigo. Post the allotment of shares pursuant to conversion of loan, the shareholding of the Company in Evigo has increased from 98.88% to 99.44%.

72 The Company has entered into Memorandum Of Understanding ("MOU") dated 07 May 2021 with an individual and his HUF to purchase their entire shareholding held in Marks Marine Radio Private Limited ("MMRPL") engaged in marine electronic products. As per the terms of MOU, the Company subject to valuation of shares had lend Rs 100.00 lakhs as advance.

During previous year, pending final due diligence and share valuation, the Company has recognised an interest income of Rs 12.07 lakhs on the said advance for the year ended 31 March 2023.

During current year, the Board of Directors of the Company at its meeting held on 16 October 2023 accorded its consent to acquire 49.20% of issued and paid-up equity share capital of MMRPL by way of acquiring of 2460 equity shares from its shareholders for total consideration amounting to Rs 235.18 lakhs. The transfer of shares related to the acquisition were approved by the Board of MMRPL at its meeting held on 25 October 2023. Post completion of acquisition, MMRPL has become associate of the Company w.e.f. 25 October 2023. The Group has accounted for the acquisition in accordance with Indian Accounting Standard (Ind AS) 28 - Investments in Associates and Joint Ventures.

Notes to the Consolidated Financial Statement

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

- 73** The Board of Directors of the Company on 13 February 2023 approved further investment of upto Rs 400.00 lakhs in MEL Power Systems FZC ("MEL"), a foreign subsidiary of the Company, by way of purchase of additional equity shares to be allotted to the Company by MEL. During the current quarter, 59 no. of equity shares of AED 1500 each were issued by MEL for a total consideration of Rs 399.98 lakhs (including premium) on 08 January 2024. Post allotment of these additional equity shares, the shareholding of the Company in MEL has increased from 90.00% to 93.71%.
- 74** During the year ended 31 March 2024, the Company has incorporated a subsidiary company named as Xanatech Synergies Private Limited ("XSPL") on 22 January 2024 consequent to the joint venture agreement with its foreign subsidiary, Xanatos Marine Limited and has subscribed 7,400 equity shares of XSPL of face value of Rs 10 each amounting to Rs 0.74 lakhs comprising 74% stake in XSPL.
- 75** During the year, the Company has incorporated a company named as Athmar India Private Limited ("Athmar") on 07 February 2024 and has subscribed 5,000 equity shares of Athmar of face value of Rs 10 each amounting to Rs 0.50 lakhs comprising 50% stake in Athmar. As at 31 March 2024, Athmar is yet to commence its business operations.
- 76** During the previous year, the Company became successful bidder in the e-auction dated 08 April 2022 conducted by a liquidator of the sole liquidation estate / premise of a corporate debtor under section 61 of the Insolvency and Bankruptcy Code, 2016. The Company purchased the said liquidation estate / premise vide sale certificate dated 11 May 2022. The consideration paid by the Company amounted to Rs 1,160.00 lakhs and also incurred other expenditures amounting to Rs 177.80 lakhs as on 31 March 2024. The process of e-auction was challenged by another unsuccessful bidder in National Company Law Tribunal (NCLT). The entire e-auction process was set aside by NCLT vide its order dated 02 March 2023 as not in compliance with law. The Company had filed an appeal against the order of NCLT in National Company Law Appellate Tribunal (NCLAT) on 28 March 2023. During the year, the decision of NCLT was upheld by NCLAT and Supreme Court. On 21 November 2023, the Company filed a reply in response to the liquidator's request to vacate the premises, seeking refund of the entire consideration paid and expenditure incurred if the premise is to be vacated, while the Company still aims to retain the ownership.
- Pending the final resolution and the refund of the payment, the Company continues to carry the total payments made towards the purchase of the liquidation estate/premise as a capital advance in its financial statements.
- 77** The Company had paid an advance of USD 800,000 to a supplier in China during the financial year 2017-18 for procurement of solar PV modules. This advance was carried at Rs 584.48 lakhs as at 31 March 2023. Due to non-receipt of the material from the supplier and since the supplier has filed for insolvency during the year, the Company has determined that the said advance is no longer recoverable and the entire amount of Rs 584.48 lakhs have been charged to consolidated statement of profit and loss in the current financial year ended 31 March 2024.
- 78** Eltech Engineers Madras Private Limited, a subsidiary company ("Eltech"), has negative networth of Rs 110.65 lakhs and accumulated losses of Rs 260.65 lakhs as at 31 March 2024. Additionally, its current liabilities (Rs 119.09 lakhs) exceeded its current assets (Rs 4.11 lakhs) by Rs 114.98 lakhs. These conditions indicate the existence of material uncertainty about Eltech's ability to continue as a going concern. However, the standalone financial statements of Eltech have been prepared on a going concern basis as the Company has committed to provide all financial and other support to enable Eltech to operate as a going concern. The financial statements of Eltech are not material to the Group.
- 79** In case of subsidiaries incorporated outside India i.e. STI SRL and Narhari Engineering Works, India, a partnership firm (subsidiary), accounting policy with regards to depreciation on property, plant and equipment (tangible assets) and amortisation of intangible assets is different as compared to the written down value method adopted by the Company and other subsidiary incorporated in India. The consequential financial impact of adjustments on account of depreciation / amortisation that would be required to be made in the consolidated financial statements

Notes to the Consolidated Financial Statement

for the year ended 31 March 2024

(All amounts are in INR Lakhs, unless otherwise stated)

to ensure conformity with the Group's accounting policy for depreciation / amortisation is currently not ascertainable.

80 There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company and its subsidiary incorporated in India during the year ended 31 March 2024.

81 Previous year's figures

Previous year's figures have also been regrouped / recasted, wherever necessary, to conform to the current year's presentation.
