MANAGEMENT DISCUSSIONS AND ANALYSIS REPORT

An Economic Overview

Global Economy:

Despite an improvement in near-term prospects, the global outlook remains subdued by historical standards. In 2024-25, the growth is set to underperform its 2010's average in nearly 60 percent of economies, comprising over 80 percent of the global population. Downside risks predominate, including geopolitical tensions, trade fragmentation, higher-for-longer interest rates, and climate-related disasters. Global cooperation is needed to safeguard trade, support green and digital transitions, deliver debt relief, and improve food security. In EMDEs, public investment can boost productivity and catalyze private investment, promoting long-run growth. Comprehensive fiscal reforms are essential to address ongoing fiscal challenges in small states, including those arising from heightened exposure to external shocks.

Indian Economy:

India took a big economic leap this leap year: The country ended fiscal year 2023 to 2024 with a big bang, surpassing all market estimates of GDP, with 8.15% year-over-year (YoY) growth. For three consecutive years, India's economy has exceeded growth expectations (averaging 8.3% annual growth over this period) despite global uncertainties, driven by strong domestic demand and continuous government efforts toward reforms and capital expenditure.

Optimism prevails, which shows high confidence among industry leaders in India's continued robust growth. With prevalent signs of the rural economy rebounding, strong growth in manufacturing, robust bank balance sheets and credit growth, and stronger exports in services and high-value manufacturing, there is confidence that India's underlying potential will help it outpace growth in the rest of the world.

The global economy is anticipated to rebound synchronously in 2025, as major election uncertainties are resolved, and Western central banks possibly implement rate cuts as inflation concerns subside. India is likely to experience improved capital flows, boosting private investment and exports. Inflation concerns remain, but we expect them to ease in the latter half of the next fiscal year, barring any surprises from rising oil or food prices.

Consumption spending has remained modest over the past five years despite overall strong GDP growth. The pandemic; high global and domestic inflation and consequent tightening of financial conditions; and the effects of poor agriculture output on rural demand seem to have capped private consumption growth in India. But amid all this, there is a silver lining: We notice distinct and broad-based shifts in the country's consumption patterns.

Decoding the fourth quarter of fiscal 2023 to 2024

India's GDP grew 8.15% YoY over fiscal 2023 to 2024, with a sharp growth of 7.8% in the fourth quarter of 2023, beating the government's second advanced estimate of 7.6% and Reserve Bank of India's (RBI) estimate of 7.3%. Fourth-quarter economic activities pointed to three interesting trends: improvement in private consumption, exports, and manufacturing.

Firstly, private consumption spending fared better last year than reported earlier. There were upward revisions to the third-quarter data, suggesting consumers spent more generously in the quarter of festivals and the Cricket World Cup than previously believed. Third-quarter GDP growth was revised to 8.6%, up from the earlier estimate of 8.4%, on the back of a 50-basis point upward revision of private consumption spending. That said, private consumption growth remained capped at 4.03% over fiscal 2023 to 2024, owing to modest growth in the agriculture sector and persistent inflation that weighed on rural demand.

Secondly, Indian exports surged by an impressive 8.1% YoY in the fourth quarter—the highest this fiscal year. Merchandise exports improved remarkably that quarter (even though the quarter's performance could not prevent annual merchandise export growth from contracting). Notably, high-value manufactured goods like pharmaceuticals, chemicals, engineering products, and electronics achieved record export levels this quarter, propelling overall growth in merchandise exports in the high value-added segment. This positive trend bodes well for India as it aims to strengthen its integration into the global value chain and increase its exports to US\$2 trillion over the next six years. Growth in the traditional basket of exports, however, continued to decline

And finally, 8.9% growth in manufacturing that quarter points toward sustained momentum. The index of industrial production also hinted at a strong revival in the sector.

India's near-term outlook

The robust growth in fiscal 2023 to 2024 and the continuity of the government at the center after the elections have increased confidence in the domestic economic fundamentals and buoyed India's outlook. We expect India to grow between 7.0% and 7.2% in the coming fiscal year (2024 to 2025) in our baseline scenario, followed by 6.7% and 7.3% (admittedly, a much wider range due to uncertainties around several assumptions) in the subsequent years.

Following a period of uncertainty in the first six months of the year, we believe India will see very strong growth in the second half. Some of the key contributing factors would be the continuity in domestic policy reforms, reduced uncertainties in the United States after elections, and a more synchronous global growth in a low inflation regime. Improved global liquidity conditions (as central banks in the West ease their monetary policy stance and cut policy rates) would improve capital flows and drive higher investments, especially in the private sector. A synchronous global economic recovery next year will likely help improve exports.

The growth range predicted for next year is higher, as these uncertainties can swing economic activities quite distinctly. That said, we will continue to see the difference between actual GDP and no-COVID-19 levels progressively narrowing as growth picks up pace.

Inflation concerns are likely to fade as we expect food price-driven pressures to ease in the latter half of the year. However, risks of intermittent and spatial monsoons could lead to higher food prices for more extended periods of time. Besides, stronger growth may also keep pressure on inflation as demand outpaces supply. We expect inflation to slowly revert to the RBI's target level of 4% from early next year and remain within its comfort value over the forecast period.

Independent Auditor's Report
To The Members of **Kritika Wires Limited**

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Kritika Wires Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a material of material accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2024 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there is no key audit matter to communicate in our report.

Information Other than the financial statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Board's Report (but does not include the financial statements and our auditor's report thereon). The Board's Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

Independent Auditor's Report (Contd.)
To The Members of **Kritika Wires Limited**

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Board's Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibilities for the Financial Statements:

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Independent Auditor's Report (Contd.)
To The Members of **Kritika Wires Limited**

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine that there is no key audit matter to communicate in our report.

Independent Auditor's Report (Contd.)
To The Members of **Kritika Wires Limited**

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in the paragraph 3 and 4 of the order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph 2 (h) (vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - (c) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (d) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - (e) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - (f) The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2(b) above on reporting under Section 143(3)(b) of the Act and paragraph 3(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - (g) On the basis of the written representations received from the Directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (h) The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2A(b) above on reporting under Section 143(3)(b) of the Act and paragraph 2(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - (i) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
3. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;

Independent Auditor's Report (Contd.)
To The Members of **Kritika Wires Limited**

- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year.
- vi. Based on our examination which included test checks and as per information and explanation provided to us, the Company has used accounting software for maintaining its books of account for the financial year ended 31st March, 2024 which have a feature of recording audit trail (edit log) facility and the same has enabled throughout the year for all relevant transactions so recorded in the relevant software except that the feature of recording audit trail (edit log) facility was not enabled for the period 1st April, 2023 to 11th April, 2023.

Further, for the period where audit trail (edit log) facility was enabled was operative throughout the year thereafter and during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

Independent Auditor's Report (Contd.)
To The Members of **Kritika Wires Limited**

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from 1st April, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended 31st March, 2024.

4. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the company to its directors during the year is in accordance with the provisions of section 197 of the Act.

Independent Auditor's Report (Contd.)
To The Members of **Kritika Wires Limited**

"Annexure A" to the Independent Auditor's Report

Statement referred to in paragraph 1 under 'Report on 'Other Legal and Regulatory Requirements' of our report of even date to the members of **Kritika Wires Limited** on the financial statements for the year ended 31st March, 2024:

- i. (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of its Property, Plant and Equipment.

(B) The Company does not have any Intangible Asset.
- (b) The Property, Plant and Equipment have been physically verified by the management during the year. Based on our review, no material discrepancies were noticed in respect of Property, Plant and Equipment physically verified during the year and the periodicity of such physical verification is reasonable having regard to the size of the Company and nature of its assets.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the company, the title deeds of immovable properties (other than cases where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the company.
- (d) The Company has not revalued any of its Property, Plant and Equipment during the year.
- (e) No proceedings have been initiated during the year or are pending against the Company as at 31st March, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii. (a) The management has conducted physical verification of inventory at reasonable intervals and in our opinion, the coverage and procedure of such verification by the management is appropriate. Based on our review, no discrepancies have been noticed on physical verification of the inventory as compared to book records.

(b) The company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks on the basis of security of current assets and the quarterly returns or statements filed by the company with such banks are in agreement with the books of account of the Company. The Company has not been sanctioned any working capital limit from financial institution.
- iii. In our opinion and according to the information and explanations given to us and based on our examination of records, the Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the provisions of clause (iii) (a) to (f) of paragraph 3 of the Order are not applicable to the Company.

Independent Auditor's Report (Contd.)
To The Members of **Kritika Wires Limited**

"Annexure A" to the Independent Auditor's Report (Contd.)

- iv. According to the information and explanations given to us and as per records examined by us, in our opinion and according to the information and explanations given to us, there are no loans, guarantees and securities granted or investment made in respect of which provisions of Section 185 and 186 of the Act are applicable. Therefore, reporting under clause (iv) of paragraph 3 of the Order are not applicable to the Company.
- v. The Company has not accepted any deposit within the meaning of section 73 to 76 or any other relevant provisions of the Act and the rules framed there under. The directives issued by the Reserve Bank of India are not applicable to the Company. Therefore, reporting under paragraph 3(v) of the said order are not applicable to the Company.
- vi. We have broadly reviewed the books of account maintained by the Company in respect of products where pursuant to the rules made by the Central Government, the maintenance of cost records has been prescribed under section 148(1) of the Act and are of the opinion that prime facie, the prescribed accounts and records have been made and maintained. We, however, as not required, have not made a detailed examination of such records.
- vii. (a) According to information and explanations given to us and on the basis of our examination of the books of account, and records, the company is regular in depositing undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at 31st March, 2024 for a period of more than six months from the date they became payable.

(b) According to the information and explanation given to us and as per records examined by us, there are no statutory dues referred to in sub clause (a) above which are outstanding on account of any dispute.
- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix. (a) The company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.

(b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.

(c) In our opinion and according to the information and explanations given to us, the company has utilized the money obtained by way of term loans during the previous year for the purposes for which they were obtained.

(d) On an overall examination of the financial statements of the Company, funds raised on short term basis have, prima facie, not been used during the year for long-term purposes by the Company.

Independent Auditor's Report (Contd.)
To The Members of **Kritika Wires Limited**

"Annexure A" to the Independent Auditor's Report (Contd.)

- (e) The Company has no subsidiary, associate or joint venture. Hence, reporting under clause (ix)(e) and (f) of paragraph 3 of the Order are not applicable to the Company.
- x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of paragraph 3 of the Order is not applicable to the company.
- (b) The company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year and hence reporting under clause (x)(b) of paragraph 3 of the Order is not applicable to the Company.
- xi. (a) According to the information and explanations give to us and based on our examination of the records of the Company, no fraud by the Company and on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) According to the information and explanations given to us and based on the examination of the records of the Company as provided to us, the Company has not received any whistle blower complaint during the year.
- xii. The Company is not a nidhi company. Therefore, clause (xii) of paragraph 3 of the Order is not applicable to the Company.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the Financial Statements as required by the applicable Indian Accounting Standards.
- xiv. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with them. Accordingly, provisions of section 192 of the Act are not applicable to the Company.

- xvi. (a) According to information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause (xvi) (a) to (c) of paragraph 3 of the Order are not applicable to the Company.
- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause (xvi)(d) of paragraph 3 of the Order is not applicable to the Company.
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. (a) There are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause (xx)(a) of paragraph 3 of the Order is not applicable for the year.
- (b) There are no ongoing projects under CSR requiring a transfer to a Special account within a period of 30 days from the end of the said financial year in compliance with the provision of section 135(6) of the Act. Accordingly, reporting under clause (xx)(b) of paragraph 3 of the Order is not applicable for the year.

"Annexure B" to the Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Kritika Wires Limited** ("the Company") as of 31st March, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Independent Auditor's Report (Contd.)
To The Members of **Kritika Wires Limited**

"Annexure B" to the Independent Auditor's Report (Contd.)

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Notes forming part of financial statements

Note No. 1: Corporate information and Material Accounting Policies

1.1 Corporate information

Kritika Wires Limited (“the Company”) an existing Company, under the Companies Act, 2013 having Corporate Identity Number (“CIN”) L27102WB2004PLC098699 is a public limited company incorporated and domiciled in India and has its registered office situated at 1A, Bonfield Lane, Mezanine Floor, Kolkata - 700001, West Bengal, India.

The principal activity of the Company is manufacturing, exporting and supplying a wide range of Industrial Steel Wire and Galvanized Wire.

The Company’s shares are listed on National Stock Exchange of India Limited (NSE).

The financial statements for the year ended 31st March, 2024 were approved for issue by the Board of Directors of the Company on 28th May, 2024 and are subject to the approval by the shareholders in the ensuing Annual General Meeting.

1.2 Material accounting policies

1.2.1 Statement of Compliance with Ind AS

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013. The financial statements have also been prepared in accordance with the relevant presentation requirements of the Schedule III to the Companies Act, 2013.

All the Ind ASs issued and notified by the Ministry of Corporate Affairs under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) till the financial statements approved for issue by the Board of Directors have been considered in preparing these financial statements.

Accounting policies have been consistently applied except where a newly issued Indian Accounting Standard is initially adopted or a revision to an existing Indian Accounting Standard requires a change in the accounting policy hitherto in use.

1.2.1 Basis of preparation

These financial statements have been prepared in accordance with Ind AS under the historical cost basis except for the following:

- i) Certain financial assets and financial liabilities (including derivative instruments) - measured at fair value, and
- ii) Defined benefits plan - plan assets measured at fair value.

Historical cost is generally based on the fair value of the consideration in exchange for goods and services.

Accounting policies have been consistently applied except where a newly issued Ind AS is initially adopted or a revision to an existing Ind AS requires a change in the accounting policy hitherto in use.

All the assets and liabilities have been classified as current or non-current as per Company's normal operating cycle and other criteria set out in Schedule III to the Act. The operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. Company has ascertained its operating cycle as 12 months for current and non-current classification of assets and liabilities.

The items included in the financial statements (including notes thereon) are measured using the currency of the primary economic environment in which Company operates ("the functional currency") and are, therefore, presented in Indian Rupees ("INR" or "Rupees" or "Rs."). All amounts disclosed in the financial statements including notes thereon have been rounded off to the nearest Lakh upto two decimals thereof, as per the requirement of Schedule III to the Act, unless stated otherwise.

1.2.2 Use of Estimates

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of the accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, they are recognised in the period of the revision and future periods if the revision affects both current and future periods.

1.2.3 Revenue recognition

Contract with a customer is accounted for only when it has commercial substance and all of the following criteria are met:

- (i) Parties to the contract have approved the contract and are committed to performing their respective obligations;

- (ii) Each party's rights regarding the goods or services to be transferred and payment terms there against can be identified;

(iii) Consideration in exchange for the goods or service to be transferred is collectible and determinable.

Notes forming part of financial statements (contd.)

Note No. 1: Corporate information and Significant Accounting Policies (contd.)

Revenue From Operations

Revenue is recognized to the extent it is probable that economic benefits would flow to the Company and the revenue can be reliably measured, regardless of when the revenue proceeds is received from customers.

Revenue is measured at fair value of the consideration received/receivable taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the Government.

Revenue is measured based on the transaction price adjusted for discounts and rebates and excludes amounts collected on behalf of third parties.

Revenue from sale of goods is recognised at point in time when control is transferred to the customer and it is probable that consideration will be collected. Control of goods is transferred upon the shipment of the goods to the customer or when goods is made available to the customer.

The transaction price is documented on the sales invoice or contract and payment is generally due as per agreed credit terms with customer.

The consideration is generally fixed. Variable consideration, if any is recognised when it is highly probable that a significant reversal will not occur.

(b) Other income

(i) Interest income

For all debt instruments measured at amortised cost, interest income is recognised using the Effective Interest Rate ("EIR"). Interest income is included in "Other Income" in the statement of profit and loss.

(ii) Dividend income

Dividend income is recognised when Company's right to receive the dividend is established i.e. in case of interim dividend, on the date of declaration by the Board of Directors; whereas in case of final dividend, on the date of approval by the shareholders.

(iii) Insurance claims

Insurance claims are accounted for based on claims admitted/expected to be admitted and to the extent that there is no uncertainty in receiving the claims.

All other income are accounted for on accrual basis.

1.2.4 Property, plant and equipment (PPE) and Capital work-in-progress

a) Property, plant and equipment are measured at cost, less accumulated depreciation and impairment, if any.

For this purpose, cost includes deemed cost on the date of transition or the purchase cost of assets, including non-recoverable duties and taxes, and any directly attributable costs of bringing an asset to the location and condition of its intended use. Interest on borrowings used to finance the construction of qualifying assets is capitalized as part of the cost of the asset until such time that the asset is ready for its intended use.

Costs incurred subsequent to initial capitalization are included in the asset's carrying amount only when it is probable that future economic benefits associated therewith will flow to the Company and it can be measured reliably.

The carrying amount of the replaced part is derecognized. The costs of regular servicing of property, plant and equipment are recognized in the statement of profit and loss as and when incurred.

The present value of the expected cost for the decommissioning of an asset after its use, if any, is included in the cost of the respective asset if the recognition criteria for provisions are met.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate components; otherwise, these are added to and depreciated over the useful life of the main asset.

The cost and related accumulated depreciation are eliminated from the financial statements upon sale or when no future economic benefits are expected to arise from the use of the asset and the resultant gains or losses are recognized in the statement of profit and loss.

b) Depreciation methods, estimated useful lives and residual value

Freehold land is not depreciated.

Depreciation on items of property, plant and equipment commences when the assets are available for their intended use. It is provided on a written down value (WDV) basis to allocate their cost, net of their residual value over the estimated useful life of the respective asset.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis. The Company has adopted the useful life as specified in Schedule II to the Act, except where specified.

The estimated useful lives are as follows:

Category	Useful life
Buildings	3 - 60 years
Plant and equipment*	5 - 25 years
Furniture and fixtures	10 years
Vehicles	5- 10 years
Computers	3 - 6 years

*For these class of assets, based on internal assessment and independent technical evaluation carried out by chartered engineers, the Company believes that the useful lives as given above best represents the period over which the Company expects to use these assets. Hence the useful lives for these assets are different from the useful lives as prescribed under Part C of Schedule II of the Companies Act, 2013.

The residual value of an item of PPE is not more than 5% of the original cost of the respective asset.

Expenditure during the construction period

Directly attributable expenditure (including finance costs relating to borrowed funds for construction or acquisition of property, plant and equipment) incurred on projects under implementation are treated as Pre-operative expenses pending allocation to the assets and are shown under Capital work-in-progress. Capital work-in-progress is stated at the amount incurred up to the balance sheet date on assets or property, plant and equipment that are not yet ready for their intended use.

1.2.5 Financial instruments, Financial assets, Financial liabilities and Equity Instruments

Financial assets and financial liabilities are recognized in the Balance sheet when the Company becomes a party to the contractual provisions of the instrument. The Company determines the classification of its financial assets and financial liabilities at initial recognition based on its nature and characteristics.

Initial Measurement of Financial Instruments:

Financial assets and financial liabilities are initially measured at fair value except for trade receivables. Trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient are measured at the transaction price

determined under Ind AS 115. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the statement of profit and loss.

Subsequent Measurement:

(i) Financial assets

Financial Assets carried at Amortised Cost (AC):

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial Assets at Fair Value through Other Comprehensive Income (FVTOCI):

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Investment in equity instruments that are not held for trading are measured at FVTOCI, where an irrevocable election has been made by management on an instrument-by-instrument basis. These investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the reserves. The cumulative gain or loss is not reclassified to the statement of profit and loss on disposal of the investments. Dividends on such investments are recognised in the statement of profit and loss unless the dividend clearly represents a recovery of part of the cost of the investment.

Debt investments measured at FVTOCI are subsequently measured at fair value. Interest income under effective interest method, foreign exchange gains and losses and impairment are recognised in the statement of profit and loss. Other net gains and losses are recognised in Other Comprehensive Income (OCI). On de-recognition, gains and losses accumulated in OCI are reclassified to the statement of profit and loss.

Financial Assets at Fair Value through Profit or Loss (FVTPL):

A financial asset which is not classified in any of the above categories are measured at FVTPL. A financial asset that meets the amortised cost criteria or debt instruments that meet the FVTOCI criteria may be designated as at FVTPL upon initial recognition if such

designation eliminates or significantly reduces a measurement or recognition inconsistency that would arise from measuring assets or liabilities or recognising the gains and losses on them on different bases. The Company has not designated any debt instrument as at FVTPL.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognised in the statement of profit and loss.

Impairment of Financial Assets:

Loss allowance for expected credit losses is recognised for financial assets measured at amortised cost and FVTOCI at each reporting date based on evidence or information that is available without undue cost or effort.

The Company measures the loss allowance for a financial asset at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial asset has not increased significantly since initial recognition, the Company measures the loss allowance for that financial asset at an amount equal to 12-month expected credit losses.

In case of debt instruments measured at FVTOCI, the loss allowance shall be recognised in other comprehensive income with a corresponding effect to the profit or loss and not reduced from the carrying amount of the financial asset in the balance sheet. In case of such instrument, amount recognized in the statement of profit and loss are the same as the amount would have been recognized in case the debt instrument is measured at amortised cost.

No Expected credit losses is recognised on equity investments.

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115, the Company measures the loss allowance at an amount equal to lifetime expected credit losses taking into account historical credit loss experience and adjusted for forward-looking information.

Derecognition of Financial Assets:

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset accounted under Ind AS 109 in its entirety:

- a) for financial assets measured at amortised cost, the gain or loss is recognized in the statement of profit and loss.
- b) for financial assets measured at fair value through other comprehensive income, the cumulative fair value adjustments previously taken to reserves are reclassified to the Statement of Profit and Loss unless the asset represents an equity investment in which case the cumulative fair value adjustments previously taken to reserves is reclassified within equity.

**(ii) Financial Liabilities and Equity Instruments:
Classification as debt or equity:**

Financial liabilities and equity instruments issued are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity Instruments

An Equity Instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in the statement of profit and loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Financial Liabilities

Financial liabilities are initially measured at fair value, net of transaction costs, and are subsequently measured at amortised cost using the effective interest rate method.

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Derecognition of financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the statement of profit and loss.

Off-setting of financial instruments

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously backed by past practice.

Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a) In the principal market for the asset or liability, or
- b) In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are as follows:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2 - Other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 - Unobservable inputs for the asset or liability.

Expected Credit Loss

Expected credit loss (ECL) is the probability-weighted estimate of credit losses (i.e., the present value of all cash shortfalls) over the expected life of the financial instrument. A cash shortfall is the difference between scheduled or contractual cash flows and actual expected cash flows. Consequently, ECL subsumes both the amount and timing of payments – a credit loss would arise even when a receivable was realised in full but later than when contractually due.

1.2.6. Inventories

Inventories are measured at the lower of cost and net realizable value. Inventory of scrap is valued at estimated realizable value. The cost of inventories is determined using the weighted average cost method. Cost includes direct materials, labour, other direct cost and manufacturing overheads. Inventories of finished goods also includes applicable taxes. Net realisable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs necessary to make the sale.

1.2.7 Borrowing costs

Borrowing costs, general or specific, that are directly attributable to the acquisition or construction of a qualifying asset are capitalised as part of the cost of such asset till such time that is required to complete and prepare the asset to get ready for its intended use. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use. Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Borrowing costs also include exchange differences to the extent regarded as an adjustment to the borrowing costs.

All other borrowing costs are charged to the statement of profit and loss in the period in which they are incurred.

1.2.8 Expenses

All expenses are accounted for on accrual basis.

Expenses under primary heads such as salary, wages, consumption of stores etc., are being shown under respective heads and have not been functionally reclassified.

1.2.9 Provisions, contingent liabilities and contingent assets

- (a) A provision is recognised if, as a result of a past event, Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are not recognised for future operating losses.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation as at the balance sheet date, taking into account the risks and uncertainties surrounding the obligation.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as an asset. The expense relating to the provision is presented in the statement of profit and loss, net of any reimbursement.

- (b) Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.
- (c) A contingent asset is not recognised in the financial statements, however, it is disclosed, where an inflow of economic benefits is probable.
- (d) Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

1.2.10 Foreign currency transactions and translations

Transactions in foreign currencies are initially recorded at the exchange rate prevailing on the date the transaction first qualifies for recognition.

Monetary assets and liabilities related to foreign currency transactions remaining outstanding on the balance sheet date are translated at the exchange rate prevailing on the balance sheet date. Any income or expense arising on account of foreign exchange difference either on settlement or on translation is recognised in the statement of profit and loss.

Non-monetary items which are carried at historical cost denominated in a foreign currency are translated using the exchange rate at the date of the initial transaction.

1.2.11 Employee benefits

(a) Short-term employee benefits

Short-term employee benefits in respect of salaries and wages, including non-monetary benefits, are recognised as an expense at the undiscounted amount in the statement of profit and loss in the year in which the related service is rendered.

(b) Defined contribution plans

The Company pays provident and other fund contributions to publicly administered fund as per related Government regulations. The Company has no further obligation, other than the contributions payable to the respective funds. The Company recognizes contribution payable to such funds as an expense when an employee renders the related service.

(c) Defined benefit plans

The Company operates a defined benefit gratuity plan.

The liability or asset recognised in the balance sheet in respect of gratuity is the present value of the defined benefit obligation as at the balance sheet date less the fair value of plan assets. The defined benefit obligation is calculated by external actuaries using the projected unit credit method.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised directly in other comprehensive income in the period in which they occur and are included in retained earnings in the statement of changes in equity and in the balance sheet.

1.2.12 Government Grants

Government grants are recognised when there is reasonable assurance that the grant would be received and the Company would comply with all the conditions attached to them.

Government grants related to property, plant and equipment, including non-monetary grants, are presented in the balance sheet by deducting the grant in arriving at the carrying amount of the asset.

Government grants of revenue in nature are recognised on a systematic basis in the statement of profit and loss over the period necessary to match them with the related costs and are adjusted with the related expenditure. If not related to a specific

expenditure, it is considered as income and included under “Other Operating Revenue” or “Other Income”.

The benefit of a government loan at a below-market rate of interest or loan with interest subvention and effect of this favourable interest is treated as a government grant. The loan or assistance is initially recognised at fair value and the government grant is measured as the difference between proceeds received and the fair value of the loan based on prevailing market interest rates and recognised on a systematic basis in the statement of profit and loss. The loan is subsequently measured as per the accounting policy applicable to financial liabilities.

1.2.13. Impairment of Non financial Assets

An impairment loss is recognised for the amount by which the carrying amount of the asset exceeds its recoverable amount. The recoverable amount is the higher of an asset’s fair value less costs to sell and value in use.

To assess impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash-generating units).

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

If at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the impairment loss previously recognised is reversed so that the asset is recognised at its recoverable amount but not exceeding the value which would have been reported in this respect if the impairment loss had not been recognised.

1.2.14 Taxes

Income tax expense comprises current tax and deferred tax and is recognised in the statement of profit and loss except to the extent it relates to items directly recognised in Equity or other comprehensive income (OCI).

a) Current income tax

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities using the tax rates and tax laws that are enacted or substantively enacted by the balance sheet date and applicable for the period.

Current tax items in correlation to the underlying transaction relating to OCI and Equity are recognised in OCI and Equity respectively.

Management periodically evaluates positions taken in the tax returns to situations in which applicable tax regulations are subject to interpretation and full provisions are made where appropriate based on the amount expected to be paid to the tax authorities.

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis or to realize the assets and settle the liabilities simultaneously.

b) Deferred income tax

Deferred income tax assets and liabilities are recognised for the deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in the standalone financial statements.

Deferred tax assets are recognised for deductible temporary differences, the carry forward of unused tax credits and any unused tax losses to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that the same will be reversed or sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilised.

Deferred tax assets and liabilities are measured at the tax rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability.

Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably, and it is probable that the future economic benefit associated with asset will be realised.

1.2.15 Earnings per Share

- a) Basic earnings per share are computed by dividing the net profit/(loss) after tax by the weighted average number of equity shares outstanding during the year.
- b) Diluted earnings per share are computed by dividing the net profit/(loss) after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could be issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are determined at the end of each period presented.

The number of equity shares and potential dilutive equity shares are adjusted retrospectively for all periods presented for any share split and bonus shares issues including for changes effected before the approval of the standalone financial statements by the Board of Directors.

1.2.16 Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash on hand, cheques on hand, balance with banks, and short term liquid investments with an original maturity of three months or less and which carry an insignificant risk of changes in value.

For the purpose of the Cash Flow Statement, Cash and cash equivalents consist of Cash and cash equivalents, as defined above and net of outstanding book overdrafts as they are considered an integral part of the Company's cash management.

1.2.17 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/loss before tax is adjusted for the effects of transactions of a noncash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing flows. The cash flows from operating, investing and financing activities of the Company are segregated.

1.2.18 Critical accounting judgements and key sources of estimation uncertainty

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of the accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Actual results could differ from

those estimates. The estimates and underlying assumptions are reviewed on an on-going basis.

Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period; they are recognised in the period of the revision and future periods if the revision affects both current and future periods.

(a) Judgements in applying accounting policies

The judgements, apart from those involving estimations (see note below), that the Company has made in the process of applying its accounting policies and that have a significant effect on the amounts recognised in these financial statements pertain to useful life of intangible assets.

(b) Key sources of estimation uncertainty

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

(i) Useful lives of property, plant and equipment

As described in the significant accounting policies, the Company reviews the estimated useful lives of property, plant and equipment and intangible assets at the end of each reporting period.

(ii) Fair value measurements and valuation processes

Some of the Company's assets are measured at fair value for financial reporting purposes. Fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety.

Information about the valuation techniques and inputs used in determining the fair value of various assets and liabilities are disclosed in the notes to the financial statements.

(iii) Actuarial Valuation

The determination of Company's liability towards defined benefit obligation to employees is made through independent actuarial valuation including determination of amounts to be recognised in the Statement of Profit and Loss and in other comprehensive income. Such valuation depends upon assumptions determined after taking into account inflation, seniority, promotion and other relevant factors such as supply and demand factors in the employment market. Information about such valuation is provided in notes to the financial statements.

(iv) Provisions and Contingent Liabilities

Any litigation where amount of flow of funds is believed to be probable and are liable estimate of the outcome of the dispute can be made based on

management's assessment of specific circumstances of each dispute and relevant external advice, management provides for its best estimate of the liability. Such accruals are by nature complex and can take number of years to resolve and can involve estimation uncertainty. Information about such litigations is provided in notes to the financial statements.

(v) Impairment of Financial Assets

The Company assesses impairment based on expected credit losses (ECL) model on trade receivables. The Company uses a provision matrix to determine impairment loss allowance on the portfolio of trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable. At every reporting date, the historically observed default rates are updated.

1.2.19 Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended 31st March, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

B. Fair value hierarchy

The fair value of the financial assets and financial liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

Fair value of cash and cash equivalents, trade receivables, other current financial assets, borrowings and other current financial liabilities is considered to be equal to the carrying amounts of these items due to their short-term nature.

Where such items are Non-current in nature, the same has been classified as Level 3 and fair value determined using adjusted net asset value method. Similarly, unquoted equity instruments where most recent information to measure fair value is insufficient, or if there is a wide range of possible fair value measurements, cost has been considered as the best estimate of fair value.

The fair value of investment in mutual funds has been determined based on quotes from mutual funds/ Asset management companies during the year.

The Company has not classified any financial instruments under Level 3 of the fair value hierarchy. There were no transfers between Level 1 and Level 2.

The following tables provide the fair value hierarchy of the Company's assets measured at fair value on a recurring basis:

(i) Financial assets measured at fair value on a recurring basis as at 31st March, 2024:

33.5 Financial risk management objectives and policies

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's

(a) Credit risk

Credit risk is the risk that a counterparty will not meet its obligations under financial instrument or a customer contract leading to a financial loss. The Company's exposure to credit risk from its operating activities is primarily trade receivable and security deposit. Credit risk from balances with bank and other financial instrument is managed in accordance with Company's policies. Surplus funds are parked only in approved investment categories with well defined limits. Investment category is periodically reviewed by the Board of Directors of the Company.

Credit risk arising from short term liquid funds, and other cash equivalents is limited and no collaterals are held against these because the counterparties are banks and recognised financial institutions with high credit ratings assigned by credit rating agencies.

Other financial assets measured at amortized cost includes loans to employees, security deposits and others. Credit risk related to these financial assets are managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system is in place to ensure that the amounts are within defined limits.

Customer credit risk is managed as per Company's established policy, procedure and control related to credit risk management. Credit quality of the a customer is assessed based on his previous track record and individual credit limit are defined according to this assessment. Outstanding customer receivables are regularly monitored. Assets are written off when there is no reasonable expectation of recovery. The Company continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognized in statement of profit and loss.

The ageing analysis of the receivables are given note no. 7.

(ii) The change in the loss allowances measured using life time expected credit loss model is here in below:

Charge in Statement of Profit and Loss	27.79	-
Write back in Statement of Profit and Loss	-	-
Balance as at the end of the year	40.55	12.77

(iii) Balances with banks

Credit risk from balances with banks is managed in accordance with the Company's policy.

The Company's maximum exposure to credit risk for the components of the balance sheet as at 31st March, 2024 and 31st March, 2023 is the carrying amounts as stated under note no. 8 (a) & (b).

(b) Liquidity risk

Liquidity risk is defined as the risk that the company will not be able to settle or meet its obligation on time or at reasonable price. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains flexibility in funding by maintaining availability under committed facilities. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates.

The tables below summarises the Company's financial liabilities into relevant maturity groupings based on their contractual maturities.

iii) Risks related to defined benefit plans:

Valuations are performed on certain basic set of pre-determined assumptions and other regulatory framework which may vary overtime. Thus, the Company is exposed to various risks in providing the above gratuity benefit which are as follows:

- i) **Interest Rate risk** : The plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability (as shown in financial statements).
 - ii) **Liquidity Risk** : This is the risk that the Company is not able to meet the short-term gratuity payouts. This may arise due to non-availability of enough cash / cash equivalent to meet the liabilities or holding of illiquid assets not being sold in time.
 - iii) **Salary Escalation Risk** : The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.
 - iv) **Demographic Risk** : The Company has used certain mortality and attrition assumptions in valuation of the liability. The Company is exposed to the risk of actual experience turning out to be worse compared to the assumption.
 - v) **Regulatory Risk** : Gratuity benefit is paid in accordance with the requirements of the Payment of Gratuity Act , 1972(as amended from time to time). There is a risk of change in regulations requiring higher gratuity payouts (e.g. Increase in the maximum limit on gratuity of Rs. 20.00 lakh).
- i) The following are the assumptions used to determine the benefit obligation
- a) **Discount rate**: The discount rate indicated above reflects the estimated timing and currency of benefit payments. It is based on the yields / rates available on applicable bonds as on the
 - b) **Rate of escalation in salary** : The salary growth rate indicated above is the Company's best estimate of an increase in salary of the employees in future years, determined considering the
 - c) **Attrition rate** : Attrition rate indicated above represents the Company's best estimate of employee turnover in future (other than on account of retirement, death or disablement) determined
- ii) The Gratuity and Provident Fund expenses have been recognised under " Contribution to Provident and Other Funds" under " Salaries and Wages" under Note No. 26.

During this period, members of the Company holding shares as on the cut-off date of Monday, 23rd September, 2024, may cast their vote by remote e-voting. The remote e-voting module shall be disabled by Link Intime India Private Limited for voting thereafter. Once the vote on a resolution is cast by the member, the member shall not be allowed to change it subsequently.
18. The voting rights of shareholders shall be in proportion to their shares in the paid up equity share capital of the Company as on the cut-off date, being 23rd September, 2024. Any person, who ceases to be the Member of the Company as on the cut-off date and is in receipt of this Notice, shall treat this Notice for information purpose only.
19. Any person who become member of the Company subsequent to the dispatch of the Notice of AGM and holds the shares as on the cut-off date i.e., 23rd September, 2024 may obtain the Login ID and Password by sending a request to the Company/RTA.
20. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice.

INSTRUCTIONS FOR SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- i. The voting period begins on Friday, 27th September, 2024 (9:00 am) and ends on Sunday, 29th September, 2024 (5:00 pm). During this period, shareholders of the Company holding shares, as on the cut-off date i.e., Monday, 23rd September, 2024 may cast their vote electronically.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 9th December, 2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

LOGIN METHOD FOR INDIVIDUAL SHAREHOLDERS HOLDING SECURITIES IN DEMAT MODE IS GIVEN BELOW:
