CORPORATE INFORMATION

Our Company was originally incorporated as – Aakash Exploration Services Private Limited on January 17, 2007 under the Companies Act, 1956 vide certificate of incorporation issued by the Registrar of Companies, Gujarat, Dadra and Nagar Haveli. Our company was converted into a Joint Stock Company from the Partnership firm M/s. Aakash Roadlines. M/s. Aakash Roadlines was formed on 30/05/2006 with the aim of carrying on the business of transportation hire, technical services and common carries. Our Company was subsequently converted in to a public company and consequently name was changed to – Aakash Exploration Services Limited (AESL) vide fresh certificate of incorporation dated November 8, 2017 issued by Registrar of Companies, Ahmedabad, Gujarat. The CIN of the Company is L23209GJ2007PLC049792.

Established in 2007, Aakash Exploration Services Limited is a company providing services for Oil and Gas Exploration with a fundamental vision of being a leader in providing services to Oil and Gas Field while achieving international standard of excellence.

OUR MANAGEMENT

THREE PILLARS OF THE COMPANY

Mr. Vipul Haria

Mr. Vipul Haria, aged 55 years, is the Chairman and Managing Director of Aakash Exploration Services Limited. He is a Commerce graduate from Gujarat University (Class of 1992). After completing his B. Com, he joined the family business, M/s. Aakash Roadlines, in 1997. With over 24 years of experience in the oilfield services industry, Mr. Haria has played a pivotal role in the growth and transformation of the business.

In 2007, leveraging his strong technical acumen and leadership skills, he was instrumental in converting Aakash Roadlines into Aakash Exploration Services Private Limited. As the backbone of the company, he is actively involved in project infrastructure planning, team building, business development, and project execution. Under his guidance, the company has grown significantly, offering comprehensive solutions in oil recovery enhancement and consistently meeting the diverse needs of its clients.

Mr. Hemang Haria

Mr. Hemang Navin Haria, aged 53 years, is the Chief Financial Officer and Whole-Time Director of Aakash Exploration Services Limited. He is a Commerce graduate from Gujarat University (Class of 1993) and brings over 22 years of entrepreneurial experience in the oil and gas industry.

Mr. Haria plays a vital role in driving the company's vision and growth, with a strong focus on sustainability, strategic planning, and financial management. His expertise lies in effective coordination, implementation, budgeting, and statutory compliance. With a clear vision to establish Aakash Exploration Services as a leading oilfield services provider in India, he has consistently worked towards aligning business goals with public and industry needs.

It was under his foresight and strategic leadership that Aakash Roadlines was transformed into Aakash Exploration Services Private Limited in 2007. His contributions have enabled the company to become self-reliant and achieve steady growth year after year.

Mr. Krunal Haria

Mr. Krunal Pravin Haria, aged 43 years, is a Whole-Time Director of Aakash Exploration Services Limited. He holds a Commerce degree from Mumbai University, graduating in 2003. Immediately after completing his education, he joined Aakash Roadlines, gaining hands-on experience in the field.

With over 18 years of extensive experience in machinery maintenance and field operations, Mr. Haria plays a crucial role in ensuring the timely and efficient execution of projects. His in-depth knowledge of equipment and operational logistics has significantly contributed to the company's ability to meet project deadlines and client expectations.

His technical expertise and operational leadership have been instrumental in establishing Aakash Exploration Services Limited as a prominent and reliable service provider in the Indian oilfield sector.

Acid Pumping Unit

DIRECTORS REPORT

Dear Members,

Your directors have pleasure in presenting the **19th Annual Report** of your Company together with the Audited Statements of Accounts for the financial year ended 31st March, 2025.

1. FINANCIAL HIGHLIGHTS:

The financial performance of the Company for the year ended 31st March, 2025 is summarized below:

(Rs. In Lakhs)

Particulars	Standalone	
	Year ending on 31 st March, 2025	Year ending on 31 st March, 2024
Revenue from Operations	9818.89	9223.26
Other Income	159.40	59.11
Total Income	9978.29	9282.37
Depreciation	717.46	755.28
Total Expenses	9722.67	8444.69
Profit / (Loss) before tax	255.62	837.68
Exceptional Item	0	0
Current Tax	23.50	176.00
Deferred Tax Assets/Liability	48.03	41.32
Profit/ (Loss) after Tax	184.08	620.36
Other Comprehensive Income	-0.40	1.75
Total Comprehensive Income	183.68	622.11

2. OVERVIEW OF COMPANY'S FINANCIAL PERFORMANCE:

Your directors are pleased to inform that the Company has earned a Total Income of INR 9,978.29 Lakhs during the financial year ended March 31, 2025, as compared to INR 9,282.37 Lakhs in the previous financial year. The Profit for the year stood at INR 184.08 Lakhs as against INR 622.11 Lakhs in the previous year.

The decline in profit is primarily attributable to an increase in operating expenses and tax outflows during the year."

3. DIVIDEND:

No dividend is being recommended by the Directors for the year ending on 31st March, 2025 as the Board of Directors wants to plough back the profit in the business.

4. TRANSFER TO RESERVES

During the year under review, the company do not propose to transfer any sum to reserve, except for profit or loss earned during the year, which has been transferred to surpluses account.

5. TRANSFER OF UNCLAIMED DIVIDEND TO INVESTOR EDUCATION AND PROTECTION FUND

Company has not declared and paid any divided during the previous years, the provisions of Section 125(2) of the Companies Act, 2013 are not applicable.

6. CHANGE IN THE NATURE OF THE BUSINESS:

During the year, there is no change in the nature of the business of the Company.

7. CHANGE IN THE SHARE CAPITAL OF THE COMPANY:

Nomination and Remuneration Policy

INTRODUCTION

In pursuance to the Company’s policy to consider human resources as its invaluable assets, to pay equitable remuneration to all Directors, key managerial personnel and employees of the Company, to harmonize the aspirations of human resources consistent with the goals of the company and in terms of the provisions of the Companies Act, 2013, this policy on Nomination and Remuneration of directors, Key Managerial Personnel (KMP) and Senior Management has been formulated by the Nomination and Remuneration Committee (NRC”) and approved by the Board of Directors of the Company.

CONSTITUTION OF COMMITTEE

The Board of Directors of the Company has constituted the “Nomination and Remuneration Committee” consisting of following members in accordance with the provisions of Section 178 of the Companies Act, 2013.

Name of the Director	Designation in the Committee	Nature of Directorship
Piyush Vasanji Savla	Chairman	Non-Executive -Independent Director
Ami Nirav Shah	Member	Non Executive-Independent Director
Divyang Rameshchandra Patel	Member	Non Executive-Independent Director

OBJECTIVE

The key objectives of the Committee would be:

- To guide the Board in relation to appointment and removal of Directors, Key Managerial Personnel and Senior Management.
- Formulate the criteria for determining qualifications, positive attributes, independence of a Director and policy relating to remuneration for Directors, Key Managerial Personnel and other employees.
- To recommend to the Board on Remuneration payable to the Directors, Key Managerial Personnel and Senior Management
- To evaluate the performance of the members of the Board and provide necessary report to the Board for further evaluation of the Board.
- To retain, motivate and promote talent and to ensure long term sustainability of talented managerial persons and create competitive advantage
- To provide to Key Managerial Personnel and Senior Management reward linked directly to their effort, performance, dedication and achievement relating to the Company’s operations.
- To develop a succession plan for the Board and to regularly review the plan.

DEFINITIONS

“Act” means the Companies Act, 2013 and Rules framed thereunder, as amended from time to time.

“Board” means Board of Directors of the Company.

“Directors” mean Directors of the Company.

“Key Managerial Personnel” means

- a) Chief Executive Officer or the Managing Director or the Manager;
- b) Whole-time director;
- c) Chief Financial Officer;
- d) Company Secretary; and
- e) Such other officer as may be prescribed.

“Senior Management” means personnel of the company who are members of its core management team excluding the Board of Directors including Functional Heads

POLICY FOR APPOINTMENT AND REMOVAL OF DIRECTOR, KMP AND SENIOR MANAGEMENT

A. Appointment criteria and qualifications

I. The Committee shall identify and ascertain the integrity, qualification, expertise and experience of the person for appointment as Director, KMP or at Senior Management level and recommend to the Board his / her appointment.

II. A person should possess adequate qualification, expertise and experience for the position he / she is considered for appointment. The Committee has discretion to decide whether qualification, expertise and experience possessed by a person is sufficient / satisfactory for the concerned position.

III. The Company shall not appoint or continue the employment of any person as Whole-time Director who has attained the age of seventy years. Provided that the term of the person holding this position may be extended beyond the age of seventy years with the approval of shareholders by passing a special resolution based on the explanatory statement annexed to the notice for such motion indicating the justification for extension of appointment beyond seventy years.

B. Term / Tenure

➤ Managing Director/Whole-time Director:

The Company shall appoint or re-appoint any person as its Executive Chairman, Managing Director or Executive Director for a term not exceeding five years at a time. No reappointment shall be made earlier than one year before the expiry of term.

➤ Independent Director:

- An Independent Director shall hold office for a term up to five consecutive years on the Board of the Company and will be eligible for re-appointment on passing of a special resolution by the Company and disclosure of such appointment in the Board's report.

- No Independent Director shall hold office for more than two consecutive terms, but such Independent Director shall be eligible for appointment after expiry of three years of ceasing to become an Independent Director. Provided that an Independent Director shall not, during the said period of three years, be appointed in or be associated with the Company in any other capacity, either directly or indirectly. However, if a person who has already served as an Independent Director for 5 years or more in the Company as on October 1, 2014 or such other date as may be determined by the Committee as per regulatory requirement; he/ she shall be eligible for appointment for one more term of 5 years only.

- At the time of appointment of Independent Director it should be ensured that number of Boards on which such Independent Director serves is restricted to seven listed companies as an

Independent Director and three listed companies as an Independent Director in case such person is serving as a Whole-time Director of a listed company or such other number as may be prescribed under the Act.

C. Evaluation

The Committee shall carry out evaluation of performance of every Director, KMP and Senior Management Personnel at regular interval (yearly).

D. Removal

Due to reasons for any disqualification mentioned in the Act or under any other applicable Act, rules and regulations there under, the Committee may recommend, to the Board with reasons recorded in writing, removal of a Director, KMP or Senior Management Personnel subject to the provisions and compliance of the said Act, rules and regulations.

E. RETIREMENT

The Director, KMP and Senior Management Personnel shall retire as per the applicable provisions of the Act and the prevailing policy of the Company. The Board will have the discretion to retain the Director, KMP, Senior Management Personnel in the same position/ remuneration or otherwise even after attaining the retirement age, for the benefit of the Company

POLICY RELATING TO THE REMUNERATION FOR THE WHOLE-TIME DIRECTOR, KMP AND SENIOR MANAGEMENT PERSONNEL

The remuneration / compensation / commission etc. to the Whole-time Director, KMP and Senior Management Personnel will be determined by the Committee and recommended to the Board for approval. The remuneration / compensation/ commission etc. shall be subject to the prior/post approval of the shareholders of the Company and Central Government, wherever required.

While determining the remuneration of Executive Directors and Key Managerial Personnel, the Committee shall consider following factors:

- i) Industry standards, if the data in this regard is available.
- ii) The job description.
- iii) Qualification and experience level of the candidate.

The remuneration payable to the Executive Directors, including the value of the perquisites, shall not exceed the permissible limits as are mentioned within the provisions of the Companies Act, 2013. They shall not be eligible for any sitting fees for attending any meetings.

The Non-Executive Directors shall not be eligible to receive any remuneration/ salary from the Company. However, the Non-Executive Directors shall be paid sitting fees for attending the meeting of the Board or committees thereof and commission, as may be decided by the Board/Shareholders from time to time, presently the Company is not paying any sitting fee. They shall also be eligible for reimbursement of out of pocket expenses for attending Board/ Committee Meetings.

DUTIES IN RELATION TO NOMINATION MATTERS

The duties of the Committee in relation to nomination matters include:

- a) Ensuring that there is an appropriate induction in place for new Directors and members of Senior Management and reviewing its effectiveness;
- b) Ensuring that on appointment to the Board, Non-Executive Directors receive a formal letter of appointment in accordance with the Guidelines provided under the Act;
- c) Determining the appropriate size, diversity and composition of the Board;
- d) Evaluating the performance of the Board members and Senior Management in the context of the Company's performance from business and compliance perspective;

- e) Making recommendations to the Board concerning any matters relating to the continuation in office of any Director at any time including the suspension or termination of service of an Executive Director as an employee of the Company subject to the provision of the law and their service contract.
- f) Delegating any of its powers to one or more of its members or the Secretary of the Committee;
- g) Recommend any necessary changes to the Board; and

DUTIES IN RELATION TO REMUNERATION MATTERS:

The duties of the Committee in relation to remuneration matters include:

- To consider and determine the Remuneration Policy, based on the performance and also bearing in mind that the remuneration is reasonable and sufficient to attract retain and motivate members of the Board and such other factors as the Committee shall deem appropriate all elements of the remuneration of the members of the Board.

REVIEW AND AMENDMENTS:

- I. The NRC or the Board may review the Policy as and when it deems necessary.
- II. The NRC may issue guidelines, procedures, formats, reporting mechanism and manual in supplement and better implementation to this policy, if it thinks necessary.

This Policy may be amended or substituted by the NRC or by the Board and as when required and also by the Compliance Officer where there is any statutory change necessitating the change in the policy.

Form No. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31st March, 2025

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
Aakash Exploration Services Limited
CIN: L23209GJ2007PLC049792
424-426, 4th Floor,
Shukan Mall, Nr. Visat Petrol Pump,
Sabarmati,
Ahmedabd-380005.

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/S. AAKASH EXPLORATION SERVICES LIMITED** (hereinafter called the “Company”). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on **31st March, 2025** complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined on the test basis books, papers, minute books, forms and returns filed and other records maintained by Company and produced before us for the audit period, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the Rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 (‘SCRA’) and the Rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations, as amended from time to time and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; **(Not applicable to the Company during the audit period)**

(v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') viz:-

- a The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- b The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- c The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; **(Not applicable to the Company during the audit period)**
- d The Securities and Exchange Board of India (Share Based Employee Benefits and sweat equity) Regulations, 2021; **(Not applicable to the Company during the audit period)**
- e The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Debt Securities) Regulations, 2021; **(Not applicable to the Company during the audit period)**
- f The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- g The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; **(Not applicable to the Company during the audit period)** and
- h The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018. **(Not applicable to the Company during the audit period)**

(vi) Other Laws which are applicable to the Company;

- Mines Act, 1952 and the rules made thereunder

We have also examined compliance with the applicable Clauses/ Regulations of the following:

- (i) Mandatory Secretarial Standards issued by The Institute of Company Secretaries of India ; and
- (ii) Provisions of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;

We further report, that compliance by the Company of applicable financial laws, like direct and indirect tax laws, has not been reviewed in this Audit since the same have been subject to review by Tax Auditor / Other designated professionals.

We further report that, during the year under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that:

- a. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. There were no changes in

the composition of the Board of Directors during the period under review were carried out in compliance with the provisions of the Act.

- b. Adequate notices were given to all the directors to schedule the Board Meetings, Agenda and detailed notes on Agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- c. All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board as the case may be.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period there were no specific events / actions that took place which have a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

i) Industry Structure and Development

The global oil and gas industry continues to play a critical role in meeting the world's energy requirements. Despite the rising focus on renewable energy, oil and natural gas remain the dominant sources of energy, particularly in developing economies like India.

India is the third-largest consumer of crude oil and petroleum products globally, with significant import dependency. However, the Government of India is actively promoting domestic exploration and production (E&P) through policies such as the Hydrocarbon Exploration and Licensing Policy (HELP), Open Acreage Licensing Policy (OALP), and the Discovered Small Fields (DSF) Policy, which aim to reduce import dependence and increase domestic production.

Technological advancements, digital oilfields, and improved seismic imaging are also supporting efficient exploration and enhanced recovery rates in the oil and gas sector.

Aakash Exploration Services Limited is India's leading Solution provider to the Energy sector. We carry the vision to become major contributors to India's Gas based economy with a focus on people, environment, innovation and technology. Our mission is to maximize stakeholders' value by providing efficient services to ensure sustainable growth while catering to the needs of customers, partners, employees and society at large. The Management team comprising one of the Director is looking after day-to-day management of the company.

ii) Opportunities and Threats

Opportunities

- **Government Policy Support:** Initiatives such as HELP and OALP encourage private sector participation in upstream oil and gas exploration.
- **Growing Energy Demand:** With rising industrialization and urbanization, domestic demand for hydrocarbons continues to grow.
- **Technological Advancements:** Enhanced Oil Recovery (EOR) techniques, horizontal drilling, and digital monitoring improve operational efficiency.
- **Strategic Partnerships:** Collaborations with global oilfield service providers can help access expertise and advanced technology.

Threats

- **Volatility in Crude Prices:** Fluctuating global crude oil prices directly impact profitability and capital expenditure planning.
- **Regulatory Risks:** Stringent environmental and safety regulations may increase compliance costs.
- **Geopolitical Uncertainties:** Political instability in oil-exporting countries and global trade tensions can disrupt supply chains.
- **Energy Transition Risks:** Increasing investments in renewables and electric mobility may gradually impact long-term oil demand.

iii) **Outlook**

With favorable government policies and ongoing emphasis on increasing domestic oil and gas production, the Company is well-positioned to capitalize on upcoming opportunities in the exploration and production (E&P) sector.

Key focus areas for the future include:

- Expansion of service fleet and equipment modernization
- Leveraging technology for cost optimization and safety enhancement
- Strengthening long-term contracts with key clients like ONGC, Oil India, and Cairn Vedanta
- Exploring adjacent service verticals such as offshore support and pipeline maintenance

Given the sustained demand for oilfield services and a strong order book, the Company remains optimistic about steady growth in the coming years.

iv) **Risk & Concerns**

- **Operational Risks:** Dependence on large contracts from PSU oil companies exposes the Company to bidding competition and margin pressures.
- **Price Volatility:** Variations in crude oil prices may affect exploration budgets of client companies.
- **Environmental and Safety Risks:** Oilfield operations carry inherent environmental and occupational hazards requiring strict compliance with safety standards.
- **Currency Fluctuations:** Exchange rate volatility may impact costs, particularly for imported equipment and spare parts.

v) **Internal Control system and their adequacy**

The Company has a robust system of internal controls commensurate with the nature of its business and size of operations. Regular internal audits, risk assessments, and compliance reviews ensure that all transactions are properly authorized, recorded, and reported.

Audit observations and recommendations are periodically reviewed by the Audit Committee, and corrective measures are implemented promptly.

vi) **Financial performance with respect to operational performance**

The Company reported a Total Income of ₹9,978.29 lakhs in FY 2024-25 compared to ₹9,282.37 lakhs in FY 2023-24, representing growth of 6.45%.

However, Profit After Tax declined to ₹184.08 lakhs in FY 2024-25 from ₹620.36 lakhs in FY 2023-24, primarily due to increased operating expenses and competitive pricing pressures in the oilfield services segment.

vii) **Human Resources/ Industrial Relations**

The Company believes that the quality of the employees is the key to its success and is committed to equip them with skills. The Company provides to the employees a fair and equitable work environment and support from their peers with a view to develop their capabilities leaving them with the freedom to act and to take responsibilities for the task assigned. The Company has strongly embedded core values and all employees are trained and encouraged to use these values

in their daily operations and the bases for making decisions. The Company's management has always carried out systematic appraisal of performance and imparted training at periodic intervals. The Company has always recognized talent and has judiciously followed the principle of rewarding performance. This has helped to ensure all employees are aligned and focused on key objectives and key performance indicators critical for the Company's performance. In order to meet steady flow of talent, Company has appointed experienced professionals in Technical as well as Commercial Departments. Apart from that, as a strategic policy, every year, Company hires new pool of talent from reputed technical / petroleum institutes through campus selection process.

viii) **Key Financial Ratios:**

Sr. No.	Particulars	FY 2024-25	FY 2024-25	Explanation
1.	Debtors Turnover Ratio	4.25	4.62	No significant change
2.	Inventory Turnover Ratio	NA	NA	NA
3.	Interest Coverage Ratio	2.30	3.71	Decrease due to higher finance cost and lower EBIT in FY 2025 compared to the previous year
4.	Current Ratio	0.91	1.21	Decrease due to higher current liabilities, while current assets have reduced
5.	Debt Equity Ratio	0.29	2.54	Substantial improvement due to repayment or reduction of borrowings and increase in equity
6.	Operating Profit Margin (%)	4.61	0.11	Improved operational efficiency, leading to significantly higher operating margins
7.	Net Profit Margin (%)	1.87	0.07	Better profitability and cost control, resulting in a significant increase in net margin
8.	Return on Net Worth (%)	3.05	0.61	Higher net profit has improved returns on shareholder funds

ix) **Cautionary Statement**

Statement in this management Discussion and Analysis describing the company's objectives, projections, estimated and expectations are "forward looking statements" Actual results might differ, materially from those anticipated because of changing ground realities.

REPORT ON CORPORATE GOVERNANCE

1. BRIEF STATEMENT ON COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

Corporate Governance is the application of best management practices, compliance of laws, rules, regulations and adherence to ethical principles in all its dealings, to achieve the objects of the Company, enhance stakeholder value for the benefit of the Company and its stakeholders. It is essentially a system by which Companies are directed and controlled by the management in the best interest of all stakeholders.

Aakash Exploration Services Limited firmly believes that effective Corporate Governance practices constitute a strong foundation on which successful commercial enterprises are built to last. The Company has a strong legacy of fair, transparent and ethical governance practices. This has been further strengthened by the adoption of the Code of Conduct for its employees, including the Managing Director and adoption of a Code of Conduct for its Non-Executive Directors.

Your Company is in compliance with the requirements of Corporate Governance stipulated in the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

CERTIFICATE OF CORPORATE GOVERNANCE

**To,
The Members of
Aakash Exploration Services Limited
CIN: L23209GJ2007PLC049792
424-426, 4th Floor,
Shukan Mall,
Near Visat Petrol Pump,
Sabarmati,
Ahmedabad-380005.**

We have examined the compliance of conditions of Corporate Governance by Aakash Exploration Services Limited for the year ended March 31, 2025, as stipulated in Regulations 17, 17A, 18, 19, 20, 21, 22, 23, 24, 24A, 25, 26, 26A, 27 and Clause (b) to (i) and (t) of sub-regulation (2) of regulation 46 and para C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (collectively referred to as 'SEBI Listing Regulations, 2015).

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination and verification of records was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the Financial Statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations.

We state that such compliance is neither an assurance as to the future viability nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

This certificate is issued solely for the purposes of complying with the aforesaid Regulations and may not be suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF AAKASH EXPLORATION SERVICES LIMITED

REPORT ON THE FINANCIAL STATEMENTS

Opinion

We have audited the Financial Statements of AAKASH EXPLORATION SERVICES LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and Statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rule 2015, as amended, ('Ind AS') and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, the Profit and total comprehensive income, Changes in Equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have no key audit matter to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent

with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards of Auditing (SAs), we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ◆ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ◆ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of

such controls.

- ◆ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ◆ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- ◆ Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of Sub-Section (11) of Section 143 of the Companies Act, 2013, we give in the Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
3. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
4. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
5. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
6. In our opinion, the aforesaid Financial Statements comply with the AS specified under Section 133 of the Act.

7. On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
8. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
9. g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
10. The Company does not have any pending litigations which would impact its financial position;
11. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
12. There were no amount which were required to be transferred, to the Investor Education and Protection Fund by the Company.
13. A] The Management has represented that, to the best of their knowledge and belief, as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
14. B] the management has represented, that, to the best of their knowledge and belief, as disclosed in the notes to the accounts, no funds have been received by the company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
15. C] Based on such audit procedures, that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused them to believe that the representations under sub-clause (A) and (B) contain any material misstatement.
16. The Company has not declared or paid dividend during the year.
17. Based on our examination which included test checks, the company, has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility. However, we are unable to comment that the audit trail facility has been operated throughout the year for all relevant transactions recorded in the software. Accordingly the question of our commenting on whether the audit trail was tampered with does not arise.
18. The Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report of even date on Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act.

- (i) In respect of the company's Property, Plant and Equipment and Intangible assets:
- (a) (A) The company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment.
- (B) The company has maintained proper records showing full particulars of intangible assets.
- (b) As explained to us, all the Property, Plant and Equipment have been physically verified by the management at reasonable intervals. No material discrepancies were noticed on such physical verification.
- (c) The title deeds of all the immovable properties, as disclosed in Note 4 to the financial statements, are held in the name of the Company.
- (d) The Company has not re-valued any of its Property, Plant and Equipment during the year.
- (e) As explained to us, no proceedings have been initiated during the year or are pending against the Company as at March 31, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made there under and therefore the question of our commenting on whether the Company has appropriately disclosed the details in its financial statements does not arise.
- (ii) (a) The Company does not has any inventory accordingly this para is not applicable.
- (b) The Company has been sanctioned working capital limits in excess of Rs.5 Crores, in aggregate, from a bank on the basis of security of current assets. According to information and explanations given to us and the records examined by us, the quarterly Statemetns/returns, filed by the Company during the year with such bank are in agreement with books of account, except as under.

(Rs. in Thousand)

Quarter ended	Nature of current Assets / Liabilities wheredifferences were observed	Amount disclosed as per quarterly return/ statement	Amount as per books	Amoun t of Differe nce	Reasons for material difference
Q1	Trade receivables	1 88331 .11	148987.59	39343.57	Material*
Q2	Trade receivables	172201.20	119758.48	52442.72	Material*
Q3	Trade receivables	177456.34	128642.85	43813,49	Material*
Q4	Trade receivables	217477.75	216441.18	981.57	Immaterial

- During the first three quarter of audit year, reason for material difference between Amount disclosed as per quarterly return/statement submitted to bank and amount as per books is that, the work has been completed in the respective quarter & the same was taken as the base for trade receivable submitted to bank however, billing for the same has been made in the next quarter.
- (iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, The Company has made investments in a subsidiary company as per Schedule- A but not provided guarantee to companies.

➤ Schedule – A

(Rs. In Thousands)				
Subsidiary Company Name	Country of incorporation	Amount Invested in Subsidiary Company during the year	Amount Invested in Subsidiary Company as at balance sheet date	% voting power held as at 1 st April, 2025
DIL Venture Oil and Gas Private Limited	India	100.00	100.00	100.00 %

According to the information and explanations given to us and on the basis of our examination of the records of the Company, The Company Granted unsecured loans to employees during the year. The Company has not provided guarantees, security or granted advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnership or any other parties during the year. The Company has made investments, granted loans to companies and other parties in respect of which the requisite information is provided in clause (a) to (f) as below to the extent applicable. The Company has not made any investments in or provided any guarantee or security to firms or limited liability partnership.

(a) Based on the audit procedures carried out by us and as per the information and explanations given to us, the Company has provided loans as below:

(Rs. in Thousand)	
Particulars	Loans
Aggregate amount granted/Provided during the year	
- Others (Employees)	475.00
Balance outstanding as at balance sheet date in respect of the above case	
- Others (Employees)	75.68

(b) According to the information and explanations given to us and based on the audit procedures carried out by us, in our opinion the investments made during the year and the terms and conditions of the grant of loans provided during the year are prima facie, not prejudicial to the interest of the Company. The Company has not provided any guarantee during the year.

- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in the case of loans given, in our opinion, the repayment of principal and payment of interest has been stipulated and the repayments or receipts have been regular. Further, the Company has not given any advances in the nature of loans to any party during the year.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no overdue amount for more than ninety days in respect of loans given. Further, the Company has not given any advances in the nature of loans to any party during the year.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no loan or advance in the nature of loan granted falling due during the year, which has been renewed or extended or fresh loans granted to settle the over dues of existing loans given to same parties.
- (f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of investments made and providing guarantees.
- (v) According to the information and explanations given to us, the company has complied with the provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the Companies (Acceptance of Deposit) Rules, 2014 (as amended). According to the information and explanations given to us, no order has been passed by the Company Law Board or the National Company Law Tribunal or The Reserve Bank of India or any Court or any other Tribunal.
- (vi) According to the information and explanation given to us, the company no cost audit records have been prescribed under section 148(1) of the companies act, 2013 in respect of business activities of the company.
- (vii) (a) As per information and explanations given to us, the company is regular in depositing undisputed statutory dues including Goods and service tax, Provident fund, Employees' State Insurance, Income tax, Sales-tax, Wealth tax, Service tax, Duty of Customs, Duty of Excise, Value added tax, cess and any other statutory dues with the appropriate authorities wherever applicable. There are no outstanding statutory dues as at the last day of the financial year under audit for a period of more than six months from the date they became payable.
- (b) According to the information and explanation given to us, there are no dues of Goods and Service Tax, sales tax, income tax, custom duty, wealth tax, service tax, excise duty and cess which have not been deposited on account of any dispute.

- (viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- (ix)
 - (a) Based on our audit procedures and as per the information and explanations given by the management, the company has not defaulted in repayment of loans or borrowings or in the payment of interest thereon from any lender.
 - (b) The Company has not been declared wilful defaulter by any bank or financial institution or other lender.
 - (c) The Company has applied term loan for the purpose for which the loans were obtained.
 - (d) According to the information and explanations given to us and on an overall examination of the financial statements of the Company as at 31st March, 2025, we report that the funds raised on short-term basis have not been used for long-term purposes by the Company.
 - (e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary and joint venture.
 - (f) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, the company has not raised loans during the year on the pledge of securities held in its subsidiary and joint venture.
- (x)
 - (a) The company has not raised money by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
 - (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.
- (xi)
 - (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.
 - (b) No report under sub-section (12) of section 143 of the Companies Act has been filed by the Auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.

(c) As represented to us by the management, there are no whistle blower complaints received by the company during the year.

- (xii) In our opinion, the Company is not a Nidhi Company. Therefore, the provisions of clause 3 (xii) of the Order are not applicable to the Company.
- (xiii) The Company has entered in to transactions with related parties in compliance with Sections 177 and 188 of Act. The details of such related party transactions have been disclosed in the financial statements as required under Accounting Standard (AS) 24, Related Party Disclosures specified under Section 133 of the Act.
- (xiv) (a) As explained to us and in our opinion, the Company has adequate internal audit system commensurate with the size and the nature of its business.

(b) We have considered the internal audit reports of the Company issued till date for the period under audit.
- (xv) Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of clause 3(xv) of the Order are not applicable to the company.
- (xvi) The company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under sub-clause (b), (c) and (d) of clause 3(xvi) of the Order are not applicable.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.
- (xx) The company was not required to spend any amount during the year for corporate social responsibility as required under Section 135(5) and 135(6) of the Act. Accordingly, there is no amount unspent as at March 31, 2024 and the reporting under clause 3(xx) of the Order is not applicable to the Company.

(xxi) The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of Standalone Financial Statements. Accordingly, no comment in respect of the said clause has been included in this report.

Annexure to the Auditors' Report

ANNEXURE-"B" Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of AAKASH EXPLORATION SERVICES LIMITED ("the Company") as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial control, both applicable to an audit of Internal Financial Control and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understating of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that;

- I. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- II. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- III. Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statement.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatement due to error or fraud may occur and not be detected. Also, projections of any evaluation of internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on;

- i. existing policies and procedures adopted by the Company for ensuring orderly and efficient conduct of business.
- ii. continuous adherence to Company's policies.
- iii. existing procedures in relation to safeguarding of Company's fixed assets, investments, receivables, loans and advances made and cash and bank balances.
- iv. existing system to prevent and detect fraud and errors.

- v. accuracy and completeness of Company's accounting records; and
- vi. existing capacity to prepare timely and reliable financial information.

1 Corporate Information

Our Company was originally incorporated as — Aakash Exploration Services Private Limited on January 17, 2007 under the Companies Act, 1956 vide certificate of incorporation issued by the Registrar of Companies, Gujarat, Dadra and Nagar Haveli. Our company was converted into a Joint Stock Company from the Partnership firm M/s. Aakash Roadlines. M/s. Aakash Roadlines was formed on 30/05/2006 with the aim of carrying on the business of transportation hire, technical services and common carries. Our Company was subsequently converted in to a public company and consequently name was changed to — Aakash Exploration Services Limited (AESL) vide fresh certificate of incorporation dated November 8, 2017 issued by Registrar of Companies, Ahmedabad, Gujarat. The CIN of the Company is L23209GJ2007PLC049792. Established in 2007, Aakash Exploration Services Limited is a company providing services for Oil and Gas Exploration with a fundamental vision of being a leader in providing services to Oil and Gas Field while achieving international standard of excellence.

2.1 Basis of Preparation of Financial Statements

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended).

Upto 31st March, 2020, the Company prepared its financial statements in accordance with the requirements of previous GAAP, which includes standards notified under the companies (Accounting Standards) Rules, 2006. These are company's third Ind AS financial statements with transition date as 1st April, 2019. In accordance with Ind AS 101 "First Time Adoption of Indian Accounting Standard", the Company has presented a reconciliation of shareholders' fund at 31st March, 2020 and 1st April, 2019, from the presentation of financial statements under previous GAAP to Ind AS.

The Financial Statements have been prepared on the historical cost basis, except for certain financial instruments (including derivative instruments) which are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in accounting policy hitherto in use.

The financial statements are presented in Indian rupees (INR) and all values are rounded to the nearest rupees, except numbers.

2.2 Significant accounting estimates and assumptions

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based on its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

The significant estimates and judgments are listed below:

- (i) Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates.
- (ii) Judgments by actuaries in respect of discount rates, future salary increments, mortality rates and inflation rate used for computation of defined benefit liability.
- (iii) Significant judgment is required in assessing at each reporting date whether there is indication that a financial asset may be impaired.
- (iv) The impairment provision for financial assets are based on the assumptions about risk of default and expected loss rates. The company uses judgments in making the assumptions and selecting the inputs to the impairment calculations, based on the company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.
- (v) Significant judgment is required in assessing at each reporting date whether there is indication that a non-financial asset may be impaired.
- (vi) Significant judgment is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and level of future taxable profits together with future tax planning strategies.

- (vii) In estimating the fair value of financial assets and financial liabilities, the Company uses market observable data to the extent available. Where such Level 1 inputs are not available, the Company establishes appropriate valuation techniques and inputs to the model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

- (viii) Significant judgment has been exercised by management in recognition of MAT credit and estimating the period of its utilization.

2.3 Summary of significant accounting policies

a) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle.
- Held primarily for the purpose of trading.
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

A liability is current when:

- It is expected to be settled in normal operating cycle.
- It is held primarily for the purpose of trading.
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

b) Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprises cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the company's cash management.

c) Property, plant and equipment (PPE)

Property, plant and equipment (including capital work in progress) is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises the purchase price, directly and indirectly attributable costs arising directly from the development of the asset / project to its working condition for the intended use. When significant parts of plant and equipment are required to be replaced at intervals, the company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in profit or loss as incurred.

Borrowing cost relating to acquisition / construction of property, plant & equipment which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

Depreciation is calculated on a written down value basis over the useful lives of the assets prescribed in the Companies Act, 2013.

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognized.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

d) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Revenue from contract with customer

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

Rendering of Services

Revenue from rendering of service is recognised as per the terms of contract with customers based on the stage of completion when the outcome of the transactions involving rendering of service can be estimated reliably. Percentage completion method requires the company to estimate the service performed to date as a proportion of the total services to be performed.

Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Government Grants

The Company recognises government grants only when there is reasonable assurance that the conditions attached to them will be complied with, and the grants will be received. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, the Company deducts such grant amount from the carrying amount of the asset.

e) Foreign Currency

On initial recognition, transactions in currencies other than the Company's functional currency (foreign currencies) are translated at exchange rates at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies at the reporting date are translated into the functional currency at the exchange rate at that date. Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous period are recognised in profit or loss in the period in which they arise except for:

- exchange differences on transactions entered into in order to hedge certain foreign currency risks
- exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings, if any

f) Retirement and other employee benefits

All employee benefits payable wholly within 12 months rendering services are classified as short term employee benefits. Benefits such as salaries, wages, short term compensated absences, performance incentives etc. and the expected cost of bonus, ex-gratia are recognised during the period in which the employee renders related service.

g) Provident fund

Retirement benefit in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. The company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid.

h) Gratuity fund

The company operates a defined benefit gratuity plan in India, which requires contributions to be made to a separately administered fund. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

> Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and

> Net interest expense or income.

i) Compensated absences

Provision for compensated absence is determined using the projected unit credit method with actuarial valuation being carried out at each balance sheet date. Accumulated leave, which is expected to be utilised within the next twelve months, is treated as short term employee benefits. The company treats accumulated leave expected to be carried forward beyond twelve months as long term compensated absence. The company measures the expected cost of such absence as the additional amount that is expected to pay as a result of the unused estimate that has accumulated at the reporting date.

j) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

k) Segment reporting

The Chief Operational Decision Maker monitors the operating results of its business segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements.

In accordance with the Ind-As 108 -" Operating Segments" , the Company has determined its business segment of manufacture of Refined Petroleum Products. Since there are no other business segments in which the Company operates, there are no other primary reportable segments. Therefore, the segment revenue, results, segment assets, segment liabilities, total cost incurred to acquire segment assets, depreciation charge are all as is reflected in the financial statement.

l) Related party transactions

Disclosure of transactions with Related Parties, as required by Ind-AS 24 "Related Party Disclosures" has been set out in a separate note. Related parties as defined under Ind-AS 24 have been identified on the basis of representations made by key managerial personnel and information available with the Company.

m) Earnings per share

The Basic EPS has been computed by dividing the income available to equity shareholders by the weighted average number of equity shares outstanding during the accounting year. For the purpose of calculating diluted earning per share, the profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

n) Taxes

Tax expense comprises of current and deferred tax.

i) Current income tax

Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-Tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantially enacted, at the reporting date.

Current income tax relating to items recognized outside the statement of profit and loss is recognized outside the statement of profit and loss (either in OCI or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

ii) Deferred tax

Deferred tax is provided using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences, except

> When the deferred tax liability arises from the initial recognition of an asset or liability in a transaction that affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized, except:

> When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that affects neither the accounting profit nor taxable profit or loss.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient future taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. Deferred tax include MAT Credit Entitlement. The Company reviews the such tax credit asset at each reporting date and writes down the asset to the extent The Company does not have sufficient taxable temporary difference /convincing evidence that it will pay normal tax during the specified period. Deferred tax includes MAT tax credit.

o) Impairment of non-financial assets

The company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, The Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

The company bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the company's CGUs to which the individual assets are allocated. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the statement of profit and loss, except for properties previously revalued with the revaluation surplus taken to OCI. For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation surplus.

Intangible assets with indefinite useful lives are tested for impairment annually as at year end at the CGU level, as appropriate, and when circumstances indicate that the carrying value may be impaired.

p) Provisions, contingent liabilities and contingent assets

General

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities and contingent assets

Contingent liabilities is disclosed in the case of :

a present obligation arising from past events, when it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation.

a present obligation arising from past events, when no reliable estimate can be made.

a possible obligation arising from past events, unless the probability of outflow of resources is remote.

Commitments includes the amount of purchase order (net of advances) issued to parties for completion of assets.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

Expenditure

Expenditures are accounted net of taxes recoverable, wherever applicable.

q) Fair value measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- > In the principal market for the asset or liability, or
- > In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- > Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities .
- > Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- > Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company's management determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value.

External valuer are involved for valuation of unquoted financial assets and financial liabilities, such as contingent consideration. Involvement of external valuer is decided upon annually by the management. Selection criteria includes market knowledge, reputation, independence and whether professional standards are maintained. The management decides, after discussions with the company's external valuer, which valuation techniques and inputs to use for each case.

At each reporting date, the company analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the company's accounting policies. For this analysis, the Company verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The Company, in conjunction with the Company's external valuers, also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable on a yearly basis.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

r) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. It is broadly classified in financial assets, financial liabilities, derivatives & equity.

(A) Financial assets

Initial recognition and measurement

All financial assets, except investment in subsidiaries, associates and joint ventures are recognised initially at fair value.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- > Debt instruments at amortised cost.
- > Debt instruments at fair value through other comprehensive income (FVTOCI).
- > Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL).
- > Equity instruments measured at fair value through other comprehensive income (FVTOCI).

i) Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- (a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- (b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables.

ii) Debt instrument at FVTOCI

A debt instrument is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has not classified any financial asset into this category.

iii) Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The Company has not designated any debt instrument as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

(B) Equity instruments

All equity instruments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, The Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

> The rights to receive cash flows from the asset have expired, or

> The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of financial assets

The Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure ;

a) Financial assets that are debt instruments, and are measured at amortised cost e.g. loans, debt securities, deposits, trade receivables and bank balances.

b) Financial assets that are debt instruments and are measured as at other comprehensive income (FVTOCI).

c) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 18.

The Company follows 'simplified approach' for recognition of impairment loss allowance on:

> Trade receivables or contract revenue receivables; and

> All lease receivables resulting from transactions within the scope of Ind AS 17.

Under the simplified approach the Company does not track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk said initial recognition. If credit risk has not increased significantly, 12 month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used.

ECL is the difference between all contracted cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive, discounted at the original EIR. ECL impairment loss allowance (or reversal) recognised during the period is recognised as (expense) / income in the statement of profit and loss (P&I). This amount is reflected under the head " Other Expense" in the P&L.

Financial liabilities**Initial recognition and measurement**

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

01 Apr 2028 to 31 Mar 2029

01 Apr 2029 Onwards

Loans and borrowings

This is the category most relevant to the Company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Reclassification of financial instruments

After initial recognition, no reclassification is made for financial assets which are equity instruments. For financial assets, which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. If the Company reclassifies the financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in the business model.

Offsetting financial assets and financial liabilities

Financial assets and liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

s) Leases

The Company has applied Ind AS 116 'Leases' for the first time for annual reporting period commencing from April 01, 2020. Set out below are the new accounting policies of the Company upon adoption of Ind AS 116:

Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Unless the Company is reasonably certain to obtain ownership of the leased asset at the end of the lease term, the recognised right-of-use assets are depreciated on a straight-line basis over the shorter of its estimated useful life and the lease term. Right-of-use assets are subject to impairment.

Lease liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating a lease, if the lease term reflects the Company exercising the option to terminate. The variable lease payments that do not depend on an index or a rate are recognised as expense in the period on which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses the incremental borrowing rate at the lease commencement date if the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the in-substance fixed lease payments or a change in the assessment to purchase the underlying asset.

Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases of property, plant and equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered of low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

3 Significant judgement in determining the lease term of contracts with renewal options

The Company determines the lease term as the non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised.

(b) Terms/rights attached to equity shares:

The Company has only one class of equity shares having a par value of `1 per share. Each holder of equity shares is entitled to one vote per share. In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all liabilities. The distribution will be in proportion to the number of equity shares held by the shareholders.

	-	-	-	2,57,173.61	2,41,846.15	4,99,019.76

C) The carrying value of financial instruments by categories as of March 31, 2023 is as follows :

Particulars	Fair Value through other Comprehensive Income	Fair Value through Profit & Loss	Derivative instruments not in hedging relationship	Amortised Cost	Amortised Cost	Amortised Cost
Financial Asset						
Investments	-	-	-	5.90	5.90	11.80
Trade receivables	-	-	-	1,54,067.63	2,12,304.50	3,66,372.13
Cash and Cash Equivalents	-	-	-	12,556.10	3,377.06	15,933.16
Loans	-	-	-	23,413.16	31,678.48	55,091.64
	-	-	-	1,90,042.79	2,47,365.94	4,37,408.73
Financial Liabilities						
Borrowings	-	-	-	1,82,658.62	96,227.27	2,78,885.88
Trade payables	-	-	-	-	-	-
Other financial liabilities	-	-	-	59,187.53	64,292.33	1,23,479.86
	-	-	-	2,41,846.15	1,60,519.59	4,02,365.74

D) The carrying value of financial instruments by categories as of April 1, 2022 is as follows :

Particulars	Fair Value through other Comprehensive Income	Fair Value through Profit & Loss	Derivative instruments not in hedging relationship	Amortised Cost	Amortised Cost	Amortised Cost
Financial Asset						
Investments	-	-	-	5.90	5.90	11.80
Trade receivables	-	-	-	2,12,304.50	1,49,407.34	3,61,711.84
Cash and Cash Equivalents	-	-	-	3,377.06	12,291.73	15,668.79
Loans	-	-	-	31,678.48	38,292.73	69,971.21
	-	-	-	2,47,365.94	1,99,997.70	4,47,363.64
Financial Liabilities						
Borrowings	-	-	-	96,227.27	1,31,560.41	2,27,787.68
Trade payables	-	-	-	-	-	-
Other financial liabilities	-	-	-	64,292.33	50,170.93	1,14,463.26
	-	-	-	1,60,519.59	1,81,731.34	3,42,250.94

d) The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair values since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

36 Financial risk objective and policies

The Company's principal financial liabilities, comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations/projects and to provide guarantees to support its operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

In the ordinary course of business, the Company is mainly exposed to risks resulting from interest rate movements (interest rate risk) collectively referred as market risk, credit risk, liquidity risk and other price risks such as equity price risk. The Company's senior management oversees the management of these risks.

The Company's risk management activities are subject to the management, direction and control of Treasury Team of the Company under the framework of Risk Management Policy for Currency and Interest rate risk as approved by the Board of Directors of the Company. The Company's central treasury team ensures appropriate financial risk governance framework for the Company through appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken.

a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. Financial instruments affected by market risk include loans and borrowings.

The sensitivity analysis in the following sections relate to the position as at March 31, 2025 and March 31, 2024.

The sensitivity analysis have been prepared on the basis that the amount of net debt, the ratio of fixed to floating interest rates of the debt and derivatives and the proportion of financial instruments in foreign currencies are all constant as at March 31, 2019.

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2025 and March 31, 2024.

b) Credit risk

Customer credit risk is managed by the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive evaluation and individual credit limits are defined in accordance with this assessment.

Credit risk from balances with banks and financial institutions is managed by the Company's treasury team in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the Company's Board of Directors on an annual basis, and may be updated throughout the year subject to approval of the Company's Finance Committee. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

c) Liquidity risk

Liquidity risk is the risk that the company will encounter difficulty in raising funds to meet commitments associated with financial instruments that are settled by delivering cash or another financial assets. Liquidity risk may result from an inability to sell a financial asset quickly at close to its fair value.

Maturities of financial liability

As at March 31, 2025

01 Apr 2028 to 31 Mar 2029	535.80	372.10	757.79
01 Apr 2029 to 31 Mar 2030	530.38	964.80	
01 Apr 2030 to Onwards	1,353.99		

g) Sensitivity Analysis

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate and expected salary increase rate. Effect of change in mortality rate is negligible. The sensitivity analysis presented below may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumption would occur in isolation of one another as some of the assumptions may be correlated. The results of sensitivity analysis are given below:

Particulars	Year ended 31st March, 2025	Year ended 31st March, 2024
Defined Benefit Obligation (Base)	29,08,994 @ Salary Increase Rate : 5%, and discount rate :6.55%	19,03,976 @ Salary Increase Rate : 5%, and discount rate :7.20%
Liability with x% increase in Discount Rate	33,07,175; x=1.00% [Change (1.99)%]	22,92,314; x=1.00% [Change (1.96)%]
Liability with x% decrease in Discount Rate	34,44,187; x=1.00% [Change 2.07%]	23,85,691; x=1.00% [Change 2.03%]

h) The principle assumptions used in determining gratuity obligations are as follows:

Particulars	Year ended March 31, 2025	Year ended March 31, 2024	Year ended March 31, 2023
Discount rate	6.55 % per annum	7.20 % per annum	7.30 % per annum
Salary Growth Rate	5.00 % per annum	5.00 % per annum	5.00 % per annum
Mortality	-	-	-
Withdrawal rate (Per Annum)	25.00 % p.a. at all ages	25.00 % p.a. at all ages	25.00 % p.a. at all ages

41 Details as per Section 22 of the Micro, Small and Medium Enterprises Development Act, 2006 (MSMED Act). This information has been determined to the extent such parties have been identified on the basis of information available with the Company.

Particulars	Year ended March 31, 2025	Year ended March 31, 2024	Year ended March 31, 2023
Principal amount and interest due thereon remaining unpaid to any supplier as at the end of each accounting year.			
- Principal	Nil	Nil	Nil
- Interest	Nil	Nil	Nil
The amount of interest paid by the buyer in terms of section 16, of the Micro Small and Medium Enterprise Development Act, 2006 a long with the amounts of the payment made to the supplier beyond the appointed day during each accounting year	Nil	Nil	Nil
The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under Micro Small and Medium Enterprise Development Act, 2006	Nil	Nil	Nil
The amount of interest accrued and remaining unpaid at the end of each accounting year; and	Nil	Nil	Nil
The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act 2006.	Nil	Nil	Nil

42 Capital management

For the purposes of the company's capital management, capital includes issued capital and all other equity reserves. The primary objective of the company's capital management is to maximize shareholder value. The company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirements of the financial covenants.

The company monitors capital using gearing ratio, which is net debt (total debt less cash and cash equivalents) divided by total capital plus net debt.

Particulars	As at March 31, 2025	As at March 31, 2024	As at March 31, 2023
Total borrowings	2,34,645.63	2,57,173.61	2,41,846.15
Less: Cash and cash equivalents	4,149.94	8,311.01	12,556.10
Net Debt (A)	2,30,495.69	2,48,862.60	2,29,290.05
Total Equity (B)	6,03,615.23	5,85,246.99	5,23,015.04
Total Equity and Net Debt (C = A + B)	8,34,110.92	8,34,109.59	7,52,305.09
Gearing ratio	0.28	0.30	0.30

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the years ended March 31, 2025 and March 31, 2024

43 Disclosure under Para 44A as set out in Ind AS 7 on cash flow statements under Companies (Indian Accounting Standards) Rules, 2017 (as amended)
