

GROWING. SERVING. LEADING.

GROWING. SERVING. LEADING.

The journey of Euro India Fresh Foods Limited continues to be defined by ambition, purpose, and a deep commitment to those we touch. Our theme for this year, "Growing. Serving. Leading.", reflects not only a story of results, but the philosophy that has guided the Company from its earliest days to the present moment and onward toward an expanding future.

Growth is more than a metric; it is the mindset with which we embrace new challenges, invest in capabilities, and innovate across every category. It is visible in each new market entered, every product line developed, and every milestone achieved by our people. Serving sits at the centre of our existence, underscoring our devotion to customers, partners, and communities. Whether through delivering quality in every pack or advancing welfare and opportunity, service is the heart of our business model.

Leadership, for us, means setting the standard through quality, ethics,

and a forward-looking vision. It inspires us to shape trends, nurture talent, and build on a legacy that promises relevance and resilience in a changing world.

This report is a reflection of a company that advances not just through numbers, but through clarity of intent,

shared values,
and a belief
in progress
that benefits
all.

LETTER TO SHAREHOLDER

PROGRESSING TOGETHER IN A TRANSFORMATIVE YEAR

Dear Shareholders,

It is my privilege to present the 16th Annual Report for FY25. This year marks another meaningful step in our journey as Euro India Fresh Foods Limited continues to evolve in a dynamic business landscape. Today our business stands as a reflection of the support and confidence that our clients, partners, and broader stakeholder community have placed in us.

Beyond reporting on our progress, this letter serves as an opportunity to thank every stakeholder for the vital role played in shaping our shared success and resilience. At its core, Euro India Fresh Foods Limited is driven by a purpose to deliver value and quality to our markets, create opportunities for our people, and contribute thoughtfully to the communities we serve.

UNCERTAINTY AND OPPORTUNITY

The global economic environment over the last year has been shaped by heightened uncertainty. As monetary and fiscal policies evolved in response to inflation and the after-effects of pandemic disruptions, businesses globally faced the compounded challenges of volatile energy and commodity prices, persistent inflationary pressures, and a fractious geopolitical order. Trade policy disputes and changing supply chains have further slowed the pace of global growth. This tepid growth has been accompanied by weaker trade volumes, increased barriers, and delayed investment decisions from many global businesses. While advanced economies wrestle with low growth and shifting consumer patterns, emerging markets continue to navigate regulatory, pricing and macroeconomic headwinds.

Within this context, India has maintained its distinction as the world's fastest-growing large economy. The International Monetary Fund has upgraded India's growth forecast for the current and coming year, underpinned by improved consumption prospects and especially resilient rural demand. India's economic momentum remains driven by the combined strength of its working-age population, government-led infrastructure initiatives, and a persistent rise in domestic consumption. This robust growth stands in contrast to much of the global economy, providing a stable anchor for businesses with a pan-India presence and aspirations to serve a wider global market.

CONSUMPTION EVOLUTION AND PACKAGED FOOD OPPORTUNITIES

India's rising incomes, expanding urban population and digitalisation continue to bolster consumption, with the food processing and packaged foods sector witnessing unprecedented growth. The sector is projected to increase from \$33.7 billion in 2023 to \$46.3 billion by 2028, fuelled by changing lifestyles, increased health awareness, and greater adoption of packaged foods across both metropolitan and tier 2 and 3 cities. Evolving consumer preferences are shifting towards protein-rich, convenient, and safe food options, driving industry innovation and encouraging brand loyalty.

The food processing industry now contributes approximately 7.7% of India's manufacturing gross value added, creates strong employment opportunities, supports agricultural diversification and anchors the nation's export potential. As global supply chains adapt, India's prominence in food exports and its growing middle class ensure that the packaged foods industry will remain a major engine of economic value and opportunity.

At Euro India Fresh Foods Limited, these macro trends present an array of possibilities. With a wide distribution footprint, the Company is positioned to benefit from both rising domestic demand and increasing export potential. Strategic investments in technology, product development and retail integration will help the Company to address the fast-evolving needs of customers and secure growth well into the future.

SCALING NEW BENCHMARKS

Against this evolving landscape, Euro India Fresh Foods Limited delivered excellent results in 2024-25. Revenue from operations reached ₹143.74 crore for FY25, a growth of 29.27% compared to ₹111.24 crore reported in FY24. The Company generated EBITDA of ₹13.67 crore in FY25, representing an increase of 44.19% over ₹9.48 crore achieved in the prior year. Profit after tax stood at ₹5.60 crore for FY25, up 155.25% from ₹2.19 crore in FY24. These results not only reflect strong internal execution but also underline the resilience of the Company's business model and the enduring trust of customers and partners.

Our major step forward during the year was our partnership with the Gujarat Titans as the Official Snacking Partner for the Indian Premier League. This mutually beneficial collaboration has delivered immense brand visibility across the country and provided a springboard for scaling our market leadership. With domestic reach now extending to more than seven states, and exports spanning over 20 countries, Euro India Fresh Foods Limited is strengthening its standing as a leader in the food sector.

As we look ahead, a major focus will be on optimising product margins, streamlining operational processes, and expanding the product portfolio to include frozen foods, ready-to-eat meals, and protein or energy bars. The opening of our new Food Park at Chikhli is set to enhance innovation, operational scale, and support the development of new lines in namkeen, potato chips, and fruit juices. Alongside this, our strategy includes strengthening our franchise model; with plans to launch more than 200 new outlets next year, we expect this to further increase our brand visibility across high-potential markets and bolster our distribution footprint.

ROOTED STRENGTHS, FORWARD STRATEGY

The positive momentum achieved in FY25 is grounded in our operational strengths and clear sense of direction.

A diversified, high-quality product basket, state-of-the-art ISO-certified manufacturing, rigorous quality controls, and a transparent distribution network form the backbone of our business. The Company is supported by a management team that brings depth, skill, and a track record of responsible decision-making. Brand Euro is now well recognised in our key states and is making inroads nationally, with trust fostered through reliability, transparency, and customer satisfaction.

Euro India Fresh Foods Limited's strategy stays focused on scaling distribution, enhancing market reach, and executing expansion in semi-urban and rural markets. We diligently research demographic and regional demand before entering new segments or geographies to ensure our products meet the needs and preferences of each market. Our research and development efforts have enabled the introduction of new customer-focused solutions, and our investments in process efficiency and technology have delivered tangible benefits in cost management and service quality. As the industry and consumer habits shift, we remain confident in our ability to capture incremental opportunities and consolidate our market leadership over time.

PEOPLE, RESPONSIBILITY, AND A SHARED FUTURE

Our employees' dedication is a cornerstone of the Company's progress. With 465+ team members comprising production, quality control, field operations, and corporate staff, we maintain ongoing investment in structured in-house training and refresher sessions focused on global standards and best practices. Our culture of engagement and recognition is reflected in positive employee feedback and independent work environment assessments. Welfare programmes, opportunities for growth, and clear HR procedures support a stable and motivated workforce.

The Company's commitment to responsible growth also extends into the community. During the year,

we contributed to local charitable trusts and critical social causes. Our educational activities reached more than 10,000+ students from nearly 65+ schools and colleges across Surat through industrial visits, awareness campaigns, and skill development initiatives. These efforts embody our belief in a holistic growth model, one that combines commercial success with meaningful support to the wider society.

CONFIDENCE FOR TOMORROW

Looking ahead, Euro India Fresh Foods Limited stands poised for the next phase in its journey, buoyed by operational strength, a dynamic workforce, and unwavering stakeholder support. The expanding Indian consumption story, the evolution in packaged foods, and ongoing investments in infrastructure and innovation create a solid platform for continued value creation. We are committed to optimising achievements for our customers, partners, and communities while maintaining the highest standards of safety, quality, and sustainability.

In closing, I wish to thank our shareholders, business partners, suppliers, employees, and consumers for your continued trust and encouragement. Your support fuels our ambition, diligence, and progress. Together, we will embrace the opportunities and overcome the challenges that lie ahead, ensuring sustainable and shared gains for all.

With warm regards,

Manhar J. Sanspara

MANAGEMENT DISCUSSION & ANALYSIS REPORT- ANNEXURE VI

GLOBAL ECONOMY

In 2024, the global economy expanded by 3.3%, supported by supply chain improvements and easing pressures in energy and food markets. Inflation showed signs of stabilisation, while shifts in trade policies, including new tariffs introduced by the United States and subsequent counter measures by trading partners, reshaped international trade flows. These developments influenced both growth prospects and regional economic dynamics.

Advanced economies recorded growth of 1.8%, underpinned by resilient services sectors and policy measures aimed at anchoring price stability. The United States maintained robust momentum with growth of 2.8%, whereas the euro area expanded by 0.8% reflecting the combined impact of weaker demand and tighter monetary policy settings. Emerging market and developing economies remained a key driver of global activity, achieving growth of 4.3%. India continued to benefit from strong domestic demand, favourable demographics, and rapid digitalisation. In contrast, China experienced moderating expansion in response to trade frictions and structural adjustments.

Looking forward, global growth is expected to ease to 2.8% in 2025 due to ongoing trade tensions, restrictive monetary conditions, and elevated geopolitical uncertainty. A modest recovery to 3.0% is projected for 2026, subject to resolution of prevailing risks.

INDIAN ECONOMY

India's economy is projected to grow at 6.5% in FY25, moderating from the strong 9.2% growth achieved in the previous financial year. This moderation is influenced by global trade uncertainties arising from proposed United States tariffs on Indian exports, along with subdued private investment activity. Despite these headwinds, the economy displayed resilience, supported by domestic consumption, favourable monsoon forecasts that improved agricultural prospects, and strong activity in the services sector.

Inflation has seen a marked easing, with the rate declining to 3.34% in March 2025, the lowest level in five years. Food inflation stood at 2.69%, while price pressures in housing and fuel also moderated, contributing to an overall decline. In response, the Reserve Bank of India implemented two consecutive reductions in the repo rate, bringing the benchmark policy rate to 6.0%. This monetary easing created flexibility to sustain growth while ensuring that inflation remains well anchored.

Across sectors, the economy recorded encouraging momentum. Manufacturing benefitted from higher capacity utilisation and a more supportive policy environment. Despite global trade concerns and margin pressures, steady domestic demand provided an important growth driver. Improvements in logistics, policy measures to encourage value addition, and enhanced infrastructure activity supported industrial performance, particularly in consumer goods and light manufacturing. Continued government-led infrastructure initiatives and fiscal support elevated business confidence and reinforced demand within core sectors. The services sector maintained strong demand fundamentals, while infrastructure activity gained further traction. Goods and Services Tax collections reflected the resilience of consumption, with gross revenues at ₹22.08 lakh crore for FY 2024 to 2025, a 9.4% increase on the previous year, aided by better compliance and robust consumption in non-discretionary categories.

Looking forward, the Reserve Bank of India expects growth of 6.5% in FY 2025 to 2026, with an uptick to 6.7% projected in FY 2026 to 2027 as global recovery strengthens, private investment cycles gain traction, and supply chain diversification provides new opportunities.

INDIAN PACKAGED SNACKS INDUSTRY

The packaged snacks industry in India has emerged as a key component of the country's food and beverages market. According to IMARC Group, the Indian packaged snacks market was valued at ₹46,571.3 crore in 2024. Over the coming decade, it is projected to grow to ₹1,01,811.2 crore by 2033, recording a compound annual growth rate of 8.63 % during 2025–2033. This growth outlook reflects the strength of structural demand, supported by demographic changes, rising incomes, and greater penetration of organised retail.

KEY DEMAND DRIVERS

URBANISATION AND LIFESTYLE CHANGES

Rapid urbanisation is altering dietary behaviour across India. Larger working populations in cities, time constraints, and changing household structures are creating sustained demand for convenient food solutions. Packaged snacks serve as quick meal substitutes and fit seamlessly into fast-paced daily routines. Their portability and availability across retail formats ensure continued relevance in urban centres, while their growing reach into smaller towns highlights the broader impact of urban lifestyles on national consumption.

RISING DISPOSABLE INCOMES

Growth in disposable incomes has allowed households to allocate greater resources to discretionary categories such as packaged food. Consumers are increasingly willing to spend on ready-to-eat and processed snacks, which are perceived as affordable indulgences. Higher purchasing power across middle-income and aspirational groups is enabling demand for premium variants and larger pack sizes. This trend is creating opportunities for companies to diversify portfolios and capture incremental growth from an expanding consumer base with evolving expectations.

INFLUENCE OF WESTERN CONSUMPTION HABITS

Global exposure through media, digital platforms, and travel is influencing eating patterns in India. A rising preference for ready-to-eat foods and packaged snacks reflects this shift. Western-style snacking has gained ground across younger consumers, who are increasingly open to experimenting with flavours and formats. This change is complementing traditional food habits rather than replacing them, thereby broadening the overall category. The appeal of modern snack products is strengthening their role in everyday consumption, particularly in urban and semi-urban regions.

GROWTH IN PROCESSED FOOD CONSUMPTION

Busy lifestyles have led to packaged snacks being consumed as convenient substitutes for traditional meals. Consumers prefer ready-to-eat items that require minimal preparation and provide both taste and accessibility. The packaged snacks industry benefits directly from the rising share of processed foods in daily diets. With increasing availability across different price points and pack sizes, these products are penetrating diverse consumer segments and geographies, reinforcing their role as staples in modern Indian households.

APPEAL OF TASTE AND SHELF LIFE

The long shelf life of packaged snacks combined with consistent taste profiles ensures widespread consumer acceptance. Popular products such as chips, salted peanuts, fryums, and popcorns are favoured for both in-home and on-the-go consumption. Flavour innovation, portion-controlled packaging, and wider product availability further enhance their appeal. As consumers continue to seek reliable and accessible snacking options, these attributes ensure that packaged snacks remain a preferred choice across multiple demographics and consumption occasions.

INDUSTRY OUTLOOK

The Indian packaged snacks industry is set to more than double in value over the next decade, driven by a strong combination of socio-economic factors. With a projected CAGR of 8.63 %, the sector represents a significant opportunity for growth. Urbanisation, income growth, lifestyle changes, Western influences, processed food adoption, and consumer preference for taste and shelf life will remain the foundation of demand. Continued investment in distribution networks and retail presence will further strengthen the industry's trajectory.

COMPANY OVERVIEW

Euro India Fresh Foods Limited is a distinguished manufacturer in the Indian packaged food market, headquartered in Surat, Gujarat. The company maintains robust capabilities across multiple segments, producing chips, namkeen, extruded snacks, fruit beverages, and packaged drinking water. Operations are anchored by a technologically advanced, ISO 22000:2005 certified facility spanning 200,000 square feet, where stringent safety and quality standards are prioritised. All products are vegetarian, approved by FSSAI, and designed to exclude MSG, artificial colours, trans fats, cholesterol, and genetically modified ingredients. With nitrogen-filled packaging safeguarding product freshness, the company demonstrates an unwavering commitment to integrity and consumer confidence.

Euro India Fresh Foods Limited integrates innovation into its business processes, supporting continuous product development and sustainable practices. The company's approach balances reliability, value, and responsible manufacturing, establishing Euro as a preferred partner within a competitive and fast-evolving FMCG landscape.

PERFORMANCE REVIEW

In FY25, Euro India Fresh Foods Limited reported revenue from operations of ₹143.74 crore, reflecting a 29.27% increase over FY24. EBITDA grew to ₹13.67 crore, representing a rise of 44.19% compared to the previous year. Profit after tax stood at ₹5.60 crore, marking a growth of 155.25% on last year's outcome. These results exemplify the strength and consistency of our business model, supported by sustained customer confidence and solid execution.

A noteworthy achievement for the year was the strategic partnership with the Gujarat Titans as the Official Snacking Partner for the Indian Premier League. This collaboration enhanced brand recognition nationally and supported our efforts to widen domestic and international market reach, with presence now established in over seven states and exports to more than twenty countries.

In the forthcoming period, focus will be directed towards margin optimisation, operational efficiency, and portfolio expansion into frozen foods, ready meals, and energy bars, leveraging new infrastructure and franchise growth.

OPPORTUNITIES AND THREATS

India's FMCG sector presents significant prospects for growth as the country develops into a global sourcing base for cost-efficient product development and manufacturing targeting both domestic and international markets. Indian consumers show strong receptiveness to product innovation and diversity, creating potential for new launches and differentiated offerings. Expanding and reinforcing distribution networks, particularly with an emphasis on reaching the last mile, will support deeper penetration across diverse consumption categories. Low penetration levels in many product segments continue to provide headroom for expansion. The demand trajectory is further strengthened by increasing consumer interest in health-oriented products, while rural markets present considerable opportunity for expanding market coverage and driving incremental growth.

The competitive environment is marked by high levels of investment in brand promotion and the establishment of extensive distribution systems, both of which require substantial resource allocation from companies. Aggressive advertising expenditure can elevate the cost of customer acquisition. Furthermore, saturation in fast-food categories within developed economies places additional pressure on market participants seeking growth through international expansion. These dynamics underscore the necessity for sustained innovation, efficient capital deployment, and strategic differentiation.

RISK AND MITIGATION

PRICE VOLATILITY OF INGREDIENTS

MITIGATION: Long-term procurement contracts, inventory buffers, and agile cost management practices help absorb sharp fluctuations in raw material costs.

REGULATORY AND POLICY SHIFTS

MITIGATION: Continuous surveillance of regulatory trends with early adaptation by compliance and technical teams, including swift updates to labelling and packaging practices.

RAPID CHANGES IN CONSUMER PREFERENCES

MITIGATION: Robust research and development, frequent new product launches, and the refresh of existing offerings to align with contemporary consumer tastes.

INTENSE MARKET COMPETITION

MITIGATION: Dedicated expansion in priority regions, investment in brand development, and enhanced trade partnerships support the broadening of market share.

QUALITY ASSURANCE RISKS

MITIGATION: Stringent multi-level quality control, periodic process audits, and ongoing team training deliver consistent product excellence.

ITEM NO. 9 Appointment of Dhirren Dave & Co., Company Secretaries as Secretarial Auditor for (5) five consecutive Years.

This explanatory statement is provided in accordance with Regulation 36(5) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations").

In accordance with the provisions of Section 204 and other applicable provisions of the Companies Act, 2013, read with Rule 9 of the Companies (Appointment & Remuneration of Managerial Personnel) Rules, 2014 (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force) ("the Act"), every listed Company and certain other prescribed categories of companies are required to annex a Secretarial Audit Report, issued by a Practicing Company Secretary, to their Board's report, prepared under Section 134(3) of the Act.

Furthermore, pursuant to recent amendments to Regulation 24A of the SEBI Listing Regulations, every listed entity is required to conduct a Secretarial Audit and annex the Secretarial Audit Report to its annual report. Additionally, a listed entity must appoint a Secretarial Audit firm for a maximum of two terms of five consecutive years, with shareholder approval to be obtained at the Annual General Meeting.

Accordingly, based on the recommendation of the Audit Committee, the Board of Directors has approved the appointment of M/s Dhirren R. Dave & Co., Practicing Company Secretaries (Firm Registration No. PI996GJ002900) Company Secretaries, as the Secretarial Auditors of the Company for a period of five years, with effect from Financial Year 2025-26 to Financial Year 2029-30. The appointment is subject to shareholders' approval at the Annual General Meeting.

While recommending M/s Dhirren R. Dave & Co. for appointment, the Board and the Audit Committee evaluated various factors, including the firm's capability to handle a diverse and complex business environment, its existing experience in the Company's business segments, its industry standing, the clientele it serves, and its technical expertise. M/s Dhirren R. Dave & Co. was found to be well-equipped to manage the scale, diversity, and complexity associated with the Secretarial Audit of the Company.

M/s Dhirren R. Dave & Co is a peer reviewed and a well-established firm of Practicing Company Secretaries, registered with the Institute of Company Secretaries of India, New Delhi. The firm is led by experienced partners, all of whom are distinguished professionals in the field of corporate governance and compliance. Their collective expertise spans corporate advisory, transactional services, litigation, advocacy, and legal due diligence. The firm also has associate partners with strong professional credentials who align with its core values of character, competence, and commitment. M/s Dhirren R. Dave & Co. specializes in compliance audit and assurance services, advisory and representation services, and transactional services. The terms and conditions of M/s Dhirren R. Dave & Co's appointment include a tenure of five years. The fixed remuneration for the Secretarial Audit for the year 2025-2026 is set at ₹ 40,000/- (Rupees Forty Thousand only), plus applicable taxes and other out-of-pocket costs incurred in connection with the audit.

Additional fees for statutory certifications and other professional services will be determined separately by the management, in consultation with M/s Dhirren R. Dave & Co., and will be subject to approval by the Board of Directors and/or the Audit Committee. The remuneration for the remaining

tenure will also be approved by the Board and/or the Audit Committee.

The proposed fees are determined based on the scope of work, team size, industry experience, and the time and expertise required by M/s Dhirren R. Dave & Co to conduct the audit effectively.

M/s Dhirren R. Dave & Co. has provided its consent to act as the Secretarial Auditors of the Company and has confirmed that the proposed appointment, if made, will be in compliance with the provisions of the Act and the SEBI Listing Regulations.

Accordingly, the consent of the shareholders is sought for the appointment of M/s Dhirren R. Dave & Co. as the Secretarial Auditors of the Company.

The Board of Directors recommends the resolution for approval by the Members, as set out at Item No. 09 of the Notice as Special Resolution.

None of the Directors, Key Managerial Personnel (KMP), or their relatives have any financial or other interest in the proposed resolution.

Independent Auditor's Report

To,
The Members of
Euro India Fresh Foods Limited

OPINION

We have audited the accompanying standalone financial statements of EURO INDIA FRESH FOODS LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss including the statement of other comprehensive income, the statement of cash flow and the statement of changes in equity for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India.

- (a) In the case of the Balance Sheet, of the state of the affairs of the Company as at March 31, 2025;
- (b) In the case of the Statement of Profit and Loss including the statement of Other Comprehensive Income, of the Profit for the year ended on that date.

- (c) In the case of the Cash Flow Statement, of the cash flows of the Company for the year ended on that date.
- (d) In the case of the statement of changes in equity, of the changes in equity of the Company for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

KEY AUDIT MATTERS

Sr. No.	Key Audit Matter	Auditor's Response
1.	Company's revenue from operations consists primarily of sale of food products, sold through distributors, modern trade, and direct sales channel. Revenue is recognised when the control is transferred to customers and performance obligations are fulfilled as per Ind AS 115 "Revenue from contracts with customers". The revenue from sale of products is measured net of returns and allowances for trade discounts and volume rebates (collectively 'discount and rebates').	<p>Our key audit procedures around revenue recognition includes but were not limited to, the following:</p> <ul style="list-style-type: none"> Assessed the appropriateness of the Company's accounting policy on revenue recognition, including policies related to the adjustment of discounts, returns, and rebates, in accordance with the requirements of Ind AS 115 – Revenue from Contracts with Customers. Evaluated the design, implementation, and tested the operating effectiveness of key internal controls relating to revenue recognition, discounts, and rebates, including general IT controls and key application controls. Performed substantive testing on selected samples of revenue transactions recorded during the year by verifying supporting documents such as sales invoices, sales orders, gate outward slips, and E-way bills on a test-check basis. Obtained an understanding of, and evaluated, the Company's process for recording accruals related to discounts, rebates, and ongoing incentive schemes. We tested the provision calculations by tracing a sample of recognized amounts to underlying agreements with customers and other supporting documentation. Performed analytical review procedures and trend analysis on revenue, discounts, and rebates recognized during the year to identify any unusual or material variances.

KEY AUDIT MATTERS (Contd.)

Sr. No.	Key Audit Matter	Auditor's Response
		<ul style="list-style-type: none"> Reviewed manual journal entries posted at year-end to identify any unusual entries impacting revenue and verified the related supporting documentation. Assessed the appropriateness and adequacy of disclosures in the standalone financial statements with respect to revenue recognition and related adjustments for discounts and rebates, in accordance with the applicable accounting standards.

INFORMATION OTHER THAN THE STANDALONE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual report, but does not include the standalone financial statements and our auditor's report thereon. The Company's annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether such other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Company's annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the state of affairs profit/loss including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making

judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, The management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITY

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by The management and Board of Directors.
- Conclude on the appropriateness of the management and Board of Directors use of the going concern basis of accounting in preparation of standalone financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of

a reasonably knowledgeable user of the Standalone Financial Statements may be influenced.

We consider quantitative materiality and qualitative factors (i) in planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2020 ("the order") issued by the Central Government of India in terms of sub-section (II) of section 143 of the Act, we give in the Annexure "A" statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The standalone Balance sheet, the standalone Statement of Profit and Loss (including standalone other comprehensive income), the standalone statement of changes in equity and the standalone Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - (e) On the basis of the written representations received from the directors as on March 31, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) The modification relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph 2(b) above on reporting under section 143(3)(b) and paragraph 2(h)(vi) below on reporting under Rule 11(g).
 - (g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **Annexure "B"**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. the Company has disclosed the impact of pending litigations as at March 31, 2025 on its financial position in its financial statements;

- iii. there were no amounts, which were required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv. (a) The management has represented that, to the best of its knowledge and belief no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company; or
 - Provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- (b) The management has represented, that, to the best of its knowledge and belief no funds have been received by the

Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:

- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or
 - Provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries.
- (c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (iv) (a) and (iv) (b) contain any material misstatement.
 - v. The Company has neither declared nor paid any dividend during the year hence this clause is not applicable.
 - vi. Based on our examination, which included test checks, the Company has used accounting software's for maintaining its books of account for the financial year ended March 31, 2025 where the feature of recording audit trail (edit log) facility was not installed and enabled.
3. In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

TO THE INDEPENDENT AUDITOR'S REPORT

Of Euro India Fresh Foods Limited

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(II) of the companies Act, 2013 ("the Act"), we give in following details on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

i. In respect of Property, plant and equipments :

- a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (B) The Company has maintained proper records showing full particulars of intangibles assets.
- b) All Property, Plant and Equipment have not been physically verified by the Management during the year but there is a regular programme of verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No Material discrepancies were noticed on such verification.
- c) According to the information and explanation given to us and the records examined by us and based on the examination of the title deed provided to us, we report that, the title deeds, comprising all the immovable properties disclosed of land and building and lease agreements are held in the name of the Company as at balance sheet date.
- d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its property, plant and equipment (including right of use assets) or intangible assets or both during the year.
- e) According to information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.

ii. In respect of Inventories :

- a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of verification by the management is reasonable and the coverage and procedure for such verification is appropriate and discrepancies of 10% or more in aggregate for each class of inventory were not noticed in respect of such verification.

- b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, The Company has been sanctioned working capital limits in excess of ₹ 5 crores, in aggregate, from banks on the basis of security of current assets during the year. The quarterly returns/statements of current assets filed by the Company with such banks were compared with the corresponding books of account.

As explained to us by the management, the differences ranging between ₹ 9.50 crores to ₹ 10.00 crores were primarily attributable to non-consideration of certain items while preparing and submitting stock statements to the banks during the year. The remaining differences, ranging between ₹ 0.50 crore to ₹ 1.00 crore, representing approximately 1% to 2% variation, arose mainly due to timing differences in recording of transactions, inclusion of goods-in-transit in the stock statements furnished to the banks, and variations noted on account of physical verification of stock and the valuation methodology adopted.

iii. In respect of Loans granted by the Company :

- a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any investments or provided any guarantees or security or granted loans or advances in the nature of loans, secured or unsecured to companies, firms, limited liability partnerships or any other parties during the year hence reporting under clause 3(iii)(a) of the order is not applicable.
- b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any investments or provided any guarantees or security or granted loans or advances during the year hence reporting under clause 3(iii)(b) of the order is not applicable.
- c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not given any loans during year hence reporting under clause 3(iii)(c) of the order is not applicable.
- d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not given any loans during year hence reporting under clause 3(iii)(d) of the order is not applicable.

- e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not given any loans during year hence reporting under clause 3(iii)(e) of the order is not applicable.
- f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not given any loans during year hence reporting under clause 3(iii)(f) of the order is not applicable.

iv. In respect of compliance u/s 185 & 186 :

According to the information and explanation given to us, Loans, investments, guarantees and security in respect of which provisions of sections 185 and 186 of the Companies Act, 2013 are applicable have been complied with by the Company.

v. In respect of public deposits :

According to the information and explanation given to us, The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Therefore, the provisions of Clause (v) of paragraph 3 of the CARO 2020 are not applicable to the Company.

- (b) According to the information and explanations given to us, there were no dues outstanding on account of any dispute with respect to, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues. Details of dues of GST which have not been deposited as on March 31, 2025 on account of disputes are given below:

Name of Statute	Nature of dues	Forum where dispute is pending	Year to which the amount relates	Amount Involved [In Lacs]
Goods and Services Tax Act, 2017	GST	High Court of Gujarat	F.Y 2017-18 to F.Y 2023-24	1164.22

viii. Reporting on unrecorded income:

According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.

ix. Reporting on repayment and usage of borrowing:

- a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in the repayment of loans or borrowings or in the payment of interest thereon to any lender.
- b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a willful defaulter by any bank or financial institution or other lender.

vi. In respect of cost records :

Reporting under clause 3(vi) of the order is not applicable as the Company's business activities are not covered under by the companies (Cost Records and Audit) Rules, 2014.

vii. In respect of statutory dues :

- (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/accrued in the books of account in respect of undisputed statutory dues including goods and service tax, provident fund, employees' State Insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, have been regularly deposited during the year by the Company with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' State Insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues were in arrears as at March 31, 2025 for a period of more than six months from the date they became payable except GST of ₹ 16.98 Lacs.

- c) To the best of our knowledge and belief, in our opinion, term loans availed by the Company were, applied by the Company during the year for the purposes for which the loans were obtained.
- d) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company does not have any subsidiaries, associates or joint venture hence reporting under clause 3(ix)(e) of the order is not applicable.
- f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company does not have any subsidiaries hence reporting under clause 3(ix)(f) of the order is not applicable.

x. In respect of Public Issues :

- a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year hence reporting under clause 3(x)(a) of the order is not applicable.
- b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year hence reporting under clause 3(x)(b) of the Order is not applicable to the Company.

xi. In respect of Frauds :

- a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, considering the principles of materiality outlined in the Standards on Auditing, we report that no fraud by the Company or on the Company has been noticed or reported during the course of the audit.
- b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, no whistle blower complaints received by the Company during the year hence reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

xii. Reporting on Nidhi Company :

According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii)(a) to 3(xii)(c) of the Order are not applicable.

xiii. Reporting on related party transactions:

In our opinion and according to the information and explanations given to us, The Company is in compliance with sections 177 and 188 of Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements etc., as required by the applicable accounting standards.

xiv. Reporting on Internal Audit:

- a) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
- b) We have considered the internal audit reports of the Company issued till date for the period under audit.

xv. Reporting on Non cash transactions with Directors:

In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him so the provisions of section 192 of Companies Act, 2013 are not applicable hence reporting under clause 3(xv) of the order is not applicable.

TO THE INDEPENDENT AUDITOR'S REPORT

Of Euro India Fresh Foods Limited

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act").

We have audited the internal financial controls over financial reporting of EURO INDIA FRESH FOODS LIMITED ('the Company') as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013 and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by ICAI, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected

depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

2. SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

The financial statements have been prepared on a historical cost basis, except certain assets and liabilities measured at fair value (refer accounting policies). The financial statements are presented in INR, except where otherwise stated.

These financial statements have been prepared on the basis of the going concern assumption, which contemplates the realization of assets and settlement of liabilities in the normal course of business.

The management has evaluated the Company's operational and financial performance, available funding lines, and projected cash flows for the foreseeable future. Based on

this assessment, there are no material uncertainties that may cast significant doubt about the Company's ability to continue as a going concern. Accordingly, these financial statements do not include any adjustments relating to the recoverability or classification of recorded assets and liabilities that may be necessary if the Company were unable to continue as a going concern.

These Financial statements do not reflect the effects of events that occurred after the respective dates of the board meeting held for the approval of the financial statements as at and for the year ended March 31, 2025, as mentioned above.

The accounting policies are applied consistently and presented in the financial statement except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in accounting policy hitherto in use.

The financial statements of the Company for the year ended March 31, 2025 were approved for issue in accordance with the resolution of the Board of Directors on May 26, 2025.

Summary of material accounting policies

2.2 Overall Consideration

The financial statements have been prepared using the significant accounting policies and measurement basis summarised below. These were used throughout all periods presented in the financial statements.

2.3 Basis of preparation

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 116, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1** inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2** inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3** inputs are unobservable inputs for the asset or liability."

2.4 Current Versus Non-Current Classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is classified as current when it is:

- Expected to be realised or intended to sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is classified as current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has determined its operating cycle, as explained in Schedule III of the Companies Act, 2013, as twelve months, having regard to the nature of business being carried out by the Company. The same has been considered for classifying assets and liabilities as 'current' and 'non-current' while preparing the financial statements.

2.5 Key Accounting Estimates & Judgements

The preparation of financial statements requires management to make judgements, estimates and assumptions in the

application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgements based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Revisions to accounting estimates are recognised prospectively.

Information about critical judgements in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the following note. The areas involving critical estimates or judgement are

- a) Estimation of Employee benefit obligation - Please refer note no -40.
- b) Probable outcome of matters included under Contingent Liabilities - please refer notes no - 36
- c) Estimation of Deferred Tax Asset - Please refer notes no. - 20.

2.6 Foreign currency translation

Functional and presentation currency

The financial statements are presented in Indian Rupee ('INR') which is also the functional and presentation currency of the Company.

Transactions and balances

Foreign currency transactions are recorded in the functional currency, by applying to the exchange rate between the functional currency and the foreign currency at the date of the transaction.

Foreign currency monetary items are converted to functional currency using the closing rate. Non-monetary items denominated in a foreign currency which are carried at historical cost are reported using the exchange rate at the date of the transactions.

Exchange differences arising on monetary items on settlement, or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the statement of profit and loss in the year in which they arise.

2.7 Revenue Recognition

(i) Sale of goods

Revenue from sale transaction is recognized as and when significant risks and rewards attached to ownership in the good is transferred to the buyer. The Company collect Goods and Service taxes (GST) on behalf of the government, and, therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from revenue.

(ii) Sale of Services

Revenue from sale of services is recognised when related services are rendered.

(iii) Rental Income

Rent income is accounted on accrual basis.

(iv) Interest Income

Interest income is accrued on a time proportion basis, by reference to the principal outstanding and the effective interest rate applicable.

(v) Dividend income

Dividend income from investments is recognized when the Company's rights to receive payments have been established.

2.8 Borrowing Cost

General and specific borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. All other borrowing costs are recognized as expenses in Statement of Profit and Loss in the period in which they are incurred.

2.9 Property, Plant and Equipment & Right of Use Assets

Recognition and initial measurement

Property, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognized in statement of profit or loss as incurred.

Subsequent measurement (Depreciation and Useful Lives)

Depreciation on property, plant and equipments are provided to the extent of depreciable amount on the straight line (SLM) Method. Depreciation is provided at the rates and in the manner prescribed in Schedule II to the Companies Act, 2013.

The residual values, useful lives and methods of depreciation/amortization of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Advances and Capital Work in Progress

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets and the cost of assets not put to use before such date are disclosed under 'Capital work-in-progress'.

The factory leasehold land has been classified as Right of use of assets as per requirement of IND AS 116 Leases.

De-recognition

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the

asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

Estimated useful lives of the tangible assets are as follows:

Factory Building	30 Years
Plant and Equipment	15 Years
Furniture and Fixtures	10 Years
Office Equipments	5 Years
Computers	3 Years
Vehicles	6/8 Years

2.10 Intangible Assets

Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

The Company has elected to continue with the carrying value of all its intangible assets recognised as on April 1, 2020 measured as per the previous GAAP and use that carrying value as its deemed cost as on transition date.

De-recognition of intangible assets

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in profit or loss when the asset is derecognised.

Useful Lives of Intangibles

Estimated useful lives of the intangible assets are as follows:

Computer Software 5 Years on straight line basis based on management estimate

2.11 Impairment testing of non-financial assets

At each reporting date, the Company assesses whether there is any indication based on internal/external factors, that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If, at the reporting date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount. Impairment losses previously recognized are accordingly reversed in the statement of profit and loss.

2.12 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Classification

The Company classifies financial assets as subsequently measured at amortized cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flows characteristics of the financial asset.

The Company classifies all financial liabilities as subsequently measured at amortized cost, except for financial liabilities at fair value through profit or loss. Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value."

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial asset is also adjusted.

Subsequent measurement

For purposes of subsequent measurement financial assets are classified in below categories:

Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model.

Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

De-recognition of financial assets

A financial asset is primarily de-recognized when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

Financial liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted. Financial liabilities are classified as amortised cost.

Subsequent measurement

These liabilities include are borrowings and deposits. Subsequent to initial recognition, these liabilities are measured at amortized cost using the effective interest method.

De-recognition of financial liabilities

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

2.13 Impairment of financial assets

In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive. When estimating the cash flows, the Company is required to consider:

- All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Trade receivables

The Company applies approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognized from initial recognition of receivables.

Other financial asset

For recognition of impairment loss on other financial assets and risk exposure, the Group determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

2.14 Leases

The Company's lease asset classes primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows."

2.15 Inventories

Inventories are valued at cost or net realizable value, whichever is lower.

The cost in respect of the various items of inventory is computed as under:

In case of raw materials at weighted average cost plus direct expenses. The cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.

In case of stores and spares at weighted average cost plus direct expenses. The cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.

In case of work in progress at raw material cost plus conversion costs depending upon the stage of completion.

In case of finished goods at raw material cost plus conversion costs, packing cost, non recoverable indirect taxes (if applicable) and other overheads incurred to bring the goods to their present location and condition.

Net realizable value is the estimated selling price in ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

2.16 Income tax

Tax expense is the aggregate amount included in the determination of profit or loss for the period in respect of current tax and deferred tax.

Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity.

Deferred income taxes are calculated using the liability method. Deferred tax liabilities are generally recognised in full for all taxable temporary differences. Deferred tax assets are recognised to the extent that it is probable that the underlying tax loss, unused tax credits or deductible temporary difference will be utilised against future taxable income. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss or credit. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit and loss (either in OCI or in equity).

As per the Guidance note issued by the Institute of Chartered Accountants of India, on accounting for credit available in respect of Minimum Alternative Tax (MAT) under the Income Tax Act 1961, MAT credit is source controlled by the Company as a result of past event, (viz., payment of MAT). MAT credit has expected future economic benefits in the form of its adjustments against the discharge of the normal tax liability if the same arises during the specified period and accordingly MAT credit is an asset. And it should be recognized as asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. The Company has recognized MAT credit asset as there is convincing evidence to the effect that the Company will pay normal income tax during the specified period.

2.17 Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and demand deposits with banks/corporations, together with other short-term, highly liquid investments (original maturity less than 3 months) that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

2.18 Post-employment benefits and short-term employee benefits

Short-term Employee Benefits:

A liability is recognized for benefits accruing to employees in respect of wages and salaries in the period the related service is rendered at the undiscounted amount of the benefit that is expected to be paid in exchange for that service.

Post-employment benefit plans

The Company provides post-employment benefits through defined contribution and defined benefit plans.

Defined contribution plans

The Company has contributed towards Provident Fund and Employees State Insurance Corporation fund, and the same is accounted on the basis of Defined contribution plan. The Company contributes on defined basis to employees provident fund and Employees State Insurance Corporation fund towards post employment benefits, which is administered by the Regional Provident Fund Authorities and Employees State Insurance Corporation respectively and has no further obligation beyond making its contribution, which is charged to the Statement of Profit and Loss.

Defined benefit plan - Gratuity

For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised

in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- re-measurement.

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'.

The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plans."

2.19 Provisions, Contingent Assets and Contingent Liabilities

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation in respect of which reliable estimate can be made. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent assets are neither recognized nor disclosed. However, when realization of income is virtually certain, related asset is recognized.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

2.20 Earnings per Share

Basic earnings per equity share are computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

Borrowings	4,197	3,931
Trade Payables	745	721
Other Financial Liabilities	155	213
Total	5,097	4,865

*All financial assets/liabilities stated above are measured at amorised cost and their carrying values are not considered to be not materially different from their fair values.

ii) Financial instruments risk management

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

A) Credit Risk

Credit risk is the risk that a counterparty fails to discharge its obligation to the Company. The Company's exposure to credit risk is influenced mainly by cash and cash equivalents, trade receivables and financial assets measured at amortised cost. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls.

a) Credit risk management

i) Credit risk rating

The Company assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

A: Low credit risk

B: Moderate credit risk

C: High credit risk

The Company provides for expected credit loss based on the following:

(Amount in Lacs)

Asset Company	Basis of categorisation	Provision for expected credit loss
Low credit risk	Cash & equivalents, other bank balances, trade rec. and other financial assets	12 month expected credit loss
Moderate credit risk	None	Life time expected credit loss
High credit risk	None	Life time expected credit loss or fully provided for

Based on business environment in which the Company operates, a default on a financial asset is considered when the counter party fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions.

Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or a litigation decided against the Company. The Company continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognised in statement of profit and loss.

(Amount in Lacs)

Credit rating	Particulars	As at March 31, 2025	As at March 31, 2024
A: Low credit risk	Cash and cash equivalents, other bank balances, loans, trade receivables and other financial assets	1,927	1,932
B: Moderate credit risk	None	-	-
C: High credit risk	None	-	-

ii) Concentration of trade receivables

The Company's exposure to credit risk for trade receivables is as follows -

(Amount in Lacs)

Particulars	As at March 31, 2025	As at March 31, 2024
Related Parties	701	1,059
Others	976	655
Total	1,677	1,714

b) Credit risk exposure

Provision for expected credit losses

The Company provides for 12 month expected credit losses for following financial assets:

March 31, 2025

(Amount in Lacs)

Nature of financial asset	Estimated gross carrying amount at default	Expected credit losses	Carrying amount net of impairment provision
Low credit risk			
Cash and cash equivalents	34	-	34
Trade Receivable	1,677	-	1,677
Loans	3	-	3

March 31, 2024

Low credit risk			
Cash and cash equivalents	15	-	15
Trade Receivable	1,714	-	1,714
Loans	6	-	6

c) Credit loss assessment for trade receivables

Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit review and individual credit limits are defined in accordance with this assessment. Outstanding customer receivables are regularly monitored. At the year end the Company does not have any significant concentrations of bad debt risk. An impairment analysis is performed at each reporting date on an individual basis for major clients. The calculation is based on historical data. The Company does not hold collateral as security. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in largely independent markets.

B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains flexibility in funding by maintaining availability under committed facilities.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates.

Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity companyings based on their contractual maturities for all non-derivative financial liabilities and the amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

C) Market Risk

Foreign exchange risk:

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company does not hedge foreign currency exposure arising under such contracts. The Company does not have foreign currency receivables as well as payables. Therefore the Company is not exposed to Foreign Exchange Risk.

NOTE 42 - FINANCIAL RISK MANAGEMENT

Risk management

The Company's capital management objectives are to ensure the Company's ability to continue as a going concern as well as to provide adequate return to shareholders by pricing products and services commensurately with the level of risk. The Company monitors capital on the basis of the carrying amount of equity plus its borrowings, less cash and cash equivalents as presented on the face of the statement of financial position and cash flow hedges recognised in other comprehensive income.

Management assesses the Company's capital requirements in order to maintain an efficient overall financing structure while avoiding excessive leverage. This takes into account the subordination levels of the Company's various classes of debt. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares, or sell assets to reduce debt. The amounts managed as capital by the Company for the reporting periods under review are summarised as follows:
