2. INVESTOR SERVICE AND GRIEVANCE HANDLING MECHANISM

All investor service matters are being handled by Karvy. Karvy, the largest Registrar in the country having a vast number of Investor Service Centres across the country, discharges investor service functions effectively, efficiently and expeditiously.

The Company has an established mechanism for investor service and grievance handling, with Karvy and the Compliance Officer appointed by the Company for this purpose, being the important functional nodes. The Company has prescribed service standards for various investor related activities being handled by Karvy, which are covered in the section on "Initiatives Taken by the Company". These standards are periodically reviewed by the Company. Any deviation therefrom is examined by the Internal Auditors.

3. COMPANY'S RECOMMENDATIONS TO THE SHAREHOLDERS / INVESTORS

The following are the Company's recommendations to shareholders / investors:

Open Demat Account and Dematerialise your shares

Investors should convert their physical holdings of shares into demat holdings. Holding shares in demat form helps investors to get immediate transfer of shares. No stamp duty is payable on transfer of shares held in demat form and risks associated with physical certificates such as forged transfers, fake certificates and bad deliveries are avoided. More benefits and procedure involved in dematerialisation are covered later in this Referencer.

Consolidate Multiple Folios

Investors should consolidate their shareholding held in multiple folios. This would facilitate one-stop tracking of all corporate benefits on the shares and would reduce time and efforts required to monitor multiple folios.

Register NECS Mandate and furnish correct bank account particulars with the Company / Depository Participant (DP)

Investors holding the shares in physical form should provide the National Electronic Clearing Service (NECS) mandate to the Company and investors holding the shares in demat form

should ensure that correct and updated particulars of their bank account are available with the Depository Participant (DP). This would facilitate in receiving direct credits of dividends, refunds etc., from companies and avoid postal delays and loss in transit. Investors must update their new bank account numbers allotted after implementation of Core Banking Solutions (CBS) to the Company in case of shares held in physical form and to the DP in case of shares held in demat form.

Submit Nomination Form

Investors should register their nominations in case of physical shares with the Company and in case of dematerialised shares with their DP. Nomination would help the nominees to get the shares transmitted in their favor without any hassles. Investors must ensure that nomination made is in the prescribed Form and must be witnessed by two witnesses in order to be effective. The Form may be downloaded from the Company's website www.riil.in under the section "Investor Relations".

Deal with Registered Intermediaries

Investors should transact through a registered intermediary who is subject to regulatory discipline of SEBI, as it will be responsible for its activities, and in case intermediary does not act professionally, investors may take up the matter with SEBI / Stock Exchanges.

Obtain documents relating to purchase and sale of shares

A valid Contract Note / Confirmation Memo should be obtained from the broker / sub-broker, within 24 hours of execution of purchase or sale of shares and it should be ensured that the Contract Note / Confirmation Memo contains order number, order time, trade number, trade time, share descriptions, bought and sold quantity, price, brokerage, service tax and securities transaction tax. In case the investors have any doubt about the details contained in the contract note, they can avail the facility provided by BSE / NSE to verify the trades on BSE / NSE websites. It is recommended that this facility be availed in respect of a few trades on random basis, even if there is no doubt as to the authenticity of the trade / transaction.

Monitor holdings regularly

Demat account should not be kept dormant for long period of time. Periodic statement of holdings should be obtained from the concerned DP and holdings should be verified. Where the investor is likely to be away for a long period of time and where the shares are held in electronic form, the investor can make a request to the DP to keep the account frozen so that there can be no debit to the account till the instruction for freezing the account is countermanded by the investor.

Transfer shares before Book Closure / Record Date

The corporate benefits on the shares lying in the clearing account of the brokers cannot be made available to the members directly by the Company. In case an investor has bought any shares he must ensure that the shares are transferred to his demat account before the book closure / record date.

Opt for Corporate Benefits in Electronic Form

In case of non cash corporate benefits like split of shares / bonus shares, the holders of shares in physical form must opt to get the shares in electronic form by providing the details of demat account to the STA.

**Register for SMS alert facility**

Investors should register their mobile numbers with DPs for SMS alert facility. National Securities Depository Limited and Central Depository Services (India) Limited proactively inform the investors of transaction in the demat account by sending SMS. Investors will be informed about debits and credits to their demat account without having to call-up their DPs and investors need not wait for receiving Transaction Statements from DPs to know about the debits and credits.

Register e-mail address

To support the “Green Initiative” in the Corporate Governance taken by the Ministry of Corporate Affairs, to contribute towards greener environment and to receive all documents, notices, including Annual Reports and other communications of the Company, investors should register their e-mail addresses with Karvy, if shares are held in physical mode or with their DP, if the holding is in electronic mode.

Exercise caution

There is likelihood of fraudulent transfers in case of folios with no movement or where the shareholder has either expired or is not residing at the address registered with the Company. The Company / DP should be updated on any change of address or contact details. Similarly, information of death of shareholder should also be communicated.

Mode of Postage

Share Certificates and high value dividend warrants / cheques / demand drafts should not be sent by ordinary post. It is recommended that investors should send such instruments by registered post or courier.

Intimate mobile number

Intimate your mobile number and changes therein, if any, to Karvy if shares are held in physical mode or to your DP if shares are held in electronic mode, to receive communications on corporate actions and other information of the Company.

- Protect your personal computer against viruses by placing a firewall and an anti-virus solution.
- Do not open email attachments from people you do not know.

5. DIVIDEND

Payment of Dividend

Dividend is paid under three modes viz:

- National Electronic Clearing Services (NECS)
- National Electronic Fund Transfer (NEFT)
- Physical dispatch of Dividend Warrant

Payment of dividend through National Electronic Clearing Service (NECS) facility

What is payment of dividend through NECS Facility and how does it operate?

NECS facility is a centralized version of ECS facility. The NECS system takes advantage of the centralised accounting system in banks. Accordingly, the account of a bank that is submitting or receiving payment instructions is debited or credited centrally at Mumbai. The branches participating in NECS can, however, be located anywhere across the length and breadth of the country.

What is payment of dividend through NEFT facility and how does it operate?

NEFT is a nation-wide payment system facilitating electronic transfer of funds from one account to another. Dividend payment through NEFT denotes payment of dividend electronically through RBI clearing to selected bank branches which have implemented Core Banking Solutions (CBS). This extends to all over the country, and is not necessarily restricted to the 91 designated centres where payment can be handled through ECS. To facilitate payment through NEFT, the shareholder is required to ensure that the bank branch where his / her account is operated, is under CBS and also records the particulars of the new bank account with the DP with whom the demat account is maintained.

What is payment of dividend through Direct Credit and how does it operate?

The Company will be appointing one bank as its Dividend Banker for distribution of dividend. The said banker will carry out direct credit to those investors who are maintaining accounts with the said bank, provided the bank account details are registered with the DP for dematerialized shares and / or registered with the Company's STA prior to the payment of dividend for shares held in physical form.

What are the benefits of NECS (payment through electronic facilities)?

Some of the major benefits are :

- Investor need not make frequent visits to his bank for depositing the physical paper instruments.

- Prompt credit to the bank account of the investor through electronic clearing.
- Fraudulent encashment of warrants is avoided.
- Exposure to delays / loss in postal service avoided.
- As there can be no loss in transit of warrants, issue of duplicate warrants is avoided.

Which cities provide NECS facility?

NECS has no restriction of centres or of any geographical area inside the country. Presently, around 60,225 branches of 122 banks participate in NECS.

How to avail of NECS Facility?

Investors holding shares in physical form may send their NECS Mandate Form, duly filled in, to the Company's STA. The Form may be downloaded from the Company's website www.riil.in under the section "Investor Relations".

However, if shares are held in dematerialised form, NECS mandate has to be sent to the concerned DP directly, in the format prescribed by the DP.

Investors must note that NECS essentially operates on the new and unique bank account number, allotted by banks post implementation of Core Banking Solutions (CBS) for centralized processing of inward instructions and efficiency in handling bulk transactions.

In this regard shareholders are requested to furnish the new bank account number allotted by the banks post implementation of CBS, along with a copy of cheque pertaining to the concerned account, to the STA of the Company in case the shareholders hold shares in physical form and to the concerned DP in case the shareholders hold shares in demat form.

In case the shareholders do not provide their new account number allotted after implementation of CBS, please note that NECS to the shareholders' old account may either be rejected or returned.

Why the Company cannot take on record bank details in case of dematerialised shares?

As per the Depository Regulations, the Company is obliged to pay dividend on dematerialised shares as per the bank account details furnished by the concerned Depository. Therefore, investors are requested to keep their bank particulars updated with their concerned DP.

Can investors opt out of NECS Facility?

Investors have a right to opt out from this mode of payment by giving an advance notice of four weeks, prior to payment of dividend, either to the Company's STA or to the concerned DP, as the case may be.

Course of Action in case of Non-receipt of Dividend, Revalidation of Dividend Warrant, etc.

What should a shareholder do in case of non-receipt of dividend?

Shareholders may write to the Company's STA, furnishing the particulars of the dividend not received, and quoting the folio number (in case of shares held in physical mode) / DP ID and Client ID particulars (in case of shares held in demat mode). On expiry of the validity period, if the dividend warrant is still shown as unpaid in the records of the Company, duplicate warrant will be issued. The STA would request the concerned shareholder to execute an indemnity before issuing the duplicate warrant.

However, duplicate warrants will not be issued against those shares wherein a 'stop transfer indicator' has been instituted either by virtue of a complaint or by law, unless the procedure for releasing the same has been completed.

No duplicate warrant will be issued in respect of dividends which have remained unpaid / unclaimed for a period of seven years in the unpaid dividend account of the Company as they are required to be transferred to the Investor Education and Protection Fund (IEPF) constituted by the Central Government.

Why do the shareholders have to wait till the expiry of the validity period of the original warrant for issue of duplicate warrant?

Since the dividend warrants are payable at par at several centres across the country, banks do not accept 'stop payment' instructions. Hence, shareholders have to wait till the expiry of the validity of the original warrant for issue of duplicate warrant. Validity of Dividend warrant is three months from the date of issue of the warrant.

Unclaimed Shares

What are the Regulatory provisions and procedure governing unclaimed shares lying in physical form with the Company or its STA?

As per amended Clause 5A of the Listing Agreement with the Stock Exchanges:

- In terms of sub-clause (I), for shares issued pursuant to a public issue or any other issue, which remain unclaimed and are lying in the escrow account, the Company, after complying with the procedure prescribed therein, shall credit the unclaimed shares to a demat suspense account opened by the Company with one of the depository participants, for this purpose.
- In terms of sub-clause (II), for shares issued in physical form pursuant to a public issue or any other issue, which remain unclaimed, the Company, after complying with the procedure prescribed therein, shall transfer all such unclaimed shares into one folio in the name of "Unclaimed Suspense Account" and shall dematerialize such shares with one of the depository participants.

What is the status of compliance by the Company with regard to these provisions?

The Company has no cases as are referred to in Clause 5A(I) of the Listing Agreement.

In terms of Clause 5A(II) of the Listing Agreement, details relating to unclaimed shares such as the aggregate number of shareholders along with the number of unclaimed shares lying in the suspense accounts at the beginning of the year, number of shareholders who had approached the Company claiming the unclaimed shares were transferred from the suspense accounts during the year and the aggregate number of shareholders along with number of unclaimed shares lying in the suspense accounts at the end of the year, are published in the Corporate Governance Report.

UNCLAIMED / UNPAID DIVIDEND

What are the statutory provisions governing unclaimed dividend?

With effect from 31st October, 1998, any money transferred to the 'unpaid dividend account' of the Company and remaining

unpaid or unclaimed for a period of 7 years from the date it becomes due, shall be transferred to the Investor Education and Protection Fund (IEPF). Investors are requested to note that no claims shall lie against the Company or the IEPF for any moneys transferred to IEPF in accordance with the provisions of Section 205C of the Companies Act, 1956.

Where can the status of unclaimed dividend be verified?

What is dematerialisation of shares?

Why dematerialise shares? Trading in Compulsory Demat Form

SEBI has notified various companies whose shares shall be traded in demat form only. By virtue of such notification, the shares of the Company are also subject to compulsory trading only in demat form on the Stock Exchanges.
