EXPLANATORY STATEMENT PURSUANT TO SECTION 173 (2) OF THE COMPANIES ACT, 1956.

The following explanatory statement sets out the material facts relating to the Special Business mentioned at Item no.7 and 8 of the accompanying Notice:

Item no.7

Shri. G.R Surana (aged 61 years) is the founder promoter and Chairman of Surana Industries Limited (SIL). Shri.G.R.Surana belongs to a business family hailing from Rajasthan. He has a rich and vast experience of over 37 years in the jewellery business and over 27 years in the steel industry. Shri. G.R.Surana has been instrumental in the steady growth of the Company.

Shri. G.R. Surana was re-appointed as Whole-time Director and re-designated as Executive Chairman of the Company at the 17th Annual General Meeting of the members for a period of 5 years ending 1st May 2013. As part of the initiative for creating enduring guidance for the Company, the Board of Directors at their meeting held on 14th February 2013, had re-appointed Shri. G.R.Surana as Wholetime Director designated as Executive Chairman of the Company for a further period of five years commencing on 2nd May 2013, on the terms and conditions and remuneration as set out in item no.7 of the accompanying notice. The remuneration Committee of the Board of Directors have also recommended the terms of the remuneration. The appointment is subject to approval of the members and is subject to the provisions of Articles of Association of the Company which deals with retirement of directors by rotation.

Information pursuant to Clause 49 IV (G)(i) of the Listing Agreement:

Name	G.R.Surana
Father's Name	Late Udairaj Surana
Age	23 rd October, 1952
Expertise in specific functional area	Vast experience of over 37 years in the Jewellery business and over 27 years in the steel industry.
Other Company Directorships	Surana Power Limited Uday Energy Private Limited
Membership of Board Committees	NIL
No.of Shares	2356625

The above details may be treated as an abstract of the terms of appointment of Shri. G.R. Surana under Section 302 of the Companies Act, 1956.

Your Directors recommend the re-appointment of Shri. G.R.Surana, as above.

None of the Directors other than Shri. G.R.Surana, Shri. Dineshchand Surana are deemed to be concerned or interested in this resolution.

Item no.8

Shri. Dineshchand Surana (aged 48 years) is one of the founder promoters of Surana Industries Limited (SIL). Shri. Dineshchand Surana has a wide experience of over 27 years in the Steel Industry. He also has considerable experience in managing the affairs of the Company. He has extensively travelled across many countries such as Taiwan, Russia, Romania and has gained considerable expertise in the steel making process. Shri. Dineshchand Surana has played a key role in evolution of Surana Industries Ltd from a small sized steel manufacturer and trader to one of the major Integrated Special Steel manufacturers in the Country.

Shri. Dineshchand Surana was re-appointed as Managing Director of the Company at the 17th Annual General Meeting of the members for a period of 5 years ending 1st May, 2013. Considering the contributions of Shri. Dineshchand Surana and his experience in steering the Company on an aggressive growth path, the Board of Directors at their meeting held on 14th February 2013, had re-appointed Shri. Dineshchand Surana as Managing Director of the Company for a further period of five years commencing on 2nd May 2013, on the terms and conditions and remuneration as set out in item no.8 of the accompanying notice. The remuneration Committee of the Board of Directors have also recommended the terms of the remuneration. The appointment is subject to approval of the members and is subject to the provisions of Articles of Association of the Company which deals with retirement of directors by rotation.

Information pursuant to Clause 49 IV (G)(i) of the Listing Agreement:

Name	Dineshchand Surana
Father's Name	Late Udairaj Surana
Age	31 st December, 1965
Qualification	B.Sc., D.Pharm.
Expertise in specific functional area	Over 27 years of rich and varied experience in the Steel Industry.
Other Company Directorships	Surana Power Limited Surana Green Power Limited Surana Green Energy Limited Uday Energy Private Limited 6 th Sense Infrastructure Private Limited Surana Mines & Minerals Limited Surana Holdings Pte Limited
Membership of Board & Committees	Surana Industries Limited Remuneration Committee Surana Power Limited Audit Committee Surana Green Power Limited Audit Committee
No.of Shares	2433164

The above details may be treated as an abstract of the terms of appointment of Shri. Dineshchand Surana under Section 302 of the Companies Act, 1956.

Your Directors recommend the re-appointment of Shri. Dineshchand Surana, as above.

None of the Directors other than Shri. G.R.Surana, Shri. Dineshchand Surana are deemed to be concerned or interested in this resolution.

DIRECTORS' REPORT

To

The Members

The Directors of your Company have great pleasure in presenting to you the 22nd ANNUAL REPORT of the Company, together with the Audited Balance Sheet as on 31st March, 2013 and the Profit and Loss Account for the year ending on 31st March, 2013.

1. FINANCIAL RESULTS

The Financial Results of the Company for the year under review is summarized below for your perusal and consideration.

PARTICULARS 2012-2013 2011-2012
(Rs. in Crores)

Net Sales	1425.00	1351.42
Profit before Tax and Depreciation	66.53	77.47
profit before tax	27.50	44.74
provision for current tax + FBT	2.69	8.95
Deferred Tax Provision	14.55	11.29
Profit after Taxes	10.24	32.76
Proposed Dividend	3.11	3.48
Dividend Tax	0.52	0.56
Transfer to General Reserves	1.02	3.28
Balance carried forward from previous year	203.29	177.85
Balance Carried Forward to Balance Sheet	206.71	203.29

1.1 Financial Performance

Your Directors are pleased to state that the Company achieved Net sales of Rs. 1424.60 Crores for the year ending on 31st March, 2013 as compared to Rs.1351.42 crores in the previous year despite a very difficult period.

Profits after taxes (PAT) amounted to Rs.10.25 Crores as compared to Rs. 32.76 crores for the previous year.

The decrease in PAT on yoy basis is mainly on account of increase in cost of raw materials and other inputs due to inconsistency in the supply of iron ore, higher finance cost

and depreciation. The sale prices of end products was also volatile. At times the billet prices increased substantially resulting in thin margins. The power situation in Tamilnadu was also very unsatisfactory resulting in lesser production. Further, your company had to make more provisions for depreciation in view of increase in fixed assets.

1.2. Key Financial Ratios

The salient features of the performance of the Company can be seen from the following key ratios:

	2012- 2013	2011-2012
Earnings Per Share (Rs)	2.36	11.90
Dividend per Share (Rs)	0.70	1.20
Dividend Payout Ratio (%)	30.43	10.64
Return on Net Worth (%)	0.94	5.45

2. DIVIDEND

Your Directors have recommended a final dividend of Rs.0.70/- per equity share (7 percent) for the financial year ended on 31st March, 2013 as against 10% declared last year. A lesser percentage of dividend is recommended due to a reduction in profitability this year as well as the need to conserve resources for the expansion programme. The dividend distribution would result in a cash outflow of Rs.3.12 crores and tax on dividend of Rs. 0.53 crore as against Rs.3.48 crores, and tax on dividend of Rs. 0.56 crore, in the previous year.

3. MANAGEMENT DISCUSSION AND ANALYSIS

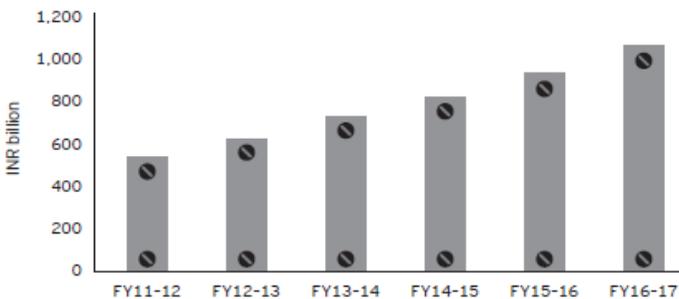

3.1 Steel Industry Outlook:

India has emerged as the fourth largest steel producing nation in the world. India's production grew constantly in the last five years from 57.8 MT in 2008 to 63.5 MT in 2009, 69 MT in 2010, 73.6 MT in 2011 and 76.7 MT in 2012 as per the data from World Steel Association (WSA). India is expected to become the second largest producer of crude steel by 2015-16. Consumption of steel follows the GDP growth of any country. As per Ministry of Steel estimates, the Iron and Steel Industry contributes around 2% of the GDP and its weight in the Index of Industrial Production is 6.2%.

The demand for steel in the country is currently growing at the rate of over 8% and it is expected that the demand would grow to over 10% in the next five years. This indicates that there is a lot of potential for increasing the steel consumption in India. In the years 2011-12 and 2012-13, the growth rate slowed to 6.2 per cent and 5.0 per cent respectively, as per the Economic survey for 2012-13. The compound annual growth rate (CAGR) for gross domestic product (GDP) at factor cost, over the decade ending 2012-13 is 7.9 per cent.

The growth in India's industry is a result of domestic steel consumption, which has been driven primarily by infrastructure related investments and consumer durables. The 12th (Five Year Plan) FYP projects an investment of US\$1t in infrastructure alone, which will accelerate steel consumption. As an estimate, this increase in infrastructure spends may itself lead to additional demand of approximately 40 million tonnes per annum during 2012-13 to 2016-17.

Projected infrastructure investment during the 12th FYP

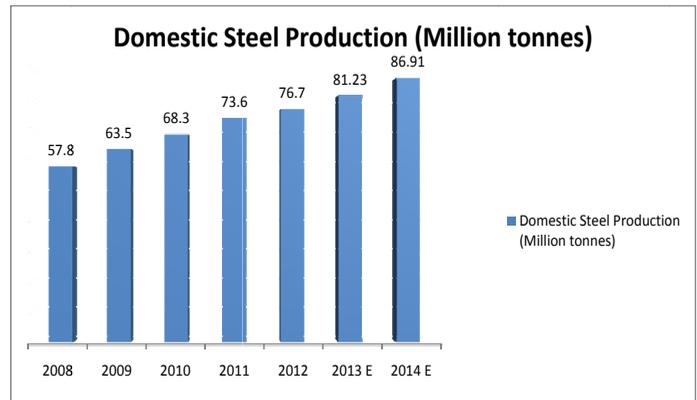

Source : Committee on Infrastructure/Planning Commission

Indian steel consumption growth has an elasticity of about 1.1 to growth in GDP. In other words, if the Indian economy grows at 7% per year, steel demand is likely to grow by 7.7% during the same time, from the current 68 million tonnes to around 132 million tonnes by 2020.

In line with GDP growth, Indian steel demand has immense opportunities to grow across sectors in the mid- to long term. The rapid rise in production over the last few years has resulted in India becoming the the largest producer of sponge iron or direct-reduced iron (DRI) in the world. The country has the opportunity of becoming the second largest producer of steel by 2015-16 and per capita consumption of steel in India, which is only 55kg (2011) — significantly lower than global averages — suggests a potential to close the gap in future.

3.2 The Domestic Steel Production Forecast upto 2014 is given below :

Source: World Steel Association

In India, steel demand is also expected to pick up and will grow by 5.9% in 2013 as monetary easing is expected to support investment activities. In 2014, growth in steel demand is expected to further accelerate to 7.0% thanks to the reform measures aimed at narrowing the fiscal deficit, coupled with measures to improve the foreign direct investment climate.

3.3 Projected Demand-Supply Scenario

The following are the primary levers of demand growth:

Increase in Rural demand: Currently, per capita rural consumption of steel in India stands at around 13kg. This is significantly lower than urban per capita consumption. Projects like Bharat Nirman and Rajiv Gandhi Awaas Yojana have led to increased demand for construction steel like thermo-mechanically treated (TMT) bars and galvanized plain and corrugated (GP/GC) sheets, but there remains a significant opportunity to increase rural steel demand by widening the distribution network and by providing customized solutions catering to the needs of 70% of the population.

An investment worth US\$132b has been planned for the 12th FYP. The Government has launched many road investment programs, namely the National Highways Development Project (NHDP) and Pradhan Mantri Gram Sadak Yojana (PMGSY), to increase the connectivity of roads to ports and plant sites.

Indian Railways has an ambitious investment plan to invest US\$328b through 2020 under its 'Vision 2020' programme. The organization's plan is to invest around US\$42.6b out of the total allocated budget in laying down new lines. Many of the investments will have high steel intensity.

Automobile and power sectors offer opportunity for specialized steel. As India is currently short of electricity, there are plans to exponentially increase investment in power projects, which will also drive steel demand.

The Government's plan to re-energize manufacturing will lead to accelerated demand from the capital goods sector and projects

3.4 Challenges:

Slowing GDP growth and concerns around economic policy-making have affected overall investment in infrastructure and steel projects. Many projects have not started due to delays in environmental and forest clearance, land acquisition, mining leases and other regulatory issues.

Land acquisition and environment regulations Rules to calculate adequate compensation to the landowners have been unclear. Additionally, the number of approvals like environmental and forest clearances required from the authorities has made land acquisition and setting up projects the top issues in building up large new capacity.

The availability of inexpensive, good-quality iron ore is one of the positive factors for growth of India's domestic steel industry. However, the sector has more recently come under the scrutiny of authorities due to widespread illegal mining. As a result, the state of Karnataka faced a ban on iron ore mining in 2011. Shortage of iron ore due to mining bans in key iron ore producing states such as Karnataka, Goa and Odisha has also led to a rise in domestic iron ore-prices that is in contrast to a falling trend in export iron ore prices; this also is creating disturbances in the supply chain. In fact there is little to no expectation of Indian iron ore exports during 2013.

Insufficient infrastructure and logistics. The steel industry is a major user of infrastructure resources like railways, roads and ports. A growth in steel production will increase

the burden of the country's already stretched logistics infrastructure. To meet the needs of a growing steel industry, major improvements in various infrastructure facilities are required.

3.5 Outlook :

The installed capacity for crude steel is projected to be 200 MTPA by FY 2020 as per the National Steel Policy, formulated by the Ministry of Steel.

The long-term outlook for steel demand in India is quite robust due to increasing demand from several sectors, including automotive, consumer durables, oil and gas, industrial machinery, real estate and infrastructure. Though there could be supply constraints in India in 2013, steel prices are likely to remain under pressure due to a steady stream of imports. The new capacity in India will be vertically integrated and have the ability to use fines as raw material.

4. OPERATIONAL ISSUES:

4.1 Gummidipoondi Plant & Madhavaram Service Centre:

The production at Gummidipoondi Plant has been affected for the last couple of years due to severe power cut in Tamil Nadu. There is a 40% power cut for the industries in Tamil Nadu and this situation continued for most part of the financial year. The Plant is purchasing additional power from the Grid and this has increased the input costs. Despite the power cuts the plant is running at around 80% capacity. The processing and trading activity at the Madhavaram Service Centre has been a major contributor to the sales for the FY 2012-13.

4.2 Integrated Steel Plant at Raichur:

The Integrated Steel Complex at Raichur was implemented in two phases. The first phase comprising of Sponge Iron Plant (Direct Reduction of Iron) and Steel Melting Shop were completed in June 2008 and February, 2009 respectively. The Rolling Mill operation was taken up in the second phase in as much the capacity of the rolling mill was increased from 0.2 million tonnes per annum to 0.3 million tonnes per annum which has become fully operational. Currently, all four kilns of the DRI plant are operational. The company is using high grade iron ore fines in the form of pellets to

produce sponge iron. During the year the SMS plant and Rolling Mill had taken a shutdown due to maintenance and non-availability of certain balancing equipments. However, the Company is now procuring billets from the market for operation of the Rolling Mill.

4.3 Phase I- Beneficiation & Pellet Plant at Raichur

Earlier in terms of the order of the Hon'ble Supreme Court all the illegal mines were closed down in Karnataka. The Court wanted that the mining activities. As a result, there was a shortage of iron ore supply in the State of Karnataka. Your company resorted to buy pellets instead of iron ore blocks. In order to obviate this difficulty the company is going for a backward integration by setting up a Beneficiation and Pelletisation Plant. This expansion envisages beneficiation of iron ore fines which will then be converted into Pellets which in turn will be utilized for the production of Sponge Iron. In other words, the Pellets which will be produced, will become the raw materials for the manufacture of Sponge Iron in our Direct Reduction of Iron (DRI) Kilns.

4.4 Project details

Your company is currently into manufacturing of long products out of its facility at Raichur & Gummidipoondi. In its endeavour to bring economies of scale and product diversification, the Company intends to set up new facilities through an expansion plan in phases, envisaged at Raichur adjacent to the existing plant. As a part of this strategy, the Company intends to set up iron ore beneficiation & pelletisation facilities of capacities 1.3 MTPA & 1.2 MTPA respectively. The project is under implementation following facilities :

MTPA

Facility	Existing	Expansion	Total
A. Raw Material Preparation Unit			
Beneficiation Plant	-	1.30	1.30
Pellet Plant	-	1.20	1.20
B. Iron making Unit			
DRI Plant	0.16	-	0.16
C. Liquid Steel & Semis making Unit			
Electric Arc Furnace	0.25	-	0.25
Billet Caster	0.24	-	0.24
D. Rolling Unit			
Bar Mill	0.40*	-	0.40

4.5 Project Cost

The total Project cost is estimated at Rs.1,253 Crore. The break-up of the Project cost is as under:

Particulars	Amount
Land & Site Development	100
Building & Civil Works	121
Plant & Machinery	861
Contingencies	37
Hard Cost	1119
Pre-operative Expenses	17
Interest During Construction	78
Margin Money for Working Capital	39
Total	1253

4.6 Means of Finance

The Project is proposed to be financed in the debt equity ratio of 1.5:1. The proposed means of finance has been given in the table below:

Particulars	Amount
Equity	
Promoters/PE Investors	471
Internal accruals	100
Sub Total (A)	571
Debt	
Rupee Term Loan (B)	682
Total (A+B)	1253

5. SUBSIDIARIES:

5.1 Surana Power Limited

Surana Power Limited is in the process of setting up of 2 x 210 MW Thermal Power Plant at Raichur at a total cost of Rs.2900 crores. SPL already has an existing 35MW Power Plant. After completion of the 420 MW Thermal Power Plant, the generation capacity of Surana Power Limited will be increased to 455 MW.

Surana Industries Limited has already infused a capital contribution of Rs.391 crores and the Foreign Private Equity Investors are expected to bring in additional equity very shortly.

The funding requirement for the 420 MW Power plant was earlier estimated at Rs.2400 crores. This has now been revised to Rs. 2900 crores. The revision in project cost is on account of Interest during Construction for period commencing from Jan 2013. The revised project cost is proposed to be tied up by equity contribution of Rs. 725 crores and debt funding of Rs. 2175 crores. Surana Industries Ltd has already infused Rs. 391 crores as equity. The Company has already spent around Rs. 1500 crores as on 31st March 2013. This has been met out of the equity contribution of around Rs. 400 crores and term loan of Rs. 1100 crores. The project is now expected to go on stream by January 2015.

5.2 Surana Mines and Minerals Limited Singapore:

Surana Mines and Minerals Ltd, SMML is the wholly owned subsidiary of Surana Industries Ltd at Singapore.

The Company is expected to commence trading activities in coal as well as scraps in the global market for supply to steel and power plants in the group. SMML has a step down subsidiary PT Borneo Mines & Minerals Ltd which has acquired mining rights in the Sassanga coal mines in Indonesia. The 2640 acres of the Sassanga coal mines have proven reserves of 60-70 million tonnes of coal. The first consignment of coal are expected to commence in FY 2013.

5.3 Surana Green Power Limited:

SGPL, a 100% subsidiary of Surana Industries Limited, is in the business of Power Generation. SGPL has currently 7 windmills.

SGPL has step down subsidiary (wholly owned subsidiary) M/s. Surana Green Energy Limited, an SPV through which the Company intends to avail the Group Captive Scheme (GCS), whereby the SGEL shall be able to sell electricity to other Captive users.

SGPL has also been registered under the UNFCCC (United Nations Framework Convention on Climate Change) Clean Development Mechanism Scheme(CDM). The project is eligible for Carbon Credits which are sold in the international markets. This has provided additional revenue to SGPL.

The Company has plans to setup a 101 MW windmill project and also has plans to enter the Solar Energy space. However, these are yet to take off.

6. FUTURE OUTLOOK AND COMPANY'S EXPANSION PLANS:

The World Steel Production and Consumption have recorded a continuous increase since 1995. There was a remarkable increase in the growth rate with the start of the 21st Century. According to economists, the growth trend is likely to continue well past these years with global production and consumption estimated to increase at least at a rate of 6% per annum.

Though a number of green field steel plants have been announced, because of various constraints there is likely to be delay in creation of new capacities. Thus, the supply side may not meet the growth in domestic demand.

Taking into account the above factors and as there will be a large scale demand for special steels, your Company has embarked upon an expansion programme by way of backward integration. The details are given below:

SIL is currently into manufacturing of long products out of its facility at Raichur & Gummidipoondi. In its endeavour to bring economies of scale and product diversification, the Company intends to set up new facilities through an expansion plan in phases, envisaged at Raichur adjacent to the existing plant. As a part of this strategy, the Company intends to set up iron ore beneficiation & pelletization facilities of capacities 1.3 MTPA & 1.2 MTPA respectively as Phase I of the Expansion of project. Upon implementation of the Project, SIL would have the following facilities:

(MTPA)

Facility	Existing	Expansion	Total
A. Raw Material Preparation Unit			
Beneficiation Plant	-	1.30	1.30
Pellet Plant	-	1.20	1.20
B. Iron making Unit			
DRI Plant	0.16	-	0.16
C. Liquid Steel & Semis making Unit			
Electric Arc Furnace	0.25	-	0.25
Billet Caster	0.24	-	0.24
D. Rolling Unit			
Bar Mill	0.40	-	0.40
E. Oxygen Plant	500 TPD	-	500

The proposed site is located within the Industrial Growth Centre developed by KIADB in Raichur. The connectivity of the site to the key logistic/raw material/utility centres has been tabulated below:

Connectivity	Details
Rail	The nearest Railway station is Yeramaras on Guntakal – Wadi section of South Central Railway, which is located at a distance of 7 Km from plant site. SPL is in possession of 42 acres of land near the railway station for setting up railway siding. SIL proposes to enter into a MoU with SPL for use of the railway siding.
Road	NH 7 is located at a distance of about 120 Km from the plant site while the nearest state highway SH 13 passes about 1.5 Km from the site.
Airport	The nearest airport is Rajeev Gandhi International Airport, Hyderabad located at a distance of about 151 Km.
Port	The Company proposes to utilize the Krishnapatnam port for import of non-coking coal. The port has dedicated berths for handling coal cargo. The port is located at a distance of 480 Km from the plant site.
Mines	SIL would purchase iron ore fines from the nearby mines in Bellary-Hospet region, NMDC, Mysore Minerals Limited etc.
Water	The Krishna River is at a distance of 8 km from the Project site and SIL has obtained GoK approval for drawing 60 MLD of water from the river.
Power	The State DISCOM grid at Chiksugur having 33 KV sub – station is about 1.5 Km away from the site.

Earlier it was estimated that additional Land would be needed for development of Phase I of the project. However, Phase I of the project can now be accommodated in the existing layout of 131.55 acres. An aggregate of 280 acres has been identified for the entire expansion project. Land acquisition is being done through KIADB. Govt. of Karnata

taka vide Gazette Notification in 2011 has identified the land parcel for the Project for industrial use. Final notification is pending from KIADB.

7. OPPORTUNITIES:

The steel production capacity in the country has increased substantially and the production may touch around 200 million tonnes by the year 2020. The country has the necessary iron ore reserves to achieve this level of steel production.

Due to expected acceleration in GDP growth rate in the medium and long term, the demand for steel is bound to go up significantly. This will benefit all steel producers including your Company.

8. THREAT PERCEPTION:

Your Directors feel that the Company will have to gear up its marketing activities so as to compete effectively with the established producers. Marketing of Alloy Steel and Special Steels needs concerted efforts and experience. In the Raichur steel plant, the Company will be manufacturing Special Alloy Steels which are mostly meant for Automobile Manufacturers who will demand strict adherence to the quality of the products. Therefore, it is essential for the Company's marketing team to aggressively and effectively market the products.

Similarly, in the case of TMT Bars, there can be good competition from the various producers. Builders and contractors are the ultimate end users of TMT Bars and it is necessary for the Company to aggressively market these products.

Shortage of quality raw materials, surging freight costs and escalation of the costs of inputs, fuels etc. will continue to keep the cost of production high for steel manufacturers.

The main threat perception is linkage of iron ore and coal.

Further, in regards to financial implications, there can be threat perceptions in hardening of interest rates which will also pose a problem for the Company. The Company has not received any major reduction in the interest rates on the loans. At the same time, due to tough competition it would be difficult for the Company to pass on the entire cost push

to the Customers by way of increased finished steel prices. Faced with aggressive marketing strategy and cost cutting initiatives, the Company constantly reviews/monitors the costs of various inputs and finds out ways (either technological or commercial) to reduce the cost of steel production, wherever it is possible. The Directors have been taking requisite measures to overcome various impediments which may come in the way of smooth functioning of the Company.

The Company also undertakes Cold Rolling operations. There is a good margin available on these transactions. The Company procures materials mainly from Rashtriya Ispat Nigam and Steel Authority of India and after cold rolling, sells the same in the market.

9. RISK PERCEPTION

The Directors are constantly assessing the business risks pertaining to the performance of the Company. The following are the important risks perceptions:

- Quality Maintenance of the End Products
- Adequate availability of Raw Materials
- Requisite Power Supply
- Removal of Transport Bottlenecks
- Sudden Increase in Prices of Inputs
- Customers Default
- Inadequacy of Finance Arrangement
- Statutory Policies
- Events Due to Unforeseen Circumstances
- Global Recession

Your Directors are fully conscious of the various business risks and have taken adequate care to tackle any situation. Strict controls are enforced on the quality front and all other matters for smooth operation of the steel plants.

10. INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY:

The Directors are pleased to state that the Company has a very good internal control mechanism. All transactions are subjected to strict scrutiny. The Company has appointed

Internal Auditors who regularly audit the various transactions in the company and report back to the Management about any deficiencies noticed. There is a system of monthly review of the performance of the Company at the highest level. The following aspects are monitored.

- Actual production achieved vis-à-vis Targets
- Sales vis-à-vis Targets
- Reasons for deviations from targets
- Inventory Holding
- Realization of Book Debts and NPAs
- Identification of slow moving items
- Expenditure control
- Cost analysis of various inputs
- Power and oil consumption
- Bank limits and drawings their against
- Monthly budgets and their analysis

Accordingly, strategies are drawn to improve upon the working of the company.

11. IMPLEMENTATION OF INTERNATIONAL FINANCIAL REPORTING STANDARDS:

Your Directors are pleased to state that the Company has fully geared up its activities to meet International Financial Reporting Standards. The effective implementation date has been deferred. Your Company will be able to implement the same immediately once the date is announced.

12. SAP-ERP:

Your Directors take pleasure in stating that the Company is completely integrated on SAP-ERP system across all its plants in the Country. SAP-ERP supports and meets the requirements of a changing industry. As a result, it helps in curbing costs through increased flexibility and leverages productivity and insight. It also improves financial management and corporate governance. Customers and Vendors are facilitated with automated alert facilities on their business activities with the Company.

13. HUMAN RESOURCES:

The Company has been giving due attention for the development of Human Resources. A trained and motivated employee is the backbone of the Company. Adequate attention is given to this aspect. The Company has been recruiting trained, experienced and qualified personnel for its Raichur Project. The Company is fully aware of the necessity for the same. Special attention is given to recruit trained and experienced personnel not only in the production department but also in marketing and finance and accounts. Motivation is the most important factor. The Company strives very hard to retain and improve employee morale.

For the last three years a certain section of the workers of our Raichur Integrated Steel Plant have been resorting to illegal activities and have not been discharging the duties in terms of the service regulations of the company. The local management in Raichur has been constantly in touch with the workers so that their pending issues could be resolved.

We have been negotiating with the workers, pointing out that the company has commenced commercial production only in 2008-09 and the Integrated Steel Plant is yet to be stabilized. A Number of meetings took place and minutes were drawn.

Further, as you are aware the company is having a cash flow problem on account of the expansion project and at times there has been delay in the matter of providing increments to the workers in time. However increments have always been defrayed.

In terms of the Company's understanding with the Karnataka Government 75% of the work force from the local population whose land has been acquired are to be employed. This has been complied with. Infact we have rehabilitated all the affected people belonging to Wadaloor village, a nearby hamlet.

However for the last one year, there have been many instances of activities in the factory which have been detrimental to the peaceful working atmosphere. Some local political elements have instigated the work force.

This section of workers forcibly closed down one of the factories belonging to a subsidiary company. This resulted in the company making a police complaint. The workers then went

on an illegal strike. The workers who indulged in arson and other illegal activities were issued termination notices.

Subsequently a detailed letter was sent to the Asst. Labour Commissioner, who intervened and thereafter conciliation proceedings concluded. We identified 57 employees who indulged in unlawful activities and they were dismissed. They were paid their terminal dues in full. Out of total 371 employees, 314 persons joined back. The factory has none reopened and normalcy has been restored in the operations.

14. ASPIRATIONS OF THE SHARE HOLDERS:

The Board is fully aware of the excellent support given to the Company by its esteemed shareholders. Their valuable suggestions and guidance have given the Directors much impetus for undertaking constant review of the Company's working and its growth. The Directors are all the time considering the necessity of adding value for the shareholder's wealth.

15. CORPORATE GOVERNANCE:

The Directors pay special attention to ensure that the guidelines given for the corporate governance are strictly adhered to. All possible steps are being taken to this effect. The Directors are also fully aware of their responsibilities towards:

- Shareholders of the Company.
- Customers of the Company.
- Government of India, State Governments, as well as various statutory bodies for following strictly, their rules and regulations.
- Implementation of Government Guidelines.
- Strict adherence to the Environmental Regulations and Guidelines.
- Following strictly the various labour laws.
- Ensuring transparency.
- Strict abeyance of all the Rules and Regulations of SEBI and Stock Exchanges and also Company Authorities.
- Corporate Social Responsibility.

Certificates of the Auditors of your Company regarding compliance of the conditions of the Corporate Governance as stipulated in Clause 49 of the Listed Agreement with the Stock Exchanges is attached. A separate report on the Corporate Governance is also annexed as part of the Annual Report.

16. DEPOSITORY SYSTEM / DEMATERIALIZATION OF SHARES:

As indicated in the last Annual Report, the Company has entered into Tripartite Agreement with both the Depositories viz. National Securities Depository Limited (NSDL) and Central Depository Services (I) Ltd (CSDL) along with Registrars M/s Cameo Corporate Service Ltd, Chennai for providing electronic connectivity for dematerialization on the Company's shares facilitating the investors to hold the shares in electronic form and trade in those shares. The shares of your Company are being traded on the National Stock Exchange, the Bombay & Madras Stock Exchanges under compulsory demat form.

17. AUDITORS:

M/s CSP Jain & Co., Chartered Accountants, Chennai and M/s. R Subramanian & Company, Chartered Accountants, Joint Auditors of the Company retire from their Office. They are however eligible for reappointment.

17.1 Auditors Report

With regard to VIII of the Auditors Report, we submit that the delay, if any, was on account of mismatch in cashflows. The company has subsequently deposited the statutory dues and has taken necessary steps to prevent re-occurrence of the same.

18. ADDITIONAL INFORMATION:

18.1 Conservation of Energy and Technology Absorption:

A statement containing the particulars relating to conservation of energy, research and development and technology absorption as required under Section 217 (1)(e) of the

Companies Act, 1956 read with Companies (Disclosures of Particulars in the Report of the Board of Directors) Rules 1988 are annexed herewith.

18.2 Directors:

Shri. G.R.Surana and Shri. Dineshchand Surana and Shri. Krishna Udupa, Directors of the Company are eligible to retire by Rotation and offer themselves for re-appointment.

18.3 Particulars of Employees:

Particulars of those employees who were in receipt of remuneration to be disclosed pursuant to Section 217 (2A) of the Companies Act 1956 read with Companies (Particulars of Employees) Rules 1975 are furnished separately in the Balance Sheet.

18.4 Directors' Responsibility Statement:

Pursuant to the requirements under Section 217 (2AA) of the Companies Act 1956 the Board of Directors hereby confirm:

That in the preparation of Annual Accounts of the Company for the financial year ending on 31st March, 2013 the applicable accounting standards have been strictly followed along with proper explanations and that no material departures have been made from the same.

That the Directors have taken such accounting policies and these have been applied consistently. The estimates and judgments have been reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year 2012-2013 and profits of the Company for the year which ended on 31st March, 2013. That the Directors have taken proper and sufficient care for the maintenance of the accounting records in accordance with the provisions of the Companies Act 1956 for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities, if any.

That the Directors have caused preparation of the Annual Accounts for the financial year which ended on 31st March, 2013 on a going concern basis.

19. ACKNOWLEDGEMENT

The Board of Directors of the Company wish to express their deep sense of appreciation and proffer their sincere thanks to all the Shareholders of the Company for their unstinted support to the Company.

The Board also wishes to express their sincere thanks to all the esteemed Customers for their support to the Company's products

The Board would also like to place on record their deep sense of gratitude to the Financial Institutions and Banks for their timely support to the Company not only for the working capital needs but also for the implementation of the various projects. The Company would also like to thank

all the Bankers/Institutions who have sanctioned the facilities for our expansion programme. We are also grateful to SBI Capital Markets Limited for appraising our expansion project and also for syndication of the necessary term loans for the same.

But for their active support of all these Institutions and Banks, the fast growth of the Company would not have been possible.

In the end, the Board would like to place on record their deep sense of appreciation to all the Executives, Officers, Employees, Staff Members, and Workers at the Factory. Their active and loyal involvement in the Company's working has enabled your Company to achieve these heights.

ANNEXURE TO DIRECTORS' REPORT

Information as per Sec 217(2A) read with the Companies (Particulars of Employees) Rules, 1975 and forming part of the Directors' Report for the year ended 31st March, 2013

<i>Name</i>	<i>Designation</i>	<i>Age</i>	<i>Gross Rs.</i>	<i>Net Rs.</i>	<i>Qualification</i>	<i>Experi-ence</i>	<i>Last employment held</i>	<i>Commencement of employment</i>
R.K. Chouhan	Chief Executive Officer	62	1,00,00,000	82,37,013	B.E., (Mech)	38	Abul Khair Group Bangladesh	Sep. 2010

NOTES :

1. The gross remuneration shown above is subject to tax and comprises salary, allowances, Variable remuneration monetary value of perquisites as per income tax rules and Company's contribution to provident and superannuation funds.
2. Net remuneration is arrived at by deduction from the gross remuneration, income tax, Company's contribution to provident and superannuation funds and the monetary value of non-cash perquisites wherever applicable.
3. All employees have adequate experience to discharge their responsibilities.

**REPORT ON CORPORATE GOVERNANCE
ANNEXURE TO DIRECTORS' REPORT**

1. COMPANY'S PHILOSOPHY ON CODE OF CORPORATE GOVERNANCE:

Your Company has set itself the objective of expanding its capacities and becoming globally competitive in its business. The basic philosophy of corporate governance in your company has been to achieve business excellence, to enhance shareholder value keeping in view the needs and interest of all its stakeholders. Surana Industries Limited believes that good governance stems from the culture and mindset of the organization and generates goodwill among business partners, customers, investors and earns respect from society at large. Your Company is committed to the principles of good governance. The Company's policy is reflected by the very values of transparency, professionalism and accountability. The Company constantly strives towards betterment of these aspects. The Company also endeavors to enhance long-term shareholder value. Your Company confirms the compliance of Corporate Governance as contained in Clause 49 of the Listing Agreement with the Bombay Stock Exchange Ltd (BSE), National Stock Exchange of India Ltd (NSE) & Madras Stock Exchange Ltd (MSE), the details of which are given below.

2. BOARD OF DIRECTORS:

2.1 Appointment and Tenure:

The Directors of the Company are appointed by Shareholders at General Meetings. All the Directors except the Nomi- nee Director are subject to retirement by rotation and at every Annual General Meeting one third of such Directors as are liable to retire by rotation, if eligible, may offer themselves for re-election, in accordance with the provisions of Section 256 and 257 of the Companies Act 1956 and that of the Articles of Association of the Company.

2.2 Composition and Category of the Board:

Surana Industries Limited is managed by the Board of Directors which formulates strategies, policies and procedures and reviews its performance periodically. The strength of your Company's Board is 12 (Twelve) Directors as on 31st March 2013, out of which five Directors are Non-Executive Directors, and the remaining seven are Executive Directors. The Company's policy is to maintain an optimum combination of Executive & Non-Executive Directors.

The seven Executive Directors are the Chairman, the Managing Director and five wholtime Directors who are in whole time employment of the Company. They are actively involved in the day to day functioning of the organization and bring a wide range of expertise and experience to the Board thereby ensuring the best interest of stakeholders and the Company.

Category	Name	Age / Qualification	Designation / Induction in Board / Nature of Directorship	Brief profile
Promoter Director	Shri. G.R. Surana	62 years Secondary Certificate	Chairman; April 1, 2004 (Promoter Director)	Shri. G.R. Surana belongs to a business family hailing from Rajasthan. He has 35 years of experience in jewellery business and over 25 years experience in the steady growth of the company. (Shareholding : 235625 shares)
	Shri. Dineshchand Surana	48 years B.Sc., D. Pharm.	Managing Director; August 5, 2000 (Promoter Director)	Shri. Dineshchand Surana manages the entire operations of the Company. He started his career in industry and has over 25 years of experience. He has travelled across countries such as Taiwan, Russia and Romania and gained expertise in steel making processes. (Shareholding : 2433164 shares)

Category	Name	Age / Qualification	Designation / Induction in Board / Nature of Directorship	Brief profile
	Shri. Rajesh Surana*	39 years Commerce Graduate	Executive Director March 26, 2012	Shri. Rajesh Surana is the Director commercial of the Company. Having more than 19 years of diversified operational experience including Purchase Management, Production Management, Marketing Management and Import/Export Management. He is currently looking after the entire operation of Company's Steel Manufacturing Plant at Gummidipoondi. (Shareholding : 279100 shares)
	Shri. Rajiv Surana*	33 years B.E., Master of International Business	Executive Director March 26, 2012	Shri. Rajiv Surana is the Executive Director of the company. Having more than 7 years experience in the Iron & Steel Business and has diversified experience in Projects & Steel operation activities. He is currently looking after the Backward integration project of setting up the Beneficiation & Pelletisation plant at Raichur and also manages the corporate affairs of the Company. Execution of the 0.3 MTPA Steel plant at Raichur was also assigned to him. (Shareholding : 350900 shares)
Executive Directors	Shri. V.M.Swami	73 years M.com, LLB, CAIIB	Wholetime Director August 5, 2000	Shri.VM.Swami is the Whole time Director of the Company. Having worked with Allahabad Bank for 42 years, he retired as the General Manager of the Bank. He held temporary charge as the Chairman & Managing Director of the Bank. During his career with Allahabad Bank, he underwent extensive training in Germany and USA in the field of international (Banking. Shareholding : NIL shares)
	Shri. Krishna Udupa	61 years M.Sc, CAIIB	Director- Projects; October 29, 2002	Shri. Krishna Udupa looks after the Project implementation of ongoing and expansion projects. He has been with Surana Group since 1997. Prior to joining SIL he was working in Punjab National Bank, as Regional Manager. He has over 34 years experience out of which 25 years have been in the banking industry. (Shareholding : 32400 shares)

*** have resigned from the Board of Directors with effect from 1st April 2013.**

The Independent Directors on the Board are experienced, competent and highly respected persons in their respective fields. They take active part in the Board and Committee meetings. None of the Directors on the Board is a Member on more than 10 Committees. Necessary disclosures have been made by the Directors in this regard. As on 31st March 2013, the number of independent directors is less than that prescribed under Clause 49 of the Listing Agreement. The Company is however taking necessary steps to ensure compliance with the Clause 49 of the listing Agreement pertaining to composition of directors.

2.3 Board Meetings, Committee Meetings and procedures:

The Board of Directors oversees the entire functioning and operations of the Company. They evaluate performance

of the Company and provide direction and guidance to the Company for undertaking the business of the Company in accordance with its corporate goals and statutory requirements. They also give valuable advice and monitor that the Management Policies and their effectiveness and ensures that the long term interests of the shareholders are being served. The Managing Director is being assisted by the other Whole Time Directors, Executive Directors and other Senior Management Staff and Officers to ensure proper functioning of the Company in terms of set guidelines.

The Board has constituted other Committees viz Audit Committee, Shareholders/Investors Grievances Committee, Remuneration Committee, Share Allotment Committee, Project Monitoring Committee etc. The Board constitutes additional functional committees from time to time depending upon the necessities.

A minimum of four Board Meetings are held every year. At times more meetings are convened depending upon the requirements. Dates for the Board Meetings are decided well in advance. In fact the Board Meetings for the whole year is decided on the first Board Meeting of the Company in the financial year itself.

The Board Meetings are usually held at the Corporate Head Office/ Registered Office at Chennai. At times the meetings are held at the factories of the Company viz at Gummudi-pondi or at Raichur.

The Board/Committee meetings are conducted as per well-defined procedures and systems. The information placed before the Board includes:

- o Annual Operating Plans,
- o Capital Budgets and updates on the same,
- o Compliance with Statutory/Regulatory requirements and review of major legal issues
- o Quarterly / Half yearly / Annual financial results of the company,
- o Operational and Accounting Policies
- o Monitoring of Performance
- o Noting of the proceedings of the Meeting of Audit committee and other Committees of the Board and other items as mentioned under Clause 49 of the Listing Agreement.
- o Review of Board minutes of material subsidiary companies.
- o Detailed analysis on the Steel Market Position and Economic Scenario.
- o Delegation of Authorities/ Authorizations and renewal thereof.

2.4 Distribution of Board Agenda papers:

Board Notes are circulated well advance in the devised agenda format. All material information is incorporated in

the agenda notes so that there can be meaningful discussions in the Board Meetings.

2.5 Minutes of the Board Meetings:

Board Meeting Minutes are recorded immediately after the Board Meetings are over and these are sent to the Directors in draft form for their approval. Any changes suggested by them in the draft are incorporated and then final minutes are prepared and circulated.

2.6 Follow up of decisions taken at the Board Meetings:

The Company has an effective system of follow up of the decisions taken at the Board Meeting. An Action Taken Report is prepared and circulated to the Board in the next Meeting. Departmental notes are prepared based on the observations made by the Board and these are sent to respective functional heads for follow up.

2.7 Compliance with the Statutory Requirements:

At the time of preparation of agenda notes it is ensured that all the statutory requirements are complied with under Companies Act, SEBI Regulations and guidelines from other statutory bodies.

2.8 Attendance of each Director at the Board of Directors meetings held during 2012-13 and at the last Annual General meeting:

During the year 2012-2013, the Board met 4 (Four) times on 28.5.2012, 31.07.2012, 30.10.2012, 14.02.2013. The Annual General Meeting for the financial year ended 31.03.2012 was held on 10.07.2012.

Particulars of attendance of Directors at the Board Meetings and at the last Annual General Meeting and the number of memberships held by the directors in the Boards of other companies and memberships/chairmanships held by them across the committees of all the companies for the year 2012-2013 are furnished in the table given below:

CEO/CFO CERTIFICATE

To
The Board of Directors,
M/s.SURANA INDUSTRIES LIMITED
No.29, Whites Road, 2nd Floor, Royapettah,
Chennai-600014

We hereby certify that

- 1) We have reviewed the profit and loss statement ,cash flow statement of Surana Industries Limited ('The Company') for the year ended March 31,2013 and the Balance sheet of the Company as at March 31,2013 and to the best of our knowledge and belief:
2. These statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
3. These statements together present a true and fair view of the Company's affairs and are in compliance with existing accounting standards, applicable laws and regulations.
4. There are, to the best of our knowledge and belief, no transactions entered into the company during the year which are fraudulent, illegal or violate the company's code of conduct.
5. We accept responsibility for establishing and maintaining internal controls for financial reporting at the company. We have instituted a process for disclosing to the auditors and audit committee, at regular intervals, any significant deficiencies in the design or operation of such internal controls and the steps taken or proposed for remediation for these deficiencies.
6. We also certify that we have indicated to the Auditors and the Audit Committee
 - i) all significant changes which took place during the year in internal controls over financial reporting.
 - ii) all significant changes in accounting policies which took place during the year. These changes are also disclosed in the notes to the financial statements.
 - iii) all instances of significant fraud which we became aware of during the year.

INDEPENDENT AUDITORS' REPORT

To the Members of Surana Industries Limited

1. Report on the Financial Statements

We have audited the accompanying financial statements of Surana Industries Limited, which comprise the Balance Sheet as at March 31, 2013, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

2. Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

3. Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the

auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion / qualified audit opinion / adverse audit opinion.

4. Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) In the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2013;
- (b) In the case of the Statement of Profit and Loss, of the profit / loss for the year ended on that date; and
- (c) In the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

5. Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2003 ("the Order") issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure, a statement on the matters specified in paragraphs 4 and 5 of the Order.
2. As required by section 227(3) of the Act, we report that:
 - a. we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

- b. in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books
- c. the Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account
- d. in our opinion, the Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement comply with the Accounting Standards referred to in subsection (3C) of section 211 of the Companies Act, 1956;
- e. on the basis of written representations received from the directors as on March 31, 2013, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2013, from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Companies Act, 1956.

As per our report of even date attached.

ANNEXURE REFERRED TO IN POINT PARAGRAPH 5 (1) OF OUR REPORT OF EVEN DATE

- i. a. The Company is maintaining proper Records showing full particulars, including quantitative details and situation of Fixed Assets.
- b. Fixed Assets were Physically Verified during the year by the Management, with a programme of verification which in our opinion provides for physical verification of all the fixed assets at reasonable intervals.
- c. As per information and explanations given to us, substantial amount of Fixed Assets have not been sold during the current year affecting the Going concern assumption.
- ii. In respect of its inventory:
 - (a) According to the information and explanations given to us, the inventories were physically verified during the year by the Management at reasonable intervals. Also the Material discrepancies have been properly dealt with in the books of accounts.
 - (b) In our opinion and according to the information and explanations given to us, the procedures of physical verification of inventories followed by the Management were reasonable and adequate in relation to the size of the Company and the nature of its business.
 - (c) In our opinion and according to the information and explanations given to us, the Company has maintained proper records of inventories.
- iii. According to information and explanations given to us, the company has not granted / received any loans to parties / companies covered under register maintained under section 301 of the Companies Act, 1956.
- iv. In our opinion and according to the information and explanations given to us, there is adequate Internal Control System commensurate with the size of the Company and the nature of its business for purchase of Inventories and Fixed Assets and for the Sale of Goods and Services and we have not observed any continuing failure to correct major weaknesses in Internal Controls.
- v. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public. We are informed by the Management that no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal under Sections 58A and 58AA of the Companies Act, 1956.
- vi. In our opinion, the Company has an adequate Internal Audit System commensurate with the size of the company and the nature of its business.
- vii. We have broadly reviewed the books of account and records maintained by the Company relating to the manufacture of steel, pursuant to the Rules made by the Central Government for maintenance of Cost Records under Section 209(1) (d) of the Companies Act, 1956 and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We have, however, not made a detailed examination of the records with a view to determining whether they are accurate or complete.
- viii. a) According to the information and explanations given to us, the Company has delayed in depositing undisputed statutory dues including Provident Fund, Employee State Insurance, Sales Tax, Service Tax, Customs Duty, Excise Duty, Income Tax, Cess and other material statutory dues with the appropriate authorities during the year. We are informed that the Company is not covered under operation of the Employees' State Insurance Act at Raichur location.

- b) According to the information and explanations given to us undisputed amounts payable in respect of Service Tax of Rs.262132, Employee Provident Fund of Rs 252964 and Professional Tax of Rs 212950 were in arrears as at 31.3.2013 for a period of more than six months from the date of becoming payable. However the amounts have been subsequently remitted.
- c) As per the information and explanation given to us, the details of dues of sales tax, customs duty, income tax, excise duty and cess which has not been deposited as on 31 st march 2013 on account of dispute has been detailed below:

Name of the Statue (Nature of the dues)	Period to which Amount relates	Forum where matter is pending	Amount

- x. The Company does not have accumulated loss and has not incurred any Cash Loss during the current financial year of our audit and in the immediately preceding financial year.
- xi. According to information and explanations given to us, the company has made delay in repayment of dues to Banks during the period January 2013 to March 2013.
- xii. According to the information and explanations given to us, the Company has not granted any loans and advances on the basis of security by way of pledge of shares, debentures and other securities.
- xiii. The provisions of clause 4 (xiii) of the Order relating to Chit Funds are not applicable to the Company.
- xiv. The Company is not dealing or trading in Shares, Security, Debentures and Other Investments.
- xv. According to the information and explanations given to us, the Company has given Guarantee for loans taken by Surana Green Energy limited to IFCI venture capital funds Limited for sanction of Loan amount of Rs 12.5 crores during the financial year. The company's maximum liability is to the extent of Loan amount and accumulated outstanding Interest.
- xvi. To the best of our knowledge and belief and according to the information and explanations given to us, in our opinion, term loans availed by the company were, prima facie, applied by the company during the year, for the purpose for which the loans were obtained, other than temporary deployment pending application.
- xvii. According to the information and explanations given to us and on an overall examination of the Balance Sheet of the Company, funds raised on short term basis have, prima facie, not been used during the year for long term investment.
- xviii. According to the information and explanations given to us, the Company has not made preferential allotment of Shares to parties covered under section 301.
- xix. The Company has not issued debentures during the year and therefore the question of creating security or charge in respect thereof does not arise.
- xx. The Company has not made public issue of securities during the year and therefore the question of disclosing the end-use of money raised by way of public issue does not arise.
- xxi. During the course of our examination of the books and records of the company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have not come across any instance of material fraud on or by the company, noticed or reported during the year.

SIGNIFICANT ACCOUNTING POLICIES

(a) Basis for Accounting

The financial statements are prepared under the historical cost convention on an accrual basis of accounting in accordance with the generally accepted accounting principles, Accounting Standards notified under Section 211(3C) of the Companies Act, 1956 and the relevant provisions thereof.

(b) Revenue Recognition

Sales comprises sale of goods and services, net of trade discounts.

(c) Employee Benefits

- (i) Short-term employee benefits are recognised as an expense at the undiscounted amount in the Profit and Loss Account of the year in which the related service is rendered.
- (ii) Post employment benefits such as Gratuity, EL encashment are recognised as an expense in the Profit and Loss Account for the year in which the employee has rendered services. The expense is recognised at the present value of the amount payable towards contributions.
- (iii) Actuarial gains and losses in respect of post employment benefits are charged to the Profit and Loss Account.

(d) Fixed Assets

All fixed assets are valued at cost less accumulated depreciation. Pre-operation expenses including trial run expenses are capitalised. Borrowing costs during the period of construction is added to the cost of fixed assets.

(e) Depreciation

The depreciation is provided on a straight line basis applying the rates specified in Schedule XIV to the Companies Act, 1956.

(f) Foreign Currency Transactions

Foreign currency transactions are recorded at the rate of exchange prevailing at the date of the transaction. Monetary foreign currency assets and liabilities are translated at the year-end exchange rates and resultant gains / losses are recognized in the profit & loss account for the year, except to the extent that they relate to new projects till the date of capitalization which are carried to pre-operative expenses.

(g) Investments

Long term investments are carried at cost less provision for permanent diminution, if any, in value of such investments. Current investments are carried at lower of cost and fair value.

(h) Inventories

Finished and semi-finished products produced and purchased by the Company are carried at lower of cost and net realisable value.

Coal, iron ore and other raw materials purchased by the Company are carried at lower of cost and net realisable value.

Stores and spare parts are carried at cost. Necessary provision is made and charged to revenue in case of identified obsolete and non-moving items.

Cost of inventories is generally ascertained on 'weighted average' basis. Work-in-progress and finished and semi-finished products are valued on full absorption cost basis.

(i) Taxes on Income

Tax expense comprises of current tax and deferred tax. Current income tax is provided on the taxable income for the period as per the provisions of Income tax Act 1961. Deferred tax is recognized, subject to consideration of prudence, on timing differences, being the difference between taxable incomes and accounting income that originate in one period and is capable of reversal in one or more subsequent periods.

(j) Impairment of Assets:

Specified assets are reviewed for impairment wherever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount for which the asset's carrying amount exceeds its recoverable amount being the higher of the asset's net selling price and its value in use. Value in use is based on the present value of the estimated future cash flows relating to the asset.

(k) Provisions and Contingent Liabilities:

Provisions are recognized for present obligations of uncertain timing or amount arising as a result of a past event where a reliable estimate can be made and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation. Where it is not probable that an outflow of resources embodying economic benefits will be required or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of resources embodying economic benefits is remote.

Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more uncertain events, are also disclosed as contingent liabilities unless the probability of outflow of resources embodying economic benefit is remote.

(l) Earnings Per Share

Basic Earnings per Share (before dilution) is calculated by dividing the net profit after tax for the year attributable to equity shareholders of the Company by the weighted average number of equity shares for the year.

Diluted Earnings per Share is calculated by dividing the net profit after tax for the year attributable to equity shareholders of the company. by the weighted average number of equity shares determined and assuming conversion of all potential dilute securities.

CONSOLIDATED INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Surana Industries Limited

We have audited the accompanying consolidated financial statements of Surana Industries Limited ("the Company") and its subsidiaries, which comprise the consolidated Balance Sheet as at March 31, 2013, and the consolidated Statement of Profit and Loss and the consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

1. Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Company in accordance with accounting principles generally accepted in India. This includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

2. Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those

risk assessments, the auditor considers internal control relevant to the Company's preparation and presentation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

3. Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditor on the financial statements of the subsidiary as noted below, the consolidated financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) in the case of the Consolidated Balance Sheet, of the state of affairs of the Company as at March 31, 2013;
- b) in the case of the Consolidated Profit and Loss Account, of the profit for the year ended on that date; and
- c) in the case of the Consolidated Cash Flow Statement, of the cash flows for the year ended on that date.

4. Other Matters

- a. The Financial statements of the subsidiary namely, Surana Power Limited is audited by one of the joint auditors namely, M/s. R. Subramanian & Company.

- b. The Financial statements of the subsidiaries namely, Surana Green Power Limited and its subsidiary Surana Green Energy Limited, Uday Energy Private Limited is audited by one of the joint auditors namely, CSP Jain & Co.
- c. We did not audit the financial statements of a foreign subsidiary, M/s.Surana Mines and Minerals Limited, whose financial statements for the year ended 31st March 2013, reflect total assets (net) of Rs.57,69,66,300, total revenues of Rs.3,75,85,176 and net cash outflows amounting to Rs.1,27,273. This financial statement has been audited by an independent auditor whose report has been furnished

to us by the Management, and our opinion is based solely on the report of the other auditor. Our opinion is not qualified in respect of this matter.

- d. We did not audit the financial statements of a foreign subsidiary, M/s.Surana Holdings Pte Limited, whose financial statements for the year ended 31st March 2013, reflect total assets (net) of Rs.1,45,874, total revenues of Rs. Nil and net cash inflows amounting to Rs.1,45,874. This financial statement has been audited by an independent auditor whose report has been furnished to us by the Management, and our opinion is based solely on the report of the other auditor. Our opinion is not qualified in respect of this matter.

Significant Accounting Policies

(a) Basis for Accounting

The financial statements are prepared under the historical cost convention on an accrual basis of accounting in accordance with the generally accepted accounting principles, Accounting Standards notified under Section 211(3C) of the Companies Act, 1956 and the relevant provisions thereof.

(b) Revenue Recognition

Sales comprises sale of goods and services, net of trade discounts.

(c) Employee Benefits

- (i) Short-term employee benefits are recognized as an expense at the undiscounted amount in the Profit and Loss Account of the year in which the related service is rendered.
- (ii) Post employment benefits such as Gratuity, EL encashment are recognized as an expense in the Profit and Loss Account for the year in which the employee has rendered services. The expense is recognized at the present value of the amount payable towards contributions.
- (iii) Actuarial gains and losses in respect of post employment benefits are charged to the Profit and Loss Account.

(d) Fixed Assets

All fixed assets are valued at cost less accumulated depreciation. Pre-operation expenses including trial run expenses are capitalized. Borrowing costs during the period of construction is added to the cost of fixed assets.

(e) Depreciation

The depreciation is provided on a straight line basis applying the rates specified in Schedule XIV to the Companies Act, 1956.

(f) Foreign Currency Transactions

Foreign currency transactions are recorded at the rate of exchange prevailing at the date of the transaction. Monetary foreign currency assets and liabilities are translated at the year-end exchange rates and resultant gains / losses are recognized in the profit & loss account for the year, except to the extent that they relate to new projects till the date of capitalization which are carried to pre-operative expenses.

(g) Investments

Long term investments are carried at cost less provision for permanent diminution, if any, in value of such investments. Current investments are carried at lower of cost and fair value.

(h) Inventories

Finished and semi-finished products produced and purchased by the Company are carried at lower of cost and net realizable value.

Coal, iron ore and other raw materials purchased by the Company are carried at lower of cost and net realizable value.

Stores and spare parts are carried at cost. Necessary provision is made and charged to revenue in case of identified obsolete and non-moving items.

Cost of inventories is generally ascertained on 'weighted average' basis. Work-in-progress and finished and semi-finished products are valued on full absorption cost basis.

(i) Taxes on Income

Tax expense comprises of current tax and deferred tax. Current income tax is provided on the taxable income for the period as per the provisions of Income tax Act 1961. Deferred tax is recognized, subject to consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and is capable of reversal in one or more subsequent periods.

(j) Impairment of Assets:

Specified assets are reviewed for impairment wherever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount for which the asset's carrying amount exceeds its recoverable amount being the higher of the asset's net selling price and its value in use. Value in use is based on the present value of the estimated future cash flows relating to the asset.

(k) Provisions and Contingent Liabilities:

Provisions are recognized for present obligations of uncertain timing or amount arising as a result of a past event where a reliable estimate can be made and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation. Where it is not probable that an outflow of resources embodying economic benefits will be required or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of resources embodying economic benefits is remote.

Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more uncertain events, are also disclosed as contingent liabilities unless the probability of outflow of resources embodying economic benefit is remote.

(l) Earnings Per Share

Basic Earnings per Share (before dilution) is calculated by dividing the net profit after tax for the year attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding at the end of the year.

Diluted Earnings per Share is calculated by dividing the net profit after tax for the year attributable to equity shareholders of the company by the weighted average number of equity shares determined and assuming conversion of all potential dilute securities.

Total	409,599,971	580,380,407

20. Principles of Consolidation

The Consolidated Financial Statements relate to Surana Industries Limited (“the Company”) and its subsidiary companies. The Consolidated Financial Statements have been prepared on the following basis:

- The financial statements of the Company and its subsidiary companies have been combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions resulting in unrealized profits or losses as per Accounting Standard 21 – “Consolidated Financial Statements” notified by Companies (Accounting Standards) Rules, 2006.
- In case of foreign subsidiaries, being non-integral operations, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at the rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognized in the foreign currency translation reserve.
- The difference between the cost of investment in the subsidiaries and the Company’s share of net assets at the time of acquisition of shares in the subsidiaries is recognized in the financial statement as Goodwill or Capital Reserve as the case may be.
- The company accounts for its share in the change in the net assets of the subsidiaries, post acquisition, after eliminating unrealized profits and losses resulting from transactions between the company and its subsidiaries to the extent of its share, through its profit and loss account, to the extent such change is attributable to the associates’ profit and loss account and through its reserves for the balance, based on available information.
- The financial statements of the subsidiaries used in the consolidation are drawn up to the same reporting date as that of the Company i.e. 31st March, 2013.

The list of subsidiary companies which are included in the consolidation and the Company’s holdings therein are as under:

Name of the Company	Ownership in % either directly or through subsidiaries		Country of Incorporation
