Chairman's Message

Dear Shareholders,

At the outset I express my happiness in having you as a member of the Ashoka Family. Ashoka Buildcon Limited is in the business of serving the Nation by building high quality roads and bridges and by being a part of this organization you are making a valuable contribution in its pursuit for excellence.

The year gone by has been witnessing significant amount of volatility and uncertainty. The sluggish economic growth, high rates of inflation and high interest costs have been adding further dismay for the corporate world.

It is an honour for the management team to inform you that your company has been able to confront these times comfortably and posted a decent growth both in turnover and in profits. The major reason behind our consistent performance is our Fully Integrated Business Model. Our in-house capabilities enable us to identify opportunities as well as threats at an early stage which help us to act timely and emerge out of the situations effectively.

The sector is looking good as the government continues to stress on the development of quality highways for its citizens. There is no doubt that the sector will continue to grow at a steady pace. The traffic is growing all across the country and we will have to cater to this increase in vehicular movement.

You will appreciate that the capital and financial markets are undergoing great volatility and uncertainty. Lending institutions have become very cautious in funding infrastructure projects. In such a scenario I would like to assure the forum that your Company is regarded very highly in the financial fraternity and is not facing any difficulty in having financial closure of projects. The Company achieved Financial Closure for its biggest project in West Bengal in stipulated time.

Your Ashoka Buildcon, continues to maintain its identity as a key road infrastructure developer. Its projects are being executed by the finest professionals who have deployed a fleet of state-of-the-art machinery and technology. The highlights this year include the construction of a prestigious project, the 6 lane between Dhankuni and Kharagpur in Kolkata. It involves the construction of 2 bridges (approx 1.1 Km. each) across the river Roopnarayan in Kolaghat. The project is extremely challenging, in fact, the previous company actually abandoned the construction midway. Such projects and challenges truly define the spirit of our team members who are willing to make every effort to ensure that the funds invested by you are optimally utilized.

The road ahead does have its own share of hurdles. We do face issues like land availability, clearances from forest and environment departments, etc. At Ashoka, difficulties are never considered synonymous with impossibilities. The challenges will be faced with a proactive approach and we are certain that the government will too make positive contributions.

Let us together continue our efforts to build infrastructures efficiently with adherence to Social and Environmental norms. I conclude by expressing my appreciation to all my colleagues and employees for their commitment and hard work which has brought success to the company and I thank all of you for being a part of the Ashoka family.

INDIAN INFRASTRUCTURE SECTOR

The infrastructure sector continues to experience a good growth in spite of various issues like administrative issues at the project award level and high interest rates.

Developing a proper road infrastructure has become prime agenda of the government and the NHAI mainly triggered by continuous increase in number of vehicles plying on the roads, rapid urbanisation and loss of billions of rupees due to poor and inadequate roads. A strong political will expedite awarding activities with friendly policies for the stake holders which has been demonstrated by the new Model Concession Agreement, acceptance of RFQ and RFP as standard bidding documents along with implementation of international competitive bidding process like e-bidding which has shared risks and obligations between concessionaire and government equally. A balance redressal to land acquisition issues and environment clearances and financial support will further give impetus to the development.

COMPANY OVERVIEW

Ashoka Buildcon Limited is one of the leading infrastructure development Companies having a pan India presence. Your Company has strong in-house integrated road infrastructure execution capabilities.

We are developing and building infrastructure facilities on:

- Design, Build, Finance, Operate and Transfer (DBFOT) basis in Highways; and
- Engineering, Procurement and Construction (EPC) basis in Highways and Power Sector

Your Company is also engaged in taking up projects on an O&M or tolling basis.

In addition, your Company also has the facilities for Ready Mix Concrete (RMC) and Bitumen supply for own and third party uses.

(I) SUCCESSFUL PROJECT EXECUTION

(III) ORDER BOOK

The Company's Order Book as at March 31, 2012 stands at ₹ 4,967 Crores, including the EPC for the Power (T&D) related EPC providing a strong visibility to the Company's EPC revenue for the next two to three years.

INNOVATION, QUALITY AND ENVIRONMENT PORTFOLIO

The Company continues its focus on newer, innovative construction practices as well as ensuring high quality in all its works. Your Company is conscious of the threat posed by global warming to our planet and therefore takes its responsibility towards the environment seriously. In this regard, your Company has been certified as ISO 14064.1 as a GHG compliant Company. We are certified for Integrated Management System (IMS) involving ISO 9001 for Quality Management System, 14001 for Environmental Management System and OHSAS 18001 for Occupational Health and Safety.

RESOURCES AND LIQUIDITY

Despite rising interest costs the Company has managed to ensure that funds are available to meet operational and strategic needs like capital investments and has tried to arbitrage on interest

costs by accessing funds across various products and maturity profiles. The Company has, through CRISIL, improved its rating for long term and short term loans.

CHALLENGES RISKS & CONCERNS

The Company's business is highly dependent on road and bridge projects in India undertaken or awarded by governmental authorities and other entities funded by governments. Any change in government policies resulting in a decrease in the amount of road and bridge projects undertaken or a decrease in private sector participation in road and bridge projects adversely affects our business and results of operations.

Infrastructure projects involve agreements that are long-term in nature (as much as three years in EPC contracts and around 25 years in Design, Build, Finance, Operate and Transfer (DBFOT) road projects). All long-term projects have inherent risks associated with them and involve variables that may not necessarily be within our control. Accordingly, we are exposed to a variety of implementation and other risks, including inflation, interest rates movements, liquidity, commodity and oil prices, governance, construction delays, material shortages, unanticipated cost increases, cost overruns, inability to negotiate satisfactory arrangements with joint venture partners, and disagreements with our joint venture partners. In addition, the long-term nature of our contracts exposes us to increased risk of unforeseen business and industry changes which could have a material adverse effect on our business, financial condition and results of operations.

We are increasingly bidding for and winning contracts for large-scale infrastructure projects. There are various risks associated with the execution of large-scale projects. Large contracts may take up an increasingly large part of our portfolio, increasing the potential volatility of our results through increased exposure to individual contract risks. Managing large-scale integrated projects may also increase the potential relative size of cost overruns and negatively affect our operating margins. In addition, we may need to execute large-scale projects through joint ventures with other companies, which expose us to the risk of default by our joint venture partners.

Cost of Input materials such as Bitumen & Fuel depends upon the International Market for Oil. As Bitumen is a major raw material, any Change in the Oil prices affects the overall cost of the projects. The availability of labour for execution of projects is also a major risk factor.

HUMAN RESOURCES DEVELOPMENT

We believe that our continued success will depend on our ability to attract and retain key personnel with relevant skills and experience. Despite the current scenario the attrition rate among our top management has been negligible. The company

has robust process of human resource development. Presently Ashoka Buildcon Limited has 1147 employees at various levels. We have a well drawn out HR Policy in place and encouraging working environment. One of the steps towards employees' participation in the management, Company has Employees Stock Options (ESOP) Scheme in place. The Company has continued to focus to various aspects like employee training, welfare and safety thereby maintaining a constructive relationship with staff members.

FINANCIAL OVERVIEW OF THE CONSOLIDATED ACCOUNTS

1. The company and some of its subsidiaries have changed the method of amortising intangible assets from the projected traffic volumes over toll period to the amortization method prescribed under Schedule XIV to the Companies Act, 1956. Change in Amortization policy has resulted into reduction of accumulated Amortization by Rs 20.85 Crores upto March 31, 2012. At consolidation level on realigning of changed amortisation policy of some other subsidiaries/ associates has resulted into reduction of accumulated Amortization by Rs 8.77 Crores upto March 31, 2012.
2. The consolidated income for the year is ₹ 1,535.43 Crores and Net Profit of ₹ 124.78 Crores. Out of the total consolidated income, Construction revenue for the year is ₹1,138.70 Crores.
3. Toll revenues for the year have grown from ₹ 190.49 Crores to ₹ 261.63 Crores. The increase is on account of commencement of toll collection of Durg Project and full year operation of the Bhandara Project. The other reason is normal traffic growth and rate revision at some projects. The toll collection is partially offset by decrease in toll revenue for Pune Shirur suspension in toll collection at one toll plaza against earlier we used to collect toll at two toll plazas.
4. EBITDA, before exceptional items, for FY 2012 has increased to Rs 360.41 Crores from ₹ 286.19 Crores for the FY11.
5. Interest cost has increased by 60% to Rs 114.43 Crores, which is mainly attributable to Bhandara Project (which had a full year interest in FY 2012 as against half year in FY 2011, due to capitalisation) and Durg Project which was capitalized in the last year.
6. Depreciation cost has increased by 23% to ₹ 85 crores from ₹ 69 Crores, due to Bhandara Project (which had full year depreciation in FY 2012 as against half year in FY 2011, due to capitalisation) and Durg Project which was capitalized in the last year. The other reason for increase in depreciation was addition in EPC assets for execution of

projects, the cost of depreciation has been offset due to the change in amortisation policy as specified in schedule XIV to The Companies Act, 1956.

7. The provision for taxation has increased to ₹ 46 Cr during the year compared to ₹ 44 Cr. in the previous year. The same is increased due to change in proportion of exempted income / profit vis-a-vis taxable income /profit during the year.
8. Profit before tax is ₹ 161 Crores and Profit after tax is Rs 115.90 Crores in FY12. Post Minority Interest the Profit after tax would be Rs 124.78 Crores.
9. As at 31st March 2012 the Net Worth is at ₹ 1,019 Crores and the Gross Debt is at ₹ 1,706 Crores, resulting in Debt/Equity ratio of 1.67.
10. Viva Infrastructure Private Limited has become a subsidiary w.e.f. 31st March 2012 due to which at consolidation level there is capital reserve of ₹ 20.55 Cr. This has mainly accrued on account of nullifying of minority share of VIPL in VHPL.

- (b) Based on the information and explanations given to us, in our opinion, the rates of interest on which the unsecured loans have been taken are prima facie not prejudicial to the interests of the company. Since the Company has not entered into formal agreements for loans, we are not in a position to comment whether the rate of interest of loans granted and other terms and conditions on which the loans are granted/taken are prima facie not prejudicial to the interests of the company.
- (c) & (d) Since the repayment schedule for such loans is not stipulated, we are unable to comment on the regularity of receipt/repayment of principal and interest payment as well as the adequacy of steps taken to recover the amount.
- (iv) In our opinion and according to the information and explanations given to us, there are adequate internal control procedures commensurate with the size of the Company and the nature of its business for the purchase of inventory and fixed assets and sale of goods. During the course of our audit we did not notice any continuing failure to correct any major weakness in internal controls.

(v) In respect of transactions entered in the register maintained in pursuance of Section 301 of the Companies Act, 1956,

(a) To the best of our knowledge and belief and according to the information and explanations given to us, we are of the opinion that the transactions that needed to be entered into the register maintained under Section 301 have been so entered.

(b) According to the information and explanations given to us there are transactions where the company has availed as well as rendered construction services and also transactions of purchase and sale of goods in excess of ₹ 5 lakhs with some parties / companies listed in the register maintained under section 301. In respect of construction services, we are informed that these are skilled services for which alternative sources of supply are not readily available. Similarly in case of purchase and sales goods, we are informed that these are specialized items for which alternative sources of supply are not readily available; as such comparison of prices could not be made.

(vi) The Company has not accepted deposits from public. Consequently the directives issued by Reserve Bank of India and the provisions of sections 58A, 58AA or any other relevant provisions of the Act and the rules framed there under are not applicable.

(vii) The Company has an internal audit system which, in our opinion is commensurate with the size and nature of its business.

(viii) We have broadly reviewed the cost records maintained by the Company relating to Construction/BOT/manufacturing activities. We have not made an examination of the cost records required to be maintained under Companies (Cost Accounting Records) Rules, 2011 in respect of their accuracy and completeness as the Company is in the process of obtaining the compliance report of the cost accountant.

(ix) (a) Undisputed statutory dues including Provident Fund, Income tax and Service tax, Works Contract Tax & Employers contribution to ESIC (ESIC) have been generally regularly deposited in many cases with the appropriate authorities except that there have been delays in payments of Works Contract Tax Act in few cases. According to the information and explanations given to us, no undisputed amounts payable in respect of the above statutory dues were outstanding as on 31st March, 2012 for a period of more than six months from the date they became payable.

(b) The disputed statutory dues that have not been deposited on account of appeal matters pending before

the appropriate authorities are as under:-

Financial Year	Amount (Rs. In lacs)	Particulars	Authority
2000-01	93.34	Customs	Asst. Commissioner of Customs, Mumbai
2007-08	105.00	Customs	Commissioner of Customs, Mumbai

2007.08	59.01	Service Tax	Addl. Commissioner of Service Tax, Nasik
2005-06 to 2006-07	71.11	Service Tax	Addl. Commissioner (Central Customs, Excise & Service Tax), Nasik
2011-12	91.56	Sales Tax	Commercial Tax, Odissa
Total	1455.69		

(x) The Company has no accumulated losses as at the financial year end. There were no cash losses incurred in the financial year or the previous financial year.

(xi) As per the books and records maintained by the Company and according to the information and explanations given to us, the Company has not defaulted in repayment of dues loans to banks or financial institutions.

(xii) The Company has not granted any loans and advances on the basis of security by way of pledge of shares, debentures and other securities.

(xiii) The Company is not a chit fund / nidhi / mutual benefit fund / society. Hence, the provisions of any special statute as specified under clause (xiii) of Paragraph 4 of the Order are not applicable to the Company.

(xiv) In our opinion and according to the information and explanations given to us, the Company is not a dealer or trader in investments.

(xv) According to the information and explanations given to us, the Company has given guarantees for loans taken

by group companies from banks or financial institutions, for which approvals from Central Government are to be obtained, which in our opinion are generally not prima-facie prejudicial to the interest of the Company.

- (xvi) In our opinion and according to the information and explanations given to us, the Company has applied the term loans for the purpose for which they were obtained.
- (xvii) According to the information and explanations given to us and on an overall examination of the Balance Sheet and cash flow of the Company, the Company has not used the short term loans for long term investments.
- (xviii) The Company has not made any preferential allotment of shares to parties/companies covered in the register maintained u/s 301 of the Companies Act 1956
- (xix) The Company has not issued any debentures.
- (xx) The company has not raised any money through a public issue during the year.

(xxi) Based on information and explanations furnished by the management, no frauds on or by the company were noticed or reported during the year.

Guidance Note on 'Accounting for employee share based payments' issued by the Institute of Chartered Accountants of India establishes financial accounting and reporting principles for employee share based payment plans. The Company has applied Intrinsic Value Method of Accounting. The difference between the Fair Value of the Equity Share as at March 31, 2008 (as determined by the Category I Merchant banker) and the exercise price is ₹ Nil. Accordingly no Compensation Cost needs to be amortised over the vesting period. Had the Compensation Cost for the plan applied in a manner consistent with the fair value approach described in the guidance note, the Company's Net Income and Basic and Diluted Earnings Per Share as reported would have reduced to the pro forma amounts as under:

- (i) Controlled special purpose entities are subsidiary companies incorporated to execute the specific project on Build Operate Transfer
- (ii) In one of the subsidiary company, viz. Ashoka Infrastructure Limited toll collection has been discontinued at one out of the two toll plazas at the directive of the Employer, the loss of which the subsidiary expects to be compensated by the Employer. Based on additional directives of the employer, major maintenance work was carried out during the F.Y. 2010-11. Both these factors have led to decline of the net worth of the company. However, the subsidiary is confident of receiving additional compensation from the employer. Consequently the value of investment of the Company in the subsidiary continues to be at its full value.
- (iii) The Company has entered into Joint Venture in the nature of Jointly Controlled Operations, wherein there is no capital contribution with Valecha Engineering Ltd for execution of the construction of Chittorgarh Bypass. The work is to be executed separately as per agreed terms and conditions and the obligations and fortunes of the respective works is being accounted individually of the Venturers.
- (iv) The Company is in process of trasfeering some of its existing Investments into an another subsidiary company.
- (v) The Company has also entered into a Joint Venture with Ashoka Buildwell & Developers Pvt. Ltd. by the name of Ashoka Infrastructures, to implement the Dhule Project on BOT basis with a sharing of 99.99% and 0.01% in favour of the company and Ashoka Buildwell & Developers Pvt. Ltd. respectively. The said AOP has applied to PWD Maharashtra for a further increase in toll period. However, approval for the same has not been received till the date of adoption of the financial statements resulting in a material uncertainty of future toll collections and operations of the enterprise Proportionate interest of the company in the said Joint venture is as under:

- (b) Concession period of Nashirabad toll Project was over on 3rd November 2010. Based on an arbitration award dated 8th Aug 2010, extra toll collection period of 9 years 10 months 27 days was granted to the company. The said order has been challenged by PWD in the District court where the arbitration award was rejected, but interim relief to collect the toll till 11.06.2012 granted by High Court, Aurangabad Bench. Appeals against the order of the District court have been filed in the High Court. Pending the decision of the High Court, toll is being collected on the road from November 3, 2010 and recognized as revenue. In case the appeal is decided against the company, amount of toll collected till March 31, 2012 aggregating to ₹ 980.91 Lacs may have to be refunded to PWD. The Company is confident that the courts will decide the matter in its favour.

28 ADDITIONAL NOTES

- (I) During the year the Company has changed the method of amortisation in respect of Intangible Assets i.e. Right to Collect Toll from the projected traffic volumes over the toll period to the amortisation method prescribed in Schedule XIV to The Companies Act, 1956. Amortisation has been recalculated in accordance with new method from the date of toll commencement of respective BOT project. This change has resulted into a reduction of accumulated Amortisation by ₹ 1327.00 lakhs upto March 31, 2012 with a increase in the Written Down Value of Intangible Assets. Had the earlier accounting policy of amortisation of projected traffic volumes being followed, the Amortisation for the year would have been lower by ₹ 24.08 lakhs with a corresponding impact on the net results and reserves
- (II) AS – 17 – Segment Reporting The Company has identified three reportable segments i.e. Construction & Contract related activities, BOT Projects and Sales of Goods. Segments have been identified taking in to account the nature of activities of the Company, differing risks and returns and internal reporting systems.

28 SIGNIFICANT ACCOUNTING POLICIES

COMPANY OVERVIEW

The Company was incorporated in 1993. It is presently in the business construction of infrastructure facilities on Engineering, Procurement and Construction Basis (EPC) and Built, Operate and Transfer (BOT) Basis and Sale of Ready Mix Concrete and Bitumen. The Company has promoted Special Purpose Vehicles (SPVs) for some of its projects, wherein 'Toll Collection Rights' are received in exchange of the Construction Cost. For this, the SPVs significantly engage the services of the Company for contract related activities due to inherent execution capabilities / expertise and experience of the Company.

(I) Basis & Method of Accounting

The Company follows mercantile system of accounting and recognizes income and expenditure on an accrual basis. Financial Statements are prepared under historical cost convention, in accordance with the Generally Accepted Accounting Principles in India (GAAP) and comply in all material aspects, with mandatory accounting standards as notified by the Companies (Accounting Standards) Rules, 2006, relevant provisions of the Companies Act and statements issued by the Institute of Chartered Accountants of India. The significant accounting policies followed by the Company are set out below. Management has made certain estimates and assumptions in conformity with the GAAP in the preparation of these financial statements, which are reflected in the preparation of these financial statements. Difference between the actual results and estimates are recognised in the year in which the results are known.

(II) Fixed Assets, Depreciation & Capital Work in Progress

- (a) Fixed assets are stated at cost less accumulated depreciation. Cost comprises cost of acquisition and expenditure directly attributable for commissioning of the asset. In respect of assets acquired on merger, fixed assets are stated at their fair market value on the effective date of merger less depreciation.
- (b) Depreciation has been provided on Written Down Value method at the rates specified in Schedule XIV to the Companies Act, 1956.
- (c) Capital work in progress comprises of expenditure, direct or indirect, incurred on assets which are yet to be brought into working condition for its intended use against capital expenditure.

(III) Intangible assets & Amortization

- (a) Intangible assets are carried at cost of acquisition less any subsidies or grants. These assets include all duties, non-refundable taxes, levies and costs incurred (which are directly attributable) for bringing assets into working conditions for its intended use. Intangible assets include assets that are incidental for the purpose of Toll Collection and which will be handed over at the end of the concession period. Fees incurred in order to arrange long-term financing are capitalized and amortized over the life of the asset.
- (b) Intangible Asset, i.e. Right to Collect Toll, is amortised based on the actual toll collection in proportion to the projected toll revenue over the toll period as specified by Schedule XIV of the Companies Act, 1956. Projections are reviewed at periodic intervals for consistency and appropriateness. Amortisation is revised in case there is a material change in the Projected Traffic Revenue. Amortisation of these Intangible Assets commence from the date of toll collection.

- #### (IV) Investments
- Non-current Investments are stated at acquisition cost. Investments acquired on merger are stated at their fair market value on the effective date of merger. Current Investment are Valued at lower of cost or market value. Purchases/Sales of investment are accounted on the the trade date i.e. date on which the transaction is completed.

Notes To The Financial Statements For Year Ended March 31, 2012

(V) Revenue Recognition

(a) Construction Contracts

- (i) Revenue from long term contracts / Turnkey Projects is recognized on percentage completion basis as prescribed by AS-7 'Construction Contracts'. Materials sold under Turnkey Projects are treated as Construction Work in Progress till the activity is certified by the client. Provisions for future foreseeable losses are fully provided for.
- (ii) Claims and variations for escalations/damages are recognized only when accepted by the client. Claims under arbitration/disputes are accounted as income based on final award. Expenses on arbitration are accounted as incurred.

(b) Sales

Sale of goods is recognised on dispatch to customers. Sales are stated net of taxes, duties and discounts.

(c) Toll Collection – BOT & Contracts

- (i) Income from toll collection is recognised on the basis of actual collections.
- (ii) Sale of discounted toll coupons/swipe cards is recognized as income at the time of sale.
- (d) Income from Joint Venture project is recognised only when the profit / income is ascertained and there is certainty as to amount of income.
- (e) Dividend Income on investment is accounted when the right to receive is established.

(VI) Inventory

- (a) Inventory of construction / raw material is valued at cost or net realizable value whichever is less. Cost includes all taxes and expenses incurred to bringing inventory to their present location and condition. Cost is arrived at using FIFO basis.
- (b) Work in Progress in respect of construction contracts is valued on the basis of technical estimates and percentage completion basis.
- (c) Stores and spares are expensed as and when purchased.

(VII) Employee Benefits

- (a) Provision for liabilities in respect of leave encashment is estimated on the basis of an actuarial valuation.
- (b) Provision for gratuity liability is made on the basis of Actuarial Valuation in respect of the Group Gratuity Policy with an insurance company.
- (c) Provident Fund benefit to employees is provided for on accrual basis and charged to Profit and Loss Account.
- (d) Compensation Cost of ESOP to employees is accounted on Intrinsic Value Method. Intrinsic value is the amount by which the quoted market price of the underlying shares on the grant date exceeds the exercise price of the options. Accordingly, the compensation cost is amortized over the vesting period.

(VIII) Borrowing Cost

Borrowing costs attributable to acquisition and construction of capital assets are capitalized till the asset is put to use/ready for use. Borrowing costs attributable to construction contract project are charged to profit & loss account and are included for computation of work in progress. All other borrowing costs are recognised as expenditure in the year when they were incurred.

(IX) Foreign Exchange Transactions, Forward Contracts and Derivatives

- (a) Transactions in foreign currency are recorded at exchange rates prevailing on the dates of respective transactions. The difference in translation and realized gains and losses on foreign exchange transactions are recognized in the Profit and Loss Account.
- (b) The Company enters into derivative contracts to hedge against the risk of adverse movements in interest rates, foreign currencies or value of the hedged items. All outstanding derivative instruments at close are marked to market by type of risk and the resultant losses relating to the year, if any, are recognised in the Profit & Loss Account. Gains are accounted on realisation.

Notes To The Financial Statements For Year Ended March 31, 2012

(X) Impairment of Fixed Assets

Wherever events or changes in circumstances indicate that the carrying value of fixed assets may be impaired, such assets are subject to a test of recoverability, based on discounted cash flows expected from use or disposal thereof. If the assets are impaired, loss is recognised.

(XI) Taxes on income

- (a) Tax expense comprises both current and deferred tax at the applicable enacted/substantively enacted rates. Current tax represents the amount of income tax payable in respect of the taxable income for the reporting year.
- (b) Deferred tax represents the effect of timing differences between taxable income and accounting income for the reporting year that originate in one year and are capable of reversal in one or more subsequent years. Deferred tax assets are recognized only to the extent there is reasonable certainty of realization in future. Such assets are reviewed as at each Balance Sheet date to reassess realization.

(XII) Provisions and contingencies

Provisions are recognised when the company has a legal and constructive present obligation as a result of a past event, for which it is probable that outflow of resources will be required and a reliable estimate can be made of the amount of the obligation. Provisions (excluding retirement benefits) are not discounted to their present value and are determined to the best estimates required to settle the obligation at the Balance Sheet date. Contingent liabilities are disclosed in the Notes on Accounts when there is a possible obligation that may result in an outflow of resources. Contingent assets are neither recognised nor disclosed.

Auditors' Report to the Board of Directors of Ashoka Buildcon Limited

1. We have examined the attached Consolidated Balance Sheet of Ashoka Buildcon Limited and its subsidiaries, joint ventures and associates (collectively referred to as 'the group') as at March 31, 2012 and the consolidated Profit and Loss Account and the consolidated Cash Flow Statement for the period ended from April 1, 2011 to March 31, 2012 all of which we have signed under reference to this report. These financial statements are the responsibility of the Company's Management and have been prepared by the management on the basis of separate financial statements and other financial information. Our responsibility is to express an opinion on these financial statements.
2. We conducted our audit in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes, examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.
3. We did not audit the financial statements of Seven subsidiaries of the Company, whose financial statement reflect assets of ₹ 1,27,450.52 lakhs and revenue of ₹ 7,874.45 lakhs. The financial statements of such subsidiaries have been audited by other auditors, whose reports have been furnished to us, and our opinion, in so far as it relates to amounts included in respect of such subsidiaries is based solely on the report of other auditors.
4. Financial statement of an associate whose profit after tax is ₹ 967.20 lakhs has been audited by other auditors, whose reports have been furnished to us, and our opinion, in so far as it relates to amounts included in respect of such subsidiaries is based solely on the report of other auditors.
5. We report that the consolidated financial statements have been prepared by the Company in accordance with the requirements of Accounting Standard 21- 'Consolidated Financial Statements' and Accounting Standard 23- 'Accounting for Investment in associates in Consolidated Financial Statements' and Accounting Standard 27 – 'Financial Reporting of Interests in Joint Ventures' issued by the Institute of Chartered Accountants of India and on the basis of the separate audited financial statements of the Company and its subsidiaries, joint ventures and associates included in the Consolidated Financial statements.
6. In our opinion and to the best of our information and according to the explanations given to us and on consideration of the audit reports on the separate financial statements of the company and its associates, the attached Consolidated Financial Statements, read with the Notes thereon give a true and fair view in conformity with accounting principles generally accepted in India:-
 - in case of the Consolidated Balance Sheet, of the state of affairs of the Group as at March 31, 2012,
 - in case of the Consolidated Profit and Loss Account, of the profit of the Group for the year ended on that date.
 - in case of the Consolidated Cash Flow Statement, of the cash flows of the Group for the year ended on that date.
7. **Emphasis of Matter**

Without qualifying our audit opinion, we invite attention to:-

 - a) Note no. 28 I (g) regarding change in method of amortization of intangible assets of the holding company and consequent re-alignment of its subsidiaries accounting policies resulting in a reduced accumulated amortization of ₹ 2,963.25 lakhs.
 - b) Note no. 12 in the Balance Sheet regarding creation of a capital reserve aggregating to ₹ 2,005.50 lakhs on acquisition of a subsidiary.

Guidance Note on 'Accounting for employee share based payments' issued by the Institute of Chartered Accountants of India establishes financial accounting and reporting principles for employee share based payment plans.

The Company has applied Intrinsic Value Method of Accounting. The difference between the Fair Value of the Equity Share as at March 31, 2008 (as determined by the Category I Merchant banker) and the exercise price is ₹ Nil. Accordingly no Compensation Cost needs to be amortised over the vesting period.

Had the Compensation Cost for the plan applied in a manner consistent with the fair value approach described in the guidance note, the Company's Net Income and Basic and Diluted Earnings Per Share as reported would have reduced to the pro forma amounts as under:

Particulars	For Period Ended	
	31-Mar-2012	31-Mar-2011

Viva Infrastructure Pvt.Ltd., has become a subsidiary of the company as on March 31, 2012. Consequently, the assets and liabilities of the company have been consolidated on a line by line basis. Since, company has been acquired on March 31, 2012, the profit & loss account of the Company has not been considered for consolidation. Such acquisition has created a capital reserve of ₹ 20.05 crores which has been presented in Note No. 2 under Reserve & Surplus.

M/s Ashoka Buildcon Ltd holds a 5% stake in a joint venture, M/s Ashoka Bridgeways. In the opinion of the management, holding of a mere 5% stake would not result in joint control of the entity, hence, the same has not been consolidated in the period under audit. The management has not consolidated 'investment in partnership firms' since, in the opinion of the management, they are not in the nature of a joint ventures.

In one of the subsidiary company, viz. Ashoka Infrastructure Limited toll collection has been discontinued at one out of the two toll plazas at the directive of the Employer, the loss of which the subsidiary expects to be compensated by the Employer. Based on additional directives of the employer, major maintenance work was carried out during the F.Y. 2010-11. Both these factors have led to decline of the net worth of the company. However, the subsidiary is confident of receiving additional compensation from the employer. Consequently the value of investment of the Company in the subsidiary continues to be at its full value.

The company has entered into a Joint Venture with Cube Construction which is in the nature of a Jointly controlled entity. Ashoka Buildcon Ltd., has invested ₹ 0.40 lacs in the company. Management has not consolidated this entity since the transactions in the company for the period ended March 31, 2012 are not material.

COMPANY OVERVIEW:

The Company is incorporated in 1993. It is presently in the business of Construction of infrastructure facilities on Engineering, Procurement and Construction Basis (EPC) and Built, Operate and Transfer (BOT) Basis and Sale of Ready Mix Concrete and Bitumen. The Company has promoted Controlled Special Purpose Entities (SPEs) for some of its projects. The SPEs significantly engage the services of the Company for contract related activities due to inherent execution capabilities / expertise and experience of the Company.

I PRINCIPLES OF CONSOLIDATION

- a) The consolidated financial statements include accounts of Ashoka Buildcon Ltd. (The Company / ABL) and its subsidiaries and associates. Subsidiary undertakings are those companies in which ABL, directly or indirectly, has an interest of more than one half of voting power or otherwise has power to exercise control over the operations. Subsidiaries are consolidated from the date on which effective control is transferred to the Group till the date of such control exists. The consolidated financial statements have been prepared in accordance with historical cost convention, the applicable accounting standards issued by the Institute of Chartered Accountants of India and the relevant provisions of the Companies Act, 1956.
- b) The financial statements of the Company and its subsidiary companies are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra group balances and intra-group transactions in accordance with the Accounting Standard (AS) 21 – “Consolidated Financial Statements” issued by the Institute of Chartered Accountants of India.
- c) The Build, Operate and Transfer (BOT) contracts are governed by service concession agreements with government authorities (grantors). These contracts are executed through special purpose vehicles incorporated for this purpose. Under these agreements, the SPE’s (operator) does not own the road, but gets “Toll Collection Rights” in exchange of

Notes Of The Consolidated Financial Statements For Year Ended March 31, 2012

the construction cost incurred while rendering construction services. Relying on the principles of IFRIC 12 on Service Concession Arrangements, the same has been recognized as intangible assets in the financial statements of the SPE. Since these rights are treated as exchange for construction costs incurred, profit from such contracts is considered as realized. Accordingly, where work are sub-contracted to the holding company and fellow subsidiaries/ associates the intra group transactions pertaining to the BOT contracts and the profits thereon are taken as realized and not eliminated.

- d) In case of associates, where the Company directly or indirectly through subsidiaries holds more than 20% of equity, investments in associates are accounted for using the equity method in accordance with Accounting Standard 23 on Accounting of Investments in Associates in Consolidated Financial Statements” issued by the Institute of Chartered Accountants of India. Investments in associate companies which have been made for temporary purposes have not been considered for consolidation.
- e) The Company accounts for its share in the change on the net assets of the associates, post acquisition, after eliminating profits and losses resulting from transactions between the Company and its associates to the extent of its shares, through its Profit and Loss Account to the extent attributable to the associates’ profit and loss account and through its reserves for the balance, based on available information.
- f) Minority Interest’s share of net assets / reserves of consolidated subsidiaries is identified and presented in the consolidated balance sheet separate from liabilities and the equity of the Company’s shareholders. Share of minority interest in the preference redemption reserve of subsidiary companies has been reduced from the Share premium of the holding company being an appropriation of the share premium account.
- g) Change in method of Amortisation.

As far as possible, the consolidated financial statement are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Company’s separate financial statements. The holding company, Ashoka Buildcon Limited has changed the method of amortising intangible assets from the projected traffic volumes over toll period to the amortization method prescribed under Schedule XIV to the Companies act, 1956. Change in Amortization policy has resulted into reduction of accumulated Amortization by ₹ 1327.00 Lacs upto March 31, 2012 with a corresponding increase in the Written Down Value of Intangible Assets for the holding company. Consequently, some of the subsidiary companies have also changed their accounting policies. Due to such change there has been a net decrease of accumulated Amortization aggregating to ₹ 758.50 lakhs upto March 31, 2012 with a corresponding increase in the Written Down Value of Intangible Assets. Impact of such decrease has been recognized in the Profit and loss account for the year March 31, 2012.

The change in the method of depreciation by the holding company necessitated re-computation of amortisation amounts of the subsidiary companies so that uniform accounting policies are followed. Consequently, amount of amortisation pertaining to the subsidiary companies has been re-computed with retrospective effect for the purposes of consolidation only. Impact of the change in the policy has resulted in a reduction of accumulated amortisation aggregating to ₹ 645.33 lakhs in respect of subsidiary companies upto March 31, 2012 which has been recognized in Profit and Loss Account. Re-computation of amortisation with retrospective effect in case of associate companies has resulted in a credit of ₹ 232.42 lakhs with a corresponding credit to other income.

The above changes in accounting policies does not have any tax impact as these are done at consolidation level.

- h) As far as possible, the consolidated financial statement are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Company’s separate financial statements. Based on the accounting policy of the holding company, amortization of intangible assets in the subsidiary companies has been recomputed as per the projected traffic volume method. Accordingly, amortization of ₹ (620.82) Lacs (Net) has been reduced in the consolidated financial statement for the year ended Mar 31, 2012. Re-computation of amortization does not have any tax impact as these are done at consolidation level.

II. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

a) Basis & Method of Accounting

The Company follows mercantile system of accounting and recognizes income and expenditure on an accrual basis.

Notes Of The Consolidated Financial Statements For Year Ended March 31, 2012

Financial Statements are prepared under historical cost convention, in accordance with the Generally Accepted Accounting Principles in India (GAAP) and comply in all material aspects, with mandatory accounting standards and statements issued by the Institute of Chartered Accountants of India. The significant accounting policies followed by the Company are set out below. Notes Of The Consolidated Financial Statements For Year Ended March 31, 2012

k) Taxes on income

- Tax expense comprises both current and deferred tax at the applicable enacted/substantively enacted rates. Current tax represents the amount of income tax payable/recoverable in respect of the taxable income/loss for the reporting year.
- Deferred tax represents the effect of timing differences between taxable income and accounting income for the reporting year that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets are recognized only to the extent there is reasonable certainty of realization in future. Such assets are reviewed as at each Balance Sheet date to reassess realization.

l) Provisions and contingencies

Provisions are recognized when the company has a legal and constructive present obligation as a result of a past event, for which it is probable that outflow of resources will be required and a reliable estimate can be made of the amount of the obligation. Contingent liabilities are disclosed when there is a possible obligation that may result in an outflow of resources. Contingent assets are neither recognized nor disclosed.

m) Deferred Grants and subsidies

Grants and subsidies relating to investments on Fixed / Intangible assets are recognized in the financial statements by reducing the cost of the relevant assets.

III. NOTES TO ACCOUNTS

- During the F.Y. 2008-09, there has been a dilution of the company's stake in two subsidiaries i.e. AH(D)L and AH(B)L from 90% equity in both the subsidiaries to 60.19% and 53.16% respectively. Further during the period ended December – 2010, there has been a further dilution to the extent of 51.00% and 52.02% respectively. The dilution has taken place due to direct infusion of fresh equity into the subsidiaries by a private equity investor at a premium. Hence, such amount of share premium is not eliminated. Accordingly, amount of such share premium aggregating to ₹ 5,384.45 lacs out of total premium of ₹ 10,464.21 lacs (pertaining to AH(D)L and AH(B)L) has been separately disclosed as "Share Premium on Dilution of Subsidiary Shareholding".
- As per the terms of the concession agreement, the company is obligated to pay an amount of ₹2,05,960.43 Lacs to National Highways Authority of India as additional concession fee over the concession period of 30 years. Accordingly, liability for the same has been created and the corresponding amount is shown as Fixed Assets under the head Intangible Assets under Development.
- The Company has availed the exemption granted by the Ministry of Corporate Affairs vide its letter dated 23rd February, 2011 regarding attachment of the financial statements and the individual annual report of each subsidiary. Consequently the details of each subsidiary as required by the said letter are disclosed here under :

The Company has provided ₹ 1,901.86 Lacs for Maintenance work arising out of Contractual Obligations during the defect liability period of the contracts, which is charged to the Profit & Loss Account.

9. In one of the subsidiary i.e. Ashoka Infrastructure Ltd., toll collection has been discontinued at one out of the two toll plazas at the directive of the Employer, the loss of which is expected to be compensated by the Employer. Based on additional directives of the employer, major maintenance work was carried out during the F.Y. 2010-11. Both these factors have led to a significant decline of the net worth of the company and reduced turnover. However, the company is confident of receiving additional compensation from the employer for additional work done and increases in revenues that will clear out the accumulated loss.
10. The Company has registered under The Employees Provident Fund Act for discharging provident liability of some of its subsidiaries and group companies.
11. Balance of Debtors, Creditors, Advances, Deposits, etc. are subject to confirmation and reconciliation if any.
12. Figures pertaining to the subsidiary companies and joint ventures have been reclassified wherever necessary to bring them in line with the company's financial statements
13. As per the requirement of Revised Schedule VI, the company has re-classified its assets and liabilities into current and non-current, based on the normal operating cycle, as determined by the management. Previous years figures have been accordingly re-grouped and re-classified.
