2010 - 2011

Leadership through Consolidation

Mr. G. D. Birla and Mr. Aditya Birla, our founding fathers.
We live by their values.
Integrity, Commitment, Passion, Seamlessness and Speed.

Dear Shareholder,

The global economy has withstood the recession though its recovery has been rather sluggish. World growth decelerated to nearly 3.8% during the second half of 2010 from 5.3% during the first half. The IMF forecasts a 4.3% global growth in 2011. The US economy grew at 3% last year. Growth in the Euro zone was muted at around 2%. In sharp contrast emerging economies have grown briskly - in excess of 7%. China and India are the clear standouts, peaking at over 10% and 9% growth respectively.

With the global economic growth slowing, growth levels in India are likely to be impacted. Nevertheless, as we know, the fundamentals of the Indian economy remain strong. Over the past few years India's track record has been impressive. The country recorded almost twice the global growth rate. Whilst the country does face roadblocks in the short term, the medium to long term growth prospects for India are bright. These have a bearing on your Company's growth and performance.

For the Financial Year 2010-11, your Company's consolidated revenues stood at US \$ 4.7 billion (₹ 21,585 crores) vis-à-vis US \$ 4.3 billion (₹ 20,195 crores) in the previous year. Net profit at US \$ 501 million (₹ 2,279 crores) is lower by 17% in comparison to US \$ 581 million (₹ 2,759 crores) – excluding extraordinary item in FY 2010.

"Our growth plans in the VSF sector continue to be aggressive. We are the world's No.1 in this sector with our Group's current capacity, in excess of 744,000 tons. Our intent is to ramp up to 1 million tons, in the near future."

I must say that this year has been all about leadership through consolidation, employee engagement, performance management and customer focus.

Leadership through consolidation

In the **Pulp and Fibre business**, the acquisition of Domsjö Fabriker has indeed been a high point. This is a world-class company with cutting edge technology. Its production process, coupled with its state-of-the-art biorefinery, add enormous value. Its high quality pulp will enable us enhance the supply of top quality premium VSF to our customers. The acquisition is in line with our strategy of having a significant part of our speciality pulp for our consumption through a captive source. With Domsjö we are closer to this goal.

Our growth plans in the VSF sector continue to be aggressive. We are the world's No.1 in this sector with our Group's current capacity, in excess of 744,000 tons. In China, we have nearly doubled our production capacity from 36,000 tons to 70,000 tons. At Harihar (Karnataka) a 36,500 tpa Brownfield expansion will go on stream in the near future. Additionally, a 120,000 tpa VSF plant at Vilayat will be up and running by the year 2013. Our intent is to ramp up to 1 million tons, in the near future.

Intensifying its focus on speciality products, your Company has begun manufacturing "micro modal" a finer denier modal widely used in knitwear and women's wear. Your Company has also tied up with leading textile manufacturers for the use of its speciality fibres in denims for women, suitings and school uniforms.

Cement Sector

The acquisition of ETA Star Cement marked our foray beyond Indian shores. It has always been our aspiration to establish our leadership position in India and to have a formidable presence in the Indian Ocean rim. This region is a focus area for your Company in the white cement sector as well. This acquisition along

with the amalgamation of Samruddhi Cement, has bolstered UltraTech, your Company's subsidiary leadership position. UltraTech has become a PAN India player. Alongside, we have gained a strong foothold in the growing markets in the Middle East and the neighbouring regions. Today, UltraTech's capacity stands raised to 52 million tons. UltraTech is among the top-10 global cement companies.

Capital outlays

In the VSF sector, your Company's capex stands at US \$ 540 million (₹ 2,400 crores). This is towards the Greenfield and Brownfield projects at Vilayat (Gujarat) and Harihar (Karnataka) to which I have alluded earlier and partly towards modernization.

To accelerate the pace of growth in cement, over the next 3 years, your Company has earmarked a capital outlay of US \$ 2.5 billion (₹ 11,000 crores). We are investing in the setting up of additional clinkerisation plants at Chhattisgarh and Karnataka together with grinding units, bulk packaging terminals and ready mix concrete plants across the country. These expansions are expected to be operational in FY14 and will augment our cement capacity by 9.2 mtpa.

Outlook

I believe, the pricing of competitive fibres and cotton production will have a bearing on profitability in the short term. Rising input costs may impair earnings to some extent.

In the cement sector, current issues such as the demand supply mismatch, infrastructural bottlenecks and rising input costs are challenges that we have to grapple with currently. In the last few years, new capacity additions of around 100 mtpa, coupled with the prevailing sluggish demand has resulted in a surplus scenario. At the same time, the substantial hike in coal and petro-products prices have led to a drastic increase in input costs. So, overall in the short term one feels bearish about the sector.

"In the VSF sector, your Company's capex stands at US \$ 540 million (₹ 2,400 crores). This is towards the Greenfield and Brownfield projects at Vilayat (Gujarat) and Harihar (Karnataka). “In my view, over the long term the cement sector is likely to grow in excess of 8.5%. My optimism stems from the Government’s enhanced focus on urban as well as rural infrastructure development and housing.”

In my view, over the long term the cement sector is likely to grow in excess of 8.5%. My optimism stems from the Government’s enhanced focus on urban as well rural infrastructure development and housing. Furthermore, the enhanced capital allocation towards infrastructure in the 12th – Five year plan will be a growth propeller. We are positive that we will continue to do well.

To our teams

I would like to say a big thank you to all of our teams for their consistent high performance. I take great pride in the performance of our people.

The Aditya Birla Group in perspective

Today, we are a multi ethnic, multi dimensional Group with a bench strength of 133,000 passionate and committed people, belonging to 42 nationalities across 6 continents. For the year 2010-11, our consolidated revenues stand at US \$ 35 billion, compared to US \$ 29 billion in the preceding year, recording a 22% growth. Our leadership, regardless of levels, has a penchant for collaborative and innovative solutions, for new ways of working that keep our Companies and our products on our clients and customers radar all the time. This is what drives our performance.

I believe that purposive actions in the people area can be huge differentiators to our growth plans. For us, it is very important to know what our people think of us. So we recourse to a biannual Organizational Health Survey (OHS) conducted by Gallup as the barometer of the engagement at work index in our Group. Over 28,000 executives spanning 31 countries participated in OHS 7 (2010). The participation level at 97%, in Gallup’s opinion, sets a new benchmark. Given its objectivity and rigor of its process, there is immense value in its findings.

It is a matter of great satisfaction for me that the key strength of the Group, as identified in the OHS, continues to be the great sense of pride that our

employees experience and express in working for the Aditya Birla Group. More importantly, this pride stems from our employees' belief and conviction that we are a good corporate citizen. Given the decline in ethics we see in business today, that is a huge validation of our insistence on value-based leadership. Pride, in turn is a great driver of positive energy and performance.

To capitalize on this positivity and to grow and hone the talent resident in the Group, we have launched several initiatives that further our Employee Value Proposition – a World of Opportunities. We have launched the 'Career Management Services' – a pioneering effort which is an integrated end-to-end career service aimed at all employees. This is already afoot in the cement business. Over the coming years it will be extended across other businesses in the Group.

On the issue of grooming talent, collectively our Business Directors and Business Heads, along with me, have invested over 500 man-hours in discussing, reviewing and working through the development plans of each of our talent pool members at the Group level. Their development plans include engagement with special projects, coaching and mentoring by the top leadership team, besides attending cutting-edge functional and behavioural programmes globally that open the frontiers of their mind and goad them to defy limitations. That 60% of the total leadership positions were filled in from our existing talent in 2010-11 validates the talent honing processes which have laid a robust leadership pipeline within our Group.

Our commitment to employee learning and development at all levels, is unrelenting. In 2010-11, there were 30,000 touch points with our learners through multiple formats of learning. More than 25,000 employees enlisted in e-learning programmes at Gyanodaya, our Institute of Management Learning. This year, at Gyanodaya, 200 colleagues at very senior levels attended specially designed programmes. They

"It is a matter of great satisfaction for me that the key strength of the Group, as identified in the OHS, continues to be the great sense of pride that our employees experience and express in working for the Aditya Birla Group."

"Our people are our future. With them and the wind in our sails, we feel buoyant about achieving our stretch goal of becoming a 65 billion dollar Group by 2015. Your Company will play in important role in reaching this destination."

had the opportunity to interact with professors from leading Universities and B-Schools. They were a great faculty, drawn from Universities such as Stanford, RICE, Michigan and Duke at the global level along with professors from the IIMs and ISB (Hyderabad). Our senior managers also derived immense value from training and learning sessions conducted by leading consultancies such as The Centre for Creativity Leadership (CCL), The Hay Group and The Works Partnership (TWP), among others.

Finally, I am delighted to share with you that our employees have given a thumping vote of confidence to our Group as the 'Best Employers' in India and in Asia Pacific. Aditya Birla Group, of which your Company is an integral member, has been declared as one of the 'Best Employers' in India in the Aon Hewitt Survey conducted recently. We ranked 2nd from among 200 other Indian organizations, who participated in the survey. In Asia Pacific, we have been ranked among the top companies as well. Soon we hope to attain this stature in the rest of the world too – wherever we operate.

Our people are our future. With them and the wind in our sails, we feel buoyant about achieving our stretch goal of becoming a 65 billion dollar Group by 2015. Your Company will play an important role in reaching this destination.

Yours sincerely,

Kumar Mangalam Birla

OVERVIEW

Globally as well as locally, two clear themes have dominated the economy in the year gone by, namely, the resurgence in growth post the economic crisis and the increasing pressure on natural resources which is pushing the prices of inputs and energy to record levels. The pressure on resources has been exacerbated further by natural disasters like earthquake and tsunami in Japan and man-made political unrest gripping the whole of the Middle East and North Africa. The impact of these events has percolated into the Indian economy as well. As a result, Indian businesses have come under increasing cost pressures, while enjoying healthy growth.

After the economic crisis, turnaround was faster in India driven by India's demographic dividend. Private consumption has been the biggest growth driver for the economy in FY11. There was rebound in the agriculture sector and healthy growth in the manufacturing and services sector. Economic recovery which had gained momentum in the first half of FY11 started showing signs of moderation in the second half. The biggest hindrance to growth momentum, however, has been high inflation. Inflation refuses to abate and has forced RBI to pursue monetary tightening measures even at the cost of growth. Rising energy prices and interest rates will continue to pose a challenge for businesses in the near future. Despite these short term challenges, the overall economic sentiment remains healthy and we expect a good growth rate for the next year as well.

The macro-economic scenario has impacted your Company's businesses. While the VSF business witnessed growing demand and realisations, these were accompanied by increasing pressure on prices of key raw materials. The cement industry was marked by volatility in prices due to oversupply on the one hand and the sluggish demand growth on the other. Global hardening of energy prices, more particularly in the second half, had an adverse impact on the cement sector as power, fuel and freight constitute major part of the cost pie.

STRATEGIC INITIATIVES

Accelerating Growth of VSF Business

With an objective of retaining our leadership in VSF business and gain from the growing demand for textiles in emerging market, your Company is setting up a 120,000 TPA Greenfield VSF plant at Vilayat, Gujarat, at an investment of ₹ 1,700 crore. In addition, the capacity at Harihar (Karnataka) will be raised by 36,500 TPA through a brownfield expansion at a cost of ₹ 449 crore. The Vilayat plant will cater to the specialty fibre segment and take us higher in the value added product range. Thus, with the proposed expansions, VSF capacity will increase by almost 50% to half a million tons with the ability to serve the market with the entire range of VSF fibres. Both the projects are slated for commissioning in FY13. These expansions will place VSF business on a high growth trajectory for the future.

In line with our strategy of backward integration, we will also establish a caustic soda plant at Vilayat.

Acquisition of Domsjo Fabriker AB, Sweden

Securing pulp availability for VSF expansions remains an important area of focus. Towards this objective, your Company has acquired 1/3rd stake in Aditya Holding AB, Sweden, which acquired Domsjo Fabriker AB (Domsjo), Sweden, at an enterprise value of Swedish Kroner (SEK) 2.12 Billion (approx. ₹ 1,570 crore). This will entail an investment of SEK 380 Million (approx. ₹ 280 crore) and will be funded entirely out of internal accruals.

Accelerating Growth of Cement Business

In line with its strategy to scale up its presence in the cement sector, UltraTech Cement Ltd., (UltraTech), a subsidiary of your Company, is setting up brownfield expansions aggregating to 9.2 million TPA at its units in Chhattisgarh and Karnataka. This will increase the capacity of cement business by 20%. Orders have already been placed for major equipments. The projects are expected to be operational from early FY14. UltraTech is working on further projects to consolidate its leadership position in the business.

Acquisition of ETA Star Cement, UAE

In September 2010, UltraTech completed acquisition of ETA Star Cement Company LLC comprising of 2.3 million TPA clinker facility and grinding units of 2.1 million TPA in UAE, 0.4 million TPA in Bahrain and 0.5 million TPA in Bangladesh.

UltraTech's capacity thus stands augmented to 52 million TPA which makes it the 9th largest cement company in the World. (Source: BNP Paribas)

Performance Review

FY11 was quite challenging for the cement industry. While on the one hand, demand growth weakened due to lower realty and infrastructure spending, extended monsoons and logistical constraints further dampened the construction activity on the other. On the supply front, overcapacity continued to plague the industry. During the year, the industry witnessed capacity addition of around 28 million TPA in addition to the 60 million TPA added in the previous year. Industry capacity utilisation was at 75% against 84% recorded in the previous year.

Surplus scenario together with sluggish demand and volatile prices adversely impacted domestic realisations which were lower by 4% as compared to the previous year.

On the cost front, higher imported as well as domestic coal prices resulted in a 25% increase in energy costs which rose substantially from ₹ 671/ton to ₹ 838/ton. During the year, imported coal prices rose by 36% from CIF US\$ 89/ton to US\$ 121/ton. In addition to normal price hike in domestic coal, there was a further increase in domestic coal prices in the range of 30%-150% from 1st March, 2011, onwards. The full impact of the increase will be seen in FY12.

The impact in price hike was partially offset by improved efficiency. The share of captive power has further increased with improvement in efficiency of captive power generation plants. 78% of total power requirement is now met through captive generation. In order to conserve natural resources, your Company has enhanced the use of alternative fuels. Freight and handling expenses for domestic dispatches increased on account of hike in freight rates linked with the increase in diesel prices. The overall lead distance shortened considerably over the previous year with stabilisation of new capacities and a close focus on main markets.

Both RMC and White Cement recorded good performance with the turnover for RMC recording a growth of 24% and that of White Cement 19%. White Cement Business growth is linked with higher sale of Wall Care Putty and other white cement products.

The decline in cement prices, coupled with higher cost, led to severe contraction of margins and PBIDT.

Outlook for Cement Business

The cement industry is likely to grow at over 8.5% per annum to sustain the growth in infrastructure, housing development and government initiatives in rural development. Though the government has demonstrated its intention to pursue aggressive nation building by doubling capital outlay in XIIth Five-Year Plan, its implementation is critical. The present surplus scenario may last for the next 8 to 10 quarters. The pricing environment remains challenging due to the surplus capacity. With rising energy costs due to greater reliance on imports, margins may continue to remain under pressure.

Capex Plan – Cement Business

A total capex of ₹ 11,000 crore has been slated for the cement business comprising of ₹ 5,150 crore on expansion projects and ₹ 5,850 crore towards augmentation of the grinding and evacuation facility, logistics infrastructure, captive thermal power plant, waste heat recovery system, modernisation, etc.

Performance Review

FY11 has been a buoyant year in the history of the fibre industry with the prices of all fibres reaching their all-time high. This was mainly driven by:

- Improved demand for textiles compared to Calendar Year (CY) 2009 despite concerns on consumption in US and European Union markets. Lower purchases in CY 2009 in the value chain also partly resulted in a higher demand in the current year (pipeline filling).
- Continued support of various stimulus packages across the globe.
- The significant drop in production of cotton in China (6.5 million tons in CY 2010 against 7.0 million tons in CY 2009) and Pakistan (1.9 million tons in CY 2010 against 2.1 million tons in CY 2009) due to vagaries of nature resulted in a significant increase in prices of cotton and consequently of VSF and PSF.
- Cost push effect — High cost of pulp and increase in crude price also contributed to price rise.

The business earned PBIDT of ₹ 1,479 crore at a standalone level. Production and sales remained at last year's levels as acute water shortage in June-July 2010 led to an extended shutdown at the Nagda plant. Your Company achieved 98% capacity utilisation (excluding shutdown period). At standalone level, operating margin moderated marginally due to the rise in pulp prices and other input costs. Average pulp cost increased by 27%.

At the consolidated level in the business, PBIDT grew by 21% with better performance from the Company's pulp JVs in Canada. Higher volumes and prices supported by better product quality resulted in higher profitability.

Sector Outlook

Global VSF demand is expected to grow at 5-6% in both the textiles and the non-woven segments over the long term. The entire fibre market pie is expanding, on account of the population growth and prosperity in key emerging markets. Increasing consumer awareness about the benefits of cellulose fibres has attracted greater focus on offering innovative VSF variants, in terms of colour, texture and other value-added properties. The trends promise huge innovations in specialty fibres and their applications.

The profitability in the short term will be governed by the prices of competing fibres, inputs and energy costs. Cotton production in the forthcoming season will also be the key influencing factor.

Business Outlook

Your Company's efforts are aimed at creating differentiation in quality as well as range of fibres vis-à-vis its competitors in the next year. The business will also continue to invest in building a strong R&D

base for both fibre and pulp. VSF business is poised for accelerated growth with sizable expansion projects under implementation and rising demand.

Chemicals

	Unit	2010-11	2009-10	% Change
Caustic Soda				
- Installed Capacity	TPA	258,000	258,000	—
- Production	Tons	242,037	229,801	5
- Sales Volumes	Tons	241,365	229,876	5

ECU Realisation	₹/Ton	18,720	18,096	3
PBIDT	₹ in Crore	124.3	124.8	—
PBIDT Margin	%	22.9	25.3	—

Performance Review

The chemical business achieved record production and sales volume supported by a capacity utilisation of 94%. This is despite the water shortage impacting operations in the first half. Sales volumes grew by 5%. Chlorine and HCl prices recovered from the abnormally low levels in the last year. However, caustic soda prices declined due to cheap imports. Higher raw material and energy cost led to lower operating margin.

During the year, a 10,000 TPA Chlorinated Paraffin Wax plant was commissioned for increasing the captive use of chlorine. The capacity of the plant will be doubled in FY12.

Sector Outlook

The demand outlook for caustic looks positive with higher offtake from the aluminium and fibre industries and normal demand growth from the other end-user industries. Caustic prices have improved in the last quarter, and the trend is expected to continue with a gradual gain in capacity utilisation in the industry.

Business Outlook

A 182,500 TPA Caustic plant and a 60 MW power plant are being put up at Vilayat alongside the VSF plant, mainly for captive use. This will entail an investment of ₹ 772 crore.

The Business expects to maintain high capacity utilisation given the favourable demand outlook.

Grasim Bhiwani Textiles Limited (GBTL)

The Textile subsidiary, GBTL, recorded a revenue growth of 19% from ₹ 288 crore to ₹ 342 crore, driven both by higher offtake in the Ready Made Garment segment and better pricing. The business has also intensified its focus on high-end segments like women's wear. Higher fibre and yarn prices were passed on to customers. As a result, the business was able to maintain its PBIDT margin. The Company earned a net profit of ₹ 4.3 crore during the year.

Net Income from Operations

Net income from operations grew by 7% from ₹ 20,195 crore to ₹ 21,585 crore. All businesses have contributed to higher sales.

Other Income

Other income at ₹ 397 crore grew by 46% on account of higher income from investment of surplus fund in debt schemes of mutual funds and higher dividend income.

Operating Profit (PBIDT)

PBIDT declined by 15% due to lower operating profit in Cement business as elaborated under the Segmental Review and Analysis.

Interest

The interest cost in FY11 stood at ₹ 406 crore (net of interest capitalised) as against ₹ 335 crore in the previous year. UltraTech's subsidiary, UltraTech Cement Middle East Investments Limited, borrowed \$220 million for the acquisition of ETA Star Cement. Loans aggregating ₹ 450 crore were raised in the second half of FY10 to fund expansion projects in the Cement business. Interest for the full year on these loans was reflected in the books in FY11. Interest cover (including interest capitalised) is at a comfortable level of 10.8 times.

Depreciation

Net addition to the Gross Block was ₹ 1,863 crore primarily towards normal capex. As a result, depreciation increased by 14% from ₹ 995 crore in FY10 to ₹ 1,138 crore in FY11.

Total Tax Expenses

The total tax expenses at ₹ 958 crore declined by 39%. Current tax was lower at ₹ 973 crore in the current year as against ₹ 1,214 crore in the previous year due to lower profits and reversal of income tax provision for earlier years in UltraTech. Provision for deferred tax was reversed to the tune of ₹ 15 crore as against deferred tax charge of ₹ 357 crore in the previous year.

Net Profit (Before Extraordinary Gain)

Net profit stood at ₹ 2,279 crore vis-à-vis ₹ 2,759 crore in FY10.

Hence, the results of the continued businesses (excluding the results of the Sponge Iron and Cement Business) have been given for last year for better comparison.

The Standalone results on a comparable basis were impressive. Net income from operations increased by 17% due to improved realisations in VSF business and higher volumes and realisations in Chemical business. PBIDT grew by 14% from ₹ 1,588 crore to ₹ 1,817 crore. Net Profit of the continued businesses (excluding extraordinary gain) was ₹ 1,182 crore as against ₹ 986 crore in FY10, reflecting an increase of 20%.

Major net investments of your Company were made in the debt schemes of various mutual funds and certificates of deposit of Banks.

Capital Expenditure (Net)

Your Company spent ₹ 183 crore on various modernisation and upgradation schemes.

Increase in Working Capital

Increase in sundry debtors due to improved realisations led to an increase in working capital.

Decrease in Debts

Rupee term loans aggregating ₹ 38 crore were repaid. Deferred sales tax loans amounting to ₹ 5 crore were repaid. Short-term borrowings were lower by ₹ 181 crore.

Dividend

A dividend of ₹ 30 per share amounting to ₹ 308 crore (including corporate tax on dividend of ₹ 34 crore) was paid for FY10.

RISKS AND CONCERNS

Your Company has a comprehensive risk management policy, which *inter alia* provides for risk identification, assessment, reporting and mitigation procedure. The risk management framework actively supports the Board in its strategic decision making.

During the year, the Audit Committee reviewed the risk management framework of the Company, the key risks associated with the different businesses and was satisfied with the measures taken to mitigate the same.

An analysis of the Company's key business risks and mitigation plans is as follows:

Competitor Risk

The market is highly competitive with no fiscal barriers and entry of large MNCs into the country with inorganic growth strategies. Your Company continues to focus on increasing its market share and taking marketing initiatives that help create differentiation and provide optimum service to its customers.

Project Execution Risk

As expansions continue to remain a priority for the Company, execution of large projects is exposed to risks of time and cost over-run. Project execution is largely dependent upon land purchase, project management skills, timely delivery by the equipment suppliers and adherence to schedule by civil contractors. Any delay in project implementation impacts the revenues and profit for the delayed period. Your Company has set up a dedicated project implementation cell to continuously review project execution to ensure that timelines and budgets are adhered to.

Human Resource Risk

Your Company's ability to deliver value is shaped by its ability to attract, train, motivate, empower and retain the best professional talent. These abilities have to be developed across the Company's rapidly expanding operations. Your Company continuously benchmarks HR policies and practices with the best in the industry and carries out the necessary improvements to attract and retain the best talent.

Foreign Exchange Risk

Your Company's policy is to hedge long-term foreign exchange risk as well as short-term exposures within the defined parameters. The long-term foreign exchange liability is fully hedged on held to maturity basis. As imports (including capital goods import) exceeded exports, your Company has suitably hedged the differential short-term exposure from time to time to appropriately manage the currency risk.

Interest Rate Risk

Your Company is exposed to interest rate fluctuations on its borrowings. It uses a judicious mix of fixed and floating rate debts within the stipulated parameters to mitigate the interest rate risk. Your Company continuously monitors its interest rate exposures and uses interest rate swaps in the case of foreign currency borrowings having floating rate of interest.

Commodity Price Risk

Your Company is exposed to the risk of price fluctuation on raw materials, energy sources as well as finished goods. Considering the normal correlation in the prices of raw materials and finished goods, the risk is reduced. Your Company's strategy of backward integration in pulp and caustic soda in VSF business helps minimise the effect of increase in the prices of raw materials. Setting up of captive power plants minimises the effect of the rise in energy cost, a major cost element of cement manufacturing.

Forward integration in value added products, e.g., specialty fibre in VSF, ready-mix concrete in cement, wall-care putty in white cement, etc., reduces the impact of price fluctuation in finished goods.

Input Availability Risk

The continued availability of natural resource for current needs and future growth requirements is a key risk.

On the energy front, indigenous coal availability continues to be insufficient to meet the current and growing demand in the country. Cement business operations are dependent on the continuous availability of quality coal at economical prices. Towards this objective, entering into long-term contracts, securing coal blocks and linkages are top priority. Use of alternative fuels for its operation is being pursued in earnest.

Cement business has sufficient limestone reserves at its existing facilities. It is on continuous look out for sourcing of additional limestone reserves for enhancing the existing plant life as well as for its future expansion.

In the VSF business, a high level of backward integration in pulp and caustic helps mitigate the risk of non-availability of input material for existing capacity. For the expansion projects, securing pulp supplies is a thrust area. In this direction, the acquisition of stake in Domsjo will help. Caustic soda capacity of 182,500 tons is being set up to meet captive need.

INTERNAL CONTROL SYSTEM

Your Company has appropriate internal control systems for business processes, with regard to efficiency of operations, financial reporting and controls, compliance with applicable laws and regulations, etc. Clearly defined roles and responsibilities for all managerial positions have also been institutionalised. All operating parameters are monitored and controlled. Regular internal audits and checks ensure that responsibilities are executed effectively. The Audit Committee of the Board of Directors reviews the adequacy and effectiveness of internal control systems and suggests ways of further strengthening them, from time to time.

CONCLUSION

Strong consumption as well as investments have supported India's growth story and will continue to do so in future. Your Company with its presence in Cement and VSF will immensely benefit from both rising investment and consumption. Large capacity expansions under implementation in the Cement and VSF businesses will enable your Company to grow at a rapid pace and further consolidate its leadership.

CAUTIONARY STATEMENT

Statement in this "Management Discussion and Analysis" describing the Company's objectives, projections, estimates, expectations or predictions may be "forward looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include global and Indian demand-supply conditions, finished goods prices, feedstock availability and prices, cyclical demand and pricing in the Company's principal markets, changes in Government regulations, tax regimes, economic developments within India and the countries within which the Company conducts businesses, and other factors such as litigation and labour negotiations. The Company assumes no responsibility to publicly amend, modify or revise any forward looking statements, on the basis of any subsequent development, information or events or otherwise.

Governance Philosophy

Corporate governance refers to a set of laws, regulations and good practices that enable an organisation to perform efficiently and ethically generate long-term wealth and create value for all its stakeholders.

We, at **Grasim Industries Limited**, are committed to the adoption of best governance practices and its adherence in the true spirit, at all times. Our governance practices are self-driven, reflecting the culture of the trusteeship that is deeply ingrained in our value system and reflected in our strategic growth process. Our governance philosophy rests on five basic tenets, viz.,

- Board accountability to the Company and stakeholders,
- Equitable treatment to all shareholders,
- Strategic guidance and effective monitoring by the Board,
- Protection of minority interests and rights, and
- Transparency and timely disclosure.

In line with the above philosophy, your Company continuously strives for excellence through adoption of best governance and disclosure practices. NECS Facility

To enable faster remittance of dividend through “National Electronic Clearing Service”(NECS), Members are requested to provide their new account number allotted to them by their respective banks after implementation of Core Banking Solutions (CBS). The account number must be provided to the Company in respect of the shares held in physical form and to your Depository Participants in respect of the shares held in electronic form.

Shareholders holding shares in physical form are requested to provide details of their bank account for availing Electronic Clearing Service” (ECS) facility in the form available at the website of the Company. However, if the shares are held in dematerialised form, the ECS mandate has to be communicated to the respective Depository Participant (DP). Changes, if any, in the details furnished earlier may also be communicated to the Company or DP, as the case may be. The Company uses ECS facility for remitting dividends to its shareholders wherever available.

Share Transfer/Dematerialisation

1. Share transfer requests are acted upon within 7 days from the date of their receipt at the Share Department. In case no response is received from the Company within 30 days of lodgement of transfer request, the lodger should immediately write to the Share Department of the Company with full details so that necessary action could be taken to safeguard interest of the concerned against any possible loss/interception during postal transit.
2. Dematerialisation requests duly completed in all respects are normally processed within 7 days from the date of receipt at the Share Department of the Company.
3. Investors/Shareholders are requested to kindly note that if physical documents, viz., Demat Request Form (DRF), Share Certificates, etc., are not received from their DP's by the Company within a period of 15 days from the date of generation of the Demat Request Number (DRN) dematerialisation, the DRN will be treated as rejected/cancelled. This step is being taken on the advice of the Depositories so that no demat request remains pending beyond a period of 21 days. This note is only to caution investors/shareholders that they should ensure that their DPs do not delay in sending the DRF and share certificates to the Company after generating the DRN.
4. The Securities and Exchange Board of India (SEBI) vide circular Ref. No. MRD/DoP/Cir-05/2007 dated April 27, 2007, has made PAN mandatory for all securities market transactions. Thereafter, vide Circular No. MRD/DoP/Cir-05/2009 dated May 20, 2009, SEBI has clarified that for securities market transactions and off-market/private transactions involving transfer of shares in physical form of listed companies, it shall be mandatory for the transferee(s) to furnish copy of PAN Card to the Company/RTAs for registration of such transfer of shares.

SEBI has further clarified that it shall also be mandatory to furnish a copy of PAN in the following cases:

- a) Deletion of name of the deceased shareholder(s), where the shares are held in the name of two or more shareholders.
- b) Transmission of shares to the legal heir(s), where deceased shareholder was the sole holder of shares.
- c) Transposition of shares, when there is a change in the order of names in which physical shares are held jointly in the names of two or more shareholders.

 - registering your E-mail ID with the Company to receive Notices of General Meetings/other Notices, Audited Financial Statements, Directors’ Report, Auditors’ Report, etc., henceforth electronically.
7. Shareholders are requested to give us their valuable suggestions for improvement of our investor services.

In the last two decades, India as a nation has been successful in pulling up a significant number of people from below the poverty line. Unfortunately, we still have a quite a large number of our people living below the poverty line – that is on less than US \$ 1.25 a day. This is a problem. The Government of India has an ambitious vision for inclusive growth. There is the overwhelming challenge to improve the lives of the poor. However much it hurts, we have to reckon with the fact that we have the largest concentration of the poor in the world. Today, more than ever it is necessary to look into societal issues and it behoves corporates to proactively partner with the government to see that inclusive growth happens.

At our Group, caring for the underserved is a legacy and an unwritten edict that has been followed by generation after generation. And your Company is proud to be a part of this legacy.

As you may be aware, your Company's endeavours to bring in inclusive growth are channelized through the Aditya Birla Centre for Community Initiatives and Rural Development, of which, your Director, Mrs. Rajashree Birla is the Chairperson.

We take immense pride in sharing with you that this year the President of India bestowed the Padma Bhushan Award on Mrs. Birla in recognition of her exemplary social work. She was also the recipient of the Golden Peacock Life Time Achievement Award for Community Development, which she received in Portugal at the hands of the honorable former Prime Minister of Sweden Mr. Ola Ullsten.

A Snapshot of your Company's work –

Your Company's CSR Activities are concentrated in 122 villages and 36 urban slums, close to our plants at Nagda (Madhya Pradesh), Harihar (Karnataka) and Kharach (Gujarat).

Health Care:

Through our medical camps, we reached out to 1,72,847 villagers for general health checkups and an additional 33,899 villagers in the remotest areas through our rural mobile medical van services. Those afflicted with serious ailments were referred to our hospitals.

At the eye camps organized by us, 2,392 patients were treated. Of these, 850 were operated for cataract and 250 persons were provided with spectacles for better sight.

At Kharach, we held the cleft-lip plastic surgery camp, 37 patients were operated upon. Up until now 1,171 children and adults have benefitted through the 20 camps that we have conducted in collaboration with USA based NGO "Smile Train".

At the medical camps organized for the physically challenged, 146 patients were provided with artificial limbs that enabled them walk again. The Special Day Care Centre for differently abled children at Nagda has been recognized by the Government as the 'Block Resource Centre'. We look after 25 children at this Centre.

More than 420 patients were treated for oral health problems.

We conducted programmes at Harihar to educate the village populace on infectious diseases. We examined over 2,650 patients who were subsequently treated. At Nagda, through a series of TB awareness programmes in the urban slums, we sensitized 3,622 persons.

Nearly 3,074 villagers benefited from the speciality medical camps organized at Nagda, Harihar and Kharach for cardiac checkup, skin diseases, arthritis and other health problems. Furthermore, at Nagda, we have tied up with the Government services to promote Ayurveda, Yoga and Homeopathy.

Mother and Child Health Care:

Over 67,270 children were immunized against polio and 4,445 children for malaria, typhoid and hepatitis-B.

Around 27,243 women took advantage of the anti-natal, post natal, mass immunization, nutrition and escort services for institutional delivery. These form part of our Reproductive and Child Health Care programmes.

In sessions on adolescent health care and nutrition awareness over 4,750 girls and mothers were actively engaged. As a result of our intensive motivation drive towards responsible family raising 1,447 villagers opted for planned families.

Education:

Nearly 900 children were enlisted this year at our Balwadis. Additionally, we were able to enroll 781 children to the local schools in Kharach, Harihar and Nagda. To encourage the spirit of excellence 86 children from our adopted rural schools in Harihar were awarded scholarships.

To focus on the girl child, our units support the cause of Girl child education through their engagement with the Kasturba Gandhi Balika Vidhyalayas (KGBV) – residential schools for girls. More than 4 education centres across Nagda provide bridge education to girls who had dropped out from the education stream, mid-way. So far, 233 girls have been successfully placed in KGBVs and other Government schools.

At Kharach our team has gone a step further. They have taken a written commitment from the parents of girls to support their education. As a way of reciprocity 72 girls are teaching their mothers, in a programme titled “Chal Ma Sathe

Bhaniye”, which translates as “Come Mother, Let Us Learn Together”. Over 207 people have joined our adult literacy classes at Kharach and Nagda. More than 1,000 students of various Government schools were provided with school bags, notebooks, stationery and utensils for the mid-day meal support. Our talent search programme ‘Pratibha Karanji’ drew 755 children from different schools in Harihar.

Our teacher training programme in Harihar and Nagda benefitted 69 teachers.

Safe drinking water and sanitation:

The installation of Reverse Osmosis Plants and water tanks has had a salutary impact on the villagers. More than 35,000 villagers have access to safe drinking water in our operational areas in Gujarat, MP and Karnataka.

Supporting the Nirmal Gram Yojana, we have facilitated the construction of 351 individual toilets in villages around Kharach and Nagda.

Her Excellency, the President of India, Mrs. Pratibha Patil bestowing the coveted Padma Bhushan Award on Mrs. Rajashree Birla.

Sustainable Livelihood:

As part of our endeavours towards renewable energy, 155 bio-gas units have been set up in villages around Nagda.

We immunized 20,753 animals at animal husbandry and other veterinary camps in Nagda and Harihar.

The exposure to various cropping techniques at Nagda and Harihar benefitted 375 farmers. The farm based income generation project covered 130 farmers. We are promoting organic farming at Harihar and Nagda. So far 122 farmers have adopted this process.

The dairy at Nagda provides marketing support to several milk collection centres in the villages and provides a sustainable income to 600 villagers. At Harihar the dairy based income supported 142 households.

Self Help Groups and Income Generation:

Our 184 self help groups empower 2000 households financially and socially. Most of the SHGs have been linked with the economic schemes of NABARD and the District Industries Centre. At the various tailoring centres across all the units, 360 women were trained. The Ansuya Kendra at Birla Cellulosic, Kharach, started with the objective of training rural women, particularly those from BPL families, scheduled tribes and scheduled castes to be self reliant. It has enabled 1,450 women stand on their feet, supplement the household income and in some instances run their family.

Vocational training programmes in 36 different trades were conducted for 848 youngsters. They were trained in two-wheeler repairing, driving, domestic electric repair, fitting, electric motor rewinding, mobile repairing and computer training. Girls were trained also to become beauticians.

'Freedom from Polio'

Infrastructure Development:

The 4 dams constructed at Nagda on the river Chambal continue to benefit nearly a 100,000 people in Nagda as well as the rural populace.

Your Company has constructed/renovated Community halls, school buildings, boundary walls, anganwadi centres, panchayat office, PHC Centres and cattle sheds around its Harihar, Nagda and Kharach plants. Through the Jal Nirmal Programme for safe drinking water it reached out to the villagers at Harihar.

The shed constructed for weavers at Harihar has gone a long way in increasing their productivity and market.

Social Welfare:

Under the mass marriage programme 194 couples in Harihar and Nagda were married.

We helped new beneficiaries to access Government pension funds for old age widows and the physically handicapped.

Programmes on legal rights, safety and environment and insurance conducted at Harihar, Kharach and Nagda were very well received by the 4,000 participants from the interiors.

In sum:

Mainstreaming CSR into our businesses and delivering societal value has given us tremendous profits, albeit of a different kind – the turnaround of human lives, lifting tens of thousands of people out of stark poverty. There is a new found dignity among them. What more can one ask for?

*'Chal Maa, Saathe Bhaniye'
(Come Mother, let us learn together)*

“The threats that the world faces on environment conservation, are indeed alarming. Let me highlight a few. For instance, the burgeoning population. The world’s population will reach 7 billion this year, posing greater challenges to humanity than ever before. This puts enormous pressure on the finite resources of the universe. Today, we are confronted with multiple issues such as climate change, the emission of greenhouse gases, the severity of droughts, floods, rising sea levels, their devastating impact on mankind, and our ability to pursue sustainable development. We, in India are not insulated from these problems. Keeping the bigger picture in mind, we have to ask ourselves, how hard can we step on the resources of the planet?

Long before sustainability and environment conservation became buzzwords, we as a Group, operated and continue to operate our businesses as Trustees with a deep rooted obligation to synergise growth with responsibility. Even as we build a robust business model for long-term growth, texturing sustainable development within its ambit, is part of our process. Environment

conservation and sustainable development are always on our radar. Social and environmental practices in our Group entail the simultaneous creation of economic, environmental and social value, and taking these practices far beyond compliance. Over the last decade these measures have been institutionalized. Consequently, these are integrated into our business strategies and in our endeavours to foster inclusive growth as well.”

– Kumar Mangalam Birla

Your Company is committed to conserve the Environment, and its eco-friendly approach is evident across all spheres of its operations. Its major focus areas are - Waste Management, Energy Management, Water Conservation, Biodiversity Management, Afforestation and Reduction in Emissions.

All of your Company’s plants in the Viscose Staple Fibre, Pulp and Textile businesses are ISO 14001 EMS certified. The plant at Nagda is OHSAS-18001 and SA-8000 certified. All products manufactured

under the Birla Cellulosic brand confirm to the highest ecological parameters established for products that touch the skin. The OEKO TEX-100 certification by BTTG, UK testifies that Birla Cellulose contains no harmful substance and is safe for use.

Your Company continuously upgrades its effluent treatment plants. The treated effluent and treated domestic sewage is recycled for reuse in process applications such as Make Up water in Auxiliary cooling towers, gardening and spraying on coal ash for wetting. We have installed a briquette plant for the burning of ETP sludge in the existing coal fired boilers to utilize the heat value of the bio-mass sludge.

Scrubbers, cyclones, condensers, the sulphur recovery plant and electrostatic precipitators are our ways to stem air pollution.

Your Company has pioneered the recovery of CS₂ from spinning off gases, based on the absorption and desorption technology at Nagda. Towards this a special plant has been commissioned. This is the first time world over that such an innovative technology is being experimented in the VSF industry.

At your Company's pulp plant at Harihar, the Advanced Process Control System of the lime kiln has been upgraded. This sustains / reduces the usage of fossil fuel. A part of the organically rich waste water viz. Pre-hydolysate Liquor (PHL) is being recycled to generate biogas. Biogas is being used as a replacement for fossil fuels like Low Density Oil (LDO) and Furnace Oil. Over 93% of LDO and 2.6% of Furnace Oil has been

replaced by Biogas. The Pulp Unit is augmenting its biogas generation capacity. This initiative is expected to reduce the load on the effluent treatment plant, lessen the usage of Furnace Oil consumption and lower the emission of green house gases.

At the Birla Cellulosic plant in Kharach, we have initiated the development of mangroves in a 10 hectare area at the creek of the river Kim. We began the seeding, replantation and protection of mangroves from stray animals during the year. We are pleased to inform you that the mangroves have come up very well. In this project, we have enlisted the support of Kantha Vistar Satayapurna, a Surat based NGO.

Our CDM project relating to the steam condensing turbine is being reviewed by the validator M/s. RINA (Gujarat).

At the Birla Cellulosic plant, fly ash generated from the power plant is fully utilized for manufacturing bricks. For infrastructure projects at Birla Cellulosic, only fly ash bricks are used.

Your Company continues to extend the Green Belt Cover in all of its plant locations. Nagda boasts of over 3,30,000 trees / plants / rose-beds, enveloping 76% of the plant complex. At Kharach over 2,000 trees were planted this year.

The greenery encircling our plants, the swaying palms, the colorful flowerbeds and the constant chirping of the birds, show nature at its best.

Our Board, our Management and all our colleagues are committed to living in harmony with nature.

TO THE SHAREHOLDERS OF GRASIM INDUSTRIES LIMITED,

Dear Shareholders,

Your Directors have pleasure in presenting the 64th Annual Report and Audited Accounts of the Company for the year ended 31st March, 2011.

As the Management Discussion and Analysis section focuses on your Company's strategies for growth, in depth, your Board is providing only a brief overview in this report.

CONSOLIDATION OF CEMENT BUSINESS

The demerger of the Company's Cement business into a separate subsidiary, Samruddhi Cement Limited (SCL), and the subsequent merger of SCL with UltraTech Cement Limited (UltraTech) (another subsidiary) were completed. This has paved the way for the shareholders of Grasim to participate directly in a focussed entity engaged in the Cement business.

We are confident that this pragmatic step will yield rich dividends in the long run and lay a strong foundation for the future growth of your Company.

GROWTH OF THE EXISTING BUSINESSES

Expansion of Viscose Staple Fibre (VSF) Capacity

A total capex of ₹ 2,400 crore has been approved by the Board for the VSF business. This includes the cost of setting up a 120,000 TPA greenfield VSF plant at Vilayat (Gujarat) and expansion of its capacity at Harihar (Karnataka) by 36,500 TPA.

In line with its strategy of resource de-risking critical inputs, your Company will also establish a Caustic Soda plant at Vilayat with a capacity of 182,500 tons.

Acquisition of Domsjo Fabriker AB, a Swedish Pulp Manufacturing Company

Your Company has, 1/3rd stake in Aditya Holding AB, Sweden, which controls Domsjo Fabriker AB, Sweden, a leading manufacturer of specialty pulp used in the manufacture of VSF.

Expansion of Cement Capacity

A total capex of ₹ 11,000 crore has been approved by the UltraTech Board. This includes brownfield expansions aggregating to 9.2 million TPA at Chhattisgarh and Karnataka units which are expected to be operational from early FY14. In the existing projects, UltraTech is strengthening logistic support, waste heat recovery, etc., for future growth.

Acquisition of ETA Star Cement, UAE

In September 2010, UltraTech completed the acquisition of ETA Star Cement Company LLC with its assets comprising of 2.3 million TPA clinker facility and grinding units of 2.1 million TPA in UAE, 0.4 million TPA in Bahrain and 0.5 million TPA in Bangladesh. With this acquisition, UltraTech gained direct access to the markets in the Middle East and neighbouring regions. Consequent to this acquisition, UltraTech's capacity stands augmented at 52 million TPA.

FINANCIAL PERFORMANCE

Your Company has reported improved results on the back of superior performance from VSF, a core business of your Company, which moved in tandem with the other competing fibres.

The performance of your Company's Cement subsidiary, UltraTech, was impacted mainly due to the slowdown in the realty sector.

DIVIDEND

Your Board has recommended a dividend of ₹ 20 per share, subject to your approval. The total outflow on account of the dividend (inclusive of the Corporate Tax on Dividend) would be ₹ 197.06 crore.

EMPLOYEE STOCK OPTION SCHEME (ESOS)

During the year, 71,297 Employee Stock Options were granted to certain eligible employees of the Company. Out of the Options granted in the earlier years, 42,909 Options were vested.

During the year, some of the option holders have exercised options thereby converting 15,207 options into shares of ₹ 10 each and, accordingly, 15,207 shares were allotted to the concerned option holders.

The details of Employee Stock Options granted pursuant to the Employee Stock Option Scheme -2006 (ESOS-2006), as also the disclosures in compliance with Clause 12 of the Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999, are set out in Annexure 'A' to this Report.

DEBENTURES AND TERM LOANS

Your Company has not raised any long term loans. Term loans aggregating ₹ 38 crore have been repaid.

AWARDS AND ACCOLADES

Some of the significant accolades earned by your Company during the year include:

- *Greentech Environment Award 2010 – Gold: Harihar Polyfibers, Harihar.*
- *Most Innovative Environmental Project Award 2011 by CII Godrej Green Business Centre: Harihar Polyfibers, Harihar.*

RESEARCH AND DEVELOPMENT

Your Company's unwavering commitment to R&D and to sustainably surpass "Quality" requirements in a holistic manner has been endorsed by accreditations from the Ministry of Science and Technology, Government of India, for the newly set up "Wood and Pulp Research Centre" at Harihar (Karnataka) and the "Textile Research and Application Development Centre" (TRADC) at Kharach (Gujarat). The "Birla Research Institute for Applied Sciences" already enjoys this status.

The Pilot Plant facilities at the new state-of-the-art, "Wood and Pulp Research Centre," became operational in July 2010. It fosters continuous improvements in process, product quality and environment management of the Pulp plants through ongoing projects in areas related to Wood morphology, pulping and bleaching optimisation and quality improvement. This centre will help the business in evaluating suitability of various species of wood for DG pulp and aid customised process design. The Birla Research Institute for Applied Sciences is actively engaged in development and patenting of a novel next generation fibre besides having developed process for Flame Retardant Viscose Fibres for which patents have been obtained. TRADC has been facilitating the market seeding of new fibres so developed through evolving their optimal downstream processing techniques and producing test quantities of finished products with them. These endeavours have resulted in the Market launch of a Denim collection based on our solvent spun fibre "Excel" as also a special trousers collection based on a new colour fast spun dyed fibre. Work is ongoing to develop and seed specialty products based on functional fibres providing added value and exclusive convenience to our end-customers. All our R&D Centres are being further strengthened with new equipment and analytical instruments.

Towards upgrading our environmental standards, a plant based on a novel process to reduce emissions has been commissioned at one of our production lines for confirming the results obtained in pilot trials.

HUMAN RESOURCES

Your Company believes that Human Resources play a very critical role in its growth. Your Directors are pleased to inform you that the Aditya Birla Group, of which your Company is a part,

has been declared as one of the Best Employers in India by the Aon – Hewitt survey conducted recently. The Group ranked second among two hundred other Indian organisations which took part. The process entailed a rigorous six-month exercise involving HR systems and processes audit, online survey with several employees, face to face meetings with Leadership teams, HR and a cross section of employees.

Going forward, attracting and retaining talent will be a key challenge. Various initiatives have been launched to provide growth opportunities to employees and stem attrition. Notable initiatives for the current year include the rollout of the Employee Value Proposition and the Career Portal Platform to provide visibility of career opportunity to the employees.

CORPORATE GOVERNANCE

Your Directors reaffirm their continued commitment to good corporate governance practices. Your Company fully adheres to the standards set out by the Securities and Exchange Board of India for Corporate Governance practices and has implemented all of its stipulations.

As required by Clause 49 of the Listing Agreement of Stock Exchanges, a separate section on Corporate Governance together with a certificate from your Company's statutory Auditors, forms part of this Annual Report.

A. CONSERVATION OF ENERGY

a) Energy Conservation measures taken

The Company is continuously engaged in the process of energy conservation through improved operational and maintenance practices. Following measures have been taken by different units of the Company:

i) Viscose Staple Fibre and Pulp Units

- Adoption of triple effect steam ejectors.
- Replacement of condenser of centrifugal compressor by energy efficient pump.
- Installation of Variable Frequency Drives.
- Temperature based steam control for Sulphur Melting Pits in CS2 Plant.
- Adoption of gravity flow of Slurry from Pulper to Homogeniser in place of pumping.
- Replacement of FTL and Well Glass by CFL.

ii) Chemical Units

- Replacement of old electrolyzer with energy efficient electrolyzer.
- Installation of Capacitor Banks for improving power factors.
- Installation of Variable Frequency Drive.
- Replacement of old motors with energy efficient motors.

iii) Textile Units

- Optimisation in Humidification plant and Chiller operation.
- Installation of energy efficient pump in water supply.
- Optimisation in TFO speeds.

b) Additional investment and proposals, if any, being implemented for reduction of consumption of energy:

i) Viscose Staple Fibre and Pulp Units

- Adoption of Brine Screw Chiller with eco friendly refrigerant Reciprocating Brine Chiller
- Adoption of Triple Effect Anhydrous Evaporator.
- Adoption of 3HP/720 RPM motor for reduction of stirrer RPM.
- Replacement of pumps, variable frequency drives and LV drives for energy saving.
- Lighting transformers for Viscose and Spinning area.
- Installation of energy efficient surface aerators in effluent treatment plant.
- Replacement of vacuum filter circulation pump with higher efficiency pump and old motors with IP 55 protection motors.

ii) Chemical Units

- Replacement of Low capacity Chlorine compressor with higher capacity.
- Installation of Variable Frequency Drives.
- Replacement of Generation I Electrolyzers with Generation V Electrolyzers.
- Installation of Energy Efficient Light Fittings.

iii) Textile Unit

- Installation of R.O. plant for Boiler.
- Replacement of old motors in soft winding.

TO THE MEMBERS OF GRASIM INDUSTRIES LIMITED

1. We have audited the attached Balance Sheet of **GRASIM INDUSTRIES LIMITED** ("the Company") as at 31st March, 2011, the Profit and Loss Account and the Cash Flow Statement of the Company for the year ended on that date, both annexed thereto, in which are incorporated the Returns from Vikram Woollens Division, audited by Branch auditors. These financial statements are the responsibility of the Company's Management. Our responsibility is to express an opinion on these financial statements based on our audit.
2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and the disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by the Management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
3. As required by the Companies (Auditor's Report) Order, 2003 (CARO) issued by the Central Government in terms of Section 227(4A) of the Companies Act, 1956, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the said Order.
4. Further to our comments in the Annexure referred to in paragraph 3 above, we report that:
 - (i) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (ii) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from the Division audited by branch auditor; whose report has been forwarded to us and has been dealt with by us in preparing this report;
 - (iii) the Balance Sheet, the Profit and Loss Account and the Cash Flow Statement dealt with by this report are in agreement with the books of account and the audited Branch Returns;
 - (iv) in our opinion, the Balance Sheet, the Profit and Loss Account and the Cash Flow Statement dealt with by this report are in compliance with the Accounting Standards referred to in Section 211(3C) of the Companies Act, 1956;
 - (v) in our opinion and to the best of our information and according to the explanations given to us, the said accounts give the information required by the Companies Act, 1956 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:
 - (a) in the case of the Balance Sheet, of the state of affairs of the Company as at 31st March, 2011;
 - (b) in the case of the Profit and Loss Account, of the profit of the Company for the year ended on that date and
 - (c) in the case of the Cash Flow Statement, of the cash flows of the Company for the year ended on that date.
5. On the basis of the written representations received from the Directors as on 31st March, 2011 taken on record by the Board of Directors, we report that none of the Directors is disqualified as on 31st March, 2011 from being appointed as a director in terms of Section 274(1)(g) of the Companies Act, 1956.

TO THE MEMBERS OF GRASIM INDUSTRIES LIMITED**(Referred to in paragraph 3 of our report of even date)**

- (i) Having regard to the nature of the Company's business/activities/results, clauses (x) regarding cash loss incurred by the Company, (xiii) regarding chit fund, nidhi / mutual benefit fund / societies and (xiv) regarding dealing or trading in shares, securities, debentures and other investments, of CARO are not applicable.
- (ii) In respect of its fixed assets:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.
 - (b) The fixed assets were physically verified during the year by the Management in accordance with a programme of verification, which in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) The fixed assets disposed off during the year, in our opinion, do not constitute a substantial part of the fixed assets of the Company and such disposal has, in our opinion, not affected the going concern status of the Company.
- (iii) In respect of its inventories:
 - (a) As explained to us, the inventories were physically verified during the year by the Management except stocks lying with third parties for which confirmations have been obtained.
 - (b) In our opinion and according to the information and explanations given to us, the procedures of physical verification of inventories followed by the Management were reasonable and adequate in relation to the size of the Company and the nature of its business.
 - (c) In our opinion and according to the information and explanations given to us, the Company has maintained proper records of its inventories and no material discrepancies were noticed on physical verification.
- (iv) According to the information and explanation given to us, the Company has neither granted nor taken any loans, secured or unsecured, to / from companies, firms or other parties listed in the Register maintained under Section 301 of the Companies Act, 1956, during the year.
- (v) In our opinion and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Company and the nature of its business with regard to purchases of inventory and fixed assets and the sale of goods and services. During the course of our audit, we have not observed any major weakness in such internal control system.
- (vi) To the best of our knowledge and belief and according to the information and explanations given to us, there were no contracts or arrangements that needed to be entered in the Register maintained under Section 301 of the Companies Act, 1956.
- (vii) According to the information and explanations given to us, the Company has not accepted any deposit from the public in terms of the provisions of Sections 58A and 58AA or any other relevant provisions of the Companies Act, 1956.
- (viii) In our opinion, the Company has an adequate internal audit system commensurate with the size and the nature of the Company's business.
- (ix) We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under Section 209(1)(d) of the Companies Act, 1956 in respect of the Company's products to which the said

rules are applicable and are of the opinion that prima facie the prescribed accounts and records have been made and maintained. We have, however, not made a detailed examination of the records with a view to determining whether they are accurate or complete. To the best of our knowledge and according to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records for any other product of the Company.

- (x) According to the information and explanations given to us in respect of statutory dues:
- The Company has generally been regular in depositing undisputed dues, including Provident Fund, Investor Education and Protection Fund, Employees' State Insurance, Income-tax, Sales Tax, Value Added Tax, Wealth Tax, Service Tax, Custom Duty, Excise Duty, Cess and other material statutory dues applicable to it with the appropriate authorities.
 - There were no undisputed amounts payable in respect of the above mentioned statutory dues in arrears as at 31st March, 2011 for a period of more than six months from the date they became payable.
 - Details of dues of Income-tax, Sales Tax, Value Added Tax, Wealth Tax, Service Tax, Custom Duty, Excise Duty and Cess, to the extent applicable, which have not been deposited as on 31st March, 2011 on account of disputes and the forum where the dispute is pending are given below:

SCHEDULE 22

SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS

(A) Significant Accounting Policies:

1. Accounting Concepts:

The financial statements are prepared and presented in accordance with the Generally Accepted Accounting Principles (GAAP) in India and comply in all material aspects with the Accounting Standards (AS) notified under the Companies (Accounting Standard) Rules, 2006 (as amended), other pronouncements of the Institute of Chartered Accountants of India, the relevant provisions of the Companies Act, 1956, and guidelines issued by Securities and Exchange Board of India.

2. Use of Estimates:

The preparation of financial statements requires estimates and assumptions to be made that effects the reported amount of assets and liabilities on the date of financial statements and reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known/materialise.

3. Fixed Assets:

Fixed assets are stated at cost, less accumulated depreciation/amortisation. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

4. Foreign Currency Transactions:

Foreign currency transactions are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities in foreign currency existing at Balance Sheet date are translated at the year-end exchange rates.

Exchange differences, including premium or discount on forward exchange contracts, arising till the commissioning of fixed assets, relating to borrowed funds and liabilities in foreign currency for acquisition of the fixed assets, are adjusted to the cost of fixed assets. Other premium or discount on forward exchange contracts is amortised as expense or income over the life of the contract. All other exchange differences are recognised in the Profit and Loss Account.

5. Financial Derivatives:

Financial derivative instruments, such as Swaps and Options, are used to hedge risks associated with fluctuations in foreign exchange and interest rates. The derivative contracts are closely linked with the underlying transactions and are intended to be held to maturity. The underlying transactions are recorded as per terms of the financial derivative contracts.

6. Treatment of Expenditure during Construction Period:

Expenditure during construction period is included under Capital Work-in-Progress and the same is allocated to the respective fixed assets on the completion of construction.

7. Investments:

Investments are classified as long term based on management intention, all other investments are classified as current investments. Current investments are stated at lower of cost and fair value. Long term investments are stated at cost after deducting provisions made, if any, for permanent diminution (i.e., other than temporary diminution) in value.

8. Inventories:

Inventories, except scrap, are valued at the lower of cost and net realisable value. Waste/Scrap is valued at net realisable value. The cost is computed on weighted-average basis. Proceeds in respect of sale of raw material/stores are credited to their respective heads.

Cost of Finished goods and process stock include cost of conversion and other costs incurred in bringing the inventories to their present location and condition.

Obsolete, defective, slow moving and unserviceable inventories are duly provided for.

9. Research and Development Expenditure:

Expenditure incurred during research phase is charged to revenue when no intangible asset arises from such research. Fixed Assets procured for research and development activities are generally capitalised.

SCHEDULE 22 (Contd.)**10. Depreciation/Amortisation:**

Depreciation/Amortisation charge is provided for on the following basis:

- (a) On fixed assets on written-down-value method in respect of Viscose Staple Fibre Division, Nagda, Engineering Division, Nagda and Corporate Finance Division, Mumbai and on Straight Line Method in respect of assets of other Divisions including Power Plants at Nagda; applying the rates/useful life specified in Schedule XIV of the Companies Act, 1956, except as stated hereunder:

Asset	Estimated Useful Life
Leasehold Land	over the period of lease
Motor Cars	5 years
Computer Software	3 years
Computer and Other Electronic Office Equipment	4 years
Furniture, Fixtures and Electrical Fittings	7 years

Continuous process plants as defined in Schedule XIV of the Companies Act, 1956, have been classified on technical assessment and depreciation provided accordingly.

- (b) In respect of Revalued Fixed Assets, on straight line method on the gross value of assets as increased by the amount of revaluation at lower rates, based on life of assets, as ascertained by the valuers.
- (c) In respect of fixed assets added/disposed off during the year on *pro-rata* basis with reference to the month of addition/deduction except in case of new projects where it is provided on the basis of days of use.
- (d) Individual assets costing less than ₹ 5,000 are depreciated in full in the year of acquisition.

11. Impairment of Assets:

Carrying amount of assets is reviewed at the Balance Sheet date if there is indication of impairment based on the internal and external factors.

The assets are treated as impaired when the carrying amount of asset exceeds its recoverable amount. An impairment loss, if any, is charged to the Profit and Loss Account in the year in which the asset is identified as impaired. Reversal of impairment loss recognised in prior years is recorded when there is an indication that impairment loss recognised for the asset no longer exists or has decreased.

12. Revenue Recognition:

Sales revenue is recognised on transfer of the significant risks and rewards of ownership of the goods to the buyer and stated at net of sales tax, VAT, trade discounts and rebates but includes excise duty.

Dividend income on investments is accounted for when the right to receive the payment is established.

Interest income is recognised on time proportion basis.

Income against claims of the Company, viz., export incentives, insurance and railway claims, etc., is recognised on accrual/right to receive basis. However, where the quantum of accrual cannot be ascertained with reasonable certainty, the same is accounted on acceptance basis.

Profit on sale of investments is recorded on transfer of title from the Company and is determined as the difference between sale price, carrying value of Investment and other incidental Expenses.

13. Employee Benefits:

- (a) Short-term employee benefits and contribution to defined contribution plans are recognised as an expense on accrual at the undiscounted amount in the Profit and Loss Account.

The contribution as specified under the law are paid to the Provident Fund set up as irrevocable trust by the Company or to the Regional Provident Fund Commissioner. The Company is generally liable for annual contribution and any shortfall in the fund assets based on the government specified minimum rates of return. Such contributions and shortfall, if any, are recognised in the Profit and Loss Account as an expense in the year incurred.

SCHEDULE 22 (Contd.)

- (b) Post-employment and other long-term employee benefits are recognised as an expense, at the present value of the amounts payable determined using actuarial valuation techniques. Actuarial gains and losses in respect of post-employment and other long term benefits are charged to the Profit and Loss Account.
- (c) Employee Stock Option Scheme: The stock options granted are accounted for as per the accounting treatment prescribed by Employee Stock Option Scheme and Employee Stock Purchase Guidelines, 1999, issued by Securities and Exchange Board of India, whereby the intrinsic value of options is recognised as deferred employee compensation. The deferred employee compensation is charged to Profit and Loss Account on straight line basis over the vesting period of the option. The employee stock option outstanding account is shown net of any unamortised deferred employee compensation.

14. Government Grants:

Government grants are recognised when there is reasonable assurance that the same will be received. Capital grants relating to specific assets are reduced from the gross value of the fixed assets and capital grants for Project Capital Subsidy are credited to Capital Reserve. Revenue grants are recognised in the Profit and Loss Account.

15. Borrowing Cost:

Interest and other costs in connection with the borrowing of the funds to the extent related/attributed to the acquisition/construction of qualifying fixed assets are capitalised upto the date when such fixed assets are ready for their intended use and all other borrowing costs are charged to Profit and Loss Account.

16. Provision for Current and Deferred Tax:

Provision for Current Tax is made on the basis of estimated taxable income for the current accounting period in accordance with the provisions of the Income Tax Act, 1961. Deferred Tax resulting from timing difference between book and taxable profit for the year is accounted for using the tax rates and laws that have been enacted or substantively enacted as on the Balance Sheet date. The deferred tax asset is recognised and carried forward only to the extent there is a reasonable certainty that the deferred tax assets will be realised in future.

17. Operating Leases:

Leases where significant portion of risk and reward of ownership are retained by the Lessor are classified as Operating Leases and lease rentals thereon are charged to Profit and Loss Account over the period of the lease.

18. Provisions/Contingencies:

A provision is recognised when there is a present obligation as a result of past event, and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are determined (as provided/charged to Profit and Loss Account) based on best estimate of the amount required to settle the obligation at the Balance Sheet date.

Contingent Liabilities are not recognised but are disclosed, and Contingent Assets are neither recognised nor disclosed, in the financial statements.

Grant Price (₹ Per Share)	1,928	2,885	1,440
Revised Grant Price*	1,523	2,279	1,440
Market Price on the Date of Grant of Option (₹)	2,728	2,885	2,057

* As per the Scheme of Arrangement as mentioned in Note 6 of Schedule 22(B), a Compensatory Employee Stock Option Scheme (CESOS) was formulated by Samruddhi Cement Limited (SCL), under which the stock option holders of the Company were entitled to one stock option of SCL for every stock option held by them in the Company. The CESOS is an outcome of the Scheme and is in no way a modified or a new ESOS.

SCHEDULE 22 (Contd.)

The impact on account of CESOS has been accounted for based on the dividend grant price of the stock option issued by SCL under CESOS, as per division of stock option grant price under Employee Stock Option Scheme-2006, (ESOS-2006) recommended by the Merchant Bankers to ESOS-2006.

(b) Movement of Options Granted:

Particulars	2010-11	2009-10
Options Outstanding at the beginning of the year	185,654	208,144

Exercised during the year	15,207	8,992
Lapsed during the year	17,174	13,498
Options Outstanding at the end of the year	224,570	185,654
Options Unvested at the end of the year	99,334	88,120
Options Exercisable at the end of the year	125,236	97,534

(c) Fair Valuation:

The fair value of options used to compute proforma net income and earnings per equity share has been done by an independent firm of Chartered Accountants on the date of grant using Black-Scholes Model.

The key assumptions in Black-Scholes Model for calculating fair value as on the date of grant are:

Risk Free Rate	7.78% (Tranche I & II), 8.09% (Tranche III)
Option Life	Vesting Period (1 Year) + Average of Exercise Period
Expected Volatility	Tranche I: 33%, Tranche II: 36%, Tranche III: 45.64%
Expected Growth in Dividend	2.38% (Tranche I & II), Nil (Tranche III)

The weighted-average fair value of the option, as on the date of grant, works out to ₹ 1,052 per stock option.

Had the compensation cost for the stock options granted under ESOS-2006 been determined, based on fair-value approach, the Company's net profit and earnings per share would have been as per the proforma amounts indicated below:

(₹ in Crore)

Particulars	2010-11	2009-10	
		(Before Extraordinary Items)	(After Extraordinary Items)

AUDITORS' REPORT TO THE BOARD OF DIRECTORS OF GRASIM INDUSTRIES LIMITED

1. We have audited the attached Consolidated Balance Sheet of **GRASIM INDUSTRIES LIMITED** ("the Company"), its subsidiaries and jointly controlled entities (the Company, its subsidiaries and jointly controlled entities constitute "the Group") as at 31st March, 2011 the Consolidated Profit and Loss Account and the Consolidated Cash Flow Statement of the Group for the year ended on that date, both annexed thereto. The Consolidated Financial Statements include investments in associates accounted on the equity method in accordance with Accounting Standard 23 (Accounting for Investments in Associates in Consolidated Financial Statements) and the jointly controlled entities accounted in accordance with Accounting Standard 27 (Financial Reporting of Interests in Joint Ventures) as notified under the Companies (Accounting Standards) Rules, 2006. These financial statements are the responsibility of the Company's Management and have been prepared on the basis of the separate financial statements and other financial information regarding components. Our responsibility is to express an opinion on these Consolidated Financial Statements based on our audit.
2. We conducted our audit in accordance with the auditing standards generally accepted in India read together with our remarks in paragraph 3(b) below. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and the disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by the Management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
3. (a) The Consolidated Financial Statement of the Company which were prepared considering unaudited reviewed results of Idea Cellular Limited, an associate company, for the nine months to 31st December 2010, were earlier approved by the Board of Directors (BoD) at their meeting held on 11th May, 2011 inter alia for the purpose of publishing annual audited financial results pursuant to Clause 41 of the Listing Agreement with the Stock Exchanges. We had issued our report dated 11th May, 2011 on the said Consolidated Financial Statements addressed to the BoD. Subsequently those consolidated financial statements have been amended to give effect of unaudited financial results of the associate for the year ended on 31st March, 2011 (see Note 2 of Schedule 23(B)).
(b) Apart from the forgoing event, the attached Consolidated Financial Statements do not take into account any events subsequent to the date of approval of the Consolidated Financial Statements approved earlier by the Board of Directors and reported upon by us as aforesaid.
4. We did not audit the financial statements of certain subsidiaries and jointly controlled entities, whose financial statements reflect total assets of ₹ 2006.11 Crores as at 31st March, 2011, total revenues of ₹ 630.40 Crores and net cash inflows amounting to ₹ 0.85 Crores for the year ended on that date as considered in the Consolidated Financial Statements. These financial statements have been audited by other auditors whose reports have been furnished to us and our opinion in so far as it relates to the amounts included in respect of these subsidiaries and jointly controlled entities is based solely on the reports of the other auditors.
5. The financial statements of Jointly controlled entities, whose financial statements reflect total assets of ₹ 910.37 Crores as at 31st March, 2011, total revenues of ₹ 659.06 Crores and net cash inflows amounting to ₹ 58.44 Crores for the year ended on the date as considered in the Consolidated Financial Statements are unaudited and certified by the Management and our opinion is so far as it relates to the amounts included in respect of these jointly controlled entities is based solely on such management certification.
6. As stated in note 2 of Schedule 23(B) the financial statements of the associates whose financial statements reflect the Group's share of net profit for the year ended 31st March, 2011 of ₹ 43.78 crores and Group's share of net profit of ₹ 463.42 crores up to 31st March, 2011 as considered in the Consolidated Financial Statements are based on unaudited financial statements certified by the management and our opinion in so far as it relates to the amounts included in respect of these associates is based solely on such management certification.
7. We report that the Consolidated Financial Statements have been prepared by the Company in accordance with the requirements of Accounting Standard 21 (Consolidated Financial Statements), Accounting Standard 23 (Accounting for Investment in Associates in Consolidated Financial Statements) and Accounting Standard 27 (Financial Reporting of Interests in Joint Ventures) as notified under the Companies (Accounting Standards) Rules, 2006.
8. Based on our audit and on consideration of the separate audit reports on individual financial statements of the Company, its aforesaid subsidiaries, associates and jointly controlled entities and subject to our comments in relation to financial statements of, jointly controlled entities in paragraph 4 above and associates in paragraph 5 above, and to the best of our information and according to the explanation given to us, in our opinion, the Consolidated Financial Statements give a true and fair view in conformity with the accounting principles generally accepted in India:
 - (i) in the case of the Consolidated Balance Sheet, of the state of affairs of the Group as at 31st March, 2011;
 - (ii) in the case of the Consolidated Profit and Loss Account, of the profit of the Group for the year ended on that date and
 - (iii) in the case of the Consolidated Cash Flow Statement, of the cash flows of the Group for the year ended on that date.

SCHEDULE 23

SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS

(A) SIGNIFICANT ACCOUNTING POLICIES

1. Accounting Concepts:

The financial statements are prepared and presented in accordance with the Generally Accepted Accounting Principles (GAAP) in India and comply in all material aspects with the Accounting Standards (AS) notified under the Companies (Accounting Standard) Rules, 2006 (as amended), other pronouncements of the Institute of Chartered Accountants of India, the relevant provisions of the Companies Act, 1956, and guidelines issued by Securities and Exchange Board of India.

2. Use of Estimates:

The preparation of financial statements requires estimates and assumptions to be made that effects the reported amount of assets and liabilities on the date of financial statements and reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known/materialise.

SCHEDULE 23 (Contd.)

3. Fixed Assets:

Fixed Assets are stated at cost, less accumulated depreciation/amortisation. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

4. Fixed Assets Held for Disposal:

Fixed assets held for disposal are stated at lower of net book value and net realisable value.

5. Foreign Currency Transactions:

Foreign currency transactions are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities in foreign currency existing at Balance Sheet date are translated at the year-end exchange rates. Exchange differences, including premium or discount on forward exchange contracts, arising till the commissioning of fixed assets, relating to borrowed funds and liabilities in foreign currency for acquisition of the fixed assets, are adjusted to the cost of fixed assets. Other premium or discount on forward exchange contracts is amortised as expense or income over the life of the contract. All other exchange differences are recognised in the Profit and Loss Account.

6. Financial Derivatives:

Financial derivative instruments, such as Swaps and Options, are used to hedge risks associated with fluctuations in foreign exchange and interest rates. The derivative contracts are closely linked with the underlying transactions and are intended to be held to maturity. The underlying transactions are recorded as per terms of the financial derivative contracts.

7. Treatment of Expenditure During Construction Period:

Expenditure during construction period is included under Capital Work-in-Progress and the same is allocated to the respective fixed assets on the completion of construction.

8. Investments:

Investments are classified as long term based on management intention, all other investments are classified as current investment. Current investments are stated at lower of cost and fair value. Long term investments are stated at cost after deducting provisions made, if any, for permanent diminution (i.e., other than temporary diminution) in value.

9. Inventories:

Inventories, except scrap, are valued at the lower of cost and net realisable value. Waste/Scrap is valued at net realisable value. The cost is computed on weighted-average basis. Proceeds in respect of sale of raw materials/stores are credited to their respective heads.

Cost of finished goods and process stock include cost of conversion and other costs incurred in bringing the inventories to their present location and condition.

Obsolete, defective, slow moving and unserviceable inventories are duly provided for.

10. Research and Development Expenditure:

Expenditure incurred during research phase is charged to revenue when no intangible asset arises from such research. Fixed assets procured for research and development activities are generally capitalised.

11. Depreciation/Amortisation:

Depreciation/Amortisation charge is provided for on the following basis:

- On fixed assets applying the rates/useful life specified in Schedule XIV of the Companies Act, 1956, or based on estimated useful life, whichever is higher.

Continuous process plants as defined in Schedule XIV of the Companies Act, 1956, have been classified on technical assessment and depreciation provided accordingly.

SCHEDULE 23 (Contd.)

The details of estimated life for each category of assets is as under:

Category of Assets	Estimated Useful Life (in years)
Leasehold Land	Over the period of lease
Buildings	9 - 30 Years
Workers' Quarters under Government Subsidised Schemes	58 Years
Railway Sidings	20 Years
Plant and Machinery	5 - 30 Years
Ships	19 Years
Furniture, Fittings and Office Equipment	3 - 12 Years
Vehicles	3 - 11 Years
Intangible Assets – Softwares	3 - 5 Years

- In respect of Revalued Fixed Assets, on straight line method on the gross value of assets as increased by the amount of revaluation at lower rates, based on life of assets, as ascertained by the valuers.
- In respect of fixed assets added/disposed off during the year on *pro-rata* basis with reference to the month of addition/deduction except in case of new projects where it is provided on the basis of days of use.
- Individual assets costing less than ₹ 5,000 are depreciated in full in the year of acquisition.

12. Impairment of Assets:

Carrying amount of assets is reviewed at the Balance Sheet date if there is indication of impairment based on the internal and external factors.

The assets are treated as impaired when the carrying amount of asset exceeds its recoverable amount. An impairment loss, if any, is charged to the Profit and Loss Account in the year in which the asset is identified as impaired. Reversal of impairment loss recognised in the prior years is recorded when there is an indication that impairment loss recognised for the asset no longer exists or has decreased.

13. Revenue Recognition:

- Sales revenue is recognised on transfer of the significant risks and rewards of ownership of the goods to the buyer and stated at net of sales tax, VAT, trade discounts and rebates but includes excise duty.
- Income from services is recognised as the services are rendered (based on agreement/arrangement with the concerned customers).
- Dividend income on investments is accounted for when the right to receive the payment is established.
- Interest income is recognised on time proportion basis.
- Income against the claims of the Company, viz., export incentives, insurance and railway claims, etc., is recognised on accrual/right to receive basis. However, the quantum of accrual cannot be ascertained with reasonable certainty, the same is accounted on acceptance basis.
- Profit on sale of investments is recorded on transfer of title from the Company and is determined as the difference between sale price, carrying value of Investment and other incidental Expenses.

14. Employee Benefits:

- Short-term employee benefits and contribution to defined contribution plans are recognised as an expense on accrual at the undiscounted amount in the Profit and Loss Account.

The contribution as specified under the law are paid to the Provident Fund set up as irrevocable trust by the Company or to the Regional Provident Fund Commissioner. The Company is generally liable for annual contribution and any shortfall in the fund assets based on the government specified minimum rates of return. Such contributions and shortfall, if any, are recognised in the Profit and Loss Account as an expense in the year incurred.

- Post-employment and other long-term employee benefits are recognised as an expense, at the present value of the amounts payable determined using actuarial valuation techniques. Actuarial gains and losses in respect of post-employment and other long term benefits are charged to the Profit and Loss Account.

SCHEDULE 23 (Contd.)

- Employee Stock Option Scheme: The stock options granted are accounted for as per the accounting treatment prescribed by Employee Stock Option Scheme and Employee Stock Purchase Guidelines, 1999, issued by Securities and Exchange Board of India, whereby the intrinsic value of options is recognised as deferred employee compensation. The deferred employee compensation is charged to Profit and Loss Account on straight line basis over the vesting period of the option. The employee stock option outstanding account is shown net of any unamortised deferred employee compensation.

15. Government Grants:

Government grants are recognised when there is reasonable assurance that the same will be received. Capital grants relating to specific assets are reduced from the gross value of the fixed assets and capital grants for Project Capital Subsidy are credited to Capital Reserve. Revenue grants are recognised in the Profit and Loss Account.

16. Borrowing Cost:

Interest and other costs, in connection with the borrowing of the funds to the extent related/attribution to the acquisition/construction of qualifying fixed assets, are capitalised upto the date when such fixed assets are ready for their intended use and all other borrowing costs are charged to Profit and Loss Account.

17. Provision for Current and Deferred Tax:

Provision for Current Tax is made on the basis of estimated taxable income for the current accounting period in accordance with the provisions of the Income Tax Act, 1961. Deferred Tax, resulting from timing difference between book and taxable profit for the year is accounted for using the tax rates and laws that have been enacted or substantively enacted as on the Balance Sheet date. The Deferred Tax Asset is recognised and carried forward only to the extent there is a reasonable certainty that the Deferred Tax Assets will be realised in future.

18. Mines Restoration Expenditure:

The Company provides for the expenditure to restore the mines based on technical estimates by internal/external specialists. The total estimate of restoration expenditure is apportioned over the estimated quantities of total mineral reserves and provision is made based on the quantity of minerals mined during the year.

19. Operating Leases:

Leases, where significant portion of risk and reward of ownership are retained by the Lessor are classified as Operating Leases and lease rentals thereon are charged to Profit and Loss Account.

20. Provisions/Contingencies:

A provision is recognised when there is a present obligation as a result of past event, and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are determined (as provided/charged to Profit and Loss Account) based on best estimate of the amount required to settle the obligation at the Balance Sheet date.

Contingent Liabilities are not recognised but are disclosed, and Contingent Assets are neither recognised nor disclosed, in the financial statements.

21. Goodwill:

Goodwill arising out of consolidation of financial statements of Subsidiaries and Joint Ventures is not amortised. However, the same is tested for impairment at each Balance Sheet Date.

(B) NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CFS)

1. Principles of Consolidation:

- (a) The Consolidated Financial Statements (CFS) are prepared in accordance with Accounting Standard on "Consolidated Financial Statements" (AS-21), "Financial Reporting of Interests in Joint Ventures" (AS-27) and "Accounting for Investments in Associates in Consolidated Financial Statements" (AS-23) issued by the Institute of Chartered Accountants of India.

SCHEDULE 23 (Contd.)

The CFS are prepared using uniform significant accounting policies, in accordance with the generally accepted accounting policies. The effect of intra-group transactions between Grasim, Subsidiaries and Joint Ventures are eliminated in consolidation.

- (b) The CFS comprises the Audited Financial Statements (except as mentioned otherwise) of Grasim Industries Ltd. (Grasim/The Company), its Subsidiaries and its interest in Joint Ventures and Associates for the year ended 31st March, 2011, which are as under:

All Income and Expenses are translated at yearly average exchange rate and resulting exchange differences are accumulated in Foreign Currency Translation Reserve.
2. These revised CFS have been drawn by the Company revising the CFS earlier approved by the Board on 11th May, 2011 on which the Statutory Auditors of the Company have issued their report dated 11th May, 2011. The CFS earlier approved by the Board on 11th May, 2011 and the Statutory Auditors Report thereon dated 11th May, 2011 have not been circulated to the Shareholders of the Company. In the CFS approved earlier, accounts of the Company, one associate, Idea Cellular Ltd. (Idea), for the nine months ended 31st December, 2010 were considered in the absence of Idea's accounts for the quarter / year ended 31st March, 2011.
- Subsequently on 13th June, 2011 the Board of Idea has approved its unaudited CFS for the year ended 31st March 2011 and the same have been subjected to limited review by Idea's auditors.
- Consequently the earlier approved CFS of the Company are revised to incorporate the unaudited CFS of Idea for the financial year ended 31st March, 2011 and these revised CFS have been approved by the Board of the Company.
- Idea's accounts for the year ended 31st March, 2011, as incorporated in the Company's CFS are subject to change on the final outcome in the sub-judice matter of the Scheme of Amalgamation of Spice Communications Ltd. with Idea, pending in the Hon'ble High Court of Delhi. However, the impact of the same, if any, on Company's CFS is not likely to be material considering that the Company holds 5.18% equity share capital in Idea.
3. (a) During the year, under a Scheme of Amalgamation under Sections 391 to 394 of the Companies Act, 1956, Samruddhi Cement Limited (SCL), a subsidiary of the Company, has been amalgamated with UltraTech Cement Ltd. (UltraTech), another subsidiary of the Company, w.e.f. 1st July, 2010. Accordingly, the shareholders of SCL have been issued 4 (four) equity shares of UltraTech of the face value of ₹ 10 each credited as fully paid up, in lieu of 7 (seven) equity shares of SCL of the face value of ₹ 5 each (fully paid up). As a result, shareholding of the Company in UltraTech stand increased to 60.34%.
- (b) During the previous year, under a Scheme of Arrangement under Sections 391 to 394 of the Companies Act, 1956, (the Scheme) Cement Business (*intra alia* comprising of Grey Cement, White Cement, Ready-Mix Concrete Businesses) of the Company was transferred to its wholly owned subsidiary SCL w.e.f. 1st October, 2009. In terms of the Scheme, the shareholders of the Company received 1 (one) equity share of SCL of the face value of ₹ 5 each, credited as fully paid-up, for every 1 (one) fully paid-up equity share of the Company held on 28th May, 2010, the record date fixed for this purpose.
4. During the current year, the Company has entered into an Joint Venture Agreement with Essel Mining and Industries Ltd. to form a Joint Venture Company, namely, Bhubneshwari Coal Mining Company Limited, to undertake contract coal mining business.
5. During the current year, the Company has acquired 4,000 additional shares of Birla Lao Pulp and Plantation Company Limited (a JV) at a cost of ₹17.86 crore. There has been no change in the Ownership Percentage on account of this additional Investment.
6. During the current year, UltraTech's wholly-owned subsidiary, 'UltraTech Cement Middle East Investments Limited', has completed the acquisition of ETA Star Cement (Star) and has acquired management control of its operations in UAE, Bahrain and Bangladesh.

SCHEDULE 23 (Contd.)

7. During the previous year, a Scheme of Arrangement for sale of Sponge Iron Unit of the Company became effective on 22nd May, 2009. The profit on sale of the Sponge Iron Unit amounting to ₹ 336.07 crore (Net of tax of ₹ 8.65 crore) has been accounted for as an Extraordinary Item in previous year. Consequent to sale of Sponge Iron Unit, the Financial Statements of the Company for the previous year ended 31st March, 2010, include the operations of the Sponge Iron Business upto 22nd May, 2009, and are, therefore, strictly not comparable with the figures of the current year ended 31st March, 2011.
8. Idea Cellular Limited (Idea), an Associate of the Company, was originally a tripartite Joint Venture between A.V. Birla Group, Tata Group and AT&T Group. With the exit of AT&T and the Tata Group, Idea is now part of A.V. Birla Group. Prior to its exit, Tata Group had alleged that the A.V. Birla Group had committed material breach of the Shareholders' Agreement and the Tata Group invoked the arbitration clause, pursuant to which an Arbitral Tribunal has been constituted, which has taken up the claims of the Tata Group and the counter-claims of the A.V. Birla Group and proceedings are on going. The Company believes that it has a strong case to counter the allegations of breach and it does not contemplate any liability to arise on this matter.
9. The Company's proportionate share in Assets, Liabilities, Income and Expenses of its Joint Venture Companies included in these Consolidated Financial Statements are given below:

Shareholders are also requested to give the MICR Code of their banks to their DPs. The Company will not entertain any direct request from such shareholders for change of address,

transposition of names, deletion of name of deceased jointholder and change in the bank account details. The said details will be considered as will be furnished by the DPs to the Company.

- 12) Shareholders are requested to read the "Shareholders' Information" Section of the Annual Report for useful information.
- 13) Shareholders desirous of obtaining any information/clarification on the accounts and operations of the Company are requested to send in written queries to the Company, at least one week before the date of the Meeting. Replies will be provided in respect of such written queries received, only at the Meeting.
- 14) Pursuant to the requirement of the Listing Agreement of the Stock Exchanges on Corporate Governance, relating to re-appointment of the retiring Directors, a statement containing the required details of the concerned Directors forms part of the Directors' Report on Corporate Governance.
- 15) **Green Initiative in Corporate Governance – Service of Documents in electronic form**

As you are aware, Ministry of Corporate Affairs, Government of India (MCA), vide its Circular Nos. 17 and 18 dated 21st April, 2011 and 29th April, 2011, respectively, has now allowed the companies to send Notices of General Meetings/other Notices, Audited Financial Statements, Directors' Report, Auditors' Report, etc., henceforth, to their shareholders electronically as a part of its green initiatives in corporate governance.

Keeping in view the aforesaid initiative of MCA, your Company shall send the Annual

Report to its shareholders in electronic form, to the e-mail address provided by them and made available to us by the Depositories. In case of any change in your e-mail address, you are requested to please inform the same to your Depository.

ADVANTAGES OF REGISTERING WITH THE COMPANY FOR E-COMMUNICATION:

- Will enable you to receive communication promptly and avoid loss of documents in postal transit; and
- Will help in eliminating wastage of paper, reduce paper consumption and, in turn, save trees.

Please note that the said documents will be made available by the Company on its website **www.grasim.com**. The physical copies of the same shall also be made available for inspection, during office hours, at our Registered Office of the Company at Birlagram, Nagda-456 331 (M.P.). Further, upon receipt of a request from you, your Company shall also furnish you the physical copy of the same free of cost.

However, in case you wish to receive the above documents in physical form, please send us an e-mail at grasimshares@adityabirla.com.

We are confident that you will appreciate the "Green Initiative" taken by the Government. We sincerely solicit your cooperation in helping your Company to implement the "Green Initiative" and would request you to please register your e-mail Id with the Company/your Depository so as to henceforth, receive all documents from the Company in electronic mode.

ANNEXURE TO NOTICE

1. Period:

Five years with effect from 3rd October, 2009, with liberty to either party to terminate the appointment on three months' notice in writing to the other.

2. Remuneration:

- (a) Basic Salary of Rs. 6,07,867 (Rupees Six lac seven thousand eight hundred sixty-seven only) per month with such increments as may be decided by the Board from time to time, subject, however, to a ceiling of Rs. 9,00,000 (Rupees Nine lac only) per month as Basic Salary.
- (b) Special Allowance of Rs. 6,71,372 (Rupees Six lac seventy-one thousand three hundred seventy-two only) per month, with such increments as may be decided by the Board from time to time, subject, however, to a ceiling of Rs. 12,00,000 (Rupees Twelve lac only) per

month. This allowance, however, will not be taken into account for calculation of benefits such as Provident Fund, Gratuity, Superannuation and Leave Encashment.

- (c) Performance Bonus linked to the achievement of targets, as may be decided by the Board, subject to a maximum of Rs. 1,20,00,000 (Rupees One crore twenty lacs only) per annum.
- (d) Long-term Incentive Compensation (LTIC) including Stock Option Plan, if any, as per the Scheme applicable to the Senior Executives of the Company/Aditya Birla Group including that of any parent/subsidiary company.

3. Perquisites:

- (a) Housing: Free furnished accommodation and reimbursement of other expenses for the upkeep and maintenance thereof as per the Rules of the Company.
- (b) Medical Expenses: Reimbursement of expenses incurred in India for self and family at actuals (including domiciliary medical and insurance premium for hospitalisation policy, as applicable).
- (c) Leave Travel Expenses: Leave Travel Expenses for self and family, subject to a ceiling of one month's Basic Salary for a year as per the Rules of the Company.
- (d) Club Fees: Fees of one Corporate Club in India (including admission and membership fee).
- (e) Personal Accident Insurance Premium for self and family as per the Rules of the Company.
- (f) (i) Company's contribution towards Provident Fund and Superannuation Fund, on Basic Salary as per the Rules of the Company.
(ii) Gratuity calculated on Basic Salary as per the Rules of the Company.
- (g) Upto two cars for use on Company's business.
- (h) Leave and encashment of leave, in accordance with the Rules of the Company.
- (i) Other Allowances / benefits / perquisites: Any other allowances, benefits and perquisites as per the Rules applicable to the Senior Executives of the Company and/or which may become applicable in the future and/or any other allowance, perquisites as the Board may from time to time decide.

- (j) Any other onetime periodic retirement benefits as may be decided by the Board at the time of retirement.
4. Subject as aforesaid, the Whole-Time Director shall be governed by such other Rules as are applicable to the Senior Executives of the Company from time to time.
5. The aggregate of the remuneration and perquisites as aforesaid in any financial year shall not exceed the limits prescribed from time to time under Sections 198, 309, 310 and all other applicable provisions of the Companies Act, 1956, read with Schedule XIII to the said Act or any statutory modifications or re-enactment thereof for the time being in force, or otherwise as may be permissible at law.
6. For the purposes of Gratuity, Provident Fund, Superannuation and other like benefits, if any, the service of Mr. Gupta, Whole-Time Director, will be considered as continuous service with the Company from the date of his joining the Aditya Birla Group.
7. The Board be and is hereby authorised to revise the remuneration and perquisites payable to Mr. Gupta from time to time. The next revision in his salary will be effective from 1st July, 2011.
8. So long as Mr. Gupta functions as the Whole-Time Director of the Company he shall not be subject to retirement by rotation and shall not be paid any fees for attending the meetings of the Board of Directors of the Company or any Committee(s) thereof.
9. Though, considering the provisions of Section 314(1) of the Companies Act, 1956, Mr. Gupta would not be holding any office or place of profit by his being a mere Director of the Company's Subsidiaries/Joint Ventures, approval be and is hereby also granted by way of the abundant caution for him to accept the sitting fees/commission paid/payable to other Directors for attending meetings of Board(s) of Directors/Committee(s) of Subsidiaries/Joint Ventures of the Company or companies promoted by the Aditya Birla Group.

Where in any financial year comprised by the period of appointment, the Company has no profits or its profits are inadequate, the foregoing amount of remuneration and benefits shall be paid to Mr. Gupta in accordance with the applicable provisions of Schedule XIII of the Act and subject to the approval of the Central Government, if required.

The circular resolutions passed by your Board on 8th September, 2010 and 22nd March, 2011, respectively, and the resolution passed by the shareholders at the Annual General Meeting held on 20th August, 2010, shall be kept open for inspection by the shareholders of the Company at the Registered Office of the Company between 10 a.m. and 12 noon on all working days (except Sundays and public holidays) upto the date of the ensuing Annual General Meeting.

The Board commends the above appointment and accordingly recommends the Special Resolution as set out in Item No. 9 of the Notice for your approval.

Mr. Adesh Gupta, Manager, Whole-Time Director and CFO of the Company, is deemed to be interested in this Special Resolution. None of the other Directors is concerned or otherwise interested in the said Special Resolution.

ITEM NO. 10

Mr. K.K. Maheshwari was appointed as the Whole-Time Director of the Company pursuant to Section 269 and other applicable provisions of the Companies Act, 1956, for a period of 5 (five) years with effect from 20th May, 2010, as per the resolution passed at the Annual General Meeting of the Company held on 20th August, 2010, on the terms set out in that resolution.

Considering the inflationary trend and the substantial increase in the business activities of the Company resulting in increase in the workload and responsibilities of the Whole-Time Director as also the amount of remuneration payable to managerial personnel occupying similar positions in other comparable companies, the Board of Directors of the Company has deemed fit to increase the respective limits of the Basic Salary, Special Allowance and Performance Linked Bonus and/or any other compensation payable to Mr. Maheshwari with effect from 1st July, 2011, for the remaining period of his current tenure which is expiring on 19th May, 2015, with corresponding consequential variations or increase in the remuneration due to the revision in the terms of his remuneration as aforesaid. The other terms and conditions of his appointment shall remain the same as approved by the members at the Annual General Meeting held on 20th August, 2010.

The Board accordingly recommends the Special Resolution as set out in Item No. 10 of the Notice for your approval.

Although not necessary, a copy of the resolution passed at the Annual General Meeting of the

Company held on 20th August, 2010, is available for inspection of the members to ascertain any information that they may require, at the Registered Office of the Company between 10 a.m. and 12 noon on all working days (except Sundays and public holidays) upto the date of the ensuing Annual General Meeting.

Mr. K.K. Maheshwari, Whole-Time Director of the Company, is deemed to be interested in this Special Resolution. None of the other Directors is concerned or otherwise interested in the said Special Resolution.

ITEM NO. 11

At the Annual General Meeting of the Company held on 25th August, 2006, the Members of the Company, *inter alia* had approved the payment of commission to the Directors of the Company (other than the Whole-Time Directors of the Company), not exceeding 1% (One per cent) per annum of the net profits of the Company calculated in accordance with the relevant provisions of the Companies Act, 1956, in a financial year, for a period of 5 years commencing from 1st April, 2006.

The aforesaid approval was valid up to the financial year ended 31st March, 2011. It is, therefore, proposed to obtain fresh approval of the Members to continue the payment of the commission to the Directors (other than the Whole-Time Directors, Managing Director or the Manager of the Company, as the case may be) for a period of five years commencing from 1st April, 2011, as may be

decided by the Board of Directors of the Company from time to time at a rate not exceeding 1% of the net profits of the Company in each year calculated in accordance with the relevant provisions of the Companies Act, 1956, subject to such ceiling, if any, per annum as the Board may from time to time fix in that behalf. Such commission will be distributed amongst the Directors of the Company (other than Whole-Time Directors, Managing Director or the Manager of the Company, as the case may be) in such proportion and manner as the Board may, from time to time, decide each year as set out in this Special Resolution.

The Board accordingly recommends the Special Resolution as set out in Item No. 11 of the Notice for your approval under Section 309(4)(b) and other applicable provisions of the Companies Act, 1956.

All the Non-Whole-Time Directors of your Company are deemed to be interested or concerned in this Special Resolution.
