4. MANAGEMENT DISCUSSIONS & ANALYSIS (MDA)

Financial Review

The operating income during the financial year ended 31st March, 2018 stood at Rs. 10617072/- as against the total operating income of Rs. 7068343/- in the previous financial year ended 31st March, 2017. During the Year the Company has earned a net profit of 7212633/- as compared to the net profit of Rs. 4684129/- in the previous year.

Industry Overview for the Company

Gross Value Added by Agriculture Sector is estimated at Rs 17.67 trillion (US\$ 274.23 billion) in FY 2017-18. As per Union Budget 2018-19 allocation of Rs 57,600 crore (US\$ 8.9 billion) was made for the Agriculture Ministry which might help the sector to boom at the desired rates.

“Year 2017-2018 turned out to be a complicated year for investors with corporate performance failing markets expectation. Domestic politics have also eluded market expectations.”

Opportunities and Outlook

Domestic stock markets are not out of the woods yet and the coming year will continue to be challenging. However, 2018 is likely to be better than 2017. The agriculture sector in India is expected to generate better momentum in the next few years due to increased investments in agricultural infrastructure such as irrigation facilities, warehousing and cold storage.

“Markets are likely to be volatile. However, we are positive that in 2018, a more meaningful shift will take place in financial assets.

Threat, Risks & Concern

Low pace of global growth, low commodity prices and the government’s inability to balance the fiscal deficit will be three key challenges to the markets. “While the developed economies are moving out of repair, growth across many emerging markets could moderate, given high dollar debt. Key long-term challenge for India remains ability to rein in the consolidated fiscal deficit. Government expenditure bill will increase, with the proposed revision in wages and likelihood of other measures to support rural income.

Adequacy of Internal Control

The Company has a well laid out internal control system. The internal control system is so designed to ensure that there is adequate safeguard, maintenance and usage of assets of the Company.

Human Resources

The Company currently has a strong team of more than 10 employees with experience in stock broking and finance and we would like to thank each and every member of the company for their role and continuous contribution towards the Company’s performance.

5. DETAILS OF SUBSIDIARIES JOINT VENTURE OR ASSOCIATES

The Company has no Subsidiaries, Joint Venture or Associates.

6. DEPOSITS

- Ensuring the remuneration policy is good enough to attract, retain and motivate directors.
- Bringing about objectivity in deeming the remuneration package while striking a balance between the interest of the Company and the shareholders.

In compliance with the provisions of Section 178 of the Companies Act, 2013 and Regulation 19 of the SEBI ((Listing Obligations and Disclosure Requirements) Regulations, 2015, the Board of Directors at their meeting formulated the Nomination and Remuneration Policy and the policy on Board Diversity of the Company on the recommendation of Nomination & Remuneration Committee.

Nomination & Remuneration Policy of the Company

Continental Seeds and Chemical Limited

Remuneration Policy

Preamble

Section 178 of the Companies Act, 2013 and Regulation 19 of SEBI listing Regulations, 2015 provides that the Nomination and Remuneration Committee (“NRC”) shall formulate the criteria for determining qualifications, positive attributes and independence of a director and recommend to the Board a policy, relating to the remuneration for the directors, key managerial personnel (“KMP”) and other employees.

Objective

The Remuneration Policy of Continental Seeds and Chemical Limited (the “Company”) is designed to attract, motivate, improve productivity and retain manpower, by creating a congenial work environment, encouraging initiatives, personal growth and team work, and inculcating a sense of belonging and involvement, besides offering appropriate remuneration packages and superannuation benefits. The Policy emphasizes on promoting talent and to ensure long term sustainability of talented managerial persons and create competitive advantage. The policy reflects the Company’s objectives for good corporate governance as well as sustained long term value creation for shareholders.

The guiding principle is that the remuneration and the other terms of employment should effectively help in attracting and retaining committed and competent personnel. While designing remuneration packages, industry practices and cost of living are also taken into consideration.

Applicability

This Remuneration Policy applies to directors, senior management including its Key Managerial Personnel (KMP) and other employees of the Company.

Appointment criteria and qualifications

The NRC shall identify and ascertain the integrity, qualifications, expertise and experience of the person for appointment as Director, KMP or at senior management personnel and recommend to the Board his/her appointment. A person should possess adequate qualifications, expertise and experience for the position he/she is considered for appointment.

Directors

As per the Policy followed by the Company the non-executive directors are paid remuneration in the form of sitting fees for attending Board and Committee meetings as fixed by the Board of Directors from time to time subject to statutory provisions.

Remuneration of Whole Time Directors including Managing Director reflects the overall remuneration philosophy and guiding principle of the Company. When considering the Appointment and remuneration of Whole Time Directors, the NRC considers pay and employment conditions in the industry, merit and seniority of the person and the paying capacity of the Company.

The NRC while designing the remuneration package considers the level and composition of remuneration to be reasonable and sufficient to attract, retain and motivate the person to ensure the quality required to run the Company successfully.

तराई बीज

The NRC while considering a remuneration package must ensure a balance between fixed and incentive pay reflecting short and long term performance objectives appropriate to the working of the Company and its goals.

The term of office and remuneration of Whole Time Directors are subject to the approval of the Board of Directors, shareholders and the limits laid down under the Companies Act, 2013. Remuneration packages for Whole Time Directors are designed to remunerate them fairly and responsibly. The Whole Time Directors' remuneration comprises of salary, perquisites, allowances apart from retirement benefits like P.F., Superannuation, Gratuity, etc as per Rules of the Company.

The Whole Time Directors are entitled to customary non-monetary benefits such as company cars, furnished accommodation, health care benefits, leave travel, communication facilities, etc. Their terms of appointment also provide for severance payments.

Evaluation

The NRC shall carry out evaluation of performance of all directors in every year. The performance evaluation of independent directors shall be done by the entire Board of Directors, excluding the director being evaluated.

On the basis of the report of performance evaluation, it shall be determined whether to extend or continue the term of appointment of the independent director.

Further the Independent directors of the Company shall hold at least one meeting in a year, without the attendance of non-independent directors and members of management. The meeting shall:

- a) Review the performance of non-independent directors and the Board as a whole
- b) Review the performance of the Chairperson of the Company, taking into account the views of executive directors and non-executive directors.

Key Managerial Personnel and Senior Management

Remuneration of KMP and other senior management personnel is decided by the Managing Director.

Total remuneration comprises of:

1. A fixed base salary - set at a level aimed at attracting and retaining executives with professional and personal competence, showing good performance towards achieving Company goals.
2. Perquisites – in the form of house rent allowance/ accommodation, furnishing allowance, reimbursement of medical expenses, conveyance, telephone, leave travel, etc.
3. Retirement benefits - contribution to PF, superannuation, gratuity, etc as per Company Rules.
4. Variable payments - performance linked variable pay reflecting short and long term performance
5. Motivation /Reward - A performance appraisal is carried out annually and promotions/ increments/ rewards are decided by the Managing Director based on their annual performance.
6. Severance payments - in accordance with terms of employment, if any.

Other employees

The remuneration of other employees is fixed from time to time as per the guiding principles outlined above and considering industry standards and cost of living. In addition to basic salary they are also provided perquisites, allowances and retirement benefits as per schemes of the Company and statutory requirements, where applicable. Policy of motivation/ reward/ severance payments is applicable to this category of personnel as in the case of those in the management cadre.

Disclosure of information

Information on the total remuneration of members of the Company's Board of Directors, Whole Time Directors and KMP/ senior management personnel may be disclosed in the Company's annual financial statements as per statutory requirements.

Amendments

The Board of Directors of the Company may subject to applicable laws is entitled to amend, suspend or rescind this Policy at any time. Any difficulties or ambiguities in the Policy will be resolved by the Board of Directors in line with the broad intent of the Policy.

"ANNEXURE B" TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act,2013(" the Act ")

We have audited the internal financial controls over financial reporting of **M/s CONTINENTAL SEEDS AND CHEMICALS LIMITED** ("the Company") as of March 31, 2018 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

Management`s Responsibility for Internal Financial Controls

The Company`s management is responsible for establishing and maintaining internal financial controls based on Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India .These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company`s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act,2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company`s internal financial controls over the financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor`s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorities of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of the internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of the changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE NO.1: SIGNIFICANT ACCOUNTING POLICIES AS AT 31ST MARCH, 2018:**1.1 Basis of Preparation of Financial Statements**

These financial statements are prepared in accordance with Indian Accounting Standards (IndAS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act , 2013 (‘Act’) (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

These financial statements are the first financial statements of the company under Ind AS and the transition was carried out in accordance with Ind AS 101, “First time adoption of Indian Accounting Standards.

Use of Estimates

In preparing the financial statements in conformity with Ind AS, management is required to make judgements, estimates and assumptions that may affect the reported amounts of assets and liabilities and the disclosure of contingent assets & liabilities as at the date of financial statements and the amounts of revenue and expenses during the reported period. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of facts and circumstances as at the date of the financial statement. Actual results could differ from those estimates. Estimates and underlying assumption are reviewed on an ongoing basis. Any revision to such estimates is recognised in the period the same is determined.

1.2 Valuation of Inventories**(i) Inventory**

Inventory is measured at the lower of cost or net realizable value.

Cost of inventory consumed is arrived at using the *FIRST IN FIRST OUT (FIFO)* method. The cost comprises the cost of obtaining the raw material after net of refundable duty (if any), but inclusive of freight and other direct expenses incurred to bringing such raw material to the place of processing or present location.

(ii) Finished Goods

Finished Goods are measured at the lower of cost or net realizable value.

Finished goods are valued on the full absorption cost basis and the cost comprises the cost of raw material consumed, Direct Expenses and appropriate overhead expenses incurred in bringing such finished goods to their present condition.

1.3 Cash Flow Statements

Cash flow are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

1.4 Revenue Recognition

Revenue is recognized when the significant risks and rewards of ownership of goods have been passed to the buyer and seller retains no effective control of goods transferred and also no significant uncertainty exist regarding consideration amount & its ultimate collection. Revenue from operation includes sale of services, service tax and sales during trial run period adjusted for discounts (net) and gain/ loss on corresponding hedge contracts.

When goods or services are exchanged or swapped for goods or services which are of a similar nature and value, the exchange is not regarded as a transaction which generates revenue.

i. Other Income

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head “other income” in the statement of profit and loss.

1.5 Property, Plant and Equipment

Fixed Assets are stated at their original cost less accumulated depreciation and impairment loss, if any. Cost comprises the acquisition price, Taxes, Duties, Freight, insurance and any other incidental costs of bringing the assets to their working condition for their intended use. In respect of projects involving construction, related pre-operational expenses form part of the value of assets capitalized.

Costs/expenses incurred on or in relation to Tangible & Intangible Assets, which are not put to use or are not ready for their intended use or which are under construction are classified under Capital Work-in-Progress & Intangible assets under development.

Subsequent expenditures related to an item of fixed asset are added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Transition to Ind AS

On transition to Ind AS, the company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Depreciation methods, estimated useful lives and residual value

Depreciation on property, plant and equipment is provided on ‘Straight Line Method’ based on useful life as prescribed under Schedule II of the Companies Act 2013. The residual values are not more than 5% of the original cost of the asset. The assets’ residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. The estimated useful lives of assets are as follows:

Building	60 years
Plant and Machinery	15 years
Office Equipment	5 years
Computer Equipment	3 years
Furniture and Fixture	10 years
Vehicles	8-10 years

Derecognition

The carrying amount of an item of property, plant and equipment is derecognised on disposal or when no future benefits are expected from its use or disposal. Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).

1.6 FINANCIAL INSTRUMENTS**(i) Initial recognition and measurement:**

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition nor issue of financial assets and financial liabilities, that are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

(i) Subsequent measurement**a. Non-derivative financial instruments****(i) Financial assets carried at amortised cost**

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model. Further, in cases where the Company has made an irrevocable election based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

(iii) Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

(iv) Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination which is subsequently measured at fair value through profit and loss. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

a. Share capital**Ordinary Shares**

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares and share options are recognized as a deduction from equity, net of any tax effects.

1.7 Derecognition of financial instruments

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

1.8 Fair value of financial instruments

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized.

For financial assets and liabilities maturing within one year from the balance sheet date and which are not carried at fair value, the carrying amounts approximate fair value due to the short maturity of these instruments.

1.9 Impairment**a. Financial assets**

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in profit or loss.

b. Non-financial assets**(i) Intangible assets and property, plant and equipment**

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable.

For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

1.10 Employee Benefits

The company has various schemes of retirement benefits such as Gratuity, leave encashment.

(i) **Short Term :-** Short term employee benefits are recognized in the year during which the services have been rendered.

(ii) **Long Term :-**

Leave Encashment –The Company has provided for the liability at year end on account of accumulated earned leave as per policy of the company.

Gratuity – The Company provides for gratuity, a defined benefit retirement plan ('the Gratuity Plan'), covering eligible employees. Gratuity liability is determined by the management.

1.11 Earning Per Share

Basic earning per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted

average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value which is the average market value of the outstanding shares. Dilutive potential equity shares are deemed to be converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

1.12 Taxation

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in net profit in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. Deferred income taxes are not provided on the undistributed earnings of subsidiaries and branches where it is expected that the earnings of the subsidiary or branch will not be distributed in the foreseeable future. The company offsets current tax assets and current tax liabilities,

where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. The income tax provision for the interim period is made based on the best estimate of the annual average tax rate expected to be applicable for the full financial year. Tax benefits of deductions earned on exercise of employee share options in excess of compensation charged to income are credited to share premium.

1.13 Provisions, Contingent Liabilities and Contingent Assets

a. Provisions:

A provision is recognized when the company has a present obligation as a result of past events; it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions are not discounted to their present value and are recognized based on best estimates required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best efforts.

b. Contingent Liability

Contingent liability is disclosed for

- (i) Possible obligation which will be confirmed only by future events not wholly within the control of the company or
- (ii) Present obligation arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are not recognized in the financial statements since this may result in the recognition of income that may never be realized.

1.14 First-time adoption of Ind AS**Transition to Ind AS**

These are the Company's first financial statements prepared in accordance with Ind AS.

The accounting policies set out in note 1 have been applied in preparing the financial statements for the year ended March 31, 2018, the comparative information presented in these financial statements for the year ended March 31, 2017 and in the preparation of an opening Ind AS balance sheet at April 1, 2016 (date of transition to Ind AS). In preparing its opening Ind AS balance sheet, the company has adjusted the amounts reported previously in financial statements prepared in accordance with the accounting standards notified under Companies (Accounting Standards) Rules, 2006 (as amended) and other relevant provisions of the Act.

Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from previous GAAP to Ind AS.

A. Exemptions and exceptions availed**A.1 Ind AS optional exemptions****(a) Deemed cost**

"Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition. This exemption is also used for intangible assets covered by Ind AS 38 Intangible Assets.

Accordingly, the Company has elected to measure all of its property, plant and equipment and intangible assets at their previous GAAP carrying value, which has been considered as deemed cost."

A.2 Ind AS mandatory exceptions**(a) Estimates**

Estimates made under Ind AS as at April 1, 2016 are consistent with the estimates as under previous GAAP.

(b) Classification and measurement of financial assets

Ind AS 101 requires that an entity should assess the classification of its financial assets on the basis of facts and circumstances exist on the date of transition. Accordingly, in its Opening Ind AS Balance Sheet, the company has classified all the financial assets on the basis of facts and circumstances that existed on the date of transition, i.e., April 1, 2016.
