MANAGING DIRECTOR'S PERSPECTIVE

Dear Shareholders,

It gives me immense pleasure to share with you, the 27th Annual Report of our company. It gives me immense pleasure to share with you that your Company has made formidable progress over the last fiscal.

The revenue as well as profitability of your company has been improved significantly.

This improvement in performance was possible mainly on account of continued support of shareholder's and farsighted leadership provided by the Board of Directors. This was supplemented by support at all the levels of operations by all the employees of your Company.

I would like to thank the entire management team, the work force, the Bankers and the Business Associates of the company for enabling your Company to grow by leaps. I have also taken this opportunity to thank my fellow Directors for their immense efforts in formulating and steering your Company's strategies and policies.

This year, as the previous one, witnessed high volatility in market conditions and disruptions like imposition of safe-guard duty on solar cell, Anti-dumping duty on EVA films and change in interpretation of GST. Your Company could withstand this only on account of efforts at all levels. Your Company is presently focusing on improving efficiency, scaling up the operations by exploring new markets.

The year under review was very happening in the solar industry in general. The company was part of the ambitious SKY (Suryashakti Kisan Yojana) scheme of Gujarat Govt. It was pilot project for KUSUM Yojana of Gol. Now, KUSUM has been launched all across the country in big way. Your company being one of the leading player witnessed robust growth in its revenue and profits.

The energy transition from fossil based energy to renewable based energy is in full pace and World is at a threshold level to embrace renewable energy sources as the main source of energy, and preparing to leave behind the legacy of fossil fuel within the coming decades. Solar & wind Energy, Energy Storage, Water desalination and Electric Vehicles are going to play significant role in this transition and your company is also prepared for being the part of this journey towards fossil fuel free world. I am confident that your Company will achieve greater heights in the times to come and also will deliver long term value addition to all the stakeholders, namely shareholders, customers and employees.

With warm Regards,

Kunjbihari Shah
Chairman & Managing Director

Secretarial Audit Report

Form No. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED ON MARCH 31, 2019

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No. 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,

The Members,

Zodiac Energy Limited

A-1204, Siddhi Vinayak Towers, Off S G Highway,

Makarba, Vejalpur Ahmedabad 380051

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Zodiac Energy Limited** (hereinafter called “the Company”). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company’s books, papers, minutes books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that, in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2019, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minutes books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2019 according to the provisions of:

- i. The Companies Act, 2013 (‘the Act’) and the rules made there under as applicable;
- ii. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- iv. The Securities Contracts (Regulation) Act, 1956 (‘SCRA’) and the rules made there under;
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (‘SEBI Act’):-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - d) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“the Listing Regulations”);
- vi. Secretarial Standards issued by The Institute of Company Secretaries of India w.r.t. meetings of the Board of Director (SS-1) and General Meetings (SS-2);

During the period under review the Company has complied with the provisions of the Act, Rules made there under, Regulations, guidelines etc. mentioned above.

I have relied on the representation made by the Company and its Officers for systems and mechanism formed by the Company for compliances under other applicable Acts, Laws and Regulations as applicable to the Company as given in **Annexure A**.

During the Period under review, provisions of the following Acts, Rules, Regulations, and Standards are not applicable to the Company,

- i. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Overseas Direct Investment and External Commercial Borrowings; and
- ii. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993; - The Company is not registered as Registrar to an Issue & Share Transfer Agent. However, the Company has appointed Link Intime India Private Limited as Registrar & Share Transfer Agent in accordance with the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- iii. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;
- iv. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- v. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;
- vi. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;

I further report that -

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors, Independent Directors and Woman Director. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Companies Act, 2013 and rules made thereunder.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions of the Board and Committees were carried with requisite majority.

I further report that -

There are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The discussion hereunder covers Company's performance and its business outlook for the future. This outlook is based on assessment of the current business environment and Government policies. The change in future economic and other developments are likely to cause variation in this outlook.

Economic Outlook:

➤ Global Economy:

The cyclical upswing in global economic activity, which began since the last quarter of 2016 continued until the middle of 2018. However, the momentum in global GDP began to wane thereafter, amid broad-based moderation in activity, spanning developed and emerging economies.

According to the International Monetary Fund (IMF), the global economy expanded by 3.6% in 2018. The growth rate was impacted by multiple headwinds, including weaker sentiments in financial markets, escalating trade tensions between the US and China, macroeconomic issues in Argentina and Turkey and volatility in crude prices. The US economy expanded on the back of strong external demand, private investment, neutral unemployment and minimal inflation. The GDP of the US economy grew by 2.9%, a rise of 70 basis points vis-à-vis 2.2% growth registered in 2018.

A strengthening US Dollar, neutral unemployment and minimal inflation were the primary growth catalysts. Euro zone registered a 1.8% GDP growth during the year, down from 2.4% in 2017, largely due to sluggish demand in the domestic market. China's economic engine is gradually losing its steam; at 6.6%, the country's economic growth was lower than the 6.9% level recorded in 2018.

Outlook:

Buffeted by multiple downside risks, the global economy is projected to expand by 3.5% in 2019. The International Monetary Fund (IMF) has revised downwards global growth estimates, following tariff uncertainties between the US and China, as well as weaker momentum seen in Europe during the second half of 2018. Additionally, major economies such as Germany and Japan may also be indirectly impacted by trade tensions. Notwithstanding challenges, emerging and developing economies excluding China will continue to steer the world's growth engine. Although Central Banks across the world have largely adopted an accommodative stance, the investment cycle may remain constrained for the medium term.

➤ Indian Economy:

Although India remained in the esteemed club of the world's fastest growing major economies in FY2018-19, domestic economic activities remained sluggish in the second half of the year. Unfortunately, when the economy began to gain momentum from the impacts of demonetisation and Goods and Services Tax (GST) related transition, liquidity crisis cast its shadow on consumption demand and market sentiments. The result was that economic growth rate was marginally impacted. As economic activities decelerated towards the end of 2018 due to a slowdown in both public and private consumption, expectations for the real GDP growth were sequentially revised downwards.

Consumer confidence gradually improved, inching up for two straight quarters ending 31 December, 2018 and 31 March, 2019.

Inflation as measured by the Consumer Price Index (CPI) and the Wholesale Price Index (WPI) remained in low single digits for most part of the year. Consequently, the Reserve Bank of India (RBI) reverted to 'neutral' stance from 'calibrated tightening' (briefly adopted between October and December 2018). The apex bank announced a 25 basis points cut in repo rate in its last policy of the financial year to accelerate economic growth and usher in enhanced liquidity in the ecosystem. The Government of India (GOI) adopted prudent policies to restrict fiscal deficit in a narrow band during the year.

Outlook:

Even as global factors will continue to impact the economic landscape, domestic factors such as economic growth, consumption patterns, policy stimulus, inflation and government revenue flow are expected to play an important role in projecting the country's growth trajectory. While paying attention to the requirements of rural areas and agriculture, appropriate measures were announced for reinforcement of important sectors such as infrastructure, healthcare and investments.

Although the RBI is focusing on injecting additional liquidity into the ecosystem, the availability of capital from PSU banks for private investment will remain a challenge. The NPA overhang is expected to continue at least in the near term and the NBFC liquidity position is an issue and will constrain the availability of funds for infrastructure projects. The fiscal position of the economy is likely to limit the spending on infrastructure. The Union and state governments will need to undertake in-depth study of the industry's

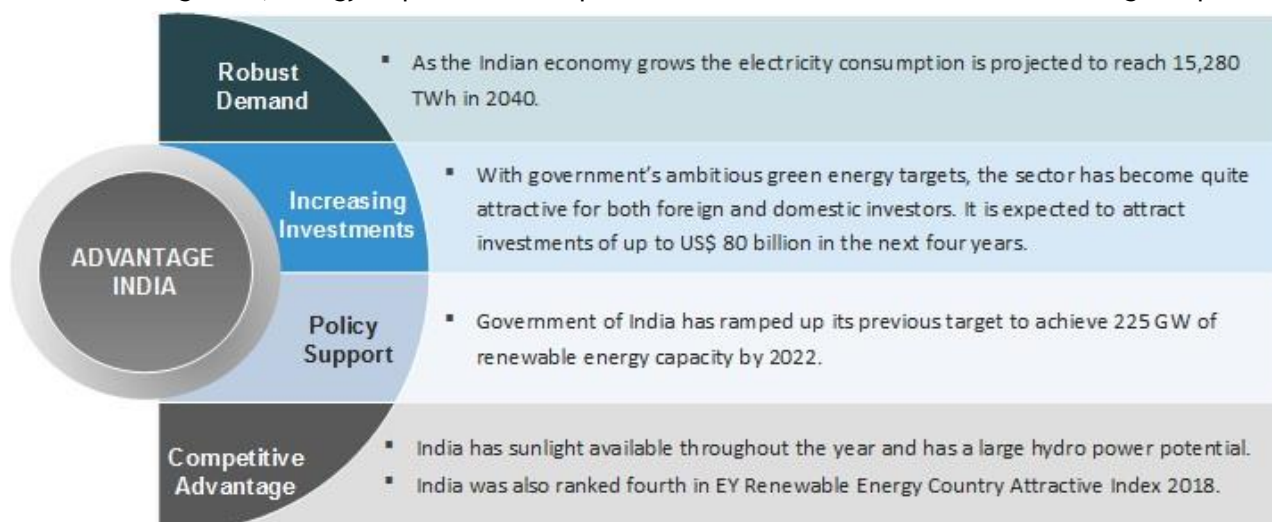

capabilities, ensure smooth implementation of policy changes, enable financing and expedite structural reforms to inject life into infrastructure projects.

Industry Review:

In a rapidly developing economy like India, power remains a crucial facilitator for economic growth and social wellbeing. The demand for power continues to grow as a large proportion of the population aspires for a better quality of life. Interestingly, the country's power sector is one of the most diversified in the world.

Power is generated from conventional sources such as coal, lignite, natural gas, oil, hydro and nuclear power; and from renewable sources such as wind, solar, agricultural and domestic waste. Coal continues to remain the backbone of the power sector and the economy in general, but there is growing focus on green energy.

Exponential growth in power demand, coupled with improved access to electricity is catalysing the country's per capita power consumption. It is expected that per capita electricity consumption will increase at 5% CAGR between FY19 and FY23, from 1,149 units in FY18 to 1,450-1,470 units by FY23. This is due to improvement in electricity access in terms of quality and reliability on account of intensive rural electrification and reduction in cost of power supply, resulting in realization of latent demand from the residential segment. Robust GDP growth is expected at an average of 7.5% to 7.7% from FY19 to FY23. To facilitate this growth, energy requirement is expected to rise at a CAGR of 6.5% to 6.8% during this period.

Note: TWh – Terawatt Hour

Climate change is one of the biggest challenges of the 21st century and India is committed towards the global climate change initiative; and has ratified the Paris Agreement on Climate Change. As part of the Nationally Determined Contributions (NDC), the country is committed to reduce the emissions intensity of its GDP by 33-35% by 2030 from the 2005 level. The country's renewable energy sector has been at the forefront of growth in capacity development.

To provide clean and affordable energy to all, the Government of India has set an ambitious target of 175 GW energy from RE sources by 2022. The target is further enhanced to 227 GW. This drive for cleaner energy supply is set against a framework of sweeping economic and demographic change. The country's population is growing fast and by 2025 is likely to overtake China with more people than ever living in urban areas. The convergence of rapid urbanisation and one of the world's fastest economic growth is likely to quadruple India's electricity demand by 2050.

According to CEA, the total installed generation capacity in India as on March 31, 2019 was 356 GW, of which approximately 113 GW of capacity was added in the past five years (FY14 to FY19), with most of this capacity addition coming from new renewable plants. Coal-based installed power generation capacity has maintained its dominant position over the years and accounted for approximately 56% of capacity.

Developments:

Renewable energy installations have more than tripled to approximately 78.32 GW capacity as on March 31, 2019, compared with 25 GW as on March 31, 2012, constituting approximately 22% of total current generation capacity. Following the declaration of large hydro as renewable energy source by the Government of India (GOI) on March '19 renewable energy (including Large Hydro i.e. > 25 MW) constitutes 34.7 % of total current generation capacity Investments in the Indian power sector is expected to continue

to grow over the next few years, but with a shift away from conventional power generation towards renewable power generation.

Source: UN Environment, Bloomberg New Energy Finance

A total of 8.53 GW of renewable energy capacity was added during the year FY19, taking the cumulative installed renewable energy capacity to 78.31 GW as on March 31, 2019. This comprises 35.63 GW from wind power, 28.18 GW from solar power, 9.91 GW from bio power and 4.59 GW from small hydro power. Further projects of capacity of 67.38 GW were under implementation or already bid out.

As of March 31, 2019, the total installed capacity of all energy sources put together stood at about 356 GW (excluding captive power capacity of 51.5 GW), the thermal sector accounted for 226 GW, followed by renewable at about 78GW, hydro at 45 GW and nuclear at about 7 GW.

Opportunity and Threats:

Opportunity	Threats
<ul style="list-style-type: none"> ○ Demand for electricity is expected to increase at a CAGR of 7 per cent to 1,894.7 TWh over the next few years. ○ Current production levels are not enough to meet demand; annual demand outstrips supply by about 7.5 per cent. ○ Various reforms being undertaken by the government are positively impacting India's power sector. Outlook:

India's energy landscape is rapidly evolving to support an expanding economy, accelerate access of electricity to rural areas, fuel the evolution in mobility including EVs and develop the infrastructure required to meet the demands of one of the world's most populated countries. In the last few years, India has evolved from lingering power shortages into a near energy-surplus scenario.

India's energy consumption is expected to grow the fastest among all major economies by 2040. This paradigm change will increasingly influence the development narrative, unfolding across the economy.

The Government of India is committed to increased use of clean energy sources and is already undertaking various large-scale sustainable power projects and promoting green energy heavily. In addition, renewable energy has the potential to create many employment opportunities at all levels, especially in rural areas. The Ministry of New and Renewable Energy (MNRE) has set an ambitious target to set up renewable energy capacities to the tune of 175 GW by 2022 of which about 100 GW is planned for solar, 60 for wind and other for hydro, bio among other. As of June 2018, Government of India is aiming to achieve 225 GW of renewable energy capacity by 2022, much ahead of its target of 175 GW as per the Paris Agreement. India's renewable energy sector is expected to attract investments of up to US\$ 80 billion in the next four years.

It is expected that by the year 2040, around 49 per cent of the total electricity will be generated by the renewable energy, as more efficient batteries will be used to store electricity which will further cut the solar energy cost by 66 per cent as compared to the current cost. Use of renewables in place of coal will save India Rs 54,000 crore (US\$ 8.43 billion) annually.

Achievements in the sector

- Solar capacity has increased by eight times between FY14-18. India added record 11,788 MW of renewable energy capacity in 2017-18.
- A total of 47 solar parks with generation capacity of 26,694 MW have been approved in India up to November 2018, out of capacity of 4,195 MW has been commissioned.
- Inter-state distribution of wind power was started in August 2018.

Power generation from renewable energy sources (excluding large hydro) in India reached record 101.84 billion units in FY18 and has reached 107.22 billion units between April 2018-January 2019.

Risk and Concerns:

Operating in a dynamic operating scenario, the Company is exposed to various business risks, which may be internal and external. It has put in place a comprehensive risk-management system, tailored to the specific requirements of the business, considering various factors such as size and nature of inherent risks and the Company's regulatory environment.

The risk management system recognises and analyses risks early and takes appropriate action. The Company's senior management regularly reviews the risk management processes for regular effective risk management and mitigation.

Internal Financial Control Systems and their adequacy:

Internal Control system and adequacy Internal Control measures and systems are established to ensure the correctness of the transactions and safe guarding of the assets. Thus, internal control is an integral component of risk management. The Internal control checks and internal audit programmes adopted by our Company plays an important role in the risk management feedback loop, in which the information generated in the internal control process is reported back to the Board and Management. The internal control systems are modified continuously to meet the dynamic change. Further the Audit Committee of the Board of Directors reviews the internal audit reports and the adequacy and effectiveness of internal controls.

INDEPENDENT AUDITOR'S REPORT

To the Members Of

Zodiac Energy Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of ZODIAC ENERGY LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss and the Statement of Cash Flows for the year ended on that date, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (hereinafter referred to as "the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Rule 7 of the Companies (Accounts) Rules, 2014, as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, the profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (hereinafter referred to as "SAs"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (hereinafter referred to as "ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report and Shareholder's Information, but does not include the financial statements and our auditor's report thereon. The other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the other Information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, of the Company in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

ANNEXURE - A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Zodiac Energy Limited** ("the Company") as of March 31, 2019 in conjunction with our audit of the financial statements of the Company for the period ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The Company has not granted any loans, secured or unsecured, to companies, firms, and limited liabilities partnerships or other parties covered in the register maintained under Section 189 of the Act. Therefore, the provisions of Clause 3 (iii) [(a) to (c)] of the said Order are not applicable to the Company.

4. In respect of compliance of section 185 and 186 of the Act:

In our opinion and according to the information and explanations given to us, there are no loans, investments, guarantees and securities in respect of which provisions of sections 185 and 186 of the Act are applicable.

5. In respect of deposits:

The Company has not accepted deposits within the meaning of Sections 73 to 76 or any other relevant provisions of the act and the rules framed thereunder.

6. In respect of maintenance of cost records:

To the best of knowledge and according to information and explanation given to us, the maintenance of cost records has not been specified by Central Government under section 148(1) of the Act for the business activity carried out by the company. Thus reporting requirement under clause 3(vi) of the order is not applicable to the Company.

7. In respect of statutory dues:

- a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing the undisputed statutory dues, including provident fund, employees' state insurance, income tax, goods and service tax, custom duty, cess and other material statutory dues, as applicable, with appropriate authorities.
- b) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, no undisputed amounts payable as applicable were in arrears as at March 31, 2019 for a period of more than six months from the date they became payable.
- c) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of Income Tax, Wealth Tax, Service Tax, and Value Added Tax which have not been deposited on account of any dispute.

8. In respect of dues to financial institutions / banks / debentures:

To the best of our knowledge and according to the information and explanation given to us, the company has not defaulted in the repayment of loan to the bank. The Company has neither taken any loan from Government/financial institution nor issued debentures. Thus, paragraph 3(viii) of the Order is not applicable to the Company.

9. In respect of money raised by way of public offer and application of term loan:

The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. Further the company has not raised any term loans during the year. Accordingly, paragraph 3 (ix) of the Order is not applicable.

10. In respect of fraud:

According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.

11. In respect of managerial remuneration in accordance with Section 197 of the Act:

According to the information and explanations given to us, managerial remuneration has been paid or provided in accordance with the requisite approvals mandated by the provisions of Section 197, read with Schedule V to the Act.

12. In respect of Nidhi company:

In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.

13. In respect of transactions with related parties in compliance of section 177 and 188 of the Act and its disclosures:

According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.

14. In respect of preferential allotment or private placement of shares or debentures:

According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.

15. In respect of non-cash transactions with directors or persons:

According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.

16. In respect of company is required to be registered under section 45-IA of the Reserve Bank of India Act, 1934:

Zodiac Energy Limited
Notes to financial statements for the year ended as at March 31, 2019
1. Background & Basis of Preparation of Financial Statements:

- (i) Zodiac Energy Limited ('ZEL' or 'the Company') is a public Company domiciled and headquartered in India. The Company was incorporated on 22/05/1992 as a Private Limited Company and converted into public company on 29/08/2017 and was listed on platform of National Stock Exchange of India Limited w.e.f 05/12/2017. The Company is primarily engaged in installation of Power Generation Plant/Items.

(ii) Basis of preparation of Financial Statements:

These interim financial statements are prepared in accordance with Generally Accepted Accounting principles in India (GAAP) under the historical cost convention on the accrual basis which is accounted for on realisation basis. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified). The accounting policies have been consistently applied by the Company except where a newly issued Accounting Standard is initially adopted or a revision to an existing Accounting Standards requires a change in accounting policy hereto in use.

(iii) Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management of the Company to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent liabilities at the date of financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

2. Statement of Significant Accounting Policies:

The accounting policies set out below have been applied consistently to the periods presented in these financial statements.

a. Property, Plant and Equipment and Depreciation:

- (i) Fixed Assets are stated at cost less depreciation. Direct cost comprises of all expenditure of capital in nature attributable to bringing the fixed asset to working condition for its intended use and incidental expenses including interest relating to acquisition, until fixed assets are ready to be put to use.
- (ii) Depreciation on fixed assets is provided on the straight-line method over the useful lives of assets as prescribed under Part C to Schedule II to the Companies Act, 2013.

b. Intangible assets and amortisation:

- (i) An intangible asset is recognised, only where it is probable that future economic benefits attributable to the asset will accrue to the enterprise and the cost can be measured reliably. Intangibles are stated at cost, less accumulated amortization and impairment losses, if any.
- (ii) Capitalized software provides significant future benefits. Cost of softwares are amortized over a period of 3 years.

c. Impairment of Assets:

- (i) The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. On such indication, the recoverable amount of the assets is estimated and if such estimation is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using weighted average cost of capital. A previously recognized impairment loss is further provided or reversed depending on changes in circumstances.
- (ii) After impairment, depreciation/ amortization is provided on the revised carrying amount of the asset over its remaining useful life.

d. Inventories:

Raw materials, packing materials, stores and spares are valued lower of cost and net realizable value. Cost of Raw materials, packing materials, stores and spares is determined on a First In First Out (FIFO) basis.

e. Foreign Currency Transitions
I. Initial Recognition:

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

II. Conversion

Foreign currency monetary items outstanding as on Balance Sheet date are revalued at exchange rate prevailing on balance sheet date (closing rate). Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

III. Exchange Difference

Exchange differences arising on the settlement of monetary items, or on reporting monetary items of company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

f. Revenue Recognition:

- (i) Sales are recognised on transfer of significant risks and rewards of ownership of the goods to the buyer which is on dispatch of goods to buyer. Sales figures are net of sales tax, value added tax, sales returns and adjustment in respect of discounts, rate difference, etc.

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

- (ii) Interest:

Interest on bank deposits are recognized on time proportion basis taking into account the amounts invested and the rate applicable.

- (iii) All Other Income:

Other income is recognized on accrual basis.

(a). Subsidy:

Government Subsidy is recognised only when there is reasonable assurance that the company will comply with the conditions attached to them, and the subsidy will be received.

(b). Employee Benefits:

I. Defined Contribution Plan:

Contribution paid/payable to the employees' provident fund is as per statute and are recognized as expense during the year in which the employees perform the services.

II. Defined Benefit Obligation:

Gratuity liability for eligible employees is defined benefit obligation and are provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year. Obligation is measured at the present value of estimated future cash flows using discounted rate that is determined by reference to market yields at the Balance Sheet date on Government Securities where the currency and terms of the Government Securities are consistent with the currency and estimated terms of the defined benefit obligation. Actuarial gains / losses are immediately taken to Statement of Profit and Loss.

III. Short term employee benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and they are recognized in the period in which the employee renders the related service. The Company recognizes the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid.

g. Segment Reporting:

Segments have been identified and reported taking into account nature of products and services, the differing risks and returns and the internal business reporting systems.

h. Leases:

Lease, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased asset during the lease term, are classified as operating leases. Lease payments under operating lease are recognised as an expense in the profit and loss account on a straight-line basis over the lease term, considering the renewal terms, if appropriate.

i. Earnings Per Share:

Basic earnings per share (EPS) is calculated by dividing the net profit or loss after tax for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by adjusting the number of shares used for basic EPS with the weighted average number of shares that could have been issued on the conversion of all dilutive potential equity shares. The weighted average number of equity shares and potential equity shares outstanding during the period and for all the period presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

j. Taxes on Income:

Income Tax expense comprises of current tax and deferred tax (charge or credit).

- (i) Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provision of the Income Tax Act, 1961.
- (ii) Deferred tax is recognized, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of subsequent periods. Deferred Tax Assets in respect of unabsorbed depreciation and carry forward of losses are recognized if there is virtual certainty that there will be sufficient future taxable income available to realize such losses.

k. Provisions, Contingent Liabilities and Contingent Assets:

- (i) A provision is recognized when the Company has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.
- (ii) Contingent Liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

General:

Any other accounting policy not specifically referred to are consistent with generally accepted accounting principles.

Specific Attention of the Members is drawn to the followings:

1. During Financial Year 2018-19, the Securities and Exchange Board of India ('SEBI') and the Ministry of Corporate Affairs ('MCA') has mandated that existing Members of the Company who hold securities in physical form and intend to transfer their securities after April 1, 2019, can do so only in dematerialized form. Therefore, Members holding shares in physical form are requested to consider converting their shareholding to dematerialised form to eliminate all risks associated with physical shares for ease of portfolio management as well as for ease of transfer, if required. Shareholders can write to the Company at cs@zodiacenergy.com or contact the Registrars and Transfer Agent - Link Intime India Private Limited ("LIPL") at +91 079 2646 5179 for assistance in this regard.
2. The format of the Register of Members prescribed by the MCA under the Companies Act, 2013 requires the Company/Registrars and Transfer Agents to record additional details of Members, including their Permanent Accounts Number details (PAN), e-mail address, bank details for payment of dividend, etc. Further, SEBI has mandated the submission of PAN by every participant in the securities market. A form for capturing the above details is appended in the Integrated Report 2018-19. Members holding shares in physical form are requested to submit the filled-in form to the Company at the Registered Office or its Registrars and Transfer Agent - Link Intime India Private Limited ("LIPL"). Members holding shares in electronic form are requested to submit the details to their respective Depository Participants
3. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised not to leave their demat account(s) dormant for long period of time. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified.
4. Members holding shares in dematerialized form are requested to intimate all changes pertaining to their bank details such as bank account number, name of the bank and branch details, MICR code and IFSC code, mandates, nominations, power of attorney, change of address, change of name, e-mail address, contact numbers, etc., to their depository participant (DP). Changes intimated to the DP will then be automatically reflected in the Company's records which will help the Company and the Company's Registrars and Transfer Agents to provide efficient and better services.
5. The Securities and Exchange Board of India ("SEBI") has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their depository participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to LIPL.
6. As per the provisions of Section 72 of the Act, the facility for making nomination/nominations is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. The Nomination Form can be obtained from the LIPL. Members holding shares in physical form may submit the same to LIPL. Members holding shares in electronic form may submit the same to their respective depository participant.
7. The Company is concerned about the environment and utilizes natural resources in a sustainable way. We request every member to update their email address with concerned Depository Participant and LIPL to enable us to send you the communications via email.
