“Annexure-V”**MANAGEMENT DISCUSSION AND ANALYSIS**

Ascom Leasing & Investments Company Limited is a non deposit taking Company Non Banking Financials Company (NBFC-ND) registered with the Reserve Bank of India. Our Company engaged in the business of finance, and lending terms loans, mortgage financing, personal loans, Gold loans and Projected loans. Being the NBFC – Non-Deposit company, company is not entitled to take deposit from the general public.

1. Industry structure and developments

Non-Banking Financial Companies (NBFCs) play an important role in the Indian financial system given their unique position in providing complementarily as well as competition to banks. They cater to diverse financial needs of a wide variety of customers, both in urban and rural areas. This sector, with a size of around 16 per cent of the combined balance sheet of SCBs, has been growing at a faster pace in recent years. As on March 2020, the aggregate CRAR of NBFC sector was 14.6 % per cent, while the gross NPA ratio was 9.1 per cent.

India's GDP growth in FY20 continued on a downward growth trajectory which had begun in Q1FY19. The nation has been facing several structural stresses such as, sluggish private investment for more than six years, significant decline in savings rate for more than seven years and highest unemployment rate in the past years. A broad-based consumption breakdown further accentuated the slowdown. The COVID-19 induced lockdown/social distancing measures started in March 2020 and put 75% of the overall economic activity into standstill. It consequently hastened the downward trajectory of GDP growth in Q4FY20 to 3.1%. For FY20, India's GDP growth declined to 4.2% as compared to 6.1% in FY19.

2. Opportunities and threats

We are amidst unprecedented times. The COVID-19 pandemic has spread across the world — leading to well above 4.7 million confirmed infections, over 315,000 deaths, enormous human suffering and a full stop on virtually all commercial and economic activities. Even India, apparently relatively fortunate up to now, has had 101,139 confirmed cases and 3,163 deaths as per COVID-19 Situation Report-120 of World Health Organisation (WHO) dated 19 May 2020. With lockdowns spreading across countries accounting for over 50% of the world's gross domestic product (GDP), COVID-19 has caused disruptions on an unimaginable scale. Nobody really knows how long the pandemic will last; whether it will increase in the winter of 2020-21 and if so how, and what will be its final toll on lives and livelihood. With the impact of this pandemic still to play out, the scenario of eerily empty high streets, shut factories and stores, and literally millions being rendered unemployed together point to a single outcome — extreme stress for the global economy of the kind not seen since the Great Depression.

In India too, which implemented a lockdown since 25 March 2020, the pandemic has created shocks ripping through society and the world of business. The picture of millions of unemployed daily wage workers and their families trying to trudge back to their villages hundreds of kilometres away; shut factories and stores; empty construction sites; and a nation being deprived of its natural economic vigour are vignettes of this scourge. After a nationwide lockdown involving 1.35 billion people over 55 continuous days, the debate is now on how to gradually open the economy without seriously risk.

Even before the COVID-19 related slowdown, FY20 was a difficult year for the economy in general and more specifically the NBFC sector. NBFCs were impacted with a demand slowdown in core sectors, liquidity issues in the market, downgrades and solvency challenges and issues arising out of over-leveraging in certain geographical areas in the Micro Loans segment. Despite the challenges in the external environment, your Company sailed through the storm and delivered strong performance. This can be credited to your Company's underlying core strengths of focused businesses, ability to raise adequate resources at the right cost, asset resolution capabilities and group synergies.

3.Segment-wise or product-wise performance

During the year under review, since company is being working in a single segment therefore the specific performance does not stand eligible.

4. Outlook

As the pandemic has spread across the globe, the adverse impact of COVID-19 has overshadowed global macroeconomic outlook. Several multilateral agencies have projected recession for the global economy in the calendar year 2020 with the IMF (International Monetary Fund) warning of the worst global recession in almost a century. The RBI estimates real GDP growth of India to remain in negative territory in FY21. Rating agencies and economic think-tanks have significantly reduced India's growth projections for FY21 to -2% to -5% on the back of extended lockdown, factory shutdowns, supply chain disruptions, travel restrictions, reduced discretionary spending and recessionary outlook for the global economy.

The COVID-19 led disruptions have severely affected the fiscal arithmetic of both Union and State Governments. It is already reflected in the large additional borrowings envisaged by both Union and State Governments along with expenditure rationalisation measures including reduction in capital expenditure. Such steep rise in government market borrowings will have hardening bias on yields and put pressure on the cost of borrowings of companies and NBFCs.

5.Risks and areas of concern

Our strength is our determination and team work, weakness is the low equity base, opportunities are multiples and threats are the vibrations in the economy and government policies.

In any business, risks and prospects are inseparable. As a responsible management, the Company's principal endeavor is to maximize returns. The Company continues to take all steps necessary to minimize its expenses through detailed studies and interaction with experts.

6.Internal control systems and their adequacy

The Company has carried out the internal audit in-house and has ensure that recording and reporting are adequate and proper, the internal controls exist in the system and that sufficient measures are taken to update the internal control system. The system also ensures that all transaction are appropriately authorised, recorded and reported. Exercises for safeguarding assets and protection against unauthorised use are undertaken from time to time. The Company's audit Committee reviewed the internal control system. All efforts are being made to make the internal control systems more effective. All these measures are continuously reviewed by the management and as and when necessary improvements are affected.

7. Discussion on financial performance with respect to operational performance

The financial statements have been prepared in compliance with the requirements of the Companies Act, 2013 and Generally Accepted Accounting Principles in India. Further, the financial performance during the year under reference has been impressive in terms of sales. Even though there has been a decent increase in the turnover, the volume of profits has also increased as compared to last year.

8. Material developments in human resources/industrial relations front, including number of people employed.

The company had sufficient numbers of employees at its administrative office. The company recognizes the importance of human value and ensures that proper encouragement both moral and financial is extended to employees to motivate them. The company enjoyed excellent relationship with workers and staff during the last year.

9. Cautionary Statement

The statements in the "Management Discussion and Analysis Report" section describes the Company's objectives, projections, estimates, expectations and predictions, which may be "forward looking statements" within the meaning of the applicable laws and regulations. The annual results can differ materially from those expressed or implied, depending upon the economic and climatic conditions, Government policies and other incidental factors.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, its profit, changes in equity and its cash flows for the year ended on that date.

B Basis of Opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

C Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

D Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon. The Director's report to the shareholders is expected to be made available to us after the date of this Auditor's Report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

E Responsibility of the Management and those charged with governance for the standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

F Auditor's Responsibilities for the audit of the standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

G Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The standalone balance sheet, the standalone statement of profit and loss, the standalone Statement of Changes in Equity and the standalone cash flow statement dealt with by this report are in agreement with the books of account;
- (d) In our opinion, the aforesaid standalone financial statements comply with the accounting standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014;
- (e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the board of directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "**Annexure B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the company had paid/provided for managerial remuneration in accordance with the requisite approvals mandated by provisions of section 197 read with Schedule V to the Act; and
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company does not have any pending litigations which would impact its standalone financial position;
 - (ii) The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses; and
 - (iii) There has been no amount which was required to be transferred to the Investor Education and Protection Fund by the Company during the year.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in Paragraph 2(F) under 'Report on other legal and regulatory requirements' section of our report to the members of **Ascom Leasing & Investments Limited** of even date)

Report on the internal financial controls over financial reporting under clause (i) of sub – section 3 of section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Ascom Leasing & Investments Limited** (“the Company”) as at March 31, 2020, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s responsibility for internal financial controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial control system over financial reporting.

Meaning of internal financial controls over financial reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

24 Significant Accounting Policies & Notes on Standalone Financial Statements**(a) Basis of Accounting**

The financial statements have been prepared on a going concern basis under the historical cost convention on accrual basis of accounting, unless otherwise stated, in accordance with the generally accepted accounting principles in India ('Indian GAAP') to comply in all material respects with the notified Accounting Standards ('AS') under section 133 of the Companies Act, 2013 ('the Act'), read with rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016. Further, the company follows the statutory requirements, circulars and guidelines issued by the Reserve Bank of India (RBI) for Non-Banking Financial Companies (NBFC), from time to time to the extent they have an impact on the financial statements and current practices prevailing in India.

The standalone financial statements are present in Indian Rupees (INR) and all values are rounded to the nearest rupees, except when otherwise indicated.

(b) Use of Estimates

The preparation of the financial statement in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that effect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustments to the carrying amounts of assets or liabilities in future periods.

(c) Fixed Assets and Depreciation

Fixed assets are stated at cost of acquisition less accumulated depreciation/amortisation and impairment, if any. Cost includes purchase price, taxes, duties and goods and service tax. Subsequent expenditure incurred on assets is capitalised only if it increases the future benefit of such assets. Residual value has been estimated to be Nil at the end of the useful life of all the assets.

Depreciation is charged over the useful life prescribed under Part C of Schedule II of the Companies Act, 2013 and full depreciation is charged on fixed assets whose individual value is less than ₹ 5,000/-.

Depreciation on fixed assets added/disposed of during the year is calculated on pro-rata basis with reference to the date of addition/disposal.

(d) Prior period Items

Previous years adjustments are on account of payment of taxes, duties, interest etc., of earlier years due to short / excess provision thereof etc. which has been shown under the head 'Extraordinary Items.'

(e) Recognition of Income and Expenditure

The company follows accrual basis of accounting for its income and expenditure except income on assets classified as non-performing assets, if any, which in accordance with the guidelines issued by Reserve Bank of India for Non-Banking Financial Companies, is recognised on receipt basis.

Interest income on loans given is recognised over the period of contract by applying the interest rate implicit in such contract. Income in the nature of overdue interest and bounce charges are recognised on realisation, due to uncertainty of collections.

Interest income on deposits with banks is recognised on a time proportion accrual basis taking into account the amount outstanding and the interest rate applicable. All other incomes and expenses are recognised on an accrual basis.

(f) Financing Activities

The loan to borrowers are stated at the contract value after netting off unmatured income, wherever applicable, installments appropriated upto the year end and amount written off, if any.

The company has followed the prudential norms of RBI on income recognition, Asset classification, provisioning requirement, etc. issued from time to time. In respect of standard assets, the company provides 0.25% of standard assets in pursuance of the RBI Notification No. DNBR.008/CGM (CDS)-2015 dated March 27, 2015.

(g) Retirement benefits to Employees

Contribution to employee's benefit funds remitted to statutory authority, if any is charged to revenue. As informed by the Management, the liability/provision for payment of gratuity has not been made applicable to the company.

(h) Transaction in foreign currencies

Transactions, if any, in foreign currencies are recorded at the exchange rates prevailing on the date of the transactions and the exchange differences arising on settlement of transactions are recognised as income or expenses in the year in which they arise.

(i) Operating Cycle

Based on the nature of the lending activities of the company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the company has determined its operating cycle as a 12 months for the purpose of classification of assets and liabilities as a current and non-current.

(j) Deferred Revenue Expenses

The company has incurred various expenses towards SME IPO of equity shares during the year under consideration, which has been amortised over a tenure of five years and accordingly, the proportionate amortised amount has been claimed in the Profit & Loss account and the residual amount is shown as Deferred Revenue Expenses under the head 'Other non-Current Assets' in the balance sheet.

(k) Segment Reporting

The company has only one business segment and geographical segment. Therefore there is no separate reportable segment as per AS-17.

(l) Dues to small scale and ancillary undertakings

According to the information and explanation provided to us, the Company has no amounts overdue under the Micro, Small and Medium Enterprises Development Act, 2006 (MSMED) as at 31-03-2020 to the extent such parties have been identified by the management.

(m) Assessment of impact of Covid-19 pandemic

The management has considered internal and certain external sources of information including economic forecasts and industry reports up to the date of approval of the financial statements in determining the impact on various elements of its financial statements. The management has used the principles of prudence in applying judgments, estimates and assumptions including sensitivity analysis and based on the current estimates, the management expects to fully recover the carrying amount of trade receivables and receivables from financing activities. The eventual outcome of impact of the global health pandemic may be different from those estimated as on the date of approval of these financial statements.
