MESSAGE FROM THE CHAIRMAN

Greetings from VERA!

I am delighted to once again be a bearer of good news and report another year of good performance at your company.

We are incorporated in India, and all of our assets and employees are located in India. As a result, we are highly dependent on prevailing economic conditions in India and our results of operations are significantly affected by factors influencing the Indian economy. Factors that may adversely affect the Indian economy, and hence our results of operations, may include:

- Impacts of Covid-19 pandemic outbreak effects on Indian Economy
- Any increase in Indian interest rates or inflation;
- Any scarcity of credit or other financing in India, resulting in an adverse impact on economic conditions in India;
- Prevailing income conditions among Indian consumers and Indian corporations;

Our people strategy has always been to recruit and retain people with leadership qualities. We invest in our people and believe they are one of the major reasons for our success. We believe that growth of our people precedes the growth of the company. We promote leadership within our ranks by offering people greater responsibility with the freedom to perform to their best.

Our growth story, to my mind has been largely due to our Unique Business model as well as our striving excellence. We have great vision and power of innovation in the field of fishing Net, Agriculture Net, Ropes, Twines, Yarn and Taps. We draw our strength and quality from the art manufacturing facilities. Also the latest imported machinery from China for manufacturing of Fishing and Agricultural Net.

During the year, your Company have significantly poured efforts and as result the Earning Per share has been increased from 2.84 to 3.76 during this financial year.

I would also like to declare that our desire for future expansions through increased production by new Machinery and to improve the depth of our business to provide the desired growth strategy still prevails and we are constantly surveying the horizon in this regard.

I would like to conclude with a sense of confidence and strong optimism that we are striving and will continue to strive for a sustained and enduring growth across our various product mix.

I take this opportunity to express my sincere thanks to all the shareholders for their continued trust in the Board of Directors and the Management of the Company. On behalf of the

Company, I would also like to thank all our stakeholders - customers, dealers, suppliers, other business associates the Government and regulatory agencies and employees for their invaluable support and co-operation in the year gone by and expect similar support in the years to come.

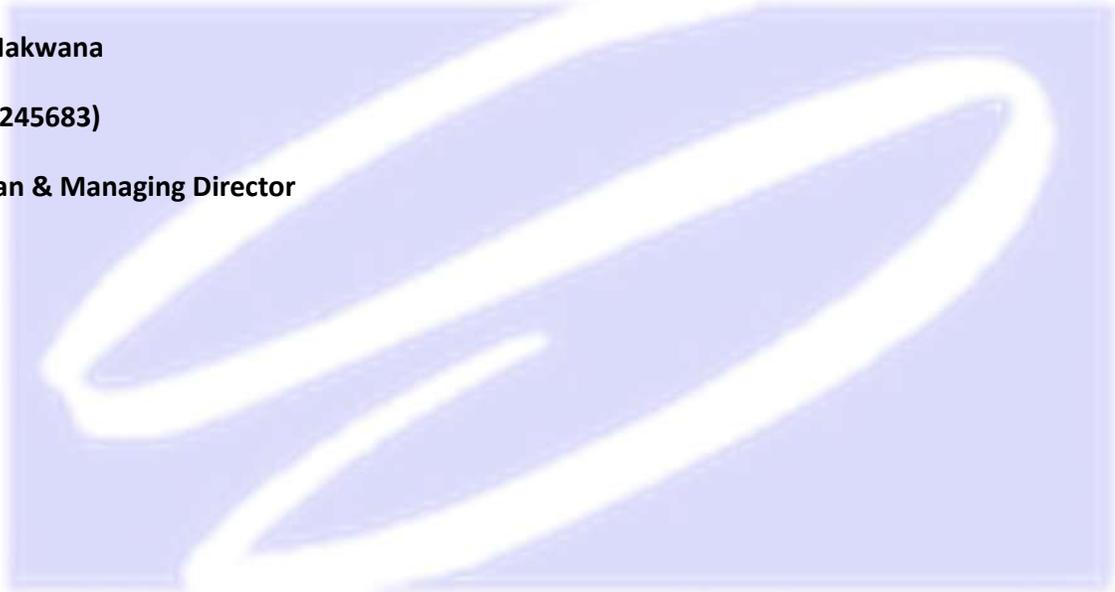

Thank you.

ROPE & FISHING NET

ANNEXURE IV**Management Discussion and Analysis**

A)	INDUSTRY STRUCTURE AND DEVELOPMENTS
	<p>Industry Structure: Over the last year, we have seen a revival in the Indian economy with macroeconomic indicators now starting to trend favourably. With policy reforms and de-bottlenecking of processes initiated by the government, the global sentiment towards India has improved substantially.</p> <p>Your company, as you are aware, has been manufacturing of fishing nets ropes, twines yarns, mainly high density plastic products. Based on market demand, company's products have been diversified into plastic engineering products.</p> <p>Developments: Modernization and expansion into more value added products and Technological development has been the tradition of your Company. Innovation & development is the key for growth in any forward looking company.</p>
B)	OPPORTUNITIES
	India emerges as the World's fastest growing large economy with projected GDP growth at 7.2% during FY 2017-18. This is an opportunity for demand in plastic engineering products.
C)	THREATS
	Increasing competition from domestic and foreign players could lead to margin contraction due to pricing pressure. Some of the larger global players are already present in India. Highly fluctuating price of granules which is the principle input to the plastic Industry, continues to be of serious concern. The rising cost of production, especially due to wage increase and rise in prices of other materials & services, short & stringent delivery schedule by customers in the background of highly volatile plastic product prices, Fiscal policy of government encouraging imports of inputs which are detrimental to Indian Plastic Industry, competition from other leading manufacturers etc. continue to threaten the profitability of your Company. Competition, whether domestic or international, is always a challenge and transforming challenges into opportunities has been a practice at Vera Synthetic Limited.
D)	SEGMENT WISE PERFORMANCE
	The Company has only one segment. Performance of the same is given below <i>in point H.</i>
E)	OUTLOOK
	The Plastics Export Promotion Council (PLEXCONCIL) is the apex government body responsible for the promotion of plastic exports. PLEXCONCIL members comprise large-/medium-/small-scale manufacturers and exporters. The council supports exporters by participating in international trade fairs, exploring new markets, organising buyer-seller meets both in India and overseas, and engaging in various other promotion and need-based activities.
F)	RISKS AND CONCERNS

	<p>In the winding plastic product business, the global demand and supply of fishing net and its prices plays a vital role and could significantly affect your Company's turnover. Your Company is fairly exposed to the domestic and global political and economic risks. The prices advanced on rapidly increasing demand for plastic products from China, India and the other emerging economies of Asia. Your Company also continuously keeps working on getting approvals from new and renowned customers to increase its market share commensurate with its capacity.</p> <p>Intense competition in the market could affect our cost advantages and result in decreased turnover. Failure to complete fixed price, fixed time frame deliveries could result in lower revenues of the company. The business of your Company could suffer if we fail to anticipate and develop new products and enhance existing range to keep pace with the rapid changes in the plastic industry. Currency fluctuations could affect the results of operations.</p> <p>Your Company's manufacturing facilities are based in India. Any changes in the legal, fiscal and other regulatory regimes of our country could affect our performance. In the event that the Government of India brings about any changes in import tariffs in India and reduction or curtailment of income tax benefits available to some of our operations in India can pose risks to your Company. It also has a wide customer base and changes in the legal, fiscal or regulatory regimes can also affect the competitiveness of our product and affect your Company's performance.</p>																																						
G)	INTERNAL CONTROL SYSTEM																																						
	<p>The Company has implemented internal control system at floor to shop level and we believe that Internal controls and systems implemented are adequate. These are also reviewed periodically by the Board and efforts are made to improve further, wherever possible.</p>

INDEPENDENT AUDITOR'S REPORT

To,
The Members of
VERA SYNTHETIC LTD.,
Bhavnagar.

Opinion

We have audited the standalone financial statements of **VERA SYNTHETIC LTD.**, which comprise the balance sheet as at **31st March 2020**, and the statement of profit and loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information [in which are included the Returns for the year ended on that date audited by the branch auditors of the Company's branches located at (location of branches is **NIL**)].

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at **March 31, 2020**, and its profit/loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 And the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Related to Going Concern

We have obtained sufficient evidence we do not have doubt about the company's ability to continue as going concern.

Key Audit Matters

We reasonably believe that there were no such key audit matter in accordance with SA 701 come across during our audit except We draw attention to Note No. 26.3 in the financial statements which describes the economic and social consequences the company is facing as a result of COVID-19 which is impacting supply chain, consumer demand, commodity price and availability of employee / workers. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

Other Matters are NIL.

“Annexure B” to the Independent Auditor’s Report of even date on the Standalone Financial Statements of VERA SYNTHETIC LTD.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of VERA SYNTHETIC LTD. (“The Company”) as of **March 31, 2020** in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over

Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the

Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and operating effectiveness of internal control based on the assessed risk. The procedures selected depend upon on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and provide reasonable assurance regarding prevention or timely

detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at **March 31, 2020**, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

VERA SYNTHETIC LTD.

NOTE: 1 FORMING PART OF THE FINANCIAL STATEMENTS

: SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE

ACCOUNTS A. SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting and Preparation of Financial Statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, r.w. Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 (“the 2013 Act”) / Companies Act, 1956 (“the 1956 Act”), as applicable.

2. Use of Estimate

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known/materialize.

3. Cash Flow Statements

Cash flows are reported using the indirect method as set out in accounting standard -3 on cash flow statement issued by the institute of chartered accountants of India.

4. Depreciation and Amortization

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on tangible fixed assets has been provided on the WDV method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

5. Revenue Recognition

Income from sales of goods is recognized upon passage of risks and rewards of ownership to the goods, which generally coincide with the dispatch.

6. Fixed Assets

Fixed assets are carried at cost less accumulated depreciation/amortization and impairment losses, if any. The cost of fixed assets comprises its acquisition price and relevant costs to bring it in position for intended use. Subsequent expenditure on fixed assets after its purchase/completion is capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

7. Earnings per Share

Basic earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year.

8. Taxes on Income

Current Tax

Current tax is calculated and the provision for the same is made in the books of accounts.

Deferred Tax

Deferred tax is recognized on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognized for all timing differences. Deferred tax assets are recognized for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will

be available against which these can be realized. However, if there are unabsorbed depreciation and carry forward of losses and items relating to capital losses, deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realize the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their reliability.

MAT Tax

Tax under MAT was lower than regular tax hence MAT tax is NIL.

9. Stock In Trade

Stock of Raw Material is valued at average purchase price during the year and Finished good is valued at cost or net realizable value whichever is lower as certified by the management and the value of the same is **1,45,04,457/-** and **19,61,583/-** respectively.
