SAFE FAST RELIABLE

The fastest growing logistics service provider rapidly delivering the goods on time in technology powered vehicles.

Financial Performance

The Standalone financial performance for the year ended March 31, 2022 is as follows:

Revenue from Operations at Rs. 432 Crores

EBIDTA at Rs.29 Crores

PBT at Rs.8 Crores

PAT at Rs.6 Crores

EPS Rs. 5.12 for face value of Rs.10 per share

DEAR STAKEHOLDERS,

The logistics business makes a substantial contribution to the country's economic development. The Government's efforts to increase integrated logistics and multimodal connections through huge infrastructure expenditures, numerous initiatives such as the Bharatmala project, and the Public Private Partnership are unquestionably beneficial to India's logistics business. AVG is well positioned to capitalise on rising market possibilities and generate long-term sustainable development through its asset light and comprehensive express services.

In FY22, the economy is predicted to rise by close to 8.7%. Overall demand has recovered noticeably, and supply chain problems and rising input prices have begun to subside. We're witnessing an upsurge in operations in a variety of industries, all of which are focused toward betterment. Agriculture grew by 3.9% in FY22. The industrial sector has made a remarkable comeback, increasing by 11.8% this fiscal year after falling by 7% in FY21. Manufacturing, construction, and mining all suffered the same consequences. Other macro indicators are telling a similar trend in order to make India the world's fastest growing economy in FY22. Indian logistics industry, which is considered as the country's lifeline, is extremely significant since it connects a wide range of markets, suppliers, and customers across the country, and it is now firmly established as a key component of the national GDP value chain.

We live in an era of disruptive changes, with increasing volatility in global supply chains, technology becoming more pervasive and evolving customer expectations. And like other industries, the race to stay resilient and relevant is on, in logistics as well. Leaders need to remain focused on driving scale with agility, with pervasive investments in business, technology, and human capital.

At AVG Logistics, we are doing just that – we are leading the change by focusing on creating superior value for all our stakeholders. Despite being hit by the second wave of COVID-19 pandemic during the year, the Company recorded its highest ever revenue from operations of ₹432.07 crore.

I appreciate all the stakeholders and employees for their continuous efforts and commitment towards the growth of the Company. I am Thankful to the Directors for their continuous support and guidance. Looking forward to many more successful years ahead.

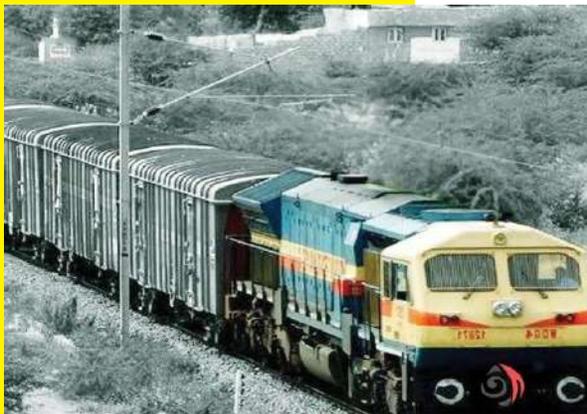

Best Regard
Sanjay Gupta

During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of September 23, 2022 may cast their vote electronically. The e-voting module shall be disabled for voting thereafter.

(ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

NOTICE

(iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level. Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders. In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

(iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. 1. OPERATIONAL AND FINANCIAL PERFORMANCE REVIEW

Your Company focus is to provide timely and satisfactory service to its clients, resulting thereby expanding successfully its business across the country.

Your Board of Directors are delighted to inform you that with a view to give meaning to its expansion plan, the Company has been making constant efforts for developing requisite infrastructure as well as utilizing advance means of technology for exercising better and effective control on its operation as well as movements of its fleet. Your Company's Logistics revenue has increased to Rs. 43207.67 lakhs in 2021-22 from Rs. 33339.24 Lakhs in 2020-21 and the Profit before tax for the year Increased to Rs. 846.46 Lakhs during the year as compare to Rs. (236.02) lakhs in financial year 2020-21.

2. IMPACT OF COVID-19

The COVID-19 pandemic continued to be a global challenge creating disruption across the world. While the global economy showed early signs of recovery in the beginning of 2021, the repeated waves of COVID infection overwhelmed the Country's health infrastructure. The partial lockdown situation in the Country during most part of the financial year under review led to rise in inflation impacting recovery especially across emerging economies and dented the pace of economic activity.

The pandemic impacted the logistics sector in both positive and negative ways. On one hand, it has increased financial pressure on a lot of companies in the industry, especially transporters. On the other hand, it has accelerated some key transformations within the logistics sector viz. changing channel landscape, increasing adoption of multi-modal logistics, integrated service offerings, technology integration to drive efficiencies etc.

Digital solutions and usage of technology has become essential for making supply chains more robust, driving end-to-end visibility, ensuring data security and real-time product traceability, and improving government industry collaboration as we prepare for the future. Despite these challenges, we also saw many tailwinds in our business. Opening of the economy spurred growth the markets. Leveraging on the trends emerging from the external environment, we continue to enhance our focus on delivering value through customized integrated solutions, new customer acquisitions and operational excellence and drive technology investments to maintain profitable growth and improve scalability of our businesses in the prevalent economic scenario.

3. TRANSFER TO RESERVES

As per Standalone financials, the net movement in the reserves of the Company as at 31 March 2022 (FY 2021-2022) [Previous Year ended 31 March 2021 (FY 2020-2021)] is as follows:

Particulars	Amount in INR Lakhs	
	Financial Year 2021-22	Financial Year 2020-21

AVG Logistics Management Discussion and Analysis Report**Overview**

Logistics is an integral activity for economic growth in every Country as it involves the management of flow of goods from the place of origination to the place of consumption. With a pick-up in demand, the Indian logistics market is pegged at USD 250 Bn in FY22 and is growing at a rapid pace and is expected to reach USD 380 Bn mark by 2025 at a compound annual growth rate between 10 to 12 percent, especially after facing a slowdown in the last two years. Logistics sector contributes around 14.4% of GDP. India is one of the fastest growing economy and is expected to be one of the top three economic powers in the world by 2035 supported by demographics and strong democracy. Fuelling the growth are the new policies that are set to give the industry a much-needed push. Better connectivity, dedicated freight corridors, tech-driven warehousing, and constant growth in online buying and thus e-commerce business. Government's focus on localized manufacturing through the "Make in India" drive, the 'PM Gati Shakti' plan announced during the Union Budget 2022 earlier this year will augment the sector. The impetus given by the government to build the infrastructure in the recent budget is the biggest positive for the logistics sector. The keen focus on building connectivity through a better road network, dedicated freight corridors, tech-driven warehousing along with 4 Multimodal logistics parks, 100 PM Gati Cargo Terminals, increased speed of goods train by railways all these efforts indicate that the age-old perception of "logistics is just about transportation" is changing.

The logistics sector in India can be divided into 1) Transportation 2) Warehousing 3) Value Added Services.

Transportation

Transportation is the biggest share of Indian Logistics sector which is a mix of Road, Rail, Coastal and Air Freight.

Road Logistics

The surface transportation sector is expected to grow at a CAGR of more than 8% thereby becoming the fastest growing area of India's infrastructure sector. The revenue of surface Transportation sector is USD 140 Bn. The surface transportation sector can be further divided into the following: I. Full Truck Load, II. Part Truck Load, III. Express

Rail Logistics

India has the world's fourth largest rail network after US, China, and Russia. Railways after roadways account for second highest nearly about 31% of goods moved in terms of volume across the country. Dedicated Freight Corridor (DFC) commercialization has led to improved and double stacking for our coverage container train operators, benefiting both on the revenue and profitability. Trial train operations have started at the Mehsana-Palanpur section of the DFC in Gujarat, with a speed of 55-65 kmph (double speed of freight trains running on the Indian Railways network). DFCCIL expects to commercialize operations up to Sanand in a few months.

Coastal Logistics

The share of waterways has been limited to 8% in India, much lesser compared to China and Europe, where it varies between 35%- 40%. According to government, India has witnessed a growth of 11.3% of cargo movement on coastal routes from 2015-16 to 2018-19. The total cargo movement is expected to reach 250 MTPA by 2025. To make an efficient modal mix, the Indian government has introduced the Sagarmala Programme with the vision to reduce logistics costs, which will lead to overall savings of INR 35K to INR 40K Crore per annum. It also aspires to reduce carbon emissions by 12.5 MT/annum by transportation. India has in total 11 major and 168 minor/intermediate ports across the country. It's high time to leverage these for economic benefits.

Air Logistics

The airways share accounts for less than 2% of the total. Role of air cargo is very critical due to its efficiency in transit times. In spite of being multiple times costlier than other modes, it proves to be inevitable for many time sensitive products such as Pharmaceuticals, Healthcare, Electronics, wireless telephony, and Automotive Spares etc apart from horticulture and perishable. The cargo movement by air takes place by either Dedicated Air cargo or Belly Cargo Movement. The international air cargo industry is highly organized due to regulations of international body (IATA). More than 75% of the air freight market in India is with organized players.

Warehousing

The warehousing market in India is estimated to be worth USD 12 Bn in 2020[^] and is growing at a faster pace. The warehousing has attracted more than USD 6.5 Bn investment since 2017 and market is expected to attract more investment in next 5 years. In terms of land availability for development, warehousing has a potential FSI of 500 Mn Sq.ft. across the major 8 cities in India, while existing stock across these cities is 307 Mn Sq.ft. The top six cities with modern warehousing capacity are Ahmedabad, Bangalore, Chennai, Mumbai, Delhi and Pune. The growth in warehousing market is driven by various factors such as rising share of India's businesses in the international markets, demand for greater storage, rise in e-commerce businesses, etc. 3PL and e-commerce are the largest lessors of the warehousing space with more than 60% share. This is in line with the trend of more and more companies outsourcing their non-core business operations to experts and focusing on the core area for faster growth.

Value Added Services

As customer demand for customized product grows, the contribution and importance of value-added services to the overall supply chain also grows. Value added services make the overall supply chain and logistics network smoother and more efficient. Value added services cover range of activities such as custom clearing, Logistics packaging, Inventory management, Material handling equipment, etc.

Opportunities and Threats

Opportunities:

The Increased focus by the Company on Rail Logistics can help improve margins. Also the Overall consumer sentiments in the online business is bringing new opportunities for logistics players where demand for setting up Warehouses and last-mile delivery facilities is increasing at a very fast pace. AVG is continuously making an effort, leveraging technological advancements, and expanding the means to provide services to minimize the regulatory risk, if any. The company has also consciously increased focus on varied business segments to grow faster and increase the different types of customer base.

Threats:

Any changes in regulatory norms by the Government of India (GoI) may impact the operations. Apart from that there could be margin pressure due to competition from the unorganized sector and new entrants. Increasing fuel prices is another worry across Logistics industry.

Existing Business Strategy

AVG's total revenues have grown by 29% as compared to the previous year, this is due to providing innovative logistics solutions to its existing customers as well as new customers. The introduction of Coastal, Rail logistics solutions and specialized catering of reefer services is expected to go a long way in times to come. Overall, AVG Logistics' business strategy is well poised for long term growth and success.

INDEPENDENT AUDITOR'S REPORT**To the Members of AVG Logistics Limited****Report on the Audit of the Consolidated Financial Statements****Opinion**

We have audited the accompanying consolidated financial statements of AVG Logistics Limited (hereinafter referred to as the "Holding Company"), its associates, which comprise the consolidated Balance Sheet as at March 31, 2022, and the Consolidated Statement of Profit and Loss, and the Consolidated Statement of Cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with Accounting Standards prescribed under section 133 of the Act read Companies (Accounts) Rules, 2014 as amended and other accounting principles generally accepted in India, of their consolidated state of affairs of the holding Company and its associates as at March 31, 2022, of Consolidated profit, and its Consolidated Cash Flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the holding Company and its associates in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of Code of Ethics issued by Institute of Chartered Accountant of India ("ICAI"), and the relevant provisions of the Act and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to the following matters in the Notes to the consolidated financial statements:

Note 46 which states that management has made assessment of the impact of Covid-19 on the Company's operations, financial performance and financial position as at and for the year ended March 31, 2022. Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the annual report but does not include the consolidated financial statements and our auditor's report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance and

consolidated cash flows of the holding Company and its Associates in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the holding Company and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the holding Company and its associates and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the holding Company and of its associates are responsible for assessing the ability of the holding Company and of its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the holding Company and its associates or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the holding Company and of its associates are responsible for overseeing the financial reporting process of the holding Company and of its associates.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing ("SAs") will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

We give in "Annexure A" a detailed description of Auditor's responsibilities for Audit of the Consolidated Financial Statements.

Other Matters

The consolidated financial statements also include the holding Company's share of net profit of Rs. 2.17 lakhs for the year ended March 31, 2022, as considered in the consolidated financial statements, in respect of two associates, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, jointly controlled entities and associates, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, jointly controlled entities and associates, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d. In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e. On the basis of the written representations received from the directors of the Holding Company as on March 31, 2022 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its associate companies incorporated in India, none of the directors of the holding Company and its associate companies incorporated in India are disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- f. With respect to the adequacy of internal financial controls with reference to financial statements of the holding Company and its associates and the operating effectiveness of such controls, refer to our separate report in “Annexure B”.
- g. With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditor’s) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT ON EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF AVG LOGISTICS LIMITED

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and jointly controlled entities to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and jointly controlled entities to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates and jointly controlled entities to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all

relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended March 31, 2022 (current year) and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF AVG LOGISTICS LIMITED

[Referred to in paragraph 2 (f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report of even date to the Members of AVG Logistics Limited on the Financial Statements for the year ended March 31, 2022]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Qualified Opinion

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2022, we have audited the internal financial controls with reference to financial statements of AVG Logistics Limited (hereinafter referred to as "the Holding Company") and its associate companies, which are companies incorporated in India, as of that date.

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at March 31, 2022:

- a) The holding Company does not have robust policy and controls over cash management in respect to KYC documentation against cash receipts and cash payments. This could potentially result in the company recording of inappropriate cash transactions.
- b) The holding Company does not have period end closure process to account for adjustment specifying the period end activities that are required to be carried out by a Company, including period-end cut offs, assessment of doubtful debts and reconciliation of key balances. Not having a formal financial statement closure process could potentially result in the holding Company processing documents and other accounting records, inaccurately and inconsistently.
- c) In case of advance to suppliers, the holding Company does not have an appropriate internal control system for documentation of corresponding purchase orders, agreements, timely reconciliation with subsequent settlements, etc. which could potentially result in inappropriate settlements and adjustments.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control with reference to financial statements, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, and to the best of our information and according to the explanations given to us, except for the effects/ possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Holding company and its associate companies, which are companies incorporated in India have maintained, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as of March 31, 2022, based on the internal control with reference to financial statements criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI").

We have considered the material weakness/es identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2022 consolidated financial statements of the Company, and these material weaknesses do not affect our opinion on the consolidated financial statements of the Company.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, its subsidiary companies, its associate companies and jointly controlled companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Holding company, its subsidiary companies, its associate companies and jointly controlled companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our qualified audit opinion on the internal financial controls with reference to financial statements of the Holding company, its subsidiary companies, its associate companies and jointly controlled companies, which are companies incorporated in India.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements insofar as it relates to two associate companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

42 Code on Social Security, 2020

The Code on Social Security 2020 ('the Code') relating to employee benefits, during the employment and post-employment, has received Presidential assent on 28 September 2020. The Code has been published in the Gazette of India. Further, the Ministry of Labour and Employment has released draft rules for the Code on 13 November 2020. However, the effective date from which the changes are applicable is yet to be notified and rules for quantifying the financial impact are also not yet issued.

The Company will assess the impact of the Code and will give appropriate impact in the financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.

43 Disclosure in relation to undisclosed income

The Company does not have any undisclosed income which is not recorded in the books of account that has been surrendered or disclosed as income during the year (previous year) in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961).

44 The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

45 There were no amounts which were required to be transferred to the Investor and Protection Fund by the Company.

46 The Company provides logistics services to its customers majorly dealing in "essential commodity" and accordingly majority of the business operations of the Company are dependent upon the demand from these customers.

The extent to which COVID-19 pandemic will impact the Company's future results will depend on developments which cannot be predicted with certainty. Including any new information concerning the severity of the COVID-19 pandemic and any action to contain its spread or mitigate its impact whether government-mandated or elected by the Company. The Company will continue to closely monitor any material changes to future economic conditions and respond accordingly.

The Company does not perceive any mid to long term impact on its operations given that it continues to provide services to its existing customers dealing in "essential commodity" and transportation restrictions for these products had been liberalized by most of the states in the country.

The pandemic though has not impacted the revenue growth of the Company, but it impacted certain class of customers and other parties from whom the collections have been impacted. The extension of COVID-19 restrictions has not helped the cause which has slowed down the recovery process. In the current year, the operational costs were impacted by the changes in demand and supply of trucks and in addition, certain recoveries from loans given to parties still remains pending. These parties are in the financial services sector/real estate activities which were impacted due to COVID-19 pandemic. Basis Management's discussion with these parties and the payment plan agreed, such amounts will be fully recovered in near short-term since their businesses are showing signs of returning to normalcy. However, provision has been recognised in the consolidated financial statements wherever considered necessary.

47 The Company acquired the 35% share issued at par in NDRAVG Business Park Private Limited (Associate Company) on October 01, 2018, the date on which the Associate Company was incorporated. The financial statements for the year ended March 31, 2022 were approved by the Board of Directors on June 06, 2022.

1(b) Summary of significant accounting policies

i. Basis of Preparation

These consolidated financial statements (or 'financial statement') have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on an accrual basis. These financial statements have been prepared to comply in all material aspects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended), specified under section 133 and other relevant provisions of the Companies Act, 2013. The financial statements relate to the Company and its share of profit/loss in its associate company and an enterprise (associate company and enterprise collectively knows as 'group entities').

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle, and other criteria set out in the Schedule III (Division I) to the Companies Act, 2013. Based on the nature of goods/ services and the time between the sale of goods/ rendering of services and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

Basis of Consolidation

a) Investments in group entities are accounted for using equity method in accordance with Accounting Standard (AS) 23- "Accounting for Investments in Associates in consolidated financial Statements". Accordingly, the share of profit/loss of each of the group entity (the loss being restricted to the cost of investment) has been added to/deducted from the cost of Investments.

b) The consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Company's separate financial statements.

Following associate company and enterprise has been considered in the preparation of Consolidated Financials Statements:

S. No.	Name of the Entity	Country of Incorporation	%Ownership Interest	
			As at March 31, 2022	As at March 31, 2021
1.	NDRAVG Business Park Private Limited	India	35%	35%
2.	NDR AVG Logistics LLP	India	30%	30%

ii. Use of estimates

The preparation of financial statements requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and disclosure of contingent liabilities, at the end of the reporting period. Although, these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

AVG Logistics Limited

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

iii. Property, Plant and Equipment

Tangible assets

Tangible assets, capital work in progress are stated at cost, less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price, borrowing costs, if capitalization criteria are met and any cost attributable to bringing the assets to its working condition for its intended use which includes taxes, freight, and installation and allocated incidental expenditure during construction/ acquisition and exclusive of input tax credit (IGST/CGST and SGST) or other tax credit available to the Company.

When parts of an item of tangible assets have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Subsequent expenditure relating to tangible assets is capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Intangible assets

An intangible asset is recognized when it is probable that the future economic benefits attributable to the asset will flow to the enterprise and where its cost can be reliably measured. Intangible assets are stated at cost of acquisition less accumulated amortization and impairment losses, if any. Cost comprises the purchase price and any cost attributable to bringing the assets to its working condition for its intended use which includes taxes, freight, and installation and allocated incidental expenditure during construction/ acquisition and exclusive of Input tax credit (IGST/CGST and SGST) or other tax credit available to the Company.

Subsequent expenditure relating to intangible assets is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

iv. Depreciation on property, plant and equipment

Based on management's evaluation, useful life prescribed in Schedule II of the Companies Act, 2013 represent actual useful life of property, plant and equipment. The Company uses straight line method and depreciation is provided on pro-rata basis on the carrying amount of property, plant and equipment. The carrying amount is calculated after reducing 5% of the value of property, plant and equipment as residual value. The Company has used following useful lives to provide depreciation of different class of its property, plant and equipment.

Particulars	(Useful life in years)
Computer	3
Building - RCC frame structure	60
Building - other than RCC frame structure	30
Furniture and fixtures	10
Office equipment	5
Vehicle	8
Trucks	6 (till September 30, 2020)
Trucks	10 (w.e.f. October 01, 2020)

The Company has adopted Schedule II to the Companies Act, 2013 which requires identification and determination of separate useful life for each major component of the property, plant and equipment, if they have useful life that is materially different from that of the remaining asset. (Component Accounting)

The Company performs assessment of useful life of property, plant & equipment once a year, generally at each year end.

AVG Logistics Limited

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

v. Amortization of intangible assets

Amortization of intangible assets has been calculated on straight line basis at the following rates, based on management estimates, which in the opinion of the management are reflective of the estimated useful lives of the intangible assets.

Particulars	Useful life (in years)
Computer Software	
- ERP	3
- Other than ERP	3

Amortization on addition to intangible assets provided on pro-rata basis from the date the assets are ready for intended use. Amortization on sale/ discard from intangible assets is provided for upto the date of sale, deduction or discard of intangible assets as the case may be.

vi. Impairment of Assets

In accordance with Accounting Standard (AS) 28 on 'Impairment of Assets', the carrying amount of the Company's assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the assets' recoverable amount is estimated. The recoverable amount of the assets (or where applicable that of the cash generating unit to which the assets belongs) is estimated at the higher of its net selling price and its value in use. An impairment loss is recognized whenever the carrying amount of the assets or cash-generating unit exceeds its recoverable amount.

Impairment losses, including impairment on inventories, are recognized in the statement of profit and loss.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

vii. Borrowing Costs

Borrowing cost Includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs that are directly attributable to the acquisition, construction or production of an asset that takes a substantial period of time to get ready for its intended use are capitalized. All other borrowing costs are recognized as expenditure in the period in which they are incurred.

viii. Investments

Accounting treatment

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of share or other securities, the acquisition cost is the fair value of the securities issued. If an investment is acquired in exchange for another asset, the acquisition is determined by reference to the fair value of the asset given up or by reference to the fair value of the investment acquired, whichever is more clearly evident.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term Investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments. On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Statement of Profit and Loss.

Classification in the financial statements

Investments that are realisable within the period of twelve months from the balance sheet date are classified as current investment. All other investments are classified as non-current investments.

Cost comprises purchase prices, expenses incurred to bring inventory to its present location and related taxes net of tax credit, if any, available. Cost is determined using the first-in-first-out method. The consumption of such inventories is accounted for as transportation cost in the financial statement.

xiii. Income taxes

Tax expense for the period comprises of current tax, deferred tax and Minimum alternate tax credit Provision for current tax made on the basis of estimated taxable income for the current accounting year in accordance with the Income-tax Act, 1961.

Current tax assets and current tax liabilities are offset when there a legally enforceable right to set off the recognised amounts, and there is an intention to settle the asset and the liability on a net basis.

The deferred tax for timing differences between the book and tax profits for the year is accounted for, using the tax rates and laws that have been substantively enacted as of the reporting date.

Deferred tax charge or credit reflects the tax effects of timing differences between accounting income and taxable income for the period. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets. Deferred tax assets are reviewed at each balance sheet date and are written-down or written up to reflect the amount that reasonably/ virtually certain (as the case may be) to be realised. At each reporting date, the Company reassesses the unrecognized deferred tax assets, if any.

xiv. Leases

As a Lessee:

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the Consolidated Statement of Profit and Loss on a straight-line basis over the lease term.

As a Lessor:

Leases in which the Company does not transfer substantially all the risks and benefits of ownership of the asset are classified as operating leases. Lease income on an operating lease is recognized in the Consolidated Statement of Profit and Loss on a straight-line basis over the lease term. Costs are recognized as an expense in the Consolidated Statement of Profit and Loss. Initial direct costs such as legal costs, brokerage costs etc., are recognized immediately in the Consolidated Statement of Profit and Loss.

xv. Contingent Liability, Provisions and Contingent Asset

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation.

The Company records a provision for decommissioning, restoration and similar liabilities that are recognized as cost of property, plant and equipment. Decommissioning costs are provided at the present

AVG Logistics Limited

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

value of expected costs to settle the obligation using estimated cash flows and are recognized as part of the cost of the particular asset. The cash flows are discounted at a current pre-tax rate that reflects the risks specific to the decommissioning liability. The unwinding of the discount is expensed as incurred and recognized in the statement of profit and loss as a finance cost.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that probably will not require an outflow of resources or where a reliable estimate of the obligation cannot be made.

Contingent assets are neither recorded nor disclosed in the financial statements.

xvi. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average numbers of equity shares are adjusted for events such as bonus issue, bonus element in the rights issue, share split and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

xvii. Segment Reporting

The accounting policies adopted for segment reporting are in conformity with the accounting policies adopted for the Company. Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment. Revenue and expenses, which relate to the Company as a whole and are not allocable to segments on a reasonable basis, are shown as unallocable items.

xviii. Corporate Social Responsibility

As the Company is discharging its CSR obligation through making contribution to the CSR activities as specified in Schedule VII to the Act, it is treated as an expense and hence charged to the Consolidated Statement of Profit and Loss.

xix. Material Events

Material event occurring after the balance sheet date are taken into cognizance.

INDEPENDENT AUDITOR'S REPORT**To the Members of AVG Logistics Limited****Report on the Audit of the Standalone Financial Statements****Opinion**

We have audited the standalone financial statements of AVG Logistics Limited (“the Company”), which comprise the Balance Sheet as at March 31, 2022, and the Statement of Profit and Loss and Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with Companies (Accounts) Rules, 2014 as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (“ICAI”) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to the following matter in the Notes to the standalone financial statements:

Note 46 which states that management has made assessment of the impact of Covid-19 on the Company’s operations, financial performance and financial position as at and for the year ended March 31, 2022. The management has prepared an action plan for collection of long outstanding balances including the need of any write downs. The management has accordingly concluded that necessary impact have been considered and recognized in the standalone financial statements.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the year ended March 31, 2022 (current year). These matters were addressed in the context of our audit of the standalone financial

statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Annual report but does not include the standalone financial statements and our auditor's report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Responsibilities of Management and Those charged with Governance for Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of

the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

We give in "Annexure A" a detailed description of Auditor's responsibilities for Audit of the Standalone Financial Statements.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure C".

- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
(b) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities (Funding Parties), with the understanding, whether recorded in writing or otherwise, as on the date of this audit report, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
(c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, and according to the information and explanations provided to us by the Management in this regard nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provided under (a) and (b) above, contain any material mis-statement.
 - v. The Company has neither declared nor paid any dividend during the year.
3. As required by The Companies (Amendment) Act, 2017, in our opinion, according to information, explanations given to us, the remuneration paid by the Company to its directors is within the limits laid prescribed under Section 197 of the Act and the rules thereunder.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT ON EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF AVG LOGISTICS LIMITED**Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the year ended March 31, 2022 (current year) and are therefore, the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE C TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF AVG LOGISTICS LIMITED

[Referred to in paragraph 2 (f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**Qualified Opinion**

We have audited the internal financial controls with reference to standalone financial statements of AVG Logistics Limited ("the Company") as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at March 31, 2022:

- a) The Company does not have robust policy and controls over cash management in respect to KYC documentation against cash receipts and cash payments. This could potentially result in the company recording of inappropriate cash transactions.
- b) The Company does not have period end closure process to account for adjustment specifying the period end activities that are required to be carried out by a Company, including period-end cut offs, assessment of doubtful debts and reconciliation of key balances. Not having a formal financial statement closure process could potentially result in the Company processing documents and other accounting records, inaccurately and inconsistently.
- c) In case of advance to suppliers, the Company does not have an appropriate internal control system for documentation of corresponding purchase orders, agreements, timely reconciliation with subsequent settlements, etc. which could potentially result in inappropriate settlements and adjustments.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control with reference to standalone financial statements, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the effects/possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as of March 31, 2022, based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI) (the "Guidance Note").

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2022 standalone financial statements of the Company, and these material weaknesses do not affect our opinion on the standalone financial statements of the Company.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A Company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

- The Company has not been declared as wilful defaulter by any bank or financial institution.
- The Company does not have any charges or satisfaction which is yet to be registered with ROC beyond the statutory period.

42 Code on Social Security, 2020

The Code on Social Security 2020 ('the Code') relating to employee benefits, during the employment and post-employment, has received Presidential assent on 28 September 2020. The Code has been published in the Gazette of India. Further, the Ministry of Labour and Employment has released draft rules for the Code on 13 November 2020. However, the effective date from which the changes are applicable is yet to be notified and rules for quantifying the financial impact are also not yet issued.

The Company will assess the impact of the Code and will give appropriate impact in the financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.

43 Disclosure in relation to undisclosed income

The Company does not have any undisclosed income which is not recorded in the books of account that has been surrendered or disclosed as income during the year (previous year) in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961.

44 The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

45 There were no amounts which were required to be transferred to the Investor and Protection Fund by the Company.

46 The Company provides logistics services to its customers majority dealing in "essential commodity" and accordingly majority of the business operations of the Company are dependent upon the demand from these customers.

The extent to which COVID-19 pandemic will impact the Company's future results will depend on developments which cannot be predicted with certainty, including any new information concerning the severity of the COVID-19 pandemic and any action to contain its spread or mitigate its impact whether government-mandated or elected by the Company. The Company will continue to closely monitor any material changes to future economic conditions and respond accordingly.

The Company does not perceive any mid to long term impact on its operations given that it continues to provide services to its existing customers dealing in "essential commodity" and transportation restrictions for these products had been liberalized by most of the states in the country.

The pandemic though has not impacted the revenue growth of the Company, but it impacted certain class of customers and other parties from whom the collections have been impacted. The extension of COVID-19 restrictions has not helped the cause which has slowed down the recovery process. In the current year, the operational costs were impacted by the changes in demand and supply of trucks and in addition, certain recoveries from loans given to parties still remains pending. These parties are in the financial services sector/real estate activities which were impacted due to COVID-19 pandemic. Basis Management's discussion with these parties and the payment plan agreed, such amounts will be fully recovered in near short-term since their businesses are showing signs of returning to normalcy. However, provision has been recognised in the standalone financial statements wherever considered necessary.

47 Previous year figures have been regrouped/ reclassified to confirm presentation as per AS and as required by Schedule III of the Act.

The main objects of the Company are transportation of goods, warehousing and other incidental activities there to. The Company is also involved in trading business. The registered office of the Company is situated in New Delhi. The Company's equity shares got listed on April 11, 2018 on NSE-SME platform. The financial statements for the year ended March 31, 2022 were approved by the Board of Directors on June 06, 2022.

1(b) Summary of significant accounting policies**i. Basis of Preparation**

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on an accrual basis. These financial statements have been prepared to comply in all material aspects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended), specified under section 133 and other relevant provisions of the Companies Act, 2013.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle, and other criteria set out in the Schedule III (Division I) to the Companies Act, 2013. Based on the nature of goods/ services and the time between the sale of goods/ rendering of services and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

ii. Use of estimates

The preparation of financial statements requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and disclosure of contingent liabilities, at the end of the reporting period. Although, these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

iii. Property, Plant and Equipment**Tangible assets**

Tangible assets, capital work in progress are stated at cost, less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price, borrowing costs, if capitalization criteria are met and any cost attributable to bringing the assets to its working condition for its intended use which includes taxes, freight, and installation and allocated incidental expenditure during construction/ acquisition and exclusive of input tax credit (IGST/CGST and SGST) or other tax credit available to the Company.

When parts of an item of tangible assets have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Subsequent expenditure relating to tangible assets is capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

AVG Logistics Limited

Notes forming part of the Standalone Financial Statements for the year ended March 31, 2022

Intangible assets

An intangible asset is recognized when it is probable that the future economic benefits attributable to the asset will flow to the enterprise and where its cost can be reliably measured. Intangible assets are stated at cost of acquisition less accumulated amortization and impairment losses, if any. Cost comprises the purchase price and any cost attributable to bringing the assets to its working condition for its intended use which includes taxes, freight, and installation and allocated incidental expenditure during construction/ acquisition and exclusive of Input tax credit (IGST/CGST and SGST) or other tax credit available to the Company.

Subsequent expenditure relating to intangible assets is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

iv. Depreciation on property, plant and equipment

Based on management's evaluation, useful life prescribed in Schedule II of the Companies Act, 2013 represent actual useful life of property, plant and equipment. The Company uses straight line method and depreciation is provided on pro-rata basis on the carrying amount of property, plant and equipment. The carrying amount is calculated after reducing 5% of the value of property, plant and equipment as residual value. The Company has used following useful lives to provide depreciation of different class of its property, plant and equipment.

Particulars	(Useful life in years)
Computer	3
Building - RCC frame structure	60

Furniture and fixtures	10
Office equipment	5
Vehicle	8
Trucks	6 (till September 30, 2020)
Trucks	10 (w.e.f. October 01, 2020)

The Company has adopted Schedule II to the Companies Act, 2013 which requires identification and determination of separate useful life for each major component of the property, plant and equipment, if they have useful life that is materially different from that of the remaining asset. (Component Accounting)

The Company performs assessment of useful life of property, plant & equipment once a year, generally at each year end.

Depreciation on addition to tangible assets is provided on pro-rata basis from the date the assets are ready for intended use. Depreciation on sale/ discard from tangible assets is provided for upto the date of sale, deduction or discard of tangible assets as the case may be.

v. Amortization of intangible assets

Amortization of intangible assets has been calculated on straight line basis at the following rates, based on management estimates, which in the opinion of the management are reflective of the estimated useful lives of the intangible assets.

Particulars	Useful life (in years)
Computer Software	
- ERP	3
- Other than ERP	3

AVG Logistics Limited

Notes forming part of the Standalone Financial Statements for the year ended March 31, 2022

Amortization on addition to intangible assets provided on pro-rata basis from the date the assets are ready for intended use. Amortization on sale/ discard from intangible assets is provided for upto the date of sale, deduction or discard of intangible assets as the case may be.

vi. Impairment of Assets

In accordance with Accounting Standard (AS) 28 on 'Impairment of Assets', the carrying amount of the Company's assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the assets' recoverable amount is estimated. The recoverable amount of the assets (or where applicable that of the cash generating unit to which the assets belongs) is estimated at the higher of its net selling price and its value in use. An impairment loss is recognized whenever the carrying amount of the assets or cash-generating unit exceeds its recoverable amount.

Impairment losses, including impairment on inventories, are recognized in the statement of profit and loss.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

vii. Borrowing Costs

Borrowing cost Includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs that are directly attributable to the acquisition, construction or production of an asset that takes a substantial period of time to get ready for its intended use are capitalized. All other borrowing costs are recognized as expenditure in the period in which they are incurred.

viii. Investments

Accounting treatment

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments. The consumption of such inventories is accounted for as transportation cost in the financial statements.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of share or other securities, the acquisition cost is the fair value of the securities issued. If an investment is acquired in exchange for another asset, the acquisition is determined by reference to the fair value of the asset given up or by reference to the fair value of the investment acquired, whichever is more clearly evident.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term Investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Statement of Profit and Loss.

Classification in the financial statements

Investments that are realisable within the period of twelve months from the balance sheet date are classified as current investment. All other investments are classified as non-current investments.

of such obligation is determined by the projected unit credit method and adjusted for past service cost and fair value of plan assets as at the balance sheet date through which the obligation are to be settled. The resultant actuarial gain or loss on change in present value of the defined benefit obligation is recognised as an income or expense in the Standalone Statement of Profit and Loss.

xi. Cash and cash equivalents

Cash and cash equivalents include cash in hand, demand deposits with banks, other short term highly liquid Investments with original maturities of three months or less.

xii. Inventories

Stock of Spare Parts, Tyers and Oil is valued at cost. Cost comprises purchase prices, expenses incurred to bring inventory to its present location and related taxes net of tax credit, if any, available. Cost is determined using the first-in-first-out method.

xiii. Income taxes

Tax expense for the period comprises of current tax, deferred tax and Minimum alternate tax credit

Provision for current tax made on the basis of estimated taxable income for the current accounting year in accordance with the Income-tax Act, 1961.

Current tax assets and current tax liabilities are offset when there a legally enforceable right to set off the recognised amounts, and there is an intention to settle the asset and the liability on a net basis.

The deferred tax for timing differences between the book and tax profits for the year is accounted for, using the tax rates and laws that have been substantively enacted as of the reporting date.

Deferred tax charge or credit reflects the tax effects of timing differences between accounting income and taxable income for the period. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets. Deferred tax assets are reviewed at each balance sheet date and are written-down or written up to reflect the amount that reasonably/ virtually certain (as the case may be) to be realised.

At each reporting date, the Company reassesses the unrecognized deferred tax assets, if any.

xiv. Leases**As a Lessee:**

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the standalone Statement of Profit and Loss on a straight-line basis over the lease term.

As a Lessor:

Leases in which the Company does not transfer substantially all the risks and benefits of ownership of the asset are classified as operating leases. Lease income on an operating lease is recognized in the Standalone Statement of Profit and Loss on a straight-line basis over the lease term. Costs are

recognized as an expense in the Standalone Statement of Profit and Loss. Initial direct costs such as legal costs, brokerage costs etc., are recognized immediately in the Standalone Statement of Profit and Loss.

xv. Contingent Liability, Provisions and Contingent Asset

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation.

The Company records a provision for decommissioning, restoration and similar liabilities that are recognized as cost of property, plant and equipment. Decommissioning costs are provided at the present value of expected costs to settle the obligation using estimated cash flows and are recognized as part of the cost of the particular asset. The cash flows are discounted at a current pre-tax rate that reflects the risks specific to the decommissioning liability. The unwinding of the discount is expensed as incurred and recognized in the statement of profit and loss as a finance cost.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that probably will not require an outflow of resources or where a reliable estimate of the obligation cannot be made.

Contingent assets are neither recorded nor disclosed in the financial statements.

xvi. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average numbers of equity shares are adjusted for events such as bonus issue, bonus element in the rights issue, share split and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

xvii. Segment Reporting

The accounting policies adopted for segment reporting are in conformity with the accounting policies adopted for the Company. Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment. Revenue and expenses, which relate to the Company as a whole and are not allocable to segments on a reasonable basis, are shown as unallocable items.

xviii. Corporate Social Responsibility

As the Company is discharging its CSR obligation through making contribution to the CSR activities as specified in Schedule VII to the Act, it is treated as an expense and hence charged to the Standalone Statement of Profit and Loss.

xix. Material Events

Material event occurring after the balance sheet date are taken into cognizance.
