Management Discussion and Analysis

1. INDUSTRY STRUCTURE & DEVELOPMENTS:

Business Snapshot

We are offering support services to the high end telecom segments such as network planning & optimization, network rollout, managed services and manpower solutions through sub-contracting basis. We provide all services related to planning, installation & commissioning, operation, modification and maintenance of telecom networks and provide manpower solutions to our customers. We are offering a wide variety of services and solutions i.e. technical site surveys, radio surveys, network planning, radio and core equipment (BBS, RBS 2G, 3G and LTE) installation, installation supervision and commission/ integration services to a wide variety of equipments and vendors.

We undertake this activity through engineers and technical staff deputed on client sites/ offices. We believe that we have the strength and expertise to undertake multi-site projects pan India. We cater most of the telecom operators and telecom equipment manufacturers operating in India. We believe that we have fully equipped maintenance team which is responsible for regular maintenance of telecom networks.

Telecom Tower Maintenance Industry – Indian and Global:

Telecom towers form the backbone of wireless networks and provide last mile connectivity to subscribers. The telecom tower industry has rapidly grown in a short span of time. Accord Synergy Limited has played a pioneering role in shaping the industry, and is among the few telecom tower company in India to get listed on Indian Stock Exchange.

The Telecom industry in India is the second largest in the world with a subscriber base of 1.17 bn as of September 2022 (wireless + wireline subscribers). India has an overall tele-density of 84.86 %, of which, the tele-density of the rural market, which is largely untapped, stands at 58.01 % while the tele-density of the urban market is 134.62 %.

By the end of January, 2023, the total number of internet subscribers increased to 839.18 mn (narrowband + broadband subscribers), out of which 44.25% of the internet subscribers belonged to the rural areas. The average monthly data consumption per wireless data subscriber has also increased by 22,605% to 16.40 GB in June 2022 from 61.66 MB in March 2014.

The industry's exponential growth over the last few years is primarily driven by affordable tariffs, wider availability, roll-out of Mobile Number Portability (MNP), expanding 3G and 4G coverage, evolving consumption patterns of subscribers,

Government's initiatives towards bolstering India's domestic telecom manufacturing capacity, and a conducive regulatory environment.

To further expedite digital connectivity, the Government has approved the auction of IMT/5G spectrum for deployment of 5G services within the country. This auction was successfully held by the end of July, 2022 and grossed \$18.77 bn.

The Telecom sector is the 3rd largest sector in terms of FDI inflows, contributing 6.43% of total FDI inflow, and contributes directly to 2.2 mn employment and indirectly to 1.8 mn jobs. Between 2014 and 2021, the FDI inflows in the Telecom sector rose by 150% to \$20.72 bn from \$8.32 bn during 2002-2014. 100% Foreign Direct Investment (FDI) has now been allowed in the Telecom Industries.

Tele-density, which denotes the number of telephones per 100 population, is an important indicator of telecom penetration.

The Telecommunications industry is divided into following subsectors: Infrastructure, Equipment, Mobile Virtual Network Operators (MNVO), White Space Spectrum, 5G, Telephone service providers and Broadband.

As per GSMA, India is on its way to becoming the second-largest smartphone market globally by 2025 with around 1 Bn installed devices and is expected to have 920 Mn unique mobile subscribers by 2025 which will include 88 Mn 5G connections. It is also estimated that 5G technology will contribute approximately \$450 Bn to the Indian Economy in the period of 2023-2040.

India added over 500 Mn new smartphone users over the last decade. We are expected to have 850 Mn smartphone users by 2026, representing ~55% of the total population.

Under the Union Budget 2023, The Government of India plans to set up one hundred labs for developing applications using 5G services in engineering institutions to realize a new range of opportunities, business models, and employment potential.

The DoT is targeting a combination of 100% broadband connectivity in the villages, 55% fiberisation of mobile towers, average broadband speeds of 25 mbps and 30 lakh kms of optic fibre rollouts by December 2022. Broadband connections rise to 816 Mn in September 2022 from 61 Mn in March 2014, growing by 1238%. By December 2024, DoT is looking at 70% fiberisation of towers, average broadband speeds of 50 Mbps and 50 lakh kms of optic fibre rollouts at a pan-India level.

- India climbs up six slots and now placed at 61st rank as per Network Readiness Index 2022.
- India secures 2nd rank in "Mobile broadband internet traffic within the country" and "International Internet bandwidth".
- Internet connections jumped from 25.15 crore in March 2014 to 83.69 crore in June 2022, registering a growth of 232%.
- Broadband connections rose from 6.1 crore in March 2014 to 81.62 crores in September, 2022 growing by 1238%.

- Average revenue realization per subscriber per GB wireless data reduced to Rs. 10.29 in June, 2022 from Rs. 268.97 in December 2014, a reduction of more than 96.17%.
- Average monthly data consumption per wireless data subscriber increased by 266 times to 16.40 GB in June, 2022 from 61.66 MB in March 2014.
- India secures 3rd rank in “Annual investment in telecommunication services” and “Domestic market size”.
- 5G services have been started in 238 cities distributed across all license service areas as of 31st January 2023.
- India jumps 10 spots in median mobile speeds globally from 79th position in December to 69th place in January 2023.
- Total telephone connections rose to 117.02 crore in October 2022 from 93.30 crore in March 2014, with a growth of 25.42 % in the said period. The number of mobile connections reached to 114.4 crore in October 2022.
- Urban telephone connections rose to 64.99 crores in October 2022 from 55.52 crore in March 2014, a growth of 17.06% while the growth in rural telephone connections was 37.69%, which is double of urban increase, rising from 37.78 crore in March 2014 to 52.02 crores in October 2022. The rural tele-density jumped from 44% in March 2014 to 57.91% in October 2022.

The Indian telecom sector is expected to generate four million direct and indirect jobs over the next five years according to estimates by Randstad India. The employment opportunities are expected to be created due to combination of government’s efforts to increase penetration in rural areas and the rapid increase in smartphone sales and rising internet usage.

3. Risks and concerns:

In today's dynamic business environment 'Risk Management' is an essential function to have sustainable and effective business model in place in India. Risk Management encompasses practices related to identification, analysis, evaluation, treatment mitigation and monitoring of the strategic, external and operational controls risks to achieving our key business objectives. Risk management seeks to minimise the adverse impact of these risks, thus enabling the Company to leverage market opportunities effectively and enhance its long term competitive advantage.

Global Recession due to COVID 19 pandemic : The novel coronavirus disease (COVID-19) pandemic and ensuing lockdowns in several parts of the world have led to a recession unmatched in eight decades. Combined with structural bottlenecks, this will amplify the long-term damage of deep recession associated with the pandemic. This would severely impact the demand side of the equilibrium and affect supply chains across the country and world. Our Company may be affected to that extent by the global recession.

The management of the Company is cautious about the proper risk management across the Company. The focus of risk management is to access risks, monitor, evaluate and deploy mitigation measures to manage these risks within our risk appetite.

Also to add that the revenues from our existing business lines are all dependent on the sustainability of telecom sector, we believe that macro-economic factors including the growth of the Indian economy, interest rates, as well as the political and economic environment, have a significant direct impact on our business, results of operations and financial position.

4. Environment Health & Safety:

The Company is committed to health and safety of its employees, associates and contractors; and instills it as a value. And the Company has also formed H&S team to manage health and safety in its operations and to build safe culture across the Company. Also the Company has zero tolerance policy for any OHS/EHS violation.

Further, it has set in place documented procedures which ensure the Health, Safety and Wellbeing of its employees, Contractors, Assets and Customers property. The Company has set the HSE policy, objectives and shared the responsibility to continually improve the HSE performance. Further the Company is a OHSAS 14001: 2015 certified company for EHS and 18001:2007 for OHSMRS.

5. Internal control system:

The Company has sound and adequate internal control systems commensurate with its size and nature of business. We constantly upgrade our systems for incremental improvements. The Audit Committee of the Board periodically reviews these systems. These systems ensure protection of assets and proper recording of transactions and timely reporting. Internal auditor will be conducted out by an independent professional firm on regular basis. The Audit Committee also regularly reviews the periodic reports of the Statutory Auditors and Accounts departments.

The Company has trained the staff in order to upgrade with the recent changes in the taxation like GST. Audit Committee constantly tries to add value by evaluating existing systems.

6. Financial & operational performance:

The Company has performed very well instead of sluggish trend in the telecom sector in the year 2022-23.

7. Material developments in Human resources / Industrial Relations front, including number of people Employed:

Human capital has always been the most important and valuable asset to the Company. Our Company continued its activities during the year in a cordial atmosphere with utmost co-operation amongst employees and the management. The management is committed to promote safety, occupational health and proper environment in designing, planning, training and completion of all tasks. INDEPENDENT AUDITOR'S REPORT

**To,
The Members of Accord Synergy Limited**

Report on the Standalone Financial Statements

Opinion

We have audited the accompanying Financial Statements of ACCORD SYNERGY LIMITED ("the Company") which comprise the Balance sheet as at 31st March, 2023, the Statement of Profit & Loss and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility

Report, Corporate Governance, Shareholder's Information and Other Information included in the Company's Annual Report, but does not include the consolidated financial statements if any, standalone financial statements and our auditor's reports thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Account) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of

assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located in Appendix A. This description forms part of our auditor's report.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditors Report) Order, 2020 ("the order") issued by the Central Government in terms of section 143 (11) of the Companies Act, 2013, we enclose in the Annexure-A, a statement on the matters specified in paragraph 3 & 4 of the said Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

We have sought and obtained all the information and explanations, which, to the best of our knowledge and belief, were necessary for the purpose of our Audit;

In our opinion, proper books of accounts as required by the law have been kept by the Company, so far as appears from our examination of the said books;

The Balance Sheet, Statement of Profit & Loss and Cash Flow Statement dealt with by this report are in agreement with the books of accounts of the Company;

In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

On the basis of written representations received from the directors, as on 31st March, 2023, and taken on record by the Board of Directors, we report that none of the directors is disqualified as on 31st March, 2023 from being appointed as a director of the Company in terms of Section 164(2) of the Act.

With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls; refer to our separate report in Annexure – B attached herewith.

With respect to the matter to be included in the Auditors Report u/s. 197(16) of the Act, in our opinion and according to information and explanations given to us, the remuneration paid by company to its directors is in accordance with the provisions of Section 197 of the Act read with Schedule V in terms of requisite approvals obtained as mandated therein and is not in excess of the limits specified therein.

With respect to the other matters to be included in our Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

The Company has no pending litigation as on the balance sheet date.

(ii) There are no long-term contracts for which there were material foreseeable losses for which provision is required.

(iii) There were no amounts which were required to be transferred to the Investor Protection Fund by the Company.

(iv) (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

(v) The company has not declared or paid any dividend during the year and has not proposed final dividend for the year.

As per information and explanations given to us, since the proviso to Rule 3(1) of the Companies (Accounts) Rules 2014 requiring every company which uses accounting software for maintaining books of accounts to use only such accounting software which has a feature of recording audit trail (edit log) facility, is applicable to the Company only from 1st

ACCORD SYNERGY LIMITED

April, 2023 i.e. Financial Year 2023-24, the accounting software used for FY 2022-23 did not have the feature of audit trail (edit log) facility as required under the aforesaid Rule.

Appendix A to Independent Auditors' Report

Further description of Auditor's responsibilities for audit of financial statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's

ACCORD SYNERGY LIMITED

report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

“ANNEXURE –A” TO THEINDEPENDENT AUDITORS’ REPORT

(Referred to in paragraph 1 under Report onOther Legal and Regulatory Requirements’ section of our report of even datefor the year ended 31st March 2023 of Accord SynergyLimited)

(a) (A) The Company has maintained proper records of Property, Plant & Equipment Purchase However, as informed to us the Company is in the process of updating its old records and Property, Plant and Equipment s Register showing full particulars including quantitative details and the situation of Property, Plant & Equipment.

The Company has maintained proper records showing full particulars of the Intangible Assets.

The Company has a regular program of physical verification of its Property, Plant and Equipment by which the Property, Plant and Equipment are verified in phased manner over a period of time. In accordance with its program, certain Property, Plant and Equipment were verified during the year and as informed to us, no material discrepancies were noticed on such verification. The Company has not incurred any cash losses during the financial year under report. However, the Company incurred cash losses of Rs. 53,820.23 (thousands) in the immediately preceding financial year.

There has been no resignation of the Statutory Auditors of the Company during the year.

On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.

We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

The Provisions of S. 135 of the Companies Act, 2013 relating to Corporate Social Responsibility spending were not applicable to the Company for the year under report. Hence, no comments are required under Paragraph (xx) (a) & (b) of the Order.

The Financial Statements covered by this Report being Standalone Financial Statements, no comments are required under Paragraph (xxi) since those are related to Consolidated Financial Statements and the Company does not have any requirement of preparation of the same.

**“Annexure – B” to the Independent Auditor’s Report
Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section
143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of ACCORD SYNERGY LIMITED (“the Company”), as on 31st March, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Respective Board of Directors of the Company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Accord Synergy Limited : VADODARA

Notes Forming Part of the Financial Statements for the Year Ended 31st March, 2023

Note 1: Company Overview:

Accord Synergy Limited ("the Company") was incorporated as 'Accord Synergy Private Limited' on 19th June, 2014 under the provisions of the Companies Act, 2013. The Company was converted into a public limited company as Accord Synergy Limited in February, 2017. Subsequently, the Company came out with an SME IPO in June 2017 and has been a listed entity since July 2017.

The Company primarily enters into contracts with large telecom service providers such as Nokia Solutions and Networks India Pvt. Ltd. and Samsung India Electronics Pvt. Ltd. for telecom implementation activities in different states of India for telecom companies like Vodafone, Idea, Airtel, Jio etc. resulting into nation-wide operations. In a short span the Company has achieved remarkable scale of operations and good profitability.

However, COVID-19 has had its impact in past few years. Also, the Company had forayed into Civil Works Services too. However, owing to Covid 19 this also remained in a nascent stage. The company lost its profitability by the end of 2022.

However the company is recovering out of Covid impact. Where topline still remains a challenge, it has started its turnaround showing significant improvement in bottom line and expects to further boost the same in next year.

Note 2: Significant Accounting Policies:

I. Method of Accounting :

The Financial Statements are prepared on accrual basis of accounting, following historical cost convention, in accordance with the provisions of the Companies Act, 2013 ('the Act'), accounting principles generally accepted in India and comply the accounting standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The Accounting Policies have been consistently applied by the Company and are consistent with those in the previous year.

II. Use of Estimates:

Preparation of the financial statements in conformity with Indian GAAP requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. Management believes that the estimates made in the preparation of the financial statements are prudent and reasonable. Actual results could differ from those estimates. Any revision of accounting estimates is recognized prospectively in current and future periods.

III. Current/Non-Current Classification:

Schedule III to the Act requires assets and liabilities to be classified as either Current or Non-current.

An asset is classified as current when it satisfies any of the following criteria:

- (i) It is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;
- (ii) It is held primarily for the purpose of being traded;
- (iii) It is expected to be realized within twelve months after the reporting date; or
- (iv) It is cash or a cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

All other assets are classified as non-current.

A liability is classified as current when it satisfies any of the following criteria:

- (i) It is expected to be settled in, the Company's normal operating cycle;
- (ii) It is held primarily for the purpose of being traded;
- (iii) It is due to be settled within twelve months after the reporting date; or
- (iv) The Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the opinion of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities are classified as non-current.

IV. Revenue Recognition :

- (i) Revenue is primarily derived from manpower supply and installation work of telecom implementation activities with fixed price as determined in Contract agreement and is recognized on accrual basis.
- (ii) Revenue for Manpower Supply is based on billing at the end of every month at contracted rates and is recognized accordingly.
- (iii) Revenue from installation and commissioning activities is recognized on completion of jobs as per purchase orders after final certification by the vendor which is when the bills are usually raised. In few cases where jobs are completed and the revenue is reasonably certain but bills are pending to be raised and are also approved by customers before the date of financials, the related revenue is recognized as "Unbilled Revenue "as at the end of the year.
- (iv) Revenue from Civil Works Contracts are recognized on the completion of identifiable and significant portions of the Contracts which fulfill the criteria for billing the same to the customers.
- (v) Other items of incomes are accounted on accrual basis (depending on certainty of realization) and disclosed under the head "Other Income".

V. Fixed Assets :

Fixed Assets are stated at their cost of acquisition less accumulated depreciation. The cost of acquisition includes freight, installation cost, duties, taxes and other incidental expenses, identifiable with the asset, incurred during the installation / construction stage in order to bring the assets to their working condition for intended use.

VI. Depreciation :

Depreciation on assets is being provided on the Straight-Line Method on the basis of useful lives specified in Part C of Schedule II to the Companies Act, 2013. No Depreciation is provided on assets sold during the year. Depreciation on additions during the year is provided pro-rata on the basis of number of days for which the asset was used during the year

VII. Employee Benefits :

- (i) Employee Benefits comprise short term as well as long term defined benefit plans.
- (ii) Contributions to Provident Fund and Employee State Insurance are defined contributions. The Company's Contributions are charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due. There are no further obligations beyond the periodic contributions.
- (iii) The Company has discontinued making payments towards unused leave entitlement and as per the present policy the unused entitlement lapses at end of each calendar year. Only in case of manpower supply staff, if the Company at which the manpower is deployed approved payments of leave encashment, then the same is billed to the said customer and paid to the respective staff upon receipt from the customer.
- (iv) The Company has a defined benefit Gratuity Obligation. The Company obtains actuarial valuation for creating a provision towards its Gratuity Liabilities and accordingly the same are provided for as per the report of actuarial valuation.

VIII. GST and Input Tax Credits :

- (i) A Comprehensive Goods & Services Tax (GST) was introduced w.e.f. 01.07.17, subsuming majority of Indirect Taxes especially Excise Duty, Service Tax and VAT. GST is a destination based tax and is levied at the point of supply. It is collected on sale of goods and services on behalf of Government and is remitted by way of payment or adjustment of credit on input goods or services.
 - (ii) Accordingly, all Revenue items on which GST is chargeable and Expenditure Items on which credit for GST is available are accounted net of GST elements.
 - (iii) GST Accounts are created under Balance Sheet Groupings for liability towards GST collected on Sales / Other Revenue and asset towards GST paid on purchases or other expenditure for which credit is available. For Each month / quarter, as applicable, the GST liability is worked out after offsetting the credit available against the GST collected.
- IX.** The Net GST Account appears in the Balance Sheet as a Liability under Current Liabilities – Statutory Liabilities, if any amount is payable as at the year-end after offsetting the available credit and as an Asset under Loans & Advances - Indirect Taxes Recoverable from Statutory Authorities if credits remain unutilized after adjusting the amount payable.

X. Inventories

Closing Work in Process / Progress is worked out in terms of the accounting policy which the Company started to follow from the year under report which constitutes primarily the direct costs already incurred in executing the task of installation and commissioning where the jobs are already completed but cannot be recognized as Unbilled Revenue as the amount of revenue to be generated cannot be accurately determined.

XI. Leases

Leases are classified as operating leases where the lesser effectively retains substantially all the risks and benefits of the ownership of the leased assets. Operating lease payments are recognized as an expense in the Profit and Loss account on accrual basis.

XII. Contingencies / Provisions :

Contingencies which can be reasonably ascertained are provided for, if in the opinion of the Management, there is a probability that it will result in an outflow for the Company in the future. Other Contingencies, the outcome of which is not certain, have been disclosed in these notes as Contingent Liabilities. Contingent Assets have not been provided for.

XIII. Foreign Currency Transactions

Transactions in foreign currency are recorded in Indian Rupees at the exchange rate prevailing on the date of the transactions. Exchange gains or losses on settlement, if any, are treated as income or expenditure respectively in the Statement of Profit and Loss. Liabilities in foreign currency as well as receivables in foreign currency as on the date of the Balance Sheet have been restated into Indian rupees at the rates of exchange prevailing as on the date of Balance Sheet.

XIV. Investments :

Investments are classified as current and non-current investments. Current Investments are those that are not intended to be held for more than one year from the date of investment. All other investments are classified as non-current investments.

Non-current investments are stated at cost. Cost is taken net of any rebates / subsidies received on account of the said Investment. Provision for diminution in the value of such investments is made to recognize a decline, if any, other than temporary, in their value. Current investments are valued at lower of cost or fair value.

XV. Accounting for Taxes on Income :

- (i) Provision for taxation for the year under report includes provision for current tax as well as provision for deferred tax.
- (ii) Provision for Current tax is made, based on tax estimated to be payable as computed under the various provisions of the Income Tax Act, 1961.
- (iii) Deferred tax is recognized, subject to prudence, on timing differences between taxable income and accounting income that originate during the year and are capable of being reversed in one or more subsequent periods. Deferred tax assets are recognized only to the extent that there is a reasonable certainty that future taxable income will be available against which such deferred tax assets can be realized. Deferred Tax Liabilities / Assets are quantified using the tax rates and tax laws enacted or substantively enacted as on the balance sheet date.

XVI. Impairment of Assets :

Assessment of Impairment of Assets (as covered under AS-28 Impairment of Assets) is done as at the Balance Sheet Date considering external and internal impairment indicators. If there is an indication that an asset may be impaired, its recoverable amount is estimated and the impairment loss duly provided for.

XVII. Earnings Per Share:

In determining the Earnings Per share, the company considers the net profit after tax which does not include any post tax effect of any extraordinary / exceptional item. The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the period.

The number of shares used in computing Diluted earnings per share comprises the weighted average number of shares considered for computing Basic Earnings per share and also the weighted number of equity shares that would have been issued on conversion of all potentially dilutive shares.

XVIII. Cash Flows:

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. Cash flows from operating, investing and financing activities of the Company are segregated, accordingly.

XIX. Segment Reporting:

As per the criteria prescribed under AS-17 Segment Reporting, Business Segment has been considered as the primary reporting segment. The Company operates in one Geographical Segment namely "within India" and hence no separate information for geographic segment wise disclosure is required.

The Company's primary business segments are reflected based on principal business activities, the nature of service, the differing risks and returns, the organization structure and the internal financial reporting system. Further, as per the criteria prescribed under AS-17, a business segment is considered as separately reportable if it meets the value criteria for disclosure envisaged therein.

The Accounting Policies adopted for Segment Reporting are materially in conformity with those adopted for preparing and presenting the financial statements of the Company as a whole.

XX. Pubic Issue Expenditure

Expenditure incurred on the Public Issue of Shares of the Company is being amortized over a 5-year period starting from the date of allotment of shares to the applicants.

XXI. Prior Period & Extra-Ordinary Items, material in nature, are disclosed separately.

The Company does not make payment towards unused leave entitlement to its own employees and any such unused entitlement lapses at the end of each calendar year. However, in case of man-power supply staff, if the Customer at which such staff is placed approves payment of Leave Encashment, then the same is billed to that customers and corresponding payment made to the respective employees upon receipt form the Customer. Accordingly, a sum of Rs. NIL (p.y Rs. NIL/-) is debited to Profit and Loss Account towards such payments.

The Company has a defined benefit gratuity plan. Every employee who has completed five or more years of service is eligible for gratuity @ 15 days salary (last drawn) for every completed year of service with a overall ceiling of Rs. 20,00,000/-. Some of the eligible employees have completed five years of service as at the year end whereas the rest have not completed five years of service yet the Company has worked out its gratuity liability on the above basis in respect of all the employees working with the Company as at the end of the year. The Company has availed the services of actuarial valuation for working out its Gratuity Liabilities and provisions towards the same are made as per the report of actuarial valuation. Accordingly a sum of Rs.4,275.97/- (P.Y. Rs. 3,867.65/-) has been determined as gratuity obligation as at the year end and after adjusting various factors including the actuarial gain or loss and benefits paid, the differential amount of Rs. 711.58/- debited (PY Rs. 471.17/-) to the Statement of Profit and Loss.
