B. OVERVIEW OF THE GLOBAL ECONOMY:

According to the International Monetary Fund (“IMF”), the global economies have grown by 3.4% in 2022 down from 6.1% in 2021 due to ongoing deterioration in financial conditions, ongoing war in Ukraine and growing geoeconomic separation. The global economies are projected to grow by 2.8% in 2023 and 3.0% in 2024 considering various positive attributes including but not limited to favourable policies to bring down inflation, fallout from the recent deterioration in financial conditions, amicable solutions of the ongoing war in Ukraine and growing geoeconomic cooperation. In a probable alternative scenario with further financial sector stress, the global growth further declines to about 2.5% in 2023. The Advanced economies group has grown by 2.7% in 2022 down from 5.2% in 2021 and projected to grow by 1.3% in 2023 and 1.4% in 2024. Due to further financial sector stress, the Advanced economies group will further fall below 1%. (Source: World Economic Outlook Report of April, 2023 issued by IMF).

The weak outlook reflects that the tight policies are needed to bring down the inflation, fallout from the recent deterioration in financial conditions, ongoing war in Ukraine and growing geoeconomic destruction. Global inflation is set to fall from 8.7% in 2022 to 7.0% in 2023 on the back of lower commodity prices, but underlying inflation is likely to decline more slowly. (Source: World Economic Outlook Report of April, 2023 issued by IMF).

The emerging market and developing economies group of Asia has grown by 4.0% in 2022 down from 6.8% in 2021 and projected to grow by 3.9% in 2023 and 4.2% in 2024. (Source: World Economic Outlook Report of April, 2023 issued by IMF).

C. OVERVIEW OF THE INDIAN ECONOMY:

According to the International Monetary Fund ("IMF"), the Indian economy has grown by 6.8% in 2022, much lower than the 8.9% in 2021. The IMF expects the Indian economic growth to grow by 5.9% in 2023 and 6.3% in 2024 considering favourable fiscal & monetary policy measures of Government of India, International trade relations, crude oil prices etc. These projections are based on available information on the authorities' fiscal plans, with adjustments for the IMF staff's assumptions. Monetary policy projections are consistent with achieving the Reserve Bank of India's inflation target over the medium term, despite a recent uptick in inflation that exceeded the upper target band. (Source: World Economic Outlook Report of April, 2023 issued by IMF).

The above projection of IMF is significantly lower than the Reserve Bank of India's projection of 6.4%. Despite a significant drop in growth rate projections from 6.8% in 2022 to 5.9% in 2023, the India continues to be the fastest-growing economy in the world, the World Economic Outlook figures revealed. As per Ministry of Finance, Economic Survey 2022-23, the Indian economic GDP will grow by 6.0% to 6.8% in 2023-24 depending on the path of economic and political developments globally.

The Union Budget for 2023-24 was announced in Parliament on 1st February, 2023. Some of the initiatives, pertaining to Electronics sector and Electric sector, taken by the Government of India are as under:

- To further deepen domestic value addition in manufacture of mobile phones, certain reliefs have been proposed in customs duty on import of certain parts and inputs like camera lens and continue the concessional duty on lithium-ion cells for batteries for another year.
- To promote value addition in manufacture of televisions, some reductions have been proposed in basic customs duty on parts of open cells of TV panels to 2.5%.

As a result of various earlier initiatives taken by the Government of India, including the Phased Manufacturing Programme, the mobile phone production in India has increased from 5.8 Crore units valued at about ₹ 18,900 Crore in 2014-15 to 31 Crore units valued at over ₹ 2,75,000 Crore in the last financial year.

D. INDUSTRY STRUCTURE AND DEVELOPMENTS:

Global Smartphones Market:

According to the Counterpoint Technology Market Research, a global research firm specialized TMT Industry (i.e. Technology, Media and Telecom), the Global Smartphone Market faced further contraction in the post-holiday-season quarter with shipments declining by 14% YoY and 7% QoQ to 280.2 million units in Q1 2023 (January 2023 to March 2023). The Global smartphone revenues declined by 7% YoY to around \$104 billion. The smartphone market as a whole is likely to struggle for the next couple of quarters. Moreover, the recent decision by OPEC countries to cut oil production may lead to higher inflation rates, causing a reduction in consumers' spending power.

Indian Smartphones Market:

According to the Counterpoint Technology Market Research, Q1 2023 (January 2023 to March 2023) was the third consecutive quarter to see a decline in India's smartphone shipments. 5G smartphones' contribution to total smartphone shipments reached a record of 43%.

India's smartphone shipments declined by 19% YoY in Q1 2023 (January 2023 to March 2023) to reach over 31 million units. This was the highest ever Q1 decline seen by India's smartphone market, besides being the third consecutive quarterly decline. Sluggish demand, high inventory build-up carried over from 2022, growing consumer preference for refurbished phones, pessimistic channel view of the market and other factors have contributed to this decline.

Global Electric Vehicles Market:

According to the Global EV Outlook Report April 2023, prepared by the International Energy Agency, Global electric two-wheeler sales totalled about 9.2 million in 2022, a drop of nearly 18% from 2021. This drop is almost entirely attributable to the dip in sales of electric mopeds and motorcycles in China. Even this, the overall two-wheeler market continued to grow. China is the global leader in terms of electric share of the two/three-wheeler fleet, with more than one-third of all two/three-wheelers being electric globally.

Indian Electric Vehicles Market:

According to the Global EV Outlook Report April 2023, prepared by the International Energy Agency, India is one of the largest two-wheeler markets in the world, and both the national and local governments are promoting electric two-wheelers. The sales share of electric two/three/four-wheelers in India is growing day by day. Various Indian states are also promoting and encouraging the electrification of vehicles including Assam, Gujarat, Karnataka, Maharashtra etc. Two/three-wheelers offer an affordable way to get access to mobility. The rate of electrification of Buses and Light Duty Vehicles is lower.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2023 and its Cash Flow for the year then ended.

Basis for opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143 (10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. In our opinion there is no Key Audit Matter to be reported.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Annual Report, but does not include the Financial Statements and our Auditor's Report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- iv. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- v. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Annexure 'B' to the Independent Auditor's Report

Referred to in Paragraph 2 (f) under "Report on Other Legal and Regulatory Requirements" section of the Independent Auditor's Report of even date to the Members of Jay Jalaram Technologies Limited (Formerly known as Jay Jalaram Technologies Private Limited) on the Financial Statements for the year ended 31st March, 2023;

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Act

We have audited the Internal financial controls over financial reporting of Jay Jalaram Technologies Limited (formerly known as Jay Jalaram Technologies Private Limited) ("the Company") as of 31st March, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining Internal Financial Controls based on the Internal Control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note required that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting with reference to financial statements

A Company's Internal Financial Control over financial reporting with reference to these financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these financial statements includes those policies and procedures that:

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent limitations of Internal Financial Controls with reference to financial statements

Because of the Inherent limitations of Internal Financial Controls over financial reporting with reference to these financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financials control over financial reporting with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of Internal Control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

2. **SIGNIFICANT ACCOUNTING POLICIES:**

2.1 **Basis of preparation of Financial Statements and Method of Accounting:**

These financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India ('Indian GAAP') under the historical cost convention on the accrual basis to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 and guidelines issued by the Securities and Exchange Board of India (SEBI). The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

2.2 **Use of estimates:**

The preparation of financial statements in conformity with the AS requires the management to make estimates, judgements and assumptions. These estimates, judgements and assumptions affect the reported amounts of assets and liabilities, disclosure of contingent amount as at the date of financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

2.3 **Accounting Assumptions:**

(i) **Going Concern:**

The enterprise is normally viewed as a going concern, that is, as continuing in operation for the foreseeable future. It is assumed that the enterprise has neither the intention nor the necessity of liquidation or of curtailing materially the scale of the operations.

(ii) **Consistency:**

It is assumed that accounting policies are consistent from one period to another.

(iii) **Accrual:**

Revenues and costs are accrued, that is, recognized as they are earned or incurred (and not as money is received or paid) and recorded in the financial statements of the periods to which they relate. (The considerations affecting the process of matching costs with revenues under the accrual assumption are not dealt with in this Statement.)

2.4 **Valuation of Inventories:**

Inventories are valued at the lower of cost (on FIFO basis) and the net realizable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges.

2.5 **Property, Plant and Equipment:**

Property, plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any. The cost includes interest on borrowings attributable to acquisition of qualifying assets up to the date the asset is ready for its intended use and other incidental expenses incurred up to that date. Depreciation on fixed assets and intangible assets is provided on Written Down Method on the basis of useful life of assets as prescribed in Schedule II to the Companies Act, 2013 after considering estimated residual value.

2.6 **Depreciation & Amortization:**

Depreciation on Fixed Asset is provided on all depreciable fixed assets based on remaining useful life is provided to the extent of depreciable amount on the Written Down Value (WDV) Method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

Deferred Tax Liability is recognized on timing differences between the accounting income & the taxable income for the year and quantified using the tax rates and laws enacted or substantively enacted as on the balance sheet date.

Deferred Tax Assets are recognized and carried forward to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

2.11 Provisions and Contingent Liabilities:

A provision is recognized when the Company has a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Contingent liabilities are not provided for unless a reliable estimate of probable outflow to the Company exists as at the Balance Sheet date. Contingent assets are neither recognized nor disclosed in the financial statements.

The management board is not aware of any other commitments with any material effect on the financial position and performance of the Group.

2.12 Foreign Currency Items Transaction:
