CHAIRMAN'S MESSAGE

Dear Stakeholders

In the past fiscal year, our organization has experienced multiple hurdles throughout the year but our buoyancy towards our work commitments has not only helped us sustain through hard times but also propels us to deliver better.

Further, I would like to address the current industry trends and the impact of external factors on our business. The hosiery industry has been undergoing a period of rapid transformation, driven by shifting consumer preferences, technological advancements, and changing market dynamics. As a forward-thinking organization, we have proactively adapted to these trends, ensuring our products remain relevant and our business stays resilient.

Moreover, it is crucial to acknowledge the influence of current affairs on our industry. The global economic landscape, geopolitical developments, and social changes significantly affect our operations. From supply chain disruptions to frequent fluctuating raw material costs, we have faced challenges that demanded agility and resilience. Nonetheless, our organization has successfully navigated through these turbulent times by implementing robust risk management strategies and maintaining strong relationships with our suppliers and customers.

Being an MSME and a regional brand, we try our best to keep up with the national and international players in the Hosiery segment, who are far ahead of us in terms of advertising & marketing budget and also in the pan India reach to consumers. Given our limited regional reach and our budget constraints, as compared to the other global brands and big players in the market, to be able to survive and sustain in this highly volatile and uncertain business arena is no small achievement. If you compare our level of operations with our peers who are listed on the Main Board of the stock exchanges, whereas we on the other hand are listed on the SME Board, you'll find that there is no plain level field for us, and thus they enjoy an advantageous position in several ways which are instead barriers for us.

Additionally, it would not be incorrect to state that even with limited resources and budget restraints and while facing ever changing market trends and multiple other external factors which brutally effected the industry as a whole, our organization not only sustained through such tough times but also was able to maintain and subsequently enhanced our profits slightly during the past fiscal year as compared to our peers who are national and international players with no such restraints that we face being a regional brand, among whom some of the peers suffered substantial downfall in sales as well as profit while other suffered loss. The past fiscal year was a tough year to survive as a business organization and it's appreciative on part of every stakeholder who did their best to keep organization strong during such times.

On behalf of the Board, I would like to extend my sincere thanks to the shareholders, management team, employees, dealers, retailers, suppliers and all other stakeholders for their

commitment in the performance during the year. I wish the Jet Knitwears Limited team, the very best to continue to operate with more zeal and confidence.

I strongly believe that the worst is behind us and we look forward towards a better future. Our road to success has just began and we have far to go and it would only be possible with the blessings and support of you all.

I assure you that we, at Jet Knitwears Ltd., would leave no stone unturned to create value and wealth for all our stakeholders by reaching newer heights and achieving greater milestones.

Warm Regards,

(Balram Kumar Narula)
Chairman

DIRECTORS' REPORT

To,
The Members of
JET KNITWEARS LIMITED

Your Directors are pleased to present the 27th Annual Report on the business and operations of Jet Knitwears Limited (the Company or 'JKL') along with the Audited Financial Statements for the Financial Year ended March 31, 2023.

1. FINANCIAL SUMMARY

The Company's standalone financial performance for the year ended 31st March, 2023 is summarized as below:

Particulars	(₹ In Lakhs)	
	2022-23	2021-22
Total Income	3655.69	4095.95
Earning before Finance Costs, Depreciation and amortization Expenses and Taxes	328.10	324.01
Less: Finance Cost	116.29	104.27
Less: Depreciation & Amortization Expenses	47.06	58.42

Add: Balance of profit brought forward	971.82	856.86
Less: Appropriations	-	-
Transfer to General Reserve	-	-
Income Tax Adjustment (Net)	-	-
Balance at end of the Year	1092.96	971.82

2. STATE OF COMPANY AFFAIRS

Your Directors report that due to high volatility in market, steep increase in raw material prices and several other challenges, your Company faced some decline in sales and revenue levels but was able to achieve growth in net profits during the year under review. The major highlights pertaining to the business and operations of the Company for the year 2022-23 are given below:

- The Revenue from operations stood at ₹3650.35 Lakhs as against ₹4092.89 Lakhs in the previous year showing a *decline of about 10.81%*.
- The Profit before tax is ₹164.75 Lakhs as compared to ₹161.32 Lakhs in the previous year thereby showing the *growth of about 2.13%*.
- The EBITDA increased to ₹328.10 Lakhs from ₹324.01 Lakhs in the previous year and thus showing a rise of about 1.26%.
- The Profit after tax for the year stood at ₹121.14 Lakhs as compared to ₹114.96 Lakhs for the previous year thereby showing a growth of about 5.38%.
- The Earning per Share has also grown to ₹2.75 as against ₹2.61 in the Previous Year.

3. OBSTACLES FACED DURING THE YEAR

Due to rising inflation in the country, the purchasing power of the consumers has been reduced significantly leading to stagnancy in demand in the market, especially for regional brands like us. Additionally, rise in the overall raw material consumption cost also impacted the industry and the Company could not increase the required selling price of the products as compared to increase in the cost of raw materials. Further, many international players are entering Indian market with fast fashion clothing and heavy advertising leading to decline in the overall market place for small and regional brands like us.

4. GROWTH STRATEGY

Your Company has taken measures for the growth and expansion of the business. We have expanded our clothing range and now we are not limited to just hosiery products and undergarments but we have also ventured into the market of new products such as sweat shirts, jackets denims & hoodies etc. which is a complete different segment in itself. This has resulted into the expansion of our product horizon, opening various doors of opportunities for the Company and thereby exposing our reach to wider market coverage. In addition to this, your company has tried to maintain balance of sales between the e-commerce and retail business.

5. SUBSIDIARY / ASSOCIATE COMPANY / JOINT VENTURE

Company does not have any Subsidiary / Associate Company. There were no Joint Ventures entered into by the Company during the financial year 2022-23.

6. DIVIDEND

Keeping in view the current economic uncertainties, your directors consider it prudent to plough back the profits and not to recommend any dividend for the financial year 2022-23.

7. RESERVES

The Company has not transferred any amount to its reserves, the details in respect of which can be verified from the audited financial statement forming part of this report.

8. SHARE CAPITAL

During the year under review, there was no change in either Authorised or Paid-Up Share Capital of your Company.

9. COMPOSITION OF BOARD

The Board of Directors of the Company has an optimum composition of Executive, Non-Executive and Independent Directors in compliance with the provisions of Companies Act, 2013 and SEBI (LODR) Regulations, 2015. As on March 31, 2023, Board of Directors comprise of 6 Directors out of which 3 are Executive Directors, 1 is Non Executive Non-Independent Woman Director and 2 are Non Executive Independent Directors which is in compliance with the provisions of Companies Act, 2013. 26. AUDITORS AND THEIR REPORT

Statutory Auditor

In terms of the provisions of Section 139 of the Companies Act, 2013, read with provisions of the Companies (Audit and Auditors) Rules, 2014 as amended from time to time, M/s Rajiv Mehrotra & Associates, Chartered Accountants, (FRN: 002253C) Kanpur, were re-appointed as the Statutory Auditors of the Company for a second term of 5 consecutive years in the 26th Annual General Meeting held on September 27, 2022 till the conclusion of the 31st Annual General Meeting.

Based on the recommendation of the Audit Committee, your Board at its meeting held on August 24, 2022 reappointed M/s Rajiv Mehrotra & Associates, Chartered Accountants, (FRN: 002253C) Kanpur, as the Auditors of the Company to hold the office from the conclusion of the ensuing 26th AGM until conclusion of the 31st AGM of your Company to be held in the year 2027, subject to approval of members of the Company at the 26th Annual General Meeting.

They have also confirmed that they hold a valid certificate issued by the Peer Review Board of the Institute of Chartered Accountants of India as required under the provisions of Regulation 33 of the Listing Regulations.

Audit Report

The notes on financial statement referred to in the Auditor's Report are self-explanatory. No frauds are reported by the Auditors which fall under the purview of sub section (12) of Section 143 of the Companies Act 2013. Further, Disclaimer of Opinion is made by the Auditor in its Audit Report. Details of which are as follows:

Basis for Disclaimer opinion in the Statutory Audit Report: The company's trade receivables (classified as unsecured and considered good by the management & Net of Provisions) are carried at Rs. 14,50,59,082.00, out of which Rs. 8,43,26,875.00 are outstanding for a period more than six months, which is abnormally high as compared to the turnover of the company. Also out of the above, receivables of Rs. 1,22,24,473.00 are aged more than three years. The balances of these parties are subject to confirmation, and as per the management of the company is recoverable. As a result of these matters, we were unable to determine whether any adjustments might have been found necessary in respect of recorded amount of Trade Receivables and the elements making up the statement of Profit and Loss and statement of cash flows.

Key Audit Matters (KAM): Substantial Movement of Stock up to production of Finished Goods

The company avails services of over thirty job workers and has inter-dependent manufacturing facilities in two States in India. In addition, the company has several depots. The above entails substantial movement of raw material, semi-finished materials and finished goods from one location to another; and at any given point of time, the stocks (of various stages) belonging to the company may be found at several locations. The movement of stock is the key to the business and was therefore considered as one of the 'Key Audit Matters'. Verification of the internal controls with respect to inventory management

and movement, recording of consumption, valuation of stocks as at the reporting date involved extensive verification procedures and called for making estimates and judgments.

Response to Audit Observations

The Board of Directors of the company furnish following response to the Disclaimer of Opinion made by the Auditor in their Report dated May 27, 2023 for the Standalone Financial Statements for the year ended March 31, 2023:

Based on the Management analysis and assumptions, we believe that the Profit and Loss Account and Cash Flow Statement for the year ended March 31, 2023 and the Balance Sheet as at March 31, 2023 are materially correct and as per the management, the trade receivables are considered good and are recoverable in nature. The company's trade receivables consist of outstanding balances from over 3000 parties, spread across various remote locations within the operational area of the Company and are generally low in value individually, since the supply chain of the company largely consists of small retailers, who were severely impacted by the post pandemic effects.

The Management is making full efforts to recover these trade receivables. Further as is evident, during the year under review, the total trade receivables have been reduced by Rs. 70.98 lakhs. Hence, management does not believe there is any material financial impact of the audit qualification.

In respect of Key Audit Matters, the management submits that the internal control systems for data maintenance with respect to inventory management, movement and valuation of stocks as at the reporting date are currently under development. It is pertinent to note that, we have various ranges of products for men, women and children which are manufactured in different sizes for all age groups. And each different product requires different setup and goes through multiple processes and stages. Thus the average production cycle, right from procurement of yarn till the completion of the finished product ready for sale, takes around 50 days; making the internal systems required for tracking the movement and valuation of stock at different stages a tedious and complex task for the management. Nevertheless, we are making full efforts to extend the internal controls throughout all the production stages so that proper information is readily available at all times regarding the movement and valuation of the inventory at several locations and less reliance is to be placed on estimates and judgements.

Internal Auditor

M/s Rajesh Singhania & Associates, Chartered Accountants, has been appointed as the Internal Auditors to perform the Internal Audit of the Company for the Financial Year 2022-23. The Audit Committee of the Board in consultation with the Internal Auditor formulates the scope, functioning, periodicity and methodology for conducting the internal audit.

Secretarial Auditor

The Board had appointed CS Gopesh Sahu, Practicing Company Secretary (Membership No. 7100, C.P. No. 7800) to undertake the Secretarial Audit of the Company for the Financial Year ended March 31, 2023.

The Secretarial Audit Report for the Financial Year ended March 31, 2023 annexed herewith is marked as **Annexure II** to this Report. The Secretarial Audit Report does not contain any qualification; however, following observation has been made by the Secretarial Auditor in his report:

Observation No. 1- Mr. Balram Kumar Narula (DIN: 00274566), Managing Director of the Company having attained the age of 70 years on 25.05.2021 has continued to hold office during the financial year. The company needs to comply with provisions of section 196 of the Companies Act, 2013.

Observation No. 2- Company Petition filed by Mr. Manoj Agarwal & M/s Haryana Refractories Private Limited Persons acting in Concert & shareholders of the Company is pending before the Hon'ble NCLT, Allahabad Bench.

Response to Secretarial Audit Observation

Management's Reply to Observation No. 1- The reappointment of Mr. Balram Kumar Narula (DIN-00274566) as Managing Director of the Company for a period of 3 years w.e.f. May 14, 2020 was proposed to shareholders of the company by way of ordinary resolution in the Item no. 3 of Notice of 23rd Annual General Meeting. In the 23rd Annual General Meeting which was duly convened on September 20, 2019, he was re-appointed as the Managing Director for a fresh tenure of 3 years by shareholders of the company.

An explanatory statement pursuant to Section 102 of the Companies Act, 2013, details pursuant to Regulation 36 of SEBI (LODR) Reg., 2015 as well as clauses of Secretarial Standard-2 also formed part of Notes to the Notice of the 23rd AGM containing all details of Mr. Balram Kumar Narula including his date of birth etc. No material information was concealed from shareholders nor was any misleading information provided regarding his appointment.

Thus, Mr. Balram Kumar Narula continued to hold his office as Managing Director of the company even after attaining 70 years of age by virtue of ordinary resolution passed by shareholders in the 23rd AGM of the company clearly stating his tenure of 3 years w.e.f. May 14, 2020 to May 14, 2023.

Management's Reply to Observation No. 2- This observation is self-explanatory.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

ECONOMIC OUTLOOK

GLOBAL:

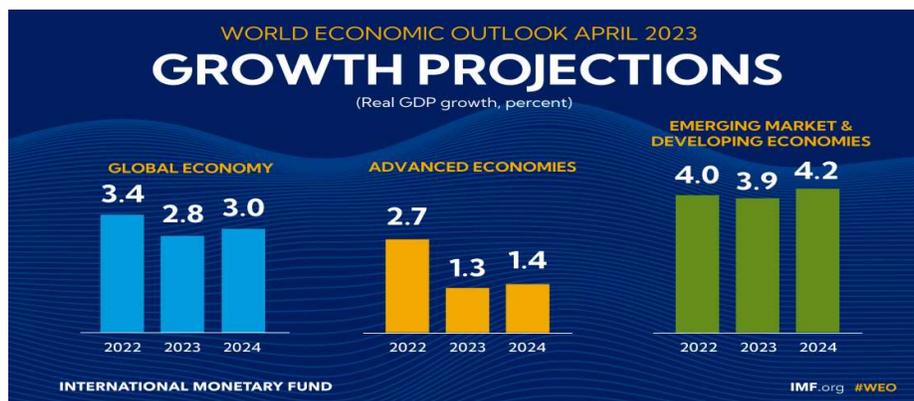

The global economic outlook for the year 2022-23 presented a mix of hope and challenges on the path to recovery from the COVID-19 pandemic. Following the unprecedented downturn in 2021, the global economy has shown signs of improvement, but the journey to a full rebound remains uncertain.

During the year 2022-23, the world's economic growth witnessed a recovery from the setbacks caused by the COVID-19 pandemic. Advanced economies regained momentum as pandemic-related restrictions ease. This rebound led to a moderate global economic growth rate, with emerging markets and developing economies also contributing to the overall expansion.

One of the primary challenges faced during this period was the ongoing struggle with inflation. As economies reopen and demand surges, supply chain disruptions and rising input costs lead to inflationary pressures. Central banks faced the dilemma of balancing economic recovery with inflation containment, potentially resulting in adjustments to monetary policies that impacted borrowing costs and investment decisions. Supply chain disruptions, which emerged during the pandemic, persisted as economies navigate post-pandemic challenges. Shortages of critical components, raw materials, and transportation bottlenecks hampered production capacities and contribute to higher costs for businesses.

Additionally, debt burdens and financial vulnerabilities pose significant risks to the global economic landscape. Public debt as a ratio to GDP soared across the world during COVID-19 and remain elevated, posing a growing challenge for policymakers, particularly as real interest rates are rising across the world. Furthermore, geopolitical tensions (Russia-Ukraine War) and trade disputes between major economies had disrupted global trade and investment flows, affecting overall economic growth. Cooperation and coordination among nations will be vital to resolving such issues and promoting stability in the international economic landscape.

While the economic recovery appears promising, uncertainties surrounding global economy could also cast a shadow on growth prospects. The baseline forecast is for growth to fall from 3.4 percent in 2022 to 2.8 percent in 2023, before settling at 3.0 percent in 2024. Advanced economies are expected to see an especially pronounced growth slowdown, from 2.7 percent in 2022 to 1.3 percent in 2023. In conclusion, the global economic outlook for 2022-23 showed potential for growth, but it was subject to risks and uncertainties. With concerted efforts from governments, central banks, and international institutions, it is possible to navigate the certain challenges and lay the groundwork for a resilient and equitable global economy in the years to come.

INDIAN:

During the fiscal year 2022-23, the Indian economy faced several challenges that significantly impacted its growth trajectory. These challenges were largely a result of the lingering effects of the COVID-19 pandemic, coupled with various domestic and global factors. However, the country demonstrated resilience and initiated measures that led to a gradual economic recovery.

One of the key challenges faced by the Indian economy was the uneven pace of recovery across sectors. While certain industries like information technology and pharmaceuticals witnessed robust growth due to the increased demand for digital services and healthcare products; others, such as tourism, hospitality, and small manufacturing businesses, continued to struggle under the weight of pandemic-induced market slump and reduced consumer spending. The second major challenge was the surge in inflation rates. Rising fuel prices due to Russia Ukraine War, supply chain disruptions, and increased transportation costs put upward pressure on consumer prices. As a result, the cost of living rose, affecting the purchasing power of the average citizen and leading to potential social and political ramifications. The Indian Rupee weakness against the US Dollar also added to inflationary pressure.

To address these challenges, the Indian government introduced a combination of monetary and fiscal policies. Additionally, the government launched various stimulus packages and infrastructure projects to spur economic activity and create job opportunities. Moreover, the government also focused to attract foreign investments and encourage domestic manufacturing. Initiatives like the Production-Linked Incentive (PLI) scheme aimed to enhance India's manufacturing capabilities and reduce dependency on imports.

As a result of these efforts, the Indian economy gradually started to show signs of recovery by the end of 2022-23. The Indian economy grew by 6.8% in 2022- making it the fifth largest economy globally in the terms of nominal GDP. Despite global volatility, GDP growth rates improved, inflation stabilized, and unemployment began to recede. The economy's resilience, combined with the implementation of strategic policies, played a crucial role in navigating the challenges and setting a path towards a more sustainable and inclusive recovery in the following years.

INDUSTRY STRUCTURE AND DEVELOPMENT

Textiles & Apparels

India's textiles sector is one of the oldest industries in the Indian economy, dating back to several centuries. The industry is extremely varied, with hand-spun and hand-woven textiles sectors at one end of the spectrum, with the capital-intensive sophisticated mills sector at the other end. The fundamental strength of the textile industry in India is its strong production base of a wide range of fibre/yarns from natural fibres like cotton, jute, silk and wool, to synthetic/man-made fibres like polyester, viscose, nylon and acrylic. The Indian textile and apparel industry is highly diversified with a wide range of segments ranging from products of traditional handloom, handicrafts, wool, and silk products to the organized textile industry. The organized textile industry in India is characterized by the use of capital-intensive technology for the mass production of textile products and includes spinning, weaving, processing, and apparel manufacturing.

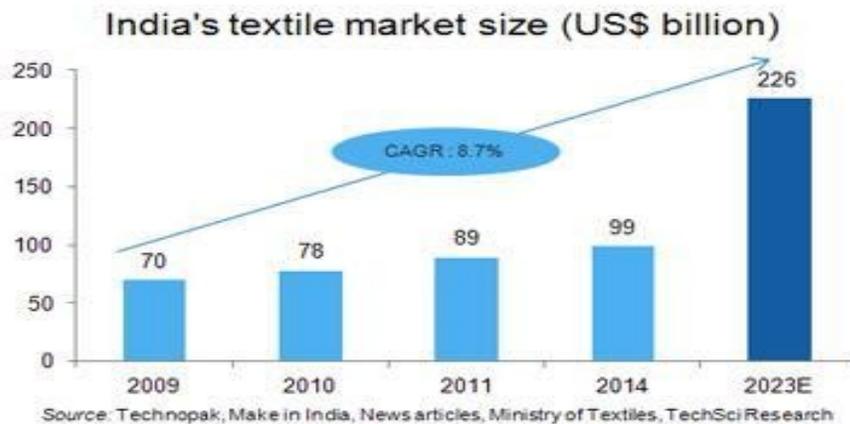

The global textile market size was valued at USD 1,695.13 billion in 2022 and is anticipated to grow at a compound annual growth rate (CAGR) of 7.6% in terms of revenue from 2023 to 2030. India is the 5th largest producer of textiles in the whole world with a market size of nearly \$22 billion, which the government hopes to build up to \$300 billion by 2047.

This industry globally as well as domestically serves as the platform offering a huge number of employment opportunities to eligible people. India's textiles industry has around 4.5 Crores employed workers including 35.22 lakhs handloom workers across the country.

India's readymade garment exports to see a CAGR of 12-13% and will surpass \$ 30 Bn by 2027. India's Textiles Exports were highest ever in FY 2021-22, crossing US\$ 44 Bn. The exports comprised of apparel exports at \$12 Bn; home textiles exports at \$4.8 Bn; fabric exports at \$4 Bn; yarn exports at \$3.8 Bn; fiber exports at \$1.8 Bn and others at \$2 Bn. In addition to this, the domestic apparel & textile industry contributes approx. 2% to the country's GDP & 7% of industry output in value terms. The share of textile, apparel and handicrafts in India's total exports was 11.4% in 2020-21. India stands as the 3rd largest exporter of Textiles & Apparel in the world.

India is a largest cotton producer (23%) in the world and has the highest area under cotton cultivation (39% of world area). Cotton production in India is projected to reach 7.2 million tonnes (~43 million bales of 170 kg each) by 2030, driven by increasing demand from consumers. In F.Y. 2022-23, exports of readymade garments (RMG) cotton including accessories stood at US\$ 7.68 billion till January 2023. It is expected to surpass US\$ 30 billion by 2027, with an estimated 4.6-4.9% share globally. Natural fibres are regarded as the backbone of the Indian textile industry, which is expected to grow from US\$138 billion to US\$195 billion by 2025. Further India is also the 2nd largest producer of silk in the world and 95% of the world's hand-woven fabric comes from the country itself. India has also produced 90 Lakh bales of raw jute in FY 2021-22.

India has also become the second-largest manufacturer of PPE in the world. More than 600 companies in India are certified to produce PPEs today, whose global market worth is expected to be over \$92.5 Bn by 2025, up from \$52.7 Bn in 2019. India also enjoys a comparative advantage in terms of skilled manpower and in cost of production, relative to major textile producers.

In order to attain robust growth in the Indian Textile and Apparel Industry, the Government of India has introduced multiple schemes like Scheme for Capacity Building in Textile Sector (SAMARTH) to address the skilled manpower requirement across textile sector and this scheme was formulated under the broad policy guidelines of “Skill India” initiative and in alignment with the framework adopted for skilling programmes by Ministry of Skill Development and Entrepreneurship. The scheme is approved for implementation till March, 2024.

Additionally, creation of National Technical Textiles Mission for a period of 4 years (2020-21 to 2023-24) was approved with an outlay of Rs.1480 Crores for developing usage of technical textiles in various flagship missions, programmes of the country including strategic sectors.

The Production Linked Incentive (PLI) Scheme is to promote production of MMF apparel, MMF Fabrics and Products of Technical Textiles in the country to create 60-70 global players, attract fresh investment of Rs. 19,000 Crores approximately and generate almost 7.5 Lakhs new employment opportunities.

Further, to attract investment for ‘Make In India’ initiative and to boost employment generation through setting up of 7 (Seven) PM Mega Integrated Textile Region and Apparel (PM MITRA) Parks in Greenfield/Brownfield sites with world class infrastructure including plug and play facility with an outlay of Rs. 4445 Crores for a period of seven years up to 2027-28. Scheme for Integrated Textile Parks (SITP) provides support for creation of world-class infrastructure facilities for setting up of textile units.

Integrated Processing Development Scheme (IPDS) facilitates the textile industry to meet the required environmental standards and to support new Common Effluent Treatment Plants (CETP)/ upgradation of CEPTs in existing processing clusters as well as new processing parks especially in the Coastal Zones. Special Package for Textile and Apparel sector: Rs. 6000 Crore package was launched in June 2016 to boost employment and export potential in the apparel and made up segments.

Innerwear Market Segment

Rapid urbanization across India is one of the key factors driving the growth of the market. With the increasing female workforce participation and rising expenditure capacities, consumer preference is shifting toward trendy intimate wear, sports, bridal, and regular lingerie products. Over the years, innerwear had only been considered as an essential commodity, but there has been a significant shift in trend due to the increasing fashion consciousness among the millennials; it transformed into a fashion statement. As a result of this shift, industry players have placed greater emphasis on widening its

innerwear product range – both men’s as well as women’s. The growing availability of premium, customizable, and economical lingerie variants, coupled with the extensive celebrity collaborations and brand promotion activities on social media to expand the consumer base, are primarily driving the India innerwear market.

The global innerwear market has been bifurcated in terms of product type, material type, end user, age group, category type, distribution channel, and region. According to product type, the market has been segregated into top innerwear, bottom innerwear, and shapewear. Over the last few years, the premium innerwear market has also been gaining significant traction with the entry of global players in collaboration with Indian brands. Higher discretionary spending, rise in number of working women, and the increasing fashion consciousness among the populace, especially the millennials, and the increasing number of middle-class households is projected to catalyse the demand for the inner wear industry. Moreover, the increasing adoption of organized retail channels is providing a thrust to the lingerie market growth. Product manufacturers and vendors are widely utilizing e-commerce platforms to provide premium-quality branded lingerie to consumers with enhanced convenience.

(Source:technavio)

Additionally, various product innovations, such as the integration of online retail platforms with artificial intelligence (AI) and big data solutions, are acting as other growth-inducing factors. These solutions enable the product manufacturers to monitor the shopping habits of the consumers and provide personalized experiences to the shoppers. In line with this, the launch of innovative nursing brassieres and seamless briefs is also contributing to the growth of the market. Other factors, including extensive celebrity collaborations and brand promotional activities on social media to attract a wider consumer base, along with the increasing preference for lingerie products among males, are anticipated to drive the market toward growth. We expect the India lingerie market to exhibit a CAGR of 18% during 2022-2026.

OPPORTUNITIES AND THREATS

Opportunities.

- The Indian government has several portals for the welfare of laborers. Udyam, NCS, e-Shram, and ASEEM are the government portals that help people in finding employment in various MSMEs. All these portals are now interlinked to help business owners in finding manpower.

- The Union Finance Minister has emphasized the development of infrastructure and the setting of centralized Effluent treatment plants for the textile industry under IPDS and CETP. So, funds are allotted in the current budget for these purposes, for the best interest of this industry in India.
- Production-linked incentive (PLI) scheme launched for promoting the apparel industry has attracted investment of Rs. 19,000 Crores approximately and generate almost 7.5 Lakhs new employment opportunities.
- With regard to 'Make In India' initiative and to boost employment generation through setting up of 7 (Seven) PM Mega Integrated Textile Region and Apparel (PM MITRA) Parks in Greenfield/Brownfield sites with world class infrastructure
- Increase in fashion and brand consciousness making consumers more aspirational and discerning; increasing urban women population and women corporate workforce has proved to be beneficial for women segment of apparel market.
- Today with technological advancements, we notice a wide array of comfortable fabrics being used. From nylon to organic cotton, spandex blend cotton fabric to modal and from micro-fiber to more durable material. This has led to product innovations in the industry.

Threats & challenges

- The post pandemic effects and multiple global as well as domestic factors have slowed down the commercial activities. The lack of funds to buy raw materials for production was another drawback in this industry. Political tensions or militant activities in some places hinder the smooth operations of the textile industry there. Many textile companies face severe labor shortages and a lack of regular transportation if their factories are located in remote places.
- The inflation in the Indian economy results in frequent demands among laborers for salary hikes. Thus, industry owners do not find the means to expand their business and compete with global textile leaders from other countries.
- The high cost of power in India is another hindrance to textile production. Most modern machines are power-driven, which raises the overall production costs for business owners.
- Fluctuating prices of the raw materials such as cotton, yarn, and chemicals, and thereby raising price of the finished products not be viable in a competitive market.
- Ever changing fashion needs of consumers put industry players in a pressure to constantly adapt emerging fashion trends in the markets.
- Several International apparel brands are entering into India as the country is emerging as one of the largest apparel market in the world and on the other hand new start ups are entering market with aggressive marketing and discounts.

RISK AND CONCERN

The Company has robust risk management procedures to identify and evaluate risks on an ongoing basis. The Company believes that risks that are well managed can create opportunities, whereas risks that are incorrectly managed could lead to financial and reputation loss. Appropriate steps are taken in consultations with all concerned to mitigate such risks. The following are some of the key risks as perceived by the Company:

➤ Availability of Labour

The ability to retain existing talent and attract new talent assumes crucial importance. The industry is growing at a fast pace, in a highly labour intensive sector and demand for experienced and trained manpower is outstripping supply. The Company has created long term plans with the objective of motivating employees to create a sense of “belonging” and a ‘feel good’ environment. The company is also aggressively taking steps to monitor and improve productivity, which will mitigate the impact of labour and material cost increases to some extent.

➤ Economic Uncertainty:

Slow economic growth in the international or national economies and uncertainties regarding future economic prospects, among other things, could affect consumer discretionary spending and therefore can impact business. Through brand strengthening and expanding presence across the globe the Company endeavours to mitigate the impact of this risk as far as possible.

➤ Increase in Input and Labour costs:

The availability of raw materials at reasonable rates is one of the main concerns of the company. However the company is confident that increases in raw material cost, if and when they occur, can be passed on to consumers because of the strong pricing power of its brands. The company is also aggressively taking steps to monitor and improve productivity, which will mitigate the impact of labour and material cost increases to some extent.

OUTLOOK

The future of the textile market and the innerwear category appears promising domestically as well as globally. In anticipation of growing demand, the company has substantially expanded its installed capacity. Your Company operates from Kanpur with having dealers/vendors in Uttar Pradesh. Enhancing our presence in additional region will enable us to reach out to a larger population. Further, our Company believes in maintain long term relationship with our customers by adding value through innovations, quality assurance and timely delivery of our products which will ultimately enhance our sales. TO THE MEMBERS OF JET KNITWEARS LIMITED REPORT ON THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

DISCLAIMER OF OPINION

We were engaged to audit the accompanying standalone financial statements of Jet Knitwears Limited (“the Company”), which comprise the Balance Sheet as at 31 March 2023, the Statement of Profit and Loss, and Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as “the standalone financial statements”).

We do not express an opinion on the accompanying standalone financial statements of the company. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these standalone financial results.

BASIS FOR DISCLAIMER OF OPINION

The company's trade receivables (classified as unsecured and considered good by the management & Net of Provisions) are carried at Rs.14,50,59,082.00, out of which Rs.8,43,26,875.00 are outstanding for a period more than six months, which is abnormally high as compared to the turnover of the company. Also out of the above, receivables of Rs.1,22,24,473.00 are aged more than three years. The balances of these parties are subject to confirmation and as per the management of the company, are recoverable.

As a result of these matters, we were unable to determine whether any adjustments might have been found necessary in respect of recorded amount of Trade Receivables and the elements making up the statement of Profit and Loss and statement of cash flows.

EMPHASIS OF MATTER

We draw the attention towards the followings

1. We have not verified the physical inventory and cash position as on 31st March 2023, and have relied upon the physical verification reports provided by the management in this behalf.
2. The records relating to the WIP Stock are not commensurate with the magnitude of data relating to the same, as more than 30 job workers and 4 different stages are involved. As per the management, a system for data maintenance of the same currently under development.
3. The Company has called for the information from the creditors regarding their registration as Micro /Small enterprises under MSME Act, 2006, therefore the disclosure made in Balance Sheet under Trade Payables (Note No 6) are to the extent of the information received from some creditors.
4. We draw attention towards clause (L) to Note no 1 describing the transactions with the related parties. Our opinion is not modified in respect of the same.
5. The Balances of Trade Payables appearing in Note No.6 to the Audited Financial Statements are subject to confirmation.

6. The Balances of Trade Receivables appearing in Note No.13 to the Audited Financial Statements are subject to confirmation.
7. Loans and advances are subject to confirmations from the respective parties.
8. Further, the company have been sanctioned a new Skill Development Project under Deen Dayal Upadhyay - Grameen Kaushalya Yojna (DDU GKY Scheme) of Assam State Rural Livelihoods Mission (ASRLM) to train 1000 Candidates in projects (Rural Youth as defined in guidelines of DDU-GKY) with placement linkage by setting up a training/skill center at Majuli and Karimganj for the State of Assam.

We did not audit the financial statements and other financial information, in respect of this scheme. Amounts received and expended under this scheme is subject to audit by a separate auditor, which financial statement and other financial information and auditor's reports have been furnished to us by the management. Our opinion on the financial statements, in so far as it relates to the amounts and disclosures included in respect of this scheme and our report in terms of sub-sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid scheme is based solely on the report of such other auditor.

Our opinion is not qualified in respect of the above.

KEY AUDIT MATTERS

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risk of material misstatement of the standalone financial statements. The result of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone financial statements.

Substantial Movement of Stock up to production of Finished Goods

The company avails services of over thirty job workers and has inter dependent manufacturing facilities in two States in India. In addition, the company has several depots. The above entails substantial movement of raw material, semi-finished materials and finished goods from one location to another; and at any given point of time, the stocks (of various stages) belonging to the company may be found at several locations. The movement of stock is the key to the business and was therefore considered as one of the 'Key Audit Matters'. Verification of the internal controls with respect to inventory management and movement, recording of consumption, valuation of stocks as at the reporting date involved extensive verification procedures and called for making estimates and judgments

How our audit addressed the key audit matter

For the matter referred to above, our procedures included, among others, procedures of physical examination, end to end verification of stock transfers, other relevant documentation/correspondence,

including post balance sheet date events, reports submitted to Banks and other authorities, assessing management's conclusions etc. in view of the laid down accounting and measurement principles.

INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon.

The other information included in the annual report, are expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are

therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

(A) As required by the Companies (Auditors' Report) Order, 2020("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ANNEXURE “A” TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in Para 1 under ‘Report on Other legal and Regulatory Requirements’ section of our report of even date)

Re: Jet Knitwears Limited, we report that:

- (i) a. (A) As per information provided to us by the management of the company, the company is maintaining proper records showing full particulars including quantitative details and situation of fixed assets, however the same has not been provided to us for the verification therefore we are unable to comment on the same.
(B) As per information and explanations given to us, all the intangible assets have been completely amortized in the books of the company and as on the date of the financial statements the written down value of the same is zero.
- b. The company has a regular programme for physical verification of all assets over a period of three years. In accordance with this programme, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, it is reasonable having regard to the size of the company and the nature of its assets.
- c. According to the information and explanations given to us, we report that the immovable properties capitalized in the books of account of the company consists of Building which consists of Leasehold improvements only. No other immovable properties requiring title deed are capitalized in the books of account of the company.
- d. The company has not revalued any of its property, plant and equipment (including right-to-use assets) and intangible assets during the year.

- (ii) a. As explained to us, the inventory has been physically taken by the management during the year at all the factory and accompanying warehouses of the company. In our opinion, the coverage and procedures of such verification by the management are appropriate. On the basis of the report of physical stock verification conducted by the Management of the company, we report that no discrepancy of 10% or more was noticed, and the minor discrepancies noticed on such verification were properly dealt with in the books of account.
- b. The company has been sanctioned working capital limits in excess of rupees five crores, in aggregate from banks and financial institutions on the basis of security of current assets. On verification of the monthly stock and book debt statements submitted by the Company to such banks/financial institutions with the books of account of the Company, we are of the opinion that the same contains minor differences only.
- (iii) The Company has not made investments in subsidiary companies during the year.
 - (a) The Company has not provided any loans or advances in the nature of loans or stood guarantee, or provided security to any companies, firms, Limited Liability Partnerships or other entity during the year, and hence reporting under clause 3(iii)(a) parts (A) and (B) of the Order are not applicable.

- (c) The Company has not provided any loans or advances in the nature of loans or stood guarantee, or provided security to any companies, firms, Limited Liability Partnerships or other entity during the year, and hence reporting under clause 3(iii)(c), (d), (e) and (f) of the Order are not applicable.
- (iv) In Our opinion and according to the information and explanations given us, there is no non-compliance with the provisions of section 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees. The company has not granted any loans, secured or unsecured to parties covered in the register maintained under section 189 of the Companies Act 2013.
- (v) In our opinion and according to the information and explanations given to us, the company has not accepted any public deposits. As per the information and explanations given to us, no order has been passed by the Company Law Board or the National Company Law Tribunal or the Reserve Bank of India or any Court or Tribunal.
- (vi) In our opinion and according to the information and explanations given to us, the company is not liable for maintenance of cost records u/s 148 of the Companies Act, 2013 as it is registered under the Micro, Small and Medium Enterprises Development Act, 2006.
- (vii) (a) The company is regular in depositing with appropriate authorities undisputed statutory dues including investor education protection fund, income tax, sales tax, wealth tax, service tax, & customs duty and other material statutory dues applicable to it. According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, income tax, sales tax, wealth tax, customs duty, VAT, cess and other material statutory dues were in arrears as at 31st March 2023 for a period of more than six months from the date they became payable.
- (b) As per the information and explanations given to us and on the basis of the verification of the records of the company, the details of statutory dues which have not been deposited on account of disputes are as under:

<u>Liability/Dispute</u>	<u>Amount</u>	<u>Period to which it relates</u>
Income Tax Department	1,00,617.38	Prior years
Income Tax Department	1,35,408.41	2021-22
Income Tax Department	650.00	2013-14

- (viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- (ix) (a) In our opinion and according to the information and explanations given to us, the company has not defaulted in repayment of any loans or other borrowings or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us, the company has not been declared a wilful defaulter by any bank or financial institution or other lender.
- (c) In our opinion and according to the information and explanations given to us, the company has applied term loans for the purposes for which the same were availed.

- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- (f) According to the information and explanations given to us, the company has not raised loans during the year on pledge of securities held in its subsidiaries.
- (x) (a) The company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x) (b) of the Order is not applicable.
- (xi) (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) According to the information and explanations given to us, no whistle blower complaints were received by the Company during the year (and up to the date of this report) and hence reporting under clause 3(xi) (c) of the Order is not applicable.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable
- (xiii) In our opinion and according to the information and explanations given to us, the company has complied with Sections 177 and Section 188 of the Companies Act, 2013, where applicable, for all transactions with related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- (xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered the internal audit report for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- (xv) In our opinion during the year the Company has not entered in to any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3 (xvi) (a), (b) and (c) of the Order is not applicable.

- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3 (xvi) (d) of the Order is not applicable.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) The provisions of sec 135 of Company's Act 2013 are not applicable to the company since the company does not meet the monetary thresholds as per the said section. Accordingly clause 3(xx) of the Order is not applicable to the company.
- (xxi) Provisions of consolidated financial statements and group companies are not applicable in case of this company

**ANNEXURE “B” TO THE INDEPENDENT AUDITORS’ REPORT
(Referred to in Para 2(f) under ‘Report on Other legal and Regulatory Requirements’ section of
our report of even date)**

**REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER SECTION 143(3)(I) OF THE
COMPANIES ACT, 2013 (“THE ACT”)**

We have audited the internal financial controls with reference to financial statements of Jet Knitwears Limited (“the Company”) as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Financial Statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to Financial Statements.

Meaning of Internal Financial Controls With Reference to Standalone Financial Statements

A company's internal financial controls with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of

financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to Financial Statements include those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Financial Statements to future periods are subject to the risk that the internal financial controls with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information, and according to the explanations given to us, the company has, in all material aspects, an adequate internal financial controls with reference to Financial Statements and such internal financial controls over financial reporting were operating effectively as at March 31st 2023, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in Guidance Note of Audit of International Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Note no.1

Significant Accounting Policies

(A) (i) Basis of Accounting:

The Financial Statements have been prepared on the accrual basis of accounting, in Accordance with generally accepted accounting principles including the Accounting Standards notified under the Sec.133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules 2014.

The financial statements have been prepared on a historical cost basis.

The financial statements are presented in Indian Rupees (INR) except where otherwise indicated.

The financial statements are approved for issue by the Company's Board of Directors on May 27, 2023.

(ii) Consistency:

Accounting Policies not specifically referred to otherwise are consistent and are in consonance with generally accepted accounting principles.

(iii) Current v. Non-Current classification:

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

(a) An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle,
- Held primarily for purpose of trading, or
- Expected to be realized within twelve months after the reporting period.

All other assets are classified as non-current.

(b) A liability is current when:

- It is expected to be settled in normal operating cycle,
- It is held primarily for purpose of trading,
- It is due to be settled within twelve months after the reporting period, or

- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

(iv) **Use of Estimates, Assumptions and Judgments:** The preparation of financial statements requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements and the results of operations during the year. Differences between actual results and estimates are recognized in the year in which the results are known or materialize. Estimates and underlying assumptions are reviewed on an ongoing basis.

(B) **Inventories:** Inventories consist of raw materials, packing materials, work-in-progress and finished goods. Inventories are valued at lower of cost and net realizable value. Cost is determined on First-In-First-Out basis.

(i) Cost of raw materials and packing materials includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.

(ii) Valuation of Closing Stock of Finished Goods & Work-in-progress:

The inventory at the year end is valued at Cost or Net Realizable Value whichever is lower.

Cost of work-in-progress and finished goods includes direct materials, labour and proportion of manufacturing overheads based on the normal operating capacity, wherever applicable.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated cost of completion and estimated costs necessary to make the sale.

The inventories have been physically taken by the management periodically during the year.

(C) Cash Flow:

Cash Flow Statement has been prepared on the basis of 'Indirect Method' as prescribed under AS-3.

(D) Provisions, Contingent Liabilities and Commitments:

(i) Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The company has provided for a Provision for doubtful debt of Rs.20,35,512.

(ii) The expenses relating to a provision is presented in the Statement of Profit and Loss net of reimbursements, if any.

(iii) If the effect of the time value of money is material, provisions are to be discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is proposed to be used, the increase in provision due to the passage of time is recognized as a finance cost.

- (iv) Contingent liabilities are possible obligations whose existence will only be confirmed by future events not wholly within the control of the Company, or present obligations where it is not probable that an outflow of resources will be required or the amount of the obligation cannot be measured with sufficient reliability.
- (v) Contingent liabilities are not recognized in the financial statements but are disclosed unless the possibility of an outflow of economic resources is considered remote.
- (vi) The company has the following disputed liabilities/demand raised by statutory authorities as on 31/03/2023.

<u>Liability/Dispute</u>	<u>Amount</u>	<u>Period to which it relates</u>

(M) Earning per Share:

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share consolidation, without a corresponding change in resources, if any.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effect of all potentially dilutive equity shares, if any.

The company has not issued any potentially dilutive equity shares.

(N) Tax Expense:

Tax expense for the year comprises of current tax and deferred tax.

- a) **Current Tax:** Current income tax, assets and liabilities are measured at the amount expected to be paid to or recovered from the taxation authorities in accordance with the Income Tax Act, 1961 and the Income Computation and Disclosure Standards (ICDS) enacted in India by using tax rates and the tax laws that are enacted at the reporting date.
- b) **Deferred Tax:** Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets and liabilities are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are reassessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

(O) Several debit and credit balances are subject to confirmation by parties.

(P) Previous Year's figures have been regrouped/ rearranged wherever necessary to conform to the figures for the current year.

II Audit Qualification (each audit qualification separately):

a. **Details of Audit Qualification:** Please refer Audit Report-Basis for Disclaimer of Opinion

b. **Type of Audit Qualification:** Disclaimer of Opinion

c. **Frequency of qualification:** Fourth Time

d. **For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:** NA

e. **For Audit Qualification(s) where the impact is not quantified by the auditor:**

(i) **Management's estimation on the impact of audit qualification:** Based on the Management analysis and assumptions, we believe that the Profit and Loss Account and Cash Flow Statement for the year ended March 31, 2023 and the Balance Sheet as at March 31, 2023 are materially correct and as per the management the trade receivables are considered good and are recoverable in nature. The company's trade receivables consist of outstanding balances from over 3000 parties, spread across various remote locations within the country and are generally low in value individually, since the supply chain of the company largely consists of small retailers, who were severely impacted by the COVID-19 pandemic. The Management is making full efforts to recover these trade receivables. Further as is evident, during the year, the total trade receivables have been reduced by around Rs.70.98 lakhs. Hence, management does not believe there is any material financial impact of the audit qualification.

(ii) **If management is unable to estimate the impact, reasons for the same:** Not Applicable

(iii) **Auditors' Comments on (i) or (ii) above:** As is stated in our report, the trade receivables are abnormally high; a significant part of the trade receivables has also remained overdue for more than three years. Further several trade receivables remained subject to confirmation by the respective parties upto the date of our report. However, as per the Management, the trade receivables which are good and recoverable and have been stated to be classified accordingly in the Financial Statements. In the absence of any conclusive evidence as regards the recoverability of these trade receivables and considering the materiality of the amount involved, we have issued a disclaimer of opinion.

- b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the ‘initial password’ which was communicated to you. Once you retrieve your ‘initial password’, you need to enter the ‘initial password’ and the system will force you to change your password.
- c) How to retrieve your ‘initial password’?
 - (i) If your email ID is registered in your demat account or with the company, your ‘initial password’ is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your ‘User ID’ and your ‘initial password’.
 - (ii) If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered**

6. If you are unable to retrieve or have not received the “ Initial password” or have forgotten your password:

- a) Click on “**Forgot User Details/Password?**”(If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
- b) **Physical User Reset Password?**” (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
- c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
- d) Members can also use the OTP (One Time Password) based login for casting the votes on

the e-Voting system of NSDL.

7. After entering your password, tick on Agree to “Terms and Conditions” by selecting on the check box.
8. Now, you will have to click on “Login” button.
9. After you click on the “Login” button, Home page of e-Voting will open.

Step 2: Cast your vote electronically on NSDL e-Voting system.

How to cast your vote electronically on NSDL e-Voting system?

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF COMPANIES ACT, 2013 AND REGULATION 36 OF THE SEBI LISTING REGULATION:

ITEM NO. 3

The Board of Directors of the Company, on recommendation of Nomination & Remuneration Committee, at its meeting held on August 29, 2023, appointed Mrs. Avantika Mishra (DIN: 10269748) as an Additional Independent Director of the Company to hold office up to the date of ensuing Annual General Meeting.

Accordingly the Board recommends to the shareholders, appointment of Mrs. Avantika Mishra (DIN: 10269748) as an Independent Director for first term of five year with effect from August 29, 2023 to August 28, 2028. The Company has received a declaration from Mrs. Avantika Mishra confirming that she meets the criteria of independence under the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Further, the Company has also received her consent to act as a Director in terms of Section 152 of the Companies Act, 2013 and a declaration that she is not disqualified from being appointed as a Director in terms of Section 164 of the Companies Act, 2013.

In the opinion of the Board, Mrs. Avantika Mishra fulfils the conditions specified in the Companies Act, 2013 and rules made thereunder and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, for her appointment as an Independent Director of the Company and she is independent of the management. Considering her knowledge and experience, the Board of Directors is of the opinion that it would be in the interest of the Company to appoint her as an Independent Director for a period of five year with effect from August 29, 2023.

None of the Directors and Key Managerial Personnel of the Company or their relatives is concerned or interested financially or otherwise, in the resolution set out at Item No. 3

The Board recommends the Resolution set out at Item No. 3 of the Notice for approval by the members.
