Letter to Shareholders

Dear Stakeholders,

In reflecting upon the transformative year that was 2022, it is clear that QuadPro ITES Limited has been at the forefront of change in every aspect of our operations. Even in the face of the global pandemic, our unwavering commitment to excellence has yielded remarkable results. I extend my deepest gratitude to each member of our community for their unwavering dedication.

With immense pride, I stand before you today to present the Annual Performance Report for the fiscal year 2022-23. This year marked a critical juncture for your organization as we navigated a landscape marked by transition and transformation. The results we are unveiling today inspire optimism as we have achieved unprecedented growth, surpassing even our most ambitious expectations. As we bear witness to the evolution of the IT and ITES sector, your company has managed not only to endure but to flourish amid the challenges posed by the pandemic. This success story is a testament to the collective efforts of all stakeholders, from our valued customers to our trusted bankers, and from our dedicated employees to our new shareholders.

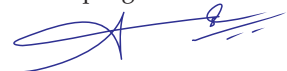

While we celebrate these achievements, I am reminded that this is merely the inception of a greater journey toward success. Our commitment to continuous improvement and relentless dedication to excellence will remain our guiding principles as we set our sights on even greater accomplishments in the days ahead. Throughout this period of tremendous volatility in both the markets and the global economy, our diverse and expert workforce has demonstrated exceptional leadership, proving time and again that our strength lies in our unity.

In closing, I wish to extend my heartfelt gratitude to my esteemed colleagues on the Board, the management team, our dedicated employees, our invaluable customers, our trusted suppliers, the regulatory authorities, and last but certainly not least, our steadfast shareholders. Your guidance and unwavering support have been instrumental in our journey thus far, and they will continue to be the wind beneath our wings as we forge ahead into the future.

As we stand on the cusp of another year, I offer my well wishes to each and every one of you. May the path ahead be illuminated with safety, success, and prosperity.

Regards,

Sandeep Agrawal

ANNEXURE - C MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Management's views on the Company's Performance and outlook are discussed below:

Overview of the Industry

In the year 2022-23, the Information Technology (IT) and IT-enabled Services (ITeS) industry in the country witnessed significant growth and evolution. The sector demonstrated remarkable adaptability in response to changing global dynamics, leading to an expansion in its market share and economic contribution. Compared to previous years, the industry experienced a substantial increase in export revenue, driven by the continued demand for software development, digital transformation services, and remote work solutions. The rise of emerging technologies such as artificial intelligence, cloud computing, and blockchain further bolstered the industry's capabilities, attracting both domestic and foreign investments. This growth was also supported by government initiatives to promote digital literacy and innovation. Overall, the IT and ITeS industry in the country maintained its upward trajectory, reinforcing its position as a vital driver of economic progress and technological innovation.

Our Business

In the fiscal year 2022-23, Quadpro ITeS Limited experienced remarkable growth and expansion. As specialists in Banking back-end processing and Check Truncation System (CTS) solutions, we've solidified our position within the consortium of banks in South India. This year, we broadened our territorial reach and welcomed new clients, enhancing our presence in the sector. Our expertise covers the Banking, Insurance, and Telecom sectors. Collaborations with top hardware and software solution providers have further enriched our portfolio, which now includes advanced desktops, servers, and scanners. In addition to extending services to new clients, we've introduced new verticals within transaction processing, diversifying our offerings. Our esteemed client base, including names like ICICI Bank Ltd, Citibank NA, and Deutsche Bank, speaks volumes about the trust and quality we've established over time. Compared to last year, this period signifies both growth in numbers and depth in value. With a dedicated team and our partners' support, we're poised for continued success and innovation in the upcoming years.

Opportunities and Threats

In the fiscal year 2022-23, Quadpro ITeS Limited has continued to ride the wave of opportunities, building on our momentous achievements from the previous year. Following our successful Initial Public Offering (IPO) in 2021-22, which saw an overwhelming investor response on the NSE Emerge Platform, we've further fortified our market position. Our expansion endeavors have been multi-pronged. We've launched innovative services while also extending our tried-and-tested offerings to a broader clientele. This year, our portfolio was enriched with enhancements in CTS Processing, amplified CMS support for banks, robust doorstep banking solutions, and advanced Software as a Service (SaaS) offerings. We've also made notable inroads in the realms of software development and E-commerce support services, meeting the evolving needs of our customers. While we celebrate our milestones, we remain cognizant of the ever-evolving global landscape. Economic fluctuations, regulatory adjustments, geopolitical shifts, and other unpredictable factors persist as potential challenges. Such externalities can sway our operations, affect our cost structures, and influence stock valuations. However, with the experience garnered over the years, we are more equipped than ever to address these challenges. Our commitment remains unwavering: to tackle uncertainties with agility and ensure our strategies remain aligned with our overarching objectives.

Internal Controls and Their Adequacies

The internal control system is intended to increase transparency and accountability in an organization's process of designing and implementing a system of internal control. They have been designed to provide reasonable assurance with regard to recording and providing reliable financial and operational information, complying with applicable statutes, safeguarding assets from unauthorized use, executing transaction with proper authorization and ensuring compliance of corporate policies.

Human Resources/ Industrial Relations

In the new fiscal year, Quadpro continues to recognize that our employees are the cornerstone of our success and the driving force behind our sustained growth and innovation. Building on our previous commitments, we've amplified our investments in our team through enhanced initiatives and programs. Their unwavering dedication, skill sets, and collaborative spirit across all domains remain integral to our achievements. Now, more than ever, we emphasize the significance of cultivating a work culture that encourages teamwork, innovation, and offers robust avenues for professional advancement.

Independent Auditors' Report

To The Members of QUADPRO ITES LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of QUADPRO ITES LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2023, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2023, and its profit/loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

- The Board of Directors is responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon.
- Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. We have nothing to report in this regard.
- When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Management's Responsibility for the Standalone Financial Statement

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account.

- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.

Annexure A to the Independent Auditors' Report

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of QUADPRO ITeS LIMITED of even date)

Report on the Internal Financial Control under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013

We have audited the internal financial controls over financial reporting of QUADPRO ITeS LIMITED ('the company') as of March 31, 2023 in conjunction with our standalone Ind AS audit of the financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Control

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards of Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Notes required that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls systems over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining and understanding of internal financial controls over financial reporting, assessing the risk that material weakness exists, and testing and evaluating the design and operating effectiveness of the internal control based on the assessed risk. The procedures selected depends on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our audit opinion of the company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of the management and directors of the company;
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Control over Financial Reporting

Because of the inherent limitations of internal financial control over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to fraud or error may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI.

Notes on Standalone Financial Statements for the year ended 31st March 2023

1 Corporate information

QUADPRO ITeS LIMITED is a public company incorporated under provisions of Companies Act, 1956. The Company is a leading provider of consulting, technology, outsourcing and next generation digital services & software, enabling clients to execute strategies for their digital transformation. Strategic objective of the company is to build a suitable organisation that remains relevant to the agenda of clients, while creating growth opportunities for employees and generating profitable returns for investors. The Company's strategy is to be a navigator for our clients as they ideate on, plan and execute their journey to a digital future.

1(a) Statement of Compliance

These standalone financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time.

2 Basis of preparation of financial statements

2.1 Basis of Preparation and presentation

The Separate Financial Statements (also called Standalone Financial Statements) have been prepared under historical cost convention basis except for certain financial assets and financial liabilities which have been measured at fair value. Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. The Company's presentation and functional currency is Indian Rupees (Rs) and all values are rounded to the nearest Rupees in Lakhs

2.2 Use of estimates

The preparation of the Company's IndAS financial statements requires management to make informed judgements, reasonable assumptions and estimates that affect the amounts reported in the financial statements and notes thereto. Uncertainty about these could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in the future periods. These assumptions and estimates are reviewed periodically based on the most recently available information. Revisions to accounting estimates are recognized prospectively in the Statement of Profit & Loss in the period in which the estimates are revised and in any future periods affected. In the assessment of the Company, the most significant effects of use of judgments and /or estimates on the amounts recognized in the financial statements relate to the following areas:

- **Useful lives of property, plant & equipment:** The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods. (Refer note 5)
- **Impairment of investments in subsidiaries:** The Company reviews its carrying value of investments carried at cost (net of impairment, if any) annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for in the statement of profit and loss. (Refer note 7(a))
- **Provision for income tax and deferred tax assets (Note 16 and Note 19):** The Company uses estimates and judgements based on the relevant rulings in the areas of allocation of revenue, costs, allowances and disallowances which is exercised while determining the provision for income tax. A deferred tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised. Accordingly, the Company exercises its judgement to reassess the carrying amount of deferred tax assets at the end of each reporting period.
- **Employee benefits (Note 3.13):** The accounting of employee benefit plans in the nature of defined benefit requires the Company to use assumptions. These assumptions have been explained under employee benefits note.

3 Significant accounting policies

3.1 Current and Non-current classification

The Company presents assets and liabilities in the Balance Sheet based on Current/ Non-Current classification.

An asset is treated as Current when it is

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

3.2 Property, plant and equipment

Recognition and measurement

- a) The cost of an item of property, plant and equipment is recognized as an asset only if it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably.
- b) Property, plant and equipment are stated at cost net of accumulated depreciation and accumulated impairment loss, if any.
- c) The initial cost of an asset comprises its purchase price or construction cost (including import duties and non-refundable taxes) after deducting trade discounts and rebates, any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation (if any) and the applicable borrowing cost till the asset is ready for its intended use.
- d) Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.
- e) Any gain or loss on disposal of an item of property, plant and equipment is recognized in profit or loss.
- f) Spare parts which meet the definition of property plant and equipment are capitalized as property, plant and equipment. In other cases, the spare parts are inventorised on procurement and charged to Statement of Profit & Loss on issue / consumption.

Capital work-in-progress:

Projects under which property, plant and equipment are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

3.3 Intangible assets: Intangible assets acquired separately are measured at cost of acquisition. Following initial recognition, intangible assets are carried at cost less accumulated amortization and impairment losses, if any. Intangible assets are amortized over their respective estimated useful life which reflects the manner in which the economic benefit is expected to be generated. The estimated useful life of amortizable intangibles is reviewed at the end of each reporting period and change in estimates if any are accounted for on a prospective basis.

3.4 Depreciation

Depreciation is provided for property, plant and equipment on a written down value so as to expense the cost less residual value over their estimated useful lives based on a technical evaluation. The estimated useful lives and residual values are reviewed at the end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis.

The estimated useful lives are as mentioned below:

Type of Asset	Useful Lives
Buildings	60 Years
Office Equipments	5 Years
Furniture & Fixtures	10 Years
Vehicles	8 Years
Computer Equipments	3 Years

Depreciation on assets acquired / disposed off during the year is provided on pro-rata basis with reference to the date of addition / disposal.

Intangible assets are amortized over a period of its useful life as estimated by the management.

Softwares having specific estimated life of 3 Years / 5 Years are depreciated over a period of their useful life considering the straight line method of depreciation.

3.5 Cash flow Statement

Cash flows are reported using the indirect method, whereby profit/(loss) and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments.

3.6 Transaction in Foreign Currency

Foreign currency transactions are recorded at the exchange rate prevailing on the date of such transaction. Foreign currency monetary assets and liabilities are reported using the closing rate. Gains and losses arising on account of difference in foreign exchange rates on settlement/translation of monetary assets and liabilities on the closing date are recognized in the Statement of Profit and Loss.

3.7 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

3.7.1 Cash and cash equivalents

Cash comprises cash on hand and demand / short term deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

3.7.2 Investments

Investments in liquid funds and equity shares are primarily held for Company's temporary cash requirements and can be readily convertible in cash. These investments are initially recorded at fair value and classified as fair value through profit or loss. The Company measures investment in subsidiaries at cost less provision for impairment, if any.

3.7.3 Trade receivables

Trade receivables are amounts due from customers for sale of services in the ordinary course of business. Trade receivables are initially recognized at its transaction price and are classified as current assets as it is expected to be realised in the normal operating cycle of the business.

3.7.4 Borrowings

Borrowings are initially recorded at fair value and subsequently measured at amortized costs using effective interest method. Transaction costs are charged to statement of profit and loss as financial expenses over the term of borrowing as part of effective Interest Expense.

3.7.5 Trade payables

Trade payables are amounts due to vendors for purchase of goods and services in the ordinary course of business and are classified as current liabilities as it is expected to be settled in the normal operating cycle of the business.

3.7.6 Other financial assets and liabilities

Other non-derivative financial instruments are initially recognized at fair value and subsequently measured at amortized costs using the effective interest method.

3.7.7 De-recognition of financial assets and liabilities

The Company derecognizes a financial asset when the contractual right to the cash flows from the asset expires or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction which substantially transfers all the risk and rewards of ownership of the financial asset. The Company derecognizes a financial liability when its contractual obligations are discharged, cancelled or expired; the difference between the carrying amount of derecognized financial liability and the consideration paid is recognized as profit or loss.

3.8 Leases - Company as a lessee

The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset. The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the lease term.

3.9 Impairment of assets

Financial assets

At each balance sheet date, the Company assesses whether a financial asset is to be impaired. The Company measures the loss allowance for financial assets at an amount equal to lifetime expected credit losses if the credit risk on that financial asset has increased significantly since initial recognition. For Trade Receivables, Lease Receivables and Contract Assets, the Company applies "Simplified Approach" which require expected lifetime losses to be recognised from initial recognition of those assets. For financial assets measured at amortised cost other than those to which simplified approach is followed, if the credit risk on a financial asset has not increased significantly since initial recognition, the Company measures the loss allowance for financial assets at an amount equal to 12-month expected credit losses. The Company uses both forward-looking and historical information to determine whether a significant increase in credit risk has occurred.

Non-financial assets

Tangible and Intangible assets

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less costs of disposal and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs. If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognized in the statement of profit and loss to such extent. When an impairment loss subsequently reverses, the carrying amount of the asset (or a CGU) is increased to the revised estimate of its recoverable amount, such that the increase in the carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or CGU) in prior years. A reversal of an impairment loss is recognised immediately in statement of profit and loss.

3.10 Revenue Recognition

The Company derives revenues primarily from consulting, technology, outsourcing, next-generation services and software. Contracts with customers are either on a time, unit of work, fixed-price or on a fixed-timeframe basis. Revenues from customer contracts are considered for recognition and measurement when the contract has been approved in writing by the parties to the contract, the parties to the contract are committed to perform their respective obligations under the contract, and the contract is legally enforceable. Revenue is recognized upon transfer of control of promised services ("performance obligations") to customers in an amount that reflects the consideration the Company is entitled to receive in exchange for these services ("transaction price"). The Company assesses the services promised in a contract and identifies distinct performance obligations in the contract. The Company allocates the transaction price to each distinct performance obligation based on the relative standalone selling price. The price that is regularly charged for a service when sold separately is the best evidence of its relative standalone selling price. Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, service level credits, performance bonuses, price concessions and incentives, if any, as specified in the contract with the customer. Revenue also excludes taxes collected from customers. Revenue from subsidiaries is recognised based on transaction price which is at arm's length.

3.11 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of these assets, until such time as the assets are substantially ready for their intended use or sale. All other borrowing costs are recognised in statement of profit and loss in the period in which they are incurred. There was no such case necessitating capitalization of borrowing costs during the year.

3.12 Provisions and Contingencies

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be

reimbursed, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

3.13 Employees Benefit

Short term employee benefits:

Short term employee benefits are recognized as expenses at the undiscounted amount in the Statement of Profit and Loss of the year for which the related service is rendered.

Long term employee benefits:

a) Defined Contribution Plan:

As per applicable laws the eligible employees of the company are entitled to receive benefits under the provident fund, a defined contribution plan, in which both employees and company make monthly contribution at specified percentage of the covered employee salary. The contributions as specified under the law are paid to the respective provident fund authorities as specified by law as per the scheme framed under the governing laws.

b) Defined benefit plans:

The company has not formulated any specific terms of employment providing for specific retirement benefits. However as per applicable laws, the company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees at retirement, death/disablement while in employment or termination of employment, of an amount equivalent to 15 days salary with reference to the number of completed year of service and last drawn salary. As required under Ind AS 19 "Employee Benefits", the company has made provision and account for liability for gratuity payable in future based on an independent actuarial valuation. Remeasurements of defined benefit plan are recognised in other comprehensive income.

c) Termination benefits:

Termination benefits are charged to the Statement of Profit and Loss in the year of accrual when the Company is committed without any possibility of withdrawal of an offer made to either terminate employment before the normal retirement date or as a result of an offer made to encourage voluntary retirement.

3.14 Taxes on income

Income tax expense comprises current and deferred tax expense. Income tax expenses are recognized in statement of profit and loss, except when they relate to items recognized in other comprehensive income or directly in equity, in which case, income tax expenses are also recognized in other comprehensive income or directly in equity respectively. Current tax is the tax payable on the taxable profit for the year, using tax rates enacted or substantively enacted by the end of reporting period by the governing taxation laws, and any adjustment to tax payable in respect of previous periods. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred taxes arising from deductible and taxable temporary differences between the tax base of assets and liabilities and their carrying amount in the financial statements are recognized using substantively enacted tax rates and laws expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled. The deferred tax arising from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction are not recognized. Deferred tax asset are recognized only to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax assets to be utilized. Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis. Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which gives rise to future economic benefits in the form of adjustment of future income tax liability. Accordingly, MAT is recognized as deferred tax asset in the balance sheet when the assets can be measured reliably and it is probable that the future economic benefit associated with the asset will be realized.

3.15 Earning Per Share

Basic earnings per share is computed and disclosed using the weighted average number of common shares outstanding during the year. Dilutive earning per share is computed and disclosed using the weighted average number of common and dilutive common equivalent shares outstanding during the year, except when the results would be anti-dilutive.

Nature and Purpose of reserves

1. Securities premium

Securities premium reflects issuance of the shares by the Company at a premium, whether for cash or otherwise i.e. a sum equal to the aggregate amount of the premium received on shares is transferred to a "securities premium account" as per the provisions of the Companies Act, 2013. The reserve can be utilised in accordance with the provisions of the Act.

2. Retained earnings

The retained earnings reflect the profit of the company earned till date net of appropriations. The amount that can be distributed by the Company as dividends to its equity shareholders is determined based on the balance in this reserve, after considering the requirements of the Companies Act, 2013

Capital management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders, debt, cash and cash equivalents. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total equity. The Company includes within net debt, borrowings, interest accrued on it less cash and cash equivalents.

Particulars	As at March 31, 2023	As at March 31, 2022
Less : Cash and cash equivalent (Note 9)	209.46	187.97
Less : Other Bank Balance (Note 9)	3.26	992.06

Total Equity (As per Balance sheet) (B)	1839.67	1754.11
Gearing ratio A/B	-0.12	-0.67

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any borrowing in the current period. No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2023 and 31 March 2022

Fair value hierarchy:

The following table categorise the financial assets and liabilities held at fair value by the valuation methodology applied in determining their fair value.

As at 31 March 2022	Level 1	Level 2	Level 3	Total
Investments in Mutual funds	60.95	-	-	60.95
Investments in Watch	27.00	-	-	27.00

Determination of fair values:

Investment in mutual funds : The fair values represent net asset value as stated by the issuers of these mutual fund units in the published statements. Net asset values represent the price at which the issuer will issue further units in the mutual fund and the price at which issuers will redeem such units from the investors.

Investment in Watch : The fair value is determined by getting the reference to their quoted market prices.

B. Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- credit risk
- liquidity risk
- market risk

i. Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors along with the top management are responsible for developing and monitoring the Company's risk management policies.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Company's audit committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company,

ii. Credit risk

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's trade receivables, certain loans and advances and other financial assets.

The carrying amount of financial assets represents the maximum credit exposure.

The maximum exposure to credit risk for trade and other receivables are as follows:

Particulars	Note	Carrying Amount (Amount in Lakhs)	
		As at March 31, 2023	As at March 31, 2022
Trade receivables	8	241.38	200.92
Cash and cash equivalents	9	212.72	1,180.03
Loans	10	223.57	172.91
Other financial assets	11	23.16	34.63
		700.83	1,588.49

Trade receivables

The Company has developed guidelines for the management of credit risk from trade receivables. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment.

Exposures to customers outstanding at the end of each reporting period are reviewed by the Company to determine incurred and expected credit losses. Historical trends of impairment of trade receivables do not reflect any significant credit losses. Given that the macro economic indicators affecting customers of the Company have not undergone any substantial change, the Company expects the historical trend of minimal credit losses to continue. Further, management believes that the unimpaired amounts that are past due by more than 30 days are still collectible in full, based on historical payment behavior and extensive analysis of customer credit risk.

The Company's exposure to credit risk for trade receivables by relationship is as follows:

Particulars	As at March 31, 2023	As at March 31, 2022
Third party customers	241.38	200.92
Related parties	-	-

Other financial assets

This balance primarily constitute of Bank fixed deposits having maturity of more than 12 months.

Cash and cash equivalents

The Company held cash and cash equivalents with credit worthy banks and financial institutions as at the reporting dates which has been measured on the 12-month expected loss basis. The credit worthiness of such banks and financial institutions are evaluated by the management on an ongoing basis and is considered to be good with low credit risk. Also, no impairment loss has been recorded in respect of fixed deposits that are with recognised commercial banks and are not past due.

iii. Liquidity risks

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company has current financial assets which the management believes is sufficient to meet all its liabilities maturing during the next 12 months.

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, including contractual interest.

iv. Market risks

Market risk is the risk of loss of future earnings or fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign exchange rates and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables. The Company is exposed to market risk primarily related to foreign exchange rate risk (currency risk), interest rate risk and the market value of its investments. Thus the Company's exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities in foreign currencies.

26 As per Ind AS 19 - "Employee benefits", the disclosures are given below:

(Amount in Lakhs)

26.1 The Company operates the following unfunded defined benefit plan

Unfunded:

Gratuity

The Company has a defined benefit gratuity plan. The gratuity plan is primarily governed by the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of five years are eligible for gratuity. The level of benefits provided depends on the member's length of service and salary at the retirement date. The gratuity plan is unfunded plan.

26.2 The principal assumptions used for the purpose of the actuarial valuations were as follows:

Valuation as at	March 31, 2023	March 31, 2022
Discount rate	7.14%	5.85%
Salary growth rate	5.00%	5.00%

Actuarial (gain) / loss	-8.10	-
Benefits paid	-	-
Defined benefit obligations at the end of the year	16.81	19.40

26.4 Sensitivity

The financial results are sensitive to the actuarial assumptions. The changes to the defined benefit obligations for increase / decrease of 1% from assumed salary escalation, withdrawal and discount rates are given below:

Scenario	As at March 31, 2023		As at March 31, 2022	
	Decrease	Increase	Decrease	Increase
Change in salary increase rate (delta effect of +/-1%)	15.98	17.72	18.49	20.39
Change in discount rate (delta effect of +/-1%)	17.64	16.06	20.31	18.58
Change in withdrawal rate (delta effect of +/-1%)	16.84	16.78	18.98	18.95

26.5 Risk exposure

Though its defined benefit plans, the Company is exposed to a number of risks, the most significant of which are detailed below

Interest Risk

A decrease in the bond interest rate will increase the plan liability.

Longevity Risk

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary Risk

The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

IMPORTANT NOTES

1. Pursuant to the General Circular No. 10/2022 dated December 28, 2022, issued by the Ministry of Corporate Affairs (MCA) and Circular SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated January 5, 2023 issued by SEBI (hereinafter collectively referred to as "the Circulars"), companies are allowed to hold AGM through VC, without the physical presence of members at a common venue. Hence, in compliance with the Circulars, the AGM of the Company is being held through VC on Wednesday, September 27, 2023 at 11:00 A.M. (IST).
2. Information regarding appointment/re-appointment of Director(s) and Explanatory Statement in respect of special businesses to be transacted pursuant to Section 102 of the Companies Act, 2013 and/or Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard II is annexed hereto.
3. Though, pursuant to the provisions of the Act, a Member is entitled to attend and vote at the AGM is entitled to appoint proxy to attend and vote on his/her behalf, since this AGM is being held through VC pursuant to the Circulars issued by the Ministry of Corporate Affairs & SEBI, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
4. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
5. Since the AGM will be held through VC/ OAVM, the route map of the venue of the Meeting is not annexed hereto.
6. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
7. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), the MCA Circulars & SEBI Circulars, the Company is providing facility of remote e-Voting to its Members in respect of the businesses to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as venue voting on the date of the AGM will be provided by NSDL.
8. Notice calling the AGM has been sent by electronic means to those members who had registered their email addresses with the Company / Depositories. The Notice has also been uploaded on the website of the Company at www.quadpro.co.in & the website of the Stock Exchange i.e. NSE Limited at www.nseindia.com and is also made available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. www.evoting.nsdl.com.
9. Members holding shares in dematerialised mode are requested to register / update their email addresses with the relevant Depository Participants.
10. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone / mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc.
11. Members seeking clarifications on the Annual Report are requested to send in written queries to the Company at least one week before the date of the meeting. This would enable the Company to compile the information and provide the replies at the Meeting.
12. The Securities and Exchange Board of India (SEBI) mandated linking PAN with Aadhaar till June 30, 2023 vide its circular dated March 16, 2023. Shareholders are requested to submit their PAN, KYC and nomination details to the Company's RTA, Kfin Technologies Limited, at einward.ris@kfintech.com.

Members holding shares in electronic form are, therefore, were required to submit their PAN to their DP and link their PAN with Aadhaar before June 30, 2023, in accordance with the SEBI circular dated March 16, 2023. In case of non-submission of the same, RTA is obligated to freeze such folios. The securities in the frozen folios shall be eligible to receive payments (including dividend) and lodge grievances only after furnishing the complete documents. If the securities continue to remain frozen as on December 31, 2025, the RTA / the Company shall refer such securities to the administering authority under the Benami Transactions (Prohibitions) Act, 1988, and / or the Prevention of Money Laundering Act, 2002.

As per Section 72 of the Act, the facility for submitting nomination is available for members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form SH-13. Members are requested to submit these details to their DP in case the shares are held by them in electronic form, and to the RTA, in case the shares are held in physical form.

13. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised not to leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified.
14. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Act, and the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, will be available electronically for inspection by the members during the AGM. All documents referred to in the Notice will also be available for electronic inspection without any fee by the members from the date of circulation of this Notice up to the date of AGM, i.e. September 27, 2023. Members seeking to inspect such documents can send an email to quadpro.cs@gmail.com.
15. In compliance with Section 108 of the Act, read with the corresponding rules, and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the Listing Regulations"), the Company has provided a facility to its members to exercise their votes electronically through the electronic voting ("e-voting") facility provided by the NSDL. Members who have cast their votes by remote e-voting prior to the AGM may participate in the AGM but shall not be entitled to cast their votes again. The manner of voting remotely by members holding shares in dematerialised mode is provided in the instructions for e-voting section which forms part of this Notice. The Board has appointed M/s SCS and Co. LLP, Practicing Company Secretaries (M. No. 41942 and COP No. 23630), as the Scrutinizer to scrutinize the e-voting in a fair and transparent manner.
16. The e-voting period commences on Sunday, September 24, 2023 at 09:00 A.M. (IST) ends on Tuesday, September 26, 2023 at 05:00 P.M. (IST). During this period, members holding shares in dematerialized form, as on cut-off date, i.e. as on Wednesday, September 20, 2023 may cast their votes electronically. The e-voting module will be disabled by NSDL for voting thereafter. A member will not be allowed to vote again on any resolution on which vote has already been cast.
17. The facility for voting during the AGM will also be made available. Members present in the AGM through VC/ OAVM and who have not cast their vote on the resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through the e-voting system during the AGM.
18. The Scrutinizer will submit their report to the Chairman of the Company ('the Chairman') or to any other person authorised by the Chairman after the completion of the scrutiny of the e-voting (votes casted during the AGM and votes casted through remote e-voting). The result declared along with the Scrutinizer's report shall be communicated to the stock exchanges, NSDL and will also be displayed on the Company's website, www.quadpro.co.in.
