BALAJEE FIBC LTD.**

14TH
ANNUAL REPORT
2022-23

CHAIRMAN'S MESSAGE

Dear Shareholder's

It gives me immense pleasure to present the 14th Annual report of Shree Tirupati Balajee FIBC Limited for the financial year 2022-2023.

The year witnessed major macroeconomic factors that shaped the global economy- higher interest rates coupled with tightening liquidity, high commodity prices following the Russia-Ukraine conflict, high energy and food prices in Europe, and global supply-chain disruptions, amongst others.

Nonetheless, the Indian economy demonstrated remarkable resilience positioning itself for a return to pre-pandemic growth levels. The Indian economy emerged as an exception, achieving the highest growth rate among the major large economies thereby emerging as the world's fastest-growing economy.

Although these economic challenges impacted the overall demand, In FY23, your Company was able to steer through the challenges of unpredictable market conditions effectively and achieved Net profit after Tax of Rs. 937.46 Lakhs as compared to Rs. 700.17 Lakhs in FY22. The Earnings per share stood at 6.91 for this year. I am grateful to our customers, partners, employees, and other stakeholders for their relentless collaboration to make this happen.

The demand for FIBC is growing due to the rising logistics demand due to increase in population, consumptions, increased media penetration through the internet, and growing economy. The rise in e-commerce is expected to increase the demand for FIBCs as they are ideal for shipping and storing large quantities of products. Furthermore, Advancement in technology and materials are expected to lead to the development of new and innovative FIBC products, providing new opportunities for manufacturers and suppliers. As the demand for sustainable and eco-friendly packaging solutions increases, FIBCs offer a viable alternative to traditional packaging materials such as plastic and paper.

The above mentioned opportunities and market strength for FIBC Bags along with your Company's vast experience for more than 14 years in FIBC industry together with a strong supply chain network and reputed customers in international market, all together provide the opportunity to serve its customers in diverse sectors from different geographical regions in accordance to their requirements.

*We believe we have immense potential to make **SHREE TIRUPATI BALAJEE FIBC LIMITED** a prominent position in the Indian FIBC Industry. Our primary purpose has been to optimally leverage the available resources, enhance our operational structure, and consistently deliver value to our business. With a keen eye on the flourishing opportunities in the FIBC industry, we are confident to seize them and further capitalise on our strengths.*

We expect vast opportunities to unfold in the coming years. We also remain committed to improving our financial profile and continue to make disciplined decisions. On this positive note, I thank all our stakeholders for believing in our growth story. We seek your continued support in our efforts to create value for all and continue to be a partner in and contribute to India's remarkable economic rise.

Regards,

**NOTES:**

1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8th, 2020, Circular No. 17/2020 dated April 13th, 2020, Circular No. 20/2020 dated May 05th, 2020 and Circular No. 20/2020 dated Dec 28th, 2022 and Circular SEBI/HO/ CFD/PoD-2/P/CIR/2023/4 dated 05th January, 2023 issued by Securities and Exchange Board of India ("SEBI") read together with other circulars issued by SEBI in this regard (collectively to be referred to as "SEBI Circulars"). The forthcoming AGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 (as amended), and MCA Circulars dated April 08th, 2020, April 13th, 2020 and May 05th, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08th, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13th, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.tirupatibalajee.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. National Stock Exchange of India Limited at www.nseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8th, 2020 and MCA Circular No. 17/2020 dated April 13th, 2020 and MCA Circular No. 20/2020 dated May 05th, 2020.
8. In continuation of this Ministry's General Circular No. 20/2020, dated 05th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2023, or become due in the year 2023, to conduct their AGMs on or before 30th September 2023, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2020 dated 05.05.2020.
9. Since the AGM will be held through VC/ OAVM, the route map of the venue of the Meeting is not annexed hereto.
10. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013, which sets out details relating to Special Business at the meeting, is annexed hereto. The relevant details, pursuant to Regulations 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, in respect of Directors seeking appointment/re appointment at this Annual General Meeting ("AGM") is also annexed.

11. Brief resume of Directors including those proposed to be appointed / re-appointed, nature of their expertise in specific functional areas, names of companies in which they hold directorships and memberships/chairmanships of Board Committees, shareholding and relationships between directors inter-se as stipulated, are provided.
12. The Board of Directors has appointed M/s Ritesh Gupta & Co., Company Secretaries, Indore (ICSI Membership No. F5200 & CP No. 3764) as the Scrutinizer to scrutinize the voting during the AGM and remote e-voting process in a fair and transparent manner.
13. The Results shall be declared on or after the AGM of the Company. The Results declared along with the Scrutinizer's Report shall be placed on the Company's website at www.tirupatibalajee.com and shall be communicated to the stock exchange as well within two (02) days of passing of the resolutions at the AGM of the Company.

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- Step 1:** Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- Step 2:** Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- i. The voting period begins on **Tuesday, 26th day of September, 2023 at 09.00 A.M. (IST) and ends on Thursday, 28th day of September, 2023 at 05.00 P.M. (IST)**. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Friday, 22nd day of September, 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting **to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- Step 1:** Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9th, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

FORM No. MR-3**SECRETARIAL AUDIT REPORT**

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2023

To,
The Members,
Shree Tirupati Balajee FIBC Limited,
Plot No. A.P.-14 (Apparel Park),
SEZ Phase-II, Industrial Area
Pithampur (M.P.) - 454774

I have conducted the secretarial audit of the compliances of applicable statutory provisions and the adherence to good corporate practices by **SHREE TIRUPATI BALAJEE FIBC LIMITED** (CIN: L25202MP2009PLC022526) (hereinafter called “**The Company**”). The equity shares of the company are listed on SME Board of National Stock Exchange of India (Emerge). Secretarial audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the Financial Year ended 31st March, 2023 complied with the statutory provisions listed hereunder and also that the Company has proper board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined on test basis the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended 31st March, 2023 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made thereunder;

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Global Economic Overview

In calendar year 2022, the global economy continued to recover from the effects of geopolitical tensions and the COVID-19 pandemic. The impact of the liquidity issues following a succession of global bank crises appears to have been contained by the quick intervention of central banks. Businesses worldwide are already reeling under the impact of the energy crisis, rising inflation, tight financial conditions in most parts of the world and a hike in commodity prices. The conflict between Russia and Ukraine has exacerbated the problem. Poor consumer demand following the epidemic and rising prices continue to weigh severely on 2023 growth prospects. Policy paths in the largest economies could continue to diverge, leading to further US dollar appreciation and cross-border tensions in the days ahead. Energy and food price shocks might also add to inflationary pressures. Global tightening of financing conditions could trigger widespread distress for emerging market debt. However, the global macro-economy is showing signs of stabilising, leading to expectations of improved growth momentum in CY24. Global Central Banks are closely monitoring liquidity positions and aiming to boost sentiments.

Indian Economic Overview

India has reclaimed its position as the fastest growing large economy in the world following the disruption due to the COVID-19 pandemic and its economic momentum has proven to be highly resilient, even amidst the global interest rate tightening cycle and the resultant volatility in foreign exchange rates. According to the NSO's Second Advance Estimates, the Indian economy has been estimated to grow by 7.0% in FY23 as against 9.1% in FY22.

Despite the worldwide economic downturn, there is a cautious sense of optimism in India. India is on track to maintain its position as the fastest-growing nation among the G-20 countries due to favourable economic conditions and overall macroeconomic stability. Its presidency of the G20 Summit in 2023 further strengthens its global positioning. With increased economic activity, a conducive demand environment, and positive outlook for the manufacturing, services and agricultural sectors, India's growth momentum is likely to attract significant investments. The Reserve Bank of India predicts a growth rate of 6.5% in FY24, aided by increased consumer sentiment, investor confidence, credit expansion and the government's infrastructure and productive capacity investment incentives, which are expected to spur employment opportunities.

Economic Outlook

The easing of global inflationary pressure led by falling international commodity prices and strong government measures is expected to aid economic growth in India. An increase in export demand, a rebound in consumer spending and public capital expenditures have contributed to a recovery in the investment/manufacturing activities of companies. Startups are achieving success and gaining a firm foothold in the expanding Indian markets. In the near future, the increasing use of dynamic technologies such as data analytics, artificial intelligence and the cloud will transform the Indian economy into one that is digitally oriented, making it one of the most attractive business markets in the world.

IMF estimates India to be one of the fast-growing significant economies in 2022. The growth of exports may have moderated in the second half of FY23. However, their surge in FY22 and the first half of FY23 induced a shift in the gears of the production processes from mild acceleration to cruise mode. Manufacturing and investment activities consequently gained traction. By the time the growth of exports moderated, the rebound in domestic consumption had sufficiently matured to take forward the growth of India's economy. Private Consumption as a percentage of GDP stood at 58.4 per cent in Q2 of FY23, the highest among the second quarters of all the years since 2013-14, supported by a rebound in contact intensive services such as trade, hotel and transport, which registered sequential growth of 16 percent in real terms in Q2 of FY23 compared to the previous quarter.

Packaging and FIBC Industrial Trend

The global market for Flexible Intermediate Bulk Containers is expected to witness market growth at a rate of 5.97% in the forecast period of 2021 to 2028. The expansion of food, agriculture, chemical and pharmaceutical industries is escalating the growth of flexible intermediate bulk container market. North America dominates the flexible intermediate bulk container market due to the growing pharmaceutical industry, high FIBC adoption by the large-scale chemical and manufacturing industries steady growth rates of food processing and agricultural markets in the region. Asia-Pacific is expected to witness significant CAGR during the forecast period of 2021 to 2028 because of the high agriculture production.

(<https://www.databridgemarketresearch.com/reports/global-flexible-intermediate-bulk-container-market>)

Furthermore, a report by Allied Market Research indicates that the demand for FIBCs is expected to increase in developing countries such as India, China, and Brazil, due to the growth of industries such as agriculture, construction, and chemicals. The report estimates that the global FIBC market will reach USD 6.3 billion by 2027, growing at a CAGR of 6.1% from 2020 to 2027. Looking ahead to 2023, the FIBC trend is expected to continue its growth trajectory. The demand for FIBCs is projected to increase due to their versatility and suitability for various applications. With the demand for FIBCs on the rise, manufacturers are also expected to focus on developing new and innovative products that cater to the specific needs of various industries. Looking ahead to 2024, the FIBC market is expected to maintain its growth momentum. The growth in FIBC market is driven by factors such as the increase in industrialization, growing demand for food and pharmaceutical products, and the rise in construction activities. With the emergence of new technologies and the demand for sustainable and eco-friendly packaging solutions, the FIBC market is poised for significant growth in the coming years.

**Strengths and Opportunities:**

The demand for FIBC is growing due to the rising logistics demand due to increase in population, consumptions, increased media penetration through the internet, and growing economy. The rise in e-commerce is expected to increase the demand for FIBCs as they are ideal for shipping and storing large quantities of products. Furthermore, Advancement in technology and materials are expected to lead to the development of new and innovative FIBC products, providing new opportunities for manufacturers and suppliers. As the demand for sustainable and eco-friendly packaging solutions increases, FIBCs offer a viable alternative to traditional packaging materials such as plastic and paper.

The above mentioned opportunities and market strength for FIBC Bags and your Company's vast experience for more than 14 years together with a strong supply chain network and reputed customers in international market provide the opportunity to serve its customers in diverse sectors from different geographical regions in accordance to their requirements.

Weakness and Threats:

Due to the ongoing geopolitical tension in Europe over Ukraine war, Cost of crude oil has increased and exchange rates have been too volatile which might have an adverse impact on the Company, Since exports to various countries will carry the risk of fluctuation in currency value which may affect the realization. The price of raw materials used to manufacture FIBCs, such as polypropylene, can be volatile, which can affect the profitability of manufacturers and the price of FIBCs for customers.

Internal Control System

Your Company has an efficient inbuilt system to monitor the compliance of standards at each stage of the production process. The system enables the management to quickly identify any deviations from the required standards and to take appropriate action for correction. The compliance to the standards is also reviewed by the management at the monthly meetings. The system helps the company to identify the risks at an early stage so that required action is taken for control. The Company conducts its business with integrity and high standards of ethics, and in compliance with the laws and regulations that govern its business. The Company has a well established system of internal controls in operations, supported by suitable monitoring procedures and self-assessment exercises.

Material developments in Human Resources / Industrial Relations front, including number of people employed.

The FIBC industry is highly labor intensive and attrition rate is also high, hence recruiting right talent, providing quality training and retaining them is the primary focus of the Company. Your Company is equipped with inbuilt infrastructure to provide continuous training to the workers for achieving efficiency in production. For the professional skill development of its people, the Company is committed towards conducting frequent training programmes to improve technical and behavioural skills, foster business excellence, management and leadership skills. Along with offering numerous opportunities to promote career growth, it also raises awareness of the Company's values and code of conduct. The business upholds a safety culture and implements programmes and procedures to protect the health and welfare of its employees. Additionally, it aims to establish a diverse and inclusive workplace that accepts individuals from distinct backgrounds, acknowledges individual preferences, cultural or gender preferences and so on. The total employee strength as on 31st March, 2023 was 600.

Risks and Concerns

The Company has in place a Risk Management Policy duly approved by the board which is periodically reviewed by the management. The main objective of the company's risk management policy is to ensure the effective identification and reporting of risk exposures, involvement of all departments and employees in risk management, to ensure continuous growth of business and protect all the stakeholders of the Company. Based on the current business environment below are the major risks and its impact identified by the Company and the measures taken for mitigation.

RISKS	IMPACT ON THE COMPANY	MITIGATION STRATEGY
Uncertainty in the business environment	FIBC is a labour intense industry.	The company is trying to collaborate with various skill development programmes.
Exchange Risks	The Company is into export of FIBC bags to different countries. There is high risk of forex loss due to volatility in currency market caused by ongoing geopolitical tension around Ukraine war.	Company follows a comprehensive Forex Policy for hedging against such volatility in the currency market. Forex Contracts will be executed based on the current market conditions and future outlook.
Supply Chain Disruption	There is also the risk of the supply chain disruption due to geopolitical and various other factors.	Company has engaged multiple entities in the supply chain to ensure that there is no disruption in the network and there is always an alternative. Further, the company is working with multiple suppliers and trying to encourage suppliers from nearby suppliers to avoid non-availability of materials.

**Future Outlook:**

FIBC manufacturing companies are poised for growth in the coming years, with increasing demand from various industries for bulk packaging solutions. Few of the factors that will likely contribute to the future outlook of FIBC manufacturing companies are Increasing Demand for Sustainable Packaging Solutions, Growth in Emerging Markets, Advancements in FIBC Technology, Increasing Regulations and Standards. Your company has a promising future outlook, driven by increasing demand for sustainable packaging solutions, growth in emerging markets, advancements in FIBC technology, adoption of automation and Industry, and increasing regulations and standards. Your company can leverage these trends and adapt to changing market conditions will be well-positioned for success in the future.

**STANDALONE FINANCIAL
STATEMENTS
OF
SHREE TIRUPATI BALAJEE FIBC LIMITED
FOR THE FINANCIAL YEAR
2022-23**

INDEPENDENT AUDITOR'S REPORT

To the Members of
SHREE TIRUPATI BALAJEE FIBC LIMITED

Report on the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of SHREE TIRUPATI BALAJEE FIBC LIMITED ("the Company"), which comprises the balance sheet as at 31st March 2023, and the statement of Profit and Loss, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance Report, and Shareholder Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial statements made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditors' Report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditors' Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our Auditors' Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure "A"** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF SHREE TIRUPATI BALAJEE FIBC LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of SHREE TIRUPATI BALAJEE FIBC LIMITED ("the Company") as of 31 March 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- 1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- 3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**1. NOTES TO THE FINANCIAL STATEMENTS:-****Summary of Significant Accounting Policies:-****1.1 Corporate Information**

Shree Tirupati Balajee FIBC Limited ('the Company'), is a public Company domiciled in India. Its shares are listed in SME Platform of National stock exchange of India. The Company is engaged in manufacturing of HDPE/PP Woven Sacks and Flexible Intermediate Bulk Containers (FIBC's). Manufacturing unit is located at Pithampur Sector-2 (SEZ) in Madhya Pradesh. The Company is having investment in wholly owned subsidiary company name STB International Pvt. Ltd.

1.2. Basis of Preparation

These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified). Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use with those of previous year.

1.3 Use of Estimates

The preparation of the financial statements in conformity with Indian GAAP requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (including contingent liabilities) and the reported income and expenditure during the year. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the difference between the actual results and the estimates as are recognized in the period in which the results are known / materialize.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current/ non-current classification of assets and liabilities.

1.4 Property, Plant and Equipment and Intangible assets:-**(i) Property Plant & Equipments**

All Property Plant & Equipments are stated at historical cost, less accumulated depreciation. Historical cost comprises the purchase price and all direct costs attributable to bring the assets to its working condition for intended use.

Subsequent expenditure relating to Property Plant & Equipments is capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance. Addition during the year shown in Property Plant & Equipments schedule is net off Capital Subsidy in related to respective assets.

(ii) Intangible assets

An intangible asset is recognized when it is probable that the future economic benefits attributable to the asset will flow to the enterprise and where its cost can be reliably measured. Intangible assets are stated at cost of acquisition less accumulated amortization and impairment loss, if any. Cost comprises the purchase price and any cost attributable to bringing the assets to its working condition for its intended use which includes taxes, freight, and installation and allocated incidental expenditure during construction/ acquisition and exclusive of GST credit or other tax credit available to the Company.

The Company provides for retirement benefits in the form of Gratuity. Benefits payable to eligible employees of the Company with respect to gratuity, a defined benefit plan is accounted for on the basis of an actuarial valuation as at the Balance Sheet date. In accordance with the Payment of Gratuity Act, 1972, the plan provides for lump sum payments to vested employees on retirement, death while in service or on termination of employment an amount equivalent to 15 days basic salary for each completed year of service. Vesting occurs upon completion of five years of service.

1.17 Cash and cash equivalents

Cash and cash equivalents include cash in hand, demand deposits with banks, other short term highly liquid investments with original maturities of three months or less.

1.18 Income Taxes

Tax expense for the period comprises of current Income tax & deferred tax and Minimum Alternate Tax.

Current Income Tax provision has been determined on the basis of relief, deductions available under the Income Tax Act.

Deferred Tax is recognized for all timing differences between the book profit and tax profit subject to the consideration of prudence, applying the tax rates that have been substantially enacted as of the reporting date.

Minimum alternate tax (MAT) paid in a year is charged to the statement of Profit and Loss as current tax.

In the year in which the company recognizes MAT credit as an asset in accordance with the Guidance note on Accounting for credit Available in respect of Minimum Alternate Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the Statement of Profit and Loss and shown as "MAT Credit Entitlement."

The company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward.

The company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the Company does not have convincing evidence during the specified period.

1.19 Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such

as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

1.20 Government grants and subsidies

Grants and subsidies from the government are recognised when there is reasonable assurance that (i) the Company will comply with the conditions attached to them, and (ii) the grant/subsidy will be received.

When the grant or subsidy related to revenue, it is netted off from respective expenditure on a systematic basis in the Statement of Profit and Loss over the periods necessary to match them with the related costs, which they are intended to compensate. Where the grant is related to an asset, it is reduced from the cost of assets.

1.21 Segment reporting

The accounting policies adopted for segment reporting are in conformity with the accounting policies adopted for the Company. The Company's operating businesses are organized and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

Further, inter-segment revenue has been accounted for based on the transaction price agreed to between segments which is primarily market based. Unallocated items include general corporate income and expense items, which are not allocated to any business segment.

However, the company has no separate business and geographical segments to be reported

INDEPENDENT AUDITOR'S REPORT

To
the Members of
SHREE TIRUPATI BALAJEE FIBC LIMITED

Report on the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of **SHREE TIRUPATI BALAJEE FIBC LIMITED** ("the Holding Company") and its subsidiary (the Holding Company and its subsidiary company together referred to as the "Group"), which comprise the balance sheet as at 31st March 2023, and the statement of Profit and Loss, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and consolidated profit and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance Report, and Shareholder Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going

concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the consolidated financial statements made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditors' Report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditors' Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our Auditors' Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("CARO 2020"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the **Annexure B**, a statement on the matter specified in paragraph 3(xxi) of CARO 2020.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure A**".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended : In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- The Group has disclosed the impact of pending litigations on its financial position in its consolidated financial statements - Refer Note No. 34 to the consolidated financial statements;
 - The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - There are no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company.
 - (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (c) Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material mis-statement.
 - No dividend have been declared or paid during the year by the company.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF SHREE TIRUPATI BALAJEE FIBC LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **SHREE TIRUPATI BALAJEE FIBC LIMITED ("the Company")** as of 31st March 2023 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- 1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- 3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control

over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**1. NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS:-****Summary of Significant Accounting Policies:-****1.1. Basis of Preparation**

These Consolidated financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) and in accordance with Accounting Standard 21 under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified). Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use with those of previous year.

1.2 Use of Estimates

The preparation of the financial statements in conformity with Indian GAAP requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (including contingent liabilities) and the reported income and expenditure during the year. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the difference between the actual results and the estimates as are recognized in the period in which the results are known / materialize.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current/ non-current classification of assets and liabilities.

1.3 Property, Plant and Equipment

All Property, Plant and Equipment are stated at historical cost, less accumulated depreciation. Historical cost comprises the purchase price and all direct costs attributable to bring the assets to its working condition for intended use.

Subsequent expenditure relating to Property, Plant and Equipments capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

1.4 Intangible assets

An intangible asset is recognized when it is probable that the future economic benefits attributable to the asset will flow to the enterprise and where its cost can be reliably measured. Intangible assets are stated at cost of acquisition less accumulated amortization and impairment loss, if any. Cost comprises the purchase price and any cost attributable to bringing the assets to its working condition for its intended use which includes taxes, freight, and installation and allocated incidental expenditure during construction/ acquisition and exclusive of GST credit or other tax credit available to the Company.

Subsequent expenditure relating to intangible assets is capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

1.5 Depreciation

Depreciation has been provided based on life assigned to each assets in accordance with schedule II of the companies Act, 2013.

1.6 Amortization of Intangible assets

Amortization of intangible assets has been calculated on straight line basis at the following rates, based on management estimates, which in the opinion of the management are reflective of the estimated useful lives of the Intangible assets.

Amortization on addition to intangible assets is provided on pro-rata basis from the subsequent month of the assets are ready for intended use. Amortization on sale/discard from intangible assets is provided upto the previous month of sale, deduction or discard of intangible assets as the case may be.

1.7 Assets taken on lease

(i) Operating leases - where the Company is a lessee

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Rentals and all other expenses in respect of assets taken on lease are debited to statement of Profit and Loss.

(ii) Finance leases - where the company is a lessee

N.A.

1.8 Foreign currency translation

The Company has opted for accounting the exchange differences arising on reporting of foreign currency monetary items in line with Companies (Accounting Standards) Amendment Rules, 2011 relating to Accounting Standards 11.

1.9 Borrowing Cost

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

General and specific borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. All other borrowing costs are recognized in Statement of Profit and Loss in the period in which they are incurred.

1.10 Inventories

Finished goods are measured at cost or net realizable value whichever is lower, finished goods is lying at factory as well as different locations for Job Work. Cost of finished goods comprises of cost of purchase, cost of conversion and other cost/benefits including manufacturing overhead incurred in bringing them to their respective present location & condition. Cost of Raw Material, Work In Progress, Store & Spares, Packing Material is determined at FIFO Basis.

1.11 Impairment of Tangible Assets

The Management periodically assesses using, external and internal sources, whether there is an indication that an asset may be impaired. An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the Profit & Loss account in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

1.12 Revenue Recognition

Sales revenue is recognized when property in the goods with all significant risk and rewards as well as the effective control of goods usually associated with ownership are transferred to the buyer and are recorded net of trade discounts, rebates, Value Added Tax, Goods and Service Tax and gross of Excise Duty.

Subsidy, Claims and refunds due from Government authorities and parties, through receivable / refundable are not recognized in the accounts, if the amount thereof is not ascertainable. These are accounted for as and when ascertained or admitted by the concerned authorities / parties in favor of the Company.

Revenue from sale of services

Income from services are recognized as and when the services are rendered. The Company collects service tax/GST on behalf of the government and, therefore, it is not an economic benefit flowing to the Company. Hence, it is excluded from revenue.

Interest Income

Interest Income is recognized on a time proportion basis taking into account the amount outstanding and applicable interest rate.

1.13 Provision, Contingent Liabilities and Contingent Assets

Provision is recognized in the accounts when there is a present obligation as a result of past event(s) and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognized nor disclosed in the financial statements.

1.14 Cash Flow Statement

Cash flows are reported using indirect method. The cash flows from operating, financing and investing activities of the company are segregated based on the available information.

1.15 Retirement and other Employee Benefits

Defined contribution plan

The Company makes defined contribution to Government Employee Provident Fund, Employee Deposit Linked Insurance, Employee state insurance and labour welfare funds which are recognised in the Statement of Profit and Loss on accrual basis. The Company has no further obligations under these plans beyond its monthly contributions.

Defined benefit plan - Gratuity

The Company provides for retirement benefits in the form of Gratuity. Benefits payable to eligible employees of the Company with respect to gratuity, a defined benefit plan is accounted for on the basis of an actuarial valuation as at the Balance Sheet date. In accordance with the Payment of Gratuity Act, 1972, the plan provides for lump sum payments to vested employees on retirement, death while in service or on termination of employment an amount equivalent to 15 days basic salary for each completed year of service. Vesting occurs upon completion of five years of service.

1.16 Cash and cash equivalents

Cash and cash equivalents include cash in hand, demand deposits with banks, other short term highly liquid investments with original maturities of three months or less.

1.17 Income Taxes

Tax expense for the period comprises of current Income tax & deferred tax and Minimum Alternate Tax.

Current Income Tax provision has been determined on the basis of relief, deductions available under the Income Tax Act.

Deferred Tax is recognized for all timing differences between the book profit and tax profit subject to the consideration of prudence, applying the tax rates that have been substantially enacted as of the reporting date.

Minimum alternate tax (MAT) paid in a year is charged to the statement of Profit and Loss as current tax.

In the year in which the company recognizes MAT credit as an asset in accordance with the Guidance note on Accounting for credit Available in respect of Minimum Alternate Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the Statement of Profit and Loss and shown as "MAT Credit Entitlement."

The company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward.

The company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the Company does not have convincing evidence during the specified period.

1.18 **Earnings per Share**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

1.19 **Government grants and subsidies**

Grants and subsidies from the government are recognised when there is reasonable assurance that (i) the Company will comply with the conditions attached to them, and (ii) the grant/subsidy will be received.

When the grant or subsidy related to revenue, it is netted off from respective expenditure on a systematic basis in the Statement of Profit and Loss over the periods necessary to match them with the related costs, which they are intended to compensate. Where the grant is related to an asset, it is reduced from the cost of assets.

1.20 **Segment reporting**

The accounting policies adopted for segment reporting are in conformity with the accounting policies adopted for the Company. The Company's operating businesses are organized and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

Further, inter-segment revenue have been accounted for based on the transaction price agreed to between segments which is primarily market based. Unallocated items include general corporate income and expense items, which are not allocated to any business segment.

However, the company has no separate business and geographical segments to be reported

1.21 **Basis of Consolidation**

The consolidated financial statements comprise the financial statements of the Parent Company and its subsidiaries. Control is achieved when the company has:

- Power over the investee,
- Is exposed or has rights to variable returns from its involvement with the investee, and
- Has the ability to use its power over the investee to affect its returns,

Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the company has less than a majority of the voting or similar rights of an investee, the company considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- The contractual arrangement with the other vote holders of the investee,
- Right arising from other contractual arrangements,
- The company's voting rights and potential voting rights,
- The size of the company's holding of voting rights relative to the size and dispersion of the holding of the other voting rights holder.

The company re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of subsidiary begins when the company obtains control over the subsidiary and ceases when the company loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the company gains control until the date the company ceases to control the subsidiary.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group member's financial statements in preparing the consolidated financial statements to ensure conformity with the Group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e., year ended on 31st March. When the end of the reporting period of the parent is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the financial statements of the parent to enable the Parent to consolidate the financial information of the subsidiary, unless it is impracticable to do so.

Consolidation procedure:

- (a) Combine like items of assets, liabilities, equity, income, expenses and cash flows of the Parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amount of the assets and liabilities recognized in the consolidated financial statements at the acquisition date.
- (b) Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary. Business combination policy explains how to account for any related goodwill.
- (c) Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows of relating to the transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognized in assets, such as inventory and fixed assets, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements.

When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.
