From the Desk of Chairman

Dear Shareholders,

It is my pleasure to write to you as Chairman and Whole Time Director of Ramdevbaba Solvent Limited.

I would like to take this opportunity to share with you some insights regarding the our company and prevailing conditions in the industry for financial year 2023-24.

Edible oils and Fats are essential ingredients for a wholesome and balanced diet and they are vital items of mass consumption in India and all over the world. India is a vast country and inhabitants of several of its regions have developed specific preference for certain oils largely depending upon the oils available in the region. Out of the all available oil choices, Rice bran oil is extracted from the hard outer brown layer of rice after chaff or rice husk. It has an ideal balance of Polyunsaturated Fats (PUFA) and Monounsaturated Fats (MUFA). Since rice bran oil is made from bran it is rich in Vitamin E, an antioxidant.

Your Company is in the business of manufacturing, distribution, marketing and selling of Physically Refined Rice Bran Oil to institutions and also sell under our own brands namely “Tulsi” and “Sehat” to FMCG Companies, Retailers, Wholesalers and Distributors etc. Your Company also produce De-oiled Rice Bran (DORB), which is a by-product in the extraction of Rice Bran Oil and sell the same as cattle feed, poultry feed and fish feed in the States of Maharashtra, Goa, Gujarat, Madhya Pradesh, Andhra Pradesh, Telangana, Karnataka, Kerala and Tamil Nadu. Other by-products such as fatty acid, lecithin, gums, spent earth and wax are sold in the open market. we remain cautiously optimistic about the future of the Edible Oil industry.

We are also closely monitoring geopolitical and economic developments, as they can significantly impact the industry. Further, sustainability concerns and regulatory requirements posed additional challenges. As a responsible corporate citizens, we have proactively addressed these concerns by adopting sustainable practices, investing in research and development, and implementing stringent quality control measures. Nonetheless, complying with these requirements and ensuring the well-being of our employees added further complexity to our operations.

Finally, I would like to express my heartfelt gratitude to all the shareholders of the company, Government, Customers, Suppliers as well as Lenders for their continued support and trust. I would like to acknowledge our employees and management’s dedication and hard work resulting continuous growth of the company.

Yours Sincerely,

SD/-

Prashant Kisanlal Bhaiya
Chairman and Whole Time Director

ABOUT THE COMPANY

The Company was originally incorporated as 'Ramdevbaba Solvent Private Limited' as a private limited company on 25/11/2008 under Companies Act, 1956 with Registrar of Companies, Maharashtra at Mumbai. Thereafter, the Company was converted into a public limited company on dated December 27, 2023 consequent upon conversion, recording the change in the name of our Company from 'Ramdevbaba Solvent Private Limited' to 'Ramdevbaba Solvent Limited'. The Company's Corporate Identity Number is U01112MH2008PLC188449. Registered office and Corporate office of the company both are situated in Nagpur, Maharashtra, India.

We are in the business of manufacturing, distribution, marketing and selling of Physically Refined Rice Bran Oil under our own brands "Tulsi" and "Sehat" to FMCG Companies, Wholesalers, Retailers, Distributors etc. Rice bran oil is the oil extracted from the hard outer brown layer of rice called 'bran'. It has an ideal balance of Polyunsaturated Fats (PUFA) and Monounsaturated Fats (MUFA). Since rice bran oil is made from bran, it is rich in Vitamin E, an antioxidant. The company also sell Rice Bran to various institutions also.

We also produce De-oiled Rice Bran (DORB), which is a by-product in the extraction of Rice Bran Oil and sell under the brand of 'RBS HI - PRO DORB' the same as cattle feed, poultry feed and fish feed in the States of Maharashtra, Goa, Gujarat, Madhya Pradesh, Andhra Pradesh, Telangana, Karnataka, Kerala and Tamil Nadu. Other by-products such as fatty acid, lecithin, gums, spent earth and wax are sold in the open market.

We have two (2) Manufacturing Facilities out of which one is situated at Bramhapuri and another one is situated at Mahadula near Nagpur, Maharashtra. Our Manufacturing Facilities comprise of three (3) solvent extraction facilities and two (2) oil refinery facilities with an aggregate installed capacity of around 2,55,000 MTPA and 48,000 MTPA, respectively. Our Manufacturing Facilities spread across 1,28,000 sq. metres. of land.

VISION:

We envision ourselves to be the industry leaders in the time to come.

MISSION:

We endeavor to establish a quality benchmark congregating to today's edible oil industry standards.

Our Core Competencies:

Strategic location of our Manufacturing Facilities.

Our Manufacturing Facilities are situated near Nagpur, Maharashtra giving us the strategic advantage to supply and distribute Rice Bran Oil in Maharashtra and DORB across various states in India. We are the preferred partner for our FMCG clients for manufacturing Rice Bran Oil as it can be easily distributed to central and southern India from Nagpur. Our strategic location also enables us to sell DORB to the southern states of Andhra Pradesh, Telangana, Karnataka, Kerala and Tamil Nadu, which is used by fish & poultry farmers, traders and certain end user industries for their products.

Easy availability of rice bran around our Manufacturing Facilities.

Rice bran oil is extracted from the hard outer brown layer of rice called bran. There are various rice mills which are situated near our Manufacturing Facilities ensuring the supply of rice bran to us on regular basis. Vidarbha region is one of the largest rice producing area in the State of Maharashtra and therefore rice bran is easily available at competitive prices. The ease of availability of rice bran in abundance, which is our main raw material, ensures the smooth operations of our Manufacturing Facilities, and production and sale of our finished products. In addition to the ease in availability, rice bran is also available to us at a competitive price which in turn enhances our ability to compete aggressively in pricing of our finished product as compared to our competitors.

Integrated operations and economies of scale.

Manufacture of Rice Bran Oil mainly involves two processes: (i) solvent extraction of crude oil from rice bran; and (ii) refining the extracted crude rice bran oil. We have integrated operations involving the extraction of oil from bran and refining of the extracted oil enabling us to meet the time, cost efficiency, quality and quantity requirements. Our Manufacturing Facilities have been designed in such a manner that for our operations, materials from one production process are transferred to the following production process through pipelines in a seamless way. This integration allows us not only to save costs but also helps us achieve economies of scale by controlling the inputs / production based on each previous process, improving our efficiency and margins.

Focus on Quality Control.

We have over the years focused immensely on stringent quality control for our products. Each of our Manufacturing Facilities has a QC laboratory to conduct tests on raw materials, finished product and by-products. From the procurement of raw materials till the manufacture of our finished product, each stage involves stringent quality tests and controls.

Our quality control process is closely monitored by our Promoters who have a collective experience of more than four (4) decades in agro food business. We have in-house team for quality control and quality assurance. We rely on the skill of our QC personnel for our growth and continued success of our business.

Experienced Promoters and senior management team.

Our Promoters have vast knowledge and experience in the agro, food and refining space and have a collective experience of more than four (4) decades in agro food business. They have been the driving force in the development and growth of our business. Their understanding of the industry

requirements, intuitive entrepreneurship and involvement in key aspects of our business has helped accelerate and drive our profitable growth. Our Promoters are complemented by a professional management team which shares the same vision and values as them to drive our growth.

We believe that we have attracted and retained experienced senior management team with operational and technical capabilities, management skills, business development experience and financial management skills. We believe that the combined strength of our Promoters, Directors and Senior Management team help us to implement our business strategies in an efficient manner and to continue to build on our track record of successful product offerings. We will continue to leverage on the experience of our management team and their understanding of our business to take advantage of current and future market opportunities.

Manufacturing Facilities

We have two (2) Manufacturing Facilities out of which one is situated at Bramhapuri and another one is situated at Mahadula near Nagpur, Maharashtra. Our Manufacturing Facilities comprise of three (3) solvent extraction facilities and two (2) oil refinery facilities with an aggregate installed capacity of around 2,55,000 MTPA and 48,000 MTPA, respectively. Our Manufacturing Facilities spread across 1,28,000 sq. metres. of land.

Solvent Extraction Facilities

We have installed three (3) solvent extraction facilities in our Manufacturing Facilities. In our solvent extraction facilities, we produce Crude Rice Bran Oil and other by-product, De-oiled Rice Bran (DORB). The current aggregate installed capacity of solvent extraction facilities is 2,55,000 MTPA. Our solvent extraction facilities are semi-automated and presently houses palletizers, boilers, extractors, detosters, condensers and conveyors machines. We have also installed effluent treatment plant at our solvent extraction facilities to treat and re-use the effluent generated from solvent extraction process. Further, our solvent extraction facilities have supporting infrastructure, including storage for raw materials and finished products, storage tanks for crude oil, steam boilers, and a backup diesel generator.

Oil Refining Facilities

We have installed two (2) oil refining plants, one (1) each in both of our Manufacturing Facilities. At our oil refining plants, we produce the Rice Bran Oil and by-products namely, fatty acid, lecithin, gums, spent earth, wax, etc. The current aggregate installed capacity of oil refining facilities is 48,000 MTPA of Refined Rice Bran Oil. Our oil refining plants are semi-automated and have boilers, separators, heat exchangers, deodorizers, filter press machines. We have also installed effluent treatment plant to treat and re-use the effluent generated from oil refining process.

Further, our oil refining plants have supporting infrastructure, including storage for raw materials and finished goods, packaging facilities, water cooling towers and a backup diesel generator.

Utilities

All our manufacturing facilities have access to the necessary utilities, like electricity, fuel and water. As part of the oil extraction and refining process, we consume a high amount of power and steam. We purchase electricity from state electricity authority which is our electricity provider. We have installed solar power plants at our Manufacturing Facilities having an aggregate installed capacity of 2,000 kilowatts reducing our reliance on our power requirements from public/state electricity authorities and

promoting green energy. Each of our processing plants also has a backup diesel generator to supplement our electricity requirements in the event of power interruptions. We purchase diesel primarily from major state-owned petrochemical suppliers. All of our steam requirements are satisfied by our steam boilers. Each of our processing plants has a steam boiler. Our boilers are primarily dependent on biomass fuel such as husk, which is available in abundance from traders and rice mills in the Vidharbha region of Maharashtra.

We source the water supply from bore wells and open wells for both of our Manufacturing Facilities. Water is mainly used to generate steam as required in the manufacturing process of our products. We have also installed RO plant at our manufacturing facilities for process water and drinking water.

Health, Safety and Environment

We have obtained ISO 22000:2018 certification for food safety management system and HACCP certification for manufacture & supply of refined rice bran edible oil in respect of our manufacturing units. We aim to comply with applicable health and safety regulations and other requirements in our operations and have adopted a health and safety policy, hygiene policy, prohibition of child labour policy, prohibition of consumption of alcohol and drugs policy that is aimed at complying with regulatory requirements, requirements of our licenses, approvals, various certifications and ensuring the safety of our employees and the people working at our manufacturing units or under our management.

We aim to significantly reduce accidents and occupational health hazards through a systematic analysis and control of risks and by providing appropriate training to our management and our employees. We have implemented health and safety measures to ensure a healthy and safe working environment at our facilities and to the general public.

Such measures include regular dashboard reporting and internal audit. We have health and safety software in place for incident reporting and management. Further, we provide regular trainings to our senior managements and employees. We are committed to environmental sustainability and have launched several environmental initiatives.

We have installed a solar power plant at our Manufacturing Facilities having an aggregate installed capacity of 2,000 kilowatts reducing our reliance on our power requirements from public/state electricity authorities. Further, we have also installed zero liquid discharge systems comprising Effluent Treatment Plant (ETP) and a Sewage Treatment Plant (STP), which processes and treats our discharge and helps us in protecting the environment. We use the water treated by STP for gardening and other activities.

Sales, Distribution Network and Marketing

We sell our own brands of Rice Bran Oil through our distribution network catering to various retail outlets, including retail stores and department stores to ensure availability of our products across the State.

We also supply Rice Bran Oil to our institutional customers directly. For our institutional customers, we provide customized product solutions and variants depending upon their individual requirements. These customized products are first developed and tested at our laboratories before running a final trial at our plants. Samples are generally approved by our institutional customers before they enter large scale production.

Further, our other products namely, RBS De-oiled Rice Bran and other by-products are sold to industries such as cattle feed, fish feed, poultry feed, food, cosmetics and nutritional products, among others.

Our sales and marketing team comprises of effective sales and marketing personnel based in our headquarters and key distribution centers. Our marketing initiatives include advertising through print and electronic media and radio/ TV commercials, promoting our brands through social media, hosting exhibitions and outdoor promotional activities. We also provide discount on our products and festive & promotional offers to our distributors.

Freight & Logistics

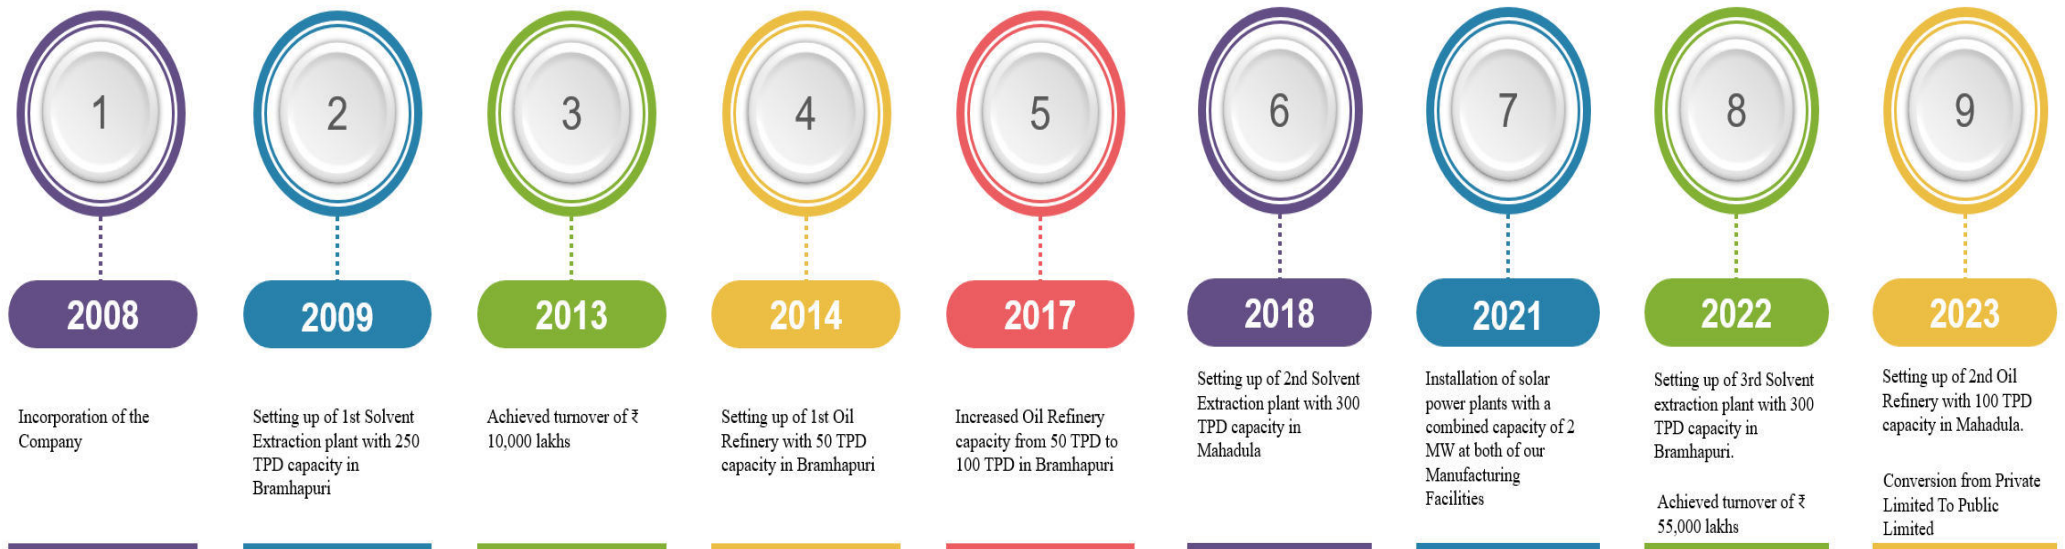

The Company owns commercial and passenger vehicles, which are used to transport our raw material and deliver finished goods to our customers and other operations of our Company. Having our own fleet of commercial vehicles enables timely delivery of our products to the customer without depending on any external service provider.

Insurance

Our operations are subject to various risks in the manufacturing industry. Accordingly, we maintain insurance policies for our manufacturing units, offices, buildings, plant and machinery, boilers, furniture, fixture and fittings and stocks due to fire and other perils. We also maintain marine cargo insurance policy to insure our consignments. We have also maintained insurance policies for our vehicles.

These insurance policies are reviewed periodically to ensure that the coverage is adequate. We believe that our insurance coverage is in accordance with industry custom, including the terms of and the coverage provided by such insurances. Our policies are subject to standard limitations. Therefore, insurance might not necessarily cover all losses incurred by us and we cannot provide any assurance that we will not incur losses or suffer claims beyond the limits of, or outside the relevant coverage of, our insurance policies.

Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020, May 05, 2020 and May 05, 2022 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Bigshare Services Private Limited (RTA of the Company) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by the RTA.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.

6. In line with the Ministry of Corporate Affairs (MCA) Circular 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.ramdevbabasol.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. NSE Limited at www.nseindia.com. The AGM Notice is also disseminated on the website of Bigshare Services Private Limited (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.bigshareonline.com.
7. 17. To prevent fraudulent transactions, Members are advised to exercise due diligence and notify the Company of any change in address or demise of any Member as soon as possible. Members are also advised to not leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned DP and holdings should be verified from time to time.
18. Members desiring inspection of statutory registers during the AGM may send their request in writing to the Company at cs@rbsl.co.in at least 48 hours before the start of AGM.
19. Members who wish to inspect the relevant documents referred to in the Notice can send an e-mail to cs@rbsl.co.in at least 48 hours before the start of AGM.
20. This AGM Notice is being sent by e-mail only to those eligible Members who have already registered their e-mail address with the Depositories/the DP/the Company's RTA/the Company.
21. The voting rights of members shall be in proportion to their shares of the paid up equity share capital of the Company as on the record date i.e. **Wednesday, 18th September, 2024.**
22. The Cut Off date / record date for the purpose of determining the eligibility of the Members to attend & vote in the 16th Annual General Meeting of the Company is **Wednesday, 18th September, 2024.**
23. M/s T.S. Tendulkar & Co, (Mr. Tushar Tendulkar) Practicing Company Secretaries, Pune has been appointed by the Board of Directors of the Company as Scrutinizer for scrutinizing the voting process through E-Voting for the Annual General Meeting in a fair and transparent manner.
24. The Chairman shall, at the AGM, at the end of discussion on the resolutions on which voting is to be held, allow voting, by use of remote e-Voting system for all those Members who are present during the AGM through VC/OAVM but have not cast their votes by availing the remote e-Voting facility. The remote e-Voting shall be available by RTA Bigshare Services Pvt. Ltd. for voting 15 minutes after the conclusion of the Meeting.
25. The Scrutinizer shall, after the conclusion of voting at the AGM, first count the votes cast during the AGM and, thereafter, unblock the votes cast through remote e-Voting and shall make, not later than 48 hours from the conclusion of the AGM, a Consolidated Scrutinizer's Report of the total votes cast in favour or against, if any, to the Chairman or a person authorized by him in writing, who shall countersign the same and declare the result of the voting forthwith.
26. The Results declared, along with the Scrutinizer's Report, shall be placed on the Company's website www.ramdevbabasol.com immediately after the declaration of the result by the Chairman or a person authorised by him in writing. The results shall also be immediately forwarded to the Stock Exchanges where the Company's Equity Shares are listed viz. NSE and be made available on their respective websites viz. www.nseindia.com.

THE INTRUCTIONS FOR SHAREHOLDRES FOR REMOTE E-VOTING ARE AS UNDER:

- i. The voting period begins on **24.09.2024 from 10.00 A.M. and ends on 26.09.2024 at 05.00 P.M.** During this period shareholders' of the Company, holding shares either in

physical form or in dematerialized form, as on the **cut-off date 18.09.2024 of 18.09.2024** may cast their vote electronically. The e-voting module shall be disabled by Bigshare for voting thereafter.

- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting **to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv. In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Explanatory Statement pursuant to Section 102 of the Companies Act, 2013

Item No. 4:-

Mrs. Deepa Agrawal, Cost Accountant (Membership No. 32019), Proprietor at Firm – M/s Deepa Agrawal & Co. (Firm's Registration No. 002065), have been appointed as the Cost Auditors by the Board of Directors of the Company on recommendations of the Audit Committee for conducting audit of cost records and accounts maintained by the Company for the financial year ending March 31, 2025 at a remuneration of Rs. 40,000/- (Rupees Forty Thousand only) per annum.

In terms of provisions of Section 148(3) of the Act, read with Companies (Audit and Auditors) Rules, 2014, members' ratification is required for remuneration payable to the Cost Auditors. Therefore, consent of the members of the Company is being sought for ratification of the remuneration payable to the Cost Auditors for the financial year ending March 31, 2025.

The Board recommends the resolution as set out at Item no. 4 of the Notice for approval of the Members as an Ordinary Resolution. None of the Directors or Key Managerial Personnel or their relatives are in anyway concerned or interested in the resolution as set out in Item no. 4 of this Notice.

Item No. 5:-

The provisions of Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as "Listing Regulations") requires shareholders' approval by means of an ordinary resolution for all material related party transactions, even if such transactions are in the ordinary course of business of the concerned company and on an arm's length basis.

A transaction with a related party shall be considered material under the Listing Regulations, if the transaction(s) in a contract to be entered into individually or taken together with previous transactions during a financial year, exceeds 10% of the annual turnover of the company as per the last audited financial statements of the company. The Board informed that some related party transactions have to perform by the Company in the ordinary course of business but on the arm's length basis. Hence, it is recommended to the members to allow the Board of Directors to enter into contracts and / or agreement with related parties as defined under the Act for F.Y. 2023-24 and 2024-25.

Accordingly, as per Regulation 23 of the Listing Regulations and applicable provisions of Companies Act, 2013, approval of the Members is sought for ratification of the arrangements/transactions under taken whether by way of continuation/extension/renewal/ modification of earlier arrangements/ transactions or otherwise so far in the financial year 2023-24 and 2024-25.

The Board recommends passing of the ordinary resolution as set out at Item No. 5 of this Notice, for the approval of the Members. None of the other Directors or Key Managerial Personnel of the Company or their relatives, other than to the extent of their shareholding in the Company, if any, are in any way, concerned or interested, financially or otherwise, in the resolution as set out at Item No. 5 of this Notice.

The Members may please note that in terms of the provisions of the Listing Regulations, all related parties as defined there under are prohibited from voting in favour of the resolution as set out at Item No. 5 of this Notice.

Item No. 6 & 7:-

In terms of Section 180 and other applicable sections / provisions of the Companies Act, 2013, if the borrowings by the Company (apart from the deposits accepted in the ordinary course of business by the Company, temporary loans repayable on demand or within six months from the date of the loan, and temporary loans, if any, obtained from the Company's bankers, other than loans raised for the purpose of financing expenditure of a capital nature) is in excess of the paid-up capital of the Company, Securities Premium and free reserves, require the approval of the Members by way of special resolution.

Under Sections of the Act, the aforementioned powers of the Board can be exercised only with the prior consent of the Members by a Special Resolution.

The Company requires borrowing funds from time to time to meet both its short term and long terms business objectives, from various external agencies like banks, financial institutions, bodies corporate or other kind of lenders or any person from whom the company can borrow money / funds as per the provisions of Companies Act, 2013, accordingly, it is proposed to borrow fresh funds by the company up to INR 250 Crores (Rupees Two Fifty Crores).

The members of the Company are further informed that according to the provisions of Section 180 of Companies Act, 2013, the Board of Directors can exercise its powers to create/renew charges, mortgages, pledges, hypothecations and floating charges on immovable or movable assets of the Company to secure its borrowings only with the consent of the shareholders obtained by way of Special Resolution.

The Board recommends the Special resolution under Item No. 6 & 7 for approval by the members.

None of the Directors, Key Managerial Personnel and their relatives are concerned or interested, financially or otherwise, in the resolutions set forth in Item No. 6 & 7 of this Notice except to the extent of their shareholding in the Company, if any.

Item No. 8:-

In order to make optimum use of funds available with the Company and also to achieve long term strategic and business objectives, the Board of Directors of the Company proposes to make use of the same by making investment in other bodies corporate or granting loans, giving guarantee or providing security to other persons or other body corporate as and when required.

Members may note that pursuant to Section 186 of the Companies Act, 2013 ("Act"), the Company can give loan or give any guarantee or provide security in connection with a loan to any other body corporate or person and acquire securities of any other body corporate, in excess of 60% of its paid up share capital, free reserves and securities premium account or 100% of its free reserves and securities premium account, whichever is more, with approval of Members by special resolution passed at the general meeting.

In view of the aforesaid, it is proposed to take approval under Section 186 of the Companies Act, 2013, by way of special resolution, up to a limit of Rs. 250 Crores, as proposed in the Notice.

The above proposal is in the interest of the Company and the Board recommends the Resolution as set out at Item No.8 for approval by the members of the Company.

None of the Directors, Key Managerial Personnel and their relatives are concerned or interested, financially or otherwise, in the resolutions set forth in Item No. 8 of this Notice except to the extent of their shareholding in the Company, if any.

Information other than Standalone Financial Statements and Auditor’s Report thereon

The Company’s Board of Directors is responsible for the other information. The Other information comprises the information included in the annual report but does not include the financial statements and our auditor’s report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider where the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is no material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management’s Responsibility for the Standalone Financial Statements

The Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone financial statements Board of Directors is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company’s financial reporting process

Auditor’s Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a

material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial statements.

As part of an audit in accordance with Standards on Auditing, We exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, We are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Board of Directors.
- Conclude on the appropriateness of Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the standalone financial results of the Company to express an opinion on the standalone financial statements.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- i. As required by The Companies (Auditors Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of subsection(11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the said order to the extent applicable.
- ii. As required by section 143(3) of the Companies Act 2013, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of the knowledge and belief were necessary for the purpose of audit.
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c. The Balance Sheet, Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account
 - d. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of written representations received from the directors as on 31st March, 2024, and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024, from being appointed as a director in terms of Section 164(2) of the Act.
 - f. with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to separate report in "Annexure B", and
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements- Refer Note 1.11 to the standalone financial statements;

- ii. The Company does not have any long-term contracts including derivative contracts for which there were any material foreseeable losses,
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with in respect of other accounting software where audit trail was enabled.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Ramdevbaba Solvent Limited (Formerly known as Ramdevbaba Solvent Private Limited) (“the Company”) as of 31 March 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial Annual Report 2023-24

statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Information other than Consolidated Financial Statements and Auditor’s Report thereon

The Company’s Board of Directors is responsible for the other information. The Other information comprises the information included in the annual report but does not include the consolidated financial statements, standalone financial statements and our auditor’s report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information, compare with the financial statements of the Subsidiary and Associate Company audited by other auditors, to the extent it relates to these entities and, in doing so, place reliance on the work of the other auditors and consider where the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. Other information so far as it relates to the Subsidiary and Associate Company, it traced from their financial statement audited by the other auditors.

If, based on the work we have performed, we conclude that there is no material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management’s Responsibility for the Consolidated Financial Statements

The Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, and consolidated cash flows of the Group including its Subsidiary and Associate Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associates are responsibility for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and its associates for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated financial statements, the respective management of the Companies included in the Group and of its associates are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate are also responsible for overseeing the financial reporting process of the Group and of its associate.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, We are also responsible for expressing our opinion on whether the Holding company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Board of Directors.
- Conclude on the appropriateness of Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the consolidated financial statements of which we are the independent auditors. For the other entities or business activities included in the consolidated financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls with reference to consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2024, we have audited the internal financial controls with reference to consolidated financial statements of Ramdevbaba Solvent Limited (Formerly known as Ramdevbaba Solvent Private Limited) (hereinafter referred to as "Holding Company"), its subsidiary companies and its associate company, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiary companies and its associate, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the internal control with reference to consolidated financial statements criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements of the Holding Company, its subsidiary companies and its associate, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The

procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies and an associate, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements of the Holding Company, its subsidiary companies and its associate, which are companies Incorporated in India.

Meaning of Internal Financial Controls with reference to consolidated financial statements

A company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to consolidated financial statements Includes those policies and procedures that (1) pertain to the maintenance of records that, In reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to consolidated financial statements

Because of the Inherent limitations of internal financial controls with reference to consolidated financial statements, Including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors referred to in the Other Matters paragraph below, the Holding Company, its subsidiary companies and its associate, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2024, based on the criteria for internal financial control with reference to consolidated financial statements established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements insofar as it relates to 6 subsidiary companies and an associate, which are companies incorporated in India, is based solely on the corresponding reports of the auditors of such companies incorporated in India. Reporting on internal financial controls with reference to financial statements is not applicable, insofar as it relates to 3 subsidiary companies, which are companies incorporated in India, as per the corresponding reports of the auditors of such companies incorporated in India.

Our opinion is not modified in respect of the above matter.

MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY OVERVIEW

Edible oils and Fats are essential ingredients for a wholesome and balanced diet and they are vital items of mass consumption. The Department of Food and Public Distribution deals with issues related to the Vegetable Oil Processing Industries, Price Control, Inter State trade & commerce and also supply & distribution of vanaspati, oilseeds, vegetable oil, cakes and fats. The Directorate of Sugar and Vegetable oils is staffed with qualified technical people who assist the Ministry in the coordinated management of Vegetable Oils Policy, particularly relating to production/availability and monitoring of prices.

There are two sources of oils viz. primary source and secondary source. The primary sources of oil are nine principal oilseeds viz. groundnut, rapeseed/mustard, soyabean, sunflower, sesame, niger, safflower, castor and linseeds. Edible oils obtained through secondary sources include coconut, cottonseed, palm, rice bran and oilseed cakes.

The edible oil market is anticipated to grow considerably in the upcoming years due to the rising popularity of crude, natural, healthy, and organic edible oils. Oils that are low in fat, cholesterol, and calories are likely to record high growth due to the growing health cognizance amidst people across the globe.

The global edible oil market report is being classified into two major categories namely market by product type and by end use. Each segment is further divided into sub-segments for the overall analysis and understanding of the market. These segments are subsequently followed by geographical classification i.e. Europe, APAC, North America and RoW which are studied under the scope of report.

This market is growing steadily because of the increasing demand of trans-fat free oils. Improvements in the use of healthier ingredients, and new flavors will result in the market's growth. Some of the factors driving this market's growth are enhancements in the retail sector, growing economies and increased production of oil owing to high crop yields.

India is a vast country and inhabitants of several of its regions have developed specific preference for certain oils largely depending upon the oils available in the region. Through modern technological means such as physical refining, bleaching and de-odorization, all oils have been rendered practically colorless, odorless and tasteless and therefore, have become easily interchangeable in the kitchen. Oils such as soyabean oil, cottonseed oil, sunflower oil, rice bran oil, palm oil and its liquid fraction-palmolein which were earlier not known have now entered the kitchen.

The Food Safety and Standards Authority of India (FSSAI) supervises the manufacture, packaging and distribution of edible oils in India.

The edible oils market is expected to reach USD 190.88 billion by 2030, which was USD 102.37 billion in 2022, registering a CAGR of 8.10% during the forecast period of 2023 to 2030. Sunflower, mustard, palm, rice bran and soya oils are commonly used which comprises 85-90% of the total edible oil consumption in India. The Hotel, Restaurants and Cafeterias sector accounts for 40% of the 23 million tonnes edible oil demand required annually and 60% of the volume is consumed by the end consumer segment, with each of these segments consuming oil in packets.

BUSINESS OVERVIEW

The Company “Ramdevbaba Solvent Limited” is in the business of manufacturing, distribution, marketing and selling of Physically Refined Rice Bran Oil under our own brands namely “Tulsi” and “Sehat” to FMCG Companies, Retailers, Wholesalers and Distributors etc.

The Company also produce De-oiled Rice Bran (DORB), which is a by-product in the extraction of Rice Bran Oil and sell the same as cattle feed, poultry feed and fish feed in the States of Maharashtra, Goa, Gujarat, Madhya Pradesh, Andhra Pradesh, Telangana, Karnataka, Kerala and Tamil Nadu. Other by-products such as fatty acid, lecithin, gums, spent earth and wax are sold in the open market. we remain cautiously optimistic about the future of the Edible Oil industry.

We have two (2) Manufacturing Facilities out of which one is situated at Bramhapuri and another one is situated at Mahadula near Nagpur, Maharashtra. Our Manufacturing Facilities comprise of three (3) solvent extraction facilities and two (2) oil refinery facilities with an aggregate installed capacity of around 2,55,000 MTPA and 48,000 MTPA, respectively. Our Manufacturing Facilities spread across 1,28,000 sq. metres. of land.

As part of the oil extraction and refining process, we consume a high amount of power and steam. We purchase electricity from state electricity authority which is our electricity provider. We have installed solar power plants at our Manufacturing Facilities having an aggregate installed capacity of 2,000 kilowatts reducing our reliance on our power requirements from public/state electricity authorities and promoting green energy. Each of our processing plants also has a backup diesel generator to supplement our electricity requirements in the event of power interruptions. We purchase diesel primarily from major state-owned petrochemical suppliers. All of our steam requirements are satisfied by our steam boilers. Each of our processing plants has a steam boiler. Our boilers are primarily dependent on biomass fuel such as husk, which is available in abundance from traders and rice mills in the Vidarbha region of Maharashtra.

GROWTH DRIVERS AND FUTURE OUTLOOK

Domestic demand for edible oils has been increasing at a pace faster than that of production due to growth in population and improvement in the standards of living of people. Nowadays, consumers are highly conscious of their health. Thus, they are using high quality edible oil which is expected to create numerous opportunities for market growth. Growing demand for edible oils with low cholesterol, calories and fat content is propelling the market growth.

We intend to set up corn de-oiling manufacturing facility, adjoining our existing manufacturing unit which involves crushing and processing of grains like corn using a process called dry-milling. The plant proposed to be installed is based on "Zero Liquid Discharge - ZLD": Unloading & Pre-Cleaning, Storage (Silo), Dry Milling, Solvent Extraction, Storage of Crude Oil, Refining & Storage of Refined Oil & Packaging based on the DRI-CORN Technology.

We intend to enter a new product category viz. blended oil for both our FMCG clients and our customers. Blending of edible oil is generally in the 80:20 ratio with one of the base oil being 80% of the blend. We will also leverage our existing relationship with our FMCG clients for obtaining supply contracts to achieve high volume of sales.

Branding, marketing and sales is a continuous exercise for any FMCG company, big or small. We intend to increase our brand recall and marketing efforts to increase our existing market share. We

will enhance our marketing efforts to reach out to other districts in and around the Vidarbha region of Maharashtra and also expand into other neighbouring states like Madhya Pradesh and Chhattisgarh.
