## SAFE HARBOUR STATEMENT

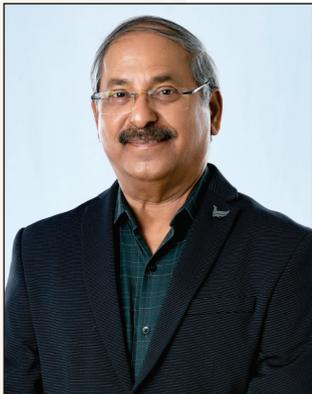

In this Annual Report, we have disclosed forward-looking information to enable investors to comprehend our prospects and make informed investment decisions. This report and other statements - written and oral - that we periodically make contain forward-looking statements that set out anticipated results based on the management's plans and assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipate', 'estimate', 'expects', 'projects', 'intends', 'plans', 'believes', and words of similar substance in connection with any discussion of future performance. We cannot guarantee that these forward-looking statements will be realised, although we believe we have been prudent in our assumptions. The achievement of results is subject to risks, uncertainties and even inaccurate assumptions. Should known or unknown risks or uncertainties materialise or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated or projected. Readers should bear this in mind. We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.

## MANAGING DIRECTOR'S MESSAGE

Dear Shareholders,

It brings me immense pleasure to put forth the 12th Annual Report of your Company, Ameya Precision Engineers Limited for the Financial Year 2023-2024. I would like to thank all our shareholders who have reposed their trust in the Company.

The year 2023-24 was a positive one for Ameya Precision Engineers Limited, marked by a recovery from the COVID-induced slowdown and an increase in business opportunities. We focused on empowering our people, performed strongly, and successfully executed our growth strategy while also achieving profitability.

Geopolitical challenges like the Russia- Ukraine and middle east war crisis are continuously evolving, we are moving resolutely to address these challenges with a focus on internal improvements, engaging with customers and identifying key areas of growth from the Company's point of view.

Ameya Precision Engineers Limited was conceptualized on the idea that we could bring excellent engineering solutions under one roof while aiming to maintain world-class standards. The Company has been keen on ensuring it remains the gold standard on its products, and a constant striving within all levels of the organization to ensure this is imbibed in our culture is evident by the positive feedback through customer and system audits, various interactions with internal and external stakeholders, and in the longevity of our relationships with customers and key suppliers.

### Financial Performance Overview:

#### 1. Turnover Increase:

The company reported a 19.4% increase in turnover. This growth reflects a strong expansion in revenue, indicative of successful market strategies, increased sales, or enhanced business operations. This positive trend underscores the company's ability to capture market opportunities and drive sales growth effectively.

#### 2. EBITDA Growth:

EBITDA (Earnings Before Interest, Taxes, Depreciation, and Amortization) rose significantly by 57.0%. This substantial improvement highlights enhanced operational efficiency and cost management. The increase in EBITDA suggests that the company is generating higher earnings from its core operations, with effective control over operational expenses.

#### 3. PBT Increase:

Profit Before Tax (PBT) increased by 75.20%. This remarkable growth reflects a significant enhancement in the company's earnings before taxes, driven by improved operational performance and possibly effective cost-saving measures. It highlights the company's ability to achieve substantial profitability before tax obligations.

#### 4. PAT Growth:

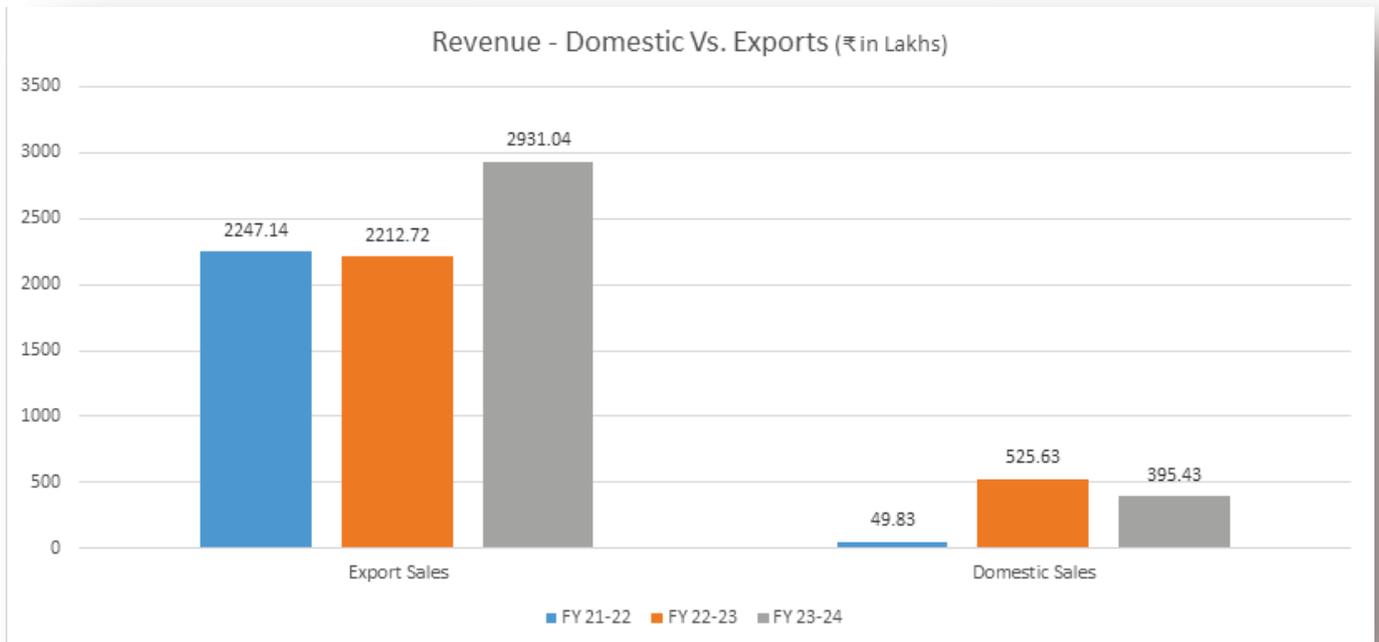

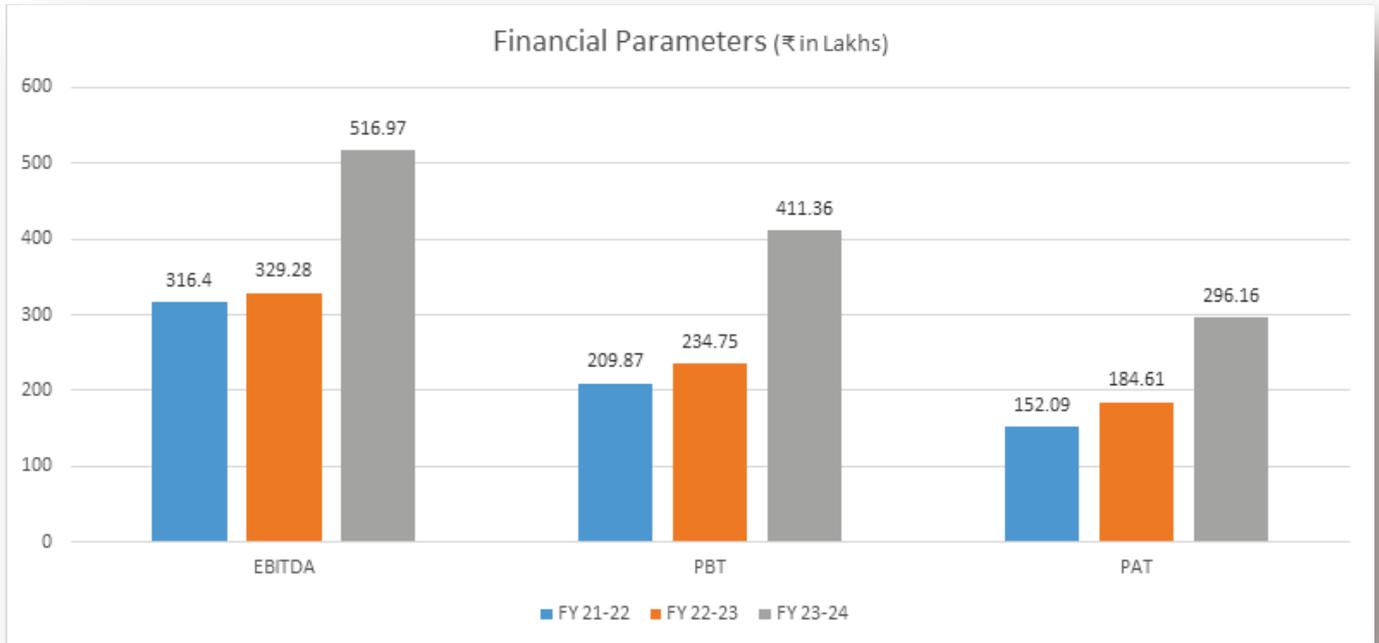

Profit After Tax (PAT) grew by 60.4%. This robust increase signifies improved net income, reflecting both operational success and effective tax management. The growth in PAT demonstrates the company's strong financial health and efficiency in translating operational performance into net profitability.

#### 5. Net Worth and Reserves:

**Net Worth:** The company's net worth increased by 18.83%, indicating a stronger financial foundation with enhanced equity. This growth reflects the accumulation of assets over liabilities and contributes to the overall financial stability of the company.

**Reserves and Surplus:** Reserves and surplus grew by 30.76%, showcasing the company's ability to retain and manage funds for future investments and contingencies. This increase signifies prudent financial management and a focus on long-term financial health.

## Key Performance Metrics

## New Capabilities and Achievements:

### 1. Defence Industry Orders:

**FY 2023-24:** The company secured orders worth 87.5 lakhs from the defence sector, demonstrating successful entry and expansion in a highly regulated and competitive market. This achievement underscores the company's growing credibility and capability in handling significant defence contracts.

**FY 2024-25 (up to August 15, 2024):** New orders amounting to 57 lakhs have been received, indicating sustained demand and the company's continued strong positioning in the defence sector for the current fiscal year.

### 2. 3D Printing Capability:

**New Technology Integration:** Ameya has advanced its manufacturing capabilities by incorporating 3D printing into its supply chain. This involves using 3D printed patterns for casting, followed by a finishing process at Ameya. The adoption of this technology enhances precision, flexibility, and efficiency in production.

**Orders Secured:** In the last financial year, orders worth approximately ₹61,500 were secured for components produced using this advanced 3D printing technology. This development reflects growing market acceptance and demonstrates Ameya's commitment to innovation and technological advancement.

### 3. Solar Panel Installation:

**Energy Efficiency:** The last financial year marked the first full year of Ameya's solar panel installation. This initiative led to a reduction in average electricity charges by approximately 30%.

**Cost Savings:** The absolute cost saving achieved from the solar panel installation was about 7 lakhs annually. This substantial reduction in energy costs underscores the company's commitment to sustainability and operational efficiency, contributing to both environmental benefits and cost management.

## ANNEXURE – A

### Particular pursuant to the Companies (Accounts) Rules, 2014

#### A. Conservation of Energy

a) Steps taken on impact of Conservation of Energy

- Ensuring optimum utilization of energy and maximum possible savings of energy.
- Avoiding any known wastages of energy by monitoring and renewing energy usage.

#### b) Steps taken by the Company for utilizing alternate sources of energy-

In line with our commitment to sustainable development and reducing our carbon footprint, the company has successfully operationalised solar power generation of 120 KVA in the premises. This initiative has led to a significant reduction in energy consumption from non-renewable sources, contributing to both environmental sustainability and cost efficiency. The transition to solar energy has allowed us to offset a considerable portion of our electricity needs, resulting in lower energy bills and reduced greenhouse gas emissions. This strategic investment not only aligns with our corporate social responsibility goals but also strengthens our long-term financial stability through energy cost savings.

#### c) Capital Investment on energy conservation equipments -

The company has not made any capital investment on energy conservation equipment during the year.

#### B. Technology Absorption

The Company has not absorbed any new technology during the Financial Year.

The Company is optimistic about capturing a substantial share of the global and domestic market amid the threats faced due to the liberalisation and increased competition from well-established companies from India and abroad.

#### INTRODUCTION

Management Discussion and Analysis mainly comprises of the statements which, inter-alia, involve predictions based on perceptions and may, therefore, be prone to uncertainties. It is the sum total of the Company's expectations, beliefs, estimates and projections which are forward looking within the meaning of applicable laws and regulations. The actual results could differ materially from those expressed herein specifically or impliedly.

#### OUTLOOK

##### Strategic Outlook for the Upcoming Fiscal Year:

The company's outlook for the next year emphasizes the continuation of top-line growth through increased value addition. To achieve these objectives, the company will implement a multi-faceted strategy focusing on expanding its customer base, deepening existing relationships, capitalizing on developed capabilities, and integrating new technologies.

##### 1. Customer acquisition:

- Objective: To leverage the company's established reputation as a leading supplier of precision engineering components to attract new customers.
- Strategy:
  - Utilize Proven Track Record: The company will actively market its successful history and strong performance as a reputable supplier of precision engineering components. Case studies, customer testimonials, and performance metrics will be used to demonstrate reliability and quality to potential clients.
  - Targeted Outreach: Engage in targeted marketing campaigns and participate in industry trade shows, conferences, and networking events to reach potential customers. Additionally, forming strategic alliances or partnerships can facilitate entry into new markets or customer segments.
  - Sales and Marketing Expansion: Enhance the sales and marketing teams to focus on business development efforts aimed at new customer acquisition. This includes refining value propositions and tailoring solutions to meet the specific needs of prospective clients.

## **2. Continued engagement with Customers:**

- Objective: To deepen existing customer relationships and uncover additional growth opportunities.
- **Strategy:**
  - Customer Engagement: Enhance the structured approach to strategically engage customers, which includes regular account reviews, personalize communications, and secure feedback to understand their evolving needs.
  - Value-Added Services: Offer tailored solutions and additional services that address specific customer requirements or challenges. By providing extra value, the company aims to strengthen customer loyalty and foster long-term partnerships.
  - Loyalty Programs: Develop customer loyalty programs or incentives to reward repeat business and encourage ongoing engagement. Strategic stocking agreement with key customers could be explored to meet their short lead time requirements.

## **3. Market developed Capabilities:**

- Objective: To leverage and maximize the business potential of upgraded technology and processes.
- Strategy:
  - Market Penetration: Explore new market segments or geographic regions where upgraded capabilities can be applied. This may involve identifying untapped markets where the company's expertise can provide a competitive advantage.
  - Enhanced Offerings: Refine and enhance the value proposition of upgraded capabilities to better meet market demands and customer needs. This includes optimizing processes, improving quality, and ensuring competitive pricing.
  - Strategic Partnerships: Form strategic alliances or joint ventures to co-develop new business opportunities or access new markets leveraging existing capabilities.

## **4. Research and Development:**

- Objective: To innovate and diversify the company's product and service offerings to remain competitive and meet emerging market needs.
- Strategy:
  - Technology Investment: Invest in the development and integration of new technologies or processes that align with industry trends and customer demands. This may include advanced manufacturing techniques, digital solutions, or new product lines.
  - R&D Initiatives: Increase focus on research and development to explore new technological advancements and their application to the company's offerings.
  - Training and Development: Ensure that the workforce is equipped with the skills and knowledge required to implement and leverage new capabilities effectively.

## **Overall Impact:**

By executing these strategic initiatives, the company aims to not only sustain its top-line growth but also maximise profitability. The combined effect of acquiring new customers, strengthening relationships with existing clients, expanding on developed capabilities, and integrating new technologies will contribute to a more dynamic and successful business model, driving long-term growth and financial success.

At every step of our journey, our customers have challenged us to innovate and come up with solutions to the issues and opportunities they are faced with. We thank our customers, who challenge us to solve some of the most challenging problems in engineering products and the high standards that need to be constantly maintained.

I would also like to extend my gratitude to our team for believing in our vision and ensuring the right culture is created within the organization, so we continue to drive this transformative change. We are humbled by what we have accomplished and are excited to see the things we could achieve together going forward.

My sincere thanks to all our Board members. Everyone has continued to do an amazing job, well above and beyond what is required. It is a true pleasure working with you all. We are thankful to the members and the Board for their inputs and major suggestions for improving the working and management and taking our Company to the next level.

The Board is excited about the prospects for Ameya Precision Engineers Limited as the Company continues to evolve as a leader in engineering products. The focus of the current year is mainly to increase the customer base and increase the production capacity as well.

**Segment-Wise or Product-Wise Performance**

The company products have been divided in 3 segments-

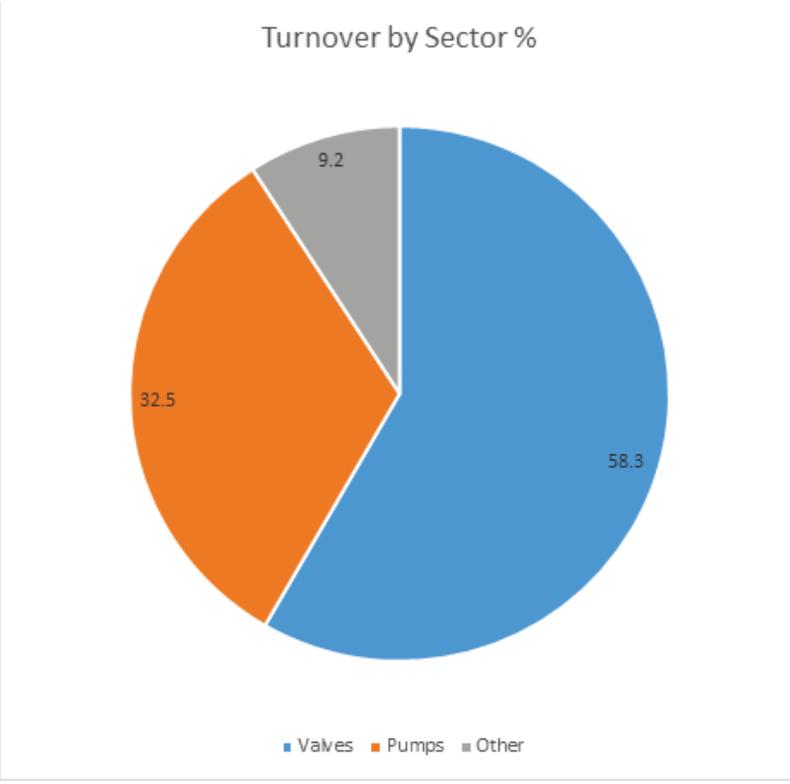

A. Valves - In this sector there is organic growth. The company has increased its output through the supply of more products enhancing its sales.

B. Pumps- This sector has seen aggressive growth in the last few years. The company is also targeting to continue it's aggressive strategy for growth and profitability for this sector.

FY 2022-23 the share of this sector in overall sales was around 16.90%. The Company had targeted overall share of more than 20% in the financial year FY 2023-24, which has been achieved.

C. Others- The other segment is mainly focused on addition of new customers, increasing the customer base and increasing its product-line in other sectors. The Company is mainly targeting the sector like the defense sector, railways etc. The overall target revenue for the other sector around 10% of the total revenue.

Ameya Precision Engineers Limited is equipped with latest machineries, tools, skilled manpower, handling equipment and various in-house facilities for smooth operation and quality product. We have developed a sound infrastructure base that is subject to regular upgradation based on technology and working systems. Our company must go through the process of auditing and maintaining a standard for our production areas, machinery, markings etc. as most of our clients are foreign clients where meeting their standard is the main aim. The company shall be liable to maintain the stated standards.

The Company also being an ISO 9001:2015 certified and aiming for further external certifications.

#### Cautionary Statement

Statements in the Management Discussion and Analysis and other parts of the report describing the Company's objectives, projections, estimates and expectations may be forward-looking statements. Actual results may differ materially from those expressed or implied due to various risks and uncertainties. Important factors that could make a difference to the Company's operations include economic and political conditions in India and other countries, in which the Company may operate. Currently the Russian- Ukraine and Middle east war is also a major factor which may affect the Finances, order booking owing to the war-like situations. The fluctuation in the exchange rate is also a major factor affecting the product pricing in the outside countries. Also the lead time for the products increases as the delivery time for the products. Other factors that may impact the Company's operations include volatility in interest rates, changes in government regulations and policies, tax laws, statutes, and other incidental factors. The Company does not intend to update these statements.

## **Independent Auditors' Report**

### **To the Members of Ameya Precision Engineers Limited (Formerly known as 'Ameya Precision Engineers Private Limited')**

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of Ameya Precision Engineers Limited (Formerly known as 'Ameya Precision Engineers Private Limited') ("the Company"), which comprise the Balance Sheet as at 31st March, 2024, the Statement of Profit and Loss and the Statement of Cash Flows ended on that date, and a summary of significant accounting policies and other explanatory information.

#### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its profit, and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

#### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance Report, and Shareholder Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

### **Management's Responsibility for the Financial Statements**

The Company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors is also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibility**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Other Matter**

(i) Certain debit/credit balances including trade receivables, other current and non-current assets, trade payables, other financial liabilities and other current and non-current liabilities in the Company are pending independent confirmation and consequential reconciliation thereof.

(ii) The determination of the transactions with MSME vendors and balances thereof, have been done based on the certificate received from the respective parties as available from the system. In absence of complete reconciliation in this respect, completeness of the disclosures in respect of MSME vendors, interest liability thereon as per MSME Act, Income tax computations as such need to be ascertained.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure I", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

(c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

(d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

(e) On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164(2) of the Act.

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure II". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;

(g) In our opinion, the managerial remuneration for the year ended March 31, 2024 has been paid / provided by the Company to its directors in accordance with the provisions of Section 197 read with Schedule V to the Act;

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. There have been no pending litigations against the Company having any impact on its financial position in its financial statements

- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- (d) Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with in respect of the accounting software.

## **Annexure II to the Independent Auditors' Report of even date on the Financial Statements of Ameya Precision Engineers Limited (Formerly known as Ameya Precision Engineers Private Limited)**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act**

We have audited the internal financial controls over financial reporting of Ameya Precision Engineers Limited (Formerly known as Ameya Precision Engineers Private Limited) ("the Company") as at 31st March, 2024 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- (a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the company; and
- (c) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## **Notes annexed to and forming part of Financial Statements for the year ended 31st March 2024**

### **Note 1**

#### **1 Company Information**

Ameya Precision Engineers Limited is a Public Limited company domiciled in India and incorporated under the provisions of the Companies Act, 1956 and now governed by Provisions of Companies Act 2013, having Company Incorporation No. (CIN) L29253PN2012PLC145613. The Company Converted in Public Limited from Private Limited w.e.f. 25th Jan 2022. The Company is primarily engaged in Manufacture Pump and Valve Components and Other Engineering Components used in Valve Industry etc. The Company has set up a manufacturing facility at Pune.

#### **2 Significant Accounting Policies**

##### **a) Basis of preparation**

The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). GAAP comprises mandatory accounting standard as prescribed under section 133 of the Companies Act 2013 read with rule 7 of the Companies (Accounts) Rules, 2014, the Provision of Act (to extent notified). The financial statements have been prepared under the historical cost convention on an accrual basis. The accounting policies adopted in the preparation of financial statements are consistent with those used in the previous year.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non current classification of assets and liabilities.

##### **b) Use of Estimates**

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of reporting period. Although these estimates are based on management's best knowledge of current events & actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods. These differences between actuals & estimates are recognized in the period in which the results are known/materialised.

##### **c) Fixed Assets**

Fixed assets are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred. Gains or losses arising from de-recognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized. For those assets of which useful life is expired as per Schedule II of Companies Act 2013 are written off to accumulated Reserve and Surplus

Account.

**d) Inventories**

Raw materials, stores and spares and trading goods are valued at lower of cost and net realizable value. Work-in-Progress and finished goods are valued at the lower of cost and net realizable value. Cost includes direct materials and labour and a part of manufacturing overheads based on normal operating capacity. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale. Cost comprises of cost of Purchase & other costs incurred in bringing them to their respective present location and condition and is determined on First-in-First-Out(FIFO) basis."

**e) Events Subsequent To The Balance Sheet Date**

Events occurring after the Balance Sheet date, which provide additional information regarding conditions existing as at the balance sheet date are recognised in the Financial Statements. The events which do not provide additional information regarding conditions existing as on balance sheet date are disclosed in notes to accounts.

**f) Prior Period, Extraordinary Items And Changes In Accounting Policies**

Prior period and extraordinary items and changes in accounting policies having a material impact on the financial affairs of the Company are disclosed, wherever required.

**g) Cash & Cash Equivalents**

Cash and cash equivalents in the Cash Flow Statement comprise cash at bank and in hand and short term investments with an original maturity of three months or less.

**h) Cash Flow Statement**

Cash flow statement has been prepared following the indirect method set out in the Accounting Standard - 3 on "Cash Flow Statement" issued by the Institute of Chartered Accountants of India.

**i) Depreciation & Amortization of Tangible & Intangible Assets:**

Depreciation is provided on a pro-rata basis on the Written down value method over the estimated useful lives of the assets prescribed under Schedule II of the Companies Act, 2013, read with relevant circulars issued by the department of Company Affairs from time to time.

Depreciation on additions to / deletions from Tangible fixed assets made during the year is provided on pro-rata basis from / upto the date of such additions / deletions, as the case may be.

Intangible Assets are Amortized as follows:

a) Specialised software : Over the Estimated Economic useful life.

**j) Revenue Recognition**

**Sale of goods**

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods from Factory Gate. The company collects Goods and Service Tax (GST) on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue.

**Export Incentives**

Export of goods is eligible for incentives from Government as per Import-Export policies declared by the Government from time to time. Company's export products are eligible for duty drawback. Rates for duty drawback vary according to products and destinations. The Company recognizes duty drawback amount on accrual basis for this Financial year, However, in respect of preceding years benefits are recognized on receipt basis.

**k) Retirement and other employee benefits**

Retirement benefit in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. The company recognizes contribution payable to the provident fund scheme as expenditure, when an employee renders the related service. Gratuity Premium paid to LIC for Trust accounted as an expense on payment basis. Leave Encashment are considered as an expenditure as when paid to employees for accumulated leave balance period to the credit of employees. Company has not separately provided for provision for gratuity payable to employees. Also company has not calculated and provided for leave encashment payable on the basis of actuarial calculations.

### **l) Taxation**

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and tax laws enacted or substantially enacted at the balance sheet date. Deferred tax is recognized, subject to consideration of prudence, on timing differences, being differences between taxable and accounting income that originate in one period and are capable of reversal in one or more subsequent period(s). Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. If the Company has unabsorbed depreciation or carry forward tax losses, deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that such deferred tax assets can be realized against future taxable profits. At each balance sheet date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized. The carrying amount of deferred tax assets are reviewed at each balance sheet date. The company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

### **m) Intangible Assets**

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization.

### **n) Segment Reporting**

Based on the synergies, risk and returns associated with business operations and in terms of Accounting Standard-17, the Company has identified Manufacturing of Pump and Valve Components and Other Engineering Components used in Valve Industry etc., as its sole operating segment and the same has been treated as the primary segment.

### **o) Provision**

A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle such obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

### **p) Contingencies**

A contingent liability is a possible obligation that arises from past events whose existence will be

confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

**q) Foreign Currency Transactions**

- (a) Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction or that approximates the actual rate at the date of the transaction.
- (b) Monetary items denominated in foreign currencies at the year end are restated at year end rates.
- (c) Non monetary foreign currency items are carried at cost.
- (d) Any income or expense on account of exchange difference either on settlement or on translation is recognized in the Statement of Profit and Loss account.

**r) Borrowing Costs**

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. Such borrowing costs are recognised in the statement of Profit & Loss.

**s) Deferred Tax**

Tax expense for the period, comprising of deferred tax, are included in the determination of the net profit or loss for the period.

Deferred tax is recognised for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Deferred tax assets are recognised and carried forward only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. At each Balance Sheet date, the company reassesses unrecognised deferred tax assets, if any.

Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

Current tax assets & current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and liability on a net basis.

**t) Leases**

Assets taken on lease under which all risks and rewards of ownership are effectively retained by the lessor are classified as operating lease. Lease payments under Operating Leases are recognized as expenses on straight Line Basis as per the terms of lease. Lease payments per year differ with respect to area of use by leasee.

**u) Earnings Per Share**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.
