From the Chairman and Managing Director's Desk

Dear Valued Shareholders,

Warm greetings from the Upsurge Seeds of Agriculture Family!

I approach you with a deep sense of gratitude for the unwavering trust all of you reposed in me.

I am pleased to present our company's annual report, highlighting our achievements, challenges, and future prospects.

The Indian agricultural seed industry is a crucial component of the country's agriculture sector. It plays a vital role in providing farmers with high-quality seeds for various crops, thus influencing agricultural productivity and overall food security.

I am pleased to share our strong, growth-oriented, and positive financial results for the year ending March 31, 2024. Our Company achieved a **turnover of RS.13294.85 Lakhs, from RS.8291.04 Lakhs in the previous year. Profit after Tax of RS. 725.19 Lakhs from the Rs.475.99 Lakhs in the previous year.**

Our company has made significant progress in the agriculture seed industry, driven by our commitment to innovation, quality, and customer satisfaction.

Looking ahead, we are focused on:

- Continuing investments in R&D to drive innovation and growth
- Enhancing our product portfolio and geographic footprint
- Embracing digital technologies to optimize operations and customer engagement
- Strengthening our commitment to sustainability and social responsibility

In conclusion, I want to leave you with a sense of optimism for our Company. As we move forward, we are committed to maintaining the momentum achieved in this financial year. We will actively pursue projects aligned with the outlined strategy and carefully evaluate both organic and inorganic strategic growth opportunities.

I extend my heartfelt gratitude to all members of the Board of Directors, my esteemed colleagues, our valued business partners, supportive bankers, and, above all, our esteemed shareholders. Your continued support and trust inspire us to strive for excellence. I am dedicated to continuing our journey, leading our Company from good to great.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Indian Seed Industry Structure and Developments

•An Overview:

The Indian agricultural seed industry is a crucial component of the country's agriculture sector. It plays a vital role in providing farmers with high-quality seeds for various crops, thus influencing agricultural productivity and overall food security. To understand the structure of the Indian agricultural seed industry in detail, let's break it down into key components:

	Seed Types			
SR.NO.	TYPE OF SEEDS	PARTICULARS		
1.	Open-Pollinated Varieties (OPVs)	Traditional seeds that are saved from one generation to the next.		
2.	Hybrid Seeds	Produced by cross-breeding two different parent plants, resulting in improved crop characteristics. Hybrids often offer higher yields and uniformity.		
3.	Genetically Modified (GM) Seeds	Although not widely adopted, GM crops like but cotton have been introduced in India. These seeds have been genetically engineered to resist pests or tolerate herbicides.		

	Seed Companies		
SR.NO.	TYPE OF SECTOR	PARTICULARS	
1.	Public Sector	Government agencies and institutions like the Indian Council of Agricultural Research (ICAR) and state agricultural universities are involved in seed production, research, and distribution.	
2.	Private Sector	Private seed companies, both domestic and multinational, play a significant role in the industry. They invest in research and development (R&D), marketing, and distribution of seeds.	

	Seed Research and Development			
SR.NO.	TYPE OF RESEARCH	PARTICULARS		
1.	Public Research	Public sector institutions conduct research on crop breeding, seed technology, and biotechnology. This research often leads to the development of new seed varieties.		
2.	Private Research	Private seed companies invest heavily in R&D to develop hybrid seeds and biotech traits. They often collaborate with international partners for access to technology.		

SEED PRODUCTION:

• Seed Distribution:

Seeds are distributed through a network of dealers, distributors, and retailers. In some cases, companies have their own retail outlets.

Government agencies often distribute seeds through public distribution systems and government- owned seed corporations.

• Developments:

The Indian seed industry was undergoing several developments and changes. Such as

Biotechnology and Genetically Modified (GM) Crops:

India had seen increased adoption of GM crops, primarily Bt cotton, despite regulatory challenges and debates around other GM crops like Bt brinjal. The government continued to regulate GM crops cautiously.

Hybrid Seed Technology:

The development and adoption of hybrid seed varieties were on the rise for various crops like rice, maize, and vegetables. Private seed companies were actively involved in research and development efforts to create high-yielding hybrid seeds.

Technology and Digitalization:

There was a growing emphasis on the use of technology in seed production, distribution, and farm management. Digital platforms and apps were being used for crop monitoring, seed selection, and market access.

Sustainability and Organic Seeds:

There was an increasing interest in sustainable and organic farming practices. Some seed companies were focusing on developing organic seed varieties to cater to this growing demand.

Seed Certification and Quality Standards:

The Indian government continued to enforce strict seed quality standards through regulatory bodies like the Seed Control Order and the National Seeds Corporation (NSC).

Exports:

The Indian seed industry had been exploring export opportunities for various seed varieties, especially vegetables and high-value crops. Exporters had to comply with international phytosanitary standards.

Public-Private Partnerships (PPP):

Collaborations between government research institutions and private seed companies were becoming more common, particularly in the development and commercialization of new seed varieties.

Seed Start-ups and Entrepreneurship:

Several start-ups and entrepreneurial ventures were entering the seed industry, focusing on niche markets and innovative seed technologies.

Government Initiatives:

The Indian government had been implementing various initiatives to promote seed production, including the National Food Security Mission (NFSM) and the National Mission on Oilseeds and Oil Palm (NMOOP), which aimed to enhance oilseed production through improved seed varieties.

The seed industry is dynamic, and developments can change rapidly due to policy changes, market dynamics, and technological advancements.

BUSINESS OVERVIEW

We are a technology driven seeds manufacturing Company engaged in business of growing, developing, processing and marketing of variety of seeds for a range of field crops and vegetables. We are primarily involved in seed processing wherein the improved genetic materials of the breeder seed is grown and multiplied into foundation seed. Thereafter, the foundation seed undergoes next level of processing in which the foundation seed is grown and multiplied into commercial seeds, which is then sold in market for crop production. We have different variants of seeds being sold for each crop depending upon suitability of our seeds for varying agro-climatic conditions, such as water availability, crop duration and soil attributes, across different geographic regions in India.

Breeder seeds are genetically pure seed with physical purity produced from basic nucleus seed stock and procured from original breeder. Some of the state Government agricultural universities from which we procure breeder seeds include Mahatma Phule Krishi Vidapeeth, Rajasthan Agricultural Research Institute, Indian Agricultural Research Institute etc.

Our company enters into seed grower production agreement with seed growing farmers for leasing their land on lease rentals to develop and produce the foundation and commercial seeds. Under these agreements, the farmer is engaged to carry out agricultural operations over the leased agricultural land, however the ownership of the entire crop and the risk of crop failure is retained with our company. The farmers are compensated for their services of producing such seeds and for all production expenses such as land preparation, irrigation, sowing, fertilization, combat against pests and diseases, weeding, harvesting, thrashing etc. During largescale production, we monitor the crops under given field conditions and have the farmers carry out all the required steps until maturity to produce the seeds to be sold at the desired levels of quality. We choose the location for production of the seeds to be sold based on the agro-climatic conditions required for different crops, availability of skilled labour and other related infrastructure etc. Such grown commercial seeds are then processed at our processing unit, which is equipped with modern technology and is spread across an area of more than 45,000 sq. feet, situated at Kuvadva, Rajkot.

Accredited with ISO 9001:2015, our Company sells its seeds under the brand name "USA seeds". The sole focus of the company is to deliver "Quality Seeds to the Farmer" and the commitment to quality has resulted in USA Seeds being recognised as a premium brand by the farmers. Since our incorporation we have been continuously working on and improving our quality to serve our clients better.

During the year under review, the Company has produced seeds for more than 40 different field crops and vegetables and have operations across India covering Gujarat, Maharashtra, Rajasthan with more than 75 varieties of Crops. Our product portfolio includes crop seeds for Groundnut, Wheat, Cumin, Green Gram, Black Gram and vegetable seeds for Onion, Coriander Seeds, Fenugreek etc.

INDEPENDENT AUDITOR'S REPORT

To the Members of
UPSURGE SEEDS OF AGRICULTURE LIMITED
Report on the Audit of the Financial Statements

Opinion

We have audited the Financial Statements of **UPSURGE SEEDS OF AGRICULTURE LIMITED** ("the Company"), which comprise the balance sheet as of **March 31**st, **2024**, and the statement of profit and loss, statement of cash flows and statement of change in Equity **01/04/2023 to 31/03/2024** and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information [herein after referred to as "the Financial Statements"].

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements provide the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at **March 31**st, 2024, and its profit/loss and its cash flows 01/04/2023 to 31/03/2024.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have no other key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditors Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the report but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation, and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concerned and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a. Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has an adequate internal financial controls system in place and the operating effectiveness of such controls
- c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e. Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in

- (i) Planning the scope of our audit work and in evaluating the results of our work; and
- (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure A**" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those.
 - c) The Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement, and the statement of change in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on **31**st **March 2024** taken on record by the Board of Directors, none of the directors is disqualified as on **31**st **March**, **2024** from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over the financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - I. The Company has disclosed the impact of pending litigations on its financial Position in its Financial Statement. Refer to note 1 of the Accounting policy and other notes.
 - II. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses

- III. There were no amounts that were required to be transferred to the Investor Education and Protection Fund by the Company.
- IV. (a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entities), including foreign entities ("intermediaries"), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate 8 beneficiaries: ") or provide any guarantee, security or the like on behalf of the Ultimate beneficiaries:
 - b) the management has represented that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities('the funding parties'), with the understanding, whether recorded in writing or otherwise, that the company shall, whether directly of indirectly, lend or invest in other persons or entities in any manner whatsoever by or on behalf of the funding party ('ultimate beneficiaries') or provided any guarantee, security or the like on behalf of the ultimate beneficiaries; and
 - (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances. nothing has come to our notice that I has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11 (e), as provided under (a) and (b) above. contain any material misstatement.
- V. The Company has not declared and / or paid any dividend during the year.

Based on our Examination, which included test checks, the company has used accounting software for maintaining its books of accounts for the financial year ended 31st March 2024 which has a feature of recording audit trail (edit Log) facility and the same has been made operational w.e.f $1^{\rm st}$ April 2023 for all relevant transaction recorded in the software. Further during our audit, we did not come across any instances of the audit trail feature being tampered with.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT (REFERRED TO IN PARAGRAPH (F) UNDER THE 'REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS' SECTION OF OUR REPORT OF EVEN DATE)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **UPSURGE SEEDS OF AGRICULTURE LIMITED** ("the Company") as of **March 31**st, **2024**, in conjunction with our audit of the standalone AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143 (10) of the Companies Act,2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the a u d i t ev i dence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at **March 31**st, **2024**, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SUMMARY STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES & NOTES TO FINANCIAL INFORMATION

1.1 Basis of Preparation & Presentation of Financial Statements: -

The financial statements are prepared on a historical cost basis in accordance with applicable Accounting Standards (AS) and on accounting principles of going concern which are measured at fair values. These financial statements have been prepared to comply with all material aspects of the accounting standards notified under section 133 of the Act, (the "Act") read with Rule 7 of the Companies (Accounts) Rules, 2014, and the other relevant provisions of the Act.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policies hitherto in use.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III of the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of the current classification of assets and liabilities.

1.2 Use of Estimates: -

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities on the date of the financial statements and the results of operations during the reporting periods. Although these estimates are based upon management's knowledge of current events and actions, actual results could differ from those estimates, and revisions, if any, are recognized in the current and future periods.

1.3 Property, Plant, and Equipment

1) Tangible Fixed Assets: -

All property, plant, and equipment are stated at cost, which includes capitalized borrowing costs, less accumulated depreciation, and impairment loss, if any. Cost includes purchase price, including non-refundable duties and taxes, expenditure that is directly attributable to bring the assets to the location and condition necessary for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located, if any

Properties in the course of construction for production, supply, or administrative purposes are carried at cost, less any recognized impairment loss. Cost includes professional fees and for qualifying assets, borrowing costs capitalized in accordance with the Company's accounting policies. Such properties are classified into the appropriate categories of property, plant, and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use. Spare parts are treated as capital assets when they meet the definition of property, plant, and equipment. Otherwise, such items are classified as inventory.

If significant parts of an item of property, plant, and equipment have different useful lives, then they are accounted for, as separate items (major components) of property, plant, and equipment. Any gains or losses on their disposal, determined by comparing sales proceeds with the carrying amount, are recognized in the Statement of Profit or Loss.

Subsequent expenditure: -

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

De-Recognition: -

An item of property, plant, and equipment is de-recognized upon disposal or when no future economic benefits are expected to arise from its use. Any gain or loss arising from its de-recognition is measured as the difference between the net disposal proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss when the asset is derecognized.

Depreciation methods, estimated useful lives and residual value: -

Depreciation on property, plant and equipment is provided using the written down value method based on the life and in the manner prescribed in Schedule II to the Companies Act, 2013, and is generally recognized in the statement of profit and loss. The cost of Leasehold is amortized over the tenure of a lease agreement. Freehold land is not depreciated. In a case

where the cost of part of the asset is significant to the total cost of the asset and useful life of that part is different from the useful life of the remaining assets, the useful life of that significant part has been determined separately.

Asset Group	Useful Life
Building and Structures	30 year
Computers Equipment's	03 year
Printer	03 year
Electric Fittings	10 year
Car	08 year
Vehicles	10 year
Office Equipment's	05 year
Plant and Machinery	15 year

The depreciation methods, useful lives, and residual values are reviewed at each financial year-end and adjusted if appropriate. Based on technical evaluation and consequent advice, the management believes that its estimates of useful lives as given above best represent the period over which management expects to use these assets. Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (up to) the date on which the asset is ready for use (disposed of).

Biological assets: -

Recognition and measurement

The company recognizes the biological asset (agricultural produce) when:

- (a) the company controls the asset as a result of past events;
- (b) it is probable that future economic benefits associated with the asset will flow to the company; and
- (c) the fair value or cost of the asset can be measured reliably The biological asset is measured at the end of each reporting period at its fair value less costs to sell.

Capital work in progress: -

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognized impairment loss. Cost includes professional fees and, for qualifying assets, borrowing costs capitalized in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

Intangible assets: -

Intangible assets are carried at cost less accumulated amortization and impairment losses, if any. The cost of an intangible asset comprises its purchase price, and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates. Subsequent expenditure on an intangible asset after its purchase is recognized as an expense when incurred unless it is probable that such expenditure will enable the asset to generate future economic benefits in excess of its originally assessed standards of performance and such expenditure can be measured and attributed to the asset reliably, in which case such expenditure is added to the cost of the asset.

1.4 Revenue Recognition: -

Revenue is measured at the fair value of the consideration received or receivable where the ownership and significant risk has been transferred to the buyer.

Sales return are accounted for / provided for in the year in which they pertain to, as ascertained till finalization of the books of account.

Compensation on account of crop quality discounts is accounted for as and when settled

1.5 Taxation: -

INCOME TAX: -

Provision for Current Tax is made and retained in the accounts on the basis of estimated tax liability as per applicable provisions of the Income Tax Act 1961.

DEFERRED TAX: -

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Current and deferred tax for the period

Current and deferred tax are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

The Company recognizes interest levied and penalties related to Income Tax assessments in the tax expanse.

1.6 Earnings per Share: -

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

1.7 Provisions/Contingencies: -

Provisions: Provisions are recognized when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are not discounted to its present value.

Contingent Liabilities: Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

1.8 Borrowing Cost: -

Borrowing costs directly attributable to the acquisition, construction, or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use. All other borrowing costs are recognized in the Statement of Profit and Loss in the period in which they are incurred. The Company determines the amount of borrowing costs eligible for capitalization as the actual borrowing costs incurred on that borrowing during the period less any interest income earned on temporary investment of specific borrowings pending their expenditure on qualifying assets, to the extent that an entity borrows funds specifically for the purpose of obtaining a qualifying asset. In case if the Company borrows generally and uses the funds for obtaining a qualifying asset, borrowing costs eligible for capitalization are determined by applying a capitalization rate to the expenditures on that asset. The Company suspends capitalization of borrowing costs during extended periods in which it suspends active development of a qualifying asset.

1.9 Foreign Currency Transactions: -

Transactions denominated in foreign currencies are normally recorded at the exchange rate prevailing at the time of the transaction. Any Income or expense on account of exchange difference either on settlement or translation is recognized in profit and loss account. Monetary assets and liabilities relating to foreign currency transactions and forward exchange contracts remaining unsettled at the end of the year are translated at year end rates. Further, in respect of transactions covered by forward exchange contracts, the difference between the contract rate and the spot rate on

the date of transaction is charges to Profit & Loss Account over the period of contract.

1.10 Impairment of Assets: -

Assessment is done at each Balance Sheet date as to whether there is any indication that an asset may be impaired. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made. Assets whose carrying value exceeds their recoverable amount are written down to the recoverable amount. Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased.

1.11 Prior Period Expenditure: -

The change in an estimate due to error or omission in an earlier period is treated as prior period items. The items in respect of which liability has arisen/crystallized in the current year, though pertaining to earlier year is not treated as prior period expenditure.

1.12 Extra Ordinary Items: -

The income or expenses that arise from event or transactions which are clearly distinct from the ordinary activities of the Company and are not recurring in nature are treated as extraordinary items. The extra ordinary items are disclosed in the statement of profit and loss as a part of net profit or loss for the period in a manner so as the impact of the same on current profit can be perceived.

1.13 Employee Benefits: -

The Company has adopted the Accounting Standard 15 (revised 2005) on Employee Benefits during the restated financials period.

Accounting Standard 15 on 'Employee Benefits' as prescribed under Section 133 of the Companies Act, 2013 read with Rule7 of the Companies (Accounts) Rules, 2014

(a) Defined Benefit Plans:

The Company has a policy of giving gratuity to its employees who complete a period of qualifying service which is 5 years. The Gratuity Provision Applicable from 01/04/2021 to the Company.

- i) On normal retirement / early retirement/withdrawal / resignation: As per the provisions of the Payment of Gratuity Act, 1972 with a vesting period of 5 years of service.
