● ABOUT US – ACTIVE INFRASTRUCTURES LIMITED

At Active Infrastructures Limited, we take pride in being one of the emerging infrastructure development companies based in Nagpur, Maharashtra. Incorporated in 2007, we have consistently demonstrated our commitment to delivering excellence across a broad spectrum of civil construction projects. Over the years, we have built a solid foundation in infrastructure development, driven by integrity, quality, and innovation.

We specialize in executing turnkey projects in the fields of roads, bridges, water supply systems, sewage networks, heritage restoration, and other critical infrastructure assets. Our technical capabilities and execution skills have allowed us to successfully complete various projects for government bodies, public sector undertakings, and private sector clients across multiple states, including Maharashtra, Madhya Pradesh, Uttar Pradesh, and Tripura.

In addition to our core infrastructure operations, we have diversified into commercial construction. This includes the development of modern office spaces, educational institutions, commercial complexes, exhibition centres, and other institutional buildings. Our integrated approach - from design to execution - enables us to maintain control over quality, timelines, and cost efficiency.

● OUR MILESTONE ACHIEVEMENT: SME IPO

In the financial year 2024–25, we successfully launched our Initial Public Offering (IPO) on the NSE Emerge platform. This was a key milestone in our growth journey. The funds raised are being strategically utilized towards improving our working capital, investing in construction equipment, repaying certain debts, and meeting general corporate requirements. This public listing reflects our commitment to corporate governance, transparency, and stakeholder confidence.

● OUR FINANCIAL STRENGTH (AMOUNT IN RS. LAKHS)

During FY 2024–25, we recorded a revenue of ₹366.10/- and a net profit after tax of ₹568.74/-. Our Return on Equity (RoE) stood at a strong 36.22%, highlighting the profitability and operational efficiency of our business model. We remain focused on improving our margins and enhancing value creation for our shareholders.

● LEADERSHIP & GOVERNANCE

Under the dynamic leadership of our Managing Director, Mr. Nitesh Sanklecha, a qualified Chartered Accountant with over 17 years of industry experience, our company is guided by a highly qualified and experienced Board of Directors. Together, we bring a diverse set of skills covering finance, engineering, operations, and corporate strategy.

● SUBSIDIARY PORTFOLIO DETAILS:

Achievers Ventures Private Limited is a wholly owned subsidiary of Active Infrastructures Limited. AVPL was incorporated to support niche infrastructure initiatives, project-based construction assignments, and business expansion in newer regions. After reporting a small loss in the previous fiscal, AVPL turned profitable in FY 2024–25, generating a revenue of ₹4.48 crore and a PAT of ₹0.073 crore. It serves as a strategic arm to pursue specialized projects outside the core operations of the parent entity.

Digvijay Shradha Infrastructure Private Limited is a majority-owned (50.5%) subsidiary of Active Infrastructures Limited and functions as a special purpose vehicle (SPV) to execute large-scale projects. The company is currently handling a highway development project worth approximately ₹70 crore. Though revenue from this project is yet to be recognized in full, Digvijay Shradha holds significant potential to contribute to the group's financials in the coming years.

● OUR VISION

At Active Infrastructures Limited, our vision is to be recognized as a leading and dependable infrastructure development company, known for our unwavering commitment to quality, innovation, and sustain ability. We aspire to play a significant role in shaping the nation's infrastructure by consistently delivering high-impact projects that improve connectivity, enhance urban development, and uplift communities.

We envision creating long-term value for all stakeholders by integrating modern construction practices, adopting cutting-edge technology, and upholding the highest standards of safety, integrity, and environmental responsibility. As we grow, our goal is to expand our footprint across India and beyond, while building a legacy of trust, excellence, and nation-building.

● OUR MISSION

Our mission is to deliver superior infrastructure solutions through efficient project execution, advanced engineering practices, and a commitment to quality, safety, and sustainability. We strive to build lasting relationships with clients, partners, and communities by consistently exceeding expectations, ensuring timely delivery, and maintaining transparency in all our operations.

We aim to continuously innovate, invest in our people and technology, and contribute to India's growth by undertaking projects that enhance connectivity, accessibility, and quality of life.

● OUR CORE VALUES

- Integrity - We uphold the highest standards of honesty, ethics, and transparency in every aspect of our business.
- Excellence - We are committed to delivering quality-driven results with precision, efficiency, and a continuous improvement mindset.
- Innovation-We embrace technology and forward-thinking solutions to stay ahead in a rapidly evolving industry.
- Accountability - We take full responsibility for our work and stand by our commitments to clients, stakeholders, and society.
- Sustainability - We prioritize environmentally conscious practices, ensuring that our projects positively impact the environment and the communities we serve.
- Teamwork - We believe in collaborative growth and value the skills and dedication of every team member as key drivers of our success.

Chairperson's Message

DEAR STAKEHOLDERS,

It is with great pride and optimism that I present to you the Chairperson's Message for the financial year 2024–25 on behalf of the Board of Directors of Active Infrastructures Limited.

The year has been truly transformational for our Company. With the successful launch of our Initial Public Offering (IPO) on the NSE Emerge platform, we crossed a major milestone in our growth journey. The overwhelming response from investors and market participants reflects the trust placed in our vision, our leadership, and the value we bring to India's infrastructure development. This listing has not only enhanced our visibility and credibility in the industry but also provided us with the capital strength to pursue larger opportunities and deliver more ambitious projects.

The funds raised through the IPO are being judiciously utilized across key areas—strengthening our working capital, investing in modern construction equipment, repaying critical liabilities, and upgrading our project delivery capabilities. This financial empowerment positions us to scale operations more efficiently and take on complex infrastructure assignments with increased confidence.

Throughout the year, we remained steadfast in our commitment to execution excellence, safety, and timely delivery. Our diversified portfolio across roads, bridges, public utility buildings, water supply projects, and commercial infrastructure continues to grow steadily, supported by a skilled team and strong operational controls. We have also expanded our presence across new geographies and made meaningful progress through our subsidiaries in delivering value on key projects.

Looking ahead to FY 2025–26, we remain focused on accelerating momentum while staying true to our core values of integrity, accountability, innovation, and sustainability. Our Board continues to work in alignment with national development goals, and we are fully committed to building infrastructure that not only connects cities—but also connects people, opportunities, and futures.

I would like to extend my heartfelt gratitude to our employees, clients, partners, and above all, our shareholders. Your continued belief in our vision and mission empowers us to reach greater heights.

Together, we are not just building projects—we are building a legacy of impact, excellence, and nation-building.

Warm regards,

Ms. Asha Sampath

Chairperson

(On behalf of the Board of Directors)

Active Infrastructures Limited

Managing Director's Message

DEAR STAKEHOLDERS,

As Managing Director of Active Infrastructures Limited, I am proud to reflect on a year of grit, growth, and great execution. FY 2024–25 was not only a milestone year in our corporate history—it was also one that tested and demonstrated the true strength of our execution capabilities, our team, and our ambition.

While the successful listing of our Company on NSE Emerge was a landmark event—rightly celebrated across the organization—it was what followed that truly defined the year for us: the rigorous planning, discipline, and determination with which we turned that capital into real, measurable project strength. From improving our machinery fleet to boosting site execution speed, and from strengthening our financial ratios to securing new work orders—our focus has been sharply operational,

performance-driven, and delivery-centric.

We remained deeply committed to the core of what we do best—building infrastructure that delivers real impact. Across urban and semi-urban regions, we executed government and institutional projects that enhanced connectivity, public utility access, and regional development. Every project site—from roadworks in Maharashtra to water supply systems in central India—presented its own challenges, but our teams responded with professionalism and precision.

Behind this execution was our incredible workforce. It is easy to speak of revenue, targets, or milestones—but it is the team that makes all of it possible. I take this opportunity to personally thank our site engineers, field staff, project managers, finance team, compliance officers, and support departments who, despite changing weather, evolving project scopes, and resource constraints, ensured nothing compromised our commitment to quality or timelines.

This year also marked progress in subsidiary-led growth, with our entities taking on crucial assignments. The synergy between group companies has made our operations more agile and positioned us to manage larger, multi-region projects without compromising efficiency.

Looking forward, FY 2025–26 will be about building on this foundation. We aim to further digitize our project monitoring, strengthen cash flow controls, develop skilled manpower pipelines, and diversify our client base across both public and institutional sectors. Our emphasis will remain on execution reliability and customer satisfaction—two cornerstones of long-term sustainability.

We are still writing the early chapters of a long-term growth story—and I invite all our stakeholders to stay with us on this journey. Our vision is not just to grow, but to grow responsibly, to build with purpose, and to create infrastructure that lasts.

With gratitude and determination,

Mr. Nitesh Sanklecha

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. Macro-Economic and Industry Overview

1.1 Global Economic Landscape

The global economy in FY 2024–25 remained in a transitional phase. Inflationary pressures and geopolitical uncertainties continued to affect commodity prices and supply chains. Despite these challenges, emerging economies including India demonstrated resilience, with infrastructure investment playing a central role in driving recovery and job creation.

1.2 Indian Economic Scenario

India retained its position as one of the fastest-growing major economies, with real GDP growth estimated at 6.8% for FY 2024–25. Key economic indicators such as core sector growth, bank credit, and industrial production registered healthy expansion. Infrastructure spending remained a cornerstone of the Union Government's economic strategy, underpinned by policies aimed at boosting capital expenditure, improving logistics, and strengthening public infrastructure.

1.3 Infrastructure Sector Landscape

Infrastructure is viewed as the backbone of the Indian economy. With the goal of achieving a \$5 trillion economy, the Government of India has laid out a comprehensive roadmap under the National Infrastructure Pipeline (NIP), entailing investments exceeding ₹111 lakh crore until 2025. Major areas of focus include:

- **Transportation:** Roads, railways, airports, metro systems, and waterways.
- **Urban Development:** Smart cities, housing, waste management, and water supply.
- **Energy:** Green energy corridors, solar and wind infrastructure.
- **Digital Infrastructure:** Data centers, telecom towers, and connectivity networks.

Additionally, the PM Gati Shakti National Master Plan, a digital platform for integrated infrastructure planning across 16 ministries, has begun to streamline project approvals and inter-ministerial coordination.

2. Company Overview

2.1 Nature of Business

Active Infrastructures Limited is a fast-emerging player in the infrastructure development space. The Company operates primarily as an Engineering, Procurement, and Construction (EPC) contractor, providing end-to-end services across project planning, procurement, execution, commissioning, and maintenance. Over the past decade, the Company has executed significant projects across the following verticals:

- Roads and Highways (BOT/Hybrid Annuity and EPC).
- Water Infrastructure (Pipelines, Sewerage, STPs, WTPs).
- Urban Infrastructure (Townships, Commercial Buildings, Urban Roads).
- Industrial Infrastructure (Factories, Logistics Parks, Power Plants).

2.2 Strategic Positioning:

The Company has adopted a prudent approach towards bidding for high-quality, margin-accretive projects. Its emphasis remains on:

- Building a diversified and risk-balanced order book.
- Enhancing operational efficiencies.
- Strengthening client relationships (especially with PSUs and government departments).
- Leveraging digital tools for project monitoring and cost control.

3. Business and Financial Performance

3.1 Operational Performance

FY 2024–25 was a year of cautious optimism for the Company. While inflation and supply constraints posed challenges, the Company remained focused on on-time and on-budget project delivery. Noteworthy achievements include:

- Completion of major urban road widening and smart drainage projects.
- Commissioning of rural water supply schemes under Jal Jeevan Mission.
- Upgradation and rehabilitation of national highway packages under NHAI.
- Initiation of pre-construction works for solar-enabled infrastructure projects.

The Company also invested in enhancing its on-site safety standards, training programs, and technology adoption to improve execution quality and ensure regulatory compliance.

3.2 Financial Highlights (₹ in Lakhs)

Particulars	FY 2024-25	FY 2023-24	% Change
Revenue from Operations	3663.10	5901.29	-37.93
EBITDA	762.69	1039.05	-26.60
EBITDA Margin (%)	20.82	17.61	18.23
Profit After Tax	568.74	761.66	-25.33
EPS (₹)	5.27	7.11	-25.88

Despite macro challenges, margins were preserved due to tight cost controls, renegotiated procurement terms, and digitized workflows that improved productivity and minimized wastage.

4. Order Book Position and Execution Strategy

As on March 31, 2025, Active Infrastructures Limited had an unexecuted order book of approximately ₹108.26 crores, spread across 4 active projects. The order book composition by sector is as follows:

Segment	Order Book Share (%)
Roads & Highways	N/A
Water Infrastructure	100%
Urban Infrastructure	N/A
Industrial & Others	N/A

Execution remains the Company's core strength. Dedicated project planning teams at site level, supported by centralized procurement, logistics coordination, and real-time monitoring systems, have led to improved delivery standards and client satisfaction.

5. Opportunities and Growth Drivers

- **Policy Push :** Massive capital allocation by the government for infrastructure, with focus on rural roads, multi-modal logistics, and renewable energy.
- **Urbanization :** Rapid expansion of Tier-2 and Tier-3 cities demands robust water, transport, and housing infrastructure.
- **Digital and Green Infrastructure:** New avenues like EV infrastructure, solar roadways, and smart cities open up greenfield opportunities.
- **Privatization & Monetization:** Government initiatives like the National Monetization Pipeline (NMP) and InvIT models create demand for professional EPC players.
- **Climate Resilience:** Growing emphasis on flood - proofing, water conservation, and disaster-resilient infrastructure adds to project pipelines.

6. Risks and Mitigation Measures

Being in a project-based industry, the Company faces several risks :

Risk Category	Description	Mitigation
Project Delay Risk	Delay in land acquisition, clearances, or utility shifting	Robust pre-bid diligence and legal teams
Cost Escalation	Rise in steel, cement, diesel	Escalation clauses in contracts, long-term vendor MOUs
Working Capital	Delayed payments in public sector contracts	Diversified clientele and factoring facilities
Labour Risk	Shortage of skilled workforce	In-house training, local recruitment, subcontracting
Regulatory Compliance	Environmental and safety regulations	ESG-aligned internal control systems

The Company has a Risk Management Committee that regularly assesses exposure and implements corrective actions.

7. Internal Controls and Audit Systems

The Company's internal control framework covers all financial, operational, and compliance-related activities. The Internal Audit function, supported by external consultants, reports directly to the Audit Committee of the Board. Periodic audits, real-time alerts on deviations, and a centralized MIS system help mitigate operational risks and ensure timely detection of inefficiencies.

8. Human Capital and Organizational Development

As of March 31, 2025, Active Infrastructures Limited had a workforce of over 22 employees and contract staff. Recognizing that skilled manpower is critical in the infrastructure industry, the Company has focused on:

- Technical training and certification in construction safety, design codes, and site logistics;
- Incentive-linked performance management system;
- Gender and regional diversity in site offices;
- Employee welfare, insurance, and compliance with labor laws.

The Company is also investing in digital HR platforms for improved payroll, attendance, and resource tracking.

9. ESG and Sustainability Initiatives

Sustainability is integral to the long-term success of infrastructure companies. During FY 2024–25, the Company made significant strides in integrating ESG (Environmental, Social, and Governance) values:

- **Environmental:** Water harvesting on project sites, low-emission machinery, and dust suppression systems.
- **Social:** CSR programs in healthcare and rural education, local employment, and community engagement.
- **Governance:** Strengthened Board oversight, internal audit reviews, and stakeholder transparency.

In the coming year, the Company plans to publish its first voluntary ESG Scorecard and align with the BRSR framework as mandated by SEBI for listed companies.

10. Future Outlook

The outlook for the infrastructure sector in India remains highly promising. Active Infrastructures Limited intends to capitalize on these opportunities by:

- Exploring PPP and HAM model projects in transport and water sectors.
- Diversifying into high-growth areas like logistics infrastructure, tunneling, and metro rail.
- Enhancing prequalification to bid for larger and more complex projects.
- Leveraging data analytics, AI, and drone tech to reduce execution risks.
- Strengthening the balance sheet through prudent financial management and selective equity participation.

The Company's medium-term strategy focuses on growth with stability, profitability with sustainability, and execution excellence with stakeholder value creation.

11. Cautionary Statement

This report contains forward-looking statements that are based on certain assumptions and expectations of future events. Actual results may differ materially from those expressed or implied due to risks and uncertainties beyond the Company's control. Readers are advised not to place undue reliance on such statements.

NON-MANDATORY REQUIREMENTS

Members may please note that the provisions relating to Corporate Governance i.e. Regulation 27 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 [Listing Regulations], are not applicable to the Company and accordingly, the Company is not required to submit the Corporate Governance Report with this Annual Report.

However, keeping in view the objective of encouraging the use of better governance practices through voluntary adoption, the Company has decided to adopt and disseminate voluntary disclosures which not only serve as a benchmark for the corporate sector but also help the Company in achieving the highest standard of corporate governance.

The Members may note that any omission of any Corporate Governance provisions shall not be construed as a non-compliance of any relevant provisions thereof.

1) COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE :

At the core of the Company's operations lies a strong commitment to Corporate Governance — a commitment that extends beyond compliance and focuses on promoting long-term value creation, ethical conduct, and stakeholder trust.

The Company's philosophy emphasizes fairness, transparency, accountability, and responsible management in all aspects of business. This extends to its relationships with employees, shareholders, creditors, customers, business partners, and regulators. The Board firmly believes that sound governance practices are essential to achieving sustainable business performance and preserving stakeholder confidence.

The governance approach is rooted in timely and accurate disclosure of financial and operational information, maintaining effective internal controls, and fostering a culture of ethics and integrity at all levels of the organization.

It is not viewed merely as a compliance requirement, but as a strategic priority embedded in the Company's values and decision-making processes. The governance framework is designed to ensure clear responsibilities, effective oversight, and alignment with stakeholder interests.

The Board of Directors plays a central role in setting the strategic direction and overseeing performance. It is accountable to the shareholders and ensures that management acts in the best interest of the Company.

The Board is supported by well-structured Committees, each with defined roles and responsibilities to facilitate focused supervision and governance.

Management is responsible for the day-to-day operations and execution of strategic plans under the guidance of the Board, ensuring transparency, compliance, and risk management.

The Company has institutionalized systems that enhance disclosure practices, promote ethical behavior, and support internal governance, ensuring that both financial and non-financial decisions are taken with integrity and accountability.

Accordingly, a separate meeting of the Independent Directors of the Company was held on 07th December 2024, to:

- i. Review the performance of Non-Independent Directors, Chairperson and the Board as a whole;
- ii. Assess the quality, quantity and timeliness of flow of information between the company management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

- **Induction, Training and Familiarisation Programme for Board Members:**

The Independent Directors are provided with necessary documents, reports and internal policies to enable them to familiarize with the Company's procedures and practices. Further, periodic presentations are made at the Board and Committee meetings, on business and performance updates of the Company, global business environment, business strategy and risks involved. Quarterly updates on relevant statutory changes are provided to the Directors in the Board meetings.

Upon appointment, the Independent Directors are issued a letter of appointment setting out in detail the terms of appointment including their roles, function, responsibilities and their fiduciary duties as a Director of the Company. The details of such familiarization programme for Independent Directors are posted on the website of the Company viz. www.activeinfra.in.

- **Evaluation of the Board's Performance:**

The Board, pursuant to the provisions of the Act and Regulation 17(10) of the Listing Regulations has carried out an Annual Evaluation of its own performance, performance of the Board Committees and of the individual Directors (including the Independent Directors) on various parameters.

The criteria for the evaluation of the performance of the Board, the Committees of the Board and the individual Directors, including the Chairperson of the Board was approved by the Nomination and Remuneration Committee ("NRC") of the Company. The performance of the Board as a whole was evaluated by the Board after seeking inputs from all the directors on the basis of the criteria such as the Board composition and structure, effectiveness of board processes, information and functioning, etc. The performance of the Board Committees was evaluated by the Board

after seeking inputs from the Committee members on the basis of criteria such as the composition of Committees, effectiveness of Committee meetings, etc. The performance of the individual Directors (including the Independent Directors) was reviewed by the Board on the basis of the criteria such as the contribution of the individual Director to the Board and Committee meetings, preparedness on the issues to be discussed, meaningful and constructive contribution and inputs in meetings, etc. In addition, the Chairperson of the Board was also evaluated on the key aspects of her role.

In a separate meeting of the Independent Directors, the performance of the Non-Independent Directors, performance of the Board as a whole and performance of the Chairperson was evaluated. The same was discussed in the Board meeting that followed the meeting of the Independent Directors.

● **Board Diversity**

The Company recognizes its obligation to maintain a Board with a diversity of Directors. The Company considers that the concept of diversity incorporates several different aspects such as professional experiences, business perspectives, skills, knowledge, gender, age, cultural and educational background, ethnicity, and length of service. The Company believes that Board diversity enhances decision making capability and a diverse Board is more effective in dealing with organizational changes and less likely to suffer from group thinking.

"INDEPENDENT AUDITOR'S REPORT"

To the Members of
Active Infrastructures Limited
(Formerly Active Infrastructures Private Limited)
CIN-L45200MH2007PLC174506
Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Active Infrastructures Limited (Formerly Active Infrastructures Private Limited) ("the Company") CIN-L45200MH2007PLC174506**, which comprise the Balance Sheet as at 31st March 2025, and the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "**standalone financial statements**").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ("Ind AS") specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2025, profit (Including other comprehensive income), the statement of cash flows and the statement of changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

A. Inventories –

The Key Audit matters	How our audit addressed the key audit matter / Auditor's Response
<p>Assessment of net realizable value (NRV) of inventories on construction of residential / commercial units comprising ongoing and completed projects, initiated but un-launched projects and land stock, represents a significant portion of the Company's total assets.</p>	<p>Our audit procedures to assess the net realizable value (NRV) of inventories included and were not limited to the following:</p> <ul style="list-style-type: none"> • Enquiry with the Company's personnel to understand the basis of computation and justification for the estimated recoverable amounts of the unsold units ("the NRV assessment"); • Considered the ready reckoner / stamp duty valuation rates for land and construction thereof considering the location of the projects. • Considered market rates prevailed during the year for land and construction thereof based on the location of the projects, based on available information. • Obtained and reviewed the management assessment of the NRV including judgement and estimates applied in valuations. • Performed subsequent event procedures upto the date of the audit report

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the Consolidated Financial Statements, Standalone Financial Statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The accompanying standalone financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act, with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the company in accordance with the Ind AS specified under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with Standards on Auditing, specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(l) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

The Standalone Financial Statements for the year ended 31 March 2024 prepared in accordance with Ind AS have been audited by the predecessor auditor. The report of the predecessor auditor dated 28 May 2024 expressed an unmodified opinion on the financial information for the year ended 31 March 2024.

Our opinion is not modified in respect of these matters.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **"Annexure A"**, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of accompanying standalone financial statements.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Standalone Financial Statements dealt with by this report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015 as amended.
- (e) On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **"Annexure B"**.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. a. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- b. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. As stated in Note 36 (10) of Standalone financial statements,
 - a. The final dividend proposed in the previous year, declared and paid by the Company during the year ended 31st march 2025 is in accordance with Section 123 of the Act, as applicable.
 - b. The Board of Directors of the Company have proposed final dividend for the year ended 31st march 2025 which is subject to the approval of the member at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act, as applicable.
- vi. The reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is applicable from 1 April 2023.

Based on our examination which included test checks, the Company has used accounting software's for maintaining its books of account, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

- i) In respect of the Company's Property, Plant and Equipment and Intangible Assets:
 - a) A. The Company has maintained proper records showing full particulars, including quantitative details & situation of **Property, Plant and Equipment**.
 - B. The Company has maintained proper records showing full particulars of intangible assets.
 - b) The Property, Plant and Equipment have been physically verified by the management at reasonable intervals. In our opinion the frequency of physical verification is reasonable having regard to the size of the Company and the nature of its asset. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
 - c) The company does not possess any immovable property as at Balance sheet date and hence reporting under this sub-clause is not applicable.
 - d) The Company has not revalued any of its Property, Plant and Equipment and intangible assets during the year.
 - e) No proceedings have been initiated during the year or are pending against the Company as at 31st March, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii) a) The physical verification of inventory has been conducted at reasonable intervals by the management and on the basis of our examination of records of inventory, in our opinion, no material discrepancies of 10% or more were noticed on such verification and the coverage and procedure of such verification by the management is appropriate.
- b) As disclosed in note 19 to the standalone financial statements, the Company has been sanctioned cash credit limit exceeding 5 crores during the current financial year. However, there is no requirement imposed by the bank to submit the quarterly returns or statements. Accordingly, reporting under clause 3(ii)(b) of the Order is not applicable to the Company.
- iii) According to the information and explanations given to us and on the basis of our examination of the records, the company has granted unsecured loans to companies during the year, in respect of which,
 - a) The Company has provided loans during the year and details of which are given below:

Aggregate amount granted/ provided during the year	Guarantees	Security	Loans	Advances in Nature of Loans
(i) Subsidiaries	-	-	528.50	-

(ii)	Agreement does not specify any terms or period of repayment (B)	-	-	-
	Total (A+B)	355.94	-	240.87
	Percentage of loans/ advances in nature of loans to the total loans	100.00%	0.00%	67.67%

- iv) Since the company is an infrastructure company the provisions of sections 185 and 186 of Companies Act 2013 are not applicable. Therefore, reporting under clause (iv) is not required.
- v) The Company has not accepted deposits within the meaning of section 73 and 76 of the acts and the companies (acceptance of deposits) rules, 2014 (as amended) during the year and does not have any unclaimed deposits as at 31st March, 2025 and therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company.
- vi) The maintenance of cost records has not been specified by the Central Government under subsection (1) of section 148 of the Act, for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.

vii) In respect of statutory dues:

- a) According to the records of the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Income Tax, and other material statutory dues applicable to it with the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Service tax, Income Tax and other material statutory dues in arrears as at 31st March, 2025 for a period of more than six months from the date they became payable.

- b) According to the information and explanations given to us, there are no statutory dues referred to in subclause (a) above that have not been deposited with the appropriate authorities on account of any dispute.

- viii)** There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) which have not been previously recorded in the books of accounts.

- ix)**
 - a. According to the information and explanations given to us, the company has not defaulted in repayment of loans and interest thereon to any lender during the year.
 - b. According to the information and explanations given to us including representation received from the management of the company, and on the basis of our audit procedure, we report that the Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
 - c. In our opinion and according to the explanations provided, the loans taken by the company were applied for the purpose for which they were obtained.
 - d. In our opinion and according to the information and explanations given to us, and on an overall examination of the financial statements of the Company, funds raised by the Company on short term basis have, prima facie, not been utilized for long term purposes.
 - e. On an overall examination of the standalone financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary.
 - f. The company has not raised any loans during the year, on pledge of securities held in its subsidiary, hence the reporting under clause (ix)(f) of the Order is not applicable.
- x)**
 - a) During the year the Company raised Rs. 7783.36 Lacs by way of initial public offer. In our opinion and according to the information and explanation given to us, money raised by way of initial public offer were applied for the purpose for which these were obtained, funds which were not required for immediate utilization have been invested in readily realizable liquid investments.
 - b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- xi)**
 - a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no material fraud on the Company by its officers or employees has been noticed or reported during the year.
 - b) According to the information and explanations given to us, no report under sub-section 12 of section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014, with the Central Government for the period covered by our audit
 - c) According to the information and explanation given to us, the Company has not received any whistle-blower complaints during the year.
- xii)** The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- x)** In our opinion and according to the information and explanations given to us transactions with related parties are in compliance with the provisions of section 177 and 188 of Companies Act, 2013 wherever applicable and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xi)**
 - a) In our opinion and according to the information and explanations given to us, the Company has an adequate internal audit system as per the provisions of section 138 of the Act which is commensurate with the size and nature of its business.
 - b) We have considered the reports issued by the Internal Auditors of the Company till date for the period under audit.

- xii)** In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected to its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xiii)** a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xiv)** The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xv)** There has been resignation of the statutory auditors during the year and based on the information and explanations given to us by the management and the response received by us pursuant to our communication with the outgoing auditors, there have been no issues, objections or concerns raised by the outgoing auditors.
- xvi)** On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xvii)** According to the information and explanations given to us, the Company does not have any unspent amounts towards Corporate Social Responsibility in respect of any ongoing or other than ongoing project as at the end of the financial year. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.
- xviii)** The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

Annexure B to the Independent Auditors' Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Active Infrastructures Limited (Formerly Active Infrastructures Private Limited) (CIN-L45200MH2007PLC174506) of even date)

Report on the Internal Financial Controls with reference to Standalone Financial Statement under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to standalone financial statements of **Active Infrastructures Limited (Formerly Active Infrastructures Private Limited)** ("the Company") CIN-L45200MH2007PLC174506 as of 31st March 2025 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to standalone financial statements reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safe guarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Control over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statement

A Company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. The Company's internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and

dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statement

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statement to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at 31st March, 2025, based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE 1: Corporate Information

Active Infrastructures Limited ("the Company"), (formerly known as Active Infrastructures Private Limited) having (CIN- L45200MH2007PLC174506) is a Company registered under the Companies Act, 2013 (Earlier Companies Act, 1956). It was incorporated on 26th September, 2007. The Company is primarily engaged in the business of Construction and sale of Commercial units.

NOTE 2: Statement on Significant Material Accounting Policies

The significant Material accounting policies applied by the company in the preparation of its financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these financial statements, unless otherwise indicated.

1. Statement of Compliance:

These financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time.

2. Basis of Preparation of Financial Statements:

These financial statements have been prepared in Indian Rupee (Rs. In lakhs) which is the functional currency of the Company.

The financial statements have been prepared under the historical cost convention with the exception of certain assets and liabilities that are required to be carried at fair values by Ind AS and inventories at Cost or NRV whichever is lower. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in orderly transaction between market participants at the measurement date.

3. Use of Estimates:

In preparation of the financial statements, the Company makes judgments, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and the associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

Significant judgments and estimates relating to the carrying values of assets and liabilities include useful lives of property, plant and equipment and intangible assets, impairment of property, plant and equipment, intangible assets and investments, provision for employee benefits and other provisions, recoverability of deferred tax assets, commitments and contingencies.

4. Revenue Recognition:

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. Accordingly, it is excluded from revenue.

The specific recognition criteria described below must also be met before revenue is recognised.

i. Recognition of revenue from real estate projects

Revenue is recognized upon transfer of control of commercial units to customers, in an amount that reflects the consideration the Company expects to receive in exchange for those commercial units. The Company shall determine the performance obligations associated with the contract with customers at contract inception and also determine whether they satisfy the performance obligation over time or at a point in time. In case of commercial units, the Company satisfies the performance obligation and recognizes revenue at a point in time i.e., upon handover of the commercial units.

ii. Recognition of revenue from Infrastructure projects

Revenue is recognized upon satisfaction of stipulated milestones specified in the contract with customers. The amount of revenue recognized reflects the consideration expected to be received in exchange of satisfaction of performance obligations. The company determines the performance obligations associated with the contract at the beginning and decides whether they are satisfied over time or at a specific point in time. For turnkey projects, revenue is recognized at a specific point in time, which is the satisfaction of stipulated milestones specified in the contract with customers.

iii. Dividend income:

Revenue is recognised when the shareholders' or unit holders' right to receive payment is established, which is generally when shareholder approve the dividend.

iv. Share in profits of partnership firm investments in LLP

The Company's share in profits from a firm & LLP where the Company is a partner, is recognised on the basis of such firm's audited accounts, as per terms of the partnership deed.

v. Interest income

Interest income, including income arising from other financial instruments, is recognised using the effective interest rate method.

5. Property, Plant and Equipment:

Property, plant and equipment are stated at their cost of acquisition/construction, net of accumulated depreciation and impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use and initial estimate of decommissioning, restoring and similar liabilities. Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately. This applies mainly to components for machinery. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in statement of profit and loss as incurred.

Subsequent expenditure related to an item of property, plant and equipment is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. Borrowing costs directly attributable to acquisition of property, plant and equipment which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the property, plant and equipment is derecognised.

Expenditure directly relating to construction activity is capitalized. Indirect expenditure incurred during construction period is capitalized to the extent to which the expenditure is indirectly related to construction or is incidental thereto. Other indirect expenditure (including borrowing costs) incurred during the construction period which is not related to the construction activity nor is incidental thereto is charged to the statement of profit and loss.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets.

6. Depreciation on Property Plant & Equipment:

Depreciation on property, plant and equipment provided as per cost model on Written down value basis over the estimated useful lives of the asset as follows:

- A. Plant and machinery - Civil construction
 - i. Concreting, Crushing, Piling Equipments : 12 years
 - ii. Earth-moving equipments : 9 Years
- B. Computers : 3 years
- C. Vehicles : 8 Years

Based on technical evaluation, the management believes that the useful lives given above best represents the period over which the management expects to use the asset. Hence the useful lives of the assets are same as prescribed under Part C of schedule II of Companies Act, 2013.

The estimated useful life of the assets is reviewed at the end of each financial year. The residual value of Property, plant and equipment considered as 5% of the original cost of the asset. Depreciation on the assets added / disposed of during the year is provided on pro-rata basis with reference to the month of addition / disposal.

7. Impairment (other than Financial Instruments)

At each balance sheet date, the Company reviews the carrying values of its property, plant and equipment and intangible assets to determine whether there is any indication that the carrying value of those assets may not be recoverable through continuing use. If any such indication exists, the recoverable amount of the asset is reviewed in order to determine the extent of impairment loss (if any).

Where the asset does not generate cash flows that are independent from other assets, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. An impairment loss is recognized in the statement of profit and loss as and when the carrying value of an asset exceeds its recoverable amount.

Where an impairment loss subsequently reverses, the carrying value of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount so that the increased carrying value does not exceed the carrying value that would have been determined had no impairment loss been recognized for the asset (or cash generating unit) in prior years. The remaining reversal of an impairment loss is recognized in the statement of profit and loss immediately.

8. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets and Financial Liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognized in the statement of profit and loss.

Effective interest method

The effective interest method is a method of calculating the amortized cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

(a) Financial Assets:**Cash and Bank Balances:**

- (i) Cash and cash equivalents - which includes cash in hand, deposits held at call with banks and other short-term deposits which have maturities of less than one year from the date of such deposits.
- (ii) Other bank balances - which includes balances and deposits with banks that are restricted for withdrawal and usage.

Financial assets at amortized cost:

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at Fair Value:

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Company in respect of equity investments (other than in subsidiaries, associates and joint ventures) which are not held for trading has made an irrevocable election to presentation other comprehensive income subsequent changes in the fair value of such equity instruments. Such an election is made by the Company on an instrument-by-instrument basis at the time of initial recognition of such equity investments.

Financial asset not measured at amortized cost or at fair value through other comprehensive income is carried at fair value through the statement of profit and loss.

Impairment of financial assets

Loss allowance for expected credit losses is recognized for financial assets measured at amortized cost and fair value through other comprehensive income. The Company recognizes life time expected credit losses for all trade receivables that do not constitute a financing transaction.

For financial assets whose credit risk has not significantly increased since initial recognition, loss allowance equal to twelve months expected credit losses is recognized. Loss allowance equal to the lifetime expected credit losses is recognized if the credit risk on the financial instruments has significantly increased since initial recognition.

De-recognition of financial assets

The Company de-recognizes a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

(b) Financial Liabilities and Equity Instruments:**Classification as debt or equity**

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Financial Liabilities

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortized cost, using the effective interest rate method where the time value of money is significant.

Interest bearing bank loans, overdrafts and issued debt are initially measured at fair value and are subsequently measured at amortized cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognized over the term of the borrowings in the statement of profit and loss.

De-recognition of financial liabilities

The Company de-recognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire.

Reclassification of financial assets

The company determines classification of financial assets and liabilities on initial recognition. After initial recognition of financial assets and financial liabilities, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The company's senior management determines change in the business model as a result of external or internal changes which are significant to the company's operations.

Such changes are evident to external parties. A change in the business model occurs when the company either begins or ceases to perform an activity that is significant to its operations. If the group reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The company does not restate any previously recognized gains, losses (including impairment gains or losses) or interest.

The following table shows various reclassification and how they are accounted for:

Original classification	Revised classification	Accounting treatment
Amortised cost	FVTPL	Fair value is measured at reclassification date. Difference between previous amortized cost and fair value is recognised in P&L.
FVTPL	Amortised Cost	Fair value at reclassification date becomes its new gross carrying amount. EIR is calculated based on the new gross carrying amount.
Amortised cost	FVTOCI	Fair value is measured at reclassification date. Difference between previous amortised cost and fair value is recognised in OCI. No change in EIR due to reclassification.
FVTOCI	Amortised cost	Fair value at reclassification date becomes its new amortised cost carrying amount. However, cumulative gain or loss in OCI is adjusted against fair value. Consequently, the asset is measured as if it had always been measured at amortised cost.
FVTPL	FVTOCI	Fair value at reclassification date becomes its new carrying amount. No other adjustment is required.
FVTOCI	FVTPL	Assets continue to be measured at fair value. Cumulative gain or loss previously recognized in OCI is reclassified to P&L at the reclassification date.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

9. Inventory

Inventories are stated at the lower of Weighted average cost and net realizable value. Costs comprise direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the inventories to their present location and condition. Net realizable value is the price at which the inventories can be realized in the normal course of business after allowing for the cost of conversion from their existing state to a finished condition and for the cost of marketing, selling and distribution.

10. Cash and cash equivalents:

Cash and cash equivalents comprise cash at bank and in hand and short-term investments with a balance maturity of three months or less.

11. Income Taxes:

A. Current Tax

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

B. Deferred Tax

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying values of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognized for all taxable temporary differences. In contrast, deferred tax assets are only recognized to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilized. Current and deferred tax are recognized as an expense or income in the statement of profit and loss, except when they relate to items credited or debited either in other comprehensive income or directly in equity, in which case the tax is also recognized in other comprehensive income or directly in equity.

12. Provisions:

A provision is recognized when the Company has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or reliable estimate of the amount cannot be made, is also termed as contingent liability. A contingent asset is neither recognized nor disclosed in the financial statements.

13. Employee Benefits

Short term employee benefits are recognized on an accrual basis.

Defined Benefit Plans:

Gratuity, which is a defined benefit plan, is accrued based on an independent actuarial valuation, which is done based on project unit credit method as at the balance sheet date. The Company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Gains and losses through re-measurements of the net defined benefit liability / (asset) are recognized in other comprehensive income. In accordance with Ind AS, re-measurement gains and losses on defined benefit plans recognized in OCI are not to be subsequently reclassified to statement of profit and loss. As required under Ind AS compliant Schedule III, the Company transfers it immediately to retained earnings.

14. Earnings per share

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per shares is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per shares and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

Note 31 : Financial risk management

(Rs. in lakhs)

The Company's activities expose it to the following risks:

Credit risk

Interest risk

Liquidity risk

A Credit risk

Credit Risk is the risk that counter party will not meet its obligations under a financial instruments or customer contract leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables and unbilled revenue) and from its financing activities including deposits with banks and financial institutions, investments, foreign exchange transactions and other financial instruments.

i Trade receivables

Credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored.

The impairment analysis is performed at each reporting date on an individual basis for clients. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company does not hold collateral as security.

Credit risk exposure

The Company's credit period generally ranges from 30 – 60 days are as below.

Particulars	As at 31st March 2025	As at 31st March 2024
Trade receivables	1,273.34	33.30
Work in progress	4,081.11	4,843.21
Total	5,354.45	4,876.51

The Company evaluates the concentration of risk with respect to trade receivables as low as they are spread across multiple geographies and multiple industries.

ii Financial instruments and deposits with banks

Credit risk is limited as we generally invest in deposits with banks and financial institutions with high credit ratings assigned by international and domestic credit rating agencies. Counterparty credit limits are reviewed by the Company periodically and the limits are set to minimize the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

B Liquidity risk

Liquidity is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Company believes that the cash and cash equivalents is sufficient to meet its current requirements. Accordingly no liquidity risk is perceived.

The break-up of cash and cash equivalents, deposits and investments is as below.

Particulars	As at 31st March 2025	As at 31st March 2024
Cash and cash equivalent	6,094.74	3.08
Bank balance other than cash and cash equivalent	33.29	-
Total	6,128.03	3.08

Note 32: Financial instruments

The fair value of the financial assets are included at amounts at which the instruments could be exchanged in a current transaction between willing parties other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair value:

- (a) Fair value of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, approximate their carrying amounts largely due to the short-term maturities of these instruments.
- b) Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, if require, allowances are taken to account for the expected losses of these receivables.

A. Financial instruments by category

The carrying value and fair value of financial instruments by categories as at 31st March 2025 were as follows:

"INDEPENDENT AUDITOR'S REPORT"

To the members of
Active Infrastructures Limited
(Formerly Active Infrastructures Private Limited)
CIN-L45200MH2007PLC174506
Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated financial statements of **Active Infrastructures Limited (Formerly Active Infrastructures Private Limited) CIN-L45200MH2007PLC174506** ("hereinafter referred to as the "Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31st March 2025, and the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the Consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements give the information required by the Companies Act 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2025, and their consolidated profit (including other comprehensive income), consolidated changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the audit of the Consolidated financial statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Act and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated financial statements.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated financial statements of the current year. These matters were addressed in the context of our audit of the Consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

A. Inventories –

The Key Audit matters	How our audit addressed the key audit matter / Auditor's Response Our audit procedures to assess the net realizable value (NRV) of inventories included and were not limited to the following:
<p>Assessment of net realizable value (NRV) of inventories on construction of residential/ commercial units comprising ongoing and completed projects, initiated but un-launched projects and land stock, represents a significant portion of the Company's total assets.</p>	<ul style="list-style-type: none"> • Enquiry with the Company's personnel to understand the basis of computation and justification for the estimated recoverable amounts of the unsold units ("the NRV assessment"); • Considered the ready reckoner / stamp duty valuation rates for land and construction thereof considering the location of the projects. • Considered market rates prevailed during the year for land and construction thereof based on the location of the projects, based on available information. • Obtained and reviewed the management assessment of the NRV including judgement and estimates applied in valuations. • Performed subsequent event procedures upto the date of the audit report

Information Other than the Financial Statements and Auditor's Report

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements, consolidated financial statements and our auditor's report thereon.

Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Consolidated Financial Statements

The accompanying consolidated financial statements have been proved by the Holding Company' Board of Directors. The Holding Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these Consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Boards of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of

the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the Consolidated financial statements, the respective Boards of Directors of the companies included in the Group are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Boards of Director either intends to liquidate their respective entities or to cease operations, or have no realistic alternative but to do so.

Those respective Board of Directors are also responsible for overseeing the financial reporting process of the companies included in the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(l) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to Consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion.

Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates and joint ventures to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities or business activities included in the Consolidated Financial Statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

1. The consolidated financial statements of the Company for the year ended 31 March 2024 were not prepared by claiming exemption as per para 4(a)(iv) of Ind AS 110 and also as per Companies (Accounts) Rules, 2014 Rule 6 second Provision clause (iii).

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Active Infrastructures Limited (Formerly Active Infrastructures Private Limited) CIN-L45200MH2007PLC174 of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with or audit of the consolidated financial statements of the Company as of and for the year ended March 31st, 2025, we have audited the internal financial controls with reference to Consolidated Financial Statements of Active Infrastructures Limited (Formerly Active Infrastructures Private Limited) CIN-L45200MH2007PLC174506 (hereinafter referred to as the "Company") and its subsidiary companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Boards of Directors of the Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Control Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI") and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

The Company's internal financial control over financial reporting is a process designed to provide reasonable assurance

regarding the reliability of financial reporting and the preparation of Consolidated financial statements for external purposes in accordance with generally accepted accounting principles. The Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Consolidated financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the criteria for internal financial control over financial reporting established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Other Matters

1. The consolidated financial statements of the Company for the year ended 31 March 2024 were not prepared by claiming exemption as per para 4(a)(iv) of Ind AS 110 and also as per Companies (Accounts) Rules, 2014 Rule 6 second Provision clause (iii).
2. Our aforesaid reports under section 143(3) (i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to standalone financial statements of its subsidiaries which is company incorporated in India, is based on the corresponding report of the auditor of such company.
3. In case of 2 LLP (Subsidiary) and 2 LLP (Associates), the reporting under Internal Financial Controls over the financial reporting is not applicable as the nature of entities are partnership firms and not companies, due to which we are unable to comment on the same.

NOTE 1: Corporate Information

Active Infrastructures Limited (Formerly Active Infrastructures Private Limited) ("the group") having (CIN-L45200MH2007PLC174506) is a Company registered under the Companies Act, 1956 Now Companies Act, 2013. It was incorporated on 26th September, 2007. The group is primarily engaged in the business of Construction & Sale of Residential/Commercial units and execution of infrastructure projects.

The Holding Company and its subsidiaries are engaged in the business of construction of commercial complexes, residuals houses, business premises or civil work of every type and dealing in real estate properties and infra projects.

NOTE 2: Statement on Significant Material Accounting Policies

The significant Material accounting policies applied by the Holding company, its subsidiaries and its associates in the preparation of its Consolidated financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these Consolidated financial statements, unless otherwise indicated.

1. Statement of Compliance:

These financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time.

2. Basis of Preparation of Financial Statements:

These Consolidated financial statements have been prepared in Indian Rupee (Rs. In lakhs) which is the functional currency of the group.

The Consolidated financial statements have been prepared under the historical cost convention with the exception of certain assets and liabilities that are required to be carried at fair values by Ind AS and inventories at Cost or NRV whichever is lower. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in orderly transaction between market participants at the measurement date.

3. Principles of Consolidation:

The Consolidated financial Statements relate to Active Infrastructures Limited (formerly known as Active Infrastructures Private Limited) ('The Holding Company'), its subsidiaries (where its ownership is more than 50%) and associate (where its ownership is less than 50% but more than 20%). The Consolidated Financial Statements have been prepared on the following basis:

- i) The financial statements of the Holding company, its subsidiaries have been combined on a line-by-line basis by adding together book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions in accordance with the Indian Accounting Standard. Further holding company recognizes its share of the associate's profit or loss in its consolidated financial statements. (Ind AS) 110 - "Consolidated Financial Statements."
- ii) The consolidated financial statements have been prepared using uniform accounting policies for the like transactions and other events in similar circumstances and are presented in the same manner as the group's separate financial statements except revenue recognition. Revenue recognition policy of the Holding company and its subsidiaries Achievers Ventures Private Limited and Digvijay Shradha Infrastructure Private Limited is different and that is set out under this Note 2.5. No adjustments has been done in accounting in order to use uniform revenue accounting policy as it is not practicable in preparing the consolidated financial statements.
- iii) The difference between the cost of investment in the subsidiaries, over the net assets at the time of acquisition of shares in the Subsidiaries is recognized in the financial statements as Goodwill or Capital Reserve, as the case may be.

- iv) The difference between the proceeds from disposal of investment in subsidiaries and the carrying amount of its assets less liabilities as of the date of disposal is recognized in the consolidated Profit and Loss Statement being the profit or loss on disposal of investment in subsidiary.
- v) The share of non-controlling interest in net profit of consolidated subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the group.
- vi) Share of non-controlling interest in net assets of consolidated subsidiaries is identified and presented in the consolidated balance sheet separate from liabilities and the equity of the group's shareholders.
- vii) As far as possible, the consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in same manner as the group's separate financial statements. The Subsidiaries and LLPs considered in the preparation of these consolidated financial statement are:

Name of the Components	Type of relation	Proportionate of ownership as on 31 st Mar, 2025	Proportionate of ownership as on 31st Mar, 2024
Achievers Ventures Private Limited	Subsidiary Company	100%	100%
Digvijay Shradha Infrastructure Private Limited	Subsidiary Company	50.50%	50.50%
Stargate Ventures LLP	More Than 50% share (Of wholly owned subsidiary) in LLP	67%	67%
Solus Ventures LLP	More Than 50% share (Of wholly owned subsidiary) in LLP	67%	67%
Devansh Dealtrade LLP	Associate	49.99%	49.99%
Godhuli Vintrade LLP	Associate	49.99%	49.99%

4. Use of Estimates:

In preparation of the financial statements, the group makes judgments, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and the associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

Significant judgments and estimates relating to the carrying values of assets and liabilities include useful lives of property, plant and equipment and intangible assets, impairment of property, plant and equipment, intangible assets and investments, provision for employee benefits and other provisions, recoverability of deferred tax assets, commitments and contingencies.

5. Revenue Recognition:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the group and the

revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. Accordingly, it is excluded from revenue.

The specific recognition criteria described below must also be met before revenue is recognized.

i. Recognition of revenue from real estate projects

Revenue is recognized upon transfer of control of commercial units to customers, in an amount that reflects the consideration the group expects to receive in exchange for those commercial units. The group shall determine the performance obligations associated with the contract with customers at contract inception and also determine whether they satisfy the performance obligation over time or at a point in time. In case of commercial units, the group satisfies the performance obligation and recognizes revenue at a point in time i.e., upon handover of the commercial units.

ii. Recognition of revenue from Infrastructure projects

Revenue is recognized upon satisfaction of stipulated milestones specified in the contract with customers. The amount of revenue recognized reflects the consideration expected to be received in exchange of satisfaction of performance obligations. The company determines the performance obligations associated with the contract at the beginning and decides whether they are satisfied over time or at a specific point in time. For turnkey projects, revenue is recognized at a specific point in time, which is the satisfaction of stipulated milestones specified in the contract with customers.

iii. Recognition of revenue from Turn-key Projects:

Revenue is recognized upon satisfaction of stipulated milestones specified in the contract with customers. The amount of revenue recognized reflects the consideration expected to be received in exchange of satisfaction of performance obligations. The company determines the performance obligations associated with the contract at the beginning and decides whether they are satisfied over time or at a specific point in time. For turnkey projects, revenue is recognized at a specific point in time, which is the satisfaction of stipulated milestones specified in the contract with customers.

iv. Recognition of Revenue from sale of civil material

Revenue from product sale are recognized when risks and rewards gets transferred to the buyer and stated net of returns, Goods & Services Tax and applicable trade discounts and allowances.

v. Dividend income:

Revenue is recognized when the shareholders' or unit holders' right to receive payment is established, which is generally when shareholder approve the dividend.

vi. Interest income

Interest income, including income arising from other financial instruments, is recognised using the effective interest rate method.

6. Property, Plant and Equipment:

Property, plant and equipment are stated at their cost of acquisition/construction, net of accumulated depreciation and impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use and initial estimate of decommissioning, restoring and similar liabilities. Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately. This applies mainly to components for machinery. When significant parts of plant and equipment are required to be replaced at intervals, the group depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in statement of profit and loss as incurred.

Subsequent expenditure related to an item of property, plant and equipment is added to its book value only if it

increases the future benefits from the existing asset beyond its previously assessed standard of performance. Borrowing costs directly attributable to acquisition of property, plant and equipment which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the property, plant and equipment is derecognized.

Expenditure directly relating to construction activity is capitalized. Indirect expenditure incurred during construction period is capitalized to the extent to which the expenditure is indirectly related to construction or is incidental thereto. Other indirect expenditure (including borrowing costs) incurred during the construction period which is not related to the construction activity nor is incidental thereto is charged to the statement of profit and loss.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets.

7. Depreciation on Property Plant & Equipment:

Depreciation on property, plant and equipment provided as per cost model on Written down value basis over the estimated useful lives of the asset as follows:

A. Plant and machinery - Civil construction

(i). Concreting, Crushing, Piling Equipment: 12 Years

(ii). Earth-moving equipment: 9 Years

B. Computers: 3 years

C. Vehicles: 8 Years

D. Building: 3 Years

E. Lab Equipment: 10 Years

F. Furniture: 10 Years

G. Office Equipment: 5 Years

Based on technical evaluation, the management believes that the useful lives given above best represents the period over which the management expects to use the asset. Hence the useful lives of the assets are same as prescribed under Part C of schedule II of Companies Act, 2013.

The estimated useful life of the assets is reviewed at the end of each financial year. The residual value of Property, plant and equipment considered as 5% of the original cost of the asset. Depreciation on the assets added / disposed of during the year is provided on pro-rata basis with reference to the month of addition / disposal.

8. Impairment (other than Financial Instruments)

At each balance sheet date, the group reviews the carrying values of its property, plant and equipment and intangible assets to determine whether there is any indication that the carrying value of those assets may not be recoverable through continuing use. If any such indication exists, the recoverable amount of the asset is reviewed in order to determine the extent of impairment loss (if any).

Where the asset does not generate cash flows that are independent from other assets, the group estimates the recoverable amount of the cash generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. An impairment loss is recognized in the statement of profit and loss as and when the carrying value of an asset exceeds its recoverable amount.

Where an impairment loss subsequently reverses, the carrying value of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount so that the increased carrying value does not exceed the carrying value that would have been determined had no impairment loss been recognized for the asset (or cash generating unit) in prior years. The remaining reversal of an impairment loss is recognized in the statement of profit and loss immediately.

9. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets and Financial Liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognized in the statement of profit and loss.

Effective interest method

The effective interest method is a method of calculating the amortized cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

(a) Financial Assets:

Cash and Bank Balances:

- (i) Cash and cash equivalents - which includes cash in hand, deposits held at call with banks and other short-term deposits which have maturities of less than one year from the date of such deposits.
- (ii) Other bank balances - which includes balances and deposits with banks that are restricted for withdrawal and usage.

Financial assets at amortized cost:

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at Fair Value:

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Group in respect of equity investments (other than in subsidiaries, associates and joint ventures) which are not held for trading has made an irrevocable election to presentation other comprehensive income subsequent changes in the fair value of such equity instruments. Such an election is made by the Company on an instrument-by-instrument basis at the time of initial recognition of such equity investments.

Financial asset not measured at amortized cost or at fair value through other comprehensive income is carried at fair value through the statement of profit and loss.

Impairment of financial assets

Loss allowance for expected credit losses is recognized for financial assets measured at amortized cost and fair value through other comprehensive income. The Group recognizes life time expected credit losses for all trade receivables that do not constitute a financing transaction.

For financial assets whose credit risk has not significantly increased since initial recognition, loss allowance equal to twelve months expected credit losses is recognized. Loss allowance equal to the lifetime expected credit losses is recognized if the credit risk on the financial instruments has significantly increased since initial recognition.

De-recognition of financial assets

The Group de-recognizes a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Group recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, the Group continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

(b) Financial Liabilities and Equity Instruments:

Classification as debt or equity

Financial liabilities and equity instruments issued by the Group are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the group after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Financial Liabilities

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortized cost, using the effective interest rate method where the time value of money is significant.

Interest bearing bank loans, overdrafts and issued debt are initially measured at fair value and are subsequently measured at amortized cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognized over the term of the borrowings in the statement of profit and loss.

De-recognition of financial liabilities

The Company de-recognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire.

Reclassification of financial assets

The company determines classification of financial assets and liabilities on initial recognition. After initial recognition of financial assets and financial liabilities, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The group's senior management determines change in the business model as a result of external or internal changes which are significant to the group's operations.

Such changes are evident to external parties. A change in the business model occurs when the group either begins or ceases to perform an activity that is significant to its operations. If the group reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The group does not restate any previously recognized gains, losses (including impairment gains or losses) or interest.

The following table shows various reclassification and how they are accounted for:

Original classification	Revised classification	Accounting treatment
Amortised cost	FVTPL	Fair value is measured at reclassification date. Difference between previous amortized cost and fair value is recognised in P&L.
FVTPL	Amortised Cost	Fair value at reclassification date becomes its new gross carrying amount. EIR is calculated based on the new gross carrying amount.
Amortised cost	FVTOCI	Fair value is measured at reclassification date. Difference between previous amortised cost and fair value is recognised in OCI. No change in EIR due to reclassification.
FVTOCI	Amortised cost	Fair value at reclassification date becomes its new amortised cost carrying amount. However, cumulative gain or loss in OCI is adjusted against fair value. Consequently, the asset is measured as if it had always been measured at amortised cost.
FVTPL	FVTOCI	Fair value at reclassification date becomes its new carrying amount. No other adjustment is required.
FVTOCI	FVTPL	Assets continue to be measured at fair value. Cumulative gain or loss previously recognized in OCI is reclassified to P&L at the reclassification date.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

10. Inventory

Inventories are stated at the lower of weighted average cost and net realizable value. Costs comprise direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the inventories to their present location and condition. Net realizable value is the price at which the inventories can be realized in the normal course of business after allowing for the cost of conversion from their existing state to a finished condition and for the cost of marketing, selling and distribution.

11. Cash and cash equivalents:

Cash and cash equivalents comprise cash at bank and in hand and short-term investments with a balance maturity of three months or less.

12. Income Taxes:

A. Current Tax

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

B. Deferred Tax

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying values of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognized for all taxable temporary differences. In contrast, deferred tax assets are only recognized to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilized. Current and

deferred tax are recognized as an expense or income in the statement of profit and loss, except when they relate to items credited or debited either in other comprehensive income or directly in equity, in which case the tax is also recognized in other comprehensive income or directly in equity.

13. Provisions:

A provision is recognized when the Company has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or reliable estimate of the amount cannot be made, is also termed as contingent liability. A contingent asset is neither recognized nor disclosed in the financial statements.

14. Employee Benefits

Short term employee benefits are recognized on an accrual basis.

Defined Benefit Plans:

Gratuity, which is a defined benefit plan, is accrued based on an independent actuarial valuation, which is done based on project unit credit method as at the balance sheet date. The Company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Gains and losses through re-measurements of the net defined benefit liability / (asset) are recognized in other comprehensive income. In accordance with Ind AS, re-measurement gains and losses on defined benefit plans recognized in OCI are not to be subsequently reclassified to statement of profit and loss. As required under Ind AS compliant Schedule III, the Company transfers it immediately to retained earnings.

15. Earnings per share

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per shares is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per shares and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

Notes forming part of Consolidated Financial Statements for the Year ended 31st March, 2025

Note 33 : Financial risk management

The Company's activities expose it to the following risks:

Credit risk

Interest risk

Liquidity risk

A Credit risk

Credit Risk is the risk that counter party will not meet its obligations under a financial instruments or customer contract leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables and unbilled revenue) and from its financing activities including deposits with banks and financial institutions, investments, foreign exchange transactions and other financial instruments.

i Trade receivables

Credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored.

The impairment analysis is performed at each reporting date on an individual basis for clients. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company does not hold collateral as security.

Credit risk exposure

The Company's credit period generally ranges from 30 – 60 days are as below.

(Rs. in lakhs)		
Particulars	As at 31st March 2025	As at 31st March 2024
Trade receivables	5,209.83	2,138.01
Work in progress	4,112.01	4,860.50
Total	9,321.84	4,876.51

The Company evaluates the concentration of risk with respect to trade receivables as low as they are spread across multiple geographies and multiple industries.

ii Financial instruments and deposits with banks

Credit risk is limited as we generally invest in deposits with banks and financial institutions with high credit ratings assigned by international and domestic credit rating agencies. Counterparty credit limits are reviewed by the Company periodically and the limits are set to minimize the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

B Interest risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company having non current borrowing in the form of Term Loan . Also, the Company is having current borrowings in the form of working capital facility and Inter Corporate Loans. There is a fixed rate of interest in case of Inter corporate loansand Suppliers Credit hence and term loans there is no interest rate risk associated with these borrowings. The Company is exposed to interest rate risk associated with working capital facility due to floating rate of interest.

The table below illustrates the impact of a 0.5% increase in interest rates on interest on financial liabilities assuming that the changes occur at the reporting date and has been calculated based on risk exposure outstanding as of date. The year end balances are not necessarily representative of the average debt outstanding during the year.

C Liquidity risk

Liquidity is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Company believes that the cash and cash equivalents is sufficient to meet its current requirements. Accordingly no liquidity risk is perceived.

The break-up of cash and cash equivalents, deposits and investments is as below.

Note 34 : Financial instruments

The fair value of the financial assets are included at amounts at which the instruments could be exchanged in a current transaction between willing parties other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair value:

(a) Fair value of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, approximate their carrying amounts largely due to the short-term maturities of these instruments.

b) Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, if require, allowances are taken to account for the expected losses of these receivables.

Note 35 : Employee benefit Expenses

The Company operates an unfunded defined benefit gratuity plan for its employees. Under the gratuity plan, every employee who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service. The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Note 36: Fair value hierarchy

Level 1: - Quoted price (unadjusted) in active markets for identical assets or liabilities

Level 2 - Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 – Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs)

The cost of unquoted investments included in Level 3 of fair value hierarchy approximate their fair value because there is a wide range of possible fair value measurements and the cost represents estimate of fair value within that range

Note 37: Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital, securities premium and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximise the shareholder value. The Company's capital management objectives are to maintain equity including all reserves to protect economic viability and to finance any growth opportunities that may be available in future so as to maximise shareholders' value. The management and the board of directors monitors the return on capital as well as the level of dividends to the shareholders. The Company manages its capital structure and makes adjustments in light of changes in economic conditions.

EXPLANATORY STATEMENT

Explanatory Statement relating to the businesses mentioned in Item No. 5 to 6 in the accompanying Notice of the Annual General Meeting ("AGM"), pursuant to Section 102 of the Companies Act, 2013, is given below:

Item No. 4-

To consider and appoint M/S. V.K. Surana & Co., Chartered Accountants Nagpur (ICAI Firm Registration No. 110634W), as the Statutory Auditor of the Company for a term of five consecutive years from the Financial Year 2025 to the Financial Year 2030:

During the year under review, the Company was required to appoint a Peer Reviewed Chartered Accountant Firm as its Statutory Auditor in compliance with the regulatory requirements applicable for the Initial Public Offering (IPO) of the Company. Accordingly, to fill the casual vacancy caused due to such requirement, M/s. V.S. Jakhotiya & Co., Chartered Accountants (Firm Registration No. 118139W), a Peer Reviewed Firm, was appointed as the Statutory Auditors of the Company and will hold office until the conclusion of the ensuing 18th Annual General Meeting.

However, M/s. V.S. Jakhotiya & Co. has conveyed their inability to continue as Statutory Auditors for their next term due to preoccupation.

In view of the above, the Board of Directors, based on the recommendations of the Audit Committee, has proposed the appointment of M/s. V.K. Surana & Co., Chartered Accountants, Nagpur (Firm Registration No. 110634W) as the Statutory Auditors of the Company for a period of five (5) consecutive years, from the conclusion of the 18th Annual General Meeting until the conclusion of the 23rd Annual General Meeting, to audit the financial statements for the Financial Years ending March 31, 2026 through March 31, 2030.

M/s. V.K. Surana & Co. has confirmed their eligibility and consent for the proposed appointment under Sections 139, 141 and 142 of the Companies Act, 2013 and the rules made thereunder, including compliance with the applicable peer review requirements. If appointed, the scope of audit shall include both the Standalone and Consolidated Financial Statements of the Company during the said tenure. The remuneration payable to the Statutory Auditors, if appointed, shall be mutually agreed upon between the Auditors and the Board of Directors.

The Board recommends the resolution set out in Item No. 4 for approval of the members as an Ordinary Resolution.

None of the Directors or Key Managerial Personnel of the Company or their relatives is in any way concerned or interested, financially or otherwise, in the said resolution.

Item No.5-

To consider and re-appoint Ms. Asha Sampath (DIN: 02160962) as Independent Director for a second fixed term of five consecutive years

The Company had appointed Ms. Asha Sampath (DIN: 02160962) as an Additional Director (Non-Executive, Independent) on the Board of the Company with effect from 11th of November 2020 and further regularised her appointment on 05th December, 2020 pursuant to the requirements of Regulation 24(1) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR Regulations"), as the Company was an unlisted material subsidiary of its listed holding company Shradha Infraprojects Limited at that time. The said appointment was made to ensure compliance with SEBI LODR Regulations, which require at least one Independent Director of the listed holding company to be on the board of an unlisted material subsidiary.

Ms. Asha Sampath (DIN: 02160962) was appointed on the Board of the Company by virtue of operation of law and continued to hold office in such capacity. Her current term is valid up to 30th September, 2025 (As per the term of Appointment in Holding Company).

Subsequently, the equity shares of the Company have been listed on SME Platform of National Stock Exchange of India Limited (NSE) with effect from 28th March, 2025 consequently compliance of Regulation 24(1) of the SEBI LODR which require at least one Independent Director of the listed holding company to be on the board of an unlisted material subsidiary is no more required. In view of the Company now being a listed entity, and in compliance with the applicable provisions of the Companies Act, 2013 and the SEBI LODR Regulations applicable to listed companies, it is proposed to re-appoint Ms. Asha Sampath as an Independent Director, for a second term of five years from the conclusion of 18th Annual General Meeting to be held for the financial year ended 31st March, 2025 till the conclusion of 23rd Annual

General Meeting to be held for the financial year ended 31st March, 2030, whose office shall not be liable to retire by rotation.

The Company has received the requisite declarations from Ms. Asha Sampath confirming that she meets the criteria of independence as prescribed under Section 149(6) of the Companies Act, 2013 and SEBI LODR Regulations. In the opinion of the Board, Ms. Asha Sampath is a person of integrity and possesses relevant expertise and experience and fulfills the conditions specified under the Act and SEBI LODR Regulations for her appointment as an Independent Director.

The Board recommends the passing of the special resolution set out at Item No. 5 of the Notice.

None of the Directors and Key Managerial Personnel of the Company and their relatives, except Ms. Asha Sampath, is concerned or interested, financially or otherwise, in the resolution.

Item No.6-

To consider and appoint CS Riddhita Agrawal, (ICSI Membership No: FCS 10054), as the Secretarial Auditor of the Company for a term of first fixed term of five consecutive years from the Financial Year 2025 to the Financial Year 2030

The Board of Directors of the Company, on the recommendation of the Audit Committee, has considered and approved the appointment of CS Riddhita Agrawal (ICSI Membership No. FCS 10054) as the Secretarial Auditor of the Company for a term of five (5) consecutive years, commencing from the Financial Year 2025 up to the Financial Year 2030, to conduct the Secretarial Audit as prescribed under Section 204 of the Companies Act, 2013 and relevant rules made thereunder.

Pursuant to Section 204(1) of the Companies Act, 2013, every listed company and certain other prescribed classes of companies are required to annex with their Board's Report, a Secretarial Audit Report, given by a Company Secretary in Practice. In compliance with this statutory requirement, it is proposed to appoint CS Riddhita Agrawal as the Secretarial Auditor for the said term.

The remuneration payable to the Secretarial Auditor shall be such as may be recommended by the Audit Committee and mutually agreed upon between the Board of Directors and the Secretarial Auditor, from time to time.

CS. Riddhita Agrawal, has consented to her appointment and confirmed that her appointment, if made, would be within the limits specified by the Institute of Companies Secretaries of India. She have further confirmed that she is not disqualified to be appointed as Secretarial Auditors in term of provisions of the Companies Act, 2013, the Companies Secretaries Act, 1980 and Rules and Regulations made thereunder and the SEBI Listing Regulations read with SEBI Circular dated December 31, 2024.

None of the Directors, Key Managerial Personnel (KMP) of the Company or their relatives are in any way concerned or interested, financially or otherwise, in the proposed resolution.

The Board recommends the passing of the resolution as an Ordinary Resolution as set out in the accompanying notice.

FOR KIND ATTENTION OF SHAREHOLDERS

Dear Member,

Subject: Deduction of tax at source on dividend.

We hope that you are safe and healthy. Please take care of yourselves.

We wish to inform you that the Board of Directors of your Company has, in its meeting held on 23rd May, 2025, recommended a final dividend of Re. 1/- [Rupee One Only] per equity share having a nominal value of Rs. 5/- each for the financial year ended 31st March, 2025.

The dividend, if approved at the ensuing Eighteenth Annual General Meeting of the Company, will be paid to the Members on the basis of the details of beneficial ownership furnished by the Depositories, as at the close of Friday, 11th July, 2025 and in respect of shares held in physical form to those Members whose names will appear in the Register of Members of the Company as on the close of Friday, 11th July, 2025.

As you may be aware that in terms of the provisions of the Income Tax Act, 1961 ("the Act") as amended by the Finance Act, 2020, dividend paid or distributed by a Company on or after 1st April, 2020 is taxable in the hands of the Members. The Company is, therefore, required to deduct tax at source at the time of payment of dividend to the Members.

For resident members: Tax will be deducted at source ("TDS") under Section 194 of the Act (read with Press Release dated May 13th, 2020) @ 10% on the amount of dividend payable unless exempt under any of the provisions of the Act. However, in case of individuals, TDS would not apply if the aggregate of total dividend distributed to them by the Company during FY 2024-25 does not exceed Rs. 5,000/-.

Tax at source will not be deducted where a member provides Form 15G (applicable to Individual in case of dividend) / Form 15H (applicable to an individual above the age of 60 years), provided that the eligibility conditions are being met. Blank Form 15G and 15H can be availed i.e. www.activeinfra.in or from the website of the RTA viz. <https://www.bigshareonline.com/form15>

Needless to mention, the Permanent Account Number (PAN) will be mandatorily required. If PAN is not submitted, Tax at source will be deducted @ 20% as per Section 206AA of the Act.

In order to provide exemption from withholding of tax, the following organizations must provide a self-declaration as listed below:

- **Insurance companies:** A declaration that they are beneficial owners of shares held.
- **Mutual Funds:** A declaration that they are governed by the provisions of Section 10(23D) of the Act along with copy of registration documents (self-attested).
- **Alternative Investment Fund (AIF) established in India:** A declaration that its income is exempt under Section 10(23FBA) of the Act and they are established as Category I or Category II AIF under the SEBI Regulations. Copy of registration documents (self-attested) should be provided.
- **New Pension System Trust :** A declaration that they are governed by the provisions of Section 10(44) [subsection 1E to Section 197A] of the Act along with copy of registration documents (self-attested);

- **Corporation established by or under a Central Act** which is, under any law for the time being in force, exempt from income tax on its income - Documentary evidence that the person is covered under Section 196 of the Act.

For non-resident members: Tax is required to be withheld in accordance with the provisions of Section 195 of the Act at applicable rates in force. As per the relevant provisions of the Act, the tax shall be withheld @ 20% (plus applicable surcharge and cess) on the amount of dividend payable. However, as per Section 90 of the Act, a non-resident member has the option to be governed by the provisions of the Double Tax Avoidance Agreement ("DTAA") between India and the country of tax residence of the member, if they are more beneficial to the member. For this purpose, i.e. to avail tax treaty benefits, the non-resident member will have to provide the following:

- Self-attested copy of Permanent Account Number (PAN Card), if any, allotted by the Indian income tax authorities;
- Self-attested copy of Tax Residency Certificate (TRC) obtained from the tax authorities of the country of which the member is resident;
- Self-declaration in Form 10F, if all the details required in this form are not mentioned in the TRC;
- Self-declaration by the non-resident member of having no permanent establishment in India in accordance with the applicable Tax Treaty;
- Self-declaration of beneficial ownership by the non-resident member.

The documents referred to in point nos. (iii) to (v) can be availed from the website of the RTA - Bigshare Services Private Limited viz. <https://www.bigshareonline.com/form15>

The Company is not obligated to apply the beneficial DTAA rates at the time of tax deduction / withholding on dividend amounts. Application of beneficial DTAA rate shall depend upon the completeness and satisfactory review by the Company, of the documents submitted by non- resident member.

Notwithstanding the above, tax shall be deducted at source @ 20% (plus applicable surcharge and cess) on dividend paid to Foreign Institutional Investors and Foreign Portfolio Investors under section 196D of the Act. Such rate shall not be reduced on account of the application of the lower DTAA rate, if any.

To enable us to determine the appropriate TDS / withholding tax rate applicable, we request you to provide the above details and documents not later than before Friday, 11th July, 2025 by 05:00 PM IST.

To summarize, dividend will be paid after deducting the tax at source as under:

- NIL for resident members receiving dividend upto Rs. 5000/- or in case Form 15G / Form15H (as applicable) along with self-attested copy of the PAN is submitted.
- 10% for resident members in case PAN is provided / available.
- 20% for resident members, if PAN is not provided / not available.
- Tax will be assessed on the basis of documents submitted by the non-resident members.
- 20% plus applicable surcharge and cess for non-resident members in case the aforementioned documents are not submitted.
- Lower / NIL TDS on submission of self-attested copy of the certificate issued under Section 197 of the Act.

Kindly note that the aforementioned documents should be uploaded with Big Share Services Private Limited, the Registrar and Transfer Agent at <https://www.bigshareonline.com/form15>

No communication on the tax determination / deduction shall be entertained after Friday, 11th July, 2025 by 05:00 PM IST.

In case tax on dividend is deducted at a higher rate in the absence of receipt of the aforementioned details / documents, you would still have the option of claiming refund of the excess tax paid at the time of filing your income tax return. No claim shall lie against the Company for such tax deducted.

We request you to submit / update your bank account details with your Depository Participant, in case you are holding shares in the demat form. In case your shareholding is in the physical form, you will have to submit a scanned copy of a covering letter, duly signed by the first member, along with a cancelled cheque leaf with your name and bank account details and a copy of your PAN card, duly self- attested, to Big Share Services Private Limited. This will facilitate receipt of dividend directly into your bank account. In case the cancelled cheque leaf does not bear the members' name, please attach a copy of the bank pass-book statement duly self-attested. We also request you to register your email IDs and mobile numbers with the RTA.

Stay healthy and safe.

Yours sincerely,

For Active Infrastructures Limited
