# Words From Chairman

Dear Shareholders,

Since our inception, S J Logistics has upheld a simple belief: borders should never confine opportunity. Today, that unwavering faith propels us forward, enabling us to serve as trusted enablers—providing seamless, world-class logistics solutions marked by integrity, innovation, and value.

Last year laid the foundation for what has become an extraordinary FY 2024–25. We achieved consolidated revenue of ₹502 Cr—an increase of 86%, EBITDA rose by an impressive 156%, and PAT surged 132%. These milestones highlight the power of our strategic foresight, disciplined execution, and customer-first culture.

Our global presence continues to deepen through meaningful expansion.

The acquisition of S J Logisol Shipping LLC in the UAE has strengthened our NVOCC services, complementing recent launches into Libya and Russia. Mid-year, we earned IATA accreditation, unlocking air freight capabilities that generated ₹14.26 Cr in their first six months—poised to scale across high-margin sectors like pharmaceuticals, perishables, and electronics.

We remain firmly rooted in our lean, capex-light model, which enables us to deliver robust results without compromising financial flexibility. Strengthening key working capital ratios, like our current ratio, reflects our commitment to balance-sheet discipline.

One of our proudest accomplishments has been the accelerated growth in project cargo, which crossed ₹267 Cr in revenue. Handling mission-critical, oversized consignments showcases our operational excellence and reinforces our reputation as a logistics partner for complex and time-sensitive requirements.

Our credentials were further validated when we were empanelled by SAIL, marking a significant step in public-sector logistics. Industry accolades, including Jeet Rajen Shah's "Next-Gen Entrepreneur of the Year" award and prominent coverage in Logistics Outlook, reinforce our pioneering spirit.

At the heart of our progress lies a commitment to continuous improvement and operational excellence. By thoughtfully integrating modern tools and systems into our processes, we're enhancing visibility, efficiency, and service quality—while staying true to the human values that define our identity.

As we enter FY 2025–26, India's logistics sector stands at a pivotal juncture, shaped by transformative policies like Gati Shakti, multimodal infrastructure growth, and global supply chain realignments. Armed with our integrated service portfolio, expanded international presence, and agile team, we are well-positioned to sustain double-digit profitability and drive shareholder value.

I extend my deepest gratitude to our dedicated employees, loyal clients, valued partners, and shareholders. Your trust and commitment fuel our journey. Let us move forward—boldly, united, and guided by our vision to transcend boundaries.

Join us in charting new horizons in logistics—today, tomorrow, and beyond.

Warm regards,

Rajen Shah  
Chairman & Managing Director

1. **Policy and Infrastructure Push:** The continued rollout of the PM Gati Shakti National Master Plan, National Logistics Policy (NLP), and integrated multimodal logistics parks is transforming India's logistics ecosystem. These government-led reforms aim to reduce logistics costs, improve efficiency, and foster ease of doing business—presenting long-term structural advantages for organized logistics players like S J Logistics.
2. **Air Freight Expansion Post-IATA Accreditation:** With the company now IATA-accredited, S J Logistics has formally entered the air freight segment, unlocking access to high-margin, time-sensitive cargo segments such as pharmaceuticals, perishables, e-commerce, and electronics. This move diversifies revenue streams and positions the company in a fast-growing logistics vertical.
3. **Strategic PSU Partnerships:** Registration and engagement with Public Sector Undertakings (PSUs) to manage their complex, large-scale logistics needs represent a significant growth lever. The company's early traction in securing long-term contracts will likely yield recurring and scalable revenue, while also enhancing credibility in the government and enterprise logistics segment.
4. **Project Cargo and Heavy Engineering Logistics:** With increasing global investment in energy, infrastructure, and transmission projects, India-based logistics firms with engineering and execution capabilities are well positioned to support specialized project cargo movement. S J Logistics' proven track record in end-to-end project logistics is a strong differentiator in this niche segment.
5. **NVOCC Focus:** The Company has announced the expansion of its NVOCC operations to Misurata Libya, and Novorossiysk, Russia going up to Moscow in line with its strategic growth vision to strengthen global trade corridors and unlock new market opportunities.
6. **Digitalization and Technology Adoption:** Adoption of digital tools such as AI-based routing, IoT-enabled tracking, and digital freight platforms is no longer optional. S J Logistics' focus on tech-driven visibility, automation, and data intelligence is a strategic advantage in an industry rapidly embracing digital transformation.

**Global Supply Chain Diversification:** India's rising stature as a manufacturing and logistics alternative to China, coupled with evolving global trade dynamics, is opening opportunities for India to play a larger role in global supply chains. S J Logistics, with its international presence via its Singapore & UAE subsidiaries and planned expansion into the Middle East, is well-positioned to leverage this macro shift

### Threats

- 1. Macroeconomic and Geopolitical Volatility:** The global logistics environment remains vulnerable to disruptions caused by inflation, interest rate volatility, geopolitical conflicts, trade policy shifts, and shipping route disruptions. These factors can adversely impact freight movement volumes and rates.
- 2. Intense Competition and Price Pressures:** Both global freight forwarders and local aggregators are aggressively competing on pricing, service bundling, and technology. Maintaining margins while retaining clients in such an environment requires continuous innovation, operational discipline, and differentiation.
- 3. Execution Risks in Scaling New Verticals:** Rapid scale-up in air freight, container services, and international operations introduces execution complexity. Failure to integrate systems, manage resources, or meet service-level expectations could impact brand and financial performance.
- 4. Regulatory and Compliance Risk:** As the company expands internationally, exposure to complex and evolving customs, tax, and transport regulations increases. Non-compliance could lead to penalties, delays, and reputational impact.

### Segment-Wise Performance

The company operates solely in the **Shipping & Logistics** segment, but across multiple service arms—air, sea, land, warehousing, NVOCC, and project cargo. FY 2024–25 maintained broad growth across all lines, particularly in high-margin project cargo.

In our opinion and to the best of our information and according to the explanations given to us, the Consolidated Financial Statements give the information required by The Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting standards prescribed under section 133 of the Companies Act and other accounting principles generally accepted in India:

**Basis for opinion**

We conducted our audit in accordance with the standards on auditing specified under Section 143 (10) of the Companies Act, 2013. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of Consolidated Financial Statements of the current period. These matters were addressed in the context of the

audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

There are no Key Audit Matters Reportable as per SA 701 issued by the ICAI.

#### **Information other than the Consolidated Financial Statements and Auditors' Report thereon**

The Holding Company's Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the Consolidated Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

#### **Management's Responsibility for the Consolidated Financial Statements**

The Holding Company's Management is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the act') with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the Accounting Standards generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

In preparing the Consolidated Financial Statements, the Management of the respective Companies included in the Group, are responsible for assessing the respective Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Management of the respective companies included in the Group are also responsible for overseeing the company's financial reporting process.

### **Auditors' Responsibilities for Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a. Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve Collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e. Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair Presentation.
- f. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors and whose financial information we have audited, to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the Audit of the Consolidated Financial

Statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative and qualitative factors in:

- (i) Planning the scope of our audit work and in evaluating the results of our work; and
- (ii) To evaluate the effect of any identified misstatements in the Consolidated Financial Statements

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our Independence, and where applicable, related safeguards.

(xvi) In our opinion, the Holding Company and its subsidiaries are not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions of clause 3 (xvi) of the Order are not applicable and hence not commented upon.

(xvii) Based upon the audit procedures performed and the information and explanations given by the management, the Holding Company and its subsidiaries have not incurred cash losses in the financial year and in the immediately preceding financial year.

(xviii) There has been resignation of the statutory auditors during the year and we have taken into consideration the issues, objections or concerns raised by the outgoing auditors.

(xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Holding Company and its subsidiaries are not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state this is not an assurance as to the future viability of the Holding Company and its subsidiaries. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Holding Company and its subsidiaries as and when they fall due.

(xx) The Holding Company has fully spent the required amount towards Corporate Social responsibility (CSR) and there are no unspent CSR amounts for the year requiring a transfer to a fund specified in Schedule VII of the Act or special account in compliance with the provision of sub-section (6) of Section 135 of the Act. Accordingly,

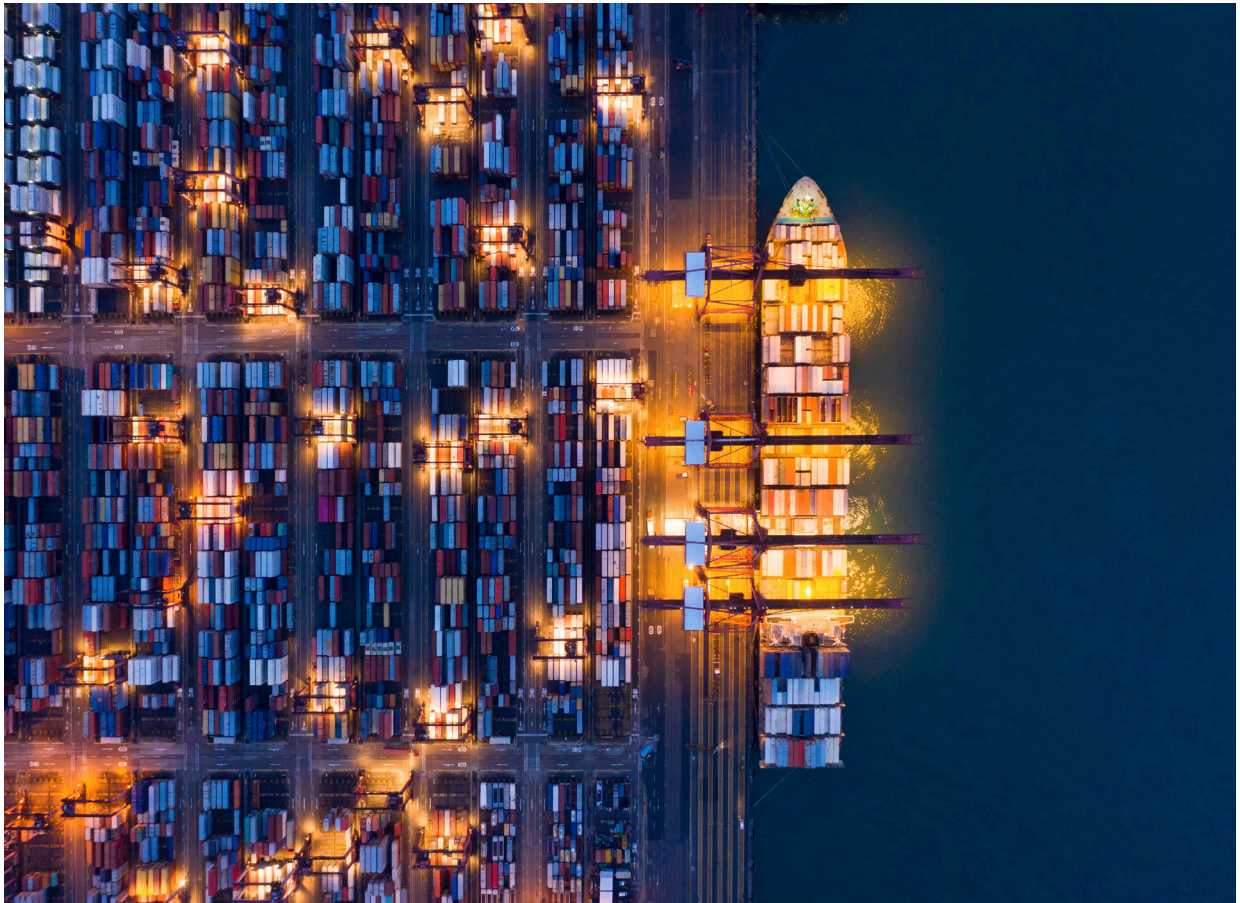

reporting under clause 3(xx) of the Order is not applicable for the year.

(xxi) No qualifications/ adverse remarks were provided in the CARO Reports of its subsidiary companies.

## **ANNEXURE A TO THE AUDITORS' REPORT**

**(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of "S J LOGISTICS (INDIA) LIMITED" ("the Holding Company") and its subsidiaries (together known as "the Group") as of 31st March, 2025 in conjunction with our audit of the Consolidated Financial Statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The respective management of the companies included in its Group, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Holding Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

## Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

## Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## Opinion

In our opinion, the Group and its subsidiaries, which are companies incorporated in India has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## Other Matters

Our report under Section 143(3) (i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to Consolidated Financial Statements of the Holding Company, in so far as it relates to 1 subsidiary, which is the company incorporated outside India, is based on the information provided by the management of such company, as such requirements of audit of internal financial controls on financial reporting are not applicable to such company.

Based on the nature of operations and time difference between the provision of services and realization of cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

#### B) USE OF ESTIMATES

The preparation of financial statements is in conformity with Indian GAAP which requires judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known / materialized.

## **C) PRINCIPLES OF CONSOLIDATION**

- f) Depreciation methods, useful lives, and residual values are reviewed periodically, including at each financial year end;

## 3. Impairment

The Management periodically assesses, using external and internal sources, whether there is an indication that an asset may be impaired. An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. The recoverable amount is higher of the asset's net selling price and value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. An impairment loss for an asset is reversed if, and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

Such deferred tax is quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date. The carrying amount of deferred tax asset/liability is reviewed at each Balance Sheet date and consequential adjustments are carried out.

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a. Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve Collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e. Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair Presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative and qualitative factors in:

- (i) Planning the scope of our audit work and in evaluating the results of our work; and
- (ii) To evaluate the effect of any identified misstatements in the Standalone Financial Statements

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our Independence, and where applicable, related safeguards.

## **ANNEXURE A TO THE AUDITORS' REPORT**

**(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of "S J LOGISTICS (INDIA) LIMITED" ("the Company") as of 31st March, 2025 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## **9. Income Tax**

The accounting treatment for the Income Tax in respect of the Company's income is based on the Accounting Standard on 'Accounting for Taxes on Income' (AS-22). The provision made for Income Tax comprises both, Current Tax and Deferred Tax. Deferred Tax is recognized for all timing differences; being the differences between the taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Such deferred tax is quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date. The carrying amount of deferred tax asset/liability is reviewed at each Balance Sheet date and consequential adjustments are carried out.

## **10. Earnings Per Share**

Basic earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

The diluted potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value which is the average market value of the outstanding shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date.

## **11. Provisions and Contingent Liabilities**

A provision is recognized if, as a result of a past event, the Company has a present legal obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the likely future outflow of economic benefits required to settle the obligation at the reporting date.

Where no reliable estimate can be made, a disclosure is made as contingent liability. A disclosure for a contingent liability is also made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources.
