## MANAGEMENT DISCUSSION AND ANALYSIS

The Management Discussion and Analysis present the Industry overview, opportunities and threats, the Company's initiatives and overall strategy of becoming a market-driven service provider with various offerings. The Company is optimistic about capturing a substantial share of the global and domestic market amid the threats faced due to the liberalisation and increased competition from well-established companies from India and abroad.

### Global Economic Outlook

The Global Pharmaceutical Industry witnessed a transformative phase in past year, driven by Scientific breakthroughs, Demographic Shifts, Evolving Patient-needs and Rapid Digitalisation. Amidst evolving Global Health demands and Economic pressures, the Industry strengthened its foundation for long-term growth while adapting to structural changes across regions and therapeutic segments. In 2024, Global Medicine spending continued its upward trajectory, reflecting a growing demand for chronic care, specialty treatments and innovative therapies. Total Pharmaceutical spending remains on course to exceed US\$ 2.3 Trillion by 2028, supported by a projected CAGR of 5–8%. While volume growth plateaued in 2023, it is expected to grow at an average rate of 2.3% through 2028, driven by emerging markets such as China, India, Southeast Asia and Latin America. These regions are poised to drive the next phase of global demand, in contrast to mature markets such as North America, Western Europe and Japan, where per capita consumption levels are already high and future growth is expected to moderate. Digital transformation has advanced across the pharmaceutical value chain in last few years. Companies are adopting data-driven tools to optimise clinical trials, enhance patient targeting and strengthen supply chains. AI-enabled drug discovery, real-world evidence platforms and integrated digital health solutions are redefining how pharmaceutical organisations engage with patients and deliver care outcomes. Operational agility has also improved, supported by advancements in modular manufacturing and predictive analytics.

Despite lower manufacturer net sales due to confidential rebates and pricing pressures, last few years have seen robust spending across key regions, driven by the launch of new brands and the expansion of innovative treatment options. Developed economies, while mature in terms of volume, have continued to invest in high-value therapeutics, contributing to a more diverse and innovation-led portfolio mix. Global disparities in per capita consumption have persisted through last few years. High-income countries like Japan and Western Europe have recorded usage levels more than twice that of lower-income regions. While consumption is gradually rising in Africa and the Middle East, challenges in infrastructure, affordability and access continue to limit growth. These persistent gaps underscore the critical need for inclusive access strategies.

As cost pressures mount, particularly in developed economies, payers are recalibrating reimbursement models to ensure value-based outcomes. Efforts to moderate spending include greater emphasis on generics and biosimilars, performance-linked pricing mechanisms and cost-sharing arrangements with patients. Striking the balance between affordability and innovation remains a core priority for healthcare systems worldwide.

### Indian Economy

India's Pharmaceutical Market is projected to see strong growth, with medicine spending expected to reach US\$ 38-42 Billion by 2028, with a CAGR of 7–10% from 2024 to 2028. This growth is driven by a combination of expanding access, growing demand for treatments across both acute and chronic conditions, and continued reliance on affordable generic medicines. In 2023, acute therapies such as anti-infectives and vitamins/minerals recorded notable volume increases, indicating a recovery in demand patterns. At the same time, chronic therapy areas like cardiac and respiratory treatments have sustained robust performance, supported by the rising burden of non-communicable diseases and improved diagnosis rates. India's cost-sensitive market continues to favour high-volume, lower-cost products, with generics dominating the therapeutic landscape. However, ongoing investments in domestic manufacturing, greater healthcare outreach, and increasing Insurance coverage are expected to further support growth across therapy areas. The growth is driven by several factors, including the increasing prevalence of chronic diseases, the rising demand for generic and biosimilar drugs and advancements in drug manufacturing technologies. Additionally, the expansion of healthcare infrastructure in developing economies and the adoption of advanced technologies like Artificial Intelligence (AI) and Machine Learning (ML) in development and manufacturing are contributing to the market's expansion.

The following are the Growth Drivers of the Indian Pharmaceutical Market.

- A. Government Support and Incentives various Government Schemes and Incentives, such as the Production Linked Incentive (PLI) Scheme, bolster the Pharmaceutical Industry, encouraging Investment and Growth.
- B. Expertise in Low-Cost Manufacturing: India's proficiency in Cost-effective end-to-end manufacturing processes enables competitive pricing of Pharmaceutical Products.
- C. Improving Affordability: Rising Per Capita Incomes contribute to the improved affordability of Healthcare and Pharmaceuticals, making them more accessible to a broader segment of the population

We sell our products in bulk to Pharmaceuticals Manufacturers, Marketers and Traders, who in turn provide the channel for sales to customers. Our products are primarily used by other Pharmaceutical Companies and Traders, who ultimately will market it to the Distributors and Retail Customers. We do not sell our products under any brand name.

## INDEPENDENT AUDITORS' REPORT

To  
The Members of  
Vilin Bio Med Limited

### Report on the Audit of the Standalone Financial Statements

#### Opinion

We have audited the Financial Statements of **Vilin Bio Med Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss, and Statement of Cash Flows for the period ended on that date, and notes to the Financial Statements, including a summary of Significant Accounting Policies and Explanatory Information [hereinafter referred to as "the Financial Statements"].

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the Accounting Principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its Profits, (*changes in equity*) and its Cash Flows for the period ended on that date.

#### Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* Section of our Report. We are independent of the Company, in accordance with the *Code of Ethics* issued by Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the Audit Evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the Other Information. The Other Information comprises the information included in the Director's Report, but does not include the Financial Statements and our Auditor's Report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Key Audit Matters

Key Audit Matters are those matter that, in our professional judgement, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our Audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have nothing to report in this regard.

#### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these Financial Statements that give a true and fair view of the financial position and financial performance, (*changes in equity*) and Cash Flows of the Company in accordance with the Accounting Principles generally accepted in India, including the accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the Assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate Accounting Policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate Internal Financial Controls, that were operating effectively for ensuring the accuracy and completeness of the Accounting Records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as 'going concern', disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's Financial Reporting Process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a. Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain Audit Evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of Internal Controls.
- b. Obtain an understanding of Internal Controls relevant to the Audit in order to design Audit Procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate Internal Financial Controls system in place and the operating effectiveness of such controls
- c. Evaluate the appropriateness of Accounting Policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- d. Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the Audit Evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as 'going concern'. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the Audit Evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e. Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in

- (i) Planning the scope of our audit work and in evaluating the results of our work; and
- (ii) to evaluate the effect of any identified misstatements in the Financial Statements

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## **ANNEXURE – B TO THE AUDITORS' REPORT**

### ***Report on Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")***

We have audited the Internal Financial Controls over Financial Reporting of **Vilin Bio Med Limited** ('the Company') as of March 31, 2025 in conjunction with our Audit of the Financial Statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's Management is responsible for establishing and maintaining Internal Financial Controls based on the Internal Control over Financial Reporting criteria established by the Company, considering the essential components of Internal Controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate Internal Financial Controls, that were operating effectively for ensuring orderly and efficient conduct of its business, including adherence to Company's Policies, the safeguarding of its Assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's Internal Financial Controls over Financial Reporting based on our Audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of Internal Financial Controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls over Financial Reporting was established and maintained and if such controls operated effectively in all material respects.

Our Audit involves performing procedures to obtain Audit Evidence about the adequacy of the Internal Financial Controls system over Financial Reporting and their operating effectiveness. Our Audit of Internal Financial Controls over Financial Reporting included obtaining an understanding of Internal Financial Controls over Financial Reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the Audit Evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's Internal Financial Controls system over Financial Reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A Company's Internal Financial Controls over Financial Reporting is a process designed to provide reasonable assurance regarding the reliability of Financial Reporting and the preparation of Financial Statements for external purposes in accordance with Generally Accepted Accounting Principles. The Company's Internal Financial Controls over Financial Reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the Assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with Generally Accepted Accounting Principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of the Management and Directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's Assets that could have a material effect on the Financial Statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of Internal Financial Controls over Financial Reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls over Financial Reporting to future periods are subject to the risk

that the Internal Financial Controls over Financial Reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate Internal Financial Controls System over Financial Reporting and such Internal Financial Controls over Financial Reporting were operating effectively as at March 31, 2025, based on the Internal Controls over Financial Reporting criteria established by the Company, considering the essential components of Internal Controls, as stated in the Guidance Note on Audit of "Internal Financial Controls Over Financial Reporting" issued by the Institute of Chartered Accountants of India.
