MANAGEMENT DISCUSSION AND ANALYSIS REPORT**Industry Overview: Student Mobility Business:****(I) MBBS Abroad 2025:**

The MBBS abroad market size is expected to shrink constantly due to various reasons such as:

- The program offered in Philippines is no more valid in India as per the NMC regulation.
- Due to the Ukraine - Russia war, the earlier flow has completely stopped in Ukraine. also, the flow of students has gone down to Russia as well.
- After the COVID pandemic, the number of students to China are going down year on year basis.
- Large number of new medical institutes being opened by the government of India. The number of MBBS seats in India have almost doubled in the last 10 years.
- It is expected that in 2025, the number of students going for MBBS abroad have halved in comparison to 2024.
- The outlook of MBBS abroad industry does not look very great and expected to shrink to only INR 1 Bn.

Students going for MBBS Abroad

The company has decided to offer the European destinations for students such as Germany & Italy to study abroad.

(II) Study in low-cost EU destinations:

With rising aspiration, career orientations and rising income, India has emerged as the world's largest country with around 772,000 Indian students going abroad in 2022-23 to study. Around 85% of the student mobility from India happens for the Masters level. More than 80% of these Indian students chose to go to English speaking countries such as USA, Canada, UK, Australia and New Zealand. However, the trend in 2025 is absolutely changing due to geopolitical situations.

- With president Trump getting elected, the students do not see USA as their safe destination due to the immigrant policies being announced.
- With the collapse of India and Canada relationship under the prime minister Justin, the rising cost of accommodation in Canada are the main reason wherein there was a drop of 85% in number of students choosing Canada as their destination.
- With economic recession in UK, the job prospects for the Indian students have gone down leading to drop in number of students choosing UK as their destination.
- With Australian student Visa fee steeply increased and the Visa capping for Indian students by the government leading to 50% rejections, the students are no more making Australia as their preferred destination to study and migrate.

With the rising purchasing power of parents and highly aspirational students, the urge to study abroad among the youth is constantly increasing. In the next decades to come, EU is expected to take the market share of student mobility business from the English speaking countries. The company envisages exponential market growth in student flow to low-cost European countries at the Bachelor and Masters level.

5 Year Projection of Indian Students going to EU countries

With the rising cost of education in India, there is a huge possibility of expanding the number of students who can now study in Europe since the cost of tuition fees in private institutions in India almost matches with the cost to study in Europe at the public universities especially in **Germany and Italy**. Various programs offered by universities in Germany, Italy, Spain, France, Hungary, Latvia & Lithuania at Masters level in non-medical area such as engineering, humanities, business, management, economics and finance. This opportunity offers very low competition leading to higher profitability.

Those having low budget suiting Indian students can now study in Europe opening a huge business opportunity for MOKSH mobility division.

Most of the students looking to study abroad have immigration as their main motive in order to earn better in a better environment in a developed western country offering higher quality of life. Employment opportunities with basic salary scale in developed countries of EU are far better than in India but the students need to learn local language such as German or Italian unlike English speaking countries.

This is a new market being tapped by the company is around INR 150 Billion and expected to grow 3 times in the next 5 years.

(III) MBBS in India Counselling support:

The company has introduced a new product for NEET UG aspirants providing online counselling support for MBBS in India. Around 23 Lac students appear for NEET UG exam out of which around 12 Lac qualify for Indian medical seat for which on average spend around INR 15,000 for this service. This is a new market being tapped by the company is around INR 18 Billion.

Industry Overview : Online Academy:

(IV) FMGE / NExT exam for Medical graduates:

The students choosing to go abroad have to appear for a License Exam namely FMGE (Foreign Medical Graduate Exam) if they wish to practise as a registered physician. After spending 6 years of studying and a huge amount towards fees and living cost, an average of 80% of the doctors failed to qualify in FMGE! NMC has replaced this exam with National Exit Test (NExT) and made it applicable to all the medical graduates passing from India or abroad.

In FMGE 2025, only 18% of the students cleared the exam making it further clear to the students that there is no point of entering into MBBS without a solution for the Exit exam. The result of the last 10 years are given in the below table.

MOKSH Academy trains the students for this exam during their journey of MBBS abroad so that they are ready for the exam right from the beginning. For this, the company has launched an App on Android and iOS system accessed by hundreds of students. This market of FMGE is around INR 500 Crores, almost double that of counseling and placing the students abroad for MBBS (Around Rs. 250 Crores!) MOKSH is the only Indian company in this category providing both the services.

A unique Combo offer has been devised and offered to the students going abroad.

 <ul style="list-style-type: none"> • Guaranteed MBBS Admission • Full Travel Packages • Post Arrival Services • Local Support 	 <ul style="list-style-type: none"> • MBBS Abroad and Practice in India. • Guaranteed License Batch • 6 Years of NExT Coaching • Pay everything on Easy EMI 	 <ul style="list-style-type: none"> • MBBS + PG in USA • Guaranteed ECFMG certification • 6 Years of USMLE Coaching • Pay everything on Easy EMI

As per the new regulation published by NMC (National Medical Commission), the medical students being inducted in 2024 will also need to appear for such license exam. Around 3.7 Lac students currently study in 784 medical colleges India.

(V) Rising demand of USMLE:

The real value, ROI and respect sought by the doctors is at PG level and is not available for MBBS degree holders in the market. However, the ratio of UG to PG medical seats in India is highly skewed in low-cost government medical colleges while the cost of a medical PG in private medical colleges is extremely high. While India produces 110,000 medical graduates, the government medical PG seats are only 24,000! This has led to alternative routes for the medical graduates to shift to US and UK market for their post graduate studies. It is estimated that around 10% of the Indian medical aspirants (Around 30,000) prepare for USMLE and finally around 10,000 students appear for the exam annually. This market opportunity of INR 10 Bn. It is currently being tapped by MOKSH Academy.

(VI) Skilled Workforce Migration

The company has launched 3 different programs through its wholly owned subsidiary MHPL (**Meduclinic Healthcare Private Limited**) in the market for Skilled Workforce Migration and Talent mobility. There is a huge demand of skilled workforce in Europe in various segments including healthcare, hospitality, IT, Supply chain and Construction. Initially, the company aims to place the students in VET centers in Germany for a system named as **“Ausbildung”** meaning dual study programs. It is expected that around 25,000 students will be placed in this German industry sponsored training program from India in 2025-26 which will increase 10X in the next 5 years. The current market size is around INR 10 Bn.

Germany requires 20,000 graduate and experienced nurses on an annual basis. The company is in the process of signing agreement with various HR solutions company in Germany to feed the nurses demand in Germany. The current market size is around INR 5 Bn.

Company Overview:

In order to tap this huge market, the company is operating in 3 different but highly complementing segments. Now through its subsidiary, it has launched healthcare workforce migration to Germany.

The management is in the process of recovering the said dues and expects to recover the same within a reasonable time frame, based on discussions and mail communications.

As such, the management believes that outstanding amount is good and recoverable from all such customers and that no adjustments/impairments are required to be made in the standalone financial statements of the Company towards the total outstanding receivables as on the balance sheet date.

Our Opinion and Report on Other Legal and Regulatory Requirements are not modified in respect of the above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. Other Information

The Company's management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the Standalone Financial Statements

The Company's management and the Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as

fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure B to The Independent Auditor's Report of even date on the Standalone Financial Statements of Moxsh Overseas Educon Limited**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")****To the Members Moxsh Overseas Educon Limited**

We have audited the internal financial controls over financial reporting of Moxsh Overseas Educon Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Information

The Group's management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Company's annual report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is

materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our auditor otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Other Matter

We did not audit the financial statements of the subsidiary company included in the Consolidated Financial Statements whose financial statements reflect total assets of INR 27.51 lakhs as at March 31, 2025, total revenues of INR 34.61 lakhs and net cash outflows amounting to INR 0.04 lakhs for the year ended on that date.

These financial statements have been audited by M/s. Dinesh Rajgor & Co. ('other auditor') whose reports have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary is based solely on the reports of the other auditors.

Our report is not modified in respect of the matters specified in Other Matter paragraph.

Responsibilities of Management and those charged with governance for the Consolidated Financial Statements

The Group's management and the Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Annexure A to The Independent Auditor's Report of even date on the consolidated financial statements of Moxsh Overseas Educon Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

To the Members Moxsh Overseas Educon Limited

In conjunction with our audit of the consolidated financial statements of Moxsh Overseas Educon Limited and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group") as at for the year ended March 31, 2024, we have audited the internal financial controls over financial reporting with reference to consolidated financial statements of the Holding Company and have consolidated the reporting on internal financial controls over financial reporting with reference to financial statements of its subsidiary incorporated in India, which have been furnished to us by the Management for our reporting on consolidated financial statements as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI").

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the respective Company's policies, the safeguarding of the Company's assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (the "Act").

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting with reference to consolidated financial statements of the Holding Company and its subsidiary which is a company incorporated in India, as aforesaid based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with respect to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting with reference to consolidated financial statements included obtaining an understanding of internal financial controls over financial reporting with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the Branch auditor and the other auditors, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting with respect to consolidated financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting with respect to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with respect to consolidated financial statements includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting with respect to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with respect to consolidated financial statements to future periods are subject to the risk that the internal financial control over financial reporting with respect to consolidated financial statements may become inadequate of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors, the Group has, in all material respects, an adequate internal financial controls system over financial reporting with reference to the consolidated financial statements and such internal financial controls over

financial reporting with reference to the consolidated financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.
