ANNUAL REPORT 2024-25

Dear Shareholders,

It brings me immense pleasure to put forth the 17th Annual Report of your Company, A G Universal Limited for the Financial Year 2024-2025.

I would like to thank all our shareholders who have reposed their trust in the Company during the Initial Public Offering.

The year 2024-2025 was another positive year for A G Universal Ltd. We have been courage our people to grow, performed strongly and delivered on our growth strategy. The year was very special as we got listed on the SME Platform on NSE. We are so grateful to all of our shareholders who have made this day possible. Thanks to your amazing support and partnership, we've come along way since the company was founded nearly fifteen years ago.

A G Universal Limited is a leading trading and manufacturing company in India, specializing in the supply of high-quality pipes. The company offers a wide range of products, including Mild Steel Pipes, ERW Black Pipes, GI Pipes, Hollow Sections, uPVC Pipes, cPVC Pipes, TMT Bars, CR Coils and HR Coils, sourced from some of the most reputed manufacturers in the industry.

Company is also engaged in the manufacturing of the Aluminum Profiles, Aluminium extrusion is a widely adopted manufacturing process that entails the transformation of aluminium alloy into specific cross-sectional profiles. The procedure involves the utilization of a cylindrical billet of aluminium, which is heated to a pliable state and then forced through a shaped die by a hydraulic press or ram.

One of the key strengths of A G Universal is its strong network of dealer partnerships with industry-leading companies. These partnerships allow A G Universal to offer a diverse range of high-quality products to its customers, while also ensuring that the company has access to the latest technological advancements in the industry.

My sincere thanks to all of our Board members. Everyone has continued to do a terrific job, well above and beyond what is required. It is a true pleasure working with you.

The Board is excited about the prospects for A G Universal Ltd. as the Company continues to evolve as a leader in trading of steel products.

Thank you and Best wishes!!

Diversification Into Aluminium Extrusion Profile Manufacturing

Manufacturing of high-quality aluminum profiles and sections for doors, windows, hardware, fittings, and frames

Aluminum extrusion is a technique used to transform aluminum alloy into objects with a definitive cross-sectional profile for a wide range of uses. The extrusion process makes the most of aluminums unique combination of physical characteristics. Its malleability allows it to be easily machined and cast, and yet aluminum is one third the density and stiffness of steel so the resulting products offer strength and stability, particularly when alloyed with other metals.

ANNEXURE- III TO THE DIRECTORS' REPORT INTERNAL AUDIT REPORT

A G Universal Limited Internal Audit Report for the period from April 2024 to March 2025

1. Introduction

This report summarizes the findings of the internal audit conducted at A G Universal Limited, focusing on the trading of pvc pipes, TMT bars, ERW and hollow section pipes and the manufacturing of aluminium extrusion profiles. The audit aimed to evaluate the effectiveness of internal controls, compliance with applicable laws and regulations, and the efficiency of operations.

2. Audit Approach

My audit approach was to:

- i) Review procedures and systems with a view to understanding the nature of activities, areas of operations and records maintained.
- ii) Review internal control systems with a view to assessing the efficiency of the system to see that chances of frauds and errors are minimized as well as the system ensures effective checking of transactions at various levels.
- iii) Gain understanding about the working environment and the internal controls system adopted in that relation.
- iv) Verify documents i.e. bills, vouchers and records to satisfy that the established system is followed.

3. Executive Summary

The audit identified key areas of strength and opportunities for improvement. The company has established a robust framework for managing its trading and manufacturing operations, but certain areas require enhancements to mitigate risks and improve operational efficiency.

4. Objectives and Scope

4.1 Objectives:

- To assess the adequacy and effectiveness of internal controls over financial reporting.
- To evaluate compliance with relevant laws, regulations, and internal policies.
- To identify opportunities for operational efficiencies and cost savings.
- To assess the risk management processes.

4.2 Scope:

The audit covered the following areas:

- Financial Reporting and Accounting
- Procurement and Inventory Management
- Banking Transaction/ Cash Transaction
- Manufacturing Processes
- Information Technology Controls

5. Methodology

The audit was conducted using a risk-based approach, including:

- Reviewing financial statements and accounting records.
- Conducting interviews with key personnel.
- Testing internal controls and compliance procedures.
- Inspecting physical inventory and manufacturing facilities.
- Evaluating IT systems and controls.

6. Observation Dashboard

6.1 Finance & Accounts

a) Issue of Purchase Orders and Work Orders:

Findings:

- There are gaps in the issuance of Purchase Orders (PO), as some POs received are incomplete, lacking essential details such as addresses.
- PO/WO are not serially numbered in all cases.
- Difficulties arise in tracking the status of the PO/WO.
- Most of the time PO is not received timely in spite of order placed by clients and causing delay in issuances of PI.

Recommendations:

 All the transactions should be routed through the proper procedure to the extent possible in order avoid ambiguity and bring transparency in the issuance of purchase order and purchase invoice.

b) Excessive Pending Debtors and Legal Notices Issued:

Observations:

The company has a significant amount of outstanding receivables, with numerous debtors failing to settle their accounts within the stipulated credit terms. In response to the persistent non-payment, the company has issued legal notices to these delinquent debtors to recover the outstanding amounts.

Implications:

 High levels of outstanding receivables adversely affect the company's cash flow, potentially leading to liquidity issues.

- Persistent non-payment by debtors increases the risk of bad debts, which can impact the financial health and profitability of the company.
- Issuing legal notices can strain business relationships and may result in additional legal costs.

Recommendations:

- Strengthen Credit Control Policies: Implement stricter credit control measures, including a thorough creditworthiness assessment before extending credit to new customers. Regularly review and adjust credit limits based on payment performance.
- Enhance Collection Efforts: Intensify collection efforts through frequent follow-ups and reminders for overdue accounts. Consider employing dedicated collection staff or external collection agencies for persistent defaulters.
- Regular Review of Receivables: Conduct regular reviews of the accounts receivable aging report to identify and address overdue accounts promptly. Set up periodic meetings to discuss and resolve collection issues.
- Establish Clear Legal Protocols: Develop and enforce a clear protocol for initiating legal actions against delinquent debtors. Ensure that legal notices are a last resort after exhausting all other collection efforts.
- Customer Relationship Management: Balance collection efforts with maintaining good customer relationships. Offer flexible payment plans or early settlement discounts to encourage timely payments.

6.2 Manufacturing Processes:

Findings:

- Inefficiencies in production scheduling and workflow.
- Excessive downtime due to equipment maintenance issues.

Recommendations:

- Optimize production scheduling to enhance workflow efficiency.
- Implement a preventive maintenance program to reduce equipment downtime.

6.3 Information Technology Controls:

Findings:

- Outdated IT infrastructure and insufficient cybersecurity measures.
- Lack of a formal disaster recovery plan.

Recommendations:

- Upgrade IT infrastructure and enhance cybersecurity protocols.
- Develop and implement a comprehensive disaster recovery plan.

6.4 Statutory Compliances

a) EPF Compliance:

Findings:

• Company is under the process for EPF registration for its Delhi office.

Recommendations:

- It is suggested to the Company to get itself registered asap so that the compliances can be done timely.
- It is though complied in Factory but it also can be improved.

b) A snapshot of Statutory Compliances review is outlined below:

Improvement

7. Conclusion

The internal audit identified several areas where A G Universal Limited excels, particularly in its core operations. However, there are notable areas for improvement to strengthen internal controls, enhance compliance, and boost operational efficiency. Implementing the recommendations provided will help the company mitigate risks and achieve its strategic objectives.

INDEPENDENT AUDITOR'S REPORT

To the Members of A G Universal Limited

Report on the Audit of Financial Statements

Opinion

We have audited the accompanying Standalone financial statements of **A G Universal Limited** ("the Company") which comprises the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss, and statement of cash flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information .

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its profit, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon. The Company's annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process. Audit trail compliance is also primarily the responsibility of the Management.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements,
 whether due to fraud or error, design and perform audit procedures responsive to
 those risks, and obtain audit evidence that is sufficient and appropriate to provide a
 basis for our opinion. The risk of not detecting a material misstatement resulting
 from fraud is higher than for one resulting from error, as fraud may involve
 collusion, forgery, intentional omissions, misrepresentations, or the override of
 internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.

Annexure - A to the Independent Auditors' Report

The Annexure referred to in our Independent Auditors' Report to the members of the Company on the standalone financial statements for the year ended 31st March 2025, we report that:

- (i) In respect of the Company's Property, Plant and Equipment and Intangible Assets:
 - a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
 - (B) The Company has maintained proper records showing full particulars of intangible asset.
 - b) The Company has a program of physical verification of Property, Plant and Equipment to cover all the assets once every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - c) The title deeds of all the immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the company.
 - d) The Company has not revalued any of its Property, Plant and Equipment and intangible assets during the year.
 - e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made there under.

(ii)

a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were 10% or more in the aggregate for each class of inventory.

- b) According to the information and explanations given to us and on the basis of our examination of the records of the company, the company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the company with such banks or financial institutions are in agreement with the books of account of the company other than those mentioned in the Note no.43 of the financial statements.
- (iii) The Company has not made investments in, companies, firms, Limited Liability Partnerships, and granted unsecured loans to other parties, during the year, in respect of which
- a) The Company has not provided any loans or advances in the nature of loans or stood guarantee, or provided security to any other entity during the year, and hence reporting under clause 3(iii)(a) of the Order is not applicable.
- b) In our opinion, the investments made and the terms and conditions of the grant of loans, during the year are, prima facie, not prejudicial to the Company's interest.
- c) In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are generally been regular as per stipulation.
- d) In respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.
- e) No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.
- f) The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii)(f) is not applicable.
- (iv) The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees and securities provided, as applicable.
- (v) In our opinion, and according to the information and explanations given to us, the Company has not accepted any deposits or there are no amount which have been deemed to be deposits within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). (viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

(ix)

- a) In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of any loan or other borrowings or any interest due thereon to any lender.
- b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
- c) In our opinion and according to the information and explanations given to us, the loans were applied for the purpose for which the loans were obtained.
- d) In our opinion and according to the information and explanations given to us, there are no funds raised on short term basis which have been utilized for long term purposes.
- e) In our opinion and according to the information and explanations given to us, the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- f) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, Joints ventures or associate companies.

(x)

- a) In Our opinion and according to the information and explanations provided by the management, the Company has utilized the monies raised by way of Initial Public Offer (IPO) of equity shares for the purposes for which they were raised. (Refer Note no.47 to the financial statement).
- b) During the year the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause (x)(b) of the Order is not applicable to the Company.

(xi)

- a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year
- b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- c) As auditor, we did not receive any whistle- blower complaint during the year
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable
- (xiii) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and

the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.

(xiv)

- a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- b) We have considered, the internal audit reports issued to the Company issued till the date for the period under audit.
- (xv) In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.

(xvi)

- a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly this clause is not applicable.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) There is not liability of the company under the provisions of section 135 of the Companies Act, relating to Corporate Social Responsibility. Therefore, the provisions of Clause (xx) of paragraph 3 of the order are not applicable to the Company.

(xxi) The company has not made investments in subsidiary company. Therefore, the company does not require preparing consolidated financial statement. Therefore, the provisions of Clause (xxi) of paragraph 3 of the order are not applicable to the Company.

Annexure - B to the Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

We have audited the internal financial controls over financial reporting of **A G Universal Limited** ('the company') as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE ·2 Significant accounting policies

fall Basis of accounting and preparation of financial statements

These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified). The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year. All assets and liabilities have been classified as current and Non-current as per the Company's normal operating cycle and other criteria set out in Schedule-III to the Companies Act, 2013

fb) Use of estimates

The preparation of the financial statements in conformity with Indian GA.AP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known / materialize

At cost or net realizable value (on FIFO basis) whichever is lower (Rejected raw material at cost Less claim received thereon). Cost includes cost of purchase and other costs incurred in bringing the inventories to their present condition and location. The costs of purchase consist of the purchase price including duties and taxes (other than those freight inwards and other expenditure directly attributable to the acquisition subsequently recoverable by the enterprise from the taxing authorities).

ii)) Work in Progress

Cost of inputs plus overhead upto stage of the completion

iii) Finished Goods
At cost or net realizable value, whichever is lower (on FIFO basis). For arriving at the cost for this purpose, the cost includes material purchase cost and cost of conversion of inventories including allocation of fixed and variable prodution overheads

iv) Packing Material /Consumables At cost or net realizable value whichever is lower

fdl Revenue Recognition

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract, the Company retains no effective control of

Income/Compensation/Interest/De lay Payment Charges where there are unceltainties are recognized on receipt basis

fel Depreciation & amortisation

Depreciation on Property, Plant and Equipment is provided to the extent of depreciable amount on the written down value method. Depreciation is provided based on useful life of the assets as prescribed in

Asset Head	Useful life
Plant & Machinery	15Years
Vehicles	8 Years
Furniture & Fixtures	10 Years
Computers	6/3 Years
Office Equipments	5 Years
Intangibles	5 Years

The residual value and the useful life of an asset is reviewed at each financial year end

Items of Property, plant and equipment are measured at its cost less any accumulated depreciation and any accumulated impairment losses. The cost comprises its purchase price including import duties and non-refundable purchase taxes after deducting trade discounts and rebates and any cost directly attributable to bringing the assets to its working condition for its intended use

Subsequent expenditures related to an item of Tangible asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standards of performance

Items of property, plant and equipment retired from active use and held for disposal is stated at the lower of their carrying amount and net realisable value. Any write-down in this regard is recognised immediately in the statement of profit and loss

As intangible asset is recognised only when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Subsequent expenditure on an intangible asset after its purchase or its completion recognised as an intangible asset it is probable that the expenditure will enable the asset to generate future economic benefits in excess of its originally assessed standard of performance and the expenditure can be measured and attributed to the asset reliably

Intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. An intangible asset is derecognised (eliminated from the balance sheet) on disposal or when no future economic benefits are expected from its use and subsequent disposal. The depreciable amount of an intangible asset is allocated on a systematic basis over the best estimate of its useful life

Intangible assets are carried at cost less accumulated amortization and impairment losses, if any. The company has capitalized all costs relating to acquisition and installation of intangible fixed assets

fhl Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. Cash flow statement classifies cash flows during the period from operating, investing and financing activities of the Company

fi) Cash and Cash equivalent

Cash and cash equivalent in the balance sheet comprise cash at banks and cash on hand and short-term deposits with an original maturity of three months or less, which are subject to insignificant risk of change in value

M Foreign currency transactions

Foreign Currency Transactions related to purchase and sales are recorded at the exchange rates prevailing under Customs Act on the date of the transactions. Gains and losses arising out of subsequent fluctuations are accounted for on actual payments or realisations as the case may be. Monetary assets and liabilities denominated in foreign currency as on Balance Sheet date are translated into functional currency at the exchange rates prevailing on that date and Exchange differences arising out of such conversion are recognised in the Statement of Profit and Loss. Other foreign currency transactions are recorded at prevailing RBI rates

fkl Investment

Investments are classified as long term investments and current investments. The carrying amount for current investments is the lower of cost and fair value. For current investments, any reduction to fair value and any reversals of such reductions are included in the profit and loss statement. Long-term investments are usually carried at cost. Any decline, other than temporary, in the value of a long term investment, the carrying amount is reduced to recognise the decline. On disposal of an investment, the difference between the carrying amount and the disposal proceeds, net of expenses, is recognised in the profit and loss statement.

f) Employee benefits

(i) Short-term employee benefits are recognized as an expense at the undiscounted amount in the profit and loss account of the year in which the related service is rendered

(ii) Defined Benefit Plans

Gratuity and Leave encashment are defined benefit plan payable at the end of the employment and is provided for on the basis of actuarial valuation at each year-end using the projected unit credit method Actuarial gain and loss for defined benefit plan is recognized in full in the period in which it occur in the statement of profit and loss

(iii) Defined Conhibution Plans

Defined contribution plans are those plans in which the company pays fixed contribution into separate entities and will have no legal or constructive obligation to pay further amounts. Provident Fund and Employee State Insurance are Defined Contribution Plans in which company pays a fixed contribution and will have no further obligation beyond the monthly contributions and are recognised as an expenses in Statement of Profit & Loca

fm) Borrowing cost

Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction /development of the qualifying asset upto the date of capitalisation of such asset is added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted

fn) Segment Reporting

A business segment is a distinguishable component of an enterprise that is engaged in providing an individual product or service or a group of related products or services and that is subject to risks and returns that are different from those of other business segments

Internal organisation and management structure of an enterprise and its system of internal financial reporting to the board of directors and the chief executive officer should normally be the basis for identifying the predominant source and nature of risks and differing rates of return facing the enterprise and, therefore, for determining which reporting format is primary and which is secondary

Reportable Segments

A business segment or geographical segment should be identified as a repoltable segment if

- (a) its revenue from sales to external customers and from transactions with other segments is 10 per cent or more of the total revenue, external and internal, of all segments; or
- (b) its segment result, whether profit or loss, is 10 per cent or more of
 - (i) the combined result of all segments in profit, or
 - (ii) the combined result of all segments in loss,
 - (iii) its segment assets are 10 per cent or more of the total assets of all segments

fol Earning per share

Basic Earning Per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by weighted average number of equity shares outstanding during the period

For the purpose of calculating diluted earnings per share, net profit after tax during the year and the weighted average number of shares outstanding during the year are adjusted for the effect of all dilutive potential equity shares

fpl Accounting for taxes on income

Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted by the end of the reporting period

Minimum alternative tax (MAT) paid in accordance with the tax laws, which gives rise to future economic benefits in the form of adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax in future years. Accordingly, MAT paid over and above the normal income tax liability for the period is recognized as an asset in the balance sheet when it is probable that the future economic benefit associated with it will flow to the Company and the asset can be measured reliably

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available

fgl Impairment of Assets

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is charged to the Profit and Loss Account in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount

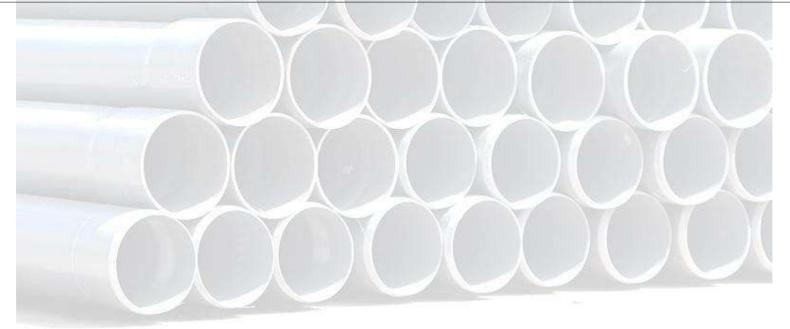

fr) Provisions and contingencies

A provision is recognized when the Company has a present obligation as a result of past event. it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adducted to reflect the current best estimates are reviewed at each reporting date and adducted to reflect the current best estimates are

Segment Reporting

Operating segments:

Trading Division - Iron Products I Ultra maxx Batteries I S S Utensils

Ma nufacturing Division - Aluminium Extruded Profile

Identification of segments:

The chief operational decision maker monitors the operating results of its business segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit and loss of the segment and is measured consistently with profit or loss in these financial statements. Operating segments have been identified on the basis of the nature of products.

Segment revenue and results

The expenses and income which are not directly attributable to any business segment are shown as unallocable expenditure (net of unallocable income).

Segment assets and liabilities:

Assets used by the operating segments mainly consist of property, plant and equipment, trade receivables, cash and cash equivalents and inventories. Segment liabilities include trade payables and other liabilities. Common assets and liabilities which cannot be allocated to any of the segments are shown as a part of unallocable assets/liabilities.

The measurement principles of segments are consistent with those used in preparation of these financial statements. There are no inter-segment transfers:
