ABOUT ESPRIT STONES LIMITED...

Our Company was incorporated in the year 2016 and is promoted by two business houses from Udaipur, Rajasthan namely, Aravali group and Gattani group. We within a short span of initial 5 years since becoming operational that is from year 2017 to 2022, we have expanded our manufacturing capacity and diversified our operations. Having set up our Quartz Surfaces Manufacturing Facility in the year 2017, we started the production of engineered quartz with a single press line and a polish line capable of producing around 24 lakhs sq.ft. engineered quartz per annum. As on date, the quartz manufacturing facility is equipped with three (3) pressing lines and two (2) polishing lines with a production capacity of around 72 lakhs sq.ft. per annum. Additionally, we commissioned the manufacturing facility for production of quartz grit and quartz powder which is the primary raw material for manufacturing of engineered quartz. Thereafter, in order to further reduce our dependency on third-party raw material suppliers of unsaturated polyester resin, which is an important ingredient for manufacturing of engineered stones, our Company, through our Subsidiary namely, Addwaya Chemicals, started manufacturing of unsaturated polyester resin having an annual capacity of around 18 thousand metric tonnes. As a result of this backward integration, our Company gained a better control on quality of key raw materials. In the year 2022, our Company through our Subsidiary, Haique Stones Private Limited (HSPL) has commenced manufacturing and processing of engineered marble surfaces which is equipped with one (1) pressing line, two (2) gangsaw and one (1) polishing line and having an annual capacity of around 74 lakhs sq. ft.

In the February-2024, we converted our Company in a Public Limited Company and in August-2024 got listed on SME Platform of NSE-EMERGE.

At present we are one of the key Engineered Stones players in the Indian Market (Source: CARE Report) and we market and sell our Engineered Stones in domestic as well as international markets through a combination of direct export sales and a network of independent distributors in the domestic market. As on the date of this annual report, we are exporting to over 10 countries including USA, Canada, Egypt, Bulgaria, UAE, Saudi Arabia, etc. under white labelling.

Initially, the business of the Company was only export based. However, to capitalise the growing demand of Engineered Stones in domestic market, our Company launched our premium brand 'Haiqu' which was later renamed as "Haique". As on the date of this annual report, we have extended our reach to 15 states in the country through our distributors network. Our Company has recently set up of an experience centre at Kishangarh, Rajasthan, the marble city of India. Additionally, our Company also has a storage facility and sales office in Mumbai, Maharashtra.

Our business model is aimed to consistently continue to strengthen our product portfolio through continued investment in product innovation supported by strong research and development initiatives, marketing activities and the establishment of long-term relationships with our existing and new customers.

We believe that we have invested considerable resources to position 'Haique' as a premium brand and as a symbol of elevated living. Presently, we are promoting our brand by skilled sales personnel and strive to actively support our brand through online and print advertising and exhibitions and events. At the same time, we intend to continue developing Engineered Stones with new and innovative characteristics related to colour, design, texture and thickness as well as promoting other applications for our products, such as high-end bathroom surfaces, countertops and wall cladding, to ensure that end-consumers continue to recognize 'Haique' as a luxury brand and a leading provider of premium-quality Engineered Stones.

MANAGEMENT COMMUNIQUE

Dear Shareholders,

We are pleased to present our 9th Annual Report for FY 2024-25. This report encapsulates Esprit Stones Limited's significant strides over the past year. We have navigated through a challenging time amidst inflationary pressures and geopolitical tensions across global economies. Despite these headwinds, our Company demonstrated resilience and agility, navigating the evolving environment with a clear strategic focus. On the financial front, we enhanced our revenue from operations and operating margins through improved utilization of our manufacturing processes and customer centric approach.

Further, the FY 2024-25 will always remain a milestone year in the history of Esprit Stones Limited as a resounding success and a testament to the trust and confidence placed in us by our stakeholders for the Initial Public Offer (IPO) and as the Company got listed on the NSE-Emerge Exchange.

Economic Overview

The global macroeconomic environment in FY 2024-25 was shaped by tightening monetary policies and heightened geopolitical tensions. While advanced economies witnessed moderated growth due to policy rate hikes and supply chain rebalancing, India continued to demonstrate resilience with an estimated real GDP growth of 6.5% in FY 2024-25 supported by strong domestic demand, infrastructure spending, and industrial expansion.

Within this backdrop, the quartz manufacturing industry navigated both opportunities and challenges. On the opportunity side, demand was driven by rising urbanization, growing preference for durable and aesthetic surfacing materials, and the expanding export market. At the same time, the sector faced significant headwinds. Volatility in raw material and logistics costs, stricter environmental and workplace safety regulations, and trade-related developments such as anti-dumping measures and tariffs.

Looking ahead, continued emphasis on innovation, safety compliance, sustainability, and value-added product lines will be critical for ensuring the long-term growth trajectory of the industry.

Performance Overview

We delivered a growth of 17.81% in revenue from operations on a consolidated basis to INR 321.5 crores from INR 272.9 crores highlighting a resilient customer base and strong market position. Our operating profits rose to INR 37.1 crores from INR 31.3 crores showcasing a 16% growth on a YoY basis and profit after tax (PAT) expanded to INR 17.2 crores from INR 10.3 crores highlighting our strong operational discipline and swift adaptability to market changes.

On the operational front as well, our performance has been robust. We have started one of its kind showroom-cum-experience center in the marble city – Kishangarh, Rajasthan. Under one roof, we will be able to showcase all our products quartz surfaces, composite marble, terrazzo and semi-precious stone slabs. Not only the products but also its applications. Further, we are regularly adding new dealers in states of India and are establishing our footprints in the UAE and other countries other than USA. Our ability to significantly grow our distributor and client base showcase adaptability of our products. At the heart of our enduring

success is a dedicated team comprising over 300+ individuals running the execution engine. By fostering a supportive and empowered work environment, we ensure that our team of go-getters stays motivated and aligned with our broader objectives.

Staring At Robust Growth Opportunity

The global engineered stone industry is expected to grow at 6% CAGR during the year 2027 to 2032 and expected to reach US\$ 48,104 million by 2032. The engineered quartz has been the major contributor in the engineered stone segment followed by the engineered marble stone.

The Indian engineered stone market is estimated to be valued at \$3,643 million in 2022. The industry is expected to grow at a CAGR of 7-8% in the projected years between 2022 to 2027. By the year 2032, the Indian engineered stone market is expected to reach \$7,355 million.

With a strong competitive position in this large industry with a robust client base and strong execution capabilities, Esprit is well-positioned to capitalize on this growth opportunity.

Fulfilling Our Commitments Towards Environment, Society and Governance

At Esprit, we embrace a holistic approach to advancing our commitments by fostering sustainable practices and responsible business conduct across every facet of our operations. We integrate environmental and social considerations into our strategy, decision-making, and day-to-day activities to ensure the creation of enduring value for our stakeholders. In doing so, we not only contribute positively to the communities we serve and the environment we depend on, but also reinforce our dedication to strong governance practices. Strengthening our governance framework and advancing the vision of a sustainable future for all remain at the core of our organisational priorities.

Looking Ahead

As we move forward, Esprit Stones Limited remains committed to building on the strong foundation laid in FY 2024-25. Our focus will be on driving innovation, enhancing operational excellence, and embedding sustainability across our value chain. We will continue to adapt with agility to evolving market dynamics, strengthen our compliance and governance practices, and invest in capabilities that secure long-term growth. With these priorities, we are confident of creating enduring value for our shareholders and contributing positively to the industry, the environment, and society at large.

ITEM NO. 4: TO APPROVE SALE OF SHARES OF ADDWAYA CHEMICALS PRIVATE LIMITED, MATERIAL SUBSIDIARY OF THE COMPANY:

Esprit Stones Limited holds 76,500 shares in Addwaya Chemicals Private Limited, Material Subsidiary of the Company constituting 51.00% of the Equity Share capital of Addwaya Chemicals Private Limited.

The manufacturing operations for the Subsidiary Company were closed due to directions received from the Rajasthan State Pollution Control Board, ('RSPCB'), District-Rajsamand, State-Rajasthan under Section 33(A) of the Water (Prevention and Control of Pollution) Act, 1974 and Section 31(A) of the Air (Prevention and Control of Pollution) Act, 1981, situated at Araj No. 1953/11, 2080/10 & 2082/11, Village-Rathujana Negdiya, Tehsil-Nathdwara, District-Rajsamand, State-Rajasthan under Section 33-A of the Water (Prevention and Control) since March 10, 2025. Currently, the operations are on hold in the subsidiary and it may take some more time to resume operations after taking necessary approvals. The Company has invested INR 7,65,000 (76,500 shares at cost of Rs. 10 each) in the year 2021. Further, the subsidiary's networth as on 31.03.2025 was Rs. 197.05 lakhs which is 1.48% of Company's Consolidated Net Worth as on 31.03.2025. However, in the FY 24-25 the subsidiary contributed Rs. 8,483.42 lakhs in the Consolidated Income (Revenue from Operations & Other Income) which was equivalent to 26.19%. Accordingly, The Board is of the view that in order to achieve sustainable long-term growth, to focus on the existing ventures and further enhancing shareholders value it is beneficial to sale the shareholding of above subsidiary.

The Board of Directors subject to the approval of members of the Company by a special resolution and other applicable laws and subject to such other approvals, consents, permissions and sanctions as may be necessary, approved to sell, transfer, convert, assign or otherwise dispose off, the whole or part of the Company's investment in equity shares of its Material Subsidiary company Addwaya Chemicals Private Limited on the terms and conditions best suited in the interest of the Company, methods and modes in respect thereof, determining the exact effective date, and finalizing and executing and registering the necessary documents including agreements, deeds, sale deed, agreement for sale and such other deeds documents and writings, deeds of conveyances and irrevocable powers of attorney etc. and such other documents in the best interest of the Company.

Members of the Company are further requested to note that Section 180 (1)(a) of the Companies Act, 2013 mandates that the Board of Directors of a company shall exercise the power to sell, lease or otherwise dispose of the whole or substantially the whole of any undertaking(s) of the company, only with the approval of the members of the Company by way of a special resolution.

An Undertaking for the purposes of Section 180(1) of the Companies Act, 2013 is an undertaking in which the investment of the company exceeds twenty percent of its net worth as per the audited balance sheet of the preceding financial year or an undertaking which generates twenty percent of the total income of the company during the previous financial year. Substantially the whole of the undertaking for the purposes of Section 180(1) is in any financial year, shall mean twenty percent or more of the value of the undertaking as per the audited Financial Statements of the preceding financial year. Given the said investment in the equity shares of Addwaya Chemicals Private Limited exceeds the thresholds specified herein, the disinvestment requires approval of the members by a special resolution under Section 180(1)(a) of the Act. The approval of the members of the Company is accordingly being sought for the proposed transaction.

The Board is of the opinion that the aforementioned proposal is in the best interest of the Company and hence, the Board recommends passing of the special resolution for the approval of the members of the Company. The proposed transaction shall be undertaken with such prospective buyer(s)/investor(s), for such consideration and on such terms as may be mutually agreed at the time of execution of definitive agreements, subject to applicable laws and approvals.

None of the other Directors, Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested, financially or otherwise, in the Special Resolution proposed in Item No. 4.

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

ESPRIT STONES LIMITED

SP1, Udyog Vihar, Sukher Industrial Area,
Udaipur, Rajasthan, India, 313004

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **ESPRIT STONES LIMITED** (CIN- U74999RJ2016PLC056284) (hereinafter called the 'Company') for the financial year 01st April 2024 to 31st March 2025 (audit period). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on our verification of the company's books, papers, minute books, forms and returns filed and other records maintained and also other information provided by the Company, its officers, agents and authorized representatives, during the conduct of secretarial audit, we hereby report that in my opinion, the Company has, during the audit period, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2025 according to the provisions of-

1. The Companies Act, 2013 (the Act) and the rules made there under;

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Please note statement in this Management's Discussion and Analysis detailing the Company's objectives, projections, estimates, expectations or predictions are "forward-looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include global and Indian demand-supply conditions, finished goods prices, feedstock availability and prices, cyclical demand and pricing in the Company's principal markets, changes in Government regulations, tax regimes, economic developments within India and the countries within which the Company conducts business and other factors such as litigation and labour negotiations.

I. ECONOMIC OVERVIEW

Global Economy and Outlook

The global economy in FY 2024–25 entered a phase of heightened uncertainty, shaped by evolving policy priorities, intensifying trade frictions, and an uneven recovery from past disruptions. According to the International Monetary Fund's April 2025 World Economic Outlook ("A Critical Juncture amid Policy Shifts"), global growth is projected to moderate to 2.8%, significantly below the long-term average of 3.7% recorded during 2000–2019. This deceleration is primarily attributable to the rising incidence of trade barriers, including new tariff measures introduced by the United States and reciprocal actions from its trading partners. Such developments have disrupted global trade and investment flows, adding to prevailing policy uncertainty.

Growth in advanced economies remains subdued, with the United States expected to expand by 1.8% and the euro area by only 0.8%, constrained by tighter financial conditions and weakening demand. Emerging markets and developing economies are projected to grow at a relatively stronger pace of 3.7%, although they continue to contend with capital outflows and limited access to credit.

Global inflationary pressures are easing, with headline inflation forecast at 4.3% in 2025. However, the disinflation process is proceeding more slowly than anticipated. The balance of risks remains tilted to the downside, stemming from persistent geopolitical tensions, financial market volatility, and waning international development support – challenges that weigh more heavily on credit-dependent emerging economies.

Against this backdrop, the IMF underscores the importance of coordinated global responses to safeguard macroeconomic stability. For India, this environment reinforces the need to strengthen economic resilience through prudent fiscal management, deepening of inclusive financial systems, and adaptive policy frameworks.

Indian Economy and Outlook

The Indian economy remained resilient through FY 2024–25 despite global headwinds and geopolitical uncertainties. Strong domestic demand, policy support, and structural reforms underpinned steady macroeconomic performance.

GDP growth is estimated at 6.5%, led by broad-based momentum across consumption, investment, and government spending. Construction, trade, and financial services were key contributors, supported by infrastructure expansion and credit growth. Inflationary pressures eased, with headline CPI falling to 3.6% in February 2025, while core inflation at 4.1% reflected lingering cost factors. The Reserve Bank of India's balanced monetary stance ensured stability, complemented by fiscal measures.

The external sector remained stable, though persistent FPI outflows pressured the rupee, partially offset by strong domestic investor participation. Labour markets strengthened, with robust employment growth in manufacturing and services, and urban unemployment declining to 6.4%.

India's GDP reached USD 4.3 trillion by the end of FY 2024–25, positioning the nation to overtake Japan and become the world's fourth-largest economy. Looking ahead, the RBI projects growth of 6.5% in FY 2025–26, with inflation expected to remain within target. Strong fundamentals and proactive policies continue to support a favorable medium-term outlook.

II. **INDUSTRY STRUCTURE AND DEVELOPMENTS**

Esprit Stones Limited is primarily engaged in the manufacturing of Engineered Stones such as: (i) engineered quartz surfaces; and (ii) engineered marble surfaces. Our Company majorly manufactures engineered quartz surfaces and through our Subsidiary, Haique Stones Private Limited, we manufacture engineered marble surfaces.

Engineered Stones are composite material formed out of crushed stone that is held together by an adhesive. Engineered Stone's non-porous characteristics, offer superior scratch, stain and heat resistance, making them extremely durable and therefore get an edge over competing products such as natural stones, laminate and other manufactured solid surfaces. The strength, consistency, durability and appearance of our Engineered Stones, as well as their low maintenance makes it ideal for its application for vanities & bathroom surfaces, kitchen countertops, floors and wall cladding furniture, and other interior surfaces that are used in a variety of residential and non-residential applications.

Global Engineered Stone Industry

The global engineered stone market more specifically global engineered quartz stone industry has developed into one of the fastest-growing segments within the construction and design materials space, reflecting both resilience and strong market potential. In 2024, the industry was valued at approximately USD 27.6 billion, representing an annual growth of around 6.2% compared to USD 25.9 billion in 2023. This consistent upward trajectory highlights engineered quartz as a leading material category, supported by its superior functional properties and rising preference among consumers and professionals alike.

Engineered quartz stone is produced using nearly 90% finely ground natural quartz blended with resins and pigments, resulting in a material that combines strength with visual versatility. Its non-porous surface delivers excellent resistance to scratches, heat, and staining, making it especially suited for areas exposed to intensive use. The material is widely recognized for its long-lasting appearance, low-maintenance requirements, and hygienic qualities, offering a clear advantage over many natural stone alternatives that demand periodic sealing or treatment.

Market demand for quartz stone is well distributed across applications, with kitchen and bathroom countertops accounting for the largest share due to their extensive use in residential interiors. At the same time, adoption is expanding across high-end commercial environments such as hotels, healthcare facilities, and corporate spaces, where durability, ease of upkeep, and refined aesthetics are critical. This diversified application base underscores engineered quartz stone's growing relevance across both residential and institutional segments of the market.

Global Engineered Marble Market was valued at USD 1.74 billion in 2023 and is anticipated to project robust growth in the forecast period with a CAGR of 6.19% through 2029 (Source: [Link](#)). Engineered marble, also known as cultured marble or synthetic marble, is a composite material made from natural marble stone chips and polyester resin. This engineered stone offers numerous advantages, making it a preferred choice in various construction applications. Engineered marble is known for its durability. It is more resistant to stains, scratches, and impact compared to natural marble. This makes it a practical choice for high-traffic areas and surfaces prone to wear and tear. As consumers and businesses prioritize long-term cost savings and reduced maintenance, the demand for engineered marble has risen, propelling the market's growth.

Engineered marble's versatility is another factor contributing to its increasing popularity. It is available in a wide range of colors and patterns, allowing for customization to suit specific design preferences. This flexibility attracts both residential and commercial customers looking to achieve unique and distinctive interior spaces.

Regionally, North America remains the largest market, anchored by the United States, which alone accounts for nearly USD 25 billion in market size as of 2024. Demand is particularly strong in premium residential developments and the hospitality sector. Europe holds the second-largest share, benefitting from renovation activity and regulatory emphasis on eco-friendly construction practices.

Asia-Pacific, however, is emerging as the key growth engine. Valued at close to USD 3.5 billion in 2024, the regional market is forecast to expand at a CAGR of around 8.5% through 2033. Rising urban populations in China, India, and Southeast Asia are fueling higher consumption of engineered quartz in residential housing, commercial complexes, and public infrastructure. Current estimates suggest that countertops, flooring, and wall cladding collectively represent more than 40% of end-use demand in the region. Notably, Asia-Pacific already contributed about 38% of global engineered stone revenues in 2023, underscoring its strategic importance.

Beyond these established markets, emerging economies in the Middle East, Africa, and Latin America—though still modest in size at under USD 400 million each—offer significant long-term opportunities. Growth in these regions will likely be supported by investments in large-scale infrastructure, tourism, and luxury real estate.

Indian Engineered Stone Industry

India's countertop market was valued at around USD 11.86 billion in 2024 and is expected to reach USD 19.39 billion by 2030, growing at an average annual rate of about 8.5%. Granite is currently the most commonly used material for countertops in India, but engineered quartz and composite marble is quickly gaining popularity and is projected to be the fastest growing segment in the coming years. (Source: [Link](#))

India accounts for approximately 7.8% of global countertop market revenues, making it the fastest-growing market in the Asia-Pacific region. This growth is being driven by a rise in residential and commercial construction, increasing home renovation activities and a shift in consumer preference toward modern, durable and low maintenance surface materials.

Overall, the Indian countertop market is expanding steadily, with demand rising for both traditional options like granite and newer materials like quartz, especially among consumers who want stylish and long-lasting interior finishes.

III. OPPORTUNITIES AND THREATS

Opportunities for Engineered Stones Industry

Domestic Growth Momentum: India's rapid urbanization, real estate development, and smart city initiatives are fueling demand for engineered stone in residential and commercial projects. The hospitality, retail, and healthcare sectors are also expanding at pace, with thousands of hotels, malls, and hospitals under construction—each requiring durable and visually appealing surfaces. As buyers shift preference from natural stone to engineered quartz and marble for their uniform quality, lower porosity, and modern designs, manufacturers have a significant opportunity to capture the domestic market.

Export Opportunities: International markets are opening new doors for Indian manufacturers. Continued US anti-dumping duties on Chinese quartz are creating supply gaps. India, with its abundant quartz reserves in Rajasthan and southern states, is well-placed to fill this gap by ramping up production and offering competitive pricing. By focusing on compliance-friendly products such as low-silica or hybrid quartz, Indian suppliers can strengthen their foothold in the US, EU, UK, and Middle Eastern markets.

Diversified Applications: Beyond kitchens, engineered stone is finding growing applications in bathrooms, affordable housing, and institutional projects. Engineered and cultured marble are especially attractive for vanities, shower panels, and integrated sinks where cost efficiency and ease of installation matter. Airports, metro stations, schools, and hospitals are also specifying engineered stone for high-traffic areas due to its durability, low maintenance, and design flexibility. These diversified applications present manufacturers with multiple avenues for revenue growth.

Innovation & Sustainability Edge: As global buyers emphasize sustainability, Indian manufacturers can gain a competitive advantage by adopting eco-friendly practices. Incorporating recycled content, bio-resins, and ESG-compliant production processes not only meets international demand but also strengthens brand value. Additionally, innovation in design—such as thin slabs, textured finishes, and large formats—helps engineered quartz compete effectively against porcelain and sintered stone. Companies that invest in low-silica technology and sustainable innovation are best positioned to capture long-term domestic and export growth.

Threats for Engineered Stones Industry

International trade restrictions specifically in the USA is major challenge. The US maintains anti-dumping and countervailing duties on Chinese quartz, and there is increasing scrutiny on transshipment from other countries. India could face similar investigations if export volumes rise sharply. Protectionist policies, sudden tariff changes, or anti-circumvention probes can disrupt supply chains and squeeze margins for Indian manufacturers that rely heavily on exports.

The engineered stone industry is undergoing rapid technological change, with global leaders investing in advanced production methods such as low-silica formulations, hybrid mineral surfaces, digital vein-matching, and automated slab fabrication. For Indian manufacturers, the threat lies in falling behind these innovations, as outdated technology may limit their ability to meet stricter international health, safety, and design standards. Upgrading plants requires significant capital investment in R&D, machinery, and skilled labor, and those who delay may struggle with declining competitiveness, reduced export opportunities, and shrinking market share against technologically advanced global rivals.

IV. RISK AND CONCERNS

Our manufacturing activity is subject to availability of raw material such as quartz grit and powder, marble grit, calcite powder, resin, other chemicals and pigments and the costs of the raw materials. Any shortage in availability or fluctuations in raw material prices, may have effect on our business. While, we have not experienced any significant disruption in supply or fluctuation in the prices of raw material in the past, there can be no assurance that we will not face such situation in future.

The industry operates under stringent environmental and mining regulations. Compliance with land restoration norms, pollution control requirements, and sustainable mining practices entails significant investment. In addition, the availability of high-quality quartz deposits is becoming increasingly limited, pushing exploration into more remote and cost-intensive regions. Delays in approvals and procedural complexities can further affect operational efficiency and project timelines.

V. OUTLOOK

The future outlook of the Indian engineered stone industry, comprising quartz, composite marble, and terrazzo, remains positive over the next one to two years. Growth will be driven by continued urbanization, rising disposable incomes, expansion in real estate and infrastructure projects, and increasing consumer preference for durable, low-maintenance, and aesthetically appealing surfaces.

Export prospects are encouraging as Indian manufacturers continue to emerge as competitive suppliers to global markets; however, the imposition of tariffs and trade barriers in certain countries specifically the USA poses a potential risk to export margins and growth. However, countries other than the USA like UAE, Egypt, Saudi Arabia looks promising and positive for Indian Engineered Stone manufacturers.

On the domestic front, steady demand, coupled with technological advancements, product innovation, and emphasis on sustainable manufacturing, is expected to support the industry's long-term competitiveness.

VI. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company has in place a well-structured internal control framework commensurate with the size and nature of its operations. These controls are designed to ensure orderly and efficient conduct of business, safeguarding of assets, prevention and detection of frauds and errors, accuracy and completeness of accounting records, and timely preparation of reliable financial information. The internal control systems are regularly reviewed by management and tested by independent internal and external auditors, with their findings and recommendations placed before the Audit Committee. Based on the review, the Board confirms that the internal control systems are adequate and operating effectively, providing reasonable assurance regarding the integrity of financial reporting and compliance with applicable laws and regulations. Further, the management team also undertakes continuous evaluation of business processes to enhance fiscal prudence, operational efficiency, and statutory compliance. This proactive approach enables the company to optimize resource utilization, minimize operational risks, and uphold the highest standards of corporate governance.

VII. MATERIAL DEVELOPMENT IN HUMAN RESOURCES/ INDUSTRIAL RELATIONS:

The Company recognizes that its employees are its most valuable asset and continues to invest in their growth and well-being. During the year, the Company maintained cordial industrial relations across all levels, with no instances of disruption reported. Focus remained on employee engagement, skill development, and fostering a performance-driven culture through regular training programs and transparent communication. The Company also introduced initiatives to strengthen workplace safety, employee welfare, and talent retention. The Board places on record its appreciation for the commitment and contribution of all employees towards the Company's performance and growth.

Net Profit Margin %	5.33%	3.78%	42%
Return on Capital Employed % (calculated on closing capital employed)	12.58%	11.87%	6%

Notes on significant changes (>25%) in financial ratios:

(a) The Debt Service Coverage Ratio is decreased by 40%, as during the current year, the group has preclosed one of its term loan from proceeds from issue of share capital through Initial Public Offer. Hence the repayment of principal is much higher in current year and accordingly the ratio is very low for current year and decreased as compare to previous year.

(b) Current ratio has increased by 25% as the Company has raised funds through Initial Public Offer in current year and utilised part amount of it in its working capital requirement due to which current liabilities are reduced.

(c) The Debt-Equity ratio has decreased, as Shareholders' fund has increased due to profits and issue of shares in the current year, further the debt is also reduced due to repayment of term loans and working capital loans remain in line with previous year. Accordingly, the gap between shareholders' fund and borrowings has increased which has reduced the debt-equity ratio.

(d) The Net Profit Margin % is increased as net profit is increased due to decrease in the finance cost for current year. Further, The Company has achieved growth in its revenue as compare to last year.

Opinion

We have audited the Standalone Financial Statements of **Esprit Stones Limited (Formerly Known as Esprit Stones Private Limited)**, which comprise the balance sheet as at 31st March 2025, and the statement of Profit and Loss, and statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2025, and its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S.no	Key Audit Matter	Auditor's Response
1.	Revenue Recognition: Revenue is one of the key profit drivers. Cut-off is the key assertion insofar as revenue recognition is concerned, since an inappropriate cut-off can result in material misstatement of results for the year.	Our audit procedures with regard to revenue recognition included testing controls, around dispatches / deliveries, inventory reconciliations and substantive testing for cut-offs and analytical review procedures.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact, since these reports are expected to be made available to us after the date of this audit report hence currently, and we have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure I** statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
 - c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to adequacy of Internal Financial Controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in **Annexure II**. Our report expresses an Unmodified Opinion on the adequacy and operating effectiveness of the company internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note No. 27 to the financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

- iii. There were no amounts, which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. (Refer Note No. 35(k))
- b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. (Refer Note No. 35(k))
- c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11 (e) as provided under (a) and (b) above contain any material misstatement.
- v. The company has not paid any dividend during the year hence the reporting under this clause is not applicable.
- vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and audit trail has been preserved by the company as per statutory requirements.

9. (a) According to the records of the company examined by us and as per the information and explanations given to us, the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any financial institution or banks or lender.
- (b) According to the records of the company examined by us and as per the information and explanations given to us, The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
- (c) According to the records of the company examined by us and as per the information and explanations given to us, term loans availed by the company have been used for the purpose for which they were raised.
- (d) According to the records of the company examined by us and as per the information and explanations given to us, on an overall examination of the financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) According to the records of the company examined by us and as per the information and explanations given to us, on an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries or associate companies.
- (f) According to the records of the company examined by us and as per the information and explanations given to us, the Company has not raised loans during the year on the pledge of securities held in its subsidiaries or associate companies. Hence, the requirement to report on clause (ix) (f) of the Order is not applicable to the Company.
10. (a) The our opinion and according to the information and explanations given to us, the Company has utilized the money raised by way of initial public offer for which they were raised and unutilized amount has been parked in Fixed Deposit with bank. The Company did not raise any money by way of further public offer (including debt instruments) and term loans during the year.
- (b) During the year ended 31 March 2025, the Company has not made any preferential allotment or private placement of shares or Convertible debentures, hence this clause is not applicable.
11. (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
12. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
13. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.

14. (a) In our opinion and based on our examination, the company has an internal audit system commensurate with the size and nature of its business.

(b) We have considered the internal audit reports of the company issued till date, for the period under audit.
15. In our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors, and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
16. (a) According to information & explanation given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934
(b) According to information & explanation given to The company has not conducted any NBFC business during the year, hence, reporting under clause 3(xvi)(b) of the Order is not applicable.

ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT OF ESPRIT STONES LIMITED (FORMERLY KNOWN AS ESPRIT STONES PRIVATE LIMITED)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Esprit Stones Limited (Formerly Known as Esprit Stones Private Limited)** as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

2 Significant accounting policies

2.1 Basis of Preparation of Financial Statements

The financial statements are prepared under the historical cost convention on accrual basis to comply in all material aspects and in accordance with Indian Generally Accepted Accounting Principles (GAAP), which comprises of mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified). The accounting policies have been consistently applied by the Company unless otherwise stated.

2.2 Use of Estimates

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of the financial statements. The examples of such estimates include, the useful life of tangible and intangible fixed assets, allowances for doubtful debts / advances, future obligations in respect of retirement benefit plans etc. Actual results may differ from the estimates and assumptions and in such case, the difference is recognised in the period in which the results are known.

2.3 Revenue Recognition

- (a) The company recognises revenues on the sale of products, net of discounts, when the products are dispatched /delivered to the customer/ dealer or when delivered to the carrier for export sales, which is when risks and rewards of ownership pass to the customer/ dealer.
- (b) Revenue is recognized when it is earned and no significant uncertainty exists as to its realization or collection.
- (c) Interest is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.
- (d) Dividend income is recognized when the company's right to receive dividend is established.
- (e) Export entitlements under the duty remission scheme are recognized as income on accrual basis

2.4 Recognition of Expenditure

Expenses are accounted for on an accrual basis and provision is made for all known losses and liabilities.

2.5 Tangible fixed assets

- (a) Tangible fixed assets are stated at cost less accumulated depreciation and impairment loss, if any.
- (b) The cost of Fixed Asset comprises its purchase price including non-refundable taxes & duties and directly attributable cost of bringing the asset (including leasehold improvements) to its working condition for its intended use. Subsequent upgradation / enhancements which results in an increase in the future benefits from such assets, beyond the previously assessed standard of performance, are also capitalised. Machinery spares which can be used only in connection with an item of tangible assets and whose use is not regular nature are written off over the estimated useful life of relevant assets.
- (c) All costs, including borrowing costs till commencement of commercial production, attributable to fixed assets are capitalized.
- (d) The depreciation has been charged as per below useful life:

Asset Name	Useful life
Buildings	05 to 30 years
Solar plants	15 years
Plant and machinery	15 years
Electrical installations	10 years
Furniture and fixtures	10 years
Office equipments	5 years
Lab equipments	10 years
Vehicles	8 years
Computers	3 to 6 years

2.6 Intangible Assets and amortization

Intangible assets are stated at cost less accumulated amortization. Intangible assets are amortized on a straight line basis over their estimated useful life of 3 years

2.7 Impairment of Assets

The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal / external factors. An asset is impaired when the carrying amount of the asset exceeds the recoverable amount. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. An impairment loss recognized in prior accounting periods is reversed if there has been change in the estimate of the recoverable amount.

2.8 Capital Work-in-Progress

Capital work-in-progress comprises cost of fixed assets that are not yet ready for their intended use at the balance sheet date.

2.9 Depreciation and amortization

(a) Owned assets

- (i) Depreciation on fixed assets is provided on straight line method, at the rates and in the manner prescribed in Schedule II to the Companies Act, 2013. In case of plant and machinery used for double or triple shift, depreciation is increased to 150% and 200% of normal depreciation respectively.
- (ii) Significant components of assets having a life shorter than the main asset, if any is depreciated over the shorter life.

(b) Leased assets:

- (i). Leasehold lands are amortised over the period of lease.
- (ii). Buildings constructed on leasehold land are depreciated based on the useful life specified in Schedule II to the Companies Act, 2013, where the lease period is beyond the life of the building.
- (iii). In other cases, buildings constructed on leasehold lands are amortized over the primary lease period of the lands.

2.10 Investments

Current investments that are readily realisable and are intended to be held for not more than one year from the date on which such investments are made, are carried at lower of cost and quoted / fair value, computed category wise. Long Term Investments are stated at cost. However, provision for diminution in the value of long term investments is made only if such a decline is other than temporary.

2.11 Inventories

Inventories are valued at the lower of cost and net realizable value. Obsolete, slow moving and defective inventories are identified at the time of physical verification and necessary provision is made for such inventories. The cost is determined using the weighted average cost method for all categories of inventories. Cost includes in case of Raw materials, Stores & spares, Packing material and consumables the purchase price and attributable direct cost less discounts. In case of Work-in-Progress and finished goods cost includes direct labour, material costs and production overheads

2.12 Foreign Currency Transactions

- (a) Transactions denominated in foreign currencies are normally recorded on the initial recognition in the reported currency using the exchange rates prevailing on the date of transaction.
- (b) Monetary assets & liabilities denominated in foreign currencies are restated at the appropriate rates of exchange prevailing on the date of Balance Sheet. The Company uses exchange rates from Foreign Exchange Dealer's Association of India (FEDAI) and the resultant gain or loss is accounted in the period in which they arise.
- (c) Any income or expense on account of exchange difference either on settlement or on translation of monetary items are recognized in the Statement of Profit and Loss for the period in which they arise.
- (d) In respect of Forward Exchange contracts entered into to hedge foreign currency risks, the difference between the forward rate and exchange rate at the inception of the contract is recognized as income or expense over the life of the contract. Further, the exchange differences arising on such contracts are recognized as income or expense along with the exchange differences on the underlying assets / liabilities. Further, in case of other contracts with committed exchange rates, the underlying is accounted at the rate so committed. Profit or loss on cancellations / renewals of forward contracts is recognized during the year. In case of option contracts, the losses are accounted on mark to market basis.

2.13 Earning Per Share

Basic earnings per share is calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

As per Accounting Standard -20 on Earning Per Share, If the number of equity or potential equity shares outstanding increases as a result of a bonus issue or share split or decreases as a result of a reverse share split (consolidation of shares), the calculation of basic and diluted earnings per share should be adjusted for all the periods presented. If these changes occur after the balance sheet date but before the date on which the financial statements are approved by the board of directors, the per share calculations for those financial statements and any prior period financial statements presented should be based on the new number of shares. Accordingly the EPS has been calculated on number of shares after bonus issue made on 29 December 2023 for all reporting period.

2.14 Borrowing Cost

Interest and other borrowing costs attributable to qualifying assets are capitalized. A qualifying asset is an asset that necessarily requires a substantial period of time (generally over 12 months) to get ready for its intended use or sale. Other interest and borrowing costs are charged to statement of Profit & Loss.

2.15 Employee Benefits

(a) Short Term Employee Benefits:

All employee benefits payable wholly within 12 months of rendering service are classified as short term employee benefit. Benefits such as Salaries, Wages, performance incentives, expected cost of bonus, exgratia are recognised during the period in which employee renders related service.

(b) Post-employment Benefits:

Defined contribution plans: Company's contribution paid / payable during the year to employees state insurance scheme and Provident Fund are recognised during the period.

Defined benefit plans: For defined benefit schemes in the form of gratuity, the cost of providing benefits is determined using the Project Unit Credit Method, with actuarial valuations being carried out at each balance sheet date, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discounting rate used for determining the present value of the obligation under defined benefit plans, is based on the market yields on government securities as at the balance sheet date, having maturity periods approximately to the terms of related obligations.

Actuarial gains/losses are recognised in full in the statement of profit and loss, for the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested, and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligations recognised in the balance sheet represents that present value of the defined benefit obligation as adjusted for unrecognised past service cost.

(c) Termination benefits

Termination benefits are recognised as an expense in the period in which they are incurred.

2.16 Leases

A lease is classified at the inception date as finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease. The Company as a lessee:

(i) **Operating lease:** Rentals payable under operating leases are charged to the statement of profit and loss on a straight line basis over the term of the relevant lease.

(ii) **Finance leases:** Finance leases are capitalised at the commencement of lease, at the lower of the fair value of the property or the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation. Lease payments are apportioned between finance charges and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged directly against income over the period of the lease.

Notes to standalone financial statements (continued)

for the year ended 31 March 2025

2.17 Provisions, Contingent Liabilities, Contingent Assets and commitments

(a) Provisions:

Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are not discounted to its present value.

(b) Contingent Liabilities:

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

(c) Contingent Assets:

Contingent Assets are neither recognised nor disclosed in the financial statements

(d) Commitments:

Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets

2.18 Accounting for Taxes on Income

(a) Current tax

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the provisions of the Income-tax Act, 1961

Deferred tax assets and liabilities are recognised by computing the tax effect on timing differences which arise during the year and reverse in the subsequent periods. Deferred tax assets against unabsorbed depreciation and carried forward loss under tax laws, are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets on other timing differences are recognised only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.

(b) Current and Deferred tax is measured based on the provisions of tax laws and tax rates enacted or substantively enacted as at the Balance Sheet date.

2.19 Government Grants

The Company has received government grants related to revenue expenses, which are deducted from related revenue expenses for the year.

2.20 Cash and Cash Equivalents

Cash comprises cash on hand and demand deposits with banks

Cash equivalents are short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value

34.1 #Explanation for change in the ratios by more than 25%:

- (b) The Debt-Equity ratio has decreased, as Shareholders' fund has increased due to profits and issue of shares in the current year, further the debt is also reduced due to repayment of term loans and working capital loans remain in line with previous year. Accordingly, the gap between shareholders' fund and borrowings has increased which has reduced the debt-equity ratio.
- (d) The Return on Equity has decreased drastically as Company has issued new equity shares in the current year however the profit of the Company has not increased to that extent in the current year.
- (h) The Net Capital Turnover Ratio is decreased as during the year average net working capital has increased because Company has issued new shares through initial public offer and some part of that funds were used for working capital due to which the net working capital at the end of current period has increased drastically.
- (i) The Net Profit ratio is decreased as during the current year though the company has seen growth in its Net Sales but margins have reduced due to lower gross margins in current year.
- (j) The Return on Capital Employed has decreased as Company has issued new equity shares in the current year however the earnings before interest and tax of the Company has not increased to that extent in the current year.

Independent Auditor's Report on Audit of Consolidated Financial Statements

To
The Members of
Esprit Stones Limited
(Formerly known as Esprit Stones Private Limited)

Opinion

We have audited the accompanying consolidated financial statements of **Esprit Stones Limited (Formerly known as Esprit Stones Private Limited)** ("the Company") and its subsidiaries (the Company and its subsidiaries together referred to as the "Group"), which comprise the Consolidated Balance Sheet as at March 31, 2025, the Consolidated Statement of Profit, the Consolidated Statement of Cash Flows for the year then ended and notes to the Consolidated Financial Statement, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements, give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2025 and their consolidated profit and its consolidated cash flows for the year ended.

Basis of Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

In our opinion and to the best of our information and according to the explanations given to us, these consolidated financial results include the financial results of the following entity:

Name of Company	Holding Percentage
Haique Stones Private Limited	100%
Haique Stones Inc, USA	100%
Addwaya Chemicals Private Limited	51%

Emphasis of Matter

Refer Note No. – 37 regarding closure of manufacturing unit of Addwaya Chemicals Limited in which the Company holds 51% stake, the management of the subsidiaries has prepared the accounts on a going concern basis for the reasons as specified in the said note and no further adjustments have been made to consolidated financial statements.

Our opinion is not modified in respect of the above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

<u>The Key Audit Matter</u>	<u>How was the matter addressed in our audit</u>
<u>Revenue Recognition</u>	
Revenue is one of the key profit drivers. Cut-off is the key assertion insofar as revenue recognition is concerned, since an inappropriate cut-off can result in material misstatement of results for the year.	Our audit procedures with regard to revenue recognition included testing controls, around dispatches/ deliveries, inventory reconciliations and substantive testing for cut-offs and analytical review procedures.

Information other than the Financial Statements and Auditor's Report thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon. These reports are expected to be made available to us after the date of this audit report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. Since these reports are expected to be made available to us after the date of this audit report hence currently, we have nothing to report in this regard.

Management's and Board of Directors' Responsibilities for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the other accounting principles generally accepted in India. The respective Boards of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the consolidated financial statements, the respective Boards of Directors of the companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Boards of Directors either intend to liquidate their respective entities or to cease operations, or have no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the company and its subsidiaries company has adequate internal financial control with reference to financial statement in place and operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and its subsidiaries included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept by the Company so far as it appears from our examination of those books.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the books of accounts maintained for the purpose of preparation of the consolidated financial statements.
 - d) In our opinion, the aforesaid consolidated financial statements comply with the specified under Section 133 of the Act.

- e) On the basis of the written representations received from the directors of the Company as on March 31, 2025 taken on record by the Boards of Directors of the Company and the reports of the statutory auditors of its subsidiaries companies incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in “Annexure I” which is based on the auditors’ reports of the Company and its subsidiaries company incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls over financial reporting of those companies.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The Note 35 to the consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group.
 - ii. Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 35(k) of the Consolidated Financial Statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b) The management has represented, that, to the best of its knowledge and belief, as disclosed in Note 35(k) of the Consolidated Financial Statements, no funds have been received by the company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11 (e) as provided under (A) and (B) above contain any material misstatement.
- v. Based on our examination which included test checks, the company and subsidiaries have used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with and audit trail has been preserved by the company as per statutory requirements.

Annexure I to the Independent Auditors' Report on the Consolidated Financial Statements

Referred to in paragraph 1(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the members of Esprit Stones Limited (Formerly known as Esprit Stones Private Limited)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated Financial Statements of the Company as of and for the year ended March 31, 2025, we have audited the internal financial controls over financial reporting **Esprit Stones Limited (Formerly known as Esprit Stones Private Limited)** ("the Company") and its subsidiaries company, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Boards of Directors of the Company and its subsidiaries company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its subsidiaries company, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI") and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company and its subsidiaries companies, which are companies incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- 1) Pertain to the maintenance of records that, in reasonable details, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- 3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company and its subsidiaries companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the criteria for internal financial control over financial reporting established by the respective companies considering the essential components of internal control state in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

The Company got itself listed on the SME platform of National Stock Exchange (NSE-Emerge) in the financial year 2024-25.

2 Material accounting policies

2.1 Preparation of Consolidated Financial Statements

I) Basis of Preparation of Consolidated Financial Statements

These consolidated financial statements are prepared under the historical cost convention on accrual basis to comply in all material aspects and in accordance with Indian Generally Accepted Accounting Principles (GAAP), which comprises of mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified). The accounting policies have been consistently applied by the Company unless otherwise stated.

II) Principles and details of consolidation

The consolidated financial statements relate to Esprit Stones Private Limited ('the Company') and its subsidiary companies namely:

- (i) Haique Stones Private Limited (100% Wholly Owned Subsidiary)
- (ii) Addwaya Chemicals Private Limited (51% is held by the Company)
- (iii) Haique Stones Inc. (100% Wholly Owned Subsidiary)

The consolidated financial statements have been prepared on the following basis:

- a) The financial statements of the Company and its subsidiary companies are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions in accordance with Accounting Standard (AS) 21 - "Consolidated Financial Statements".
- b) The difference between the cost of investment in the subsidiary, over the net assets at the time of acquisition of shares in the subsidiary is recognised in the financial statements as Goodwill or Capital Reserve, as the case may be.
- c) The difference between the proceeds from disposal of investment in subsidiary and the carrying amount of its assets less liabilities as of the date of disposal is recognised in the consolidated Profit and Loss Statement being the profit or loss on disposal of investment in subsidiary.
- d) Minority Interest's share of net assets of consolidated subsidiary is identified and presented in the consolidated balance sheet separate from liabilities and the equity of the Company's shareholders.
- e) The Company accounts for its share of post-acquisition changes in net assets of associates, after eliminating unrealised profits and losses resulting from transactions between the Company and its associates to the extent of its share, through its Consolidated Profit and Loss Statement, to the extent such change is attributable to the associates' Profit and Loss Statement and through its reserves for the balance based on available information.
- f) As far as possible, the consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Company's separate financial statements.
- g) The books of accounts of foreign subsidiaries are in US Dollars however for preparation of the financials in Indian Rupees (INR), Accounting Standard (AS) 11 - "The Effects of Changes in Foreign Exchange Rates" as issued by Institute of Chartered Accounts of India has been followed. Accordingly, translation is done as a) The items of income and expenditure are translated at Average exchange rate of INR 82.7875 per USD except Intra-group transactions. b) The assets and liabilities are translated at closing exchange rates. c) Intra-group transactions and balances are translated at the conversion rates being used by Foreign Companies to facilitate elimination for preparation of consolidated financial statements. The resulting exchange difference is accumulated in the Foreign Currency Translation Reserve and is shown under Reserves and Surplus.
- h) there were no material amounts which have been adjusted for, in arriving at profit / loss of the respective periods; and

III) Other material accounting policies

These are set out under "Material accounting Policies" as given in the Company's separate financial statements.

Notes to consolidated financial statements (continued)

for the year ended 31 March 2025

Currency : in Lakhs INR (₹)

2.2 Use of Estimates

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of the financial statements. The examples of such estimates include, the useful life of tangible and intangible fixed assets, allowances for doubtful debts / advances, future obligations in respect of retirement benefit plans etc. Actual results may differ from the estimates and assumptions and in such case, the difference is recognised in the period in which the results are known.

2.3 Revenue Recognition

- (a) The Group recognises revenues on the sale of products, net of discounts, when the products are dispatched / delivered to the customer/ dealer or when delivered to the carrier for export sales, which is when risks and rewards of ownership pass to the customer/ dealer.
- (b) Revenue is recognized when it is earned and no significant uncertainty exists as to its realization or collection.
- (c) Interest is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.
- (d) Dividend income is recognized when the company's right to receive dividend is established.
- (e) Export entitlements under the duty remission scheme are recognized as income on accrual basis

2.4 Recognition of Expenditure

Expenses are accounted for on an accrual basis and provision is made for all known losses and liabilities.

2.5 Property plant and equipments

- (a) Tangible fixed assets are stated at cost less accumulated depreciation and impairment loss, if any.
- (b) The cost of Fixed Asset comprises its purchase price including non-refundable taxes & duties and directly attributable cost of bringing the asset (including leasehold improvements) to its working condition for its intended use. Subsequent upgradation / enhancements which results in an increase in the future benefits from such assets, beyond the previously assessed standard of performance, are also capitalised. Machinery spares which can be used only in connection with an item of tangible assets and whose use is not regular nature are written off over the estimated useful life of relevant assets.
- (c) All costs, including borrowing costs till commencement of commercial production, attributable to fixed assets are capitalized.
- (d) The depreciation has been charged as per below useful life:

Asset Name	Useful life
Buildings	05 to 30 years
Solar plants	15 years
Plant and machinery	15 years
Electrical installations	10 years
Furniture and fixtures	10 years
Office equipments	5 years
Lab equipments	10 years
Vehicles	8 years
Computers	3 to 6 years

2.6 Intangible Assets and amortization

Intangible assets are stated at cost less accumulated amortization. Intangible assets are amortized on a straight line basis over their estimated useful life of 3 years

2.7 Impairment of Assets

The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal / external factors. An asset is impaired when the carrying amount of the asset exceeds the recoverable amount. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. An impairment loss recognized in prior accounting periods is reversed if there has been change in the estimate of the recoverable amount.

2.8 Capital Work-in-Progress

Capital work-in-progress comprises cost of fixed assets that are not yet ready for their intended use at the balance sheet date.

2.9 Depreciation and amortization

(a) Owned assets

- (i) Depreciation on fixed assets is provided on straight line method, at the rates and in the manner prescribed in Schedule II to the Companies Act, 2013. In case of plant and machinery used for double or triple shift, depreciation is increased to 150% and 200% of normal depreciation respectively.
- (ii) Significant components of assets having a life shorter than the main asset, if any is depreciated over the shorter life.

(b) Leased assets:

- (i). Leasehold lands are amortised over the period of lease.
- (ii). Buildings constructed on leasehold land are depreciated based on the useful life specified in Schedule II to the Companies Act, 2013, where the lease period is beyond the life of the building.
- (iii). In other cases, buildings constructed on leasehold lands are amortized over the primary lease period of the lands.

2.10 Investments

Current investments that are readily realisable and are intended to be held for not more than one year from the date on which such investments are made, are carried at lower of cost and quoted / fair value, computed category wise. Long Term Investments are stated at cost. However, provision for diminution in the value of long term investments is made only if such a decline is other than temporary.

2.11 Inventories

Inventories are valued at the lower of cost and net realizable value. Obsolete, slow moving and defective inventories are identified at the time of physical verification and necessary provision is made for such inventories. The cost is determined using the weighted average cost method for all categories of inventories. Cost includes in case of Raw materials, Stores & spares, Packing material and consumables the purchase price and attributable direct cost less discounts. In case of Work-in-Progress and finished goods cost includes direct labour, material costs and production overheads

2.12 Foreign Currency Transactions

- (a) Transactions denominated in foreign currencies are normally recorded on the initial recognition in the reported currency using the exchange rates prevailing on the date of transaction.
- (b) Monetary assets & liabilities denominated in foreign currencies are restated at the appropriate rates of exchange prevailing on the date of Balance Sheet. Resultant gain or loss is accounted in the period in which they arise
- (c) Any income or expense on account of exchange difference either on settlement or on translation of monetary items are recognized in the Statement of Profit and Loss for the period in which they arise
- (d) In respect of Forward Exchange contracts entered into to hedge foreign currency risks, the difference between the forward rate and exchange rate at the inception of the contract is recognized as income or expense over the life of the contract. Further, the exchange differences arising on such contracts are recognized as income or expense along with the exchange differences on the underlying assets / liabilities. Further, in case of other contracts with committed exchange rates, the underlying is accounted at the rate so committed. Profit or loss on cancellations / renewals of forward contracts is recognized during the year. In case of option contracts, the losses are accounted on mark to market basis.

2.13 Earning Per Share

Basic earnings per share is calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

As per Accounting Standard -20 on Earning Per Share, If the number of equity or potential equity shares outstanding increases as a result of a bonus issue or share split or decreases as a result of a reverse share split (consolidation of shares), the calculation of basic and diluted earnings per share should be adjusted for all the periods presented. If these changes occur after the balance sheet date but before the date on which the financial statements are approved by the board of directors, the per share calculations for those financial statements and any prior period financial statements presented should be based on the new number of shares. Accordingly the EPS has been calculated on number of shares after bonus issue made on 29 December 2023 for all reporting period.

2.14 Borrowing Cost

Interest and other borrowing costs attributable to qualifying assets are capitalized. A qualifying asset is an asset that necessarily requires a substantial period of time (generally over 12 months) to get ready for its intended use or sale. Other interest and borrowing costs are charged to statement of Profit & Loss.

2.15 Employee Benefits

(a) Short Term Employee Benefits:

All employee benefits payable wholly within 12 months of rendering service are classified as short term employee benefit. Benefits such as Salaries, Wages, performance incentives, expected cost of bonus, exgratia are recognised during the period in which employee renders related service.

(b) Post-employment Benefits:

Defined contribution plans: Group's contribution paid / payable during the year to employees state insurance scheme, Provident Fund and Labour welfare fund are recognised during the period.

Defined benefit plans: For defined benefit schemes in the form of gratuity, the cost of providing benefits is determined using the Project Unit Credit Method, with actuarial valuations being carried out at each balance sheet date, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discounting rate used for determining the present value of the obligation under defined benefit plans, is based on the market yields on government securities as at the balance sheet date, having maturity periods approximately to the terms of related obligations.

Actuarial gains/losses are recognised in full in the statement of profit and loss, for the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested, and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligations recognised in the balance sheet represents that present value of the defined benefit obligation as adjusted for unrecognised past service cost

(c) Termination benefits

Termination benefits are recognised as an expense in the period in which they are incurred.

2.16 Leases

A lease is classified at the inception date as finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Group is classified as a finance lease. The Group as a lessee:

(i) Operating lease: Rentals payable under operating leases are charged to the statement of profit and loss on a straight line basis over the term of the relevant lease.

(ii) Finance leases: Finance leases are capitalised at the commencement of lease, at the lower of the fair value of the property or the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation. Lease payments are apportioned between finance charges and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged directly against income over the period of the lease.

2.17 Provisions, Contingent Liabilities, Contingent Assets and commitments

(a) Provisions:

Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are not discounted to its present value.

(b) Contingent Liabilities:

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

(c) Contingent Assets:

Contingent Assets are neither recognised nor disclosed in the financial statements

(d) Commitments:

Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets

2.18 Accounting for Taxes on Income

(a) Current tax

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the provisions of the Income-tax Act, 1961 and Delaware and US Federal for foreign subsidiaries.

(b) Deferred Tax

Deferred tax assets and liabilities are recognised by computing the tax effect on timing differences which arise during the year and reverse in the subsequent periods. Deferred tax assets against unabsorbed depreciation and carried forward loss under tax laws, are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets on other timing differences are recognised only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.

(c) Current and Deferred tax is measured based on the provisions of tax laws and tax rates enacted or substantively enacted as at the Balance Sheet date.

2.19 Segment reporting

Each of the reportable segments derives its revenues from the main products and hence these have been identified as reportable segments by the management of the group. Segment revenue, result, assets and liabilities include the respective amounts identifiable to each of the segments and amount allocated on a reasonable basis. Unallocated expenditure consists of common expenditure incurred for all the segments and expenses incurred at corporate level. The assets and liabilities that cannot be allocated between the segments are shown as unallocated corporate assets and unallocated corporate liabilities respectively.

2.20 Government Grants

The Group has received government grants related to revenue expenses, which are deducted from related revenue expenses for the year.

2.21 Cash and Cash Equivalents

Cash comprises cash on hand and demand deposits with banks

Cash equivalents are short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value

a1 The Company has received orders dated 30 October 2023 from Central Goods and Service Tax (CGST) Department, Udaipur for the wrong availment of Input tax credit amounting INR 181.44 lakhs for financial year 2018-19, 2019-20 and 2020-21 plus an equal amount of penalty. The Company has filed appeal against these order with the Honorable Appellate Authority CGST, Jodhpur on 25 January 2024. The Company has received the final order from the authority dated 09 October 2024 in favour of the Company.

a2 The Company has received multiple orders from the Goods and Service Tax (SGST) Department for excess input-tax credit availed and/ or tax liability including interest and others. The Company has filed appeals in some cases and is in process of filing the appeal against other cases with the Honorable Appellate Authority. The management believes that basis of ground of appeals, and the chances of quashing the order are higher than confirmation of order by the Honorable Appellate Authority, accordingly, no liability has been provided.

(iv) Custom duties on import of quartz surfaces in the USA

The Company's subsidiary imports Quartz Surfaces in the United States of America (USA) from India. In the USA, the Quartz Surfaces from India is currently being imported under Anti-dumping duty (ADD) and Countervailing Duty (CVD) deposits. Further, based on the application from Importers and Exporters, The U.S. Department of Commerce (US-DOC) conducts an yearly Administrative Review (AR) of the ADD and CVD order on import of quartz surface products from India.

During the period of these financial statements the applicable CVD deposit rates were from 1.57% to 2.17% and ADD deposit rates were from 1.02% to 3.17% on import of quartz surfaces from India. Subsequently, w.e.f 20 November 2023, the ADD for import of quartz surfaces from few of the exporters in the USA from India was reduced to Nil/ Zero including Esprit Stones Private Limited. Further, below is the status of Administrative Review (AR) of the ADD and CVD order on import of quartz surface products from India in the USA:

Countervailing Duty (CVD) on import of quartz surfaces from India

34.2 *Explanation for change in the ratios by more than 25%:

- The **Current ratio** has increased in the current year as the Company has raised funds through Initial Public Offer in current year and utilised part amount of it in its working capital requirement due to which current liabilities are reduced.
- The **Debt-Equity ratio** has decreased, as Shareholders' fund has increased due to profits and issue of shares in the current year, further the debt is also reduced due to repayment of term loans and working capital loans remain in line with previous year. Accordingly, the gap between shareholders' fund and borrowings has increased which has reduced the debt-equity ratio.
- The **Debt Service Coverage Ratio** has decreased, as during the current year, the group has preclosed one of its term loan from proceeds from issue of share capital through Initial Public Offer. Hence the repayment of principal is much higher in current year and accordingly the ratio is very low for current year and decreased as compare to previous year.
- The **Net Capital Turnover Ratio** is decreased as during the year average net working capital has increased because Company has issued new shares through initial public offer and some part of that funds were used for working capital due to which the net working capital at the end of current period has increased drastically.
- The **Net Profit ratio** is increased as net profit is increased due to decrease in the finance cost for current year. Further, The Company has achieved growth in its revenue as compare to last year.
