MANAGEMENT DISCUSSION AND ANALYSIS

A. Indian Economic Overview:

The results of growth-enhancing policies and schemes (such as the production-linked incentive program and the Government's continued push toward self-reliance), along with strong infrastructure spending, have begun to yield visible outcomes in FY 2024-25. These measures supported higher multiplier effects on jobs and income, improved productivity, and greater efficiency across sectors, leading to sustained economic expansion. In addition, spillover benefits from shifting global supply chains and geopolitical realignments strengthened India's position as a preferred alternate investment destination. According to the Reserve Bank of India (RBI), the economy grew by **6.5% in FY 2024-25**, in line with earlier projections. Inflation eased significantly during the year, with the average **CPI inflation falling to around 3-3.5%**, well below the RBI's 4% target, helped by a moderation in food and commodity prices. The fiscal deficit narrowed to **4.8% of GDP**, creating space for continued public investment. With inflation under control and growth momentum holding steady, FY 2024-25 marked a year of relative macro-stability, even as the Government and the RBI carefully balanced global headwinds, domestic consumption challenges, and fiscal discipline.

B. Outlook:

In the last decade, India has been one of the fastest-growing economies, with annual growth rate averaging 7-8%. The increase in GDP can be attributed to a variety of reasons, including favorable demographics, influx of investment capital and technological efficiency and productivity gains. As the new financial year begins, there is greater uncertainty on this question, not just because of difference in assessment of the economic situation at hand but also due to the ongoing geopolitical crisis which is fuelling a surge in global commodity prices, especially crude oil.

C. Industry structure and development:

The Indian gems and jewellery industry is one of the largest in the world, contributing significantly to the country's GDP and foreign exchange earnings. It plays a vital role in employment generation and exports. With changing consumer preferences, increasing disposable incomes, and rising awareness of branded jewellery, the sector is witnessing steady growth. Government initiatives such as hallmarking regulations, mandatory BIS certification, and support for exports through SEZs are driving transparency and credibility in the sector.

D. Opportunities and Threats:

Opportunities:

- Growing demand for branded and hallmarked jewellery.
- Increasing penetration of organized retail and e-commerce in jewellery sales.
- Strong domestic demand driven by weddings, festivals, and cultural significance.
- Global demand for Indian cut and polished diamonds, coloured stones, and gold jewellery.

Threats:

- Volatility in gold and diamond prices impacting margins.
- Stringent regulatory compliances and GST implications.
- Exchange rate fluctuations affecting exports.
- Stiff competition from unorganized players and international brands.

E. Risks and concerns:

- Fluctuations in precious metal prices may impact profitability.
- Regulatory changes relating to hallmarking, import duties, and anti-money laundering laws.
- Global economic uncertainties and geopolitical tensions affecting export demand.
- Competition from international brands and imitation jewellery.

F. Internal control systems and their adequacy:

The Company has in place an adequate internal control system commensurate with its size and nature of operations. These systems ensure reliable financial reporting, compliance with applicable laws, safeguarding of assets, and efficient conduct of business. The internal audit team regularly reviews key control areas, and significant observations are presented to the Audit Committee.

G. Human Resources / Industrial Relations

The Company recognizes human resources as its most valuable asset. Continuous training, skill enhancement programs, and employee engagement initiatives are undertaken to improve productivity and motivation. Industrial relations during the year remained cordial and constructive.

H. KEY RATIOS:

The Key ratios are already mentioned in the financial statements of the Company.

INDEPENDENT AUDITOR'S REPORT

To,
The Members,
KABRA JEWELS LIMITED
Ahmedabad

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS:

OPINION:

We have audited the accompanying financial statements of **KABRA JEWELS LIMITED**, (“the Company”) which comprise the Balance Sheet as at March 31, 2025 and the Statement of Profit and Loss and Cash Flow Statement for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (‘Act’) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India specified in section 133 of Companies Act, 2013, of the state of affairs of the Company as at March 31, 2025, its profit and cash flows for the year ended on that date.

BASIS FOR OPINION:

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor’s responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the

provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KEY AUDIT MATTERS:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined no matter to be key audit matters for the year which are required to be communicated in our report.

INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITORS' REPORT THEREON:

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS:

The Company's Board of Directors is responsible for the matters in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of

adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors is also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS:

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE “B” TO THE INDEPENDENT AUDITORS’ REPORT
[REFERRED TO IN PARAGRAPH 2(f) UNDER “REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS
SECTION OF OUR REPORT OF EVEN DATE]
PERIOD ENDED 31st MARCH 2025

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **KABRA JEWELS LIMITED (the Company)** as of March 31, 2025 in conjunction with our audit of the financial statements of the company for the period ended on that date.

Management’s Responsibility for Internal Financial Controls

The management of the company is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the information and explanations given to us, the company has, in all material respects, an adequate internal financial controls system over

financial reporting except the financial management relating to proceeds from cash sales, maintaining and preserving appropriate Audit Trail records and such internal financial controls over financial reporting were commensurate with the nature of the business of the company and operating effectively as at March 31, 2025, based on “the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.
