# Strength with Resilience

## Engineering India's Arteries. Building Its Future.

At Pratham EPC Projects Limited, our story is one of grit, growth, and grounded excellence. From humble beginnings to becoming a listed public entity, we have evolved into a backbone of India's pipeline infrastructure. We build the unseen but essential arteries that power industry, irrigate farmlands, and deliver energy to homes and factories across the nation.

Our strength lies in unmatched execution, domain specialization, and our capacity to deliver integrated EPC solutions across oil & gas, water, and industrial infrastructure. Our resilience comes from a culture of accountability, safety, and a relentless pursuit of quality—even in the most challenging environments. When the economy needs flow--be it energy, water, or structural development—it flows through the infrastructure that Pratham engineers.

# Nation Building Through Engineering

We believe that engineering excellence is a patriotic act—one that shapes the destiny of a developing nation brick by brick, pipeline by pipeline. By executing large-scale, mission-critical projects across the expanse of India—from urban corridors to remote rural belts—we catalyze national infrastructure programs and energize private industrial growth. Every structure we raise and every pipeline we lay echoes our commitment to empowering the Indian economy from its very foundation.

## Execution Highlights

- Rs.131.84 Cr worth of strategic projects executed for GAIL, SunPetro, Gujarat Gas, Sabarmati Gas, and BPCL-Adani.
- Rs.296 Cr+ in ongoing EPC orders across multiple verticals and geographies.
- Rs.497 Cr—our largest single project till date from SunPetro—secured and under rapid execution.

Whether urban gas pipelines, high-pressure petroleum infrastructure, or complex horizontal drilling, Pratham EPC delivers at scale, with speed and safety.

# Our Vision

---

**To be a leading force in transforming India's infrastructure landscape by delivering innovative, sustainable, and reliable engineering solutions across the oil, gas, and water sectors – contributing to national growth and global energy transition.**

## Our Mission

---

**At Pratham EPC Projects Limited, our mission is to deliver end-to-end construction excellence through cutting-edge technology, ethical practices, and a customer-first approach. We strive to exceed client expectations by ensuring quality, safety, and timely execution across every project, while empowering communities and fostering a culture of continuous improvement and sustainable development.**

# What Makes Us Different?

## » Execution at Scale and Speed:

We don't just meet deadlines—we redefine them. Our horizontal drilling, high-volume pipeline laying, and integrated civil-mechanical-electrical project capabilities allow us to achieve execution speeds well beyond industry averages.

## » Digital-Ready, Safety-First:

We integrate digital tools for project monitoring and adhere to rigorous ISO-certified safety systems. Our project sites are governed by real-time controls, predictive maintenance, and 100% adherence to compliance protocols.

## » Built on Trust and Precision

With skilled professionals, a network of trusted suppliers, and proven partnerships with India's top gas and petrochemical firms, we deliver with precision and transparency.

# **Beyond Infrastructure: A Purpose Led Organisation**

## » People First

We invest in our people through training, safety awareness, and skill certification. Every project is an opportunity to empower not just our employees, but the local communities where we work.

## » Planet Focused

Our environmental commitment goes beyond compliance. We adopt construction practices that aim to reduce ecological disruption, optimize resource use, and promote long-term sustainability. By maintaining responsible site operations, minimizing land disturbance, and prioritizing environmentally sensitive solutions, we contribute to building a greener and more resilient infrastructure network.

## » Communities Uplifted

True progress begins at our doorstep. At Pratham, we are committed to creating positive change in the communities where we have a meaningful presence. Our CSR efforts are rooted in compassion and responsibility—focusing on the well-being of local communities through meaningful initiatives in education, healthcare, environment, and livelihood. By staying connected to those around us, we strive to create impact that is lasting and impactful.

# Strategic Outlook

**With the Indian government's continued focus on energy security, water infrastructure, and urban development, the demand for reliable EPC execution partners is set to surge.**

**Pratham EPC Projects Limited is well positioned to:**

- Expand into newer markets and states
- Integrate AI-driven execution monitoring
- Grow margins through better capital utilization
- Partner with global EPC leaders on mega projects

## A Landmark Achievement - Forging New Frontiers

We are proud to share a pivotal milestone in Pratham's growth story: the successful incorporation of our first international wholly owned subsidiary — Pratham International Contracting LLC – OPC — in the United Arab Emirates.

This marks the beginning of our strategic foray into international markets, with the UAE serving as our operational gateway to the wider Middle East. As part of this breakthrough, we have secured a marquee project valued at USD 19.75 million, currently being executed with the expertise of over 250 professionals deployed on ground.

While our roots remain firmly in India, this expansion signals our readiness to deliver excellence across borders. Looking ahead, we aim to explore opportunities across Dubai, Saudi Arabia, and the broader MENA region—leveraging our proven capabilities to build sustainable infrastructure on a global scale.

This step represents more than just geographic expansion—it reflects our long-term vision of becoming a respected international EPC player, driven by quality, trust, and execution strength.

With the continued support of our partners, investors, and team, we are confident in our ability to create lasting value and set new benchmarks—regionally and globally.

## **Closing Note:**

**From the first weld to the final valve, every connection we create sets development in motion. At Pratham, we don't just lay infrastructure—we lay the groundwork for India's progress.**

**We are not just executing projects. We are building India's future, one artery at a time.**

**Pratham EPC Projects Limited**

**Where infrastructure begins. And the nation grows.**

## Looking Ahead: A Message from the Chairman

As we step into the next phase of our growth journey, I am filled with immense pride and optimism about the future of Pratham EPC Projects Limited. The past year has been marked by strategic milestones and project triumphs that reinforce our leadership in the infrastructure sector.

In April 2024, we were awarded a major EPC contract valued at ₹497 crores by Sun Petro Chemicals, reflecting a ~25% uplift over our previous order book. This landmark win includes the engineering and construction of onshore/offshore crude oil pipelines in the Gulf of Khambhat and multiple fields across Gujarat, to be executed over a 36-month timeline.

Throughout the FY 2023–24 and FY 2024–25, we continued our growth trajectory with a portfolio of eight major ongoing projects worth ₹296.66 crores, spanning sectors such as oil & gas, industrial utilities, and water transmission. Seven of these projects are currently under execution with confirmed purchase orders in place, affirming our delivery momentum and execution reliability.

In June 2025, we achieved another strategic milestone with the incorporation of Pratham International Contracting LLC–OPC, our wholly owned subsidiary in Abu Dhabi, UAE. This initiative marks our official entry into the Middle East—a region rich in opportunities across the energy and infrastructure landscape. This subsidiary is empowered to initiate project execution with financial resilience and operational readiness from day one.

This expansion is more than geographic—it represents a strategic transformation. Our UAE base will act as a springboard for deeper engagement in the GCC, leveraging our capabilities honed in India to address evolving demands across borders. We are firmly committed to evolving as a globally relevant EPC enterprise—technically sound, operationally excellent, and globally agile.

**In line with national infrastructure goals and global sustainability trends, we continue to invest in smarter solutions, digital tools, and greener practices. Our “safety-first” philosophy, coupled with a strong performance mindset, is what keeps us at the forefront of EPC execution in the country and now on the global stage.**

**With revenues growing at a CAGR of 28% over the past three years, and an unexecuted order book that offers clear visibility for the next 24–30 months, we stand on solid financial and operational ground.**

**“We don’t just build pipelines and plants—we build pathways for progress, purpose, and prosperity.”**

**Thank you for your continued support. Let’s build the future—together.**

## EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

### Item No. 3

#### **Ratification of the purchase of machinery from IPO proceeds and its subsequent sale to the Wholly Owned Subsidiary (WOS)**

Pursuant to the objects outlined in the Prospectus at the time of the Company's Initial Public Offering (IPO), certain machinery was procured using IPO proceeds to support the Company's operational growth and expansion.

Subsequent to the IPO, the Company identified a strategic opportunity to expand its footprint in the United Arab Emirates (UAE) and accordingly incorporated a Wholly Owned Subsidiary (WOS) to pursue business in the international market. Shortly after its incorporation, the WOS secured its first significant project in the UAE, which required immediate deployment of specific machinery. The availability of this machinery was critical to meet the timelines stipulated by the local authorities, who were strict about timely commencement of operations.

In view of this requirement, the Company evaluated various alternatives to support its WOS:

- Procuring equivalent machinery in the UAE was found to be cost-prohibitive, with prices higher than in India.
- Renting such equipment locally was also financially unviable due to high leasing costs, especially for a newly established entity like the WOS, which was in its initial phase of operations.

Accordingly, the Company decided to lease the machinery to the WOS. However, as per the provisions of the Foreign Exchange Management Act (FEMA), 1999, entering into a long-term rental agreement with a foreign entity (including a WOS) requires prior approval from the Reserve Bank of India (RBI).

The Company initially intended to lease the machinery to its WOS; however, while the machinery was still awaiting clearance at the port, the Company learnt that, under the provisions of the Foreign Exchange Management Act (FEMA), 1999, a long-term lease arrangement with a foreign entity — including a wholly owned subsidiary — requires prior approval from the Reserve Bank of India (RBI). This regulatory requirement, coupled with ongoing delays in customs clearance, placed the Company in a position where the machinery remained idle for a prolonged period. Simultaneously, the WOS was under increasing pressure from local authorities in the UAE to begin execution of its project within a strict timeline.

Given the urgent operational needs of the WOS and the risk of losing a strategic project opportunity, the Board of Directors, after careful consideration of all legal, commercial, and financial factors, resolved to sell the machinery to the WOS. This decision was taken to:

- Avoid disruption in the WOS's operations and secure timely project execution;
- Avoid unnecessary financial burden on the WOS;
- Protect and advance the long-term interests of the Company and its shareholders.

It is further noted that since the WOS is a 100% subsidiary, the machinery continues to remain within the broader corporate group, thereby safeguarding the Company's economic interest in the asset.

In line with the principles of transparency, accountability, and good corporate governance, and in compliance with the applicable provisions of the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the company has already made disclosures to the stock exchanges and the public at large. However, the Board recommends that the said transaction be placed before the members for their ratification.

The Board of Directors recommends passing the resolution set out in Item No. 3 as an Ordinary Resolution.

None of the Directors, Key Managerial Personnel (KMP), or their relatives is in any way concerned or interested, financially or otherwise, in this resolution, except to the extent of their shareholding in the Company or the WOS.

# PRATHAM EPC PROJECTS LIMITED

## **Item No. 4 – Authority to borrow money in excess of paid-up share capital and free reserves under Section 180(1)(c) of the Companies Act, 2013**

Pursuant to Section 180(1)(c) of the Companies Act, 2013, the Board of Directors of a company is required to obtain prior approval of the shareholders by way of a special resolution to borrow money, where the amount to be borrowed (together with the money already borrowed, excluding temporary loans obtained from the company's bankers in the ordinary course of business) exceeds the aggregate of the paid-up share capital, free reserves, and securities premium of the company.

The shareholders had earlier granted approval for borrowing up to ₹400 crores vide special resolution dated 09<sup>th</sup> September, 2023. However, in light of the Company's growing business operations, expansion plans, and increasing capital requirements, the existing borrowing limit is no longer adequate. It is, therefore, proposed to authorize the Board of Directors to borrow money, from time to time, for the purposes of business, notwithstanding that the aggregate borrowings may exceed the limits prescribed under Section 180(1)(c), provided that such borrowings shall not exceed ₹1,000 crores (Rupees One Thousand Crores only) at any point in time.

Pursuant to Section 180(1)(c) of the Companies Act, 2013, the Board of Directors of a company is required to obtain prior approval of the shareholders by way of a special resolution to borrow money exceeding the previous limit of Rs. 400 crores, and therefore the board proposes this resolution for members approval.

None of the Directors, Key Managerial Personnel (KMP), or their relatives is in any way concerned or interested, financially or otherwise, in this resolution.

## **Item No. 5 – Authority to sell, lease, mortgage or otherwise dispose of the whole or substantially the whole of the undertaking(s) of the Company.**

Pursuant to Section 180(1)(a) of the Companies Act, 2013, the Board of Directors had previously obtained the approval of the shareholders by way of a special resolution dated 09<sup>th</sup> September, 2023 to sell, lease, mortgage, hypothecate, or otherwise dispose of the whole or substantially the whole of the undertaking(s) of the Company, subject to a limit not exceeding ₹400 crores.

In light of the Company's ongoing operational and strategic requirements, it may become necessary to create charges, mortgages, or other encumbrances on the Company's movable and/or immovable properties, both present and future, or the whole or substantially the whole of its undertaking(s), to secure borrowings not exceeding ₹1,000 crores (Rupees One Thousand Crores only), as proposed under the special resolution in Item No. 4 above, in accordance with Section 180(1)(c) of the Companies Act, 2013.

To allow the Company to manage its assets efficiently and have the flexibility to take business decisions, the Board is seeking approval from the shareholders through a special resolution under Section 180(1)(a) of the Companies Act, 2013.

The Board of Directors accordingly recommends the passing of the special resolutions under Item No. 5.

None of the Directors, Key Managerial Personnel (KMP), or their relatives is concerned or interested, financially or otherwise, in the said resolutions.

## **Item No. 6 – Application of Preferential Issue Proceeds**

The members of the Company had approved the preferential issue of 4,52,489 equity shares amounting to ₹10,00,00,069 (Rupees Ten Crore and Sixty-Nine only), with the object of raising funds for to finance the working capital requirements of the Company and for general corporate purposes.

The Board of Directors has reviewed the ongoing business requirements and future expansion plans. In order to achieve greater operational flexibility, the Board is of the view that it would be in the best interest of the Company to also utilise a part of the said proceeds towards investment in, loan to, or business expansion of the Company's subsidiary(ies), including its wholly-owned subsidiary(ies) in India or abroad, in view of the ongoing and upcoming projects being undertaken by such subsidiary companies.

Although the applicable regulations do not mandate specific shareholder approval for such utilisation in case of a preferential issue by an SME listed entity, the Board of Directors considers it prudent to seek the consent of the members of the Company to include the above purpose, in addition to the purposes already approved earlier, as a matter of good corporate governance and to ensure complete transparency in utilisation of issue proceeds.

# PRATHAM EPC PROJECTS LIMITED

---

The Board recommends the resolution set out in the accompanying Notice for approval of the members as an Ordinary Resolution.

None of the Directors, Key Managerial Personnel (KMP) of the Company, or their relatives are in any way, financially or otherwise, concerned or interested in the resolution, except to the extent of their shareholding in the Company, if any.

**Item No. 7 – Approval of loans, guarantees or securities under sections 185 and 186 of the Companies Act, 2013**

The members of the Company had earlier approved limits under Sections 185 and 186 of the Companies Act, 2013 for making loans, providing guarantees and offering securities up to ₹200 Crores dated 09<sup>th</sup> September, 2023.

In view of the Company's business expansion plans, including the utilisation of preferential issue proceeds for the purpose of investment in, loan to, or business expansion of its wholly owned subsidiary(ies) in India or abroad, the existing limit of ₹200 Crores is proposed to be enhanced to ₹400 Crores.

This increase will enable the Company to provide financial support to its subsidiary(ies), associate companies or group entities, whenever required, and to meet ongoing and upcoming project requirements, including the Company's wholly owned subsidiary in the UAE. The enhancement of this limit will provide greater operational and financial flexibility to the Board of Directors in deploying funds for the growth of the Company and its group.

Accordingly, approval of the members is sought, by way of Special Resolution, to authorise the Board of Directors to give loans, provide guarantees, and/or offer securities in connection with loans taken by subsidiary(ies), associate companies or other entities in which Directors may be interested, up to an aggregate outstanding amount not exceeding ₹400 Crores at any point in time.

The Board recommends the Special Resolution set out in the accompanying Notice for approval of the members.

None of the Directors, Key Managerial Personnel of the Company, or their relatives are in any way, financially or otherwise, concerned or interested in this resolution, except to the extent of their shareholding in the Company, if any.

## NOTES

1. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013, in respect of the Special Businesses set out in the Notice is annexed hereto.
2. **A shareholder/member entitled to attend and vote at the Annual General Meeting (AGM) is also entitled to appoint a proxy to attend and vote instead of himself/herself. A proxy need not be a shareholder/member of the Company.** The instrument appointing the proxy, in order to be effective, must be deposited at the Registered Office of the Company duly completed and signed, not less than **48 hours before the commencement of the AGM**.

A person can act as a proxy on behalf of members not exceeding **50 (fifty) in number and holding in aggregate not more than 10% of the total share capital of the Company**. In case a member holds more than 10% of the total share capital of the Company, a single person can be appointed as proxy and such person shall not act as proxy for any other person or shareholder. The instrument appointing the proxy shall be signed by the appointer or his/her attorney duly authorised in writing, or if the appointer is a body corporate, it shall be under its seal or signed by an officer or attorney duly authorised. A proxy form is annexed at the end of this Annual Report.

Shareholders/Members/Proxies/Authorised Representatives are requested to bring their copies of the Annual Report and the attendance slips sent herewith to attend the AGM, as **no extra copies will be provided at the venue**. Members are further requested to quote their Folio Numbers / DP ID - Client ID in all correspondence with the Company.
3. The Register of Members and Share Transfer Books of the Company will remain closed from **24/09/2025 to 30/09/2025 (both days inclusive)** for the purpose of AGM and determining entitlement of dividend, if declared.
4. **Institutional/Corporate members** intending to appoint their authorised representative(s) to attend the meeting are requested to send to the Company and to the Scrutinizer a certified copy of the Board Resolution authorising such representative(s) under Section 113 of the Companies Act, 2013, together with their specimen signature(s).
5. In case of Joint holders attending the meeting, only such joint holders who are first holders/ higher in order of names will be entitled to vote.
6. As per SEBI guidelines, submission of **PAN, KYC and nomination details is mandatory** for all shareholders. Members holding shares in demat form are requested to update these details with their Depository Participants. Members holding shares in physical form are requested to submit PAN, KYC and nomination details to the Registrar and Share Transfer Agent (RTA), Link Intime India Private Limited. Forms for the same are available at: <https://web.linkintime.co.in/KYC-downloads.html>.
7. In support of the Government of India's "**Green Initiative**", shareholders holding shares in physical mode are requested to register their email addresses with the Company's RTA at [ahmedabad@linkintime.co.in](mailto:ahmedabad@linkintime.co.in) quoting their folio number and name of the Company. Members holding shares in demat mode are requested to update their email IDs with their respective Depository Participants. This will enable the Company to send Annual Report, Notices and other documents electronically.
8. Electronic copy of the Annual Report for FY 2024-25, including the Notice of AGM indicating the process of e-voting, is being sent to members whose email IDs are registered with the Company/DPs. The Annual Report is also available on the Company's website [www.prathamepc.com](http://www.prathamepc.com) and the e-voting website of CDSL [www.evotingindia.com](http://www.evotingindia.com).
9. Members seeking any information regarding the accounts or operations of the Company are requested to write to the Company Secretary at [cs@prathamepc.com](mailto:cs@prathamepc.com) at least **10 days before the AGM**, so that the information can be compiled and made available at the meeting.

10. All documents referred to in the Notice and Explanatory Statement will be available for inspection at the Registered Office of the Company on all working days (except Saturdays, Sundays and public holidays) between 10:00 a.m. and 1:00 p.m. up to the date of AGM and will also be made available at the AGM venue.
11. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170, and the Register of Contracts or Arrangements in which Directors are interested maintained under Section 189 of the Companies Act, 2013, shall be available for inspection at the Registered Office of the Company and at the AGM.
12. Members can avail the facility of nomination in respect of shares held in physical form by submitting Form SH-13 to the RTA. For 'Opt-Out', 'Cancellation' or 'Change' in nomination, they may submit Form ISR-3 or SH-14 as applicable. The formats are available on the Company's website and RTA's website.
13. The voting rights of members shall be in proportion to their shareholding as on the cut-off date Tuesday, September 23, 2025. A person who is not a member as on the cut-off date should treat this notice for information purposes only. Members who acquire shares after dispatch of the AGM Notice but before the cut-off date may vote by following the instructions for e-voting.
14. The Company has appointed Ms. Viral A. Garachh, Practicing Company Secretary, Ahmedabad (Membership No. F12558, COP No.15293) as Scrutinizer to scrutinize the voting process in a fair and transparent manner. At the AGM, voting by ballot paper will also be made available for members who have not cast their votes through remote e-voting.
15. The Scrutinizer shall, immediately after conclusion of voting at AGM, first count the votes cast at the meeting, then unblock the votes cast through remote e-voting, and submit a consolidated Scrutinizer's Report to the Chairman or a person authorised by him within two working days. The Chairman or authorised person shall declare the result forthwith.
16. The results declared along with the Scrutinizer's Report shall be placed on the Company's website [www.prathamepc.com](http://www.prathamepc.com) and on CDSL's website [www.evotingindia.com](http://www.evotingindia.com) and shall also be communicated to the Stock Exchange(s) within the prescribed time.

## 17. Instructions For Remote E-Voting:

Pursuant to the provisions of Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is pleased to provide the facility to exercise members' right to vote at the ensuing Annual General Meeting (AGM) by electronic means and the business may be transacted through e-voting services provided by the Central Depository Services (India) Limited (CDSL). The facility for voting through ballot paper shall be made available at the AGM, and the Shareholders/ Members attending the meeting who have not cast their vote by remote e-voting shall be able to exercise their right at the meeting through ballot. E-voting facility will not be made available at the AGM venue. The Shareholders / Members who have cast their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again. The instructions for Shareholders/ members for voting electronically are as under:

- (i) The voting period begins on September 27, 2025 at 9:00 AM (IST) and ends on September 29, 2025 at 5:00 PM (IST). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Tuesday, September 23, 2025 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

# PRATHAM EPC PROJECTS LIMITED

- (iii) Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

## **Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.**

For the financial year ended March 31, 2025, the Company has recorded an exceptional leap in revenue, reaching an impressive ₹11,777.78 lakhs, reflecting a staggering 71.10% growth over the previous financial year. This significant upswing is a clear indicator of the Company's strong market positioning, strategic foresight, and its accelerating growth trajectory across key operational verticals.

The Company's Earnings Before Interest, Tax, Depreciation and Amortization (EBITDA) witnessed a robust expansion, rising from ₹1,657.40 lakhs in FY 2023-24 to ₹2,105.30 lakhs in FY 2024-25, registering a noteworthy increase of 27.02%. This sustained growth in EBITDA showcases the resilience of our business model, underpinned by prudent cost optimization, enhanced operational efficiencies, and focused execution.

Furthermore, Earnings Per Share (EPS) demonstrated positive momentum, improving from ₹7.61 to ₹7.62, underscoring our consistent efforts to enhance shareholder value and reaffirming the Company's commitment to delivering stable and long-term returns.

The overall financial performance in FY 2024-25 not only underscores the Company's upward trajectory, but also sets a strong foundation for continued success in the years to come.

## Consolidated

For the financial year ended March 31, 2025, the Company delivered a spectacular performance, catapulting its consolidated revenue to an impressive ₹11,889.70 lakh, marking an exceptional surge of approximately 71% over the previous fiscal year.

Our consolidated Earnings Before Interest, Tax, Depreciation, and Amortization (EBITDA) also witnessed a significant leap, ascending from ₹1,657.45 lakh in FY 2023-24 to ₹2,129.20 lakh in FY 2024-25 – a remarkable growth of 28.46%.

Moreover, our commitment to shareholder value creation was further underscored by the increase in consolidated Earnings Per Share (EPS), which rose from ₹7.56 to ₹7.72 – reinforcing the confidence our stakeholders have in the Company's long-term strategy and sustainable growth path.

## Reserves:

Your Company does not propose to transfer any amount to general reserve.

## 4. Share Capital Of The Company:

### 4.1 Authorised Capital

## Management Discussion and Analysis

### 1. Global Economic Outlook

The global economy in FY 2024–25 operated in a landscape shaped by continued inflationary pressures, elevated interest rates, and geopolitical uncertainties. While advanced economies such as the US and Eurozone saw moderate growth, Asia remained the growth engine of the world. According to the International Monetary Fund (IMF), global GDP growth stood at around 3.2% in 2024, and is expected to remain between 3.0–3.3% in 2025–26, reflecting resilience despite uncertainty.

Commodity markets remained volatile during the year, particularly oil and gas, due to geopolitical conflicts and supply disruptions. However, global infrastructure investments, digital transformation, and the ongoing energy transition have created stable demand for EPC and construction services worldwide. For EPC companies, this meant that while risks from global volatility persisted, opportunities also grew in renewable infrastructure, oil & gas pipelines, and urban utilities.

### 2. Indian Economic Outlook

India continued to be one of the fastest-growing large economies in the world, maintaining its position as the third-largest global economy in PPP terms. FY 2024–25 saw India's GDP expand by 6.5%, with a particularly strong performance in the last quarter where growth touched 7.4%. This was driven by buoyant domestic demand, robust manufacturing activity, and record public capital expenditure.

Government initiatives like PM GatiShakti, National Infrastructure Pipeline (NIP), and heavy investment in roads, railways, ports, power, and oil & gas sectors played a catalytic role. Crude oil demand rose to all-time highs, making India the largest driver of global oil demand growth, surpassing even China. Infrastructure-related reforms, ease of doing

business improvements, and public-private partnership opportunities have made India an attractive market for EPC companies.

Looking ahead, forecasts for FY 2025–26 remain in the 6.3–6.5% range, suggesting continued momentum. For Pratham EPC Projects Limited, this macroeconomic backdrop translates into a robust pipeline of opportunities across oil, gas, and water transmission projects.

### 3. Oil & Gas Industry Outlook

The Indian oil & gas sector remained a major driver of EPC growth. India currently consumes around 5.05 million barrels per day of crude oil, and is expected to account for more than one-third of the world's demand growth over the next decade. Natural gas infrastructure is also expanding rapidly, with increasing investments in city gas distribution (CGD), LNG terminals, and cross-country gas pipelines.

Government reforms such as "One Nation, One Grid, One Tariff" in gas and continued investment in clean fuel projects are enhancing opportunities for EPC service providers. For companies like Pratham EPC, this means access to a growing set of projects not only in pipelines but also in supporting facilities such as compressor stations, refineries, and terminals.

Additionally, volatility in global oil prices and shifting geopolitics in energy supply chains have prompted Indian companies to prioritize domestic infrastructure building, thereby creating consistent demand for domestic EPC execution.

### 4. EPC & Infrastructure Industry Outlook

The EPC industry in India is witnessing structural tailwinds. The Union Budget 2024–25 allocated record levels of public capex, with significant portions directed to transport, water, oil & gas, and industrial corridors. The logistics sector alone is projected to grow at 10.7% CAGR through 2026, boosted by integrated initiatives such as PM GatiShakti and the National Logistics Policy.

**Infrastructure Spend by Sector**

This creates significant opportunities for EPC players to contribute to mega projects involving pipelines, water transmission networks, and industrial utilities. Increasing adoption of digital tools, drones, and AI-enabled project management has further improved efficiency, accuracy, and safety in EPC execution.

For Pratham EPC Projects Limited, which already has a demonstrated track record in cross-country pipelines, this sector outlook aligns perfectly with its competencies. The Company is well-positioned to leverage its expertise and strong client relationships to capture a larger market share in the coming years.

## 5. Company Performance – FY 2024–25

Revenue & EBITDA Trend

The financial year 2024–25 was a landmark year for Pratham EPC Projects Limited. The Company not only delivered solid domestic performance but also took a historic step towards international expansion with the incorporation of its Wholly Owned Subsidiary (WOS) in the UAE – Pratham International Contracting LLC (OPC).

This subsidiary quickly achieved traction, securing a prestigious project worth USD 19.75 million, employing over 250 skilled professionals on ground. This achievement demonstrates both the Company's ability to execute on international soil and the trust it commands among global clients.

### Financial Highlights (₹ in Crores)

Particulars	FY 2024–25
Revenue from Operations	117.78
Other Income	3.72
Total Income	121.5
EBITDA	36.31
EBITDA Margin %	21.05%
Finance Cost	1.16
Share Capital	17.76

Reserves & Surplus	56.61
Net Worth	74.37
Long-Term Borrowings	4.19

## Income Composition FY25

The Company's EBITDA margin of 21% reflects improved efficiency, tight cost control, and strong project execution capabilities. With low debt levels (long-term borrowings of ₹4.19 Cr), Pratham EPC has maintained a strong balance sheet while expanding globally.

## Net Worth vs Long-Term Borrowings

## 6. Strategic Highlights

**International Expansion:** Establishment of UAE subsidiary provides a base for expansion into the wider GCC region (Saudi Arabia, Oman, Qatar).

**Overseas Project Success:** Timely execution of a large-value order showcases ability to compete globally.

Domestic Growth: Robust order book with execution visibility of 24–30 months, ensuring stable revenues.

Focus on Sustainability: Adoption of greener practices, improved safety standards, and investment in digital tools for project delivery.

## 7. SWOT Analysis

### Strengths

- Proven track record in EPC execution across oil, gas, and water sectors.
- Strong financial health with low debt and healthy margins.
- Growing international presence through UAE subsidiary.

### Weaknesses

- Dependence on commodity price cycles for raw material costs.
- Capital-intensive nature of EPC industry requires high working capital.

### Opportunities

- Expanding domestic oil & gas infrastructure.
- Rising EPC demand in Middle East markets.
- Scope for diversification into renewable energy EPC.

### Threats

- Volatility in crude oil prices and foreign exchange.
- Geopolitical instability affecting international projects.
- Rising competition from larger global EPC companies.

## 8. Human Resources

As of March 31, 2025, Pratham EPC had a total strength of over 408 employees, including more than 250 professionals deployed overseas in the UAE. The Company continues to emphasize training, safety awareness, and leadership development. Special focus is being given to building cross-border teams and enhancing global exposure for employees.

## 9. Future Outlook

With a Net Worth of ₹743.7 Cr, strong execution capabilities, and a strategic foothold in the Middle East, Pratham EPC Projects Limited is positioned for accelerated growth in the coming years. The Company's focus on strengthening its order book, exploring new geographies, and maintaining operational efficiency will continue to create long-term value for stakeholders.

Looking forward, Pratham aims to consolidate its domestic leadership in EPC execution while building a sustainable international presence in the MENA region. With a commitment to safety, sustainability, and stakeholder value, the Company is on track to establish itself as a globally relevant EPC enterprise.

## **INDEPENDENT AUDITOR'S REPORT**

To the Members of  
Pratham EPC Projects Limited  
(Formerly known as Pratham EPC Projects Private Limited)

Report on the Audit of the Standalone Financial Statements

### **Opinion**

We have audited the accompanying Standalone Financial Statements of Pratham EPC Projects Limited (Formerly known as Pratham EPC Projects Private Limited) ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2025, the Statement of Profit and Loss and Cash Flow Statement for the year ended 31<sup>st</sup> March, 2025 and notes to the Standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended from time to time ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March 2025, its profit and its cash flows for the year ended on that date.

### **Basis for opinion**

We conducted our audit of standalone financial statements in accordance with the Standards on Auditing ("SAs") specified under Section 143 (10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Key Audit Matters**

Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the financial year ended 31<sup>st</sup> March, 2025. In our opinion there is no Key Audit Matter to be reported.

### **Information other than the Standalone Financial Statements and Auditors' Report thereon**

The Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Management's Responsibilities and Those Charged with Governance for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable,

### **Auditor's Responsibilities for the audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- i. Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- iv. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.

v.Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonable knowledgeable user of the standalone financial statements may be influenced.

We consider quantitative materiality and qualitative factors in

- a.planning the scope of our audit work and in evaluating the results of our work; and
- b.to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements for the financial year ended 31<sup>st</sup> March, 2025 and are therefore the key audit matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

#### **As required by Section 143(3) of the Act, we report that:**

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

- c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss, and the Standalone Cash Flow Statement dealt with by this report are in agreement with the books of account;
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act;
- f) With respect to the adequacy of the Internal Financial Controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure B;
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion, and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its Directors during the years is in accordance with the provisions of Section 197 of the Act;

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;
- i. The Company does not have any pending litigations which would impact its financial position;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii. No amount was required to be transferred to the Investor Education and Protection Fund ("IEPF") by the Company;
- iv. a. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- b. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. No dividend has been declared or has been proposed to be declared during the year. Accordingly, this clause is not applicable.
- vi. Based on our examination, which included test checks, the Company has used accounting software systems for maintaining its books of account for the year ended 31st March, 2025 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with, and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

**Report on the Internal Financial Controls with reference to Standalone Financial Statements under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("The Act")**

We have audited the Internal financial controls over financial reporting of Pratham EPC Projects Limited (Formerly known as Pratham EPC Projects Private Limited) ("the Company") as of 31<sup>st</sup> March, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**Management's Responsibilities for Internal Financial Controls**

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditor's Responsibilities**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section

143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the ICAI. Those Standards and the Guidance Note required that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting with reference to Standalone Financial Statements**

A Company's internal financial control over financial reporting with reference to these standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting with reference to these standalone financial statements includes those policies and procedures that:

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

## **Inherent limitations of Internal Financial Controls with reference to Standalone Financial Statements**

Because of the Inherent limitations of internal financial controls over financial reporting with reference to these standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these standalone financial statements to future periods are subject to the risk that the internal financials control over financial reporting with reference to these standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## **Opinion**

In our opinion , the Company has, in all material respects, adequate internal financial controls over financial reporting with reference to these standalone financial statements and such in internal financial controls over financial reporting with reference to these standalone financial statements were operating effectively as at 31<sup>st</sup> March, 2025 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India.

## **2. SIGNIFICANT ACCOUNTING POLICIES**

### **a Basis of Preparation**

The standalone financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis. GAAP comprises mandatory accounting standards as prescribed under section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and the provisions of the Companies Act, 2013 to the extent notified. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use except where specifically stated hereunder.

### **b Use of Estimates**

The preparation of financial statements in conformity with the generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of the financial statements and reported amounts of revenues and expenses during the reported period. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods

### **c Accounting Assumptions**

- (i) Going Concern: The enterprise is normally viewed as a going concern, that is, as continuing in operation for the foreseeable future. It is assumed that the enterprise has neither the intention nor the necessity of liquidation or of curtailing materially the scale of the operations
- (ii) Consistency: It is assumed that accounting policies are consistent from one period to another.
- (iii) Accrual: Revenues and costs are accrued, that is, recognized as they are earned or incurred (and not as money is received or paid) and recorded in the standalone financial statements of the periods to which they relate. (The considerations affecting the process of matching costs with revenues under the accrual assumption are not dealt with in this Statement.)

**d Property, Plant and Equipment**

Tangible assets are stated at cost, less accumulated depreciation and impairment, if any. Direct costs are capitalized until such assets are ready for use. Where an item of property, plant and equipment comprises major components having different useful lives, these components are accounted for as separate items. Borrowing costs incurred during the period of construction is capitalized as part of cost of qualifying asset. The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

Capital work in progress comprises the cost of fixed assets that are not yet ready for their intended use at the reporting date.

**e Intangible assets**

Intangible assets comprising of software costs is included in the balance sheet as intangible assets when it is probable that associated future economic benefits would flow to the Company. In this case they are measured initially at purchase cost and then amortized on a written down value method over their estimated useful lives. All other costs on intangible assets including software are expensed in the statement of profit and loss as and when incurred.

**f Depreciation and amortization**

Depreciation has been charged on cost of fixed assets, adopting the following methods / rates: a. Depreciation is calculated using Straight Line Method (SLM) to allocate their cost, net of their residual values, over their estimated useful lives prescribed in Schedule II of the Companies Act, 2013.

Depreciation is commenced from the dates the assets are available for their intended use and are spread over their estimated useful economic lives. The estimated useful lives of assets, residual values and depreciation method are reviewed regularly and are revised when necessary.

The company has taken over the business of M/s Pratham Construction in 2015-16, a partnership firm, which was being carried on by the directors respectively, who are also directors in the company. The assets taken from the said firms has been recorded at the book value of which was reflected in the books of M/s Pratham Construction and are depreciated over the remaining useful life of the asset.

If the cost of a part of the asset is significant to the total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part is determined separately for depreciation. For other assets acquired / sold during the year pro-rata charge has been made from the date of first use or till the date of sale.

In accordance with Accounting Standard AS-26, Intangible Assets comprising of Computer Software are valued at cost less accumulated amortization. Computer software is amortized over the useful life of the software subject to maximum useful life of 10 years as prescribed under Accounting Standard - 26 "Intangible Asset".

Type of Assets	Useful Life
Buildings	30 Years
Plant and Equipment	15 Years
Construction Equipment	12 Years
Furniture and Fixtures	10 Years
Vehicles	8 Years
Office equipment	5 Years
Computers	3 Years

### g Impairment of assets

At each balance sheet date, the Company reviews the carrying value of its property, plant and equipment and intangible assets to determine whether there is any indication that the carrying value of those assets may not be recoverable through continuing use. If any such indication exists, the recoverable amount of the asset is reviewed in order to determine the extent of impairment loss, if any. Where the asset does not generate cash flows that are independent from other assets, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs. Recoverable amount is the higher of assets net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. Since the company's net selling price of the cash generating unit to which the asset belongs based on the valuation report is higher than the recoverable amount, the company has not arrived at the value in use and has complied with the requirement of AS-28 based on the valuation of independent valuer.

An impairment loss is recognized in the statement of profit and loss as and when the carrying value of an asset exceeds its recoverable amount. Where an impairment loss subsequently reverses, the carrying value of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount so that the increased carrying value does not exceed the carrying value that would have been determined had no impairment loss been recognized for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognized in the statement of profit and loss immediately.

### h Investment

Long-term investments and current maturities of long-term investments are stated at cost, less provision for other than temporary diminution in value. Current investments, except for current maturities of long-term investments, comprising investments in mutual funds, government securities and bonds are stated at the lower of cost and fair value.

### I Inventories

(i) Construction Materials: Construction materials are valued at lower of cost or net realizable value, on the basis of weighted average method after providing for obsolescence and other losses, where considered necessary. Cost of inventory comprises all costs of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventory to their present location and condition.

(ii) Work-in-Progress: The recognition of expenses in the statement of Profit and Loss Statement on the basis of Percentage of Completion method under which the contract cost incurred in reaching the stage of completion is matched with the percentage of work completed on the basis of the work certified by the surveyor/engineer. The cost incurred towards future contract activity and for the portion of work uncertified is classified under Project Work-in-progress. Work-in-progress represents cost incurred directly in respect of construction activity and indirect construction cost to the extent to which the expenditure is related to the future contract activity or incidental thereto and is valued at lower of cost or net realizable value.

**j Cash and cash equivalents**

Cash and Bank Balances consist of:

- a. Cash and Cash Equivalent which includes cash on hand, deposits held at call with banks and other short-term deposits which are readily convertible into known amounts of cash, are subject to an insignificant risk of change in value and have original maturities of less than one year. These balances with banks are unrestricted for withdrawal and usage.
- b. Other Bank Balances which includes balances and deposits with Banks that are restricted for withdrawal and usage.

**k Cash Flow Statement**

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

**l Revenue recognition**

The revenues are recognized to the extent it is probable that the amount is measured reliably and that it is probable of inflow of resources. The revenue has been booked based on the work certified. The revenues are booked on completion of stages and accordingly, on achieving of the milestone, the revenues have been booked. The progress / work certified is measured on the basis of the certificate issued by the Chartered Engineer/Surveyor. Amounts received before the related work is performed are disclosed in the Balance Sheet as contract liability and termed as "Advances from customer". An expected loss on the contract is recognized as an expense immediately. Cost incurred towards future contract activity is classified as project work in progress.

**m Employee Benefits****Short Term**

- i) Short Term: Short Term employee benefits are recognized as an expense at the undiscounted amount expected to be paid over the period of services rendered by the employees to the company.

**Long Term**

Defined Benefits Plan: For defined benefit retirement schemes, the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuation being carried out at each year-end balance sheet date. Re-measurement gains and losses of the net defined benefit liability/(asset) are recognized immediately in the profit and loss account. The service cost and net interest on the net defined benefit liability/(asset) are recognized as an expense within employee costs. The Company has not made any investment to meet the liability of gratuity payments till the period ended 30th September, 2023. The retirement benefit obligations recognized in the balance sheet represents the present value of the defined benefit obligations arrived at based on the report of actuary.

Defined Contribution Plans: Contributions under defined contribution plans like provident fund, Employee State Insurance Scheme are recognized as expense for the period in which the employee has rendered service. Payments made to state managed retirement benefit schemes are dealt with as payments to defined contribution schemes where the Company's obligations under the schemes are equivalent to those arising in a defined contribution retirement benefit scheme.

Leave Encashment: The employees of the Company are entitled for leave encashment on yearly basis. The amount accumulated during the year is paid in the next year.

**n Borrowing Cost**

Interest and other costs in connection with the borrowing of the funds to the extent related/attribution to the acquisition/construction of qualifying fixed assets are capitalized as a part of the cost of such asset up-to the date when such assets are ready for its intended use and other borrowing costs are charged to statement of Profit & Loss.

**o Foreign currency transactions**

Transactions denominated in foreign currencies are recorded at the exchange rates prevailing on the date of the transaction and are presented in Indian Rupees which is the functional currency of the company for presentation of its financial statement. All exchange differences arising on settlement and conversion on foreign currency transaction are included in the Statement of Profit and Loss. In respect of transactions covered by forward exchange contracts, the difference between the forward rate and the exchange rate at the date of transaction is recognized as income or expense at the time of maturity date.

**p Taxation**

Income tax expense is accounted for in accordance with AS 22- "Accounting for Taxes on Income" prescribed under the Companies (Accounting Standard) Rules, 2006 which includes current tax and deferred taxes.

Current taxes reflect the impact of tax on income of the previous year as defined under the Income Tax Act, 1961 as per applicable rates.

Deferred taxes reflect the impact of Current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years if any. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax asset will be recognized. Deferred tax assets are reviewed for their appropriateness of their respective carrying values at each reporting date. Deferred tax assets and deferred tax liabilities have been offset wherever the company has legally enforceable right to set off current tax assets against current tax liabilities and where deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority.

**q Segment accounting**

The Company is primarily engaged in a single segment. Considering the provisions of Accounting Standard 17, the Company do not have any reportable segments.

**r Earnings Per Shares**

Basic and diluted earnings per share are computed in accordance with Accounting Standard-20. Basic earnings per share is calculated by dividing the net profit or loss after tax for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per equity share are computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the year, except where the results are anti-dilutive.

**s Provisions, Contingent liabilities and Contingent assets**

A provision is recognized if, as a result of a past event, the Company has a present legal obligation that is reasonably estimate, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the reporting date. Where no reliable estimate can be made, a disclosure is made as contingent liability. A disclosure for contingent liability is also made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. Contingent assets are neither recognized nor disclosed.

**General Description of the Plan**

The Company provides for gratuity, a defined benefit retirement plan covering eligible employees. Every employee is entitled to a benefit equivalent to fifteen days salary last drawn for each completed year of service on terms not less favourable than the provisions of the Payment of Gratuity Act, 1972. The benefits vest after five years of continuous service and once vested it is payable to the employees on retirement or termination of employment. In respect of Gratuity plan, the most recent actuarial valuation of the plan assets and the present value of the defined benefit obligation were carried out as March 31, 2024. The Company has not made any investment to meet the liability of gratuity payments till the financial year ended 31st March 2024. The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the projected unit cost method. The following table sets forth the status of the Gratuity Plan of the Company and the amount recognised in the Balance Sheet and Statement of Profit and Loss.

Short Term Employee Benefits are recognized as an expense on an undiscounted basis in the statement of profit and loss of the year in which the related service is rendered.

**INDEPENDENT AUDITOR'S REPORT**

**To the Members of**

**Pratham EPC Projects Limited**

**Report on the Audit of the Consolidated Financial Statements**

**Opinion**

We have audited the accompanying Consolidated Financial Statements of Pratham EPC Projects Limited (Formerly known as Pratham EPC Projects Private Limited) (hereinafter referred to as “the Holding Company”) and its Subsidiaries (the Holding Company and its Subsidiaries together referred to as “the Group”), which comprise the Consolidated Balance Sheet as at 31st March, 2025, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement for the year then ended and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as “the Consolidated Financial Statements”).

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Accounting Standards (“ASs”) prescribed under Section 133 of the Act read with Rules framed thereunder and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2025, their consolidated profit and their consolidated cash flows for the year ended on that date.

**Basis for opinion**

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (“SAs”) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the “Auditor's Responsibilities for the Audit of the Consolidated Financial Statements” section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (“ICAI”), together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules framed thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Information other than the Consolidated Financial Statements and Auditor's Report thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Holding Company's Annual Report but does not include the Consolidated Financial Statements and our Auditor's Report thereon. The other information was made available to us on the date of this Auditor's Report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information, and in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. When we read the other information, and if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance for appropriate compliance of the same.

We have nothing to report in this regard.

Management's Responsibilities and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Act with respect to the preparation and presentation of these Consolidated Financial Statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards ("ASs") specified under Section 133 of the Act read with Rules framed thereunder. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act; for safeguarding of the assets of the Group; and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which

have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are also responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of their respective companies.

#### Auditor's Responsibilities for the audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to Consolidated Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on of the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended 31st March, 2025 and are therefore the key audit matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The accompanying Consolidated Financial Statements includes the audited financial statements and other financial information of its subsidiaries, Pratham International LLC (OPC incorporated in Dubai, UAE) & M/s. Pipeflow Integrity India Private Limited (till 31st January ,2025).

## **Annexure B to the Independent Auditor's Report**

**[Referred to in Paragraph 2 (f) under “Report on Other Legal and Regulatory Requirements” section of the Independent Auditor's Report of even date to the Members of Pratham EPC Projects Limited (Formerly known as Pratham EPC Projects Private Limited) on the Consolidated Financial Statements for the year ended 31st March, 2025]**

**Report on the Internal Financial Controls with reference to Consolidated Financial Statements under Clause (i) of sub-section 3 of Section 143 of the Companies Act 2013 ("the Act")**

We have audited the internal financial controls with reference to consolidated financial statements of Pratham EPC Projects Limited (Formerly known as Pratham EPC Projects Private Limited) ("the Holding Company") and its Subsidiaries (the Holding Company and its subsidiaries together referred to as “the Group”) in conjunction with our audit of the consolidated financial statements of the Holding Company as of and for the year ended 31st March, 2025.

### **Management's Responsibilities for Internal Financial Controls**

The respective Board of Directors of the Holding Company and its subsidiaries, which are incorporated in India and outside India, are responsible for establishing and maintaining Internal Financial Controls based on the Internal Control over financial reporting criteria established by the Holding Company and its subsidiaries considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“the ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditor's Responsibilities**

Our responsibility is to express an opinion on the Holding Company's internal financial controls over financial reporting with reference to the consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls with reference to Consolidated Financial Statement and, both issued by the ICAI. Those Standards and the Guidance Note required that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether internal financial controls with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the "Other Matters" paragraph, is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls with reference to consolidated financial statements.

### **Meaning of Internal Financial Controls over Financial Reporting with reference to these Consolidated Financial Statements**

A Company's Internal Financial Control over financial reporting with reference to these consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting with reference to these consolidated financial statements includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Group.
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Group are being made only in accordance with authorizations of management and directors of the Group. and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Group's assets that could have a material effect on the consolidated financial statements.

### **Inherent limitations of internal financial controls with reference to these Consolidated Financial Statements**

Because of the inherent limitations of internal Financial Controls over financial reporting with reference to these Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these consolidated financial statements to future periods are subject to the risk that the internal financials control over financial reporting with reference to these consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**2 SIGNIFICANT ACCOUNTING POLICIES****a Basis of Preparation**

The Consolidated financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis. GAAP comprises mandatory accounting standards as prescribed under section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and the provisions of the Companies Act, 2013 to the extent notified. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use except where specifically stated hereunder.

Group Information: The Holding Company had an associate company, namely, M/s Pipeflow Integrity India Private Limited till May 25, 2023. It became subsidiary of holding company with effect from May 26, 2023 with a shareholding of 52%.

Principles of Consolidation:

- i) The financial statements of the Subsidiary Company used in the consolidation are drawn upto the same reporting date as of the Holding Company i.e. year ended March 31, 2025.
- ii) The financial statements of the Holding Company and its Subsidiary Company have been combined on a line-by-line basis by adding together like items of assets, liabilities, income and expenses. The inter-company balances and inter-company transactions and unrealized profits, if any have been fully eliminated.
- iii) Investments in Associate Company have been accounted for by using the equity method, whereby an investment is initially recorded at cost and the carrying amount is adjusted thereafter for post-acquisition change in the Group's share of net assets of the Associate. The carrying amount of investment in Associate Companies is reduced to recognize any decline which is other than temporary in nature and such determination of decline in value, if any, is made for each investment individually. The unrealized profits / losses on transactions with Associate Companies are eliminated by adjusting the carrying amount of investments.

- iv) The financial statements of the Subsidiary Company has been combined by using line- by-line basis and accordingly, minority's share of each of Net assets is reported in the Consolidated Financial Statements.
- v) Minority interests have been identified as the net assets of the consolidated subsidiaries and is presented in the consolidated balance sheet separately. Minority interests in the net assets consist of the minorities' share of movements in equity since the date the Holding-subsidiary relationship came in existence.
- vi) Capital Reserve is recognized as a Reserve in the Consolidated Financial Statement.

**b Use of Estimates**

The preparation of financial statements in conformity with the generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of the financial statements and reported amounts of revenues and expenses during the reported period. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

**c Accounting Assumptions**

- (i) Going Concern: The enterprise is normally viewed as a going concern, that is, as continuing in operation for the foreseeable future. It is assumed that the enterprise has neither the intention nor the necessity of liquidation or of curtailing materially the scale of the operations.
- (ii) Consistency: It is assumed that accounting policies are consistent from one period to another.
- (iii) Accrual: Revenues and costs are accrued, that is, recognized as they are earned or incurred (and not as money is received or paid) and recorded in the Consolidated financial statements of the periodsto which they relate. (The considerations affecting the process of matching costs with revenues under the accrual assumption are not dealt with in this Statement).

**d Property, Plant and Equipment**

Tangible assets are stated at cost, less accumulated depreciation and impairment, if any. Direct costs are capitalized until such assets are ready for use. Where an item of property, plant and equipment comprises major components having different useful lives, these components are accounted for as separate items. Borrowing costs incurred during the period of construction is capitalized as part of cost of qualifying asset. The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

Capital work in progress comprises the cost of fixed assetsthat are not yet ready for their intended use at the reporting date.

#### e Intangible assets

Intangible assets comprising of software costs is included in the balance sheet as intangible assets when it is probable that associated future economic benefits would flow to the Company. In this case they are measured initially at purchase cost and then amortized on a written down value method over their estimated useful lives. All other costs on intangible assets including software are expensed in the statement of profit and loss as and when incurred.

#### f Depreciation and amortization

Depreciation is commenced from the dates the assets are available for their intended use and are spread over their estimated useful economic lives. The estimated useful lives of assets, residual values and depreciation method are reviewed regularly and are revised when necessary.

The company has taken over the business of M/s Pratham Construction in 2015-16, a partnership firm, which was being carried on by the directors respectively, who are also directors in the company. The assets taken from the said firms has been recorded at the book value of which was reflected in the books of M/s Pratham Construction and are depreciated over the remaining useful life of the asset.

If the cost of a part of the asset is significant to the total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part is determined separately for depreciation. For other assets acquired /sold during the year pro-rata charge has been made from the date of first use or till the date of sale.

In accordance with Accounting Standard AS-26, Intangible Assets comprising of Computer Software are valued at cost less accumulated amortization. Computer software is amortized over the useful life of the software subject to maximum useful life of 10 years as prescribed under Accounting Standard - 26 "Intangible Asset".

Depreciation is calculated using Straight Line Method (SLM) to allocate their cost, net of their residual values, over their estimated useful lives prescribed in Schedule II of the Companies Act, 2013 .

Type of Assets	Useful Life
Buildings	30 Years
Plant and Equipment	15 Years
Furniture and Fixtures	10 Years
Vehicles	8 Years
Office equipment	5 Years
Computers	3 Years
Construction Equipment	12 Years

**g Impairment of assets**

At each balance sheet date, the Company reviews the carrying value of its property, plant and equipment and intangible assets to determine whether there is any indication that the carrying value of those assets may not be recoverable through continuing use. If any such indication exists, the recoverable amount of the asset is reviewed in order to determine the extent of impairment loss, if any. Where the asset does not generate cash flows that are independent from other assets, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs. Recoverable amount is the higher of assets net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. Since the company's net selling price of the cash generating unit to which the asset belongs based on the valuation report is higher than the recoverable amount, the company has not arrived at the value in use and has complied with the requirement of AS-28 based on the valuation of independent valuer.

An impairment loss is recognized in the statement of profit and loss as and when the carrying value of an asset exceeds its recoverable amount. Where an impairment loss subsequently reverses, the carrying value of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount so that the increased carrying value does not exceed the carrying value that would have been determined had no impairment loss been recognized for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognized in the statement of profit and loss immediately.

**h Investment**

Long-term investments and current maturities of long-term investments are stated at cost, less provision for other than temporary diminution in value. Current investments, except for current maturities of long-term investments, comprising investments in mutual funds, government securities and bonds are stated at the lower of cost and fair value.

**I Inventories**

- (i) Construction Materials: Construction materials are valued at lower of cost or net realizable value, on the basis of weighted average method after providing for obsolescence and other losses, where considered necessary. Cost of inventory comprises all costs of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventory to their present location and condition.
- (ii) Work-in-Progress: The recognition of expenses in the statement of Profit and Loss Statement on the basis of Percentage of Completion method under which the contract cost incurred in reaching the stage of completion is matched with the percentage of work completed on the basis of the work certified by the surveyor/engineer. The cost incurred towards future contract activity and for the portion of work uncertified is classified under Project Work-in-progress. Work-in-progress represents cost incurred directly in respect of construction activity and indirect construction cost to the extent to which the expenditure is related to the future contract activity or incidental thereto and is valued at lower of cost or net realizable value.

The valuation for inventories is as follows;

Classification	Valuation Policy
Finished Goods	At lower of cost or net realizable value.
Raw Material	At lower of cost or net realizable value.
WIP	At Cost
Consumables	At Cost

#### j Cash and cash equivalents

Cash and Bank Balances consist of:

- Cash and Cash Equivalent which includes cash on hand, deposits held at call with banks and other short-term deposits which are readily convertible into known amounts of cash, are subject to an insignificant risk of change in value and have original maturities of less than one year. These balances with banks are unrestricted for withdrawal and usage.
- Other Bank Balances which includes balances and deposits with Banks that are restricted for withdrawal and usage.

#### k Revenue recognition

The revenues are recognized to the extent it is probable that the amount is measured reliably and that it is probable of inflow of resources. The revenue has been booked based on the work certified. The revenues are booked on completion of stages and accordingly, on achieving of the milestone, the revenues have been booked. The progress / work certified is measured on the basis of the certificate issued by the Chartered Engineer/Surveyor. Amounts received before the related work is performed are disclosed in the Balance Sheet as contract liability and termed as "Advances from customer". An expected loss on the contract is recognized as an expense immediately. Cost incurred towards future contract activity is classified as project work in progress.

#### l Employee Benefits

##### Short Term

Short Term employee benefits are recognized as an expense at the undiscounted amount expected to be paid over the period of services rendered by the employees to the company.

##### Long Term

**Defined Benefits Plan:** For defined benefit retirement schemes, the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuation being carried out at each year-end balance sheet date. Re-measurement gains and losses of the net defined benefit liability/(asset) are recognized immediately in the profit and loss account. The service cost and net interest on the net defined benefit liability/(asset) are recognized as an expense within employee costs. The Company has not made any investment to meet the liability of gratuity payments till the period ended 30th September, 2023. The retirement benefit obligations recognized in the balance sheet represents the present value of the defined benefit obligations arrived at based on the report of actuary.

**Defined Contribution Plans:** Contributions under defined contribution plans like provident fund, Employee State Insurance Scheme are recognized as expense for the period in which the employee has rendered service. Payments made to state managed retirement benefit schemes are dealt with as payments to defined contribution schemes where the Company's obligations under the schemes are equivalent to those arising in a defined contribution retirement benefit scheme.

**Leave Encashment:** The employees of the Company are entitled for leave encashment on yearly basis. The amount accumulated during the year is paid in the next year.

**m Borrowing Cost**

Interest and other costs in connection with the borrowing of the funds to the extent related/attributed to the acquisition/construction of qualifying fixed assets are capitalized as a part of the cost of such asset up-to the date when such assets are ready for its intended use and other borrowing costs are charged to statement of Profit & Loss.

**n Foreign currency transactions**

Transactions denominated in foreign currencies are recorded at the exchange rates prevailing on the date of the transaction and are presented in Indian Rupees which is the functional currency of the company for presentation of its financial statement. All exchange differences arising on settlement and conversion on foreign currency transaction are included in the Statement of Profit and Loss. In respect of transactions covered by forward exchange contracts, the difference between the forward rate and the exchange rate at the date of transaction is recognized as income or expense at the time of maturity date.

**o Taxation**

Income tax expense is accounted for in accordance with AS 22- "Accounting for Taxes on Income" prescribed under the Companies (Accounting Standard) Rules, 2006 which includes current tax and deferred taxes.

Current taxes reflect the impact of tax on income of the previous year as defined under the Income Tax Act, 1961 as per applicable rates.

Deferred taxes reflect the impact of Current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years if any. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax asset will be recognized. Deferred tax assets are reviewed for their appropriateness of their respective carrying values at each reporting date. Deferred tax assets and deferred tax liabilities have been offset wherever the company has legally enforceable right to set off current tax assets against current tax liabilities and where deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority.

**p Segment Reporting**

The Company is primarily engaged in a single segment. Considering the provisions of Accounting Standard 17, the Company do not have any reportable segments.

**q Earnings Per Shares**

Basic and diluted earnings per share are computed in accordance with Accounting Standard-20. Basic earnings per share is calculated by dividing the net profit or loss after tax for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per equity share are computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the year, except where the results are anti-dilutive.

Leave Encashment: The employees of the Company are entitled for leave encashment on yearly basis. The amount accumulated during the year is paid in the next year.

**r Provisions, Contingent liabilities and Contingent assets**

A provision is recognized if, as a result of a past event, the Company has a present legal obligation that is reasonably estimate, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the reporting date. Where no reliable estimate can be made, a disclosure is made as contingent liability. A disclosure for contingent liability is also made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. Contingent assets are neither recognized nor disclosed.

**s Cash Flow Statement**

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.
