- **Statutory Auditors**

Parmanandka & Co., Chartered Accountants as the statutory auditors of the Company had expired at the Annual General Meeting held for the year 2024, hence, based on the recommendation of the Audit Committee and the Board of Directors the shareholders had given their consent for the appointment of M/s Seksaria Tibrewal & Co., Chartered Accountants (Firm Registration No 329660E) as the Statutory Auditors of the Company for a term of consecutive two years commencing from the conclusion of the 15th Annual General Meeting of the Company till the conclusion of the 17th Annual General Meeting to be held in the year 2026.

Audit Report

The Statutory Auditors M/s Seksaria Tibrewal & Co., in their report dated 30th May, 2025 have expressed their qualified opinion represented hereunder:-

“We draw attention to Note 34 of the financial statements regarding erosion of share capital and reserves and surplus, and the accumulated losses have exceeded the Net Worth of the Company. As more fully explained in the above note, a material uncertainty exists that may cast a significant doubt on the Company’s ability to continue as a going concern. However, the financial statements have been prepared by the management on a going concern basis for the reason stated in the aforesaid note.”

A reference can also be drawn at the following observations of the auditors from the auditors report dated 30th May, 2025:-

- At points a & b under the head ‘Matter of emphasis’ covered in the auditors report were in the auditors have stated their un-modified opinion and
- A few observations made by the auditors in Annexure A to their report under serial nos. (ii)(b) , (ix)(a), (ix)(d) and (xix)

The management views/comments/explanations on all the aforesaid observations are represented hereunder:-

- On the modified/qualified opinion- “Looking to the projects in hand, future cash flow projections and pending realisation of insurance claim from the insurance company, the accounts have been prepared under going concern basis”.

As per the present scenario the views of the management on preparation of accounts as a going concern basis can also be justified as the Company has received the Claim money and the net worth has also turned positive.

- On the emphasis made, references drawn/observations made in their reports-“The main and the only reason behind all the aforementioned observations made/emphasis laid by the auditors on the financial statements of the Company is the Fire. The sudden occurrence of the devastating fire has engulfed the whole manufacturing set up thereby leading the Company to a standstill position with no business. And on account of the non receipt of the Insurance Claim, the Company has shortage of funds as such the necessary provisions were made for all the liabilities but can only be paid on receipt of claim. The Company has represented the amount of the Insurance policy undertaken wherever required as the Company is optimistic on realisation of full value of claim as there were no adverse/negative remarks received from the insurance company after due submission/execution of all the requisite documentation moreover there cannot be any delay in statutory/regulatory compliances including the stock statements required to be submitted to banks on account of borrowed funds.”

Subsequently, the Company has received the balance amount of the insurance claim as settled by the insurance company. However, it is important to note that the final settlement amount is significantly lower than the value initially assessed by the surveyor. Despite several follow-ups, no justification has been provided by the insurance company for this deviation. That said, the amount received is sufficient for the Company to meet all its financial obligations. The Company has initiated the process of clearing all outstanding dues with creditors and has successfully repaid the entire loan, including accrued interest, to its bankers. As a result, the Company has obtained the No Dues Certificate from the bank, marking the closure of all its banking liabilities.

All the other Notes to Accounts, as referred in the Auditors' Report are self - explanatory and hence does not call for any further explanation.

Management Discussion and Analysis Report

Industry Structure and Development, Opportunities and Threats

Global Outlook and India

Global growth is slowing following a sharp rise in trade barriers and heightened policy uncertainty. Growth is expected to weaken to 2.3% in 2025 – a significant downtrend from previous forecasts with only a tepid recovery expected in 2026-27. Growth could be lower if trade restrictions escalate or if policy uncertainty persists. Other downside risks include weaker than expected growth in major economies, worsening conflicts and extreme weather events. Multilateral policy efforts are needed to foster a more predictable and transparent environment for resolving trade tensions. (<https://www.worldbank.org/en/publication/global-economic-prospects>)

As per the April 2025 edition of World Economic Outlook after several years of overlapping shocks, the global economy has entered a phase of cautious stabilisation. Growth remains modest and projections for global output have been revised downward from the January 2025 update. This reflects a steep rise in tariff rates, policy uncertainty, and slowing progress in international cooperation. Global inflation is expected to decline, although at a slower pace than previously anticipated, and downside risks such as trade tensions and volatile financial markets continue to weigh on the outlook.

For India, however, the growth outlook is relatively more stable. The IMF projects steady expansion for the Indian economy, supported by firm private consumption, particularly in rural areas. In a global environment marked by uncertainty and subdued growth, India's resilience stands out, reinforcing its role as a key driver of global economic activity. India is projected to remain the fastest-growing large economy for 2025 and 2026, reaffirming its dominance in the global economic landscape. The country's economy is expected to expand by 6.2 per cent in 2025 and 6.3 per cent in 2026, outpacing many of its global counterparts. In contrast, the IMF projects global economic growth to be much lower, at 2.8 per cent in 2025 and 3.0 per cent in 2026, highlighting India's exceptional outperformance. The IMF has also revised its growth estimates for other major global economies. China's GDP growth forecast for 2025 has been downgraded to 4.0 per cent, down from 4.6 per cent in the January 2025 edition of the World Economic Outlook. Similarly, the United States is expected to see a slowdown, with its growth revised downward by 90 basis points to 1.8 per cent. Despite these revisions, India's robust growth trajectory continues to set it apart on the global stage. (<https://www.pib.gov.in/PressReleasePage.aspx?PRID=2123826>)

Recent Trend & Future Outlook

The flexible intermediate bulk container market size reached USD 8.63 billion in 2025 and is on course to touch USD 10.96 billion by 2030, reflecting a 4.88% CAGR across the period. Demand continues to come from chemicals, agriculture and construction, but stronger growth now comes from sustainable packaging mandates. North America held the largest flexible intermediate bulk container market share at 38.74% in 2024 on the back of stringent safety rules and sizeable agricultural exports, whereas Asia-Pacific is expanding at 8.12% CAGR through 2030 on the strength of capacity additions in China, India and Southeast Asia. Tightened global hazardous-goods regulations have lifted premium demand for Type C and Type D electrostatic-safe bags, while circular-economy policies accelerate adoption of recycled-content polypropylene variants. (Source: <https://www.mordorintelligence.com/industry-reports/fibc-market>)

The Indian packaging sector is projected growing at a CAGR of 12.60% during its forecast period (2023-2028) possibly making it one of the largest contributing sector of the Indian economy.

([https://www.mordorintelligence.com/industry-reports/packaging-industry-in-india#:~:text=India%20Packaging%20Market%20Analysis,period%20\(2023%2D2028\).](https://www.mordorintelligence.com/industry-reports/packaging-industry-in-india#:~:text=India%20Packaging%20Market%20Analysis,period%20(2023%2D2028).))

India's escalating consumer market, rising population and changing lifestyles are the various factors leading to surge in demand for packaging industry especially in the end user industries.

The FIBC trend in the woven sacks industry is expected to stick to its trend of higher graph. Further rise in the FIBC demand would definitely lead to new innovations by manufacturers for catering to specific requirements. The expanding industries, including food products & agriculture, pharmaceutical products, and chemicals and fertilizers, the Make in India initiative have resulted in the establishment of numerous manufacturing enterprises in India, further boosting the demand for FIBC, for effective storage, cost effective solution for bulk packaging and transportation of goods. Along with FIBC, PP, HDPE, Leno bags are also in demand on account of their use as fatigue resistance, high chemical resistance and durability thereby making it a suitable material for packaging. It is majorly utilized as a packaging material as it is waterproof and resistant to moisture, resistant to wear, tear and fatigue which makes it suitable for applications that require a high level of physical stress.

Risks and Concerns

One of the most pressing concerns is the **volatility in raw material prices**. Since PP and HDPE are petroleum-based products, their prices are directly influenced by fluctuations in global crude oil prices. The industry has seen sharp swings in polymer prices, particularly post-pandemic and amidst ongoing geopolitical tensions, which has made cost forecasting extremely difficult. Manufacturers operating on thin margins are especially vulnerable to these price movements, and many are unable to pass on the increased cost to customers in such a competitive market.

Lastly, **safety risks**, especially related to fire hazards, remain a real threat. The industry deals with flammable materials like plastic granules, inks, and films, and many units still lack robust fire safety infrastructure or regular safety audits. Incidents of fire not only cause direct loss of assets but also lead to long business interruptions. Those without proper insurance coverage or risk management systems find it extremely difficult to recover from such events.

In essence, the PP and HDPE bag manufacturing industry is operating in an environment marked by rising costs, regulatory headwinds, operational inefficiencies, and heightened market competition. To survive and grow in such conditions, manufacturers will need to adapt quickly—by strengthening quality control, improving operational efficiency, investing in compliance and sustainability, and finding ways to differentiate their offerings in both domestic and global markets.

Internal control systems and their adequacy

The Company maintains adequate internal control systems commensurate with the Company's size and business, which provide, among other things, reasonable assurance of recording the transactions of its operations in all material aspects and providing protection against misuse or loss of the Company's assets. The systems and processes are continually reviewed for their effectiveness by the company and augmented by documented policies and procedures.

Financial and Operating Performance

The operating revenue stood at Rs. 37.42 Lakhs (Rs. 2479.32 Lakhs in FY 2023-24) and operating profit/(loss) at Rs. 1191.55 Lakhs (Rs. (5612.14) Lakhs loss in FY 2023-24) respectively. The

However, the financial statements have been prepared by the management on a going concern basis for the reason stated in the aforesaid note.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Statements" section of our report. Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an

auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure B to the Independent Auditor's Report on the Standalone Financial Statements of SMVD Poly Pack Limited for the year ended 31st March, 2025

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

We have audited the internal financial controls with reference to financial statements of SMVD Poly Pack Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation

of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Qualified Opinion

We have audited the accompanying consolidated financial statements of **SMVD Poly Pack Limited** ("the Company"), and its associate (the Company and its associate together referred to as "the Group") which comprise the consolidated balance sheet as at March 31, 2025, and the consolidated statement of profit and loss, the consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required except for the possible effect of the matter described in the "Basis for Qualified Opinion" paragraph below, and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Group as at March 31, 2025 and its consolidated profit and its consolidated cash flows for the year then ended.

Basis for Qualified Opinion

We draw attention to Note 33 of the consolidated financial statements regarding erosion of share capital and reserves and surplus, and the accumulated losses have exceeded the Net Worth of the Group. As more fully explained in the above note, a material uncertainty exists that may cast a significant doubt on the Company's ability to continue as a going concern. However, the consolidated financial statements have been prepared by the management on a going concern basis for the reason stated in the aforesaid note.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements" section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Matter of Emphasis

- a) We draw attention to Note 32 of the consolidated financial statements, which describes the effects of fire on the Company's manufacturing facility and its consequential impact on the

consolidated financial statements and financial position of the Company. Our opinion is not modified in respect of this matter.

- b) We draw attention to Note 34 of the consolidated financial statements, which describes that the secured borrowing facilities used by the Company against security of stocks/inventory and property, plant and equipment of the Company, has been considered secured for the reasons as stated in the above note. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matters to be communicated in our report.

Information other than the Consolidated Financial Statements and Auditor's Report Thereon

The Group's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexure to Board's Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of each company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the Companies included in the Group is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The respective Board of Directors of the companies are responsible for overseeing the financial reporting process of each company.

Auditor's responsibilities for the audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its associate company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

“Annexure A” to the Independent Auditor’s Report of even date on the Consolidated Financial Statements of SMVD Poly Pack Limited for the year ended 31st March, 2025

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **SMVD Poly Pack Limited** (“the Company”) as of 31st March, 2025 in conjunction with our audit of the Consolidated Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes

those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.
