CHAIRMAN'S LETTER

Dear Esteemed Shareholders,

It is both an honour and a privilege to present to you the 16th Annual Report of Maks Energy Solutions India Limited. This year marks a significant milestone for our company as we celebrate our 16th Anniversary. It has been a remarkable journey, and I am pleased to share in our continued success as we expand our services year after year.

Our ability to thrive during these times is a testament to our potential to lead the way into a bright future. We have strategically extended our knowledge and capabilities, expanding our company's footprint both within India and internationally. Over the past year, we have broadened our business portfolio by entering the assembly and trading of Diesel Generator Sets and the trading of Auto Spare Parts. The future, indeed, looks promising and bright.

Our total revenue from operations for the year stood at ₹5,433.61 lakhs, as compared to ₹6,674.16 lakhs in the previous year. Total expenses for the year (before tax) amounted to ₹5,357.89 lakhs, as compared to ₹6,648.16 lakhs in the previous year.

However, our Profit After Tax (PAT) for the current year is ₹ 66.48 lakhs, an Increase from the previous year's profit of ₹ 55.16 lakhs.

Maks Energy Solutions India Limited is renowned for our Diesel Generator Sets, marketed under the brand name "Maks Generators." We specialize in generators powered by world-class engines such as TATA, Perkins, Cummins, and Volvo Penta.

Our extensive customer base spans across India, the SAARC region, Southeast Asia, the Middle East, Africa, and many other countries.

As we look ahead, we are committed to reaching new heights in our business and achieving even greater success in the Generator Business in the years to come.

Maks Energy Solutions India Limited founded under the visionary leadership of our Promoter, Mr. Sourabh Mahendra Shaw, alongside Mr. Mahendra Madhairam Shaw and Ms. Swati Sourabh Shaw. Over the years, the Company has experienced significant growth, driven by the strategic direction and expertise of Mr. Sourabh Mahendra Shaw and Mr. Mahendra Madhairam Shaw.

Mr. Sourabh Mahendra Shaw brings substantial experience in the trading, assembly, and supply of generator sets, playing a pivotal role in expanding our business into international markets. His foresight and vision have enabled us to identify and capitalize on opportunities, positioning the Company for continued success. Mr. Mahendra Madhairam Shaw, Whole Time Director, contributes over three decades of rich experience in the trading of Diesel Generator (DG) sets and spare parts. His guidance has been instrumental in the successful execution of our business strategies.

The core business of Maks Energy Solutions India Limited involves the procurement of Diesel Engines, Alternators, and other components from our suppliers, followed by the assembly of Diesel Generating Sets. These DG Sets, along with their spare parts, are then marketed and sold both domestically and internationally. In addition to our primary business, we have expanded into the distribution of automotive spare parts within Maharashtra, India.

Our operations began in 2010 as a dealer of generator sets. Since then, we have broadened our scope to include trading, assembling, selling, installing, testing, and commissioning of DG Sets. We have also served as a non-exclusive Original Equipment Manufacturer (OEM) of DG Sets for various clients, both

in the domestic market and for export. We source engines and peripherals such as control panels, customized synchronized panels, base frames, fuel tanks, canopies, acoustic enclosures, and room acoustic materials from trusted suppliers to assemble the DG Sets. Our products have been sold across Maharashtra, Delhi, Karnataka, Telangana, Punjab, and Jharkhand, and we have successfully exported our generator sets to countries in the Middle East, Southeast Asia, and parts of Africa.

Our assembly facility are strategically located at following location:

S.No. 13/6/1/3, Yeolewadi, Kondhwa-Saswad Road, Kondhwa, Pune – 411 048,

In 2019, we further diversified our operations by entering the commercial vehicle spare parts distribution business within Maharashtra.

BUSINESS OVERVIEW

Our business operations can be broadly classified under the following heads:

*Trading, assembly and
selling of Diesel Generator
sets and ancillary products*

*Distribution of
commercial vehicle spare
parts*

Our operations are primarily focused on the assembly and sale of Diesel Generating (DG) Sets. We source high-quality diesel engines, alternators, and other essential components from our trusted suppliers, which are then meticulously assembled into DG Sets. These products are marketed and sold across both domestic and international markets.

In addition to our core business, we have recently diversified into the distribution of auto spare parts within Maharashtra, India. This new venture complements our existing portfolio and positions us for further growth in the automotive sector.

KEY TRADING OPERATIONS

Our trading activities encompass a diverse range of products, including:

- Diesel Engines
- Diesel Generating Set Spare Parts
- Tata Spare Parts
- Ancillary Products
- Commercial Vehicle Spare Parts
- Alternators
- MS Plates
- TMT Bars

DG SET ASSEMBLY AND SALES

In our DG Sets business, we offer a comprehensive range of DG Sets with capacities ranging from 15 kVA to 1250 kVA. We source engines from our dealers and integrate them with other essential components, such as control panels, synchronized panels, base frames, fuel tanks, canopies, acoustic enclosures, and room acoustic materials. This allows us to deliver fully customized and high-performance DG Sets to our clients.

Our DG Sets serve a wide array of industries, including manufacturing, real estate, education, automotive, FMCG, dairy, hospitality, pharmaceuticals, and information technology. Domestically, we cater to clients across Maharashtra, Delhi, Karnataka, Telangana, and Jharkhand. On the international front, we export our DG Sets to markets in the Middle East, Southeast Asia, and Africa.

ASSEMBLY PROCESS OF MAKS GENERATORS:

Our assembly process is meticulously designed to ensure that every Maks generator adheres to the highest quality standards. The process is as follows:

1. SEQUENTIAL PLAN:

- **Stage 1:** Bringing the Engine and Alternator to the shop floor.
- **Stage 2:** Incorporating the Engine and Alternator onto the base frame, which includes the diesel tank.
- **Stage 3:** Coupling the Engine and Alternator.
- **Stage 4:** Attaching wiring and harnesses.
- **Stage 5:** Connecting the battery with cables.
- **Stage 6:** Installing the control panel.

2. FITMENT CHECK:

- We conduct thorough inspections at this stage to ensure all components are properly fitted.

3. CANOPY MATERIAL SEQUENTIAL PLAN:

- **Stage 1:** Assembling canopy parts.
- **Stage 2:** Installing main doors with locks.
- **Stage 3:** Installing control panel doors with locks.

4. ASSEMBLY:

- **Stage 1:** Covering the Engine and Alternator with the canopy.
- **Stage 2:** Fitting the exhaust piping onto the canopy.
- **Stage 3:** Connecting external cables.

5. PERFORMANCE TESTING:

- **Stage 1:** The DG Set is rigorously tested to its full capacity.
- **Stage 2:** Testing is conducted on a load bank to ensure the desired output.
- **Stage 3:** After a successful test run, the DG Set undergoes a shower test to check for any leakage in the canopy.

6. STICKERING, CLADDING, AND PACKAGING:

- Upon passing all tests, the DG Set is stickered with logos and embossed with serial numbers for the DG Set, Engine, Alternator, and Control Panel. A detailed test report is prepared and attached to the DG Set before it is packed and prepared for delivery.

DISTRIBUTION OF COMMERCIAL VEHICLE SPARE PARTS

During the financial year 2025-26, our company continued to expand its operations in the distribution of commercial vehicle spare parts, a key segment of our business. We have successfully supplied a comprehensive range of spare parts to State Transport Bodies, government sectors, and other affiliated organizations across the state of Maharashtra. This strategic initiative reinforces our commitment to supporting critical infrastructure and transportation services within the region. Our ability to deliver high-quality products consistently to these esteemed institutions underscores our dedication to operational excellence and strengthens our long-standing relationships with key stakeholders.

Since April 2019, our Company has been actively engaged in the distribution of commercial vehicle spare parts. We proudly serve major clients, including the Maharashtra State Road Transport Corporation (MSRTC), Pune Mahanagar Parivahan Mahamandal Ltd. (PMPML), and other affiliated bodies within the state of Maharashtra.

WORK FLOW CHART FOR COMMERCIAL VEHICLE SPARE PARTS BUSINESS

Throughout FY 2025-26, the company has diligently managed the supply chain operations for our Commercial Vehicle Spare Parts Business. The following streamlined process ensures the efficient procurement and delivery of spare parts, maintaining our commitment to excellence in service and operational transparency:

OUR STRENGTHS

We believe that the following strengths have been instrumental in our continued growth and success:

1. Established Operational Capability in the Diesel Generator Set Market

Over the years, we have developed robust operational capabilities for the assembly of diesel generator sets in India. Our state-of-the-art assembling facility is equipped with the necessary machinery and equipment to perform all required tests and adhere to stringent standards, ensuring the delivery of high-quality products to our customers.

We offer a comprehensive range of diesel generator sets, with capacities spanning from 15 kVA to 1250 kVA, catering to a broad spectrum of market segments. Our customer base includes industrial and corporate clients from diverse sectors such as services, manufacturing, real estate, education, automotive, FMCG, dairy, hospitality, logistics, pharmaceuticals, and information technology.

2. Proven Track Record

Our long-standing presence in the diesel generator industry, guided by our experienced Promoter and Directors, has enabled us to establish a strong track record in assembling and supplying diesel generator sets. This extensive experience has been a cornerstone in building and strengthening our brand.

3. Strong Technical and Execution Capabilities

We are confident that our well-equipped facilities, skilled and experienced workforce, and rigorous systems and procedures enable us to consistently deliver diesel generator sets that meet national standards. Our technical and execution capabilities are a key factor in maintaining the quality and reliability of our products.

4. Experienced and Proven Management Team

Our growth and operational success are largely attributable to our qualified and experienced management team. Mr. Mahendra Madhairam Shaw, one of our Executive Directors, brings over three decades of expertise in diesel generator sets and spare parts, and has been the driving force behind the effective execution of our business strategies. Mr. Sourabh Mahendra Shaw, our Promoter, with substantial experience in the diesel generator business, has played a pivotal role in expanding our operations into international markets.

We believe that our strong and experienced senior management team, through their unwavering commitment and extensive experience, has been instrumental in driving our business growth and maintaining high levels of productivity.

OUR STRATEGIC PRIORITIES

As we reflect on the fiscal year 2025-26, we are pleased to share the strategic initiatives that have been pivotal in driving our growth and strengthening our market position. Our commitment to excellence and innovation continues to be at the core of our operations, and we have focused on optimizing our competitive strengths to capitalize on emerging opportunities.

1.Capitalizing on Continued Demand for Generator Sets

India's economic growth trajectory, coupled with challenges like unstable power supply, energy deficits, and inadequate power infrastructure, has fuelled an increasing demand for generator sets. The diesel generator market in India is poised for significant growth, driven by the development of industrial parks, petrochemical investment regions, government infrastructure projects like metro rail systems, smart cities, and the expansion of state and national highways. Additionally, investments in the IT/ITeS sector, particularly in data center capacity, are further bolstering demand for our products.

Our generator sets business is strategically positioned to meet this growing demand for reliable and consistent backup power. Moreover, our products serve as primary power sources in remote or outdoor locations, including construction sites, railways, mining, quarrying, and oil and gas operations, where access to the electricity grid is limited or non-existent. To cater to the anticipated rise in demand, we are prepared to leverage our existing facilities by operating in multiple shifts, ensuring we can meet higher production requirements efficiently.

2.Expanding Our Reach in International Markets

Our presence in international markets, particularly in the Middle East, Southeast Asia, and Africa, has been a key growth driver. We export a diverse range of DG sets that utilize engines from our dealers to these regions, where we see substantial potential for Indian exporters. The growing demand in these international markets offers an opportunity to mitigate the impact of any potential downturn in the domestic market, providing us with a balanced growth strategy.

3.Strengthening Client Relationships and Expanding Our Client Base

Our business thrives on strong client relationships, and we remain committed to expanding and nurturing these connections. We believe that a robust client base is essential for the long-term stability and success of our business. To this end, we aim to increase the number of clients while retaining our existing ones, ensuring that we continue to build trust and deliver on our clients' needs.

Long-term relationships are the cornerstone of our business strategy. We are dedicated to maintaining these relationships by consistently meeting our clients' requirements and fostering trust through reliable service. Furthermore, we plan to explore strategic alliances that provide access to advanced technologies, allowing us to diversify our product offerings and expand our customer base in India.

The appointment of M/S. BDSP and Associates., Chartered Accountants (Firm Registration No. 138198W), as the Statutory Auditors of the Company, was approved by the Members at the Annual General Meeting held on September 25, 2025, to hold office from the conclusion of the 15th Annual General Meeting of the Company until the conclusion of the 20 Annual General Meeting of the Company, in accordance with the provisions of Section 139 of the Companies Act, 2013.

The Statutory Auditors have issued their report on the financial statements of the Company for the financial year ended March 31, 2026. The said Auditor's Report contains the following qualification(s):

Qualification I

The Company has trade receivables aggregating to Rs. 460.91 Lakhs outstanding for a substantial period ranging from approximately 2 to 3 years as at the balance sheet date. In our opinion, considering the ageing of such receivables and in the absence of sufficient appropriate audit evidence regarding their recoverability, the Company is required to make appropriate provision towards impairment / expected credit loss on such receivables.

However, the Company has not recognized any provision for bad and doubtful debts against the aforesaid receivables.

Consequently, trade receivables, total assets and shareholders' funds are overstated by Rs. 460.91 Lakhs and the loss for the year is understated / profit for the year is overstated by the said amount.

Reply

Management's views to Audit Qualification I

The Management acknowledges the auditor's observation regarding trade receivables amounting to Rs. 460.91 Lakhs outstanding for 2 to 3 years. These balances primarily relate to certain major customer accounts against which the Company has initiated active recovery measures.

Out of the total outstanding amount, receivables of approximately Rs. 290 Lakhs are under legal proceedings and, based on legal advice received, the Management believes the Company has a strong case with likely favorable outcome. Further, receivables of Rs. 32 Lakhs are disputed by the customer post-shipment, and the Company is exploring appropriate recovery mechanisms including legal remedies.

For the remaining balances, the Company is in continuous follow-up and discussions with the concerned parties, and progress has been observed in recovery efforts during Q4 FY 2025-26.

Considering the ongoing legal and recovery proceedings, the Management is presently unable to reliably estimate the amount of provision, if any, required against such receivables. Accordingly, the Management believes that no provision is presently warranted and the matter will continue to be reviewed periodically based on the outcome of recovery efforts and legal proceedings.

Qualification II

The Company has advances to vendors aggregating to Rs. 82.43 Lakhs which have remained outstanding for a prolonged period ranging from approximately 1 to 3 years as at the balance sheet date. Further, based on the information and explanations made available to us, the said parties are not regular suppliers of the Company and no significant/material transactions have been undertaken with such parties during the year.

In the absence of sufficient appropriate audit evidence regarding recoverability, adjustment or realization of such advances, in our opinion, the Company is required to appropriately write off / provide for the said balances in the Statement of Profit and Loss in accordance with the applicable accounting principles generally accepted in India.

However, the Company has not written off / provided for the aforesaid advances. Consequently, Other Current Assets / Loans and Advances, total assets and shareholders' funds are overstated by Rs. 82.43 Lakhs and the profit for the year ended March 31, 2026 is overstated by the said amount.

Management's views to Audit Qualification II

With respect to the observation regarding vendor advances aggregating to Rs. 82.43 Lakhs outstanding for a prolonged period, the Management clarifies that these advances were made towards procurement of materials in the ordinary course of business.

Due to unforeseen circumstances, the materials could not be supplied within the expected timelines. However, the Company continues to maintain regular communication with the concerned vendors, who have confirmed their willingness to adjust the advances against future supply of materials/orders. Accordingly, the Management believes that the said advances are recoverable and no provision or write-off is presently considered necessary. The balances are being continuously monitored and appropriate action, if required, will be taken in future based on recoverability assessment.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

OVERVIEW

The Financial Statements for the financial years 2025–26 and 2024–25, together with the accompanying notes, significant accounting policies, and the Statutory Auditors' Report dated May 27, 2026, form an integral part of this Annual Report.

The Company's Financial Statements have been prepared in strict compliance with the applicable provisions of the Companies Act, 2013, Indian Generally Accepted Accounting Principles (Indian GAAP), and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The reporting framework ensures transparency, accuracy, and consistency in reflecting the Company's financial position and performance.

It may be noted that the interpretation and depth of insights derived from these Financial Statements could vary depending on the reader's familiarity with Indian accounting standards and practices.

The Company's financial year concludes on March 31 of each year. Accordingly, any reference to a fiscal year in this Report denotes the twelve-month period ending on March 31 of the respective year.

Industry Structure and Developments

The Indian diesel generator (DG) market continues to demonstrate resilience and steady growth, with an estimated Compound Annual Growth Rate (CAGR) of around 5% projected over the medium term. While the sector faced significant disruptions during the COVID-19 pandemic, demand recovery has been robust, particularly in essential services such as healthcare, information technology, telecommunications, and data centres, where uninterrupted power supply remains mission-critical.

The revival of industrial and commercial activity, coupled with infrastructure expansion across Tier-II and Tier-III cities, has further supported demand for DG sets. The commercial and residential segments are expected to remain key growth drivers, supported by increasing urbanization, the rise of organized retail, and the need for reliable backup power in both business and household settings.

At the same time, the industry faces structural shifts as India accelerates its transition towards renewable energy and low-emission technologies. Compliance with the CPCB-IV+ emission norms is reshaping the market, encouraging innovation and adoption of cleaner, more efficient generator solutions. While this transition may pose short-term challenges in terms of cost and compliance, it also opens up long-term opportunities for differentiation and sustainable growth.

Looking ahead, growth in the manufacturing sector, driven by the Government's 'Make in India' initiative and ambitions to establish India as a global manufacturing hub by 2030, is expected to significantly boost demand for reliable power backup solutions. Diesel generators will continue to play a vital role as both primary and standby power sources for industries that cannot afford downtime.

Further, technological advancements, including hybrid power systems, remote monitoring, and integration with renewable energy sources, are anticipated to strengthen the DG market by improving efficiency, reliability, and environmental performance.

Your Company remains well-positioned to capitalize on these developments. With a strong portfolio of products, a growing export footprint, and a focus on service excellence, we are committed to leveraging emerging opportunities while navigating the evolving regulatory and energy landscape.

India Diesel Generator Industry Segmentation

The Indian Diesel Generator (DG) industry is diverse and caters to a wide spectrum of applications across residential, commercial, industrial, and infrastructure sectors. The segmentation can be broadly classified as follows:

Sr No.	Particulars	End Users
1.	Types	• Portable generators • Inverter Generators • Industrial generators • Induction generators
2.	Application	• Standby • Primer Power • Continuous • Peak Shaving
3.	Purpose	• Residential • Commercial • Industrial • Infrastructure
4.	Power Ratings	• Below 75 kVA • 75-375 kVA • 375-750 kVA • Above 750 kVA
5.	By Region:	• North India • South India • East India • West India

BUSINESS OVERVIEW

During FY 2025–26, the Company continued to strengthen its foothold in the diesel generator set (DG Set) market, driven by a combination of operational excellence, customer trust, and strategic growth initiatives. With India's growing emphasis on infrastructure, industrial expansion, and uninterrupted power solutions, we remain well-placed to address diverse market requirements across residential, commercial, industrial, and export segments.

Our Strengths:

Sustained Expansion in the Diesel Generator Market: The Company has further broadened its operational reach, ensuring timely delivery of power solutions across multiple customer segments and geographies.

Consistent Performance: Our proven track record of execution and reliability continues to reinforce customer confidence and strengthen repeat business.

Technical and Execution Excellence: Leveraging our strong engineering expertise, compliance with the latest emission standards, and focus on high-quality solutions, we have successfully addressed evolving market needs.

Experienced Leadership: Our management team remains dedicated to driving innovation, strategic partnerships, and sustainable growth, ensuring the Company remains agile in a competitive and changing energy environment.

Competition: In FY 2025–26, competition in the DG set business has intensified, shaped by multiple factors including product capacity range, project location diversity, customer-specific customization, and pricing pressures.

While the Company continues to face challenges from well-established domestic and multinational players, regional competitors remain strong in localized markets where price competitiveness and distribution strength play a decisive role. The transition to CPCB-IV+ emission norms has also redefined the competitive landscape, with players who adapt faster to regulatory changes gaining a relative advantage.

Despite these challenges, the Company has retained its competitive position by:

- Strengthening customer-centric service models and after-sales support.
- Expanding its distribution network and export footprint.
- Emphasizing cost optimization and operational efficiency.
- Focusing on innovation in product design and compliance with evolving emission standards.

With these strategies, the Company remains confident of sustaining growth and safeguarding market share in an increasingly competitive environment.

RISKS, OPPORTUNITIES AND THREATS

RISKS

1. Technological Transition and Customer Expectations

The pace of technological change, combined with evolving customer needs for more efficient and environmentally compliant solutions, continues to be a key risk. To address this, the Company is investing in R&D, digital monitoring capabilities, and advanced emission-compliant products to ensure alignment with industry trends and regulatory requirements.

2. Availability of Skilled Workforce

The shortage of skilled technical manpower remains a concern, particularly as demand for specialized expertise in new emission technologies and hybrid solutions increases. The Company is mitigating this risk by investing in structured training, employee retention initiatives, and partnerships with technical institutions.

3. Regulatory Compliance

The implementation of CPCB-IV+ norms and evolving energy policies require continuous adaptation. While compliance enhances product quality and sustainability, it also poses challenges in terms of cost structures and supply chain readiness.

OPPORTUNITIES

1. Government Policy Support

The Government of India's continued thrust on 'Atmanirbhar Bharat' and Production Linked Incentive (PLI) schemes for manufacturing present significant opportunities. These initiatives are designed to encourage domestic production, reduce import dependency, and build strong supply chains. The Company is strategically aligning operations to leverage these programs, strengthening its role in supporting national objectives.

2. Technological Advancements

The ongoing development of fuel-efficient, emission-compliant, and hybrid diesel generator sets offers

opportunities to expand product offerings and capture new customer segments. The Company remains committed to embracing these innovations to enhance competitiveness and customer value.

3. Export Growth Potential

The demand for reliable and cost-effective power solutions in emerging global markets presents a strong growth opportunity. By expanding its international footprint, the Company is positioning itself to capture export-driven revenue streams.

4. Employment Generation and Community Impact

With India's push for domestic manufacturing, the DG set sector is expected to create additional employment opportunities. The Company is proud to contribute to this positive economic impact, fostering skill development and job creation within local communities.

THREATS

1. Supply Chain Volatility

Global geopolitical uncertainty, fluctuations in commodity prices, and logistical challenges continue to affect the supply chain. The Company is adopting multi-sourcing strategies, vendor diversification, and inventory optimization to minimize disruptions.

2. Intensified Market Competition

The DG set industry has seen an influx of new entrants and aggressive expansion by existing players, both domestic and multinational. To counter this, the Company is focusing on innovation, customer-centric service models, and operational efficiency to sustain its competitive edge.

3. Shift to Renewable Alternatives

The growing adoption of renewable energy and battery storage solutions represents a long-term structural threat. The Company is actively exploring hybrid models and alternative-fuel generators to align with this transition.

SIGNIFICANT DEVELOPMENTS AFTER MARCH 31, 2026 THAT MAY AFFECT FUTURE RESULTS OF OPERATIONS

Several developments after the close of the financial year may influence the Company's performance in FY 2026–27 and beyond:

- **Regulatory Changes:** Continued evolution of emission norms and environmental regulations necessitates timely compliance and adaptation in product design and manufacturing processes.
- **Competitive Intensity:** The entry of new players, coupled with strategic expansions by established competitors, has heightened market competition, requiring continuous innovation and differentiation.
- **Implementation of Growth Plans:** While the Company remains committed to its strategic growth roadmap, challenges relating to cost pressures and execution timelines may influence the pace of implementation.
- **Economic and Business Environment:** Global macroeconomic uncertainties, inflationary pressures, and fluctuating demand cycles have the potential to impact operational performance.
- **Health and Safety Considerations:** Company continues to prioritize employee safety, supply chain resilience, and business continuity planning in the face of evolving health and environmental risks.

DISCUSSION OF RESULT OF OPERATION

The results of our operations for the fiscal years 2025-2026 and 2024-2025 reflect the impact of various factors influencing our income and expenditure. The table below provides a detailed comparison of

our operational results for the two fiscal years. Please note that fluctuations in our financial performance from period to period are a result of these diverse factors.

RESULTS OF OUR OPERATIONS AS PER FINANCIAL STATEMENTS

FINANCIAL REVIEW

Income Statement Summary MAKs's performance during FY 2025–26 reflected resilience amidst stable revenues and an increasingly competitive environment. The Company reported a total income of ₹5,433.61 lakh, registering a decline of 18.61% compared to ₹6,674.91 lakh in FY 2024–25.

Despite the relatively flat revenue trend, profitability improved significantly. Profit Before Tax (PBT) rose to ₹89.85 lakh in FY 2025–26, registering an increase of 21.87% over ₹73.74 lakh in the previous year. Similarly, Profit After Tax (PAT) increased to ₹66.48 lakh, compared to ₹55.16 lakh in FY 2024–25, reflecting a growth of 20.52%

This strong improvement in bottom-line performance was primarily driven by effective cost management, improved operational efficiency, and disciplined financial practices, despite the impact of higher finance charges and lower other income.

Earnings per Share (EPS) also strengthened to ₹0.96 in FY 2025-26, as against ₹0.80 in FY 2024–25, in line with the improved profitability and enhanced shareholder value.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has in place an effective and reliable internal control system commensurate with the size and nature of its operations. These controls are designed to ensure orderly and efficient conduct of business, adherence to applicable statutory requirements, safeguarding of assets, prevention and detection of frauds and errors, accuracy and completeness of accounting records, and timely preparation of reliable financial information.

The adequacy and effectiveness of the internal control systems are continuously monitored through periodic self-assessments, internal audits, and reviews by statutory auditors. The findings and recommendations are reviewed by the management to ensure that corrective measures are implemented in a timely manner, thereby strengthening the overall control environment.

MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED

Your Company continues to recognize that its people are its most valuable asset and the cornerstone of its success. The Company follows a policy of building strong teams of talented professionals and has maintained a sharp focus on employee engagement, development, and well-being.

The Human Resources framework is commensurate with the size, nature, and operations of the Company. Initiatives are undertaken on a continuous basis to enhance employee satisfaction and strengthen organizational capabilities.

As part of employee welfare measures, the Company provides health insurance coverage through a recognized insurance provider, M/s MD India Health Insurance TPA Private Limited, ensuring medical security and benefits to its employees and their families.

The industrial relations environment during the year remained cordial, with a culture of collaboration and mutual trust being fostered across all levels of the organization. The number of permanent employees on the rolls of the Company as on 31 March 2026 was -25.

RISK MANAGEMENT

The Company has established a robust risk management framework designed to identify, assess, and mitigate various business risks that may affect its performance and sustainability. The framework

ensures proactive monitoring and timely management of internal as well as external risks, thereby safeguarding the interests of stakeholders.

Key categories of risks identified and monitored by the Company include:

- **Operational Risks:** Continuous focus is maintained on improving operational efficiency, supply chain resilience, and quality control processes to minimize disruptions.
- **Financial Risks:** The Company regularly monitors liquidity, credit, interest rate, and foreign exchange exposures, ensuring prudent financial management and compliance with regulatory requirements.
- **Compliance Risks:** A structured compliance management system ensures adherence to applicable laws, regulations, and corporate governance standards.
- **Strategic Risks:** Regular evaluation of business strategies in light of changing market dynamics, competition, and customer expectations helps in aligning objectives with sustainable growth.
- **Technology and Cybersecurity Risks:** With increasing reliance on digital platforms, the Company has implemented appropriate IT controls, data protection policies, and cybersecurity measures.

The Board of Directors and the Audit Committee periodically review the risk management framework to ensure its adequacy and effectiveness. The Company remains committed to strengthening its risk management practices to support long-term growth and value creation.

INDEPENDENT AUDITORS' REPORT

To,
The Members of
Maks Energy Solutions India Limited
Report on the Audit of the Financial Statements

Qualified Opinion

We have audited the financial statements of Maks Energy Solutions India Limited ("the Company") which comprise the balance sheet as at 31st March 2026, the statement of profit and loss, statement of cash flows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion paragraph below, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026, and profit and its cash flows for the year ended on that date.

Basis for Qualified Opinion

Our report on the financial Statements for the year ended March 31, 2026 was qualified in respect of the matters stated below:-

i. The Company has trade receivables aggregating to Rs. 460.91 Lakhs outstanding for a substantial period ranging from approximately 2 to 3 years as at the balance sheet date. In our opinion, considering the ageing of such receivables and in the absence of sufficient appropriate audit evidence regarding their recoverability, the Company is required to make appropriate provision towards impairment / expected credit loss on such receivables.

However, the Company has not recognized any provision for bad and doubtful debts against the aforesaid receivables.

Consequently, trade receivables, total assets and shareholders' funds are overstated by Rs. 460.91 Lakhs and the profit for the year is overstated by the said amount.

ii. The Company has advances to vendors aggregating to Rs. 82.43 Lakhs which have remained outstanding for a prolonged period ranging from approximately 1 to 3 years as at the balance sheet date. Further, based on the information and explanations made available to us, the said parties are not regular suppliers of the Company and no significant/material transactions have been undertaken with such parties during the year.

In the absence of sufficient appropriate audit evidence regarding recoverability, adjustment or realization of such advances, in our opinion, the Company is required to appropriately write off / provide for the said balances in the Statement of Profit and Loss in accordance with the applicable accounting principles generally accepted in India.

However, the Company has not written off / provided for the aforesaid advances.

Consequently, Other Current Assets / Loans and Advances, total assets and shareholders' funds are overstated by Rs. 82.43 Lakhs and the profit for the year ended March 31, 2026 is overstated by the said amount.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon. We state that below is the Key Audit matter and our audit approach is listed as under for the same.

Key Audit Matter	How our audit addressed the key audit matter
Valuation and Verification of Inventory	Our audit procedures in relation to this matter included, among others, the following:

The Company's existing inventory accounting system does not generate a complete item-wise movement report capturing opening quantities, inward movements, consumption/sales and closing quantities. Consequently, the closing inventory quantities were determined by the management through physical verification, and the valuation of inventory was carried out based on the quantities identified during such verification. We considered this matter to be a Key Audit Matter because: complete item-wise inventory movement records were not available; the determination of closing quantities through physical verification involves a risk of manual or human error; and significant audit effort was required to verify the existence and quantities of closing inventory and to evaluate the basis of its valuation.	We examined the records and documentation maintained by the Company in respect of the physical verification of inventory and reconciled, on a test-check basis, the quantities recorded therein with the quantities considered in the inventory valuation workings prepared by the management. We evaluated the physical verification procedures performed by the internal auditor and reviewed the internal auditor's report, including the results of the test checks conducted on selected inventory items. We noted that no material discrepancies were reported therein. We performed analytical procedures to assess the reasonableness of the closing inventory valuation, including an analysis of the gross profit margins recorded during the year and comparison with relevant historical trends and other available financial information.
---	---

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Directors' Responsibility for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of the appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Management and Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to

communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
 - c) The balance sheet, the statement of profit and loss and statement of cash flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the AS specified under Section 133 of the Act.
 - e) On the basis of written representations received from the directors as on 31 March 2026 taken on record by the Board of Directors, none of the Directors is disqualified as on 31 March 2026 from being appointed as a director in terms of section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
 - g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us :
 - i. The Company does not have any pending litigations which would impact its financial position, except the matter specified in Basis for Qualification para mentioned on first page of our report;

Annexure “B” to the Independent Auditor’ Report on the Financial Statement of Maks Energy Solutions India Limited for the year ended 31 March 2026

Report on the internal financial controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

(Referred to in paragraph 2(f) under ‘Report on other legal and regulatory requirements’ section of our report of even date)

We have audited the internal financial controls with reference to financial statements of Maks Energy Solutions India Limited (“the Company”) as of 31 March 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management’s Responsibility for Internal Financial Controls

The Company’s management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as “the Act”).

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of

internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our unmodified audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

<u>Audit Qualification (each audit qualification separately):</u>				
a. Details of Audit Qualification: i. The Company has trade receivables aggregating to Rs. 460.91 Lakhs outstanding for a substantial period ranging from approximately 2 to 3 years as at the balance sheet date. In our opinion, considering the ageing of such receivables and in the absence of sufficient appropriate audit evidence regarding their recoverability, the Company is required to make appropriate provision towards impairment / expected credit loss on such receivables. However, the Company has not recognized any provision for bad and doubtful debts against the aforesaid receivables. Consequently, trade receivables, total assets and shareholders' funds are overstated by Rs. 460.91 Lakhs and the loss for the year is understated / profit for the year is overstated by the said amount. ii. The Company has advances to vendors aggregating to Rs. 82.43 Lakhs which have remained outstanding for a prolonged period ranging from approximately 1 to 3 years as at the balance sheet date. Further, based on the information and explanations made available to us, the said parties are not regular suppliers of the Company and no significant/material transactions have been undertaken with such parties during the year. In the absence of sufficient appropriate audit evidence regarding recoverability, adjustment or realization of such advances, in our opinion, the Company is required to appropriately write off / provide for the said balances in the Statement of Profit and Loss in accordance with the applicable accounting principles generally accepted in India. However, the Company has not written off / provided for the aforesaid advances. Consequently, Other Current Assets / Loans and Advances, total assets and shareholders' funds are overstated by Rs. 82.43 Lakhs and the profit for the year ended March 31, 2026 is overstated by the said amount.				
b. Type of Audit Qualification : Qualified Opinion				
b. Frequency of qualification: Qualification i. Fourth time Qualification ii. Fourth time				
d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views on Qualification i: Not Applicable Qualification ii: Not Applicable				

e. For Audit Qualification(s) where the impact is not quantified by the auditor:	
	(i) Management's estimation on the impact of audit qualifications: Qualification i :Not Applicable Qualification ii: Not Applicable
	(ii) If management is unable to estimate the impact, reasons for the same: Management's views to Audit Qualification i of the Audit Report: The Management acknowledges the auditor's observation regarding trade receivables amounting to Rs. 460.91 Lakhs outstanding for 2 to 3 years. These balances primarily relate to certain major customer accounts against which the Company has initiated active recovery measures. Out of the total outstanding amount, receivables of approximately Rs. 290 Lakhs are under legal proceedings and, based on legal advice received, the Management believes the Company has a strong case with likely favorable outcome. Further, receivables of Rs. 32 Lakhs are disputed by the customer post-shipment, and the Company is exploring appropriate recovery mechanisms including legal remedies. For the remaining balances, the Company is in continuous follow-up and discussions with the concerned parties, and progress has been observed in recovery efforts during Q4 FY 2024-25. Considering the ongoing legal and recovery proceedings, the Management is presently unable to reliably estimate the amount of provision, if any, required against such receivables. Accordingly, the Management believes that no provision is presently warranted and the matter will continue to be reviewed periodically based on the outcome of recovery efforts and legal proceedings. Management's views to Audit Qualification ii of the Audit Report: With respect to the observation regarding vendor advances aggregating to Rs. 82.43 Lakhs outstanding for a prolonged period, the Management clarifies that these advances were made towards procurement of materials in the ordinary course of business. Due to unforeseen circumstances, the materials could not be supplied within the expected timelines. However, the Company continues to maintain regular communication with the concerned vendors, who have confirmed their willingness to adjust the advances against future supply of materials/orders. Accordingly, the Management believes that the said advances are recoverable and no provision or write-off is presently considered necessary. The balances are being continuously monitored and appropriate action, if required, will be taken in future based on recoverability assessment.
