2. Pursuant to the provisions of the Act, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
3. Institutional / Corporate Shareholders (i.e. other than individuals, HUF, NRI, etc.) are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/ Authorization etc., authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Company at info@excellentwiresandpackaing.com with a copy marked to evoting@nsdl.co.in
4. As per Regulation 40 of SEBI Listing Regulations, as amended, as mandated by SEBI, effective April 01, 2019 except in case of transmission or transposition of securities, requests for effecting transfer of securities shall not be processed unless the securities are held in dematerialised mode with a depository. Accordingly, the Members of the Company were requested to open a demat account and submit physical securities to their DP’s. Members can contact the Company or Company’s Registrar and Transfer Agents, Bigshare Services Private Limited (BSPL) for assistance in this regard.

5. To support the 'Green Initiative', Members who have not yet registered their email addresses are requested to register the same with their DPs in case the shares are held by them in electronic form and with Excellent Wires and Packaging Limited at info@excellentwiresandpackaging.com in case the shares are held by them in physical form.
6. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone/ mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their DPs in case the shares are held by them in electronic form and to Excellent Wires and Packaging Limited in case the shares are held by them in physical form.
7. As per the provisions of Section 72 of the Act, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. Members are requested to submit the said details to their DP in case the shares are held by them in electronic form and to Excellent Wires and Packaging Limited in case the shares are held in physical form. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
8. The Company has fixed cutoff date i.e. Wednesday, 16th September, 2026 for determining the eligibility for e-voting by electronic means at 5th AGM.
9. Members seeking any information with regard to the financial statements or any other matter to be placed at the 5th AGM, are requested to write to the Company from their registered e-mail address, mentioning their name, DP ID and Client ID / Folio Number and mobile number, at the Company's e-mail address, info@excellentwiresandpackaging.com on or before Wednesday, 16th September, 2026, (5:00 p.m. IST). MANAGEMENT DISCUSSION AND ANALYSIS REPORT

OVERVIEW

The Company is in the business of manufacturing of a diverse range of high-quality wires, including Spring Steel Wire, Galvanized Wire (GI Wire), Round Stitching Wire, Brass Wire, Copper Wire, Stainless Steel Wire, Mild Steel (M.S.) & Low Carbon Wire, H.B. & H.H.B. Wire, Annealed Wire, Spiral Wires, and Baling Wires. The Company has also started the manufacturing and trading of Precious Metals like Gold and Silver Wires which in majority caters to the Gems & Jewellery and other related Industries.

One of the primary forces behind industrialization has been the use of metals. Steel has traditionally occupied a top spot among metals. Steel production and consumption are frequently seen as measures of a country's economic development because it is both a raw material and an intermediary product. Therefore, it would not be an exaggeration to argue that the steel sector has always been at the forefront of industrial progress and that it is the foundation of any economy.

The wire and cable industry is an essential segment of the electrical equipment industry, supporting infrastructure, power, construction, automobile, and telecom sectors. The Indian wire market has witnessed significant growth driven by government initiatives like *Make in India*, smart cities, and rural electrification. Increasing industrialization and infrastructure development have also accelerated demand for wires and metal products.

Packaging currently stands as the fifth largest sector in the Indian economy, reflecting its pivotal role in driving industrial growth and innovation. With an annual growth rate of 22-25%, the industry has become a preferred hub for packaging solutions, bolstered by advancements in technology and infrastructure.

India has the largest population in the world in the age bracket of 5-24 years with 580 million people, presenting a huge opportunity in the education sector. At the same time India's auto components industry's market share has significantly expanded, led by increasing demand for automobiles by the growing middle class and exports globally. India has potential to become a global manufacturing hub and by 2030, it can add more than US\$ 500 billion annually to the global economy.

Technological advancements are enhancing productivity and quality, while rising export potential offers opportunities for market expansion. All of the above factors and industries will drive the demand for our Wires & Wire products including Galvanized wires, M.S. wires, Copper wires, and Steel wire ropes, etc.

INDUSTRY STRUCTURE AND DEVELOPMENTS

Indian Steel Industry

India continues to be the world's second-largest producer of crude steel and remains one of the fastest-growing steel markets globally. The Indian steel industry has witnessed sustained growth in production and domestic consumption, supported by infrastructure development, urbanisation, manufacturing activity and rising investment across key end-use sectors.

During FY 2025-26, India's crude steel production stood at approximately 168.4 million tonnes (MT), while finished steel production stood at approximately 160.90 MT. Finished steel consumption reached approximately 163.7 MT, reflecting strong domestic demand. Compared with FY 2024-25, crude steel production increased substantially, demonstrating the continued expansion of the domestic steel industry.

The growth of the Indian steel sector continues to be supported by the availability of domestic iron ore resources, a large domestic market, competitive labour costs and increasing investments in modernisation and capacity expansion. The industry has also been progressively adopting advanced technologies, improving energy efficiency and focusing on reducing its environmental footprint.

India's crude steelmaking capacity has expanded significantly and reached approximately 220–222 MT per annum during FY2025-26/Q1 FY2026-27. The Government's National Steel Policy, 2017 envisages increasing crude steel capacity to 300 MT, crude steel production to 255 MT and per-capita finished steel consumption to around 160 kg by 2030-31.

The Government continues to support the development of the steel sector through various policy initiatives, including the Production Linked Incentive (PLI) Scheme for Specialty Steel, the Steel Scrap Recycling Policy, measures for promoting green steel and initiatives aimed at improving raw material security, logistics and technological capabilities. The Government has also introduced further measures under the specialty steel PLI framework to encourage domestic manufacturing and reduce dependence on imports.

The outlook for the Indian steel industry remains positive, supported by sustained expenditure on roads, railways, urban infrastructure, housing, power, manufacturing and other capital-intensive sectors. During April–July 2026, crude steel production increased by approximately 2.4% year-on-year to 56.2 MT, while finished steel production increased by 4.7% to 54.7 MT. Finished steel consumption grew by approximately 7.9% to 56.0 MT, indicating continued strength in domestic demand.

However, the industry continues to face challenges arising from volatility in global steel prices, fluctuations in raw material and energy costs, logistics costs, international trade conditions and increasing competitive pressures. The industry's long-term growth will therefore depend on capacity expansion, product diversification, operational efficiencies, technological upgradation and the transition towards lower-carbon steel production.

Indian Wires and Cables Industry

The Indian wires and cables industry is witnessing strong structural growth, supported by increasing investments in power transmission and distribution, renewable energy, infrastructure, real estate, railways, data centres, electric vehicles and industrial development.

According to CRISIL Ratings, the organised wires and cables industry, representing around 70% of the organised sector's revenue, is expected to witness continued growth in FY 2026-27. Industry volumes are expected to grow by approximately 10% during FY 2026-27, following strong volume growth of more than 20% in the preceding fiscal year. Demand is expected to be supported by investments of approximately ₹10–12 lakh crore across renewable energy, power, real estate and emerging sectors such as data centres and smart meters.

The sector is also benefiting from the continued expansion of India's power infrastructure. Investments in renewable power generation, transmission networks and distribution infrastructure are expected to create sustained demand for power cables and other electrical products. The increasing adoption of solar and wind power, together with the development of transmission infrastructure required for evacuation and distribution of renewable power, is expected to remain an important growth driver.

India's renewable energy transition is creating additional opportunities for the wires and cables industry. The country's target of achieving 500 GW of non-fossil fuel-based power capacity by 2030 requires substantial investments in generation, transmission and distribution infrastructure. Recent transmission projects aimed at evacuating renewable power further demonstrate the scale of infrastructure investment required to support this transition.

The commercial and industrial renewable energy segment is also expected to expand significantly. CRISIL estimates that renewable energy capacity in the commercial and industrial segment could increase from approximately 40 GW at the end of FY2025-26 to around 57 GW by FY2027-28, subject to timely expansion of transmission infrastructure and supportive policies.

The wires and cables industry is also benefiting from the growing emphasis on digitalisation and new-age infrastructure. Investments in data centres, smart meters, electric mobility, industrial automation and urban infrastructure are creating new applications for power and specialised cables. According to industry estimates, the Indian cable and wire market is expected to expand from approximately ₹1.1 lakh crore in FY2025-26 to around ₹1.7 lakh crore by FY2029-30, representing a growth rate of approximately 12% annually.

The industry nevertheless remains exposed to fluctuations in the prices of key raw materials, particularly copper and aluminium, which constitute a significant portion of the cost structure. The ability of manufacturers to pass on changes in raw material prices to customers, maintain operating efficiencies and expand product offerings will remain important factors influencing profitability.

Infrastructure and Construction-led Demand

The Government's continued emphasis on infrastructure development is expected to remain a key driver for the steel, wires and cables industries. Investments in roads, railways, airports, urban infrastructure, housing, power transmission and renewable energy are generating sustained demand for construction materials and electrical infrastructure.

Infrastructure spending is increasingly broad-based, extending beyond traditional roads and buildings to include renewable energy projects, transmission networks, data centres, smart grids, electric mobility and digital infrastructure. This expansion of the infrastructure ecosystem is expected to provide long-term growth opportunities for manufacturers of steel products, wires and cables.

Overall, the Indian steel, wires and cables industries are positioned for sustained medium-to-long-term growth, supported by India's economic expansion, urbanisation, infrastructure development, increasing power demand and transition towards renewable energy. At the same time, companies operating in these sectors will need to remain focused on cost competitiveness, product quality, technological advancement, capacity utilisation, raw material management and sustainability to capitalise on the opportunities emerging in the sector.

OPPORTUNITIES AND THREATS

Opportunities/Strength

- Rise in demand for metal wires & wire products
- Increasing focus on renewable energy and electrification projects
- Growth in housing and infrastructure sectors
- Export potential for value-added wire products

Threats

- Volatility in raw material prices (especially alloy & precious metals)
- Intense competition from organized and unorganized players
- Regulatory and environmental compliance challenges
- Import dependency for certain high-grade raw materials
- Power and logistics cost fluctuations

RISK AND CONCERNS

- Raw material price fluctuations may impact profitability
- Delay in infrastructure projects can affect order inflow
- Compliance and regulatory changes may increase operational costs
- Rising competition from cheaper imports
- Environmental and sustainability challenges

Financial Performance with respect to Operational Performance

The Total Turnover of the Company is Rs. 2,291.97 (In Lakhs) in current year and Rs. 2,243.90 (In Lakhs) in previous year indicating increase by 2.14%. The Company has earned a Profit of Rs. 151.03 (In Lakhs) as compared to Rs. 111.67 (In Lakhs) in the previous year.

Details of significant changes in key financial ratios

In accordance with the amended SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, the Company is required to give details of significant changes (i.e. change of 25% or more as compared to the immediately previous financial year) in key financial ratios, along with detailed explanations thereof:

The Company has identified following ratios as key financial ratios:

Particulars	FY 2025-26	FY 2024-25	% Change	Reason for change of 25% or more as compared to the immediately previous financial year
Trade Receivable Turnover Ratio	4.16	6.76	-38.47%	The ratio declined from 6.76 times to 4.16 times, representing a decrease of 38.47%, mainly due to a significant increase in average trade receivables while net sales remained relatively stable.
Inventory Turnover	7.23	7.42	-2.56%	NA
Interest Coverage Ratio	71.66	17.64	306.24%	During the year, the ratio increased from 17.64 times to 71.66 times, mainly due to a significant decrease in finance costs and improved profitability in the current financial year.
Current Ratio	3.98	17.06	-76.67%	During the year, the decrease in the Current Ratio is primarily attributable to an increase in current liabilities during the year as compared to the previous year, while current assets remained at a comparable level. Resulting in a lower liquidity ratio compared to the previous year.
Debt Equity Ratio	0.09	-	100.00%	During the year, the Debt-Equity Ratio increased from Nil in the previous year to 0.09 during the current year due to the Company availing borrowings during the year. Despite the increase, the ratio remains low, indicating a conservative capital structure with minimal reliance on debt financing.
Net Profit Margin	0.07	0.05	32.57%	During the year, The Net Profit Ratio increased by 32.50% during the year, primarily due to higher growth in net profit after tax compared to the growth in revenue from operations. This reflects improved

				profitability and better operational efficiency during the financial year.
Return on Capital Employed	0.07	0.06	18.39%	During the year, The Return on Capital Employed increased by 18.39% during the year, primarily due to an increase in profitability, resulting in higher earnings generated from the capital employed. This reflects improved efficiency in the utilization of the Company's capital resources.

INDEPENDENT AUDITOR'S REPORT

**To the Members of Excellent Wires and Packaging Limited
(Formerly known as Excellent Wires and Packaging Private Limited)**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the Standalone financial statements of Excellent Wires and Packaging Limited (Formally known as Excellent Wires and Packaging Private Limited) ("The Company"), which comprise the Standalone Balance Sheet as at March 31, 2026, the Standalone Statement of Profit and Loss and Statement of Standalone Cash flow Statement for the year then ended, and notes to the Standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its Standalone profit and its Standalone cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditors Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone financial statements of the current period. These matters were addressed in the context of our audit of the Standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that we do not have any matters to be reported as Key audit matters to be communicated in our Report.

Other Information

The Company's Board of Directors is responsible for other information. The other information comprises the information included in the Board's Report including the Annexure to the Board's Report but does not include the Standalone financial statements and our auditor's report thereon.

Our opinion on the Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with the audit of the Standalone financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the Standalone financial statements or our knowledge obtained in the audit or otherwise appear to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report the fact. We have nothing to report in this regard.

Responsibility of Management for Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds

and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidences that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of integral control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone financial statements, including the disclosures, and whether the Standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

The Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in Annexure – A statement on the matters specified in paragraphs 3 and 4 of the Order.

As required by section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, Statement of Profit and Loss and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid Standalone financial statements comply with the Ind AS Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of written representations received from the directors as on March 31, 2026, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial control over financial reporting of the company and operating effectiveness of such controls, refer to our separate report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - I. The Company does not have any pending litigations which would impact its financial position
 - II. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - III. The Company is not required to transfer any fund to the Investor Education and Protection Fund.
 - IV. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries
 - (b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries
 - (c) In our opinion and to the best of our information and according to the explanations given to us and based on audit procedures that are reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause iv(a) and vi(b) contains any material mis-statement

V. The company has not declared or paid dividend during the year. Accordingly provisions of Section 123 of the Act is not applicable to the company

VI. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account for the year ended 31st March, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with.

**Annexure B referred to in our Report of even date to the members of
Excellent Wires and Packaging Limited
(Formerly known as Excellent Wires and Packaging Limited)
For the year ended March 31, 2026**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act.

We have audited the internal financial controls over financial reporting of of Excellent Wires and Packaging Limited (Formally known as Excellent Wires and Packaging Private Limited) ("The Company") as at March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India ("the ICAI") and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that;

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;

2. Provide reasonable assurance that transactions are recorded as necessary to permit accepted accounting principles, and that receipts expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and

3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliances with the policies or procedures may deteriorate.

Opinion

According to the information and explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to accounting policies

1.1 Basis of accounting and preparation of financial statements

The financial statements have been prepared in accordance with generally accepted accounting principles in India under the historical cost convention on accrual basis. Pursuant to section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and Companies (Accounting Standards) Amendment Rules, 2016. These financial statements have been prepared to comply in all material aspects with the accounting standards notified under 211(3C) [Companies (Accounting Standards) Rules, 2006, as amended] and other relevant provision of the Companies Act, 2013.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities. The accounting policies adopted in the preparation of these financial statements are consistent with those of the previous year

1.2 Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as of the date of the financial statements and the reported amounts of revenue and expenses during the reported period. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements. Actual results may differ from the estimates used in preparing the accompanying financial statements. Any revision to accounting estimates is recognized prospectively in current and future periods.

1.3 Revenue recognition

Revenue is recognized to the extent it is probable that the economic benefit will flow to the Company and the revenue can be reliably measured.

Sale of Goods

'Sale of goods is recognized as revenue when significant risks and rewards of ownership of the goods have passed to the buyer.

Other Income

Other Income is recognized on Accrual basis

1.4 Property, Plant and Equipments

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by management. The Company depreciates property, plant and equipment over their estimated useful lives using the written down value method, as specified in Schedule II of the Companies Act, 2013. The estimated useful lives of assets are as follows:

<u>Assets</u>	<u>Useful life</u>
Plant & Machinery	15 years
Office equipments	5 years
Furniture & Fixture	10 years
Computers	3 years
Motor Vehicle	8 years

Capital work in-progress represents expenditure incurred in respect of assets which are yet to be brought to it working condition for its intended use and are carried at cost. Cost includes related acquisition expenses, construction or development cost, borrowing costs capitalised and other direct expenditure.

1.5 Inventories

Inventories are valued at the lower of cost and net realizable value. Cost of inventories is determined on weighted average. Cost for this purpose includes cost of direct materials, direct labour, appropriate share of overheads. Net realizable value represents the estimated selling price in the ordinary course of business less all estimated costs of completion and estimated costs necessary to make the sale

1.6 Employee benefits

Employee benefits includes various allowances, medical reimbursements which are accounted on the basis of liability accrued.

i) Contribution to define contribution schemes such as provident fund etc. are recognize as and where incurred.

ii) The Gratuity Benefits are classified as Post-Retirement Benefits as per AS15 (Revised2005) and the accounting policy is outlined as follows.

Actuarial gains and losses arise due to difference in the actual experience and the assumed parameters and also due to changes in the assumptions used for valuation. The Company recognizes these actuarial gains and losses immediately in the statement of profit and loss as income or expense.

When the benefits of the plan are changed, or when a plan is curtailed or settlement occurs, the portion of the changed benefit related to past service by employees, or the gain or loss on curtailment or settlement, is recognized immediately in the profit or loss account when the plan amendment or when a curtailment or settlement occurs.

1.7 Borrowing costs

All the borrowing costs are charged to profit and loss account being revenue in nature.

1.8 Taxes on income

Income Tax expense is accounted for in accordance with AS- 22 "Accounting for Taxes on Income" for both Current Tax and Deferred Tax stated below:

A. Current Tax

Provision for current tax is made in accordance with the provisions of the Income Tax Act, 1961.

B. Deferred Tax

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits. As per the past records and future aspects of the company, calculation of deferred tax assets/liabilities is not made.

1.9 Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. A disclosure for a contingent liability is also made in notes when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources.

1.10 Earnings Per Share

Basic Earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit after tax by the weighted average number of shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The diluted potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value which is the average market value of the outstanding shares. Dilutive potential equity shares are deemed converted as at the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

1.11 Cash and cash equivalents

Cash comprises cash on hand, bank balances in current account and deposits account. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

1.12 Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

32 Employee Benefit

Gratuity - The Present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method. This method considers each period of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation.

Interest Cost - It is the increase in the plan liability over the accounting period resulting from the operation of the actuarial assumption of the interest rate.

Current Service Cost - It is the discounted present value of the benefits from the Plan's benefit formula attributable to the services rendered by employees during the accounting period.

Actuarial Gain or Loss - It occurs when the experience of the plan differs from that anticipated from the actuarial assumptions. It could also occur due to changes made in the actuarial assumptions.

35 **Ratio as per the Schedule III requirements**

a) <u>Current ratio</u>	-	(Amount in Lakhs)
-	-	-
Particulars	March 31, 2026	March 31, 2025
Current Asset	1301.51	1,571.08
Current Liability	327.02	92.11
Ratio	3.98	17.06
% Change from previous period/ year		-76.67%

The Current Ratio declined from 17.06 to 3.98 (a decrease of 76.67%) mainly due to a significant increase in Current Liabilities, which rose from ₹92.11 Lakhs in FY 2024-25 to ₹327.02 Lakhs in FY 2025-26. Despite this decline, the ratio remains above 1, reflecting that the company continues to maintain adequate liquidity to meet its short-term obligations.

b) **Debt -Equity Ratio**

- -

Particulars	March 31, 2026	March 31, 2025
Total Debt	176.98	-

Ratio	0.09	-
% Change from previous period/ year		100.00%

The Debt-Equity Ratio increased from Nil to 0.09 during the year, mainly on account of the company availing a Cash Credit facility from the bank amounting to ₹176.98 Lakhs during FY 2025-26 for meeting working capital requirements. As there was no borrowing in the previous year, the entire debt is new, resulting in a 100% change.

c) **Debt Service Coverage Ratio**

- -

Particulars	March 31, 2026	March 31, 2025
EBITDA	241.54	200.81
Total Debt	176.98	-
Ratio	1.36	-
% Change from previous period/ year		100.00%

The ratio increased from Nil to 1.36 during the year, mainly on account of the company availing a Cash Credit facility from the bank amounting to ₹176.98 Lakhs during FY 2025-26 for working capital purposes, while there was no debt outstanding in the previous year. This is further supported by an improvement in EBITDA from ₹200.81 Lakhs to ₹241.54 Lakhs during the year. As there was no comparable base in the prior year, the change is reflected at 100%

d) **Return on Equity Ratio**

INDEPENDENT AUDITOR'S REPORT

To the Members of Excellent Wires and Packaging Limited Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Excellent Wires and Packaging Limited ("the Holding Company" or "the Company") and its subsidiary (collectively referred to as "the Group"), which comprise the consolidated balance sheet as at March 31, 2026, the consolidated Statement of Profit and Loss and the consolidated Cash Flow Statement for the year then ended, and notes to the consolidated financial statement including a summary of significant account policies and other explanatory information (hereinafter referred to as the "Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013, as amended ("the act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2026, and its consolidated profit including other comprehensive income, the consolidated cash flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics issued by ICAI. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the financial year ended March 31, 2026. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Other Information

The Holding Company Board of Directors is responsible for other information. The other information comprises the information included in the Board's Report including the Annexure to the Board's Report but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with the audit of the consolidated financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appear to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report the fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of the consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the Companies in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidences that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of integral control
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report

to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the group to cease to continue as a going concern.

- e) Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- f) Obtain sufficient appropriate audit evidence regarding the financial information of the entity or business activity within the Group of which we are the independent auditor, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entity included in the consolidated financial statements of which we are the independent auditor. For the other entity included in the consolidated financial statements, which have been audited by other auditor, such other auditor remain responsible for the direction, supervision and performance of the audit carried out by such other auditor. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended March 31, 2026 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 142(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports
2. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - b) In our opinion proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept by the Group so far as appears from our examination of those books.
 - c) The consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements.

- d) In our opinion, the Consolidated Balance Sheet, Consolidated Statement of Profit and Loss and Consolidated Cash Flow Statement comply with the Accounting Standards specified under section 133 of the Act, read Companies (Indian Accounting standards) Rules, 2015, as amended.
- e) On the basis of written representations received from the directors of the Holding Company and its subsidiary company as on March 31, 2026, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to consolidated financial statements of the Holding Company and its subsidiary companies, associate companies and joint ventures, incorporated in India, and the operating effectiveness of such controls, refer to our separate Report in “**Annexure A**” to this report;
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Group does not have any pending litigations which would impact its financial position.
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. The Group is not required to transfer any fund to the Investor Education and Protection Fund.
 - iv. With respect to clause (e) of Rules 11 of the companies (Audit and Auditors) Rules, 2014 as amended:
 - a) The respective Managements of the Holding Company and its subsidiary which is company incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or its subsidiary to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or its subsidiary (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b) The respective Managements of the Company and its subsidiary which is company incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company or its subsidiary from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company or its subsidiary shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

5th Annual Report 2025-2026

- c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us on the Company and its subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The company has not declared or paid dividend during the year. Accordingly, provisions of Section 123 of the Act is not applicable to the company
- vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account for the year ended 31st March, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with.

**Annexure A referred to in our Report of even date to the members of
Excellent Wires and Packaging Limited
for the year ended March 31, 2026**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act.

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2026, we have audited the internal financial controls with reference to consolidated financial statements of Excellent Wires and Packaging Limited (hereinafter referred to as the "Company") and its subsidiary companies, which are companies incorporated in India, as of that date of

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the companies included in the Group, its associates and joint ventures, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Holding Company's internal financial controls over financial reporting based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India ("the ICAI") and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting including obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that;

- 1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- 2) Provide reasonable assurance that transactions are recorded as necessary to permit accepted accounting principles, and that receipts expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- 3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliances with the policies or procedures may deteriorate.

Opinion

According to the information and explanation given to us, the Group has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting with reference to consolidated financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to accounting policies

1.1 Basis of accounting and preparation of financial statements

The financial statements have been prepared in accordance with generally accepted accounting principles in India under the historical cost convention on accrual basis. Pursuant to section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and Companies (Accounting Standards) Amendment Rules, 2016. These financial statement have been prepared to comply in all material aspects with the accounting standards notified under 211(3C) [Companies (Accounting Standards) Rules, 2006, as amended] and other relevant provision of the Companies Act, 2013.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities. The accounting policies adopted in the preparation of these financial statements are consistent with those of the previous year

1.2 Principles of Consolidation:

The consolidated financial statements have been prepared on the following basis:

i) The financial statements of the subsidiary company used in the consolidation are drawn up to the same reporting date as of the Holding Company, i.e. for the year ended 31 March, 2026.

ii) The financial statements of the Holding Company and it subsidiary company have been combined on a line-by-line basis by adding together like items of assets, liabilities, income and expenses, after eliminating

intra-group balances, intra-group transactions and resulting unrealized profits or losses, unless cost cannot be recovered.

iii) The excess of cost to the Group of its investments in the subsidiary company over its share of equity of the subsidiary company at the dates on which the investments in the subsidiary company entities were made, is recognized as 'Goodwill' being an asset in the consolidated financial statements and is tested for impairment on annual basis. On the other hand, where the share of equity in the subsidiary company entities as on the date of investment is in excess of cost of investments of the Group, it is recognized as 'Capital Reserve' and shown under the head 'Reserves & Surplus', in the consolidated financial statements. The 'Goodwill' / 'Capital Reserve' is determined separately for each subsidiary company entity and such amounts are not set off between different entities.

iv) Minority Interest in the net assets of the consolidated subsidiary consist of the amount of equity attributable to the minority shareholders at the date on which investments in the subsidiary company were made and further movements in their share in the equity, subsequent to the dates of investments. Net profit/loss for the year of the subsidiary attributable to minority interest is identified and adjusted against the profit after tax of the Group in order to arrive at the income attributable to shareholders of the Company.

v) Change in minority interest by acquiring additional shares in the Company is recognized in "Capital Reserve" by any difference between the amount by which the minority interest is adjusted. Remaining amount is distributed in new ratio between parent Company and minority interest.

Particulars of subsidiary:

Name of Subsidiary	Percentage of Voting Power as at 31 March, 2026
Kinsh Impex Limited*	100%

*Incorporated in 23rd October, 2025

1.3 Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as of the date of the financial statements and the reported amounts of revenue and expenses during the reported period. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements. Actual results may differ from the estimates used in preparing the accompanying financial statements. Any revision to accounting estimates is recognized prospectively in current and future periods.

1.4 Revenue recognition

Revenue is recognized to the extent it is probable that the economic benefit will flow to the Company and the revenue can be reliably measured.

Sale of Goods

'Sale of goods is recognized as revenue when significant risks and rewards of ownership of the goods have passed to the buyer.

Other Income

Other Income is recognized on Accrual basis

1.5 Property, Plant and Equipments

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by management. The Company depreciates property, plant and equipment over their estimated useful lives using the written down value method, as specified in Schedule II of the Companies Act, 2013. The estimated useful lives of assets are as follows:

<u>Assets</u>	<u>Useful life</u>
Plant & Machinery	15 years
Office equipments	5 years
Furniture & Fixture	10 years
Computers	3 years
Motor Vehicle	8 years

Capital work in-progress represents expenditure incurred in respect of assets which are yet to be brought to it working condition for its intended use and are carried at cost. Cost includes related acquisition expenses, construction or development cost, borrowing costs capitalised and other direct expenditure.

1.6 Inventories

Inventories are valued at the lower of cost and net realisable value. Cost of inventories is determined on weighted average. Cost for this purpose includes cost of direct materials, direct labour, appropriate share of overheads. Net realisable value represents the estimated selling price in the ordinary course of business less all estimated costs of completion and estimated costs necessary to make the sale

1.7 Employee benefits

Employee benefits includes various allowances, medical reimbursements which are accounted on the basis of liability accrued.

i) Contribution to define contribution schemes such as provident fund etc. are recognise as and where incurred .

ii) The Gratuity Benefits are classified as Post-Retirement Benefits as per AS15 (Revised2005) and the accounting policy is outlined as follows.

Actuarial gains and losses arise due to difference in the actual experience and the assumed parameters and also due to changes in the assumptions used for valuation. The Company recognizes these actuarial gains and losses immediately in the statement of profit and loss as income or expense.

When the benefits of the plan are changed, or when a plan is curtailed or settlement occurs, the portion of the changed benefit related to past service by employees, or the gain or loss on curtailment or settlement, is recognized immediately in the profit or loss account when the plan amendment or when a curtailment or settlement occurs.

1.8 Borrowing costs

All the borrowing costs are charged to profit and loss account being revenue in nature.

1.9 Taxes on income

Income Tax expense is accounted for in accordance with AS- 22 "Accounting for Taxes on Income" for both Current Tax and Deferred Tax stated below:

A. Current Tax

Provision for current tax is made in accordance with the provisions of the Income Tax Act, 1961.

B. Deferred Tax

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits. As per the past records and future aspects of the company, calculation of deferred tax assets/liabilities is not made.

1.10 Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. A disclosure for a contingent liability is also made in notes when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources.

1.11 Earnings Per Share

Basic Earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit after tax by the weighted average number of shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The diluted potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value which is the average market value of the outstanding shares. Dilutive potential equity shares are deemed converted as at the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

1.12 Cash and cash equivalents

Cash comprises cash on hand, bank balances in current account and deposits account. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

1.13 Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

31 Employee Benefit

Gratuity - The Present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method. This method considers each period of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation.

Interest Cost - It is the increase in the plan liability over the accounting period resulting from the operation of the actuarial assumption of the interest rate.

Current Service Cost - It is the discounted present value of the benefits from the Plan's benefit formula attributable to the services rendered by employees during the accounting period.

Actuarial Gain or Loss - It occurs when the experience of the plan differs from that anticipated from the actuarial assumptions. It could also occur due to changes made in the actuarial assumptions.

35 Ratio as per the Schedule III requirements

a) Current ratio (Amount in Lakhs)

Particulars	March 31, 2026	March 31, 2025
Current Asset	1,527.41	1,571
Current Liability	327.09	92
Ratio	4.67	17.06
% Change from previous period/ year		-72.62%

The Current Ratio declined from 17.06 to 4.67 (a decrease of 72.62%) mainly due to a significant increase in Current Liabilities, which rose from ₹92.11 Lakhs in FY 2024-25 to ₹327.09 Lakhs in FY 2025-26, while Current Assets remained relatively stable (₹1,527.41 Lakhs as against ₹1,571.08 Lakhs in the previous year). Despite this decline, the ratio remains above 1, reflecting that the company continues to maintain adequate liquidity to meet its short-term obligations.

b) Debt -Equity Ratio

Particulars	March 31, 2026	March 31, 2025
Total Debt	176.98	-
Shareholders Equity	2,062.73	1,911.77
Ratio	0.09	-
% Change from previous period/ year		100.00%

The Debt-Equity Ratio increased from Nil to 0.09 during the year, mainly on account of the company availing a Cash Credit facility from the bank amounting to ₹176.98 Lakhs during FY 2025-26 for meeting working capital requirements. As there was no borrowing in the previous year, the entire debt is new, resulting in a 100% change.

c) Debt Service Coverage Ratio

Particulars	March 31, 2026	March 31, 2025
EBITDA	241.47	200.81
Total Debt	176.98	-
Ratio	1.36	-
% Change from previous period/ year		-100.00%

The ratio increased from Nil to 1.36 during the year, mainly on account of the company availing a Cash Credit facility from the bank amounting to ₹176.98 Lakhs during FY 2025-26 for working capital purposes, while there was no debt outstanding in the previous year. This is further supported by an improvement in EBITDA from ₹200.81 Lakhs to ₹241.54 Lakhs during the year. As there was no comparable base in the prior year, the change is reflected at 100%

d) Return on Equity Ratio

Particulars	March 31, 2026	March 31, 2025
Profit after tax	150.96	111.67
Shareholder's Equity	2,062.73	1,911.77
Ratio	0.07	0.06
% Change from previous period/ year		25.29%

The Return on Equity Ratio improved from 0.06 to 0.07 (an increase of 25.29%) mainly due to an increase in Profit After Tax, which rose from ₹111.67 Lakhs in FY 2024-25 to ₹150.96 Lakhs in FY 2025-26, reflecting improved profitability and operational performance during the year.

e) **Trade receivables turnover ratio**

Particulars	March 31, 2026	March 31, 2025
Net sales	2,264.42	2,219.49
Average trade receivables	544.12	328.15
Ratio	4.16	6.76
% Change from previous period/ year		-38.47%

The Trade Receivables Turnover Ratio declined from 6.76 to 4.16 (a decrease of 38.47%) mainly due to a significant increase in Average Trade Receivables, which rose from ₹328.15 Lakhs in FY 2024-25 to ₹544.12 Lakhs in FY 2025-26, while Net Sales remained relatively stable

f) **Net capital turnover ratio**

Particulars	March 31, 2026	March 31, 2025
Sales	2,264.42	2,219.49
Net assets	1,200.32	1,478.98
Ratio	1.89	1.50
% Change from previous period/ year		25.71%

The Net Capital Turnover Ratio improved from 1.50 to 1.89 during the year, an increase of 25.71%. This is mainly on account of a decrease in Net Assets (Working Capital), which declined from ₹1,478.98 Lakhs to ₹1,200.32 Lakhs, while Sales remained relatively stable at ₹2,264.42 Lakhs as against ₹2,219.49 Lakhs in the previous year.

g) **Net profit ratio**

Particulars	March 31, 2026	March 31, 2025
Net profit after tax	150.96	111.67
Sales	2,264.42	2,219.49
Ratio	0.07	0.05
% Change from previous period/ year		32.50%

The Net Profit Ratio improved from 0.05 to 0.07 during the year, an increase of 32.50%. This is mainly on account of an increase in Net Profit After Tax, which rose from ₹111.67 Lakhs to ₹150.96 Lakhs, while Sales remained relatively stable at ₹2,264.42 Lakhs as against ₹2,219.49 Lakhs in the previous year.
