I. THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

II. The voting period begins on Sunday, **27th September, 2026 at 9:00 A.M.** and ends on **[Tuesday, 29th September, 2026] at 5:00 P.M.** During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of **[Wednesday, 23rd September, 2026]** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

III. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

IV. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

V. In terms of SEBI circular no. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

CORPORATE SOCIAL RESPONSIBILITY POLICY

1. TITLE AND APPLICABILITY

The document describe the Corporate Social Responsibility Policy ("CSR Policy") of Quest Laboratories Limited ("The Company"). It includes Company's vision, mission and other relevant attributes of Corporate Social Responsibility.

In term of the provision of Section 135 of the Companies Act, 2013 and the Companies (Corporate Social Responsibility Policy) Rules, 2014 ('CSR Rule'), the Company has formulated and adopted this Corporate Social Responsibility ('CSR') Policy.

The CSR Policy shall be guided by The Company's corporate philosophy of respect for the individual and the society at large.

Section 135 of the Companies Act, 2013 read with Companies (Corporate Social Responsibility Policy) Rules, 2014, requires the Company to constitute a CSR Committee of Directors, adopt a CSR Policy, spend at least 2% of its average net profit made during the immediately preceding three financial years towards CSR activities as set out in Schedule VII to the Companies Act, 2013 and confirm compliance thereof in the Annual Report.

2. CSR OVERVIEW

Corporate Social Responsibility" (CSR) is a way of conducting business, by which corporate entities visibly contribute to the social good. The essence of CSR is to integrate economic, environmental and social objectives with the company's operations and growth. CSR is the process by which an organization thinks about and evolves its relationships with society for the common good and demonstrates its commitment by giving back to the society for the resources it used to flourish by adoption of appropriate business processes and strategies.

The main objective of CSR policy is to make CSR a key business process for sustainable development of society. In its endeavors to mutually achieve the said objective, the Act stipulates the provisions regarding mandatory adherence to the Corporate Social Responsibility practices by the prescribed classes of companies.

3. OBJECTIVE

Corporate Social Responsibility is a form of corporate self-regulation integrated into a business model. Therefore, the Policy will function as a built-in, self-regulating mechanism whereby the business will monitor and ensure its active compliance with the spirit of law, ethical standards and national norms.

The main objective of this Policy is to set guiding principles for carrying out CSR activities by the Company and also to set up process of execution, implementation and monitoring of the CSR activities to be undertaken by the Company.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INTRODUCTION:

Our Company, Quest Laboratories Limited is engaged in the business of manufacturing of pharmaceutical formulations across a broad spectrum, including antibiotics, antimalarials, antispasmodics, anti-inflammatories, antiemetics, respiratory medications, diabetes treatments, antidepressants, and more. These formulations fall under the trademark “Quest Laboratories Limited”. The company produces a variety of products, comprising ethical drugs, generic drugs, and over the-counter drugs (OTC). These products are available in various forms such as tablets, liquid orals, oral dry powders, oral powders (ORS), ointments, and external liquids. This comprehensive approach allows our Company to address a wide range of medical needs and preferences among patients.

INDUSTRY STRUCTURE AND DEVELOPMENT

The Indian pharmaceutical industry continues to remain one of the significant and rapidly evolving sectors of the Indian economy. India has established a strong position in the global pharmaceutical industry, particularly in generic medicines, formulations and contract manufacturing. The industry is supported by a well-developed manufacturing ecosystem, skilled manpower, increasing healthcare expenditure and growing demand for affordable medicines.

During the financial year 2025-26, the pharmaceutical sector continued to witness opportunities arising from increasing healthcare awareness, expansion of healthcare infrastructure, growing demand for quality medicines and increasing acceptance of Indian pharmaceutical products in domestic as well as international markets.

The industry, however, continued to face challenges relating to regulatory compliance, pricing pressures, raw material costs, quality standards, competition, foreign exchange fluctuations and changing regulatory requirements.

The Company continues to monitor developments in the pharmaceutical sector and remains focused on maintaining quality standards, operational efficiency and sustainable business growth.

OPPORTUNITY

The pharmaceutical sector offers several opportunities for growth, including:

- increasing healthcare awareness;
- growing demand for pharmaceutical products;
- expansion of healthcare infrastructure;
- increasing demand for quality and affordable medicines;
- opportunities for product diversification;
- expansion into new geographical markets; and
- increasing focus on preventive and affordable healthcare.

The Company will continue to evaluate such opportunities based on commercial viability, available resources and regulatory requirements.

Global trade wars can pose a challenge to international trade impacting the company. Competition from new players within the country poses a threat.

SEGMENTWISE PERFORMANCE

The Company operates in a single segment of Drugs and Chemicals, which is the primary reportable segment, and the same is given in the notes to the financial statements.

FUTURE OUTLOOK

The integration of digital technologies in pharmaceutical manufacturing and supply chain operations is expected to further enhance efficiency, traceability, and product quality. Coupled with increasing healthcare awareness and rising disease burden, the industry is well-positioned to meet the growing demand for high-quality, affordable medicines. Regulatory frameworks are also expected to evolve in alignment with industry advancements, emphasizing patient safety and supporting sustainable growth.

THREAT, RISK AND CONCERNS

The pharmaceutical industry is subject to various business and operational risks. The principal risks and concerns include:

Raw Material Risk

Fluctuations in the prices and availability of active pharmaceutical ingredients, packing materials and other inputs may affect operating costs and margins.

Competition Risk

The Company operates in a competitive industry with the presence of domestic and international players. Increased competition may impact pricing and market share.

Quality Risk

Product quality and compliance with applicable pharmaceutical standards are critical to the Company's operations. Any failure to maintain required quality standards may adversely affect business operations and reputation.

Market Risk

Changes in market demand, customer preferences and economic conditions may affect sales and profitability.

Financial Risk

The Company is exposed to normal business risks relating to credit, liquidity, interest rates and working capital requirements.

The Company regularly monitors these risks and takes appropriate measures to mitigate their potential impact.

The Company has adopted Risk Management Policy to ensure sustainable business growth with stability and to promote a pro-active approach in reporting, evaluating and resolving risks associated with the business.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has in place adequate internal financial controls with reference to all its operations and such systems are continuously reviewed and upgraded. All the transactions are properly authorized and recorded. The Company is following all the applicable Accounting Standards for properly maintaining the books of accounts and reporting financial statements. The Internal Audit is conducted by outside auditing firms which evaluate the functioning and quality of internal controls and check; and provides assurance of its adequacy and effectiveness. The Internal Audit Reports are actively reviewed by the Audit Committee and adequate remedial measures, if any, are taken. The Internal Audit Reports are also reviewed by the Board of Directors periodically. During the year, no reportable material weaknesses in the design or operations were observed.

INDEPENDENT AUDITOR'S REPORT**To the Members of Quest Laboratories Ltd****Report on the Audit of the Standalone Financial Statements****Opinion**

1. We have audited the accompanying Standalone financial statements of QUEST LABORATORIES LTD ("the Company"), which comprises the Balance Sheet as at 31st March, 2026, the Statement of Profit and Loss (including Other Comprehensive Income) the Cash Flow Statement and the Statement of changes in equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us our report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2026, profit, other comprehensive income, changes in equity and cash flows for the year ended on that date.

Basis of Opinion

3 We conducted our audit in accordance with the Standards of Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

4 We could not verify the valuation of inventory as on the Balance Sheet Date as insufficient records of the same has been provided to us for verification. However, we have been informed by the management that physical verification has been conducted by them during the year and has not noticed any major discrepancies.

5 Our opinion is not modified in respect of this matter.

Key Audit Matters

6 Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

7 We have determined that there are no key audit matters to be communicated in our report.

Responsibility of Management for the Standalone Financial Statements

8 The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Report on Corporate Governance, Directors' Report, etc., but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

9 The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to preparation of these financial statements that give a true and fair view of the state of affairs, profit and cash flows of the Company in accordance with the accounting principles generally accepted in India,

including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

10 In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative to do so.

11 Those Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

12 Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

13 As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of standalone financial statement and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company (including its joint operations) to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Company to express an opinion on the standalone financial statements, of which we are the independent auditors. We are responsible for the direction, supervision and performance of the audit of financial information of such entities. For the other entities included in the standalone financial statements, which have been audited by other auditor, such other auditor remains responsible for the direction, supervision and performance of the audit carried

out by them. We remain solely responsible for our audit opinion.

14 We communicate with those charged with governance of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

15 We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

16 As required by section 197(16) of the Act, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under Section 197 read with Schedule V of the Act.

17 As required by the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government in terms of section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

18 As required by Section 143 (3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c. The standalone financial statements dealt with by this Report are in agreement with the books of account;
- d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
- e. On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
- f. We have also audited the internal financial controls over financial reporting of the Company as on 31st March, 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date and our report as per "Annexure B" expressed an unmodified opinion;
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements. Refer note no.28.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. During the year ended 31st March, 2026 there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv.(a) On the basis of written representation received from the management, we report that, no funds other than as disclosed in the notes to the accounts have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- iv.(b) On the basis of written representation received from the management, we report that, no funds other than as disclosed in the notes to the accounts, have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- iv.(c) Based on audit procedures applied by us, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.
- v. No dividend has been declared nor paid during the year. Hence no compliance with section 123 of the Companies Act, 2013 was required.
- vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

"ANNEXURE A" REFERRED TO IN PARAGRAPH 16 OF OUR AUDITOR'S REPORT OF EVEN DATE TO THE MEMBERS OF "QUEST LABORATORIES LIMITED", ON THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31ST MARCH, 2026

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i). (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (i). (a) (B) As the Company does not own any Intangible assets, the provisions of clauses 3(i) (a) (B) of the Companies (Auditor's Report) Order, 2020 ("the Order") is not applicable to the Company and hence not commented upon.
- (i). (b) The Property, Plant and Equipment have been physically verified by the management in a phased manner, designed to cover all the items in current period being capitalised in current year itself, which in our opinion, is reasonable having regard to the size of the company and nature of its business. Pursuant to the program, a portion of the Property, Plant and Equipment has been physically verified by the management during the year and no material discrepancies between the books records and the physical Property, Plant and Equipment have been noticed.
- (i). (c) The title deeds of all the immovable properties classified as PPE including investment properties held by the Company (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company.
- (i). (d) The Company has not revalued its property, plant and equipment (including right of use assets) or intangible assets during the year.
- (i). (e) No proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder. Accordingly, reporting under clause 3(i)(e) of the Order is not applicable to the Company.
- (ii). (a) The management has conducted physical verification of inventory at reasonable intervals during the year, except for goods-in-transit and inventory lying with third parties. In the absence of sufficient records of the same, we cannot express an opinion on the extent of coverage and procedure of such verification by the management being appropriate. Further, we have been informed by the management that no discrepancies of 10% or more in the aggregate for each class of inventory were noticed.
- (ii). (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned any working capital limits in excess of five crore rupees in aggregate from banks and financial institutions on the basis of security of current assets at any point of time of the year. Accordingly, clause 3(ii)(b) of the Order is not applicable to the Company.
- (iii). The Company has during the year, not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the provisions of clauses 3(iii) of the Order are not applicable.
- (iv). The Company has not granted loans nor provided any guarantees or securities to parties covered under Section 185 of the Act. Further, provisions of sections 186 of the Companies Act, 2013 in respect of loans, investments, guarantees and security have been complied with by the Company.
- (v). The Company has not accepted any deposits or amounts which are deemed to be deposits under the directives of the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed thereunder, where applicable. Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi). We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under sub-section (1) of Section 148 of the Act in respect of the Company's products and services and are of the opinion that, prima facie, the prescribed accounts and

records have been made and maintained. However, we have not made detailed examination of the cost records with a view to determine whether they are accurate or complete.

- (vii). a) The Company is generally regular in depositing undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues as may be applicable to it, with the appropriate authorities. No undisputed statutory dues in respect of Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues were in arrears as at 31st March, 2026 for a period of more than six months from the date they became payable.

"ANNEXURE B" TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF QUEST LABORATORIES LTD

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of QUEST LABORATORIES LTD ("the Company") as of 31st March, 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Standalone Financial Statements

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that We comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2026 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note - "33"**Fair Value Measurement***Financial Instrument by category and hierarchy*

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short term maturities of these instruments.
 2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.
 3. The fair values for loans and investment in preference shares were calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counter party credit risk.
 4. The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.
- For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

Financial Risk Management

Financial risk management objectives and policies

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Managing Board.

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

The Company manages market risk by evaluating and exercising independent control over the entire process of market risk management. The recommend risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures like foreign exchange forward contracts, borrowing strategies and ensuring compliance with market risk limits and policies.

(a) (iii) Market Risk- Price Risk

(a) Exposure

The Company's exposure to equity securities price risk arises from investments held by the Company and classified in the balance sheet either at fair value through OCI or at fair value through profit and loss. To manage its price risk arising from investments in equity securities, the Company diversifies its portfolio. Diversification of the portfolio is done in accordance with the limits set by the Company.

(b) Sensitivity

The table below summarizes the impact of increases/decreases of the BSE index on the Company's equity and Gain/Loss for the period. The analysis is based on the assumption that the index has increased by 5 % or decreased by 5 % with all other variables held constant, and that all the Company's equity instruments moved in line with the index.

Impact on Profit before tax		(Rs. in Lakhs)
	As at 31st March, 2026	As at 31st March, 2025
BSE Sensex 30- Increase 5%	24.34	23.14
BSE Sensex 30- Decrease 5%	(24.34)	(23.14)

Credit risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of financial assets. Individual risk limits are set and periodically reviewed on the basis of such information.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected significant adverse changes in business,
- ii) Actual or expected significant changes in the operating results of the counterparty,
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations,
- iv) Significant increase in credit risk on other financial instruments of the same counterparty,
- "v) Significant changes in the value of the collateral supporting the obligation or in the quality of the third-party guarantees or credit enhancements."

Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized as income in the statement of profit and loss.

The Company measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, loss on collection of receivable is not material hence no additional provision considered.

Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, Company treasury maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows.

(i) Financing arrangements

SIGNIFICANT ACCOUNTING POLICIES AND PRACTICES

A. COMPANY BACKGROUND

Incorporated as Quest Laboratories Private Limited on 01st June 1998 under the Companies Act, 1956 and converted to public limited company on 23rd January 2024 with the name of Quest Laboratories Limited. The Company has been listed on the National Stock Exchange since 23rd May, 2024.

Basis of Preparation of Financial Statements

(i) Compliance with Ind AS

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

The accounting policies are applied consistently to all the periods presented in the financial statements.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- 1) certain financial assets and liabilities that are measured at fair value.
- 2) assets held for sale - measured at lower of carrying amount or fair value less cost to sell.

(iii) Current non-current classification

All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III of the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalent, the Company has ascertained its operating cycle to be 12 months for the purpose of current - noncurrent classification of assets and liabilities.

(iv) Fair Value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

2. Use of estimates and critical accounting judgements

In the preparation of financial statements, the Company makes judgements, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are relevant. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised, and future periods affected.

Key source of estimation of uncertainty at the date of standalone financial statements, which may cause material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of impairment, useful lives of property, plant and equipment and intangible assets, valuation of deferred tax assets, provisions, contingent liabilities, and fair value measurements of financial instruments as discussed below. Key source of estimation of uncertainty in respect of revenue recognition and employee benefits have been discussed in the respective policies.

3. Revenue Recognition

Revenue is measured at the fair value of consideration received or receivable net of discounts, considering contractually defined terms and excluding taxes and duties collected on behalf of the government.

The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and specific criteria have been met for each of the Company's activities as described below.

Sale of goods

Revenue from sale of goods is recognised when the Company has transferred to the buyer the significant risks and rewards of ownership, no longer retains control over the goods sold, the amount of revenue can be measured reliably, it is probable that the economic benefits associated with the transaction will flow to the Company and the costs incurred or to be incurred in respect of the transaction can be measured reliably. Depending on the contractual terms, risks and rewards of ownership is transferred when the delivery is completed. In case of exports sale delivery is completed on issuance of bill of lading

Interest income

Interest income is accrued on a time proportion basis, by reference to the principal outstanding and effective interest rate applicable.

Dividend income

Dividend income is recognized at the time when the right to receive is established by the reporting date.

Other operating revenue - Export incentives

Export Incentives under various schemes are recognized on accrual basis.

Other Incomes

Other incomes have been recognized on accrual basis in the financial statements, except when there is uncertainty of collection.

4. Property, plant, and equipment

An item of property, plant and equipment is recognised as an asset if it is probable that future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. This recognition principle is applied to costs incurred initially to acquire an item of property, plant, and equipment and to costs incurred subsequently to add to, replace part of, or service it. All other repair and maintenance costs, including regular servicing, are recognised in the statement of profit and loss as incurred. When a replacement occurs, the carrying value of the replaced part is derecognised. Where an item of property, plant and equipment comprises major components having different useful lives, these components are accounted for as separate items.

Property, plant, and equipment is stated at cost/deemed cost, less accumulated depreciation, and impairment. Cost includes all direct costs and expenditures incurred to bring the asset to its working condition and location for its intended use. Trial run expenses (net of revenue) are capitalised.

Capital work-in-progress and intangible assets under development represents expenditure incurred in respect of capital projects / intangible assets under development and are carried at cost. Cost comprises of purchase cost, related acquisition expenses, development / construction costs, borrowing costs and other direct expenditure.

Borrowing costs incurred during the period of construction is capitalised as part of cost of qualifying asset. The gain or loss arising on disposal of an item of property, plant and equipment is determined as the difference between sale proceeds and carrying value of such item and is recognised in the statement of profit and loss.

5. Depreciation and amortisation of property, plant and equipment and intangible assets

Depreciation of these assets commences when the assets are ready for their intended use which is generally on commissioning. Items of property, plant and equipment are depreciated in a manner that amortizes the cost (or other amount substituted for cost) of the assets after commissioning, less its residual value, over their useful lives as specified in Schedule II of the Companies Act, 2013 on a Written Down Value basis. Land is not depreciated.

Property, plant and equipment's residual values and useful lives are reviewed at each balance sheet date and changes, if any, are treated as changes in accounting estimate.

a. Fixed asset is depreciated on a Straight Line basis over the useful lives of assets as prescribed under Part C of Schedule II of the Companies Act 2013.

b. Depreciation for assets purchased or sold during the period is charged to revenue pro-rata to the period of their use.

6. Inventories

Finished goods (including for trade), work in process and raw materials are stated at 'Cost or Net Realizable Value, whichever is lower'. Cost of Inventories comprises cost of purchases and other costs incurred in bringing the inventories to their present location and condition. 'First In First Out' cost formula is used for determination of cost of inventories.

7. Foreign Currency Transactions

(i) Functional and presentation currency

The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

(ii) Transactions and balances

Transactions in foreign currencies are recognized at the prevailing exchange rates on the transaction dates. Realized gains and losses on settlement of foreign currency transactions are recognized in the Statement of Profit and Loss. Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognized in the Statement of Profit and Loss.

8. Employee Benefits

a. Post employment and other long term employee benefits are recognized as expense in the Statement of profit and loss for the year in which the employee has rendered services. The expense is recognized at the value of the amounts payable determined using actuarial valuation techniques as certified by the Actuary. Actuarial gains and losses in respect of post employment and other long term benefits are charged to the Statement of Profit and Loss.

b. Payments to defined contribution plans are charged as an expense as they fall due. Payments made to state managed retirement benefit schemes are dealt with as payments to defined contribution schemes where the Company's obligations under the schemes are equivalent to those arising in a defined contribution retirement benefit scheme.

9. Borrowing Cost

Borrowing cost consists of interest and other costs incurred in connection with the borrowing of funds and include exchange differences to the extent regarded as an adjustment to the same. Borrowing costs directly attributable to the acquisition and/ or construction of a qualifying asset are capitalized during the period that is necessary to complete and prepare the asset for its intended use or sale. A qualifying asset is one that necessarily takes substantial period to get ready for its intended use. All other borrowing costs are charged to the Standalone Statement of Profit and Loss as incurred.

10. Borrowing Cost

Borrowings are initially recognised at net of transaction costs incurred and measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in the Statement of Profit and Loss over the period of the borrowings using the effective interest method.

Preference shares, which are mandatorily redeemable on a specific date are classified as liabilities. The dividend on these preference shares is recognised in Statement of Profit and Loss as finance costs.

11. Provisions & Contingent liabilities and assets

- a. Provisions are recognized only when there is a present obligation, because of past events and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.
- b. Contingent liability is disclosed for (i) Possible obligations which will be confirmed only by future events not wholly within the control of the Company or (ii) Present obligations arising from the past events where it is probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of obligation cannot be made.
- c. Contingent assets are neither recognized nor disclosed except when realization of income is virtually certain, related asset is disclosed.

12. Taxation

Tax expense recognized in Standalone Statement of Profit and Loss comprises the sum of deferred tax and current tax except the ones recognized in other comprehensive income or directly in equity.

Current tax is determined as the tax payable in respect of taxable income for the year and is computed in accordance with relevant tax regulations. Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity).

Minimum Alternate Tax ('MAT') credit entitlement is recognized as an asset only when and to the extent there is convincing evidence that normal income tax will be paid during the specified period. In the year in which MAT credit becomes eligible to be recognized as an asset, the said asset is created by way of a credit to the Standalone Statement of Profit and Loss and shown as MAT credit entitlement. This is reviewed at each balance sheet date and the carrying amount of MAT credit entitlement is written down to the extent it is not reasonably certain that normal income tax will be paid during the specified period.

Deferred tax is recognized on temporary differences between the carrying amount of assets and liabilities in the financial statement and the corresponding tax bases used in computation of taxable profit under Income Tax Act, 1961.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognized outside Standalone Statement of Profit and Loss is recognized outside Standalone Statement of Profit and Loss (either in other comprehensive income or in equity).

13. Financial Instruments

i) Financial Assets

A. Initial Recognition and Measurement

All Financial Assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of Financial Assets, which are not at Fair Value Through Profit or Loss, are adjusted to the fair value on initial recognition. Purchase and sale of Financial Assets are recognised using trade date accounting.

B. Subsequent measurement

a) Financial Assets measured at Amortised Cost (AC)

A Financial Asset is measured at Amortised Cost if it is held within a business model whose objective is to hold the asset to collect contractual cash flows and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial Assets measured at Fair Value Through Other Comprehensive Income (FVTOCI)

A Financial Asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling Financial Assets and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial Assets measured at Fair Value Through Profit or Loss (FVTPL)

A Financial Asset which is not classified in any of the above categories are measured at FVTPL.

C. Investments in subsidiaries, associates, and joint ventures

Investments in subsidiaries, associates and joint ventures are carried at cost/deemed cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of investment is assessed and an impairment provision is recognized, if required immediately to its recoverable amount. On disposal of such investments, difference between the net disposal proceeds and carrying amount is recognized in the statement of profit and loss.

D. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognized in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

E. Impairment of Financial Assets

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

ii) Financial Liabilities

A. Initial Recognition and Measurement

All Financial Liabilities are recognized at fair value and in case of borrowings, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

B. Subsequent Measurement

Financial Liabilities are carried at amortized cost using the effective interest method.

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

iii) Derecognition of Financial Instruments

The Company derecognizes a Financial Asset when the contractual rights to the cash flows from the Financial Asset expire or it transfers the Financial Asset, and the transfer qualifies for derecognition under Ind AS 109. A Financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

iv) Offsetting

Financial Assets and Financial Liabilities are offset, and the net amount is presented in the balance sheet when, and only when, the Company has a legally enforceable right to set off the amount and it intends, either to settle them on a net basis or to realise the asset and settle the liability simultaneously

14. Earnings Per Share

Basic earnings per share have been computed by dividing profit or loss for the year by the weighted average number of shares outstanding during the year. Partly paid-up shares are included as fully paid equivalents according to the fraction paid up.

Diluted earnings per share have been computed using the weighted average number of shares and dilutive potential shares except where the result would be anti-dilutive.

15. Government Grants

Grants from the government are recognised at their fair value where there is reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to Profit and Loss on a straight - line basis over the expected lives of related assets and presented within other income.

16. Leases

For any new contracts entered on or after 1 April 2019, (the transition approach has been explained and disclosed in Note 31) the Company considers whether a contract is or contains a lease. A lease is defined as 'a contract, or part of a contract, that conveys the right to use an asset (the underlying asset) for a period in exchange for consideration'.

Classification of leases

The Company enters leasing arrangements for various assets. The assessment of the lease is based on several factors, including, but not limited to, transfer of ownership of leased asset at end of lease term, lessee's option to extend/purchase etc.

Recognition and initial measurement

At lease commencement date, the Company recognizes a right-of-use asset and a lease liability on the balance sheet. The right-of-use asset is measured at cost, which is made up of the initial measurement of the lease liability, any initial direct costs incurred by the Company, an estimate of any costs to dismantle and remove the asset at the end of the lease (if any), and any lease payments made in advance of the lease commencement date (net of any incentives received).

Subsequent measurement

The Company depreciates the right-of-use assets on a straight-line basis from the lease commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The Company also assesses the right of use asset for impairment when such indicators exist.

At lease commencement date, the Company measures the lease liability at the present value of the lease payments unpaid at that date, discounted using the interest rate implicit in the lease if that rate is readily available or the Company's incremental borrowing rate. Lease payments included in the measurement of the lease liability are made up of fixed payments (including in substance fixed payments) and variable payments based on an index or rate. After initial measurement, the liability will be reduced for payments made and increased for interest. It is re-measured to reflect any reassessment or modification, or if there are changes in in-substance fixed payments. When the lease liability is re-measured, the corresponding adjustment is reflected in the right-of-use asset.

The Company has elected to account for short-term leases and leases of low-value assets using the practical expedients. Instead of recognizing a right-of-use asset and lease liability, the payments in relation to these are recognized as an expense in standalone statement of profit and loss on a straight-line basis over the lease term.

17. Recent Accounting Pronouncements

On August 13, 2025, Ministry of Corporate Affairs ("MCA") notified the amendments to the following standard: Ind AS 1 – Presentation of Financial Statements – Distinction between current and non-current liability. These amendments provide clearer guidance on classification of the liabilities as current and non-current liability by including the additional definition and considerations for classification of the liability. The amendments also provide additional disclosure requirements relating to material breach of long-term loan arrangement. The amendment relates to classification of the non-current and current bifurcation of long-term loan arrangement due to breach of covenants on or before the end of reporting period. Due to this, the loan is considered to be payable on demand and is classified as current liability, unless the lender agrees, by the end of the reporting period to provide a period of grace of at least twelve months after the reporting period within which the entity can rectify the breach and during which the lender cannot demand immediate repayment. The amendment is applicable from April 1, 2026. The Company is currently assessing the probable impact of amendments which are applicable in its annual financial statements.

Ind AS 7 – Cash flow statement – Supplier Financing Arrangement. These amendments include additional disclosure requirements for supplier financing arrangements relating to cash and non-cash changes (i.e. the effect of business combinations, exchange differences or other transactions that do not require the use of cash or cash equivalents) and disclosure relating to the terms and conditions related to the arrangement including disclosure of dissimilar terms separately along with carrying amounts in line items disclosed for which suppliers have received payments from financial institution and range of due dates. The amendment is applicable from April 1, 2025 with exemption to comparative period

and interim periods in which entity first applies the amendments.

Ind AS 107 – Financial Instruments Disclosure – Additional disclosure relating to Supplier Financing Arrangement - The liquidity risk disclosure will also include the disclosure for supplier financing arrangement which includes maturity analysis for supplier financing arrangement and a description of how the entity manages the liquidity risk inherent in Supplier Financing Arrangement. Ind AS 12 – Income Taxes – Pillar Two - The amendment includes in the scope of the Ind AS 12 the income tax paid on pillar two model rules and disclosure for application of the exception additional disclosure relating to current income taxes related to Pillar Two income taxes and disclosure of known or reasonably estimable information that helps users of financial statements understand the entity's exposure to Pillar Two income taxes arising from that legislation when Pillar two legislation is enacted but not yet effective. These disclosure shall be supported by qualitative and quantitative information. These amendments are effective from April 01, 2025 but to be disclosed in annual financial statements

B. Critical estimates and judgements -

The preparation of financial statements requires the use of accounting estimates which will seldom equal the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgement are:

i. Estimation of current tax expenses and Payable and Recognition of deferred tax assets for carried forward tax losses

The Company's tax jurisdiction is India. Significant judgements are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid / recovered for uncertain tax positions (refer note 26). The extent to which deferred tax assets/minimum alternate tax credit can be recognized is based on management's assessment of the probability of the future taxable income against which the deferred tax assets/minimum alternate tax credit can be utilized.

ii. Probable outcome of matters included under Contingent Liabilities

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Company, (refer note 28). By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum, of contingencies inherently involves the exercise of significant judgments by management and the use of estimates regarding the outcome of future events.

iii. Recoverability of advances / receivables

At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit losses on outstanding receivables and advances.

iv. Classification of leases

The Company enters leasing arrangements for various premises. The assessment (including measurement) of the lease is based on several factors, including, but not limited to, transfer of ownership of leased asset at end of lease term, lessee's option to extend/terminate etc. After the Commencement date, the Company reassesses the lease term if there is a significant event or change in circumstances that is within its control and affects its ability to exercise or not to exercise the option to extend or to terminate.\

v. Inventories

The Company estimates the net realizable values of inventories, considering the most reliable evidence available at each reporting date. The future realization of these inventories may be affected by future demand or other market-driven changes that may reduce future selling prices.

vi. Provisions

At each balance sheet date basis, the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.
