INTRODUCTION

FORGING A STAINLESS INDIA

P S Raj Steels Limited, established in **2004** and headquartered in Hisar, Haryana, is a leading manufacturer of welded stainless steel pipes and tubes in India. Over the years, the Company has built a strong presence in the stainless steel industry through its focus on quality, reliability, operational excellence and customer-centric solutions.

The Company operates a **state-of-the-art manufacturing facility with an installed capacity of 14,800 MTPA**, supported by modern infrastructure, advanced manufacturing capabilities and a skilled workforce. Its diversified product portfolio comprises **250+ product specifications**, including stainless steel welded pipes and tubes in round, square, rectangular and oval sections, slotted pipes, as well as stainless steel coils, strips, sheets and plates.

P S Raj Steels serves a wide range of end-use industries, including **infrastructure, construction, engineering, transportation, industrial processing and other commercial applications**. Its extensive **pan-India dealer network across 19 states** enables the Company to maintain strong market reach and provide efficient access to customers across diverse geographies.

A significant milestone in the Company's journey was its listing on the **NSE Emerge platform in February 2025**, marking an important step towards enhancing its corporate profile, governance standards and long-term stakeholder value.

With a strong foundation built on **quality, innovation and customer relationships**, P S Raj Steels continues to strengthen its manufacturing capabilities and market presence. The Company remains focused on leveraging the growing demand for stainless steel in India while pursuing sustainable and responsible growth.

Going forward, P S Raj Steels is committed to enhancing operational efficiency, expanding its product and market reach, strengthening customer relationships and creating **sustainable long-term value for all stakeholders**.

BUILDING THE STAINLESS INDIA

MR. DEEPAK KUMAR
M A N A G I N G D I R E C T O R

Dear Shareholders,

It is my pleasure to present the Annual Report of P S Raj Steels Limited and share with you our reflections on the year gone by and our outlook for the journey ahead.

The year under review has been a period of strengthening our foundations, sharpening our focus and preparing the Company for the next phase of sustainable growth. In an evolving business environment, marked by changing market dynamics and increasing customer expectations, we remained focused on the fundamentals of our business—operational discipline, product quality, customer relationships, cost efficiency and prudent financial management.

P S Raj Steels has built its presence over the years by focusing on quality, reliability and consistency. Since its establishment in **2004**, the Company has developed capabilities in the manufacturing of stainless steel pipes and tubes and has continued to invest in technology, infrastructure and people. Our manufacturing facility has an installed capacity of **14,800 MTPA**, providing us with a strong platform to serve diverse industry requirements.

Industry Outlook

We remain positive about the long-term prospects of the stainless steel industry in India. The country's continuing focus on infrastructure development, manufacturing, transportation, urbanisation and industrial expansion is creating multiple avenues for stainless steel applications. Stainless steel is increasingly preferred for its **durability, corrosion resistance, strength, aesthetics and long service life**, making it relevant across infrastructure, automotive, railways, construction, engineering and process industries.

For P S Raj Steels, we see these developments as an opportunity to strengthen our market position and deepen our engagement with customers across different segments.

Our Strategic Priorities

Going forward, our focus will remain on building a stronger, more efficient and resilient organisation. We intend to continuously improve manufacturing efficiency, optimise costs, strengthen quality systems and enhance our ability to respond to evolving customer requirements.

Our customers and business partners remain central to our growth journey. We believe that long-term relationships are built through trust, transparency and the ability to consistently deliver on our commitments.

People and Organisation

Behind every achievement of the Company is the contribution of our people. Our employees bring together technical knowledge, experience, dedication and a shared commitment to excellence. We will continue to invest in developing their capabilities, encouraging a culture of accountability and creating an environment where individuals can contribute meaningfully to the Company's growth.

Governance and Stakeholder Trust

As a listed Company, we understand that sustainable growth must go hand in hand with transparency, accountability and responsible governance. We remain committed to strengthening our systems, internal processes and compliance framework while maintaining the highest standards of integrity in our business conduct.

Looking Ahead

The road ahead will bring both opportunities and challenges. Raw material volatility, competitive pressures, changing global trade dynamics and evolving customer expectations will require us to remain agile and disciplined. However, we believe that challenges also create opportunities for companies that remain focused, adaptable and committed to continuous improvement.

I would like to sincerely thank our shareholders, employees, customers, suppliers, business partners, financial institutions and all other stakeholders for their continued confidence, support and association with P S Raj Steels Limited.

Together, we look forward to building a stronger P S Raj Steels—one that creates enduring value and remains prepared for the opportunities of tomorrow.

Warm regards,

Deepak Kumar

STAINLESS STEEL IN MOTION

Stainless steel pipes, tubes and sheets are widely used across mills and process industries, including sugar, paper & pulp, chemical, pharmaceutical, food processing, oil & gas and power. Their excellent corrosion and heat resistance, durability and low maintenance make them suitable for process piping, heat exchangers, tanks, vessels and other critical equipment operating in demanding industrial environments.

Stainless steel pipes, sheets and other products are widely used across mills and process industries such as food processing, chemicals, pharmaceuticals, petrochemicals, power and engineering. Its corrosion resistance, strength, hygiene, ease of cleaning and ability to withstand demanding operating environments make it well suited for process piping, equipment, tanks, structures and fabrication applications.

Stainless steel is widely used in furniture and urban furnishings, including tables, chairs, benches, frames, railings and decorative elements.

Stainless steel has emerged as a versatile material for modern furniture, offering an effective combination of strength, durability, corrosion resistance and aesthetic appeal. Stainless steel pipes, tubes and sheets are used in the manufacturing of tables, chairs, racks, cabinets, shelves, workstations, beds and decorative furniture components. Its ability to withstand moisture, regular wear and demanding usage, together with its easy-to-clean surface and low maintenance requirements, makes it suitable for residential, commercial, hospitality, institutional and outdoor applications. Its strength, sleek appearance, resistance to corrosion and ease of maintenance make it a preferred material for both indoor and outdoor furniture, particularly where durability and contemporary design are important. The availability of polished, brushed and other finishes further enables designers to create sleek, contemporary and premium-looking furniture with long service life.

Stainless steel is an essential material in modern metro and public transport systems, used in coach bodies, side panels, roofs, interiors, handrails, structural components and other applications. Its high strength, corrosion resistance, durability and low maintenance requirements make it ideal for high-traffic transportation infrastructure, while its aesthetic finish enhances passenger spaces.

In automobiles and other vehicles, stainless steel is used extensively in exhaust systems, fuel tanks, trims, structural components, suspension parts and other applications. Its excellent strength-to-weight ratio, corrosion resistance, durability and ability to withstand demanding operating conditions contribute to improved vehicle performance, safety and service life.

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2026

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies
(Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
P S RAJ STEELS LIMITED,
V & P.O Talwandi Rukka,
Hisar-125001 (Haryana)

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **P S RAJ STEELS LIMITED (CIN:L27109HR2004PLC035523)** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on **March 31, 2026** ('Audit Period') complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on **March 31, 2026** according to the provisions of:

Management Discussion And Analysis Report

P S Raj Steels Limited is proudly engaged in the business of manufacturing high-grade Stainless Steel (SS) Tubes & Pipes. Classified fundamentally as a specialized steel component manufacturer, your Company occupies a strategic position within the domestic downstream steel ecosystem. The Indian steel industry has made rapid, structural progress over the recent few years, shifting from mere cyclical momentum to sustained long-term expansion.

The industry is backed heavily by targeted policy support and favorable industrial reforms. Capitalizing on the domestic transformation, demand for specialized steel tubes and pipes continues to expand across infrastructure, core industrial construction, and structural manufacturing. Your Company maintains deep manufacturing capabilities and a scalable asset base to capture this accelerating market volume, driven concurrently by localized technological advancements and product customization.

1. ECONOMIC OVERVIEW

a) Global Economy¹:

The global economy exhibited baseline resilience through 2025, expanding at an estimated 2.8% to 3.0% despite lingering structural disparities. Macroeconomic pressures—notably elevated capital financing costs and geopolitical trade shifts—gradually stabilized due to synchronized central bank rate resets. Moving into 2026, the international business landscape remains cautiously constructive, yet sensitive to volatile trade policy realignments, tariff restructures, and localized supply chain challenges. For specialized materials like stainless steel, global demand continues to migrate toward high-efficiency industrial infrastructure, offsetting subdued traditional commercial building output.

b) India's Economy Overview²:

India firmly consolidated its macroeconomic position as the world's fastest-growing major economy during the fiscal year under review. According to the Government's First Advance Estimates, India's Real GDP growth surged to a robust 7.4% for F.Y. 2025-26, outperforming initial range-bound expectations of 6.5% from previous periods. This exceptional momentum was supported by a parallel economic mechanism: robust domestic private consumption (with Private Final Consumption Expenditure climbing to 61.5% of GDP) and an accelerating Gross Fixed Capital Formation (GFCF) rate which held strong at 7.8%. On the structural front, the industrial and manufacturing sectors expanded steadily, insulated by stable domestic inputs and a significant moderation in headline retail inflation, which dropped to a historical low of 1.7%.

Fiscal Year 2025-26 Economic Scorecard

- Real GDP Growth Rate: 7.4%
- Gross Value Added (GVA): 7.3%
- Private Consumption/GDP: 61.5%
- Capital Capex Share/GDP: ~4.0%

c) Economic Outlook (F.Y. 2026-27 & Beyond)

Looking forward, India's macroeconomic trajectory remains structural and highly positive. Major international bodies, including the IMF and the Union Budget forecasts, project real GDP growth to comfortably settle between 6.8% and 7.2% for F.Y. 2026-27. Growth will continue to be driven by:

- **Sustained Public & Private Capex:** The central government's effective capital outlay is maintained near 4% of GDP, driving aggressive downstream demand across roads, transport logistics, urban sewage architecture, and heavy manufacturing.
- **Rural Demand Recovery:** Improved monsoon cycles and strong agricultural output are expected to continuously strengthen rural discretionary spending power.
- **Monetary Policy Easing:** Anticipated steps toward progressive liquidity easing by the Reserve Bank of India (RBI) are set to compress corporate borrowing costs, directly stimulating fresh capacity additions.

2. INDUSTRY OVERVIEW:

a) Global Steel Industry:

The global steel market faced a highly divided operating landscape. While developed economies recorded narrow contractions or sluggish plateaus due to high energy inputs and property market soft-patches in Europe and China,

the global Stainless Steel Pipes and Tubes vertical held a firm valuation of approximately USD 35.8 Billion to USD 37.2 Billion. Crucially, international trade observed major structural adjustments due to massive exports from over-capacitated regional centers. However, this catalyzed widespread anti-dumping actions and regional protective import barriers. Concurrently, global industrial demand is pivoting rapidly toward clean energy infrastructure, process-plant capital expansions, and specialized corrosion-resistant components.

b) **Indian Steel Industry:**

India's domestic steel sector demonstrated spectacular growth. Driven by deep-rooted infrastructure mandates, India's annual crude steel production expanded by 10.7% year-on-year to hit an all-time record of 168.4 Million Tonnes (MT) in F.Y. 2025-26. The country's total installed steelmaking capacity has scaled to 220 MT, actively keeping pace with the National Steel Policy target of 300 MT by 2030.

For the Stainless Steel Pipes & Tubes market, the local ecosystem has crossed a major threshold, valued at USD 2.40 Billion with an accelerating domestic CAGR of 8.9%.

Key Structural Growth Drivers for SS Pipes & Tubes:

1. Oil, Gas & Process Industry Capex: Expansions in chemical, refinery, and pharma plants requiring ASTM-compliant SS pipes.
2. Public Infrastructure: National Green Hydrogen Mission and desalination setups mandating anti-corrosive conduits.
3. Green Steel Taxonomy (2025-2026): A strategic regulatory shift favoring circular, low-carbon steel components.

Outlook

The business outlook for the Indian steel pipes and tubes industry for F.Y. 2026-27 is exceptionally strong, with domestic consumption projected to advance by 8% to 9%. The market is transforming rapidly due to localized policy support, including the continuing Production Linked Incentive (PLI) scheme for specialty steel, structural custom duty barriers protecting local micro-and-SME units from cheap alloy dumping, and strict local sourcing norms under government tenders.

While raw material volatility—specifically price corrections in Hot Rolled Coils (HRC) and nickel inputs—will require sharp working capital management, P S Raj Steels Limited is ideally positioned. The structural push toward high-purity industrial piping, urban transportation setups (such as modern railway coach and metro rail layout components), and advanced capital equipment guarantees a multi-year growth runway for your Company's specialized product line.

3. Segment-wise or Product wise Performance:

Currently our Company is engaged in one type of product and involves manufacturing and trading of Stainless Steel Pipes, Tubes and coils so there is no segment wise or product wise performance available.

4. Company Overview:

Our Company was originally incorporated as '**P S Raj Steels Private Limited**' as a private limited company under the Companies Act, 1956 on November 09, 2004 pursuant to a Certificate of Incorporation bearing CIN U27109HR2004PTC035523 issued by the Registrar of Companies, National Capital Territory of Delhi and Haryana. Thereafter, our Company was converted into a public limited company from a private limited company pursuant to a special resolution passed by the shareholders of our Company on May 17, 2024 consequent to which the name of our Company changed from '**P S Raj Steels Private Limited**' to '**P S Raj Steels Limited**' and a fresh Certificate of Incorporation bearing no. U27109HR2004PLC035523 was issued by the Registrar of Companies, NCT of Delhi and Haryana ("ROC") on August 06, 2024.

The Company's equity shares were listed on the NSE Emerge Platform on 19th February, 2025 and became a listed entity on NSE Emerge Platform **w.e.f. 19th February, 2025**. The Company has raised the total fund of Rs. 28.28/- Crore through SME IPO of the Company. The Company's SME IPO has received an exceptional response being oversubscribed by 9.16 times led by the strong participation from Retail Investors, Non-Institutional Investors and Qualified Institutional Buyers (QIBs).

5. Risk and Concerns:

Due to Recent BIS Regulations the import of Stainless Steels coils from China Vietnam has drastically reduced creating a high demand for domestic Steel Product (Steel Coils) which is a raw material. This pushed a price of Raw Material industry wide.

6. Internal Control System and their Adequacy:

The company maintains internal control systems commensurate with the size and nature of its operations. These control are periodically reviewed and strengthened through appropriate standard operating procedures and management oversight.

7. Financial Performance with respect to Operational Performance:

Financial Performance during the year 2025-2026 are as follows:

Particular	2025-2026 (in Lakhs)	2024-2025 (In Lakhs)
Revenue from Operation	26599.44	26288.95
Sales and Other Income	26607.14	26295.87
Operating Profit (PBIDT)	1315.99	1232.32
Interest Cost	32.43	139.49
Profit before Depreciation (PBDT)	1283.56	1092.83
Depreciation	153.59	96.41
Profit before tax	1129.97	996.42
Provision for Taxation	271.85	255.47
Profit after Tax	858.12	740.95

8. Industrial Relations and Resource Management:

The Company during the previous year continued its record of good industrial relations with its employees & other associated Shareholders. During the year various initiatives had been taken to improve the performance and productivity levels in various departments of the Company. The Company conducts training sessions on various topics ranging from safety, productivity, handling of hazardous products etc. that help to train employees to overcome operational constraints. The Company train the new recruits before their placement that helps in optimum utilization of resources as well as maintaining quality standards. It also indulges into and implements various HR initiatives and activities including employee welfare, special rewards, performance review system and various employee motivation activities.

9. Cautionary Statement:

Management Discussion and Analysis Report may be “forward looking statement” within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied depending upon global and Indian demand-supply conditions, changes in government regulations, tax regimes, and economic developments within India and overseas.

Independent Auditor's Report

To
The Members of **P S RAJ STEELS LIMITED**
(Formerly Known as P S Raj Steels Private Limited)

Report on the Audit of the Standalone Financial Statements

Opinion:

We have audited the accompanying standalone financial statements of **P S RAJ STEELS LIMITED (Formerly Known as P S Raj Steels Private Limited)** ("the Company"), which comprise the balance sheet as at 31st March, 2026 and the statement of Profit and Loss and statement of cash flows for the period ended 31st March, 2026, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting standards prescribed under Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India, of the state of affairs of company as on 31st March, 2026, its profit and its cash flows for the year ended on that date.

Basis for Opinion:

We conducted our audit of standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics as prescribed as Institute of Chartered Accountants of India. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the period ending 31st March, 2026. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the financial statements and auditors' report thereon:

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Annual Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements for the respective period does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements:

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design,

implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and board of directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management and board of director's report either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements:

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act based on our audit, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on 31st March, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls in ‘Annexure A’, our report express an unmodified opinion on the adequacy and operating effectiveness on the company’s internal financial control with reference to standalone financial statements .
 - g) With respect to the matter to be included in the Auditor’s Report under section 197(16), In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current period is in accordance with the provisions of section 197 of the Act read with Schedule (v) of the Act.
 - h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements. Refer Note-20 of the standalone financial statements.
 - (ii) The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - (iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - (iv) (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on Internal Financial Controls over Financial Reporting

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting with reference to Standalone Financial Statements of **P S RAJ STEELS LIMITED** (Formerly Known as P S Raj Steels Private Limited) (“the Company”) as of March 31st, 2026 in conjunction with our audit of the financial statements of the Company for the period ended on that date.

Management’s Responsibility for Internal Financial Controls:

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility:

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting:

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that:

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting:

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

In our opinion, to the best of our information and according to the explanations given to us, the company has, in all material respects, adequate internal financial controls with reference to Standalone Financial Statements and such internal financial controls with reference to Standalone Financial Statements were operating effectively as at 31st March, 2026, based on the criteria for internal financial controls with reference to Standalone Financial Statements established by the Company considering the essential components of internal control stated in the Guidance note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT
(The Annexure referred to in paragraph 2, under Our Report on ‘Other Legal and Regulatory Requirements’ section of our Report of even date).

In terms of the information and explanations sought by us and given by the company and the books of accounts and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

i. In respect of the Company’s Property, Plant and Equipments, right of use assets and Intangible assets:

- a. A) The company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment,
 B) The Company has maintained proper records showing full particulars of intangible assets
- b. All the Property, Plant and Equipment have been physically verified by the management at regular intervals of time (normally once a year). No material discrepancies were noticed on such verification.
- c. According to the information and explanations given to us, the records examined by us and based on the examination of the conveyance deeds / registered sale deed provided to us, we report that, the title deeds, comprising all the immovable properties (other than immovable properties where the Company is the lessee and the lease agreement are duly executed in favour of the Company) disclosed in the Standalone Financial Statements are held in the name of the Company.
- d. The Company has not revalued its property, plant and equipment (including right of use of assets) or intangible asset or both during the year.
- e. According to the information and explanations given to us and on the basis of the examination of the records of the Company, No proceedings have been initiated or pending against company as on March, 2026, for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

ii. In respect of Inventory:

- a. The inventory has been physically verified by the management during the year except for inventories lying with third parties. In our opinion, the frequency of verification by the management is reasonable and the coverage and procedure for such verification is appropriate. Inventories lying with third parties have been confirmed by management as of 31st March 2026. No discrepancies were noticed on verification between the physical stock and book records that were 10% or more in aggregate for each class of inventory.
- b. According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of Rs 5 crore, in aggregate, at points of time during the year, from banks on the basis of security of current assets. In our opinion and according to information and explanations given to us, the company is not required to file quarterly returns or statements to the bank. However, the company is required to file monthly stock statements to the bank and there is no material misstatements.
- iii. According to the information and explanations given to us and on the basis of our examination of the books of account, the Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties listed in the register maintained under Section 189 of the Companies Act, 2013. Consequently, the provisions of clauses iii (a), (b) and (c) of the order are not applicable to the Company.
- iv. The company has not granted loans or provided guarantees or securities to parties covered under Section 185 of the Companies Act, 2013 (“Act”). The Company has complied with the provisions of Sec 186 of the Act in respect of loans granted, investments made and guarantees and securities provided, as applicable.
- v. The company has neither accepted deposits from the public nor accepted any amount which are deemed to be deposits within the meaning of Section 73 to 76 of the Act and Rules made thereunder. Hence, reporting under clause 3(v) of the order is not applicable.
- vi. We have broadly reviewed the books of account maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended, prescribed by the Central Government for the maintenance of cost records under Section 148(1) of the Act, related to the manufacturing activities and are of the opinion that, prima facie, the prescribed cost records have been made and maintained by the company.
- vii. According to the Information and explanations given to us, in respect of statutory dues:

- a. According to the records of the company, undisputed statutory dues including Provident Fund, Employees' State Insurance, Income-tax, Goods and Services tax, Sales-tax, Service Tax, Custom Duty, Excise Duty, value added tax, cess and any other statutory dues to the extent applicable, have generally been regularly deposited with the appropriate authorities. There were no undisputed amounts payable in respect of goods and services tax, provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues in arrears as at 31st March, 2026 for a period of more than six months from the date they became payable.

b.

Name of the Statute	Nature of Dues	Amount	Period to which amount relates	Forms where the dispute is pending
Central Excise & Custom Act	Claims against the company not acknowledged as debts	Rs. 4,72,73,240	March-2011 to 20.06.2013	Punjab and Haryana High Court

- viii. There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961(43 of 1961) during the year.
- ix. (a) In our opinion, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest hereon to any lender during the year
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) To the best of our knowledge and belief, in our opinion, term loans availed by the Company were applied by the Company during the year for the purposes for which the loans were obtained, other than temporary deployment pending application.
- (d) On an overall examination of the Standalone financial statements of the Company, funds raised on short term basis have, prima facie, not been used during the year for long term purposes by the Company.

STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO FINANCIAL INFORMATION

1. Note 1: Nature of Business Operation:

P S Raj Steels Limited (formerly known as P S Raj Steels Private Limited) (hereinafter referred to as 'the company') is a manufacturer and trader of Stainless Steel Pipes, Tubes and Coils. The Company was incorporated under the provisions of Companies Act, 1956 and domiciled in India. The registered office of the company is V & P.O. Talwandi Rukka, Hisar, Haryana, 125001, India.

Note 2: ACCOUNTING POLICIES:

2.1: BASIS OF PREPARATION OF FINANCIAL STATEMENTS

- i) These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act 2013 ('the Act') read with rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the act. The accounting policies adopted in the preparation of financial statements have been consistently applied. All assets and liabilities have been classified as current or non-current as per the company's normal operating cycle and other criteria set out in the schedule III to the Companies Act, 2013. Based on the nature of operation and time difference between the provision of services and realization of cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.
- ii) All amounts included in the financial statements are reported in Indian rupees (in rupees). Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures. Previous year figures have been regrouped/ re-arranged, wherever necessary.

2.2: USE OF ESTIMATES

The preparation of financial statements in accordance with the accounting standards notified u/s 133 of the Companies Act, 2013 requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Accounting estimates could change from period to period. Actual results could differ from these estimates. Appropriate changes and estimates are made as management become aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

2.3 ACCOUNTING CONVENTION

The group follows the mercantile system of accounting, recognizing income and expenditure on accrual basis. The accounts are prepared on historical cost basis and as a going concern. Accounting policies not referred to specifically otherwise, are consistent with the generally accepted accounting principles.

2.4 Property, Plant & Equipment :-

i) Tangible assets

Property, Plant and Equipment are stated at cost net of recoverable taxes, trade discounts and rebates and include amounts added on revaluation, less accumulated depreciation and impairment loss, if any. The cost of Assets comprises its purchase price, borrowing cost and any cost directly attributable to bringing the asset to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets. Subsequent expenditures related to an item of Property, Plant and Equipment are added to its book value only if they increase the future benefits from the existing assets beyond its previously assessed standard of performance.

Projects under which assets are not ready for their intended use are disclosed under Capital Work-in- Progress.

ii) **Depreciation**

Depreciation on Property, Plant and Equipment is provided on Written Down Value Method (WDV). Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013 except in respect of the following assets, where useful life is different than those prescribed in Schedule II are used. The residual value is not more than 5% of the original cost of the Asset. The Asset residual value, useful lives and method of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

In respect of addition or extensions forming an integral part of existing assets and insurance spares, including incremental cost arising on account of translation of foreign currency liabilities for acquisition of Fixed Assets, depreciation is provided as aforesaid over the residual life of the respective assets.

During the year, the Company has written off assets, being assets identified as obsolete, damaged, non-usable, or having no recoverable economic value based on management assessment. The write-off has been recognized under "Other Expenses" in the Statement of Profit and Loss.

iii) **Intangible Assets**

Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortization/depletion and impairment loss, if any. The cost comprises purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use and net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

The amortization of the intangible assets with a finite useful life reflects the manner in which the economic benefit is expected to be generated. The estimated useful life of amortized intangible is reviewed and where appropriate are adjusted, annually.

iv) **Impairment of Assets**

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment. Cost includes all direct costs and expenditures incurred to bring the asset to its working condition and location for its intended use. Trial run expenses (net of revenue) are capitalized. Borrowing costs incurred during the period of construction is capitalized as part of cost of the qualifying assets.

The gain or loss arising on disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognized in the statement of profit and loss.

2.5: RETIREMENT BENEFITS AND OTHER EMPLOYEE BENEFITS

A. SHORT-TERM EMPLOYEE BENEFITS

Short-term employee benefits are expensed as the related service is provided. A liability is recognized for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably. Short-term employee benefits include salaries, wages, bonus, leave encashment (if expected to be settled within 12 months), and other allowances payable within twelve months of rendering service.

B. POST EMPLOYMENT BENEFITS

- I) DEFINED CONTRIBUTION PLAN:** A defined contribution plan is a post-employment benefit plan under which the company pays specified contributions to a separate entity and has no further obligation beyond the contribution paid.

The Company's contribution towards Employees' Provident Fund (EPF) is a defined contribution plan in accordance with the Employees' Provident Funds and Miscellaneous Provisions Act, 1952. The Company's contribution is determined based on a fixed percentage of eligible employees' basic salary and is charged to the Statement of Profit and Loss on an accrual basis in the period in which the employee renders the related service. The Company has no further payment obligations once the contributions have been paid.

II) DEFINED BENEFIT PLAN

The Company operates a defined benefit gratuity plan governed by the provisions of the Payment of Gratuity Act, 1972. The plan is unfunded and the Company meets the benefit payment obligation from its own resources as and when they fall due.

The gratuity plan covers all eligible employees of the Company. The plan salary for the purpose of benefit computation is the monthly wage/salary as provided by the management of the Company.

Employee who has completed Four years and 240 days of service gets a gratuity on departure at 15 days' salary (last drawn salary) for each completed year of service. However, the Company has made provision for all the employees considering that they will meet all the eligible conditions for receiving gratuity.

The Company has made provision for payment of Gratuity to its employees. This Provision is made as per the method prescribed under the Payment of Gratuity Act. The cost of providing gratuity under this plan is determined on the basis of actuarial valuation at period/year end.

2.6: INVESTMENTS

All investments are classified as Long term Investments. On Initial recognition, all investments are measured at cost. The cost comprises the Purchase price and directly attributable acquisition charges such as brokerage, fees, and duties.

Long term Investments are carried at cost. However provision for diminution in value is made to recognize a decline other than temporary in the value of the long term investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of Profit & loss.

2.7: VALUATION OF INVENTORIES

Items of Inventories are measured at lower of cost or net realizable value after providing for obsolescence, if any, except in case of by-products which are valued at the net realizable value. Cost of inventories Comprises of all costs of purchase, cost of conversion and other costs including manufacturing overheads incurred in bringing them to their respective present location and condition. Cost of raw materials, process Chemicals, store and spares, packing materials, trading and other products are determined on the basis of valuation of the finished goods as per the provisions so applicable.

- i) **Raw Material, Components, stores and spares**
Raw Material, Components, stores and spares are valued at cost.
- ii) **Work-in-Progress and Finished Goods**
Work-in-Progress is valued at lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overhead based on normal operating capacity. Net Realizable value is the estimated selling price in the ordinary course of business, less estimated cost of completion and estimated costs necessary to make the sale.

2.8: REVENUE RECOGNITION

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services. Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract. The Company recognizes revenue when the amount of revenue can be reliably measured; it is probable that future economic benefits will flow to the Company regardless of when the payment is being made. Revenue from operations include sales of goods net of goods and service tax, adjusted for discounts (net) and gain/loss on corresponding hedged contracts.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price allocated to that performance obligation, net of variable consideration. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts, rebates, and schemes offered by the Company as part of the contract.

Sale of goods

Revenue from sale of goods is recognized at the point of dispatch of the finished goods to the customers against invoice(s). The Company collects goods and services tax on behalf of the government and therefore these are not economic benefits flowing to the companies, hence, they are excluded from the revenues.

Post-sales commercial discounts allowed to customers are deducted from Revenue from Operations in conformity with the disclosure requirements of Schedule III to the Companies Act, 2013 and AS 9, and are not included under Other Expenses.

Export Benefits

Export benefits constituting import duty benefits under duty drawback are accounted for on accrual basis. The same is recognized in the books of accounts in the year in which the right to receive the duty drawback credit as per the terms of the scheme is established in respect of the export made.

Interest income

Interest Income is recognized on a time proportion basis taking into account the amount outstanding and the interest rate applicable

2.9: FOREIGN EXCHANGE TRANSACTION

Transactions denominated in foreign currencies are translated into functional currency using the exchange rate prevailing on the date of the transaction or that approximates the actual rate at the date of the transaction.

Monetary items denominated in foreign currencies at the 31-03-2026 are restated at the 31-03-2026. In the case of items which are covered by forward exchange contracts, the difference between the year end rate and rate on the date of the contract is recognized as exchange difference and the premium paid on forward contracts is recognized over the life of the contract.

Non -monetary foreign currency items are carried at cost.

In respect of integral foreign operations, all transactions are translated at rates prevailing on the date of transaction or that approximates the actual rate at the date of transaction. Monetary assets and liabilities are restated at the 31-03-2026 rate.

Any income or expense on account of exchange difference either on settlement or on translation is recognized in the Profit and Loss Statement, except in case of long term liabilities, where they relate to acquisition of fixed assets, in which case they are adjusted to the carrying cost of such assets.

2.10: BORROWING COSTS

Borrowing cost attributable to the acquisition or construction of a qualifying asset are capitalized as part of the cost of such asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are recognized as an expense in the period in which they are incurred. Borrowing Cost consist of Interest, Other Cost that an entity incurs in connection with the borrowing of funds.

2.11: TAXATION

Income Tax comprised of Current, Deferred Taxes and Mat Credit.

i) Current Income Tax

Current Income Tax for the current and prior periods are measured at the amount expected to be paid to the tax authorities, using the applicable tax rates. The tax rates and tax laws used to compute the current tax amounts are those that are enacted or substantively enacted as at the reporting date and applicable for the period. While determining the tax provisions, the Company assesses whether each uncertain tax position is to be considered separately or together with one or more uncertain tax positions depending the nature and circumstances of each uncertain tax position. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and liability simultaneously.

ii) Deferred Income Tax

Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction. Deferred income tax assets are recognized to the extent it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized. The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized. Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

iii) MAT Credit

MAT Credit is recognized as an asset only when and to the extent there is convincing evidence that the company will pay normal Income Tax during the specified period. In the year in which the MAT Credit becomes eligible to be recognized as an asset in accordance with the recommendation contained in Guidance Notes issued by the ICAI, the said asset is created by way of a credit to the statement of profit & loss and shown as MAT Credit entitlement. The Company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT Credit entitlement to the extent there is no longer convincing evidence to the effect that company will pay normal Income Tax during the specified period.

2.12: PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions are recognized when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimate. Provisions are discounted to their present values, where the time value of money is material.

Where no reliable estimate can be made, a disclosure is made as contingent liability. A disclosure for a contingent liability is also made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Contingent liabilities are disclosed in the financial statements unless the possibility of outflow is remote. Contingent Liabilities are not provided for and are disclosed by the way of notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

2.13: Earnings per share

Basic earnings per share is computed by dividing the net profit for the period attributable to the equity shareholders of the company by the weighted average number of equity shares outstanding during the period. The weighted Average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares including the treasury shares held by the company to satisfy the exercise of the share options by the employees.

2.14: CASH FLOW STATEMENT

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of the transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing and financing cash flows. The cash flows from operating, investing and financing activities are segregated.

2.15: CASH AND CASH EQUIVALENTS

Cash and cash equivalents comprise cash and cash on deposit with banks. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

2.16 SEGMENT REPORTING

The company operates in a single segment i-e, "Manufacturing of S.S. Pipes and Tubes" and hence does not have any additional disclosures to be made under AS-17 Segment Reporting. However, the Company is having revenue; from its customers which are located in India, of more than 10% of its total revenue and does not have any export sale.

2.17: EXTRAORDINARY, EXCEPTIONAL, PRIOR PERIOD ITEMS AND CHANGES IN ACCOUNTING POLICIES

- a) Income or expenses that arise from events or transactions that are clearly distinct from the ordinary activities of the Company are classified as extraordinary items. Specific disclosure of such events/ transactions is made in the financial statements. Similarly, any external event beyond the control of the Company, significantly impacting income or expense, is also treated as extraordinary item and disclosed as such.
- b) On certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company, is such that its disclosure improves an understanding of the performance of the Company. Such income or expense is classified as an exceptional item and accordingly disclosed in the notes to accounts.

2.18: GOVERNMENT GRANTS AND SUBSIDIES

Government grants and subsidies are recognized when there is reasonable assurance that the Company will comply with the conditions attached to them and the grants/subsidy will be received. Government grants whose primary condition is that the Company should purchase, construct or otherwise acquire capital assets are presented by deducting them from the carrying value of assets and such grant is recognized as income over the life of a depreciable asset by way of a reduced depreciation charge.

When the grant or subsidy relates to an expense item, it is recognized as income over the periods necessary to match them on a systematic basis to the costs, which it is intended to compensate.

2.19: CONTINGENCIES AND EVENTS OCCURRING AFTER THE BALANCE SHEET DATE

Events that occur between balance sheet date and date, on which these are approved, might suggest the requirement for an adjustment(s) to the assets and liabilities as at balance sheet date or might need disclosure. Adjustments are required to assets and liabilities for events which occur after balance sheet date which offer added information substantially affecting the determination of the amounts which relates to the conditions that existed at the balance sheet date.

2.20 LEASES

Leases are classified as **Finance Lease** or **Operating Lease** at the inception of the lease, based on the substance of the transaction. Leases that transfer substantially all risks and rewards incidental to ownership of the underlying asset to the lessee are classified as Finance Leases. All other leases are classified as **Operating Leases**.

Operating Lease — As Lessee

The Company has taken **Office Premises and Factory Premises on Operating Lease**. Lease rentals payable under operating leases are recognized as an expense in the **Statement of Profit and Loss as per the terms of the respective lease agreements**. Lease rentals are charged on an accrual basis over the lease term.

Refundable security deposits paid under lease arrangements are carried as **assets** under deposits and are not adjusted for the time value of money.

Finance Lease — As Lessee

The Company does not have any assets taken on Finance Lease as at the Balance Sheet date.

14. Defined Benefit Plans

For defined benefits in the form of Gratuity the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuations being carried out at each balance sheet date. Actuarial Gains and Losses are recognized in the Statement of Profit and Loss in the period which they occur.

The retirement benefit obligation recognized in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognized past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

(1) Post Employee Benefit

Employee's Contribution	0%
Employer's Contribution	100%
Salary definition	Last drawn basic salary
Benefit ceiling	20,00,000/-
Vesting conditions	4 years 240 days on Retirement and withdrawal
Benefit on Retirement	$15/26 \times \text{Last drawn Plan Salary} \times \text{Plan service.}$
Benefit on Resignation/Withdrawals	Same as Retirement benefit
Benefit on Death	Same as Retirement Benefit
Retirement age*	60 years

*In case of employees with age above the retirement age mentioned in Plan features, the retirement is assumed to happen immediately and valuation is done. Other Long term leave benefits are governed by the entity's leave policy. Aforesaid post-employment benefit plans typically expose the Company to risks such as: actuarial risk, investment risk, liquidity risk, market risk and legislative risk.

(i) Acturial Risk

It is the risk that benefits will cost more than expected. This can arise due to one of the following reasons:

- Adverse Salary Growth Experience
- Variability in mortality rates
- Variability in withdrawal rates

(ii) Investment Risk

For funded plans that rely on insurers for managing the assets the value of assets certified by the insurer may not be the fair value of instruments backing the liability. In such cases, the present value of the assets is independent of the future discount rate. This can result in wide fluctuations in the net liability or the funded status if there are significant changes in the discount rate during the inter-valuation period.

Employees with high salaries and long durations or those higher in hierarchy, accumulate significant level of benefits. If some of such employees resign/retire from the Company there can be strain on the cash flows.

(iv) Market Risk

Market risk is a collective term for risks that are related to the changes and fluctuations of the financial markets. One actuarial assumption that has a material effect is the discount rate.

(v) Legislative Risk

Legislative risk is the risk of increase in the plan liabilities or reduction in the plan assets due to change in the legislation/regulation. The government may amend the Payment of Gratuity Act or Shop and Establishment Act thus requiring the companies to pay higher benefits to the employees.

There are no changes in the benefit scheme since the last valuation. There are no special events such as benefit improvements or curtailments or settlements during the inter-valuation period.

The following tables summaries the components of defined benefit expense recognized in the Statement of Profit and Loss/Other Comprehensive Income and the funded status and amounts recognized in the Consolidated Balance Sheet for the respective plans:
