Circular Ref.No.: 834/2014

To All Members,

#### **Sub: Illegal data dissemination of NSE's market data**

DotEx International Ltd. ("DotEx") a wholly owned subsidiary of National Stock Exchange is a professional set-up dedicated to cater the market participants need for data and info-vending products. DotEx had observed that NSE's market data is being disseminated, supplied & processed by some illegal and unauthorised users. Such illegal & unauthorised data is also observed to be used in development of different charting and technical tools.

In order to promote the use of authorized data & software, to protect the interest of authorized users and to prevent illegal distribution of NSE data, NSE advises its members to use only the authorized sources of data and technical software. Further, the NSE's data received by the members either directly from NSE or from any authorized vendors should be used only for their internal use and not to be redistributed. The trading members may check with NSE/DotEx for validating if they are dealing with authorized data vendors.
