Ref. No.: NSE/CML/2019/01

February 27, 2019

To All Listed Entities,

**Sub: Submission of listing application with respect to re-issuances of debt securities under same ISIN through NEAPS**

This is in continuation of our Circular No. 0120/2018 dated February 02, 2018 with regard to submission of listing application of Debt Securities on Private Placement Basis.

In continuation of our process improvement and go-green initiatives, we are pleased to announce release of “Debt Further Issue” on NSE Electronic Application Processing System (NEAPS) for submission of listing application of Private Placement of debt securities under existing ISIN (Reissuance).

The entities would be able to make application for listing of such re-issued debt securities through: *NEAPS > Debt Application > Listing > Private placements > Final listing > Further Issue*

The initiative is aimed at process automation of the entire debt module by providing a single window to the entities for making listing applications to the Exchange for privately placed debt securities viz. In-principle approvals/final listing of fresh issuances and reissuances. This would also enable the entities to track the real time status of their applications, dealing officer, expected approval date, etc.

Kindly note that from March 5, 2019, all entities are mandated to file all applications for listing of Debt Securities under Existing ISIN (Re-issuances) through NEAPS only. The Exchange will not accept any physical copy of application/email.
