Index Methodology

Eligibility Criteria for Selection of Constituent Stocks:

- i. Companies should form part of NIFTY 500 at the time of review. In case, the number of eligible stocks representing a particular sector within NIFTY 500 falls below 10, then deficit number of stocks shall be selected from the universe of stocks ranked within top 800 based on both average daily turnover and average daily full market capitalisation based on previous six months period data used for index rebalancing of NIFTY 500.
- ii. Companies should form part of Finance Sector.
- iii. The company's trading frequency should be at least 90% in the last six months.
- iv. The company should have a listing history of 6 months. A company, which comes out with an IPO will be eligible for inclusion in the index, if it fulfills the normal eligibility criteria for the index for a 3 month period instead of a 6 month period.
- v. Final selection of 15 companies shall be done based on the free float market capitalization of the companies with an aim to provide adequate representation to sectors such as banks, financial institutions, housing finance and other financial services.
- vi. Weightage of each stock in the index is calculated based on its free-float market capitalization such that no single stock shall be more than 33% and weightage of top 3 stocks cumulatively shall not be more than 62% at the time of rebalancing.

Index Re-Balancing:

Index is re-balanced on semi-annual basis. The cut-off date is January 31 and July 31 of each year, i.e. For semi-annual review of indices, average data for six months ending the cut-off date is considered. Four weeks prior notice is given to market from the date of change.

Index Governance:

A professional team manages all NSE indices. There is a three-tier governance structure comprising the Board of Directors of NSE Indices Limited, the Index Advisory Committee (Equity) and the Index Maintenance Sub-Committee.
