INTERNAL RISK FACTORS

Below mentioned risks are the top 5 risk factors as per the RHP:

1. Our inability to anticipate, respond to and meet the tastes, preferences or consistent quality requirements of our consumers or our inability to accurately predict and successfully adapt to changes in market demand or consumer preference could reduce demand for our products and in turn, impact our sales.
2. Our revenue significantly depends on the sale of our edible oil products and any decline in the sale of our edible oil products, specifically palm and soybean oil, in the market would have a material adverse effect on our business, financial condition and results of operation.
3. We depend almost entirely on third-party suppliers in respect of availability of our raw materials. An interruption in the supply of such products and price volatility could adversely affect our business, results of operations and financial condition.
4. Our Company is required to comply with the minimum public shareholding requirements prescribed under the SCRR. Failure to comply with the minimum public shareholding requirements by our Company may result in certain adverse consequences, including delisting of our Equity Shares.
5. Certain of our Promoters had pledged their Equity Shares and entered into an unattested share pledge agreement in favour of a common security trustee appointed by the consortium of lenders, which have been released temporarily to permit lock-in in terms of SEBI ICDR Regulations. Any exercise of such pledge by any lender forming part of such consortium or enforcement of such pledge could dilute the shareholding of the Promoters, which may adversely affect our business and future prospects.

If, however, the Bidder does not either revise the Bid or make additional payment and the Issue Price is higher than the cap of the Price Band prior to revision, the number of Equity Shares Bid for, shall be adjusted downwards for the purpose of Allotment, such that no additional amount would be required to be blocked and the Bidder is deemed to have approved such revised Bid at Cut-off Price.
