RISKS TO INVESTORS:

- Our Company, Directors, Promoters and Group Companies are parties to certain legal proceedings. Any adverse decision in such proceedings may have a material adverse effect on our business, results of operations and financial condition.
- We are highly dependent on the sale of cotton seeds and our business is exposed to risks related to product concentration, which could materially and adversely affect our business, financial condition, results of operations, and prospects.
- We are dependent on the success of our research and development activities and a failure to develop new and improved products could adversely affect our business.
- Substantial portion of our revenues has been dependent upon few customers. The loss of any one or more of our major customers would have a material effect on our business operations and profitability.
- The average cost of acquisition of Equity Shares by our Promoters is lower than the Issue Price.
- The Merchant Banker associated with the issue has handled 27 public issues in the past 3 years of which 7 issues closed below the Issue Price on the Listing date.

BASIS FOR ISSUE PRICE

The Issue Price shall be determined by our Company in consultation with the BRLM on the basis of the assessment of market demand for the Equity Shares through the Book Building Process and on the basis of the quantitative and qualitative factors as described in this section. The face value of the Equity Shares is ₹10/- each and Issue Price is 5.2 times of the face value at the lower end of the Price Band and 5.5 times of the face value at the upper end of the Price Band.

Investors should also refer “*Our Business*”, “*Risk Factors*” and “*Financial Statements as Restated*” beginning on page no. 129, 26 and 219 respectively, of the Red Herring Prospectus, to have an informed view before making an investment decision. The trading price of the Equity Shares of Our Company may not be as per your expectation due to these risk factors and you may lose part of your investments.

QUALITATIVE FACTORS:

Some of the qualitative factors, which form the basis for computing the price, are –

- Experienced promoters having deep knowledge to scale up the business
- Established and proven track record;
- Leveraging the experience of our Promoters;
- Experienced management team and a motivated and efficient work force;
- Cordial relations with our customers
- Quality Assurance & Control

For a detailed discussion on the qualitative factors which form the basis for computing the price, please refer to Section titled, “*Our Business*”, beginning on page no. 129 of the Red Herring Prospectus.

QUANTITATIVE FACTORS:

The information presented in this section is derived from our Company’s restated financial statements for the six-month period ended on 30th September 2024 and financial years ended on 31st March 2024, 31st March 2023 and 31st March 2022 prepared in accordance with Indian GAAP, the Companies Act and Restated in accordance with SEBI (ICDR) Regulations. For further details on financial information, refer chapter titled “*Financial Statements as Restated*” beginning on page no 219 of the Red Herring Prospectus.

Investors should evaluate our Company taking into consideration its earnings and based on its growth strategy. Some of the quantitative factors, which form the basis for computing the price, are as follows:
