The affairs, business and assets of the corporate debtor are being managed by Mr. Pardeep Kumar Sethi, Resolution Professional vide Hon'ble National Company Law Tribunal, Mumbai order dated 7th May 2021)

INDEPENDENT AUDITORS' REVIEW REPORT ON STANDALONE UNAUDITED FINANCIAL RESULTS FOR QUARTER AND PERIOD ENDED 30 SEPTEMBER 2020 OF COX & KINGS FINANCIAL SERVICE LIMITED PURSUANT TO REGULATION 33 OF THE SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015

To the Insolvency Professional
Cox & Kings Financial Service Limited.

Introduction

1. We were engaged to review the accompanying statement of standalone unaudited financial results of **COX & KINGS FINANCIAL SERVICE LIMITED ("the Company")**, for the quarter and period ended 30 September 2020 ("**the Statement**"), being submitted by the Company pursuant to requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. The Honourable National Company Law Tribunal, Mumbai ('NCLT') on 7 May 2021 admitted the Corporate Insolvency Resolution Process ('CIRP') application filed against the Company and appointed Mr. Pardeep Kumar Sethi, having IBBI Registration No. IBBI/IPA-001/IP-P00711/2017-2018/11265 as the Interim Resolution Professional (IRP) in terms of the Insolvency and Bankruptcy Code, 2016 ('the Code'). Further, the committee of creditors during the CIRP in its first meeting held on 1 September 2021, has appointed Mr. Pardeep Kumar Sethi as the Resolution Professional (RP) to manage the affairs of the Company. As per section 17 (1)(b) of IB Code, 2016 the powers of board of directors of the corporate debtor shall stand suspended and be exercised by the Resolution Professional. The underlying results pertaining to the period under review were under the Board of Directors, whose powers now stand suspended on the initiation of CIRP under the Insolvency and Bankruptcy Code, 2016.
3. The Unaudited Standalone Financial Results are the responsibility of the Company's Management, inter-alia the persons looking after accounts & finance functions, the CFO, the Officers & the Board of Directors and should be approved by the Company's Board of Directors. The accompanying Unaudited Standalone Financial Results pertain to the quarter and period ended 30 September 2020, where the Board of Directors holds the responsibility for the financial transactions under the review period. However, the suspended Board of Directors have not provided requisite clarifications for the financial transactions reflected in the results neither were they able to provide sufficient audit documentation to us for the purpose of this Limited Review

These Financial Results pertain to the period when Corporate Insolvency Resolution Process (CIRP) had not commenced and the Resolution Professional was not yet appointed by the Hon'ble NCLT, wherein the Board of Directors was actively engaged in the affairs of the company and were charged with governance and hence would have been signed by them. However, in absence of management representations from the Board of Directors and Key Managerial Persons; the Resolution Professional has placed signatures on the accompanying results for compliances with the provisions of the Companies Act, 2013, the rules and regulations framed thereunder ("Act") and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements), Regulations 2015 ("Listing Regulations").

Unaudited Standalone Financial Results, have not been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, "(Ind AS 34) Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant

rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express an opinion on these Unaudited Standalone Financial Results based on our review. On account of the matters described in **paragraphs 6** below, we were not able to obtain sufficient appropriate audit evidence to provide a basis for opinion on these Unaudited Standalone Financial Results and hence we do not express an opinion on these Unaudited Standalone Financial Results.

4. For the purpose of this review, we have relied upon the standalone financial results provided to us by the RP. It is noteworthy that the RP has inserted a note, as part of notes to accounts, set out in Note No 5 & 6, as per which financial results are based on data and information gathered by him from the corporate office situated at Vaman Centre, Andheri (East), Mumbai, from the public domain and other sources such as bank statements, etc., to the extent possible. It is pertinent to note that the Resolution Professional while taking charge over the assets of the company and while taking into custody data, records, documents, etc, had approached the erstwhile directors, KMPs and promoters, Auditors etc. however, no co-operation was received from them and has not personally verified such information; and that he should be absolved from the accuracy, veracity and sufficiency or completeness of information gathered by him basis which the standalone financial results have been prepared. As per the said note, the RP has signed the standalone unaudited financial results only to facilitate the CIRP process without any liability of the same. To the extent the RP has disclaimed his liability with respect to accuracy, veracity and sufficiency or completeness of information gathered by RP to the extent available, the standalone unaudited financial results may suffer from issues of accuracy, veracity, sufficiency, completeness or reliability. *[Relevant observations upon the extent of veracity of the standalone unaudited financial results have been made in the below paragraphs 6, 7 & 8 of this Section.]*

Scope of Review

5. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Engagements to “Review of Interim Financial Information performed by Independent Auditor of the entity” issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial results are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

6. Basis for Disclaimer of Opinion

We draw attention to:

We draw your attention to the fact that, these financial results pertain to the period when the CIRP had not commenced and Resolution Professional was not appointed by the Hon’ble NCLT. Prior to the commencement of CIRP, the Board of Directors, whose powers were subsequently suspended during the CIRP, had the oversight on the management of the affairs of the Company along with the KMPs. The primary purpose of publishing the financial results is for the compliance with the provisions of the Companies Act, 2013, the rules and regulations framed thereunder (“Act”) and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements), Regulations 2015 (“Listing Regulations”).

- a) For the period under review, while reviewing the financial results & underlying supporting's for Revenue from operations, Other income, and expenses appearing as Direct expenses as well as Indirect expenses, sufficient documentation & substantiation for us to derive an audit opinion were not available and hence a disclaimer of opinion is expressed by us. Aspects such as non-availability of records as well as accounting & record keeping personnel, not working with the company at this time, contributed to the situation wherein an audit opinion could not be formed.

Similarly, as per accounting records of the Company for such period ended 30 September 2020, in the absence of substantial evidences and documentation to support 'Revenue from Operations' of INR Nil, 'Other Income' of INR Nil, 'Total Expenses' of INR 28.65 Crores we are unable to express an opinion on the accompanying results.

- b) The Company was granted Certificate of registration (Registration Number N-13.02242) by Reserve Bank of India effective from May 18, 2018. As per the information gathered about the company from BSE, it is found that the company had applied for surrendering NBFC license. Further after RP took charge over the company, he has written to the RBI for surrendering NBFC license, however, the response is awaited. As per the list as on 30th Sept, 2021 issued by RBI, the name of company is still reflected as NBFC. Refer note No. 29 of the standalone unaudited financial results.
- c) As depicted in Note No. 30 of standalone unaudited financial results, the company is not in compliance with various laws and regulations even before the CIRP was initiated, including certain requirement of the Companies Act, 2013, FEMA, Provident Fund, Income Tax, GST, etc. RP is in the process of evaluating the financial and other consequences arising from such non-compliance and of making a comprehensive assessment of other non-compliances, to determine the impact/consequences, including financial and operational impact, of such non compliances on the company. Pending final determination and assessment thereof, no adjustments have been made to these financial results. In absence of relevant information and records impact of non-compliances cannot be assessed or verified, we are unable to express an opinion on the same.
- d) RP has no access to the various compliance portal such as Income Tax, GST, TDS, Provident Fund, ESIC, RBI, FEMA, etc., and hence notices received during the period, if any, and non-compliance thereof cannot be ascertained and quantified. Refer note No. 11 of the standalone unaudited financial results.
- e) In terms of the provisions of the Insolvency & Bankruptcy Code, 2016 (IBC) ("Code"), the Resolution Professional is required to undertake a review of certain transactions. Such review has been initiated and the RP is required to accordingly form an opinion and act on the observations and findings of such review in terms of the provisions of the Code. The RP has appointed Transaction auditors for auditing transactions falling with the meaning of section 43 to section 66 of the insolvency and bankruptcy code, 2016. Pending completion of audit, these transactions have not been disclosed. Refer note No. 17 of the standalone unaudited financial results.
- f) Balances of Trade Receivable, Trade Payable, Loans and Advances and other balances of assets and liabilities are recognised as per books of account, information, documents and records available, day book and bank book entries and are subject to confirmation and reconciliation, if any. In the absence of information on invoices, accounting entries, prior years data, etc. the accuracy of balances reflecting in financial results cannot be verified and are materially misstated to that extent. Refer note No. 14 of the standalone unaudited financial results.

- g) The Company has not received information from vendors regarding their status under the Micro, Small and Medium Enterprises Development Act, 2006 and hence no provision for interest paid/payable under this Act has not been created during the period ended 30 September 2020. It is pertinent to note that all payables prior to CIRP period will be dealt with in accordance with the provision of the Insolvency & Bankruptcy Code (IBC), 2016. Refer note No. 15 of the standalone unaudited financial results.
- h) The RP after his appointment was able to take charge of the assets, liabilities, records, books of accounts and other documents available at the corporate office of the company. The complete assets, liabilities, records, documents could not be gathered due to non-co-operation from KMPs, suspended director, promoters of the company. Considering the above limitations, party wise listing of trade payables and trade receivables as at 30 September 2020 is not available with the RP and hence the balance of trade payables and trade receivables may be materially misstated to that extent. Refer note No. 16 of the standalone unaudited financial results.
- i) Employee Provisions**

The operations of the company were actively carried on upto October 2019, after which majority of the employees resigned from the company. In the absence of relevant information such as the employee wise resigning date and salary details the liability of gratuity and leave encashment is not ascertainable and not provided for as at 30 September 2020, in the absence of information the existing provisions made upto June 2019 are continued and being reflected in the financial results. Subsequently the company has gone into CIRP, under IBC and all claims of the employees, including that for leave encashment and gratuity will be entertained only through claims submitted by the employees. Refer note No. 24 of the standalone unaudited financial results.
- j) During the period company has not provided for any onerous contracts. As the company is in the CIRP as on the date of preparation of the financial results and review thereof, claim in respect of onerous contract, if any, will only be through claims submitted as per the provision of the IBC, 2016. As the operational claims are not reinstated in the books, no provision is currently made in the books of accounts. Refer note No. 13 of the standalone unaudited financial results.
- k) In the absence of information about the lease arrangements entered into by the company, the impact of Ind AS 116 'Leases' which becomes applicable from 1 April 2019 is not provided for by the company. Also, in the absence of relevant information the impact of non-compliance with Ind AS 116, cannot be quantified on the financial results for the period ended 30 September 2020. Refer note No. 8 of the standalone unaudited financial results.
- l) As a part of CIRP, creditors of the company were called upon to submit their claims to the RP in terms of the applicable provisions of Insolvency and Bankruptcy Code, 2016. RP is in the process of verifying the claims submitted by financial and operational creditors. Financials claims have been provided in the books upto the date of preparation of financial results i.e. 30 September 2020 to the extent of information available and the accuracy of balances cannot be verified and may be materially misstated to that extent. Refer note No. 12 of the standalone unaudited financial results.
- m) In respect of Company's Cash and Bank balances & Bank Overdrafts from banks and financial institutions, in the absence of sufficient and appropriate information on Bank reconciliations, completeness of number of bank accounts held by the Company, Bank Statements and Confirmation, the accuracy of Balances reflecting in financial results, etc. cannot be verified and are

materially misstated to that extent. Refer note No. 9 & 10 of the standalone unaudited financial results.

- n) Statutory dues represent withholding taxes payable on salary, vendor payments, profession tax, provident fund, GST dues, etc. are provided on the basis of information, records and information available with the resolution professional. No other statutory dues are accounted for in the absence of relevant information with the RP and impact of such non-compliance in form of interest and penalty is currently not quantified by the RP in the financial results. Refer note No. 25 of the standalone unaudited financial results.
- o) No deferred tax is created for the period ended 30 September 2020, in the absence of relevant information, records and documents in the possession of the RP. Refer note No. 22 of the standalone unaudited financial results.
- p) The Company was admitted into CIRP on 7 May 2021 which is subsequent to the date of these financial results i.e. 30 September 2020. As on the date of signing of these results substantial uncertainties exist in relation to the future operations the Company and thereby carrying value of assets. RP had tested all assets including Property Plant and Equipment, Intangibles, Capital Work in Progress and other financial assets such as advances, statutory receivable, Security Deposits, Incentive Receivable, etc. for any impairment losses for the year ended 31 March 2020. Basis the assessment done by the RP for the period ended 30 September 2020, no further changes in impairment allowance is made.
Also, on further assessment by the RP no change in expected credit loss on trade receivables and other loans and advances given by the company is required for the period ended 30 September 2020. Refer note No. 20,21 & 23 of the standalone unaudited financial results.
- q) PPE having written down value of INR 0.09 Crores is retained in the books of accounts at the written down values and are not tested for impairment, the valuation required under the IBC, 2016 for the assets is being conducted and the same is under process. The value of PPE will be restated by the RP post the completion of the valuation exercise.
Refer note No. 23 of the standalone unaudited financial results.
- r) The financial results for the period ended 30 September 2020 have been prepared basis the trial balance as on period ended 30 September 2020 which is on the basis of the carrying balance of assets and liabilities as on 31 March 2019 and day book entries available from 1st April 2019 to 30 September 2019 to the extent extracted through partial access of the accounting software and bank statements transactions to the extent available with RP for the period thereafter. Financial results for the period ended 30 September 2020 encompasses significant exceptions/adjustments arising from the discrepancies in the closing balances reported in the financial results for the year ended 31 March 2019, errors and omissions in the book of accounts and the numerous transactions (subject to the outcome of ongoing Transaction Audit) undertaken prior to the commencement of CIRP when the powers of supervising and directing the affairs of the Company were vested with the Board of Directors . Accordingly, the best judgement assessment and estimation of closing balances 30 September 2020 have been done to the extent possible but the accuracy and reliability of these balances cannot be assured or verified by RP and hence the financial results are materially misstated to that extent. Refer note No. 6 of the standalone unaudited financial results.

- s) Due to non-availability/completeness of information on books of accounts and other documents & records of the Company, following cannot be ascertained in relation to Revenue, Expenses, Assets & Liabilities of the Company:

- i) Completeness and Accuracy of Expenses and Income
- ii) Existence and Accuracy of Assets and Liabilities

Also, due to non-availability of information on status of legal cases, demands notices from GST, Income Tax, TDS and any other notices from government authorities, Contingent Liability cannot be determined and hence not reported. Refer note No. 18 of the standalone unaudited financial results.

- t) **Going Concern:**

As depicted in note No. 28 of the standalone unaudited financial results, Majority of the employees of the Company have left in October 2019 and all the operations of the Company has been discontinued since October 2019. Also, since there has been no improvement in the position of the funds it casts material uncertainty about the functionality of the operations of the Company. Due to on-going CIRP and the substantial financial stress, the going concern basis of preparation of these financial results could be materially affected.

The Company has accumulated losses of INR 572.92 Crores and the Company has registered net loss of INR 28.65 Crores during the period ended 30 September 2020 and net loss of INR 560.31 Crores for the previous year (FY 2019-20) (including provision for finance cost and depreciation).

All the above events cast significant uncertainty on the ability of the company to continue as a going concern in the foreseeable future.

In light of the matters indicated above, in our opinion, the company's ability to continue as Going Concern is severely impacted and is unlikely. The underlying results have been prepared by the company on a going-concern basis, resulting in non-statement of assets at their recoverable position.

7. Disclaimer of opinion:

Based on our review conducted as above, and the significance of matters described in **para 6 ("a" to "t") above (including the non-quantification for the reasons stated therein)**, taking into consideration the ongoing investigation into various matters, pending assessment of legal compliances by the Company; possible impact thereof has not been quantified by the RP; and certain provisions accounted by the Company during the quarter and period ended 30 September 2020 we have not been able to obtain sufficient appropriate evidence to provide a basis for our opinion as to whether the accompanying Unaudited Standalone Financial Results:

- i. are prepared in accordance with the recognition and measurement principles laid down in "Indian Accounting Standard 34 - Interim Financial Reporting" specified under Section 133 of the Companies Act, 2013 and;

- ii. disclose the information required to be disclosed in terms of the Listing Regulations including the manner in which it is to be disclosed or that it contains material misstatements.

8. Other Matters

We draw attention to the following matters in the standalone unaudited financial results:

- a) The Comparative IND AS financial information for the period ended 30 September 2019 and year ended 31 March 2020 are included in these reviewed Standalone Financial Results on which we had given disclaimer of opinion.
- b) There are ongoing complaints as filed with various Law Enforcement Agencies against various persons who were controlling, supervising and managing the affairs of the Company before the commencement of CIRP on 7 May 2021, which are presently under investigation.
